

Honoured 221

Chapter 221: New hidden powers?

"Archon of the elementals!" Zhao Tian muttered under his breath, his fingers gently caressing the curves of Ling Huang, who was sitting on his lap.

"So I have absolute control over all elements?" Hearing his mutter, the others raised their eyebrows.

"Absolute control is an... overstatement." Xia Shenyi rolled her eyes at him.

"Hm..." Zhao Tian turned his eyes at her and frowned slightly.

"You have great control over your astral energy and can manipulate your elementals well, but the term 'absolute' is..."

"I have a feeling I can do this." Zhao Tian muttered in a low voice.

Carrying Ling Huang in his arms, Zhao Tian stood up "Then let's just test it."

"Test what?" Xia Shenyi asked with a raised eyebrow.

"My absolute control over elementals."

-- Ling Huang was totally confused at this point. What even is absolute control??

"Let's go outside." Xia Shenyi stood up and went outside.

Zhao Tian gently lowered Ling Huang to the ground and she turned to Shi Yixian "Um.. what is this absolute control over elementals>"

Shi Yixian turned her eyes at her and went outside.

sigh "Doesthiswoman nevertalk?"

...

In the grass field, Zhao Tian and Xia Shenyi stood against each other.

Huh? Are they going to fight? Ling Huang blinked her eyes in confusion.

thissh Suddenly, red flames illuminated Xia Shenyi right hand and they slowly moved, concentrating on her palm, manifesting into a ball of fire.

"Starting with the weakest?" Zhao Tian smiled and Xia Shenyi flicked her finger towards him.

swoosh The ball of flame instantly flickered from her pam dashing at Zhao Tian at breakneck speed.

Zhao Tian extended his hand showing his palm towards the flame ball and as it reached his palm, *woosh* it disappeared.

gasp A flash of surprise flashed across Xia Shenyi's face "He didn't use astral energy..."

"Amazing..." Shi Yixian muttered her eyes glimmering in awe.

"Um, what happened?" Ling Huang asked.

Shi Yixian turned to look at her and tilted her head "My Liege... has absolute control over elementals."

"I know that... what does absolute control mean?" Ling Huang asked blinking her eyes in confusion.

Shi Yixian spoke with her usual indifferent tone "It means, My Liege can control all elementals. Even if the elemental attacks is his opponent's he can still control it."

"The elementals won't hurt the Archon of Elementals himself."

Ling Huang was startled hearing this "Then he can control the elemental attacks of his enemies too?"

Shi Yixian gave a slight nod "Yeah..."

Xia Shenyi's lips twitched looking at Zhao Tian who has a smile on his face "You are a walking cheat code."

Hearing her remark, Zhao Tian chuckled faintly.

Xia Shenyi raised her arm and a magnificent flame swirled around her. *wooossh* A large vortex of flame appeared above her head.

"This time we are going for a slightly powerful attack."

Zhao Tian gave a slight nod and a soft mutter left Xia Shenyi's lips "Supernova"

swwoosh Looking at the hot blazing ring of fire inching near his face, Zhao Tian smiled wryly. Is this really a slightly powerful attack?

woosh As the swirling vortex hit him, the brimming flames disappeared in an instant. *booshh* But in the next moment, a surge of astral energy bellowed towards him.

Zhao Tian was surprised and used his instantaneous teleportation technique to disappear from there, dodging the burst of Astral energy.

BOOM The astral energy shattered the ground it hit obliterating the grasslands leaving a huge dent on the ground.

"Tian!""My Liege!"

Xia Shenyi and Shi Yixian instantly appeared near him and Xia Shenyi grabbed his shoulders "Are you alright?"

Zhao Tian gave a slight nod "Yeah..." he spoke as he glanced at the grasslands reverting themselves and changing into their former self.

"Was that the after-effect of the attacks?" Zhao Tian asked squinting his eyes.

Xia Shenyi spoke "No, it is the astral energy behind that attack."

"You dispersed the elemental energy but not the astral energy I used in that attack. As I am stages above you, you can't block that attack completely..."

"But when you reach my stage, this type of attack won't even harm you."

"I see.." he muttered softly, After absorbing the residual energy from the Golden Sun flame, he reached the 2nd level of Monarch Astral stage.

Now it can be said, that no one on Earth can attack him with Elemental attacks.

However, at this time, Zhao Tian remembered something and asked "Shenyi... do you remember the grey energy in the orb when we first examined my affinities."

Xia Shenyi narrowed her eyes as she recalled the sudden grey energy manifesting and devouring other elementals "Yeah..."

"Maybe that elemental is..." He murmured as he closed his eyes.

His eyelashes trembled as he concentrated his mind and he felt the powerful surge of energy flowing through his meridians.

With each passing moment, the energy seemed to grow stronger and more vibrant, pulsating with brilliance.

He took a deep breath as he tried to control the unfamiliar elemental, focusing his attention on the black energy swirling in front of him.

As he extended his hand to grab that energy...

thriiisssh *gasp* Shi Yixian's and Xia Shenyi's pupils dilated in utter horror as they witnessed the black energy oozing out of Zhao Tian.

rumblllle A deep, rumbling sound filled the air, as a dark aura descended upon the surroundings, causing everything to quiver with a sense of dread.

Suddenly the atmosphere became thick with malevolence, sending shivers down the spines of all who were present.

"Tia-" Xia Shenyi's body trembled as she felt her legs give in to terror, fear gripping her heart. *thud* She fell to her knees and tried to maintain her composure, her eyes quivering under the coercion.

She felt as if she was being pressed down by an overwhelming pressure and fear engulfed her heart. She slowly turned her eyes and saw Ling Huang already fainted on the spot.

Darkness!

Grasping the energy in his palm, Zhao Tian opened his eyes as a sigh escaped his lips.

HUH? But the sight in front of him startled him. Shi Yixian is standing in front of him, her intense cold red eyes peering at him.

The blade of the sword in her hand was just an inch from his neck and he could feel the coldness from the blade, her whole body shivering in fear, her eyes seeping with killing intent.

"M-My Liege...." Shi Yixian shuttered.

What happened? Zhao Tian moved his eyes to Xia Shenyi and saw her kneeling on the ground, gasping for air.

"Yixian, look after Huang'er. Shenyi!"

Chapter 222: Is that a fucking Elf?

Huff *huff* Xia Shenyi's chest heaved as she struggled to draw in each painful breath, the heavy darkness of the space pressing down on her like a suffocating weight.

Zhao Tian quickly crouched beside her "Shenyi."

Xia Shenyi raised her gaze and took a deep breath "Haah, I am alright," she muttered and Zhao Tian took hold of her shoulder, helping her stand up.

thud Zhao Tian turned his eyes and saw Shi Yixian kneeling in front of him, placing the sword in front of her.

"My Liege, I made a huge blunder today. I have raised my blade against My Liege, whom I should protect and respect. I will accept whatever punishment you inflict upon me."

Zhao Tian shook her head. "I will give the punishment later; now stand up."

Obeying him, Shi Yixian gave a nod and stood up. She then glanced at Ling Huang, who was lying beside her.

She gently bent down and took her body in her arms.

Xia Shenyi grabbed Zhao Tian's hands and spoke in a serious tone, "Tian, never ever use that darkness power again."

"A cultivator using the power of darkness is unbelievable. It is forbidden. Only Eldritchfiends are capable of manipulating this darkness."

Shi Yixian spoke in an indifferent tone, "I have a longhistoryofdefeatingEldritchfiends with myblade.Sowhen I felt the presence of elementaldarkness,myinstinctskickedinand I swung myweaponwithouthesitation."

Xia Shenyi clutched her forehead in bewilderment "Tian, the people in the higher realm will try to kill you just because of your physique."

"And if they came to know about your darkness elemental,. They would vow to kill you no matter what because the Eldritchfiends are hated that much. So, never show this power anywhere."

"And because of your physique, your darkness is quite potent."

A sigh escaped Zhao Tian's lips "Yixian, take Huang'er to rest."

Ling Huang was the first one to lose consciousness under the coercion of the darkness.

Xia Shenyi tenderly embraced Zhao Tian's arm, resting her weight against his shoulder. "Now, I am even more worried about you, Tian."

"Don't fret it."

He scooped up her in his arms and walked to a bench nearby on the grassfield. As he sat on the bench, he placed Xia Shenyi on his lap.

Xia Shenyi too rested her head on his shoulder, wrapping her arms around his neck, feeling the warmth from him.

Zhao Tian spoke, "Now that I remember it,. Shenyi, today I will be meeting that person from the High Stars in the Royal Palace."

Xia Shenyi raised an eyebrow "Finally, she is going to reveal it?"

Zhao Tian and Xia Shenyi already guessed what the 'miracle' could be that saved the Royal family from the coup.

A group of cultivators in the Monarch Astral Stage were wiped out in an instant. Who could do that?

And the advanced artifact technologies Ning Xue used during the competition and the ring which changes their identity.

And last, The Golden Sun flame. Empyrean flames do not born in a middle star.

And from yesterday's talk he has already concluded that the Royal family is hiding a powerhouse inside the palace.

Xia Shenyi spoke "So, where are you going to tell her about your physique and this artifact?"

"Soon..." He uttered gently sliding his hand inside her robes, as he began to remove them.

puff The top of the robes slid down from her shoulders revealing the gigantic boobs with a pair of cherry pink nipples top on them.

"This never ceases to amaze me..." Zhao Tian muttered as he raised his hand, sinking his fingers in the delicate flesh.

"Do you like it that much?"

"Yeah why not?" Zhao Tian asked, squeezing the overflowing boob in his palm.

"I always thought they were a hinderance to me.. hhngh~ but if you like them, then I am happy." she spoke a soft smile appearing on her face.

smooch Placing a soft kiss on her nipple, he opened his lips tenderly, sucking the pink bud with care and attention.

"Mmngh~!" Xia Shenyi moaned softly, closing her eyes feeling his soft lips on her nipple.

She arched her back slightly, allowing herself to fully immerse in the pleasure of his touch, losing herself in the blissful sensation that enveloped her.

"Tian, we should take it to bed."

Pulling back his lips from her nipple, he gave it a lick, moistening it "No, lets do it here..."

"Eh? here?" Xia Shenyi was dumbfounded.

"Yeah, dear... place you hands on the bench and spread your legs."

...

"Sister Xue, the secret?" Ning Zuiye raised her eyebrow in confusion.

"Yeah, you remember... Mom saying there is a secret in your Royal family and we will tell you when you get older?" Ning Xue who is sitting beside he on the bed replied.

Ning Zuiye frowned her eyebrows recalling into the past and nodded. "I remember... I even cried and made a tantrum at that time wanting to know the secret immediately."

Ning Xue couldn't help but chuckle and nodded her head "Yeah, that... now you have grown older and it is finally time."

"Ohhhhh." Ning Zuiye was excited to hear this and eagerly nodded her head "Okay, okay."

Ning Xue smiled softly seeing her excitement and at this time, Ning Zuiye asked "Sister Xue, is this related to the miracle... happened that day?"

Ning Xue gave a slight nod "Yeah, you will know when you see it."

...

Zhao Tian, Ning Xue and Ning Zuiye were walking through the dim lit hallways in the Royal palace and Ning Zuiye looked around in wonder.

"I never knew... such a place existed in our palace."

After a short walk, they quickly reached a grand door which has different structures of lock embedded in it.

Ning Xue stepped forward and moved some locks in the grand door.

feeen *creek* The gentle noise of a creek echoed through the air as the lock clicked open and the door swung ajar.

Zhao Tian's eyelids trembled as he felt a powerful presence lay inside the room.

tap The three of them entered the grand room. Zhao Tian raised his head looking at the stairs leading to an altar in the top.

And atop the altar, a woman is floating, sitting cross-legged. Her lustrous silver hair fluttering in the air, a cold expression on her face.

But what caught Zhao Tian's attention was her long pointed ears. Huh? SHE IS AN ELF?! THERE ARE ELVES IN THIS WORLD?

He screamed in his mind, looking at the ethereal beauty in front of him.

Freya Arianwen Everglade opened her eyes, her silver eyes glancing at the three people below.

Ning Zuiye was stupified. "Sister Xue.... her ears."

Freya Everglade's cold face broke into a faint smirk as she glanced at Zhao Tian. Seeing the expression, Ning Xue narrowed her eyes. Hm?

swosh Freya Everglade vanished from her place arriving in front of Zhao Tian, her silver eyes looking at him in amusement.

"So you are the brat this girl was interested in."

Seeing the growing smirk on Freya Everglade's face, Ning Xue's eyes trembled in shock.

'This is not... Sister Freya.'

Chapter 223: Two in one?

'She is not Sister Freya. Did she...?' Ning Xue narrowed her eyes, looking at Freya Everglade.

Meanwhile, Freya Everglade moved her face closer to Zhao Tian's, an amused smirk stretching on her cheek, a gaze of intrigue tinted in her eyes..

"Hm..." She mused softly as she raised her hand near his head, but Zhao Tian swiftly held her wrist, his gaze narrowing.

Freya Everglade glanced at his blue eyes "Don't worry, brat. I am not trying to harm you; if not, you would have already been dead."

Ning Xue raised her voice "Where is Sister Freya?"

Freya Everglade retracted her hand, glimpsing at Ning Xue. "She is sleeping for now."

"So you overtook her mind?" Ning Xue asked, squinting her eyes.

Freya Everglade gave a slight nod. "Its been so long since I came outside, and I came to see this brat."

"She seems so interested in this guy. Even me... hmm, he looks beautiful." She spoke with a playful teasing glint in her eyes.

Hearing her cocky tone, Zhao Tian raised an eyebrow "Xue'er, explain."

Ning Xue muttered, looking at Freya Everglade, who had a smirk on her face. "This is Freya Arianwen Everglade. A woman from the Elven star, one of the high stars."

"Her high star is among the pinnacle stars close to the Astral Realm."

Ning Xue continued, looking at Freya Everglade "But the one you are seeing now is not Freya Everglade."

"The body is Sister Freya's, but the one speaking is."

"Leya, Leya Arianwen Everglade." Leya Everglade spoke, keeping her cold smirk.

Ning Zuiye was hiding behind Zhao Tian, afraid of this weird woman standing in front of her.

Zhao Tian also had a narrowed gaze looking at the woman, 'Is this two soul inside one body like shit?'

And she is from a pinnacle high school. He remembered Shenyi saying that even among high stars, they are classified into three.

Early, median, and pinnacle. The pinnacle stars are closest to the Astral Realm. Meanwhile, the early are close to middle stars.

Xia Shenyi is also from one of the pinnacle high stars.

Ning Xue uttered, "You are not the real one; you are just a replica of her."

Hearing this, Leya Everglade scoffed, "Huff, I am the real one, not like that Freya, who is a scaredy cat."

Ning Xue spoke in a cold voice, "I did not bring Tian to introduce him to you... I wanted to show him to Sister Freya."

As she spoke, a swirl of golden flames covered her palm, a golden glint flashing across her eyes.

Leya Everglade looked at her in the corner of her eyes. "Little girl, you are trying to scare me with the flame you borrowed from me?"

"This is Sister Freya's flame, not yours."

Ning Zuiye couldn't catch up with the conversation and was totally confused.

Leya Everglade rolled her eyes at her and Ning Xue said, "So, leave and let Sister Freya in."

Leya Everglade shook her head "No, I am still curious about him."

"Yang physique, huh?" She muttered, leaning closer, her silver eyes brimming with curiosity.

flick Leya Everglade gently took hold of his wrist. "Bone age 21 and already in... 2nd level of Monarch Astral Stage."

Zhao Tian raised an eyebrow, as he didn't even notice when she clasped his wrist.

Ning Xue stood quietly, watching Leya Everglade's every move.

"Hm... your physique is so strong for a 2nd level of the Monarch astral Stage and your beauty is also great, especially your eyes." She muttered her eyes, looking into his blue eyes.

Zhao Tian pulled back his wrist from her grasp. "So you are the 'miracle' that killed the rebels during the coup 35 years ago."

Leya Everglade shook her head. "No, that's Freya... I mostly stay dormant inside her body as she cultivate. I got interested in you after seeing your face in the Envisage shard and wanted to meet you."

"Freya didn't know I would overtake her consciousness and let her guard down. So, I slipped inside her mind at that ti-."

gasp Leya Everglade's breath caught in her throat as she sensed the resistance of Freya Everglade within her, causing her eyes to widen in shock.

She struggled against the overwhelming feeling, muttering under her breath "Urghh, this bitch..."

Leya Everglade grabbed her head in terrible pain and seeing this, Ning Xue was startled. "Quick!" she yelled.

Hearing her alert call, Zhao Tian hurriedly grabbed Ning Zuiye and dashed out of the room. Following him Ning Xue also rushed out of the room.

thriiisssshh The instant they exited, a burst of astral energy swept from Leya Everglade's body, turning the whole room into ice as ice particles swirled in the air, enveloping the whole space.

thud Leya Everglade dropped on her knees, clutching her head, feeling the wteering pain "Argh!"

Meanwhile, Zhao Tian turned toward Ning Zuiye, who was gasping for breath in his arms. "Aunt Zuiye..."

She doesn't know what happened; she just blinked her eyes and she was out of the room. Because she is not a cultivator, the quick speed overtook her senses and body, and she felt nausea.

Ning Zuiye raised her head and she could feel the chilling cold just from here. "T-Tian, I am leaving. *cough* I can't stand." She shuttered.

Again, taking Ning Zuiye in his arms Zhao Tian glimpsed at Leya Everglade struggling on the cold floor "Xue'er, wait a minute... I am taking Aunt Zuiye to her room."

Ning Xue gave a nod cautiously, looking at Leya Everglade "Yeah, I have dealt with this three times before... so no worries."

...

tap Walking through the calm corridors, Zhao Tian glanced at Ning Zuiye in his arms "Are you okay now?"

Ning Zuiye nodded faintly, a small smile playing on her lips as she leaned into his embrace. The weight of her body against his chest "I am good... haah, I should start cultivation maybe."

Zhao Tian chuckled faintly and they soon reached her room. Placing her down, Zhao Tian showed a soft smile "Take some rest.... we can talk about that woman later."

Ning Zuiye let out a deep sigh and entered her room "En."

...

Meanwhile, "Urghhh!" Leya Everglade continued whitering on the cold ice floor, her screams piercing the air *fwiisshhh* But in the next second, ripples of crimson reddish flames consumed the whole room.

Under the immense heat of the flame, the ice quickly melted and evaporated into gas leaving behind nothing.

woosh As the smoke filled the room, Ning Xue hastily walked in "Sister Freya...."

"Huff... Huff..." Breathing heavily, Freya Everglade raised her tired eyes to look at Ning Xue, a faint smile spread across her lips "Xue'er."

Chapter 224: Its been 2000 years!

Letting out a soft sigh, Zhao Tian made his way towards the room, noticing the wispy mist of evaporating ice that hung in the air, enveloping the room.

As he entered, he saw Freya Everglade and Ning Xue sitting on the staircase below the altar.

And this time, he noticed some blood-red flowers at one corner of the room growing in a pool of blood.

Huh? Phoenix blood astralugus flower? So she got it from this woman? But the phoenix blood..

Ning Xue turned her eyes to him and Freya Everglade also raised her gaze. With a smile, Ning Xue introduced, "Tian, this is Freya Everglade. And Sister Freya, this is Tian."

Freya Everglade showed a soft smile "Nice to meet you, Tian."

Reciprocating her gesture, Zhao Tian smiled faintly and gave a nod. "The one I talked with just now..."

Freya Everglade could only sigh, "That is Leya Everglade, my split personality."

Leya was a part of her, aside that she could not control, aside that often took over and left her feeling lost and disconnected from herself.

'Bitch, I am the real one. You are my split personality.' Freya Everglade suddenly heard Leya Everglade's voice in her curse.

Freya Everglade replied in a calm tone "Leya, you know you are not real. You were only born because of my bloodline."

'Tch, but still, I am not weak like you...' Hearing this, Freya Everglade shook her head helplessly.

Zhao Tian slightly frowned "So you speak with Leya inside you?"

Freya Everglade nodded her head "Yeah, I can. But sometimes she can be annoying, though," she said with a faint giggle.

Zhao Tian noticed the contrasting personalities of Freya and Leya. One is chaotic and violent, while the other is soft and calm.

Ning Xue spoke, glancing at Zhao Tian. "Sister Freya has twin Phoenix bloodlines of both Fire and Ice Phoenix. Normally people get one of them but she got both."

Zhao Tian glimpsed over at the Phoenix blood astralugus flower "So, she created that flower from her own blood?"

Ning Xue nodded her head "Yeah... wait, you know about the Phoenix Blood astralugus flower?" she asked, quite surprised.

"Hm. I am the one who asked Ling Xin about this flower and she came to ask you at that time." Zhao Tian replied.

"Wha-" Ning Xue was startled, but after connecting the dots, she realized. Zhao Tian was the one who helped Ling Xin inside the Ancient Ruins.

So in favor, she came and asked her the Phoenix blood astralugus flower.

"So its for you after all." Ning Xue muttered under her breath.

"But... why did you need this flower?" Ning Xue asked curiously.

"I wanted to refine a pill for breakthrough." he replied with a smile.

Ning Xue couldn't help but smile wryly, that precious flower to refine a pill?

Freya Everglade looked at Zhao Tian curiously and feeling her gaze, Zhao Tian turned to look at her "Is Leya with you since you were born?"

Hearing this, Freya Everglade shook her head "No... my bloodline, if I used that power it burns my life energy and also corrupt my soul."

"I was not aware of this consequence and used my powers excessively... and the time I realized, it was too late."

"It corrupted my soul so much that it split into two, creating alternate personalities. A violent and careless personality."

"My twin bloodline also split into two. I can use Phoenix fire and Leya can use Phoenix Ice."

'Oi, I was there first... you got split from me. I am the real personality.'

Freya Everglade clutched her forehead in pain hearing Leya Everglade's yelling in her mind.

"Can you please be silent for a while?"

'Tsk!'

Zhao Tian squinted his eyes "But.. what are you doing here, on a middle star?"

Freya Everglade could only sigh hearing the question "I am the second princess of the Royal family in the Elven High Star. People rarely born with a Phoenix bloodline."

"But I was born with two and one of them is Fire Phoenix, which also has Phoenix flame... one of the Empyrean flames."

Huh? Zhao Tian raised an eyebrow. 'She has an Empyrean flame? But why the flame spirit has not appeared yet?'

'Maybe I should be beside her, when she uses her Empyrean flame? Just like the time with Xue'er?'

"So I was naturally hailed as a genius and I was spoiled so much. But years passed and I felt my bloodline and my powers becoming unstable."

"My mother noticed this and when she examined me, she found out that I am aging quicker than others and the bloodline is sucking my life energy."

"And my elder sister is exceptional with souls, she is the one who found out that my soul is corrupting."

"And Leya... was born."

'Freya was born, Leya was already there...'

--

With a shake of her head, Freya Everglade continued "And often I lose control of my bloodline powers. One time, I almost killed my older sister, who was checking the souls in my body."

"Sometimes Leya comes outside and causes chaos with her Phoenix Ice. The people who hailed me began to hate me."

"Despite my mother and sister's attempts to dissuade me, I made the decision to leave the High star because I no longer wish to burden them with my troubles."

"I roamed through the vast expanse of space, exploring countless stars in a desperate attempt to find a remedy, yet my efforts were in vain. And when I reached this star... I searched for a place with High astral density."

"As I came near Zhenzhu, my power again went abrupt and trying to control it, I lost my energy and fainted on the Astral beast forest."

"At that time, Xue'er came and saved me from there. As I spend more time here, she got attached to me..."

"So, I thought of staying in this middle star for a while."

Ning Xue chuckled hearing this "For a while? Its been 100 years since you came here."

Freya Everglade glanced at Ning Xue "For high realm cultivators like us... 100 years is short."

As she spoke she turned her eyes to Zhao Tian "So, what are you doing in this middle star?"

Zhao Tian narrowed his eyes and Freya Everglade continued "When Leya grabbed your wrist.. i saw your body constitution."

"You are not from this middlestar... heck, not even high star. You are from the Astral realm."

Zhao Tian let out a sigh and glanced at Ning Xue who has a shocked face "Tian... you are from Astral realm?"

Zhao Tian actually wanted to tell about his physique to Ning Xue alone but now here is this new woman who is also intrigued about his origin.

Hmm.. but at this time a sudden idea appeared in his mind.

"Let me show you guys a place." He muttered and Freya Everglade narrowed her eyes feeling a ripple in space.

swish Both of them appeared inside the artifact and Ning Xue was awe struck by the sudden display of beautiful nature "What just.... happened?"

Freya Everglade was surprised by the rich energy in the air "We are in high star?"

But then her gaze narrowed feeling two powerful presences within the space.

Xia Shenyi also sensed Freya Everglade and rushed out of the mansion.

swoosh As Xia Shenyi looked at the woman with long pointed ear, a flash of surprise cross her eyes.

"Freya... Everglade?"

Freya Everglade was also shocked to see Xia Shenyi "Xia... Shenyi?"

Their eyes narrowed at the same time a cold glint in their eyes.

wooshh They dashed towards each other at the same time aiming to attack.

"Its been 2000 years, bitch!"

Chapter 225: A reunion after 2000 years?

woosh *thud* Xia Shenyi and Freya Everglade's forearms clashed in the air as they looked at each other, a hint of confusion in their eyes.

"What are you doing here?" Xia Shenyi asked with a playful smile on her face.

swish They retracted back a few steps and Freya Everglade squinted her eyes "I have no idea; I just came here, and even I was shocked to see you."

swish Xia Shenyi again sprinted towards her, a red glint in her eyes as she thrust her palm towards her. "Seems like you were the one in the Royal palace."

Freya Everglade raised her arms to block her attack. *treik* Her palm hit her forearm and she was blasted away on the ground thrashing the grasslands. *boom*

The impact sent her tumbling across the ground, the blades of grass whipping around her as she struggled to regain her footing.

Ning Xue was startled by the abrupt fight between Freya Everglade and the new woman who suddenly appeared.

Zhao Tian was also surprised to see Xia Shenyi fighting Freya Everglade "They know each other?"

Getting totally confused by the things happening in front of her, Ning Xue glanced at Zhao Tian, desperate for answers. "Tian, what is happening? Where are we and who is that woman?"

Seeing the panic on Ning Xue's face, Zhao Tian spoke in a soft tone, putting his arm around her shoulder. "Xue'er, don't worry."

Ning Xue leaned on him and glanced at Freya Everglade, who was dashing towards Xia Shenyi for another attack. "But... Sister Freya is getting attacked." she was worried as Freya Everglade is in a weakened state right now.

Zhao Tian noticed the faint smile on Freya Everglade's lips. "They are just playing around. See, they both are smiling."

Ning Xue also saw her smile and Zhao Tian said, "Xue'er, this is a space artifact I have. Right now, you are inside my artifact."

H-Huh? Ning Xue was perplexed. "We are inside your... artifact?"

Zhao Tian gave a nod and showed the green pendant on his neck. "This is the artifact."

Ning Xue blinked her eyes processing the information and looked around at the beautiful grasslands and landscape around her.

"The whole place is inside this pendant?" *boom* *crash* Fighting noises echoed in the back and they again turned their eyes.

Reeling out of shock, Ning Xue asked, looking at Xia Shenyi "Then that woman?"

"She is Xia Shenyi, a woman from High Stars... trapped inside this artifact." Zhao Tian spoke, continuing to explain the artifact.

thoom Xia Shenyi's punch infused with fire elemental fell on Freya Everglade's abdomen and she was hurled off in the air her body twisting and turning before finally crashing back down to the ground.

Xia Shenyi narrowed her eyes "Hm? When did you become so weak? Are you slacking off in cultivation?"

cough Freya Everglade maintained her footing in the air and looked over at Xia Shenyi. "I am having a rough time, actually."

She again rushed toward Xia Shenyi, extending her hand for a swift punch. *thud* However, Xia Shenyi deflected the blow with her forearm and grabbed her wrist, throwing her in the air.

"Your body has gotten... weak. And where is your Phoenix Fire and Phoenix Ice?"

Xia Shenyi muttered as she raised her arm, a large number of arrows made of water appearing behind her.

woosh She lowered her hand and *sleech* each of the arrows cleaved the air, reaching Freya Everglade.

woosh *woosh* Freya Everglade moved around in the air, dodging all of the arrows, hearing Leya Everglade's yelling in her mind.

'Give your body to me, and I'll thrash her.'

Freya didn't mind her voice and a golden spear appeared in her hand. *sleech* The spear danced in her hand, slashing all the water arrows.

bloosh But in the next instant, Freya Everglade was inside a large water bubble, making her gasp for breath because of the water filled inside the bubble.

As she squinted her eyes and swiftly swung her spear in an attempt to exit the water, she found her movements hindered by the liquid medium, causing them to become sluggish and cumbersome.

'I got no other choice...'

thrissh A dark reddish golden flame swirled out from her body and the water bubble quickly evaporated under the scorching heat.

Xia Shenyi smirked, seeing the reddish flames around Freya Everglade's body "Its been a while since I saw your Emyreal flame."

A flicker of fire appeared in Xia Shenyi's hand as it enveloped her whole body "Let me see your Phoenix Ice next..."

Freya Everglade let out a sigh "I am afraid you can't see that today."

"I wonder why." She muttered looking at Freya Everglade's eyes.

As if knowing, both of them rushed at the same time "Just like the last move we made in the tournament." Xia Shenyi spoke, a grin forming on her face.

"And you lost." Freya Everglade said it in a mocking tone.

"Tsk!" A nerve popped in Xia Shenyi's forehead. "And you still have that foul mouth." she said, her lips twitching in anger.

"Talk about yourself."

woosh As they both rushed at each other at break neck speed, a burst of flame enveloped Xia Shenyi's palm.

Just like that, deep reddish flames wrapped on Freya Everglade's palm.

wooshhh Both of their palms collided in the sky and *boom* with a burst of astral energy, causing a deafening explosion that echoed throughout the entire area, sending shockwaves through the air.

Zhao Tian created a barrier around him and Ning Xue to protect themselves from the rubble and smoke.

"Urgh!" Xia Shenyi felt a numbing pain across her whole body and glimpsed at Freya Everglade flying away in the air because of her attack.

"Huh? Why is her attack... gotten so weak?" Xia Shenyi muttered under her breath.

swoosh However, Freya Everglade recovered from the attack and dashed near Xia Shenyi.

swish At this time, Shi Yixian came there and raised her head, looking at Xia Shenyi and Freya Everglade throwing hands in the air.

"Enemy?" Shi Yixian muttered, looking at Freya Everglade.

As Freya Everglade inched closer to Xia Shenyi, *flick* with a blur, Shi Yixian appeared in between them, the sword in her hand slashing towards Freya Everglade.

gasp Freya Everglade eyes shook in horror as she saw the cold blade closing towards her neck, her heart pounding in her chest "Wai-".

"Stop!"

A faint voice echoed through the air and Xia Shenyi, Shi Yixian and Freya Everglade felt a shiver run down their spine just from that voice.

Their bodies stopped moving as they continued floating the air, a faint glow on the black tattoo on their wrists.

Zhao Tian looked at the three women, the golden tattoo on his hand glowing.

This is the reason, he brought Freya Everglade inside the artifact. He knows nothing about her and it is dangerous to reveal his physique to her.

And she is someone very close to Ning Xue, so she will come to know about his physique somehow.

And she is already suspicious of him, asking if he is from the Astral Realm.

So he thought of pulling her into this artifact first and he had a small guess that she will get the black tattoo.

And as he expected she got a black tattoo while Ning Xue received a silver tattoo.

And now, she is under him in this artifact and she can't even leave here without his permission.

Chapter 226: Talk continues!

Xia Shenyi, Freya Everglade and Shi Yixian turned to look at Zhao Tian who was beside Ning Xue on the ground.

'What is the shock I felt just now? And my body... stopped moving to his command?' Freya Everglade narrowed her eyes looking at Zhao Tian.

'Moreover...' Freya Everglade moved her eyes to Shi Yixian who was floating near her, her face full of scars.

'Who is this woman? She looks damn... strong. Stronger than my Mom.' The sharp aura she felt when Shi Yixian appeared still haunts her.

flick Xia Shenyi and Shi Yixian appeared on the ground. Shi Yixian gave a bow "My Liege." while Xia Shenyi leaped and fell in his arms.

Zhao Tian caught Xia Shenyi in his embrace with a soft chuckle and Ning Xue squinted her eyes seeing this.

Freya followed them and stepped on the ground as she looked at Zhao Tian. a frown creasing her eyebrows "You are devious. You brought me in here to control me?"

Zhao Tian looked into her silver eyes "I am just being cautious because I don't want problems in the future because of you."

The frown on her face deepened "Problems.. because of me?"

Ning Xue was confused. "Sister Freya... what happened?"

Freya Everglade glanced at Ning Xue "Xue'er... this is a space artifact that belongs to him and now we are inside that artifact."

"This is like his own domain and it seems like... the people who enter will be under him." she uttered as she raised her arm and showed the black tattoo on her hand.

"So this is the thing that brands me under you?"

Ning Xue hurriedly looked at her wrist and there was a silver tattoo "Mine is a different color. Tian, what is happening?"

Zhao Tian was actually intrigued that Freya Everglade could quickly discern about the artifact. Xia Shenyi scoffed under her breath, her arms still around Zhao Tian...

"As always, the Elves are better at artifacts. Tian, even among the High Stars, the Elves have the most advanced technology and they earn by selling artifacts to other stars."

Zhao Tian gave a slight nod remembering the identity-changing ring and the broadcast artifact used during the competition.

Freya Everglade took a glimpse at the surroundings and spoke "But still... an artifact of this caliber is impossible for us."

Xia Shenyi raised an eyebrow "Then, the one who created it is... someone from the Astral Realm."

Freya Everglade looked at Zhao Tian and a sigh escaped her lips "So you are really from the Astral Realm?"

"And you deliberately gave me a black tattoo and Xue'er.. a silver tattoo, because she is trustworthy?"

Xia Shenyi spoke "You dumb woman. The tattoos are created by the artifact itself and Tian, with this, our second theory is correct, I guess."

He had two assumptions, one was that the woman he had sex with would get a silver tattoo and the other would get a black tattoo.

Or the person stronger than him gets a black tattoo and the person at his level or lower gets a silver tattoo.

Xia Shenyi spoke "The ones stronger than Tian get black tattoos and others get silver.." she said extending her hand and showing her black tattoo.

Shi Yixian also extended her hand showing the black tattoo.

Ning Xue was dumbfounded looking at the silver tattoo. "I am not stronger than Tian?"

Xia Shenyi glanced at Ning Xue "Don't underestimate this guy... your flames won't work with him and you have to go physical with him."

"And in physical strength... he wins."

Huh? But he is levels lower than me... Ning Xue was confused.

Seeing the talk getting off-topic, Freya Everglade spoke "But still, you brought us here with the intention of controlling me, right?"

Zhao Tian gave a nod "Yeah..."

Freya Everglade frowned and looked at how Xia Shenyi was intimately hugging Zhao Tian "And... I never expected that cold woman to hug a man like this."

Xia Shenyi's face darkened upon hearing this "What's wrong with hugging my man?"

Freya Everglade rolled her eyes "What happened to that guy who courted you for years... in your Sect, but you always gave him a cold shoulder."

Xia Shenyi clicked her tongue "That bastard and his whole Sect was aiming for my physique. It is my master who protected me."

Freya Everglade murmured, "Oh, I forgot you have the same physique as my mother."

Huh? But at this time, Xia Shenyi felt Zhao Tian's grip on her body getting tighter "Who is that guy?" Zhao Tian asked his eyes narrowing.

Xia Shenyi who knew how possessive Zhao Tian can be, spoke with a sigh "It is a guy from my sect... as Freya said, he courted me for years, but I didn't mind him."

"I see..." Zhao Tian noted this in his mind.

Xia Shenyi glanced at Freya Everglade "And what are you doing in a middle star? You are the one, the Royal palace hiding?"

Zhao Tian spoke "Let's just sit and talk."

Freya Everglade glanced at Ning Xue before nodding and they were still filled with many unanswered questions hanging in their minds.

...

Ning Xue and Xia Shenyi are sitting beside Zhao Tian on the couch as Freya Everglade and Shi Yixian sit on another couch.

"Hm.. Your soul got corrupted because of your bloodline and split into two?" Xia Shenyi blinked her eyes in shock.

Freya Everglade let out a resigned sigh and spoke "Even this bloodline is sucking my life energy and my body has weakened drastically."

"No wonder... you were so weak than the last time we fought." Xia Shenyi mused.

Freya Everglade could only shake her head helplessly "Yeah, after roaming many stars, I ended up here in this star."

"And when my power went out of control and I fainted, Xue'er helped me, and since then... I am inside the Royal palace helping her with the Phoenix Astralugus flower and I also used that flower to stabilize my energy."

"Hm, I see..." Xia Shenyi nodded her head in understanding, pondering the situation.

Freya Everglade raised an eyebrow curiously "But... now that I remember it, what are you doing here? The last time I heard about you, they said you disappeared."

Xia Shenyi raised her hand and showed the green pendant on Zhao Tian's neck "You know... I love artifacts. And this is the artifact we are in right now."

"When I first got my hands on this, I researched it and accidentally got stuck in it. And the artifact somehow got it in his hands..."

At this time, Freya Everglade remembered something "Yeah... I remember your Master and Sect people began to search for you and they found a pendant inside your research room table."

"But later the pendant was identified by some powerful people from Astral Realm and I heard they took it."

Huh?

Chapter 227: You are what?!

Huh? Xia Shenyi was dumbfounded. "You mean some powerful people from the Astral Realm took the pendant?"

Freya Everglade gave a faint nod. "Yeah, your master tried to search you with the pendant and... people from Astral Realm found it and took it from your master."

"They claimed it belonged to them."

Xia Shenyi turned her eyes to Zhao Tian. "Now that it's 100 percent confirmed, you are from the Astral Realm."

This made Zhao Tian even more curious about his background—about his mom and dad. A woman from Low Star and a man from Astral Realm.

How did they even meet?

It must have been between the three years Zhao Ning went missing from her home.

Xia Shenyi turned her eyes to Shi Yixian. "Do you know anything about this?"

Shi Yixian shook her head "No, I don't remember something like that. But, after staying inside that coffin for hundreds of years, I am slowly regaining my memories."

Freya Everglade glanced at Shi Yixian and asked, "Shenyi, who is she?"

Xia Shenyi replied, "She is from Astral Realm; now she is a slave to Tian."

Slave? Freya Everglade was surprised. "I see, that's why she looks strong," she muttered, glancing at Shi Yixian, who has a stoic face.

Zhao Tian looked at Shi Yixian and frowned. 'I will ask about that later, personally.'

With a sigh, he wrapped his arm around Xia Shenyi "Shenyi, you still haven't told me how you and Freya know each other."

Xia Shenyi and Freya Everglade looked at each other and Xia Shenyi giggled faintly. "This Freya Everglade here is the second princess of the Eleven High Star."

"Every 1000 years, there will be a Tournament held in Astral Realm, where young geniuses of many High Stars and even from Astral Realm will participate. The competition will be held in Astral Realm."

Zhao Tian was quite surprised "You have been to Astral Realm? But know nothing about that place?"

Xia Shenyi shook her head "No, we were never told any information about Astral Realm. During the tournament, ships will be sent from the Astral Realm to all the stars that were participating."

"I took the lead, representing my sect and star, with other disciples from my sect, and for Freya Everglade, she took the head of her Elven Star."

"We board the ships and we will be directly taken to our rooms, which are close to Arena. We are not even allowed to go outside of the premises."

Freya Everglade muttered with a sigh, "But the astral energy is richer and more dense than High Star. So I just cultivated sitting there."

Zhao Tian turned his head toward Shi Yixian, curiosity etched in his voice. "Yixian, is the astral realm different from a high star? Why are they trying to hide it."

Shi Yixian shook her head "No, My Liege... I don't remember anything that could potentially need to be hidden from high-star people in the Astral Realm."

"The Astral Realm is split into many dynasties and sects; there is nothing to hide."

Zhao Tian squinted his eyes. "I see. Why is the tournament even held? Just show off?"

Xia Shenyi rolled her eyes "Yeah, just a show-off by Astral Realm people. They conduct this competition and in the end, a disciple from the Astral Realm is going to win anyway."

"To show that they are more powerful than High Star people."

Xia Shenyi glimpsed at Freya Everglade "Since I have dual elements, which is rare in high stars and Freya too, having dual elements made both of us rivals in the public's eyes."

"We also thought it was a good idea and fought each other. But she had Empyrean flame and Phoenix Ice, while I only had normal flames and water."

"She overpowered me and I lost the fight."

"Well, we became friends later, but damn bitch, she never allowed me inside her star and didn't let me research any of their artifacts."

Freya Everglade winked her eyes "Not only you, we never allow anyone in our star... you see, someone might try to steal the artifacts and there are many secrets there."

Xia Shenyi's lips twitched. "One day, I am going to rip that star apart and research all those highly advanced artifacts of yours."

Hearing this, Freya Everglade chuckled and said, "Haha, you can't; you already know there is a powerful barrier placed around the star. You can't enter without my mom's permission."

Meanwhile, all the chuckling and bantering was happening, and Ning Xue stayed silent, listening to the conversations.

'Powerful woman.' She narrowed her eyes, seeing Zhao Tian casually draping his shoulder around Xia Shenyi.

She didn't expect him to have a powerful and beautiful woman like Xia Shenyi as his wife. She took a deep breath, controlling her emotions as she leaned on his shoulder.

"Xue'er?" Zhao Tian called, softly caressing her cheek as she rested on his shoulder. "Tian, are you really from the Astral Realm?"

Freya Everglade squinted her eyes "Elves see more than others and that's why I could easily discern that you are from the Astral Realm, but after hearing your talk, it seems that you yourself are unsure of where you originally belong."

Zhao Tian let out a soft sigh and Xia Shenyi chuckled. "Hm, its quite a long story. So, let me shorten it... Tian has the Honoured One physique."

Huh? Freya Everglade frowned at her eyebrows but then she realized and her eyes widened in utter shock.

"Honoured... One?" A mutter left her lips.

Hm? Ning Xue was confused hearing the name 'What is Honoured One's physique?'

Freya Everglade, still reeling from shock, narrowed her eyes. "Shenyi, do you know what you are talking about? That Honoured one physique? The one at the top?"

"Yeah..." Xia Shenyi gave a faint nod.

"This is not a thing to joke about, Shenyi. This joke would get him killed if he went to High Stars." Freya Everglade spoke in a serious tone.

Xia Shenyi couldn't help but chuckle. "Why would I joke, Freya? I don't see any point in lying to you about this matter."

"You know about my physique, right?"

Freya Everglade said, "The same as my mother's constellation physique... this physique owner can see through other people's physique."

As she spoke, she paused and took a moment to realize. Seeing the shock in Freya Everglade's eyes, Xia Shenyi spoke calmly "Even I was shocked to first see his physique."

"Because it was too good to be true, the rarest physique that could overthrow the limitation of the heavens itself is near me."

"The... rarest physique?" Ning Xue looked at Zhao Tian in amazement.

As the information sank in her mind, Freya Everglade was shaken to the core. The Honoured One physique? The young man in front of her?

But as Xia Shenyi said, she sees no benefit in lying this. Because she is under him now, and he can control her within this artifact.

Freya Everglade closed her eyes and took a deep breath. As she opened her eyes, she stood up and bowed her head. "It is an honor to meet you, the honored one."

Huh? "Why are you bowing?"

Chapter 228: About Honoured One!

Xia Shenyi was startled to see Freya Everglade lowering her head in front of Zhao Tian. Aren't they supposed to hate the Honoured One?

"Freya... why are you bowing?"

Zhao Tian was also confused to see her reaction.

Ning Xue who was already confused by all the things got even more confused "Sister Freya?"

Freya Everglade raised her head and looked at Zhao Tian fondly, a soft smile on her face. Zhao Tian frowned looking at her gaze.

"I thought... the people in High Star would kill me."

Freya Everglade spoke in a calm tone "This... is our Star's secret. So I hope you won't tell others."

Xia Shenyi gave a nod and Freya Everglade continued "In the past, when the first Honoured one existed, she saved from a storm of Eldritchfiends who wanted to devour our star."

"She killed all of them protecting us."

Xia Shenyi interfered with a frown "So you guys know that the first Honoured One is a woman?"

Freya Everglade gave a slight nod "Yeah... other High Star people don't know much about the First Honoured One, but at that time our ancestors had a direct connection with the Honoured One."

Xia Shenyi was surprised to hear this, she didn't even know the First Honoured One descended to the High Stars.

Freya Everglade continued "The truth is that, just as much as she is a battle maniac, she loves refining artifacts. She is the one who taught... our ancestors how to refine artifacts."

"She even created a powerful barrier artifact around our star to protect us from future troubles."

Xia Shenyi spoke with a sigh "So... that's why no one can enter your Star without your permission."

Freya Everglade glimpsed at Zhao Tian "That's why I am surprised to find out about the Honoured One. If my Mother comes to know about this, she will surely be happy. I am truly elated... to see you."

Ning Xue blinked her eyes in amusement hearing this, listening to the conversation she somewhat understand the uniqueness of his physique.

"You never told me about your physique... you just said that you have excess Yang energy."

She sulked her lips and looked away "Humph, hate you."

With a playful smile, Zhao Tian scooped Ning Xue in his arms and placed her on his lap but she was still mad, not making eye contact with him.

Zhao Tian gently turned her chin towards him and spoke "You know how dangerous it is if someone comes to know about my physique."

Freya Everglade nodded her head "Yeah, to my knowledge only our High Star respects the Honoured One. The others hate the Honoured One."

Ning Xue glimpsed at Freya Everglade "Why would they hate them?"

Freya Everglade sighed helplessly "They are just jealous, the first Honoured One broke the mortal limitations and ascended to Godhood."

"They just don't want that to happen again and powerful people don't want anyone to get stronger than them."

Godhood? huh? Ning Xue was bewildered as she lowered her gaze but then she scoffed "But still I hate you..."

Zhao Tian let out a soft chuckle "So, what should I do to calm down your anger."

A smile crept over Ning Xue's lips as she leaned in closer, her breath warm against his lips, "Then kiss me..."

Hearing her small request, he complied and kissed her lips. Ning Xue glimpsed at Xia Shenyi in the corner of her eyes showing a faint smirk, before kissing him back.

Hm? Did she just smirk? Xia Shenyi was dumbfounded.

But then she shook her head and glanced at Freya Everglade who was smiling wryly looking at the love birds.

"Do you know what happened to the Second Honoured One? I know they were killed when they were young and sit, you were standing till now."

(I am using they cuz we don't know what their gender is.)

With a nod, Freya Everglade sat back on her seat "The second one was thousands of years ago. As they were born in Astral Realm, my ancestors couldn't get in connection with them."

"But years later, we only reached the news that the Second Honoured One was assassinated by the enemies."

Xia Shenyi frowned her eyebrows "How do they even find out that they have a Honoured One physique?"

"Unless there is a person with Constellation physique like me, who can see through other's physiques."

Freya Everglade squinted her eyes "I think... the answer lies with 'The whole realm welcomes the birth of the Honoured One' that I heard about the Honoured One"

"The whole realm welcomes hm... what does that even mean?"

As she remembered another thing, Xia Shenyi asked "Did the first Honoured One has excess Yin energy in her body, because for Tian.. he has excessive Yang energy."

Freya Everglade shook her head "No, I didn't hear something like that about the first Honoured One."

Meanwhile, Ning Xue retracted the kiss and wrapped her arms tightly around his neck. "Tian, will you spend today night with me too?"

Zhao Tian sighed in his heart "I have already told you, Xue'er."

"No, this time we can go... till the end." Ning Xue spoke, a slight blush appearing on her face.

Hearing this, Zhao Tian smiled, a teasing glint in his eyes "I remember you saying that we don't need to rush, so let's keep it like that... after a few more days."

Ning Xue opened her lips, baring her fangs in his skin "You meanie."

Zhao Tian felt a sharp pain on his neck and as she retracted her lips, a visible bite mark on his neck was laced with her saliva.

Ning Xue grabbed her own boob "Do you remember the marks you left, now I am repaying that."

Zhao Tian chuckled faintly but, a smile appeared on his face *tap* *tap* Ning Xue heard footsteps and she raised her gaze as she saw a beautiful pink haired woman walking into the hall.

Zhao Ying was taken aback by the presence of two unfamiliar women, but it was Freya Everglade who truly captured her attention and sparked her curiosity.

"Eh? Is that a... cosplay? Wow, it looks real."

Zhao Tian chuckled hearing this "Ying'er, she is really an Elf from a High star."

Ehhhhh? Zhao Ying's eyes lit up and she rushed to sit near Freya Everglade, her eyes brimming with excitement. "Real Elf? Awesome..." she muttered, looking at the beautiful Elf.

Freya Everglade smiled wryly, not knowing how to react, seeing Zhao Ying being enthusiastic. 'Is she his woman?'

"Can I... touch your ear?" Zhao Ying asked intrigued.

H-Huh? Freya Everglade was startled and a faint blush painted her cheek "My e-ear?"

"Umu, Umu." Zhao Ying nodded her head heavily.

Seeing Zhao Ying being so excited, Freya Everglade felt unable to refuse and ultimately gave in with a gentle nod "Ok, but be gentle."

Zhao Yian raised her hand, gently caressing her ear. "Its long."

The blush on Freya Everglade's face deepened and she felt tickling sensation "Hmn.. be gentle I am quite sensitive there."

"Ohhhh." Zhao Ying couldn't help but giggle as she felt the gentle tickle of her fingers against her soft ear.

Ning Xue looked at Zhao Ying intently, 'Beautiful, but weaker than me...'

Freya Everglade glanced at Zhao Tian "You have a...Hmng great artifact, people can come and go." she said, as she hadn't sensed Zhao Ying till now and she suddenly appeared.

Hm? artifact... Zhao Tian narrowed his eyes "Maybe this artifact is actually created by the first Honoured One?"

...

Chapter 229: Want to know about physique?!

"Maybe this artifact is actually created by the first honored One?"

Hearing Zhao Tian's words, Xia Shenyi and Freya Everglade turned their gazes towards him.

A deep frown crept on Xia Shenyi's face. "Perhaps..."

Thinking about this, Freya Everglade also agreed with a subtle nod. "I also think she made this because, an artifact of this caliber is not a simple thing to make."

Xia Shenyi looked at his neck and frowned "Tian, I researched that artifact for days and I couldn't find anything about it. And later, I got sucked into it..."

"But it instantly recognized you as the master, maybe the first Honoured One made this for the one who would have this physique in the future."

Upon hearing this, Freya Everglade gave a contemplative nod "That's possible..." she muttered.

Zhao Tian thought in his mind, 'So that woman created this space to train, and cultivation techniques and weapons for the future inheritor of the Honoured One?'

Meanwhile, Ning Xue was just relishing Zhao Tian's warmth, closing her eyes as she lay on his arms while Zhao Ying continued playing with Freya Everglade's ear.

"Tsk!" Freya Everglade clicked her tongue as she turned her gaze to Zhao Ying who was caressing her ear and her eyes narrowed.

"Girl, take off your hands." a cold voice escaped her lips.

H-Huh? Zhao Ying was startled by the sudden change in tone and quickly retracted her hands.

She blinked her eyes in shock as Freya Everglade went from cute to scary.

She knows a woman's mood swing is crazy... but this is just absurd.

Xia Shenyi narrowed her eyes. "So this is her corrupted soul's consciousness?"

"corrupted... soul?" Zhao Ying raised an eyebrow.

"Yeah, Freya's soul got corrupted because of her bloodline and a split personality was born."

Leya Everglade spoke, her eyes glimpsing at Xia Shenyi "I am the real one, Leya Everglade."

Xia Shenyi amused by her response, "Yeah, sure..."

Leya Everglade then turned her gaze towards Zhao Tian, a hint of intrigue in her eyes "So you are the Honoured One, huh?"

While murmuring softly to herself, she rose from her seat and approached him, extending her hand delicately towards his face.

flick But she stopped as she felt a chill near her neck and her heart shook in horror. She turned her eyes to Shi Yixian, who has the long blade on her neck

Shi Yixian's gaze narrowed with a cold glint "I feel like you have malicious intent towards My Liege."

Leya Everglade muttered, "I don't, I am just curious about him."

Zhao Tian spoke "Yixian..."

Understanding her Liege's desire, Shi Yixian retracted her sword and sat back on her seat. Zhao Ying is also looking at Freya Everglade curiously, as she felt it is amazing to have two souls in one body.

"Move." Leya Everglade tried to push Ning Xue from Zhao Tian's lap and anger seeped in Ning Xue's heart "Bitch, let go."

"HUH?" Leya Everglade raised her voice, hearing the word bitch *gik* but in the next instant, her whole body froze as she stood there, not being able to move an inch.

The golden tattoo on Zhao Tian's wrist glowed faintly "This is one of the future troubles I am talking about."

Leya Everglade gritted her teeth in anger as she couldn't move her body and she doesn't like to be restricted under someone.

Patting Ning Xue's head who was leaning on his shoulder, Zhao Tian asked "What are you curious about."

Leya Everglade felt that she could only move her lips "Brat! Let me go."

Xia Shenyi chuckled faintly. "Until you get rid of that tone, you would stand there."

Zhao Tian sighed in his heart. Why do I need to discipline this violent woman?

Meanwhile, Zhao Ying turned her attention to the woman sitting on Zhao Tian's lap. With a guess she asked "Are you the Queen of Zhenzhu?"

Ning Xue looked at Zhao Ying and gave a faint nod. "I am."

Zhao Ying giggled "So you were the 'bitch' Sister Huang was talking about."

H-Huh? Ning Xue's lips twitched hearing this, bitch? her? "That woman... see what I am doing to her, the next time we meet."

Zhao Ying laughed and seeing her laugh, Ning Xue squinted her eyes and asked in a solemn voice "And you are?"

Not minding her behavior with a smile, Zhao Ying said "I am Zhao Ying."

Hm? Zhao? Ning Xue turned her eyes to Zhao Tian and Zhao Ying giggled "I am his big sister."

'So, not his woman?' Ning Xue was kinda relieved that she is not his woman. 'Then other than this beautiful woman and that Ling Huang, how many women are there?'

slap But she was snapped out of her thoughts by a sharp slap on her ass and startled by the spank she glanced at Zhao Tian.

"Tian?"

Groping her ass cheeks tightly, Zhao Tian whispered, "How many times, have I told you.... don't act like a Queen."

Ning Xue sulked her lips "I don't know how else to act, I have always been like this..."

Zhao Tian shook his head helplessly seeing her behavior and Leys Everglade just stood there like a statue not showing any movements.

Realizing that she was powerless against him in this artifact, she took a soft breath "I want to know." she spoke, the arrogance in her voice fainting.

Zhao Tian withdrew his restriction on her and asked "What do you wanna know?"

"I want to know what uniqueness this Honoured One physique has compared to others."

Xia Shenyi let out a sigh. "So, that's what you want to know huh... I am sure even Freya is hearing this, so let me say."

"He can cultivate quickly compared to others and the cultivation you are seeing right now, he achieved that in 2 months."

2 months? A surprise flashed across Leya Everglade's face and Ning Xue's jaw dropped. Wtf? In just 2 months?

Xia Shenyi rolled her eyes "Well, he also did many other things to reach this cultivation quickly. His physique can quickly absorb astral energy than others."

She is saying that not just for Freya but also for Ning Xue to know more about Zhao Tian.

"He can do dual cultivation with a woman and absorb the Yin energy from her."

Leya Everglade narrowed her eyes "Isn't that an Evil cultivation technique?"

Xia Shenyi replied "In other dual cultivation techniques, the one who uses it must suck the vitality and life energy of the other to cultivate."

"But his dual cultivation can benefit both him and his partner."

Leya Everglade was amused upon hearing this and Ning Xue just sat there, blinking her eyes in shock looking at Zhao Tian.

"And of course, Tian has control over all elementals."

Even Leya Everglade was bewildered hearing this "All six elementals?"

"Tian you are..." Ning Xue muttered in disbelief and Zhao Tian showed a faint smile "There is still more..."

swoosh At this time, a part of golden flame left her body and landed on the floor, manifesting a cute golden fire spirit.

"My Lord... nice to see you again." a cute feminine voice rang through the room.

"He is the Archon of Elementals."

Chapter 230: A book?!

Huh?! Leya Everglade, Zhao Ying and Ning Xue were dumbfounded to see the adorable fire spirit and Ning Xue muttered, "My Golden Sun flame..."

With a faint smile, Xia Shenyi spoke "He is the Archon of elements, which means he has absolute control over elementals."

"When I say absolute control, it really is absolute, he can control anyone's elemental attacks... even yours."

Leya Everglade's eyes widened in shock *thrissh* but then a small, sharp ice glacier materialized in the air beside Leya Everglade.

sllleesh Tearing through the air, it inched closer to Zhao Tian however, just as it was about to reach him, it suddenly exploded into fragments.

"What the-" Leya Everglade muttered in bewilderment, looking at Zhao Tian, who had a faint smile on his face.

He just broke it like that? Phoenix Ice? Ning Xue herself couldn't match against that stronger ice... but he shattered them.

Her mind still reeling in shock, she glanced at the fire spirit on the ground "The fire spirit..."

"Ahhhh, cute..." Zhao Ying exclaimed in joy and quickly got down from the sofa, crouching down near the fire spirit to touch it.

hiss But the spirit hissed at Zhao Ying and rushed towards Zhao Tian "My Lord..."

With a smile on its face, the spirit playfully hopped up on his thigh and then jumped on his shoulder reaching near his face.

"My Lord..." the spirit mumbled in an affectionate tone rubbing its cheek on Zhao Tian's face.

Zhao Tian chuckled softly and Zhao Ying sulked her lips "Why does it not allow me to pet it?"

Xia Shenyi smiled wryly "Because you are not the Archon of Elementals. Tian is..." she said as she tried to pat the fire spirit.

hiss But the spirit sneered at her, not letting her touch it and Xia Shenyi could only sigh.

"This is not fair, why only Tian'er?" Zhao Ying pouted her lips and scoffed.

"Maybe I could because it's my flame." Ning Xue who was on Zhao Tian's lap tried to touch the spirit.

hiss But the fire spirit still hissed at Ning Xue even though she was the master.

"U-Uh? You are my flame..." Ning Xue pointed her finger at the flame spirit. *baah* The fire spirit responded playfully by sticking out its tongue, causing Ning Xue's lips to twitch in anger.

Meanwhile, Leya Everglade got even more curious "A flame spirit and it is that of an Empyreal flame... Interesting."

"So it took a form to see the Archon of Elementals?" She muttered as she tried to touch the flame spirit but it again hissed at her.

Not minding that, she grabbed the flame spirit and took it from Zhao Tian's shoulder. *hiiiiiss* The flame spirit burned brightly and Leya Everglade muttered "Stay silent..."

Zhao Tian was stunned as the flame spirit burned in golden and the flame immediately spread over Leya Everglade's body.

swoosh In the next instant, the clothes on Freya Everglade have burned away into nothingness, leaving her completely naked.

Curvy boobs, with a pair of pink cherries, a seductive waist and as his gaze dropped, he could spot faint silver hair near her crotch.

GYAAATTTTT!!!! Zhao Tian could hear himself screaming in his mind as he was captivated by the seductive body in front of him. Damn! Elves are hot!

Leya Everglade's face instantly turned bright red and she gritted her teeth in anger "How dare you..." she squeezed the flame spirit in her hands, her anger palpable in the air around her.

swish But the flame spirit slipped away from her grasp and ran away on the floor.

"Wait you..." Leya Everglade's anger flared as she yelled and ran towards the flame, as she was more angry than being embarrassed. Zhao Tian could see her boobs jiggling as she ran and he took a deep breath, controlling himself.

Zhao Ying and Xia Shenyi laughed heartedly seeing the banter happening in front of them; meanwhile, Ning Xue hurriedly closed Zhao Tian's eyes "Don't see it.. Tian."

"Damn it..." Leya Everglade cursed under her breath as she leaped over the couches trying to catch the naughty flame spirit running around the hall.

"Ah!" But a sudden red glint flashed on Leya Everglade eyes and her eyes rolled up falling unconscious but before she could, she balanced her body.

Huh? Confusion clouded Freya Everglade's mind as she glanced down at her naked body and the three women gazing at her. She also saw what had happened until now from inside Leys Everglade.

Huh? Huh? Huh? Huhhhhhhhhhhhhhhh? Freya Everglade's eyes trembled in embarrassment and smoke began to boil up from her head utterly mortified by the current situation.

"NOOOO!!!" She dashed out of the mansion.

...

Zhao Tian couldn't help but chuckle at the sight of Freya Everglade, who sat across from him, her face buried in her hands and cheeks still flushed.

After a few moments of hesitation, she gradually unfurled her fingers and lifted her eyes to meet Zhao Tian's gaze. "D-Did you saw that?"

Zhao Tian just stayed silent showing a wry smile.

"Say something, you being silent is making me more embarrassed." Freya Everglade spoke with a bashful tone.

"What can I say? Thanks for the show?"

"NOO!!!" Freya Everglade exclaimed and she is well aware that Zhao Tian saw her in her bornday suit.

Xia Shenyi reassured "Don't worry Freya... Tian has seen mine too.. haha."

"That's not reassuring at all."

Xia Shenyi laughed hearing this and Ning Xue could only sigh in her heart as she whispered to Zhao Tian "Did you saw?"

"Well, of course..."

"Perverted bastard."

Zhao Ying looked at Freya Everglade, who was still embarrassed "But why do you have two souls in your body?"

Freya Everglade replied with a soft sigh "Its because of my Twin Phoenix bloodline of Fire and Ice, my soul got corrupted and split into two."

Huh? Zhao Ying raised an eyebrow "Twin Phoenix, I remember seeing a book related to this in warehouse."

"WHAT?!"

Freya Everglade was shocked to hear this, and stood up from her seat "You saw that?"

"How?"

"Where?"

"When?"

"Um, in warehouse..."

Freya Everglade hurriedly spoke "Take me there."

Zhao Ying looked at Zhao Tian and seeing him nod, said, they walked towards the warehouse.

...

Freya Everglade's hands trembled, looking at the book in her hand. "T-This is it."
