Chapter 341: Aldous Williams!

"ZHENZHU!!!"

A powerful voice echoed through the royal capital reverberating the air and Ning Xue raised her gaze, her eyes narrowing.

An old man was floating high in the air, his eyes blood crimson in rage.

"YOU WILL PAY FOR WHAT YOU DID!"

The people in the arena were startled in fear by the sudden thunderous voice and raised their heads to the sky.

They all could see a small figure floating up in the air.

swoosh Ning Xue dashed up from her place flying close to him and behind her, Ning Zhilin also went.

Ning Xue's eyes squinted and she turned to look at Ning Zhilian "Big Sister, he is in Half-Empyreal stage. It is better if you leave."

"The one from Lycan Syndicate?" She muttered under her breath.

woosh At this time, someone hurled through the air before them and reached in front of the old man.

Zhao Tian's long flowing white hair fluttered in the air, his blue eyes fixed on the old man.

Aldous Williams frowned his eyebrows, amusement dancing in his eyes looking at the young man in front of him.

"Who are you? Where is your damn Queen!"

swoosh Ning Xue floated near Zhao Tian and muttered "Who are you? Daring to raise your voice inside my Zhenzhu?" her voice dripping with coldness.

The old man clutched his fist in anger "Don't act ignorant! Isn't that your people who killed my family and destroyed our whole organization." he raged.

Ning Xue raised an eyebrow and asked "I don't even know who you are and you are talking about us destroying your organization?"

HUH?! Aldous William's eyes trembled in anger seeing Ning Xue still acting ignorant like this.

Zhao Tian grabbed Ning Xue's hand and uttered looking at the old man "I am the one who did that."

"I killed Miles Williams and Orlando Williams with my own hands and destroyed the whole Lycan Syndicate."

Why does he need to lie and hide to escape from the situation? He is confident in his strength. So if Aldous Williams has come for revenge, he doesn't mind killing him too.

Rather, he was waiting for Aldous Williams' arrival, so he could end this whole thing with Lycan Syndicate.

But he really came at the wrong time...

"Good, very good." Aldous Williams muttered as purple lightning began to crackle around him shaking that air.

"Xue'er... you leave." Zhao Tian let go of her hand and Ning Xue took a final glimpse at Aldous Williams before leaving from there.

Ning Xue continued floating in the air and Ning Zhilian flew close to her "Little Xue..."

Zahra Ashante had a frown on her face as she looked at the astral energy bursting out from the old man's body "They are going to... fight?"

Ling Chen nodded her head "Yeah... seems like it."

Zhao Ying was confused and blinked her eyes "But that old guy... just came and suddenly started fighting?"

Yu Hua shook her head and a sigh escaped her lips "In my guess... he must be from Lycan Syndicate."

Lycan Syndicate? Zhao Suyin and Zhao Ying remembered when someone from that organization tried to kidnap them.

"So it's them..."

Zhao Suyin smiled and stood up from her seat "It's been so long since I saw Tian'er fight... haha."

The last time she saw him fighting was when he killed those wolves during their date and killed the Eldritchfiend during their vacation.

Chi Miya nodded her head with a smile "Yeah me too."

Mei Xiu was excited and jumped from her place "I have never seen Tian fight."

The Ling women were also thrilled as they had not seen him fight either.

Zhao Ying quickly retrieved the mobile from her storage ring "Let me record it, hehe."

As she tried to zoom in, she couldn't get a clear picture as they were so high in the air "Ah, the fight has already started."

Master!!! GOOD LUCK!!! Fei Ziyu screamed in her mind looking at Zhao Tian and her eyes trembled in excitement.

Chi Miya spoke "Can someone go and tell Sister Xue to use the artifact and broadcast the fight, so we can all see it clearly?"

Yu Hua could only smile wryly in her heart because the women were so casual about the fight between two top powerhouses on planet Earth.

However, a smile took over her lips... it also means that these women trust him so much to the point where they are set that Zhao Tian would not lose.

Chuckling in her heart she uttered "I will go and tell Queen Xue."

...

In the air, Aldous Williams spoke "Your bravery is commendable... but" purple electricity condensed in his body and he punched Zhao Tian's chest.

Zhao Tian blocked the fist with his left arm's wrist and *woosh* the vibration of the energy clashing shook the atmosphere, its effects reaching the arena below.

The people in the stadium felt their bodies reverberate because of the energy outburst.

"W-What the hell is happening?"

"That young man was with the Queen during the tournament but who was that old man?"

"I don't know."

Hm? Aldous William's eyes narrowed seeing Zhao Tian easing parrying his elemental-infused punch.

'Seems like I have underestimated this young man in front of me. If he has killed Miles along with all other ministers... then he is also in Half-Empyreal stage.'

As his eyes narrowed, he retracted his hand "And here I thought, I am the strongest on this planet. Sorry for underestimating you... brat."

sleesh Aldous Williams again slashed his hand and five claw-like purple slashes appeared in the air and as the slashes hit Zhao Tian, it did nothing.

He is naturally resistant to elemental attacks because of his physique, so he didn't bother to parry it.

But what amused Zhao Tian is that Aldous Williams could use elemental attacks. Because the people who were mutated into wolves lost their elemental powers for regeneration.

Aldous Williams' eyebrows raised looking at him tanking his attacks so casually. 'He is... unusual.'

He doesn't know why but after reaching the Half-Empyreal realm he can use his lightning elemental efficiently than before.

swoosh Yu Hua floated near Ning Xue and whispered in her ear "Queen Xue, the others wish to see Tian's fight at close."

"So can you change the artifact angle?"

What? Are these girls even serious?

Chapter 342: Against the old man!

Ning Xue shook her head helplessly and turned the crystals in Zhao Tian's direction, so everyone could see his fight.

This way, people would also never underestimate Zhao Tian or look down on him when she announces him as her Husband.

So, it's a win-win for her.

thud Zhao Tian was still in air as he easily parried the punches and slashes thrown at him by Aldous Williams.

"Tch! His body is sturdy." Aldous Williams clicked his tongue in annoyance and thought of transforming.

thrissh Astral energy concentrated around his body and his body grew larger in size as his head contoured into a wolf's head and claws appeared on his fingers.

His sharp eyes glanced down at Zhao Tian and smirked "Now I am superior in physical strength."

Meanwhile, Zhao Tian restrained himself from finishing the fight too quickly with his Darkness energy because he wanted to know if there was any way he could trigger the same energy he did that day on the battlefield during the fight.

And another reason is; He is curious about the inheritance Miles Williams was talking about that day.

swish Aldous Williams disappeared from his place and reappeared in front of Zhao Tian, his fingers clenched into a fist as he punched at Zhao Tian.

Zhao Tian grabbed his fist with his left hand and pulled back his right hand, delivering a normal punch at Aldous' face.

trekk Aldous Williams's neck snapped and his head turned backward as the neck broke but it quickly healed.

Turning his head forward, Aldous Williams raged "ARGGHHH!" and punched Zhao Tian with his left hand, purple electricity crackling within his palm.

Zhao Tian caught his wrist and twisted his hand, ripping his arm from his body. *trek* Then he punched at Aldous Williams' chest blasting him away in the air. *whoosh*

"AGH!" Aldous Williams swirled around in the air and quickly maintained his balance on the air as his ripped arm was instantly regenerated.

Zhao Tian burned the torn arm on his hand and saw Aldous William's again dashing towards him.

As he inched close to him with his outstretched claws, Zhao Tian raised his leg and gave a drop axe kick at his head.

"Urgh!!" Aldous William's face was crushed by his foot and he crashed towards the arena below, his body slamming on the ground.

thooooom The whole arena shook for a moment and the spectators stood up from their seats in panic.

"Is it really okay.. to be here?"

"And why he looks like a wolf?"

"D-Don't know..."

"YAAYYYY!" Zhao Suyin jumped in excitement and clapped her hands "See, my Tian'er is so cool haha."

The other women in the VIP rooms were also amazed to see Zhao Tian's strength and looked at him in awe.

'MASTER!! SO AWESOME!'

"That day... Husband easily killed that guy with that golden sword."

"But today he is playing around..."

"Haha."

Zahra Ashante's eyes trembled in delight "Ahhhh, the serious look on his face is turning me on... haangh~~"

-_- This woman...

Giggling, Zhao Ying zoomed the camera to the crushed face of Aldous Williams, and his face was instantly healed as he stood up in the arena.

He raised his gaze, his piercing gaze focused on the flying figure of Zhao Tian.

'How shameful... How shameful... a young man.' His heart burned in rage and suddenly a red energy burst out of his body, its aura spreading through the whole arena. *swoooosshh*

"W-What is this sudden pressure."

Ling Chen's eyebrows furrowed "This.. powerful aura."

Zhao Suyin chuckled and spoke "Worry not. It is the cliché power-up the author gives to the villain. Soon, Tian'er will kill him. Hehe."

A long red spear adorned with gold and silver appeared in Aldous William's hand "Now let's see... brat."

Zhao Tian was surprised to see the spear on Aldous William's hand "Is it a Radiant Grade artifact? Interesting."

swish Aldous Williams' foot pressed on the ground and he again hurled towards Zhao Tian, breaking the ground below.

swoosh He extended the red spear and slashed at Zhao Tian *clank* A black sword with a purple hilt appeared on Zhao Tian's hand and he parried the slash.

Hoh? Zhao Tian's eyebrows raised in amusement as he felt the energy radiating from the spear 'Such pure Yang energy...'

'Will it be useful to me?'

clank *clank* The spear and the sword clashed in the air as both of them exchanged blows their energies clashing, sending reverberations through the stadium below.

Aldous Williams was furious "Urghh! What is that sword that brat using? It is on par with my Pure Yang spear?!"

Everyone in the stadium could only see red and black energy lines clashing in the air as their movements were very fast for the artifact and their eyes.

With each time their sword and spear met, they could feel their heart vibrating "The fight is intense... eh.."

"Yeah..."

"Now, I am excited to see the outcome."

"Even her Majesty is staying silently and watching. So they are at the peak of Monarch Astral stage."

"Of course, you idiot." *bonk*

The audience began to murmur amongst themselves looking at the battle.

Ling Meiying's eyes are running around the air looking at their quick movements along with red and black lines.

clank *woosh* Zhao Tian slashed his sword and as Aldous Williams blocked it with his spear, he was pushed away by the strength behind Zhao Tian's slash.

Zhao Tian frowned slightly 'I still don't get any feeling of the strange energy I felt that day. That woman...'

'And I should also learn swordsmanship from Yixian or Hua... It will be really useful for me. I should not slack off that training anymore.'

As he thought in his mind, he dodged the piercing attack of Aldous Williams and slashed at him.

However, Aldous quickly turned his body and maneuvered the spear in his hands blocking the slash.
clank

Getting increasingly frustrated by the fight, Aldous William's gripped the spear tightly and threw it up in the air as the spear pierced through the clouds.

"With this move, I will kill you and destroy Zhenzhu. HAAAH!"

Aldous Williams's body glowed in red and a smirk appeared on his lips.

Huh? Zhao Tian frowned and quickly raised his daze looking at the clouds.

A long looming shadow fell on the royal capital covering it in grey. The audience was also confused as they felt like the light suddenly went off.

"What is happening?"

"The sun is gone?"

woosh Clearing the clouds, the red spear appeared but it was not in normal size, because the spear is almost 400 meters long now.

WHAT THE- Ning Xue's eyes sunk in despair looking at the enormous spear drifting through the air to hit Zhenzhu.

If it hits, the whole Zhenzhu is doomed.

Chapter 343: The Crimson spear!

woosh Clearing the clouds, the red spear appeared but it was not in normal size, because the spear is almost 400 meters long now.

WHAT THE- Ning Xue's heart sunk in despair looking at the enormous spear drifting through the air to hit Zhenzhu.

If it hits, the whole Zhenzhu is doomed.

The audience in the arena panicked and jumped up from their seats, ready to run for their life.

"Oi, Oi, Is this for real?"

"It's not safe here anymore... let's just run."

One by one everyone began to get down from their seats and leave the arena.

Ning Xue glanced down at the people panicking and running around causing chaos.

"This is really bad... if the spear hits, the Royal capital will be destroyed instantly."

Ning Zhilian narrowed her eyes "We can't stop that... because it looks like a weapon from High Stars. We can only bet on Tian."

Zhao Tian let out a sigh as he looked at the enormous crimson spear lunging towards them.

'It's a shame that I couldn't trigger that energy I felt that night. Enough of the playing I guess.'

Aldous Williams instantly went to attack Zhao Tian 'Hahaha, this is what you get for destroying my family and organization.'

'Now as long as I kill this brat, I can destroy the whole Zhenzhu.'

swoosh He quickly dashed close to Zhao Tian, his extended hand punching towards his face.

Zhao Tian glanced at him from the corner of his eye before swiftly swinging his sword, creating a sharp slicing sound. *sleesh*

swoosh Aldous Williams watched in shock as his right hand was sliced off and flew away in the air.

swish A dark glint passed through Zhao Tian's eyes and he raised his left hand as black flames brightened his left palm.

In a swift motion, he tightly clutched Aldous Williams' neck, allowing his dark flames to surge through Aldous' body, searing him from within with intense, agonizing heat.

Aldous could feel the intense heat spreading throughout his entire being as if he were being consumed by the flames of hell itself.

"ARGHHHHHHH!!!" His shrill cry of pain coursed through the air startling everyone and they all raised their heads to look at the screen.

"H-Huh?"

Seeing Zhao Tian burning Aldous Williams just like their Queen, they were shaken to the core.

"Her Majesty has Golden flames..."

"And he has these black flames..."

Aldous Williams desperately grabbed Zhao Tian's arm and tried to break free from his grasp but it was useless as Zhao Tian crushed his neck.

woosh Zhao Tian increased the intensity of the flames burning Aldous Williams to the flesh and bones.

Aldous Williams could only scream helplessly feeling the darkness take over his body.

As his body burned away, Zhao Tian glimpsed at the white soul floating in front of him and he extended his hand absorbing the powerful soul.

After absorbing the soul, Zhao Tian turned his gaze to the incoming spear and muttered "So it doesn't stop even after the owner is killed."

swoosh He retracted the sword into his storage ring and dashed toward the spear.

Mei Xiu looked at Zhao Tian in concern "Will Tian... be alright?"

Ling Xin who was also there furrowed her eyebrows in uncertainty "We should leave... now."

Meanwhile, the others didn't heed her words and looked at the screen in amazement.

Zhao Suyin jumped in excitement looking at the screen "Ying'er, you are recording right?"

"Yes, Mom... hehe. How can I miss Tian'er's fight."

GO FOR IT! MASTER!!! Fei Ziyu screamed looking at the small figure of Zhao Tian going against the enormous crimson spear.

Amidst the big commotion happening in the arena, the VIP rooms where Zhao Tian's women are the ones enjoying it.

The Silver Lance Sect and Golden Flame Sect people also jumped in action to quickly evacuate people from the arena.

Closing the distance between himself and the sharp point of the weapon, Zhao Tian pulled back his fist and delivered a powerful punch towards the tip of the spear.

THOOOMM His fist clashed with the enormous spear and it stunned for a second before descending down again.

Hm? Zhao Tian raised both of his arms stopping the spear from hurling towards the ground.

With a powerful *WOOOSHH* sound, the spear came to a sudden halt in midair, its momentum forcefully countered by Zhao Tian's sheer strength, creating a clash of forces that reverberated through the arena.

However, at this time, the red energy of the spear oozed from it and flowed to Zhao Tian.

Huh? Confusion clouded Zhao Tian's expression as he narrowed his eyes, observing the pure Yang energy flowing into his body.

"My body is absorbing the Yang energy?"

After a moment of intense swirling, the chaotic red energy surrounding the Pure Yang spear gradually subsided, leaving the massive crimson weapon suspended in the air, motionless.

The red energy continued to swirl around Zhao Tian's body, absorbed inside him and Zhao Tian glanced at his body.

"Is it really okay? My physique is absorbing it..."

The spear began to shrink in size and Zhao Tian pulled back his hands from the spear.

woosh In the next instant, the spear reverted to its normal size and as Zhao Tian raised his hand, the spear itself floated near to him.

Grabbing the spear, Zhao Tian mumbled under his breath "I don't feel anything wrong with my body...so it is okay?"

"TIAN!" Ning Xue and Ning Zhilian quickly flew near him and Ning Xue's gaze wandered around his body.

"You are okay, right?"

Zhao Tian played with the spear in his hand and nodded his head "Yeah, I am alright."

'Now there is no one in Lycan Syndicate who is alive. Good...' he smiled in satisfaction.

'And I also got a Radiant-grade weapon. Well, there are many radiant-grade weapons inside the artifact warehouse. But this one excludes Pure Yang energy...'

'But, it just feels like a powerful spear... nothing special eh.'

The people who were rushing out of the arena stopped and gazed at the screen. Seeing the spear in Zhao Tian's hand they smiled.

"He stopped it..."

"Phew... I thought we were dead meat."

"Wow, that was a close call! I honestly thought we were goners."

'Now is the right time.' Thinking, Ning Xue hugged Zhao Tian's left arm with her hands "People of Zhenzhu, the man who just cleared the looming threat is Zhao Tian, My Husband."

"WHATTTT!"

"NANI?!"

Chapter 344: A hair pin!

"Yeah, yeah... it was so awesome Tian'er."

Sitting on the couch, Zhao Tian glanced at the video of him fighting that old man in the mobile of Zhao Ying.

Zhao Ying had her right hand wrapped around his shoulder as she showed the video footage.

"See, see this is the time when you punched that big spear."

Zhao Tian chuckled seeing her enthusiasm and sat with her watching the footage.

Ling Xin glanced at all the women inside the room and sighed in her heart 'I am really being a 3rd wheel.'

'Not 3rd, 10th? 15th wheel?' Sighing in her heart, she stood up and looked at Ling Chen, Ling Meiyang and Ling Huang "I am leaving for the Sect... you three can come later."

Ling Huang raised her eyebrow "Eh? Sister Xin? Why? Stay with us... we can enjoy the festival."

Ling Xin shook her head with a smile "No, I uh.. will be a hindrance to you." with that she left there.

Ning Zhilian smiled dryly in her heart 'In that logic, I am also a hindrance.'

"Tian'er..." Zhao Suyin snuggled on his lap, burying her face in his abdomen, and delicately patted her head.

After the video ended, Zhao Ying remembered "Tian'er... today we have to take a cool picture to set as my wallpaper."

"Ying'er... you already have our selfie as your wallpaper."

Hearing this, Zhao Ying sulked her lips and said "No Tian'er, Sister Miya had a great picture with you. I want something like that."

"Muhehehe." Chi Miya smiled proudly and took her mobile showing her wallpaper to everyone in the room.

Zhao Tian remembered; it was the time when he healed Chi Shui and they went on a small date.

The picture is Zhao Tian and Chi Miya kissing, while the colorful sparkles of firecrackers paint the background.

Ling Huang took the Envisage shard from her storage ring and showed the picture "Me and Little brother took this picture when we first went on a date."

Yu Hua's eyes scanned around the people in the room as the number of women exceeded her expectations.

She then glanced at Zhao Ying and Zhao Suyin snuggling on Zhao Tian 'Among all of them, it seems like he is more affectionate towards them.'

At this time, a knock was heard on the room and Yu Hua muttered "Come in."

Hun Xiang entered in and was dumbfounded to see the couches filled with beautiful women; all of them conversing with each other.

Eh? So many women...

"Xiang, come in."

"Yes, Lady Hua..."

Zhao Suyin rolled her head on Zhao Tian's lap and mumbled "Tian'er... shall we go out and stroll around the Royal capital?"

Zhao Tian nodded his head "En."

But Ning Zhilian intervened and spoke "But Little Xue has just announced you as her Husband to the whole Zhenzhu. What would people think if you went outside with other women?"

Zhao Suyin tilted his head "They would think Tian'er has many women."

"No, they will think Tian is cheating on Little Xue."

Ling Huang frowned slightly and muttered "I have gone out with Little brother in the past around the Royal capital."

Ling Meiyng: Me too!

Ling Chen: Me too!

Ning Zuiye: Me too!

Zhao Tian shook his head "It won't be a problem."

Why would he need to restrict his own happiness just because some people would judge him?

Ning Xue who was also there shrugged her hands "If Tian is okay with that, then I am also okay with it."

Ning Zuiye glanced at Ning Zuiye "Sister Xue, you also come along so people won't think Tian is cheating and everyone is his woman."

"Then, let's go all together."

"Yeah!!!"

...

Zhao Tian, Ning Xue, Ning Zuiye, Ning Zhilian, Zhao Suyin, Zhao Ying, Ling Huang, Ling Chen, Ling Meiyong, Chi Miya, Mei Xiu, Yu Hua, Hun Xiang, Zahra Ashante, Fei Ziyu and Fei Lingxi were walking through the streets of the royal capital.

(A/n: I didn't miss anyone right?)

All of these women dragged Zhao Tian from one store to another buying robes, eating sweets, buying accessories, and taking photos.

Meanwhile, the people in the Royal capital were dumbfounded looking at the handsome man surrounded by beautiful women.

They all could only sigh in jealousy.

Fei Ziyu and Fei Lingxi were quietly walking behind them while he and his women enjoyed their time.

Looking around, Fei Ziyu was quite fascinated "It suddenly feels like we are back in time." she muttered looking at the people who were wearing traditional robes.

"Ohhh." As her eyes glanced around at the shops, she noticed a hairpin among them which piqued her curiosity.

"Mom, come this way." Dragging Fei Lingxi, Fei Ziyu walked to the shop and the woman in the store smiled "Welcome Miss, you like these hair pins?" she was respectful as she just saw she was with their Queen's group.

Fei Ziyu hurriedly nodded and pointed at a peacock-designed pin with vibrant colors "Give me that."

Fei Lingxi was startled and hastily moved her lips to Fei Ziyu's ear, whispering 'Ziyu, did you forget that we don't have money... the astral stones.'

Eh? Only then did Fei Ziyu realize that she didn't have any money. She was spoiled from a young age as a billionaire so she casually went to buy the thing she likes.

"You like this pin, Ziyu?"

Fei Ziyu turned her head and looked at Zhao Ying who just came near her "Lady Ying."

"En. It indeed looks great. I will buy it for you." Zhao Ying looked at the woman "How much is it?"

The woman showed a warm smile "Just 3 low-grade astral stones, Miss."

Zhao Ying quickly took the astral stones from her storage ring and bought the hairpin.

Fei Ziyu was flustered and lowered her head "Thank you, Lady Ying."

She was happy that not only Zhao Tian, but also Zhao Ying who also hated her to death was gradually being kind to her.

Zhao Tian who was with Ning Xue watched their interaction and frowned slightly 'I forgot to forge a ring for Ziyu.'

As he thought, his eyes suddenly trembled and he felt his body became even more hotter with each second.

'Fuck, seems like the Pure Yang energy my body absorbed is acting up on me. The yang energy in my body is exponentially increasing...'

Chapter 345: The group date!

"Master?"

Zhao Tian took Fei Ziyu's left hand and placed a pouch full of Astral stones on her palm "You can use this. That should be enough and if you need more; don't hesitate to ask me."

Fei Ziyu blushed and nodded her head "Yes... Master."

Zhao Tian took a quick glimpse of Fei Lingxi before going back to join his women.

As he entered the clothes section of the women, someone suddenly pulled him "Xue'er."

Ning Xue pulled him among the array of clothes and showed the goldenish silver robe in her hand "Tian, do you think this will look good on me?"

Looking at the robe, Zhao Tian nodded his head "Yeah, this compliments your hair so it would surely look good on you."

Ning Xue smiled happily and tap kissed his lips "Then, I will go and wear it."

As she left, a pair of hands hugged him from behind with a bluish robe in her hand "Hello, My brother."

Zhao Ying snuggled her face on him and asked with a smug smile "What about mine, my brother?"

"Oh? It's great."

"Hehe." Zhao Ying kissed his lips sucking on his lower lip and biting on it leaving a deep red mark on his lips.

"I am going, my brother."

Zhao Tian's hand trembled as he controlled the overflowing Yang energy in his body. They are on a group date and he doesn't want to ruin that by saying his situation to them.

"Seems like I need to have sex two days straight to subdue this much of Yang energy... that weapon is not really suitable for me."

As he sighed in his heart, he looked at Ning Zuiye who was entering one of the dressing rooms.

With a playful smile on his lips, he followed her, and before she could close the door; he grabbed the doorknob and pulled it open.

"Aunt Zuiye."

"T-Tian?"

Welp!

Zhao Tian smiled dryly looking at Ning Zhilian butt naked inside the dressing room, with a purple robe in her hands and his eyes went up and down saving her picture in his mind.

W-W-What? Again? Ning Zhilian was quickly flustered and her face went deep red seeing Zhao Tian.

Ning Zuiye was dumbfounded and quickly closed the door coming out of the room.

"Tian?"

Zhao Tian hugged Ning Zuiye's waist pulling her close to him, "Aunt Zuiye..."

Ning Zuiye pinched his cheek "Why did you barged in?"

He shrugged casually "I came to see Aunt Zuiye, I didn't know Zhilian was in there. And you, why are you going in if there is already one changing clothes?"

Ning Zuiye let out a sigh and spoke "There are not many dressing rooms and it is also filled with other sisters. So I thought I could join in with Big Sister... but you..."

"She must be really angry..."

creek The door slowly opened a little and Ning Zhilian peeked out, only showing her face "D-Don't worry... it is an accident. I am not angry."

Zhao Tian chuckled teasingly "Yeah, It's not like I haven't seen them before."

baam Ning Zhilian couldn't face the embarrassment anymore and went inside, closing the door.

Meanwhile, Ning Zuiye narrowed her eyes "Huh?"

"Husband." At this time, Ling Huang pulled Zhao Tian's hand and made him turn around "How is this, Little brother?"

Looking at Ling Chen, Ling Huang and Ling Meiyong wearing beautiful robes, Zhao Tian's eyes softened "Yeah, you are all gorgeous."

Ning Zuiye sighed "I will go and ask Big Sister." muttering to herself, she entered the dressing room.

"Tian'eerrr~~"

Hm? Zhao Tian turned his head and saw Zhao Suyin walking towards him wearing a silverish-blue robe.

A gentle smile spread across his lips looking at the breathtaking woman who bewitched him
"Mom..." a mutter escaped his lips.

Walking closer to him, Zhao Suyin wrapped her arms around his neck "What do you think, Tian'er?" she asked winking her eyes.

"Completely mesmerized."

Satisfied by his answer, Zhao Suyin leaned forward kissing his lips.

-- Ling Chen could only sigh and uttered "Am I the only one who feels weird that he is kissing his Mom?"

Ling Huang shrugged casually "No problem for me."

Ling Meiyong smiled wryly "Well, it was strange for me at first... but gradually I got used to it and she is not his real Mom. His aunt... so"

"Haah..."

As Zhao Tian and Zhao Suyin were kissing, Zahra Ashante, Mei Xiu and Chi Miya also came there wearing different colors of robes.

"Tian!" x3

...

'U-Uhh.. is it really okay for us to be in here too?' Fei Lingxi hesitated as she also stood among all the women in the group.

Zhao Suyin glanced at all the women standing together with Zhao Tian in the middle and smiled
"Ok, is everyone ready?"

"Yeah!!!"

Zhao Suyin took the Envisage shard in her head and flowed her astral energy into it as it floated up in the air.

"Ok!" She hurriedly ran to Zhao Tian and hugged him "Say Cheese."

"Cheese."

"Eh? What is cheese?"

click The Envisage shard took the picture of all of the women and Zhao Tian.

'A family portrait.'

Zhao Suyin hugged him tightly and the Envisage shard rotated showing the other side "Ok, another picture."

"Everyone give a pose."

"Alright!"

click

The Envisage shard floated itself to Zhao Tian's arm and his expression turned gentle looking at the portrait.

"Oh, it turned out really well."

" need a separate pic with me and Tian."

Zahra Ashante demanded.

"Me too."

"Yeah..."

"I have even more Envisage shards."

"Good."

Except for Ning Zhilian, Hun Xiang and Fei Lingxi, everyone took separate pictures with him.

Zhao Ying clapped her hands "Ok, now that we have taken clothes for ourselves. It's time to take clothes for Tian'er."

Zhao Tian: -_- what?

If every woman took clothes for him and made him wear them, it would take another 5 more hours.

sigh

...

Currently, all of them are in a hotel eating food and Yu Hua who is sitting beside Zhao Tan smiled happily as he is wearing the robe she chose.

Mei Xiu who was on his other side took a spoonful of food and extended it near his lips "Tian, here."

Zhao Tian opened his mouth and ate the spoonful of food.

Hm? Every woman raised their gaze looking at this and their eyes squinted.

"Tian'er."

"Tian."

"Husband."

"Little Brother."

uh

Chapter 346: Atleast three of what?

swoosh Zhao Tian and all the women were flying high in the air above the Royal capital.

Zahra Ashante's eyebrows twitched as she looked at Zhao Tian carrying Ning Zuiye in his arms like a princess.

"Why is she the one getting special treatment?"

Ning Zhilian narrowed her eyes and muttered "Because Little Zuiye is weak and she can't fly by herself."

"Teehee." With a playful giggle, Ning Zuiye leaned in and planted a sweet kiss on Zhao Tian's lips and he too, reciprocated the kiss, her arms wrapped around his neck.

Zahra Ashante sulked her lips because she also wanted to be princess carried by Zhao Tian and kiss him like that.

Meanwhile, Fei Ziyu is carrying Fei Lingxi in her arms and Fei Lingxi is so embarrassed by the situation.

Fei Ziyu let out a sigh "I am glad I cultivated till the Heaven Astral Stage."

Fei Lingxi's cheeks turned red "Sorry, Ziyu... I will also work hard and cultivate."

Yu Hua raised an eyebrow as she looked at Ning Xue casually chatting with Zhao Ying.

'They are close... have they met each other before? Isn't it today Queen Xue met all of his women for the first time too?'

'Maybe when she came to the human world for a date... she met him at that time?'

She flew beside them and Ning Xue smiled looking at Yu Hua "Hua'er."

"Ying, this is Yu Hua."

"And Hua'er, this is Zhao Ying."

With a chuckle, Zhao Ying nodded her head "Yeah, Tian'er talked about a police officer Luo.. but In the end, it turned out to be Yu Hua."

Yu Hua laughed upon hearing this, but what piqued her curiosity was 'Zhao Ying? Same last name as Tian?'

Yu Hua still doesn't know about Tian's physique and his artifact and that Zhao Suyin and Zhao Ying are his real family.

Her eyebrow squinted in thought 'No wonder I felt like she is closer to him than others. She is so close to him that she already considers herself as his wife and inherited his last name.'

'Then... I should also get his name, Zhao Hua... yeah sounds great.'

Zhao Suyin floated near Zhao Tian and asked "Tian, where are we going now?"

"A park."

"Okay." Zhao Suyin glanced at Ning Zuiye who was kissing Zhao Tian's neck and her eyebrows twitched.

"Miya."

"Hm? Auntie Suyin?"

Zhao Suyin quickly took Ning Zuiye from Zhao Tian's arm and tossed her towards Chi Miya "Catch her."

E-Eh? Chi Miya panicked and somewhat managed to catch Ning Zuiye in her arms "Um, Aunt Zuiye?"

"Hehe." Zhao Suyin encircled her arms around Zhao Tian's neck and hopped into his embrace "Tian'er..."

"Haha.." Zhao Tian couldn't help but laugh and Ning Zuiye pouted her lips "Damn you, Suyin."

...

swoosh They quickly reached the forecourt natural garden and landed down. There are not many people around this park.

"Oh, this place is beautiful."

Ning Xue was the first one to land on the ground and she turned her head, a smile on her lips "Follow me."

As they followed her lead, the group strolled toward the center of the park, and before long, a striking monument came into view, capturing their attention.

Curiously, Zhao Suyin raised her head to look at the board and muttered under her lips "Monument for the members of the Royal family who died during the coup."

She turned her eyes to look at the large number of Golden plates and many 'Ning' names written on them.

Today is the Anniversary of the establishment of the Royal family and how could they not tell their family?

Everyone knew the story and stayed silent behind them while Ning Xue, Ning Zhilian, and Ning Zuiye stood in front of the monument paying their respects.

Two days ago, Ning Xue had already erased the names of Ning Zhilian, Ning, and Ning Zhu from the monument, leaving no trace of their presence.

Ning Xue's lips curved into a small smile as she softly whispered to herself, "Look, Father and Mother, Big Sister and Zui'er have returned safely. They are alive and well."

Ning Zhilian chuckled upon hearing this and patted Ning Xue's head.

Ning Xue's eyes grew tender and she turned to look at Zhao Tian and beckoned at him to come closer.

Zhao Tian walked near her "Xue'er."

Ning Xue pulled his hand and made him stand in front of the monument "Look, Father and Mother, this is the man I have chosen to spend my life with. Isn't he handsome?"

Ning Zuiye hugged his other arm and spoke "He is my Husband too..."

"Haha..."

The women who were in the back smiled upon seeing their bond and was happy in their hearts.

...

baam *splash* It is already night and the sky is crackling with fireworks creating a mesmerizing display of the Royal Capital of Zhenzhu.

"You are ready, right?"

Zhao Ying was floating high in the air and Zhao Tian was hugging her waist tightly, her arms entwined around his shoulder.

Chi Miya is levitating beside them with a camera in her hand "Yeah..." she smiled wryly.

"Hm." Zhao Ying looked at Zhao Tian, his face brightened with beautiful colors "I love you so much, my little brother." she spoke lovingly glancing into his eyes.

Zhao Tian delicately caressed her cheek and smiled warmly "I love you too, Big Sister."

"Hehe..." Smiling, she leaned forward pressing her lips against him forming a kiss filled with pure love.

Zhao Tian hugged her waist even tighter and sucked on her lips, reciprocating her love for him.

Chi Miya smiled gently as she lifted the camera to capture the moment, the sound of the shutter clicking echoing through the air. *click*

Zahra Ashante who was on the ground yelled "Tian!! I also want to take a picture like that."

Zhao Suyin bonked Zahra Ashante's head and spoke in a cold tone "No, this is only for Ying'er... let her have a unique experience with Tian'er."

Zahra Ashante stayed silent and glanced at Zhao Suyin 'Sometimes this woman is scary. Is she his first woman or something?'

...

"Haah Tiannnn~" *thud* Zhao Suyin fell back on the bed, her chest heaving up and down. Zhao Tian pulled his dick from her vagina and let out a sigh.

He took a quick glance at Ning Xue who was sleeping on the bed naked and looked back at Zhao Suyin.

"You must be tired... sleep."

Hearing this, Zhao Suyin nodded with a smile and closed her eyes to sleep.

Zhao Tian got down from the bed, a concerned frown on his face "This Yang energy.. hadn't decreased even a bit. Rather, I feel like it's increasing."

He began to wear his T-shirt and shorts "I need to go and see Shenyi."

...

swoosh Zhao Tian appeared on the artifact and the Yang energy he suppressed till now began to burst out and his body got even hotter.

His eyebrows wrinkled as he felt a mild headache and at this time, Xia Shenyi walked to the hall feeling his presence.

"Tiann~~~"

Huh? But seeing him clutching his head, she hurriedly walked near him, concern etched on her face "Tian? what happened?"

"She...nyi." Zhao Tian felt the world spinning around that he could barely pull himself together.

As Xia Shenyi gently laid her hand on Zhao Tian's trembling body, she was taken aback by the intense heat emanating from him. "Why is it so hot? Tian?" she asked, her voice filled with worry.

"Tian.. come and sit on the sofa."

Xia Shenyi gently touched Tian's cheek as they both sat on the comfortable couch, her eyes filled with concern and a hint of fear. "Tian," she whispered softly, her voice trembling slightly, "Please, can you tell me what happened?"

Zhao Tian managed to push out his words "Shenyi... Yang energy in my body is not subsiding even after having sex and absorbing the Yin energy."

Huh? Xia Shenyi touched his body and felt the vibrant red energy running inside him "H-Huh? Pure Yang energy?"

thud Zhao Tian fell back on the couch unconscious and Xia Shenyi hastily held him in her arms "Tian."

"Pure Yang energy cannot be subsidized by normal Yin energy. You need pure Yin energy... that means you need Virgin Yin energy."

"And... looking at the energy in your body, you need at least virgin energy from three women."

Chapter 347: An Emergency meeting!

"You need pure virgin Yin of at least three women..." Xia Shenyi muttered looking at the unconscious face of Zhao Tian.

"My Liege..." Feeling his presence, Shi Yixian also hurriedly came there and sat beside Zhao Tian on the couch.

"He is sleeping..." Shi Yixian mumbled caressing his face, a soft smile spreading on his lips.

Xia Shenyi shook her head and spoke "Yixian, take him to his room."

"Ok."

With a nod, Shi Yixian took his unconscious body and climbed the stairs, walking to his room.

Xia Shenyi's eyes quivered in anxiety "What to do? The biggest weakness of his physique is this Yang energy and I told him to always keep it in check."

"B-But how did Pure Yang energy enter his body in the first place?"

She took a deep breath and closed her eyes controlling her thoughts "We can think about that later... first we need to subdue the Pure Yang energy in his body."

"First, I need to bring in all his women and ask them. But none of them are here at this moment... Yixian, she can go out of the artifact."

With hurried steps, she ran through the stairs reaching Zhao Tian's room.

"Yixian." She opened the room's door and saw Shi Yixian sitting beside Zhao Tian on the bed, her fingers touching his face.

Shi Yixian looked at Xia Shenyi and her gaze narrowed "What happened to My Liege? Why is his body so hot?"

Zia Shenyi walked close to her "Yixian, listen to me. You go out and bring all of his women who were in Zhenzhu."

Shi Yixian mumbled "I don't know where Zhenzhu is... if I go out now, I will be in Mei Xiu's home. Please tell me... why is My Liege's body so hot?"

Xia Shenyi let out a sigh "His body is overflowing with pure Yang energy, that's why..."

Huh "Isn't Yang energy bad for him?"

Shi Yixian stood up and hurriedly began to remove her robes. Eh? Xia Shenyi was startled "What are you doing..."

Her robes slipped down her body leaving her naked and she muttered "I will try to subdue with my Yin energy. Even though I have no cultivation... every woman has Yin energy."

Xia Shenyi lowered her head "No, only virgin Yin can subdue his pure Yang energy..."

Huh? Shi Yixian's eyes shook "W-What will happen if we don't subdue his Yang energy?"

"Even... I am not so sure."

"Haah..." At this time, hearing a low grunt, Xia Shenyi and Shi Yixian turned to look at Zhao Tian who was slowly waking up.

"Tian..."

"My Liege!"

Both of them hastily sat beside him on the bed and looked at him in worry "Is your body okay?"

Zhao Tian shook his head "Not okay at all... ah." he clutched his head in pain.

"Tian, give me that mobile phone... I have to call others."

With a nod, Zhao Tian took his mobile phone from his storage ring and gave it to Xia Shenyi "You know... how to use it?"

"Ying taught me."

Taking the mobile, Xia Shenyi walked out of the room.

Shi Yixian moved and hugged him in her hands "My Liege..." she muttered under her breath feeling the searing heat from his body consuming her.

Zhao Tian let out a sigh "Why are you naked?"

"To satisfy your Yang energy, My Liege."

With a chuckle, Zhao Tian patted her head "But your Yin energy won't satisfy my Yang energy."

"But My Liege... I know that you are holding back a lot." Shi Yixian muttered looking at his flushed red face because of the Yang energy heating his body.

She raised her hand placing it on her crotch "If you are overflowing with Yang energy, you must be very... turned on." she felt his hard rod hitting her palm.

Zhao Tian really has been holding back; now he just feels that he wants to ravage Shi Yixian and fuck her brains out.

Shi Yixian began to remove his t-shirt "My Liege, after the fire had been removed, I took body strengthening pills. So my body which was fragile due to the fire has returned to normal."

"Please use my body to satisfy you..." she uttered throwing his t-shirt on the ground.

Zhao Tian's eyes turned warm and he hugged her, pushing her onto the bed "Yixian..." mumbling her name, he kissed her lips.

...

Zhao Ying was in one of the rooms in the palace when she glanced at the wallpaper on the mobile "Hehe."

ring Seeing the name of Zhao Tian, she hurriedly attended it "What happened, My Brother? want me to come over?" she asked with a smug smile.

"Mom and that arrogant Queen couldn't satisfy you?"

"Ying, listen to me... this is very important. Tian is in the artifact right now and his body... uh."

"Just bring all the women into the artifact! This is an Emergency! Quick!"

Zhao Ying was startled to hear Xia Shenyi's voice "Sister Shenyi, what happened to Tian'er?"

"I can't explain everything over the phone... for now, bring all of his women!" Xia Shenyi said and canceled her call.

Zhao Ying's heart clenched in worry "Something bad happened to Tian'er?"

"Sister Miya!" She hurriedly shook Chi Miya who was sleeping beside her.

"Hm... Ying.. what?" Chi Miya asked rolling on the bed, still half asleep.

"Sister Shenyi has called for something emergency... Come quick."

Zhao Yng and Chi Miya got out of their rooms and it was the middle of the night

"Go and wake up all the sisters."

Chi Miya and Zhao Ying began to bang on the doors in the middle of the night.

"Mom!" Zhao Ying first went to call Zhao Suyin and Zhao Suyin who was sleeping in her room slowly woke up "Ying'er?"

Not only her, Ning Xue also woke up hearing the loud bang sound on the door and both both of them looked at each other confused.

"Wait a minute Ying'er." Quickly wearing her robes, Zhao Suyin walked to the door and opened it.

"Mom, it's an emergency.. something happened to Tian'er."

"H-Huh? Tian'er?"

Chi Miya went to call "Little Sister Xiu, wake up."

"Sister Huang, wake up."

"Hua'er."

"Sister Chen!"

"Ziyu!"

"Zahra, wake the hell up!"

"Aunt Zuiye!"

...

Xia Shenyi walked into the room and saw Zhao Tian having sex with Shi Yixian so violently making her moan in pleasure and the whole bed was shaking.

Xia Shenyi's heart trembled "He must have endured it for some time... Hope he won't go berserk and break all of his women."

Chapter 348: An Emergency meeting 2!

Standing in the corridor, Zhao Ying glanced at all the women surrounding her. Zhao Suyin, Ning Xue, Ning Zuiye, Yu Hua, Zahra Ashante, Chi Miya, Mei Xiu, Ling Chen, Ling Huang, Ling Meiying, Fei Ziyu and Fei Lingxi.

Letting out a yawn, Zahra Ashante asked "So, why are we grouped here?"

With a sigh, Zhao Ying muttered "Sister Shenyi said something bad has happened to Tian'er."

Ning Zuiye frowned upon hearing this "Something bad happened to him?"

Yu Hua was quite confused "Isn't he strong? What could possibly happen to him? And... who is Sister Shenyi?"

Zhao Suyin uttered "Hua, we will explain later, let's just get into the artifact first."

The others nodded while Yu Hua and Zahra Ashante were clueless "Artifact?"

swish Suddenly they all felt the world spin around them and in the next instant they were somewhere in the grassland.

"Huh? What happened? Queen Xue..." Yu Hua hurriedly turned her to Ning Xue and saw her smiling at her.

"Come, I will explain on the way."

...

"Ehh? So this is like his.. a separate space for him to train and live..." Zahra Ashante uttered in shock.

Yu Hua squinted her eyes and raised her head looking at the sky "And... the astral energy in this space is also dense."

All of them quickly entered the Mansion and walked upstairs reaching Zhao Tian's room.

"JUST LISTEN TO ME TIAN!! DON'T BE RELUCTANT!"

As they walked close to the room, they heard a loud yell from a woman and they quickly entered the room.

"Sister Shenyi..."

Opening the door, they saw Zhao Tian sitting on the bed half naked while Xia Shenyi is grabbing his shoulders, and Shi Yixian was lying on the bed naked with her eyes closed.

Yu Hua and Zahra Ashante were taken aback when looking at the two beautiful women. 'Damn... they are gorgeous.'

"Tian... please..." Tears swelling in her eyes, Xia Shenyi leaned onto his shoulders hugging his neck.

Zhao Tian let out a sigh and patted her head "No, Shenyi... I can't go back on my words."

Xia Shenyi's heart trembled in anger and she gave a hard hit on his shoulders as she stood up.

"All of you, follow me." Xia Shenyi uttered before walking out of the room.

The women turned their gaze to Zhao Tian and he showed a faint smile.

They all walked close to him "Tian'er.. are you alright?"

Zhao Tian nodded his head and spoke "Shenyi... uh will explain things."

After a little bit of chatting, they all left the room and Zhao Tian glanced at Shi Yixian who was lying beside him "Three virgins??"

"Urgh... my head hurts, so I will just sleep." He muttered looking at his trembling hands and he closed his eyes.

"I don't know how long I can hold on before losing control. Yixian also couldn't work with me for too long... haah."

"What a pain."

...

All the women walked downstairs and Xia Shenyi who was waiting for them, raised her head showing a small smile.

"I see two new faces." She said looking at Yu Hua and Zahra Ashante.

Zhao Suyin came and sat beside her "This is Yu Hua and that is Zahra Ahsa- eh what was your name again?"

Zahra Ashante smiled bitterly "Zahra Ashante." she uttered taking a seat.

The others also sat on the couches and Zhao Ying asked "So, what really happened?"

Letting out a sigh, Xia Shenyi spoke "I talked with Tian and..."

She began to tell what happened and Zhao Tian earlier explained how the pure Yang energy entered his body.

Ning Xue's eyebrows furrowed "From that spear?"

Zhao Ying's eyes crescented in worry "Overflowing Yang energy. This is bad."

Yu Hua looked at Xia Shenyi and asked in confusion "Is it bad... because this pure Yang energy is in his body? He has a Yang energy physique, so it should be alright?"

Zahra Ahsante tilted her head "Eh? Tian has Yang energy physique?"

The others could only sigh seeing Yu Hua and Zahra Ashante being totally clueless. Well, they can't blame them...

One by one they all began to talk about Zhao Tian's Honoured One's physique and about his Dual cultivation.

WHA- Zahra Ashante and Yu Hua's jaws dropped after hearing the descriptions of his physique.

"One of one Physique..."

"Breaking the limitations imposed by the Heavens..."

"Gurgh.. my head hurts thinking about all of this."

Ling Chen sighed in her heart "I can tell, because that was my reaction too when I first heard about this."

Coming out of her shock, Yu Hua contemplated "So the Yang energy which he uses to dual cultivate is overflowing right now... and we need to subdue it?"

"If we had... sex with him, won't that subdue?"

Hearing this, the others also looked at Xia Shenyi "Yes, Sister Shenyi... we can just use our Yin energy to subdue it."

Xia Shenyi shook her head "That's the trickiest part... the energy in his body is pure Yang energy, so we can only subdue it with pure Yin energy..."

"That is virgin Yin energy."

Upon hearing this, they all looked at each other and they could only sigh because they are all already fucked by Zhao Tian.

Wait! Zhao Ying turned her eyes to Xia Shenyi "Sister Shenyi.. you."

Xia Shenyi clicked her tongue in annoyance "Tch. That's what I told him too. But he refused to have sex with me... He is still clinging to those promises of his. Hmph!"

Zhao Suyin scratched her head, her mind boiling with confusion "What to do now? Shall we kidnap a virgin woman and bring her to Tian'er?"

-- What the fuck? They all looked at Zhao Suyin blankly and Zahra Ashante nodded her head "We can do that too."

This woman is crazy too!

Mei Xiu asked "What if we didn't subdue his pure Yang energy? Will that affect his body..."

Xia Shenyi sighed deeply and nodded her head "Yeah, he will always be too horny and if he continued to suppress it, it will plummet his mental health."

"And he could even go berserk mindlessly fucking women...and there might be even more consequences."

HUH? The women looked at each other confused about what to do and worried for Zhao Tian.

At this time, Xia Shenyi dropped another bomb "And to my estimation, he needs virgin Yin of three women."

The women's faces froze upon hearing this "T-Three virgin woman."

"Alright. I am leaving." Zhao Suyin stood up from her couch.

Chi Miya looked at her bewildered "Aunty Suyin, where?"

"Where else? I will go and kidnap three virgin women and bring them here for my Tian'er."

Chapter 349: Finding the candidates!

"Where else? I will go and kidnap three virgin women and bring them here for my Tian'er."

Huh? Tie this woman here or she would do it for real.

Ning Zuiye let out a deep sigh and spoke "Suyin, wait..."

Zhao Ying stood up and pulled Zhao Suyin making her sit down "Mom, calm down a little."

Zhao Suyin shrugged "What else can we do? We can only bring three virgin women for Tian'er and if things really get worse, I don't mind kidnapping three virgin women for Tian'er."

Hearing this, the others also sighed in their hearts, what else can they do?

However, Ling Chen shook her head "But do you think, Husband would say ok to that?"

Hm? The others turned their attention to her, and she continued "Well, some of you might not know... me, Sister Huang, and Sister Meiyng's; our first relationship with Husband is...."

She explained how they were hit by an aphrodisiac and Zhao Tian relieved them by pleasuring them.

"So he was forced to touch our bodies and after that, he could have left us, but he insisted on taking responsibility for us."

"If we kidnap women, Husband will surely not engage in sex with them and take responsibility for some random woman."

"We need to think about it clearly because they will be his future wives and our sisters. And we also need to ask about this to our husband."

Upon hearing this, they all fell silent but an idea struck Ning Zuiye's mind and she exclaimed "My daughter!"

Zahra Ashante was startled and asked "Your daughter? Wait a minute... you have a daughter with Tian?"

'That bastard!' Yu Hua's lips twitched in anger.

Ning Zuiye hurriedly shook her head "No, No... adoptive daughter."

Zhao Ying also remembered and spoke "Yeah, Yueli loves Tian'er and she is a virgin, right?"

Looking at her, Ning Zuiye nodded her head "Tian also adores Yueli, so he won't reject her and my daughter is crazy over him, so she won't refuse and directly hop on the bed."

Hop on the bed? What kind of daughter is she? Yu Hua facepalmed herself and she also remembered someone.

Her eyebrows furrowed "Maybe... I could ask Xiang, but not every woman is ready to give virginity to a man they have barely known."

Zhao Suyin raised an eyebrow "That red-haired woman who came with us, right? I saw her stealing glances at Tian'er from time to time."

"She surely has a crush on Tian'er."

What? That Xiang? Yu Hua felt it was unbelievable that Hun Xiang had already fallen for Zhao Tian "I need to talk to her."

Fei Ziyu and Fei Lingxi stayed silent, while Fei Ziyu was panicking in her heart, worried about Zhao Tian's condition.

After a deep thought, Yu Hua stood up from the couch "I will go and talk to... Xiang."

The others nodded their heads and Yu Hua blinked her eyes in confusion "How do I leave the artifact?"

Xia Shenyi glanced at Ling Huang "Huang.."

"Yes, Sister Shenyi... Sister Hua, I will take you out."

With a faint smile, Yu Hua nodded her head and Xia Shenyi suddenly stopped them "Wait... Yu Hua, you already have the ring."

Ring? Yu Hua raised her hand and showed the ring on her finger "Yeah, Tian gave me..."

"That is the key to entering and exiting the artifact."

Eh? Wha- Yu Hua was dumbfounded and looked at the gorgeous ring on her finger "But... how to use it?"

Ling Huang let out a chuckle and spoke "I shall teach you, Sister Hua..."

Ning Zuiye turned her gaze to Xia Shenyi "Shenyi, I am also leaving for the human world. I will bring my daughter back."

Xia Shenyi gave a faint nod "Bring... that woman with you, she is strong. What was your name again?"

Zahra Ashante let out a sigh "Zahra Ashante, you can just call me Zahra."

"Yeah, her..."

Yu Hua glimpsed Xia Shenyi in the corner of her eyes 'Is she his first woman? She has that kind of aura... as if she is the leader here and her, Zhao Suyin too.'

'They all seem friendly and don't seem to hate each other.' she thought in her mind before leaving the artifact with

Throughout the conversation, Ning Xue and Chi Miya kept their lips closed because other things were going through their minds.

Ning Xue clutched her forehead in confusion as her mind clouded in thoughts 'What to do? Zuiye seemed confident.. so that's one.'

'But that red haired woman, Hun Xiang? She is Hua'er' disciple... so she will surely listen to her in my guess.'

'So that's two.'

'However, we need another one... the only choice I have is Big Sister.'

'B-But how can I, as her younger sister go and ask about something like this? But Tian... ahhhhh.'

This is the same situation for Chi Miya too as her brain racked 'Shui'er... if I asked 'Will you sleep with my boyfriend.' how ridiculous does this sound?'

'If she accepted that somehow, she would also be with me... as his woman. uhhh, that would be so awkward.'

However, she suddenly realised 'Wait, if I brought Shui'er, then she can always be with me and I don't have to always worry about her.'

'She can cultivate and live longer... also be my side.'

'But... Tian and Shui'er... haah, I will give it a shot. Even if she thinks I am a weirdo, I will ask her.'

Ning Xue took a deep breath 'Tian's sanity is on the line... I uh will, go and ask Big sister.'

Chi Miya stood up and stopped Ning Zuiye and Zahra Ashante "I am coming with you too."

Ning Zuiye nodded her head "Ok!"

After her, Ning Xue also stood up "I am leaving too."

Xia Shenyi gave a nod and stood from her seat "I will try to convince Tian."

As they left, Ling Meiying frowned slightly and turned to Ling Chen "Why.. don't we ask Sister Xin?"

"Eh? Sect Master?"

Chapter 350: Finding the Candidates 2!

swoosh Carrying Ning Zuiye in her arms, Zahra Ashante is dashing through the air. It will take 2 hours to go from Zhenzhu to their city.

After flying through for two hours, Chi Miya spoke "My house is that way... so I am leaving."

Ning Zuiye glanced at her "Miya, be careful."

Chi Miya gave a nod "If anything, I will return to the artifact."

woosh Chi Miya quickly flew to her home and looked down at the mansion under the dim moonlight.

However, at this time, she saw the light in Chi Shui's room was still on.

Huh? Is she awake? She landed on the big terrace and looked through the transparent glass door.

Looking inside she saw Chi Shui lying on the bed with some books scattered around her and she was reading a book in her hand.

knock Hearing a sudden knock, Chi Shui was startled and looked at the terrace door.

Eh? Seeing her sister standing there, she was bewildered "H-Huh., Sister? Is that you?"

Chi Miya who was outside nodded her head "Open the door, Shui'er."

Chi Shui got down from her bed and walked to the terrace as she pulled the door open.

Chi Miya stepped in and Chi Shui looked at her from top to bottom "Sister.. what is this?" she muttered looking at her robes.

"You said, you were going out with Brother Tiann, but you are wearing some cosplay and on the terrace of my room. How the hell did you come up?"

She smiled dryly "You look like one of those cultivators I read online."

Chi Miya let out a sigh "Well, I have a story to tell."

...

Sitting on the bed, Chi Shui's jaw dropped to the floor looking at the swirling golden petals around Chi Miya and her heart raced in excitement.

"T-Then, Sister... cultivation is REAL? and there is a place filled with cultivators in earth?" she exclaimed at the top of her lungs in exhilaration, letting the shock sink inside her.

Looking at the excited eyes of Chi Shui, Chi Miya smiled softly and at this time, Chi Shui asked "Then, Brother Tian is also a cultivator?"

"Yeah."

"Ohhhhhhhhh!"

However, a confused expression clouded her face and Chi Shui asked "But.. Sister, why are you suddenly telling me this?"

"After all these days, you are telling me... just now?"

Chi Miya hesitated upon hearing this question and seeing her hesitation, Chi Shui's eyes frowned "Sister, what happened?" she asked taking Chi Miya's hand in her hand.

Chi Miya let out a sigh and asked "Shuier, what do you think about Tian."

Eh? Why is she asking me about her boyfriend? "U-Uh, Brother Tian is really a nice person and has good looks. I like him."

"Don't tell me.. Both of you had a fight or something and now you are here for my advice?"

"No... No.." Chi Miya shook her head and her heart trembled as to how to explain this to her sister.

So, she began to talk about Zhao Tian and his way of dual cultivating.

"W-Wha..." Chi Shui's face instantly went deep red and she stuttered "Cultivate by sex.. huh?"

With a nod, Chi Miya spoke "En. Shui'er and this... Yang energy inside Tian is overflowing."

"So we need to subdue it with pure Yin energy."

Her gaze lowered and she asked "So, Shui'er.. will you have sex with Tian and... b-be his woman?"

What the fuck?!

...

tap Zahra Ashante and Ning Zuiye also landed in front of the mansion and Ning Zuiye was confused about how to call Ning Yueli or her parents.

She glanced at Zahra Ashante "Do you have your mobile with you?"

Zahra Ashante nodded her head "I have, but it has like 5 percent of charge."

"No problem, give it to me."

Taking the mobile from Zahra Ashante's hand, Ning Zuiye dialed Ning Yueli's number.

Ning Yueli who was reading a book under the dim light of the table lamp frowned her eyebrows hearing her phone ring.

"Is it Shui? Haa, she must be also preparing for today's exam. Does she have any doubts?"

As she stood up and walked to the bed, she saw that the call was from an unknown number.

Eh? Who is calling me at midnight? She took the mobile in her hand but didn't attend the call.

After a long time of ringing, the call was cancelled but in the next minute, she got another call from the same number.

"Huh? What does this person want?"

She didn't pick it up for the second time too but seeing that it was ringing for the third time, she got frustrated and picked up the call.

"Hello?"

"Yueli, it's Mom. Open the door for me. I am outside now."

Eh? Mom? Getting suspicious, Ning Yueli looked through the window of her room and it was indeed her Mother standing with another woman.

"She returned back from the long trip with another woman and what are those clothes?"

Ning Yueli went downstairs and opened the front door "Mom, why did you return at midnight? You could have informed me before."

Ning Zuiye sighed and walked inside the home "Come in, let's go and talk in your room."

Ning Yueli took a quick glance at Zahra Ashante and the three of them walked to Ning Yueli's room.

As soon as they entered the room, Ning Zuiye closed the door and grabbed Ning Yueli's shoulders "Yueli, you love Tian, right?"

"Yeah, I do."

-- Zahra Ashante was dumbfounded. No hesitation, instant answer! It's as if she is waiting for this question, her whole life.

Ning Zuiye smiled proudly "That's my daughter. And... now Tian wants to have sex with you and is forcefully pushing himself on you. What would you do?"

A wide smile beamed on Ning Yueli's lips "I won't resist a bit and let him do his thing. Well, if he likes that kind of rape foreplay, I will show resistance and play along with him as he ravages me. Hehe."

Ning Zuiye's eyes trembled and she hugged her daughter a proud smile on her lips "I am glad that you are my daughter."

Zahra Ashante: -_- No, No, No... this young girl seems crazier than me.

"But Mom, why are you asking all of this as the first thing you return from the trip?"

"That's..."
