Chapter 351: Finding the candidates 3!

"W-What are you saying, Sister?" Chi Shui was taken aback by her sister's words and left speechless as she stood up from the bed.

Chi Miya's heart trembled to see her reaction and stood up "Shui'er listen to me..."

"Wait, sister..." Chi Shui took a deep breath digesting the thing her sister said just now.

"Which girlfriend would want her boyfriend to sleep with her sister? Are you out of your mind? Sister?" Chi Shui yelled looking at Chi Miya.

"You want me to have sex with him to increase his cultivation? S-Sister?"

Chi Miya let out a sigh and spoke "I understand what you are saying... but please try to understand the situation."

"I-I am not forcing you to sleep with him. Just listen to me for once, please... Shui'er."

Chi Shui took a deep breath controlling her emotions and scratched her head in confusion "Ok, tell me..."

With a nod, Chi Miya spoke "I told you already, Shui'er... Tian cultivates with this Yang energy when he has sex with women, he absorbs the Yin energy."

She continued to explain again "And as I already said, the said Yang energy is overflowing from his body in a pure form and his women alone can't subdue his pure Yang energy."

"It can only be subdued by pure virgin woman... so" Chi Miya muttered looking into Chi Shui's eyes.

Chi Shui blinked her eyes taking the information in her mind and frowned slightly "He has many other... girlfriends?"

"He does, he has many other women."

Holding Chi Shui's hand gently, Chi Miya spoke in a gentle and understanding tone "I know it must be hard for you to lose your virginity and be his woman suddenly. If you don't like Tian... you can say... Sister will understand."

"Do you love someone? Do you have a boyfriend? Just tell Sister."

She raised her hand caressing her face "I won't force you. If you don't want... I can leave now and I will go and find some other women."

Chi Shui's eyes darkened upon hearing this and her heart clenched in pain "Sister follow me."

Chi Shui opened the door and walked out of the room.

H-Huh? Where is she going?

Though confused, Chi Miya followed her and they soon reached a room.

Seeing the room, Chi Miya frowned slightly "This room is..."

creek Opening the door, Chi Shui entered and turned on the lights.

Chi Miya glanced around at the different portraits and drawings as she asked "Shui'er... why did you bring me here? Your drawing room?"

Chi shui walked towards the biggest portrait which was leaning on the wall and was covered by a large cloth.

"Sister, see this..."

Chi Shui muttered as she pulled down the cloth showcasing the biggest portrait she had ever done.

Huh? Chi Miya was startled to see the large portrait of Zhao Tian and was confused. "Tian?"

"Shui'er?" She quickly turned to look at Chi Shui and saw her face burning deep red in embarrassment.

"S-Sister..." Chi Shui was mortified by the situation and covered her face with her palms.

"What is... this." Chi Miya mumbled in shock.

"The truth is... I also love him. But I didn't make any moves since he is your boyfriend. So... to get over him, I drew him but still... I couldn't get over him."

"And if there is a chance.. to be with him. I.. will give him my virginity."

Huh? Chi Miya doesn't know if she has to laugh or cry hearing her little sister's words.

Letting out a sigh, she pulled a chair and sat on it as she looked at Chi Shui "So... Shui'er what do you want to do now?"

Chi Shui averted her gaze embarrassingly and the blush on her face deepened as she twirled her short blonde hair with her fingers "I mean... I... am okay with it."

"But... what about Brother Tian? D-Does... he know about this?"

Chi Miya shook her head "No... he still doesn't know. We need two more virgin women. Aunt Zuiye said that she will bring Yueli too."

"Huh? Aunt Zuiye and Yueli?"

Chi Shui was confused about a lot of things and Chi Miya sighed heavily "I will explain about everything and take you inside the artifact."@@@novelbin@@@

Yu Hua and Ling Huang landed in front of a small house. Hun Xiang is living in one of the houses inside the Royal Capital which Yu Hua prepared for her.

Taking a deep breath, Yu Hua knocked on the door "Xiang."

Seeing that there was no response, Yu Hua continued to knock and after a while, Hun Xiang finally woke up.

"Lady Hua, just a minute."

Hun Xiang opened the door and looked at Yu Hua and Ling Huang standing on her doorstep at midnight "Lady Hua? Is something emergency?"

Yu Hua glanced at Ling Huang and spoke "Yeah, important. Come inside."

The three of them settled on the couch inside the living room and Hun Xing looked at the two of them curiously.

Yu Hua looked at Hun Xiang and asked in a serious tone "Xiang, you will obey all of my words right?"

Hun Xiang hurriedly nodded "Yes, Lady Hua... absolutely."

Hm. With a nod, Yu Hua leaned back comfortably on the couch and asked "Xiang, tell me honestly... what do you think of Tian. Do you have feelings for him?"

Ha? Hun Xiang was dumbfounded by the sudden question as it came out of nowhere "Hm.. Lady Hua?"

Ling Huang spoke with a smile "We heard that you have a crush on our Husband. So we came to ask about that."

-- They came in the middle of the night to ask about that?

Hun Xiang was flustered by their accusation and decided to be honest "Well, he is a strong and great person... he is also reliable along with that he also has good looks."

Yu Hua smiled dryly in her heart "Xiang, something happened and Tian needs your help."

My help? Hun Xiang hastily nodded her head "Sure, just tell me what it is Lady Hua. I will do it."

Yu Hua gave a nod and began to explain Zhao Tan's dual cultivation and need for virgin Yin.

Hun Xiang was bewildered to hear all the details and a soft mumble escaped her lips unconsciously "But, I have already lost my virginity..."

"WHAT?!"

...

Meanwhile, Ning Xue is standing in front of Ning Zhilian's room her heart filled with hesitation.

"I-I got no other choice."

Chapter 352: Finding the candidates 4!

Yu Hua's heart shook upon hearing Hun Xinag's words "H-Huh? Xiang... when did you?"

"Oh!" Ling Huang also raised her eyebrows in surprise.

Yu Hua's eyes narrowed as she asked in a cold tone "Xiang, were you in a secret relationship with someone when you were in the human world?"

Hun Xinag's head dropped "T-That's..."

"Xiang..."

Hearing her piercing voice, Hun Xiang's body jolted up and she raised her head "Y-Yeah, I was in a secret relationship with someone and its- *slap*."

A sharp slap fell on Hun Xiang's cheek dying her cheek crimson and Hun Xiang's eyes trembled as she held her cheek in her palm 'It... hurts.'

Yu Hua's eyes squinted in anger as she grimaced "I never expected this from you, Xiang."

Ling Huang grabbed Yu Hua's hands "Sister Hua... calm down."

Hun Xiang's lips quivered and she bit her lips 'She is going to know about it anyway... so, it better to tell rather than hide it.'

"Forgive me... Lady Hua, I betrayed you... The man is Master Tian," she said in a low voice.

-- What?

"Ohoo..." A smile appeared on Ling Huang's lips and she smirked "Now, that's my husband..."

Yu Hua shook her head "Wait, wait... Xiang, the man you lost your virginity Is Tian? Zhao Tian?"

"En. I.. am sorry..." Hun Xiang mumbled lowering her head.

Meanwhile, Yu Hua was totally perplexed as she was left speechless "When did both of you... in just three days of time... huh?

Reeling out of her shock, Yu Hua asked seriously "Xiang, don't hide anything from me and tell me what happened?"

With a nod, Hun Xiang began to describe what had happened that day when she left her with Zhao Tian and what had happened after that in detail.@@novelbin@@

"Hoho... in shower." Ling Huang giggled playfully.

"So, it's all my fault..." Hun Xiang sighed deeply as she fell back on the couch.

Hun Xiang just stayed silent and Ling Huang stood up from the couch, her eyebrow furrowing "Then, we still need two more women." she muttered under her lips.

A mischievous smile danced on her lips 'Now that I think of it... there is our Sect master, I already asked Husband one day to wife up her, but he refused.'

'Heh.. with this I can bind her into the harem. Hehe...'

She turned her head to Yu Hua "Sister Hua, you can leave to the artifact.. I will come and see you later."

"Uh, ok."

Yu Hua then glanced at Hun Xiang who was staying silent and raised her hand caressing her cheek "Sorry... Xiang. Out of frustration... I"

Hun Xiang hurriedly shook her head "No, Lady Hua... I have received an even heavier beating from you during our training. Compared to that, this is nothing."

Yu Hua's eyes softened and she could only sigh "I should have known... it is dangerous to leave you alone with that bastard."

Hun Xiang scratched her neck and a blush painted her cheeks "Um, Lady Hua... does this mean that you are okay with me being his woman?"

"Haah, what else can I do? I can't separate you both."

A smile bloomed on Hun Xiang's face "T-Then, I can also kiss and hug him in front of you, right?"

Yu Hua tilted her head "huh?"

Hun Xiang's expression turned gentle "Yesterday when he was with all of his women, I also wanted to be with him there and kiss him... but I was holding myself a lot."

"So... I don't have to hold back anymore, right?"

Seeing her disciple's warm smile, Yu Hua smiled 'She seems happy..'

"Yeah..."

...

"Tian.."

"Hm?"

"Tian.."

"Hm?"

"Listen to me..."

"I am listening..."

Zhao Tian was sitting on the bed, his back leaning on the headboard and Xia Shenyi was lying on his chest, her left hand inside his shorts stroking his dick.

Placing a kiss on his neck, Xia Shenyi mumbled "Take my virginity.. Tian... please."

Zhao Tian's eyelashes quivered feeling Xia Shenyi's delicate fingers playing with his dick but he was holding back his urges.

"I told you..."

Xia Shenyi retracted her hand from his dick and began to remove her robes as she became naked, storing the dress in her storage ring.

Looking at the voluptuous breast of Xia Shenyi and the enticing pink nipple, Zhao Tian's eyes crescented in lust.

He reached out and softly grabbed her breast squeezing it in his palm "Mngh.."

She moved and sat on his lap looking at him, wrapping her arms around his neck as the nipples came close to his face.

Zhao Tian opened his lips and gently munched on her nipple as Xia Shenyi leaned down whispering in his ear.

"Tian.. don't you want to have sex with me.."

Whispering seductive words, she took his left hand and brought it near to her crotch "Tian.."

Zhao Tian kept sucking on her nipple as he gently slid his fingers into her pussy and he instantly felt her tight walls clenching on his fingers.

"Haangh~~" Xia Shenyi's eyelashes whimpered and a moan slipped past her lips.

"I know what is your weak point..." Muttering, she got down from his lap and tied her hair into a ponytail.

She kneeled on the bed and crouched down, grabbing his shorts as she pulled them down.

Seeing his hard dick, Xia Shenyi smiled and placed a soft kiss on the top of the dick's head.

"Shenyi..."

Xia Shenyi raised her head and looked at the lust and desire oozing from his eyes.

"What?" She asked as she grabbed the dick and began to stroke it up and down giving him a blowjob.

"Ahh..." She opened her lips wide and pushed his dick into her mouth, her tongue rolling on his sensitive dick's head.

"Urgh..." Zhao Tian grunted in pleasure.

"Forgive me, Shenyi..."

Huh? Xia Shenyi was confused and Zhao Tian grabbed her hair, pulled her head from his dick, and pushed her down from the bed.

thud Falling down on the floor, she kneeled "Tian?"

Zhao Tian got down from the bed and Xia Shenyi raised her head as his hot dick was right in front of her face.

"Open your lips."

"Ah?"

Zhao Tian grabbed her silky hair and pushed his dick deep into her throat in one full push making her almost gag.

"Haah.." Zhao Tian grunted in delight feeling her slippery and hot mouth encircling his dick and continued to move his hips.

"Tia-" Before she could respond, Zhao Tian again pushed deeper and enjoyed the feeling of her moist tongue around his dick.

As he continued moving his hips, Xia Shenyi raised her eyes and looked at Zhao Tian's face 'He is really trying his hard to control his lust..'

She raised her hands grabbing his waist "Tian... release all of your lust on me... I will accept it... go wild.'

She closed her eyes and continued her blow job to the best of her efforts to please him.

...

"Tian." The door of the room opened as Yu Hua and Hun Xiang entered.

splurt Zhao Tian shot his semen inside Xia Shenyi's mouth filling them with his white magma.

He pulled his dick out and Xia Shenyi hurriedly closed her mouth to stop the overflowing cum as she began to drink it.

Yu Hua and Hun Xiang blinked their eyes "Ti.. an?"

But in the next instant, he disappeared and reappeared behind them as he gently clasped both of their waists.

"Dears.."

thud He threw them to the bed and walked to the bed with a lustful smile creeping on his lips.

Chapter 353: Finding the candidates 5!

"Hnngh~"

Pressing Yu Hua on the bed, Zhao Tian kissed her neck nibbling on her skin and Yu Hua raised her hand hitting his shoulder "You damn bastard..."

"I hate you."

"Haha..." Chuckling, Zhao Tian grabbed her robes and tore them apart along with her underwear from top to bottom.

Looking at the juicy naked body of Yu Hua, Zhao Tian smiled and leaned down kissing her belly button.

"Hnngh~!"

Yu Hua's body shivered feeling his tongue rolling on her belly button and grabbed his hair
"Bastard..."

Zhao Tian ran his tongue along her belly reaching to her cleavage and rounded her breasts with his moist tongue as he placed a kiss on her nipples.

Yu Hua hit his shoulders "Pervert... you didn't leave Xiang and ate her."

With a chuckle, Zhao Tian sucked on her nipple "It is your fault for leaving her alone with me in bed." he muttered glancing at Hun Xiang who was stripping her clothes.

As she removed her clothes, Zhao Tian pulled Hun Xiang into his arms and kissed her, softly nibbling on her lips.

Retracting the kiss, Hun Xiang's eyes crescented "Master, I heard... your Yang energy..."

Yu Hua also glanced at his erect dick and noticed that it was pulsating more than normal. She glanced at Xia Shenyi who was sitting on the floor slowly swallowing his cum and savoring every drop of it.

Seeing her, Yu Hua's eyes trembled 'We can take it in our mouth too? Even a woman from high Stars... is...'

She got curious in her heart to taste his dick and gulped down her saliva in anticipation.

"Tian." Pushing him on the bed she moved near his crotch "Let us... subdue your Yang energy."

She extended her hand gently clasping his dick...

...

Ning Xue who raised her hand to knock on the door, suddenly stopped and her eyelashes quivered in hesitation.

She gripped her fingers and her heart felt heavy to take the decision.

"What to do..." Her breath hitched as her mind struggled to come to a conclusion.

"I will go to the artifact and if there is no other way, I will come and ask Sister Zhilian."

As she turned to leave, "Little Xue..." she heard Ning Zhilian's voice and the door opened.

"Big Sister." Ning Xue turned her head, surprise flashing across her face.

Wearing simple robes, Ning Zhilian walked out of the room "Do you have something to talk about with me, Little Xue?"

"I noticed your presence in front of my room for a while."

Ning Zhilian giggled faintly "I sensed the presence of all the women disappearing a little while ago. So I thought all of you went out to have some fun at midnight."

"But you are here?"

After the coup was again tried by Ning Zhu, Ning Zhilian kept her senses high during the night to make sure nothing was happening.

"What are you doing here, Little Xue."

Ning Xue shook her head "Nothing, Sister."

A slight frown etched Ning Zhilian's face and she understood that her little sister was hesitating to speak about it. She didn't bother to press on the subject because she didn't want to force her.

Letting out a sigh, she walked outside as the chilly night breeze hit her face and Ning Xue walked beside her.

Ning Xue asked leaning on the railing "Big sister... do you have any plans on what are you going to do after this?"

Ning Zhilian was confused and looked at Ning Xue's face which was glowing under the faint moonlight "What plans? I am going to stay here with my little sisters."

Ning Xue spoke "But what if we didn't stay here with you? And you also need to get yourself a man."

Upon hearing this, Ning Zhilian giggled "Where are you going without staying here? And... for now, I don't need a man."@@novelbin@@

"I see..." Ning Xue muttered under her lips.

"Yeah." Ning Zhilian wrapped her arm around Ning Xue's shoulder and looked at the stars in the sky.

They stayed silent for a while and at this time, Ning Xue asked "Big Sister, what do you think about Tian?"

Ning Zhilian raised her eyebrow "Hm? Tian?"

"Nothing, Big Sister." Ning Xue moved away from the hug and walked to her room, a deep sigh escaping her lips.

"What's up with her..." Ning Zhilian uttered to herself as she raised her eyes looking at the brimming stars in the sky.

But then it struck her and her eyebrows furrowed 'Finding a man for me and Tian...'

A quick blush crept over her cheeks and she blurted "W-Wait.. this girl... what the hell is she thinking?"

...

swish Ling Huang landed in Lunar Blossom Sect's area and directly went to Ling Xin's room.

However, as she reached there she sensed that Ling Xin was not in her room "Eh? Where is she?"

As she used her astral sense, she sensed Ling Xing at the top of the mountain "Is she... cultivating this late?"

swish She flew towards the wooden pavilion which is perched on top of the mountain where Ling Xin is cultivating.

Feeling her presence, Ling Xin opened her eyes and smiled faintly "Huang'er..."

Ling Huang landed in front of Ling Xin in the pavilion and let out a sigh "Sister Xin, why are you cultivating late at night?"

Ling Xin showed a soft smile "I have to work hard since I am the Sect Master."

Ling Huang's gaze grew gentle and she asked "Sister Xin, I want your help with something."

"My help?"

"En. Husband needs your help."

"Mr.Tian?"

...

Zhao Tian was sitting on the bed with the quilt covering his lower body as he glanced at Yu Hua and Hun Xiang who were lying beside him breathing heavily.

Catching her breath, Yu Hua raised her eyes and looked at Zhao Tian as he tenderly patted her head "Tian... has the Yang energy even subsidized a little?"

"Haah... no."

"Yeah, I brought her..."

At this time, a faint voice was heard from the outside and the door creaked open.

"Mr.Tian."

Ling Xin entered the room, a deep crimson blush burning on her cheeks.

Chapter 354: Sect Master!

creek Pushing the door, Ling Xin stepped in, her head lowered and a bright red flush crept up her cheeks, coloring them a deep shade of crimson.

"Mr.Tian..." a hushed mumble escaped her lips.

"Ling Xin." Zhao Tian sighed in his heart seeing Ling Xin 'This must be Huang'er' job...'

Yu Hua glanced at Ling Xin and frowned slightly "Xin..."

"L-Lady Hua.." Ling Xin stuttered in fear and bowed her head.

Yu Hua, feeling exasperated, buried her face in the pillow as she lamented the never-ending parade of women in his life. 'This guy... won't he stop getting women?'

Letting out a sigh, she turned her head to look at Hun Xiang who was already asleep.

Eh? "She is already asleep?"

Shaking Hun Xiang, she woke her up "Xiang, get up... we need to leave."

H-Huh? Hun Xiang's eyes slowly opened, her eyelashes fluttering as she gazed at Yu Hua in confusion "Lady Hua..?"

"Let's leave."

Hun Xiang glimpsed at Ling Xin and nodded as they both got down from the bed and began to wear their robes.

After wearing the robes, they left the room for the new couple to enjoy.

Ling Xin just stood there, her gaze dropping to the ground and as they left, she slowly raised her eyes.

With light steps, she moved closer to the bed and sat on the edge of it.

An awkward silence enveloped the space as both of them just stayed silent not knowing how to start the conversation.@@novelbin@@

"Xin."

Hearing his voice, Ling Xin's eyelashes quivered in anticipation and she stood up, sitting beside him on the bed, close to him.

The blush on her face deepened and her voice stuttered as she looked into his blue eyes "Mr.Tian, allow me to warm your bed and help you in that Yang energy."

Zhao Tian had guessed that Ning Zuiye would bring Ning Yueli, but Ling Xin was really a surprise to him.

Ling Xin raised her arms placing them on his warm shoulders as she rested her head on his bare chest "Huang'er explained everything to me... Mr.Tian, so I..."

Zhao Tian's eyes crescented as he felt her body still trembling in his arms.

Sighing in his heart, Zhao Tian patted her head, his fingers running through her pink hair as he spoke softly "Xin, you don't have to push yourself... if you don't like it, you can leave."

Eh? Ling Xin raised her gaze and shook her head "No, Mr.Tian... I am not forcing myself. You have saved my life many times and you have also saved the Clan's elders."

"And I have never done anything to pay you back. At least... I can offer my body..." she replied in a tender voice.

Zhao Tian lifted her chin making her look into his eyes "Xin, it is not just offering your body. I won't let you go after this... and you will be my wife."

"Only accept if you are okay with that."

Ling Xin's eyes softened and she spoke "If Mr.Tian is willing to accept someone like me, then I don't mind being his wife..."

Zhao Tian was surprised by her answer but then a smile spread across his lips and seeing his warm smile, Ling Xin was instantly smitten.

Zhao Tian's hand moved with deliberate slowness as it traced a path behind her neck, his touch gentle yet firm as he softly pulled her closer to him.

Ling Xin moved her arms from his shoulders wrapping around his neck as she tenderly closed her eyes to feel his lips.

Zhao Tian gently took her lips in a soft kiss and feeling his warm lips, Ling Xin kissed him back clumsily sucking on his lips.

The exchange of kisses between them was gentle yet passionate, creating a moment of intimacy between the two of them.

Pulling back from the kiss, Zhao Tian couldn't help but chuckle "What a sloppy kiss."

Ling Xin was embarrassed upon hearing this and mumbled "Forgive me, Mr.Tian."

Zhao Tian gently caressed her cheek as he tucked a strand of pink hair behind her ear "Is that what you call me?"

"U-Uh..." Her words faltered and she lowered her gaze, flustered to look into his eyes, and mumbled in a low voice "Teach me then, H-Husband."

Smiling, Zhao Tian again kissed her lips and Ling Xin closed her eyes to reciprocate the warm kiss.

Although she was inexperienced and unsure of herself, she tried her best to imitate his movements and embrace the true essence of a proper kiss.

As the kiss deepened, Zhao Tian raised his right hand squeezing her breast over her dress.

This unexpected feeling caused Ling Xin to instinctively open her mouth in a soft moan of ecstasy. "Hmng~!"

Zhao Tian seized this opportunity sliding his tongue, catching Ling Xin off guard 'Tongue?'.

As their lips locked, the innocent kiss quickly transformed into a fiery and intense exchange, their tongues intertwining and exploring each other's mouths, savoring the unique taste of their combined saliva

huff A little later, Ling Xin retracted her lips from a string of saliva connecting their lips. Her cheeks were flushed a deep shade of red and she shyly buried her face in his arms.

"Husband..."

Zhao Tian was pleasantly surprised as he never expected her to be this shy and adorable.

Zhao Tian hugged her tightly in his arms relishing in the warmth of her body and Ling Xin lifted her gaze surprised by his sudden hug.

Looking into her green eyes, Zhao Tian spoke in a soft voice "Xin, I know everything between us now is very abrupt and quick."

"But I will promise you this. You are my wife and I will take good care of you. You don't need to worry at all."

Upon hearing this, a gentle smile curled on Ling Xin's lips and she knew how well he treated Ling Huang and others.

"I know, Husband...."

Zhao Tian chuckled but then Ling Xin frowned in concern "I heard that you are holding yourself a lot..." her voice trailed off as she finally glimpsed at the quilt that was covering his crotch.

She slowly pulled down the quilt and saw his huge dick standing upright with a raging boner.

Her eyes trembled in pain and she lifted her hand, her fingers encircling the girth of his hard dick.

"Husband..."

...

Meanwhile, outside Ling Meiying giggled to herself "We also had the idea of bringing Sister Xin here..."

Ling Huang leaned back on the couch and mumbled "We are easily cultivating because of Husband's technique, but as the Sect's Master... she has been working hard these past weeks to cultivate and keep up with us."

"It pains me to see her like that. So, I think this is the best for her."

The other two nodded their heads and Ling Chen remarked "But o think that the four of us became his wife because of the Ying and Yang energies..."

"Haha..."

Chapter 355: *Ling Xin*

"Haah..."

Zhao Tian looked down at Ling Xin who was breathing heavily, her large boobs heaving up and down because of her rapid breaths.

Seeing the rhythmic movement of her luscious boobs, Zhao Tian's dick twitched in anticipation and he wanted to pound her pussy so hard.

He hadn't done much foreplay but he doesn't care; for now, all he wants is to taste her body and satisfy his lust.

"Xin..."

Muttering her name, he grabbed her waist and turned her body upside down, her boobs pressed into the bed.

"Husband?"

Gently grasping her waist, he raised her hips, making her kneel on all fours in front of him.

Looking at the plump ass cheeks in front of him, he couldn't resist but squeeze them and spread them wide looking at the beautiful pink pussy dripping with her love nectar.

His eyes crescented in lust and Ling Xin buried her face on the pillow so embarrassed by her position now "Don't spread them so much..."

Squeezing her bountiful ass cheeks, Zhao Tian muttered "Huang'er was right, you have some great assets..."

"Huh? Huang'er?"

Zhao Tian took his dick and caressed the outer pink folds of her wet pussy slowly spreading them, coating his cock with her love juices.

Ling Xin closed her eyes tightly and gritted her teeth to bear the pain.

Feeling that his dick is moistened enough, Zhao Tian slowly began to push his hard dick inside her nectar hole.

Pushing its way inside Ling Xin's warm pussy, the head of his dick slowly spread the tight pussy and the pulsating sensation intensified as her inner muscles were squeezing way too tightly around his dick.

"Uhh..." Ling Xin whimpered slightly feeling his huge dick stretching her tight hole.

Zhao Tian felt a thin barrier interrupting him and he moved his waist forward breaking the hymen; her virginity.

"Urgh!" She gritted her teeth in pain and clutched the pillow tightly as Zhao Tian continued pushing expanding her tight tunnel.

Feeling his hot dick filling her insides, tears welled in her eyes, and took deep breaths to adapt to the pain.

"Haah..." Zhao Tian grunted in pleasure feeling her pussy twitching and curving on his cock as small drops of blood dribbled from her vagina.

Feeling her mushy soft pussy walls clenching his cock, Zhao Tian let out a sigh of satisfaction and quickly absorbed her pure Yin energy.

As the pure Yin flowed in his body, it quickly subdued one-third of the pure Yang energy raging inside his body.

Zhao Tian closed his eyes feeling quite revitalized and saw Ling Xn withering in pain.

"Xin..." Calling her tenderly, he leaned down and softly groped her boobs from behind as he pinched her nipples to fight off the pain with pleasure.

He didn't pound his dick directly because after absorbing the Yin energy, he somehow has control over his lust now.

He slowly began to move his hips giving Ling Xin some time to adapt to his big cock.

Ling Xin also felt the discomfort disappearing as he continued to poke and stretch her squishy pussy walls

Caressing her milky breasts, Zhao Tian increased his pace and the love juices spilled from her pussy moistening his cock, making it easier for him to fuck her.

Gradually, the expression of pain disappeared from her face, and her eyes turned more lewd, at that moment, Ling Xin let out a loud moan

"Anhhh!~!!" He increased the speed of his thrust, and the pleasure began to overcome the pain that Ling Xin was feeling and before long, she also began to move.

"Haah... Xin..." Zhao Tian savored the sensation of his cock being enveloped by the walls of her vagina, which seemed to be gently massaging it.

pakh With every thrust of his hip, moans slipped past Ling Xin's lips and Zhao Tian gently grasped her waist fucking her.

"Anhggg~ Haangh~!! Angh~"

squealch Love juices began to spray from her wet pussy with his every move and Ling Xin kept her lips open to moan comfortably.

"Hooh~ Haanghh~"

Gently grabbing her hands, he pinned them below her back and relentlessly pushed his cock deep into her honey pot.

"Haah... Husband... this sex thing.. s-soo good..."

Without the support of her hands, she fell to the bed, her face pressed on the bed sheet and Zhao Tian gave a smack on her ass cheeks.

Her plentiful ass rippled because of his slap and he felt her pussy muscles tight over his cock sucking it violently.

"Haanghhhh~"

"Argh!" Zhao Tian let out a faint groan of pleasure as he grabbed her fleshy ass fondling them.

pakh The sound of their flesh hitting each other was the only thing being heard, gripping Ling Xin's ass tighter, Zhao Tian increased his speed, while her breathing became heavier and heavier.

"Angh.. Angh Angh... I.. am... Haangh~"

...

Hearing her moans from outside, Ling Huang giggled "See, how Sect master is moaning... hehe."

Ling Chen pinched her ear "You will also moan like that during your time with Husband."

Ling Meiyang who was beside her giggled upon hearing this and nodded her head "Yeah..."

Ling Huang clapped her hands "So, with this, we all have become his women."

Zhao Ying who was sitting there let out a sigh "We need to thank Sister Xin, she has saved Tian'er."

Zhao Suyin sat there silently as she looked at the time on her mobile "Do you think, Zuiye, Miya, and Zahra would have reached their destination?"@@novelbin@@

"Yeah... they should return soon."

pop Zhao Tian pulled out his dick from Ling Xin's pussy as his white cum leaked from her pussy dribbling down her thighs.

As he let go of her ass cheeks, she stumbled to the bed and turned her misty eyes to Zhao Tian "Husband..."

Zhao Tian sat on the bed and looked at the deep red pussy of Ling Xin, he felt he went too hard on her.

Ling Xin moved her body and sat beside him on the bed. Smiling, Zhao Tian gently carried her and placed her on his lap.

smooch Zhao Tian tenderly pressed his lips against Ling Xin's forehead, his hand gently exploring and caressing her soft, ample breasts

"Hnngh~ Husband..."

As he gently pinched her rosy nipple, she let out a soft moan of pleasure and Zhao Tian asked in a soft voice "Do you want to rest?"

Ling Xin placed her head on his shoulder and shook her head "No... I am alright. but it feels kind of strange that I am suddenly in your arms and doing things like these."

Zhao Tian sighed in his heart as he knew Ling Xin looked up to him and she respected and admired him for his strength.

He raised his hand, delicately caressing her cheek with his fingers "As I said, Xin... this thing happened between us maybe because of the situation... but I will surely make you happy and won't let you regret becoming my wife."

Her hands found themselves around his neck and she whispered in his ear "I know... Husband."

"And... husband, do you want to do it again? I can feel it hitting my thighs."

With a smile, Zhao Tian shook his head "It's okay."

Ling Xin's eyes crescented in worry "Is it really okay? Don't worry about me... Husband. I came here in the first place to subdue your Yang energy."

"So, use my body to your liking... you can also be rough if you want. I-I wouldn't mind."

Seeing her eyes filled with concern, Zhao Tian smiled in satisfaction "I told you, don't fret it..." he whispered reassuringly, all the while gently caressing her breasts.@@novelbin@@

"Husband... listen to me."

She raised her ass from his thighs and grabbed his cock as she slowly lowered her body.

"Xin..."

As the tip of his cock entered her pussy, her body twitched but nevertheless, she pushed his dick deeper and grasped his shoulders for support.

"Haangh~~" In this position, she felt his dick poking a different sensitive spot inside her pussy and she didn't dare to push his full dick inside her, afraid it would break her.

Zhao Tian gently grabbed her ass cheeks and moved her up and down as his cock slid in and out of her moist pussy.

"Angh~~ Anghh~~~~"

gik Her body suddenly stiffened in pleasure as his cock hit a sudden G spot making her body tremble in delight.

"Mmmngh~~"

As Zhao Tian gazed upon her ample breasts bouncing enticingly before him, he couldn't resist the temptation and leaned in closer, parting his lips to tenderly suck on her pert nipple.

"Hanghh~ Husband..."

...

"S-Sorry... Husband..." Breathing heavily, Ling Xin pushed out her words as she lay on the bed and Zhao Tian patted her head.

"No, Xin... don't apologize. Now rest."

Ling Xin felt her eyelids getting heavy after an hour of intense sex and closed her eyes to rest her tired body and mind.

As the moaning stopped, Zhao Ying and Xia Shenyi quickly entered the room and saw Zhao Tian patting Ling Xin.

"Tian'er... has your pure Yang energy subdued a little? Is it working?"

With a tender smile on his lips, Zhao Tian nodded his head and Zhao Ying took a deep breath in happiness "Thank Goodness."

Xia Shenyi gave a faint nod and asked "You still need two more virgin women, right?"

"Unfortunately yeah and now I feel better than before."

Zhao Ying smiled and sat beside him on the bed as she raised her hand rubbing his cheeks "Aunt Zuiye has gone to bring, Yueli... that girl is crazy over you, so she will definitely agree."

Xia Shenyi frowned slightly "And we need another one, so Tian it is better to take my virginity."

Zhao Tian shook his head helplessly "How many times do I have to tell you?"

Xia Shenyi scoffed in anger "All because of your promise and pride? Tian... this is a dangerous situation and you shouldn't play In times like this."

"Tch." Clicking her tongue, she walked out of the room in frustration.

Zhao Tian facepalmed himself seeing Xia Shenyi like this and Zhao Ying kissed his lips "Tian'er, think-

"BROTHER TIANNNN!" With a loud scream, Ning Yueli dashed into the living room and glanced at all the beautiful women sitting on the couches.

"Where is Brother Tian?"

Um? Fei Ziyu was startled and raised her hand pointing at the stairs "Upstairs."

"Brother Tiannnnnnnn...." yelling his name, she climbed the stairs reaching near his room.

As she went there, she saw Xia Shenyi walking out a room and was surprised to see the peerless beauty.

'Brother Tian has such hot girlfriends?'

Looking at Ning Yueli, Xia Shenyi frowned slightly "You are..."

"U-Uh... Ning Yueli."

Zuiye's daughter? As she was still angry with Zhao Tian, she glimpsed at the room and said "He is in that room."

"Okay..."

She hurled towards his room and pushed the door open making a chaotic entrance "Brother Tian!!!"

As she glanced at Zhao Tian and Zhao Ying on the bed, she hurriedly walked near them "Brother Tian, how is your body right now?"

Zhao Tian smiled tenderly "Yueli."

Ning Yueli hastily began to remove her loungewear and stripped her underwear, quickly becoming naked.

"Come on, Brother Tian... let's subdue your yang energy. Mom told me everything about you." She said with a wide smile on her lips as she hopped on him in the bed.

"Haha..." Zhao Ying couldn't help but chuckle looking at the antics of Ning Yueli and stood up from the bed.

"Then I am leaving."

Looking at the petite body of Ning Yueli who was in his arms, Zhao Tian chuckled faintly "You girl..."

"Wait a minute..." Ning Yueli had a concerned frown on her face and took Zhao Tian's arm as she pressed her boob with his palm.

"Brother Tian... D cup is enough right? Or do you like even bigger?"

"Enough."

Hearing this, the smile on Ning Yueli's lips widened "Good. Now, let's have sex, Brother Tian."

Zhao Ying who just came out of her room was shocked to see the two women standing in front of her "Sister Miya and... Shui?"

Chi Shui's face which was already deep red turned even crimson "I-I also love Brother Tian!"

Chapter 357: A little talk among women!

Looking at Chi Shui standing in front of her, Zhao Ying was surprised and blinked her eyes "Shui... you are here?"

Chi Shui gave a faint nod and lowered her head, her cheeks turned bright red in embarrassment "Yes, I also love brother Tian..."

Zhao Ying glanced at Chi Miya and she let out a deep sigh "I also came to know about it just a while ago."

Zhao Ying frowned slightly and looked at the blushing face of Chi Shui 'Good thing. now we have three virgin women... Tian'er won't be in danger anymore.'

With a soft smile, Zhao Ying spoke "Tian'er is busy with Yueli right now. You can go and see him later."

Upon hearing this, Chi Shui was surprised 'Yueli is here before me?'

At this time, Ning Xue also came there and glanced at Zhao Ying "Ying... has three women?"

Zhao Ying nodded her head "En. Sister Xue..."

"I see." Ning Xue muttered under her lips "Then I don't need to ask Big sister?"

She then turned her gaze to Chi Shui and raised an eyebrow "She is?"

Chi Miya introduced her "Sister Xue, this is my younger sister, Chi Shui."

...

Ning Zuiye sat beside Zhao Suyin on the couch, a relieved smile on her lips "Now, with this... Tian's body will be alright."

Zhao Suyin leisurely leaned back on the couch "Yeah..." a mumble escaping her lips.

Xia Shenyi clicked her tongue in annoyance and stood up from the couch "I am still angry at him. I am going to sleep."@@novelbin@@

"If he ever came looking for me, tell him I don't want to look at his face." She grimaced in anger and left the living room.

Yu Hua glanced at her and was confused "Why is uh... that sister angry?"

Zhao Suyin giggled softly "Don't worry... she is just angry that Tian'er didn't have sex with her."

Hearing this, Zahra Ashante nodded her head "Umu, I can understand her anger. After all, having sex with Tian is like being in heaven, it is just so good."

"Especially, when he finds my G spot and pokes it with his dick making me cum so easily. Haa, just thinking about it making my body tremble."

"I would be also angry if I couldn't have sex with Tian."

--

Huh? What the fuck?

The women stared at Zahra Ashante blankly, a single thought running through their heads 'How did Tian fall in love with her?'

Looking at their stares, Zahra Ashante smirked "Oh, come on, don't give me that look... everyone here had sex with Tian and you all know that, what I am saying is true."

"You are all just shy to talk about that. We are all sisters, wives of the same man... so it wouldn't hurt to talk about it openly."

E-Eh...

Everyone looked at each other and smiled awkwardly, but what Zahra Ashante said also made sense.

Zhao Suyin shrugged casually and spoke "I am not embarrassed to talk about that. I love when my son stretches my womb as he pushes his dick deep inside my pussy stretching t-"

Ning Zuiye hurriedly closed Zhao Suyin, a deep blush painting her cheeks "S-Suyin what are you saying?"

Zhao Suyin glanced at the other women who were also embarrassingly averting their gazes.

What the fuck are they talking about? Chi Miya who was coming downstairs blinked her eyes totally confused by the situation In the living room.

She hurriedly closed Chi Shui's ears "Shui'er..."

Meanwhile, Chi Shui who already heard everything buried her face in her palms 'W-Why are they talking about that so casually... and that is Brother Tian's Mom right?'

Zhao Ying facepalmed herself "Mom... what the hell?"

Amidst this, Yu Hua chuckled faintly looking at Zhao Suyin "I just heard... you saying your 'son' haha, I must have heard it wrong."

The other women smiled wryly upon hearing this 'It might seem crazy what I am about to say...'

"L-Lady Hua..."

Hm? Yu Hua turned to look at Hun Xiang who had a shocked expression on her face "Lady Hua... I also heard it like that. I am... sure two people won't hear it wrongly."

-_- H-Huh? Yu Hua was dumbfounded and her words stumbled "But... son is..."

Zhara Ashante narrowed her eyes "I also heard it like that. Tian is your son?"

With a proud smile on her lips, Zhao Suyin said "Yeah, he is and Ying'er is his sister."

"WHAT?!" Yu Hua stood up from her couch in utter disbelief, meanwhile, Zahra Ashante had an amused smile on her lips...

"Hooh, Incestuous relationship between Mom and Son, Sister and Brother... Hmm, indeed sounds interesting. Feels like a GOT plot."

Yu Hua's eyes trembled "Then the reason you both have same last names is because..."

"Because Tian'er is my son."

The Ling women smiled dryly as they had gotten used to it and Zhao Suyin also got shameless about that and is now saying that so proudly as if she won a gold medal.

Hun Xiang hurriedly stood up and bowed in front of Zhao Suyin "Mother-in-law."

Zhao Suyin was surprised but a smile spread across her lips "Ahhh, come here dear..."

...

Zhao Tian chuckled faintly looking at Ning Yueli who was sitting on his lap fully naked as he gently grasped her waist.

Ning Yueli leaned forward and pecked his lips "I have always wanted to be Brother Tian's girlfriend. Now that there is a chance, how can I let that slip, Brother Tian?" she said winking her eyes.

Zhao Tian sweetly pinched her cheek "You have always been so naughty."

Ning Zuiye again kissed his lips "I am only naughty for Brother Tian, hehe."

She raised her hands cupping his cheeks "But be real... Brother Tian, I have really loved you for two years, so I am happy that I am finally able to be with you."

Zhao Tian smiled fondly "En. I love you too."

Ning Yueli took a deep breath "Haah, you finally said it. Now I can die in peace..."

With a soft chuckle, Zhao Tian spoke "How unfortunate, you can't die anymore. You are bound to me and cursed to live with me forever."

"Hehe, Brother Tian... I like this curse."

"Haha..."

But then a concerned frown appeared on her face "Brother Tian.... your body, we should have sex soon to relieve that energy."

Chapter 358: *The three virgins*

thud Pushing Ning Yueli on the bed, Zhao Tian's eyes were drawn to the sight of plump, inviting breasts adorned with two tempting cherries perched delicately on their peaks, seemingly calling him to come and taste the delicious cherries.

The blush on Ning Yueli's face intensified feeling his lustful gaze on her boobs and she pulled his head bringing his lips closer to her nipples "Brother Tian, have some..."

Zhao Tian opened his lips and softly bit her nipples causing her body to tremble from pleasure as his hand fondled her other boob.

Feeling his wet tongue licking her sensitive nipples, Ning Yueli couldn't suppress her moans "Haangh~ Hnngh~! Brother Tian~~" as his finger began to tease her other nipple.

slurp *num* Pulling back his lips from her cherries, Zhao Tian was captivated by the sight of her flawless skin and alluring physique.

He moved and sat on the bed and understanding his intentions, she gracefully settled herself onto his lap.

Ning Yueli was quite embarrassed and the blush on her face deepened looking at his ferocious eyes gwaning at her body.

He turned her body on his lap making her look the other way as he groped her boobs from behind.

"Yueli." Zhao Tian whispered her name, his hands exploring the sensual curves of her body. His every touch, sent shivers through her body "Haang~ Hnngh~ "

"Let's see..." Zhao Tian muttered as his hand traveled down to her abdomen and then near her crotch.

Ning Yueli's heart pounded in anticipation as his fingers inched near her clit.

"Haangh~" She opened her lips letting out a moan as his finger touched her clit.

"Yueli..." Zhao Tian turned her face to her and kissed her, their lips merging in a fiery exchange of longing and pleasure.

Ning Yueli also closed her eyes kissing him back as Zhao Tian softly rubbed the outer folds of her pussy with his fingers.

Gently he slid one of his fingers inside her moist cave and Ning Yueli's body flinched but she didn't let go of his lips and continued kissing him.

Zhao Tian gently moved his finger back and forth inside her, causing her to experience an overwhelming sensation of pleasure as he explored her moist honeyhole.

Ning Yueli felt a rush of pleasure building within her, her breath quickening as she surrendered to the pleasure of Zhao Tian's touch.

After some time had passed, he slowly inserted another finger into her, exploring and stimulating her pink, delicate folds.

The intimate touch caused Ning Yueli to let out uncontrollable moans of pleasure, her voice filled with a mixture of desire and satisfaction. "Haangh~ Haangh~~"

Under his constant fingerings, teasing, sucking, and kissing Ning Yueli soon reached her limit and climaxed, squirting out love juices from her pussy.

"Haah, Haahhhh..." Ning Yueli's body heaved up and down in his arms as she tried to catch her breath and a soft smile appeared on her lips "T-That was amazing... Brother Tian."

"Do... you know how many days I have masturbated thinking about you? But today... haa... doing with your own hands is so much better."

"Yueli..." Zhao Tian couldn't help but chuckle and kiss her lips.

As he gently pushed her onto the bed. Ning Yueli smiled softly as she opened her legs wrapping them around his waist.

Zhao Tian stroked his dick on her pussy which was leaking love juices as they coated his dick, moistening it.

"Brother Tian... gentle..." Ning Yueli spoke and Zhao Tian leaned forward, his lips tenderly meeting hers in a gentle, affectionate kiss.

Retracting the kiss Ning Yueli gave a nod and at that moment, she felt the head of Zhao Tian's dick gently spreading her outer folds, causing a surge of pleasure to ripple through her.

A little later, Zhao Tian gently slid his cock inside her tight pussy. @@novelbin@@

Ning Yueli's eyebrows furrowed with a mix of pleasure and discomfort as she felt Zhao Tian's big cock slowly spreading her pussy open causing her to bite down on her lower lip.

At this time, Zhao Tian felt a thin membrane blocking his way, Ning Yueli closed her eyes tightly bracing herself for what was to come and Zhao Tian pushed deeper breaking the hymen and taking the virginity. *slick*

"Nnnngh!" Ning Yueli let out a guttural cry of pain as she felt a sharp sensation tear through her body as his dick pierced through her hymen making the blood flow out of her pussy marking her first time.

As Ning Yueli's pussy welcomed Zhao Tian's cock, the head of his dick slowly spread the tight pussy.

Zhao Tian focused on savoring the moment and taking things slow, resisting the urge to give in to his overwhelming desire.

Squeezing her soft plump breasts, his finger began to play with her pink nipple buds. Ning Yueli's clutch on his neck got tighter and she unconsciously bit Zhao Tian's lip in pain.

She gnawed on his lips, sucking his lips and Zhao Tian also reciprocated with the same madness as he slowly started moving his hips.

"Hnngh~~!...Anghhh~~!" Ning Yueli wrapped her legs around his waist as he continued increasing the pace. She can feel his dick slowly stretching her pussy and making its way deeper into her honey hole.

He firmly grasped her thighs and continued thrusting vigorously. Slowly love juices began to flow from Ning Yueli's pussy and lubricated her pussy walls, increasing the pleasure they were feeling and making his movements easier

"Anhhh!? Brother Tian~??" Ning Yueli couldn't help but let out a surprised gasp as Zhao Tian suddenly increased the speed of his thrust, and the pleasure began to overcome the pain that she was feeling.

"Urgh~ Yueli! your pussy is too tight." Zhao Tian mumbled as he enjoyed how her pussy walls are sucking on his dick as if massaging every inch of his dick.

Ning Yueli's face flushed a deep crimson, her entire body tingling with a mixture of embarrassment and arousal, upon hearing his explicit words of praise.

But her mind was feeble to think about it as his cock pushed even further reaching her cervix and making her feel as if a fire is burning on her lower abdomen.

It made her body even more hotter and she could not suppress the wave of pleasure that was surging through her whole body making her mind muddle.

"Angh~! Yeshhh... Haangh~!!!! ~~~" Zhao Tian fastened his hip motions as his dick rammed into her wet pussy making her moan again and again; and Ning Yueli under could only receive his thrusts.

Her boobs hopped up and down and seeing this Zhao Tian chomped her boob and began to suck it wildly.

"Hnngh~!!...Yanghh~!!... Yaanghh... Suck them..." Ning Yueli was letting out ceaseless moans and her entire body was already feverish and becoming numb with pleasure.

She could barely feel her limbs that were wrapping around Zhao Tian and felt her body dancing to Zhao Tian's rhythm and his relentless thrusts.

This was the same for Zhao Tian who is also overloaded with the pleasure Ning Yueli was giving him as he continued plunging his cock deep into her honey hole poking her womb.

"Haah!" Zhao Tian grunted in pleasure and thrust fiercely, and the only sounds that escaped her lips were moans of ecstasy. She extended her legs and twitched comfortably.

Her mind began to turn white and she could only keep moaning. He realized that she was close to cumming again and began to thrust faster.

pakh "Ahhhnnggg~!!?" He firmly grasped her shoulders and forcefully pressed her down, causing her body to jerk. "Haang~!" With a loud erotic moan, she orgasmed as her body trembled in pleasure.

At the same time, her vaginal walls tightened over Zhao Tian's dick increasing the pleasure and with the moistening of her cum *splurt* he also released his loads into her painting her inner pussy in white.

Ning Yueli's back arched, feeling the hot white magma filling up her insides, and her eyes widened in sheer pleasure.

"Brother Tian~"

Chapter 359: *The three virgins 2*

"Haangh~ Haangh~ Brother Tian...."

Her upper body being pressed on the table, Ning Yueli moaned coquettishly as Zhao Tian continued ramming his cock on her pink pussy.

"Yueli..."

Grunting her name in pleasure, Zhao Tian raised her left thigh and moved it over the table as he grabbed her waist and pushed his dick even further.

"Gaaghh~" Ning Yueli let out a throaty moan as she felt the tip of his cock hit the gate of her womb and Zhao Tian also sighed in pleasure as her pussy gripped his cock in a different way in this position.

His fingers tightly clutched her fruity ass as he ravaged his hot dick deep into her hole, the warmth of her pink pussy melting his hard dick.

pakh *pakh* Ning Yueli's eyes rolled out as she felt her mind flying to heaven and tightly gripped the table for balance.

Zhao Tian raised his left hand and grabbed her head, pressing her face on the table, and moved his hips hastily, his dick sliding in and out of her pussy.

Ning Yueli's mind is consumed by his dick as she let out her tongue 'Brother... Tian is so rough... he is using me as a toy and I fucking love it...'

"Yessshh! Brother Tian.... Angh~"

pop Zhao Tian pulled his dick out and grabbed her thighs, rotating her body on the table making her look at him "Yueli..."

Ning Yueli raised her legs, wrapping them around his waist and Zhao Tian placed his dick on her dripping cave.

squeach He pushed it deeper in one push into her slippery squishy hole and leaned down kissing her lips.

"Brother Tiann... haanhh-"

Kissing his lips, she gently bit on his lower lips "Brother Tian... do you like my pussy? Is it good..." she asked tightly clutching his dick with her mushy hole.

Feeling the grip of her hole tightening, Zhao Tian sighed in satisfaction "Yes, dear..."

Meanwhile, the women downstairs kept conversing amidst the faint moaning noises of Ning Yueli echoing through the room.@@novelbin@@

Chi Shui took a good look at all the women gathered and mused in her mind 'So, everyone is his women? All of them are cultivators?'

On the other hand, Yu Hua is talking with Zhao Suyin and Zhao Ying about her relationship with Zhao Tian.

Fei Ziyu and Fei Lingxi are in the kitchen preparing juices for everyone to drink.

...

splurt Feeling Zhao Tian's hot cum spreading inside her womb, Ning Yueli's eyelashes fluttered in fulfillment and she looked at Zhao Tian who was hugging her in his arms.

"Brother Tian..."

Zhao Tian shut her by kissing her lips as he slid his tongue and Ning Yueli reciprocated the passionate kiss by sucking on his tongue, tasting their mixed saliva.

Pulling back from the kiss, Zhao Tian gently placed her down, and as her foot touched the cold ground, she felt a shiver run down her spine.

pop As he pulled back his dick, his white magma burst forth from her pussy staining her inner thighs.

Not being able to stand steady on the floor, she stumbled and fell on his chest "Haah... I am tired."

Zhao Tian hugged her tightly in her arms and Ning Yueli closed her eyes feeling the warmth of his embrace.

"Brother Tian, I love you so much..."

"Me too... dear." he mumbled patting her head, his fingers twirling her blonde hair.

"Hm... hug me like this a bit more. I like this, it is so warm.... being in your arms like this."

As she requested, Zhao Tian continued hugging her in his embrace and Ning Yueli placed her feet above his foot because the floor was too cold.

They just stood there hugging each other so tightly as Zhao Tian played with her spongy ass cheeks spreading them.

Ning Yueli snuggled in his arms, kissing his neck, and mumbled in his ear "I am glad... you have many women, Brother Tian. With this, now I can also become your woman."

"Do you remember? that day.. I said I don't mind being in an affair with you? I was serious... I don't mind if you are cheating on your girlfriend with me. I just want you to love me..."

Zhao Tian let out a soft chuckle; he also had plans of making her his woman before leaving the earth as he knew she loves him so much.

But fate brought her to him before that.

"I will always love you, my dear..."

...

Smiling, Zhao Tian softly placed Ning Yuelin on the bed who was sleeping in his arms.

As he turned his gaze to Ling Xin, who was sleeping on the bed, he let out a sigh "The Yang energy is almost subdued because of Xin and Yueli's help.."

"And there is Shui... haah, they brought her."

After wearing his shorts, Zhao Tian opened the door and came outside. As he stepped out, he saw Zhao Ying walking towards his room "Ying'er."

Strolling to him, Zhao Ying hugged him "Tian'er, how is it?"

Zhao Tian hugged her back and nodded his head "It has gotten better. Now I can control it somehow, but the Yang energy is still raging in my body."

As he raised his head, he saw Mei Xiu, Chi Miya and Chi Shui walking towards them.

"Shui..." he mumbled looking at Chi Shui.

Feeling his gaze, Chi Shui lowered her head in embarrassment.

"Tian..." As Mei Xiu walked over to him, he hugged her too and Mei Xiu patted his head.

Chi Miya glanced at her Little sister and saw that she was so embarrassed.

With a sigh, she spoke "Ying, Xiu, let's leave."

Zhao Ying nodded and left his embrace. Mei Xiu kissed his lips before leaving his arms and walking downstairs.

"Um.." Chi Shui stumbled on her words as she found it hard to maintain eye contact with Zhao Tian and kept her head dropped.

Zhao Tian let out a soft sigh feeling the weird and awkward atmosphere and spoke "First come in."

Seeing him entering his room, she also quickly followed him.

Chapter 360: *The three virgins 3*

Zhao Tian and Chi Shui were sitting on a couch in Zhao Tian's room; both of them were silent as an awkward atmosphere prevailed.

Chi Shui sat there, her legs closed as she played with her fingers nervously.

As she raised her gaze, she looked at Ning Yueli and Ling Xin peacefully sleeping on the bed, their bodies covered with quilt.

Zhao Tian also stayed silent as he didn't know how to start the conversation either, in this situation.

Chi Shui who was wearing pajamas undid a few of the buttons in her shirt showing her cleavage.

ahem She coughed slightly to get his attention and as Zhao Tian glanced at her chest, Chi Shui deliberately moved to show him, her deep cleavage.

Zhao Tian couldn't help but chuckle finding that it was cute of her.

"Brother Tian..." Chi Shui moved her ass slowly on the couch to get closer to him and gently leaned on his shoulder.

With a fond smile, Zhao Tian raised his hand wrapping it around her shoulder. "Shui."

Feeling his arm on her, Chi Shui sighed softly and mumbled "I heard everything from Big sister. About your body condition right now and you need... three virgin women to subdue your Yang energy."

"S-So I am here to subdue that."

As Zhao Tian opened his lips to speak, Chi Shui raised her hand placing her finger on his lips.

"Now, before anything... You don't have to think that I am not valuing my body and sacrificing it for you because Big sister compelled me."

"Actually, I also took advantage of the situation and became selfish."

Zhao Tian frowned upon hearing this as Chi Shui said what he thought of asking her.

A deep blush spread across her cheeks as she mumbled taking in a soft breath "I love you, Brother Tian."

Hm? Zhao Tian raised an eyebrow in surprise as he didn't see any signs of her loving him during his time with her.

However, she hurriedly shook her head "And no, I am not lying Brother Tian. I actually love you... but knowing that you are Sister's boyfriend, I stayed silent not wanting to ruin your relationship."

A gentle smile graced her lips "The first time I saw you that day in the hospital... you are so pretty like a beautiful painting that I couldn't take my eyes off you."

"You healed my legs. And spending time with you, was so fun and happy... you also accompanied me during the drawing competition and encouraged me."

"It was for you, I won that competition..."

Looking at the lovely smile of Chi Shui as she continued talking about him, Zhao Tian blinked his eyes in surprise as he didn't really know that she loved him this much.

Now he feels that it was good he absorbed that pure Yang energy, if not he would have lost Chi Shui in his life.

Letting out a sigh, he picked her up and placed her on his lap, hugging her from behind "Shui..."

Chi Shu's body stiffened in anxiety as she felt his chest hitting her back.

He gently turned her chin and made her look at him as he placed a tender kiss on her lips "I never knew you loved me."

Chi Shui's eyes trembled in emotions feeling the first kiss of her life and nodded her head "It is because I never showed signs of loving you and acted as your little sister."

She let out a deep sigh "Even now, I know you don't love me or see me in that way, Brother Tian; as this is so abrupt for both of us."

Gently grazing his cheek with her fingers she muttered "But now that I have a chance, I will surely make you fall in love with me."

Zhao Tian chuckled faintly and Chi Shui placed her hands on his shoulders as she leaned forward pecking his lips.

smooch Zhao Tian again tap kissed her and Chi Shui too pecked his lips.

As they looked into each other's eyes, Zhao Tian smiled and kissed her lips delicately sucking on her pink lips.

Feeling the soft texture of his lips caressing her own lips, Chi Shui's heart flooded with happiness and she eagerly reciprocated the kiss.@@novelbin@@

"Broher Tian..."

"Yeah?"

"Hmm..."

smooch

As they continued exchanging kisses, they lost themselves in the warmth of the embrace and Zhao Tian slowly slid his hand inside her pajama.

"Hnngh..." Zhao Tian gently squeezed her boob over her bra and Chi Shui opened her eyes, but seeing his tender blue eyes, she closed her eyelashes letting his hand wander her body.

Smiling, Zhao Tian pulled up her bra inside the pajama directly groping her bare boob, and Chi Shui's body flinched by the warmth of his palm on her boob.

"Shui'er..." Muttering her name under his breath, he softly played with her boobs, his fingers circling her nipple making her emit soft moans in between their kisses.

Again kissing his lips, Chi Shui mumbled "My Sister has big boobs and she even uses small bra sizes to hide them... Hnngh~ and I asked her about your preferences just a while ago."

"She said, you like them as long as you can hold them in your palm... Mine is quite small, are they fit to your palm?"

"yeah."

Zhao Tian continued massaging her boob and a little later, he undid the buttons of the shirt of her pajama.

As his finger traced her abdomen, Chi Shui opened her eyes and looked at the playful smile on his lips "Brother Tian."

Zhao Tian slowly slid his fingers inside her pants, reaching her underwear and then slithering his fingers inside her underwear as he grazed the short grass hair on her crotch.

Feeling his fingers touch her clit, Chi Shui's body trembled on his lap and Zhao Tian went even deeper; spreading the pussy folds with his fingers.

"Brother Tian... it feels so weird."

Hm? Zhao Tian slowly pushed his middle finger inside her mushy walls and asked in a teasing tone "Have you masturbated before?"

"Haangh~" Chi Shui let out a soft moan feeling his finger stretch her pussy where even her own fingers have not explored.

Hearing the embarrassing question, Chi Shui replied honestly "N-No... Brother Tian. I mean... I have watched videos... but never... did masturbate."

"Heh..." A tint of lust twirled in Zhao Tian's eyes and the desire to corrupt and ravish this innocent lamb to the core swirled in his mind.

"Shui'er..."
