Chapter 141: Disturbing the good time!

vroom Zhao Tian entered the car and again began to drive. Chi Shui who was beside him was confused "Why did you stop the car, Brother Tian?"

Zhao Tian shook his head with a smile "Nothing, I think I just my friend across the lane but its not him."

"Oh..." Chi Shui nodded in understanding and took her mobile increasing the volume of the song that's been playing in the car.

"Ah, by the way, Brother Tian... see I joined for an Art competition." Chi Shui spoke showing the mobile screen to Zhao Tian.

Glimpsing at the screen, Zhao Tian smiled "Good luck."

Chi Shui giggled softly "Hehe, I hope you would come to encourage me."

Zhai Tian gave a slight nod "If I had time."

Chi Shui pouted her lips "What's that if you had time? I want you to come for sure." Zhao Tian just chuckled and shook his head helplessly.

...

vroom As Zhao Tian parked the car on the Chi Mansion, Chi Shui looked at the mobile screen and asked softly "Brother Tian, it is almost noon, why don't you stay and have lunch with me?"

Zhao Tian shook his head "Not today, Shui. I already have plans with someone."

"O-Oh, then we can eat together another day..." Chi Shui spoke and opened the door leaving the car.

Sending her off, Zhao Tian also drove his car away from the Chi Mansion. Chi shui glanced at the Roles Royce driving away from their mansion and a sigh escaped her lips "What am I even thinking?"

...

Meanwhile, Mei Xiu who was cooking in the kitchen had a deep frown on her face "Who is that woman he was with yesterday?"

Her eyes quivered as she remembered the beautiful woman tap kissing Zhao Tian's lips "Is he... cheating on me?" she wondered, her heart heavy with doubt and fear.

She bit her lips in frustration as she clenched the spoon in her hand tightly "I-It is to be expected... I am not that beautiful but he is so handsome and popular among women."

"That's why i asked him... if he is teasing or not, but he acted as if he was so serious in this relationship."

Her heart clenched in pain as her lips trembled "B-But seems like he was just toying with me. Handsome men like him are all playboys..."

"I shouldn't have fallen for him in the first place." She couldn't shake the feeling of betrayal and disappointment that consumed her.

She smacked her foot on the floor in anger "Now that I remember it, he never said that he loves me... he just kissed me."

"Even when I asked if he is serious in this relationship, he didn't reply with words.. he just kissed me. Bastard truly tricked me."

She took a deep breath controlling her swirling emotions raging inside her "When he comes today, I'll beat him to a pulp and ask about his cheating."

As she again concentrated on her cooking, her eyes quivered and tears moistened in her eyes "W-Why does he have to do that? If he doesn't like me... he should have said that."

"Why does he have to play with my heart and h-hurt me like this? Tian.."

...

vroom The sound of the powerful engine revving filled the air as ZhaoTian smoothly parked the luxurious Rolls Royce in front of Mei Xiu's apartment building.

Stepping out of the vehicle, he stretched his arms above his head with a satisfied sigh as he walked to the apartment "Hope she has prepared good food."

As he entered her apartment, he directly went to the kitchen

tap Mei Xiu turned her head to look at the door and as soon as her eyes met his, she quickly averted her gaze. Seeing this Zhao Tian was quite confused.

Zhao Tian walked in and hugged her from behind "Xiu..." Mei Xiu's heart fluttered as she felt his strong hands wrapping her waist, the warmth of his chest hitting her back, and his voice caressing her ear as he called her name.

But she shook her head lightly, trying to keep her composure and show her anger to him. So she just stayed silent and continued her work.

Zhao Tian leaned in close, resting his chin on Mei Xiu's right shoulder as he watched her expertly prepare their meal. Mei Xiu turned her brown eyes and saw his long white eyelashes at close and wondered 'His eyelashes are long, I just noticed.'

"Hm?" Zhao Tian hummed as he caught her staring at him. Mei Xiu just turned her head and both of them stayed silent just relishing in each other's presence.

"You are quite early today..." Mei Xiu finally spoke and Zhao Tian replied "I didn't saw the time, I just came here to see my girlfriend."

Mei Xiu was surprised in her heart that he is audacious enough to call her girlfriend even after he cheated on her with another woman.

As she again stirred the spoon, a sudden realization struck her. Maybe.. what if it is actually his Mom? That woman doesn't look so young, so?

Mei Xiu spoke "While speaking on the phone yesterday, you said you were with your Mom. I didn't expect you would have a Mom."

Eh? Zhao Tian was dumbfounded. Did she think he has no parents?

Mei Xiu also realized her words and corrected "I-I mean... you never talked about your family, so that was a surprise to me."

Zhao Tian chuckled "I have a Mom and a Sister."

Mei Xiu gave a slight nod "I have seen your sister, but not your mother."

"Wait a minute." Zhao Tian spoke and took his mobile from the pocket and showed a picture of Zhao Suyin.

Mei Xiu was surprised to see the same woman and facepalmed herself in her heart. 'So she was actually his Mom? What an Idiot i am?'

'But why did she tap kiss his lips? maybe in their family, they do that?'

She turned her face, feeling guilty in her heart for doubting him. Placing her spoon down, she raised her arms slowly wrapping his neck "Tian.." shewhispered his namesoftly,before finallymusterngthecouragetoleaninandplantatenderkiss on hislips.

Zhao Tian was quite surprised as this was the first time Mei Xiu took the initiative to kiss him and he also reciprocated the kiss pressing his lips against her.

A little later, Mei Xiu retracted the kiss with a blush on her face and as she thought of her bold move just now she was even more embarrassed.

Zhao Tian couldn't help but chuckle at the sight of Mei Xiu's adorable blushing face and Mei Xiu again turned to continue her cooking.

Zhao Tian just hugged her from behind placing soft kisses on her neck making Mei Xiu tingle from the touch of his lips as she was quite sensitive in neck.

Zhao Tian thought of making a bold move and slowly trailed his hand from her waist to her abdomen. Mei Xiu also noticed this and Zhao Tian opened his palm giving a gentle squeeze on her underboob.

gasp Mei Xiu gasped in shock and the blush on her face deepened as she abruptly stopped cooking. "Haah..." But she let out a breath and again continued her cooking.

Seeing that she was not resisting, Zhao Tian smiled and gave another squeeze as he began to gently fondle her boobs.

Mei Xiu's body trembled in his arms but she didn't stop him and let his hands be naughty on her. She also knew that their relationship would eventually bloom to this stage and in fact, she was expecting him to make this move on her.

Seeing her body constantly trembling, Zhao Tian whispered in her ear "Nervous?" Mei Xiu, her face turning as red as a ripe tomato, timidly nodded in response and admitted "M-My first time feeling this... Mmnh~"

Zhao Tian kept his smile and used his both hands to fondle her boobs over the fabric of her dress feeling the softness. "Hnngh~!" Mei Xiu let out a suppressed moan as she felt her boobs being played and squeezed by his hands.

"T-Tian... Hhnngh~" Mei Xiu let out a gasp, her voice trembling with pleasure as she struggled to form words between her moans and at this time, Zhao Tian muttered "Your dress is hindering me..."

H-Huh? Mei Xiu's heart trembled and she was quite anxious. But still, she turned her head and gave a slight nod. "O-Ok."

As she was wearing a comfortable t-shirt, Zhao Tian lowered his hand and as he was about to remove her t-shirt, a deep frown appeared on his face.

Mei Xiu who noticed his hesitation, gently grabbed his hand and brought it towards the end of the t-shirt "T-Tian, don't worry... I don't mind."

Seeing Mei Xiu blushing and asking him to remove her dress, Zhao tian was obviously tempted but he just felt the presence of that Emperor Stage Cultivator in the sky.

A soft sigh escaped his lips "Xiu, wait for a while... I will be back."

H-Huh? mei Xiu was dumbfounded seeing zhao Tian leaving her from his hug and walking outside.

"D-Did I do something uncomfortably to him?"

"I didn't stop him..."

"But why did he left?"

"He didn't like my touch?"

"After all the relationship videos I watched on Ytube. I should have known that the Ytube is a scam, the advice is not working..."

...

Meanwhile, Zhao Tian came outside of the apartment and felt the presence running away. He narrowed his eyes in frustration "I am gonna kill you for disturbing my time."

He know how to lure that presence and he quickly dashed to the sky. *woosh* He flew to a nearby forest and he felt the presence following him.

swish But he suddenly disappeared and appeared in front of the person floating on the air wearing black robes fully hiding their face. But with the lean physique, he can somewhat guess that it's a woman.

"So, who are you?"

Chapter 142: You are weird asf!

A look of surprise flashed across the woman's face, her face hiding in the hood as she glanced at the handsome young man standing in front of her.

Seeing him at this close, her eyelashes fluttered and her cheeks flushed as she let out a deep breath. "Haah!" She calmed her beating heart and raised her gaze, her dark purple eyes meeting his blue eyes.

Zhao Tian had a frown on his face "You were sent by the Ombudsman?"

sleech A pair of green daggers appeared in her hands and Zhao Tian was amused "I thought you were here to spy on me... but you came to kill me?"

swoosh A green energy swirled around the woman's body and *swish* tearing the air, she dashed at him at breakneck speed, hurling the sharp dagger close to his neck.

thud As the dagger inched his neck, Zhao Tian raised his hand grabbing her wrist "Wind elemental, huh..."

crack He snapped her wrist, the sickening sound of her bone breaking echoing in his ears. The woman's eyes shook in pain but she didn't scream and tried to pull back her hand.

But seeing that it was useless, she quickly used her other dagger to slash him. But Zhao Tian moved his head dodging her slash and gave a straight punch at her face. *swoosh*

boom She was sent blasting into the forest her body colliding with the sturdy trunks of towering trees, causing them to splinter and shatter under the immense impact.

The force of her impact left an enormous crater on the once untouched forest floor. "Arghh!" a pained growl left her lips.

Her face was bruised her right wrist had also been broken. Lying on the cracked floor, a sigh escaped her lips and from her storage ring, a pill bottle appeared on her hands.

She quickly took a green pill and tossed it in her mouth. Her injury was instantly healed and she again stood up, a wide smile spreading on her red flushed cheeks.

swoosh She again dashed towards Zhao Tian who was hovering in the air and slashed her daggers in an X shape.

thrisssh The sound of the blades cutting through the air echoed around them as a powerful green X-shaped slash materialized and surged toward Zhao Tian.

The woman squinted her eyes seeing the slash approaching Zhao Tian who just stood there nonchalantly.

As she blinked her eyes, she was startled because Zhao Tian disappeared "Let me see your face." She heard a mutter and she turned her eyes to see Zhao Tian standing beside her.

As she thought of slashing him, Zhao Tian raised his hand grabbing her hood and *trreek* tore it from her robe.

With his other hand, he blocked her slash and stole a brief glance at the stunning lady standing before him, her long purple hair floating in the air and she has tan skin, and a cold look in her eyes.

Looking at her face, Zhao Tian frowned "You are a foreigner?" The woman backed away as she again prepared to attack him.

swish She again hurled toward him trying to stab his chest with the dagger. But Zhao Tian grasped the dagger itself and clenched his fist.

crack Small cracks formed on the dagger's surface and *thash* The dagger shattered into countless fragments, leaving only the handle clutched tightly in the woman's hand

H-Huh? The woman was surprised that he broke a Heaven Grade dagger just like that and raised her left arm to slash him.

thoom But Zhao Tian kicked her abdomen and the woman's eyes dilated in pain as she was blasted away in the air.

'She seems like an assassin but there is no killing intent behind her attacks and she is also not using her full power. Did she really came to kill me?'

cough *cough* The woman managed to regain her balance mid-air, but she couldn't suppress a fit of coughing as blood trickled from her mouth because of his serious kick in her abdomen.

Wiping away the blood from her lips, she glared at Zhao Tian again. *woosh* Zhao Tian appeared beside her and grabbed her collar, throwing her into the forest.

swish *boom* She was blasted to a different part of the forest and the animals and birrds in there scattered away in fear because of the sudden impact.

"Urgh..." The woman let out a groanas she slowly got up from the ground sitting on it "My whole body hurts, I did not expect him to throw me like a sack... "

swish Zhao Tian appeared in front of her and gave a kick on her face *thud* "Argh!" Her neck snapped from his kick and she raised her hand touching her bruised face.

"So who sent you to kill me?"

The woman narrowed her eyes "You are very rude to a woma-" *thud* he again gave a kick on her face and the woman's eyes trembled as she turned her gaze to Zhao Tian feeling the numbing pain on her head.

"You came and interrupted my good moment. I would kill you just for that... but I want to know who sent you."

She used the back of her hand to wipe away the blood trickling from her lips as she spoke "You are torturing me just because I am black-" *thud* Before she could finish, he delivered another brutal kick to her face.

"I don't care about that, just tell me who sent you?"

The woman's heartbeat quickened receiving his constant kicks and a smile slowly appeared on her face but she controlled her emotions and squinted her eyes "I can't tell you..."

"Is that so?" Zhao Tian kicked her chest sending her demolishing through the wreckage of trees in the forest. *thoom*

"Shit!" The woman maneuvered her body landing vertically on a tree, holding her chest in excruciating pain. "Don't you think this too soon to touch my breast... we just met today."

zhao Tian spoke "If you don't answer my question, my next form of torture will be that."

"Y-You mean, you will ravish me? Forcefully?" A slight blush appeared on her face and she couldn't hold her emotions anymore as a crazy smile appeared on her face, her cold expression disappearing "As I thought, you are the right one!" she said getting down from the tree.

Huh? Zhao Tian was confused seeing her crazy smile. Is she an idiot?

A smile appeared on her lips as she spoke "Haha, I was actually sent here by my Assassin Organization."

Oh... now she is answering the questions? "Tell me who sent you..."

The woman shook her head still keeping the smile on her face "I don't know... I just take offers which give me more money and rise me up in the rankings."

"And yesterday... when I saw your photo. I was instantly smitten... Ahhhh what a devilish handsome face. And when I saw you in real life, I was just so fucking happy."

"Your cold blue eyes and your snow white hair... Mwahh. I just fell in love at first sight. Just looking at you makes my heart go crazy and it is almost jumping out of my ribcage."

She held her face in her palms, her eyes crescenting with overflowing love "Getting your punches and kicks are so good."

"I feel like I would cum just from your touch."

Wtf? Zhao Tian was weirded out by her actions. But seeing her crazy smile and eyes... he somewhat guessed. A fucking Yandere?

swish But at this time a sharp needle appeared out of nowhere aiming at Zhao Tian and the smile on the woman's face disappeared as she turned her head catching the needle in between her fingers.

As she gazed at the tinge of green liquid on the sharp needle, a frown creased her eyebrows
"Poison?"

"You shouldn't be doing this, Windwhisper. Saying about our Organization to our killing target."

A man walked in wearing green robes with a mask hiding his face, his green hair oozing with poisons, as he had a smirk on his face.

Chapter 143: One after another!

Zhao Tian and the woman shifted their gaze towards the figure approaching them from the depths of the forest. The woman narrowed her eyes seeing his outfit and she knew who it was "Poison Blade?"

Poison Blade chuckled hearing his name from the woman "Kikiki... as expected, the powerful female assassin Windwhisper is indeed beautiful."

"Tch!" The woman clicked her tongue in frustration as she had never revealed her real face in the Assassin Organization where she works.

She turned to face Zhao Tian and muttered "Actually Windwhisper is not my real name. It is just my Assassin name, so don't think my name is weird ok?" she clarified as she didn't want Zhao Tian to misunderstand.

Zhao Tian gave a slight nod "I also thought the name is lame."

The woman giggled and leaned in near Zhao Tian, gently whispering in his ear "My real name is Zahra Ashante."

The Poison Blade got annoyed seeing Zahra Ashante not minding him and looking at Zhao Tian "Windwhisper!!"

Zahra Ashante turned her cold eyes toward the Poison Blade with a disdainful look "Can you shut up and leave, you dumb fucker. You are wasting my time with my love."

Love? Zhao Tian squinted his eyes "I am not your love?."

Eh? Zahra Ashante turned her face to Zhao Tian, her cold face replaced with a wide smile "What are you saying? I fell in love with you when I just met you... so we are lovers."

The Poison Blade got even more annoyed and yelled "You bitch! Do you know why I am here?"

"You are above me in the rank of Assassins and it frustrates me to see a woman rank higher above me. And I also eavesdropped you signing a new target and is paid millions."

"So today I will kill the target and you. I would get both money and I would also rise up in the rankings."

Zahra Ashante's eyes narrowed "You want to kill him?" cold words escaped her lips. She doesn't care if he targets her but targeting the love of her life is unforgivable.

swoosh With a sudden whooshing sound, a shimmer of green energy reflected in her eyes as she swiftly charged towards Poison Blade, brandishing the single dagger in her grip.

clank But Poison Blade pulled out a sword which was twisted like a snake, blocking her attack. A mischievous grin spread across his face as he emitted an eerie chuckle that seemed to echo in the air "Kikiki..."

swish Killing intent oozed out from Zahra Ashante's body and feeling the deadly aura the Poison Blade was startled 'Her killing intent is even more powerful than me? Fuck, how many people has she killed?'

clank Zahra Ashante maneuvered the blade slicing through him, but the Poison Blade backed away at the last minute, narrowly missing the sharp slash that would have been lethal for him.

"Kikikiki" Poison Blade continued chuckling and removed his mask opening his mouth. *shishi* Green poisonous gas billowed out from his mouth spreading around them leaving a pungent smell in the air.

Zahra Ashante clutched her palm concentrating wind energy within her palm.

woosh However, in the midst of the toxic fumes that surrounded her, she suddenly felt a sharp and piercing sensation, as if a blade was slicing through the air towards her. Reacting purely on instinct, she swiftly lifted her hand, using her single dagger as a shield to block the incoming attack *clank*

Zhao Tian just stood there simply as they continued fighting, unconcerned. If Poison Blade comes toward him, he will kill him though.

wooosshhh Zahra Ashante pushed her hand in the air and a gust of wind energy was shot from her hand as it cleared the air, leaving behind a clean and breathable atmosphere..

Poison Blade was annoyed seeing this and quickly took a scroll. *fwish* He flowed his Astral Energy into the scroll and placed it on the ground.

swoosh The scroll burned brightly in vivid green color and *creeek* ominous black claws materialized from within its depths, causing a spine-tingling sound.

woosh A fearsome creature leaped out of the scroll leaving Zahra Ashante surprised.

Looking at the gigantic scorpion covered with a black and green shell, Zhao Tian was amused "So this is beast summon huh..." he remarked, his curiosity piqued.

Poison Blade pointed his curly sword at Zhao Tian "You go and kill him, I will kill this beautiful woman here and rip her skin off. Kikikiki."

Zahra Ashante got frustrated and yelled, "You dare to kill him?" As she thought of attacking the scorpion, Poison Blade hurled toward her "Your opponent is me." *clank*

rthreik The gigantic scorpion quickly scurried towards Zhao Tian using its eight legs. Zhao Tian raised his head looking at the scorpion gazing down at him.

swish With a swift movement, he didn't hesitate and appeared in front of the scorpion, delivering a powerful punch to its face. *boom* *crack* The force of impact caused a loud crack as the scorpion's shell shattered, sending it flying several meters into the depths of the forest.

Poison Blade was shocked to see his scorpion flying away in the air and Zahra Ashante used the chance to slash at him *sleech* Poison Blade tried to block the sudden attack with his sword but it was already late and his left wrist was sliced off from his hand. *sleek*

"Arghhhh! You bitch!" Poison Blade screamed in pain, again barraging slashes at Zahra Ashante. *clank* *clank*

Meanwhile, Zhao Tian frowned looking at the Scorpion trying to get up again. As Zahra Ashante and Poison Blade were about to clash once again, they suddenly felt a chill run down their spine and they instinctively raised their head.

There they saw Zhao Tian hovering in the air as a large spear made of ice materialized in the air in the length of 100 meters.

"What the-" Poison Blade and Zahra Ashante were completely taken aback as they gaped at the large spear before them. Zhao Tian waved his hand aiming it at the Gigantic Scorpion.

swoooosshh *BOOOM* As the spear collided with the scorpion a large explosion sound reverberated through the surroundings demolishing the trees and fragments of ice splattered in the air.

The impact and the shock wave spread through the surrounding and Zahra Ashante's hair fluttered in the air, the crazy smile again creeping on her lips "He is strong..."

As the dust settled, Poison Blade narrowed his eyes in concern "Who is this guy? Obliterating my poison scorpion with a single move?"

ROAR At that very moment, a thunderous roar pierced through the air, causing him to jolt in surprise. He swiftly swiveled his head, his eyes widening in disbelief, as he caught sight of the green phantom of a tiger behind Zahra Ashante.

As the phantom tiger lunged towards Poison Blade, he instinctively lifted his hand and unleashed a green, viscous liquid that splattered towards the beast in a swirling, ghostly dance.

But the phantom dodged and the tiger jumped at Poison Blade as several deep cuts appeared all over his body. giving him excruciating pain.

"Argghhhhh!" Letting out a gut-wrenching cry, he screamed in pain as the slashes barraged at his body leaving him totally clad in blood-red clothes with deep cut marks all over his body.

"Don't worry I'll just kill you..." Zahra Ashante said coldly and ***woosh*** rampant amount of green wind energy burst forth from her body and Zhao Tian also noticed her intense aura.

woosh The air itself seemed to bend around her and her purple eyes glistened in green energy. The green energy of a large cyclone swirled around her.

Poison Blade whose body is battered with wind slashes looked at the concentrated energy surrounding Zahra Ashante and ***WOOOSH*** In the next instant a large green vortex of wind appeared before.

Before he could even react, his body was engulfed by the powerful vortex of wind that tore his body apart into tiny fragments, blood splattering in every direction. The cyclone vortex continued to swirl demolishing the remaining trees in the forest.

The small amount of forest that had escaped Zhao Tian's ice attack was also now shattered leaving nothing but barren land.

Zhao Tian raised an eyebrow 'As I thought, she was really holding back during her fight with me and there was no killing intent. She was just playing around."

Hm? Zhao Tian turned his head to look in a direction and frowned "Why is he here?"

woosh An old man appeared with a slight frown on his face "Who dared to wreak havoc in my country?"

Chapter 144: Against the Ombudsman!

Zhao Tian and Zahra Ashante raised their gazes looking at the old man floating in the air. Sensing the overwhelming aura, Zahra Ashante's body shivered and a mutter escaped her lips "Monarch... Astral Stage?"

The Ombudsman's eyes glimpsed at the destruction below and felt the shards of ice energy and wind energy swirling in the air.

Zahra Ashante frowned her eyes and took a step back glancing at Zhao Tian "We should leave. Seems like he is this nation's Ombudsman."

Zhao Tian just stayed silent not moving from there and the Ombudsman looked down at Zhao Tian with a mix of frustration and recognition "Again you huh..."

swoosh He appeared on the ground in front of Zhao Tian "I already told you to refrain from causing devastation like this."

"I should have already captured you for your destruction of that private property resort and now you have demolished a whole forest, a public property."

"It is against the rules of this nation's government for cultivators to use their power and destroy other's properties."

His eyes narrowed "You are no longer a threat, now you are an Abomination. So I have no other choice but to arrest you... Zhao Tian."

The old man muttered and he took a step directly standing in front of Zhao Tian. As he raised his hand *threik* Zhao Tian moved and gave a punch at the old man's gut.

crack Zhao Tian heard some bone-cracking noises and the old man's abdomen convulsed because of the forceful punch *boom* "Urgh!" His pupils shrunk in pain and was blasted away as he rolled on the barren land.

"I am sure I told you not to pry into my private life." Zhao Tian muttered.

gik Zahra Ashante was shocked to see Zhao Tian throwing a punch at the Ombudsman of this country like that "H-How? I am certain he is in the 6th level of Emperor Astral Stage."

"Arghhh!!!" The Ombudsman let out a guttural cry of pain as waves of excruciating pain surged through every inch of his body, causing him to clench his teeth tightly. As he tried to stand up *cough* he coughed blood feeling his stomach mushed and kneeled on the floor clutching his abdomen.

He quickly retrieved a pill bottle from his storage ring and took a high-grade healing pill, tossing it in his mouth.

Zahra Ashante came out of her shock and looked at Zhao Tian "You just punched the Ombudsman of the country... do you know what that means?"

Zhao Tian turned his eyes at her "Well, I already gave him a warning last time. It's his fault... and you better leave before he finds out. Assassin organizations are also against the government."

Zahra Ashante grinned "Why do I have to worry when I have a powerful lover? He will keep me safe."

Meanwhile, the Ombudsman's eyes trembled, as anger surged within him. How can a young man like him beat the esteemed Ombudsman of the nation?

"You brat!" The Ombudsman screamed in rage and *threeiikk* large earth spikes appeared from the ground. Seeing these earth spikes more than a hundred meters high, Zahra Asante panicked.

thoom With a thunderous sound, the Earth spikes were launched at them, and a green energy formed around Zhara Ashante's body as she quickly moved dodging the Earth spikes and flying in the air.

The Ombudsman stood up, his eyes glaring at Zhao Tian who just shattered the earthly spikes easily.

As he raised his hand, blocks of earth began to rise from the ground. *threeik* The rocks and blocks merged together seamlessly forming a giant golem that stood at a height of 150 meters.

Zhao Tian also glanced at the giant golem and as the Ombudsman commanded it, the Giant golem began to move.

swoosh Looking at the gigantic palm hurling towards him, Zhao Tian raised his hand blocking the hand with his forearm. *thud* The sound of the collision reverberated in the air as the palm forcefully met his forearm.

swish Zhao Tian raised his hand giving it a slight punch and the gigantic hand split into two. *thud* with a resounding thud the detached hand fell to the ground, but the golem immediately started to absorb the surrounding sand, slowly regenerating itself.

thriishh But in the next instant the whole golem was covered in thick ice and the Ombudsman was surprised. As he tried to maneuver the Golem and get it out of the ice shackles, Zhao Tian waved his hand.

crack Cracks formed on the golem's body and *thrasshhh* it blasted into pieces as the ice particles began to swirl in the air.

"Tch" The Ombudsman clicked his tongue in annoyance and as he was about to initiate his next attack. Zhao Tian appeared in front of him and the Ombudsman's frowned his eyebrows.

"You know your efforts are useless." Zhao Tian said and the Ombudsman let out a deep sigh "But still... I can't let myself be beaten like this by a young man."

"When cultivators like you wreak havoc, it is my duty to capture them and restrain them." The Ombudsman replied.

Zhao Tian also understood the Ombudsman's situation "I did not deliberately destroy the forest. An assassin came to kill me and during the fight, this area was destroyed."

cough The Ombudsman coughed slightly "I see... the pungent poison energy must be from that assassin then."

Zhao Tian gave a slight nod "I don't really intend to destroy public properties and cause nuisance to the government or people."

The Ombudsman lowered his eyes in contemplation as he remembered Zhao Tian clearing the Emperor level threat in the middle of the city "Seems like it is a misunderstanding in my place... I am grateful for the other day clearing Hun Chen."

"And it's not like I have any grudge towards you... I just want to keep this country safe from cultivators who are trying to destroy it."

The Ombudsman again looked at barren land "How am I supposed to explain to the public about the disappearance of the forest."

"Just say that the government cut the trees for wood." Zhao Tian replied.

The Ombudsman shook his head helplessly and sensing the presence of Zahra Ashante lingering in the air, he muttered "And that assassin woman... she looked like she is not from this country."

Zhao Tian spoke "You don't have to worry about that. I have some business with her."

The Ombudsman narrowed his eyes "I want to give you a warning. Just because you defeated me, it doesn't mean that you are the strongest cultivator here."

"There are people who are far stronger than me in the Holy Land of Zhenzhu, try not to provoke them. And I heard the Battle Maiden of the Royal Family, Yu Hua is in the human world... so be cautious."

Zhao Tian raised his eyebrow upon hearing the name, Battle Maiden Yu Hua?

As the problem was solved, the Ombudsman thought of leaving the place, and as he turned. *crack* he felt a sharp pain in his waist "Urgh!"

The Ombudsman turned to look at Zhao Tian "You are so cruel to punch an old man like that... the effect is still affecting me."

Zhao Tian shrugged "Just don't pry into my personal life and don't investigate about me."

"I won't..." *swoosh*

...

woosh At this time Zahra Ashante appeared beside Zhao Tian with a smile "It was really a surprise. I didn't expect you would be powerful enough to fend off the Ombudsman."

Zhao Tian squinted his eyes "Explain what happened from the start."

Chapter 145: The Client!

Zahra Ashante smiled understanding his question and spoke "I am Zahra Ashante an assassin from Eclipse Order. Well, long story short... yesterday a killing target came for the Emperor Stage assassins."

She slowly moved leaning on his chest with a giggle "I was quick to get the contract and accepted the assassination request. But when I saw your face in the photo I was instantly thrilled and fell in love with you at first sight."

"The price money is really huge and the client has said that if I could bring you alive, they would even pay me extra money. That's how thirsty they are to kill you."

Zhao Tian looked at the woman leaning on him with a crazy smile on her face "So, you don't know who the client is?"

"Hm?" Zahra Ashante turned her head slightly, and she took a sniff of his intoxicating fragrance the blush on her cheeks intensified.

With a delighted squeal "Haanh! Tiannnn~~~~" She jumped, her arms wrapping around his neck as she rubbed her body on him, her chest brushing with his.

Zhao Tian's lips twitched in frustration and grabbed her face pushing her "E-Ehhh? Tiann Tiann..." In response, Zahra Ashante held onto him tightly, her grip refusing to loosen as she desperately clung to him.

A sigh escaped his lips seeing her clutching on him like a koala and retracted his hand. "Haha... Tian..." Zahra Ashante nuzzled her face into his neck, savoring the comforting heat radiating from him.

Is she acting or is she really crazy and loves me? Zhao Tian shook his head helplessly and spoke "Can you find who is the client who wanted to kill me?"

Hearing this Zahra Ashante's eyes narrowed "The client who wanted to kill you... hm. I will try to gain that information but it would be quite hard."

Zhao Tian gave a slight nod and Zahra Ashante's raised her gaze looking at Zhao Tian's blue eyes, her eyes overflowing with love.

In that moment, she could sense the doubt lingering in his mind "I know you are thinking that I don't really love you and I am just acting."

"So to prove my love, I will do whatever it takes to find the client who wanted to kill you." she said and retracted herself from him.

But as she again looked at him, her eyes quivered "One last time..." she whispered before leaping into his arms, snuggling her body with him as her hands ran over her back.

She took a deep breath inhaling his scent and nodded her head in satisfaction "Now, I am leaving..." She took a step back and flew away from there.

-_- Zhao Tian stood there dumbfounded. the fuck?

...

creek Zhao Tian opened the apartment's door and entered inside. Mei Xiu, who was sitting at the dining table stood up her eyes locking with his and a slight blush appeared on her cheeks.

With a soft smile, Zhao Tian walked near her and Mei Xiu suddenly took a step forward hugging him. Though a little surprised Zhao Tian hugged her back.

Leaning on his arms, she muttered in a gentle tone "Sorry Tian, if I did something uncomfortable... As I said this is my first time experiencing this so... I am not sure what to do."

"I didn't think you would leave the apartment because of that..."

Eh? Zhao Tian couldn't help but chuckle hearing her words and gently raised her chin, his eyes locking with her brown eyes "It's not because of you... I remembered an important job I had to do, so I quickly went back to do that."

Mei Xiu blinked her eyes in surprise "R-Really?"

Zhao Tian sighed in his heart seeing her aloofness but he also found it cute and chuckled in his heart. He leaned in placing a soft kiss on her lips. *smooch*

Mei Xiu couldn't help but respond to the kiss, feeling her heart swell with tenderness as she closed her eyes, fully embracing the moment. Retracting the kiss, a deep sigh escaped Mei Xiu's lips.

Seeing her sigh like this, Zhao Tian asked in concern "What's the matter, Xiu?"

Mei Xiu leaned on his shoulder, her voice filled with sadness "It's my Grandma. Her health is getting worse and I am scared."

...

Dressed in flowing black robes, a woman steadily made her way down the long and eerie hallway. The dimly lit corridor seemed to dance with flickering lights and many people were standing leaning on the walls, their faces also concealed.

As they gazed at the figure walking, they lowered their gazes as they knew how terrifying she is and she is famous inside their Assassination Organization.

"I-It is the Windwhisper..."

"Yeah, but she seems kinda mad today... I mean feel the intense killing intent oozing out from her. I feel like I would throw up just from that aura."

Zahra Ashante caught a quick glimpse of the man who had just made a comment about her and feeling the piercing gaze the man shivered and turned his gaze.

Zahra Ashante continued her walk before reaching a normal wooden door. *thud* She kicked the door open and entered inside.

Inside the room, there is a man sitting on the chair leaning back comfortably closing his eyes, as his legs are on top of the table in front of him.

The man didn't open his eyes and spoke calmly "Windwhisper, control your killing intent, you would scare the rookies here."

Zahra Ashante's voice carried a chilling coldness as she spoke "Boss, I want to know the client who wanted to kill the target Zhao Tian."

The man spoke keeping his calm demeanor "You know we won't disclose the client's information."

swish A powerful astral energy burst from Zahra Ashante's body and the man slightly opened his eyelids revealing his red eyes, quite confused by her actions as he knew the Windwhisper wouldn't act like this.

"What happened?"

Zahra Ashante spoke keeping her cold tone "You know for us, information about the target is crucial. But what if the client gave the wrong information about the target?"

"The Information is wrong?" The man asked with a slight frown.

Zahra Ashante gave a nod "It is mentioned that the target must be around Heaven Astral Stage or Sovereign Astral Stage. But actually, the target is in the 9th level of Emperor Astral Stage."

"Three levels above me and I was almost killed by the target. But I somewhat escaped from the target and reached here."

"So, I want to know who the fuck dared to give fake information which almost got me killed."

"Haha!" The man suddenly burst into laughter upon hearing Zahra Ashante's story and Zahra Ashante narrowed her eyes.

"Boss?" Zahra Ashante spoke confused.

The man shook his head with a slight chuckle "No, I just remembered a guy named Chi Jin. He asked for normal assassins to kill a target."

"But there was actually a cultivator with the target who killed our assassins and later called for a refund. I just remembered about him."

The man again turned his eyes at Zahra Ashante "But... I can't reveal the Client to you as you know our Eclipse Order works on mutual trust between the clients and us."

Zahra Ashante kinda anticipated this and said "Then I am leaving the Eclipse Order."

Hm? The man narrowed his eyes "You will leave?"

Zahra Ashante nodded her head "I have been working with this organization for many years and completed various missions. And I asked for one request and if you couldn't do that, I don't think I need to be in this organization."

The man's face turned grim upon hearing this, but he made a quick decision "We can get many clients, but we only have one Windwhisper."

The man raised his hand and from the shelves, a document floated and came near Zahra Ashante "Though I am surprised that powerful cultivators in Emperor Stage are also lurking in the human world."

Zahra Ashante gave a nod, took the document in her hand, and saw Zhao Tian's picture in it. She flipped the page to look at the Client's name "Zhu Kim." a cold mutter escaped her lips.

"I'll be back." She placed the document and turned to leave. "Be careful with the Ombudsman." The man said before Zahra Ashante left the room.

After she left, the man shook his head as a slow smile appeared on his lips "She trained under me, but now she is raising her voice against me... she has grown."

...

Next day morning~

Zhao Tian who was lying on the bed gently caressed Zhao Suyin's hair who was lying on top of him naked. *ring* At this time, his phone rang.

Zhao Tian turned his head and took his mobile from the nightstand. Seeing the name, he attended the call with a smile on his face "Miya, Good Morning..."

Chi Miya giggled "Good Morning and Tian.... are you the one who did that?"

Zhao Tian was confused. "Did what?"

Chi Miya replied, "Just see the news." She knew Zhao Tian was the one who killed Zhu Xian but the current news...

Hm? Zhao Tian entered the Ytube app and saw the latest news.

"Zhu Manor was destroyed?"

Chapter 146: A talk with Zahra!

swoosh Zhao Tian flew in the air as he continued to search for Zahra Ashante's presence. After a few moments of searching, he found her sitting on the rooftop of a building and she seemed like she was waiting for him.

swish he landed on top of the building and Zahra Ashante who was sitting on the edge of the building's top, jumped down and leaped towards Zhao Tian hugging his neck tightly enveloping him in a tight embrace. "Tiann~~~" she exclaimed joyfully.

ZhaoTian's lipscurvedintoawrysmile seeing her clinging to him. A little later, after savoring his warmth she took a step back, a wide smile plastered on her face. "You saw the news?"

Zhao Tian walked to the edge of the building's rooftop "Yeah, I did." he uttered sitting on it. Zahra Ashante also sat beside him "It is that Zhu Kim who wanted to kill him."

Zhao Tian gave a slight nod "It is expected since I killed his son."

Zahra Ashante understood why Zhu Kim wanted to kill Zhao Tian and nodded "He was really annoying, so I killed him quickly. Well, I also have to thank him as I got to meet the love of my life, hehe..." She giggledplayfully, hugging his hand with her arms.

Zhao Tian narrowed his eyes looking at the woman, contemplating in his mind "So, what is your motive?"

Huh? "Motive?" Zahra Ashante was puzzled and tilted her head.

Zhao Tian spoke "You just saw me yesterday and you are acting like this..." he said glancing down at her arms hugging his hand.

"So, I am sure there must be a hidden reason for you to approach me like this."

"Haha!" Zahra Ashante laughed and shook her head "No, No, I actually love you... there are no hidden motives. You don't believe in love at first sight?"

Zhao Tian's frown deepened as he couldn't just trust a woman who popped up yesterday. "Zahra, there are times when you need to be serious. So I am asking again, why did you approach me?"

As Zahra Ashante noticed the seriousness in his tone and saw his eyes narrow, her previously cheerful smile diminished and she couldn't help but let out a sigh "I am serious and I really don't have any bad motives towards you."

"I honestly think you are so attractive and my heart fluttered when I first saw your picture. So I became curious about you and when I saw you in real life, I instantly fell in love with you."

Hearing her sincere reply, Zhao Tian squinted his eyes and the truth is that he also never felt any danger from her. Even during their fight, she was just playing around.

Zahra Ashante giggled and spoke "But, you don't fall in love with me back."

Huh? Zhao Tian was quite perplexed hearing this, then she doesn't want him to love her?

Seeing his questioning eyes, Zahra Ashante turned her gaze to the vehicles moving on the roads "I have a purpose I need to complete, so before that, I don't want you to fall in love with me."

Zhao Tian asked in a casual tone "And what is that goal?"

Zahra Ashante clenched her fist and killing intent oozed out from her body as the image of a man's face flashed in her mind "My main purpose is to kill my Boss, the leader of Eclipse Order,"

Feeling the overwhelming aura surrounding her Zhao Tian muttered "Control your emotions."

Hearing his voice, Zahra Ashante snapped out of her thoughts and lowered her head apologizing "I am sorry..."

"What grudge do you have against this Boss of yours? Is he not treating you well in the Organization?" Zhao Tian asked, his curiosity piqued.

Zahra Ashante shook her head "No, before he got appointed as the Boss of Eclipse Order. He was also an emperor-rank assassin like me."

"One day, on his way from a mission, because of his blood lust he killed a village full of people. An 8-year-old child looked at her family getting brutally killed right in front of her."

"The assassin also laughed seeing the child screaming in horror and kicked the child as she got hurled to a burning building."

"That child is me." Zahra Ashante said with a slight smile on her lips.

With a soft sigh, she continued "But fortunately, I was saved by a wandering cultivator that day and he also found that I could control astral energy."

"Seeing that I have the talent to cultivate, my Master trained me in my wind affinity. And I also worked hard since I wanted to get my revenge back on that assassin."

"Even my Master was surprised by my cultivation speed and later he found out that I have a special physique which is helping me to cultivate quickly."

"I also used the physique efficiently and quickly crossed the cultivation stages. Later, I joined an assassin group because if I want to kill him, I need more information about him."

"And then I also found out about Eclipse Order and joined the Organization. I climbed up in the ranks catching the eyes of my boss."

"And I could recognize it was him with just a glance. He took me under him and trained me, but he doesn't know the blade he is sharpening has aimed to kill him."

Hearing the story, Zhao Tian asked "Then why don't you just kill him?"

"No..." Zahra Ashante shook her head vehemently "He is one of the powerful cultivators on Earth who has reached the peak of cultivation. The 9th stage of Monarch Astyral Stage."

"Oh." Zhao Tian was amused, as this was the first time he heard about a cultivator at the 9th level of Monarch Astral Stage.

Zahra Ashante nodded her head "That's why I don't want you to fall in love with me. What would you do if I failed my goal and died in the process?"

She glanced at his eyes "It will surely hurt you if you love me, so that's why I don't want you to reciprocate my feelings... yet."

Her eyes softened as she leaned in whispering "When I complete my mission and after I took my revenge, I will find you and give myself to you."

Zhao Tian couldn't help but chuckle hearing this "It would probably take decades for you to become strong and kill him."

Zahra Ashante was surprised as this was the first time she saw him giggle. She also chuckled "What? You will wait decades for me, right?"

Zhao Tian shook his head and said in a teasing tone "No, I already have some lovely women. Guess, I'll just spend some time with them."

"Zahra Ashante retorted "You are rude and... you have other women? Womanizer?"

"Haha..."

"..."

"..."

Zahra Ashante continued looking at the vehicles moving around the roads like small ants, her hands still around Zhao Tian's arm "Well, I think it's time to leave."

She turned her gaze to Zhao Tian and her eyes saddened "I don't know when will I see you again or will I be alive to see you."

Hearing this, Zhao Tian frowned his eyebrows, he saw this woman just yesterday but after the long talk he had just now, he had to admit that he might have grown some feelings for her.

"If you want, I can help you with your goal."

Zahra Ashante's eyes softened hearing his words, but she shook her head "I know you are pretty strong, but I don't want you to be involved in this. I will try... and if I can't I will run to you for help."

smooch She gently pressed her lips against his cheek, leaving a lingering touch as she whispered and a slight blush adorned her face "I am leaving... Please, don't forget me Tian" Her words echoed in his ear as she disappeared with the wind. *woosh*

Chapter 147: A lil talk with Luo!

vroom As the sun descended, in the evening, Zhao Tian again drove to Mei Xiu's place to spend some time with her.

As he got out of the car, *tap* he heard a noise from behind. He turned his head and saw a woman wearing a police dress standing there.

Zhao Tian smiled faintly "Miss Cai."

Cai Luo stepped forward walking near him "I have been waiting here for two days, for you to come since I caught you here the last time and I don't know your address."

Zhao Tian let out a soft chuckle leaning back on his car "So, why are you searching for me?"

Cai Luo spoke with a slight frown "Are you the one who demolished the Zhu Manor?"

Zhao Tian shook his head, keeping his faint smile "No, I didn't."

Cai Luo tilted her head a little suspicious of him "I didn't sense your energy, but I sensed some wind energy which is used to destroy the whole building and flatten it."

"Oh..." Zhao Tian was 'amused' hearing this.

And seeing this, Cai Luo shook her head helplessly "I don't know if someone else did this or you set up someone to kill Zhu Kim, but in my guess, you just provoked one of the top sects in Zhenhzhu."

"That day, Zhu Kim raged that his son's death was not natural and someone killed him. You are the last one Zhu Xian offended, so he should have suspicions over you."

"And there is another thing, Zhu Kim's brother, Zhu Wan survived."

Hm? A frown creased Zhao Tian's face upon hearing this. Did she miss it? No, she is an assassin, how could she?

"Seems like Zhu Wan is not in the manor during the time of destruction. And he is also the one with Zhu Xian when you beat him up."

"So if the Stormweaver Sect came forward for revenge and if Zhu Wan pointed you as suspicious..."

'That won't happen as I would find and kill him today itself.' Zhao Tian muttered in his mind and asked "The top five sects is not that big of a deal, right?"

"It's the name given to the sects who win the competition between disciples, so that doesn't really show the power of the Sect." he baited her wanting to learn more information.

Hearing this, Cai Luo chuckled wryly and leaned beside him on the car "Well that's true... but, among the top five Sects, what you said is only for the Lunar Blossom Pavillion."

"They are weak, but the other top sects are actually the top Sects of Zhenzhu. They hold Monarch Astral Stage Cultivators just like me, so you can say they are very powerful."

"I see..." Zhao Tian muttered, he still has some hurdles to become the strongest.

"So, that's why I am asking you to be careful. You may have to hide and live or you have to kill Zhu Wan too, to clear the evidence."

Hm? Zhao Tian raised an eyebrow, is she giving me the option to kill Zhu Wan? Is she really a cop?

Cai Luo chuckled in amusement "I already told you, I am not really a cop... it's just a facade. So, I will help you with this and bring out Zhu Wan who is under the Police and ACL's protection right now and you can kill him."

Zhao Tian nodded his head "And what do you want from me?"

Cai Luo smiled "Quite smart, huh. Well, I just need help from you."

Oh? "And what help is that?"

Cai Luo shook her head "I can't say that for now."

Zhao Tian nodded "Then, I'll reject the offer as I don't know what kind of help you need." It's not a big deal for Zhao Tian to kill Zhu Wan.

And if he couldn't kill Zhu Wan because of the government's ACL protecting him, even then it is not a big deal. What would Zhu Wan do? He would point at Zhao Tian and ask Stormweaver Sect for revenge.

Zhao Tian is already on bad terms with the Stormweaver Sect and considers them as his enemies. So either way, Zhao Tian knows he will end up fighting Stormweaver Sect in the future. So it's better not to take on a suspicious offer.

A sigh escaped Cai Luo's lips "I was actually investigating an Assassination Organization called Eclipse Order. Recently that Organization's move has been suspicious and I am sure I would need help from you in the future."

Zhao Tian's curiosity was piqued hearing 'Eclipse Order' as he remembered Zhara Ashante is also from that Organization "You are a powerful Monarch Stage and you need help from me?"

"Of course, I need help from a guy who reached the 6th level of Emperor Astral Stage while he was in Sovereign Astral Stage just a few days ago."

Cai Luo's eyes narrowed "What did you do?"

Zhao Tian shrugged "Nothing much, you know I entered the Ancient ruins first and I got a pill from there which instantly increased my cultivation like this." he lied with a straight face.

Cai Luo squinted her eyes contemplating and what he said made sense as the treasures in ancient ruins are unpredictable. And as she was about to speak *ring* her mobile phone rang.

She took the mobile and saw it was from her friend within the police, she quickly picked up the call "What happened?"

"Zhu Wan who was under the protection was just killed."

Cai Luo raised an eyebrow "How?"

"We don't know, suddenly his head sliced off from his body."

"Okay, I'll be there now." Cai Luo said canceling the call.*click*

She turned her gaze to Zhao Tian and uttered "Zhu Wan was killed."

Huh? Then the conversation till now was useless? he couldn't help but chuckle "I guess someone did the job for me."

"I have to leave." Cai Luo muttered and left before taking a brief glance at Zhao Tian.

Looking at the retreating figure of Cai Luo, Zhao Tian had a frown on his face 'She seems to be in the 7th or maybe the 8th level of Monarch Astral Stage.'

'She needs help?'

...

Meanwhile, Zahra Ashante who was levitating in the air chuckled to herself "What an idiot that Zhu Wan guy is... I missed him last time because I only saw one name 'Zhu Kin' Well now the Zhu lineage has ended."

Filled with anger and grief over the loss of his brother, Zhu Wan called the Eclipse Order and cursed them for failing to kill Zhao Tian which resulted in the death of his Brother.

The Boss of the Eclipse Order conveyed the message to Zahra Ashante that she missed a target and Zahra Ashante quickly sprung into action and did her job.

Zahra Ashante let out a deep sigh and the image of a handsome man flashed across her mind. A gentle smile appeared on her face "I have to train harder and become powerful to kill that guy. After that, I can be with Tain..."

"And my next mission is overseas... urgh."

Chapter 148: A vacation?

After Cai Luo left, Zhao Tian walked to Mei Xiu's apartment. As he opened the door and entered.

The sight before him left him momentarily speechless. Mei Xiu who was sitting on the sofa was wearing a delicate pink tank top that accentuated her feminine curves, while a pair of shorts revealed her shapely thighs.

This surprised him as this was the first time she wore something revealing like this as she had always been more reserved in her choice of clothing.

Hearing the door creak open, Mei Xiu also turned her gaze from her phone and saw Zhao Tian. As soon as she saw him, her cheeks blushed pink and she quickly averted her gaze, lowering her head in an attempt to conceal her flushed face.

Zhao Tian just chuckled, before making his way toward her and taking a seat next to her. As he settled down, she stood up from her seat "I will make coffee for you to drin-"

But Zhao Tian gently clasped her hand and pulled her, making her sit on his lap. "Kyaah!" Mei Xiu who was startled by his sudden pull, somehow sat on his lap.

"Where are you going after showing this?" Zhao Tian raised his hand gently groping her boobs and he could clearly feel the suppleness of her skin over the texture of her dress.

"Haangh~!" A moan slipped past Mei Xiu's lips and Zhao Tian teased "You are not even wearing a bra...."

"Mmnggh~" The blush on Mei Xiu's face deepened hearing his teasing remarks and she let out another soft moan feeling his fingers playing with her boobs.

"Angh~~" The sensation intensified as she felt his skilled fingers caressing and fondling her boobs, igniting a wave of desire within her.

Seeing that Mei Xiu was enjoying his touch, a grin appeared on his lips. He brought his fingers to the end of the tank top and Mei Xiu also noticed his hand.

He gently slipped his hand into her tank top and he could clearly feel the softness of her abdomen. He playfully traced circles around her belly button, delighting her with the gentle touch of his finger.

"Hn.. " Mei Xiu felt a different sensation as Zhao Tian playfully teased her belly button, causing her to emit a soft sound of surprise and Zhao Tian slowly traced his finger up to her chest.

As Mei Xiu felt Zhao Tian's fingers inch closer to her boobs, her heart raced with excitement and anticipation. Without keeping her waiting, Zhao Tian gently cupped her bare boob in the palm of his hand, sending a surge of pleasure through her body.

As Mei Xiu felt the gentle warmth of Zhao Tian's touch on her skin, she couldn't help but feel her cheeks flush even more deeply. A slight tremor ran through her body, causing her to shiver slightly.

"Hnnggh~" With a soft exhale and a barely audible whisper, Mei Xu parted her lips and Zhao Tian continued to fondle her boob, delicately grazing her sensitive nipple with his gentle touch.

Her body was constantly trembling under his soft touch and Mei Xiu loved the way he touched her, and his hand squeezing her boob but she was still nervous.

Zhao Tian also noticed this, for a pure and diligent woman like Mei Xiu, he knew this was a huge thing for her. He slowly retracted his hand and Mei Xiu turned her eyes at him quite surprised "Tian..."

"You are still nervous. We can take things slow..." he uttered with a soft smile.

Seeing him being so understanding of her, her heart fluttered with happiness and her eyes grew tender in affection.

"Tian..." She couldn't help but utter his name softly, almost as if it were a whispered melody that resonated with the depths of her emotions.

smooch The sound of a gentle kiss was heard as their lips met in a sweet and tender moment of affection. The soft touch of their lips lingered on each other, leaving a feeling of warmth and happiness in the air.

"You young people!" But at this time they suddenly heard Li Qingzhi's voice from her room and Mei Xiu panicked as she quickly retracted the kiss.

"Go and do those things in her room... I can't sleep, haha."

Mei Xiu who heard this got even more embarrassed and instinctively hid her face in Zhao Tian's neck, her cheeks burning with shame "Tian!"

"Haha..."

...

A few days passed-

Zhao Tian was walking downstairs, carrying Zhao Ying on his back "That's what I am saying Tian'er... we should go for a family vacation."

"With Miya and others too?" Zhao Tian asked and Chi Miya rolled her eyes "Yeah, let's bring them too..."

Her hands around his neck tightened and she whispered softly "Tian'er, we are rich and you are so powerful only a few people can fight you now on this planet."

"We have everything, so I think we need to relax a little and go for a family trip... we have to enjoy the life after all."

Zhao Tian gave a nod "Okay then...."

"Yay!"

Zhao Suyin who was in the hall cutting apples, turned her head to the stairs hearing Zhao Ying yell. Reaching down the stairs, Zhao Tian dropped Zhao Ying from the piggyback.

Zhao Ying hurriedly ran over to Zhao Suyin's side "Mom, we are going on a vacation..." she spoke in excitement as she took an apple piece and tossed it in her mouth.

"Vacation?" ZhaoSuyin was surprised and glanced over at Zhao Tian "Tian'er?"

Zhao Tian nodded his head with a soft smile tugging at his lips "We can go to beach."

Beach? "Then we have to go shopping! We have to buy bikinis!" Zhao Ying exclaimed in joy.

...

Next day-

fweeeeennn A large private jet was flying through the air. Zhao Suyin was thrilled as she looked out through the glass of the jet's window "We are so high in the sky..."

Zhao Ying nodded her head being marveled at the scenery "En... it is deep blue down. This is the sea?"

Chi Miya chuckled seeing Zhao Suyin and Zhao Ying acting like a child in their first flying experience.

Hearing her chuckle, Zhao Ying pouted her lips "Have you ever been on a flight before, Sister Miya?"

Chi Miya nodded her head "Yeah, I have traveled overseas for Business meetings."

"O-Oohhhh..." Zhao Ying and Zhao Suyin were amused.

Zhao Tian saw their interactions with a smile on his face while Fei Ziyu was sitting at the back dumbfounded. --?

Chi Miya glimpsed at Zhao Tian "Buying a private Island is a good choice, as we can spend time there peacefully and no one will disturb us."

"Yeah... it's gonna be cool."

...

tap Zhao Ying raised her head looking at the grand resort in front of them in awe. She quickly entered inside excited and Chi Miya also followed her with a giggle.

As they ran first, Zhao Tian moved his hand and grabbed Zhao Suyin's ass who was walking beside him. Zhao Suyin was slightly surprised and he pulled her by her ass making her fall on him.

"Tian'er?"

Zhao Tian smiled softly "This is to make up for the date we missed in the resort."

Zhao Suyin giggled and nodded "En."

With a mischievous grin, he gave a tight squeeze on her ass "I hope you bought a sext bikini"

"Hehe, you will be surprised..."

Meanwhile, Fei Ziyu was silently following them from the back.

...

Zhao Tian stepped out of his room wearing only broad shorts showcasing his ripped muscles and abs.

creek At this time, Zhao Ying and Chi Miya also walked out of their room. "Tian'er..." Zhao Ying called and turned around in 360 degrees showing the pink triangle bikini she was wearing.

Zhao Tian nodded with a smile "Beautiful."

"Tian." Chi Miya also called him and showed him the blue bandeau bikini she was wearing. "You are Gorgeous."

Hearing his compliment both Zhao Ying and Chi Miya smiled happily and walked near him. "You also look good yourself." Zhao Ying said placing a kiss on his lips.

"Yeah..." Chi Miya also leaned forward kissing him.

"Uhh... this is quite tight." At this time, Zhao Suyin came out of the room, and when they saw her, Zhao Ying and Chi Miya were so shocked that their jaws dropped. Wtf? Where is the bikini in there?

Zhao Suyin was wearing a white biki- well, a string that is discreetly covering only her nipples and pussy. 99 percent of her body is exposed, all for Zhao Tian to see.

As it was like a thong, Zhao Suyin felt it tight near her ass and she pulled trying to adjust it. *twing* the string from her nipples slipped off showing her pink nipples at their full glory.

"Oh, my..." Zhao Suyin delicately adjusted the string, draping it over her nipples to discreetly conceal them. After a moment of careful positioning, she let out a soft sigh. "Now it's good." She said with a smile, raising her gaze.

"M-Mom, what is this? T-Tian'er is here... what is this obscene?" Zhao Ying yelled in shock and Chi Miya also averted her gaze with a wry smile.

"Obscene? This is also a bikini... and apart from Tian'er, we are all women here. And he is my son, I don't mind him seeing me, so it's ok.... Hmph." she spoke and walked forward leaving the resort.

Zhao Ying took a deep breath and couldn't help but sigh in her heart "Mom is often playful like this, but this is just too much...."

Chi Miya chuckled wryly "Let her have some fun once in a while."

-- Zhao Tian was still speechless. He didn't expect his Mom would be this bold in front of Zhao Ying.

...

thrasshhh As the waves hit the sea, *treeiik* deep inside the sea, it suddenly trembled leaving a wave of ocean water to splash around.

In the depths of the ocean, concealed within the shadows, a pair of crimson eyes slowly blinked open. *feen*

Chapter 149: Mom's little help!

little help!

Lying on the beach chair Zhao Ying, her skin bathing under the sun glanced at Zhao Suyin who was playing in the ocean water, her boobs jiggling and swaying. "Haha!"

Oh her left was Chi Miya, who lay on the Beach chair comfortably also watching Zhao Suyin enjoying herself in the ocean.

A sigh escaped Zhao Ying's lips as she glanced at Zhao Tian who was on her right side sitting on the beach chair "Tian'er, do you know why I wanted to buy a bikini even though we can just be naked because there is no one in this island other than us?"

Zhao Tian shrugged "To feel the beach vacation maybe?"

Zhao Ying shook her head "It's because of Mom. Since she is tagging along with us, I thought of buying bikinis if not I would just be naked since it's you and Sister Miya."

"But now she is almost naked and I am here wearing bikinis. It's really frustrating. Which Mom would show herself like this in front of her son?" Zhao Ying yelled in anger.

"Kyaah!" But at this time, they suddenly heard Zhao Suyin's scream. Zhao Tian quickly turned his eyes and saw Zhao Suyin getting swept away by the relentless force of the crashing waves.

With a soft sigh, Zhao Tian stood up from his Beach chair and walked towards her. As he left, Zhao Ying also got down from her beach chair, a mischievous smile on her face "Sister Miya, let's go and take the watermelon. I got a plan to punish my Mom."

Chi Miya shook her head with a wry sigh "I can already feel your evil idea."

Zhao Tian walked into the shallow depths of the ocean and Zhao Suyin who was struggling in the water turned towards him "Tian'er, help MOM."

Zhao Tian reached out and pulled her hand toward him. Zhao Suyin smiled and hopped on him, wrapping her hands around his neck as she leaned forward her lips close to his, her boobs pressing against his bare chest.

"You are a cultivator and you are drowning in this shallow water?" Zhao Tian couldn't help but chuckle.

Zhao Suyin hugged his neck tightly and glanced at Zhao Ying and Chi Miya going towards the resort "Well, I wanted you to play with me in the ocean."

Zhao Tian smiled softly, *boing* again feeling her soft boobs he looked down "Why did you choose such a bikini? It sure is hot and tempting me to fuck you right now... but you know, Ying'er is here, right?"

Zhao Suyin let out a sigh "I was just preparing for the day I would reveal our relationship to Ying'er. When I finally tell her about our relationship, she will look back and she will realize that I was leaving hints all along."

"So, she won't be that much surprised. And even now I faked my drown so you would come and seeing us being intimate like this, she will be quite confused about our true relationship."

Zhao Tian spoke, "So instead of being direct, you are playing a long game?"

Zhao Suyin lowered her head, hesitant in her heart "I am scared, Tian'er."

Zhao Tian could only chuckle being amused "You know what? Ying'er was also scared to tell you about her relationship with me and now the opposite is happening."

"i am sure she won't judge you and accept it just as you accepted her feelings."

A slight frown creased Zhao Suyin's eyebrows hearing this "But... Tian'er, I am still scared."

Zhao Tian raised his hand, gently running his fingers through her hair "Take your time then."

Zhao Suyin gave a soft nod and leaned in kissing his lips. Zhao Tian also kissed her back and he felt her hand softly grabbing his dick over his shorts.

Pulling back from the kiss, Zhao Suyin gently moved her lips towards his ear, planting a tender kiss on the earlobe while delicately slipping her hand into his shorts, her fingers encircling his dick.

"Want Mom's help? I can secretly satisfy you with my lips," she whispered biting his ear.

...

Hiding behind a rock, Zhao Tian continued pushing his dick into Zhao Suyin's mouth while grabbing her head while she is kneeling in front of him.

"Urgh!" He groaned in pleasure relishing the sensation of his dick slipping in and out of his Mom's wet mouth as she continued sucking it and moisturizing it with her skilled tongue.

slurp Zhao Tian pushed his cock even deeper and Zhao Suyin felt the tip of his dick reaching her throat.

Her eyes quivered and Zhao Tian felt the tip of his dick getting sucked by her tight throat muscles and the exquisite pressure and warmth engulfing his dick, giving him even more pleasure.

Zhao Suyin also continued to give deep throat as after giving blowjobs to Zhao Tian many times, she can now somehow do deep throats without gagging.

Zhao Tian also fiercely pushed his cock in and out as Zhao Suyin continued to suck it. She raised her gaze and seeing Zhao Tian enjoying her blowjob, she took his dick even deeper.

"Gragh!" She almost gagged but she continued herself herself and tried her best to pleasure and satisfy her dear son.

Zhao Tian was also reaching the edge and Zhao Suyin felt the dick in her mouth pulsating and she knows what it is.

She increased her pace, her tongue licking the tip of his cock and *splurt* Zhao Tian shot his cum deep into her throat.

As she pulled back her head, his cock continued to release its load, filling her mouth with bursts of thick, sweet cum. She took her time swallowing every drop, savoring the taste as it slid down her throat.

"Haah!" She let out a sigh after drinking his cum and again grabbed his dick. "Mmngh Tianer~" she moaned licking the remaining cum on his dick like a slut.

She held the dick with both hands "Tian'er, is your cum tasty because of Honoured One's physique?" she asked licking his balls.

"I am not so sure," he replied and Zhao Suyin took his balls in her mouth teasingly playing it with her tongue.

Seeing the seductive woman pleasing his cock, Zhao Tian couldn't hold it anymore.

"Mom!" He pulled her and pushed her on the rock. "Tian'er?" Zhao Suyin was surprised by his sudden pull.

Zhao Tian gently grasped her thigh and spread her legs open showing her pussy which is covered by the thin string of the thong. He then pushed the string to the side showing the pink folds of her wet pussy.

With a smirk, he leaned forward stroking his dick on her quivering pussy which is leaking with love juices. Zhao Suyin met his gaze and, confirming her desire, nodded slightly, beckoning him to come closer with a whispered invitation. "Tian'er, come in..."

And as Zhao Tian was about to push his dick in, "Mom? Tian?!" they heard Zhao Ying's voice searching for them.

Zhao Tian's lips twitched in frustration and Zhao Suyin smiled wryly. They both looked at each other and they surprised their desires for now.

Zhao Suyin also swam through the ocean reaching near to the main place and saw Zhao Ying and Chi Miya standing there with watermelon, a baseball bat, and a black blindfold in their hands.

Huh? Zhao Suyin was confused "Are we gonna play with that watermelon?"

Zhao Ying nodded "Yes, Mom... we found a great place on the other side of the Island, we can play there. There are also many tender coconut trees there."

Zhao Suyin was obviously excited "Ok! Ok! Let's go..."

....

Chi Miya placed the watermelon on the sand and Zhao Ying went behind Zhao Suyin closing her eyes with the blindfold.

"You can't see anything, right Mom?"

Zhao Suyin shook her head "No, Ying'er."

Zhao Ying nodded with a smile "Okay Mom, as you know the rules are simple... you just have to blast that watermelon with the bat in your hands."

"We won't help you and just watch you, ok?"

"En. I understood." Zhao Suyin nodded her head in understanding and Zhao Ying made Zhao Suyin circle five times before retreating.

With a giggle, Zhao Ying gently grabbed Chi Miya's hand "Sister Miya, let's go." she said in a hushed tone.

E-Eh? Chi Miya was dumbfounded "How can we leave Auntie?"

"Don't worry, come on, come on."

Chapter 150: An underwater ruin?

Zhao Tian, lounging comfortably on his beach chair looked at Zhao Ying and Chi Miya returning with a watermelon but he couldn't see Zhao Suyin "Where is Mom?"

Zhao Ying smiled wryly "She is.. uh playing."

Zhao Tian frowned and used his Astral Sense looking around the whole Island. There he saw Zhao Suyin blindfolded, hitting the sand searching for the watermelon.

Zhao Tian shook his head helplessly glancing at Zhao Ying and she just snorted "It is her fault for wearing indecent clothes like that. Hmph! So I punished her."

Zhao Tian couldn't help but chuckle and stood up. "I will go and check on her." he muttered patting Zhao Ying's head.

Feeling his pats, Zhao Ying smiled and gave a reluctant nod "Well, I also feel bad for her now..."

Chi Miya uttered, "That's why I said this was a stupid plan from the start."

"I-I just wanted to tease Mom a little."

...

As Zhao Tian strolled along the sandy shore barefoot, he caught sight of Zhao Suyin swinging around the baseball bat.

He strolled near her and as she swung another time, Zhao Tian swiftly grabbed the baseball bat and Zhao Suyin was surprised "Ying'er?"

With his other hand, Zhao Tian pulled the string covering her nipple and let it go. *slech* causingittosnapagainsther skinwithasharp,stinging pain. "Ahh! T-Tian'er?" she stammered.

Zhao Tian raised his hand and removed the blindfold from her eyes. Zhao Suyin's eyes fluttered open and she glanced around searching for the watermelon.

"Eh, where is the Melon?"

Zhao Tian spoke with a chuckle "Ying'er already took it, she was just playing with you."

-_- Huh? "Then I was just swinging around randomly like a fool?" Zhao Suyin muttered in frustration.

With utmost tenderness, Zhao Tian gently scooped Zhao Suyin causing the baseball bat to slip from her grasp as she entwined her arms lovingly around Zhao Tian's neck.

"I want to spend all my day here with you alone... but I know I can't since Ying'er and Miya are also there." Zhao Suyin whispered softly as she leaned against his shoulder.

Zhao Tian smiled and walked towards the ocean. This made Zhao Suyin confused as she thought he took her in his arms to take her back to the resort.

"Then let's enjoy some time here." He entered the water and tossed her into the ocean.
splash Zhao Suyin was startled and she quickly rose above the surface, she was fully drenched and the strings had already slipped off.

"You..." Zhao Suyin jumped on Zhao Tian pushing him into the water. *splash* Both of them again resurfaced and with a playful grin, Zhao Suyin took a handful of water splashing at Zhao Tian.

Zhao Tian also did the same splashing water at her turning the moment into a water fight, but suddenly a frown crept over his face. What are these energy fluctuations?

He was perplexed in his mind as he turned his gaze into the distance at the sea "There is something inside the Ocean?"

Seeing Zhao Tian who suddenly became silent, Zhao Suyin was confused "What happened, Tian'er?"

Zhao Tian chuckled and shook his head, playfully splashing more water on her face "Nothing!"

Clearing the water from her face with her hand, Zhao Suyin leaped forward and Zhao Tian caught her waist with a smile as she pressed her lips onto hers.

Zhao Tian also reciprocated the kiss and Zhao Suyin's eyebrows wrinkled. A little later, they retracted the kiss and looked at each other.

"Bah! Salty!" x2

Both of them spit as they felt the sharp taste of salt on their lips. They again looked at each other and burst out laughing. "Hahaha!"

Zhao Tian chuckled "Let's swim around for a while."

"En." Zhao Suyin nodded her head and they began to swim around the ocean for a while, spending time together.

...

Zhao Ying, lounging comfortably on her beach chair with a refreshing watermelon juice in hand, glanced over at Zhao Tian and Zhao Suyin as they approached, their bodies fully drenched in water.

She raised an eyebrow seeing them chatting and chuckling as they walked toward the resort. 'They look more like lovers than a Mom and Son.'

As the watermelon juice in her cup was finished, she raised her cup looking at Fei Ziyu standing beside her "Bitch, refill."

"Yes, Lady Ying."

Meanwhile, Chi Miya was engaged in a lengthy phone conversation with Fei Lingxi. In order to join Zhao Tian on their vacation, she requested Fei Lingxi to temporarily oversee the company's operations.

...

Upon their arrival at the resort, Zhao Tian and Zhao Suyin made their way towards the pool, intending to cleanse their bodies after their enjoyable dip in the ocean. They gotta wash their bodies after bathing in the ocean as the salt would linger on their skin and hair.

So they quickly dived into the pool to clean their bodies. Leaning on the wall of the Zhao tian was still contemplating what that eerie energy he felt was.

Zhao Suyin swam near him nakedly and leaned on him placing her hands on his shoulders. "Now we can kiss without that salty flavor."

smooch

...

Zhao Tian spent the rest of his time of the day with Zhao Suyin, Zhao Ying and Chi Miya, eating and playing together... while teasing each other, and having some sex in between.

And it was already nearing evening.

The sun was beginning to set, signaling that the day was coming to a close. Zhao Tian stood before the crashing waves, feeling the cool mist on his face as he stretched out his hands. "There is an eerie energy?" a mutter left Zhao Ying's lips, who now wore normal clothes.

Chi Miya had a frown on her face "There might be treasure or danger. And Tian, if there is anything dangerous for you... come back quickly."

Zhao Tian gave a soft nod and a transparent barrier appeared around his body in the shape of his body covering him like a thin layer.

As he entered the water, the water didn't touch him, and seeing this Zhao Tian proceeded to go deeper into the ocean.

"Let's wait for Tian to return."

...

swish With a swift swish, Zhao Tian plunged into the depths of the ocean, propelling himself forward with the power of his Astral Energy. As he traveled further, he felt the eerie energy getting stronger and stronger.

And after a while of traveling in the water, he finally reached his place. At the bottom of the ocean, he found a massive structure resembling a box, towering at a height of 300 meters.

The surface of the box is adorned with numerous intricate markings, emitting a subtle yet captivating purple glow. "An Ancient Ruin? But I can't see any doors."

At this time, he noticed a single engraving on the box, glowing brightly "Hm?" Curiosity got the best of him as he reached out to touch the purple mark.

...

Meanwhile, In a distant corner of the vast universe, there is a woman sitting crosslegged inside a luxurious room and the astral energy seems to concentrate around her.

Sitting on the platform inside the cultivation chamber, she was deeply engrossed in her cultivation, her long black hair falling down to her waist.

flick *flick* Suddenly a necklace on her neck glowed faintly in purple color and it began to tremble in her neck. This necklace also has engravings which also glow in faint purple.

Because of the constant trembling of the necklace, the woman was startled as she opened her eyes, disturbed from her peaceful state of cultivation and as she saw the necklace glowing, she was taken aback.

"This is..."
