Chapter 131: Going on a date?

thud Zhao Suyin closed the door of the Rolls Royce entering the car. She moved her ass sitting comfortably on the seat as she turned to look at Zhao Tian beside him "So where are we going for a date, Tian'er?"

Zhao Tian smiled faintly "Wait and you will know when we reach there."

With a giggle escaping her lips, Zhao Suyin raised her hand and gently pinched his cheek "Being mysterious with your Mom?"

Zhao Tian let out a chuckle before firmly pressing his foot down on the accelerator, causing the engine to roar to life with a series of loud revs. *vroom* *vroom*

The car was driving smoothly on the road, and Zhao Suyin asked "Tian'er is it a long journey?"

Zhao Tian gently shook his head "Not much. Like an hour."

"Oh..." Zhao Suyin grabbed her phone and connected it to the car via Bluetooth. She then scrolled through her playlist and selected a few tunes to set the mood. Relaxing into the plush seat, she closed her eyes and let the gentle wind from the open window caress her skin.

Zhao Tian's face lit up with a gentle smile as he saw her face and continued his drive.

Zhao Suyin, who had been gazing out the window, abruptly sat upright and yelled "Tian'er, Tian'er, ice cream truck!"

Eh? Zhao Tian was dumbfounded "Ice cream truck?" Zhao Suyin nodded excitedly "Yes, yes... Tian'er, it's going it's going." Her eyes lit up with delight as she pointed outside at the colorful vehicle rolling down the road.

Zhao Tian looked at the Ice cream truck "It's on the other lane, if we chased that truck it will take a while for us to change the lane and go to our destination."

"O-Oh, I see... it's a hassle." Zhao Suyin muttered and a sigh escaped Zhao Tian's lips 'Fuck it! I am getting it....' *vroom* *vroom*

...

"Hehe, Thank you... Tian'er." With a gentle chuckle escaping her lips, Zhao Suyin said taking a lick of her ice cream while sitting in the car. Zhao Tian's eyes softened seeing her smiling happily while eating her ice cream.

Feeling his stare, Zhao Suyin turned her gaze to him and extended the ice cream in her hand "Want a bite, Tian'er?"

Zhao Tian smiled playfully "I will directly get mine..." he muttered as he leaned in towards her. Huh? Zhao Suyin was confused but as he drew nearer to her, she instinctively understood his intentions and closed her eyes, anticipating the gentle touch of his lips. *smooch*

Pulling away from the kiss, Zhao Suyin let out a playful giggle before taking a lick of her ice cream cone. She then stuck out her tongue, the melting ice cream still resting on it.

Zhao Tian's smile widened as he leaned in to kiss her, their tongues dancing together as he gently sucked on hers, savoring the sweet taste of the ice cream with her saliva.

After a while of kissing, they retracted their lips as a bridge of saliva was still interconnecting their lips. "So, how is the ice cream?" she asked licking the remnant saliva.

"Tasty just like you!"

Zhao Suyin laughed as she reclined back in her seat "So this is how a date feels like, hehe."

"Hm?" Zhao Tian raised an eyebrow and Zhao Suyin glimpsed at him "I mean, I have never been on a date before but I have seen them in movies."

"I thought of dating someone in my University days, but that time... you and Ying'er came into my life. From there on, life is full of a roller coaster, and my time spent taking care of both of you."

As she stole a quick glance at Zhao Tian, a shy smile played upon her lips "So... these romantic moments, this ice cream, even though we can go and buy in a big mall, just chasing that ice cream truck was so fun."

"Your affectionate kisses and the way you cuddle with me burying your face in my chest, these fluttering feelings in my heart... Tian'er it's all new to me."

"After all these years, I am in love. Haha, suddenly I felt like a young woman who fell in love with her first crush, feeling butterflies in my stomach."

"And today is my first date, so I am excited, Tian'er.." she said with a tender smile on her lips.

Zhao Tian's eyes softened as he again remembered that his Mother lost her youthful life spending time with him and his sister.

'Damn, I am making this the best date for her.'

...

vroom As Zhao Suyin drove along, the sights on the side of the road flew by in a blur. But then, something caught her attention and her eyes grew wide with astonishment as she caught sight of the vast blue expanse in the distance.

"Tian'er... we are going to the sea?"

Zhao Tian chuckled "Yeah, a sea resort, I have booked the whole place."

"Really?" An excited smile appeared on her face "I have never been to a sea before."

Zhao Tian shrugged "Neither do I. Let's go and see."

Zhao Tian quickly drove the Roles Royce to a Sea Resort. There are also some rides in the park inside the resort and many good facilities to stay in for a honeymoon.

As Zhao Tian drove near the front gate of the Resort, he saw it was closed and got confused. "Hm? They said they would be waiting for my arrival."

He parked the car to the side "Mom, you stay in." Zhao Suyin nodded her head "Ok, Tian'er!"

Stepping outside the car, Zhao Tian took his mobile and called the owner of the resort. But after several rings, the owner didn't pick up his call.

Getting annoyed by this Zhao Tian narrowed his eyes and he felt some presence inside the resort.

As he was about to use Astral sense to check who it was, he saw a bulky man with a height of 6.5 feet wearing a black bodyguard outfit walking towards the gate from the inside.

The bulky guy opened the gate with a frown on his as he strolled toward Zhao Tian "Who are you?"

Zhao Tian squinted his eyes seeing the man standing in front of him, Heaven Astral Stage? "Where is the resort's owner? I want to talk to him."

"Hm? Owner?" The bulky guy looked at Zhao Tian from up to down "Don't tell me you are that guy who actually booked the resort."

Zhao Tian gave a slight nod "I am."

Hearing this, the guy burst into laughter "Hahahaha, you are the one? You booked a resort spending all your money but you have lost it."

"Sorry to say, But our Young Lord has already bought this place."

The guy muttered as he looked at Zhao Suyin in the corner of his eyes through the open window of Roles Royce. Wow!

Seeing her the guy was surprised, he didn't expect he would find such beauty in this country.

Zhao Tian also noticed his gaze and narrowed his eyes. A slow smirk appeared on the guy's face as he opened his lips to speak "Le-"

woosh *thud* Zhao Tian raised his leg, stomping his head right on the floor and his skull broke as blood splurged on the ground.

"Don't you dare!" A cold mutter left Zhao Tian's lips. He is already fuming with anger that his date plan with his Mom was canceled because some bull shit fucking young master bought this place after he booked it.

And now this background character looking bodyguard is ogling at his Mom and he also knows what he was about to ask next.

Zhao Tian turned his gaze to the resort and saw the number of naked girls inside the pool and there was a single young man with blonde hair and green eyes who was in the pool playing with their bodies.

Seeing Zhao Tian blasting the bodyguard's head, Zhao Suyin felt a chill run down her spine and left the car "T-Tian'er?"

Zhao Tian turned and smiled "It's nothing!"

shi shi At this time, he heard faint sizzling noises and he turned his head to look at the body of the bodyguard.

"Now you have done it huh..." The bodyguard muttered as the wound on his head began to heal and he slowly stood up on the ground as a different being.

He now stood before Zhao Tian, towering at a height of 10 feet, looking like a werewolf with white fur covering his body and his shirt ripped to shreds. "You damn cultivator!" he bellowed in anger.

Chapter 132: Fighting the wolves!

thrassh With a swift and powerful strike, Zhao Tian delivered a punch to the wolf's face as it tore through the trees lining the perimeter of the resort. "Urghhhh!"

The guy writhed on the ground in pain as his disheveled face again began to regenerate. Zhao Tian frowned and appeared in front of the wolf, kicking his abdomen and sending him flying through the gate.

boom Blasting through the gates, the bodyguard rolled inside the resort's luxurious welcoming area. Seeing Zhao Tian's cold eyes while beating the bodyguard, Zhao Suyin was bewildered. She wondered if this was really her son. Tian'er?

"Krgheeee!" The bodyguard let out a guttural cry of pain, clutching his stomach as Zhao Tian's every punch was destroying him and his regenerative powers were barely keeping up.

"*cough* W-We have no other way but to ask the M-Minister... who knew this guy was so powerful" With a shaky hand he slowly stood up and tried to run inside the resort for help.

woosh But as he stood up, Zhao Tian appeared behind him and grabbed his neck throwing him at the nearby wall. *boom* He got blasted through the wall as the broken wall's debris fell on him.

'He is not regenerating as fast as Hun Chen and his cultivation powers have also not increased abruptly. And this guy's fur is also white... As Cai said these guys are different. Is Hun Chen an experiment?'

cough Coughing uncontrollably, the bodyguard rose from the scattered debris and glared at Zhao Tian.

...

In the pool, a good-looking young man is standing against the wall, surrounded by two women who are also naked, with his arms casually resting on their shoulders.

With a grin, he kissed the right woman's lips and then he kissed the left woman's lips. Being the only son of King Miles Williams, Orlando Williams, the sole heir to King Miles Williams, living a life filled with pleasure, women, traveling, and sex.

Orlando Williams ran his hands down their bodies, groping their boobs with a firm grip "Kyaangh!" Both women moaned at the same time and leaned on Orlando Williams.

His fingers moved with a sense of satisfaction as they traced the contours of their nipples, gently pinching and eliciting moans of pleasure from them. "Hnnngh~ Master~~" they breathed out in a voice filled with desire.

One of the women became bold and caressed his abs as she gently slid her hand into his shorts softly grabbing his dick.

"Master, how about I satisfy you?"

Orlando Williams smirked "Why not?"

The woman chuckled and leaned in kissing his lips, her hand playing with his dick. The other women in the pool looked at the woman enviously.

Being Orlando William's favorite woman is a dream for all of them as they could easily settle in their life. Who doesn't want a rich daddy who is a fucking multi-trillionaire?

The woman who was giving handjob asked "Master Orlando, when are we going to leave this country?"

Orlando Williams laughed hearing this "You don't like it here honey?"

The woman shook her head "It's not like that, Master Orlando.. the food here doesn't suit me as it is hard to eat."

"Is that so? Then I'll appoint a special cook for you to prepare food from our country."

The woman smiled heartily "I love you so much, Master... hehe." she said again kissing his lips.

The women again glared at her and she smirked proudly in her heart seeing their intense glares.

BoOOM At this time, they suddenly heard a loud bang from the entrance of the resort. The women were startled by the sudden sound and panicked "M-Master..."

"Master Orlando!"

Orlando Williams smiled "Don't worry, there are bodyguards in this place... you know about me, right?"

Hearing his words, everyone nodded in unison. They all know how powerful Lycan Syndicate people are as they can transform into half-humans who are more powerful than a normal cultivator.

"Being with Master Orlando is the best after all..." The women also began to glaze to gain his love.

woosh But at this time another sound filled the air and Orlando Williams fanned his eyebrows.
boom A body came blasting into the pool resulting in a tremendous impact that sent waves of water crashing against the pool's edge, dislodging droplets into the air.

"Kyaaaah!" The women screamed in shock and fear as they were forcefully splashed out from the pool and sent crashing to the ground.

Their hearts raced with fear as they struggled to understand what had just happened, their minds overcome with a sense of panic and confusion.

As they turned their eyes to see what fell on the pool, their pupils dilated in horror seeing the pool slowly getting crimson blood red in color.

Orlando Williams squinted as he took in the sight of his bodyguard's headless wolf form floating on the shallow water of the pool.

tap Hearing someone walking inside the resort, Orlando Williams turned his gaze looking at the striking handsome young man walking into the resort "Do you know what have you done?"

Zhao Tian casually shook his head "No idea."

Orlando Williams spoke with a calm voice "You have disturbed my peaceful time with my women and have also killed one of my guards."

Zhao Tian glanced at the women and they all hid their intimate parts with their hands "Well, you disturbed my peaceful date and your bodyguard also looked at my woman with the wrong gaze."

Orlando Willains gave a slight nod "I see, you were the one who booked the whole resort before it was bought by me. The previous owner informed me."

Zhao Tian spoke "Well, yeah... I booked so I could enjoy some time with my woman. But who could have thought some asshole would buy the whole resort."

Orlando Williams showed a calm smile "Want to finish things with a peace talk?"

Zhao Tian was amused "Oh, we have that option?"

Orlando Williams chuckled "Even if I let you go, they won't."

A smirk appeared on Zhao Tian's lips "Thought so."

woosh In the next instant four people barraged at Zhao Tian from all sides, each one of them had already transformed into wolves, their sharp fangs extending toward Zhao Tian.

swish As they inched closer to him, Zhao Tian disappeared from there leaving them bewildered. **swoosh** In the blink of an eye, he appeared behind one of the men, firmly grabbing his head and forcefully slamming it onto the ground. The impact reverberated through the air with a resounding boom. **boom**

Orlando Williams sighed and glanced at the woman "Leave and get dressed." The women hurriedly nodded and fled away from the pool.

Orlando Williams remained unfazed and calm because he had seen this type of thing many times in his life. People often try to kidnap him or assassinate him by his enemies. It has been common for him.

Zhao Tian deftly blocked the punch that was thrown at him and counterattacked by punching his face with his elbow, *thrash* That guy was blasted away crashing on the floor half of his skull shattering in half.

Zhao Tian narrowed his eyes as he turned his head and punched another man's chest. *splash* Because of the impact of his punch, the man's chest tore and his heart flew out of his chest as the lifeless body crumpled to the ground.

"Hm.." Zhao Tian was amused seeing this and turned to Orlando Williams "These guys are different from the one I killed last time. That guy didn't die even after ripping his head and heart."

Orlando Williams fell into thought hearing this "So, you were the one who fought Hun Chen that day, huh."

boom Zhao Tian kicked another guy's abdomen and turned his head "His name was Hun Chen?"

Orlando Williams nodded his head "Yeah, he was just a scapegoat for our new serum which makes people immortal."

"As you did just now, even though we have quick regeneration, if you aimed for our head or heart, we are dead."

"That's why we created that serum, but it was a failure as it began to suck the life energy from the body. I am honestly disappointed."

"I see..." Zhao Tian muttered grabbing a man's head and thrashing his knee on his face.

Gahhhh! Meanwhile, Zhao Suyin stood there frozen, her jaw dropped seeing her son thrashing those big wolves around the resort. T-Tianer looks so powerful. He is giving in real life headshots. Ehhh, Can I do this wind my wind too??

Chapter 133: Thrashing the wolves!

swish Leaping in the air, Zhao Tian swiftly swung his leg and struck the man's face with the back of his foot hurling him towards the pool. *thoom*

slick Another guy appeared behind Zhao Tian slashing his claws at him, but Zhao Tian turned and caught his wrist twisting it resulting in a loud cracking sound. *crack*

"Urghhhhh!" The man let out a guttural scream of agony as his wrist was forcefully twisted a full 360 degrees. In a desperate attempt, he raised his left hand to slash at Zhao Tian, but Zhao Tian caught his left arm too and twisted it breaking his bones. *crack*

"ArghhH!" In a moment of excruciating pain, the man let out a growling cry, his body convulsing as he lunged towards Zhao Tian trying to bite him, his teeth bared like menacing fangs.

But Zhao Tian deftly landed a powerful kick on that man's gut as he was blasted away his hand ripping apart as his handless body rolled on the ground leaving pools of blood.

shishi The wounds in their body rapidly healed and their body changed as if there were no injuries.

However, the two men again stood up on the ground, their eyes seeping with rage as they again jumped at Zhao Tian relentlessly attacking him.

At this time, Orlando Williams turned his gaze to the beautiful woman who just entered the resort and raised his eyebrows in surprise.

A smirk appeared on his lips looking at Zhao Suyin and feeling his gaze Zhao Suyin frowned. *swish* he quickly dashed toward her a mischievous grin on his face. "How are you, young lady?"

A smile appeared on Zhao Suyin's lips as she spoke "This is the worst choice you could have made." she said with a light chuckle.

Huh? Zhao Tian appeared behind Orlando Williams and grabbed his blonde hair throwing him as he crashed and tumbled over the tables and chairs. *boom*

Zhao Tian turned his gaze to Zhao Suyin and she smiled "I am all right, Go and beat him, Tian'er!" she said with an encouraging smile.

Zhao Tian chuckled while being amused in his heart that his mom was not disgusted by the blood and the wolf-like creatures around her and standing there with a confident smile.

"Urgh! My body hurts!" Letting out a frustrated grunt, Orlando Williams felt the intense pain coursing through his entire body. Pushing away the table from him, he stood up and glanced around the dead bodies of his bodyguards.

Zhao Tian asked "You guys can't use cultivation technique?" he was curious as none of them used cultivation or elemental techniques till now.

Rubbing his back in pain, Orlando Williams spoke "We can't. urgh haah... It is the side effect of the serum. We gain powerful physique, agility, and regeneration but we can't use our cultivation technique efficiently."

"Crap! My back!" Orlando Williams cursed as he twisted his hip to relieve the sprain, and the sprain healed quickly.

"Haah, Much better!"

Orlando Williams once again turned his gaze towards Zhao Tian, a tinge of curiosity in his face "You look kinda the same age as me yet you are so powerful. How?" he asked casually like a friend as if he didn't just get tumbled by Zhao Tian.

Zhao Tian shrugged "Born talent!"

"Oh, I see..." Orlando Williams muttered and a sigh escaped his lips. 'How long do I have to hold him? Got no other way.' he mumbled in frustration.

"Grrrggghh" He let out a guttural growl as he clenched his jaw tightly, feeling his body start to mutate and expand, his muscles twitching and pulsating.

"Awoooooo!" With a loud, piercing howl that echoed through the air, he showed a wicked smirk as his eyes locked onto Zhao Tian. *woosh* He hurled toward Zhao Tian extending his claws.

But Zhao Tian swiftly caught his hand and slammed his whole body on the ground. *boom*
crack Crack formed on the floor as it split and Orlando Williams felt his spine break into two.

'FUCKING SHIT! IT HURTS! He just slammed me... but the explosive power is... arghh!' he screamed in his mind and his body reacted quickly healing his spinal cord.

As the pain was relieved, Orlando Williams quickly got back to his footing, his eyes narrowing looking at Zhao Tian who was standing there casually with a nonchalant look.

As he was about to make his next move, he heard a faint voice "Young Lord!"

Hearing this voice, Orlando Williams smiled "You are late, Minister!"

thrissh Zhao Tian raised his head looking at the purple electrical arrow that was crackling through the air heading straight for him.

Zhao Tian waved his hand and the purple lightning dispelled in the air.

He then glanced at Orlando Williams who was turning back to human form "No wonder, you were so carefree, you have a Monarch Astral Stage cultivator with you." he muttered glimpsing at the old man floating in the air.

Orlando Williams chuckled with amusement "Of course, my father was overprotective so he sent one of the ministers as my bodyguard."

The old man spoke "Sorry, Young Lord I was searching around the area since I sensed a powerful presence. I thought it was this nation's Ombudsman and trailed the presence."

Orlando Williams shook his head "Its okay Minister, glad you came at the right time to save me."

Once again, he stole a quick glance at Zhao Suyin, a mischievous grin spreading across his face "Not gonna lie, but your girlfriend is- *swish* Zhao Tian appeared in front of him and as he raised his legs to kick.

swish *thud* The old man intercepted the leg with his hand blocking the kick. Orlando laughed seeing this "Chill dude, you have to be careful... our minister is 4th level of Monarch Stag-

fwish *boom* Zhao Tian landed a powerful punch on the old man's face, causing his teeth to shatter and sending him hurtling through the air. The force of the impact was so strong that it not only knocked the old man out but also caused him to crash through the walls of the resort, leaving a trail of destruction.

"Wha-" Orlando Williams's eyes widened in shock seeing the old man blasting away from Zhao Tian's punch. He slowly turned his gaze to Zhao Tian "W-What stage are you?"

Seeing the fight, Zhao Suyin was quite surprised. She knew Zhao Tian loves her so much but she didn't know that he is so possessive that he would not even look at her in a wrong way.

Obviously she was happy as she also loves her son to death.

Orlando Williams took a step back in fear as this was the first time he had seen his Minister getting thrown away from a single punch.

Panic seeped into his heart for the first time as he understood that if Zhao Tian wanted, he could kill him. He lost all his calmness and his eyes trembled "Uh!"

boom At this time, blasting away the debris the old man who has already transformed into the wolf creature hurled towards Zhao Tian "You little bastard!"

Chapter 134: An Oldman!

swoosh *thud* Zhao Tian blocked the wolf's claws and counterattacked kicking its face. As the wolf blasted back, Zhao Tian waved his hand as a long spear of ice appeared in the air.

sleech With a swift and forceful motion, the ice spear sliced through the air and ruptured through the wolf's gut, and came through the other side, pinning the wolf on the ground with the ice spear.

"ARRRGHHH!" The wolf let out a loud, guttural scream of agony as it was unable to move struggling against the icy grip of the spear. It raised its fist, shattering the ice spear lodged in its body before collapsing to the ground. *thud*

shishi The wolf's body soon healed and it stood up with a growl looking at Zhao Tian. *woosh* The wolf dashed in the air and Zhao Tian turned his gaze towards Zhao Suyin and raised his hand.

swoosh A transparent barrier appeared around her and Zhao Tian spoke "Wait here for a while!" Zhao Suyin nodded her head "En!"

Meanwhile, using the chaos, Orlando Williams thought of fleeing from there and rushed out of the resort.

He dashed to his room in the resort, grabbed his mobile phone, and ran outside. Zhao Suyin looked at him running but she knew that she could not do anything as she was very weak and stayed silent.

"Forget that scum, I am gonna watch Tian'er fight..." she muttered raising her head to look at the sky.

After Orlando Williams settled into the driver's seat of his car, he picked up his mobile phone and tapped on the screen to unlock it. Scrolling through his contacts with a sense of urgency, he found the number he was looking for and pressed the call button.

ring The phone rang briefly before a familiar voice answered on the other with a hearty laugh "Orlando, how is your vacation there?"

Orlando Williams spoke in a panicked tone "D-Dad, help me... here is a guy who wants to kill me and he is quite powerful."

"Now Minister is fighting with him and I used the time to escape from him. D-Dad what should I do?"

Miles Williams also panicked hearing his son's voice "Don't be afraid Orlando. You quickly drive the car and go towards the nearby airport. I will call my friends in that country to send you protection."

"Yes, Dad!"

...

"Brat, you do not know who you were dealing with? Do you know who we are?" The old man asked looking at Zhao Tian as they hovered in the sky.

Zhao Tian gave a slight nod "From the Western nations, right? Lygra or something?"

The old man's lips twitched in frustration "It's Lycan Syndicate, we are the -*ring* At this time, Zhao Tian's mobile rang and he raised his hand "Wait, old man."

Zhao Tian took his mobile phone and saw it was Mei Xiu calling him. He answered the call "Xiu dear..."

When she heard Zhao Tian affectionately calling her "dear,", Mei Xiu's heart fluttered as a smile appeared on her lips and she asked playfully, "So Tian dear, are you coming to my apartment for Lunch tomorrow."

"Tomorrow?" Zhao Tian pondered and the old man frowned his eyebrows seeing that Zhao Tian was distracted in his mobile.

slich He opened his palm as the claws elongated and with a swift dash, he extended his hand aiming to pierce Zhao Tian with his sharp claws.

Zhao Tian glanced at him and moved his head dodging the attack and turned around giving a kick at his chest. *swish* The old man was blasted to the ground and fell on the resort's area breaking the floor and causing destruction *Boom* *crack*

Mei Xiu who is on the call was startled by the sudden noise "T-Tian, what happened... what is that sound?"

Zhao Tian chuckled "Don't worry... it's just the sound from the TV."

"Oh..." Mei Xiu nodded and asked, "So are you coming?"

Zhao Tian replied, "Yeah, I would."

Mei Xiu let out a giggle "Then I will prepare good food for you to enjoy..."

"Haha, sure..." *click*

After ending the call, Zhao Tian turned his attention to the old man who was emerging from the chaos and wreckage of the resort.

Zhao Tian was quite amused by his own power "Thought I could only go on toe to toe with middle-level Monarch Astral Stage, but I can beat this guy... My physique is getting stronger it seems."

'By the way what happened to the women?' He used his astral sense and saw the women had already exited the resort, standing outside without help as Orlando Williams left without saying anything.

Well, Zhao Tian doesn't really have a big enmity with Orlando Williams going as far as killing him. But he knows about these rich bastards' twisted mindset, even if he let go of the problem those idiots will surely come back to annoy him in the name of revenge.

"Maybe I should just kill this Orlando Williams?" He mused in his heart as he didn't like to keep some people alive when he knew that they could potentially cause problems for him in the future.

"But killing him would cause even major problems as the Western nations won't keep silent after losing their Prince. It may trigger World War."

As he was lost in his thoughts, the old man again appeared hovering in front of him "You are one cocky bastard to meddle with our Organization!" he spoke in a cold tone.

"You do not know the power of our King and the organization backed up by the Western nations."

Zhao Tian was confused when he saw the old man start yapping and said "Well, anyway, I'll let your Prince go for the time being. But not you."

flick With a flick of his finger *crack* red bolts of lightning appeared around his body crackling menacingly in the air around Zhao Tian.

The air itself seemed to tremble with the intensity of the electrifying lightning. *crack*

H-Huh? The old man got an uneasy feeling creeping into his heart, witnessing the unusual red lightning. "F-Fire and lightning? Twin elementals?"

"Don't you dare, bastard! I am a Minister in the Western nations."

"Like I care." Zhao Tian muttered and as he saw about to unleash his lightning another hand came catching his wrist "Don't!"

Zhao Tian turned his eyes looking at the old man in white robes "Ombudsman."

Chapter 135: A talk with the Ombudsman!

The Ombudsman cast a fleeting glance towards the old man and spoke "You leave." Zhao Tian frowned hearing this "I am not done with him. And old man take back your hand..." his voice dripped with coldness as the words slipped from his lips

The Ombudsman narrowed his gaze and pulled his hand back from Zhao Tian's wrist, causing Zhao Tian to lower his own hand and the red lightning around him dissipated.

woosh The old wolf dashed from there as he didn't have time to fight and his first priority was to keep the Prince safe. If anything happens to the Prince he is the one who would be punished.

A sigh escaped the Ombudsman's lips as he turned to Zhao Tian "Do you know what you were gonna do?"

Zhao Tian narrowed his eyes "I sensed your presence a while ago lurking around here. It is your fault for interrupting my fight."

The Ombudsman's voice carried a sense of seriousness and authority "If you had killed him, Miles Williams would have erupted in anger waging war on our country That's why I stopped you."

"And I was keeping my eye on Orlando Williams because he caused a great commotion in the city a while ago by using Hun Chen as a scapegoat for his new serum."

The Ombudsman looked into Zhao Tian's blue eyes "And it was you who stopped that, right?"

Zhao Tian shrugged "Who knows."

The Ombudsman raised an eyebrow seeing his nonchalant demeanor "And it was also you who cleared the Blood Blade Organization too."

Hm? Zhao Tian got kinda irritated that the Ombudsman knew about the things he did "Were you stalking me or something?"

The Ombudsman's eyebrow twitched hearing the audacious remark "Do I look like a stalker to you."

"Honestly you do."

The Ombudsman shook his head helplessly seeing his teasing behavior "I had expected the mysterious man to be some old guy, but who would have thought that it was a young man like you."

"Already in the 6th level of Emperor Astral Stage with the power to control three elementals Fire, Ice, and Lightning. And just now when I grabbed your wrist I saw through your bone age. 21 years old."

"What evil methods did you use to become this powerful?"

Zhao Tian getting annoyed spoke "Can you just shut up and leave? I hate when people meddle in my affairs."

The Ombudsman raised an eyebrow, his position as the influential figure in this country had garnered him immense respect from both the government and the ACL but this young man was talking with such audacity.

woosh A burst of energy enveloped the Ombudsman as he spoke "You should know who you are talking to..."

Hm? *swish* Zhao Tian narrowed his eyes as a swirl of blue energy erupted from his body "And old man, you should too..."

The Ombudsman narrowed his eyes feeling the power surging from Zhao Tian "You already have the power of a Monarch Level Stage cultivator. No wonder you beat that old guy."

"You are... really a threat."

Threat? "So what are you gonna do now that you think of me as a threat?" Zhao Tian asked curiosity in his voice.

The Ombudsman spoke in a calm tone "I should capture you and imprison you back in the ACL cell... but since you have helped the government and ACL two times I would let you go this time with a warning."

Zhao Tian couldn't help but chuckle "It's really funny that you think you can capture me."

The Ombudsman was amused "Hoh? You are questioning my abilities?"

Zhao Tian just shrugged and he is confident as the Ombudsman is just 5th level of Monarch Astral Stage "I am surprised the strongest man in the nation is just 5th level of Monarch Astral Stage."

Just? The Ombudsman's eyebrows twitched "Do you know how many years of cultivation it took for me to reach this stage?"

"And do you think people who are more powerful than the 5th Monarch Astral stage would be restrained and working under the government?"

Zhao Tian just stayed silent and the Ombudsman spoke "How about this? If you work under the government I won't consider you a threat and let you live peacefully."

Huh? Zhao Tian narrowed his eyes and spoke in a cold voice "Are you threatening me? I don't care about you thinking of me as a threat, but if you tried to pry in my personal life, I would kill you."

"If you send any spies or shit to keep track of me, I'll kill them."

"And I don't like to be restrained under any organization or government. So it's better for you if you just leave me alone."

The Ombudsman gripped his fist in anger but he didn't want to make an enemy of a powerful young man like Zhao Tian who is actually a great asset to their nation.

"You are so arrogant brat. If you act flashy like this, the people from the Zhenzhu will notice you and they won't leave you alone."

Zhao Tian gave a nod "Sure, sure... Thank you for the advice. I'll take my leave now since I have other plans for today."

And as Zhao Tian thought of leaving he looked at the Ombudsman and spoke "There are many women out there who came with that Orlando, so it's better you send them back if you don't wanna cause any trouble with them." *swoosh*

The Ombudsman had a frown on his face looking at Zhao Tian leaving the resort with a beautiful woman near him. "I have to find him and look into his family background."

And as he again glimpsed at the almost destroyed resort a sigh left his lips "At the end, all works are piled up on my head."

...

Zhao Suyin who was hugging Zhao Tian's arm giggled excitedly "You were so cool, Tian'er. Baam booom... you punched that wolf guys and beat them haha."

"*sigh* I wonder when will I be powerful like that."

Zhao Tia let out a chuckle "For that you just have to dual cultivate with me."

A grin appeared on Zhao Suyin's lips "Later, tonight... now lets just enjoy our date!"

"Yeah!"

Chapter 136: Finally the date!

"Hm?" Sitting on the throne an old man wearing black robes mused with a deep frown etched across his face, he is none other than the Sect leader of the Stormweaver Sect, Lang Jian.

Ling Jian glanced at the Sect Elder in front of him "So, Zhu Kim has written that they can't find Teng Zen and Lee Jing? And they might be actually dead?"

The Sect Elder nodded his head "Yes, Sect Master. He also stated that the guy they went to kill was actually still alive and Zhu Kim has speculated that he might be the one who killed Teng Zen and Lee Jing."

Ling Jian leaned back on his throne as a sigh escaped his lips "If he has killed Teng Zen and Lee Jing, then that man must be above Heaven Astral Stage. So there are powerful cultivators like him who are still within the human society., hmm.."

The Sect Elder gave a nod "And Zhu Kim has said that that man must be the one who killed his son too as his son has provoked that man before."

"So to get both of our revenge, he has asked to send a powerful cultivator from our Sect to kill him."

Hearing this, Lang Jian narrowed his eyes "We can't do that now. The situation is not good for us."

"Because Chen Bao caused such commotion in the Ancient Ruins trying to kill other Sect people, the Queen is already suspicious of us and is keeping an eye on us by keeping many people to spy on us."

"So we can't make any big moves right now or send a powerful cultivator from our Sect to the outside world as we are very close to executing our plan."

With a slight sigh, he spoke "Sent a return letter saying that we can't aid him for him."

The Elder bowed his head "Yes, Sect Master."

...

"Because of all the fighting, it is already evening..." Zhao Suyin muttered as she sipped her coffee sitting in the cafe. Zhao Tian who was sitting opposite to her smiled "We still got time to enjoy."

Zhao Suyin nodded her head with a chuckle "Where can we go next, Tian'er? Shopping? It is already late for amusement parks... maybe to any arcade?"

"No, wait we can go shopping... I want to buy some new clothes."

Zhao Tian smiled softly "Wherever you want!"

...

Walking into the mall, Zhao Suyin looked at the large area and people constantly walking around. "It's been a while since I came outside like this," she muttered her hands hugging Zhao Tian's arms.

Zhao Tian spoke, "Well, you rarely come out of home."

Zhao Suyin leaned on him with a smile "I don't really care much about the outside world. I only care about my children."

Zhao Tian's eyes softened upon hearing this and a smile graced his lips. Zhao Suyin pulled his hand "Come on, Tian'er... here ."

Being pulled by her Zhao Tian chuckled and followed her into the store.

...

-_- Zhao Tian was dumbfounded looking at the store and the female employee standing there. "This is an underwear and lingerie shop for women. Why did you bring me here?"

The female employee smiled awkwardly "Um, dear customer... this is women's section so it's better for you to leave... uh."

'I am not here on my own will.'he muttered in his mind wryly, as he glanced at Zhao Suyin who was holding his hand.

The woman turned to Zhao Suyin "Madam, men are not allowed here in this women's section as it may be uncomfortable for other women here."

Zhao Suyin looked around seeing the women giggling. She tilted her head "I mean I am buying lingerie to please my boyfriend, so I have to buy something he likes right?"

"For that, he has to be with me and select a hot lingerie for me."

"H-Huh?" the female employee was bewildered because what Zhao Suyin saying was not wrong as it actually made sense "But still, this shop is not only for you Madam."

"There are many women coming here and buying clothes. So it would surely be uncomfortable for them."

Zhao Suyin understood the situation and turned around looking at the women ogling at Zhao Tian's handsome face. A soft sigh escaped her lips "Oh, then... Tian'er?"

Zhao Tian gave a slight nod "I will wait outside."

Zhao Suyin smiled playfully "I will select sexy lingerie and surprise you later, kay?"

Zhao Tian let out a soft chuckle and nodded while the female employee smiled wryly hearing Zhao Suyin's words.

"Thank you for the understanding, Mam."

A short time later, Zhao Tian and Zhao Suyin were done shopping and went outside.

tap With the shopping bags in her hand, Zhao Suyin's eyes darted around the mall her other hand holding Zhao Tian's arm "Where is the grocery section? I still want to buy groceries for tomorrow's breakfast."

When she found the grocery section, she quickly walked towards it "Tian'er, come on... seems like there is a discount sale going on."

Zhao Tian chuckled in his mind seeing his Mom getting excited about discounts when they are rich as fuck.

Pushing the cart around the section, Zhao Suyin picked the vegetables, frozen meat, and other ingredients for preparing the meal.

ring At this time, Zhao Tian's mobile in his pocket rang and he took it from his pocket. Seeing the name a smile appeared on his lips and he answered the call. "Xiu."

"Tian... where are you now?" Hearing her low mutter through the phone, Zhao Tian replied with a slight frown "In a mall right now."

"Is there anyone with you right now?"

Zhao Tian glanced at the gorgeous woman cutely picking up the things and smiled "Yeah, I am with my Mom right now."

"I see." Mei Xiu muttered with a frown looking at Zhao Tian and Zhao Suyin walking in the Groceries section of the mall like a couple.

Zhao Tian chuckled "You called me to ask that?"

Mei Xiu spoke with a gentle sigh "No... I just wanted to confirm whether will you come tomorrow or your plans have changed."

Zhao Tian replied "Don't worry... I will be there."

"En. Ok then..." Mei Xiu nodded her head and canceled the call. Pulling the mobile from her ear, her eyes trembled in emotions as she again turned her gaze to Zhao Tian and Zhao Suyin who were chuckling and chatting.

Wha- Mei Xiu's eyes widened in shock as she saw Zhao Suyin leaning in and pressing a tap kiss on Zhao Tian's lips.

...

smooch "Tian'er..." Zhao Suyin leaned in for a gentle kiss on Zhao Tian's lips, whispering his name softly as they both relaxed in the cozy confines of the car. She settled herself comfortably in his lap, feeling the warmth of his embrace enveloping her.

Retracting the kiss, Zhao Tian brought his lips down planting soft kisses on her alluring neck. "Hmng~!" Zhao Suyin let out a subtle moan feeling the teasing touch of his lips.

As his hand traveled up from her waist, delicately groping her breast through the fabric of her dress. Zhao Suyin closed her eyes feeling her son's fingers wandering around her body, feeling satisfied by his sensual touch.

She allowed herself to fully surrender to his sensual caresses, losing herself in the moment and losing track of time as they shared this forbidden intimacy.

Zhao Tian nuzzled his face on her neck and let out a soft breath "Sorry, Mom... I thought of giving you the best date, but couldn't."

Zhao Suyin opened her eyes hearing him talk and raised her hand patting his head, her eyes softening "What are you saying, Tian'er... I am very happy just spending time alone with my dear son."

"And who said, I didn't enjoy this date? Today I learned something very important dear," she spoke softly and Zhao Tian raised his eyes curiously.

Zhao Suyin giggled gently "After seeing your fight I understood that many things have changed and Tian'er you too. Shenyi told me about the cultivation world and how dangerous it can be."

"Since then, there was a small fear gripping in my heart, worried that something might happen to you. But after seeing today's fight, I am somewhat relieved that my son has grown strong."

Her fingers gently ran through his white hair "Be careful Tian'er and know that since you are strong, your every move will affect someone's life."

Zhao Tian couldn't help but chuckle "With great power comes great responsibilities?"

"Yeah, that." Zhao Suyin also giggled hearing his remark.

Her lips graced with a tender smile, her fingers still patting him "But know this one thing, dear. No matter where you go, no matter how strong you become, no matter how high your position is... don't forget to return home."

"Because your mother is always waiting for her Son's return."

A smile appeared on Zhao Tian's lips "I know..." he muttered with a soft sigh.

Seeing him still sighing, Zhao Suyin raised her hand bringing it near her neck as she removed her dress. Zhao Tian glanced at his Mom's boob being held by a black bra.

He lifted his hand delicately peeling down the bra and saw the cherry nipple "Don't be sad about our date, here have some of Mom's milk."

Without hesitation, Zhao Tian leaned in biting her nipple and sucking on it. "Haangh~!" Zhao Suyin moaned and muttered, "D-Don't suck it too hard... milk won't come out."

Zhao Tian stopped and raised his gaze "But there is a way for it to create milk."

A blush crept over Zhao Suyin's cheeks as she understood the meaning behind his words and averted her gaze "W-Well, I hope that someday I can bear your child."

As Zhao Tian watched the innocent woman blush, he couldn't resist the overwhelming urge to once again suck on her nipples.

"Hoh, Tian'er... hhngh~ Not in the car, let's go home."

Chapter 137: *A threesome?!*

vroom *thud* Parking the car in his garage Zhao Tian stepped outside and Zhao Suyin followed him leaving the car.

Zhao Tian quickly grabbed Zhao Suyin's hand and rushed inside, wanting to throw his Mom in the bed and ravish her.

Zhao Suyin chuckled seeing her Son's enthusiasm but truth be told, she was also excited, wearing the new lingerie and having sex with him.

tap However as they stepped in, the sound of their footsteps caught the attention of Zhao Ying and Chi Miya, who were engrossed in watching TV on the couch. Instantly, their heads turned towards them, and a smile appeared on their faces upon locking eyes with Zhao Tian.

"Tian'er." "Tian!" Zhao Ying and Chi Miya stood up from their seats and approached him. "I knew it you had gone out with Mom when I saw her and Roles Royce missing." Zhao Ying spoke as she hugged him.

Chi Miya also hugged his other side and smiled "I missed you, Tian."

Smiling wryly, Zhao Suyin stepped back, because her desire to spend the night with Zhao Tian was shattered as she knew there is no way Zhao Ying and Chi Miya would let him go now.

With a chuckle Zhao Tian also hugged back them and Chi Miya retracted the hug, gently kissing his lips.

Meanwhile, Zhao Ying turned to Zhao Suyin with a mischievous smile on her lips "Mom, we will be taking Tian'er to his room right now, and... we don't need dinner tonight."

"Uh, okay!"

Zhao Ying and Chi Miya looked at each other and nodded before pulling Zhao Tian to his room.

...

thud Zhao Ying and Chi Miya pushed Zhao Tian onto the bed as Chi Miya, her movements deliberate and seductive, slowly made her way on top of him, her eyes filled with a hunger that could not be denied. "You know how much I missed you? Tian..." she whispered, her voice laced with desire.

She leaned on him and kissed his lips "I already have a heavy work load in company and rarely got to meet you. And because you went to Zhenhzu and also the cultivation, I can't see you for four whole days."

She lifted her hand and began to gently undo the buttons, one by one. As the final button came undone, she carefully removed his shirt, unveiling the sight of his perfectly sculpted chest and chiseled abdomen.

"Tian!" With a seductive smile on her face, she lowered herself to his chest and planted a passionate kiss. She then proceeded to run her tongue across his chest, leaving a moist trail of saliva behind.

Zhao Tian couldn't help but chuckle, thoroughly enjoying her bold advances as she eagerly pushed herself against him.

Meanwhile, Zhao Ying who was removing her dress smirked: "So this a punishment for keeping us longing for four days, today we will be dominant over the bed."

Hoh? Zhao Tian was amused hearing this and watched as Zhao Ying gracefully made her way onto the bed, completely naked. Her bare skin glowed in the soft light of the room, and her boobs swayed seductively with each step which seemed to captivate his eyes leaving him unable to tear his gaze away.

Chi Miya's tongue slowly moved across his chiseled chest, gradually coming towards his abdomen. With each kiss she placed on his well-defined abs, she could feel the gentle texture of his skin against her soft lips.

Zhao Ying raised her leg and sat on top of Zhao Tian's chest. Looking at the mischievous smile dancing on his Sister's face, Zhao Tian muttered "Ying'er."

Hm? Zhao Ying raised an eyebrow "Ying'er?" she placed her finger on his lips "Call me Big Sister, Little brother."

Zhao Tian also played along with her and said "Big sis."

Zhao Ying nodded her head in satisfaction her hand patting his head "What a cute little brother... let your Big sis give a reward to you."

Zhao Ying who was sitting on his chest, raised to her knees showing her pussy right in front of his face as she slowly stretched open the outer folds of her honey cave with her fingers "Eat your sister's pussy, little brother."

There was a tint of hesitation in her voice as she doesn't know if Zhao Tian likes this stuff and eat her pussy to pleasure her orally.

A smile stretched across Zhao Tian's lips as he raised his hand groping her ass and pulled her in "Big Sis." With a mutter, he opened his lips kissing her pussy.

"Hnngh~!" The touch of his lips on her pussy sent a jolt of pleasure through Zhao Ying's entire body, causing her to let out a soft, almost involuntary moan. She couldn't help but steal a quick glance at his face as Zhao Tian licked her pussy.

"Haangh~!" Zhao Ying closed her eyes in pleasure as she felt her brother's tongue licking and sucking on her pussy, plundering her insides.

At the same time, as Chi Miya continued licking his abdomen, her hands went down removing his pants from his waist.

Looking at the dick in front of her, Chi Miya licked her lips lustfully, as she took his dick in her hand sniffing it. She let out her licking his dick and moved it up and down giving him a handjob.

Chi Miya smiled feeling his dick getting hard on her palm and couldn't help but tease his balls with her fingers "Hm.. Tian it is big as always." she muttered looking at the hard cock in her hand.

She opened her lips and pushed his cock into her mouth and began to give him a blowjob lubricating his dick with her saliva, her tongue playing the tip of his cock.

Zhao Tian who was licking Zhao Ying's pussy felt the pleasure hitting his head as Chi Miya began her blowjob but he continued eating Zhao Ying's pussy.

"Hnngh~ Tian'er... Haangh~!" With a soft moan, Zhao Ying called out his name, her body trembling with desire. She raised her hand groping her own boobs as she began to masturbate pinching her nipples and feeling the pleasure from it.

"Yeah, Tian'er you tongue Ohhhn...I love you... Haangh~" Zhao Ying moaned in ecstasy feeling his tongue plundering deep in her pussy exploring every inch of her inner vaginal walls.

Chi Miya also raised her head up and down giving Zhao Tian a blow job and she couldn't help but get turned on as love juices dripped from her pussy.

A little later, she slowly withdrew her lips from his dick leaving a thin strand of saliva to linger between the the tip of his dick and her lips. With a giggle she again licked his dick tasting the precum.

"Tian's cock is perfect now," she said as she brought his face to his balls licking it. Suddenly she got a new idea and opened her lips wide taking both of his balls inside her mouth and playing with the balls with her tongue.

Zhao Tian's body was flooded with pleasure as Chi Miya expertly teased and played with his genitals, while he simultaneously pleased Zhao Ying's pussy with his mouth. The sensations building up within him were overwhelming, sending waves of ecstasy through his entire being.

"Ha!" Chi Mia retracted her lips, saliva dripping from the corners of her mouth lustfully, "Damn. Even his balls are so delicious."

Her mind was clouded with lust as she placed his cock straight with her hands and moved kneeling on top of him her pussy right above his cock.

"Now time to eat Tian's cock with my lower lips," she mumbled before lowering her hip and sitting in the cowgirl position feeling his dick touching her pussy.

"Here I go, Tian..." she said before lowering her waist even more slowly pushing his cock into her pussy.

"Hnnngh~!" Chi Miya closed her eyes in pure bliss feeling his big cock filling her hole giving her extraordinary pleasure.

"Angh~! Angh~ Angh~!" With a series of passionate moans and cries of pleasure, she started to move her hips up and down, riding his erect penis as it slid in and out of her wet vagina.

As Chi Miya began to ride his dick, Zhao Tian grunted in pleasure and his tongue also got more fiercer on Zhao Ying's pussy making her mind muddle with pleasure.

Zhao Ying also quickly reached her end "Annnghhhh~!" With a loud moan, she came on Zhao Tian's face her love juices spraying around in the bed like crazy.

Chapter 138: *Beg for it*

"Haah, Haah!" Zhao Ying's breath came in ragged, heavy gasps as her chest heaved up and down after her intense orgasm. As she gazed down she saw his face sprayed with her love juices.

She panicked seeing this "S-Sorry, Tian'er..." she stammered, frantically reaching for any nearby towel. but Zhao Tian shook his head "No need." he used water elemental to clean his face.

As Zhao Tian tried to speak "Urgh!" he grunted in pleasure and Zhao Ying turned her head and saw Chi Miya riding Zhao Tian's dick.

She slowly got down from Zhao Tian's face and Zhao Tian leaned up sitting on the bed hugging Chi Miya who was in a cowgirl position just now "Miya...."

"Haan... Tian." as Zhao Tian sat on the bed, Chi Miya hurriedly hugged his neck with her arms, interlocking her legs around his waist. Zhao Tian too grabbed her ass and moved her up and down.

"Miya..." Zhao Tian groaned in pleasure and he couldn't help but squeeze the soft ass in his hands. *slap* "Kyaangh~!" He gave a sharp slap on her ass and he felt her pussy walls tightening over his dick as Chi Miya felt a shiver of ecstasy down her spine.

"Haangh~! Haangh~!" As Chi Miya kept riding his dick, Zhao Tian felt that his whole dick is still not inside her warm pussy, so he raised her hip and pulled her down in one sweep.

gasp Chi Miya gasped in surprise as she felt the tip of his cock hitting her womb and she couldn't help but moan loudly "Haaangh~!"

Zhao Tian didn't let her go and continued thrusting her hip on his dick, making her mind overcome with pleasure. "Angh~~ Angh~~"

"Now, don't forget me..." Zhao Ying placed her hand on Zhao Tian's shoulders and Zhao Tian turned his head with a smile "No, Big Sis."

Zhao Ying leaned in kissing his lips as Zhao Tian continued thrusting his dick deep in Chi Miya's pussy.

Chi Miya was already overwhelmed with pleasure, unable to contain herself any longer. She felt her mind start to go blank as she stuck out her tongue, her body moving in sync with Zhao Tian's every movement, lost in the intoxicating rhythm.

"Anghhh~!" A little later, Chi Miya finally came, her pussy twitching in intense orgasm but Zhao Tian didn't stop his relentless thrusts and *splurt* shot his cum deep into her womb. Feeling his hot stuff filling her pussy, Chi Miya closed her eyes a satisfied smile on her lips.

Zhao Tian slowly placed her on the bed and Zhao Ying approached him with a smile. Zhao Tian had a grin on his face and he pushed Zhao Ying upside down on the bed. *thud*

Zhao Ying was confused by the position only to be abruptly snapped out of her thoughts by a sudden, harsh slap on her ass. *SLAP* Zhao Ying felt a piercing sting-like pain on her ass and she instinctively turned to Zhao Tian "W-What was that..."

"On your knees!" Zhao Tian said with a playful smile. Zhao Ying glanced over her shoulder to look at her ass and saw the red handprint on her ass cheek.

Hearing his command, she obediently knelt on the bed showing her ass to Zhao Tian. "Hm.." Zhao Tian mused holding the ass cheeks and spreading them as he again got the sight of her beautiful pussy.

But Zhao Ying couldn't wait as she was already turned on seeing Zhao Tian rampaging Chi Miya's pussy. She bit her lips in frustration "Little brother, quick!"

Zhao Tian chuckled and stroked his dick on her pussy. He could clearly feel her lower lips twitching and how her inner vaginal walls are anticipating his cock.

"Beg for it." Zhao Tian muttered and Zhao Ying was surprised. B-Beg? She turned to look at Zhao Tian's face and looking at his grin, her eyes quivered.

slap Zhao Tian again gave a slap on Zhao Ying's ass and even more love juices dripped from her pussy. Zhao Ying doesn't know why but she actually likes it, it's not like she is a masochist.

It's just her little brother who is always kind to and sweet to her acting rough and mean like this is a huge turn-on for her.

Feeling ashamed, she nervously pressed her teeth against her lips and quietly mumbled "L-Little brother, shove that big cock into this Big Sister's pussy. It wants it..." She lowered her head in embarrassment, rethinking her own words.

Zhao Tian smirked and slid his dick deep into her moist pussy in one go "Yaangh~!" and a moan slipped past Zhao Ying's lips feeling her brother's dick stretching her tight pussy walls.

Zhao Tian leaned down fondling her boobs as he thrust his hips. *pakh* *pakh* The sound of flesh hitting echoed through the room as Zhao Tian continued fucking Zhao Ying.

"Tian'er... Tian'er... Haangh~!" Zhao Ying felt pleasure flowing through her body, and all the muscles in her body became soft.

However, Zhao Tian maintained a tight grip on her waist and persisted in vigorously pleasuring her pussy, while Zhao Ying buried her face into the pillow

Each thrust drifted her mind to Euphoria as Zhao Tian continued his relentless charge on her pussy.

"Hhng~!" She felt a surge of intense pleasure, as if an electric current was coursing through her entire body enlightening her senses as they both lost themselves in lust and lovemaking.

huff "Yaangh...!" With heavy breaths and expressive moans, the room was filled with an intoxicating blend of their sweat and the scent of their lovemaking, enveloping their senses.

"Ying'er"

"T-Tian'er~~"

smooch Their lips met in a deep and passionate smooch, their mouths locked in a fervent embrace. At that moment, their tongues danced together, savoring the delicious flavor, as they both responded with equal passion.

Retracting the kiss, he moved his mouth to her boobs and began to suck on them as he kept thrusting his dick causing her mind to become consumed by an intense and irresistible pleasure.

The pleasure caused her body to tense up and Zhao Tian felt her pussy tightening over his dick "Urgh!" grunt of satisfaction escaped his lips, fueling his desire to relentlessly pleasure her with every thrust

As her thoughts became clouded with pleasure, all that could be heard from her were soft, sweet sounds of ecstasy. Zhao Tian sensed that she was on the brink of climax and increased his speed in response.

PAKH "Ahnng~!...T-Tian'er!!!" and a mixture of pleasure and ecstasy coursing through her veins, she couldn't help but let out a long, drawn-out moan that echoed through the room. "T-Tian'er!!!" Escaping from her lips, her voice was filled with a desperate desire and an insatiable craving for more.

Her body contorted and writhed in pleasure as an overwhelming climax washed over her, causing her to release a powerful release of love juices.

splurt Simultaneously, in perfect synchrony, Zhao Tian unleashed his flow of deep, creamy white lava into the depths of her pussy. The sensation was electrifying, an intense fusion of pleasure and satisfaction that left both of them completely spent and utterly fulfilled.

pop Zhao Tian took out his dick and saw his cum overflowing from her pussy. Zhao Ying, catching her breath and radiating a contented smile, gazed affectionately at Zhao Tian.

Zhao Tian softly patted her head and Zhao Ying felt the dizziness as her eyelids became heavy and she closed her eyes.

Zhao Tian got down from the bed and shook his head helplessly looking at the two naked women sleeping comfortably with his cum leaking out of their pussies.

He then walked towards the door which is slightly opened and pulled the door revealing a woman who was in her seductive black lingerie masturbating as her fingers slid in and out of her pussy.

"Mom."

Chapter 139: *With Mom*

Seeing Zhao Tian, Zhao Suyin was not at all surprised as she knew Zhao Tian could sense her presence, in fact, she was waiting for him.

She hurriedly stood up throwing her arms around his neck, her face flushed red as she spoke in a desperate tone "T-Tian'er... Haah.. please. ."

Seeing her ragged breath, her misty eyes, her seductive see-through lingerie, and her flushed cheeks as she spoke in a desperate tone Zhao Tian felt she was even more sexy and kissed her lips unable to resist the allure.

Without hesitation, Zhao Suyin too kissed him back fervently as their tongues intertwined, saliva dripping from her lips. Despite the wetness, she didn't pull away; instead, she delved deeper into the kiss, savoring every moment

A little later, Zhao Suyin pulled back from the kiss and her breath was even more chaotic. Zhao Tian couldn't help but let out a faint chuckle at the sight, as he playfully took hold of her tongue between his fingers and pulled it slightly

"Masturbating seeing your son fucking your daughter, how perverted you are?" Zhao Suyin's eyes trembled in shame but she just licked his finger and sucked them.

Zhao Tian teasingly used his fingers to play with her tongue and Zhao Suyin continued sucking his fingers. "What I said is right, middle-aged woman has an insane sex drive."

Zhao Suyin took her left hand from his shoulder and brought it down grabbing his dick which is moist with love juices from Zhao Ying. "Tian'er... help your Mom," she asked stroking his dick.

Zhao Tian softly pushed her on the wall and raised her right thigh showing her pussy. he positioned his cock in her pussy and pushed it but as it was too wet his dick slipped from her pussy.

Seeing this, Zhao Suyin gently grabbed his dick and pushed it into her pussy. "Mmngh~ dear..." Zhao Suyin mumbled in ecstasy feeling the familiar pulsating cock of her son again filling her.

Zhao Tian didn't waste any time and began to push even deeper. "Angh~~ Tian'er..." Zhao Suyin's eyes softened as she leaned in whispering "I love you, dear..."

"Angh~! Yeshhh... Haangh~!!!! Tian'er~~~" Zhao Suyin let out a loud moan as he continued to thrust his hips, driving his hard cock deep into her slick pussy, causing her to moan even louder in pleasure. Her boobs hopped up and down and seeing this Zhao Tian chomped her boob and began to suck it wildly.

The intense sensations overwhelmed them both as they lost themselves in the pleasure of their passionate lovemaking.

"Hnngh~!!...Yanghh~ T-Tian'er!!...Yanghh...suck them to your heart's content baby....it's all yours." Zhao Suyin was letting out continuous groans and her entire body was already feverish and her body had become numb from pleasure.

She could barely feel her limbs that were wrapping around Zhao Tian and felt her body dancing to Zhao Tian's rhythm and his relentless thrusts. The overwhelming sensations enveloped her in a whirlwind of passion and longing, leaving her utterly consumed by desire.

This was the same for Zhao Tian who is also overloaded with the pleasure Zhao Suyin was giving him as he continued plunging his cock deep into her honey hole poking her womb.

"Haah!" Zhao Tian grunted in pleasure and thrust fiercely, making Zhao Suyin moan again. She extended her legs and twitched comfortably. Her mind began to turn white and she could only keep moaning.

He realized that she was close to cumming and began to thrust faster.

pakh "Ahhhhnnnggg~~~!?" He firmly grasped her waist and pressed her on the wall, causing her body to jerk. "HaangH~~!" With a loud erotic moan, she orgasmed as her body trembled in pleasure.

At the same time, her vagina tightened over Zhao Tian's dick increasing the pleasure and with the moistening of her cum *splurt* he also released his loads into her painting her inner pussy in white.

Zhao Suyin's back arched feeling the hot white magma filling up her insides and her eyes widened in sheer pleasure. *thud* Her back fell on the wall and her breathing ragged. *huff* *huff* Zhao Tian saw her boobs swaying up and down, because of her heavy breathing.

"Mom..." Zhao Tian grabbed Zhao Suyin's waist and turned her around: "Put your hands on the wall." "Hm? Zhao Suyin, who was still feeling pleasure, did as he said and placed her hands on the wall, turning her back to him.

With a smirk, Zhao Tian raised the lingerie revealing the roundness of her plump cheeks. He softly pressed her ass, placing his thumb on her asshole gently grazing it.

H-Huh? Zhao Suyin was startled and turned her head "T-Tian'er, are you..."

Zhao Tian kept his smirk "We have to explore new things and pleasures, Mom..."

"N-No, Tian'er..." Zhao Suyin frantically shook her head "In there? that's so dirty and that's not the hole for sex..."

Zhao Tian leaned forward to bring his lips to her ear and whispered "Is that so? I thought that I could have anal sex with my beautiful Mom."

Upon hearing the disappointment in his voice, Zhao Suyin felt a pang of guilt wash over her "And I still haven't done that with Ying'er too..."

Huh? This surprised Zhao Suyin, he hasn't done it with Ying'er... then I am before her? "I am sure my Mom would do anything for her son, right? Mom?"

Hearing the tempting words of the devil, Zhao Suyin's heart melted and how could she reject her dear Son's request whom she loves so much?

"B-But, Tian'er... I am scared."

Zhao Tian smiled "Don't worry Mom... it will surely feel good." Hearing his reassured tone, Zhao Suyin gave a slight nod, the blush on her face deepening.

"Then, Tian'er have anal with me..."

Zhao Tian smiled and did a small water elemental to clean her asshole. He brought his finger near her mouth and understanding him Zhao Suyin sucked his finger moistening it with her saliva.

With a smirk, Zhao Tian gently pressed his finger on her tightened pink asshole. Zhao Suyin closed her eyes and her eyelashes quivered in slight discomfort as Zhao Tian slowly slid his finger into her asshole stretching it.

Zhao Tian twisted his finger in her asshole stretching it and added another finger "Hmnngh~!" a low moan escaped Zhao Suyin's lips as she got quite used to the tingling feeling finding it quite pleasurable and arousing.

After a while of moistening and loosening her asshole, Zhao Tian grabbed her waist and placed his cock in the asshole.

Zhao Suyin closed her eyes and Zhao Tian pushed his cock inside the very tight asshole. "Urggh!" Just as Zhao Tian inserted the tip of his cock, Zhao Suyin's asshole muscles instantly clenched his cock giving him pleasure.

He didn't stop and pushed deeper through the tight hole stretching it with his hard dick. "Ahh~!" Zhao Suyin let out low mumbles as she felt her son's dick piercing in.

"U-Urghh!" she groaned in pain and her body shook, small tears welling up in her eyes as she felt his dick filling in her ass.

Zhao Tian felt extraordinary pleasure from the tight muscles in her ass. "It's tight...Mom." he could feel her ass trying to squeeze out his dick.

He stopped and didn't moved too quickly giving time for Zhao Suyin to get used to his size. A little later, Zhao Suyin nodded her head "Continue, Tian'er..."

Zhao Tian started to gently sway his hips, gradually pushing deeper and causing her asshole to widen and lengthen with each movement.

As Zhao Tian pushed his dick even more into her ass, Zhao Suyin's eyes quivered "H-Hmmngh~..." she suddenly felt a surge of pleasure coursing through her body.

"Tian'er.... Haangh~ Tian'er~~" As her ass muscles slowly began to stretch, Zhao Suyin also felt the pleasure take over her mind, leaving her numb.

pakh *pakh* Zhao Suyin let out her tongue as she enjoyed his pounding on her ass and she could feel his balls hitting her pussy sending a wave of arousal through her body, heightening her pleasure and desire.

"Haangh~~ T-Tian'er... this is goodddd~ Hyaangh~!" Zhao Tian leaned down groping her boobs as he continued rampaging her ass.

The sound of their bodies colliding filled the room, a symphony of desire and ecstasy that seemed to have no end.

pakh *pakh* Zhao Tian playfully teased her nipples with his fingers, gently pinching them as he nibbled on her sensitive flesh. "Haangh~!" As Zhao Tian nibbled her sensitive nipples, her body shook and Zhao Tian felt her ass walls tightening on his dick giving him even more pleasure.

"Your ass feels too good." Zhao Tian muttered and hearing his dirty talk aroused Zhao Suyin even more. *pakh* *pakh*

"Urgh!" Zhao Tian felt he was near the edge and soon he also came shooting his semen into her asshole. "Ahng~!" Zhao Suyin moaned feeling his cum filling her ass.

With a satisfying grunt, Zhao Tian relished in the intensity of his thrusts, causing Zhao Suyin to emit another pleasurable moan. "Tian'er~~~"

Chapter 140: A peaceful morning!

thud Zhu Kim who was sitting on his chair slammed his hand on the table his eyes trembling in rage "They can't send a powerful cultivator?" with a small piece of paper in his other hand.

Zhu Wan who was sitting near him sighed heavily "Well then we can only wait till the Stormweaver Sect sends someone."

Huh? Zhu Kim turned his mad eyes to Zhu Wan "Do you mean I have to keep silent here when I know that the guy who killed my son is happily living there?"

Zhu Wan shook his head "We can't do anything about it, brother. We can only wait."

"No!" Zhu Kim vehemently shook his head "I will kill him. I will use all my money if that's what it takes to kill that bastard"

...

As the morning sun rays peeked through the curtains of the window, inside the room, there is a handsome young man sleeping on the bed crushed in between two beautiful women, each tenderly holding him from opposite sides as he lay in a sideways position.

"Haah~" Feeling a soft breath caressing his neck, Zhao Tian's eyelashes fluttered open, and he saw Zhao Ying hugging him so tightly her boobs pressed against his chest her face nuzzled in his neck.

smooch At this time, he felt a soft pair of lips on his nape and he turned his head to look at the blue-haired woman smiling at him softly "You woke up, Tian?"

"Yeah..." Zhao Tian gave a slight nod and Chi Miya snuggled even closer her boobs pressing on his back as she intertwined her soft legs with him.

"Tian... I have many things going on in my mind." Chi Miya muttered near his ear and Zhao Tian raised an eyebrow "What's thematter..."

"I miss you, Tian... I want to spend more time with you but because of the work in the Company, I don't have enough time."

"So Ying asked me to just sell the company but... I have to talk about this with Shui'er and Miss Lingxi before doing such things."

"Now it is one of the top three companies in the city and there are many shareholders... haah, I don't know what to do."

Zhao Tian slightly frowned his eyebrows "Talk with Shui, don't care about Lingxi."

Chi Miya smiled wryly upon hearing this and at this time Zhao Ying also woke up gently rubbing her eyes with the back of her palm "Good morning, Tian'er."

"Good Morning, Ying'er..." Zhao Tian spoke and Chi Miya also raised her head and said with a smile "Good Morning, Ying."

"Sister Miya..."

Chi Miya slowly retracted from Zhao Tian and sat on the bed as she gathered her long locks of hair and deftly twisted them into a neat bun atop her head "We have to refresh..."

Zhao Ying sighed in Zhao Tian's arms "Let's go back to the artifact and bathe in the cold waterfalls, it would be good."

Hearing this Chi Miya also nodded her head "Yeah, Tian... let's go."

...

swoosh Xia Shenyi who was sitting inside the shallow water of the waterfalls turned her head and saw Zhao Tian, Zhao Ying, and Chi Miya who just appeared there completely naked.

Chi Miya felt a rush of embarrassment and quickly covered her chest, trying to hide her exposed breasts. Meanwhile, Zhao Ying simply smiled and casually strolled toward the cascading waterfalls. Chi Miya also followed Zhao Ying to the waterfalls to bathe.

Meanwhile, Zhao Tian walked over and sat next to Xia Chenye on the shallow water. "Tian..." Xia Shenyi smiled and moved as she sat between his legs, leaning on his chest.

Zhao Tian chuckled and wrapped his hands around her waist softly holding her boobs.

While Chi Miya was enjoying a refreshing bath under the cascading waterfalls, she turned to look at Zhao Tian and Xia Shenyi kissing each other. "Sister Shenyi's.. is quite big, huh..."

Zhao Ying who was beside her smiled wryly upon hearing this "I was also surprised at first, her robes hiding her true size. And I am kinda sure, Tian'er likes her big breasts."

Chi Miya looked down at her own boobs and it is also quite big "But he said that he likes as long as it fits in his palm."

"Haha!"

As both Chi Miya and Zhao Ying continued bathing, *pakh* *pakh* they heard some noises and some intermittent moans that filled the air with a mix of arousal and pleasure "Haangh~ Mmng~!"

Surprised both Zhao Ying and Chi Miya turned to look at Zhao Tian fucking Xia Shenyi from behind as she was on her knees in the shallow water. Zhao Ying frowned seeing this "Huh? did Tian'er break the promise?"

"Promise?" Chi Miya turned at her and Zhao Ying gave a slight nod "Tian'er promised Sister Shenyi that he won't have sex with her until he becomes stronger than her but now..."

As Chi Miya narrowed her eyes, *gasp* her eyes widened in shock "T-Tian, is not having sex in her vagina."

Huh? Zhao Ying also squinted her eyes and saw Zhao Tian's dick go in and out of her asshole.
"They are having... anal?"

ChiMiya's cheeks flushed with embarrassment, causing her to abruptly avert her gaze, even Zhao Ying was bewildered seeing this.

Zhao Tian who noticed their gazes leaned down whispering "Shenyi they are watching, now they know that you enjoy getting fucked in the ass."

Xia Shenyi's face flushed with embarrassment, her cheeks turning a deep shade of red. As she turned her gaze, she noticed Zhao Ying's gaze fixed upon her as she was getting rampaged in the ass.

"T-This is so embarrassing..."

"Urgh!" With a satisfied grunt, Zhao Tian gave a thrust that elicited another pleasurable moan from Xia Shenyi. As the intensity grew, she naturally extended her legs and blissfully twitched, reveling in the comfort that enveloped her.

In this state of ecstasy, her mind started to drift, consumed by the overwhelming sensations coursing through her.

"Tian..."

...

Zhao Tian walked downstairs wearing a t-shirt and shorts searching for his Mom. Sensing that she was in her room, she directly entered her room. "Mom?"

Zhao Suyin who was brushing her wet silver hair after coming out of the bath raised her gaze hearing the door creak open "Tian'er?"

Zhao Tian entered in and seeing him a smile appeared on Zhao Suyin's face. Zhao Tian walked near her his left hand groping her bare ass "Seems like you are late today."

Zhao Suyin hit his shoulder "Of course because of you..."

Zhao Tian chuckled and ran his fingers through her wet hair "You can use wind elemental like this..." he muttered as a swirl of hot wind made her hair flow instantly drying her hair.

"Ohhh." Zhao Suyin was amused "It works like hair dryer... haha. But as Shenyi said you have good control of elemental power unlike me... so it will take a while for me to do that."

Zhao Tian chuckled and pulled her waist softly kissing her lips. Zhao Suyin also reciprocated the kiss closing her eyes.

"Brother Tian!"

Hearing Chi Shui's yell from the hall, Zhao Tian pulled back his lips "Shui is here."

"En."

...

After dropping Chi Miya at the office, Zhao Tian continued driving the Rolls Royce "Brother Tian, go faster..." Chi Shui yelled and with a chuckle, Zhao Tian increased his speed.

Huh? But Zhao Tian suddenly pressed on the brakes and Chi Shui was startled by the sudden break "W-What happened, Brother Tian?"

'Emperor Astral Stage?' he muttered in his mind feeling a presence following him in the air.

"Wait a minute, Shui..." Zhao Tian parked the car on the roadside and got out. Hm? But as he stepped out, he felt the presence disappearing.

'Is it that Oldman Ombudsman sending someone to spy on me?' He tried to search for that presence again but it had already left.
