Chapter 311 Xue becomes dominant in bed!

"He still hadn't done it with me... but you!!! Hua'er... you went ahead of me?" Yu Hua was startled to hear Ning Xue's cold tone and smiled wryly "We... it just happened in the heat of the moment."

"Uh... in fact, we said our love only after we had sex."

Ning Zhilian chuckled seeing the deep blush on Yu Hua's face and Ning Zuiye smiled dryly. Why are we having this talk?

Meanwhile, Ning Xue had a deep frown on her face as she couldn't bear the fact that even Yu Hua went ahead of her.

She turned her gaze to Zhao Tian and got down from his lap. Grabbing his hand, she pulled him "Tian, come on."

Eh? As she pulled him, Zhao Tian stood up from the couch and Ning Xue pulled him to the bed.

thud Pushing him on the soft mattress, she crawled on the bed and her movements deliberate and seductive, slowly made her way on top of him, her eyes filled with a hunger that could not be denied. "Tian, we are doing it now." She uttered and began to remove her robes.

Huh? Ning Zhilian was stunned and stood up from the couch "Little Xue, why are you removing your clothes? We are still in the room."

Ning Zuiye was also dumbfounded "Sister Xue?"

Ning Xue scoffed under her breath "I don't care anymore. I am going to do it with Tian immediately. You can stay and watch if you want."

As she spoke, the fabric of her clothes slipped down her shoulders, revealing her ample bosom with pink nipples adorning them.

gik Ning Zhilian and Ning Zuiye instantly averted their gazes "Little Xue, when did you get so shameless?"

Meanwhile, Yu Hua could only sigh in her heart, as this was not new to her. Ning Xue often sleeps naked and stays naked in her room lazily.

"W-We are leaving." Embarrassed by the situation, Ning Zhilian and Ning Zuiye left and before leaving, Ning Zuiye glimpsed at Zhao Tian in the corner of her eyes, sighing.

'I want to talk with him.'

"I am also taking my leave. Tian, good night, see you tomorrow." She said with a smile and rushed out of the room.

As they left, Ning Xue smirked and looked at Zhao Tian "I caught you today, Tian. I won't let you escape until you have sex with me."

She began to remove the other parts of her robe and she was left completely naked. Throwing the robes down on the floor, she reached out and began to unfasten the buttons on his shirt.

"You remember Ying's bet that day?" Ning Xue asked, the smirk on her lips widening.

Zhao Tian just smiled at seeing her antics and nodded his head "Yeah."

A mischevious twinkle sparkled in Ning Xue's eyes as her delicate fingers traced through his bare chest "Hm. I will make you leave other women and always be with me."

Feeling the warmth of his skin on her finger tips, she leaned down and kissed his chest "Tian."

She then proceeded to run her tongue across his chest, leaving a moist trail of saliva behind.

Ning Xue's tongue slowly moved across his chiseled chest, gradually coming towards his abdomen. With each kiss she placed on his well-defined abs, she could feel the gentle texture of his skin against her soft lips. She moved her tongue in a deliberate and unhurried manner, gliding it up towards his neck before finally planting a tender kiss on his lips. Zhao Tian raised his hand, gently

grabbing her neck, his fingers intertwining with her hair and he pulled her closer, reciprocating the kiss.

Their lips overlapped each other as Zhao Tian tenderly sucked on her cherry lips, relishing in their taste.

"Hmng~ Tiann..." A mumble left her lips as she continued kissing Zhao Tian, her fingers clutching his shoulders.

thud Zhao Tian turned his body and pushed her on the bed, making himself on top of her.

Seeing this, Ning Xue giggled and opened her arms "Tian..."

Zhao Tian removed his shirt and leaned down as she hugged him in her embrace. "Xue'er... the Yin energy in your body is so tempting."

Ning Xue's eyes softened upon hearing this and she spoke "You don't have to resist it anymore... Tian and me too. Let us enjoy ourselves."

Zhao Tian moved down to her breasts and he took a moment to admire the pair of supple peaks before him, each adorned with a delicate flower-like nipple at their peak. Opening his lips, he began to lick and suck her nipple making her tremble in pleasure. "Angh~~ Tian..."

As he retracted his lips, he grabbed both of her boobs and pressed them together. "Mmngghh~~" Ning Xue moaned in delight, feeling her own nipples brush against each other.

He leaned down and began to munch both of the nipples in his mouth as he began to suck and lick them madly.

"Ufff~~ Hmng~~~" Ning Xue moaned in pleasure as he began to bite and lick her nipples making her mind feel as if she were in heaven.

A little later, Zhao Tian retracted his lips, a glistening strand of saliva connecting his lips and her nipples.

As he let go of his hands, her voluptuous boobs jiggled and Zhao Tian smiled looking at the reddened face of Ning Xue.

A playful smile crept over Ning Xue's lips and she quickly pushed him as she again took charge in the bed.

thud Zhao Tian smiled in amusement seeing her advances and Ning Xue, who was sitting on his abdomen, gently raised her ass, showing her pink pussy for him to see.

"I surely want to punish you for making me wait this long." she muttered in a seductive voice, bringing her left hand to her crotch as she caressed her clitoris with her fingers. "Mmngh~"

She gently spread open her pink outer walls with her delicate fingers and Zhao Tian could see her sticky love juices within her pink world.

"Give me pleasure... Tian." she mumbled as she brought her crotch near his face but she was still unsure if Zhao Tian was down to dirty things like this.

Zhao Tian is more than happy and softly grabbed her ass cheeks pulling her crotch closer to his face. After all, satisfying his wife is his responsibility.

Ning Xue's eyes softened in affection and as she felt the hitching of his hot breath on her pussy, she felt a tingle as a shiver went down her spine.

"Mmngh~~ Tian~"

Zhao Tian gave a kiss to her wet pussy and the touch of his lips on her pussy sent a jolt of pleasure through Ning Xue's entire body, causing her to let out a soft, almost involuntary moan. "Yes... Tian~"

She gently grabbed his head as Zhao Tian began sucking on her honey cave and love juices began to drip from her pussy. "Yaangh~!" Zhao Tian opened his lips and continued to eat her pussy and suck on her clit at the same time making Ning Xue lost in pleasure.

"Haangh~! Anghhh~~ Hnnnghhh~!" Ceaseless moans slipped past her lips and her body jerked as she felt her pussy folds being played with by his tongue.

Zhao Tian continued to lick and suck on her pussy as he inserted his tongue inside her pussy walls. "Ohhh~! Hmnnngh Tian'er... Tian..." An erotic moan left Ning Xue's lips as she felt her Tian's tongue plundering her pussy's inner wall bringing her intense pleasure.

"Ahhng~~...this is too much!"

Chapter 312 *A royal meal*

"Hnngh~ Tian... Haangh~!" With a soft moan, Ning Xue called out his name, her body trembling with desire. She raised her hand groping her own boobs as she began to masturbate pinching her nipples and feeling the pleasure from it.

"Yeah, Tian your tongue Ohhhn...I love you... Haangh~" Ning Xue moaned in ecstasy feeling his tongue plundering deep in her pussy, exploring every inch of her inner vaginal walls.

Soon, under the constant caress of his wet tongue, Ning Xue couldn't hold it any longer as her mind muddled in pleasure reached the clouds.

"Annggh~!" With a loud erotic moan, Ning Xue's pussy twitched and Zhao Tian retracted his lips. *squirt* Her body flinched as love juices sprayed from her pussy wetting Zhao Tian's face.

"Haah... Haahhh~!" Ning Xue's ragged breaths echoed through the room as her chest rose and fell following the intense climax she had just experienced and she struggled to catch her breath, her muscles becoming numb and sensitive. She removed her crotch from Zhao Tian's face and sat on the bed "I-I haah.. am sorry... Tian." she muttered looking at his face wet with her love juices.

Zhao Tian smiled fondly "It's okay, dear..." he used the water elemental to clean his face.

Zhao Tian moved and knelt on the bed as he grabbed her waist. Ning Xue, on all fours, arched her back and brought her ass close to his crotch "Tian..." she muttered, seeing him pulling down his pants.

As Zhao Tian took out his dick, Ning Xue's eyes quivered and her mind ran through different thoughts about how that huge dick inside her pussy would feel.

plah However, Zhao Tian gave a sharp slap on her ass and Ning Xue let out a groan as she withered in pain "Yaang~ T-Tian?"

"You were punishing me, heh?" He smiled mischevously and grabbed her steamy ass buns spreading them open with his fingers, looking at her cute tightened pink asshole.

His fingers traveled down as he spread her pink hole, which was dripping with love juices and he smiled "Now, beg like a Queen."

'Beg like a Queen? And... wait, is he looking at my butthole? W-What?" she was so embarrassed as she could feel his scorching gaze on her asshole and pussy.

Seeing the playful smile dancing on his lips, she complied and muttered in a timid tone "U-Uh.. Tian please ravage this royal pussy. I am sure this royal pussy is better than your other wome-Anghhh~"

Before she could finish her words, Zhao Tian began to push his dick slowly into her wet vagina and her love juices coated his cock, moistening it.

Ning Xue's eyes were filled with a mixture of excitement and discomfort as Zhao Tian's big cock began to stretch her tight hole and she felt a weird pleasure along with pain. Taking a soft breath, Zhao Tian gently pulled back his lips and pushed through in one push breaking through the thin membrane of the hymen tearing it.

"Urghh!" Ning Xue gritted her teeth in pain, but the pain was not as much as she imagined and it was bearable.

As blood trickled out of her pussy, "Haah." Zhao Tian grunted in pleasure feeling her squishy inner walls clench on his cock trying to suck it dry.

Zhao Tian slowly began to move his hips and Ning felt a slight tingling sensation as his cock continued to stretch her wet cave.

Pushing its way inside Ning Xue's warm pussy, the head of his dick slowly spread the tight pussy and the pulsating sensation intensified as her inner muscles were squeezing way too tightly around Zhang Yuan's dick.

A little later, after the gentle poking of his cock, Ning Xue felt the pain subside, and Zhao Tian, too began to move his hips faster as even more love juices dripped down, making his movements easier.

pakh *pakh* Zhao Tian grabbed her waist and started to plunge his dick deep into her pussy as he enjoyed the way her pussy walls were squeezing his dick.

"Ugh~ Xue'er."

He groaned in delight and grabbed both of her hands from behind, continuing his rampage on her pussy.

"Haangh~~ Haangh~~ Yeshhh~~ Tian... Hmmngh~~" Ning Xue was letting out ceaseless moans under his relentless thrusts and she could feel his dick almost touching her womb.

As Zhao Tian desired to explore even more, he pushed his cock deeper into her hole and Ning Xue's eyes widened in shock feeling the tip of his dick hit her womb.

"Ufff... Anghhhh~~ Tian." She let out a loud cry of pleasure as her limbs became numb from pleasure and her eyes shook.

thud As her hands gave out, she fell to the bed but Zhao Tian continued to rock his dick in her pussy, grabbing her waist.

Ning Xue reached out to the pillow and pulled it before burying her face in it, receiving back shots from Zhao Tian.

Her thoughts became blurry and she couldn't think about anything as the overwhelming pleasure muddled her mind with each thrust of his dick.

As her pussy throbbed, Zhao Tian felt that she was close to orgasm and increased the motion of his hips "Xue'er... urgh."

"Angh~~ ANgh~~ Angh~~ Tian... haangh~~"

With a final full thrust, Ning Xue's mind and body reached cloud nine. *squirt* Her eyes rolled up and she let out her tongue as she squirted love juices from her pussy.

However, Zhao Tian was nowhere near finishing and turned her body. Ning Xue felt her sensitive pussy twist around his hot dick.

"T-Tian.." As her back hit the bed, she looked at Zhao Tian with misty eyes, saliva rolling down her lips.

Zhao Tian again began to plunge his cock and Ning Xue's boobs hopped up and down because of his powerful thrusts.

A little later, Zhao Tian also reached his edge and splurged his white lava inside her pink world, causing her body to tremble in delight.

"Haah!!!" Ning Xue took deep breaths and a soft smile stretched across her lips. However, her eyes widened as Zhao Tian again began to move his hips.

"T-Tian?"

Zhao Tian smirked seeing Ning Xue's face "Xue'er.. this is just starting and we have yet another hole to explore. I have to thoroughly taste this royal meal after all."

H-Huh? Ning Xue's eyes trembled and she gulped hard.

I am fucked!

Chapter 313 *In the ass*

pop Zhao Tian pulled his dick out of Ning Xue's pussy, who was lying on the bed and as he took his cock, white cum overflowed from Ning Xue's vagina, staining the bedheets.

"Haah~!" Ning Xue's breasts heaved up and down as she felt the numbness radiating through her whole body as she took heavy breaths.

She glimpsed at Zhao Tian through her blurry eyes and a sigh escaped her lips. "Tian... haah."

"Uhhh..." She pulled herself from the bed and slowly sat on the bed as she tucked a strand of her blonde hair behind her ear.

She looked down at her beet red vagin as Zhao Tian's cum was still oozing from the inner depths of her pussy and she could feel the lingering warmth in her.

As she turned her head, her gaze invertedly fell on Zhao Tian's dick and she saw it was still erect.

What the-

She blinked her eyes in confusion 'Even my Yin energy is not enough to satisfy his sexual desire?'

With a smile, Zhao Tian got down from the bed and pulled Ning Xue towards him "Ahhh Tian!"

She also got down from the bed and stumbled into his arms.

Zhao Tian turned his eyes to the nearby table, which had a flower vase and some other things. Pulling her, he walked to the table and pushed all the things away.

clank Ning Xue was taken aback wondering what Zhao Tian was doing?

Keeping his smile, Zhao Tian pushed her on the table *thud* "Huh? Tian..." Her upper body was on the table and she turned her head and looked at Zhao Tian over her shoulder.

Zhao Tian looked at the tantalizing back of Ning Xue and his gaze moved to her ass cheeks as his cum trickled from her pussy flowing through her inner thighs.

"Xue'er..." Walking closer to her, he grabbed her ass buns and spread them wide open, looking at her tightened butthole.

"Mnghh~" Ning Xue who was already numb on her body felt a little electricity passing through her body with the touch of his fingers on her soft ass.

A smirk appeared on Zhao Tian's lips as he grazed his thumb on her tightened ass hole.

Ning Xue's eyes shook "Huh? Tian... why are you touching that dirty place?"

Zhao Tian pressed his thumb into her asshole and Ning Xue's body flinched as she could feel his finger entering her asshole.

"Mmng~~ Tian?"

Zhao Tian used a water elemental spell to clean her asshole and pulled back his thumb.

Ning Xue's face was deep red with blush and she tried to move her body "Tian... what are you doing in that place?"

However, Zhao Tian grabbed her waist and placed her there as he took the lube from his storage ring, which he has been keeping for 'emergency' situations like this.

Ning Xue muttered "Tian... you won't get Yin energy if you do it in that place."

"I know." He spoke and applied the lube to his fingers and her asshole.

"Are you really going to stick it there? I am scared."

Zhao Tian reassured her "Don't worry, you will surely like it. Shenyi actually loves this."

'Shenyi? That woman from the high stars? Even her?'

Zhao Tian gently pressed his finger on her tightened pink asshole. Ning Xue closed her eyes and her eyelashes quivered in slight discomfort as Zhao Tian slowly slid his finger into her asshole stretching it.

Zhao Tian twisted his finger in her asshole stretching it, and slowly added another finger

"Hmnngh~!" a low moan escaped Ning Xue's lips and she felt a tingling sensation on her asshole as he poked his fingers in.

Zhao Tian continued to twist his finger moistening her asshole and Ning Xue also got quite used to the tingling feeling finding it quite pleasurable and arousing.

After a while of moistening and loosening her asshole, Zhao Tian grabbed her waist and placed his cock in the asshole.

Ning Xue closed her eyes, submitting herself to him and Zhao Tian pushed his cock inside the very tight asshole.

"Urggh!" Just as Zhao Tian inserted the tip of his cock, Ning Xue's asshole muscles instantly clenched his cock giving him pleasure.

He didn't stop and pushed deeper through the tight hole stretching it with his hard dick. "Ahh~!" Ning Xue let out low mumble as she felt her Husband's dick piercing in.

"U-Urggh!" she groaned in pain and her body shook, small tears welling up in her eyes as she felt his dick filling her ass.

Zhao Tian felt extraordinary pleasure from the tight muscles in her ass. "Haah...Xue'er." he could feel her ass trying to squeeze out his dick.

He stopped and didn't move too quickly giving time for Ning Xue to get used to his size. A little later, Ning Xue nodded her head "Mmn.. Tian..."

Zhao Tian started to gently sway his hips, gradually pushing deeper and causing her asshole to widen and lengthen with each movement.

As Zhao Tian pushed his dick even more into her ass, Ning Xue's eyes quivered "H-Hmnngh~..." she suddenly felt a surge of pleasure coursing through her body.

"Tian.... Haangh~ Tian~~" As her ass muscles slowly began to stretch, Ning Xue also felt the pleasure take over her mind, leaving her numb as her body lay on the table helplessly.

pakh *pakh* Ning Xue let out her tongue as she enjoyed his pounding on her ass and she could feel his balls hitting her pussy walls sending a wave of arousal through her body, heightening her pleasure and desire.

"Haangh~~ T-Tian... this is goodddd~ Hyaangh~!"

pakh *pakh* Zhao Tian raised her body and playfully teased her nipples with his fingers, gently pinching them as he nibbled on her sensitive flesh.

"Haangh~!" As Zhao Tian nibbled her sensitive nipples, her body shook and he felt her ass walls tightening on his dick giving him even more pleasure.

"Haah... your insides feel good." Zhao Tian muttered and hearing his dirty talk aroused Ning Xue even more.

pakh *pakh*

"Urgh!" Zhao Tian felt he was near the edge and soon he also came, shooting his semen into her asshole. "Ahng~!" Ning Xue moaned and her body arched back feeling his cum filling her ass.

"Haah... Haah..."

Chapter 314 Talk with Zuiye!

Zhao Tian sat on the edge of the bed, gazing lovingly at Ning Xue as she lay peacefully asleep.

He tenderly brushed away a strand of her golden hair, feeling a sense of warmth and affection for the woman he adores.

Letting out a sigh, he used air and water elementals to clean the remnants of their sex and pulled the white quilt to cover her naked body.

Looking at his palm, he gripped his fingers "Even after taking the virgin yin of a pure Yin physique, I need even more energy to step into the Half Empyrean realm."

"Well, Shenyi did say that the energy required is the combination of all the energy gathered till now to reach the Monarch Astral stage."

"How did that guy in Lycan Syndicate even step into the Half- Empyreal realm?"

"And that guy was missing that day. I am kind of sure he will come back for revenge. I have to breakthrough before that."

Muttering to himself, he got down from the bed and began to wear his shirt and pants.

He took his mobile out of his pocket and smiled wryly "It is already morning?"

"I will go and see Aunt Zuiye."

As he stepped out of the room, the female servant outside was startled, however, she hurriedly bowed her head "Your Highness."

'How is he always coming out of Her Majesty's room? I have never seen him enter in for once.'

Zhao Tian gave a nod and walked to the nearby room.

...

Gently pushing the door open, Zhao Tian entered the dimly lit room. Making his way towards the bed, he moved with deliberate steps, his presence barely making a sound as he approached Ning Zuiye. Seeing the dark figure lying on the bed, he smiled playfully and gave her a slap on the ass "Zuiye."

"Kyaahhh~~!"

EH? Zhao Tian was surprised by the sudden scream and noticed the voice was different. As he saw through the soul in the dark room, he smiled dryly "Ning Zhilian?"

"Zhao Tian? I didn't know you were bold enough to sneak into your sister-in-law's room and even slap her ass." she said rubbing her ass.

Zhao Tian could only smile wryly "I thought it's Aunt Zuiye."

As Ning Zhilian slowly opened her eyes, she reached over to flick on the bedside lamp, illuminating the room in a soft glow.

Her eyebrows twitched in frustration looking at the face of Zhao Tian in the lamp light.

"Zhao Tian? I didn't know you were bold enough to sneak into your sister-in-law's room and even slap her ass." she said rubbing her ass.

Zhao Tian could only smile wryly "I thought it's Aunt Zuiye."

Ning Zhilian raised an eyebrow in amusement. "Hoh., then it's okay if it's Little Zuiye? Isn't she also your sister-in-law?"

Hearing her question, Zhao Tian shrugged casually "She is my woman, so it's okay."

Seeing his calm face, Ning Zhilian squinted her eyes "You are not afraid of revealing your secret relationship like this?"

Zhao Tian shook his head and said "No, why should I?"

Ning Zhilian couldn't help but chuckle upon hearing his nonchalant tone "Meanwhile, Little Zuiye is scared to talk about this to Little Xue."

Zhao Tian smiled and sat beside her on the bed "She told you about our relationship?" he asked, a playful glint in his eye. Ning Zhilian nodded her head with a smile "Yesterday, I saw both of you eyeing each other. After leaving Little Xue's room, I talked with Little Zuiye and she revealed everything."

She shook her head helplessly and giggled "That girl... kept talking about how cool you were when you first saved her and she continued talking about you for a while."

"It seems like she is head over heels for you and she has been loving you even before Little Xue."

"Yeah..." Zhao Tian gave a faint nod and continued to talk a little.

A few minutes later, the door creaked open and Ning Zuiye entered the room wearing a normal robe with wet hair as water droplets hanged from the ends of her hair.

Seeing Zhao Tian on the bed, she was surprised "Tian."

She hurriedly walked in, throwing herself into his arms and Zhao Tian took her into his comfortable embrace.

Pulling back from the hug, she softly sat on his lap, wrapping her arm around his neck.

Looking at the couple, Ning Zhilian spoke "Little Zuiye, do you know what this guy did just now? He sneaked into the room and slapped my ass."

Eh? Ning Zuiye was dumbfounded and looked at Zhao Tian; however, realizing, she chuckled "He must have misunderstood you as me and should have done that."

Hoh? Ning Zhilian was taken aback by how well she had come to understand Zhao Tian. Zhao Tian smiled heartily upon hearing her answer and pecked her lips. "Aunt Zuiye, I love you..."

Ning Zuiye's eyes softened and she rested her head on his shoulder "Tian, i have to return to the human world."

Hm? Zhao Tian narrowed his eyes "What happened, Aunt Zuiye?"

"I have a daughter there, Tian. i have to go and meet Yueli."

Ning Zhilian let out a sigh and spoke in an apologetic tone "Sorry, Little Xue... Because of me, you were even forced to have a daughter."

Ning Zuiye hurriedly shook her head and smiled "No, No, Big Sister... you saved me. I am more than grateful for that."

Ning Zhilian reached out and gently patted her head, a gesture filled with tenderness and affection.

A sigh escaped her lips and she got down from the bed "Ok, I am leaving... i am sure there are things about which you want to talk privately."

As she left, Ning Zuiye cuddled her body with him as her body melted in his soothing arms "I am going to miss you, Tian... will you come and see me in my home?"

"Surely, I will. Aunt Zuiye."

Thinking about her daughter, Ning Zuiye couldn't help but chuckle "That girl was desperate to be your girlfriend. But see, now I have become your girlfriend instead of her."

"And by the way, Tian... is it okay for you to be with me? Where is Sister Xue?"

Zhao Tian nodded his head "En. She is now sleeping and she is tired. It will take some time for her to wake up."

"I see." A mumble escaped her lips as she also remember that they were about to have sex yesterday.

Zhao Tian caressed her black hair, as his fingers ran through her soft hair drying her wet hair "Aunt Zuiye, close your eyes."

Though confused, Ning Zuiye closed her eyes and smiled in excitement "Are you going to give me a gift, Tian?"

swoosh However, she suddenly felt the world spinning and hurriedly opened her eyes. "Tian, what happened?"

swoosh A sudden gust of breeze hit her face and her jaw dropped looking at the vast expanse of beautiful grassfield in front of her.

What the fuck just happened?

Chapter 315 Mother-in-law?!

"So... this is like your own world, Tian?" Sitting on the couch, Ning Zuiye asked, her eyes glancing around the opulent living room.

Zhao Tian who was sitting beside her, nodded his head "En. It is like that and you have started cultivating, right?"

Ning Zuiye nodded her head. "Yes, Tian."

"Hm. I don't know if you can perceive it yet, but the astral energy here is denser than in Zhenzhu."

Ohh! Ning Zuiye was amused and mumbled, "I couldn't see it. Maybe because I am still in Mystic Astral Stage."

Zhao Tian raised his hand, wrapping it around her shoulder "Don't worry, you can cultivate here and can quickly do breakthroughs."

He softly pinched her cheek "Because I don't want my Aunt to become a real Aunt and wrinkles to appear."

Hearing this, a gleam of determination appeared in Ning Zuiye's eyes. Every woman wants to look beautiful in front of her lover and wants him to be mesmerized by her beauty.

How can she become old like an aunty and look ugly in front of him.

"Tian, from now on, I will work nonstop and cultivate."

Chuckling, Zhao Tian caressed her cheek and she closed her eyes, rubbing her cheek on his fingers "Tian...." she muttered in affection.

Zhao Tian smiled upon hearing her fong voice "You just have to work with me in bed and you can do breakthroughs easily."

Eh? Ning Zuiye was confused to hear this and opened her eyes "Tian?"

Seeing her clueless eyes, Zhao Tian smiled "Let me make it simple for you to understand. The more you have sex with me, the more your cultivation will progress."

Huh? Ning Zuiye was taken aback and shook her head helplessly "Tian... I think I am turning into a pervert. I just heard you say, the more you have sex with me, the more quickly I can cultivate, haha."

"Yeah, that's what I said."

ㄟ(֊ ֊)ㄏ huh?

Ning Zuiye was confused "Wait... Tian, I can cultivate by having sex with you?"

"Yeah!"

It took a moment for her to realize this, and she looked into his blue eyes. "This kind of cultivation technique... This is the first time, I am hearing something like this."

Her eyes narrowed as she uttered "Then, Tian.. you already had sex with me, but I am still in the Mystic Astral Stage?"

Zhao Tian nodded his head "Yeah, I had sex with you when I was in, like the 6th level of the Monarch Astral Stage. So in my guess, you should have reached 8th level of the Sovereign Astral stage."

"WHAT?!" Ning Zuiye was shocked to the core and hurriedly began to count.

"Mystic, Nascent, True, Soul, Spirit, Heaven, Sovereign, Emperor, Monarch.... and I would be in the Sovereign Astral stage?" "B-But I am still in Mystic Astral Stage."

Zhao Tian nodded his head "After having sex with you, that night... I placed a seal on you. Your weak body can't control and flow that much energy."

He can easily manipulate and absorb the energy because of his physique but others need to have a good understanding and control over the astral energy to do that.

"I have done the same thing to Xue'er too. After she wakes up, I will remove the seal on her."

Ning Zuiye understood and nodded her head "I see. So, Tian... you are going to remove that seal on me now?"

Zhao Tian squinted his eyes "No, your body is still weak.. well, there is a method, I need to ask Shenyi about this and choose a technique for you. After that I will remove the seal."

Ning Zuiye tilted her head in confusion "Who is Shenyi."

"Ehhh? Is that you, Aunt Zuiye?" A surprised voice echoed through the living room and Ning Zuiye instantly raised her head and looked at the pink-haired woman walking downstairs.

"Ying?"

Zhao Ying quickly rushed down and walked to them "Aunt Zuiye, you are also Tian'er' woman? When did this happen?" She asked excitedly.

Ning Zuiye was quite embarrassed by the situation and timidly nodded her head "Yeah..."

Zhao Ying sat beside Ning Zuiye on the couch "En. I heard a lot about you from Tian when he talked about you and that arrogant Queen."

Arrogant Queen? Ning Zuiye was surprised "You met Sister Xue?"

Zhao Ying nodded her head "Yeah, yeah... you are her sister, right?"

"Um, yeah." Ning Zuiye gave a nod.

Zhao Ying rolled her eyes "Hmm, if Aunt Zuiye is Tian'er' woman, doesn't that mean Tian'er is a daddy now, because Yueli is both of your child now."

Zhao Tian pondered about this and it does make sense 'cause Ning Zuiye is his wife now.

A deep blush painted Ning Zuiye's cheek and she stammered "B-But, Yueli is not my biological child." "It doesn't matter. She is still your child, so Tian'er is a daddy now."

Wait! Zhao Ying realized something. Fei Lingxi is Fei Ziyu's mother so technically, Fei Ziyu is also his daughter.

So he is having sex with his daughter now?

"Oh, Zuiye it's you."

Hearing the voice, Ning Zuiye's body stiffened and she looked at the woman floating from upstairs.

-- Zhao Ying could only smile wryly because, since the day, Zhao Suyin has reached the Heaven Astral Stage... she has been flying more than walking.

As she landed on the floor, Zhao Suyin looked at Zhao Tian and Ning Zuiye back to back "If you are inside the artifact that means..." (→_←)

The blush on Ning Zuiye's face deepened after seeing the suspicious eyes of Zhao Suyin.

In her two years of friendly relationship with Zhao Tian, she has been to his house for some time and she is a good friend of Zhao Suyin.

And now she feels like, having been caught by her friend when she has an affair with her son.

Seeing the panicking face of Ning Zuiye, a teasing glint appeared in Zhao Suyin's eyes and she smirked playfully "Ohh, what do I see here... you are in a relationship with my son?"

Ning Zuiye's heartbeat raced and she lowered her head "Suyin... uh that's... um yeah."

Zhao Suyin's smile widened "Then call me Mother-in-law now."

Eh?

"What? Call me Mother-in-law."

Ning Zuiye gave a sheepish nod and mumbled in a faint tone "M-Mother in law."

Hearing this, Zhao Suyin laughed and Ning Zuiye turned to look at Zhao Tian for help "T-Tian.. she is..." (>◡<)

Zhao Tian pecked her lips and glanced at Zhao Suyin "Mom, stop teasing her..."

Zhao Suyin scoffed playfully "So you forgot your mother after you got a new woman huh..."

Zhao Tian couldn't help but chuckle and Zhao Suyin moved closer to him, sitting on his lap "Tian'er.."

Chapter 316 Jiu Yang?!

Ning Zuiye blinked her eyes, looking at Zhao Suyin curling up like a goofball in Zhao Tian's arms while having her arms around him.

They are more intimate than a normal Mother and Son.

Looking at her, Zhao Suyin smiled casually "Oh, you are wondering why we are so close, it because I am also my son's woman." she said, kissing his lips.

NANI? Ning Zuiye's jaw dropped, glancing at how Zhao Suyin was biting and sucking on Zhao Tian's lips.

She hurriedly turned to Zhao Ying "Ying... she is his Mother, right? Then..."

Zhao Ying could only smile dryly, because, as his sister, she is also his woman.

Pulling back from the kiss, Zhao Suyin chuckled "She is the one to talk, she was his woman even before me."

-- What? Ning Zuiye looked at Zhao Ying and saw her smiling dryly.

She thought she is the one immoral for loving her friend's son and her Sister's man... but here are two people who are more shameless and immoral than her.

Seeing her weird look, Zhao Suyin was frustrated "Tian'er, why is every one of your women giving me this look, when I say I am your mother?"

"Mei Xiu, Ning Xue... those Ling girls ahhhh everyone. Why? Can't a mother love her son? Hmph, they don't understand my special bond with my adorable Tian'er." she said, again cuddling her body with his.

Zhao Tian chuckled and hugged her tight in his arms.

Zhao Ying let out a sigh "What can I do? When I was sleeping in my room one day. Tian'er... sneaked into my room and ravished me."

"So, I had to become his woman."

Ning Zuiye's lips twitched and she extended her hand pinching her cheek "Ying, I know about Tian and I know he won't do something like that."

"As far as I have seen and heard, I know you were the one fawning over him all the time in the past. Yueli also said that you warned her when she tried to get close to Tian in the university."

"In my guess, I am sure you were the one who sneaked on him and forced yourself on him."

Huh? Zhao Ying looked at Ning Zuiye blankly. She is kind of correct, as she actually sneaked into his room on that night to confess her love.

"Haha..." Zhao Tian and Zhao Suyin laughed looking at Zhao Ying's dumbfounded face.

Zhao Ying crossed her arms and pouted her lips "I thought I could deceive you. But you saw through me."

Ning Zuiye giggled and seeing her pouting her lips reminded her of her daughter, Ning Yueli.

How am I going to explain all of this to her?

At this time, Zhao Ying smiled "You have just started cultivation huh. And Tian'er still hasn't removed the seal on your body."

"Yeah." Ning Zuiye nodded her head.

"En. Come with me, I will take you on a small trip around this little world." Zhao Ying said, pulling Ning Zuiye away from there.

Zhao Suyin giggled and kissed Zhao Tian "I am also going with them. It would be fun teasing Zuiye sometimes."

"You want to come with us? Tian'er."

As he was about to nod "My Liege." *swoosh* Shi Yixian appeared there and kneeled on the floor.

Seeing her, Zhao Suyin smiled and got down from his lap "Seems like you will be busy, dear. Then I am leaving."

As she left the living room to catch up with Zhao Ying and Ning Zuiye, Shi Yixian stood up and directly sat on hsi lap, encircling her hands around his neck.

Zhao Tian smiled in amusement seeing that she was getting bold day by day. She leaned in and kissed his lips, directly pushing her tongue in to get her daily dose of his saliva.

Zhao Tian too, reciprocated the kiss and sucked on her tongue, exchanging saliva.

As she retracted her kiss, she suddenly began to remove her robes as the clothes slid down her body showing her body which is scarred with fire marks.

Zhao Tian was surprised "Yixian?"

Shi Yixian tilted her head "My Liege? I thought you liked my breasts, so I am showing them."

Zhao Tian couldn't help but chuckle and reached out, his fingers gently gracing through her boobs reaching her nipple.

A faint blush spread across Shi Yixian's cheeks and she suppressed her moan "Mmng~"

Zhao Tian's eyes softened, looking at all the scars on her body "Sorry, Yixian... even after having control over Empyrean flames and light energy, I couldn't heal you."

The Empyrean flame is not fully inside her body in the true sense, it is only a part of the real Empyrean flame that the guy placed on her as a curse.

He can only heal her after getting the full flame under his control to manipulate the small essence of the flame inside her body.

He can only suppress the fire with his ice. And when he tries to heal her, the light energy is acting like a catalyst and is burning her body even more breaking his ice.

Even though it is suppressed by his ice, the flame is still burning in her body, making her body so weak and fragile. That is the only reason even he could beat her when he first saw her in the ruins.

Even now, he can have sex with her and he knows she won't reject him. But her body is fragile and he is afraid it would hurt her or even his dick might catch fire.

Shi Yixian shook her head "No, My Liege... you are already saving me with your ice energy."

Zhao Tian's eyes squinted "I forgot to ask you this, but do you remember who placed this curse on you?"

A cold glint passed through Shi Yixian's eyes upon hearing this "Jiu Yang, he cursed me with his flames."

"He is a monster with four arms and two faces. Years ago, all the Dynasties allied to fight against him, but failed miserably."

"And during that war, I almost killed him and in frustration, he gave me this curse so I will suffer for eternity in burning flames."

Chapter 317 The plan is ready!

"Jiu Yang." Zhao Tian muttered under his lips and his eyes narrowed.

Shi Yixian nodded her head "Yes My Liege, he is the one who gave me this curse."

"And he has four arms and two faces? How is that possible?" Zhao Tian asked in confusion.

Hearing this, Shi Yixian shook her head "I don't know about that My Liege, but his attacks and powers are absurd. His Empyrean flame is the most powerful flame I have ever encountered."

"Just a spark from that Empyrean flame burned thousands of soldiers."

Zhao Tian nodded his head "You said.. there was a war thousands of years ago and did the Maverick family participated in the war?"

Shi Yixian slightly frowned and gave a nod "Yes My Liege. They should have been as they are from one of the biggest dynasties in the astral realm."

Zhao Tian nodded 'Hm... its been thousands of years after Yuxian left astral realm and was stuck in that ruins. And I was born 21 years ago.. so the Maverick family is still alive after the war.'

'Did they win the war later or something?'

Shi Yixian mumbled "Now the astral realm must be under the control of that Jiu Yang."

Zhao Tian let out a sigh and leaned back on the couch. 'I need to think of what to do next. I will soon break through to the Empyrean realm and I need to go to the high stars. I can't always dwindle around here.'

'I also have to search for my mother if she is alive and also need to learn more about the Maverick family.'

Looking at Zhao Tian who was immersed in his thoughts, Shi Yixian reached out cupping his cheeks "Are you thinking about something, My Liege? I can help you... if you told me what is that."

Zhao Tian smiled looking at the red eyes of Shi Yixian and shook his head, as he hugged her even closer, resting his head on her chest.

Glancing at the burn marks, his eyes narrowed 'I need to get that Empyrean flame from the Jiu Yang to treat Yixian.'

Only he knew the real beauty of Shi Yixian. It was only for a split second, but while trying to heal her once, he saw her real face and was completely mesmerized.

She is the most beautiful woman he has ever laid eyes on. It is a shame that such a beauty is ruined and she is now his woman, so it is his responsibility to heal her and to also heal her broken cultivation base.

Kissing her nipple, Zhao Tian asked "Yixian, do you know if there are pills or other things that can restore broken cultivation base?"

Shi Yixian nodded her head "I have heard about a certain pill and fruit which could restore the meridians and heal the cultivation base."

"My Liege, if you are trying to heal my cultivation base... you can't."

Zhao Tian raised an eyebrow "Is it because of the flame?"

"Yeah, anything that enters my body will be consumed by the flames... so, it's useless."

Zhao Tian sighed upon hearing this and spoke "So it can't be healed until I get my hands on the Empyrean flame."

Shi Yixian stayed silent and let him rest on her chest as they sat there silently.

...

A little later, Xia Shenyi walked downstairs, letting out a yawn "Tian..."

She walked to him and sat beside him on the couch leaning on his shoulder "Who is the new woman in the artifact?"

Zhao Tian glanced at her and spoke "I told you about her, Xue'er' sister. Ning Zuiye."

"Ah, I do remember. So it was her hmm. Xue, doesn't about your relationship, right?"

Zhao Tian chuckled softly "Yeah... And, you didn't sleep yet again and researching the artifacts."

Xia Shenyi nodded her head "En. I was wondering why Elven artifacts and technology are a lot stronger than other artifacts and I found out why that is."

Shi Yixian who was sitting on Zhao Tian's lap half naked was also curious to hear this as she also knew the value of Elven artifacts.

"The Eleven artifacts are made from a material I have never seen before and the runes are also a lot more complex than others."

"Hoh." Zhao Tian was amused to hear this.

Xia Shenyi muttered "I need to ask about this to Freya when she comes out of her seclusion."

...

"Haha. Finally, that old woman came out of her seclusion?" Chen Buzi chuckled heartedly looking at the man who was kneeling in front of him.

The man nodded his head "Yes, Sect master. We have received reports from the Frozen Peak sect. Their Matriach has finished her breakthrough and is out of the seclusion."

Chen Luo stood up from his seat, his heart pumping in excitement "Sect master, this is the time... we need to act quickly."

The other Elders also nodded their heads in approval.

"We already have many powerful people on our side and half of the ministers were also on our side. So it's an easy win for us. Let's see which miracle is saving her this time."

"I can finally get my revenge on that bitch for crippling my son's cultivation and humiliating me in front of the people of Zhenzhu that day."

Chen Buzi narrowed his eyes, resting his hand on the arm of the throne "Not only that, we also need to get revenge for the fallen members of our sect during the coup."

"The Lycan Syndicate of the western nation was destroyed in a night by some mysterious person. I am sure that person must have crossed the 9th level of Monarch Astral stage."

"Haah... never mind that. Since they were destroyed, Zhenzhu is currently the most powerful organization on Earth with no one to rival it."

"if-

tap *tap* "Sect Master." A servant ran inside the main hall and bowed his head as he struggled to catch his breath.

"Sect Master... haah, someone breached our Sect's area and beaten all the guards."

Huh? Chen Buzi stood up from his throne "Who dared to do that?"

"It's me."

A cold tone rang through the hall sending shivers down the spines of all the elders in the hall and they instantly turned their heads to the entrance.

tap His footsteps rang across the quiet hall, his sharp cold gaze looking around the people in the hall.

A smile appeared on Chen Buzi's face looking at the handsome middle-aged man. "Mr.Thorlieif, you are finally here."

Chapter 318 Cheating on Her Majesty!

"Just like you did with Xiu, Tian. Give her pills to strengthen and refine her body. Then split the seal on her body into many parts and slowly undo the seals over time as she gets good control over her astral energy."

Hearing Xia Shenyi's words, Zhao Tian nodded his head "En. We need to find a suitable cultivation technique for her first."

Zhao Tian tapped Shi Yixian's thigh and she got down from his lap as she began to correct her disheveled robes.

He stood up and stretched his hands as a satisfying sigh escaped his lips. "Let's see what they are up to."

...

Ning Zuiye looked at the beautiful blue array brimming with astral energy and asked "What is this for?"

Zhao Ying smiled "This is an array set by Sister Shenyi. You see the astral stone at the top, it absorbs the astral energy from the air and condenses it under this array."

"So if we sit under this array and cultivate, we can cultivate quickly."

Ohhh. Ning Zuiye was amused in wonder and asked "Who is this Shenyi? Tian also talked about her."

"I am Shenyi."

Hm? Ning Zuiye turned her head and looked at Zhao Tian and the other two women coming toward them.

As her gaze fell on Xia Shenyi, she was surprised by her beauty 'She is as beautiful as that woman, Freya.'

And then she turned her eyes to Shi Yixian who had burn scars all over her face 'Ehhh, what happened to her?'

"Hi, uh.. Shenyi.. I am Ning Zuiye."

With a chuckle, Xia Shenyi nodded her head "Yeah, I heard about you from Tian. Xue's younger sister."

Ning Zuiye smiled and nodded back "Yeah..."

Xia Shenyi moved closer to Zhao Tian and whispered in his ear "Tian, will she need a brainwashing treatment?"

Zhao Tian shook his head helplessly and pinched her cheek "Don't do that again."

Xia Shenyi pouted her lips "If it were not for me, every woman should have been fighting by now. Hmph."

Zhao Tian could only sigh and glanced at Ning Zuiye "Aunt Zuiye..."

...

swoosh Zhao Tian and Ning Zuiye appeared back in her room and Ning Zuiye stumbled on her bed.

Today she learned a lot about Zhao Tian and she was exhausted. "Tian.."

Zhao Tian chuckled and sat beside her on the bed as he patted her head "Just like you did today, take the pills later to strengthen your body."

"I will give you the ring when I complete preparing it."

Ning Zuiye nodded her head and smiled gently "Hm. I will be waiting for your ring, Tian." she said in a fond tone, a blush growing on her cheeks.

For her, it's not a simple storage ring. It is the first gift she is going to receive from Zhao Tian, which he made himself.

Zhao Tian eyes softened as he lay beside her on the bed "Aunt Zuiye, you are so cute."

"Haha, Tian... Hmmngh~"

...

nom Zhao Tian was sucking Ning Zuiye's breasts as they lay on the bed cuddling each other while Ning Zuiye continued patting his head like a mother.

However, suddenly his eyebrows frowned, and he retracted his lips from her pink nipple "Tian?"

Zhao Tian leaned in and kissed her lips "Hua is coming here."

Ning Zuiye was startled and nodded her head "Then, Tian... you leave."

Zhao Tian smiled and kissed her nipple "How long are we going to play this game. Just tell Xue... I will handle her."

Ning Zuiye's eyes trembled "I will think about it."

...

creek Opening the door, Zhao Tian came outside and Yu Hua who was on her way to Ning Xue's room was pleasantly surprised "Tian? You are coming from this room."

"Yeah, I was talking a little with Aunt Zuiye." Zhao Tian muttered and turned his gaze to Hun Xiang, who was standing beside her.

Seeing him, she hurriedly dropped down to her knees "Your Highness."

Just a little ago, Yu Hua told her that Zhao Tian was here and he was actually the husband of Queen Ning Xue.

Yu Hua saw this and realized that she also had to kneel; however, she hugged him and planted a tender kiss on his lips "Good morning, Your Highness."

Zhao Tian smiled "Good morning. And Xiang, you don't have to kneel." he said looking at Hun Xiang.

With a timid nod, Hun Xiang stood up "Yes, Your Highness."

Yu Hua who was in his arms spoke "Let's go and meet Queen Xue."

As they turned to her room, they saw the female servant outside the room has her jaw dropped on the floor "Why is Lady Hua kissing His Highness? Is't he His Majesty's husband."

Yu Hua walked over to her and squinted her eyes "You should keep your lips closed."

The female servant hurriedly pulled up her jaw and closed her mouth "I won't tell anyone about this, Lady Hua."

With a nod, Yu Hua pushed the door of Ning Xue's room and entered "Queen Xue."

The female servant took a deep breath and closed her eyes 'Should I inform Her Majesty?'

As she opened her eyes, her jaw dropped once again as she saw Zhao Tian and Hun Xiang passionately kissing each other.

What the hell?

Her mind was in chaos as she couldn't comprehend what the fuck is happening around her.

High Highness is cheating on Her Majesty with two other women?

Retracting the kiss, Hun Xiang lowered her head "Master... you didn't say you were Queen Xue's husband."

Zhao Tian chuckled "You also hid about Hua and Zhilian's true identity. So, you were loyal to them more than me?"

Hun Xiang stayed silent and muttered, "Sorry, master."

Zhao Tian just chuckled and patted her head "I am not angry... you did the right thing. You were with Hua for many years, so it's obvious you will be on her side."

Hun Xiang smiled softly and nodded her head "From now on, I will be more loyal to you, Master."

...

Yu Hua entered Ning Xue's room and saw Ning Xue wearing simple robes standing in front of the mirror.

After wearing her robes, Ning Xue turned her head and smiled "Hua'er."

Yu Hua walked and sat on the bed as she asked in a low voice "Queen Xue, are you still angry at me..."

Letting out a sigh, Ning Xue sat beside her on the bed "Well, I am kind of angry... but after yesterday night, I understood why Ying openly dared to challenge me."

"Ying? challenge?" Yu Hua was quite confused to hear this.

Ning Xue clutched her head "Today, morning... I couldn't move a single muscle in my body and I had to take 5 body recovery pills."

-- What the fuck happened yesterday night?

Chapter 319 It is happening!

Zhao Tian and Hun Xiang stepped into the room and Hun Xiang turned around to close the room's door.

Walking to the bed, Zhao Tian sat beside Ning Xue and encircled his arm around her shoulder "How is your body now?"

Ning Xue gently hit his chest playfully "I took five body recovery pills because of you. You were so rough yesterday."

Zhao Tian couldn't help but chuckle and tap her cheek "It is your fault for accepting Ying'er's challenge."

"Hmph." Ning Xue just pouted her lips and Zhao Tian asked in a teasing voice "So, what do you think?"

Hearing this, Ning Xue let out a sigh "What can I do? I really can't separate them from you..."

A soft smile appeared on her lips and she again hit his chest "And... uh, well.. ahem. It is also fun to interact with other women there sometimes. So, I will accept it..."

With a chuckle, Zhao Tian cupped her cheek and kissed her lips.

Hun Xiang stood there awkwardly, not knowing what to do. 'Should I just leave?'

Yu Hua hurriedly stood up from Ning Xue's side and sat on Zhao Tian's side, hugging his arm.

As they retracted from the kiss, Yu Hua quickly grabbed Zhao Tian's face and pulled it towards her to kiss his lips. *smooch*

Ning Xue squinted her eyes and then turned her gaze to Hun Xiang who was standing there.

Hun Xiang hurriedly knelt on the floor "Your Majesty!"

"Oh, you were the girl trained by Hua'er, right?"

Hun Xiang bowed her head "Yes, Your Majesty."

Ning Xue nodded her head "Hm. I heard you were quite useful while fighting the Lycan Syndicate."

Hun Xiang was embarrassed by the sudden praise and shook her head "No, Your Majesty. It was His Highness who did most of the work."

Ning Xue let out a chuckle and Hun Xiang again glimpsed at Zhao Tian and Yu Hua kissing "Then, I shall take my leave, Your Majesty."

Ning Xue gave a nod and as she left, she turned her eyes to Zhao Tian and saw that they were still kissing.

Her lips twitched in frustration and she pulled Zhao Tian "Ok, enough of the kiss."

Yu Hua giggled looking at Ning Xue and Zhao Tian raised his arms pulling both of them into his embrace.

As they fell on his shoulders, they looked at each other and Ning Xue smiled wryly "I never thought Hua'er and I would have the same man."

Yu Hua blinked her eyes "Queen Xue, I never thought you would get a man in the first place."

Ning Xue's eyebrows twitched "Hua'er... your foul mouth."

Zhao Tian patted their heads and said affectionately, "Now, don't fight... You both are sisters."

thud Both of them gave him an elbow hit on his chest "We know." x2

"Ugh, that hurts. My wives are bullying me." Zhao Tian growled in 'pain.'

"Haha." Ning Xue and Yu Hua laughed at seeing his fake, pained face.

Ning Xue leaned on his shoulder and she remembered "Tian, what about the virgin Yin you took from me? And the dual cultivation?"

Zhao Tian nodded his head "I still need some energy to reach the Half-Empyrean realm and as for you, I have sealed the energy like I did with Xiu."

H-HUH? Yu Hua who was on his right shoulder, was startled to hear their conversation "Tian? Half-Empyrean realm? Aren't you in the 6th level of Monarch Astral Sage?"

Ning Xue giggled seeing the shocked face of Yu Hua "Hua'er, you see, this guy has a special physique; the more he has sex, the more his cultivation rises and the cultivation of his partner will also rise."

(๑° ॐ ๑°) "HUH? How is that possible?"

Ning Xue began to explain about dual cultivation and the Yin and Yang energies in the bodies.

Realization dawned on Yu Hua and she reached out, pinching his cheek "Bastard, you have been cultivating by having sex but you told me that you took the pill from the ruins to level up quickly?"

Zhao Tian kissed her forehead "Then, how can I explain it to you, dear? I level up by having sex?"

'D-Dear?' Yu Hua quickly blushed and curled in his arms like a cute cat "I will forgive you."

Zhao Tian was amused that his one word had this much power and couldn't help but chuckle.

"Tian, remove the seal on me and let me see how far I have gotten." Ning Xue spoke and Zhao Tian removed the seal from her body.

swoosh As the energy erupted from her body, Ning Xue swiftly moved from his body and sat cross-legged on the bed to absorb her energy.

Yu Hua was surprised to see the sudden outburst of energy "T-This much energy?"

She looked at her own body "Then... Tian, you placed a seal on me too."

"Oh, yeah... let me remove it." he said and removed her seal too.

"What?" Yu Hua was stunned and hurriedly sat cross-legged to control the overflowing energy and raise her cultivation.

Looking at the two women, who were cultivating while sitting on the bed, Zhao Tian smiled and left the room.

...

Hun Xiang who was standing outside the door raised her head and saw Zhao Tian coming outside "Master..."

Zhao Tian walked to her and hugged her, as he gave her a peck on the lips.

"You are still here?"

Hun Xiang nodded her head "Yeah, Lady Hua, and you are here and I have no other jobs to do, so..."

Zhao Tian turned his gaze to the female servant and she bowed her head "I will leave, Your Highness."

As she left, Zhao Tian leaned in again, kissing Hun Xiang's lips as his hands went down to her waist and Hun Xiang too, reciprocated the kiss, closing her eyes.

Pulling back from the kiss, Zhao Tian smiled and turned his head toward Ning Zhilian who was in the hallway, her eyes widened in shock.

Hun Xiang's eyes dilated in fear and she hurriedly left Zhao Tian's arms "Lady Zhilian."

Ning Zhilian snapped out of her daze and quickly walked to Zhao Tian, her lips twitching in exasperation. "You rogue, how many women do you actually have?" she asked, reaching out and pinching his ear.

Zhao Tian grabbed her hand "What are you doing?"

Ning Zhilian's frowned "I am punishing you because you have many women."

With a chuckle, Zhao Tian pulled her hand from his ear "I do have many women, Hua and Xue'er know that too. So it's not a problem."

Huh? Ning Zhilian was dumbfounded to hear this "Even Little Xue? Does Little Zuiye know about this?"

Zhao Tian nodded his head "She does."

What? And they are all okay with this?

Zhao Tian chuckled and put his arm around her shoulder "So, Sister-in-law, don't worry... I am not cheating."

Ning Zhilian stopped to look at his arm on her but she didn't mind that and shook her head helplessly "If they are okay with it... who am I to intervene?"

"But do tell me, how many women are there?"

Zhao Tian rolled his eyes and began to count "Hmm, one two... her, three..."

What the? Seeing him still counting after ten, Ning Zhilian was stunned "Wait, wait...how long is it?"

"Hahaha."

...

clank *clank* Zhao Tian was back in his artifact and was hitting the ring on the platform with a small hammer in his hand.

"Soon, Aunt Zuiye's ring will also be finished."

At this time, Fei Ziyu walked in with a glass of juice "Master, here."

Zhao Tian nodded his head and continued to work on the ring "How is Lingxi now?"

Fei Ziyu lowered her head as a sigh escaped her lips "Master, she is all good now and she is eating. But the thing is... she is constantly masturbating."

Zhao Tian narrowed his gaze upon hearing this; he has been quite busy these days, so he couldn't concentrate on her.

Fei Ziyu took two steps and came closer to him. 'Please don't get mad. Please don't get mad...' repeating in her mind, she mustered her courage and gently reached out to hug his left arm.

Hm? Zhao Tian turned his gaze to her "Ziyu?"

"Master, please... it's my humble request, But... can you forgive my mom and have sex with her? She is struggling. And since she is here, the company has already fallen."

Zhao Tian sighed in his heart and spoke "I was busy till now. Tell her, that I will come and meet her tomorrow."

'He didn't get angry and his voice is also soft...' A smile took over Fei Ziyu's lips and she nodded her head "Thank you so much, Master."

...

It is almost night-

Ning Xue was walking to her room, frustration evident on her face "Meeting this, meeting that... what can I do, if the Astral beasts go rampant?"

"As long as there is this barrier, nothing can happen to Zhenzhu." she muttered to herself and entered the room.

...

Meanwhile, below the dark sky, there are many people gathered and floating in the air, their gaze fixated on the palace below.

"Let's begin the coup."

Chapter 320 The battle of the night!

Letting out a sigh, Ning Xue walked to her room, her body adorned in royal robes, a veil covering her face, and saw the female servant standing there waiting for her presence.

The woman bowed gently "Your Highness."

With a nod, Ning Xue entered her room, and as she walked to the mirror to remove her robes. Suddenly, a soft knock echoed through the room, causing her to pause and turn towards the door. "Enter."

As the door opened, the female servant entered and kneeled on the floor "Your Majesty."

Ning Xue raised an eyebrow "Anything important?"

The female servant nodded her head "Yes, Your Majesty. It's about His Highness."

Hm? Hearing this, Ning Xue frowned "About Tian? What about him?"

The woman took a deep breath as she remembered Yu Hua's warning but she is more loyal to Ning Zue.

With hesitation, she spoke "It's that... His Highness is cheating on you."

Eh? Ning Xue blinked her eyes and chuckled in her mind as she walked and sat on the bed, placing her legs over each other.

"Tian is cheating on me?"

The woman gave a nod "Yes, Your Majesty... earlier, I saw him kissing Lady Hua just outside your room."

Ning Xue couldn't help but chuckle and said "I see. He is cheating on me now, huh..." she mused under her breath.

At this time, the woman also remembered Hun Xiang "And Your majesty, there is-" but she stopped as Ning Xue raised her hand.

Huh? A frown creased Ning Xue's eyebrows as she suddenly felt some presence above the palace, high in the sky.

What? Ning Xue's eyes dilated in shock because it felt like the powerful presence came out of nowhere.

W-What is happening? Ning Xue hurriedly stood up and walked to the balcony to check on it.

Under the faint glow of the moonlight, Ning Xue looked at the large number of shadowy figures floating high in the sky.

Huh? WHAT IS HAPPENING?! Ning Xue's eyes widened in disbelief as she gazed upon the chaotic scene unfolding before the palace gates; the large battle happening in front of the palace. Right in front of her eyes, the guards of the Zhenzhu kingdom are getting slain one after another, and she can't even hear their screams.

"H-Huh? Just a few minutes ago... there was no battle. what? Why couldn't I sense any of them till now?"

"And this battle force... Emperor, Sovereign, and Monarch Astral Stage cultivators?" Her eyes squinted, and anger fumed in her heart "Are they... here for another coup? I won't let these bastards go this time."

swoosh She dashed towards the battlefield and plunged into the ground. *boom* The rebels were taken aback as they watched the woman make her grand entrance onto the battlefield. "It's the Queen."

Now taking a closer look, Ning Xue saw the robes the rebels were wearing, and a cold glint passed through her eyes.

"Stormweaver Sect, Chen Clan, Ming Clan and even... Frozen Peak Sect? I am surprised, and you guys didn't even bother to hide your identity."

swoosh Golden flames swirled around her body and amongst the darkness of the night battlefield, her flames burned brightly, illuminating the whole area.

woosh She waved her hand, and with a burst of energy, the golden flames blasted around the area, burning the rebels.

"ARGHHH!!!" Their agonizing screams were heard across the whole battlefield as their bodies burned in the flames, the rotten smell of burning flesh and blood spreading in the air.

As the battle raged on, the sound of metal clashing and screams of pain filled the air. *sleesh*
sleesh At this time, Ning Xue heard painful screams from the other side of the battlefield, and she turned her head to look at the blonde-haired woman, beheading the rebels one by one.

"Sister Zhilian."

sleesh Ning Zhilian was wearing her metal mask and was swiftly moving across the battlefield, her daggers piercing through hearts and heads.

woosh She jumped near Ning Xue and asked "Little Xue, what happened? The rebels appeared out of nowhere... and I am more concerned about the guys in the air."

"Inferno tempest." Ning Xue muttered and in the next instant, golden flames condensed around the air, forming a vortex and hurling towards the rebels.

"I don't know either... Sister Zhilian. And those fuckers up in the sky... are above 5th level of the Monarch Astral Stage."

CLANK *CLANK* At this time, a loud bell sound echoed across the whole palace startling everyone.

Ning Zhilian narrowed her eyes "Good thing someone used the alarm bell."

...

"Ahh, this is heavy." It was the female servant of Ning Xue who alarmed everyone by ringing the Emergency bell.

dong She grasped the heavy stick once more and struck the massive bell, causing its resonant sound to reverberate throughout the majestic palace. "Quick, the palace is getting attacked. Haah..."

...

Ning Xue and Ning Zhilian continued their relentless attacks on the rebels, killing every rebel in their vicinity.

Burning golden flames and yellowish lotus petals were illuminating the battlefield, as piercing screams of the rebels and blood splashed on the battlefield.

"You filthy bastards, you finally showed your true colors?" Yu Hua roared on the battlefield and a white aura seeped out of her body her eyes sharpening.

sleesh With a graceful leap, she entered the midst of the rebels, her sword slicing through the air with deadly precision as it swiftly ended the lives of those who dared to stand in her way. She didn't hold back her power and unleashed her sword intent from the start to kill the betrayers.

On the other end, Hun Xiang was also clearing as many rebels as she could with the twin blades in her hand, which were glowing in fiery red.

...

Chen Buzi looked down at the battlefield and saw Ning Xue seamlessly killing all the rebels with her Emptyreal flame.

"There it is. Those weird-colored and powerful flames of hers. Do you know what that is, Mr.Thorleif?"

Thorleif Olsen's gaze narrowed and he mumbled "No."

There are many people floating beside him wearing dark hoods and among them, there is a woman.

The woman's eyes trembled in shock as she looked at the battlefield "What is... she doing here?"

Ming Shen who was also among the people spoke "Buzi, don't you think it is already time to kill that bitch? See, she is killing our people."

"Hm. Mr.Thorleif let's go."

swoosh *boom*
