

## Honoured 261

Chapter 261 Spy is back!

\*screech\* A luxurious Rolls Royce screeched through the roads and it did a quick left turn reaching a large mansion.

\*click\* Opening the door, a beautiful milf woman stepped outside and glanced at the mansion in front of her.

After closing the door, she walked forward and as she took two steps \*thud\* she felt something hitting her face, stopping her.

H-Huh? Startled, she raised her head and extended her hand. Her fingertips came in contact with the invisible barrier on her face and a frown creased her eyebrows "Barrier?"

Fei Lingxi was confused and at this time, opening the door, Zhao Suyin came outside, an amused smile dancing on her lips "Hoh, who do we have here?"

Looking at Zhao Suyin, Fei Lingxi spoke "I want to meet him."

Zhao Suyin rolled her eyes "But cultivators can't enter this mansion as Tian'er placed a barrier to protect us. And I am sure, Tian'er will not like to see a bitch like you."

"So you can leave."

Fei Lingxi was not concerned and shook her head "No, I want to meet him today. He has done something to my body."

-- Zhao Suyin looked at Fei Lingxi blankly and went back inside, not wanting to waste any more of her time with this woman.

Fei Lingxi gritted her teeth in frustration and called Fei Ziyu who was inside the artifact.

\*ring\* \*ring\* But after many attempts, Fei Ziyu didn't pick up the calls from the other side and Fei Lingxi frustration grew.

"Shit!" Cursing under her breath, she went back to the Rolls Royce and entered.

"I will wait here for some time."

...

Ling Xin was speaking with Ning Zuiye about the past events that happened in the Zhenzhu while she was not there.

"Queen Xue was always lazy... she rarely leaves her bed." Ling Xin said with a giggle as she sipped her tea.

Ning Zuiye giggle, her eyes glancing around at the hall 'Where is Tian?'

...

Ling Chen gently pulled her lips away from the kiss. Her face turned red as she leaned on his shoulder "Now, I am so embarrassed to show my face in front of those disciples? How can I be strict with them anymore?" Zhao Tian chuckled and again pecked her red lips softly. Ling Chen pursed his lips and sneered, "It's your fault, you always kiss me like this...I got caught that time too." Zhao Tian's hands which were on her waist got tighter, as he pulled her closer and again kissed her lips.

Again feeling the soft texture of his lips, she instinctively closed her eyes, unable to resist his advances, Her hands naturally gravitated towards his shoulder, further deepening their kiss.

As they became fully immersed in the passionate embrace, Zhao Tian's hands slowly slid down gently groping her ass as he gave a nice squeeze.

\*gik\* Ling Chen's body stiffened and her lips parted, a gasp leaving her lips. Using the opportunity, Zhao Tian deepened this kiss by sliding his tongue in.

Ling Chen's closed eyelashes quivered slightly, feeling his moist tongue and she too imitated him, intertwining her tongue with him.

Zhao Tian hugged her even tighter, their bodies pressed on each other tightly, her boobs molding on his chest, his fingers sinking into the soft fabric of the dress on her ass cheeks.

Ling Chen's mind became clouded as his tongue explored her mouth, but she didn't hesitate to reciprocate by sucking on his tongue. Their passionate exchange left them both breathless and eager for more. After a long battle of tongues, their lips retreated, forming a thin strand of saliva connecting their lips.

Ling Chen's eyes grew tender in affection as the blush on her cheeks crept even more thinking about the passionate kiss they just shared.

As Zhao Tian spread her ass cheeks, Ling Chen scoffed "Pervert, already aiming for my rear."

"Oh? Should I aim for the front first?" He asked glancing at her boobs which are pressed on his chest.

"I know it is bigger and you are just hiding it."

The blush on Ling Chen's face grew even deeper and she averted her gaze in embarrassment. ...

\*swoosh\* Zhao Tian flew high in the night sky, carrying Ning Zuiye in his arms while she took photos with the mobile in her hand "Shall we return to the palace?"

Ning Zuiye shook her head and her eyes glimpsed at a mountain that is near the Royal Capital "There is one more spot we need to go. To the top of that mountain, Tian."

A little later they reached the top of the mountain and landed on the summit.

Getting down from his arms, Ning Zuiye turned around, looking at the beautiful city of Zhenzhu glowing in the night.

\*ring\* At this time, the mobile on Ning Zuiye's hands vibrated and she raised her hand looking at the name "Luo? Tian!"

Zhao Tian took his mobile from her hand and attended the call, bringing the mobile close to his ear "Luo?"

Sitting on her sofa, Cai Luo glanced at the red-haired woman in a black suit, kneeling in front of her "Tian, where are you?"

"I am on an overseas trip with my girlfriend."

Eh? Cai Luo sighed in frustration "Tian, you remember? that day I said, I have sent a spy to the western nation to check on the Lycan Syndicate and now the spy is back."

"I have some important information, so... what do you say?"

Zhao Tian narrowed his eyes and replied without hesitation "We can leave once I got there."

Hearing this, Cai Luo smiled "Ok, then." \*click\*

Cancelling the call, Cai Luo smirked "Those bastards are starting a war? I and Tian will go and destroy them in their own nation."

The red haired woman who was kneeling in front of her stayed silent, her face devoid of any emotion.

...

Ning Zuiye asked in concern "Zhao Tian, is everything okay?"

Seeing her being worried, Zhao Tian shook his head reassuring her "Don't worry... everything is alright."

\*woosh\* Huh? Zhao Tian's white eyelashes fluttered and he raised his head. In the next instant, a green haired woman appeared in front of him.

"I have cleared the Eldritchfiends!" Rui Lian spoke looking at Zhao Tian and Ning Zuiye.

She crossed the oceans and killed everything in one day? But now, how will she leave from here?

Chapter 262 Master!

After cancelling the call, Cai Luo glimpsed at the red haired woman and spoke "Good job, Xiang."

Hui Xiang nodded her head "Thankyou for the praise, Lady Hua."

Cai Luo spoke "Don't call me with that name while you are here. Call me Luo."

"As you say, Lady Luo."

Cai Luo raised her hand "The ring."

Hui Xiang nodded her head and removed the ring from her finger as she placed it on Cai Luo's palm.

Cai Luo glimpsed at the another identity changing ring in her hand which was given by Freya Everglade.

Cai Luo is aware that Hui Xiang is a beautiful woman, so sending her as spy into a nation full of dogs is dangerous.

So she gave her this ring and asked her to disguise herself as a man. As this ring works on strong illusion power, it is easy to take any form.

...

"You killed all of them in a single day?" Zhao Tian asked in surprise, looking at the green-haired woman standing in front of him.

Rui Lian gave a nod. "I searched through the seas and there were like thousands of them. So it's not that hard, as they were also in a weakened state."

"Hmm." Zhao Tian gave a slight nod, while Ning Zuiye looked at the stunning woman, curiosity sparkling in her eyes.

Rui Lian spoke, "Now that this situation is cleared, I should return to my star and check why they called it a family treasure."

A slight frown creased Zhao Tian's eyebrows. "You fly back to your star from here?"

Rui Lian nodded her head gently. "Yeah, but that will consume more time as I have to cross these middle galaxies and reach the high galaxy. I could only hope I don't encounter any space pirates."

Zhao Tian nodded in understanding. There are a large number of lower galaxies and millions of lower stars and the same goes for middle stars too.

But there is only one high galaxy and surrounding it are the high stars.

At this time, Zhao Tian felt a tug on his robe and he turned his eyes to Ning Zuiye. Ning Zuiye leaned close to his ear and whispered, "Is she from the high stars like Sister Freya?"

Smiling, Zhao Tian gave a nod. "Yeah."

"Ohhh." Ning Zuiye raised her eyebrows in amusement and Rui Lian glimpsed at Ning Zuiye, "This is the important work he talked about?"

Shaking her head gently, she raised her hand as two shining astral stones appeared in her hand "Here, as I promised, you can keep there two Divine Astral stones."

"No need; as I said, you can keep them."

Rui Lian's eyes lowered upon hearing this: "But... you have saved my life. It would be inappropriate if I didn't give anything in return so please accept these."

Seeing her being stubborn, Zhao Tian reached out and took those two Divine Astral stones, storing them in his ring.

A faint smile appeared on Rui Lian's face and she spoke with a slight bow. "It's time to bid farewell. Thank you once again for saving my life, Tian. If fate allows, we can meet someday."

Zhao Tian smiled back and nodded his head "Yeah."

As Rui Lian thought of flying away in the sky \*woooshh\* the whole of Zhenzhu glowed in brilliant blue color.

Huh? The three of them raised their heads and Zhao Tian narrowed his eyes looking at the blue-tailed shooting star in the sky.

Meanwhile, Rui Lian's eyes trembled in surprise. "Master?"

\*swish\* In the next instant, a stunning and enormous flying ark in bright white and bluish color appeared near the summit of the mountain.

It slowly floated and came near the cliff where they were standing.

\*woosh\* A swirl of white snow butterflies materialized in the air and with a gust of cold air, a woman appeared there floating in the air.

Her luscious white hair falling down her shoulders, her whole body adorned in golden and white robes.

Her eyes, one is blue and the other is green, had a hint of coldness in them while her face is hidden by a veil.

Zhao Tian narrowed his eyes, looking at the woman and Ning Zuiye, scared by her presence, hid behind Zhao Tian.

The woman's gaze briefly fell on Ning Zuiye and she turned her eyes to Zhao Tian her gaze stopped, and a hint of surprise flashed across her face, looking at his handsome face.

Even though she doesn't care about men, she has to admit that he is drop dead handsome.

Her eyes then flickered toward Rui Lian and her eyes grew tender. "Li'er." she mumbled, her feet touching the ground.

Rui Lian quickly took three steps forward and exclaimed in surprise "Master, what are you doing here? How did you find me?"

The woman showed her palm as a golden beacon appeared in her hand which is shining in red.

"This beacon is connected to your ark and when it turned red, I know your ark got destroyed so I asked the Sect master for the fastest ark and rushed here."

Rui Lian smiled happily and hugged her "Master! you came for me!"

The woman just smiled and muttered "I can't afford to lose another one of my precious disciples now, can I?"

"By the way, Li'er how did your ark got destroyed?"

Rui Lian retracted the hug and spoke "Its those, Space pirates Master."

The woman's eyes squinted hearing this, "I see... I didn't find anyone on my way here. Let's check on our way back."

Rui Lian nodded her head and spoke "Those space pirates almost killed me. And I used my haven stone to escape from there, landing on this middle star."

Her green eyes glimpsed at Zhao Tian "Tian is the one who treated my injury and saved my life."

"Tian." The woman's eyes turned to Zhao Tian and gave a nod "Thank you for saving my disciple."

Zhao Tian nodded back, still on guard and the woman spoke "Is this the middle star you were actually coming to?"

Rui Lian nodded her head "Yes, Master."

"Oh? Have you found it?"

Rui Lian could only sigh "Something happened, we can talk on our way back to our Sect, Master."

The woman nodded her head "Well then."

She took a final glimpse at Zhao Tian before both of them disappeared into the flying ark.

In the next instant, the ark also vanished from there.

Zhao Tian's gaze narrowed in determination. He is constantly meeting people from high stars, who are stronger than him.

On this planet, he is the strongest, but still not THE strongest under the heavens.

He needs to cultivate even quicker so that he could protect his women.

...

Meanwhile somewhere in the Astral realm, situated high above the clouds, stands a magnificent castle that gleams with a radiant light, its entrance guarded by a decree that only a woman's permission can grant access. In a grand and regal room, there is that woman lying on the luxurious bed, her silver hair cascading on the sheets as she lay there full naked.

"Haangh~! Mnngh~!" Moans of pleasure continued to flow from her lips as she pleased herself, her fingers slid in and out of her delicate pussy walls, her eyes brimming with mad love, while her fingers pinched and twisted the nipple on her big boobs. She bit on her lips twisting it making it even redder, her fingers moving faster and faster as she plunged them deep inside her honey cave yearning for his touch. "Haangh~~~~"

With a loud erotic moan, she came, her gaze fixated on the image of the divinely handsome man in front of her.

The man has long, snow white hair, but his hair is tied in a messy man bun and his eyes are shining blue, a faint smile on his lips which could melt any woman's heart.

"When will you come to me, my darling??~~~" she spoke her voice dripping with overflowing love.

Chapter 263 A buried secret!

After they left, Ning Zuiye's tensed body was relieved, and with a sigh, she sat on the cliff.

Zhao Tian also sat beside her and Ning Zuiye spoke "It's really amazing to know there are people outside of this planet who are stronger than us."

Zhao Tian just smiled, and Ning Zuiye asked in curiosity, "What happened between you and that woman, Tian?"

Zhao Tian began to tell her what really happened and Ning Zuiye was amused. "I see... but be careful while talking with high-star people. They are dangerous."

Zhao Tian let out a faint chuckle and Ning Zuiye moved her head, resting on his shoulder. "My mom used to bring me here to show the beauty of Zhenzhu along with the moon," she said, glimpsing at the half moon in the sky.

"Is that so?"

Ning Zuiye nodded her head "Yeah and now I am with you, haha." she giggled, her melodious voice echoing through the air.

Zhao Tian glimpsed at Ning Zuiye and his eyes softened in affection. He doesn't want to lie, but he is coming to like this adorable woman more and more in his heart and there was surely a spark between them.

An undeniable fondness that lingers between them, is known only between them and they are both silent about this spark.

They are just friends? They both know that their relationship is above that and that they are so affectionate with each other in their hearts.

And Zhao Tian doesn't want to leave this woman.

Ning Zuiye casually turned her eyes and as her eyes locked with his, her heart shook for a second, feeling the unusual fondness in his eyes.

"Tian?" She tilted her head in confusion.

"Nothing..." Zhao Tian shook his head and gently put his right arm around her shoulder pulling her even closer.

Ning Zuiye doesn't mind it, as this is their usual closeness and skin ship "Tian, I have thought of starting cultivating."

Zhao Tian nodded his head with a smile "Hmm. Good."

"And then I will not age quickly and can live my life to the fullest, I also have to take care of Yueli. And... maybe I can get myself a man?" she spoke, glimpsing at Zhao Tian to see his reaction.

Hm? Zhao Tian looekd at her, a playful smile dancing on his lips "You have me, why do you have to search for another man?"

Ning Zuiye giggled upon hearing his response and pinched his waist "Brat..."

Zhao Tian spoke in a serious tone, not his usual teasing tone "I am not kidding, I am actually serious."

"Yeah, yeah, sure... I believe."

-\_- Zhao Tian was actually serious this time and indirectly proposed to her.

He just shook his head helplessly and raised his head, looking at the shining stars in the sky, while Ning Zuiye glimpsed at him, her heart still beating at high speed as a flush of redness crept on her cheeks.

\*badump\* \*badump\*

For a moment there, she thought that he was actually serious and proposed her. But she knows damn well that he was just teasing her and she feels that she is not good enough for him.

She is also well aware of the spark and chemistry between them. She will not let anyone casually touch her body and tease her like this.

Others don't know the secret buried deep within her heart. Zhao Tian is the first man... she fell in love with. Her first love.

It was love at first sight when she saw him fight those mobs to save her. That's when she understood the feeling of love, they talked about on TVs.

But knowing the huge age gap between them, she kept her feelings to herself. After knowing he is a cultivator, she was happy because, among cultivators, the age of 43 is still young.

However another shock struck her, her sister is actually his woman. So how could she go for him?

So she sealed all of those feelings in her heart and never tried to show them out. She thought at least being so playful and teasing is more than enough for her.

...

A little later, the rapid breathing of her heart slowed and a soft sigh escaped her lips as she closed her eyes in his warmth.

She knows this is how far her relationship with him will go and there is no chance for her.

After a while, she opened her eyes "Tian, shall we go back?"

Zhao Tian gave a nod "Yeah, lets go back."

...

\*swoosh\* Zhao Tian flew in the air carrying, Ning Zuiye in his arms while she was busy in his mobile.

"Why is Yueli not picking her calls?"

After a while, both of them reached the balcony of Ning Xue's room and their feet touched the ground.

\*ring\* At this time, the mobile on Ning Zuiye's hand vibrated and she attended the call "Yueli, why are you not picking up your calls?"

Ning Yueli bellowed in anger "Shut up, Mom. I am already angry at you for going on a trip with Brother Tian and didn't invite me."

"i should have been suspicious when you said you are going on a trip with that beautiful friend of yours, She is Brother Tian's girlfriend., so of course he will be also there."

"AAhhhhhhh, why didn't you invite me?"

Zhao Tian looked at the back of Ning Zuiye, various thoughts going through his mind and after thinking for a while, he walked close to her.

Ning Zuiye who was speaking with Ning Yueli over the phone, suddenly felt a pair of hands hugging her waist from behind.

Hm? Ning Zuiye was startled and quickly put the call on mute as she turned her eyes "Tian?"

Zhao Tian shook his head "Nothing, you continue..."

Ning Zuiye was quite confused but she let him hug her and unmuted the call, and continued her conversation "Have you studied for the exams."

"Why do all moms ask this?"

Zhao Tian placed his chin on her shoulder as he buried his face on her neck, inhaling her scent.

Eh? Ning Zuiye again muted her call and felt Zhao Tian's soft lips caressing her skin.

Her eyes quivered in surprise and her heartbeat raised as a rush of emotions filled her heart, a little blush appearing on her cheeks.

"T-Tian?"

"Aunt Zuiye, you smell so nice." As he muttered, he placed soft kisses along her neck making her body shiver from his touch.

Ning Zuiye closed one of her eyes and mumbled "Tian... is this also one of your teasings."

Zhao Tian opened his lips, gently biting the flesh on her skin "I am serious. I want you, Zuiye..."

Chapter 264 I want you!

Ning Zuiye's thick, fluttering eyelashes danced as she felt the tender caress of Zhao Tian's soft lips trailing along her delicate neck.

The sensation sent a shiver down her spine, causing her to half-close her eyes in bliss as she basked in the warmth of his gentle touch. Inhaling the sweet fragrance of her skin and hair, Zhao Tian muttered in her ear, "Aunt Zuiye, you smell so nice."

Ning Zuiye's ear turned a tinge of red while her thumb tapped the mute button on the call and she turned her eyes. "Tian, is this another one of your teasings?"

Zhao Tian opened his mouth and softly sank his teeth into Ning Zuiye's skin, "Ahh!" causing her to let out a small cry of pain as she felt his bite on her shoulder. "Hmn." Her eyes quivered, feeling the mild sting and Zhao Tian retracted his lips, leaving a clear bite mark on her shoulder.

"Ti... an?"

Zhao Tian delicately brushed his cheek with hers, his fingertips gliding tenderly over her slender waist before tightening his grip and she felt the heat of his chest on her back.

Turning his face, Zhao Tian planted a sweet kiss on her cheek, causing Ning Zuiye to gasp in surprise. Her heart fluttered with overwhelming emotions and she could hear her own heart beating recklessly in her chest.

"H...uh?" She stammered in utter shock feeling the lingering warmth of his kiss still on her cheek and the mobile phone slipped from her fingers.

Her mind raced with a flood of emotions and thoughts, leaving her speechless at the moment. "Do you think I am teasing? I want you, Zuiye." Zhao Tian's playful voice resurfaced and snapping out of her shock, Ning Zuiye quickly turned her eyes away, the blush on her cheeks deepening.

"Tian, enough of these tauntings..." She muttered as she gently pulled herself away, trying to break from his grasp. But Zhao Tian didn't let her go and feeling his strong hands on her waist, her eyes shook for a moment and a tinge of hesitation filled her heart before closing them as she surrendered herself to his arms.

She is still unsure if he is teasing or being serious, but for now, she let herself enjoy his warmth for a little...

Zhao Tian smiled seeing that she was not resisting anymore and his hands started exploring her body, tracing every curve with eager fingers, while his lips once again found the velvety softness of her cheek. "Zuiye..."

Hearing the fondness in his voice, Ning Zuiye's heart trembled, and the feelings she had buried within herself for two years began to resurface, causing her to give in to his advances.

Kissing her delicate cheek, Zhao Tian's hand began to wander above, reaching near her chest and as his palm touched her right boob, Ning Zuiye gasped in shock and her eyelashes fluttered open.

Her eyes gazed at his blue eyes and Zhao Tian gave a gentle squeeze on her right boob, making her body tremble in delight.

"Now... do you believe I am serious?" he asked, fondling her boob over the fabric of her dress.

"Hmng~" A faint moan slipped past her lips and she exhaled a soft breath "Wa..it.. Hnng Tian.."

Zhao Tian chuckled, his eyes gleaming with amusement "We are not waiting anymore..."

He gently turned her body to face him and Ning Zuiye with flushed cheeks, looked at his lips, her hands instinctively placing them on his shoulders.

"If you don't like it, you can push me anytime. I won't hold you anymore." He uttered as his hands on her waist loosened.

"Tian..." Ning Zuiye mumbled his name in a soft tone, her eyes moistening with tears, knowing that he loves her too.

But at the same time, she was still hesitant as she thought of her sister and daughter.

Zhao Tian brought his right hand behind her neck and tenderly pulled her closer. Ning Zuiye knew what was about to come and hesitation clouded her thoughts, her mind is screaming to resist while her heart asks to surrender for his touches.

The battle between her mind and her heart raged on as she struggled to decide whether to resist or surrender to the feelings stirring within her. However before she could make a decision, his lips touched hers and her breath caught in her throat, feeling the same lips she had yearned for two years.

Her body twitched, but then she closed her eyes as a teardrop cascaded down her cheek giving herself in the heat of the moment 'Please... let me be selfish. Yueli, Sister Xue... at least for today.'

As Zhao Tian sucked on her lower lip, Ning Zuiye reciprocated by softly sucking on his upper lip, melding their lips together in a tender embrace.

The intimate moment between them deepened as they explored each other's lips, their breaths mingling in a dance of desire. As he caressed her neck with his hand, his touch trailed down her body, inching closer to her robe as he slowly started to undress her. The robes on her body loosened and using this opportunity, Zhao Tian slid in his hand into her robe.

\*gasp\* Ning Zuiye broke the kiss as she felt his hand on her underwear and saw the playful glint in her eyes.

"Tian?" Zhao Tian rotated her body, now her back facing his chest as he slid in both arms into her robes groping her boobs over her bra.

"Hmm... its quite plump for you. I like it."

Upon hearing his teasing comment about her boobs, Ning Zuiye was flustered, as things happened too quickly for her to process.

But she didn't deny any of his touches, they already have a deep relationship and now that they have confirmed their feelings for each other... she doesn't mind making out with him.

"Hyaangh~~" Zhao Tian's fingers squished and molded her boobs to various shapes, making Ning Zuiye let out ceaseless moans as he lavished her neck with a cascade of kisses. Ning Zuiye gently lifted her hand and caressed his cheek, affectionately chiding him "Brat, you are hasty..." Zhao Tian mumbled in her ear "I just want to take you to my bed as soon as possible."

The air was charged with electricity as she struggled to resist the temptation of succumbing to his advances. He grabbed the front strap of her bra and pulled it up letting her plump boobs to jiggle and show themselves.

Ning Zuiye felt a flush of embarrassment as she bit her lip, and an amused smile stretched on Zhao Tian's lips seeing her boobs with big red nipples and a black mole below her right nipple. "Heh, you have been hiding this from me all these days."

Zhao Tian didn't hesitate as he groped her bare boobs in his palms, feeling the squishiness, his fingers drawing circles on her nipples.

"Haanghhh~~ Tian~~~~"

## Chapter 265 \*Ning Zuiye\*

Zhao Tian gently cradled her body in his arms as he settled onto the bed, carefully positioning her on his lap so that she was facing him. Working together with him, Ning Zuiye wrapped her arms around his neck and her legs around his waist, all the while maintaining a gentle smile on her face. Zhao Tian leaned in, bit on the front strap of her bra and pulled it, letting her boobs out as he threw the bra.

Looking at her boobs in their full glory, Zhao Tian smiled and leaned in, burying his face in her plump boobies.

Gently retracting his face, he kissed her red nipple and raised his hands before pressing both of her boobs together and sucking both nipples with his lips.

"Haangh~" Ning Zuiye let out a moan, feeling his lips licking and sucking on her red cherry nipples. Her gaze grew tender as she affectionately tangled her fingers in his snowy locks.

Savoring the taste of her nipples, Zhao Tian gently withdrew his lips, leaving behind a glistening trail of his saliva on her sensitive peaks. Ning Zuiye glanced at this and turned her eyes to him. "Tian, are we going to do it?"

Zhao Tian smiled and leaned in, pecking her lips. "Yeah, you want to take it slow?" Ning Zuiye's gaze lowered and Zhao Tian guessed in his heart seeing her hesitation "Scared of Xue'er?"

Letting out a soft sigh, Ning Zuiye nodded her head "That too. And Yueli."

Zhao Tian chuckled and raised his hand, tenderly caressing her cheek "I will talk to her and Yueli too... so?"

"Then..." Ning Zuiye averted her gaze, her face turning crimson and her eyes trembling in embarrassment.

Zhao Tian smiled seeing this and took her lips in a soft kiss.

Pulling out the kiss, Zhao Tian spoke "Zuiye, your tongue..."

Hm? Ning Zuiye showed her tongue in confusion and Zhao Tian leaned in and took her tongue, kissing her lips.

Ning Zuiye was surprised by the new kind of kiss as she felt his moist tongue and before long she also began to co operate with him.

Their tongues engaged in a fervent duel, eagerly savoring the mix of their own saliva. His tongue explored every inch of her mouth tasting her nectar saliva.

Retracting the kiss, she gently traced her hand along his body, slowly and seductively undoing the buttons of his robe. She quickly fastened some buttons and slid her hand underneath his shirt, feeling the warmth of his skin against her fingertips.

As her fingertips gently glided over his taut muscles, she savored the subtle outlines and hollows that adorned his perfectly sculpted abs.

In the meantime, while kneading her boobs, Zhao Tian passionately planted kisses along her delicate neck, gently nibbling on it, causing her to quiver with pleasure within his grasp.

He opened his lips, sinking his teeth into her smooth neck, intending to leave a hickey.

"Tian!" Ning Zuiye sniveled in little pain but she didn't push him and let him leave his mark. Zhao Tian gently ran his fingers down, coming to a rest on her stomach, where he tenderly caressed her belly button. "H-Hngh, Tian, it t-tickles..." she whined as her sensitive belly button couldn't withstand the teasing touch of his finger.

He gently readjusted Ning Zuiye's position, carefully placing her sideways on his lap. In response, Ning Zuiye placed her left hand around his shoulder making it easier for Zhao Tian to access her body.

Her boobs came in front of his face and he began to suck on her boob. Ning Zuiye was surprised by the sudden pleasure given by his soft, wet tongue dancing on her nipple. \*slurp\*

"Hyaangh...umm.." Ning Zuiye felt a rush of pleasure as Zhao Tian's lips gently enveloped her erect nipple, causing her heart to swell with a mix of desire and satisfaction. Zhao Tian kept licking her nipple relishing the sweet cherry flavor of her pink nipple. Suddenly Ning Zuiye's eyes widened and she instinctively tightened her thighs as she felt Zhao Tian's hand trailing down to her pussy.

Zhao Tian let out a warm laugh as he gazed upon her, gently running his hand along her smooth thighs and whispering her name "Zuiye..." "Tian..." seeing the lust and desire brewing in his eyes and succumbing to his irresistible desire, she hesitantly parted her legs, a silent invitation that spoke volumes of her surrender. Zhao Tian smiled and his fingers trailed down to her pussy. He removed her underwear and Ning Zuiye raised her legs to make it easier for him.

"Hnnngh~~!" Ning Zuiye felt a course of pleasure through her body feeling his fingers rubbing the outer folds of her pussy.

"Your pussy is also adorable just like you!" Zhao Tian hushed in her ear and her ears turned deep red intensifying the heat that surged through her body.

"T-Tian! Aangh!" Ning Zuiye's breath hitched as Zhao Tian's touch sent shivers down her spine, his fingers gently exploring her most intimate areas. \*slick\* Ning Zuiye's body twisted in his embrace as he slid his middle finger into her pussy. "W-Wait..that's..."

"Yaanghh!" a soft moan escaped her lips as his finger gently probed the depths of her inner vaginal muscles, causing her to whimper with delight.

Zhao Tian kissing her neck, moved his finger in and out of her pussy while caressing the clitoris with his thumb.

With each deliberate caress, a surge of electrifying sensations coursed through her, provoking an unyielding symphony of passionate moans that escaped her lips in an almost melodic manner, echoing throughout the room.

The euphoric experience left her breathless, yearning for more of Zhao Tian's touch, as she surrendered herself to the overwhelming pleasure that consumed her being.

He couldn't resist the urge to explore every inch of her skin, savoring the taste and feeling the intoxicating sensation of desire coursing through his veins.

With each lick, he felt himself becoming more consumed by her presence, losing himself in the moment as he indulged in the forbidden pleasure that was driving him wild with need.

"Haangh~! ...Hangh...Mmngh...Tian~!" Ning Zuiye kept letting out cute moans feeling all the irresistible attacks on her pussy.

After experiencing his tender touch for a while, her body reached its limit and could no longer contain the overwhelming pleasure "Anghhhh~!" with a loud moan \*squiurt\* she came painting his fingers with her love juices.

Her eyes turned moist and her chest heaved up and down \*huff\* Huff\* as she breathed heavily due to the orgasm she experienced.

Zhao Tian raised his hand and licked the love juices in his fingers erotically, making Ning Zuiye's body even more crimson as she looked at her lover licking her juices.

But she felt even more aroused seeing this.

\*thud\* Zhao Tian pushed her onto the bed and crawled on top of her as his lustful eyes scanned her luscious and plump body.

Zhao Tian's stripped his clothes quickly and Ning Zuiye's eyes trembled in shock looking at his dick. \*gulp\* she gulped her saliva in little fear.

"T=This is the moment" She muttered in her mind in anticipation and fear.

Zhao Tian leaned down and she coiled her hands around his neck tightly. He could feel her trembling hands "You can go ahead, Tian!"

Gently he kissed her cheek "Zuiye, tell me if it hurts. We can take it slow!"

Ning Zuiye gave a subtle nod "En!"

Zhao Tian brought his dick near her pussy touching the outer walls. Her body fluttered feeling the head of his cock touching her pussy's outer folds and her hands instinctively tightened preparing to take him in her body.

He softly stroked her shrine smearing his cock with her love juices for easier penetration.

A little later, he gently pushed the tip of his cock into her narrow cave and smoothly moved his dick inside her.

Ning Zuiye's eyelids whimpered as she felt her inner walls stretching to accept his dick. But his dick stopped momentarily and she knew what it is. She took a deep breath "Come, Tian!"

With a subtle nod, he moved his hips as his dick pierced through the barrier taking her virginity. Blood began to flow out of her pussy marking her first time.

"Argghhh! Umm...-Tian..." Ning Zuiye bit her trembling lips in pain and tears welled up in her eyes as she felt her whole body being torn apart by the excruciating pain.

She tightly clutched his back and her nails dug deep into his back tearing his skin.

Zhao Tian growled in pleasure as his dick got sucked by the soft inner muscles of her vagina and he held back the urge to forcefully ram his dick in her pussy because of the overwhelming pleasure.

Ning Zuiye breathed quickly and she saw Zhao Tian closing his eyes and holding back his urges. "Tian, do my insides feel good?"

"Yeah, Zuiye, it so fucking good. I just want to \*haah\*.." Seeing this Ning Zuiye bit her lips "Tian, you can move. I am alright!"

Zhao Tian was surprised "Are you sure?"

Ning Zuiye nodded with a smile "Yes, Tian!"

As she spoke, she mustered the strength to shut her eyes tightly, preparing herself for the unbearable pain that was about to engulf her once more.

But she was surprised as the pain reduced but she experienced a captivating surge of pleasure flowing throughout her entire being. T-This...

As his dick again poked her pussy walls, Ning Zuiye eyes widened "Anghh~!" a soft moan came out of her mouth.

"Tiannnn...!"

A series of moans left her lips with each movement of his cock inside her pussy. This new sensation is so amazing and addicting for her.

Zhao Tian slowly increased his pace seeing her adjusting to his dick and felt her vagina tightly enveloping his walls massaging it. He pushed his hips back and forth enjoying the blissful feeling.

"Aangh...Hyaangh...Uunghh~!...Tian'er...its good!"

At first, Ning Zuiye felt extreme pain, but after Zhao Tian's cock constantly poked her pussy her mind and body were consumed in pleasure.

A series of moans left her lips with each movement of his cock inside her pussy. This new sensation is so amazing and addicting for her.

"Hhng~!" she felt as if electricity passing through her whole being enlightening her senses as they both lost themselves in lust and lovemaking.

\*huff\* "Yaangh`!" Their deep breaths and moans filled the room and the sweet smell of their sweat mixed with their love juices invaded their noses.

\*pakh\* "Aunt Zuiye!" Zhao Tian plucked his cock in her vagina and Ning Zuiye who is moving along with his thrusts nodded "Tian~ Mmng~! ~ Haah~!!!"

\*smooch\* He kissed her lips intensely and she kissed back with the same passion as their tongues entwined relishing the taste.

Retracting the kiss, he moved his mouth to her boobs and began to suck on them as he kept thrusting his dick making her mind muddled with overwhelming pleasure.

The pleasure caused her body to tense up and Zhao Tian felt her pussy tightening over his dick "Urgh!" he grunted in pleasure and continued fucking her.

Her mind began to turn white and only sweet moans escaped her lips constantly. Zhao Tian felt that she was about to come and quickened his pace.

\*PAKH\* "Ahnnggh~!...Tian!!!" she moaned heavily and her body twisted and she came and at the same time \*splurt\* Zhao Tian unloaded his deep white magma deep in her hole.

Ning Zuiye's body quivered as she felt his thick hot cum coursing through her womb making it hot.

\*pop\* Zhao Tian took out his dick and saw his cum overflowing from her pussy. Ning Zuiye took deep breaths, her chest heaving up and down and smiled looking at Zhao Tian.

"Tian..."

Zhao Tian smiled and gently fell on top of her. Giggling, Ning Zuiye wrapped him in her arms and muttered "I am so happy today, Tian."

"My dream of two years."

Hm? Zhao Tian was surprised to hear this, She loved me for two years?

"Aunt Zuiye..." He mumbled before leaning in to kiss her lips.

Ending the kiss, Ning Zuiye asked "You calling me Aunt again."

"Yeah, that feels good."

"Haha."

## Chapter 266 Encounter with a young man?

\*THRIIISSSHH\* \*BOOOM\* Somewhere in the universe, between the Middle Galaxies and the High Galaxy, a huge explosion exploded through the vacuum space, with debris and fire blasting in the surroundings with a swirl of snowflakes.

Amidst the destruction, a woman stood there with a cold gaze, her long white hair falling on her shoulder, her heterochromia eyes looking at the destroying flying ark of the space pirates.

Her body is shining blue as astral energy continues to flow around her body, preventing her body from getting ripped from the high pressure in space.

Entering the Empyreal Realm, their body naturally adapts and gets stronger to even travel in space. \*swish\* Rui Lian, whose body is shimmering in green energy, floated near her "Master."

Yan Zijin glimpsed at her disciple and asked, "Is this the space pirate ship that attacked you?"

Rui Lian nodded her head. "Yeah, they are the ones."

The Space Pirates are an organization made up of a large group of people. No one knows who the leader is or where the main headquarters are.

But everyone in the high stars knows about them and fears them the most. Known for their ruthless nature and penchant for plundering flying ships, they rule the space as their own personal playground, free to wreak havoc and chaos wherever they please. Yan Zijin spoke in a calm tone, "Let's return to our ark."

As they floated alongside their ark, Rui Lian looked at the huge flying ark and asked, "Master, you came here within a day. How? There are a lot of galaxies there." The doors opened as both of them entered the advanced flying ark and Yan Zijin spoke "Even I am not sure. I just used this ark according to the sect master's teachings."

"This ark is more advanced than the one we have in our high stars. Looking at the beacon's direction of your ark, I just installed the coordinates in it and this ark began to fly there at high speed."

"Even my mind was boggled because of the insane speed."

"I see." Rui Lian muttered, glimpsing at the lavish living room inside the flying ark and there are also a lot of rooms inside this ark.

Yan Zijin spoke with a soft sigh, "This is not even the best part. Follow me."

Curiosity piqued, Rui Lian walked behind Yan Zijin as she went downstairs to the core reactor of the ark.

"This is the engine room?"

Rui Lian asked, looking at the long door and Yan Zijin nodded her head as both of them entered the door.

\*trick\* \*trick\* As they stepped in, they could hear the engines running, and Yan Zijin walked forward in front of the compartment, where there was an astral stone floating between two cylindrical bars.

Rui Lian glimpsed the astral stone shining in white as the cylindrical bars continued to extract energy from the astral stone to run the flying ark.

Wha- However, her eyes shook in shock looking at the astral stone. "Divine astral stone?" she exclaimed.

Yan Zijin nodded her head. "En. This ark only runs in Divine astral stone. The High astral stones in our High stars won't work for this ark."

Rui Lian was surprised. "Then... this ark is from the Astral Realm?"

Yan Zijin gave a nod "Yeah..."

Rui Lian again took a glimpse at the Divine astral stone "But... how does our Sect master have an ark from the Astral realm and the Divine astral stones?"

Yan Zijin shook her head and spoke "I don't know. She didn't even try to keep this a secret and she gave this ark in my hands when I asked her."

"It seems like she has some connection with the people from the Astral Realm."

Rui Lian smiled "It also means that she cares for us to give us an ark like this to rescue me."

Yan Zijin giggled faintly as she muttered "Anyway, let's return to our sect."

Rui Lian nodded her head and the ark quickly flew towards the High galaxy and among the cloud of High stars rotating in the galaxy.

They quickly reached their solar system and there was a star like Earth but greater in size with a half-transparent blue barrier surrounding all over it.

\*woosh\* Their ark quickly passed through the barrier reaching their Sect area and their ark landed on the Sect's premises, where are four more normal arks like this.

Their whole sect is stretched across kilometers so to organize it, the sect is divided into many wings and each wing is given under the care of powerful Sect Elders within the sect.

Yan Zijin spoke. "Go to our wing's area. I will return the ark to the sect master, and we can investigate about that sealing of Eldritchfiends."

Rui Lian nodded her head and flew from there. Yan Zijin retracted the ark into her storage ring and flew in the opposite direction and quickly entered the Sect Master's area.

As she pushed open the heavy wooden door, she entered the room and was immediately drawn to the presence of a stunning woman.

This woman exuded an air of maturity and beauty, her long hair shimmering with hues of purple as she sat gracefully with her legs crossed.

Her eyes were closed, seemingly lost in cultivation, as astral energy danced and twirled around her in a mesmerizing display. Her eyelids opened, revealing her purple glimmering eyes, and a gentle smile crept over her lips "Zijin."

Yan Zijin bowed her head "Sect Master. I am grateful for your help today. I managed to bring my disciple back safely."

As she raised her hand, a yellow light shot from her storage ring and the woman took that in her palm as it disappeared into her storage ring

With a slight nod, the woman spoke "Now return."

Yan Zijin again bowed her head and left the chamber, as the purple haired woman rolled her eyes. "She didn't question the ark... Hm, I will go and meet Her Grace."

As she exited the cultivation chamber, she leisurely strolled through the grandiose halls of the Sect, heading towards towards her private room. Upon entering the lavish bedroom, she made her way toward the long mirror that was attached to the wall.

Reaching near it, she kneeled on the floor and muttered "Her Grace, are you there?"

In the next instant, a black silhouette of a woman appeared on the mirror "Yeah..." her enchanting voice echoed through the room.

The purplish-haired woman, Ji Shuang spoke in a respectable tone, "As per your order, I gave her the ark, Your Grace."

Ji Shuang still doesn't understand the motive behind the actions of 'Her Grace' who is behind that mirror. But she still follows them and does the work she was told to.

The woman who is on the mirror spoke, her voice calm and cold "Good. Now, go and ask that Rui Lian, did she encounter any young man on her journey in the middle star."

Huh? Ji Shuang raised her head in confusion but still gave a nod "I will duly return, Your Grace."

Chapter 267 Darling of what?

\*tap\* As Ji Shuang landed on the ground, the female disciples were surprised by the Sect Master's presence in their wing's area and bowed their heads in respect, "Sect Master."

Ji Shuang nodded her head and continued her way towards the wing's main quarters.

On her way, the disciples greeted her with respect and she gave a subtle nod to them.

...

In Yan Zhijin's room, she is sitting on her couch with the purple necklace in her hand, while Rui Lian is sitting beside her.

Rui Lian spoke, a tinge of sadness in her voice. "I really thought it was a treasure, but I was deceived by my ancestors."

"And I cleared all the Eldritch fiends from that star."

Yan Zijin narrowed her eyes. "Li'er, take our wing's flying ark and go back to your star. Inquire about this with your grandfather; he should know about it."

Rui Lian let out a sigh and nodded her head "En."

\*knock\* At this time, they heard a knock on the door and Yan Zijin raised an eyebrow. "Master, I will check." Rui Lian stood up from the couch and opened the door. Huh? However, she was stunned looking at the Sect Master in front of her "Sect Master?"

Yan Zijin also stood up from the couch and walked towards the doorstep, confusion clouding her thoughts "Sect Master, you are here? Did I miss something?"

Ji Shuang shook her head and turned her eyes toward Rui Lian. "Did you encounter a young man during your time in middle star?"

H-Huh? Rui Lian was surprised that she knew it and Yan Zijin frowned her eyebrows. 'I did not say anything about that 'Tian.' to her"

Um? Rui Lian glimpsed at Yan Zijin and gave a faint nod "Yeah, I did. He is the one who saved my life when I was on the verge of death from the attack of the space pirates."

Ji Shuang was startled to hear this, 'Then as Her Grace said, she had encountered a young man.'

"Give me the full details of what happened."

Rui Lian nodded her head and began to narrate, how she got attacked and used the haven stone to escape.

Later how he rescued her and also treated her injury but she didn't explain about the necklace part, as no other people except her and Yan Zijin knew about that.

"I see." Ji Shuang muttered under her breath and stepped out of the room.

Rui Lian squinted her eyes, looking at the back of Ji Shuang. "Huh? She came to ask us about Tian? How did she even know about him?"

Yan Zijin also narrowed her eyes "She is acting quite mysterious these days. And that ark too.. what is happening?"

...

\*thud\* Ji Shuang dropped to his knees in front of the ornate mirror, her voice filled with reverence as she addressed the figure reflected before her in a respectable tone "Your Grace." Again, the silhouette of the woman appeared and she spoke "So, what information do you have about him?"

Ji Shuang was dumbfounded that she had already confirmed that Rui Lian had encountered a young man in the middle star.

But Ji Shuang could only shake her head as the woman has always been like this and copy pasted what she heard from Rui Lian.

"He has long white hair and blue eyes, you say?"

Ji Shuang felt the coldness in her voice dim, and she could feel the tenderness in Her Grace's voice  
"Yes, Your Grace."

"And his name is?"

"His name is... Tian."

Eh? In the next instant, the silhouette of the woman in front of Ji Shuang disappeared leaving her confused.

...

"Tian.. Tian... Tian... TIAN!"

"His name is Tian! FINALLLLLYYYYYYY!!!"

The entire castle was filled with the enchanting sound of a beautiful voice as a stunning woman, seated regally on her throne, exclaimed in pure joy and delight. Her delicate fingers brushed the strands of silver hair away from her face, revealing silver eyes that shone with a love so deep it seemed to overflow as star-like gold patterns slowly spread on her glowing golden eyes. The image of a white-haired young man appeared in front of her and her eyes trembled. She couldn't control herself and she bit on her quivering lips as her teeth sank into her plump scarlet lips to suppress her overwhelming feelings.

"Annnhhh~~~ Darling!!!" Her voice grew longing and oozed with lust for Zhao Tian. She could feel her pussy twitching just by looking at his face.

Her eyes crescented as she held her cheeks with her palms, "After all these millenia of years. You have finally been born for me."

"The Honoured One, the Darling of the Heavens itself!"

...

As the morning sunrays chimed in, Zhao Tian's eyelashes fluttered and feeling the soft sponge on his face... a gentle smile appeared on his lips as he relished the warmth of her boobs on his skin "Aunt Zuiye...."

EH? "Why are you saying Zui'er' name?"

Huh? Zhao Tian's eyes jolted open and saw Ning Xue lying beside him on the bed, her robe is loosening below her chest showing her ample boobs.

"Xue'er, when did you come?"

Ning Xue raised her arm, ruffling his white hair "A little ago. I returned to my room and saw you were lying on the bed with no pillows in your head."

With a playful smile, she pulled down her robes even more exposing her full boobs for him to see "So, you like my pillows?"

Zhao Tian was quite confused, he was sure he was sleeping on Ning Zuiye's marshmallow pillows yesterday, but today morning he is in Ning Xue's pillow.

His eyes glanced around and he saw that the bedsheet had also been changed. Huh? Ning Zuiye has cleared up all the traces of them having sex.

Ning Xue's eyes softened "But I am glad..."

Hm? Zhao Tian glimpsed at her and she spoke in a tender voice "You missed me so much so you came and slept in my bedroom alone?"

Huh? Before he could speak, Ning Xue hugged him crushing his face with her boobies "You are so sweet Tiannnn. Here, have more."

Ehhhh? Zhao Tian was dumbfounded but he didn't clear up the misunderstanding and closed his eyes, enjoying her soft boobs.

Patting his head, she spoke "Now that I remember it, Tian. A new woman inside the artifact, Mei Xiu... was her name? She was searching for you."

Zhao Tian could only sigh, he also want to to talk with her...

\*thud\* "Good morning Tian." Pushing the door, Ning Zuiye entered, a bright smile on her face.

Huh? But she turned her eyes looking at the intimate scene on the bed "Sister Xue, what are you doing? Flashing your chest like that?"

Ning Xue giggled and Zhao Tian retracted his face from her boobs as she tidied her robes, wearing it promptly.

Ning Xue asked with a smile on her face "So did you enjoy your time yesterday, Zui'er?"

Ning Zuiye let out a sigh and nodded her head, glimpsing at Zhao Tian "Yeah, it was fun."

Ning Xue got down from the bed "Now that you have woke up, Tian... I will go and see Sister Freya. We came here originally to retrieve the Phoenix blood Astralugus flower."

Zhao Tian nodded his head and Ning Xue walked out of the room and following her, Ning Zuiye also left not to raise any suspicions in Ning Xue's heart.

However, after a few seconds, Ning Zuiye again entered the room and saw Zhao Tian still sitting on the bed.

"Tian!" she exclaimed excitedly and hurried towards him, plopping down on the bed and eagerly throwing herself into his arms for a passionate kiss. Zhao Tian was surprised by her unexpected kiss, but he soon found himself returning the gesture wholeheartedly. He closed his eyes and savored the sensation of her lips against his, losing himself in the moment. The kiss lingered on their lips, a sweet and intoxicating taste that seemed to ignite a fire within them both. "Ah!" As they pulled back the kiss, Zhao Tian pushed her on the bed and grabbed the robes on her neck, pulling it down revealing her underwear.

He could see the hickeys he left on her shoulders and smiled "You cleared the evidence?" he muttered as he slid his finger on the bra strap and pulled it revealing her boobs, and the nipples were deep red where he marked yesterday.

Zhao Tian's touch was electrifying, sending shivers down her spine as he explored every inch of her exposed skin with a passion that left her breathless. A blush crept on Ning Zuiye's cheeks and she nodded her head "I don't want to Sister Xue... to know."

"Hm? I told you I will talk to her about that."

He said placing a soft kiss on her right nipple "But I am quite scared... So, don't talk to her until I tell you."

-- "She is gonna know about it anyway, so why not just tell her."

"N-No, not now."

Zhao Tian let out a sigh as he licked her nipple "As you wish then."

Chapter 268 Hairstyle!

"Haah!" Letting out a sigh, Zhao Tian stepped out of the lake within the artifact, with a towel wrapped around his waist as droplets of water cascaded down his body.

As he raised his gaze, he saw Shi Yixian standing before him wearing black robes.

"Yixian." Zhao Tian smiled gently and Shi Yixian gave a bow, "My Liege."

She looked at him with expectant eyes, but Zhao Tian walked past her, keeping his smile, and disappeared from her sight.

Shi Yixian turned her eyes to the mansion in the distance. "He has gone to his room."

As Zhao Tian can teleport anywhere in the artifact, he went directly to his room to change his clothes.

Shi Yixian squinted her eyes and dashed out from there, intending to go to his room.

\*knock\* Zhao Tian, who was about to wear his t-shirt, heard a knock and seeing who it was, he spoke "Enter, Yixian."

Shi Yixian entered and saw Zhao Tian wearing comfortable white shorts and was about to wear a white t-shirt.

Zhao Tian slid the t-shirt on his body and glanced at Shi Yixian curiously. "What happened, Yixian?"

He thought she came to the lake to greet him in the morning, but now she is following him here too.

Shi Yixian quickly walked near him and Zhao Tian raised an eyebrow as he saw her dangerously standing close to him.

She hesitated, her eyes filled with uncertainty, as she stole a glance at him before timidly raising her hands and placing them on his shoulder. "My... Liege." For the first time, Zhao Tian saw hesitation in her eyes and was amused to see her showing different emotions. Playing according to her, he also placed his hands on her waist, pulling her closer.

"Uh..." Shi Yixian glanced at his lips and she was still hesitant. "I... My Liege.. I am."

Zhao Tian looked at her scarred lips trembling and spoke in a soft tone "Yixian, just say what you want to say. Did you remember something?"

Shi Yixian shook her head and spoke in a low voice "I... want to press my lips with yours. Can you grant permission for that, My Liege."

Eh? So she wants to kiss? Zhao Tian couldn't help but chuckle and seeing him chuckling, Shi Yixian spoke "The last time we did that.. it was so good and your tongue also tasted good."

Gently lifting her chin, Zhao Tian pressed his lips onto her and Shi Yixian too reciprocated, closing her eyes and indulging herself in the kiss.

As Shi Yixian parted her lips, letting out her tongue, Zhao Tian entangled his tongue with hers, creating a passionate kiss.

"Hmnn." Tasting his tongue, Shi Yixian's body twitched, her fingers pressed on his shoulders, as she lost herself in the bliss of the kiss.

The sensation overwhelmed her, leaving her breathless and longing for more. A little later, they broke the kiss and she again leaned in, pecking his lips and licking the saliva off his lips.

Smiling, he gently stroked her head before leaving the room. After he left, Shi Yixian licked her own lips "Why does this taste so good? Maybe, because of his physique?"

...

There is a long white table on the grasslands, with many white tables around it. And there are two beautiful women chatting, their giggle echoing through the surroundings.

"Hoh? She came back. That is quicker than I expected." Xia Shenyi rolled her eyes, looking at Zhao Suyin who was sitting beside her on the table.

Zhao Suyin nodded her head "Yeah and she was screaming that Tian'er did something to her."

Fei Ziyu was standing there obediently, staying silent, hearing them talk about her mom.

As Zhao Suyin took the last sip and placed the tea cup on the table, Fei Ziyu asked in a respectable tone, "Lady Suyin, refill?"

Zhao Suyin shook her head and spoke glancing at Xia Shenyi. "She even went to Chi Miya's home but she couldn't enter there either, as Tian'er placed a barrier there too. So she bombarded Chi Miya's mobile with calls. \*sigh\*"

"Now she must be in front of our home."

Fei Ziyu could only sigh in her heart hearing this: "Why is she making trouble like this?"

\*swoosh\* At this time, Zhao Tian appeared there and seeing him Xia Shenyi smiled "Tian."

"Tian'er!" Zhao Suyin got up from her seat and jumped on him letting herself fall into his arms. With a smile, he took her body in his arms "Mom."

As she hugged him, she felt that his hair was still wet, and she shook her head helplessly.

"Sit Tian'er."

Pushing him on the chair, she sat on his lap "You should dry your hair properly. How many times have I told you? As you have long hair now reaching your shoulders, you have to take good care of it."

Zhao Tian could only smile wryly and Zhao Suyin tenderly ran her fingers through his hair as she used her wind elemental to dry his soft hair.

Zhao Suyin was quite surprised to feel his hair on her fingertips "Tian'er, your hair is so soft. What is your hair care routine?"

Zhao Tian chuckled and shook his head "No, I don't have any."

Xia Shenyi joined in "Its 'cause of his physique, his hair is also like that."

"Ohhh..." Zhao Suyin mumbled as she gathered his hair into one and spoke "Tian'er, maybe you could try a messy man bun. It will look cool."

"Wait, no... it also looks cool when you let it flowing too. Hm, maybe you can try both hairstyles, it is gonna look good on you anyway."

With a gentle smile, she placed a kiss on his forehead "Come to mom later, I will try different hairstyles on you."

Zhao Tian planted a tender kiss on her lips and nodded his head "En."

As he retracted the kiss, Fei Ziyu spoke with a smile gracing her lips "Master, shall I prepare coffee for you?"

Zhao Tian gave a nod and as she left in joy, he glanced at Xia Shenyi "By the way, Shenyi, I encountered two people from the High Star yesterday."

Huh? Xia Shenyi narrowed her eyes upon hearing this and asked in a serious tone "Tian, tell me from the start."

With a nod, Zhao Tian began to explain from the start how he saw a shooting star and a woman inside it and later he helped her. "Oh, yeah... I took a photo of her face while she was sleeping."

Chapter 269 What are you doing?!

Zhao Tian took his mobile from the storage ring and opened the photos app. Zhao Suyin was the first one to see the image and commented, "Oh, she looks beautiful."

"Let me see." Xia Shenyi took the mobile from her hand and looked at the picture of the green haired woman.

Her eyes narrowed for a second before realization struck her and she gasped in shock "Li'er" she exclaimed before standing up from her seat.

Eh? Zhao Tian and Zhao Suyin looked at each other, confused. With a frown etching his face, he looked at Xia Shenyi, whose body was trembling. "Shenyi, do you know her?"

Xia Shenyi turned her eyes at him and quickly nodded her head "Yeah, yeah... she is Li'er, my junior sister in the Sect I was in, back in my High Star."

What? Zhao Tian was startled and Xia Shenyi muttered, her eyes looking at the green-haired woman's picture. "Li'er... she, what was she doing here? In this star?"

Zhao Tian squinted his eyes as he didn't expect that woman to be connected with Xia Shenyi. What a coincidence.

Letting out a sigh, he began to give the details.

Xia Shenyi gave a slight nod after hearing the explanation "I remember her talking about the necklace that is connected to her family treasure. But it was actually those boxes that was sealing the Eldritchfiends?"

"But.. how are they even linked? huh?"

Zhao Tian shook his head, "I don't know about that... but later she traveled the whole star and killed all the Eldritchfiends in the boxes."

Xia Shenyi raised an eyebrow and asked hastily "Is she still in this star? Do you know where she is?"

Zhao Tian could only shake his head "No, she has already left this star. Her Master came and took her from this star."

"Master." Xia Shenyi muttered under her breath and her eyes squinted in thought. "Did she have white hair and different colored eyes?"

Zhao Tian gave a nod "Yeah, her. She came in a different flying ark and took her from here."

"So my Master and Li'er came to this star but I couldn't meet them." Xia Shenyi let out a heavy sigh and she couldn't blame Zhao Tian on this, as he didn't know about them.

She handed over the mobile back to him and sat on her seat with a sad sigh.

"And she gave me these too." Zhao Tian said as he opened his palm as two Divine Astral Stones.

Hm? With intrigue, she took the Divine Astral stones and she couldn't contain her giggle "This must be the two Divine Astral stones that I stole from the Astral realm."

"You stole them?"

"Yeah, haha..."

...

Sitting on the sofa, Zhao Tian continued patting Xia Shenyi's head as his words reached her ears "I will surely make you meet them when I reach High stars."

Leaning on his chest, Xia Shenyi gave a nod "En. But I am still wondering how to leave this artifact."

Zhao Tian's eyes narrowed upon hearing this and at this time, someone came from the upstairs.

"TIAN!"

Hm? Zhao Tian raised his head and saw Mei Xiu rushing downstairs "Xiu."

She dashed towards him and plunged into his arms, burying her face on his shoulders "Tian, Tian..."

Xia Shenyi gently moved away and he hugged Mei Xiu who was in his arms. Mei Xiu's hands are wrapped around his neck tightly as she muttered, her eyes tearing up "Sorry, Tian..."

Zhao Tian gently patted her back "Why are you asking, sorry, Xiu. It should be me..."

"No." Mei Xiu raised her head and looked at him with teary eyes "Why didn't you say about your body condition and this physique thing."

"No, its my fault... you were trying to say... but I was the one who doesn't listen to you and ran away from there."

She grabbed his cheeks within her palms "For the past two days, Sister Shenyi and others talked a lot about you and your physique."

"You need many woman to stabilize your Yang energy and sex drive."

-\_- Zhao Tian smiled dryly "Well, yeah..."

Hugging him, she nodded her head "En. Sister Shenyi taught me, as his woman... I should support him in all his deeds and needs. But I abandoned you and left."

Hm? Zhao Tian turned his eyes to Xia Shenyi and she winked her eyes playfully.

At this time, Mei Xiu leaned in near his ears and whispered softly "Tian, I want to ask... I-I did not satisfy you in bed?"

Huh? Zhao Tian raised an eyebrow and Mei Xiu averted her gaze "W-Well, other women here said that he wouldn't be satisfied even with four women."

"S-So, you must not have been satisfied with my body, sorry, Tian... I was a bad girlfriend." She spoke as tears began to cascade down her cheeks, her fingers gripping on him desperately.

Zhao Tian shook his head, his fingers running through her brown hair "No dear, I enjoyed every second with you... you satisfied my heart."

Huh? Mei Xiu raised her head from his shoulder and seeing his tender eyes filled with love, her heart shook, Intense emotions were surging within her.

"Waaaah, Thankyou Tian... I love you!!! I love you so muchhhhhhhhhhh!!!!"

She yelled as she jumped on him, desperately kissing his lips.

Xia Shenyi only chuckled upon seeing their banter.

...

In the evening, Zhao Tian stepped out of his car and walked to the apartment.

Reaching near the door, he opened it without knocking it. The moment he stepped in, he saw Cai Luo standing in front of him with a sword in her hand.

"Bastard, you dared to come here after you did that to me?"

Only then, Zhao Tian remember that he grabbed her ass the last time and flew from there. He just shrugged "You were the one who called me to come here, saying you have some information of that Lycan Syndicate."

"Or, did you lie to lure me here?"

Cai Luo shook her head, "It is true, the spy came back and I have information."

"Good..." With a playful smile, he stepped forward and gently hugged her in his arms. Cai Luo was startled by his sudden hug and before she could react \*slap\*

She felt a sharp sting on her ass and her cheeks turned red "You bastard."

With a smirk, he grabbed her ass squeezing it "Hmmm... good. Luo, such a nice ass."

\*swoosh\* However, at this time, a blade hurled towards his face at flickering speed with a metallic glint.

\*thoom\* Zhao Tian moved his head and the blade destroyed the door and flew outside falling on the pavement where it created a huge crack on the ground.

"What are you doing to Lady Luo?!!!"

Zhao Tian glimpsed at the red haired woman fuming in anger.

Hoh?

Chapter 270 Ass!

Hm? Zhao Tian glimpsed at the fiery red-haired woman, her eyes ablaze with anger as she glared at him. "What are you doing to Lady Luo!" she yelled furiously in anger.

Cai Luo tried to move in his arms, but she couldn't as he was hugging her damn tightly.

With a teasing smile, Zhao Tian gave another slap on her ass, letting her ass jiggle and Hui Xiang gritted her teeth as she jumped towards him "YOU!"

\*swish\* A sharp mettalic blade appeared in her hand, and it quickly turned red as Hui Xiang infused her fire elemental into the blade.

As the blade inched close to his face, he kept his playful smile and \*woosh\* with a burst of astral energy from his body, she was blasted away.

\*throom\* She crashed on the couch and splintering it into two pieces as her body collapsed against the wall creating cracks on them and shaking the whole apartment for a second.

\*swish\* However, shaking off the debris, she again dashed towards Zhao Tian and at this time, Cai Luo who was in his arms, turned her head and narrowed her eyes as she muttered "Xiang. stop."

Hearing her cold tone, Hui Xiang's body shrieked and she instantly kneeled on the floor "Lay Luo."

Despite being upset with Zhao Tian, Cai Luo will not allow anyone else to harm him. Seeing that she was caring for him, Zhao Tian chuckled and turned his gaze to the woman kneeling on the floor.

"She is the spy? She is so loyal.. hm"

Cai Luo twisted her body in his arms to break free from his grasp, But Zhao Tian didn't let her go and continued squeezing her ass cheeks spreading them, feeling her ample flesh on his palms.

Hui Xian's eyes trembled to see Cai Luo getting manhandled by Zhao Tian like this 'Where is the fierce Battle Maniac Yu Hua? Why is she not fighting back and she is also restricting me? Who is this man?'

Cai Luo raised her hands, hitting his chest "Bastard, let me go." she muttered, her cheeks flustering even more in shame.

However, Zhao Tian got even bolder and brought his hand near the waistband of her pants. With a teasing glint in his eyes, he slid in his hand causing Cai Luo's heart to skip a beat and her cheeks to flush a deep shade of crimson. "W-W-Whaaa-" Her body quivered as she felt the warmth of his hand inside her pants, directly touching her ass.

Zhao Tian's fingertips gently grazed the delicate fabric of her panties, and now he could clearly feel the squishiness of her ass cheeks. "Now it feels even better, Luo." He whispered in her ears, making her body tingle.

"You-" She pushed him with her full power and Zhao Tian let her go as she took two steps back from him, her whole face deep red in embarrassment and shame.

Her lips twitched as the sword again manifested in her hand. "I am killing you today, rogue."

\*sleech\* She slashed at him and he playfully moved to the side, dodging her sword. Swiftly moving behind her, he raised his hand and \*plah\* landed another firm slap on her ass, causing her to let out a surprised gasp. "Kyaangh~!" She moaned in slight pain and twisted her body, again slashing her sword at him. However, Zhao Tian deftly caught her wrist and struck her hand with a small bolt of lightning. "Uh!" Cai Luo felt her hand tingling and as her fingers trembled, the sword slipped down from her hand.

With a gentle crouch, Zhao Tian took hold of her waist and tossed her body on his shoulder. "Now, come and prepare me coffee." he muttered, carrying her to the kitchen.

-\_- Huh? Cai Luo was dumbfounded but she let out a sigh and closed her eyes, calming her anger.

What the hell is happening? Hun Xiang took the sword from the ground and glimpsed at the destruction in the hall.

...

"Here." Zhao Tian placed Cai Luo on the floor and she stared at him blankly.

"Why do you keep grabbing my ass?"

Zhao Tian chuckled upon hearing her question, "Because it's soft?"

Cai Luo's eyebrows twitched and she moved her hand, quickly pinching his waist. "I can't believe you had the audacity to stick your hand in my pants."

Zhao Tian winked his eyes at her. "Why not?"

Cai Luo squinted her eyes and pinched him even more, but seeing no reaction in his face, she raised an eyebrow "Recently, you have become so strong- wait, WHAT? 5th level of the Monarch Astral Stage? When did you cross that?"

"Weren't you like 2nd level a few days ago?"

Zhao Tian just showed a smile, after absorbing the soul, he broke through to the 5th level of the Monarch Astral Stage.

"Are there still residual pills you got from those ancient ruins?"

The last time, Zhao Tian lied, saying that he took a pill he found in the Ancient Ruins to raise his cultivation.

Hearing her question, Zhao Tian gave a faint nod "Something like that."

Cai Luo narrowed her eyes and said, "I don't recommend using pills to raise cultivation, as the impurities will stay in your body. But you are actually stronger than me after taking pills."

"Do the pills from ancient ruins have high purity?" She rolled her eyes.

Zhao Tian just smiled and opened the refrigerator, but seeing that there was no cake, he glimpsed at Cai Luo.

Hm? Cai Luo also realized and spoke in a high voice "Xiang, go and buy some cake."

Hun Xiang who was clearing the debris, was startled, "Cake?" Nevertheless, she hurried off to buy cake, as it was her Lady's order.

Cai Luo spoke "Wait a minute..." as she turned the stove on and carefully placed the milk container on top, preparing to heat it up.

Zhao Tian moved beside her and gave a tap on her ass. Hm? Cai Luo glimpsed at him and shook her head helplessly "Could you stop groping my ass."

"I won't"

Cai Luo smiled wryly hearing his quick answer and Zhao Tian casually placed his hand around her shoulder.

Cai Luo didn't mind it and gave a faint elbow hit on his abdomen "Bastard."

"So, tell me, what do you know about Lycan Syndicate."
