Chapter 281 Luo dear!

Zhao Tian turned her body on the bed again and saw the adorable, deep-crimson face of Cai Luo. She quickly clutched her thighs together so he wouldn't look at her vagina. "See, how I am ravishing you..."

He whispered softly before moving closer and gently pressing his lips against hers in a tender kiss. H-HUUUHHH?! Cai Luo was taken aback by the unexpected sensation of his soft lips against hers, causing her entire body to freeze in shock.

Her heart raced as she felt a flutter in her chest, and her gaze trembled as she locked eyes with his gentle blue gaze. Zhao Tian savored the moment as he closed his eyes and gently kissed her lips, relishing the delicate texture and taste of her soft lips. *badump* Cai Luo's heart beat rose as he continued nibbling on her lips and her hands instinctively found their way to his shoulders, where she held on tightly, her fingers curling around his muscles in a desperate grip. Zhao Tian gently retracted his lips and saw Cai Luo still reeling in shock, her mouth slightly parted.

Cai Luo took her trembling hand from his shoulder and gently caressed her lips, as she could still feel the lingering warmth of his lips. "Ti... an."

Zhao Tian's hands delicately encircled her waist, drawing her in even closer as he leaned in for another passionate kiss, his lips meeting hers in a deep, intimate embrace. Cai Luo was caught off guard again and as she opened her lips to speak, Zhao Tian deftly slid his tongue in, turning it into a passionate kiss.

gasp Cai Luo's breath caught in her throat and before she could respond, Zhao Tian sucked on her lips, intertwining his tongue with hers as their shared saliva blurred her thoughts. Cai Luo's eyelashes quivered as Zhao Tian continued kissing her, dominating her tongue as the taste of their saliva muddled her mind.

Her mind stopped processing as she couldn't think of anything and she submitted herself to his aggression as he pressed her body against the bed, not letting her move.

Her grip on his shoulders got tightened, and at the same time she felt Zhao Tian's hands wandering on her body, taking in every curve,

She raised her hand from his shoulder and hugged his neck, submitting herself to him as she also began to reciprocate the kiss consumed by the heat of the moment.

Their bodies became entwined as they hugged each other tightly on the bed, their lips locked in a fervent kiss that seemed to consume them both. Saliva dripped down their lips but they didn't seem to mind it and sucked on each other's lips madly, as if they were desperately thirsting for the taste of each other's lips.

She lost herself in the warmth of his embrace, the intensity of their kiss, leaving her breathless and longing for more. After a long battle of tongues, both of them finally retracted their lips forming a thin strand of saliva connecting their lips.

"Huff! Huff!" The sound of heavy breathing filled the air as they locked eyes, their chests rising and falling in a desperate attempt to catch their breath.

The warmth of each other's breath brushed against their cheeks, intensifying the intimate moment between them. "Tian..."

"Luo.."

Zhao Tian plunged in again, nuzzling his face on her neck as they cuddled their bodies. He continued to pepper her neck with gentle kisses, eliciting a warm embrace from Cai Luo as she wrapped both of her arms around his neck. "Haangh~ Tian."

Zhao Tian's lips moved slowly down her body, planting soft kisses along her collarbone before reaching the fabric of her t-shirt near her neck. "Luo..."

Muttering her name, he grabbed her t-shirt tightly and peeled it down, tearing it. *teek*

Cai Luo was dumbfounded by his aggressiveness and grabbed his hands. "Tian... what are you."

Zhao Tian shrugged away her hands and looked at the blue bra holding her boobs. Cai Luo quickly covered her chest with her hands, averting her gaze in embarrassment.

"Tian... w-wait... you are-"

Zhao Tian just smirked, grabbed both of her hands in one hand and pinned them above her head. She struggled but it was futile and Zhao Tian plucked the bra from her chest revealing her bouncy jugs.

Zhao Tian's playful gaze lingered on the curve of Cai Luo's chest, causing her cheeks to flush a deep shade of crimson. Cai Luo's whole face turned deep red, as she didn't have a bit of clothing in her and was completely naked for him to see.

Zhao Tian's finger tips gently teased her abdomen as he slowly trailed up near her chest. *gulp* Cai Luo gulped down her saliva seeing his hands getting closer to her boobs.

Groping the soft pillows under his palm, Zhao Tian smiled in satisfaction. "E cup, good."

"S-Stop it, Tian.. It's embarrassing.."

However, Zhao Tian had other ideas as he gently leaned in, bringing his lips close to her red nipples. Feeling his hot breath on her sensitive nipple sent shivers down her spine.

With a playful smile, Zhao Tian kissed on her nipple before sucking on it. "Hnngh~!" Cai Luo mumbled feeling his lips on her nipple and Zhao Tian also felt her nipples getting hard.

He gently bit on her nipples and Cai Luo felt a sudden spark of pleasure course through her body, making her whimper in delight.

"Haaangh~~ B-Bastard." Cai Luo let out a moan feeling his moist tongue rolling on her tongue and how skillfully he was sucking on her hardened nipple.

Love juices began to drip from her pussy as she clutched her thighs tightly and Zhao Tian continued to lick and suck on her nipple fervently.

Zhao Tian raised her gaze and looked at her trembling eyes oozing with embarrassment. and feeling his gaze, she averted her eyes bashfully.

"Luo..." Not being able to resist her cute face, Zhao Tian leaned up, took her lips in a deep kiss and released her arms from his grip.

Retracting the kiss, Zhao Tian smiled gently and Cai Luo gaze lowered in shyness.

Zhao Tian glimpsed down at her clutched thigh and gently brought his hand near her crotch. Feeling his hand inching closer to her thighs, Cai Luo clutched even more tightly not letting his fingers go near her private part.

Zhao Tian turned his gaze at her and she shook her head shyly.

Zhao Tian tenderly ran his fingers along Cai Luo's thighs, planting a soft kiss on her cheek. In that moment, their eyes locked, and she found herself unable to resist the overwhelming desire she felt for him. @@novelbin@@

The electricity between them was palpable, sparking a fire that neither could ignore. Without even realizing it, she instinctively opened her legs slightly, allowing him a fleeting glimpse of her pussy. Zhao Tian moved closer to her crotch and grabbed both of her thighs splitting them open in an M shape.

Cai Luo could feel her predatory gaze on her pussy and she felt tinglish "Tian... stop looking at it too much... its so embarrassing."

But what caught Tian's eyes were the tiny of grass of hair on her crotch which is blonde in color.

'Huh? Her hair color is black... but here it is blonde?'

Chapter 282 *Cai Luo*

Zhao Tian caught a glimpse of the immaculate pink pussy displayed in front of him, with love juices seeping out of it.

However, he was taken aback by the subtle pussy hair adorning her crotch. 'Huh? Her hair color is black... but here it is blonde? Maybe this is her real color and that is dye?'

But he shook his head, as this was not the time to think about it.

Meanwhile, Cai Luo felt like she wanted to dig a hole and hide in it, as she knew Zhao Tian was seeing her pussy which was leaking love juices like a waterfall.

"T-Tian... shall I-I wash up first?"

She took a bath in the morning and then they went to date in the afternoon, and later they traveled three hours to come here. So she must be sweaty.

"No." No Zhao Tian muttered as he brought his hands to her pussy and touched her pink pussy folds, delicately parting her soft, pink folds with his gentle touch.

Cai Luo hurriedly hid her pussy with her hand, her face flushing red "T-Tian, please... I will wash. I must be so sweaty."

Zhao Tian took her hand from hiding her pussy and spoke "No Luo, it's perfectly alright."

Cai Luo hesitatingly removed her hand and bit her lips in nervousness and embarrassment. 'H-He is looking at it so hardly...'

Just the thought alone turned her on so much and Zhao Tian saw even more love juices squirming from her stretched pussy.

Zhao Tian was completely captivated by the sheer beauty of her pussy, unable to resist the temptation to bring his face closer to it.

Cai Luo couldn't help but squirm with pleasure as she felt his warm breath gently tickling the walls of her pussy. "T-Tian...."

Zhao Tian looked down at the delicate folds of skin, which appeared to be moving as if they were breathing. He gently leaned in and placed a tender kiss on the lower part of her lips *gasp* Cai Luo was startled and hurriedly grabbed his head "N-No.. Tian... T-That's not the place to... Haangh~!"

But Zhao Tian didn't heed her words and gave her pussy another kiss.

"Tian..." Cai Luo's eyes moistened in embarrassment, and Zhao Tian let out his tongue, licking her pink pussy.

"Oonhgg~~" Feeling his tongue, Cai Luo's heart shook "T-Tian..."

She gently grabbed his head as Zhao Tian continued sucking on her honey cave and love juices began to drip from her pussy. "Yaangh~!" Zhao Tian continued to lick Cai Luo's pussy by simultaneously licking her pussy and sucking on her clit, sending waves of ecstasy through her body. "Haangh~! Anghhh~ Hnnnghhh~!" With each passing moment, her moans of pleasure grew louder and more fervent, as he expertly teased and tantalized her pussy with his tongue. Her body convulsed with pleasure, every nerve ending on fire with desire as she surrendered herself to the overwhelming sensations coursing through her. He continued to pleasure her with fervor and intensity, his actions driving her wild with desire and ecstasy. "Ohhh~! Hmnngh Tian..." An erotic moan left Cai Luo's lips as she felt his tongue plundering her pussy's inner wall bringing her intense pleasure.

"Ahhng~~...this is too much!"

As time went on, the volume of her cries increased, her breathing became even more rapid, and her chest heaved with intensity, all a result of the pleasure she felt from the continuous and intense stimulation Zhao Tian was delivering to her pussy. Zhao Tian parted his lips and tenderly nibbled on her clitoris, causing Cai Luo to let out a moan of delight.

"Haangh~!" Her eyes widened as Zhao Tian continued to suck on her clit, flicking his tongue over it skillfully. "Hmnnghhhh~ ..." Cai Luo started to fondle her own breasts, gently squeezing her nipples while she continued to squirm under his tongue on her pussy.

She succumbed to the lust and began to pleasure herself by twisting and pinching on her nipples as Zhao Tian's tongue danced on her pussy.

As she approached the peak of ecstasy, her vagina pulsated with desire, causing Zhao Tian to withdraw his lips just in time for Cai Luo to release a powerful squirt of pleasure. *squirt*

The intensity of her orgasm was so strong that her entire body shook with the overwhelming waves of pleasure that washed over her. @@novelbin@@

Zhao Tian watched with satisfaction as Cai Luo's love juices gushed out of her pussy. He couldn't help but smile at the sight.

"Haah, Haah!"

Cai Luo's chest rose and fell rapidly as she gasped for air, still recovering from the powerful orgasm.

Cai Luo breathed in deeply, feeling her vision start to blur as Zhao Tian started to undress.

As Cai Luo's thoughts began to settle, she gently shook her head and lifted her eyes upwards.

H-Huh? But she was stunned as she saw Zhao Tian crawling towards her and her eyes instantly dropped to his dick.

"T-Tian... w-we are..." she panicked at seeing him get close to her.

Zhao Tian leaned in closer, his lips meeting hers in a tender kiss, his fingers softly running through her hair "What?" he asked in a rasping voice.

Cai Luo's gaze wavered as she spoke, "We are... um, well..."

Zhao Tian took her chin in his fingers and smiled mischievously "It doesn't matter if you resist or not... as I said, I will ravish you today."

Cai Luo felt something on her pussy and she gazed down at the tip of his big dick grazing at her pussy walls and slowly spreading them with each movement.

Cai Luo's eyes trembled seeing his dick and various emotions swirled in her heart. Before she could respond, Zhao Tian kissed her lips shutting her down and gently slid his dick into her moist pussy.

Cai Luo could feel how Zhao Tian's dick was slowly spreading her pussy making its way deeper, causing her eyes to tremble.

"Urgh..." she felt a faint pain as it reached even deeper and Zhao Tian felt a thin layer blocking his way.

With a soft sigh, he pushed in tearing the hymen and Cai Luo gritted her teeth in sheer pain "Urghh~ T-Tian..." she whimpered, her eyes welling up with tears.

Zhao Tian slowed down his movements and as Cai Luo tensed in pain, he felt her pussy walls tightly clutching on his cock, giving him intense pleasure.

"Luo!" Zhao Tian whispered her name, as he tenderly kissed her lips. His hands caressed her body, focusing on her breasts and gently stimulating her nipples to provide her with relief from the discomfort she was feeling. Cai Luo eagerly returned the kiss, desperately attempting to distract herself from the excruciating sensation of Zhao Tian's immense dick stretching her to her limits. After a while of kissing, Cai Luo pulled away from the embrace, her chest rising and falling rapidly as she tried to catch her breath.

Huff Gasping for air, she looked up at Zhao Tian with a mixture of desire and anticipation "Bastard... this is how you take my first time."

"You started it."

As Zhao Tian continued thrusting his dick into Cai Luo's vagina, she experienced a mix of sensations.

Initially, there was a slight discomfort, but as he persisted, the pain gradually gave way to a pleasurable sensation that elicited a moan of satisfaction from her lips. Zhao Tian moved his hips back and forth sliding his huge dick inside her pussy. Cai Luo's eyelids fluttered as she felt his dick spreading her pussy with each thrust giving her pleasure.

pakh "Mmngh~ Tian~~" With a soft gasp, Cai Luo's body trembled as a wave of pleasure washed over her, erasing the initial discomfort she had felt and replacing it with an overwhelming sensation that left her mind and body in a state of blissful surrender. Seeing that Cai Luo was getting used to it and she was enjoying it, Zhao Tian decided to push himself even further, intensifying his speed and increasing the force of his pounding.

pakh *pakh* With each thrust of Zhao Tian's cock into Cai Luo's pussy, she couldn't contain the overwhelming pleasure that coursed through her body.

"Tian... Tian..." The intense pleasure was so overwhelming that it left her gasping for breath and trembling with desire.

The room was filled with the sound of her breathless moans of pleasure as she called out his name. "Haangh~ .." Cai Luo was lost in the sensation of being filled by Zhao Tian, her moans becoming more urgent and desperate as she surrendered herself to the pleasure he was giving her. *pakh* "Angh~!!!" Her body quivered uncontrollably as Zhao Tian's throbbing cock expertly explored the depths of her wet pussy.

"Tian!" The sensations overwhelmed her, causing her to gasp his name with every breath.

Zhao Tian, too, was consumed by an insatiable desire as he relentlessly pounded into her, losing himself in the intense pleasure that coursed through his veins. Each thrust of his cock sent waves of pleasure coursing through her, leaving her completely at his mercy as he skillfully navigated every inch of her eager flesh. With each rhythmic movement, they inched closer and closer to the brink of pure bliss, their bodies entwined in a dance of passion and desire. As they enjoyed the moment of ecstasy, Cai Luo reached climax first with a release of fluid, *squirtt* followed closely by Zhao Tian who also reached the peak of pleasure and ejaculated his semen into her womb. *splurt*

"Tian~!" Cai Luo's body instinctively arched in response to the overwhelming sensation of pleasure that coursed through her.

Chapter 283 A little talk with Luo!

"Haah!"

"Haah!"

Lying on the bed, Zhao Tian and Cai Luo looked at each other, their chests heaving up and down after their blissful intercourse, as they breathed in each other's scent, a strong smell of sex filled the room. Cai Luo took a deep breath and asked in a weak voice, "H-How many times have we done it?" Zhao Tian's eyes glanced around and saw the mess they had made in the room, with his cum and her love juices sprayed on the floor.

Letting out a sigh, Zhao Tian pulled his dick from her pussy as his cum burst out from it like a dam staining the bedsheets.

"I lost count after 10."

With blurry eyes, Cai Luo looked down at her pussy which was deep red in color after his continuous pounding "I am sure... you got me pregnant after you came that much inside me. It's not my safe day."

Cai Luo moved her body snuggling into his arms and Zhao Tian too encircled his arms around her waist, hugging her tightly, her boobs pressing on his chest.

Their naked bodies intertwined as they relished in the warmth radiating from each other's skin.

"Tian.." She leaned forward and pecked his lips softly, burying her face in his neck. As they snuggled up on the bed, enjoying each other's warmth and closeness, *ring* *ring* the sudden sound of a ringing phone shattered the peaceful silence of the room. Huh? Zhao Tian glimpsed at his pant which were on the ground and his mobile was ringing from the pocket. He raised his hand and the mobile phone levitated toward him.

Seeing the name 'Mei Xiu' he attended the call and brought it near his ear "Xiu, what happened?"

Mei Xiu who is on the other end of the call spoke "Tian, Sister Shenyi said she wants to talk to you about something important."

"Important?" Zhao Tian squinted his eyes upon hearing this.

However, at this time, Cai Luo swiftly grabbed the mobile from his hand and brought it near her ear "Sorry whatever you are, we are having sex, so call us later." she said and cancelled the call as she placed it on the nearby lamp shelf.

-- Zhao Tian looked at her dumbfounded.

Cai Luo's eyes narrowed and glared at Zhao Tian "Now that I remember it, bastard... you have a lot of girlfriends right?"

"That woman, whom you went with to a party like two months ago, then that woman beside my apartment, that woman from Zhenzhu and yesterday this assassin woman. Is there only four or even more?"

"Did you break up with your first two girlfriends?"

Zhao Tian chuckled and shook his head "No, they are all my girlfriends."

"Huh? Then you are four timing now? Cheating behind their back?"

Zhao Tian rolled his eyes "No, because they all know I have many girlfriends."

-- Eh? Cai Luo was confused hearing this, they all allowed him to have other girlfriends? Is it because he is handsome?

However, she asked the question to herself. Will I leave this bastard because he has many women?

Conflicted emotions filled her heart and she squinted her eyes in confusion.

Meanwhile, Zhao Tian raised his hand gently caressing her hair and at this time, he remembered "By the way, Luo, is this your natural hair?"

Hm? Cai Luo tilted her head in puzzlement and seeing her clueless eyes, Zhao Tian gaze lowered to her crotch "I mean... there it is blonde, so I asked."

Cai Luo looked down and her heart skipped a beat as she remembered the most important thing.

She had sex with Zhao Tian as Cai Luo, not as Yu Hua.

Her heart raced with panic as she realized she had forgotten to disclose her true identity. W-What should I do? I forgot to tell him my identity. She used the illusion of the ring on her face only, not on her body.

Her mind swirled in various thoughts as she glimpsed into his eyes. 'But what will he think when I say it? Will he get angry that I hid it from him all these days? He loves Cai Luo, not the real me.'

Seeing her trembling eyes, Zhao Tian narrowed his eyebrows "Luo?" @@novelbin@@

Cai Luo let out a faint cough and muttered "Oh, blonde is my natural hair color. I dyed it black since it stands out."

"I see." Zhao Tian mumbled under his breath.

Cai Luo gave a nod and spoke, withdrawing herself from his embrace "I want to take a bath... I was already sweaty and we had a ton of sex."

"Then, let's bathe together."

...

"Mngh~ Tian."

Cai Luo let out a soft moan as Zhao Tian bit her lips, both of them hugging each other in the shower as the cold water cascaded down their bodies.

Retracting the kiss, Cai Luo leaned over and gently bit his shoulder "You bastard..."

plah Zhao Tian gave a sharp slap on her ass and asked "You are still calling me bastard?"

Cai Luo snorted as she pinched his waist "Of course, you forced me on the bed."

Zhao Tian raised her chin with his fingers and spoke in a playful tone "Don't act like this wasn't your plan from the beginning. From the moment you chose to stay in my room, to the moment you started teasing me... I know you want to be fucked by me." "I just acted along with your plan. That's why I forced you as I knew you wouldn't resist it."

H-Huh? Cai Luo was taken aback that she found out about her plan. Feeling embarrassed, she looked down and stammered, unable to find the right words to explain herself "I-I..."

Zhao Tian wrapped his arms around her, his hands instinctively moving to cup her buttocks as he pulled her closer to him "So care to tell me why you did all of that?" Cai Luo's frustration grew and she hit his shoulders "It's because of you bastard, because of you... I had to take that decision."

Chapter 284 You need to see this?

"It's because of you, bastard."

"Huh? What did I do?"

Cai Luo raised her hand pinching both of his cheeks "Because you are going to fight those Lycan Syndicate, knowing that it is impossible to win them."

Zhao Tian narrowed his eyes in confusion and a faint blush appeared on Cai Luo's cheeks "I-I am not sure of my own feelings... but I know I want to be with you and I-I love you... I guess."

@@novelbin@@

"I tried to stop you but you refused to listen to me and we may die out there in the Lycan Kingdom's territory. So, I thought... Before dying, I need to at least confirm my feelings with you."

"But I couldn't bring myself to talk about my feelings, so I gave you hints and came to your room, and teased you. But I truly didn't expect you would take it to heart and have sex with me."

Zhao Tian couldn't help but chuckle and decided to tease her "Ehh? You love me? I thought we were just having sex... like sex friends?"

H-Huh? Cai Luo's heart sank upon hearing this and her eyes wavered "T-Tian, what are you saying? You touched my body and loved me in the bed... T-Then that? Why?"

Zhao Tian had clueless eyes "Hm? That's because you have a sexy body and I thought you just wanted to have sex with me."

W-What? Cai Luo was taken aback by the revelation, her heart quivering with a mix of emotions. The realization that he may not have truly loved her caused a wave of sorrow to wash over her, leaving her eyes brimming with tears.

T-Then he didn't love me?

Seeing her tear up, Zhao Tian was startled "Oi, I was just teasing you..."

Hm? Cai Luo looked at him, while Zhao Tian gently brushed away the tears that had welled up in her eyes "Really?"

Zhao Tian gave a nod and pecked her lips "Why would I have sex with a woman whom I don't love?"

"Then you love me, right?"

Zhao Tian nodded his head "Yeah, yeah.. I do."

"Then say it, say I love you."

Zhao Tian smiled and spoke softly "I love you."

"Hm, Good." Cai Luo's lips twitched and punched his abdomen hardly "You damn bastard, you almost broke my heart... bastard, bastard, this is how you tease me?"

Zhao Tian couldn't control his laughter feeling her feeble punches while Cai Luo continued to punch him "I hate you, I hate you... bastard."

"Haha!"

...

Zhao Tian and Cai stayed in the warmth of each other as they hugged very closely, their bodies still showering in the sprinkling water.

Her hands around his neck got tighter and she leaned in, kissing his lips "Tian, listen to me, I want to live more with you. Our relationship has just started... so please let's leave this country first."

"I will surely regret it if we go and die right after we confirm our feelings."

Zhao Tian squinted his eyes upon hearing her words "Are you still onto that?"

Cai Luo lowered her gaze "That thing is lingering on my mind, Tian..."

Zhao Tian gently planted a kiss on her forehead, reassuring her "Don't worry about that. I won't die and also won't let you die." Cai Luo's eyes crescented in concern "But Tian... if we left now and if the Lycan Syndicate came for an all-out war, the whole Zhenzhu will be involved and there are powerful sects within Zhenzhu, so they will have no other choice but to step in."

"And at that time, we can surely win."

Zhao Tian shook his head "No, do you remember the nuclear bomb they used on you? If we left and they had enough time, they could recreate it in large caliber."

"That small thing almost killed you, just think if it was on a large scale..."

"So, it's better to sneak attack them and we can't trust the sects from Zhenzhu as they might have been secretly allied with the Lycan Syndicate."

Cai Luo's eyes quivered and she bit her lips, feeling her own helplessness.

"I will surely protect you, Luo."

Now after his dual cultivation with Cai Luo, he has gotten even stronger, stepping into the sixth level of the Monarch Astral Stage.

Letting out a sigh, Cai Luo leaned on him, a tear cascading down her cheek "Tian..."

Zhao Tian gently placed a kiss on her forehead and then closed his eyes as they both relaxed in the warm bath, enjoying each other's company. ...

Zhao Tian stepped out of the bath carrying Cai Luo in his arms, who was fast asleep. *woosh* With a gust of hot air, her whole, naked body dried, and he placed her on the bed.

"Who would fall asleep in the middle of the bath? Haa, She must be exhausted mentally after the long sex."

Taking the quilt, he covered her body and he waved his hand as a swirl of water and wind covered the room, cleaning the remnants of their sex.

As he leisurely walked over to the lamp, he casually reached for his mobile phone and glanced at the screen "Uh, its 1 AM." ...

swish Zhao Tian appeared in the artifact, out of his mansion and sensing his presence, in the next instant two women appeared in front of him.

"Tian."

"My Liege."

Looking at Xia Shenyi and Shi Yixian, Zhao Tian gave a nod and glimpsed at Xia Shenyi "Shenyi, you have something important to talk about?"

"Yeah, let's go in."

As Zhao Tian gave a nod, he glanced at Shi Yixian who was looking at him expectantly. "Yixian?"

Shi Yixian looked at his lips, a faint blush coloring her cheeks "My Liege, your lips."

"Oh!" Zhao Tian remembered and wrapped his arm around her waist, drawing her closer to him before leaning in to passionately kiss her -_- Xia Shenyi watched them have a passionate kiss and they were even using tongues.

Shi Yixian pulled away from the kiss, a gentle smile playing on her lips as she nodded gratefully "Thankyou, My Liege."

With a chuckle, Zhao Tian patted her head and the three of them walked into the mansion.

As he stepped through the grand entrance of the mansion, his eyes fell upon a group of familiar faces gathered in the living room.

Zhao Suyin, Zhao Ying, Chi Miya, Ning Xue, Freya Everglade, Mei Xiu, Ling Huang, Ling Meiying and fire spirits too sitting on the sofas and seeing him entering, everyone stood up.

Zhao Ying walked forward and hugged him "Tian'er." she muttered his name with a kiss on his cheek.

Embracing her, Zhao Tian questioned "Why is everyone here?"

Zhao Ying turned to look at Xia Shenyi "Sister Shenyi said that she will show something."

Xia Shenyi nodded her head and spoke in a serious tone "It's about Heavens, Tian... you should see this."

Chapter 285 Heavenly lightning!

"It's about Heavens, Tian... You should see this." "Something about Heavens?" Zhao Tian squinted his eyes upon hearing Xia Shenyi's words.

Hearing the word 'Heavens' everyone was intrigued, even Freya Everglade, as they had never seen or interacted with these Heavens directly.

Zhao Tian waved his hand and everyone sat back in their places. Zhao Ying pulled Zhao Tian's hand and made him sit between her and Zhao Suyin.

"Tian'er." Smiling heartily, Zhao Suyin leaned on his shoulder and Zhao Tian too, wrapped his arm around her shoulder. "Mom..."

Xia Shenyi glanced over at the two fire spirits, who looked like they were scared of their lives. Both of the fire spirits walked towards the center and looked at Zhao Tian. "My Lord."

Zhao Tian smiled faintly and Xia Shenyi spoke "Tian, the Emyreal flames are formed by a high concentration of fire energy and also by the essence of Heavens."

Freya Everglade let out a sigh "Shenyi, you gathered us here to take a lesson about Emyreal flames?"

"Bitch, shut up."

-_- Freya Everglade was dumbfounded hearing her cursing and stayed silent, while a few women couldn't help but chuckle at her bewildered expression. Xia Shenyi shook her head helplessly and glanced at Tian "Tian, since the Empyrean flames are formed by the essence of the Heavens, I thought that, they might know something about the Heavens, so..."

The Golden Flame spirit nervously spoke "B-But we would be punished by the Heavens again."

Letting out a sigh, Xia Shenyi spoke "It is for your Archon to watch."

The Phoenix flame narrowed its gaze and both flame spirits looked at each other before nodding their heads.

"We are actually curse-"

"The heavens is a s-"

zap Suddenly, a crackling bolt of vibrant yellow lightning materialized in the room, casting a bright glow as it streaked towards the two fiery spirits. "ARGHHHH!!!!" The two fire spirits let out anguished screams as the unbearable pain of the Heavenly lightning surged through their beings, causing them to writhe in agony. The women were taken aback and their eyes grew wider with surprise as they watched bolts of lightning suddenly appear and strike the small fire spirits. Zhao Tian was shocked to hear their scream and instantly stood up. Reacting swiftly, he reached out to grab the yellow lightning that was crackling in the air.

Xia Shenyi's heart dropped upon seeing him about to catch the lightning. "Tian, wai-"

THRISSSHHH At that instant, Zhao Tian's hand made contact with the Heavenly Lightning, and the lightning fell on him rupturing through his whole blood and veins.

"T-Tian..." Xia Shenyi's heart skipped a beat as she laid eyes on Zhao Tian, his body enveloped in a dazzling yellow light while bolts of Heavenly lightning crackled and danced around him. Panicking,

she quickly took a step forward and Freya Everglade and Shi Yixian too rushed to help him.
"Honoured One."

"My Liege!"

THRISHH But they were pushed away by the outburst of astral energy and took a step backward.

"Tian'er!"

"Tian!"

"Husband!"

The rest of the women in the room let out terrified screams and quickly scrambled to their feet from their seats to move closer to him. *swish* However, the heavenly lightning suddenly disappeared and the two fire spirits fell unconscious, their bodies emitting sizzling hot smoke.

woosh They disappeared as they returned to Freya Everglade and Ning Xue.

All eyes of the women in the room turned towards Zhao Tian, who was standing in the center of the living room with wisps of steam rising from his body. Despite the smoke, there were no apparent signs of any other injuries. "Tian..." Xia Shenyi hurried near him and following her, others also walked to him in worry.

Zhao Tian turned his gaze and Xia Shenyi asked "Tian, are you alright?" her eyes glancing around his body.

A faint smile appeared on Zhao Tian's lips and he shook his head "Don't worry about me."

Xia Shenyi exhaled deeply, feeling a wave of relief wash over her as she collapsed into Zhao Tian's arms.

He wrapped his arms around her, gently stroking her head and running his fingers through her sleek, dark locks. The other women also let out a collective sigh and were relieved that Zhao Tian was alright. They too, walked close to him and looked around his body to see if he was injured.

"You are worried?"

Xia Shenyi's hands around him got tighter and she gently kissed his lips. "Of course, my heart stopped for a second there, because,.. do you know what you caught in your hands?"

The other women were also puzzled "Yeah, what happened?"

"Some lightning... suddenly appeared."

Ning Xue who was standing beside Freya Everglade looked at her shocked face "Sister Freya... what happened?"

Snapping out of her shock, Freya Everglade glimpsed at Xia Shenyi, her eyes narrowing. "Shenyi, how did Heavenly Lightning come here?"

Xia Shenyi retracted her hands from Zhao Tian creating an opening for the other women to take advantage of the situation by showering him with hugs and kisses one by one. With a fond smile, Zhao Tian reciprocated everyone's kisses. How can he ignore his wives' kisses?

Xia Shenyi turned her gaze to Freya Everglade. "I asked the flame spirits about the Heavens and when they tried to speak, they were struck by the Heavenly lightning."

"So, I just wanted to show that you... but I didn't expect that Tian would jump in."

Chi Miya pulled her lips from the kiss and Zhao Tian turned to look at Xia Shenyi "That is... Heavenly Lightning?"

Xia Shenyi, Shi Yixian and Freya Everglade, three of them nodded at the same time "Yeah, it is."

Ehhh? The other women also looked at each other and began to talk among themselves "Then, the lightning is from the heavens?"

"And Tian grabbed that?"

"Woahhhhhh!"

Zhao Tian squinted his eyes in thought "How can you be sure it's Heavenly Lightning? Have you seen it before?"

With a nod, Freya Everglade spoke "I have experienced Heavenly Lightning till the 7th degree." Her voice held a hint of pride as she said.

Till the 7th stage? Zhao Tian was confused hearing this and Xia Shenyi spoke clearing his doubts "After reaching Empyrean realm, there is a stage where you need to go through a Heavenly tribulation to ascend further."

"I reached up to the sixth degree of Heavenly tribulation and in each degree, you will get struck by a powerful bolt of Heavenly Lightning."

The women were stunned to hear this "Then, we also need to get struck by lightning to ascend?"

"Won't we get killed?"

"Scary."

Zhao Tian narrowed his eyes "How many degrees of tribulation are there?"

Xia Shenyi rolled her eyes "Well, it is said that there are a total of ten degrees. But there are some people who have reached the eighth degree and died."

Shi Yixian nodded her head as she remembered her own tribulation "But I have reached the 8th tribulation and survived. However, there are only a handful of people who have survived that even in Astral realm."

Xia Shenyi and Freya Everglade were amused hearing this. So there are people who have survived the 8th in Astral Realm. Xia Shenyi spoke "No one has ever passed the eighth degree in High Stars and Tian, in my guess, you can cross all ten degrees."

Freya Everglade nodded her head "Yeah, the lightning just now had the power of the fifth degree of Heavenly Tribulation, but it didn't leave a scratch on your body."

"It's probably because of your physique because it is not under the limitation of the heavens and your body is negating the Tribulation lightning."

"As usual... your physique is terrifying, Honoured One."

Chapter 286 New elementals?

Because of my physique, huh..

Zhao Tian mumbled in his mind and directed his gaze to Freya Everglade. "Freya, is there any information about the First Honoured One's tribulations?"

Freya Everglade understood what he wanted to know and shook her head. "Unfortunately, we don't know if the First Honoured One survived all ten degrees of the tribulation or not."

"I see." Zhao Tian muttered under his breath and sat on the nearby sofa.

After a while of dwindling around and kissing in the living room, the women dispersed to continue their cultivation.

...

Sitting on the grassland, Zhao Tian looked at the mobile in his hand and a sigh escaped his lips. "There are still 3 more hours before I return to the outer world."

Xia Shenyi was lying on the grass beside him, her gaze fixated on the illusion sun in the illusion sky.

Turning his gaze to her, Zhao Tian inquired, "What are you thinking, Shenyi?"

"About the flame spirit's words, Tian. They said something as 'cursed'. That word is lingering in my mind."

Zhao Tian narrowed his eyes upon hearing this "The heavens are hiding something? It don't want the flame spirits to speak about that..."

Xia Shenyi could only sigh "What can we do? After the flame spirits disappeared, Xue and Freya said that they couldn't summon their Empyrean flames... urgh, this sucks."

Chuckling, Zhao Tian fell beside her on the grassland and Xia Shenyi did a roll, moving close to him.

"Tian..." a soft mumble left her lips as she hugged him, snuggling her head in his chest affectionately.

Zhao Tian brought his hand to her back and began to remove her robes. Feeling the robes loosen on her body, Xia Shenyi squinted her eyes and then she noticed Zhao Tian removing her clothes.

With a shake of her head, she let him remove her robes and as he peeled down the dress from her neck, Zhao Tian's eyes were greeted by the plump cushions with two pink buds on top of them.

His hands went lower and cupped her ass as he pulled her body up, bringing her boobs in front of his face.

And without hesitation, he buried his face in the warm boobs and Xia Shenyi's eyes softened, her delicate fingers running through his soft white hair.

Zhao Tian closed his eyes, being spoiled by Xia Shenyi like a child and Xia Shenyi is more than happy to spoil him like this sometimes. @@novelbin@@

At this time, Zhao Tian remembered something and spoke "Shenyi, I think I found out two more elementals... well, I am not sure if they are considered as Elementals."

Hm? Xia Shenyi raised an eyebrow in curiosity upon hearing this "Tell me your thoughts, Tian."

Zhao Tian nodded his head "You see the artifact here, who do you think made it?"

Xia Shenyi rolled her eyes upon hearing this question "At first, I thought it was someone from the astral realm, then we guessed—it might be your father... but now we have a strong guess that it's the First Honoured One after speaking with Freya."

With a nod, Zhao Tian continued "Let's just assume, its the First Honoured One. As the Honoured One myself, do you think I can recreate this artifact?"

Hm? Xia Shenyi narrowed her eyes "A space of this caliber... you cannot yet."

Zhao Tian spoke "Yeah, the space contained in this pendant is so large. Larger than a storage ring. I have comprehended this energy called 'space' to a level where I can create storage rings and teleportation."

"So in my guess, this 'space' might also be a hidden elemental and the Honoured One has comprehended it to the point where she can create a space of this caliber."

Ohhh! Xia Shenyi was amused upon hearing this "But Tian, there are a few people in High Stars and Astral realm who can create storage rings, then the 'space' energy must have been appeared as an elemental when they checked their affinity in the affinity orb."

Zhao Tian shrugged. "That's why I said, I am not sure if it's considered an elemental or maybe a hidden elemental or maybe it needs to be potent to appear in the affinity orb."

Xia Shenyi narrowed her eyes "That might also be the case. Then what is the second elemental, Tian?"

"Time."

Huh? Xia Shenyi tilted her head in confusion "Time?"

Zhao Tian spoke "Yeah, you see how time slowly flows inside the artifact compared to the outside world."

Realization dawned on Xia Shenyi and she muttered "Yeah, I didn't think about that. To create an artifact that slows down time. I have never seen such an artifact."

Zhao Tian's eyebrows frowned "These might be the hidden elementals that appeared in the affinity orb when I checked my affinity but still, I am not sure if they are considered an elemental or not."

Xia Shenyi gave a slight nod "The energy that appeared in 'gray' color doesn't seem to represent time.. maybe space?"

Zhao Tian shook his head "I don't know about that. But these are my guesses for now, but if I could comprehend these two elementals... it would make me even more powerful."

An amused smile stretched across Xia Shenyi's lips "Your Physique is doing wonders, heh."

"Tian."

At this time, a voice was heard and Zhao Tian raised his head from the boobies to look at Chi Miya who was walking towards them.

"Miya?"

Chi Miya came and sat beside him, gently leaning on the ground as she also lay beside him on the grassland. "Tian."

She hugged him from behind and muttered "I quit my company and sold it because I want to spend more time with you, but I am seeing you rarely these days."

Zhao Tian retracted his face from Xia Shenyi's boobs and turned to Chi Miya "Well, I have been busy these days... so."

Chi Miya rolled her eyes "Yeah, I heard from Xiu that when she called you, some woman picked up the call and said you were having sex."

Zhao Tian chuckled upon hearing this and brought his hand to the hem of her t-shirt. "After the important things are finished, I will spend more time with you." he uttered slowly pulling her t-shirt up.

Seeing this, Xia Shenyi couldn't help but laugh "You perverted guy, you are stripping every woman's clothes like this?"

Zhao Tian smiled playfully "You are my women, why should I hesitate to remove your dress and show my love? right, dear?"

Chi Miya nodded with a soft smile, "Yeah... I like Tian as a pervert."

Zhao Tian pulled her t-shirt up along with her bra letting her boobs out "Feels like it's been a while, since I saw Miya's boobs."

Chi Miya moved forward pressing his boobs on his face and at the same time, Xia Shenyi pushed her boobs to the back of his head.

Feeling the squishiness pressing his head, Zhao Tian let out a happy sigh.

This is heaven- wait, not that Heavens... like, this is 'Heaven'

Chapter 287 Morning with Luo!

clank *clank* Standing inside the warehouse, Shi Yixian glanced at Zhao Tian, with precision and care, he used a small knife to shape and mold the metal into a work of art. Zhao Tian picked up a different tool and began delicately buffing the ring, causing it to sparkle and shine even more brightly. His lips curled up into a subtle smile as he gazed down at the ring resting in his palm, noticing the delicate engraving of the name 'Cai Luo' on the inner band. "I somehow finished it in 2 hours." a sigh of satisfaction escaped his lips.

His eyes squinted in thought 'I also have to create one for Aunt Zuiye.' he muttered in his mind "Master." At this time, Fei Ziyu who had been standing there, walked toward him with a glass of water in her hands.

With a smile, Zhao Tian took the glass from her hand and drank the water. After drinking the water, he returned the glass and Fei Ziyu received it with a smile on her face.

Looking at her, Zhao Tian asked "How is Lingxi?"

Fei Ziyu nodded her head "As per your order, I have been feeding her food regularly but I didn't remove the binds on her."

"Good, now leave."

"Yes, Master."

Stepping out of the warehouse, Fei Ziyu looked at the glass with a half-drink water. Recalling the spot where his mouth had touched the glass, Fei Ziyu carefully positioned it near her lips and finished the remaining water in one smooth gulp. As she pulled back the glass from her lips, she giggled to herself "Hehe, I kissed him."

"My Liege." Shi Yixian walked near him and Zhao Tian smiled as he gingerly pulled her hand causing her to fall into his arms.

Shi Yixian gently rested her hands on his shoulders and leaned in closer to press her lips against his. Chuckling, Zhao Tian reciprocated her kiss as he raised his arm, playfully sliding it in her robes, directly fondling her boob.

"Hmmng~" As Shi Yixian pulled away from the kiss, a soft hum of contentment escaped her lips.

Her eyes fluttered open, and she felt a shiver of pleasure run through her body as she basked in the warmth of his hand on her nreast. "M-My Liege... didn't you say that you have to return to the human world and you are short of time."

"Yeah..."

...

As the morning came, Cai Luo's eyes fluttered open, revealing her black eyes and she turned her head to look at Zhao Tian who was sitting beside her on the bed, wearing only shorts.

She removed the quilt from her and moved her naked body "Tian..."

Zhao Tian smiled softly and Cai Luo fell on his lap on her face as she yawned "Bastard, when did you wake up and even put on shorts."

Zhao Tian glimpsed at the steamy ass and reached out to gently fondle them with his hand "Just a little ago."

"I see." Cai Luo cuddled her face on his lap as she muttered "My body is stiff and my crotch is still hurting a bit."

Zhao Tian let out a chuckle "We fucked all night, even though it was your first time..."

A sigh escaped Cai Luo lips and she lazily stood up, getting down from the bed "I will go and wash my face." she uttered entering the bathroom.

...

splash As she splashed water on her face, she reached for a towel hanging within arm's reach. and as she looked at her face, her eyes quivered in guilt. Her face and hair slowly transformed, her black hair turning blonde and her old avergae face replaced by the face of a gorgeous one.

"How am I going to explain this to him? Urghh..."

She clutched her forehead in pain as she looked at her real face in the mirror.

creek Hearing the bathroom door creak open, she hastily used the ring and turned her head to see Zhao Tian entering.

"Tian.."

Zhao Tian walked close to her and Cai Luo was confused "What happened, Tian?"

"Nothing."

He tenderly grabbed her waist and turned her, making her look at the mirror and hugged her from behind, his hands gently fondling her boobs.

His touch was tender as he caressed her breasts with care and affection.

Cai Luo couldn't help but let out a chuckle as she watched his playful behavior, and she tenderly brushed her cheek against his. As she listened to his gentle murmur, Cai Luo felt a wave of pleasure wash over her, causing her to shut her eyes.

His hand moved slowly down her body, eventually resting on her lower abdomen and then continuing further to her crotch. As his touch lingered on her clitoris, it moved lower, slowly spreading the pink outer walls of her pussy. Cai Luo's eyebrows wrinkled in pain "Tian... gentle. I told you, it still hurts."

Zhao Tian placed a kiss on her cheek and used his light energy to heal her. Feeling the discomfort vanishing, Cai Luo was stunned "Tian? You used light energy?"

"Yeah." Mumbling near her ear, he sloshy slid in his middle fingers in her tight vagina causing Cai Luo's body to tremble "B-Bastard, you still want to do it?... After all that sex yesterday night?"

Zhao Tian chuckled faintly as he pushed another finger into her warm pink folds "Why do you think I healed you now?"

"Haang~"

...

Zhao Tian and Cai Luo stepped out of the room wearing casual tshirt and shorts. Cai Luo playfully nudged Zhao Tian in the abdomen, teasing him with a smirk on her face "Bastard..." As they came out, they saw Hun Xiang sitting on the couch a dead expression on her face as if she saw a ghost.

Cai Luo narrowed her eyes seeing Hun Xiang's face "What happened, Xiang?"

Hun Xiang let out a sigh and stood up "Lady Luo, yesterday night... we planned to leave for Lycan Kingdom. Then, what happened, Both of you didn't come out of the room."

Hearing this, Cai Luo was flustered and spoke, keeping her composure "ahem, I and Tian, were discussing our battle plans yesterday."

Hun Xiang stared at Cai Luo blankly "Lady Luo... this is an old apartment, so the sound insulation in the rooms is not that good."

"Haha!" Zhao Tian laughed upon hearing this and sat on the couch, looking at the hilarious facial expression of Cai Luo.

Cai Luo's face turned deep red and she lowered her gaze in embarrassment. "Xiang... y-you heard that?"

Hun Xiang kept her blank stare "Yes, Lady Luo... But for five hours? I am afraid even the neighbors must have heard it."

Cai Luo covered her face with her hands in complete embarrassment and stole a glance at Zhao Tian through the gaps in her fingers, observing him as he chuckled at the situation.
'BASTARDDDDDDDD'

Zhao Tian could feel her screaming in her heart and shrugged casually "You are the one who started it."

With a light cough, Cai Luo spoke in a stern tone "It is normal between couples. Xiang go and prepare morning coffee for us."

Hearing her stern voice, Hun Xiang bowed her head and went to the kitchen.

After she left, Cai Luo hurriedly came and sat on Zhao Tian's lap hitting Zhao Tian's chest, sulking her lips "Bastard, Bastard..." @@novelbin@@

Chapter 288 It's a fucking ring!

Sitting on Zhao Tian's lap on the couch, Cai slowly pulled back the kiss, a thin line of saliva connecting their lips.

She raised her hand, tenderly caressing his cheek with her fingers and Zhao Tian spoke, "Luo, let's enter the Lycan Kingdom tonight."

Cai Luo could only sigh and rest her head on his shoulder. "You have already set on it and I couldn't convince you."

"So, win or die, I will stick with you because you are my boyfriend now. But I hope we will come out of this alive."

Her eyes softened as she kissed his nose "I love you, Tian."

Nuzzling her face on his neck, she spoke "Since we have time till the night, Tian, let's go on a date... just the two of us."

"Last time that Zahra ruined everything, so this time is a proper date."

"En."

...

It was already evening and the sun began to cast its evening glow on the world. Standing on the balcony, Cai Luo looked at the orange sun setting on the horizon, a soft smile playing on her lips.

"Today's date was great... I hope this won't be our last date." she muttered to herself

A sigh escaped her lips "I don't have any regrets- ah, except that I couldn't find the herb to cure Queen Xue's disease. Hm, now that I think of it, it's been so long since I received a letter from her."

"Haah, I hope I won't die here."

Meanwhile, Zhao Tian entered the kitchen and saw Hun Xiang pouring the coffee into the cups "Xiang."

Hun Xiang was surprised that he called her name and stuttered "Uh, yeah."

"You bought the cake, right?"

"Um, yeah... I bought."

...

Zhao Tian sat on the couch in the room and glimpsed at Cai Luo who was standing on the balcony "Luo."

Cai Luo turned her head towards him, a warm smile spreading across her face "Tian." She stepped into the room and sat beside him on the couch. At this time, Hun Xiang too, entered the room with two coffee cups in her hand. "Here are your coffees, I will go and bring the cake."

Zhao Tian gently wrapped his arm around Cai Luo's shoulder and took the coffee in his hand. Following him, Cai Luo also took her coffee cup.

A little later, Hun Xiang entered the room and saw Zhao Tian and Cai Luo kissing each other with coffee cups in their hands.

She sighed helplessly and knocked on the open door "Lady Luo."

Cai Luo was startled and hurriedly pulled back from the kiss "Come in, Xiang."

With a nod, Hun Xiang came in and placed the cake on the table before them, before leaving the room.

Cai Luo smiled wryly "You are going to have a sweet tooth for sure if you eat both coffee and cake like this."

She took a spoon and put a piece of cake in it "And seeing you, I have also started doing it."

Zhao Tian couldn't help but smile to himself as he observed her enjoying the delicious bite of cake. "Hoh, this tastes good." As she delicately placed the coffee cup back on the table, she eagerly picked up her fork and savored each bite of the the cake.

Zhao Tian watched her in anticipation as she took every bite of the cake. A little later, she finished the cake alone.

Zhao Tian was dumbfounded seeing that she quickly ate the cake "Wait, you ate the full cake?"

Cai Luo nodded her head and spoke "The cake tasted good. So I ate all of it. You want more? I can ask Xiang to buy more."

Zhao Tian facepalmed himself as he looked at Cai Luo 'This damn woman.'

Actually, he placed the ring he prepared for her into the cake, as he thought that would be quite romantic and also a little tease at the same time.

He expected her to feel the ring in her mouth when she eats the cake, but this woman devoured the cake along with the ring he prepared.

Cai Luo tilted her head in confusion seeing his stunned face "Tian... what happened? Are you angry that I ate your cake?"

"Fuck that cake." Zhao Tian let out a sigh and leaned back on the sofa, thinking about how to retrieve the ring from her stomach.

Seeing his face, Cai Luo couldn't control herself anymore and burst into laughter "Pfft. Hahahaha."

"You are so cute, Tian."

She whispered softly and leaned closer, planting a tender kiss on his lips. In that moment, Zhao Tian felt a sensation stirring between his own lips. As Cai Luo retracted her lips, Zhao Tian saw the ring on his lips, and Cai Luo reached out, taking the ring in her hand from his lips.

Zhao Tian smiled dryly, seeing that he was played by Cai Luo. 'This woman...' he could only shake his head

She smiled playfully and rotated the ring in between her fingers "What a romantic way to propose to me, Tian... But I didn't see you buying any rings during our date-

Cai Luo's heart shook and her face froze as she glimpsed at the name 'Cai Luo' engraved on the inside part. H-Huh? Her eyes trembled in immense shock "M-My name? When..." he was with her the whole time during the date, so there is no way he sneaked behind her to buy a ring and to engrave her name on it.

Smiling, Zhao Tian took the ring from her fingers and gently held her wrist as he slid in the beautiful ring on her ring finger.

As soon as the ring reached her finger, Cai Luo's eyes narrowed "This is a.. storage ring?"

Zhao Tian nodded his head "Yeah, it is better than the one you were wearing."

Cai Luo blinked her eyes in surprise "Tian, this storage ring... how did you get this?"

Zhao Tian chuckled faintly "I created it."

Wha- Cai Luo's jaw dropped upon hearing this "You know how to create storage rings?"

She remembers Ning Xue saying that there was someone in the Royal family in the past and they created the storage rings. Even today, the storage rings that are circulated within the planet Earth were made by that person.

Ning Xue said that, more likely, that person is from the High Stars.

As she gently touched the ring, running her finger along its smooth surface, she couldn't help but wonder out loud "This is made from... Astral Stone?" Zhao Tian nodded his head "Yeah..."

Only then did it struck her, 'Astral stone are so durable and it is hard to break middle tier astral stones of Earth... so there is no way, Tian completed this ring in one day.'

Her eyes trembled as tears began to swell within her then 'How long did it take for him to create a ring? It is not a normal ring. It's a storage ring...'

'T-Then... yesterday night, he didn't have sex with me because of the heat of the moment. He has been loving me before that?'

Zhao Tian was stunned to see the tears in her eyes "Luo?" Was the proposal so romantic that it made her cry?

"Tiannnn~" Screaming his name, she jumped into his arms and hugged him tightly, cuddling his face on his neck.

"I love you, Tian."

"I love you so muchhhhhhh~"

Zhao Tian placed the coffee cup on the table and hugged her back, chuckling "I know..."

Chapter 289 Into the Lycan Kingdom!

woosh Under the night sky, three shadows were dashing the air at a quick speed.

Wearing dark hoodies and masks, Zhao Tian, Cai Luo, and Hun Xiang are flying through the air, and their destination is the Lycan Kingdom.

Zhao Tian turned his gaze to Hun Xiang who was flying beside him. "How long?"

Hun Xiang squinted her eyes and looked down at the desert land as she guessed, "Maybe like 80 more kilometers."

"Hm." Zhao Tian gave a nod and turned his gaze to Cai Lyuo. He gently reached out to take her hand in his own.

With a warm smile on her face, she reciprocated by intertwining her fingers with his, their hands fitting together perfectly like pieces of a puzzle. *swoosh* However at this time, Zhao Tian sensed something flying through the air and narrowed his eyes. Hm?

He quickly grabbed Hun Xiang's hand and pulled the two of them from there. "Come here."

"Huhh?" Hun Xiang was startled by his sudden pull but she didn't refute it and went along with him. Meanwhile, Cai Luo also sensed the object and moved away.

"Is that a jet?" Cai Luo muttered under her lips.

Zhao Tian gave a nod as he glimpsed at the jet, which was flying at a rapid speed and squinted his eyes.

"Hm, an Emperor Astral Stage cultivator is inside the jet."

Cai Luo nodded her head. "Yeah, they are probably headed to the Lycan Kingdom."

As the jet passed them, the three of them again continued to fly through the air, and before long, they could see a large city illuminating in the dark night in the distance.

Hun Xiang spoke with a frown. "This is the Lycan Kingdom."

Zhao Tian and Cai Luo looked at an enormous city protected by large walls in a spherical shape and their eyes fell on the large palace amidst the other buildings.

"That must be their palace."

Hun Xiang gave a nod. "En, there are guards in all eight entrances of the walls but they are mostly in Emperor Astral Stage and lower than that, so if we hide our presence, we can easily sneak in."

swish They didn't waste any time and sneaked inside the city by jumping over the walls.

Zhao Tian's eyes narrowed and he sensed around the place to see if there were any powerful cultivators. But the people around this place are in the Spirit and Soul Astral stage.

Hun Xiang hushed in a low voice, "There are taverns and hotels here in this kingdom where most cultivators join together. This kingdom is not only for people in the Lycan Syndicate; it is for all the cultivators within this nation."

With a nod, they walked near the alleys, mingling with other cultivators, while some were hiding their faces with masks and others were not.

"But the cultivators who are not within the Lycan Syndicate, that is, if they are not mutated into that wolf creature, they are not allowed to enter the palace."

"Oh, James, is that you?" @@novelbin@@

Hearing a man's voice, Hun Xiang narrowed her eyes and turned to look at a middle-aged man with brown hair and a small smile on his face.

Hun Xiang gave a nod and spoke in a male voice, "Yeah, it's me. Mister Dylan."

The man named Dylan laughed and walked near Hun Xiang. "I recognized you because you were wearing the same mask."

When Hun Xiang first sneaked into the Lycan Kingdom disguised as a man, she searched for a place to stay and she ended up in Dylan's tavern to stay and spy about this Lycan Syndicate group.

Dylan glimpsed at the other two people who were standing beside Hun Xiang wearing dark hoodies and masks "It seems like you have brought your friends too this time."

"You are again staying in my tavern?"

Hun Xiang spoke keeping her male voice "Maybe later, Mister Dylan. Now, I came here just to look around and I don't know if I will stay the night here."

Dylan laughed and nodded "Ok then, kiddo... don't forget to stop by our place."

tak *tak* At this time, suddenly a noise reverberated through the air and Zhao Tian raised his head looking at the helicopter passing through the sky and moving towards the palace.

Dylan grimaced "Ah, these guys have been annoying since the morning."

Hun Xiang glimpsed at Dylan. "Mister Dylan, what is happening here? I saw a jet too, on my way here."

With a sigh, Dylan said, "Our Emeprror is holding a party by inviting rich people across the nation. So rich people have been coming here one by one since the morning."

Zhao Tian and Cai Luo looked at each other upon hearing this 'A party?'

Hun Xiang nodded her head "I see... then, see you later, Mister Dylan."

"Yeah." Dylan waved his hand and went back to his tavern to check on his customers.

Zhao Tian, Cai Luo and Hun Xiang again continued their walk and even more helicopters began to fly towards the palace.

"Miles Williams is holding a party by calling the big shots? Why the sudden party?"

Hearing Cai Luo's mutter, Zhao Tian squinted his eyes "Let's try sneaking inside the party."

Cai Luo was dumbfounded hearing this, "Tian... that place will be filled with rich people. And there must be something like an invitation to enter the party and we need clothes."

Zhao Tian shrugged. "For clothes, I can buy from the shop here. And both of you stay outside; I alone will sneak in."

This place is not like Zhenzhu where people wear cultivation robes, the people here mostly wear suits so there must be shops to buy suits.

Cai Luo shook her head "No Tian, I will come with you."

"No, you stay out with Xiang. Go to a tavern."

Hun Xiang narrowed her eyes "I and Lady Luo will be waiting in the tavern close to the research lab behind the Palace."

Zhao Tian gave a nod and the three of them dispersed from that place. Zhao Tian also made his way into a large store where he purchased a stylish white suit to don for the upcoming party. A woman who was wearing a metal mask glanced at the back of Zhao Tian as he left the shop and squinted her eyes.

"Mam, here are your clothes."

Natalie Thompson turned her purple eyes to the shop staff and nodded her head "Yeah."

Chapter 290 The party!

A middle-aged man wearing a costly black suit walked through the hallways of the Lycan Kingdom and beside him was another young man who was looking around the architecture and grandeur in awe.

"Boss, this palace looks so majestic. This Emperor of this Lycan Kingdom is surely rich, hah."

The middle aged man's lips twitched upon hearing his Personal assistant's mumblings "Can you shut up for a while. It is our prestige that I got invited to this party, which many big shots around this nation are attending."

"The invitation is in your hands, right?"

The young man nodded his head and showed the pocket on his shirt "Yes Boss, it's all ready and safe in my hands." He smiled proudly.

The middle aged man nodded his head and after a while of walking through the royal hallways, they finally reached a grand door that was closed, and outside of it stood a bodyguard wearing a sleek black suit.

The bodyguard looked at the middle-aged man, who was wearing a mask, walking towards him. As he came closer, he extended his hand. "Esteemed guest, can I see your invitation?"

The middle-aged man turned his gaze to his personal assistant, who was standing nearby and the young man nodded his head as he put his fingers inside his pocket to retrieve the invitation.

E-Eh? But not seeing any invitations in his pocket, he panicked, "B-Boss... the invitation. Huh?"

"What happened?"

"The invitation card is missing."

"WHAT?!"

The bodyguard narrowed his eyes upon seeing the little commotion and at this time, hearing footsteps, he turned his head to the man who was walking close to him, wearing a white suit and his white hair could be seen.

He was also hiding his face with a mask.

"Esteemed guest, can I see your invitation?" The bodyguard stretched his hand toward the man and the man took 'his' invitation card from his pocket and showed it to the bodyguard.

Checking the invitation card, the bodyguard nodded and pushed the door open. "You can enter."

With a nod, Zhao Tian entered the grand room and the room was dimly lit. His eyes glanced around, looking at the multitude of tables and people were sitting around the table.

The waiters are walking here and there, serving beverages to the guests. Zhao Tian silently entered and took a seat at the back of the tables, his gaze wandering around the hall.

'There are many powerful cultivators here. They must be the bodyguards of these big shots.'

His eyes glanced at the people at the front and his eyes narrowed: '7th, 8th and 9th level of the Monarch Astral Stage, who are they? Are they the ministers of this Lycan Kingdom.'

White patterns appeared on his eyes as he scanned through the whole palace 'Hm. I can't sense any soul of a cultivator at Half-Empyrean realm or something.'

"Can I sit beside you?" At this time, he heard a sweet voice and he turned his gaze to the woman standing beside him, her blonde hair falling down her shoulders and he could see her purple eyes through her mask. @@novelbin@@

Zhao Tian gave a faint nod and Natalie Thompson sat on the chair beside him.

As she sat, Zhao Tian spoke in a low voice so only she could hear, "I saw you stealing the invitation card."

Natalie Thompson was surprised to hear this because she was sure no one was looking at her at that time and squinted her eyes "I also saw you buying this suit."

Zhao Tian gave a nod as he looked into her purple eyes "Yeah, I also noticed you. After all, how can I ignore the presence of a cultivator who is in the 9th level of the Monarch Astral Stage?"

Natalie Thompson's eyes shook hearing this 'He saw through my cultivation? But what is his cultivation- huh? why can't I see through his cultivation?. Has he already stepped into the Half-Empyrean?'

'But his voice seems quite young and his physique too, so how?'

Her eyes narrowed 'This is bad!'

Zhao Tian mumbled under his breath "Don't be tensed up. I am not going to do anything."

With a sudden *click* sound, a bright white spotlight illuminated the front of the room, drawing the attention of all the attendees to the middle-aged man who stood confidently at the center of the tables. As everyone was about to stand, Minister Silas Beckett waved his hand "No need for that. I will quickly finish this and tell you the reason why our Emperor has invited all of you to this party."

Silas Beckett spoke with a slight smile on his face "You all know about Zhenzhu, right?" As he spoke, a projector's light fell on the wall back to him, showing the picture of Zhenzhu shot from the sky.

"Currently this is the strongest place and organization on this planet. The astral energy is rich in that place and there are a lot of people in Monarch Astral Stage there."

"Our Lycan Kingdom is below them. Even if we used all of our forces, we couldn't beat them."

"So we searched for a solution. How can we overcome this? How can our Kingdom be the strongest in the world and as you know we created the serum that gives us regeneration powers."

"But still... we couldn't beat the people from Zhenzhu. So, we thought of utilizing modern technology."

"If cultivators do not exist on the planet, what is the most powerful weapon that man has created?"

"Nuclear weapons. Each country has its own nuclear station and weapons. So we took it one step further and combined both this cultivation and nukes."

"A nuclear weapon created from the beast stone of the astral beasts."

At this time, a video played on the screen showing a normal nuclear bomb that could erase large cities.

And after that, another video of a nuclear bomb being blasted in a desert was shown.

"The second one you saw is the test done by our researchers with the nuke we created. It is only 10 percent of a normal nuke but it causes more destruction than that of a normal nuke."

Seeing all of this, Zhao Tian narrowed his eyes 'Why are they saying it to the big shots?'

Meanwhile, Natalie Thompson clenched her fist in fury looking at video of the nuclear bombs.
