Chapter 301 With Xiang in bed!

"Hmmng~~" A low moan escaped Hun Xiang's lips as Zhao Tian continued sucking on her nipples.

She could feel the heat building between them, a delicious tension that only heightened her desire for more.

Hun Xiang's mind was consumed with the overwhelming pleasure of Zhao Tian's touch, each gentle suck and flick of his tongue sending waves of ecstasy through her body. As his fingers pressed onto her ass cheeks he took in the smoothness and warmth emanating from her ass buns.

Hun Xiang's eyelashes quivered open and she looked at how Zhao Tian's lips are greedily sucking on her nipples.

"Haang~" Letting out a moan, she raised her hands and gently hugged his head, pressing his face onto her breasts.

She lost herself in this new pleasure she was experiencing and let Zhao Tian taste her body, as her fingers softly ran through his hair, patting his head affectionately as she lost herself in the moment. Licking her nipple, Zhao Tian retracted his lips and placed a kiss on her cleavage as he trailed kisses upwards reaching her collar bone.

He nuzzled his face on the warmth of her neck and planted soft kisses on her collar bone.

"Mmngh~" Hun Xiang let out a soft moan as she felt a wave of ticklish pleasure course through her body from his gentle kisses on her neck. Unable to resist the overwhelming sensation, she instinctively pulled him closer, craving more of his affectionate touch.

"Angh~ it feels weird..."

Zhao Tian gently licked her neck and dipped his tongue in her collarbone relishing in the taste of her skin.

Feeling the sensation of his wet tongue, Hun Xiang's body squirmed and her toes curled up in pleasure.

"Xiang..."

Hearing his mutter, Hun Xiang's heart skipped a beat in panic and she hurriedly opened her eyes to look down.

She saw Zhao Tian glancing at her and her heart shook in fear "U-Uh that's..." she stammered, struggling to find the right words for an excuse.

She averted her gaze, her heart pounding in her heart and Zhao Tian moved up bringing her face closer to hers.

Looking at his long white eyelashes and blue eyes, Hun Xiang lowered her gaze "I-I can explain..."

Zhao Tian smiled faintly and retracted his hand from her ass cheeks and fondled her boob.

"Then explain..." he spoke, softly pinching her nipple.

"Kyaang~" A sudden moan slipped past her lips and her cheeks turned deep red just like her eye color.

A subtle smirk appeared on Zhao Tian's lips seeing that she was so sensitive and gently circled his finger along her nipple.

Hun Xiang twitched in his arms and let out an exhale "T-That, Lady Luo..."

"Luo?" He questioned her as he placed a soft kiss on her cheek, making her even more embarrassed by the situation.

"Mmng~ Lady Luo wanted to speak with that Natalie... Haangh~ so she went out with her." She mumbled in between her moans.

Leaning closer, Zhao Tian softly pecked her red velvety lips and Hun Xiang's mind stopped for a second as she felt the touch of his lips.

H-Huh? Her heart fluttered with various emotions and Zhao Tian again pressed his lips on hers, gently sucking her cherry lips.

As Zhao Tian retracted his lips, Hun Xiang came out of her shock and lowered her head in shame.

"What is the relationship between those two?" Zhao Tian whispered softly and placed a gentle kiss on her reddish ear.

"Hmmngh~ I-I am not so sure either... I think... Mmng~ they are old friends."

Zhao Tian frowned upon hearing this and *flick* pulled the bra from her body.

"L-Lord?" Hun Xiang was startled by this and Zhao Tian smiled in amusement "Lord?" he asked, caressing her soft boobs.

Embarrassed, Hun Xiang nodded her head "If Lady Luo is your woman then..."

"Oh..." Zhao Tian's smile widened and he slowly tried to pull the tank top from her body. Unconsciously, Hun Xiang too, cooperated with him and raised her hands, making it easier for him.

Throwing away the tanktop, Zhao Tian smiled looking at the luscious body and his body boiled.

Hun Xiang glanced at Zhao Tian through her blurry eyes and a mumble left her lips "Lord..."

Zhao Tian turned her body and now her back is facing towards him "Hmng~?"

Looking at the flawless, smooth back of Hun Xiang Zhao Tian gave a kiss on her nape and hugged her from behind. @@novelbin@@

As she felt the heat of his chest on her back, Hun Xiang melted in his embrace "Lord..."

Zhao Tian gently cupped her boobs from behind and began to fondle them.

"Mngh.. Lord... sloww..." Hun Xiang moaned in pleasure feeling his palms squeezing and molding her boobs to his liking.

"Xiang... did Luo asked you to come here?" He asked placing his chin over her shoulder from behind.

Hun Xiang shook her head "No... since you would be alone, I just came to check up on you."

Zhao Tian's hand went below wandering around her body as he relished her smooth skin and the curves of her body.

She closed her eyes, allowing herself to fully surrender to the intoxicating feeling he was bestowing upon her.

The blush on Hun Xiang's face deepened as she felt his fingers on her belly button and they going even lower.

"L-Lord... there..." she twisted her body in his arms and watched in anticipation as his fingers began to slid into her shorts.

Sliding his left hand into her underwear, Zhao Tian felt the small grass of hair on his fingers tips and Hun Xiang bit her lips in nervousness.

'H-He is... going to touch it... no...' Even though her mind struggled, her heart couldn't push him away and submitted herself to him, succumbing to this newfound pleasure.

As his fingers touched her clitoris, Hun Xiang felt a shiver run down her spine and let out a soft exhale. "Haah"

As his fingers went down, he gently rubbed the outer folds of her pussy while his right hand continued to fondle her boobs.

"Xiang..."

"Lord."

Smiling, he slowly pushed his middle finger into her wet honey cave and Hun Xiang's body tensed feeling his finger inside her pussy.

"Lord... that is.. what are you doing?"

Zhao Tian twisted his finger in her pussy and Hun Xiang felt waves of pleasure wash through her body.

'Hooh... his finger.. he is doing something... mngh... haangh... why does this feels so good.'

'No wonder... Lady Luo is moaning that loudly.... if it feels this good with just his finger.. if he used his thing...'

She unconsciously gulped her saliva thinking about how his dick would rampage her pussy and her pussy twitched in anticipation.

'Oh god... this is... Hmngghh'

However, amidst her blurry thoughts, she sensed the presence of Yu Hua and Ning Zhilian again entering the house.

'NO'

Chapter 302 Going to village?

Hun Xiang's thoughts became clear and she hurriedly turned her body around in Zhao Tian's arms. "Lord... Lady Luo..." Zhao Tian also felt Cai Luo and Natalie Thompson's presence entering the apartment and smiled faintly.

However, he continued fingering her pussy and Hun Xiang was startled to see this.

@@novelbin@@

"Lord.. no... if she comes here.."

She twisted her body and left his embrace as she rolled away from him.

She quickly got down from the bed and looked at Zhao Tian playfully smiling at her.

Filled with embarrassment, she quickly took the bra and her tanktop as she began to wear her tanktop.

She looked at Zhao Tian and bowed her head "Lord.. please don't tell Lady Luo what just happened. I beg you..." she muttered and turned to leave.

Casting a quick glance at Zhao Tian she sprinted out of the room, her whole face deep red in shame.

Hun Xiang walked to the living room and at this time, Cai Luo and Ning Zhilian also entered the living room.

With a smile, she walked towards him but was surprised by the beautiful face of Ning Zhilian 'She is hiding this gorgeous face with a mask?'

Strolling beside her, Cai Luo asked "Did Tian wake up?"

Conflicting emotions filled her heart but in the end Hun Xiang shook her head "No, Lady Luo..."

Cai Luo let out a sigh and nodded her head. "Good..."

Ning Zhilian giggled and tugged at Cai Luo's waist "But still.. I didn't expect you would get yourself a man."

Hearing this, Cai Luo was slightly embarrassed and sulked her lips "Why? I am also a woman... and Tian is so cool, handsome and powerful.. so..."

Seeing her blushing face, Ning Zhilian couldn't help but giggle and nodded her head "Yeah.. yeah..."

"Now go and sleep. Don't start doing it again... if not, I had to use my headphones again tonight."

ahem Cai Luo coughed faintly and Hun Xiang remembered what happened in the bed 'Of course she would moan that loud.. if he did those things so intensely. '

...

As Cai Luo quietly made her way into the room, her eyes fell upon Zhao Tian, who was peacefully slumbering in the bed. Moving closer to him on the bed, she pulled him closer and hugged him tightly with both arms and legs.

"I love you, Tian..."

... Morning came and feeling the intense gaze of the sunlight filtering through the curtains, Zhao Tian opened his eyes.

He turned his head and saw that Cai Luo was not beside him on the bed.

As he squinted his eyes, he sensed the presence of the three women in the living room.

Letting out a yawn, he stretched his muscles and got down from the bed. After a quick refresh, he stepped into the living room wearing tshirt and shorts.

Cai Luo who was sitting beside Nathalie Thompson on the couch, smiled upon seeing Zhao Tian "Good morning."

"Good morning." As he turned his eyes to Natalie Thompson, he raised an eyebrow in surprise, looking at her beauty.

With a chuckle, he spoke "So you were using the mask to hide your beauty?"

Natalie Thompson giggled upon hearing this, while Cai Luo smiled wryly.

He turned his gaze to the kitchen and smiled faintly as he walked toward it.

As he left for kitchen, Cai Luo glanced at Natalie Thompson "Natalie, are you returning to the village?"

Natalie Thompson gave a faint nod "Yeah, I want to return to Zhenzhu... but before that, I have to return to the village and inform them that I am leaving."

"If not, they would be worried and think that I died in the Lycan Kingdom."

Cai Luo frowned upon hearing this "I see... I thought that we could leave today, but now we have to wait for another day here and leave after you return."

Natalie Thompson squinted her eyes "Now that the Lycan Syndicate is destroyed, the government must have increased the security around the border to find the culprits who destroyed it."

Cai Luo giggled and winked her eyes "No problem; since Tian is with us, we can easily go out of this nation."

"Yeah... haha. And, do you want to come with me to the village? They are all nice people."

"Hmm... I have to ask Tian first."

...

Zhao Tian entered the kitchen and saw Hun Xiang engrossed in the work on the stove.

Silently walking behind her, he suddenly groped her boobs from behind, squeezing them.

gik Hun Xiang was startled by the sudden touch and abruptly turned her head.

However, seeing Zhao Tian her eyes trembled and a low mutter escaped her lips "L-Lord..."

With a smirk, he continued fondling her boobs and Hun Xiang's body flinched in his arms a rosy blush growing on her face.

Smiling, he delicately lifted her chin and planted a soft, tender kiss on her lips, playfully nibbling on them affectionately.

Hun Xiang also closed her eyes and responded to the kiss by gently sucking on his soft lips in return. Pulling out of the kiss, Zhao Tian chuckled "So, are you preparing breakfast?"

Hun Xiang gave a timid nod and spoke "Wait a minute... I will prepare coffee for you."

"Hm..." Zhao Tian mused as he cupped her underboobs, fondling them.

Hun Xiang's body shook "Lord... yesterday it was my fault and maybe we should stop doing this..."

She is already feeling guilty that she betrayed Cai Luo by sleeping with her man and she knew that she should not continue doing this.

However, Zhao Tian doesn't care about that and continued caressing her breasts, molding them into the shapes he likes.

...

Sipping his coffee, Zhao Tian narrowed his eyes "You are going back with her to the village for a while?"

Cai Luo nodded her head "Yeah, we will return quickly."

Zhao Tian sighed in his heart, he kinda guessed that they are old friends but he didn't understand why Cai Luo is hiding it from him.

Seeing the excited smile on Cai Luo's face, Zhao Tian couldn't refuse and nodded his head "Okay then..."

"Thankyou Tian, then we will go and return soon."

...

Standing in front of the apartment, Zhao Tian glimpsed at Cai Luo and Natalie Thomspen dashing through the air.

Meanwhile, Hun Xiang face is deep red and she is fidgeting her fingers as she just realized that she is going to be alone with Zhao Tian in the house.

'W-Will he do indecent things to me again?'

Her heart raced in anticipation as she looked at him in the corner of her eyes.

However, Zhao Tian walked to his room and disappeared feom there.

First, he needs to go and see his women.

Chapter 303 A corrupted soul!

"Haa..." Zhao Tian let out a soft exhale, relishing in the warmth and softness behind his head as he lay on the couch, his head sinking on Ning Xue's lap.

"So, the Lycan Syndicate of the western nations is no more, heh." Ning Xue mused under her breath after hearing this story from Zhao Tian.

"Yeah, now there are no dangers for Zhenzhu."

Ning Xue's eyes softened as she leaned down, kissing his lips "You have already started doing things for Zhenzhu, as expected of the Emperor."

Zhao Tian chuckled faintly and asked "By the way, how many days remain until the anniversary of the foundation of Zhenzhu?"

With a nod, Ning Xue spoke "En, there are still 7 more days. And on that day, I will show the whole Zhenzhu that you are my Husband and officially declare you as the Emperor."

Zhao Tian smiled wryly upon hearing this, honestly, he doesn't mind if he is Emperor or not, but since Ning Xue is wishing, he is complying with it.

"And Tian... I got my Empyrean flame back."

Zhao Tian frowned and Ning Xue raised her hand, as golden flickering flames appeared in her palm.

In the next instant, the flame jumped from her hand and landed on the ground as it fell on its knees.
"Lord Archon..."

"Are you okay now?" Zhao Tian asked in concern.

The flame spirit tilted its head and asked in confusion "Am I alright? I am good... Lord Archon."

Huh? Ning Xue asked "Do you remember what happened last time?"

The flame spirit was puzzled "Last time?"

Did it forget about the Heavenly lightning? "Say something about Heavens."

The flame spirit blinked its eyes "About heavens? I don't know about heavens... Lord Archon."

Hearing this, Zhao Tian squinted his eyes and Ning Xue was intrigued "What are the heavens hiding that it even cleared their memories?"

At this time, Xia Shenyi walked down the stairs and saw the flame spirit in front of the couch.

"Tian." As she walked down, her gaze lingered on the flame spirit "So it's back huh."

Zhao Tian nodded his head "But Shenyi, it has forgotten about the things that happened that day, and now its saying, it doesn't even know about heavens."

"Hoh?" Xia Shenyi raised an eyebrow in amusement.

"It punished the ones who tried to pry in the secret of the heavens... Interesting."

Zhao Tian shrugged his shoulders and Xia Shenyi spoke "Tian, Freya is going for a secluded cultivation."

"Hm? What happened?"

"Apparently her corrupted soul is getting healed and Leya Everglade's soul is getting destroyed. And at that time, she should not be disturbed so, she is secluding herself."

"I see.." Zhao Tian raised his head from Ning Xue's lap and got down from the couch.

"I will go and see her." He is also curious to see what a corrupted soul looks like.

He made his way upstairs and walked to Freya Everglade's room.

Knocking on the door, he called her "Freya."

"Honoured One?" Her soft voice was heard from the inside and Freya Everglade quickly opened the door. @@novelbin@@

Looking at Zhao Tian, a fond smile curled on her lips "Honoured One, come in."

Zhao Tian gave a faint nod and stepped into her room "I heard you are going for seclusion."

Freya Everglade nodded her head "En. After using the Twin Phoenix technique, my soul is gradually healing, reverting to its previous state."

'Damn you! Freya.. don't use that technique anymore. I will fucking kill you.'

"Leya, forgive me... I can't do anything about this. If I don't practice the technique, I will die."

Leya Everglade's heart shook "Please... F-Freya... don't kill me. I won't come out without your permission anymore."

"I will stay inside you obediently and won't cause any more commotion. Please.. Freya... don't kill me."

"I am also a part of you, right?"

Freya Everglade's gaze lowered upon hearing her screams as she was also hesitant to kill Leya Everglade.

White patterns appeared on Zhao Tian's eyes as he looked through Freya Everglade's souls.

He saw two souls within her body, each of them brimming with life energy but there was a small tint of red and blue on the white souls.

'Is this corruption?'

The two souls are connected by a thin strand of white energy and seeing this, Zhao Tian was amused.

"So... the Leya inside you is going to die?"

Letting out a deep sigh, Freya Everglade nodded her head "Yeah..."

"Hm? Really? But my eyes are saying otherwise."

Hearing his words, Freya Everglade was confused. "What do you mean by that, Honoured One."

Zhao Tian chuckled faintly and asked "Why do you think Leya will die?"

Freya Everglade replied "I can feel her soul drifting away from me with each second I practice that technique."

Zhao Tian gave a nod "That's because her soul is getting split from you; it is not getting destroyed."

"Splitting away from me?" Freya Everglade's eyes narrowed.

"Yeah, till now... your soul got corrupted and it split into two.. but they were still connected by a thin strand of energy."

"However, the technique you practiced is healing the corruption and is also properly splitting the souls by breaking the strand."

"So, in my guess... she won't die. Just like before, she will stay inside you."

Freya Everglade was surprised to hear this and Zhao Tian saw a flicker of blue energy flashing in her eyes.

A wide smile appeared on Leya Everglade's lips and her eyes brimmed with excitement. "Then.. I won't die?"

"Oh.. Leya, Don't worry.. you won't die."

"Hahahaha!!!" Leya Everglade jumped in joy and ran across the room in excitement.

"Did you hear that Freya? I won't die..."

Meanwhile, Freya Everglade inside her body shook her head helplessly "I heard and.. don't swap without telling me."

However, Leya Everglade didn't heed her words and looked at Zhao Tian "Thank you!" she said and jumped to him.

Eh? Zhao Tian swiftly caught her and she hugged him tightly in her arms "Really...Thank you so much..." she muttered, a relieved sigh leaving her lips.

Hugging the delicate body of Leya Everglade, Zhao Tian smiled hearing the fondness in her tone.

Meanwhile, Freya Everglade was screaming inside, her face deep red in embarrassment "WHY ARE YOU HUGGING HIM?? IT'S SO EMBARRASSING!! YOU SHAMELESS WOMAN!"

"Hehe."

Leya Everglade moved her face and placed a tender kiss on his cheek "Consider this as a token of appreciation."

'YOU KISSED HIMMMM?'

Chapter 304 In the shower!

swish After spending some time with his women, Zhao Tian reappeared in his room in the apartment and stretched his hands letting out a contented sigh.

As he sensed around the apartment, he noticed that Cai Luo and Natalie Thompson still hadn't returned from the village.

However, he sensed Hun Xiang's presence in her room.

With a subtle smile on his lips, he walked to her room and entered without knocking.

He turned his gaze to the bathroom and his smile widened "Is she taking a bath?"

Silently, he walked to the bathroom and he could hear the sound of the water hitting the ground.

He glanced at the blurry figure of Hun Xiang through the glass, who was bathing inside the shower and began to remove his clothes.

"Hm?" Hearing footsteps splashing in the water, Hun Xiang quickly turned her gaze and saw Zhao Tian walking towards her naked.

gasp She gasped in shock and hurriedly used her hand to block her nipples and pussy from his view.

"M-My Lord..." she stammered in embarrassment, her gaze unconsciously drifting to his crotch and when she saw his cock, her eyes jolted. 'I-It is still soft... what will it look like if it becomes hard?'

Zhao Tian walked near her and the shower water began to cascade down him as with a gentle touch, he pulled Gun Xiang closer, causing her to stumble and fall into his arms. Her hands instinctively clutched his shoulders and Zhao Tian leaned in, kissing her lips, his hands wrapping around her waist.

Taken aback by the sudden kiss, Hun Xiang's body flinched; however, not wanting to push him away, she also began to suck his lips.

Her body melted in his warm embrace as they bathed in the cold shower. The feeling of being completely enveloped in his arms, with the water cascading over them, was a sensation she never wanted to end. Pulling back the kiss, Zhao Tian snuggled his face on her neck, showering her neck with pepper kisses and bites while his hands went down, groping her ass.

"Hmng~ My Lord... I don't want to betray Lady Luo anymore." Even though her lips say that, she also hugged him back, her fingers running through his ripped muscles.

She was left torn in between her loyalty to her Lady and her growing desire for her Lord.

Zhao Tian retracted her face from her neck and looked into her eyes as he planted a soft kiss on her lips.

As they looked at each other, they felt their hot breaths hitting each other as they remained in a tight embrace.

Not being able to hold it anymore, both of them moved their lips forward at the same time and kissed fervently, their lips eagerly melding together in a moment of intense fervor. Soon the kiss turned so passionate that they began to suck on each other's tongues, and their salivas mingled in a delightful embrace.

slurp They hungrily sucked on each other so desperately as if they wanted to devour each other's lips, relishing in the warm touch of their kiss.

Hun Xiang wrapped her arms around his neck tightly, her fingers entwined in his hair as Zhao Tian continued molding her ass cheeks. Pulling back from the kiss, both of them took deep breaths to control their breathing and Zhao Tian turned her body.

thud He pushed her on the shower wall and hugged her from behind while she kept both of her hands on the wall.

Fondling her boobs from behind, Zhao Tian whispered in her ear "You said that you don't want to betray Luo... but see, you are not even pushing me."

"Haangh~~" A moan slipped from Hun Xiang's lips as love juices trickled from her pussy because of his fingers playing on her nipples.

"T-That's because you... Mnngh~~!"

Groping her boob with his left hand, his right hand went below, and he caressed her pink folds, spreading them with his fingers. "Me?"

Hun Xiang couldn't control her moan as Zhao Tian began to rub her clitoris and she somehow pushed her words from her moaning lips.

"Y-You... are making me feel things. Haangh~~ The way your hands are touching my body Haaanghh~~ I have never felt like this before."

"H-How could I resist?"

Zhao Tian smirked and pushed two of his fingers inside her moist vagina spreading them wide open.

"Ooohhng~ Yeahh..." Hun Xiang moaned in pleasure feeling his warm fingers plundering her pussy as even more love juice trickled down her thighs.

Zhao Tian moved his fingers in and out of her vagina, making Hun Xiang let out ceaseless moans
"Mmnhhghhh~~"

As his fingers hit a spot, Hun Xiang's body stiffened and Zhao Tian felt her pussy walls tightening on his fingers "Found it."

After finding her G-spot, Zhao Tian continued to poke that spot with his fingers twisting them.

"Ufff Haanghhhh~~!! Mnghhh~~!" Hun Xiang's whole body trembled and her mind was blurred with pleasure as she couldn't think straight anymore.

As she was in the verge of cumming, she suddenly felt the pleasure vanishing as Zhao Tian pulled back his fingers from her pussy.

Placing her hands on the wall, Hun Xiang turned her head and saw the smirk on Zhao Tian's face
"M-My Lord... please..."

gik Her body froze in shock as she felt a warm thing caressing her pink folds and she looked down.

There she saw Zhao Tian's huge dick and the tip of his cock is rubbing on her pink pussy walls, slowly spreading them.

Hun Xiang's eyes trembled in anticipation 'A-Are we going to do it? N-Now?'

"Xiang..."

Huh? Hearing his mutter, Hun Xiang turned her head and Zhao Tian asked "Do you want to be my maid?"

"M-Maid?" She was barely keeping it together as she was just on the verge of climax but now Zhao Tian is asking some weird questions.

"Yeah..." Zhao Tian muttered as he rubbed he gently slid his dick in her moist pussy and pulled it back leaving her hanging on the edge.

Hun Xiang bit her lips in frustration as he was teasing her and muttered "B-But I swore my loyalty to Lady Luo."

"And Luo is my woman, so..."

Hun Xiang's heart trembled and yelled in her mind as she glimpsed at his dick. All now she wants is to have that huge dick rampage inside her.

"W-What do I get in that?"

Zhao Tian chuckled "Maids get nothing... but I can make you feel like a real woman and you have to serve me."

Hearing the tempting whisper of the devil, Hun Xiang couldn't resist and nodded her head "Hm, I will be your maid."

She lowered her hand and gently grabbed the dick guiding it into her pussy "So please... My Lord." she pleaded softly. "Oh, what a good maid you are."

Zhao Tian smirked and pushed his dick into her pussy in one full motion directly piercing through her hymen taking her virginity.

"Urrghhhh!!!" Hun Xiang gritted her teeth, feeling the seeping pain radiating across her body and Zhao Tian hugged her from behind "Bear it for a minute... Xiang."

Tears welled up in Hun Xiang's eyes and she nodded her head. "En.. urgh."

Gently clasping her chin, Zhao Tian made her look at him and kissed her lips.

Hun Xiang too, without hesitation kissed back his lips and after a while, Hun Xiang felt the pain subside as a drop of her virgin blood dripped on the shower floor.

Pulling back from the kiss, Zhao Tian hugged her even more tightly "Don't worry... Xiang, Even though I call you my maid, I will take good care of you." @@novelbin@@

Hearing this, Hun Xiang was surprised and her eyes grew tender "My Lord, if Lady Luo has fallen in love with you.. I can understand you are a good person."

Zhao Tian chuckled and slowly moved his hips "Call me Master from now on..."

"Yes, Master~~"

Chapter 305 *Giving a head*

pakh *pakh* The sound of flesh smacking against flesh reverberated throughout the bathroom, intermingled with the sounds of heavy breathing and pleasure-filled moans. "Haangh~!"

"Haangh~!" A stream of coquettish moans escaped Hun Xiang's lips, her arms and legs clutching onto Zhao Tian while he is grabbing her ass and punding his dick in her pussy.

She hugged Zhao Tian's neck tightly as her mind got puddled with pleasure with each thrust of his dick into her pussy.

"Urghhh!" Letting out a pleasurable grunt, Zhao Tian again unloaded his cum, coloring her pinkish pussy white. *splurt*

Feeling his hot magma filling her cave, Hun Xiang's eyelashes fluttered in bliss and she turned her eyes to Zhao Tian as she planted a tender kiss on his cheek.

"Master, at this rate... I might get pregnant."

Zhao Tian hugged her even tighter and began to move his hips again as he took her lips in a passionate kiss.

"Mmnghh~ Masterrr~~"

...

After soaking in the cold water, Zhao Tain stepped out of the shower, carrying Hun Xiang in his arms.

"Are you okay?" Zhao Tian asked, concern etching his voice.

Hun Xiang gave a faint nod "I am alright, Master.. please put me down."

Zhao Tian Zhao Tain gently laid Hun Xiang down, their wet hair clinging to their shoulders and their skin still flushed from the heat of the shower. Hun Xiang reached out to take the white towel from the hanger to dry her body.

However, after she took the towel she glanced at Zhao Tian, "Master let me help dry your body."

Zhao Tian didn't mind that and nodded his head.

Approaching him, with a gentle touch, Hun Xiang took the towel in hand and began to tenderly dry Zhao Tian's hair before moving on to his back. Her dainty fingers ran through his robust muscles and she amused in wonder.

Moving front, she began to wipe his chest and abs. Her gaze lingered on his dick and her eyes trembled 'Is it still hard?'

She gently crouched down to wipe his thighs and she couldn't help but sneak glances at his erect dick.

The towel slipped from her hand, and she raised her gaze to look at his face.

Seeing the smile on his face, she reached out to touch his dick, and as she gently grabbed it; she could feel the heat in her palm.

She was quite surprised, as this huge dick was inside her narrow pussy a little while ago.

"Master... let me help you."

She gently stroked his dick up and down, starting to give him a handjob, Zhao Tian closed his eyes, enjoying her delicate fingers stroking his cock.

Even though it is not skillful, he can tell she is trying her best to please him.

As she was giving him a handjob, Hun Xiang noticed the pre-cum on the tip of his dick.

Her eyes quivered and she gently raised her left hand, her fingers softly teasing the tip of his cock and she felt his dick slightly twitching in her palm.

She lifted her head and saw Zhao Tian closing his eyes enjoying her hand job "Master, am I doing good?" she asked in a timid voice and Zhao Tian gave a small nod "Haa! Xiang, yeah."

Hun Xiang smiled seeing his pleasurable face and continued stroking his dick up and down while teasing his tip at the same time.

As she increased the speed of her hand movements, she noticed an even more precum leaking from the tip making her fingers wet. The sight of his arousal only heightened her own excitement, fueling her desire to please him even further.

Hun Xiang stroked his dick even faster, and seeing his dick twitching in her palm and the oozing precum turning her on, the blush on her face deepened.

She unconsciously opened her lips, her eyes locked on his dick. her mind slowly consumed by thoughts of licking it.

"Haah!" Her breath caught in her throat as she let out a gasp, her hand moving faster and faster along his hardened dick. "Xiang... urgh!" Zhao Tian let out a low groan of satisfaction, feeling a surge of pleasure and as he slightly opened his eyes he saw Hun Xiang's hungry gaze fixated on his throbbing dick, her lips parting in anticipation of tasting him. Zhao Tian gently lifted his hands, wrapping them around her head with a firm yet delicate touch, pulling towards his dick.

"Master~~"

She leaned in bringing her pink lips closer to his dick, the smell of his pre-cum kicked in her lust and she let out her tongue, licking the tip of his dick, tasting the precum.

Zhao Tian sighed in pleasure, feeling her wet tongue in his tip as Hun Xiang continued licking the pre-cum from the tip.

'This is so tasty...haah...'

After tasting the pre-cum, she gently opened her cherry mouth and pushed his huge dick into her mouth slowly.

As she sucked his dick "Urgh... use your tongue." Hun Xiang panicked and retracted her teeth.

Giving a blowjob is new to her after all.

She gently moved her tongue in circular motions around the head of his penis and glanced up to see Zhao Tian visibly enjoying the blowjob. *slurp* she maintained her focus on pleasuring him, using her tongue to caress every inch of his hard dick. Feeling her moist tongue rolling on his dick, Zhao Tian's pleasure reached new heights. At that moment, as Hun Xiang caught a glimpse of her Master's blissful expression, her desire to give him even more pleasure intensified.

A bold idea appeared in her mind, and pushed his dick even further into her mouth thinking that it would pleasure him even more.

"Urghh!" A pleased groan escaped Zhao Tian's lips as he felt the tight muscles of her throat gripping the head of his dick.

But the moment, his dick reached her throat she gagged and retracted her mouth coughing *cough* *cough* Gasping for breath, she struggled to regain her composure. "Xiang?" Zhao Tian called out to her in concern.

Hun Xiang light coughing shook her head "N-Nothing, Master..."

She spoke softly and then paused to take a deep breath, her boobs rising and falling in a calming rhythm. She again brought her face closer to his dick gently licking his balls and her tongue trailed upwards, reaching the tip.

Once more, she took his dick into her mouth and proceeded to suck with fervor, *slurp* the sound of slurping his dick filling the room.

Under the continuous licks of her tongue and the sucking of her lips, Zhao Tian was pushed to the brink of pleasure.

Hun Xiang could feel the throbbing of his dick in her mouth, indicating he was close to climax.

"Ah!" Hun Xiang was surprised by the amount of cum sprayed at her and closed her mouth with his thick cum still inside her mouth.

As she glimpsed at his cock, she saw his cum flowing down even more. Letting out her tongue, she licked the cum of his dick and kissed his balls as she again began to suck his dick.

Chapter 306 A reunion!

"Haha." Hun Xiang who was sitting beside Zhao Tian on the couch giggled, her fingers quickly fapping on the screen.

Zhao Tian also laughed softly as he continued playing the game on his mobile.

"Wait wait waaa" Hun Xiang let out a loud scream of frustration as she watched her character get defeated by Zhao Tian's in the game they were playing. 'KO'

Zhao Tian smiled softly "I am surprised you play this game."

Hun Xiang scratched her neck embarrassedly "I found this game when I was bored and scrolling through the phone." "I see." Zhao Tian muttered, his arms wrapping around her shoulders.

Hun Xiang also leaned closer "It is almost evening, should I go and buy a cake?"

swoosh However, at this time, Zhao Tian felt the presence of Cai Luo and Natalie Thompson approaching them.

Hun Xiang also sensed their presence and quickly moved away from Zhao Tian "Master.."

Zhao Tian narrowed his gaze and Cai Luo's melodious voice rang across the apartment "Tian!!!"

Cai Luo rushed into the house, went to Zhao Tian and jumped into his arms. "Tian..." Zhao Tian hugged her back and she embraced him, snuggling her body with his.

He then turned his gaze to Natalie Thompson, who just stepped into the living room "She is not staying in the village anymore?"

Uh... Cai Luo smiled wryly "Yeah, she is coming back with us to our nation. Apparently, she also has some things to do there.. so she is sticking along with us."

Natalie Thompson nodded her head "The government might have assigned some cultivators to the border because of the disappearance of Lycan Syndicate."

"So if I came with you, I am sure.. I can easily pass through."

Zhao Tian took a quick glance at Cai Luo and seeing her nod, Zhao Tian let out a soft sigh. "Ok, then.. let's leave."

...

woosshh Zhao Tian, Cai Luo, Natalie Thompson and Hun Xiang were flying through the air at a swift speed and quickly reached the border of the nation.

Flying high in the sky, Zhao Tian glanced at the watch tower, vans and many military soldiers stationed on the border.

Along with them, there were also some cultivators but they are in the Heaven Astral Stage and lower, so they can't sense Zhao Tian's presence.

Hun Xiang muttered in surprise "There are no strong cultivators here."

Zhao Tian spoke "Well, I kind of expected this. The nation's biggest organization is destroyed and there should not be many powerful cultivators in this government."

"Maybe the powerful cultivators are stationed somewhere else."

Cai Luo frowned upon hearing this "That must be the case. For now, let's leave quickly."

...

After some hours of flying through the air, the four of them finally reached Cai Luo's apartment, and it was already past 8pm.

Floating above the apartment, Cai Luo spoke "Natalie, you stay with us for tonight and you can leave tomorrow."

Natalie Thompson nodded her head, and Cai Luo glanced at Zhao Tian "And Tian, how about you?"

"I am returning home for today." He has to go and meet Ning Zuiye, as she might be worried.

As Zhao Tian flew away from there, Natalie Thompson spoke "Hua'er, I don't want to stay here tonight. Let's go and meet Little Xue first."

Cai Luo nodded her head "As you say, Lady Zhilian and Xiang..."

Hun Xiang hesitated a little, as she wants to meet Zhao Tian, and it can only be done when she is in the human world.

'I will go to Zhenzhu and come here later to meet him.'

"I am also coming with you, Lady Luo."

...

Following several hours of air travel, Yu Hua, Ning Zhilian, and Hun Xiang arrived back in the city of Zhenzhu.

As Ning Zhilian gazed down upon the royal capital from high above, a sense of familiarity washed over her, causing a smile to form on her lips. "It's the same as the last time I saw it. It hasn't changed." Yu Hua chuckled and spoke "Come on, Lady Zhilian, let's go and see Queen Xue."

"Hm."

...

swoosh Yu Hua flew to the palace and and gracefully touched down in front of the grand palace gates. Recognizing her, the guards quickly kneeled on the floor. "Lady Hua." But they were curious about the masked woman who was standing beside Yu Hua.

Yu Hua nodded her head and walked through the royal hallways.

Ning Zhilian's heart is racing with excitement as she is going to meet her dear sister after all these years.

"Quick..." In a rush, Ning Zhilian quickened her pace as she made his way up the stairs., and seeing this, Yu Hua and Hun Xiang giggled in amusement. "Lady Zhilian, she is now residing in the room you were previously in."

"My room?" Ning Zhilian was surprised, and she hastily ran the stairs, rushing to her room.

...

Meanwhile, Ning Xue stepped out of her room and chuckled to herself, correcting her disheveled robe "Pervert..."

As she turned her head, she saw a woman running towards her through the corridor.

Huh? Looking at the metal-masked woman, Ning Xue narrowed her gaze "Who is she? And how did she come here."

Ning Zhilian quickly ran to Ning Xue and removed the mask, a soft smile curling on her lips. "Little Xue..."

Ning Xue narrowed her gaze but then her eyes widened in shock as she realized the voice and face before her were all too familiar. "Sister.... Zhilian? Sister Zhilian? SISTER ZHILIAN?"

Ning Xue's heart jumped in happiness and Ning Zhilian appeared in front of her "Little Xue...."

Ning Xue's eyes shook in utter bewilderment looking at the beautiful blonde haired woman in front of her and a whisper left her lips "Is that... you?"

Ning Zhilian moved forward and hugged Ning Xue "Yeah, its me... Little Xue." she murmured affectionately.

Feeling Ning Zhilian's arms around her body, Ning Xue flinched "Is this... real? Sister Zhilian?"

Happiness washed over Ning Xue's heart causing tears to well up in her eyes, her mind twirling with emotions. Closing her eyes, Ning Xue quickly hugged her back, her hands clutching on her desperately "SISTER ZHILIAN!!!!"

Ning Zhilian's eyes grew tender as she patted Ning Xue's head "Yeah... your older sister is back, Little Xue."

At this time, the door of the next room creaked open and Ning Zuiye came outside "Sister Xue... why are you screaming?"

"H-Huh?"

Chapter 307 A reunion 2!

Hearing the scream of Ning Xue from the outside, Ning Zuiye got up from the bed and walked to the door.

"Sister Xue, why are you screaming?"

As she exited the room, she caught sight of her Sister Ning Xue embracing a woman with blonde hair in a warm and affectionate hug. Because they were hugging, Ning Zuiye couldn't properly see the face of the new woman and was confused about who she was.

However, as they retracted the hug, the blonde haired woman's face came into her view, and her eyes dilated in shock. "H-Huh?"

Even though she was a child when she saw Ning Zhilian for the last time, she still remembers her beautiful face and purple eyes.

"Big Sister?"

Hearing a faint mutter, Ning Zhilian turned her eyes and saw a mature woman with black hair and purple eyes. Hm?

Ning Xue wiped the tears that were cascading down her cheeks and looked at Ning Zuiye with a wide smile "Z-Zui'er, this is Sister Zhilian."

Zuier??!! Ning Zhilian's heart shook, and she instantly turned her gaze to Ning Zuiye and looked at her from top to down "Little... Zuiye?"

The Little Zuiye she knows is not little anymore.

Ning Zuiye's eyes quivered in disbelief and she felt tears forming, blurring her vision as they began to spill over and dampen her cheeks. "Big Sister!!"

"Big sisteerrr!"

Ning Zhilian snapped out of her daze and hurriedly hugged Ning Zuiye, her voice stammering with shock "Little Zuiye.. y-you are alive."

Ning Zuiye hugged her tightly and nodded her head. "Yes... because, Big sister.. you s-saved me that day."

Upon hearing these words, a wave of emotions washed over Ning Zhilian as tears welled up in her eyes in happiness because she was able to save her dear sister that day.

The weight of the burden she had been carrying for so long was lifted off her shoulders, leaving her feeling light and free. "I am glad.. Little Zuiye.. I am really glad that you are alright." They hugged each other tightly and Ning Zuiye muttered "I am also glad Sister Zhilian..."

"I thought you lost your live trying to save me..."

Ning Zhilian patted her head and chuckled while tears rolled down her face "Silly girl." she called affectionately.

Ning Xue's gaze became gentler as she used the back of her hand to brush away the tears streaming down her face. After a long minute of hugging, they pulled back from the hug and Ning Zhilian caressed Ning Zuiye's cheeks which were cascading with tears.

"You have grown so much... haha.. now you look even older than me."

Ning Zuiye let out a soft laugh and once more wrapped her arms around her "Big sister."

Ning Zhilian turned her gaze to Ning Xue and beckoned her to come clser.

"Sister Zhilian."

As Ning Xue moved closer to her, Ning Zhilian wrapped her aright arm around her shoulder, hugging both of them at the same time.

Embracing her dear sisters in her arms, Ning Zhilian let out a relieved sigh. 'Mom, Dad... my sisters are good and alright. Thankyou so much.'

At this time, Yu Hua and Hun Xiang also came to the corridor and saw Ning Zhilian hugging two women in her arms.

Huh? Both of them were confused to see the third woman among the group. Who is she?

A little later, Ning Zhilian retracted the hug and patted both of their heads, offering a comforting touch that expressed her affection and care for them.

Ning Zuiye and Ning Xue smiled softly getting a pat from their Older sister.

Yu Hua and Hun Xiang walked closer to them and seeing them, Ning Xue was surprised "Hua'er."

Yu Hua and Hun Xiang knelt down on the ground, lowering their heads in reverence "Queen Xue." Ning Xue couldn't help but tease with a giggle "You finally remembered your way to the Zhezhu palace?"

Hearing her tease, Yu Hua showed a wry smiled and Ning Xue giggled "Get up..."

Yu Hua and Hun Xiang stood up from the ground and glanced at Ning Zuiye, curiosity dancing in their eyes.

Feeling their gaze, Ning Zuiye smiled gently "You are Yu Hua, right? Sister Xue has talked a lot about you."

Sister? Yu Hua bowed her head. "Yeah... and may I ask who you are?"

With a chuckle, Ning Xue encircled her arm around Ning Zuiye's shoulder "This is Zui'er."

"Little Zuiye."

Wha- Yu Hua and Hun Xiang were dumbfounded to hear this and blinked their eyes in disbelief.

"Then... Lady Zuiye is also here?" Yu Hua mumbled in a trance and Ning Zhilian nodded her head "Yeah, I came to know just now."

"That's great!" A quick smile appeared on Yu Hua's cheeks, and she bowed her head "It's my pleasure to meet you, Lady Zuiye." Along with her Hun Xiang also bowed her head.

Ling Zuiye gently waved her head and Yu Hua looked at the three of them together "So, everyone is alright..."

"Yeah!" x3

With a soft smile, Ning Zhilian spoke "Hua'er is the one who brought me here."

Hoh? Ning Xue was amused and looked at Yu Hua, while she lowered her gaze "It just... happened."

A teasing smile appeared on Ning Zhilian's lips as she spoke, "And what not, Hua'er has a lover." Ehhhhh? Ning Xue was stupified to hear this and discreetly glanced at Yu Hua "Hua'er, you..."

Yu Hua was quite embarrassed and averted her gaze "Queen Xue, h-he is a great man so I couldn't stop myself..."

"Haha." Ning Xue let out a joyful laugh upon hearing this, causing Yu Hua's face to flush even more with embarrassment.

Ning Zuiye smiled when she saw the little banter, and glanced at Ning Zhilian "But... big sister, where have you been all these days and never came here?"

Upon hearing this, a sigh escaped Ning Zhilian's lips "I was in the western nations hiding..."

"Western nations?" Ning Xue narrowed her gaze and Ning Zhilian nodded her head "After that night, I escaped from here and... went there."

A sigh escaped Ning Xue's lips "Let's go to my room first. We can talk there privately."

Hun Xiang bowed her head "Then Queen Xue, Lady Luo, I shall take my leave."

"En."

After Hun Xiang left, the four of them walked towards Ning Xue's room.

As Ning Xue reached out to open the door, she suddenly hesitated, feeling a warm flush creep up her cheeks.

She timidly turned her gaze to Ning Zhilian and Yu Hua: "By the way, I also have... a husband, and he's inside right now." HUH?

Chapter 308 A revelation?!

Yu Hua's jaw dropped in utter shock "Queen Xue... you have a husband n-now?" she asked, her voice trembling in bewilderment.

She has been out of Zhenzhu for like 2 months, and Ning Xue has a husband now? 'When did the marriage happen, and why was I not invited?'

Meanwhile, a faint smirk appeared on Ning Zhilian's lips. "That was a shock, Little Xue. Heh, my sister's man. Now I am curious."

Meanwhile, Ning Zuiye smiled dryly, as the same man was her husband too.

Yu Hua came out of her daze and muttered "But Queen Xue... I didn't expect that you would love someone."

Ning Xue's eyebrows twitched upon hearing this "What? I also thought the same about you.. but now you have a lover, but I can't have a husband? Hmph."

Ning Zhilian giggled "Fair enough. Now let's go in and see who it is."

Ning Xue smiled proudly "En. He is the most handsomest man you will ever see."

Upon hearing this comment, Ning Zhilian couldn't help but roll her eyes in response "I can't be sure on that because Hua'er' lover is also so handsome." Yu Hua was flustered to hear this and nodded her head as she tucked a strand of her hair behind her ear "En, he is really so handsome."

Ning Xue narrowed her eyes, seeing Yu Hua acting like a shy girl "Heh, then let's see who's lover is more handsome. Try not to fall in love with him."

creek Ning Xue pushed the door open, and the curious eyes of Ning Zhilian and Yu Hua looked around the room.

But there is no one on the couch or on the balcony; however, as their gaze fell on the bed, their eyes stopped.

There is a man lying on the bed and they can only see his back as he is lying sideways.

Huh? Yu Hua's heart skipped a beat as she saw the long white hair and the back of the man, which were so familiar for her.

Why do I feel like it's...

"Tian."

As Ning Xue called his name, Yu Hua's breath caught in her throat, and her heart raced in panic and nervousness. Tian? Is it really him? TIAN?

What is he doing here? What is he doing here?

But then the realization struck her, and her eyes shook. Tain is... Queen Xue's husband? H-How?

Ning Zhilian squinted her eyes in confusion looking at the back of the man.

Even though she has only spent one day with him, she could recognize it as Zhao Tian.

She turned her gaze to Yu Hua and saw her panicking as sweat drops appeared on her forehead.

'Hua'er.' Ning Zhilian reached out and gently grabbed Yu Hua's arm.

Yu Hua's body flinched feeling a sudden touch and turned her gaze to Ning Zhilian 'Lady Zhilian...'

Ning Zhilian lipsynced, 'Don't panic...'

Yu Hua's eyes quivered 'How can I not panic, Lady Zhilian? Tian is Queen Xue's husband.'

Ning Zhilian let out a sigh and shook her head helplessly.

"Tian." Sitting on the bed, Ning Xue shook his shoulder and Zhao Tian's eyelashes fluttered

Huh? His gaze instantly fell on the blonde haired woman and he raised his eyebrows in surprise.
Natalie?

He then turned his eyes to the other woman and he recognized her. Yu Hua, saw her picture when Ning Xue showed her.

Looking at Natalie Thompson, he was confused. 'Didn't she say that she was going to stay with Luo?'

At this time, he noticed Yu Hua visibly shaking and looking like she was panicking.

As he looked at her, Yu Hua quickly turned her gaze, avoiding locking eyes with him.

Blonde hair. Zhao Tian's eyes narrowed and he saw through her soul as white patterns appeared in his eyes.

Glancing at the powerful soul, only one word appeared in Zhao Tian's mind. Luo!

He blinked his eyes in shock as he realized that Cai Luo was Yu Hua all along and couldn't help but chuckle in his heart.

Letting out a sigh, he moved his body and sat beside Ning Xue on the bed, wrapping his arm around her shoulder.

"Xue'er, who are these two people in your room?"

Ning Xue nodded her head "En, Tian it is actually happy news. This is my elder sister who went missing, Ning Zhilian."

Ning Zhilian. Zhao Tian looked at Natalie Thompson in surprise. She is that Ning Zhilian?

His eyes then glanced at Yu Hua, and it suddenly made sense why they had such a comfortable and familiar dynamic between them. "And this is Yu Hua... I talked about her with you."

"Yeah..."

Ning Zhilian smiled warmly "Hello... I am Ning Zhilian."

Zhao Tian gave a nod "Hm, its been some hours since I saw you."

Ning Zhilian: -_-

Its been some hours? Ning Xue and Ning Zuiye were confused upon hearing his words.

His gaze lingered on Yu Hua and she stammered in anxiety "I-I am Yu Hua... Nice to meet you."

Ning Xue was taken aback to see Yu Hua stammering "Hua'er, what happened? You are shocked to see Tian's handsome face?"

Yu Hua: -_-

"U-Uh.. yes, Queen Xue, your husband is so handsome.. I am shocked."

"Pfft" Hearing this, Ning Zhilian couldn't control her laugh and chuckled.

With a shake of his head, Zhao Tian stood up from the bed and walked towards Yu Hua.

Seeing him approaching her, Yu Hua was startled and hurriedly took a step back in fear.

As he moved closer, she lowered her gaze "T-Tian.. I can explain..." she murmured in a low voice.

However, Zhao Tian didn't heed her words and hugged her waist his arms tracing down to her ass.

Uh... Yu Hua was dumbfounded to see this "Tian..."

Ning Xue stood up from the bed and was confused to see Zhao Tian suddenly hug Yu Hua.

Zhao Tian gave a tight squeeze on her ass cheeks spreading them "Yeah, this is my Luo."

Yu Hua was embarrassed by the situation and screamed in her mind "Tian, what are you doing?"

With a soft smile, Zhao Tian leaned forward and pressed his lips against hers in a tender kiss.

Yu Hua was taken aback by the sudden kiss and Zhao Tian pulled back his lips, a playful smile on his lips.

Ning Xue and Ning Zuiye were shocked to the core when they saw Zhao Tian suddenly kiss Yu Hua.

What the hell? Ning Xue hurriedly walked to them and pulled Zhao Tian out of the hug.

Her eyes squinted with fury as she glared at Yu Hua "Hua'er, how dare you kiss my husband?"

Ehhhhhhhhh?

Ning Zhilian was speechless hearing this. Oi, Oi, it was so fucking obvious that it was Zhao Tian who kissed her.

Wtf?

No matter how much you love him, this is just... absurdity.

Yu Hua's eyes trembled upon hearing Ning Xue's words, and she lowered her head "Y-Your Majesty."

Ning Xue's eyes narrowed *plah* however at this time, a sharp slap fell on Ning Xue's ass and she hurriedly turned to Zhao Tian.

"T-Tian?"

Zhao Tian grabbed Ning Xue's ass and pressed his fingers on her soft cheeks, causing Ning Xue to flinch in pain "Hnng~ Tian."

As he twisted his hand, Ning Xue felt a sting of pain coursing through her body and fell into his arms "Angh~ Tian.. it hurts.."

Zhao Tian stopped and gently caressed her butt "Why are you scaring her?"

Ning Xue wrapped her arms around his neck and bit his ear as she whispered "Because she kissed you, Tian."

-- Is this woman for real?

Letting out a sigh, Zhao Tian turned his gaze to Yu Hua, who had her head lowered "I kissed her because she is my woman."

Huh? Ning Xue glanced at Yu Hua in the corner of her eyes "When did she... become your woman?"

thud Yu Hua hastily fell on her knees "Forgive me, Your Majesty... I didn't know Tian was your hus-"

But before she could finish her words, Zhao Tian left Ning Xue's embrace and pulled Yu Hua's hand, making her stand up.

"Ah, Tian."

Looking at her, Zhao Tian squinted his eyes "Are you apologizing for loving me?"

Yu Hua's heart shook upon hearing this and she averted her gaze "If only I had known you were Queen Xue's husband... I would not have loved you."

Upon hearing this, Zhao Tian was quite disheartened, and he looked into her blonde eyes "So, if Xue'er tell you to cut your relationship with me now, you will stop loving me?"

H-Huh? Yu Hua's eyes widened upon hearing this and her heart quivered with a rush of emotions.

'Leaving Tian?' Her heart clenched in pain thinking about this and her eyes crescented in uneasiness.

Seeing the commotion, Ning Zhilian glanced at Ning Xue and saw that she was displeased.

She moved closer to Yu Hua who looked troubled, and mumbled in her ear 'Hua'er, don't be afraid of Little Xue.'

'If you go humble in front of her, she will separate Tian from you. The only way to get what you want is to fight with her.'

'I know your family has been loyal to the Royal family for years. But this is a personal problem. Fight for your love. Good luck!'

Hm? Zhao Tian glimpsed at Ning Zhilian who whispered something in her ear.

Ning Zuiye moved closer to Ning Zhilian "Big sister, what did you say?"

Ning Zhilian patted Ning Zuiye's head and giggled "Just watch the drama."

After hearing Ning Zhilian's words, Yu Hua looked at Zhao Tian and she could tell that he was clearly displeased by her words just now.

She took a quick glimpse at Ning Xue and she hesitated a little. However, she took a deep breath 'I have to fight for my own love'

"Tian... I won't leave you even if Queen Xue has objections." She muttered and hugged him, burying her face in his neck.

Satisfied by her answer, Zhao Tian hugged her in his arms, a smile curling on his lips "Now, this is the Luo I know."

A cold glint passed through Ning Xue's eyes and she walked to Yu Hua and Zhao Tian "Hua'er."

gik Ning Zuiye shivered upon hearing Ning Xue's cold tone 'This is why I don't want her to know about me and Tian. She is scary.'

Yu Hua glanced at Ning Xue and her eyes were firm "Queen Xue. No matter what you say, I can't leave Tian... Even though he is your husband, he is my lover too. "

Ning Xue raised her voice "You dare speak against this Queen?"

Zhao Tian reached out and gently pinched Ning Xue's cheek "Why are you overdoing things? You already know I have many women and you have seen my women."

"So, why can't you accept... Luo too?"

Ning Xue's face became squishy as Zhao Tian pulled her cheek "Waaa, Tian... who is Luo?"

Yu Hua kissed Zhao Tian's cheek, a blush spreading her cheeks "Tian... please call me Hua; that is a fake name."

Ning Xue's eyes twitched. "And you dared to kiss him in front of me?"

Because of Ning Xue's screams, Yu Hua is not the one who is scared, it is Ning Zuiye who is scared shitless.

Zhao Tian gave a bonk in her head and spoke "Calm down, Xue'er."

Ning Xue rubbed her head and scoffed "You womainer, hmph."

Hearing this, Yu Hua nodded her head "Yeah, I can agree on that... Tian is a womanizer."

Ning Zhilian and Ning Zuiye sat on the opposite couch.

Ning Zhilian nodded her head as she sighed "Yeah, after that I hid in that village and acted as a village head for these 35 years."

"Ohh." Ning Xue and Ning Zuiye were amused to hear this.

Meanwhile, Zhao Tian showered Yu Hua's neck with kisses, making her body squirm in his arms. "Mmng~ Tian... there are people here."

"Yeah, you are." he muttered, placing a kiss on her lips.

Yu Hua spoke in a warm tone "From now on, get used to this face of mine. This is the real me, Tian."

"Yeah..." *smooch*

Chapter 310 Some little talks!

Ning Xue narrowed her eyes after hearing Ning Zhilian's part of the story "So, Sister Zhilian, you went to the Lycan Kingdom to investigate these nukes."

"Well, kind of."

Ning Xue turned her gaze to Zhao Tian and Yu Hua "And Tian, you also went to the Lycan Kingdom. I know you had personal grudges with them after they tried to kidnap Ying and Suyin... but how did Hua'er end up with you?"

Yu Hua smiled upon hearing this and began to narrate the story of how she met with Zhao Tian and how their relationship went.

"They even tried to kill me with that nuke one time, but gladly, Tian came to my rescue and saved me."

"After coming to know about these nukes, I also went with Tian to destroy the Lycan Sundicate."

Ning Xue narrowed her gaze and asked "Tian, then is she the one who came to see you, when I came with you to the human world for a date?"

Zhao Tian remembered that time and nodded his head "Yeah, at that time, both of you were in disguise, so you couldn't find each other."

Yu Hua was surprised to hear this and looked at Ning Xue "Then Queen Xue is the woman from Zhenzhu?"

Ning Xue gave a faint nod "Both of us used the powerful artifact given by Sister Freya, so we couldn't see through the disguise."

Yu Hua find its kind of funny that both of them met, but could not recognize each other.

At this time, Ning Zhilian remembered and asked, "Little Xue, where is Freya? I heard that she was the one who stopped the coup 35 years ago."

Ning Xue nodded her head "En. She is the one who killed the rebels that day and saved me."

She turned her gaze to Zhao Tian and her eyes softened "Many things happened and now she is in seclusion, cultivating."

"I see. How is she? Is her body alright?" Ning Zhilian asked in concern.

"Yeah, because of Tian, she could find a suitable cultivation technique and now her body and soul are gradually healing."

"Hoh...." Ning Zhilian and Yu Hua were amused to hear this.

Yu Hua's eyes dulled and she spoke in a soft tone "Queen Xue... I also tried to search for the herb in other places but couldn't find it."

Ning Zhilian also remembered "Yeah, Little Xue... your pure Yin physique...."

With a chuckle, Ning Xue spoke, "You don't have to worry; Tian treated it too."

Eh? Yu Hua snapped her head at Zhao Tian "Tian, have you found the herb? Where did you find it?"

Ning Xue smiled playfully "Herb? He treated it with his body. He also has a physique... well, like Yang physique and as it complements mine... he can absorb my extra Yin."

"You also have a physique?" Yu Hua was surprised to hear this and even Ning Zuiye was surprised as this is the first time she is hearing about it.

"Yeah..."

Ning Zhilian then turned her eyes to Ning Zuiye "Little Zuiye, what happened after I handed you over to the military man in Zhenzhu?"

A smile appeared on Ning Zuiye's lips and she began to tell her part of the story about how she was adopted into the military man's family as a daughter.

Meanwhile, Zhao Tian remembered that if Yu Hua is here, that means Hun Xiang is also here and he sensed around the whole palace but couldn't find her presence.

Where is she?

Giggling, Ning Zhilian pinched Ning Zuiye's cheeks "Because you didn't cultivate, see you look even older than me."

Hearing this, Ning Zuiye pouted her lips and spoke "I have started to cultivate now, hmph." as she muttered, she turned her gaze to Zhao Tian.

Zhao Tian smiled and lip synced looking at her, 'Shall I tell Xue'er about us?'

gasp Ning Zuiye was startled and hurriedly shook her head 'No, Tian...'

Huh? Ning Zhilian noticed their interaction and was confused as she saw the growing blush on Ning Zuiye's cheeks.

-- 'D-Don't tell me...' she had a wild guess in her heart and blinked her eyes at Ning Zuiye 'Little Zuiye...'

Feeling her gaze, Ning Zuiye was even more embarrassed. 'Did she see my secret talk with Tian?'

Seeing her being embarrassed, Ning Zhilian realized that her guess was indeed right. 'This guy...' she could only smile dryly looking at Zhao Tian.

Zhao Tian shook his head helplessly, seeing that Ning Zuiye is still stubborn about her decision.

Meanwhile, Yu Hua asked in confusion "But Tian, we came here right after we parted ways but here you are before us and you are even sleeping comfortably."

Ning Xue chuckled upon hearing the question.

They actually used the loophole within the artifact to bring him here in an instant.

When Zhao Tian and Ning Xue, both are inside the artifact... Ning Xue who teleported in when she was in the palace, will return to the palace when she teleports back.

She used this and grabbed Zhao Tian along with her to the palace when he entered the artifact.

Ning Zhilian rolled her eyes "He is stronger than us, so he must have come here faster."

Ning Xue nodded her head "Yeah, like that."

...

As the talk continued, the time went by, and it was already midnight.

Stretching her arms, Ning Zhilian looked at Ning Xue who was in Zhao Tian's lap right now "Little Xue, I will go and sleep now. Fortunately, I don't have to hear Hua'er' moans today haha."

Hearing this, Ning Xue squinted her eyes "Hua'er' moans?"

Yu Hua was flustered hearing this and Ning Zhilian giggled "Yeah, back in the apartment... well, Tian was keeping Hua'er restless through the night... soo.."

The frown on Ning Xue's face deepened and she glared at Yu Hua "Hua'er... you already had sex with him?"

Feeling her glare, Yu Hua was taken aback "Uh, yeah, Queen Xue."

A murderous aura oozed out of Ning Xue's body "He still hadn't done it with me... but you!!! Hua'er... you went ahead of me?"

"YOU!!!!!"

Eh?
