

# Honoured 191

## Chapter 191: Going back home!

"Hmm, Tian..." Mei Xiu muttered under her breath, and as she opened her eyes, a pained frown creased on her face.

"Urgh, fuck, my whole body hurts." She whined in pain as she tried to move her body. Zhao Tian chuckled upon hearing this: "That's what happens when you have sex all night."

She gently raised her head from his chest and looked up at Zhao Tian. She slowly moved her body closer to his face, and Zhao Tian also grabbed her ass, pulling her up.

\*smooch\* She gently pressed her lips to his nose, then nuzzled her face into the crook of his neck "You won't leave me, right, Tian?"

Zhao Tian squeezed her ass cheeks, gently fondling them and spoke, "No, Xiu, we will live on forever."

Mei Xiu chuckled upon hearing this: "Eternal life? Funny to hear," she said as she looked around the room and saw the cum and her love juices.

"Now, I have to clean them."

Zhao Tian patted her head "Don't worry, I'll hire some maids to do that."

She turned to look at him "Oh, I forgot that you are a rich bastard."

Rich bastard? Zhao Tian smiled wryly, and Mei Xiu gently moved her body, trying to sit on the bed. "Argh!" she again groaned in pain

"Xiu." At this time, Zhao Tian sat on the bed and softly kissed her lips. After being taken aback, Mei Xiu also returned the kiss, closing her eyes as she leaned into the deep kiss.

But Zhao Tian suddenly inserted his tongue, tossing a small healing pill into her mouth, and not knowing about that, Mei Xiu also intertwined her tongue with him.

As she retracted the kiss, Mei Xiu raised her hand, touching her throat. "I just felt like I swallowed something."

Zhao Tian just chuckled hearing this. Right now, he doesn't want Mei Xiu to know about cultivation; her mind is already boiling up because of her grandmother.

So he thought of giving her mind some rest and tell about the cultivation stuff later. He also placed a seal on her to stop his energy from entering her meridians.

As for him, well, virgin energy from a normal woman is not much for him so he couldn't make a breakthrough.

He is still in the 9th stage of the Emperor's astral stage.

\*cough\* With a light cough, she spoke, "By the way, Tian, I have decided to stay in this apartment for a little longer."

"Are you sure?" Zhao Tian asked in concern.

Mei Xiu nodded her head. "My only memory of her is this apartment, so I am staying here for a while."

Zhao Tian gave a slight nod. "Then for today, you can come to my home while the maid will be cleaning your room and house." he suggested as being with his Mother and Sister would be better than being alone.

And with them, she won't remember about her grandmother every time.

"Your home?" Mei Xiu rolled her eyes.

Zhao Tian nodded his head "Yeah, you already know my sister. I can introduce my mom to you."

"Y-Your Mom." Mei Xiu stammered and a slight blush covered her face.

With a chuckle, Zhao Tian leaned in, pressing a kiss on her cheek and Mei Xiu smiled. "I will make a good first impression."

With that, Mei Xiu got down from the bed, but as her feet touched the ground, she felt a stinging sensation coursing through her body and again sat on the bed.

Then she spread her thighs and looked at her pussy, which was swollen red. "We really went overboard."

Zhao Tian also reached out, his fingers gently grazing her pussycat. "Don't worry, the pain will subside soon," she said as the pill began to take effect.

Mei Xiu nodded her head, and Zhao Tian got down from the bed, gently lifting her from the bed, cradling her in his arms with care and tenderness

"Let's bathe together."

"Sex in the bathroom too?"

-- Zhao Tian smiled wryly. Mei Xiu has already gotten addicted to this feeling of sex and is this fierce when she is just a human.

When she becomes a cultivator with a strong body... \*sigh\*

...

On the bus,

Sitting on the seats, Mei Xiu hugged Zhao Tian's arm tightly, her eyes glaring at the women in the bus who were shamelessly throwing flirtatious glances at him.

"You are a rich guy, but why did you come by bus yesterday?" Mei Xiu whispered in Zhao Tian's ear.

Zhao Tian smiled wryly as he actually rushed here, flying. "I just hurried here."

Only then did Mei Xiu remember that Zhao Tian was actually going on a trip somewhere.

"Sorry, Tian I must have disturbed your trip." She quietly murmured, her voice tinged with a hint of regret, as she leaned against his shoulder and let out a deep sigh.

Zhao Tian shook his head "Its okay, dear... it's not your fault."

"The women are all looking at you." Mei Xiu spoke, glancing around the women.

Zhao Tian smiled "That's why I said we could go by cab, but you insisted on going by bus."

Mei Xiu replied, "That's because cabs are costly- ah, you are a rich bastard."

As the old woman who was on the other side of Zhao Tian stood up, the woman hurried to sit beside Zhao Tian.

Seeing the little commotion on the bus, Mei Xiu was dumbfounded. What the fuck?

"Tian, we are going to a window seat."

...

\*knock\* Hearing someone knock, Zhao Suyin walked towards the door and saw who it was through the door hole.

Seeing Zhao Fian, she quickly opened the door with a huge smile on her face. "Tian'er, when did you come back?"

She exclaimed, hugging him in his arms and Zhao Tian hugged her back with a smile. Retracting the hug, Zhao Tian gazed at Mei Xiu and smiled, "Welcome."

Mei Xiu quickly bowed on the door step. "Good to see you, Aunty."

"Uh, okay." Zhao Suyin gave a subtle nod and discreetly glanced at Zhao Tian. 'New woman?'

Zhao Tian winked his eye and Zhao Suyin understood, "Come in."

"Tian'er?" Zhao Ying opened her room's door and peeked outside. Seeing Zhao Tian and Mei Xiu, she confidently came out.

"Tian'er..."

Hearing Zhao Ying's voice, Mei Xiu turned her head and was startled to see Zhao Ying wearing only a black bra and black pants. Tf?

Zhao Ying didn't mind her gaze and walked over to hug Zhao Tian. "Tian'er..." Zhao Ying pulled him into her arms.

Meanwhile, Zhao Suyin with an awkward smile, pulled Mei Xiu inside "Come in..."

"Ahm okay..." Mei Xiu left the doorstep, with Zhao Suyin taking a small glance at Zhao Tian and Zhao Ying.

Zhao Ying glanced at Zhao Tian and asked, "Tian'er, Sister Huang said that someone close to you died. Who?"

Zhao Tian gently slipped his hand into her panty, groping her soft ass. "Yeah, Xiu's grandma. That's why I brought her here so that she could forget some things."

He spoke as he pulled down her bra, exposing her delicate pink nipple as he softly sucked on it. "I see." Zhao Ying murmured, understanding the situation and letting him be naughty on her body.

At this time, Zhao Suyin, who escorted Mei Xiu into the hall, came to the doorstep with an angry look on her face and pulled Zhao Ying's ear. "Ying'er."

Zhao Tian pulled back his lips, and Zhao Ying quickly corrected her bra. "Mom?"

"Is this how you dress and act when guests are here? Go and get dressed."

Hearing her mom's scolding, Zhao Ying hurriedly nodded and rushed back to her room.

Seeing this, Zhao Suyin snorted, "Ah!" but she exclaimed as Zhao Tian grabbed her ass, "Tian'er."

With a soft peck of her cheek, Zhao Tian said, "I am leaving now."

Eh? "But you just came."

"Yeah, but I gotta do something. Tell Xiu that I am gone and will spend some time with her."

"Um, okay."

...

Mei Xiu was puzzled when she saw only Zhao Suyin entering the hall and asked, "Aunty, where is Tian?"

Zhao Suyin sat beside her on the couch and said, "He had some important work, so he has gone out."

"O-Oh,"

"By the way, are you his girlfriend?"

"Ah... I forgot to introduce myself. I am Mei Xiu, currently working as a teacher at the university where Tian is studying."

## Chapter 192: A talk with the oldman!

\*vroom\* Zhao Tian drove his Rolls Royce to the old man's mansion, and as he entered, he saw a familiar car going out of the mansion.

With a smile, he stopped the car and the other car also stopped. \*thud\* He came out of the car and saw Chi Miya stepping out of the car.

"Tian." With an excited smile, Chi Miya walked towards Zhao Tian and hugged him. "When did you come back?"

"Just yesterday. By the way, what are you doing here?"

Chi Miya gave a kiss on his neck as she spoke, "I came to drop Shui'er here because, you know, she is friends with Ning Yueli. And it seems like an exam is coming, and they want to group study."

"Oh...I see."

Chi Miya spoke with a teasing smile "And I heard you got three women in one night in Zhenzhu??"

Zhao Tian just chuckled. "Well, things happened."

"Yeah, I heard from Huang."

...

\*tap\* Zhao Tian entered the grand mansion. As he stepped into the spacious hall Li Jie, who was in the hall, stood up with a smile, "Tian."

"Old man."

"Let's go upstairs." Li Jie spoke, and both of them made their way to the stairs.

Li Jie glanced at Zhao Tian and asked, "How is Mei Xiu now?"

Zhao Tian let out a soft sigh. "Well, yesterday I stayed with her, 'consoling' her. And currently she is in my home with my mom and sister."

Hearing this, Li Jie gave a nod. "Yeah, being with others will be a good thing for her considering her current condition. Being alone would only affect her."

"Yeah," Zhao Tian muttered as they continued climbing the stairs.

A deep sigh escaped Li Jie's lips as he spoke, "I still remember the day Haoran died, Mei Xiu's grandfather. He was a great friend of mine and served with me in the military."

"Hope her soul rests in peace and finds him in the afterlife."

\*creek\* They quickly entered a room and Zhao Tian comfortably sat on one of the couches. As Li Jie settled opposite him, Zhao Tian asked, "What do you want to talk with me, old man?"

Li Jie gave a slight nod as he spoke. "I talked with Li Qianzhi a little, before she passed away the next day. At that time, she talked about, How you ask her to eat a pill to cure her disease."

Zhao Tian said, "Yeah, I offered her a healing pill, but she rejected it."

Li Jie chuckled hearing this: "It seems like she got tired of life without her husband, and her only worry was her granddaughter."

"And since she is in a relationship with you now, her worries are gone, so she passed away quietly."

With a shake of his head, he continued "Well, the thing I called you for is to ask, will you say to Mei Xiu about the cultivation world or teach her about cultivation?"

Zhao Tian had a slight frown on his face. "Her grandmother told you to ask me that."

Li Jie nodded his head "Yeah, but I am also curious."

Leaning back on the couch, Zhao Tian said, "Obviously, I will tell her about that."

LiJie replied, "Inform me when you tell her about that."

Huh? Zhao Tian raised an eyebrow upon hearing this: "I need to tell you when I tell her about cultivation? Why?"

Li Jie sighed heavily "I can't tell you the reason for now. Just inform me at that time."

Zhao Tian's frown deepened seeing the old man acting mysteriously, and at this time, Li Jie spoke, changing the topic of conversation. "By the way, Chi Miya is also your girlfriend, right? I heard Chi Shui talking to Yueli about that."

Zhao Tian sighed in his heart, seeing him change the topic, and he also played along, not wanting to pry into his mysteriousness.

"Yeah, she is."

Li Jie squinted his eyes "I have heard people in Zhenzhu have multiple women. So, it's okay for cultivators, I guess. and I don't want to interfere in your romantic life."

Zhao Tian just shrugged, and at this time, Li Jie spoke, "Did Chi Miya become a cultivator recently?"

Hm? Zhao Tian narrowed his gaze "How did you know that?"

Li Jie chuckled. "I am a military man, Tian. I have seen and worked with many cultivators during my time in military."

"So even though I am not a cultivator, I can sense that strong aura from someone. But I couldn't find that from you, maybe because you suppressed your energy at that time."

Zhao Tian smiled upon hearing this, and he was indeed hiding his cultivation at that time with Xia Shenyi's seal so as not to attract anyone in the modern world.

Li Jie spoke, "That's all I mainly want to talk with you but you said that you want to talk about Zuiye. What is that?"

Zhao Tian nodded his head "I want to know about Aunt Zuiye's origins."

H-Huh? Li Jie was stunned to hear this "Her origin?"

"Yeah, where is she from, and who are her actual parents?"

Li Jie's eyes trembled and he lowered his gaze as a mutter left his lips "How did you know... she is not my daughter."

Zhao Tian let out a soft sigh "I will answer for this later. Now, I just want to know how she ended up in your hands."

Li Jie took a deep breath, controlling his intense emotions as he began to speak "It was... like 35 years ago."

"At that time, the government was still not in good terms with the Holy Land of Zhenzhu. So the President of our nation was planning to go to Zhenzhu to have a peace talk with the Emperor."

"And us high officials in the military were also with him for the negotiation purpose and also as body guards for him."

"On one night, we and several other military personnel camped outside that forest surrounding Zhenzhu. We were waiting for some protection from the Emperor side to enter the deadly forest filled with Astral beasts."

"Even Haochen was also with me that night and at that time..."

Chapter 193: A little past!

35 years ago

Li Jie who was sitting inside the camp, said, "I am quite surprised; the president accepted to live in a tent like this for today."

Hao Chen who was opposite him, shrugged his shoulders "Well, he can't do much about it as he is in the receiving end and the people he is meeting are more powerful than him."

"So he could only go along with this plan."

\*thud\* \*treikk\* They suddenly heard a noise from outside, alerting both of them. \*tap\* They quickly moved, taking the gun in their hands.

They looked at each other and gave a faint nod. 'Is that an astral beast?' This was the thing that was running in their mind.

With slow steps, they carefully stepped out of the tent. If it's really an astral beast, then they have to be careful and alert everyone.

Under the dim light of the moon, they looked around cautiously. "Urghh!" But at this time, they heard a faint groan.

Huh? A woman? Both Li Jie and Hao chen instantly turned their heads towards the location of the groan and saw a woman wearing blue robes sprawled on the ground, her garments stained with a deep shade of crimson., with a child in her hand.

\*tap\* Li Jie and Hao chen hurried near her and at this time, feeling two presences approaching her, she raised her gaze.

Li Jie and Hao chen were shocked to see the bloodied face of the woman. "Lady." Both of them quickly crouched near her to help her.

\*cough\* \*cough\* The woman let out a series of dry coughs, her throat burning as she tasted the metallic tang of blood. Despite the pain, she defiantly shook her head "Don't worry about me."

The woman then again took a glimpse at the two military men, who had worried expressions on their faces.

\*cough\* "You are normal human?"

Though confused by the situation, Li Jie nodded his head "Yes,lady. You can worry about that later. But we have to treat your injuries." he spoke as both of them grabbed her hand and helped her sit on the floor.

Li Jie spoke "Haochen, go and call the medics." With a nod, Haochen was about to move-

"No, don't." Suddenly, he felt pressure on his and he turned his gaze to the woman "Lady?"

"\*cough\* D-Don't call anyone." she spoke, retracting her cultivation pressure.

She moved the eight-year-old girl in her arms near to them. "Can you promise me to take care of her?"

H-Huh? Li Jie and Hao chen looked at each other dumbfoundedly. Did she expect them to say, 'Sure, give her to us?' unsure of how to respond to such an unexpected request.

Seeing their expressions, the woman nodded. "I-I might look like a crazy woman but please, in my situation, I can only rely on you."

Feeling a presence coming towards her, her body shivered. "Please don't let her die." she hurriedly placed the child on Li Jie's hand and he instinctively grabbed the child.

\*swoosh\* In the next instant, the woman disappeared, leaving both of them bewildered.

Um, huh? Li Jie and Hao chen looked at each other, totally bewildered by the situation. What the fuck should we do right now?

Li Jie let out a sigh. "First, let's inform others."

Haochen stopped him with a frown on his face. "Wait, Jie. Why don't you take care of her?"

Huh? Li Jie narrowed his eyes hearing this.

Haochen casually spoke "You just said a while ago that your wife is sad that she can't conceive a child, right? Then take this child. I know this is a random child, but think of this as a gift sent by God for you."

Hm? Hearing this, Li Jie also contemplated the idea.

"But anyway, we have to explain about this kid to others." Li Jie muttered.

Haochen spoke "Change the story, Jie. Don't talk about the woman. Just say that you rescued the child from the forest, and later she fainted."

"It seems like that woman was followed by her enemies, and if you explained fully... Well, we are entering Zhenzhu tomorrow, so if her enemies catch onto us somehow, we can't protect the child."

Understanding his concern, Li Jie nodded. "Then, let's do that."

...

Li Jie glanced at Zhao Tian, sitting in front of him "But the next day, we couldn't enter the Zhenzhu as we heard a coup has been staged and many people from Royal family is dead."

"And there is a big commotion going on in Zhenzhu as some sects that are on the side of the Royal Family are also getting destroyed."

"So we returned, and later the child came into my custody. When I tried to speak with her, she was so afraid of me that she kept screaming."

"Seems like she saw the deaths of her loved ones and might have gotten traumatized. So I stopped talking to her, and my wife slowly began to talk to her."

"Later, she somehow convinced the child and asked her name. And she said she was Ning Zuiye."

"We never tried to ask what happened to her family or what she saw in Zhenzhu. We took her in to raise her as our own daughter."

Hearing the story, Zhao Tian let out a sigh. "So that's how she got that anthropophobia."

Li Jie smiled wryly "To be more precise, it's androphobia. She can hold normal conversation with my wife. But till now, I never had a good conversation with her."

(A/n: anthropophobia-fear of people. androphobia- fear of men.)

"I see." Zhao Tian mumbled under his lips.

Li Jie gave a slight nod "Yueli tried to cure her phobia and brought her outside. On that day, she was surrounded by some mobs because of her beauty and they tried to force themselves on her."

"But you came at that time and rescued her. That's why she is not afraid of you and can talk to you more easily."

Zhao Tian sighed in his heart. Since he had good physical strength at that time, because of his physical strength, he managed to help her.

Li Jie asked curiously "But how did you find that she is not my actual daughter?"

Zhao Tian spoke "That day, the powerful sects rebelled against the Royal family and killed them and the Royal family's name is Ning."

H-Huh? Li Jie was startled to hear this "Then, Zuiye is from the Royal family? I thought she is from one of the sects that got destroyed."

Zhao Tian raised an eyebrow "You didn't guess after knowing the new Queen's name is Ning Xue?"

Li Jie shook his head "We were never told the Queen name, we were told to address her as Her Majesty."

Zhao Tian spoke with a nod "When I went to Zhenzhu, I visited the Royal family's grave and I saw the name 'Ning Zuiye' engraved on one of them."

"So I got curious and asked you."

Li Jie nodded his head and Zhao Tian asked "You never asked her about Zhenzhu and cultivation again?"

Li Jie shook his head "No, thinking it would bring her trauma backm me and my wife remained silent about that matter and I hope you would do the same."

Zhao Tian narrowed his eyes, hearing this. he wanted to talk to Ning Zuiye and also wanted to let Ning Xue know that her family is not dead and one of her family members is still alive.

"No, old man, let me try talking to her."

Chapter 194: Talk with Ning Zuiye!

Zhao Tian and Li Jie walked out of the room. With a worried frown, Li Jie asked, "Are you sure? Tian, I am worried; it might bring back her trauma."

Zhao Tian gave a nod "Of course it would, but she has to face it someday, so let it be today."

Li Jie let out a sigh and spoke "Then you talk to her alone, it might be uncomfortable for her to talk about it when I'm there."

Zhao Tian gave a nod and came downstairs but not seeing her, he used his astral sense and sensed the presence in Ning Zuiye's room.

He again went upstairs and went to her room. \*knock\* He gave a knock on the door and he heard a faint voice from inside "Yueli?"

"Aunty, it's Tian."

"Tian?" Ning Zuiye who was sitting on the dress, folding her dresses was surprised to hear his voice and hurriedly stood up reaching the door.

\*creek\* She opened the door with a smile on her face "Tian!"

"Aunt Zuiye." Zhao Tian muttered looking at the beautiful woman in front of him wearing a loose t-shirt and jeans.

\*puff\* Ning Zuiye hugged Zhao Tian and with a smile, Zhao Tian also hugged her back. Holding her soft body in his arms and looking at her beauty, no one would believe that she is actually 43 years old.

Ning Zuiye's lips formed a gentle smile as she slowly drew away from the warm embrace "Why the sudden visit, Tian?"

Zhao Tian smiled playfully "Why? Should I need a reason to meet this beautiful lady?"

Ning Zuiye couldn't help but giggle and raised her hand, softly pinching his cheek "Come in."

With a faint nod, he entered the room and saw the clothes scattered on the bed. Noticing his gaze, Ning Zuiye spoke "I was folding my clothes after the laundry."

Zhao Tian chuckled "You know that you have a maid in this house."

Ning Zuiye just shrugged. "We got to do our own chores." as she spoke, she spotted a pair of panties and bras with the clothes.

Zhao Tian also noticed that and an awkward smile appeared on Ning Zuiye's lips. "Tian, you sit on the couch... I will just tidy up some clothes."

Zhao Tian just smiled wryly and sat on the couch while she took her underwear and placed them in the drawer.

Letting out a soft sigh, Ning Zuiye came and sat beside him on the couch. Zhao Tian too, casually draped his hand around her shoulder and Ning Zuiye didn't mind that as they have been close for about two years now.

"How is Ying doing?" Ning Zuiye asked gazing into his eyes.

Zhao Tian gave a nod "She is doing great."

"I forgot to tell you, Tian... but when Shui told Yueli that Chi Miya is your girlfriend, she created a little commotion in the house saying that she is the one who is going to marry Big Brother."

Zhao Tian let out a hearty laugh, and his infectious joy caused Ning Zuiye to break into a gentle smile as she slowly leaned on him.

The two of them began to talk, filled with playful teasing and good-natured banter that kept their conversation light and enjoyable.

Ning Zuiye gently pinched his waist "You brat, stop teasing me."

Zhao Tian laughed with a teasing smile, "But what I said is true, right?"

Ning Zuiye cutely pouted her lips "You and your sweet mouth. hmph!"

Seeing her sulking her lips, Zhao Tian spoke "Actually, Aunt Zuiye.. I came to have an important talk with you."

Eh? Ning Zuiye rolled her eyes "Important talk with me? Hm... Do you want me to arrange a betrothal between Yueli and you?" she asked, her tone dripping with sarcasm.

Zhao Tian shook his head helplessly and asked, looking into her purple eyes "Aunt, you know about cultivators?"

H-HUH? Ning Zuiye's heart trembled at the unexpected question and she hurriedly averted her gaze, her eyes shaking in nervousness.

"See, Aunt Zuiye." Zhao Tian muttered as he raised his hand, conjuring a flame on his palm.

\*gik\* Ning Zuiye's heart skipped a beat seeing this. Fire elemental? T-Tian is a cultivator? she looked at him utterly shocked.

\*cough\* But with a cough, she controlled her swirling emotions and spoke "O-Oh my, what a good magic trick... haha, if I can learn that I can easily cook."

Upon hearing this, Zhao Tian couldn't help but chuckle and Ning Zuiye lowered her gaze from the flame.

Hm? Zhao Tian who still has his right arm around his shoulder, felt her body trembling and spoke "I just talked with that old man about where you are really from."

"T-Tian?!" She looked at him bewildered and Zhao Tian felt her body trembling even more and sweat began to form on her forehead, her heart palpating with anxiety and nervousness.

Retracting the flame, he softly grabbed her shoulders "Aunt, calm down."

"Tian, Tian, tian..." She continued muttering his name as her mind recalled the past, the invading cultivators storming the palace and mercilessly slaughtering the loyal Royal guards.

...

35 years ago-

\*thrissh\* In midst of the burning bedroom, Ning Zuiye stood there completely horrified by the sight of her mother's lifeless body on the floor, a long spear pierced right at her chest.

She stood there, rooted to the spot, unable to tear her gaze away from the devastating sight in front of her.

Her eyes were devoid of any color as she looked at the cloaked figure in front of her. \*tap\* At this time, another man entered the bedroom and waved his hand.

\*thrishh\* A shiver of terror ran through her body as she watched her mother's lifeless body engulfed in flames.

"M-Mom?"

\*thrash\* At this time, breaking the window a woman jumped in "Zuiye!"

Ning Zuiye slowly turned her gaze to her Sister "Sister Zhilan."

Ning Zhilan glanced at the corpse of her mom and bit her trembling lips in pain. 'Fucking bastards' she cursed, her heart clenching in agony.

But now she has to save her younger sister at least. The two cloaked figures turned their gazes toward the woman who just came in.

"Ah the two Royal princesses are here."

\*swoosh\* Ning Zhilan quickly took Ning Zuiye in her hands and dashed out of the window.

"I'll go and kill them." One of them spoke as he followed her out of the window.

\*swoosh\* Ning Zhilan dashed through the air and muttered, "I hope Sister Xue is alright."

The moment she left, the miracle happened.

\*swoosh\* The woman's silver hair flowed gracefully as she effortlessly levitated in mid-air. Her elongated and pointed ears added to her ethereal appearance, making her seem like a being from another realm.

Freya Arianwen Everglade raised her hand looking at the rebels, who were like ants in her eyes.

"Begone!"

## Chapter 195: A little teasing and seriousness!

"Aunt Zuiye! Aunt Zuiye!" Zhao Tian shook Ning Zuiye's shoulders, causing her to snap out of her daze as she glanced at Zhao Tian.

"T-Tian..." Ning Zuiye stammered, her eyes moistening in tears as the visuals she sealed in her mind burst open.

The things she didn't want to remember—the memories she never thought of looking back—flooded her mind as her heart clenched in intense pain.

Seeing her getting overwhelmed by emotions, Zhao Tian spoke in a soft tone, "Aunt Zuiye, calm down."

Ning Zuiye looked at him and clutched his hand, closing her eyes as she took a deep breath. "Haah, Haa, Tian.... w-why are you reminding me of the past and making me suffer like this?"

"Those are the things... I don't want to remember."

Zhao Tian let out a sigh "Because someone is suffering there, not knowing her sister is still alive."

H-Huh? Ning Zuiye was shocked to hear this and her eyes shook in surprise. "W-What do you mean by that? My sister is still alive?"

Zhao Tian raised his hand and an Envisage shard appeared from his palm. "Envisage shard?" Quickly recognizing it, she took the shard in her hand and looked at the image.

Her hands holding the shard trembled as she saw the beautiful blonde-haired woman with Zhao Tian "Sister Xue?" a gasp escaped her lips.

She hurriedly turned her eyes to Zhao Tian, a hit of happiness flashing in her eyes as she muttered "T-Tian, this... is this real?" her voice dripping with excitement.

Seeing the happiness in her teary eyes, Zhao Tian chuckled "Do you think... I can photoshop in Envisage shard."

"Brat..." she mumbled as she again glanced at the woman in the Envisage shard.

With a trembling hand and tear-stained cheeks, she slowly lifted her arm, brushing away the droplets of sorrow that cascaded down her face, as a relieved sigh escaped her lips "Seems like... Sister Xue survived."

But then she remembered something and hastily asked "Tian, Sister Zhilan, what happened to Sister Zhilan?"

Sister Zhilan? Zhao Tian remembered seeing her name on the grave and shook his head "Probably... dead."

"Urgh!" Ning Zuiye clutched her forehead in pain; she couldn't stop herself from remembering the traumatizing things.

She is telling her mind not to remember. But her mind is exactly showing that image again and again.

Zhao Tian asked in a soft voice "Aunt Zuiye, what happened that day..." he inquired, wondering if he could gain information about the 'miracle'.

Ning Zuiye looked into his eyes, her fingers playing with the Envisage shard in her hand, still quite reluctant in her heart to talk about those horrifying things.

Seeing her being hesitant, "Well, if you don't want to... it's ok," he spoke gently pulling her closer.

Ning Zuiye shook her head and rubbed her forehead "Well, I will tell..."

"I was born as the fourth daughter of the Ning family. I was very spoiled at a young age by my sisters and my parents."

"They didn't even force me to cultivate and I was roaming around the Palace happily without a worry in the world."

"But that day, I was with my mom on the balcony, enjoying the dim moonlight and we suddenly heard some people yelling in pain."

"My mom got alert quickly and sensed the surroundings. She told me that there are many people surrounding the castle and everyone is powerful, with some of them being in Monarch Astral Stage."

"At that time, suddenly many cultivators barged into the palace and they began to kill the royal guards. Me and my mom rushed from there and went to the throne room to find my father."

"But... as we entered, I saw my father lying on the ground dead, with some ministers and people from other sects standing around him, mocking him."

With a deep sigh, she continued, "Sensing our presence, one of them quickly came towards us to kill us. But my mom somehow escaped from there and entered her room."

"But that cloaked figure found out about that and barged into our room. In the next instant, I don't know what happened, it all seemed to be a blur..."

"I saw my mom on the ground, stabbed by a spear in her heart."

"At that time, Sister Zhilan came and rescued me from there. She quickly flew through the air taking me away from the Royal palace."

"But one of them still followed and Sister Zhilan tried to fight him. In the midst of battle... I somehow fainted."

"And the next time I opened my eyes... I was in the military custody. Later Father and Mother took me in."

"I see." Zhao Tian muttered under his breath.

Ning Zuiye couldn't help but steal another look at Ning Xue's picture, causing a rush of nostalgic emotions to fill her heart.

Memories of being pampered and cared for by her sisters flooded her mind, bringing a smile to her face that she couldn't seem to wipe away.

"By the way... the picture. Do you know Sister Xue? How?"

Zhao Tian gave a slight nod "Yeah, she is my woman."

Eh? "Sister Xue is your woman... huh?" she blinked her eyes in surprise, looking at Zhao Tian who has a teasing smile on his face.

"That makes you my brother-in-law."

"Wait, what happened that night, after the rebels started killing everyone? How did the royal family win?" Ning Zuiye hastily asked, still confused.

Zhao Tian shook his head "I don't know. I heard that a miracle happened, saving the Royal family."

Ning Zuiye's eyes crescented in sadness "Miracle? How many people in the Royal family were saved?"

"Only Xue."

Ning Zuiye's body shook hearing this "I-I see."

At this time, wearing a soft smile on his face, Zhao Tian asked "How about I bring her here for you to meet her?"

Hearing the suggestion, Ning Zuiye shook her head "No, Tian... I don't want to meet anyone. I am keeping myself away from the world of cultivation. It is a world full of killing and blood."

"That's why I never tried to cultivate after all these years."

Seems like she was still traumatized, Zhao Tian pulled her even closer causing her to place her head on his chest "Aunt Zuiye, there in Zhenzhu...Xue is thinking that there are no other relatives or sisters for her."

"So, I want her to know that her Sister is good and alive. You were happy to know that Xue is alive right?"

Ning Zuiye gave a slight nod, a smile blooming on her face "Yeah, I am glad she is alright."

Zhao Tian spoke "Xue also deserves that happiness, she also wants to know that her sister is alive."

Hearing this, Ning Zuiye was quite convinced "I.. um..., ok then."

Zhao Tian asked curiously "Is Xue your real sister?"

Ning Zuiye who was in his right arm gave a slight nod "Yeah, my second eldest sister... Zhilian is my third eldest sister."

Zhao Tian was quite bewildered as Ning Xue's age was more than 150 and Ning Zuiye's age was 43. The age gap is quite big.

Well, cultivators live for thousands of years, so their parents wanting a child at this age gap is normal.

Hm? At this time, Zhao Tian was taken aback when he felt a gentle caress on his neck and as he turned his gaze, he saw Ning Zuiye snuggling on his, nestling her face on his neck.

"Aunt Zuiye..."

Ning Zuiye tapped his cheek with her hand "It is your fault, brat. Making me remember all those things... now my mind is not at peace."

Zhao Tian smiled wryly "Well, my fault. What do you want me to do now?"

With a sigh, Ning Zuiye spoke "I'm not sure what to do... Let's just stay like this for a little while. Maybe if I hug you, I can start to feel like myself again."

She held onto him, seeking comfort and solace, hoping that it would help her find some semblance of normalcy amidst the chaos and confusion that had consumed her thoughts.

Zhao Tian slowly removed his hand from her shoulder and instead wrapped his arm around her waist, drawing her closer. With his free hand, he lovingly ran his fingers through Ning Zuiye's dark hair.

Seeing her face and their intimate position, he couldn't help but tease "Shall we take it to bed?" he whispered in her ear.

Huh? Ning Zuiye's lips twitched and she pulled his cheek "You, when did you get this shameless. What are you trying to do to this old woman? You are taking me to bed?" she asked, bewildered by his audacity.

"You are the only one who calls yourself an old woman. You are still young."

Ning Zuiye grabbed both of his cheeks stretching them "Such a sweet tongue, brat. Are you trying to woo me?"

\*chuckle\* Zhao Tian only chuckled seeing her playful antics and the light banter of teasing and laughing continued.

A few minutes passed, "Haah..." Ning Zuiye let out a sigh still leaning on his shoulder. "As I said once, it is really good to be with you, Tian."

"Hm?" Zhao Tian raised an eyebrow.

"I mean... minutes ago I was devastated. But now I am laughing because of you and your sweet words, brat. You really have a knack for making women fall in love with you."

"I will give you five points for that."

Zhao Tian tightened his hug around her waist "How many points do I need to get this beautiful lady in my arms?"

Ning Zuiye giggled as she playfully hit his chest. "100 points."

"Hoh, seems like I have to work hard."

\*chuckle\* "Brat!"

Chapter 196: The best wingwoman!

\*tap\* A little later, Li Jie came out of his room and walked downstairs. "I wonder what happened..." he sighed in his heart.

But as he came down, he heard some laughing and giggling noises. He slowly peeked into the kitchen and saw Zhao Tian and Ning Zuiye covering lightheartedly as she continued cooking.

Li Jie was quite puzzled. "Did he talk about that?" But with a shake of his head, he came back to the hall.

At this time, Ning Yueli and Chi Shui came out of their room. Stretching her arms, Ning Yueli yelled, "Mom, is food ready?"

"Wait a little, dear." Ning Zuiye replied from the kitchen.

Chi Shui sat on the couch as she took her mobile in her hand. Meanwhile, Ning Yueli walked to the kitchen with a weary sigh, "How long, Mom?"

But as she saw Zhao Tian in the kitchen, her eyes brightened. "Brother Tian." she screamed running to hug him.

"Brother Tian?" Chi Shui who was on the couch, was also startled and quickly stood up dashing to the kitchen.

...

\*thud\* Chi Shui got down from the Rolls Royce and turned around, showing a sweet smile "Thank you, Brother Tian."

Zhao Tian gave a nod and with a cheeky smile, Chi Shui said "Brother Tian, don't forget to come to my art competition next week."

Zhao Tian chuckled, "Sure."

Then he went to his home and, a while later, picked up Mei Xiu and dropped her at her home.

Standing at the apartment's doorstep, Zhao Tian placed a soft kiss on Mei Xiu's forehead "Sleep well and take rest. If you want anything, you can call me."

Mei Xiu nodded her head and said, "OK."

Coming out of the apartment, Zhao Tian leaned on the Rolls Royce, his eyes looking up at the sky "Just come down."

\*swish\* Cai Luo appeared beside him near the Rolls Royce "It's been a while." she spoke with a smile on her face.

Zhao Tian nodded his head "Yeah, it's been a while. Any information?"

Cai Luo squinted her eyes "Information?"

Zhao Tian raised an eyebrow "Every time, you come to see me, you will bring some information or something important to talk about. So?"

E-Eh? Cai Luo was tilted her head "I don't... have any information."

-\_- "Then why did you come to see me?"

Cai Luo averted her gaze "I-It's not like I care for you and missed you, so I came to see you. I was just passing by and saw your shining car on the road."

Hm? Zhao Tian was quite surprised by her reaction and noticed the faint blush on her cheeks. He is not dense in these matters and quickly understands that she is getting attracted to him.

He reached out, gently taking her hand, and pulled her to him. "Eh." Cai Luo was startled by his sudden pull causing her to stumbled and fall on his shoulders.

With a playful glint in his eyes, he wrapped his arms around her waist "Now, that I remember it... there is still a kiss that you have to give me."

Cai Luo looked down, his fingers sinking into her waist and raised her gaze "It's been so long, so the kiss is invalid." she scoffed, the blush on her face deepening.

With a gentle push on his shoulders, she pulled herself from his grasp "I am leaving... and be careful." \*swish\*

Zhao Tian just chuckled and entered the car.

...

\*swish\* Zhao Tian appeared in the artifact and sensed the presence of three people in the warehouse.

He also sensed Zhao Suyin's presence in Xia Shenyi's room "Oh, Mom is back to cultivating."

With a soft sigh, he walked to the warehouse and saw Ling Huang, Ling Meiyong and Xia Shenyi looking through the scrolls.

The three of them turned their gazes to him in unison and Ling Huang smiled "Tian-eh?

"Husband~~" Ling Meiyong rushed forward to him and hugged him tightly.

Smiling softly he patted her back "Seems like you missed me."

Still hugging him, Ling Meiying nodded her head "I missed you a lot, so I asked Sister Huang and she brought me here."

Zhao Tian looked into her eyes and was quite taken aback. He can clearly see the love for him along with admiration and reverence.

Ling Meiying cupped his cheeks "And I heard a lot of things about you from Sister Shenyi. Now I know more about you and how amazing you are."

"I am glad I have a Husband like you~~" she said snuggling her body on him.

Huh? Zhao Tian glanced at Xia Shenyi and smiled wryly 'You brainwashed again?'

Xia Shenyi shrugged her shoulders 'I am not brainwashing. I just said what's the truth and how extraordinary you are compared to others.'

They talked with eyes.

Xia Shenyi knows, that if a harem needs to work well, the women should not just love him. They should also respect him and know about him.

And in Zhao Tian's case, Xia Shenyi just wants the women to know who their Husband is and how lucky they are to have him as their Husband.

Only by this, would there be no future fights where a single woman would claim himself as hers, because they know Zhao Tian is not a man who could be monopolized.

The best wingwoman, hands down!

Hugging Ling Meiying, Zhao Tian asked "What are you doing in Warehouse?"

Ling Meiying spoke "Sister Huang said that there are good cultivation techniques here, so I was just searching for higher level of cultivation technique."

"I see." Zhao Tian muttered.

Ling Meiying asked with a shy smile "Is it okay if I take cultivation techniques from here, Husband? I mean, we began to search without your permission."

Seeing her shy smile, Zhao Tian blinked his eyes and even Xia Shenyi was also surprised. What is this woman? So innocent and cute.

With a soft chuckle, Zhao Tian patted her head "You can take whatever you want from here and there are even artifacts and weapons there. If you want you can use that too."

"R-Really?"

"Yeah..."

...

In the airport:

\*tap\* A middle aged man, wearing a black suit walked down the small stairs leaving the private jet.  
\*ring\* At this time, his phone rang and he retrieved his phone from the pocket.

Attending the call, he spoke "Young Lord?"

At the other end of the call, Orlando Williams spoke "You remember everything right? Minister Anthony?"

"I remember Young Lord, I will bring him to you alive."

"Good and don't forget about his girlfriend. She was a hot chick, bring her too. See how I break her right in front of him."

## Chapter 197: Let's go to the date!

\*thrass\* In the serene beauty of the cascading waterfalls, Zhao Tian and Xia Shenyi, completely naked, stood tightly embracing each other and they could not even feel the chilling water as they embraced the warmth of each other's bodies.

"Tian...hmm," Xia Shenyi murmured, entwining her tongue with his, her arms hugging Zhao Tian's neck tightly, her boobs pressing against his chest.

Meanwhile, Zhao Tian's hands are fondling her ass as he spreads them and squeezes them, relishing the suppleness in his fingers.

"Haa..." Xia Shenyi let out a soft sigh as she pulled away from the kiss, a smile playing on her lips as a small trail of saliva lingered.

She leaned in, giving him a kiss on the collarbone. "I feel like its been a long time since we spent time together."

Her hands around his neck got tighter "Now you have a lot of women, and you are also busy with the stuff in the outer world. You barely even notice me."

\*amooch\* Zhao Tian gave a kiss on her forehead. "You know that's not true... Remember, you are my first woman." he spoke with a soft smile on his face.

Hearing this, Xia Shenyi smiled proudly. "Yeah, I am..."

"How about I spend the rest of this day here with you?"

Xia Shenyi rolled her eyes "Well, that's not fair compensation. But I'll bear with it... for my husband, hmph."

With a chuckle, Zhao Tian leaned in, pressing his lips against hers and Xia Shenyi too complied, reciprocating the kiss.

Pulling back from the kiss, Zhao Tian firmly grasped her ass and raised her up. Xia Shenyi chuckled and wrapped her legs around his waist.

Zhao Tian nestled his face on her neck and Xia Shenyi raised her head, looking at the sky and feeling his soft, chilly kisses on her neck.

Her eyes glanced at the blue sky with clouds and a sun. "It would be better if it were night right now. Its been a thousand years since I saw the moon."

She didn't understand how the artifact worked when she first got trapped here. Is that really a sky? Is that really a sun?

She flew towards it at her full speed but no matter how long she traveled, she couldn't touch the clouds or the sun.

Only at that time did she understand that it was just a beautiful illusion.

Zhao Tian muttered, "Yeah, it would be better if it were night right now."

Suddenly, the world turned dark and Zhao Tian noticed the faint glint on the golden tattoo in his hand.

Fei Ziyu, who was watering the medicinal garden enthusiastically, was startled as the lights turned off. What happened?

Huh? Xia Shenyi narrowed her eyes, seeing the night sky filled with beautiful stars and a moon.

"Tian, it changed after you spoke."

Zhao Tian gave a nod and said, "Yeah, my tattoo also glowed."

"Hm? Can this artifact fulfill any of the owner's wishes?" Xia Shenyi mused with a slight frown.

"Tian, say let it rain."

Eh? Zhao Tian said, looking at the night sky, "Let it rain."

Nothing happened!

"It seems like the artifact just has a dark mode." Zhao Tian spoke and Xia Shenyi nodded.

"Maybe so... This makes me even more curious. Who created this artifact?"

...

Next day-

\*thud\* Zhao Tian jumped into Ning Xue's room through the balcony and looked around the room, but it was empty.

"Where is she?" he muttered, walking in.

He took a quick look towards the door of the room before making his way over to it, gently pushing it open.

Huh? As he pushed it open, the female servant who was standing outside was shocked, and she instantly recognized him even though he was wearing modern clothes "What are you doing here?"

Zhao Tian glanced at the woman and she lowered her gaze, giving respect to him as she knew he was the Queen's lover. "Forgive me for my rudeness just now, Your Highness."

Zhao Tian spoke, "Where is Xue?"

The woman, keeping her gaze down, spoke, "Right now, Her Majesty is taking her bath."

"Take me there."

Eh? The woman raised her head and blinked her eyes "Uh, okay... Your Highness, please follow me."

The woman began to walk and Zhao Tian followed her. Soon, they reached a grand door.

\*creek\* As the woman gently pushed open the creaking door, a wave of soothing scents wafted through the room, a mix of medicinal aromas and the sweet perfume of nature hit Zhao Tian's nose.

As he looked in, he saw a large golden bath tub at the center of the room, which can be considered a mini-pool.

The woman stopped on her tracks and spoke, "Your Majesty, Your Highness has come to see you."

Zhao Tian walked to the large tub and Ning Xue raised her head from the water. "Tian..." she looked at him, a soft smile spreading across her face.

As Zhao Tian reached the tub, he saw the leaves and flowers in the water.\*spalsh\* Ning Xue stood up on the tub, causing the water to ripple and splatter all around.

Zhao Tian was instantly captivated by the naked beauty in front of him, as this was the first time he saw her fully naked.

And adding to its allure, the glistening waterdrops falling from her body enhancing her already seductive body.

Ning Xue raised her hand "You leave."

The woman nodded and quickly left the room before closing the door.

Ning Xue turned her gaze to Zhao Tian and felt his scorching gaze all over her body. With a faint giggle, she stepped out of the tub. "Have you seen enough?" she teasingly questioned, her voice laced with a hint of amusement.

"No, I am still looking."

Hearing his honest answer, Ning Xue moved closer to him but Zhao Tian stopped her. "Stay still."

Huh? Ning Xue was surprised and stood still. "What happened?" She used her astral sense and she couldn't sense anyone or any danger.

Zhao Tian gaze fixed on her right boob, where a glistening water drop hanged at the tip of her pink nipple "Just a second... "

"Um?" Ning Xue also noticed his gaze on her right boob and wondered, What is there?

Zhao Tian brought his hand closer to her right boob and gently cupped it in his palm. Slightly crouching, he opened his lips \*num\* and began to suck her right nipple.

Eh? Ning Xue chuckled at seeing this and Zhao Tian retracted his lips. Ning Xue leaned in, giving a quick peck on his lips.

She then walked to one end of the room, where her towel and bathrobe were hanging. She took the towel in her hand and began to dry herself.

Zhao Tian smiled, looking at her. "Xue, shall we go for that date?"

"Now?" Ning Xue turned to him as she continued drying her body with the towel.

Zhao Tian glanced at her crotch and noticed small blonde hair like grass. "Yeah now."

"Naughty guy..." Ning Xue muttered, noticing his gaze, and Zhao Tian continued to look at her seductive body.

Ning Zuiye took the bathrobe and wore it. Then she walked to Zhao Tian and wrapped her arms around his neck as she playfully leapt up from the floor.

Zhao Tian also moved his hand softly, taking her in his arms. "Are you busy right now?" Zhao Tian asked.

Ning Xue squinted her eyes "I received a letter, with the ministers arranging a meeting to talk about the recent aggression of the Astral beasts... and even requesting my presence."

"Well, fuck them. We can go to the date."

...

\*swish\* Zhao Tian and Ning Xue were flying over the skies of the city and Ning Xue was absolutely stunned by the beautiful cities and bustling roads with cars.

"Zhao.. Tian?"

Suddenly, Zhao Tuan heard a voice from behind and saw the policewoman flying towards him  
"What are you doing here?"

...

Chapter 198: Talk between woman!

"Ehhhhh!" Sitting on the couch inside the artifact, Lin Huang and Ling Meiying curiously looked at the mobile phone in Zhao Ying's hands, who was sitting between them.

Zhao Ying chuckled seeing their reaction and Ling Huang said, "This box is so colorful."

Ling Meiying nodded her head. "Is this a decorative artifact?"

"No, this is called Mobile. Wait, let us take a selfie first." Zhao Ying spoke as she opened the camera.

As she raised her hand, Ling Huang and Ling Meiying looked at the screen and said, "Oh, its a mirror."

With a chuckle, Zhao Ying said, "It's more than a mirror. Come closer."

Ling Huang and Ling Meiyong moved closer as their faces fully appeared on the screen. "Now say cheese."

Eh? Ling Huang and Ling Meiyong looked at Zhao Ying, confused. "Say what?"

Zhao Ying smiled wryly "Well, just smile then..."

Ling Huang and Ling Meiyong smiled and Zhao Ying took the photo. As she lowered the mobile, Ling Huang and Ling Meiyong curiously peeked at the screen.

"Oh, its our faces!" Ling Meiyong exclaimed.

Ling Huang spoke "So, its like Envisage Shard, huh?"

Zhao Ying giggled "Actually, there is more to it. With this, you can call someone, play games and see insta reels, which are sometimes stranger than the dark web."

"Ohhhhh." Ling Huang and Ling Meiyong were fascinated by hearing these things from the human world.

And Zhao Ying was thoroughly enjoying their fascinated eyes as she continued to show them the wonders of the human world.

Xia Shenyi and Chi Miya, who were on the opposite couch, only chuckled at their interactions.

With a soft sigh, Chi Miya spoke, "Sister Shenyi, then I will go and fight some astral beasts in that pagoda."

In the Black Pagoda, not only Zhao Tian but also his women can enter and fight Astral beasts, crossing levels to gain rewards.

Xia Shenyi gave a nod "Hm, now you have already reached the 5th level of Spirit Astral Stage. Though the rewards are not that great in the pagods, you can still use them for a little combat experience."

Hearing this, Ling Huang, who was immersed in the mobile, turned her head. "Its already impressive that you reached this stage when you are just 27 years old."

"Well, the astral energy here is dense, but still, that's a great achievement."

Chi Miya nodded her head with a smile "Yeah, its been like two months but I am still trying my best for Tian."

Huh? This time, Ling Meiying also raised her gaze from the mobile phone. Ling Huang blinked her eyes, perplexed. "Wait, did I hear that wrong? 20 years or 2 months?"

Chi Miya tilted her head and said, "Um, 2 months."

H-Huh? What the actual? Ling Huang rubbed her forehead, completely taken aback, hearing this: "So you are telling me that you reached the fifth level of the Spirit Astral Stage in... 2 months?"

Chi Miya nodded casually. "Yeah, I did."

"HOW?!" Ling Huang exclaimed in shock.

"Even though the astral energy is dense, it is impossible to reach that level in just two months."

Chi Miya was dumbfounded. "But I did; even Ying is also like that, she is in the 9th stage of the Spirit Astral Stage, on the verge of breaking through to the Heaven Astral Stage."

Ling Meiying looked at Zhao Ying, bewildered. "Ying? You also reached that stage in just two months?"

Chuckling, Zhao Ying gave a nod. "Yeah."

Ling Huang looked back at Chi Miya and Zhao Ying, amazed by their talents—the level that took them decades to reach... Zhao Ying and Chi Miya reached in just two months.

At this time, Xia Shenyi said, "You remember Tian's physique, right?"

Frowning, Ling Huang gave a nod. "Yeah, I remember you telling me that he has the most powerful physique in existence and having sex with him increases cultivation."

"But still... you gain more only the first time; the next time you do that, the energy will decrease, right? So this is still impossible in two months."

Xia Shenyi spoke with a faint nod. "Yeah, but here, Zhao Tian is getting stronger every day. As he gets stronger, the energy also increases."

"And his cu-ahem essence nourishes the meridians, strengthening them, and you can cultivate even quicker."

"With the help of array and Zhao Tian's essence, they reached this much in two months."

"O-Oh..." Ning Huang mumbled, contemplating in her mind.

Xia Shenyi's lips twitched. "Honestly, they should have already crossed the Heaven Astral Stage but Miya's been busy with her company and Ying was slacking off."

C-Crossed the heavens astral stage? Ling Huang and Ling Meiyi could only smile wryly as they are talking about casualties crossing the Heaven Astral Stage which is still a dream for many people in Zhenzhu.

Zhao Ying shrugged. "Why should I sit in one place, cross-legged, and cultivate when I have Tian'er? With him, I can cultivate happily in bed."

"Haha..." The others laughed upon hearing this and Xia Shenyi shook her head helplessly.

At this time, a doubt raised in Ling Meiyi's head "Sister Shenyi, if Tian dual cultivates with you, he can easily become stronger, right? You are from High Stars with powerful cultivation."

Xia Shenyi let out a deep sigh. "Yeah, but he promised me that he wouldn't dual-cultivate with me until he became stronger than me."

Ling Huang giggled "That's a pity. So only Sister Shenyi hasn't done the deed with Tian? It actually feels really good with Tian in bed."

Upon hearing this, a playful smirk appeared on Zhao Ying's lips. "No, Sister Huang. Sister Shenyi has already done it with Tian'er."

Hm? Xia Shenyi frowned, but then a huge blush took over her face as she remembered Chi Miya and Zhao Ying watching her have anal sex with Zhao Tian.

"N-No... Ying...." Xia Shenyi pleaded, as she didn't want to embarrass herself in front of the new women and damage the powerful big sister character she has created in front of them.

Seeing this, the smirk on Zhao Ying's lips widened. "What should I do?" Chi Miya smiled wryly, seeing Zhao Ying teasing Xia Shenyi.

Ling Huang was quite confused "How did Sister Shenyi already do it with Tian?"

Zhao Ying chuckled, not wanting to tease Xia Shenyi anymore. "Well, you will know someday."

\*ahem\* Xia Shenyi quickly coughed, dispelling the situation and changing the topic "Um, Miya, you are still not leaving for the pagoda."

"Yeah, yeah, I am leaving."

As she left, Xia Shenyi looked at Ling Huang and Ling Meiyong "You know what? Miya was not supposed to be a cultivator, as her meridians are not developed to cultivate when she was born."

Huh? Ling Huang and Ling Meiyong know the meridians that can conduct astral energy are gained in birth, when a child is born in a place with dense astral energy or if the family are cultivators.

"But she is cultivating now?"

\*chuckle\* "That's also because of Zhao Tian's essence nourishing her meridians."

"Ohhhhhhh." Both Ling Huang and Ling Meiyong were amazed to hear this as they came to know even more interesting things about Zhao Tian.

"Husband is really wonderful. As I said once, we are really blessed."

Ling Huang giggled "Yeah, But I wonder how many years it took for Tian to reach the 9th level of Emperor Astral Stage with his physique."

Zhao Ying smiled "Don't die from shock, but two months."

"WHAT?!" x2

Ling Huang and Ling Meiyong yelled in shock!

Only two months??? That's just frightening!

"H-He climbed all the way up from down to... 9th level of E-Emperor Astral Stage in just two months?" Ling Huang stammered still reeling in shock.

Ling Meiyong knows that his women are not much more powerful than him, so he must have reached that stage by his own cultivation. "T-Two months... I can't even think about it."

Here they are almost reaching a hundred years of age and still in Heaven Astral stage but this guy just skipped levels as if it were nothing in just two months?

If people in Zhenzhu heard about this, they would die on that spot in jealousy and would do anything to get him in their faction.

Ling Meiyong muttered "And he has control over all e-elementals."

Ling Huang's eyes quivered in shock. "What is he?"

Chapter 199: A date with the Queen!

Cai Luo's expression twisted into a deep frown and she raised her eyebrows, looking at the woman with brown hair and black eyes floating in front of her wearing black robes.

Her gaze shifted towards the woman's hands, which firmly grasped Zhao Tian's arm, their fingers delicately entwined together.

Ning Xue also narrowed her eyes, looking at the policewoman before her.

Cai Luo looked at Zhao Tian and said, "I never expected you would get a lover from Zhenzhu." She spoke, taking a glimpse at the woman's robes.

Zhao Tian just showed a faint smile and Cai Luo again turned her gaze to the woman, curiosity brimming in her eyes "What is your name? Which sect in Zhenzhu?" she asked as she looked through her cultivation.

Heavenly Astral Stage?

Huh? Ning Xue spoke, her tone dripping with arrogance "I don't think I need to say that to a random woman I just met."

The frown on Cai Luo's eyebrows deepened, as no one has ever talked to her like this and everyone respects her as the Battle Maiden. Even the Queen of Zhenzhu won't look down on her like this.

"It seems like you don't know who you are talking to."

Ning Xue scoffed. "Why do I need to know about a weak cultivator from the human world?" she spoke as Cai Luo is also hiding her true cultivation.

Zhao Tian chuckled in his heart hearing the conversation. Two arrogant women, who were at the pinnacle of cultivation, were talking to each other, hiding their cultivation.

Huh? Cai Luo was frustrated by the behavior of the woman and she was about to unleash her aura to show her place.

"Miss Cai, are you trying to threaten my woman?" Zhao Tian intervened, understanding her intention with a playful smile on his lips.

Cai Luo snorted, "That's because this lover of yours has a foul mouth."

Foul mouth? Ning Xue clutched her palm as a cold voice left her lips "I am only calm because Tian seems to know you; if not, I would have burned that mouth that dared to speak audacious words against me."

Cai Luo is not the one to back away and replied, "Try to burn my mouth and see how I slice you to pieces."

Zhao Tian facepalmed himself, seeing these women bickering. He moved his hand to Ning Xue's back as he gave her ass a tight squeeze.

"Hngh~" Ning Xue was startled by his sudden squeeze and turned her eyes at him, a faint blush painting her cheeks.

Cai Luo also noticed this and anger welled up in her heart but before she could explode, Zhao Tian said, "Miss Cai, I am on a date with my woman... so I hope you won't disturb us."

Ning Xue stayed silent, feeling his fingers fondling her ass.

\*swish\* Cai Luo saw Zhao Tian and Ning Xue vanishing from her sight and she gritted her teeth, feeling a pang of hurt in her heart.

"When did he go to Zhenzhu? When did he get a woman from there? Or.. he got her when she came to the human world?"

She has seen him hanging out with Chi Miya and being close with Mei Xiu; they are just normal humans. But... it bugs her heart to see him with a woman from Zhenzhu.

"Why is he with a woman like that from Zhenzhu? She is not that beautiful and not that powerful, but she is just so arrogant."

"And he is speaking up for her against me? Urgh, why did she choose that woman? I am way better than her in everything. This is frustrating." With a click of her tongue, she also disappeared.

Woman, your problem is that you are just jealous.

...

Zhao Tian and Ning Xue landed in a dark alley. Ning Xue pouted her lips "Why did you stop me, Tian."

Zhao Tian raised his hand, pinching her cheek "That's because you are getting into fights with every woman you meet."

His gaze then fell on a ring in her finger. "But still, I am amazed by this artifact."

Ning Xue smiled proudly "Yeah, this ring is great, right? By creating a powerful illusion, it masks my appearance, my aura and even my voice."

Zhao Tian frowned in his mind, wondering if he could recreate this artifact. Xia Shenyi would also be excited about this artifact.

Ning Xue looked around the empty street. "Where are we going now, Tian?"

Zhao Tian said, "First we have to buy you a couple of dresses, and later we can have lunch with a special surprise for you."

"Surprise for me?"

"Yeah, you will know at that time. Come, let's go."

And as they took two steps, Ning Xue suddenly halted. "Wait, Tian!" she muttered, quickly turning her head to the sky.

A slight frown appeared on her eyebrows as she used her astral sense and was quite confused.

Zhao Tian raised an eyebrow "What happened, Xue?"

"I just felt a strong presence gazing at us... but suddenly it disappeared and I couldn't sense that presence anymore."

Huh? Someone is following us? Zhao Tian narrowed his eyes and Ning Xue said, "Well, I will tell if I feel that presence again."

...

They quickly entered the mall and the people in the mall were surprised to see a woman wearing traditional robes.

Some people wondered if that was a cosplay.

Ning Xue doesn't mind, as she has been the center of attention for a long time as the Queen but still, she felt the gazes were quite weird, rather than in Zhenzhu, where people look at her in admiration.

At this time, a man walked near them with a digital camera in his hand. "Um, miss, the cosplay looks good, mind if I take a picture." he asked with a smile on his face.

Hm? Ning Xue turned her eyes at him and uttered coldly "Fuck off."

\*gik\* The guy shivered upon hearing her voice and quickly backed away "Sorry, Miss."

Zhao Tian and Ning Xue quickly entered the clothes section and even though quite bewildered by her outfit, they invited her in with a warm welcome.

....

Meanwhile, opposite to the mall, a middle-aged man wearing a black suit was standing atop a building.

Antony Evans glanced at the mall, a calm look on his face "So he is the Zhao Tian Young Lord mentioned and his girlfriend. Is that her?" he muttered under his breath.

"It is not nice to peek on a couple, you know?"

Suddenly, he heard a voice and he turned his gaze, looking at the policewoman, who was behind him on top of the building.

Antony Evans frowned his eyebrows looking at her "And it is also not nice to spy on other people like this. Who are you?"

\*swoosh\* A long red sword appeared in Cai Luo's hands and as the illusion collapsed, her light-blond hair fluttered in the air revealing her gorgeous face.

Her body adorned with a beautiful armor that leaves no place to show her skin.

"A dog from Lycan Syndicate sent to kill Tian. Sorry, you can't touch him when he is under my protection."

Chapter 200: A date in the mall!

Zhao Tian pressed his lips on Ning Xue, gently pushing her against the wall inside the dressing room.

Retracting the kiss, Ning Xue chuckled. "You know what? You are actually a pervert. You are kissing or touching my body whenever you have a chance."

Zhao Tian just smiled upon hearing this: "When I have a beautiful woman like you, of course I will be a pervert. Such a seductive body should not be left untouched."

Hearing the answer, Ning Xue was satisfied and Zhao Tian placed a kiss on her cheek, whispering in her ear, "And I am sure you like that."

Ning Xue playfully pinched his nose "Definitely yes... I like this pervert, but now is not the time; help me get dressed. We have a date after all."

"Just a little bit more." Zhao Tian muttered, gently biting her shoulder.

Ning Xue patted his head "How many little bits have you said in the last 20 minutes?"

She let out a soft sigh. "I have been getting used to your physique. At first, only looking at you turns me on, but I am used to it and controlling the urges."

Kissing her shoulder, Zhao Tian said, "Same with me," as he retracted his lips.

Ning Xue smiled and took the bra from the hanger. "This is the underwear for the chest, right?"

Zhao Tian gave a nod and took the white bra from her hand. "Turn around, I'll help."

"En." With a nod, Ning Xue turned around, showing her bare back and Zhao Tian placed the bra on her breasts, pulling it.

"Anh~" Ning Xue let out a soft moan as he pulled it tighter and with a chuckle, he loosened it, placing the hook. \*click\*

"Hmm, it feels better than dudou." Ning Xue muttered, feeling the soft fabric cupping her breasts and turned around, showing it to Zhao Tian.

"How is it?"

Zhao Tian glanced at her seductive cleavage, highlighted by her bra and the cute black mole on her right boob.

He gently poked her mole with his finger. "Looks good on you..."

"Haha..." Ning Xue chuckled and wore the long dress with the help of Zhao Tian.

Standing in front of the mirror, Ning Xue smiled. "Yeah, this looks great, right, Tian?"

"Yeah." Zhao Tian nodded with a smile, seeing the long black dress perfectly covering her body.

Ning Xue, adjusting her dress, spoke, "By the way, Tian, I saw many women walking around showing so much skin. Is it okay in your human world?"

Zhao Tian smiled wryly upon hearing this as he hugged her from behind. "Well, some people prefer to dress like that and some don't."

Ning Xue muttered, "That's quite weird," as Zhao Tian placed his chin on her shoulders and she caressed her cheek with his, looking at their faces in the mirror.

"Yeah, its weird." Zhao Tian chuckled.

Ning Xue spoke with a soft sigh. "I can't imagine someone other than you seeing my body."

Zhao Tian smiled as he remembered that Ning Xue doesn't even show her face outside, as she always wears a veil.

He again raised his hand, groping her boob over the chest. "Hey, you are being a pervert again." Ning Xue playfully said, looking at him.

With a smile, he kept fondling her because she was his woman. Why does he need to hesitate to touch her whenever he wants?

"Haha... Mmngh~ stoppp..."

...

After paying the bill, Zhao Tian and Ning Xue came out of the clothes section with some shopping bags in their hands.

At this time, Zhao Tian noticed a vending machine at the corner "Do you need something to drink?"

Ning Xue gave a slight nod and said, "En."

They walked to the vending machine and there were only a few people around. Zhao Tian retracted the shopping bags back into his storage ring.

Ning Xue glanced at the colorful bottles inside the vending machines "There are some different colors of water."

Zhao Tian chuckled faintly "This is called a vending machine. When you insert money and select the drink you want, you can get that."

As Zhao Tian took the credit card, Ning Xue was amused. So that thing is money?

After selecting the drinks, they rolled to the bottom and Zhao Tian took them in his hands.

"Here." Ning Xue took the fruit juice bottle in her hand and was impressed by the transparent plastic bottle.

Zhao Tian took his credit card back and said, "That's a juice made from the fruits." He knew she couldn't other drink so he just bought some fruit juice.

Ning Xue opened the bottle and brought the lid near her lips as she began to drink the juice. Taking a sip, she nodded her head "It tastes good."

Zhao Tian smiled and opened his drink. \*clank\* \*swish\* Huh? Ning Xue was startled by the foam that appeared from the can and swiftly took the drink from his hand.

"Tian, don't drink. its poison." She spoke, looking at the fizzling foam appearing out of the can.

-\_- Poison? Zhao Tian chuckled "Xue, it's a carbonated drink, not poison. You can drink that."

Ning Xue looked at the can in her hand, "Do you drink this sizzling foam water?" She asked taking a small sip.

"Hm.. its quite a strange taste but good. Here, I will drink this fruit juice."

Zhao Tian took the drink and began to drink it while she drank the fruit juice. He looked at the time and there was still time to reach the afternoon.

"Xue, let's go to the arcade."

"Arcade? What's that?"

"Come, you will know." Zhao Tian spoke, pulling her through the mall.

Ning Xue also glanced around the beautiful decorations and beautifully adorned shops on her way, amazed by human technology.

...

"Battle Maiden, Yu Hua?" Antony Evans muttered in shock, looking at the woman in armor.

\*swoosh\* Yu Hua disappeared from her place, slashing her sword at Antony Evans.

"Fuck!" But he leaped up from the ground, dodging her slash floating in the air.

\*swish\* He swiftly dashed through the air, trying to escape from there.

Yu Hua narrowed her gaze and \*swoosh\*
