Chapter 231: You both can leave!

"Woah!" As they walked into the warehouse, Ning Xue and Freya Everglade were completely taken aback by its sheer size and the number of books stacked there.

The flame spirit on Zhao Tian's shoulder also looked around in confusion, glancing at it Zhao Tian said, "Don't burn any books."

The spirit nodded its head obediently. "Yes, My Lord..."

Xia Shenyi looked at the flame spirit curiously. "Tian... what about Freya's Empyrean flame?"

"Hm?" Freya Everglade turned her head and spoke "My Empyrean flame is with my bloodline, so I think it won't be separated from me."

"Let's try it." Zhao Tian said and Freya Everglade turned her eyes to Zhao Tian still feeling embarrassed about the things that happened.

Noticing this, Xia Shenyi smiled "As I said, don't worry... it's not like Tian hasn't seen them before, he has seen many of his women."

"He might have probably forgot it by now, right Tian?"

Zhao Tian smiled, looking at Freya Everglade's body from top to bottom and said teasingly "No, I remember every curve and that mole on your abdomen."

"NOOO!!!" Freya Everglade yelled as she buried her face on her palms, steam boiling from her head so embarrassed hearing his words.

Eh? Zhao Tian felt a sharp pain on his waist and turned his head to look at Ning Xue who was looking at him angrily, pinching him.

"You have remembered her body?"

Zhao Tian gently pulled her into his arms and smiled "I also remember yours... I didn't forgot the mark I left here." he muttered, as he gently cupped her right boob.

Smiling, Ning Xue wrapped her arms around his neck, a playful glint in her eyes "Then... where are the moles in my body?" she asked leaning closer to him.

"The one behind your neck, the one on your right boob, the one on your thigh..."

Huh? Hearing him speak, Ning Xue was startled "You remembered all of them."

Zhao Tian just chuckled and softly kissed her lips. Closing her eyes, Ning Xue reciprocated the kiss her fingers delicately grabbing his hair.

"O-Ohh" The fire spirit on his shoulder cutely closed its eyes with its hands looking at the intimate scene.

Xia Shenyi shook her head helplessly as she saw them making out right in the way of the warehouse.

Then she turned her eyes to Freya Everglade who was sighing heavily. Letting out a chuckle, Xia Shenyi moved towards her wrapping his arm around her shoulder.

"Now, Now.. don't worry. Because of his physique, he has big brain that's why he easily remembered."

Leya Everglade screamed 'How shameful this is... tsk'

Freya Everglade yelled in anger "Its because of you, damn woman."

'Its that fucking flame spirit not me...'

Freya Everglade facepalmed herself and she could only sigh because she couldn't just delete her picture from his mind.

Zhao Ying who was searching for the book chuckled seeing the banter.

At this time, Zhao Tian and Ning Xue broke the kiss. Xia Shenyi spoke "Now, summon your Empyrean flames."

With a nod, Freya Everglade raised her palm as swirling deep reddish flames appeared "This is my Phoenix Empyrean flame."

Zhao Tian narrowed his eyes looking at the Empyrean flame and nothing happened.

Freya Everglade spoke "As I said, because of my bloodline, the flame is bound to me and cannot be separated"

swoosh

However, a flick of reddish flame jumped from her palm and fell on the floor. It quickly took the form of a cute spirit kneeling in front of Zhao Tian.

"The Phoenix flame, one of the Empyrean flames presents itself behalf the Archon of Elementals."

A crisp cold feminine was heard and Zhao Tian raised an eyebrow 'Each flames has its own consciousness and personality?'

As the new flame spirit raised its gaze, its eyes narrowed looking at the Golden Sun flame spirit on Zhao Tian's shoulders.

"How dare you sit on our Lord's shoulders disrespecting him? you lowly flame!" The Phoenix spirit spoke in a cold tone.

Golden flame shuddered hearing this and clutched onto Zhao Tian's neck "Lord is okay with that, I am not disrespecting our Lord."

Zhao Tian frowned seeing the Golden spirit getting scared 'Is the Phoenix spirit powerful than the Golden Sun spirit?'

The Phoenix spirit was surprised and looked at Zhao Tian but at this time it felt a hand approaching it and moved, dodging the hand.

Freya Everglade crouched down near her Phoenix spirit "So you are my Empyrean flame?" her eyes brimming with curiosity.

The Phoenix spirit looked at Freya Everglade cautiously, its eyes narrowing. Freya Everglade muttered "I can still use my Phoenix flame unlike Xue'er who can't use golden sun flame after the spirit got removed."

The Phoenix spirit replied in a calm tone "Because I am bound with your bloodline. Golden Sun flame can be used by My Lord... but I can only be summoned like this by My Lord, he can't use my flame."

"That's the most regrettable part as I can't be any use for My Lord. Tsk!"

Freya Everglade spoke with a smile "But.. you can still be useful for me."

"Ah I found it!" At this time, Zhao Ying's exclaim reached Freya Everglade's ears and she hurriedly stood up running towards Zhao Ying.

"Where?!"

Ning Xue also followed Freya Everglade curious about the book.

The Phoenix spirit turned to look at Zhao Tian "My Lord, can I get the privilege to be on your shoulders?" it asked with a bow.

Zhao Tian gave a slight nod and the Phoenix flame hopped on his shoulders. It slowly inched close to his neck touching him "My Lord..." its voice grew softer.

...

Meanwhile, Freya Everglade's hands trembled as she held the book in her hands reading through the descriptions "T-This is it... what I have been searching for."

Ning Xue was quite confused "Sister Freya, what's there about your bloodline?"

Freya Everglade turned her shaking eyes to Ning Xue, her heart overwhelmed with emotions "The right cultivation technique to control my Phoenix fire and Phoenix Ice at the same time."

"If only I had this technique, my life energy would not have been sucked and my soul would not have been corrupted."

Ning Xue smiled in surprise "That's really awesome."

Xia Shenyi walked near them "That's really great, but nothing in this world is free."

Freya Everglade glanced at Xia Shenyi and gave a nod "What do you want in return?"

A smile appeared on Xia Shenyi's face "That thing in your hand will save your life, what can you give me in exchange for that?"

Freya Everglade squinted her eyes and a sigh escaped her lips "I... don't have anything right now to give you."

Xia Shenyi grinned upon hearing this "Your storage ring and access to all of your Eleven artifacts which is in your star in the future."

Huh? Freya Everglade was startled to hear this "The artifacts in our.. star?"

Zhao Tian also walked near them and Freya Everglade spoke with a soft smile smile on her face "I found the book I have been searching for years."

"Now, I don't have anything worth in my hand to give you.. consider this as a favor and in the future, you can ask me anything and if its within my power I will surely give you."

Zhao Tian gave a nod as the book is useless for him anyway and it actually belong to the First Honoured One maybe....

...

"Hm.." Zhao Tian munched down the grape as he lay on Xia Shenyi's lap and Xia Shenyi tossed another grape in his mouth.

Freya Everglade and Ning Xue are in one of the room still researching on that book.

Zhao Ying is sitting on the couch next to them using her mobile phone and at this time, Chi Miya walked in "Tian, I brought them."

Zhao Tian glanced at Fei Lingxi and Fei Ziyu who were also confused by the sudden call.

With a soft sigh Zhao Tian spoke "I got tired of your bodies, so I will take my seal and let both of you free."

"You both can leave."

Chapter 232: A desperate love!

A desperate love!

"You both can leave."

Huh? Fei Lingxi and Fei Ziyu looked at each other confused. Leave?

Fei Ziyu opened her lips to speak, "What do you mean by leave, Master?"

Zhao Tan turned his eyes to her. "As I said, I am taking my seal back and letting you guys go. You are not needed anymore."

A smile instantly spread across Fei Lingxi's face. "Then... we can go?"

Zhao Ying narrowed her eyes. "How much time does he have to say?" she said in a stern tone.

Fei Lingxi smiled bitterly. "Then the slave seal?"

"I have already removed it." He muttered, closing his eyes, and his head rested delicately on Xia Shenyi's lap.

Removed it? Fei Lingxi frowned suspiciously and murmured in her mind, 'I will kill Zhao Tian'. She clenched her teeth, bracing herself for the excruciating pain she anticipated, but to her surprise, she felt no pain at all.

'Huh? I will kill him.'

'He is not my Master.'

She was surprised to see there are no backlashes, so it is really removed!

"Haah!" She let out a soft breath, finally getting out of her slave cage.

Meanwhile, Fei Ziyu's heart sank upon hearing Zhao Tian's words 'Leave this... place?' her eyes trembled anxiously.

Xia Shenyi who was patting Zhao Tian's hair, raised an eyebrow "What about their cultivation bases and memory of this place, Tian?"

Zhao Ying spoke "No, Sister Shenyi, there is no need for that. Will you guys plot something against him?" she asked, glancing at them.

Fei Lingxi hurriedly shook her head. "I won't say anything about him or you. My lips will be sealed and I will never talk about it."

Chi Miya glimpsed at Fei Ziyu, who was visibly shaking. 'What's your decision, Ziyu?'

Fei Ziyu's heart clenched in fear and pain "N-No," a quiet mutter left her lips.

Hm? Xia Shenyi rolled her eyes to Fei Ziyu.

"NO!" Fei Ziyu screamed and the others were surprised by her sudden scream. Zhao Tian opened his eyes and looked at her nonchalantly.

Fei Ziyu hurriedly moved near his couch and kneeled on the floor, her head touching the ground
"Please Master, don't throw me... I want to be your slave."

This is the only chance for her to be with Zhao Tian and she doesn't want this chance to slip away no matter what happens.

Lately, she has observed a shift in his demeanor towards her, with a noticeable increase in warmth and a more frequent display of smiles in her presence.

So, she still has that glimmer of hope... that he will see her in a good light.

Zhao Tian spoke "Don't make me repeat myself... you both can leave."

Fei Lingxi was shocked to see her daughter kneeling in front of Zhao Tian to be his slave.

Wtf?

She quickly walked near her daughter and crouched beside her "Ziyu, what are you doing? We can go... why do you want to be his slave?"

But Fei Ziyu didn't raise her head and stayed in that position, her eyes quivering in nervousness that he will throw her away. "Please Master... I beg you."

"Ziyu!" Fei Lingxi raised her voice as she shook Fei Ziyu's shoulders but Fei Ziyu didn't move and again muttered "I beg of you, Master."

Chi Miya averted her gaze as she couldn't bear watching her suffer, while Zhao Ying was amazed by her dedication.

"ZIYU! What is this?" Hearing her yell, anger seeped within Fei Ziyu's heart and she replied "You shut up for a while, Mom."

H-Huh? Fei Lingxi was totally confused by this and clutched her head in pain. What the hell is even happening?

Xia Shenyi chuckled amusedly "This is the first time I have seen someone begging to become a slave, haha."

Fei Ziyu raised her head, looking at Zhao Tian "Master... did I do something that displeased you? If there is something... please order me."

Tears welled up in her eyes, a flood of conflicting emotions causing her heart to ache. "I will never do that thing again in my life. B-But please don't throw me." she muttered in pain.

Zhao Tian slightly narrowed his eyes and Fei Ziyu looked at him, in desperation "Please.. Master."

Zhao Tian closed his eyes and Fei Ziyu's eyes shook in horror "Master, No.. Master... please I beg you." she pleaded, her voice trembling with fear.

Her lips trembled as she spoke desperately "I will stay even more obedient to you... and I-I won't say no to anything in bed."

"You can do whatever with my body... torture me, ravish me, beat me... b-but please.. accept me as your slave. L-Let me... by your side." she muttered with heavy heart looking at his sleeping face.

Fei Ziyu is still clutching on the last string of hope to be beside him and get a small place in his heart.

She holds onto this fragile thread of possibility, unwilling to let go despite the odds stacked against her.

It's okay if she doesn't become his woman... but as long as she is his slave, he will at least touch her body and use her.

She doesn't even want him to have feelings for her, she... just wants to be close to him and see his soft smiles when he looks at her.

That's enough for her.

Fei Lingxi's eyes widened in shock "Don't tell me... Ziyu, you still love him?"

Fei Ziyu didn't respond to her and looked at Zhao Tian in hope that he will change his mind. But Zhao Tian didn't mind her and stayed closing his eyes comfortably.

'N-No...' The last glimmer of hope in her eyes began to fade as she saw Zhao Tian's nonchalant attitude and she felt despair.

She couldn't stop the flurry of thoughts in her mind 'What did I do wrong? That medicine garden? B-But I am taking good care of it and I let him do whatever with my body...'

'Wait maybe, Lady Ying... told him to?'

Fei Ziyu quickly knelt near Zhao Ying "L-Lady Ying, I have done everything you have told me, right?"

She raised her arms clutching Zhao Ying's legs "Please... tell Master to not throw me away, I will be a good slave from now on."

H-Huh? Zhao Ying's eyes creased in sympathy as she also felt a pang of ache in her heart seeing Fei Ziyu grabbing her legs and beg.

'Just... how desperate she is?' She could only sigh in her heart.

Chi Miya bit her lips, controlling her emotions and glanced at Zhao Tian who was sleeping peacefully.

'Tian, this is going past our plans.'

Chapter 233: Relieved?

Xia Shenyi spoke in a soft tone "Tian, open your lips..."

Zhao Tian laughed softly and parted his lips, ready to catch the next grape that Xia Shenyi was playfully throwing at him. "Hmm, that's the last grape..."

Xia Shenyi rolled her eyes and spoke "Now that I remember it, there was apples in the kitchen, let me go and take that."

Fei Ziyu raised her head "Lady Shenyi, let me go and get them." she hurriedly stood up and ran to the kitchen.

thud But as she rushed in a hurry, her foot slipped causing her to fall abruptly to the ground, landing on her face with a resounding thud.

"Ouch!" She grimaced as a sharp stinging sensation spread across her face, but she didn't let it deter her.

"I will go and bring them now." She showed a smile with tears in her eyes as she rushed to the kitchen.

Fei Lingxi let out a sigh of exasperation and followed Fei Ziyu into the kitchen.

As she left, Xia Shenyi took an apple from her storage ring "Hm, here, Tian."

Seeing this, Zhao Tian raised an eyebrow "You already have an apple?"

Xia Shenyi chuckled "Yeah, haha...."

...

Fei Lingxi entered the kitchen and saw Fei Ziyu desperately rummaging through the pantry in search of apples but she couldn't find any.

"Where is it? Where is it?" She searched through the fruits but she couldn't find any apples.

"Ziyu... do you know what are you doing?" Fei Lingxi asked, squinting her eyes.

"Don't just stand there; come and help me find the apples."

H-Huh? Fei Lingxi walked near her and grabbed her hand "Ziyu, have you gone crazy?" she asked in a stern voice.

Fei Ziyu squinted her eyes and Fei Lingxi continued "This is the only chance for us to leave before he changes his mind."

Fei Ziyu replied in a calm tone "This is the only chance for me to be with him and I will change his mind."

Anger raged in Fei Lingxi's heart as she spoke "Ziyu, did you forget what he did to us? How many days did he ravish us in the bed?"

Fei Ziyu scoffed sarcastically. "Huff, I was actually enjoying it, so you can leave... I am staying no matter what."

Fei Lingxi facepalmed herself "Ziyu... how can you love a man after all the things he has done to you."

Fei Ziyu looked away "I don't know."

Fei Lingxi took a gentle breath to calm down the anger in her heart, "Ziyu, listen to mother... we can forget all this nightmare and live a good life from now on."

"Eventually you will forget about him and I will marry you to- *slap*

A sharp slap fell across Fei Lingxi's cheeks and her eyes widened in disbelief as she felt the sharp, burning sensation on her skin, causing her to tremble with a mix of pain and anger.

Fei Ziyu's chest heaved up and down in anger hearing her Mom's words "Don't ever talk like that..."

Fei Lingxi gritted her teeth in anger and lashed out "You will suffer under him and he will never love you, Watch this happen." she said and walked out of the kitchen.

Fei Ziyu facepalmed herself but then she remembered her order "The apples!"

She quickly wiped away the tears on her face and began to search again for the apples.

...

Meanwhile, Fei Lingxi walked into the hall and looked at Zhao Tian "I want to leave now. You can send Ziyu later."

But she was surprised to see Zhao Tian eating an apple, Huh? When did he get the apple?

Zhao Tian glimpsed at Chi Miya as he munched the apple and Chi Miya gave a nod as some documents appeared from her storage ring.

Zhao Tian uttered "These are the documents for the ownership of your company, Miya has already signed them..."

"Now you can be the CEO of the company along with Miya's company too. Miya doesn't wanna be the CEO anymore."

Chi Miya has already talked with Chi Shui about selling the company anyway so its okay for her.

Fei Lingxi felt suspicious as Zhao Tian was too good to her, but she didn't mind that and took the documents "I will send the prize of your company later."

Chi Miya nodded her head and took Fei Lingxi out of the artifact.

Zhao Ying narrowed her eyes "Is it really a good idea to let her go like that, Tian'er?"

Hearing this, Zhao Tian gave a nod "Don't worry, she will crawl back to me."

Xia Shenyi spoke with a sigh "And seems like Ziyu is really... desperate for you."

Zhao Ying also gave a nod "I didn't know that she was this obsessed with you."

...

After a while, Fei Ziyu entered the hall with tears rolling down her cheeks "Master, forgive me... I"

Zhao Tian interrupted her "You can go back to your work at medicinal garden."

H-Huh? Hearing this, a flicker of hope appeared in Fei Ziyu's heart and a rush of happiness filled her heart "Master, d-does that mean..."

Zhao Ying nodded her head "Yeah, you mom already left so you are the only slave now, or do you also wanna leave?"

Fei Ziyu hurriedly shook her head "No, No, Lady Ying... I want to be a slave here."

Zhao Ying nodded hearing this "Hm, Now go back to your work."

A smile instantly bloomed on Fei Ziyu's face as she rushed outside the hall to the medicinal garden.

Letting out a sigh, Zhao Tian moved and sat on the couch. Xia Shenyi spoke "Now, we know she is loyal..."

"Yeah." Zhao Ying stood up and walked near Zhao Tian as she sat on his lap, wrapping her arms around his neck and her legs around his waist.

With a chuckle, Zhao Tian hugged her, taking her lips in a soft kiss.

A playful smile appeared on his eyes as he slid his hand into her tanktop, pulling it down revealing her blue bra.

Zhao Ying shook her head helplessly "Naughty as ever."

click Unhooking her bra strap, he buried his face on those heavenly cushions "Ying'er..."

Zhao Ying let out a soft laugh and affectionately patted his head as he leaned his head on her chest.

"Huh? what are you two doing?" At this time, a shocked voice was heard and Zhao Ying turned to see Ning Xue and Freya Everglade standing there with a 'wtf' face.

Chapter 234: A small challenge?!

Hm? Zhao Ying turned her head to look at Ning Xue and Freya Everglade, who were standing there with shocked faces.

However, Zhao Tian didn't pay attention to them and sank his face in his sister's boobs., not wanting to lose the blissful feeling.

With a playful chuckle, Zhao Ying said, "Don't mind it; its just my way of pampering him. He loves my breasts so much."

Ning Xue spoke with a confused frown on her face. "But, you are siblings; siblings don't pamper like this."

Zhao Ying nodded, still keeping her playful smile "I know, but I do... My little brother is a pervert, so this is the only way I can pamper him."

Ning Xue felt it was quite weird "This is your skin ship?" Freya Everglade was also perplexed by the situation.

Letting out a soft sigh, Ning Xue sat beside Zhao Tian. "But you don't have to pamper him like this anymore; I am his woman, so I can pamper him. You are his sister; its not appropriate."

As she spoke, she tried to pull Zhao Tian near her. "Come here, Tian, I will pamper you."

Zhao Ying narrowed her eyes but only then did she remember that Ling Huang said that Ning Xue has still not accepted other women in harem.

Keeping her playful smile, Zhao Ying spoke, "Ah, don't worry, I am also his woman, so I can still pamper him."

HUH? Ning Xue and Freya Everglade were startled to hear this. "You are his woman? But you are his sister."

Zhao Ying giggled "Well, one day while pampering him like this, he got so horny and we had sex. So now I am also his woman."

Wha-Ning Xue and Freya Everglade were dumbfounded and Xia Shenyi chuckled upon hearing her fake story.

Zhao Ying gently patted his head. "Well, what can he do? Its because of his Yang energy that he is so perverted.... well actually no, he is a pervert before even becoming a cultivator, always ogling at my body."

Still burying his head, Zhao Tian muttered "I can't resist my sister's sexy body."

Zhao Ying chuckled and patted his snow white hair even more "I know... Tian'er, you love me the most."

A frown creased Ning Xue's eyebrows seeing their interactions 'So she is his woman too? and his sister too...'

She raised her hand as she pinched his waist "You are so horny that you had sex with your sister? Actually... how many women are there? huh?"

Zhao Tian turned his head from the cushion and looked at her with a teasing smile "There are many."

Hearing this Ning Xue narrowed her eyes and Freya Everglade smiled wryly.

Zhao Ying asked with a smile "Queen Xue, you don't like Tian'er having many women? You hate us?"

Ning Xue looked at Zhao Ying and spoke without any hesitation "Yeah. He already has me... so, why he needs to have many women. I alone am sufficient, I am beautiful and I am Queen... what else he needs?"

Ohhh! Zhao Ying raised an eyebrow seeing her boldness, but then she chuckled "Queen Xue, let me tell you this."

"If you could satisfy Tian'er in bed, then I will stop being his woman and ask other sisters to step away from him."

Huh? Ning Xue squinted her eyes hearing this "Are you sure about this?"

"Damn sure." Zhao Ying nodded her head.

His skills in bed are that good? Ning Xue glanced at Zhao Tian curiously, while Freya Everglade could only chuckle wryly.

'What kind of challenge is this?'

Xia Shenyi also laughed seeing the banter and gently stood up from her seat "Well, I am going back to my room.. I got some stuff to research." she said as a storage ring appeared in her hand.

-_- Freya Everglade looked at her storage ring 'There goes my Elven artifacts and weapons.'

After she left Ning Xue glanced at Zhao Tian "Then, Tian we are doing it tonight."

With a chuckle, Zhao Tian shook his head "I already told you, let's deepen our relationship and I have spent the last two nights with you, so I am spending it with Ying'er today."

Ning Xue could only sigh and glimpsed at Freya Everglade "By the way, how to leave this place? Sister Freya need to study the technique even more and I also has to check on Sister Zuiye."

Zhao Tian gave a nod and took a ring from his storage ring. "Here..." He gently took Ning Xue's left hand and slid the ring in her finger.

"Beautiful..." Ning Xue and Freya Everglade mumbled at the same time looking at the gorgeous ring.

"With this, you can come in and outside of the artifact whenever you want."

Ning Xue smiled happily, not because the ring can bring her inside but because this is the first gift she has received from Zhao Tian.

"Thankyou, Tian~" she leaped to him and kissed him. Zhao Ying who is on his lap chuckled and Freya Everglade averted her eyes seeing Zhao Ying's exposed boobs. ahem.

As they left, Zhao Ying laughed heartedly "She really wants you all for herself, huh. I wonder what will her reaction be when she see all of your women."

As she mentioned all women, Zhao Tian muttered "Ah I want to go an meet, Xiu and Miss Cai."

Huh? Zhao Ying raised an eyebrow "I know.. Xiu, Its our teacher.. who is this Miss Cai?"

...

In the night-

Lying naked on the bed, Zhao Tian gently ran his fingers through Zhao Ying's pink hair which were scattered on his chest as she lay above him, her body pressed intimately against his, creating a sense of warmth.

He turned his eyes to look at his Mom, sleeping naked hugging the pillow.

smooch "Tian'er~" Zhao Ying showered Tian'er with kisses on his chest, each one filled with love and affection. As they cuddled closely, their bodies molded together in a warm and comforting embrace.

Their legs tangled together, making them feel even more connected and content in each other's arms.

"It's been a while, since we went on a date... maybe we should go tomorrow, Tian'er."

"Hm, will do..." Zhao Tian replied as he continued stroking her hair.

"By the way, Tian'er.. about Ziyu.. haah, I don't know what to even say, as a woman I feel bad for her but at the same time she also tried to kill me."

"What a crazy thought? She needs to kill me.. so you would love her?"

"That bitch is crazy, crazy over you, Tian'er... I don't why she is so obsessed with you, *sigh*"

"But it is true that she has changed recently and is a very obedient girl. She came to me and apologized... kowtowing."

"Hm? When?"

Zhao Ying giggled as she again gave a kiss on his chest "When you were enjoying your time with Sister Shenyi in the evening in the lake."

"And I felt really bad for her..."

"So I decided to treat her nicely from now on."

...

"Hhn..." Zhao Tian's eyelids fluttered open as his blue eyes shined and feeling a weight on top of him, he lowered his gaze and saw Zhao Ying tracing playful patterns on his chest with her delicate fingers.

"Bis sis..." Hearing his mutter, Zhao Ying raised her head, a smile spreading on her cheeks. "Good morning, Tian'er."

"Good morning..."

Zhao Ying moved her body, sitting on his chest and seeing her naked body, Zhao Tian smiled. "Want to do it right now?"

Zhao Tian kneeled, raising her ass from his chest and showing her pussycat. "Why not, Tian'er? No, let me take your first kiss of the day."

At this time, Zhao Suyin stepped into the room wearing only a bath towel around her body, her hair still wet sticking to her skin after her bath.

"Tian'er, good morning."

As she saw Zhao Ying leaning into kiss Zhao Tian, she yelled "Noooo, I will take his first kiss of the day."

She hurried and climbed on the bed, pushing Zhao Ying away from his face. Huh? Zhao Ying was surprised and looked at her mom. "Mom?"

With a mischievous smile, Zhao Suyin pulled the towel from her body, showing her seductive breasts for her son to see.

Throwing away the towel, she kneeled on top of him, her knees on both sides near Zhao Tian's face.

"Mom?"

Zhao Suyin moved her crotch down, bringing her pink pussy near his waiting lips. "I am going to take your first kiss of the day." Her eyes sparkled with desire as she leaned down, ready to claim what she desired.

As she spoke, she pressed her pussy on his lips, his face crushed by his plump thighs "Tian'er..."

Feeling the soft pussy pressing on his face and the fresh aroma after her bath, Zhao Tian lifted his arms, delicately grabbing her ass as he began to kiss and suck on Zhao Suyin's pussy.

"Hnngh~~ Tian'er..."

Zhao Ying's lips twitched seeing her mom take Zhao Tian's first kiss of the day with her lower lips.

"Damn, Mom..." Cursing under her breath, Zhao Ying moved downward near his crotch and gently grabbed his dick in her hand.

"It is still soft; I will make it hard." Zhao Ying mumbled before taking his cock in her mouth as she began her blowjob.

Chapter 235: Hello young ladies!!

"Haah..." Clad only in pants, Zhao Tian stepped out of the mansion, stretching his arms comfortably as he felt even more refreshed after a morning threesome with his sister and mom.

As he let out a sigh, he glanced at Fei Ziyu walking towards the medicinal garden, carrying a huge load of heavy books in her hands.

Curiously, he walked to her as she entered the medicine garden.

Fei Ziyu carefully set each book on the ground before squatting down, glimpsing at the small white flower that had grown in between some other plants.

"Hm.. what even is this herb?" she mumbled to herself as she took a book and began to search for that herb.

This morning, when she came to check on the medicine garden, she noticed this new and immediately wanted to know about it.

"What are you doing?"

Hearing a familiar charismatic voice, Fei Ziyu hurriedly turned her head and saw Zhao Tian standing beside her.

She hastily stood up and bowed her head. "Master... I was searching for that new herb that has grown here, so I could take the right step to take care of it."

"Don't worry, Master.. I have been taking good care of the herbs." she said with a soft smile on her face.

For her, this Medicine garden is the only thing that connects Zhao Tian and her, so she is very careful in this part.

Zhao Tian glimpsed at the small herb, which has a small white flower with nine petals. He squatted gently and seeing this, Fei Ziyu also squatted beside him.

"Master?"

Zhao Tian reached out to gently caress the white flower. "Ziyu, this is a nine-petaled haise flower."

Fei Ziyu was dumbfounded to see him calling her name and happiness flooded her heart and her brain short-circuited for a moment making her think, Is this real?

After a moment of stunned silence, she slowly blinked her eyes and regained her composure, and nodded her head "Y-Yes, Master."

Zhao Tian nodded back "Hm, this herb is used during the alchemy process as a small catalyst." He has some knowledge of herbs, as Xia Shenyi persuaded him to practice Alchemy.

As Zhao Tian continued to explain about the herb, Fei Ziyu listened to them patiently and memorized his every word.

She was constantly smiling while listening to his voice, which was soothing to her heart.

As Zhao Tian finished his explanation, Fei Ziyu smiled gently and said, "Thank you, Master..."

Zhao Tian cast a fleeting glance at the stack of books before him and frowned slightly. 'Maybe I need to make a storage ring for her?'

After a while Zhao Tian left the medicine and looking at the retreating figure of Zhao Tian, Fei Ziyu took a deep breath, her eyes moistening.

"He called me... by my name." a mutter left her lips.

...

"Lady Miya!!!" Zhao Ying rushed to Chi Miya's room, yelling in happiness as she opened the door.

Chi Miya who was about to remove her clothes, was surprised by Fei Ziyu's sudden entry. "What happened, Ziyu?"

As she gave the company to Fei Lingxi, she is not the CEO anymore and she doesn't have any more work pressure.

Fei Ziyu's whole face was brimming with happiness, and seeing this, Chi Miya giggled, "Seems like something good happened..."

Fei Ziyu nodded with a huge grin on her face "You know what? Master talked to me..."

"He looked at me, at my eyes, and talked... Ahh, his blue eyes were gentle looking at me."

"He actually talked to me for some minutes.. he was explaining about a herb. His voice was smooth, not stern or cold like other times."

"His expression was soft and his abs... Haah.."

Chi Miya chuckled at seeing Fei Ziyu going on about describing her talk with Zhao Tian.

"So you actually enjoyed it..."

Fei Ziyu hurriedly nodded. "Yeah, this is the happiest day in my life... This is already enough. I-I just want him to talk to me like this."

"Lady Miya, do you think he will talk to me like this hereafter, or maybe he is in a good mood, he was soft toward me?"

Chi Miya shook her head. "Don't worry Ziyu, even though he is cold... he is kind at the same time, He will gradually start liking you too."

E-Eh? A sudden blush painted Fei Ziyu's cheeks as she imagined being loved by him "L-Lady Miya.. don't joke, I hope this relationship continues... I shouldn't expect too much."

Chi Miya smiled teasingly as she went behind her "But it will be super good if he loves you too, right?"

The blush on Fei Ziyu's face deepened as she lowered her head "Y-Yeah, but... "

"Haha..." Chi Miya chuckled seeing her face and Fei Ziyu pouted her lips "Lady Miya, stop teasing me."

...

Zhao Tian and Zhao Ying were going through the shops in the busy city, laughing and teasing each other, making the other couples turn envious stares at them.

But they didn't know a pair of powerful eyes were watching them.

A man floating high in the air, his eyebrow creased with a cold frown as he muttered "So she is his girlfriend, huh? I need to kidnap her for my Young Lord."

"I will do that when that young man is not with her." *swish*

...

In the evening, Zhao Tian floated down from the air, reaching the apartments "Where should I go? uhhh... Miss Cai's coffee is better."

As he reached out to push the door, the door itself opened, and there stood a beautiful black-haired woman to welcome him.

Zhao Tian smiled gently "Miss Cai."

"Where did you go yesterday?" Cai Luo narrowed her eyes.

Huh?

...

Meanwhile at the same time, Zhao Suyin and Zhao Ying exited the store with grocery bags in their hands.

"We should have hired a maid to buy the ingredients." Zhao Ying muttered with a sigh.

Zhao Suyin chuckled faintly "I always come with Tian'er to buy grocery... but as he is busy this time, I called you."

As they walked near to their car in the parking lot, *swish* with a blur, a man appeared near the car "Hello young ladies, having a good evening?"

"Well, it won't be good anymore."

Chapter 236: Fuck off!

"Where have you gone yesterday?"

Standing on the doorstep of the apartment, Zhao Tian replied, "I was busy with my girlfriend," he said as he entered the apartment.

Walking past her, he casually made his way to the sofa and reclined comfortably, resting his weight against the soft cushions in a relaxed manner.

Cai Luo squinted her eyes and closed the door while walking inside the hall.

"What do you even like about her? She is not that strong or that beautiful." Cai Luo muttered.

Hearing this, Zhao Tian shrugged. "I don't know, but I like her."

Cai Luo took a glimpse at him and shook her head helplessly before entering the kitchen. "Coffee?"

"Yeah." Zhao Tian nodded his head and Cai Luo began to prepare coffee for him. Standing in the kitchen, she leaned back, took another glance at him and saw him scrolling on his phone.

A little later, she brought a steaming cup of coffee and placed it in front of him on the table. "Thank you..." Zhao Tian took the coffee cup and took a sip.

"How is it?" Cai Luo asked with a smile and Zhao Tian nodded his head. "It's great."

With a satisfied nod, she again went into kitchen and opened the refrigerator.

"Hm?" Zhao Tian looked at Cai Luo coming out of the kitchen with a small plate of cake in her hands and said, "Here." She gently placed it on the table.

A smile spread across Zhao Tian's face "Good.."

Cai Luo chuckled and took her coffee cup before sitting next to him on the couch.

Taking a sip of his coffee, Zhao Tian asked, "How is your body?"

sip Cai Luo rolled her eyes "My whole body is still aching, haah."

Zhao Tian squinted his eyes "Did you take the body-strengthening pills?"

Cai Luo nodded her head, sipping her coffee. "Yeah, I did... My body has gotten stronger but there is still pain."

"Hm? Maybe there is still impurities in your body?"

Cai Luo shook her head. "I don't know... hah. Sometimes I can feel my muscles getting stiff and crunchy."

"Crunchy?" Zhao Tian chuckled and Cai Luo smiled wryly "Well, I don't know how to explain that feeling."

They continued to converse, taking small sips of their coffee. *ring* Zhao Tian felt the mobile in his pocket vibrating.

He took the mobile from his pocket and looking at Zhao Ying's name, he attended to it and brought the mobile close to his ear "Ying'er?"

"Tian'er."

Huh? Hearing her stammering voice, Zhao Tian narrowed his eyes "Ying'er, what happened."

...

Zhao Ying and Zhao Suyin became cautious, looking at man standing in front of them, his eyes cold, sending shivers down their spine.

'He is unbelievably strong' Even though the man in front of them is hiding his cultivation, they can feel the invisible coercion around him pressing down on them.

They remained motionless, their hearts racing with panic, unable to move.

"Now, don't blame me, young ladies. It is the Young Lord's wish to take both of you. It is your fault for being that young man's girlfriend."

A young man's girlfriend? Tian'er? Zhao Suyin and Zhao Ying glanced at each other as Zhao Ying mumbled in a low voice, "I will attack him; you try to escape."

Zhao Suyin gave a nod and said, "Yeah," as she placed the groceries on the floor.

The man frowned his eyebrows "I can hear you well, you know?"

swish Zhao Ying's gaze narrowed as she dashed towards the man and the man chuckled faintly, "You are brave, young girl."

thriiss Suddenly, golden chains appeared out of nowhere and entangled around his body. Seeing the bright yellow light, the man was surprised. "Light elemental?"

He glimpsed at the woman dashing towards him, very slowly in his vision. "This will be a good catch."

Zhao Ying raised her hand and yellow astral energy concentrated in her palm, forming a large, light blade.

She held onto the sword tightly as she swung it towards him, but he effortlessly blocked her attack by raising his hand, causing her blade to strike his forearm.

clank Zhao Ying felt the vibration through the sword as she felt hitting a wall. *woosh* She hastily backed away and *swiish* and at this time, the man glanced at Zhao Suyin hurling towards him.

'Hm? She's not escaping?'

But then he frowned, glimpsing at Zhao Suyin, 'No, this is an illusion..?' He turned his eyes towards the real Zhao Suyin, her body glowing with green energy.

'What are they even doing, They know that they can't win.'

Zhao Ying swiftly leaped towards Zhao Suyin and reached out to clasp her hand. As Zhao Suyin felt the touch, she whispered the words "Air Mirage" as the mirage of her disappeared.

A cocky smirk appeared on Zhao Ying's face and she raised her hand, showing her middle finger "Fuck off!" *swoosh* The ring on Zhao Suyin's finger glowed faintly.

H-Huh? The man was startled and looked around in surprise. What happened? They disappeared?

He used his astral sense to sense the surroundings around him for kilometers but he couldn't find their presences.

"What the fuck just happened? Where did they go?" He grunted in frustration as he clenched his fist.

"Is that an artifact? Shit!" Cursing under his breath, he went and walked away from there.

...

swoosh Zhao Suyin and Zhao Ying appeared within the artifact in the grassland and let out a deep sigh.

Escaping into their artifact was the first thing that struck their mind when they sensed his power. They just bluffed him by fighting and let him be carefree and using that, they safely escaped.

Zhao Suyin sat on the grass floor and closed her eyes, inhaling deeply to steady her racing heart. "I.. was scared there for a second."

"Haah, me too..." Zhao Ying also sat beside her on the grassy ground.

"Good thing we already discussed what to do when we are in danger." They also know that in this world filled with cultivators, it is not safe to roam around freely, so they have already discussed many things before.

Zhao Suyin nodded her head, but then a frown came up on her face "But... who was that? Why would they Target, Tian'er?"

Zhao Ying quickly took her mobile from her storage ring "I'll call tian'er first."

...

Hm? Cai Luo looked at Zhao Tian, who had a deep frown his face speaking over the phone.

He hastily placed the coffee and stood up "I will be there right now."

Seeing that he was in a rush, Cai Luo asked in a worried tone "Tian, what happened?"

"Nothing, but... I will be going right now." He said that and rushed out of her apartment.

"What is his hurry? Atleast tell me and leave..." As she watched him walk away, she couldn't resist pouting her lips and casting a longing gaze at the half-empty coffee cup sitting on the table.

ahem Coughing to herself, she took the coffee cup in her hands "I shouldn't waste coffee."

Convincing herself, she took a sip of the coffee and she couldn't help control the growing smile on her face.

"Bastard..."

...

thud Zhao Tian entered his room in the mansion and saw, Zhao Suyin, Zhao Ying and Xia Shenyi inside the room.

"Tian'er..." Zhao Suyin and Zhao Ying who were sitting on the bed stood up, seeing him.

Zhao Tian's eyes quickly scanned them to see if there were any injuries. Seeing that their skin is perfect, he walked toward them letting out a sigh.

"Tian'er."

As they took a step closer, they embraced him tenderly, and Zhao Tian returned the hug with warmth. "You guys didn't get hurt, right?"

Feeling his warmth, both of them nodded their head "Yeah, we alright..."

Zhao Suyin and Zhao Ying felt his hands around them getting tighter "He didn't touch you, right?" he asked, his eyes narrowing.

Letting out a chuckle, Zhao Ying kissed his lips "We didn't let him touch a single strand of our hair."

Zhao Tian gently patted their heads and Zhao Suyin, held them close in his arms. "Who are they... why are they targeting you, Tian'er."

Zhao Tian let out a faint sigh, "It is actually my fault that you guys faced this situation."

"I am sure it is someone from the Lycan Syndicate, as I don't have any enemies other than them."

A cold black glint passed through his eyes "Now they have dared to touch my family, I should not let them live any more."

He retracted the hug and spoke "I should clear this right now. I am leaving..."

"Huh? Leaving where?"

"Where else? To western nations."

Gimme your points, give them to MC or your fave character in character list muhehehehe

Chapter 237: Fuck you Mom!

k you Mom!

"Where else? To Western Nation."

This is the reason why he kills all of his enemies, as he knows that letting them go will cause him trouble in the future somehow.

But this Lycan Syndicate, he couldn't do anything about it as they were in another nation.

He should have been careful when the last time Cai Luo almost died because of that group.

This is truly a mistake on his part and this time they dared to touch something very precious, to him, his family.

Anger seeped within him thinking about this, and his eyes narrowed as he turned to leave the room.

"Wait Tian." Xia Shenyi hurriedly came near him and caught his hand stopping him.

"Shenyi?" Zhao Tian turned his gaze at her with a slight frown.

Xia Shenyi raised her hands grabbing his shoulders "Tian, calm down and think."

Zhao Tian uttered in a cold tone "What is there to think, Shenyi?"

Xia Shenyi saw a glint of black energy within his eyes 'Again?' she was startled, as this was the second time she was seeing this energy in his eyes.

'The Darkness... he is unconsciously using it. Is it because he is mad?'

She let out a soft sigh "Tian, hear me out.. Don't be angry, and first calm down."

"I am calm, Shenyi."

Hearing his cold mutter, Xia Shenyi sighed in her heart and said in a high voice "What are you going to do after going to their place? huh?"

"Of course, kill them."

Xia Shenyi again saw the black energy flashing in his eyes and moved her hand softly caressing his cheek "Tian, they are stronger than you and there are many people who might be in the 9th level of the Monarch Astral Stage... maybe someone who has already stepped into half Empyrean Realm."

Zhao Tian squinted his eyes and Xia Shenyi continued, "It is the group that has those weird wolves you talked about, right?"

"They don't use elemental attacks, so your absolute control over elementals won't work on them."

"They have physical strength and on top of that, they have regenerative powers. Tian... you could defeat one, but what would you do if they ganged upon you?"

"So... calm down for a minute and think. Don't be hasty." She muttered, hugging him softly.

A frown creased Zhao Tian's eyebrows as he thought about it and Xia Shenyi glanced at Zhao Ying and moved her lips, lip syncing....

'Do you remember what happened after his fight with Yixian?'

Reading her lips, Zhao Ying's eyes trembled as she remembered the gruesome sight of her brother drenched in blood with his chest cleaved.

Zhao Ying hastily ran and hugged him from behind. "Tian'er, you are not going there..."

"Huh? Ying'er?"

Zhao Ying hugged him tightly "You should be even stronger... Only after that can you go there."

Zhao Tian narrowed his eyes as he knew the more it became delayed, the more it became dangerous.

They might even target his other women.

Letting out a soft sigh, Zhao Tian spoke "Okay, I am not going now."

Zhao Ying nodded her head and kissed his cheek "Umu, good."

Meanwhile, Zhao Suyin stood there quite confused, she understood that Zhao Tian needs to be even stronger, but she didn't understand what Xia Shenyi was mumbling.

But then she remembered something "Tian'er, if we went out of the artifact now, we would be in the parking lot?"

Glancing at her, Zhao Tian nodded his head "Yeah, that's how I made it... I still need to develop that ring."

Xia Shenyi mumbled, "You creating a teleportation rune is impressive itself, and to set up something like, where they can choose where to teleport is... hard."

For now, there is a rune in the grassland outside and they appear there from the outside world. So if they went outside, they would reappear where they left.

Zhao Tian spoke "I can do that later, for now... I will be going to the parking lot. Ying'er and Mom, I will call you and both of you come outside of the artifact."

....

vroom Zhao Tian drove into the parking lot and spoke on the mobile "Ying'er, I am here."

swoosh At this time, Zhao Suyin and Zhao Ying appeared in the parking lot.

"Someone stole our groceries." Zhao Suyin pouted her lips looking around to find the groceries they left.

Meanwhile, Zhao Tian also sensed around to see if there were any powerful cultivators in his range.

Zhao Ying smiled wryly "Well, it's just groceries... we can buy that again. Come, let's go."

Zhao Ying hurriedly came and sat on the front seat beside Zhao Tian. Looking at her Mom, she showed her tongue "Bahh. I am near Tian'er."

Zhao Suyin's lips twitched and she moved toward the driver's seat door. "Tian'er, open the door."

"Hm?" Raising an eyebrow, Zhao Tian opened the door and Zhao Suyin crouched inside, sitting on Zhao Tian's lap sideways.

With a faint smirk, she turned towards her daughter, who was on the nearby seat "Now who is close to Tian'er?"

Zhao Tian laughed seeing this and Zhao Ying's eyebrows twitched "Damn, Mom... the day I found out about your relationship, you have become so bold and too clingy."

"Hmph." Zhao Suyin scoffed and wrapped her arms around Zhao Tian's neck "My sweet Tian'er." she muttered softly showering kisses on his cheek.

But then she looked at her shoes "Wait Tian'er, let me remove them." She moved her hands and began to remove the shoes.

She tossed one of her shoes to the back seat and another one 'inadvertently', fell on Zhao Ying's head as she tossed it.

thud Zhao Ying looked at her Mom's shoe which was now on her lap. "Ah, sorry.. dear" Zhao Suyin muttered, again wrapping her arms around Zhao Tian's neck.

Zhao Ying's heart boiled in anger "Fuck you, Mom." she blurted out but then she realized and closed her mouth with her palms.

Huh? Zhao Suyin's eyes turned cold as she turned to look at Zhao Ying "What did you say just now?"

Zhao Ying gulped, seeing her Mother's eyes, Since she was in high school, she always cussed at women who fawned over her brother, so it became a habit of hers.

"I-I am sorry Mom." she stammered.

"You should not have sex with Tian'er for a week, that is your punishment. Hmph..." Zhao Suyin scoffed and turned her head back.

"H-Huh? Moooooommmmmmmmmmmmmmmmmmmmmmm, anything but that." Zhao Ying cried but Zhao Suyin didn't heed her words and looked at Zhao Tian tenderly.

"Tian'errrr" She hugged him tightly and with a chuckle, Zhao Tian started the engine as he dove away from the parking lot.

"And Tian'er, you remember I said I will give you a foot job? see my toes, they are pretty right? Want a footjob."

"Shameless Mom..." Zhao Ying muttered.

"Hehe, we have to try different things."

...

swoosh Zhao Tian traveled through the air, searching for any powerful presence within the city, but almost all he could find were Heaven Astral Stage cultivators.

'Did he leave the city or the nation?'

'Or maybe he is in the 9th level of Astral Stage, I can't sense him?'

"Tian." But as he continued flying, he heard a sudden, familiar voice, and he turned his head to look at the policewoman.

"Miss Cai. What are you doing here?"

Cai Luo glanced down "I was at the airport. Seems like a VIP is coming, so we were called for protection."

"And what are you doing here?"

Zhao Tian let out a sigh "Someone from Lycan Syndicate tried to kidnap my sister and mother... they escaped. But I am trying to find his location."

Cai Luo was surprised to hear this but then a frown took over her face 'So he has a Mother and sister, huh...'

Eh? But then she stopped "Wait, someone from Lycan Syndicate?"

Meanwhile, Zhao Tian looked down at the airport "Miss Cai, do you think he came via the airport? Is there any security system to check on cultivators who fly across nations?"

Cai Luo gave a nod "There is actually a unit of cultivators in each airport to monitor if any cultivators entering their nation."

"But, the unit only has Heaven Astral Stage cultivators, so powerful cultivators can come here by depressing their cultivation, hiding it."

"The same thing on the national borders too, these advanced machines can't really detect a powerful cultivator."

Zhao Tian narrowed his eyes upon hearing this "So, it's hard to find him?"

Hearing his mutter, Cai Luo spoke "Don't worry, I will try searching for any powerful presence within the city. Even if it's the 9th level of the Monarch Astral Stage, I can somehow sense it."

Zhao Tian nodded his head "And... I wonder if you know where exactly this organization is?"

Hearing this, Cai Luo raised an eyebrow "You want to destroy it?"

"Yeah."

Hearing his reply, Cai Luo smiled "Don't worry, I have sent a spy to investigate them, as I also want to destroy that organization."

"I will inform you if I got any clues."

Zhao Tian gave a nod and Cai Luo squinted her eyes "By the way, stop calling me Miss Cai, you can call me Luo."

Zhao Tian chuckled upon hearing this "Will do." *swoosh*

...

"Tian!" Mei Xiu exclaimed seeing Zhao Tian at the doorstep.

"Come in, let's eat dinner..."

"No, I came to eat you."

"Hahaha!"

Chapter 238: Found the guy!

und the guy!

Lying on the bed, Zhao Tian was texting on the mobile which is on his left hand, while his right hand was squeezing Mei Xiu's ass who was resting on top of him naked.

'Yeah, with Xiu rn.' He chatted on the mobile.

'Hmm, Good night, Tian'er.'

Looking at the text from his sister, Zhao Tian smiled faintly *ring* But suddenly his mobile vibrated and he looked at the name of the one who is calling.

Attending the call he brought the mobile near his ear "Miss Cai?"

"It's Luo." He heard her tone and he could already imagine her sulking lips with an angry face.

With a light chuckle, he spoke "Yes, Luo... why the sudden call?"

Cai Luo who was floating in the night sky spoke "I roamed the whole city, but there are not any powerful presences within the city, maybe he has left the city or nation. Do you know what he looks like, so I can check in the airport."

Zhao Tian replied with a wry smile "He has black hair and black eyes, a middle aged man."

Cai Luo's lips twitched "There are so many people with black hair and black eyes coming and leaving out of this nation."

"This dumb author could have given his different hair color so it can be easy to find. Uhh, now it's hard to find him in the entry data in the airport."

Zhao Tian muttered "Just filter from the last two days of entry to this nation from the western nation. A middle aged man with black hair and black eyes."

Cai Luo squinted her eyes "There are so many people coming and going out of this nation and even if we filtered, there would be a lot and there is also a chance he might have faked his appearance."

A sigh escaped Zhao Tian's lips "Then you stop. It is my problem, so I will take care of it somehow. You go back to home and rest."

"Hm." Cai Luo gave a nod and retracted the mobile from her ear as she glanced at the night city glowing above her.

"He has asked me something for the first time, how can I let this slip? I will find this damn dog."
swoosh

...

Next day~

As Zhao Tian stood on the doorstep, he leaned in to tenderly kiss Mei Xiu's lips, wrapping his arms around her in a warm embrace.

Mei Xiu relished the flavor of his tender lips, gently indulging in them, her arms finding themselves around his neck.

Pulling back the kiss, Zhao Tian smiled faintly and Mei Xiu let out a soft sigh "When will you come back this time? Hmph... you always say you are busy."

Zhao Tian chuckled and ruffled her hair "But I always attend your calls, right?"

"Yeah yeah... busy man. As any lover, I would also like to spend more time with you, but you are always busy. "

A gentle sigh escaped her lips as she leaned on his shoulder "Tian, I thought of going to University today to continue my teaching... I shouldn't always linger on my Grandma's death."

"And as you said once, my Grandma would also won't be happy seeing me like this."

Hearing this, Zhao Tian narrowed his eyes "No, Xiu... you should not go to University and stay inside the home."

He is afraid that Mei Xiu might get attacked in the university.

"Eh?" Mei Xiu was dumbfounded, she thought he would encourage her to go to University and pull her out from the trauma of her Grandma's death.

"Tian, why should I not go to University... I have already taken many days of leave. If I didn't go, my entire salary for this month would be cut off."

Zhao Tian shook his head "I can give you how much money you need, just don't step out of the house. I will arrange for a maid to buy you groceries and other stuff If you need them."

Mei Xiu was confused about why Zhao Tian would go to such lengths to stop her from attending the University.

"Tian.. why?"

Zhao Tian spoke "Just do what I am saying, don't leave the house."

Mei Xiu squinted her eyes and shook her head "No, I will leave the house if you don't tell me what will happen."

Zhao Tian sighed in frustration, seeing her being so persistent. He thought of talking about cultivation stuff after she came out of her Grandma's death.

"Because it will be dangerous for you, Xiu."

Mei Xiu spoke getting even more confused "What danger, Tian? Will I get attacked or something?"

"Is it someone from your business side? Are they trying to attack me? But it would still be dangerous inside the house then."

Zhao Tian sighed in his heart and thought of telling everything about her "Xiu, the world is different than what you think."

"Different?" Mei Xiu tilted her head in confusion.

Zhao Tian carried Mei Xiu in his arms and though startled by the sudden princess carry, she obediently wrapped her arms around his shoulders.

He sat on the couch softly placing her on his lap and Mei Xiu also looked at him curiously "Tian?"

"For starters..." Zhao Tian muttered as he raised his arm and conjured a flame within his palm.

gasp Mei Xiu was startled seeing the sudden flame "T-Tian.. fire, your hand is on fire... quick. Roll down on the floor..." she said, jumping down from his lap.

"The fuck?"

Zhao Tian couldn't help but chuckle at her antics and saw her getting scared like a cute kitten.

"Xiu, see..." He said as the flame on his palm got enlarged and Mei Xiu took a step back seeing this.

Her eyes trembled in shock seeing the glistening flames on Zhao Tian's hand "Tian, you can... control the flames? Magic? If it's some magic trick, Tian... stop it's dangerous."

Zhao Tian let out a faint giggle and stood up "Xiu, this is a real flame."

"H-Huh?" Mei Xiu was bewildered to see the flame still burning on his palm and was actually scared.

"Real flame?? You have the power to control flame or something?" She asked her eyes shivering in panic.

"Xiu, don't worry... there are many people hidden like this in our world who could use powers. like this"

"Huh?"

"Come here, I will explain." Retracting the flames from his hand, he gently pulled Mei Xiu and again made her sit on his lap.

...

"So there are people walking among us who can use these powers called cultivation?" she asked after calming down her beating heart.

Zhao Tian gave a nod "Yeah, that's how it is."

"Amazing..." Mei Xiu mumbled in shock, as this was the first time she had heard about it.

"But, I have been living in this world for years but I have never seen anyone using powers or anyone talking about this. How are they keeping it... secretly."

Zhao Tian spoke, "There are organizations within the Government too, and they also don't want the normal people to know about this cultivation and stuff."

"I see..." Mei Xiu muttered, blinking her eyes still reeling in shock.

"So, you are one of these people hiding these powers from society huh." Mei Xiu spoke as she gained new clarity in this cultivation stuff.

...

Meanwhile, at the same time, the middle-aged man who was trying to kidnap Zhao Suyin and Zhao Ying was flying through the sky and as he reached a specific spot in a forest.

swoosh He quickly landed down and glanced around as he took the mobile phone from his pocket, checking the location "Is this the place?"

woosh At this time, he felt a strong presence flying towards him and he raised his gaze looking at a woman wearing police clothes 'Is this the person I am supposed to meet? No, she is not...'

boom Cai Luo landed on the ground, her eyes sharp as a blade "You really made me follow you long this way, huh."

The man narrowed his eyes as he saw through the woman's cultivation '8th level of Monarch Astral Stage? Why is she following me?'

Cai Luo also glanced at the man in front of her 'He is in the same stage as me.'

The middle aged man spoke in a cold tone "I don't know who you are and why did you follow me here?"

"Are you from the government or something?"

Cai Luo just stayed silent, not answering him.

She took her mobile from her pocket and quickly called Zhao Tian to let him know of the situation.

Zhao Tian who was explaining to Mei Xiu felt the vibration in his pocket and quickly took it. Answering the phone "Luo?"

Cai Luo glanced at the man standing in front of her "Tian, The man you are searching is right in front of me, I will send you the location... Come here quick."

Zhao Tian was surprised to hear Cai Luo words and his eye narrowed. "I will be there right now."

The man chuckled seeing Cai Luo "You called someone for help?? Haha."

Hearing his mocking tone, Cai Luo muttered in a cold tone "I will tear that mouth of yours first,"
Chapter 239: And he is here!

"I will be there now." Zhao Tian said as he retracted the mobile from his ear.

Mei Xiu, who was on his lap, was confused. "Tian, you are going somewhere?"

"Yeah..." As Zhao Tian stood up, Mei Xiu got down from his lap. "Where are you going?"

"I will tell you later." He hurriedly walked to the door and pulled it open as he exited.

Mei Xiu also followed him to the doorstep and her haw dropped, seeing him dashing through the air.

"What the hell? He can fly." She yelled in shock.

...

Cai Luo glanced at the middle-aged man in front of her and the man named Alex Brell squinted his eyes.

swoosh Without warning, both of them moved, a blur of motion as they closed the distance between them and a silver-colored sword appeared in Cai Luo's hand.

'Sword?' Alex Brell raised an eyebrow and as Cai Luo swung her sword towards his face, he raised his left hand, effectively blocking the attack.

sleech However her blade sliced through half of his forearm and the impact behind her slash blasted him away into the forest, sprawling him away and splintering the trees. *boom*

Cai Luo clicked her tongue 'Tch, that was shallow. Urghh, I miss my old sword. I am still not used to this sword.' she muttered under her breath in irritation.

Her previous sword, which was of Radiant grade that she received from Freya Everglade was destroyed during the explosion last time.

thoom Blasting away the trees, Alex Brell walked out of the forest as the cleave on his forearm instantly healed.

Cai Luo uttered in a mocking tone "The only good thing you dogs have is that damn regeneration."

'So she know who I am...' Alex Brell narrowed his eyes in thought.

"Little girl, I have no idea who you are... and yet you are att-" *swoosh*

Not letting him speak, she swiftly sprinted towards him with lightning speed, her sword gleaming as it sliced through the air in a sharp downward motion aimed directly at his chest.

Alex Brell reacted just in time, sidestepping the blade with fluid ease and bringing his fist up in a powerful counterpunch. *sleech* *boom* The ground where her sword was sliced was split open, sending a spray of earth and leaves into the air.

Cai Luo spun away from his punch, swinging her sword horizontally, the blade cleaving through the air. Alex ducked, feeling the wind of her strike ruffle his hair as he pulled back his hand for a punch.

clank Cai Luo parried his fist with her sword but the impact behind his attack pushed her back three steps as she stood on her footing.

Alex Brell frowned his eyebrows looking at the police woman in front of him '8th level of Monarch Astral Stage, uses a sword and in this nation... Don't tell me.'

His eyes trembled in shock but then his eyes narrowed, a cold glint flashing in his eyes "So you are actually Yu Hua, the Battle Maiden of Zhenzhu."

Cai Luo didn't show much reaction and stood on her ground "I am surprised your dumbass brain found it quickly."

"Hm... It seems like you are still alive. I can't recognize you since you changed your hair color and face. No wonder you are here to kill me."

"So, even that explosion didn't kill you?" he muttered as he took a fighting stance.

Cai Luo gave a faint nod. "Yeah, but that explosion cost me my favorite sword. You gotta pay it with your whole damn organization." a cold mutter left her lips as she lunged toward him. *woosh*

Alex Brell chuckled upon hearing her words and as Cai Luo, appearing in front of him, she thrust her sword at his chest but Alex Brell raised his hands, grabbing her blade within his palms.

The sharp tip of the blade came to a halt just a mere inch from his chest, with droplets of blood oozing from his hands as a sly grin slowly spread across his face.

Cai Luo felt his tight grip on her blade and twisted her body, lifting her leg as she gave a powerful kick at his jaw *crack*

A bone-cracking sound was heard and his neck snapped. *thoom* Cai Luo gripped her sword tightly and he was blown away to the forest.

swish But in the next second, he dashed toward her, a mad look on his face "You damn woman."

As he closed in on her, he unleashed a flurry of quick jabs and hooks, his fists moving so fast they were almost a blur. Cai Luo's sword moved like a living thing, parrying his blows with precision and withstanding the force of his punches.

bbom *thrissh* As they fought, the forest bore the marks of their battle. Trees were slashed, their trunks scarred by Cai Luo's blade.

The ground was churned up, and roots and stones were exposed by the force of their forces clashing. The air hummed with the energy of their conflict, a tangible pressure that made the forest itself seem to tremble.

woosh Cai Luo leaped into the air and dashed over Alex's head, slashing downward as she descended. Alex crossed his arms above him, catching the blade on his bracers. *thud*

The impact drove him to one knee, the ground beneath him cracking from the force.

"RAAHHHH!" With a roar, he surged upward, throwing Cai Luo off balance. She landed gracefully, rolling to her feet and raised her head, glancing at Alex Brell.

The man scoffed as the wounds on his body immediately healed. "So this is the Battle Maiden of Zhenzhu? I expected much more."

"We, people from Lycan Syndicate don't have Elemental skills, because we sacrificed it for regeneration. Is that the same for you too? Haha... just blade?"

Huh? Seeing him mocking her, Cai Luo's eyes narrowed. "Aren't you quite arrogant, dog? I am holding back not to shred your body to pieces since Tian is on his way here."

flick A white aura seeped out of Cai Luo's body and Alex Brell felt a shiver down his spine as he felt his body being pressed by the coercion.

His eyes shook under pressure, glancing at Cai Luo, her eyes peering down at him 'A-Aren't we on the same level?'

"You are not my prey, I am holding you just for Tian to arrive."

flick At this time, with a ripple in space, Zhao Tian appeared near her and a smile bloomed on Cai Luo's face.

"And he is here."

Chapter 240: A fire!

Zhao Tian glanced at the man in front of him and raised an eyebrow. "So you are the one, huh, who tried to kidnap my family?"

Hearing his cold mutter, Alex Brell stayed silent and Cai Luo let out a soft sigh, retracting the sword back into her storage ring.

"Yeah, he is the one. After searching through nearby cities, I finally found his presence as he flew in this direction."

swish Suddenly, Alex Brell lunged towards them for a surprise attack and Cai Luo took a step forward to block his attacks but as he neared them, the air cracked with sparks of red lightning.

Zhao Tian's eyes narrowed as the spark of red lightning shot at Alex Brell. He was taken aback by the sudden counterattack, and before he could respond, the lightning hit him.

thriiish The fiery, intense blaze and lightning coursed through every inch of his flesh, bringing him to a sudden halt as excruciating pain ruptured his body.

"Grrr." He let out a low growl as he clenched his jaw, enduring the intense pain coursing through his body. Once the lightning finally ceased, wisps of smoke began to rise from his charred skin.

'D-Dual elements? Fire and Lightning?'

Cai Luo was surprised to see this and again looked at Zhao Tian's cultivation. 'He is on Emperor stage.. how could he?'

'H-Huh? When did he step into the Monarch Astral Stage?'

"You are now in the 2nd level of Monarch Astral Stage?" Cai Luo muttered in surprise and Zhao Tian simply shrugged.

Cai Luo's confusion only deepened as she struggled to comprehend: 'But how could his attacks hurt an 8th-level Monarch Astral Stage cultivator?'

Alex Brell's body instantly healed and Zhao Tian asked, squinting his eyes, "Is it Orlando or Miles who ordered you to kidnap them?"

Alex Brell scoffed with a faint chuckle. "Like hell, I would tell that."

Cai Luo grinned upon hearing this: "No problem, you have instant regeneration, so we can torture you as much as we want and we don't even have to waste healing pills."

Alex Brell frowned, his eyebrows and his eyes glimpsing at Cai Luo standing in front of him. 'Seems like I have underestimated the Battle Maiden. She is powerful...'

'I can manage if its 1 vs 1, but this brat has also come here and he has the rarest Dual elementals, which easily hurt me.'

'Now... all I can do is fight them and slip away from here when I get the chance. I also have to inform the Emperor that Yu Hua is still alive.'

As he contemplated in his mind, *flick* he saw Zhao Tian disappearing from his place. Huh?

woosh Using instantaneous short teleportation, Zhao Tian reappeared in front of Alex Brell and clenched his neck in a tight grip.

"So, who told you to?" He muttered as he slammed his body on the ground. *boom* *crack* Because of the impact, the floor cracked, causing web-like cracks on the soil with a huge dent.

"Urghh!" Alex Brell grimaced in pain, feeling the force on his spine and he quickly twisted his leg, kicking Zhao Tian in the abdomen.

However, Zhao Tian released his grip on the man's neck and swiftly took a step back, managing to avoid his attempted kick. Alex Brell, too, quick on his feet, regained his footing.

treeek He tore away the suit he was wearing as his body began to transform but Zhao Tian was relentless.

flick Zhao Tian grabbed the half-transformed wolf face and asked, "So, who told you to?" a flicker of black glint flashing through his eyes.

As Alex Brell stood frozen, a deafening *frieisshshhhhh* filled the air, In the next second, intense black flames engulfed Alex Brell's body, burning him from the inside.

Alex Brell's eyes widened in horror as he felt the darkness fire rampaging inside his body, eating away his flesh, his body losing balance as he fell to his knees.

"ARRRRRRRRRRRRRRRRRRRRRRRRRRRRRGHHHHHHHHHHHHHHHHHH!!!" He screamed at the top of his lungs, feeling sheer pain radiating across his whole body.

The intensity of the blaze was so overwhelming that even the air around him seemed to shimmer and distort.

"RRRAAGHHHHH!!!" His mouth stretched wide in a gut-wrenching scream of pain and fear, the sound reverberating through the air in a crescendo of terror.

Cai Luo was shaken to the core, seeing the black flames illuminating Alex Brell's body totally consume him.

"I-Is that an Empyrean flame?" a mutter escaped her lips still terrified, The intensity of the heat radiating from it made her shiver, sending a chill down her spine just from standing in its presence.

"ARRRRRRRRRRRRRRRRRRRRRGHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH!!" The sheer echoes of horror continued to echo through out the forest making Cai Luo snap out of her thoughts.

"NOO!! GRRRAAAHH!" Hearing the man crying under him, Zhao Tian had an indifferent face his hand still clutching his face, which was burning in black flames.

He shows no mercy to his enemies and especially the ones who dared to touch his family.

"So, care to tell me now?"

"ARGHH!!! ARGHHHHHHH!!!" Alex Brell just screamed in pain as the flames continued gnawing upon his skin and sucking his blood with each passing second.

But his body is instantly regenerating, making it impossible for him to die and he could only suffer.

"I don't know your wolf language. Speak in English."

All Alex Brell could see were the burning flames that covered his eyes, and Zhao Tian has also lowered the intensity of darkness elemental not to kill him instantly.

"ARGHHH! L-LEAVE M- RAHHHHHHHHHH!!! IT HURTSSSSS!!!! AHAHAHAHAHAHA
NOOOOOOOOOO... "

Zhao Tian narrowed his eyes "That's not the answer to the question I asked."

"ARGHHH!!! YOUNG LO-GAAHH YOUNG LORDDDDD!!! HE IS- AHAHA NOOO
AARGHHH!! PLEASEEE!"

The feeling of helplessness and impending doom gripped his heart, leaving him gasping for air as he struggled to break free from the grip of the darkness that threatened to consume him whole.

"Hmm, Young Lord, so its that Orlando huh." Zhao Tian hummed under his breath.
