

## Honoured 121

### Chapter 121: Lunar Blossom Pavillion!

Ling Chen spoke, her eyes narrowing "Elder Huang, please move from there... we should kick him out first." \*woosh\* a sword appeared in her hand.

Zhao Tian smiled faintly "A Heaven grade, not bad." Ling Huang who was behind Zhao Tian spoke "Little brother, it was one of the swords our Sect master found in the Ancient Ruins, cool right?"

Zhao Tian chuckled hearing this and Ling Chen's eyebrows twitched 'Why is she blabbering our Sect's secrets? No one out of our Sect knows we got treasures back in the Ancient Ruins.'

Ling Chen raised her sword pointing at him "This is your final warning, you better leave now." Ling Meiying who was beside Ling Chen spoke calmly "Brother, I don't know why you are here, but you should leave as men are not allowed here."

Zhao Tian shook his head "I have to see Ling Xin first!"

Ling Chen's anger boiled as she heard Zhao Tian disrespectfully addressing their Sect master by her name. \*woosh\* She instantly appeared in front of him, her sword cleaving through the air hurling near Zhao Tian.

\*thud\* Zhao Tain raised his left hand blocking her attack and as the sword came in contact with his hand, it came to a sudden halt \*crack\* and the impact created cracks on the blade.

\*thrash\* In the next instant, the blade broke into two causing the sharp edge to separate and crash onto the ground with a loud clank \*clank\*

\*gasp\* Sudden gasps of surprise were heard across the female disciples as they saw a Heaven Grade sword getting split into two right in front of their eyes "H-How is this possible?"

"Isn't H-Heaven grade the highest grade?"

"But he..."

"broke it like... that?"

The Elders's eyes trembled in shock seeing this and Ling Chen took a step back looking at the broken sword in her hand. 'Is he above Heaven Astral Stage?' a thought ran across her mind and she again gripped her sword for another attack.

\*swoosh\* But at this time another sound filled the air and Ling Chen raised her head looking at the woman descending from the air, her face hidden with a veil.

The elders and disciples bowed their heads gently, looking at their Sect Master. As soon as Ling Xin's feet touched the ground, Ling Chen spoke "Sect Master! This guy right here-"

"Mr.Tian" They all heard the surprised voice of Ling Xin and all of them raised their heads looking at Ling Xin absolutely dumbfounded in shock and confusion. Huh?

Ling Xin hurriedly walked in front of Zhao Tian, her eyes brimming with excitement and a wide smile plastered on her face "I am really surprised that you came, Mr.Tian!"

The elders and disciples were utterly shocked seeing their Sect Master getting all excited about seeing a man. This also caused a spark of curiosity among the disciples as they wondered who actually Zhao Tian was.

Ling Chen stammered "Uh, Sect master do you know him?"

Ling Xin turned to look at Ling Chen and nodded her head "Yeah! Of course, I do" she exclaimed enthusiastically.

Wha- The elders were surprised to hear this as they had never seen their Sect Master talking with a handsome young man like this before

Ling Xin bowed her head "Welcome to our Lunar Blossom Sect Mr.Tian!" she spoke gesturing her hand for him to enter.

The disciples and elders stood in stunned disbelief as they witnessed Ling Xin lowering her head and showing utmost respect towards him.

With a smile, Zhao Tian walked forward and Ling Chen and Ling Meiying moved giving way for him. Ling Xin walked behind him and the three elders also followed her.

However, before leaving, Ling Chen turned her head "There is nothing here to stare at. Go back to your training!"

Upon hearing the chilling tone of her voice, all of the disciples quickly nodded their heads and at this time Ling Xin spoke "Chao'er, come with us!"

Ling Chao nodded her head "Yes, Sect Master!"

...

Ling Xin who was walking beside Zhao Tian spoke with a warm smile "Thank you for visiting our Sect, Mr.Tian."

Zhao Tian shook his head "I have some work to do in Zhenzhu, so I came here."

Ling Huang quickly caught up with Zhao Tian, now even more curious about him "So Little brother, you already know our Sect Master?"

Ling Xin squinted her eyebrows "Huang, that's not how you should talk to him. Be more respectful. Mr.Tian, I apologize for her behavior."

Zhao Tain chuckled "Its no problem... and yeah I know her."

Ling Huang giggled softly "Thank you, Little brother."

Zhao Tian spoke "I thought the ice elemental users were in Frozen Peak Sect, but here is one..." he asked glancing at Ling Chen in the corner of his eyes.

Ling Xin spoke "We are a sect of women, Mr.Tian. We don't really see elemental attributes to be in our sect. If a woman likes to join our sect, she can join after going through the tests."

Zhao Tian gave a faint nod "The overall strength of Sect is barely 50 people. How is it in the top 5 sect?"

Ling Xin smiled wryly "The top five sect title is not given to the strongest sect. A tournament happens every 20 years and the young geniuses of each Sect participate in this tournament."

"And the Sects who win the top five places would get the title of top five sects. Ling Chen won for us last tournament."

Zhao Tian turned to Ling Chen who still has a cold face and feeling his gaze, Ling Chen squinted her eyes. She still doesn't like that a man is inside their Sect's area and she is only going along the flow because of Ling Xin.

Ling Huang spoke "And Little brother, It's been 20 years since the last tournament and now it is Chao'er's turn to fight in the tournament this year. She is the only core disciple in our Sect and is very talented."

A sigh escaped Ling Chao's lips feeling the the burden on her shoulders and at this time, Ling Xin noticed something "Chao'er, where is your veil?"

Eh? Only then did Ling Chao realize the veil was missing "I-I think I left it in my room."

Ling Xin shook her head helplessly "You left the sect without wearing a veil and Elders what about you?"

Ling Chen spoke "As we are all women in the Sect, I didn't care about wearing veils, but who knew that some random guy would barge in like this."

Ling Xin raised her voice "Chen'er, respect! This is not how you should treat our Guest!"

Hearing her voice, Ling Chen lowered her head "Forgive me, Sect master."

Ling Meiying who was silent during the whole conversation was so curious in her heart. Just what did this man do for the Sect master to respect him like this?

They soon reached a small building and Ling Xin invited him in. Inside there was a white round table with white chairs around.

Zhao Tian settled into his seat, and without wasting a moment, Ling Huang cheerfully plopped down beside him with a giggle "I will sit next to my Little brother!" and Ling Xin sat on his other side.

After sitting, Ling Meiying spoke for the first time "Sect Master, we respected your choice and let a man in but we want to know the reasons as this is the first time you let a man in."

A soft sigh escaped Ling Xin's lips "You know about the incident in the Ancient Ruins, right? when we were chased and almost killed by three Wyrns lured by the Stormweaver sect people."

The others gave a faint nod again remembering the scene where they almost lost their lives that day by the Wyrns.

Ling Xin nodded back with a smile "And it was Mr.Tian, who saved my life back then.... if not I would be dead right now."

HUH? The women's eyes dilated in shock upon hearing this and they all swiftly turned their eyes to Zhao Tian. He is...

Ling Chen quickly stood up, her eyes reflecting respect and gratitude as she bowed her head "Thank you senior for saving our Sect Master's life."

The others also stood up bowing their heads in gratitude for saving their Sect master. Zhao Tian just smiled and waved his hand "Take your seats."

Ling Chen raised her head and Zhao Tian could see the usual coldness in her eyes had reduced and he could see a tinge of softness and gratitude in them.

They sat back in their seats all of their eyes fixated on Zhao Tian, a sense of deep respect and admiration filled their hearts towards him.

Ling Xin continued "And he is the one who found all the treasures and refused to take any treasures and gave all of them to me."

Wha- The women were startled again hearing this and blankly looked at Zhao Tian. he gave all those valuable treasures for.. free?

Ling Huang broke out of her shock and chuckled "Little brother, you are so strong and also kind."

Ling Meiyong nodded her head "That's really rare as powerful people are always arrogant."

Ling Chen also looked at him dumbfounded. Then the sword he broke is his own sword??

Meanwhile, Ling Chao was unabashedly staring at Zhao Tian without tearing her gaze away, her heart filled with newfound affection and admiration for this handsome man sitting in front of her.

At this time Ling Xin spoke "Ah, what am I doing? I haven't served anything for Mr.Tian to drink."

Ling Chen stood up voluntarily "I will prepare tea for Senior Tian!"

Chapter 122: A little shopping!

"What? Little brother, you are the one who destroyed the barrier?" Ling Huang exclaimed in shock upon hearing Ling Xin's words and others were even more amused seeing Zhao Tian.

The Ling elders were curious to know about his cultivation stage, but thinking that it would be rude to ask, they stayed silent on that topic.

Zhao Tian took another sip of the tea and Ling Meiyong turned her eyes to him "Senior Tian, you said that you came to meet our Sect Master, is there any reason for that or just a simple visit?"

Ling Xin raised her eyebrows curiously and Zhao Tian nodded his head "Yeah, I came to see Ling Xin because I need help from her."

Hearing this, a smile appeared on Ling Xin's face and she asked in excitement "Mr.Tian, tell me what help you need, I will surely do that!"

"I could not repay the favor for saving me, so this would be a great opportunity to pay you back!"

With a faint smile, Zhao Tian spoke, "I want a herb called Phoenix blood Astragalus flower for refining a pill."

Hearing the name, Ling Xin frowned and Ling Chen muttered "I... haven't heard a herb like that. What about you Sister Ying?"

Ling Meiying shook her head "No, Sister... I haven't heard that name either. Sister Huang?"

Ling Huang rolled her eyes "No!"

Zhao Tian looked at them calling each other as Sister, seems like in front of the disciples they call each other 'Elder', and in private they call each other Sister.

Ling Xin spoke with a slight frown "Maybe we can ask in the Shun Company main branch, near the Royal Palace. They might have it there."

The others also nodded upon hearing this and at this time, Ling Huang giggled "First we have to buy some robes for Little Brother, this dress looks weird on him."

Ling Xin chuckled "Well, Mr.Tian is from outside of our Zhenzhu." Ling Huang nodded her head "Then, how about this Little brother? we can go shopping and buy some clothes for you."

Zhao Tian didn't mind that and gave a nod "Sure!"

"Ok, let me go and wear my veil!" Ling Huang excitedly jumped up from her seat and quickly made her way to her room. Ling Xin shook her head helplessly seeing the enthusiastic Ling Huang.

\*woosh\* A long blue sword appeared in Zhao Tian's hand and everyone was instantly captivated by the strong aura emanating from the sword/

Ling Xin's eyes quivered seeing the sword "This... why does it seem more powerful than a Heaven Grade weapon." she wondered, her confusion deepening.

Zhao Tian spoke "That's because this is an Epic Grade weapon."

H-Huh? This bewildered everyone in the room "T-There is a grade above Heaven grade?"

"We never heard about it!"

They were all puzzled but they didn't doubt Zhao Tian's words because they could clearly see the sharp and powerful aura from that sword.

"Oh, there are grades above Heaven grade..." he muttered and tossed the sword at Ling Chen.  
"Here!"

"Huh?" Ling Chen was slightly startled and caught the sword. She raised her gaze looking at Zhao Tian rather confused.

Zhao Tian spoke "Since I broke your sword, you can keep that..."

"Oh!" Ling Chen looked at the sword in her hand. "Is it really ok? It is a grade above Heaven grade." A calm tone enveloped her words, yet her eyebrows furrowed slightly.

Zhao Tian gave a nod "It's okay and the sword is actually suitable for cultivators who use ice."

Hm? Ling Chen responded with a soft hum, running her finger delicately along the icy blue blade and sensing the coldness radiating from it. "Yes, it's good for me," she murmured her face remaining indifferent.

Ling Meiying's curiosity got the better of her as she extended her hand to feel the cold, sharp blade of the sword "It's cold, it should be suitable for her." she remarked, a faint smile playing on her lips.

Ling Chen slightly bowed her head "Thank you for this, Senior Tian. I'll gratefully accept this."

Ling Xin smiled seeing this and turned to Ling Chao remembering something "Chao'er what about the ingredient Huang asked to refine the pill?"

"U-Uh?" Ling Chao stuttered and looked around searching for the Golden Sunflower. Eh? Only then did she realize that she must have accidentally dropped it while climbing the stairs with Zhao Tian constantly trying to pull him.

"I-I lost it." she uttered and then a sigh left her lips. Ling Chen squinted her eyes "You were with Senior Tian when he came to the Sect right?"

Ling Chao smiled wryly and took a quick glance at Zhao Tian before explaining the situation that happened.

"Haha!" Ling Xin laughed hearing how Ling Chao got fooled by Zhao Tian in the pillshop. Zhao Tian smiled "I can give you the Golden Sunflower."

"Really?" Ling Chao's eyes lit up in happiness and Zhao Tian nodded his head "Yeah!"

"Thank you, Senior!"

At this time, Ling Huang came wearing a veil on her face "Little brother, shall we go?" Zhao Tian stood up and turned to Ling Xin "Ling Xin, we can go to the Shun company after I return."

Ling Xin nodded her head with a smile "Sure!"

As both Zhao Tian and Ling Huang left a deep sigh escaped Ling Chao's lips and she couldn't help but utter "How can Senior Tian be so powerful and have high-grade weapons when he looks the same age as me?"

Ling Chen narrowed her eyes "I am also wondering about that!" she admitted, her tone laced with intrigue.

"Hahahaha!" Ling Xin suddenly burst into laughter upon hearing their remarks, causing the three others to be confused and surprised by their Sect master's weird behavior.

"Uh, Sect master?"

"Haha... um haha..." Ling Xin slowly controlled her laugh and spoke chuckling "Chao'er, you should not even call him Senior, he is way younger than you. He is just 21 years old."

"WHAT!" Ling Chao shouted in shock and Ling Chen and Ling Meiying were also utterly shocked hearing Ling Xin's words.

Ling Chen, who had been completely indifferent up until this point, could not contain her surprise and blurted out "There is no way that's possible... He is above Heaven Astral Stage and he is just... 21 years old?"

If Zhao Tian was here he would have surely laughed seeing the kind of face she was making.

Ling Meiying snapped out of her shock "Sect master, is this... true?"

Ling Xin shrugged "Why do I have to lie to you? I looked at his bone age myself and he is really 21 years old."

"And he killed all those Wyrns in a single attack which we struggled to even escape."

While she was talking about his attacks, she remembered something else "By the way, he actually has control over four elements."

"WHAT THE ACTUAL-"

...

Ling Huan was constantly smiling as she spoke "Yeah, since I have fire elemental I would refine pills for the disciples. Don't underestimate me, my pills have 95 percent purity and I can refine them up to Low tier heaven grade!" she spoke puffing up her chest with a proud smirk.

As he observed her playful antics, Zhao Tian couldn't help but chuckle, thoroughly entertained by her playful antics. With a smile on his face, he walked alongside her, enjoying their time together as they made their way to the shop.

Standing in front of a clothes shop Ling Huang spoke "This is one of the biggest shops in the Royal Capital, come on Little Brother!"

As they entered, the woman at the reception showed a professional smile "Welcome!" and as her eyes fell on Zhao Tian, a glint of surprise flashed across her face.

In a rush, she swiftly came from the receptionist area and warmly welcomed them, beckoning them to enter "Please come in." Ling Huang spoke, "I want to buy some robes for my little brother here."

"Sure, please follow me." Both of them followed in and the woman looked at the saleswoman who was in charge "Xin'er, this customer needs a robe for him."

The saleswoman turned her eyes and as she saw Zhao Tian, she flared up with enthusiasm "Customer, are you the one who needs the robes?"

"Um, yeah!" Zhao Tian nodded his head.

A wide smile appeared on the saleswoman's face and she ran inside at full speed and came outside, with a pristine white robe with some blue accents in them.

She approached Zhao Tian beaming with excitement "Esteemed customer, can you please wear this once?"

Ling Huang also glanced at the robe "Little brother try it once!"

Zhao Tian took the robe from her hands and nodded "Okay!" he said entering the dressing room.

After a while, he came out draped in white robes and seeing him, the saleswoman's eyes widened in surprise "This,.. is it. This is it! I have been safeguarding this robe for a perfect customer and Mister you are the one! I AM SO HAPPYYYYY!!!"

"M-Mister please, wait... I'll bring more. I am sure those will look good on you!"

Zhao Tian nodded his head "Okay!"

"Thank you, Thank you so much! Please wait for a minute, I'll be back!"

Ling Huang walked near Zhao Tian, "You look even more handsome, Little brother. That old clothes didn't suit you well." she quipped, playfully teasing him.

Zhao Tian just smiled hearing her compliment and the saleswoman also came with different kinds of robes for Zhao Tian to wear.

"THIS IS GREAT!!"

"THIS TOO!!"

"AWESOME!"

"YOU LOOK DASHING IN EVERYTHING!"

"HAHAHA!!!"

"MY EYES ARE BLESSED!"

"YOU ARE THE HANDSOMENST MAN I'VE EVER SEEN!"

Zhao Tian selected many robes and asked the saleswoman "I also need to buy robes for women!"

"Surely, we can!"

Ling Huang got curious hearing this "Little brother, you have a partner?"

Zhao Tian nodded his head "I have some lovely women!"

"Hm." Ling Huang was not that surprised as handsome and powerful men tend to have many women.

"Come on, I'll buy a robe for you!" Hearing his words, Ling Huang didn't reject the offer and nodded her head "Okay!"

...

Zhao Tian paid for all the robes he purchased and stored them in the storage ring. Seeing the storage ring, the staff's attitude became more respectful. The saleswoman bowed and said "Please visit us again and I will have even more good robes for you!"

Stepping out of the shop, Ling Huang gazed at the violet robe on her hands with a sweet smile on her face. "Do you like it?"

Ling Huang nodded her head "Very much. here, can you keep it in your storage ring... I will buy it from you after reaching reaching the sect."

Zhao Tian took it and stored in his storage ring. Ling Huang muttered "How convenient to have a storage ring? \*sigh\* I wish I had one."

"Ling Chen had one, right?" Zhao Tian asked and Ling Huang nodded her head "Yeah, she got it as a present from Her Majesty for getting fifth place in the previous competition."

I have uploaded character pics, go and check them. Give popularity add personalities! Thanks!

Chapter 123: Who is this?

"Yeah! It looks good on you, Mr.Tian!" Ling Xin said looking at Zhao Tian who was wearing a white robe. Ling Meiyong also nodded her head with a soft smile "Yes, Senior Tian... you look so much better than before."

Ling Chen gave a slight nod while Ling Chao had her mouth open in shock seeing the hot young man standing in front of her. She knew he was handsome but seeing him in robes was totally different for her.

Ling Huang smiled showing the purple robe in her hands "See, my little brother bought this for me."

Ling Xin nodded her head "Great color, perfectly complimenting your hair color." she spoke softly.

"Hehe, Thank you...Sect Master."

Zhao Tian turned his eyes to Ling Xin "Ling Xin, shall we leave?"

Ling Xin nodded her head "Yes, Mr. Tian... Chen, look over the Sect while I am gone."

"Yes, Sect Master." Ling Chen gave a nod.

\*swoosh\* Zhao Tian and Ling Xin left the Sect flying through the air. As they left, Ling Chen, Lin Meiyong, and Ling Chao quickly surrounded Ling Huang.

E-Eh? Ling Huang was startled seeing them encircling her "Um, what happened, sisters?"

Ling Meiyong asked in concern "Sister Huang, you didn't do anything that will offend Senior Tian when you went to shop right?"

Hearing her worried tone, Ling Huang was quite confused "Why are you worried? I didn't offend him."

"He is a sweet guy you know? haha... Not only shopping, he also complied with my selfish desires and we entered some street food shops."

"Well, I couldn't enter there because of my Elder position and it would be quite awkward and uncomfortable to enter there alone. But as if knowing my desires he brought me to the food shops and bought me great food."

"I felt like a young woman, not as an Elder at all."

-\_- The three Ling's looked at Ling Huany happily explaining her date with Zhao Tian. A sigh escaped Ling Chao's lips "Elder Huang, leaving that aside, you didn't do anything that displeases him, right?"

Ling Huany tilted her head "Why are you asking that again and again? I am sure little brother also enjoyed his time with me, hmph! You girls are jealous so you are asking like this?"

Ling Meiyang shook her head "No, Sister.. I heard a lot about him from the Sect master and this man named 'Tian' is... terrifying."

This caused Ling Huang to raise her eyebrow "Huh?"

...

\*woosh\* Zhao Tian and Ling Xin dashed through the air and after a while, the grand structure of the palace came into view and he suppressed his aura to avoid unnecessary attention.

Ling Xin spoke "Mr.Tian, we shouldn't fly above the Royal Palace and its perimeters. So, let's go down."

Zhao Tian gave a nod and both of them landed down on the ground. After a little walk, they finally reached the main branch of the Shun company belonged to the Golden Flame Sect.

"Huh? What do you mean by such a herb doesn't exist?" Ling Xin asked in confusion looking at the old man in front of her.

The old man gave a solemn nod "In my decades of experience I have never heard of a herb named Phoenix blood Astragalus flower. So I am sure, such herb doesn't exist."

Zhao Tian narrowed his eyes hearing this, 'As Shenyi said, this flower is rare, the people on Earth don't even know about that.'

"Ling Xin, let's leave!" Zhao Tian spoke and turned around preparing to leave. Ling Xin gave a nod and glanced at the old man "Thank you!"

As they exited the shop, Ling Xin frowned her eyebrows, deep in thought "This old man is lying, Mr.Tian... I am sure I've heard this flower name somewhere."

Zhao Tian was quite surprised, she had heard about it? At this time, a distant recollection surfaced from her previous conversation with the Queen "Her Majesty once talked about this flower" she recalled.

Zhao Tian's eyes narrowed. "The Queen?"

Ling Xin nodded her head and uttered in a low voice "Yeah, I remember talking about this flower, which helped her suppress her disease."

"Disease?" Zhao Tian asked getting quite curious.

Ling Xin gazes around and seeing the low number of people in the streets she hushed near Zhao Tian's ear "The Queen is been diseased for years now and is still searching for Ember Essence Lotus to cure her disease."

"And I remember her saying that she used some Phoenix blood flower to suppress the disease."

Zhao Tian asked in a faint voice "Can you go and talk to her?"

Ling Xin nodded her head with a smile "Yeah, she is my friend and I will go and visit her in her Private quarters. Since men are not allowed inside her private area, you can stay here and I will return back with the information."

Zhao Tian gave a slight nod before making his way inside a restaurant to grab a bite to eat, while Ling Xin headed towards the Royal palace.

After half an hour, Zhao Tian saw Ling Xin walking towards his table, and seeing her Zhao Tian asked "What happened, Ling Xin."

Ling Xin gently shook her head "I couldn't see Her Majesty. She has issued an order not to disturb her for this whole day. We can only meet her tomorrow."

Hearing this, Zhao Tian spoke taking a bite of the dessert, "Let's return to the Sect for today!"

...

By the time, they returned back to the Sect it was already evening.

Ling Huang who was sitting beside Zhao Tian on the bench, was quite nervous after hearing about him from others. Is he really scary?

Zhao Tian turned his gaze to look at the gorgeous woman sitting beside him, her body bathing in the evening sunlight "I am leaving!" he spoke and stood up.

Huh? Ling Huang was started. "You are leaving now? You still have to meet the Queen tomorrow right? You can stay here in our Sect today..."

Zhao Tian shook his head "That would be inappropriate. I am leaving" \*woosh\*

H-Huh?

...

\*pakh\* \*pakh\* Zhao Tian rammed his cock into Fei Lingxi's pussy, his lips kissing her lips and her legs were entwined around his waist in a tight grip.

"Angh~ Angh~ Angh~ Angh~" Fei Lingxi has already lost her senses because of his relentless ravaging for the past hour and ceaseless moans escaped her lips.

\*creek\* The whole bed is shaking because of his fierce thrusts and he saw her gigantic boobs swaying up and down. Tempted by her alluring boobs, Zhao Tian leaned in chomping down the nipples in his mouth and biting them.

"Haangh~ Oohh~ Master~~"

He has a space artifact and has two slaves whom he can ravish as he wishes, so why does he have to sleep out there alone?

Meanwhile, Fei Ziyu who was sitting naked on the bed gulped down her saliva seeing her Master's big cock going in and out of her Mom's pussy.

'Damn Mom, why is he going so many rounds with you?' Her eyes quivered in envy as cum still trickled down her pussy from her session an hour ago.

\*splurt\* Reaching his edge Zhao Tian shot his semen filling her womb with his cum and Fei Lingxi's body trembled in extreme pleasure. \*thud\* She lay there her legs spread wide open, cum flowing down out of her pussy like a dam.

As Zhao Tian pulled his dick out, Fei Ziyu hurriedly crawled near him "Master~" as she took his dick in her mouth licking and tasting the remaining cum in his dick.

After she cleaned his dick, he moved lying down on the bed. Huh? Fei Ziyu was surprised to see him sleeping in her room. Usually, he will fuck them and leaves the room. Are there no other women here today?

Fei Ziyu's heart palpated seeing this and she couldn't contain her excitement. Is today the day I am gonna sleep with him?

As Zhao Tian closed his eyes to sleep, Fei Ziyu moved on the bed slowly placing her head on his chest. 'Just a little, Just a little' she muttered.

\*huff\* Fei Lingxi who finally gained some clarity opened her eyes and looked down at how her Master's dick has messed with her pussy.

As she turned her head, she was surprised to see Fei Ziyu sleeping on Zhao Tian's chest and Zhao Tian also hugging her waist. Won't he get mad?

But looking at the beautiful satisfied smile on Fei Ziyu's lips as she sleeps, Fei Lingxi's eyes softened 'At least she is happy now...'

She again looked at her naked body painted with cum 'If she is happy, I can endure it...'

...

\*tap\* \*tap\* A woman, her hair flowing down in long strands of blonde, made her way through the dimly lit hallway. As she ventured forward, her eyes reached a massive door in front of her.

The door appeared to have an elaborate design, featuring several intricate patterned locks. The woman carefully turned each lock on the door, and with a soft \*woosh\* sound, it began to slowly swing open.

As she stepped in, she saw a beautiful woman her silverish hair floating in the air as she sat cross-legged levitating in the air.

The woman's extraordinary beauty was undeniable, yet there was an absolute air of otherworldliness about her, setting her apart from the appearance of an ordinary human being.

She has long pointed ears and a well-defined body and if Zhao Tian was here, he would have yelled "Shit! Elves are real?"

The woman levitating in the air gently opened her eyes, revealing a serene expression on her face as a warm smile spread across her lips. "Xue'er," she whispered softly.

Chapter 124: Phoenix Blood Astragalus flower!

\*num\* Zhao Tian continued eating his food and Ling Xin, Ling Huang, Ling Chen, and Ling Mieying who were around his table also ate their food stealing quick glimpses at his face.

Now they are on the second floor of the Sect's food area. The lower floor is for the disciples to eat and the upper floor is for Sect Master and Elders.

Ling Xin asked, "Mr.Tian, how is the food?"

Zhao Tian gave a nod "Yeah, it's good."

Ling Xin gave a slight nod "Mr.Tian after we finish eating, we can go to the Royal palace again to ask Her Majesty about the herb."

Zhao Tian gave a faint nod and Ling Huang tilted her head "Sister Xin, men are not allowed inside the private quarters of the Queen right?"

Ling Xin turned to her and nodded "Yeah!"

Ling Huang smiled playfully, "Then let little brother stay here, you can go and ask the Queen by yourself. Me and little brother will look around the Royal Capital for a while. Hehe"

Eh? Ling Xin was dumbfounded hearing this but what Ling Huang said made sense. Furrowing her eyebrows in thought she nodded "Hm, that would do. Since Mr.Tian is new to Zhenzhu he can also get used to this place, what do you say, Mr.Tian!"

Hearing her suggestion, Zhao Tian spoke with a nod "Good!"

Ling Huang chuckled "Little brother, today I'll show you good places in the Royal Capital."

Ling Chen and Ling Meiyong just smiled seeing the usual enthusiastic Ling Huang.

...

\*tap\* \*tap\* Ling Xin walked through the royal hallways adorned with gold as she made her way toward a specific door.

The female servant who was standing outside the grand door bowed her head seeing Ling Xin. She turned around knocking on the door "Your Majesty, the Sect Master of the Lunar Blossom Pavillion has come to see you!"

"Oh? Xin'er, enter!" A faint melodious voice echoed from inside.

Ling Xin smiled and the female servant pushed the door open. Ning Xue who was lazily lying on the bed turned her head with a smile "Xin'er!"

Wha- But the smile on Ling Xin's face froze and a sigh involuntarily escaped her lips seeing Ning Xue lying on the bed fully naked not an inch of clothes on her body, showing her ample boobs with a red nipple on top of them.

Ling Xin lowered her gaze and spoke in a helpless tone "You are a Queen!"

Ning Xue just shrugged "You are the one who came into my room and we both are women, so no problem. Come and sit!"

Ling Xin walked and sat on the couch inside the room. Ning Xue turned her body on the bed, resting her head on her palm lying sideways.

Ling Xian again glanced away as in this position she could even spot some blonde hair near her crotch "How is your health, Her Majesty?"

Ning Xue sighed "You stopped kneeling in front of me, but still calling me majesty, well whatever.."

"My health remains the same as usual Xin'er, well it's suppressed after taking a Phoenix blood Astragalus flower... phew! it is a lifesaver."

Life saver? Thinking that it is very essential for Ning Xue, Ling Xin hesitated a little. Noticing the hesitation in Ling Xin's eyes, Ning Xue frowned "Xin'er, what happened?"

Ling Xin raised her head looking at Ning Xue's golden eyes. With a hopeful tone, she spoke "Sister Xue, I have a favor to ask and I hope you will help me."

Ning Xue's eyebrow quirked in surprise hearing Ling Xin start calling her 'Sister Xue' "Hm? What help... if it's within my power I'll certainly do it."

Ling Xin gave a nod "I... need the Phoenix blood Astragalus flower, Sister Xue!"

Huh? Ning Xue was taken aback by Xin'er's request and promptly shook her head "No, I can't Xin'er... it's not within my power."

Ling Xin was startled hearing this "What are you saying, Sister Xin? You are the Empress of the Holy land of Zhenzhu... how is this not within your power?"

A sigh escaped Ning Xue's lips "But, the flower is not under me... it belongs to someone else."

Ling Xin was even more confused. How can there be someone more powerful than Ning Xue in this world? Even among cultivation factions, the land of Zhenzhu has the most cultivators and is the most powerful organization.

Who dares not to obey her command?

As Ling Xin tried to speak, Ning Xue closed her eyes "Don't try to convince me on this matter, Xin'er. I don't know why you need that... but I can't give it to you."

As Ning Xue reopened her eyes, her eyes widened in shock "Xin'er?" she muttered seeing Ling Xin kowtowing on the ground, her head pressed on the floor "Please, help me Sister Xue."

Ning Xue's frown deepened "What is that making you beg like this, Xin'er?"

"A favor for saving my life! I have to pay back the favor!" Ling Xin said and Ning Xue spoke batting confused "I need details."

Ling Xin shook her head "Sorry, I can't and please don't send your spies to my Sect to get information on this matter."

Ning Xue closed her eyes and Ling Xin stayed there kowtowing and after a while, Ning Xue reopened her eyes "I'll try!" she muttered getting down from the ground.

Ning Xue walked towards her closet and Ling Xin hurriedly stood up following Ning Xue. "Let me help, Sister Xue!"

Ning Xue gave a nod and Ling Xin quickly helped wearing her robes. After finishing wearing the clothes, Ning Xue glimpsed at Ling Xin "You wait here for a while..."

Ling Xin nodded her head and sat on the couch while Ning Xue left her room.

...

Ning Xue walked through the dark hallways that she came to yesterday which is situated in the deeper part of the Royal Castle where no soul other than her dared to enter.

Again arriving in front of the large door, she unlocked the intricate designs and pushed the door open, stepping inside.

The woman, who appeared to be floating in mid-air, slowly opened her eyes, a hint of curiosity in her eyes "Xue'er, what happened? You are here again so soon." she spoke in a soft voice.

Looking at the unparalleled beauty in front of her Ning Xue gave a nod "Yes, Sister Freya!"

Freya Arianwen Everglade who saw Ning Xue standing in front of her frowned slightly "Did you come just to see me or is there any other thing?"

Ning Xue nodded her head "I have a reason, Sister Freya. I need the Phoenix blood Astragalus flower."

Freya Everglade was quite perplexed "Xue'er you took one just yesterday and it should be enough for two months... but here you came asking for it the next day?"

Ning Xue nodded her head "I know, Sister Freya... but one of my friends needs that."

Huh? Freya Everglade narrowed her eyes and spoke in a stern tone "Xue'er, you know how important that flower is for both of us and you want to give it to some friend?"

Ning Xue sighed in her heart "I know, Sister Freya but this friend of mine is so close to me... and she even kowtowed in front of me for this flower."

Freya Everglade contemplated hearing Ning Xue's words, On one hand, she didn't want to hurt Ning Xue by rejecting her, but on the other hand, the flower is also very important to her.

She softly waved her hand "Then you can take one."

Huh? Ning Xue was astonished to hear the quick answer, She had anticipated having to put in more effort to convince her but now she is speechless.

Seeing the surprise on Ning Xue's face, Freya Everglade chuckled faintly "Don't be so surprised, you are also close to me and how can I not help you... you also helped me once."

With a grateful expression, Ning Xue lowered her head with a smile "Thank you so much, Sister Freya!"

Freya Everglade giggled "Now take and leave before I change my decision."

Ning Xue nodded her head and walked to the side. Her gaze fell upon a patch of damp soil, where two vibrant red flowers stood out. At the center of each flower was a single droplet of blood.

She plucked one and showed a smile to Freya Everglade before leaving the room.

After Ning Xue left, Freya Everglade clutched her palm "With only one flower, it is hard to control."

She took a deep breath "Haah! Let's endure!"

(A/n: Thank you so much Orlando bro for gifting the castle.

Actually, what happened was, that I saw two notifications in gifts and opened it. First I saw Ning Fan Bro's massage chair and I was very happy because it was the most expensive gift someone gave to me. I have only got Inspiration capsules before!

Thank you Ning Fan! I was honestly surprised.

And as I raised my gaze, I saw a fucking castle and my jaw dropped, like WTF!

I saw it two times confirming that it was a castle and I was so overjoyed. I also went to the message section and noticed the castle. Haha!

I was constantly smiling looking at the phone screen and my Mom asked 'Why are you grinning like that for a while' I also said the news to her haha. She doesn't know I am writing an R18 novel she just knows I am writing a novel lmao.

It was actually a GOOD MORNING for me and I was happy! You both made my day!

Chapter 125: A small date!

\*creek\* As the door opened, Ning Xue entered her room with a wooden box in her hand. And seeing her, Ling Xin quickly stood up "Sister Xue!"

Ning Xue smiled as she extended the wooden box to Ling Xin "Here, the thing you asked."

A smile instantly appeared on Ling Xin's face and she took the wooden box in her hands "Thank you so much, Sister Xue!" she spoke with a slight bow of her head.

Seeing her bright smile, Ning Xue chuckled softly "Save it in your storage ring." Ling Xin nodded her head and hurriedly saved in her storage ring.

"Haah!" Ning Xue let out a sigh as she walked to the couch, \*swish\* her dress disappeared into the storage ring and she sat on the couch butt naked.

Ling Xin exhaled deeply, feeling a sense of relief as she made her way over to the couch, various questions running through her mind. "Uh, Sister Yue... this flower..."

Ning Xue spoke leaning back on the couch, her leg draped over the other "Don't ask me how did I get this flower or why am I hesitant to get the flower first."

"You kept it secret why do you need the flower and I'll keep this a secret."

Ling Xin lowered her gaze and at that time she remembered something as she raised her head quite hesitant to ask "Is this related to the destruction that happened 35 years a-"

"Xin'er." Hearing Ning Xue's cold voice cut through the air, Ling Xin shivered and spoke in an apologetic tone "I-I am sorry, Your Majesty!"

Ning Xue gritted her teeth in frustration and sorrow "I lost my family that day... because of those bastards." she said, her tone laced with a chilling bitterness.

"Haah!" But she took a deep breath controlling her emotions as memories of the past flooded her mind.

"Well anyway, let's change the topic... how is your disciple and your preparation for competition." Ning Xue asked a smile appearing on her lips.

Ling Xin nodded her head "Chao'er is doing great. She has already reached 2nd level of Soul Astral Stage."

"Hoh!" Ning Xue was quite amused hearing this "Not bad!" she muttered and Ling Xin chuckled "What about the top student in the Royal Academy."

Ning Xue shook her head "Who knows, I don't even go there."

...

"O-Oh!" Collective gasps were heard as the onlookers were left speechless seeing a couple walking through the streets of the Royal Capital. The young handsome man is wearing a black robe with intricate golden patterns on it and the woman is wearing a purple robe.

Ling Huang giggled faintly "Little Brother all eyes are on us." Zhao Tian smiled "Of course because I have a beautiful woman like you beside me."

Ling Huang couldn't help but chuckle, thoroughly amused by his charming and smooth words "What a sweet tongue... haha."

As Ling Huang strolled around, her gaze fell on a shop and her face lit up. "Little brother come here..." she hastily grabbed Zhao Tian's hand and pulled him.

Zhao Tian just smiled and went along with her as she pulled him to the shop. Upon entering, he was greeted by a dazzling display of diamond-like crystals lining the shelves, catching his eye immediately.

At the back of the shop stood a middle-aged man, undoubtedly the owner or shopkeeper.

He smiled seeing the couple "Welcome! young people! How many Envisage shards do you need?"

Ling Huang spoke, "Only one is enough!" The middle-aged man nodded his head and took one Envisage shard from the shelf "That costs two astral stones."

Zhao Tian placed two astral stones on the bench and the middle-aged man took the astral stones and asked "Do you need help to take the picture."

Ling Huang said, "We will take care of that."

Zhao Tian took the Envisage shard in his hand and both of them left the shop. He remembered Xia Shenyi talking about these shards, apparently, this is like a camera in the cultivation world.

Ling Huang took the Envisage shard from his hand and spoke "Little brother, you probably don't know what this is... so I will tell you."

"With this shard, we can capture a memory of ourselves into this Envisage shard and look at it. Fascinating right?" she said with an excited smile explaining the concept.

Zhao Tian nodded his head "Yeah!"

Ling Huang nodded back "Hm, let's go to a good spot and do this. I know a forecourt here."

Forecourt? Zhao Tian and Ling Huang came to a large nature garden in the Royal capital. Zhao Tian looked around. Did she mean park?

"Let's sit here... Little brother!" Ling Huang pulled Zhao Tian to sit on a bench in the park.

As they sat, Ling Huang took the Envisage shard and flowed her astral energy into it. \*swish\* It slowly floated away from her hand and levitated in front of them.

She then raised her hand taking the veil off her face.

With a mischievous glint in her eyes, she hugged Zhao Tian's arm and smiled cheekily "Come on little brother... give a good pose." Zhao Tian just chuckled and \*click\*

After taking a picture, the Envisage shard rotated in the air showing the other side. Ling Huang spoke "It can take two memories, Little brother, last time you were chuckling... this time pose good. Hmph!" she sulked her lips.

"Sure!" Zhao Tian nodded his head and showed a faint smile looking at the shard. Ling Huang also leaned on his shoulder, affectionately hugging his arm with a wide smile on her lips. \*click\*

"Let's see..." Ling Huang raised her hand and the Envisage shard came back floating to her. Looking through the radiant depth of the diamond crystal, she saw the picture of her and Zhao Tian.

She couldn't help but smile in happiness "Little brother, see this... it's so good!"

Zhao Tian also leaned in to look at the crystal and saw that the picture turned out really well. Ling Huang smiled happily "I'll treasure this little brother, hehe!"

Zhao Tian's eyes grew tender looking at the cute woman smiling happily looking at the Envisage shard and he chuckled "You are really aloof sometimes."

"Hm? aloof?" Ling Huang tilted her head cutely and Zhao Tian spoke "I feel like you have zero survival instincts, you approached me by yourself when I first came to the Sect."

"And now you are here alone with a man whom you just met yesterday. I am actually worried about you now."

Eh? Hearing this, Ling Huang was dumbfounded and she facepalmed herself. But she also felt the situation amusing "Well, I... wouldn't just approach any man like that. I know it's you..."

Hm? Zhao Tian raised an eyebrow "You know me?"

Ling Huang smiled dryly and spoke the reason "I... actually have a good sense of smell. When Sister Xin came from the Ancient Ruins I noticed a unique scent on her, different from the usual."

"And Sister Xin also said that a powerful cultivator saved her inside the Ancient Ruins and also helped her in finding the treasures."

Zhao Tian frowned upon hearing this, how did my smell get attached to her? And then he remembered taking her on his shoulders before entering the treasure room while escaping from the crushing walls.

Ling Huang continued "When you came into the Sect, I also saw how you easily blocked Sister Chen and Sister Meiying's attacks."

"Curious, I came close to you and caught a whiff of your fragrance. I know it was you who saved Sister Ling that day from the Wyrns. That's why I acted like that..."

"Seeing your handsome face., I couldn't control the urge to tease you because you were cute wearing that dress back then, haha."

"And I also know little brother won't harm your Big sister, right?" Ling Huang spoke, keeping her smile causing Zhao Tian to chuckle.

Ling Huang lowered her gaze, hesitant in her heart to ask but still, she asked "But... actually I was scared yesterday after hearing more about you from Sister Xin."

"Oh, what did you hear?" Zhao Tian asked, quite curious.

Ling Huang spoke averting her gaze "That you killed... all the people from the Stormweaver Sect mercilessly."

Zhao Tian casually nodded "Yeah, I did... I gave them a warning, but they refused to listen."

A deep sigh escaped Ling Huang's lips "Well, I can understand... if you had not taken action there, you and Sister Xin would have died." she uttered and a tranquil silence filled the park as the chirping of birds could be heard with the gentle rustling of the wind.

"And is it true that you are just 21 years old?" Ling Huang asked and Zhao Tian nodded his head "Yeah, I am."

"O-Oh!" Ling Huang was slightly taken aback and gave a nod "Sister Xin also said that you have control over four elements..."

"If it's true can I see that? I have never seen anyone use more than one element."

Zhao Tian raised his hand and a blazing fireball appeared on his palm. Ling Huang was excited seeing this "You have fire elemental!"

Seeing her being excited, Zhao Tian continued as the fire disappeared and small particles of ice appeared in his palm "Oh, water too huh."

\*crack\* As the icicles disappeared, cracks of purple lightning ran across his fingers, mesmerizing Ling Huang as she opened her lips in surprise "It is awesome, Little brother!"

\*woosh\* And in the next instant, the lightning stopped as small wind blades with a surge of wind energy appeared in his palm.

Huh? Ling Huang frowned and was confused seeing this "Little brother... Sister Xin said that you have, Fire, Ice, Lightning, and Earth... but now you are using wind." she asked turning her eyes to his face, her voice laced with curiosity.

Zhao Tian just looked at her with a smile on his face. Then realization struck Ling Huang and her eyes widened in utter shock "D-Don't tell me little brother.."

"Y-You can use all the elements!"

"Guess!"

## Chapter 126: Leaving Zhenzhu!

\*clank\* Zhao Suyin is washing the dishes in the kitchen with a slight smile on her face and as she again remembered the handsome face of her son, she couldn't help but blush and continued her work.

She glanced at the washed plate beside her and gestured her fingers as a small swirl of wind appeared gently levitating the plate and placing it on its rack.

She giggled to herself seeing this 'This cultivation thing is so fun. But I shouldn't use much because Ying'er will sense that I am using Astral Energy since her stage is higher than mine.'

'I should also work harder and cultivate!'

Meanwhile, Zhao Ying who was sitting on the sofa chuckled speaking over the mobile. Chi Miya who was on the other end of the call sighed "I couldn't concentrate on my work at all..."

"I am always thinking of him and his touches... urghh. I want to be with him all the time!" Chi Miya muttered in frustration.

Zhao Ying giggled "I have already told you, Sister Miya, you should have just sold that company. Don't we have enough money already?"

"Now after taking your company under Fei Company, you are the CEO of one of the top three companies in the city. Your workload just got bigger."

Chi Miya sighed "And Tian took Miss Lingxi with him in his artifact to Zhenzhu. It is very hard to do things here.. haah."

Hearing her sigh, Zhao Ying spoke "Sister Miya, I may sound rude, but hear me. Your father is already dead, so it is useless to cling to those emotions of yours."

Chi Miya tried to speak "But Yin-"

Zhao Ying interrupted "Sister Miya, what is the most important thing in your life now?"

Chi Miya replied without hesitation "Tian and Shui'er... and my sisters too."

"See? You didn't even mention your Father. So, Sister Miya... do things that would make you and your loved ones happy. You are only stressing yourself with the company!"

"In the first place, I shouldn't be having this conversation over the phone. Are you coming for dinner, Sister Miya?"

Chi Miya nodded "En. Shui'er too.."

"Good, then we will talk later." \*click\*

At this time, Zhao Suyin entered the hall after finishing her work and Zhao Ying turned her head "Mom! sister Miya and Shui are coming for dinner later."

Zhao Suyin glanced over at her and smiled "Ok!" she nodded and walked to the stair case to go to the upper floor.

Zhao Ying rolled her eyes "Mom, you are again going to the Game room? Do you actually know how to play?" she asked with a wry smile.

Hearing this, Zhao Suyin snorted playfully "I know, I am updated on current gen Z and I am pretty good in that game!"

Zhao Ying shook her head helplessly "Then let me join too..."

-- Zhao Ying looked at her Mom dumbfounded as she looked at the PC screen in front of her. What the actual fuck? What is this killing streak?

She turned her head toward the nearby PC and saw her Mom playing with a grin on her face, her fingers working swiftly i the keyboard and mouse.

Even though Zhao Ying doesn't play this game, she knows how to play as she had watched Zhao Tian playing in live tournaments and winning.

"M-Mom? When did you become a pro in gaming?"

Zhao Suyin glanced at her "Pro? I don't know... I just kept playing. This is kinda easy and fun! Ah! Headshotahaha!"

Zhao Ying's lips twitched, Don't smile like that after that precise headshot!

Seems like her Mom is also a prodigy like her Brother in games. Then am I the only useless being in the family?

'Haah, when will Tian'er come back?' x2

...

"Zhenzhu Alchemy Hall?" Zhao Tian read the huge board above the building. Ling Huang nodded her head "Yeah, the Alchemy Hall under the direct association of the Royal Family!"

"Come on, Little brother!" Ling Huang went in and seeing her the staff and others bowed their heads in great respect.

Zhao Tian muttered, "Seems like you have a good reputation here."

Ling Huang gave a nod "I already told you, Little brother. I am quite good at alchemy and I am a Tier 4 alchemist and there are only a total of 5 tiers."

"Oh!" Zhao Tian was amused hearing this and Ling Huang giggled seeing his reaction.

As they made their way over to the counter, the woman behind it immediately lowered her head in a gesture of respect upon recognizing Ling Huang "Miss Huang!"

Ling Huang nodded her head "VIP room as usual and place these ingredients inside." she spoke handing over a paper to her.

The woman took the paper and nodded "Yes, Miss Huang! It will be done soon."

A while later, Zhao Tian and Ling Huang entered their VIP chamber. Zhao Tian looked at the cauldron and the ingredients placed at the center.

Ling Huang walked and sat on the small platform looking at the ingredients in front of her. "Hmm... the ingredients are processed and dried. Good!"

She then turned to Zhao Tian "Little brother, Chao'er told me to ask you for the Golden Sunflower."

Zhao Tian nodded his head and a Golden Sunflower came out of his storage ring as it floated near her. Ling Huang smiled "Then let's start!"

A few minutes passed and Zhao Tian who was sitting on the side glimpsed at the cauldron floating in front of Ling Huang with fire surrounding it.

\*pop\* With a sudden popping sound, the lid of the cauldron flew open, releasing a flurry of five white pills. Ling Huang took the pill bottle beside her storing the pill inside them.

She was very much satisfied with the result and stood up. "See, here little brother.. my amazing creation."

Zhao Tian took the pill bottle and saw the white pills in it "95 percent purity and low Tier Heaven Grade, not bad."

H-Huh? Ling Huan was startled "Not bad? Little Brother? This is hard for most of the alchemists in Zhenzhu there are only very few Tier 4 alchemists. Little brother, it is not as easy as you think it is."

"Do you how hard you need to concentrate while making a high-grade pill like this? And you just said 'Not bad!' Little brother, you should say 'Big sister, you are wonderful... you are the best alchemist I have ever seen in my entire life. You are so beautiful' Something like that, hmph!" she pouted her lips in anger.

Zhao Tian couldn't help but laugh at the silly antics of the woman before him. With a smile, he raised his hand, causing the remaining ingredients that were scattered around the cauldron to levitate towards him.

Ling Huang was confused seeing his action and as the ingredients floated above his palm it suddenly began to burn in bright red flame. "Little brother, why are you burning the remaining ingredients?"

Zhao Tian just stayed silent and burned the ingredients. a few seconds later, Ling Huang frowned, this smell... "L-Little Brother, you are actually concocting a pill?"

Ling Huang muttered in sheer shock looking at the ingredients disintegrating into a mixture and blending together. "This... is the refinement process?"

This is the first time she has seen someone creating a pill without a cauldron and now she can see what is actually happening inside a cauldron while refining, gaining a deeper understanding of the alchemical artistry at play.

Gah! Her jaw dropped as she saw the liquid mixture slowly forming the shape of a pill under the fire, pressure, and his good control of astral energy.

And after a while, there were two white pills floating in the air and its rich aroma filled the air. Ling Huang's senses were overtaken by the rich fragrance as she had a sensitive nose.

"N-No doubt, this pill is so pure... and w-what is this grade?" she stammered in disbelief. Zhao Tian placed the pills inside with the other pills in the pill bottle.

Zhao Tian looked at her face and couldn't help but laugh. Hearing his laugh, she snapped out of her daze \*thud\* as she knelt on the floor "Please accept me as your disciple, Master!"

Eh? How the tables have turned? Zhao Tian spoke, "Stand up, what are you doing?" Ling Huang raised her head "Paying respect to my Master."

-- "When did I accept you as my disciple and I am way younger than you."

Ling Huang nodded her head "Yeah, but in front of talent and power like you, how insignificant I am. Please Master accept me..."

Zhao Tian crouched down and grabbed her up like a cat and made her stand up. Ling Huang looked at him in admiration and respect "Master!"

Zhao Tian sighed helplessly "I don't know if I can teach you that but I did that because of my proficient control over the fire elemental and my fire is quite pure."

Ling Huang gave a slight nod "Anyway, Master when is our first class?"

-\_- Did you just fucking hear what I just said?

Ling Huang moved hugging his left arm, with a chuckle "But... I am really surprised little brother, at this age, you have such skills. Even Tier 5 Alchemist can't do what you just did."

As she gazed into his face, her eyes softened and a warm tenderness washed over her "How can you be like so... perfect."

...

Sitting on his chair inside the Sect Building, \*click\* Zhao Tian opened the wooden box, As he opened it, Ling Xin, Ling Chen, Ling Huang, and Ling Meiyong peeked inside curiously.

Zhao Tian carefully plucked the vibrant red flower, noticing a solitary droplet of blood glistening on its delicate petals. So this is the Phoenix blood Astragalus Flower? Hm... Shenyi said that this is formed from the blood of a Phoenix.

"Are there any Phoenix beasts in the forest?"

Ling Xin shook her head faintly "I have never heard about a beast named Phoenix. Maybe in the depths of the forest."

Zhao Tian gave a slight nod "By the way what is the Queen's name?"

Ling Huang spoke "Little brother, her name is Ning Xue!"

Ning? Suddenly he remembered his mom's name Zhao Ning and a sigh escaped his lips. He stored the wooden box in his storage ring and stood up "I am leaving. Ling Xin, thank you for your help!"

Ling Huang spoke in a sad tone "Ehhh? You are leaving already? Stay here for a few more days."

Few more days? Zhao Tian shook his head "No, I have some things to do in the outer world too... so I am leaving."

Ling Xin spoke "Huang'er, don't stop him anymore." Ling Huang nodded her head "En. Sister Xin."

Ling Xin smiled looking at Zhao Tian "Mr.Tian, the competition is coming in a month. So if you have time please come to cheer on Chao'er."

Zhao Tian smiled gently "Yeah, I would."

"Oh, it's just one month.. it will go in a flash. come back soon, Little brother!" Ling Huang exclaimed.

\*woosh\*

Chapter 127: Refining the pill!

When Zhao Tian disappeared from there, a soft sigh escaped Ling Huang as she sat on her chair. Seeing her sigh, Ling Xin chuckled "Seems like you have gotten quite attached to him..."

Ling Huang's eyes crescented in softness "Well, I don't know... if it's because we have barely made any contact with men or lack of experience but... there's something about being around him that makes me happy." she muttered gently.

These two days strolling around the Royal Capital were so joyful for her, His affectionate small smiles seemed to make her heart race and she was just always smiling around him.

He never ceases to amaze her and he seemed perfect in everything in her eyes. After decades of just cultivating and teaching, his arrival creates new emotions to flood in her heart.

Seems like what began as playful banter has evolved into something deeper within her heart, taking on a new and unexpected direction.

"Oh, by the way, see this!" She took the Envisage shard from her robe and tossed it to Ling Xin. As Ling Xin caught the Envisage shard and looked in, she smiled "Looks good!"

The others also looked at the Envisage shard and nodded their heads. \*tap\* \*tap\* At this time, Ling Chao hurried upstairs and glanced at Ling Huang "He already left?"

"Yeah, Senior Tian has already left," Ling Meiying said and Ling Chao was quite sad in her heart that he left without saying anything to her.

"But he said he would come back to see your match during the competition." Hearing Ling Huang's words, a smile spread across Ling Chao's lips "Really? That's great!"

Then, I have to become stronger! Ling Chao thought in her mind and asked "Elder Huang, what about the pills?"

Ling Huang took the pill bottle, "Here it is!"

"Thank you! Elder Huang!" With excitement bubbling inside her, she eagerly reached out and accepted the pill bottle from her. \*pop\* As she opened the lid, suddenly the whole room was filled with an aroma of herbs and pills.

H-Huh? Ling Xin and the others were surprised to feel the rich aura from the pill bottle. Ling Xin quickly took the pill bottle from Ling Chao's hand and frowned "Huang'er, this pills... did you refine them? What grade is this?"

Ling Huang giggled "You were surprised, right? There are two pills in them which are refined by Little Brother. The pill has higher purity than any other pills and seems like a grade higher than heaven grade."

"And do you know what? He didn't even use a cauldron."

What? This made them confused as to how can anyone refine pills without a cauldron. "He can, he can create pills within his palm with just fire elemental and has such high purity."

H-HUH?!

...

\*woosh\* Zhao Tian landed in front of his mansion's door and entered inside. With a light stretch of his hand, he muttered "I have to take a bath with Shenyi!"

He went to see his Mom first as he knew if he went to Zhao Ying first she would always cling to him and he wouldn't get time to spend with his Mom.

As he walked in, he sensed Zhao Suyin preparing for dinner in the kitchen. "Mom!" He softly called her while entering in and Zhao Suyin instantly turned her head and a surprised smile bloomed on her face. "Tian'er!"

With a leap of excitement, Zhao Suyin jumped and hugged his neck while his hands traveled down to her waist embracing her in his arms. "Tian'er.." Muttering his name under her lips, she leaned in kissing his lips.

Zhao Tian also reciprocated her affectionate kiss, softly savoring the touch of his Mom's lips. As he thought of pulling back the kiss, Zhao Suyin's grip on his neck tightened, and understanding her intention, his hands trailed down groping her ass and raising her off the ground.

Zhao Suyin too gently wrapped her legs around his waist, her lips continued devouring his lips and she took the initiative to push her tongue in making it a passionate kiss.

Their lips entangled in a fiery exchange, their saliva mingling as Zhao Suyin found herself longing for her son's tongue, desperately craving the taste of his lips and succumbing to the taboo pleasure that is driving her crazy.

After a while, they withdrew the kiss leaving a string of saliva and Zhao Suyin was panting heavily with flushed cheeks her chest rising up and down. "Tian'er.." she managed to mutter in between her gasps.

Zhao Tian raised his hand gently caressing her cheek and Zhao Suyin closed her eyes enjoying his touch. With a flutter of her eyelashes, she opened her eyes "I was quite worried hearing you are going to that place called Zhenhzu where all people are like you."

"What if something happened to mydear..." she spoke in concern and Zhao Tian chuckled "Don't worry Mom, I am pretty powerful."

Zhao Suyin gave a slight nod "I know, Tian'er, Shenyi already told me about your Physique and how powerful but still, as your mother I am worried."

"Oh, don't be..." he said planting another kiss on her lips.

"Haah!" Zhao Suyin just sighed, resting her head on his shoulder. Zhao Tian spoke, "I've got something for you..."

...

An excited smile appeared on Zhao Suyin's lips seeing the large number of colorful robes in front of her "Tian'er... these are all beautiful." she said taking a silver robe in her hand.

"Seeing Shenyi wearing these I wanted to ask... but was quite hesitant. Glad you bought them Tian'er. Haha!" Zhao Suyin laughed happily.

Zhao Tian smiled and went beside her, his left arm draped over her shoulder as he slid his right hand into her dress "Try wearing these..." he spoke as he began to remove her dress.

A little later, wearing only underwear Zhao Suyin was looking at the robe in her hand quite confused "Tian'er, check on Vtube how to wear these..."

Zhao Tian let out a chuckle and stood up from the bed as he went behind her "I will help you..." he murmured, reaching out to grope her breasts over the fabric of her bra.

"Ah!" Zhao Suyin exclaimed as Zhao Tian fondled her boobs. Zhao Suyin laughed in her heart seeing this, she thought he would jump on her the moment he returned but he did it a while later.

"Wait, Tian'er..." Zhao Suyin spoke and brought her hands to the back unhooking the bra as her bra fell down. Then she took his hands placing them on her bare boobs "Here you go, dear."

Zhao Tian smiled as he pressed his palms on the soft marshmallows, his fingers tracing on her nipples. "Hnngh~!"

As Zhao Suyin gasped and moaned, her breath hitched with every movement of his hands, which skillfully molded her breasts into various enticing shapes.

\*thud\* He took her and threw her on the bed before climbing on top of her. With a smile on his face, he grabbed her thicc thighs spreading them in an M shape, and saw the black panty obstructing his view.

"Nuisance!" he pulled down her panty and Zhao Suyin also obediently raised her legs making it easier for him to remove.

After removing it, Zhao Tian saw the tantalizing pink pussy in front of him, ready for him to devour. He leaned down, his face hovering inches away from that pink lips.

As his warm breath brushed against her sensitive clitoral area, Zhao Suyin's body instinctively flinched, turning her on.

"Mom..."

...

Xia Shenyi looked at Zhao Tian sitting cross-legged on the ground with a red cauldron in front of him as it burned brightly in red flames.

"Hmm. It is a good thing to ask him to use a cauldron as the energy accumulated would be greater so it would be hard to control it."

Shi Yixian who was standing near her with a stoic face spoke "His flame... is different." she said narrowing her eyes slightly.

Xia Shenyi nodded her head "His flames are like those Empyrean flames which give 100 percent purity while refining a pill."

Huh? "Empyrean... flames? this?" Shi Yixian's eyes trembled her mind remembering the blue flames of the past and her eyes quivered "This is nowhere near the real Empyrean Flame... real thing causes utter chaos."

Xia Shenyi frowned her eyebrows "Then how his fire can create 100 percent purity pills?"

Shi Yixian spoke again glimpsing at the fire "My Liege's flame is refined and pure as an Empyrean flame... but in terms of destruction, his flames are just a flicker of matchstick in front of a forest fire like Empyrean Flame."

Refined and pure huh? Xia Shenyi mused in her heart and at this time a \*pop\* sound was heard causing her to turn her attention to the cauldron.

There she saw some deep red pills floating in the air and a satisfied smile on Zhao Tian's lips.

Chapter 128: An important info?!

Xia Shenyi and Shi Yixian walked toward Zhao Tian who was sitting on the floor with ten red pills floating in front of him. Zhao Tian took a pill bottle storing nine of them in it.

"Hmm... High-tier Radiant grade. I am surprised." Xia Shenyi muttered looking through the grade of the pill in Zhao Tian's hand.

"If only you could spend some time in Alchemy instead of those runes, you could have made even better." Xia Shenyi let out a sigh.

(A/n: Check auxiliary chap for grade and cultivation realms)

Zhao Tian shook his head with a smile "No, Shenyi... these runes are actually good. I learned many things and currently, I am working on creating storage rings and I am also researching another thing."

Xia Shenyi's curiosity was piqued as she raised an eyebrow. "Another thing? What's that."

Zhao Tian winked his eye playfully "Just wait for that, I will show you the final result."

Xia Shenyi giggled and nodded "Well, then I am waiting."

Zhao Tian took the pill in his hand while Xia Shenyi moved, taking the red petal among the ingredients.

Her eyes narrowed looking at the last petal of the Phoenix Blood Astragalus Flower "As I speculated, this is a flower from the High Stars."

Zhao Tian frowned "From the High Stars?"

Xia Shenyi nodded her head "I doubt that there are any Phoenix beasts in this middle star. And even if there is a Phoenix in this star, its blood would not be this powerful."

Hearing her mutter, Zhao Tian asked "Then how come the Queen has this flower? Are there high-star people on this planet just like Yixian?"

Xia Shenyi shrugged "Most likely... because I see no other way for this flower to be in this star. She must have some connections with people from High Star."

"In the first place, are people in the star aware that there are beings out there stronger than them in the universe, or do they think that Monarch Astral Stage is the peak of cultivation?"

Zhao Tian spoke, "Probably the latter one."

Xia Shenyi nodded her head "Thought so. And Tian, since the flower is powerful, in my opinion, you might actually leap 6 levels."

Zhao Tian was quite surprised "6 levels? That's great!"

Xia Shenyi continued "And it would take at least four days for you to fully absorb and assimilate the power from the pill."

Zhao Tian frowned "And because of time dilation inside the artifact, at least two days would have passed in the outside world."

Xia Shenyi gave a nod "Yeah!"

"Ask Ziyu to call and say Ying'er and my Mom that I won't be there for two days." Zhao Tian spoke and stood up from the ground.

He made his way towards the array and settled himself comfortably with his legs crossed beneath the radiant blue rays. Gulping the pill, he closed his eyes and began to cultivate.

...

"Huh?" Zhao Ying exclaimed in surprise hearing Fei Ziyu's voice through the phone "Four days?"

Fei Ziyu who is on the other side of the call spoke "Yes, Lady Ying... it would take four days for Master to finish the cultivation but because the time flow inside the artifact is quicker, it would be two days in the outside world."

Zhao Ying let out a deep sigh "After already spending a day in Zhenhzu, now he won't be here for another two days?"

Fei Ziyu muttered "Uh, yes... Lady Ying."

Zhao Ying spoke slightly frustrated "Bitch, you must be happy because you can see Tian'er and you are always in that artifact."

Fei Ziyu's smile turned awkward upon hearing this as only Zhao Tian has access to this artifact and others could not enter or exit the artifact on their own accord.

\*click\* Zhao Ying canceled the call and went downstairs. There she saw her Mom placing the dishes in the kitchen.

With a wry smile, Zhao Ying walked towards her "Mom..."

Zhao Suyin turned her head and smiled "Ying'er?"

Zhao Ying spoke, "Um, Mom seems like Tian'er is going on a two-day road trip with his friends."

"Two days trip?" Zhao Suyin raised an eyebrow and a sigh escaped her lips "Tian'er's been going out a lot lately right?"

Zhao Ying nodded dryly "Yeah!"

"And this time, he went without even saying anything to me. Maybe I should call and ask him." She said and walked from the dining table.

Ehhh? "Mom!" Zhao Ying exclaimed stopping her and said, "He said that he can't attend calls for two days and asked me to convey the news to you."

Zhao Suyin furrowed her brow and tightly folded her arms across her chest "He won't even attend his own Mom's calls? Is he that busy on that trip?"

Zhao Ying nodded "Yes, Mom... he rarely goes out trips like this, so I think we should not disturb him now."

Zhao Suyin thought about this and nodded "Yeah, what you said makes sense, Ying'er. I shouldn't disturb Tian'er."

"Right?" Zhao Ying let out a sigh of relief.

"Did you call Miya and Shui?" Zhao Suyin asked and Zhao Ying nodded her head "Ah, Yes Mom. I have already called them and they are on their way here."

Zhao Suyin nodded her head "Good!" she spoke and again entered the kitchen laughing in her heart seeing Zhao Ying's reaction.

Fei Ziyu already called her and explained to her about the situation with Zhao Tian's cultivation.  
"But I will also miss Tian'er..." a mutter escaped her lips.

Zhao Ying shook her head helplessly "How are we gonna explain all of this to Mom?"

\*vroom\* At this time, she heard the sound of a car engine revving and she walked to the front door.  
\*thud\* Closing the door, Chi Miya and Chi Shui walked outside.

"Sister Miya! Shui!"

...

Looking at the astral energy rapidly getting absorbed inside Zhao Tian's body Xia Shenyi nodded her head "The absorption rate is stable and just as I guessed it would take four days for Tian to fully absorb the pill."

As she turned to leave and let Zhao Tian cultivate in peace, she noticed Shi Yixian standing near the blue array as if waiting for him.

Xia Shenyi was confused "Yixian, it would take four days for Tian to complete. So you can leave and continue your training."

Shi Yixian gave a slight nod "I am waiting for My Liege because I have something important to talk about with him."

Xia Shenyi walked near Shi Yixian curious as to what does this silent woman want to talk with Zhao Tian "What do you want to talk with him."

Shi Yixian turned her eyes and looked at her blankly.

Seeing her blank stare Xia Shenyi smiled "Don't be so harsh, I am his woman so it's okay to tell."

Shi Yixian again took a glimpse at Zhao Tian and she knew that he would also agree to that. She again looked at Xia Shenyi and spoke "I remembered something about his Honoured One's physique."

"What did you remember?" Xia Shenyi asked hastily as any information about his Physique is crucial.

"Information about the first person who was born with the Honoured One's physique."

Huh? Xia Shenyi was surprised "About the first Honoured One? Tell me."

Shi Yixian nodded her head "The first Honoured One is... actually a woman."

Chapter 129: Under the waterfalls!

Two days passed-

Zhao Tian's white eyelashes fluttered open as a glint of blue light shimmered through his piercing blue eyes. A soft sigh escaped his lips and he gripped his palm feeling the surge of power flowing within him.

"6th level of Emperor Astral Realm. I can feel my body has also improved drastically!" he muttered as he stretched his arms, relieving his muscles which had been still for four days straight.

"I guess I can go on par with mid-level Monarch Astral stages and defeat low-level Monarch Astral Stage people." It's only his cultivation base that is lagging behind but his combat prowess is greater than that.

With his senses, he searched what everyone was doing in the artifact. As he was the owner of the artifact he could see what was happening inside it and could teleport anywhere within it.

He saw that Xia Shenyi was sleeping in her room, while Fei Ziyu and Fei Lingxi were chatting while using mobile phones. And as his eyes scanned where Shi Yixian was...

\*swoosh\* Zhao Tian appeared beside the rushing waterfall and beheld a breathtaking sight before him.

A naked woman, her skin glistening with water droplets, stood under the cascading water, her long white hair flowing down her back like a shimmering river. But what captivated Zhao Tian the most were the scars that marred her flawless body, a stark contrast to her beauty.

Sensing a presence, Shi Yixian's crimson red eyes opened, her cold gaze piercing as she turned her head. But seeing Zhao Tian, a flood of embarrassment filled her heart and her eyes quivered, the coldness disappearing as she turned around showing her back to him.

"My Liege!" a soft mutter left her lips.

For the first time, Zhao Tian felt some emotions in her words- a flick of shyness. Zhao Tian smiled in his heart and removed his clothes.

\*splash\* Shi Yixian heard someone walking through the shallow water reaching near her. She discreetly turned her face, looking back from the corner of her eyes.

As she caught sight of Zhao Tian approaching her, completely naked, her eyes were immediately drawn to his dick. The unexpected sight caused her heart to tremble with a mix of surprise, curiosity, and perhaps even a hint of desire.

However, realizing the inappropriateness of her reaction, she hastily averted her gaze, attempting to regain her composure and preserve a sense of decency.

"Yixian!" Zhao Tian called walking near her and Shi Yixian replied in a faint voice without turning her back "My Liege!"

Moving closer to her, Zhao Tian extended his arm towards her neck, delicately brushing aside her cascading wet hair to reveal the captivating view of her back.

Shi Yixian's body flinched a little sensing his touch on her neck and understanding that he wanted to move her hair, she quickly flipped her hair to the front letting him see her back.

Zhao Tian's eyes crescented with emotion as he gently traced his fingers from the base of her neck down her spine seeing the red burnt scars on her back.

Shi Yixian's closed her eyes feeling his fingers playing on her back. "I didn't expect your whole body to be filled with scars, Yixian."

Keeping her eyes closed Shi Yixian muttered "This is a curse I bear, My Liege. Sorry for showing these ugly scars to you."

\*gasp\* But her eyes opened in surprise as she felt his finger traveling down further reaching her ass. "M-My Liege..." she gasped, her voice trembling with both shock and pleasure, as she felt his gentle touch on her ass.

Zhao Tian was quite surprised feeling the plushness of her ass cheek, he expected her body to be quite rigid as she trains with swords all day.

Retracting his hand from her ass, Zhao Tian took a step forward letting the water from the falls cascade his body and he reached out gently wrapping her waist with his arm.

\*gik\* Shi Yixian's body stiffened and her heart race increased as she could literally feel her heart pounding in her chest at his unexpected touch

"My Liege!" Shi Yixian hastily placed her hand over his, stopping him, her cheeks slightly red in embarrassment. Zhao Tian just smiled and hugged her with both hands drawing her closer.

Feeling the hot touch of his chest on her back, Shi Yixian closed her eyes letting the warm sensation sink into her body as they stood there motionless under the cascading water from the falls gently caressing their bodies.

Zhao Tian placed his chin on her left shoulder and as Shi Yixian shifted her gaze towards her left her eyes locked with his.

Seeing the subtle blush tint on her cheeks Zhao Tian was amused, even though she had quite a stoic face now he can tell that she was clearly feeling his every touch.

Only then Zhao Tian looked down at her boobs and saw even that was scared even her pink nipples. "All these because of that flame?"

Shi Yixian gave a slight nod "Yeah, the flame keeps burning my body... give me such scars and they grew over time. If it wasn't for your ice energy My Liege, I would have already succumbed to flames."

"Hm.." Zhao Tian hummed as he raised his hand, his fingers grazing over her soft abs on her stomach. Shi Yixian's eyes trembled to see this "S-Sorry, My Liege, because of my rigorous training the abs on my stomach... its like a male."

Zhao Tian chuckled hearing this "Why sorry? I like this." he said as he continued playing with her abs.

"Did you remember how you were sealed in that Ice coffin?" Zhao Tian asked gently brushing her belly button and Shi Yixian shook her head "No, My Liege... but I remembered something about your physique."

Hearing this, Zhao Tian raised an eyebrow "My Physique?"

Shi Yixian nodded her head "The first one who was born with this Honoured One physique is actually a woman!"

A woman? Zhao Tian narrowed his gaze. He had speculated in his heart that the first one might be actually his father and his physique got passed on to him from his father.

But this information shattered his guesses. So who the fuck is my Father?

"Do you have any information about this woman?"

Shi Yixian gave a faint nod "Yes, My Liege. When the woman was born, the whole Astral realm welcomed her presence, and seeing this, everyone worshipped her as the Child of the Heavens."

Zhao Tian was confused "Whole realm welcomed her? What does that mean?"

Shi Yixian shook her head "I don't know what it means My Liege. This is how I heard in the stories about the Child of the Heavens who later ascended to God,"

Zhao Tian gave a nod "Continue."

Shi Yixian spoke "She was born as the princess of a Dynasty in the Astral Realm. Her cultivation was so quick that it even amazed her parents."

"This made the people truly believe that she is the Child of the Heavens."

"She quickly crossed the Transient realms and Empyrean realms, reaching the pinnacle in the span of just 50 years."

"After that happened the Astral War which shook the whole realm almost destroying it. In that war, that woman efficiently slayed her enemies."

"She was at the pinnacle of mortal cultivation and the people who were in the same cultivation were no match to her as she destroyed them easily."

"This gave her the nickname 'Astral Goddess of war!'"

"But as the war was finished, the heavens appeared and it is said that she fought the heavens itself, through which she crossed the mortal limitations and finally became a God."

Hearing the story, Zhao Tian was quite intrigued "What... exactly is this Heavens?"

Shi Yixian shook her head "I have no idea My Liege. I just said the story I heard from somewhere."

Zhao Tian nodded his head and Shi Yixian who was in his arms muttered "My Liege, I have been under the falls for a long time. I think it's time for me to leave."

Not wanting to tease her anymore he let go of her and Shi Yixian prepared to leave. However, just as she was about to leave, \*smack\* Zhao Tian playfully slapped her ass, causing them to bounce and sway.

Shi Yixian's body shook and she instinctively turned her head. As she looked at his playful smile, a rosy blush instantly painted her cheeks.

Overwhelmed by a wave of emotions, she hastily made her escape from the scene, unable to contain the exciting mixture of feelings that had stirred within her heart.

### Chapter 130: Mei Xiu's panic?

\*swish\* Zhao Tian appeared back in his room and a sigh escaped his lips. Retrieving his mobile from the storage ring, he saw the time and it was 10 o'clock in the morning.

As he unlocked the mobile, he was surprised to see 269 calls from Mei Xiu. He facepalmed himself "I forgot to say that I won't be around for two more days."

As he thought of calling her back, he dismissed the idea "I'll go and see her in person." he muttered under his lips and used astral sense.

There he saw his Mom playing inside the Game room and Zhao Ying was not in the house. "Where is she?"

...

"Hoh? 6th level of Emperor Astral Stage?" Sitting on Zhao Tian's lap, Zhao Suyin muttered in amazement "I heard about the cultivation stages from Shenyi, if I remember Emperor stage is just below the Monarch stage, right?"

"Then Tian'er, you are super strong." Zhao Suyin exclaimed and seeing her innocent smile, Zhao Tian couldn't help but pull her neck gently kissing her lips.

Zhao Suyin's gaze became tender as she closed her eyes, returning his kiss with equal fervor, feeling the warmth of his lips against hers.

A little later, they withdrew the kiss and Zhao Tian asked caressing her cheek "Where is Ying'er?"

Zhao Suyin smiled "She went with Miya this morning as she got bored staying home for two days."

"She is with Miya, huh..." Zhao Tian muttered and Zhao Suyin leaned in kissing his neck as she opened her lips softly biting his neck.

Zhao Tian let out a giggle patting her head. Zhao Suyin cuddled on his lap even more, gently whispering in his ears "Tian'er, you promised me a date... how about we go today?"

Zhao Tian glanced over at Zhao Suyin, causing her to quickly look away in embarrassment. Huh? Zhao Tian was amused seeing his Mom being shy about asking for a date after all the things they did.

He couldn't help but chuckle and nodded his head "En, we can go on a date in the afternoon. Now I have to go and meet someone else."

Zhao Suyin got curious hearing this and asked "Is that a woman?"

Zhao Tian nodded his head "Yeah, Mei Xiu."

"Hmm, do you intend to make her your... woman too?" Zhao Suyin asked slightly narrowing her eyes.

Zhao Tian gave a slight nod "She is already my girlfriend."

Zhao Suyin was quite concerned seeing him having many women, but as she remembered Xia Shenyi's words about his Physique and why he needed many women she shook her head. My son is the best, and he also needs many women for his physique!

...

\*tap\* Mei Xiu quickly made her way down the hallways until she arrived at a door that had the word "chairman" written on it.

\*creek\* Pushing open the door, she entered "Chairman!" Li Jie and the two other teachers inside the Chairman's office were dumbfounded as Mei Xiu suddenly barged in.

"Uh.." Seeing the two teachers, Mei Xiu fell silent and stood there awkwardly. Li Jie sighed and said, "You both can leave."

The two teachers exchanged perplexed glances before reluctantly giving a nod and stood up from their seats walking out of the office before giving Mei Xiu an annoyed look.

However, Mei Xiu paid no attention to their stares and walked in front of Li Jie's desk "Mr. Chairman, Tian is been missing for two days."

Huh? Li Jie was surprised to hear this "Tian is.. missing?" he knew Zhao Tian's strength so he was kinda sure no one could kidnap him.

Did he had any feuds with some top sects or families in the city? Li Jie quickly nodded "I will look into that. Let me try calling him once."

Mei Xiu shook her head "It's useless, Chairman. I've been continuously calling for the past two days."

\*creek\* At this time, Zhao Tian came inside the Chairman's office. He knew that Mei Xiu should be in University so he came here straight.

\*gasp\* Mei Xiu was taken aback as she laid eyes on him, causing her heart to race and her eyes trembled with a mix of surprise and excitement. Without a moment's hesitation she quickly ran toward him "Tian!" she exclaimed hugging him.

Zhao Tian chuckled and patted her head and he could feel her hands tightly wrapped around his neck, her hurried breaths, and her pounding heart.

Meanwhile, Li Jia had a raised eyebrow seeing their intimate hug. Are they?

Mei Xiu raised her head from his neck, her heart seeping with anger "Where have you gone for two days? Do you know how worried I was?"

Seeing her yelling, Zhao Tian softly pinched her cheek "I was out of the city for two days."

Mei Xiu continued yelling "Then you could have at least told me. I called you hundreds of times but you didn't pick your calls. Why do you even have a mobile with you?"

In response to Mei Xiu's never-ending yells, Zhao Tian moved closer and silenced her with a passionate kiss. Mei Xiu reacted by playfully hitting his shoulder, but Zhao Tian responded by embracing her tightly around the waist.

Mei Xiu's delicate eyelashes fluttered before she finally succumbed to her feelings and closed her eyes, returning his kiss with equal passion. Li Jie shook his head helplessly and turned his gaze away from the lovebirds.

A little later, Mei Xiu retracted her lips and let out a sigh. "So Miss Xiu, you are in a relationship with one of your own students?"

H-HUH? Mei Xiu snapped her head back to Li Jie and panic filled her heart "C-Chairman this is.." her words stammered in fear.

Zhao Tian smiled and spoke in a teasing tone "Tell that old man Xiu, that we are very lovey dovey."

Hearing his words, Mei Xiu tried to pull back from his arms but Zhao Tian hugged her tightly "Is there anything wrong with loving my teacher? See how cute she is."

H-Huh? Mei Xiu got even more embarrassed and frantically left his hug. Li Jie frowned his eyebrows "Oh, seems like you are the one who proposed to her Tian. According to University rules, you would be expelled from the University."

Mei Xiu was startled hearing this and quickly lowered her head "N-No, Chairman... it was me. I am the one who seduced him and made him fall in love with me. Please don't expel him hindering his education."

"Please, let him go. I am the one at fault!" She doesn't want Zhao Tian's education to be stopped because of her as she knows how important education is in this modern world.

"Haha!" Li Jie suddenly burst into laughter and Mei Xiu who was confused raised her gaze. Zhao Tian patted her head with a smile "That old man was just teasing you, Xiu. He is not gonna expel me."

"T-Teasing?" She couldn't bear to stay in the room any longer and hastily bowed her head in shame. "I am leaving, Chairman!" before fleeing the room in a hurry, feeling flustered by the awkward situation.

Eh? Zhao Tian shook his head helplessly with a chuckle seeing her rushing out.

After she left, Li Jie stopped laughing regaining his composure "So where have you been for two days?"

Zhao Tian walked to the desk and casually sat on it, a satisfied smile on his lips "Just explored the Royal Capital of Zhenzhu."

Li Jie was shocked to hear this "You... went to Zhenzhu?"

Zhao Tian shrugged "Yeah..."

"Haha!" Li Jie chuckled faintly "You are one cocky kid, huh."

But as he remembered something, he squinted his eyes looking at Zhao Tian "By the way, Zhao Tian... there is actually a powerhouse residing in our city right now."

Hm? Zhao Tian raised an eyebrow in curiosity "Who is that?"

"Orlando Williams, the son of Miles Williams. The prince of the Western Nations is right now here in this city."

"What is he doing here?"

Li Jie shook his head "I am not so active in the military right now as I am already retired but I got this news about him."

"Hm. I see..."

...

"Is it really him?" One guy asked looking at another guy who was beside him sitting in the car.

"I am damn sure, it is him. I saw his face, he drove there. Wait till he comes out!"

\*vroom\* Looking at the Lamborghini driving out of the University, one guy yelled "Look. look, it's him... it's that guy who slapped Xiao Xian's face in the Ferrari."

Zhu Kim narrowed his eyes "How... is he still alive. Isn't he killed by Master Teng Zen and Master Lee Jing?"

Zhu Wan who was beside him frowned "Didn't we receive a message from the Stormweavrer Sect that Master Teng Zen and Master LeeJing didn't return to the Sect."

"D-Don't tell me..."
