Chapter 361: *The three virgins 4*

"Hhngh~ Brother Tian..."

Chi Shui mewled in his arms as Zhao Tian's left hand caressed her modest boobs while his right hand was playing with her pussy.

With a mischievous smile on his lips, Zhao Tian gently rubbed the clit with his fingers and gently pinched it.

"Kyaangh~~" Chi Shui felt a shiver run down her spine and twisted her body in his embrace.

"Brother Tian~ your finger..."

"My Finger?" @@novelbin@@

Zhao Tian smiled and gently pushed his middle finger inside her tight pink hole and Chi Shui hugged his neck, her body trembling feeling the weird pleasure.

"Hhnng~~"

Zhao Tian slowly stroked her insides with his finger and soon he felt her wet liquids moistening his fingers.

Leaning forward, he gently took her lips in a soft kiss as he delicately inserted another finger inside her squishy hole and he instantly felt the tightness clutching his fingers.

"Ungghhh~" Chi Shui's body withered and her arms around his neck got tighter as Zhao Tian poked and spread her pussy with his fingers.

"Hnghh~ Aangh~~ Brother Tian... it is weird... but feels so good.. Mmngh~" She mumbled in ecstasy feeling his fingers plunder her small hole.

Zhao Tian slowly pushed his tongue into her mouth starting a passionate kiss and Chi Shui reciprocated awkwardly sucking his tongue.

As they pulled back the kiss, Chi Shui muttered "I am sorry... haah.. Brother Tian-"

"Why sorry?"

Zhao Tian nuzzled his face on her neck, planting small bites and kisses and Chi Shui closed her eyes, as his hands and lips continued exploring her body.

Fingering her mushy honey hole, Zhao Tian gently rubbed the clit with his thumb and at this time he suddenly felt the suction force of her pussy increasing.

"Haaaanghhhhh~~~ Th-There mmngh~~~" she twisted her body in overwhelming pressure.

A smile appeared on Zhao Tian's lips 'Found it...'

After finding her G spot, he continued to caress and tease her G spot pushing her mind to the brink of pleasure.

With every passing moment, her cries grew louder, her breath quickened even more, and her chest rose and fell rapidly, all due to the overwhelming pleasure she experienced from Zhao Tian's relentless attacks on her pussy.

"B-brother something is... coming..."

With a loud erotic moan, her body squirmed and she squirted painting Zhao Tian's hand with her love juices.

Even while she was squirting, Zhao Tian continued fingering her pussy as love juices burst out from her pussy hole.

"Haah... Haah..." Chi Shui gasped for air, her breathing ragged, her chest rising up and down after the intense orgasm just now.

As Chi Shui turned to look at Zhao Tian, she was surprised to see him licking his fingers which were moistened by her love juices.

'H-He is... licking my... ahhh'

The blush on her face deepened and she gulped watching him licking her juices as she even got turned on looking at it and thought it was so erotic.

With a smile, Zhao Tian began to remove her pajamas and Chi Shui obediently moved her hands making it easier for him to remove her clothes.

She stood up and removed her pants along with her underwear; becoming butt naked.

'I-I am going to have sex with Brother Tian...'

Screaming in her mind, she closed her eyes and lay on the couch "Brother Tian." she muttered in anticipation.

A little later, she felt a hot thing rubbing her pussy and her eyelashes fluttered open. As she looked down, she gasped in shock looking at his hard dick pulsating.

Her eyes trembled in nervousness "B-Brother Tian... it looks so big, w-will it even fit in my..."

Zhao Tian smiled reassuringly and patted her head "Don't worry, Shui'er... it will..."

Seeing his soft smile, Chi Shui nodded her head and closed her eyes, mustering herself for the injection.

Gently grabbing her waist, Zhao Tian slowly pushed his dick in spreading her tight pussy and Chi Shui's eyes trembled in slight pain and pleasure feeling his hot cock in her pussy.

Zhao Tian pushed his cock in tearing through her hymen and instantly blood spilled from her pussy as a drop of her virgin blood fell on the couch.

"Urgh!" Chi Shui winched in pain but it didn't hurt as much as she thought and felt it was quite bearable.

Zhao Tian also caressed her boobs to make her relieve the pain and slowly moved his dick in and out of her pussy.

"Shui'er... are you alright??"

Chi Shui kept her eyes closed and gave a sheepish nod "I... urgh.. pains a little, Brother... can you wait for a bit."

Zhao Tian leaned down and kissed her lips as he controlled himself from ramming his dick into her pink bud.

Her pussy is just so damn tight and is squeezing his dick so hard as if it wants to eat his dick.

A little later, Chi Shui felt the pain subside and nodded her head "Brother Tian... I want to hug you."

As Zhao Tian leaned down she hugged his neck tightly and Zhao Tian again continued moving his waist.

Slowly love juices began to flow from Chi Shui's pussy and lubricated her pussy walls, increasing the pleasure they were feeling and making his movements easier.

"Hnghh~~" Feeling his big dick spread open her pussy, Chi Shui let out a loud moan, her body twitching in his embrace.

He increased the speed of his thrust, and the pleasure began to overcome the pain that Chi Shui was feeling.

"Haah... Shui'er... this is good..."

Zhao Tian mumbled as he relished the way how her pussy walls were sucking on his dick as if caressing it. "Brother Tian... me too, your thing is stretching me... Annghh~~~"

It made her body even more hotter and she could not suppress the wave of pleasure that was surging through her whole body making her mind muddle.

pakh *pakh* "Angh~!...Angh~! Tian~ Tian~!" Zhao Tian fastened his hip motions as his dick rammed into her wet pussy making her moan again and again.

Her boobs hopped up and down and seeing this, Zhao Tian grabbed her boobs and squeezed them tightly.

"Hnngh~!!...Brother T-Tiannnn~!!!"

Chi Shui was letting out ceaseless moans and her entire body was already feverish; her lower body becoming numb with pleasure.

She could barely feel her limbs that were on the couch and felt her body dancing to Zhao Tian's rhythm and his relentless thrusts.

This was the same for Zhao Tian who is also overloaded with the pleasure Chi Shui was giving him as he continued plunging his cock deep into her honey hole poking her womb.

Zhao Tian grunted in pleasure and thrust fiercely, making Chi Shui moan again as she extended her legs and twitched comfortably.

Her mind began to turn white and she could only keep moaning. He realized that she was close to cumming again and began to thrust faster. *pakh*

"Ahhnnnn~!!!" With a loud erotic moan, she orgasmed as her body trembled in pleasure, her pussy squirting love juices.

splurt "Urgh..." He also unloaded his shot of semen deep into her honey cave.

Chapter 362: A peaceful life!

"Hmn?"

Ling Xin's pretty eyelashes trembled and as she opened her eyes, she saw an unfamiliar ceiling which does not look like her room in the Lunar Blossom Pavillion.

Memories of yesterday night flooded her mind and she felt a mild pain in her crotch as she pulled herself to sit on the bed.

"Uh... haah..."

She turned her head to look at Zhao Tian who was sleeping beside her while Chi Shui and Ning Yueli were hugging him, lying atop his chest.

'Hm? Who are they?'

She then remembered hearing from Ling Huang that he actually needed three virgin women to subdue the Yang energy.

'So they are the other two?'

Looking at his sleeping face, Ling Xin's eyes softened and she raised her hand moving the long hair from his face with her delicate fingers.

'Good Morning, Husband...' With a smile gracing her lips, she leaned down placing a kiss on his forehead.

She still feels that it was surreal as everything happened so quickly.

Till yesterday she had a normal life within her sect, just eating, cultivating, and looking over the disciples.

But now she has a Husband and many sisters to be with, her life is not ordinary anymore.

There is a new partner to share her life with.

Though everything is abrupt, she still doesn't regret it a bit, and she doesn't know why but she feels it will be very enjoyable to spend time with him as his wife.

With a sigh, she got down from the bed and slowly stood up as she began to wear her robes.

After wearing them, she took a quick glance at Zhao Tian before leaving the room.

She walked out of the room and strolled downstairs to the main hall.

"Oh? Sect Master Xin." Zhao Ying who was scrolling through her mobile after a refreshing morning bath, smiled looking at Ling Xin.

Ling Xin showed a faint smile and nodded her head "En."

As she walked down, Zhao Ying stood up from the couch and hugged her "Thank you Sect Master Xin, for your support."

Ling Xin just smiled and shook her head "No... uh.. Miss.."

Zhao Ying chuckled softly and spoke, "You can just call me, Ying."

With a nod, Ling Xin asked "Ying... where is the kitchen?"

Zhao Ying was confused and raised an eyebrow "Kitchen?"

"Yeah... I can prepare tea for my Husband before he wakes up." As she spoke, a blush spread across her cheeks and she lowered her head in embarrassment.

"I mean... I... am his wife and I want to impress him a little on the first day, so... I uh..." Ling Xin nervously looked around.

'Waaah, this woman is kinda cute.' Giggling in her mind, Zhao Ying guided her to the kitchen.

"You can find all the ingredients here to prepare tea for Tian, Sect Master Xin."

Ling Xin nodded her head "Thank you, Ying."

"Hm. I am leaving... I don't want to disturb your session of making special tea for Tan'er, haha..."

Before she could leave the kitchen, Ling Xin called her "Um, Ying."

Hm? Zhao Ying stopped and turned her head to look at her "You need my help?"

Ling Xin gently shook her head and spoke, keeping her smile "No... the thing is, I know I am new here and it will take a while to mingle along with everyone here."

"But can you please... at least call me as Sister. It kind of feels strange when you call me like that."

Zhao Ying's eyes softened and she nodded her head "Yes, Sister Xin."

Hearing her call her Sister, Ling Xin's expression turned gentle "En."

...

As Ling Xin was preparing tea, she suddenly felt a pair of hands hug from behind and a soft voice caressed her ears "Xin..."

Huh? Startled, she suddenly turned her head and looked at Zhao Tian who was hugging her, wearing only shorts.

"Husband?"

Zhao Tian lazily snuggled her cheeks onto hers "Good morning, Xin... Haah."

Feeling the warmth of his chest on her back, Ling Xin smiled "Good Morning, Husband... you woke up sooner than I expected."

"Yeah, because my wife gave me a good morning kiss, I woke up."

Ling Xin chuckled upon hearing this and muttered "So, you were awake at that time."

Hugging her tightly in his arms, Zhao Tian said in a faint voice "I won't let you regret your decision, Xin."

Ling Xin turned her head and looked into his eyes "Husband, I am sure I won't regret it. You have so many women... they would have left you if they weren't happy with you."

"Yet, they are all here with you... to spend their lives with you. All of them... with a single man."

"This alone shows how reliable you are and how you take good care of them."

"So I am sure, I will never regret my decision."

Zhao Tian smiled gently and pecked her lips "Thank you, Xin."

"Oya, Oya, the new couple is already so love-dovey in the morning."

Hearing a teasing voice, Ling Xin turned her head to the doorstep of the kitchen and smiled "Huang'er."

"Hm.. hm..." Ling Huang stepped into the kitchen and Zhao Tian opened his left arm hugging her.

"So, Sister Xin... do you like your time with your Husband?"

Ling Xin blushed faintly upon hearing this question and nodded her head "Yeah..."

With a playful giggle, Ling Huang spoke "But Sister Xin, be careful with him. he is a pervert."

"Do you remember that day we took a bath in the lake, he was ogling at you."

Ling Xin looked at Zhao Tian and spoke "Well, he is a man and when I expose so much skin, he will surely look at me like that. What's wrong with that?"

Ling Huang blinked her eyes and smiled dryly "You became his wife just yesterday and is already taking on his side, defending him."

Zhao Tian chuckled and Ling Huang hit his abdomen gently "Even now, look at what his left hand is doing."

Left hand? Ling Xin tilted her head and saw Zhao Tian groping Ling Huang's ass cheek with his left hand.

With a soft giggle, Ling Huang kissed Zhao Tian "But I also love him as a pervert like this."

"By the way, Husband... is it okay to let them continue to fight like this."@@novelbin@@

"They are just playing around."

Ling Huang smiled dryly "Playing around. they are about to kill each other."

...

clank Zahra Ashante parried the slash with her dagger but was blown away in the air because of the immense power "Damn bitch!! why are you so strong?"

She yelled looking at Yu Hua who was standing with a gleaming silver sword in her hand.

Chapter 363: Sword Intent!

clank Zahra Ashante parried the incoming slash with the twin daggers in her hand but was blown away by the immense force behind the attack.

woosh She landed on the grassyland and glared at Yu Hua who was walking towards her with a silver sword in her hand.

"Damn bitch! Why are you so strong?!"

swish Yu Hua disappeared from her place and reappeared in front of Zahra Ashante as a metallic glint passed through her sword.

sleesh She gave a horizontal slash aiming at her head and Zahra Ashante dodged that in the nick of time and took three steps back, her heart thumping in dread.@@novelbin@@

"Are you trying to kill me, idiot?"

Yu Hua smirked and spoke "It is not my fault that you are weak."

Zahra Ashante's lips twitched in frustration as she replied "We both are at the same level of cultivation."

After dual cultivating with Zhao Tian and removing the seal, Zahra Ashante has also reached the peak of the Monarch Astral Stage.

But still, she couldn't match Yu Hua...

Letting out a soft sigh, Yu Hua spoke "You are trained to be an assassin not a warrior, so of course you can't defeat me if we fight head-on and I have more experience than you."

Zahra Ashante rolled her eyes and twirled the daggers in her hands "But I excel in agility."

woosh Leaving green trails of energy, Zahra Ashante used her wind elemental and hurled towards Yu Hua at top speed.

Yu Hua squinted her eyes and concentrated on her Astral Sense "Behind?"

clank Yu Hua quickly turned around and blocked the sharp dagger as she clicked her tongue in annoyance "Tch, shameful... attacking from behind."

Zahra Ashante kicked Yu Hua's sword and jumped four steps back "Oh come on, I am not a warrior to have pride and shit."

"I am an assassin."

Yu Hua's eyebrow twitched and she slashed her sword at Zahra Ashante as a large slash of white energy appeared from her sword.

"Oi, Oi, Oi!" Zahra Ashante's death instincts kicked in and she swiftly dodged the slash.

boom The slashed cleaved a large portion of the land, splitting it into two as dust swirled around in the air.

But in the next instant, the land began to merge itself and quickly the huge cleave on the land disappeared as it became fresh.

"Wow! that's so cool."

Zahra Ashante muttered in awe looking at that "The one who created this artifact is really powerful."

Yu Hua sighed in her heart as she remembered Zhao Tian "The First Honoured one..."

Yesterday night, all of the women gathered and yapped a lot about High Stars, about Zhao Tian's physique and his mysterious origins.

Yu Hua was still in a state of shock as she remembered the things she heard about Zhao Tian yesterday.

*swiish8 "What are you day dreaming about, you cheater?"

Zahra Ashante asked in a mocking tone as she pierced her dagger at Yu Hua and she defly parried the attack.

Hm? Yu Hua raised an eyebrow in confusion "Cheater? me?"

Zahra Ashante pushed the dagger but Yu Hua raised her leg and attempt to kick.

However, Zahra Ashante easily twisted her body dodging the kick and replied "Of course, you are..."

"You used Astral energy in our fight. We agreed on to fight with swords only."

Yu Hua shrugged her hands "You are the one who first used it to enhance your agility with wind elemental."

Zahra Ashante frowned her eyebrows and answered "i didn't use it for offense though, so you are still a cheater."

Yu Hua giggled upon hearing this "Well, I actually didn't use Astral energy, I used my sword spirit energy."

As she muttered, a white aura began to ooze out from Yu Hua's body and feeling the sharp energy Zahra Ashante felt a shiver run down her spine.

Her eyelashes trembled in dread 'So this is the Assassin killer, Yu Hua... glad I am not her enemy.'

With a smile playing on her lips, Yu Hua raised the sword above her head and mumbled "Dodge this."

She lowered her blade and an enormous white slash materialized out of thin air dashing towards Zahra Ashante at insane speed.

flick Seeing the slash inching close to her, Zahra Ashante thought of jumping to the side, however, at this time, she saw a sharp metallic glint at the corner of her eyes.

Huh?

clank Another blade swiftly intercepted the slash and the white slash was disappeared into cinders.

Hm? Yu Hua's eyes narrowed as she glanced at the white haired woman standing in front of her.

Yu Hua was confused and asked in a solemn tone "And who are you? I didn't saw you yesterday night."

Before Yu Hua arrived within the artifact, Shi Yixian had intense sex with Zhao Tian trying to subdue his pure Yang energy and as she got tired, she fell asleep.

Looking at the sharp aura around Yu Hua, Shi Yixian frowned slightly "An unpolished gem." she mumbled under her lips.

Hm? Yu Hua tilted her head in confusion and as she tried to see through Shi Yixian's cultivation she was puzzled 'She has no cultivation... or she has higher cultivation base than me?'

'She easily deflected my sword attac- *gasp* Yu Hua gasped in shock and her pupils dilated in sheer fear feeling the sharp aura around Shi Yixian.

A white glint passed through Shi Yixian's red eyes as she mumbled "Your sword spirit energy is... not bad."

Yu Hua heart beat raised as she gripped her sword tightly 'Her comprehension of sword intent is higher than mine?'

'How? I thought I have reached the pinnacle of swordsmanship... but this woman.'

Looking at the shock in Yu Hua's eyes, Shi Yixian mumbled "Did you thought... you have reached highest level in sword intent? you are still in middle star...."

"And your sword intent is unpolished, probably because you didn't have a master to train you properly."

"But even among the people in Middle stars, yours is not bad."

Chapter 364: Melting the anger!

Yu Hua took a deep breath calming her raging heart and asked "You are from the High Stars?"

Shi Yixian stayed silent, not replying to her question and Yu Hua stood there awkwardly 'Eh? She doesn't speak... though she spoke just now?'

Zahra Ashante who was behind Shi Yixian asked with stars in her eyes "Are you also Tian's woman?"

Shi Yixian turned her eyes to Zahra Ashante and a frown crept over her eyebrows because these women are new to her.

swish Shi Yixian side stepped dodging the slash and her red eyes glimpsed at Yu Hua "Even though I have a broken cultivation base and can't sense your presence with astral energy."

"I can still sense your sword energy."

As she muttered, *sleesh* *sleesh* small slashes fell on Yu Hua, tearing her skin as blood splashed from her body.

Wha- Yu Hua was startled and took a step back, her eyes looking at Shi Yixian in horror.

Zahra Ashante closed her mouth in shock "Yu Hua..."

Shi Yixian muttered "Use healing pill or ask My Liege to heal it for you later. And stop fighting, it will disturb My Liege's sleep."

As she was about to leave, Zahra Ashante stopped her "Liege, you mean Tian? What is your relationship with him?"

Looking at her, Shi Yixian spoke in a solemn voice "i am his servant and his sword."

Zahra Ashante was quite puzzled and tilted her head "Then, you are not his woman?"

Hearing the question again, a faint blush crept over Shi Yixian's cheeks as she remembered her intercourse with Zhao Tian in the past days.

'I am his woman...'

"Oh, you guys stopped playing."

Zahra Ashante turned her head and looked at Zhao Tian who is walking out of the mansion wearing only shorts with a tea cup in his hand.

"Good Morning, Tian!" Zahra Ashante yelled with a happy smile on her face.

"Good morning."

swoosh Zhao Tian appeared in front of Yu Hua and raised his hand caressing her cheek, as he used his light energy while holding the tea cup in his left hand.

Yu Hua let out a soft sigh feeling the rejuvenating energy in her body and Zhao Tian retracted his hand.

"My Liege..." Shi Yixian suddenly hugged him and Zhao Tian let out a huckle "Yixian."

Gently cupping his cheeks, Shi Yixian leaned forward to kiss his lips and instantly inserted her tongue starting a passionate kiss.

Zhao Tian chuckled in his mind, as usual Shi Yixian is going for the tongue kiss and reciprocated the kiss.

After tasting his saliva, Shi Yixian pulled back her lips, a sweet smile spreading on her lips.

He raised his right hand pinching her cheek "Why are you hurting Hua?"

Yu Hua intervened "No, Tian... its my fault. i am the one who tried to do a surprise attack."

Zahra Ashante hugged Zhao Tian from behind and kissed his ear "Tian, who is she?"

With a smile, Zhao Tian spoke "She is Yixian, she is from the Astral Realm."

Yu Hua and Zahra Ashante were bewildered to hear this 'Astral Realm?'@@novelbin@@

Zhao Tian took a sip of his tea and Yu Hua who remembered something squinted her eyes "Tian, Aunt Suyin and Ying..."

Zhao Tian looked at her "Hm? What about them?"

Yu Hua sighed in her heart as she doesn't want him to think that she is judging their relationship and Zhao Suyin did say that she is not his real Mom.

"Nothing, Tian..."

Zahra Ashante who was hugging him from behind, kissed his nape and uttered "By the way Tian, that woman... ah, Shenyi? she was so angry at you since yesterday."

"She said that she will never look at your face again."

Hoh? Zhao Tian mused under his lips upon hearing this "Let me go and see her."

As Zhao Tian walked away from there, Yu Hua cupped her hands and bowed her head "I didn't know you were from the Astral Realm."

Shi Yixian just stayed silent and Yu Hua, keeping her head lowered asked "Can you accept me as your disciple and teach me the way of sword?"

Zahra Ashante: -.- Eh?

...

Zhao Tian stood in front of Xia Shenyi's door and knocked on it "Shenyi."

Xia Shenyi who was sitting on her desk researching the Eleven artifacts, mumbled "Hmph, leave. I don't want to see you."

flick In the next instant, Zhao Tian appeared within her room and Xia Shenyi was startled "Eh? How did you?" she asked standing up from her chair.

With a chuckle, Zhao Tian walked closer to her "Did you forgot that I can teleport anywhere within the artifact."

Xia Shenyi remembered that and turned her gaze away "I can't even rest in private."

Zhao Tian let out a chuckle and grasped her hand, pulling her to him as he wrapped his arms around her waist.

"You are still angry that I didn't take your virginity?"

Xia Shenyi kept her gaze away, refusing to make an eye contact with him "Of course."

Zhao Tian shook his head helplessly "I already promised you."

However, Xia Shenyi was not buying any of it and avoided looking at his face.

Smiling, he sat on the bed, gently placing Xia Shenyi on his lap as he hugged her waist from behind and Xia Shenyi didn't protest either.

"You know Shenyi, the delicious part of the dish should be eaten at last so I can savor it thoroughly."

He whispered in her ears as he slowly raised his hand from her waist cupping her boobs in his palms and tenderly fondled them.

"Don't use sweet words to coax me, Tian."

"Haha..." Zhao Tian let out a heart laugh and began to remove her robes from behind and Xia Shenyi also felt the robes loosening on her body.

Zhao Tian's fingers trailed her seductive neck and he slowly slipped his fingers inside her robe, groping the hot overflowing bun within his palm.

As he gave a nice squeeze, Xia Shenyi's eyelashes fluttered and Zhao Tian spoke "As always, my dear Shenyi's boobs are plum."

"I can hold them forever."

Chapter 365: Empyreal realm!

"Hnngh~ Tian... wait."

A kittenish moan slipped past Xia Shenyi's lips as she felt Zhao Tian's palms greedily squeezing her boobs, stretching them.

Zhao Tian chuckled softly, placing a kiss on her neck and gently pinched her nipple, twisting it.

"Angh~" Xia Shenyi's body fluttered in his arms and moaned in pleasure.

She placed her hands over his hand and stopped him "Wait.. Tian, I am still angry at you."

"Is that so?"

With a teasing smile, he retracted his hand from her breast and turned her chin to look at him.

He gently caressed her lips with his thumb and Xia Shenyi opened her lips, biting his thumb "Ah... don't bite."

Xia Shenyi eased her teeth and softly began to suck on his thumb, her eyes looking into his calm blue eyes.

"I won't forgive you for this brat, I am your first woman but everyone else is having sex with you before me."

Zhao Tian mumbled "I just told you- *smooch* Before he could utter another word, Xia Shenyi sealed his lips with a kiss.

Pulling back from the kiss, Xia Shenyi let out a sigh and hugged him "Get stronger soon, Tian. I also want to be your woman..."

Zhao Tian hugged her back as she nuzzled her face on his neck "Yeah, maybe you can leave this artifact I have sex with you."

"The black tattoo on your arm will change to silver..."

Xia Shenyi frowned slightly upon hearing this and nodded her head "Hmm... Tian, I love you..." she mumbled placing kisses on his neck.

"I love you too, dear..." a gentle mutter escaped his lips.

Playing with her long black hair, Zhao Tian asked "By the way, how long will it take for Freya to come out."

Xia Shenyi ran her fingers across his robust chest and replied "A few months and maybe a year."

Zhao Tian raised an eyebrow in surprise "That long?"

Xia Shenyi relished in the warmth of his body and nodded her head "You know... that for people in High Stars with long life spans, a month is like three or four days for them."

"Hm..." Zhao Tian nodded, his fingers twirling her hair.

At this time, Xia Shenyi remembered something and said "Don't forget to clear the black pagoda... There must be some rewards that might be useful to you."

"Since there are nine floors just like nine cultivation levels in the transient realm, we would be lucky if we got the Empyrean Pill from the last trial."

"You can easily break through to the Empyrean realm and cultivate the next nine cultivation stages."

(A/n: refer to auxiliary chap, if you are confused)

Zhao Tian frowned slightly as he asked "Shenyi, I remember you saying that Middle star people can't break through because of the low astral energy in the stars."

"But there is a rich amount of astral energy in this artifact, so I can break through without the Empyrean pill?"

Hearing the question, Xia Shenyi explained "Tian, it's not just the astral energy, the life energy of the planet required for the ascension, and most importantly the laws imposed by the heavens to the middle stars..."

"The people in middle stars cannot breakthrough into the Empyrean realm and at most they can reach is Half-Empyrean stage... which is like a bridge between two realms."

She added "You can never cross this bridge as long as you are in the middle star."

She raised her hand, placing her finger on his chest "But on your case, Tian... I am not sure how it is going to work. You are an exception."

"Exception?"

With a nod, Xia Shenyi spoke, her finger trailing down to his abs "First of all, this artifact. This is a separate dimension, so I am not sure will this space be considered a middle star and the Heaven's laws to work here."

"Second, your physique... it is not under the restrictions of the heavens, so you might cross this bridge by yourself."

"And your women will need those Empyrean pills."@@novelbin@@

Zhao Tian contemplated what he heard and asked "What if I, after stepping into the Empyrean realm, dual cultivate with my women..."

"Will they break through without the Empyrean pill?"

Xia Shenyi's eyes narrowed upon hearing the question "Your seed extinguished a heavenly flame so it may even break the Heavenly laws."

"So only time can tell... for now, just cultivate and complete the trials in the black pagoda."

Zhao Tian gave a faint nod and mumbled "I also need to take sword training from Hua or Yixian."

Xia Shenyi nodded back "En. It would be better than swinging a sword with just brute strength."

"But training in the sword is really hard... as it takes years to comprehend the sword's intent."

She smiled dryly "However, you have this physique... so I guess you can do it faster than others."

"Haha.."

...

Yu Hua kept her head lowered and asked in a respectable tone "Can you please teach me the way of sword, Master?"

Shi Yixian blinked her eyes and stayed silent while Zahra Ashante was amused "Then, teach me too."

Shi Yixian turned to look at Zahra Ashante and muttered "No, you don't have a bit of sword intent... it will be very hard to train you."

E-Eh? So quick! Zahra Ashante blinked her eyes as a deep sigh escaped her lips.

Shi Yixian then turned her eyes to Yu Hua and frowned slightly. She doesn't want to teach her but as someone who stands at the pinnacle of sword intent, it hurts her to see an unpolished talent left alone like this.

She contemplated whether to accept her or not.

Yu Hua looked at the emotionless face of Shi Yixian and was confused 'She is uh... very silent.'

"um..."

Shi Yixian closed her eyes and uttered "I will consider it."

...

num *num* Meanwhile, A woman with long pink hair is leisurely sitting on a tree branch as she eats the strawberry in her hand.

"Hm... it really got pretty boring here."

Her pink fox ears quivered "I should destroy this middle star soon and go for the next!"

"I should destroy this barrier first!"

Chapter 366: It is destroyed?!

"U-Uh..." Chi Shui who just woke up, pulled herself up and sat on the bed.

She turned her head to the side and saw Ning Yueli lying beside her on the bed, her lips open as drool ran down her lips.

With a shake of her head, Chi Shui got down from the "She is as clumsy as always..."

Chuckling to herself, she looked around, searching for anything to wear as she was completely naked now.

Glancing at the pajamas on the couch, yesterday's night scenes played on her mind and she couldn't stop the growing smile on her lips.

"From today on, I am Brother Tian's W.I.F.E... hehehe."

As she walked to the couch, the door creaked open and Zhao Tian and Ling Xin entered the room.

Looking at him, Chi Shui panicked and quickly covered her nipples and pussy with her hands; her eyes glancing away in embarrassment "B-Brother Tian."

Letting out a chuckle, Zhao Tian walked closer to her, taking her waist in his arms "What is there to hide when I have seen them already?"

Chi Shui was flustered and buried her face on his chest "Brother Tian..."

Ling Xin giggled seeing them and spoke "Husband... I will go and prepare breakfast."

Zhao Tian turned to look at her and his softened "Yes, dear."

gasp Looking at his soft eyes, Ling Xin's heart skipped a beat, and happiness washed over her heart "En... Husband."

Zhao Tian patted Chi Shui's head "Want to take a bath? You must be tired... from all the things yesterday."

She was called here at midnight while studying for exams, so she was pretty tired.

Exams?

As she realized, Chi Shui's eyes widened and she hurriedly spoke "B-Brother Tian? what time is it? I need to hurry up and finish my exams."

Zhao Tian rolled his eyes "Hmm... it should be past 11 am out there."

"What? then my exams? I am gonna fail."

Chi Shui could only sigh and Zhao Tian chuckled, placing a sweet kiss on her forehead.

At this time, Ning Yueli also woke up and saw Zhao Tian hugging a short-haired blonde.

Huh? Feeling that the figure was familiar to her, Ning Yueli rubbed her eyes and took a closer look.

"What? Shui'er??? How did you come here?" She screamed in shock.

Chi Shui's body stiffened at her sudden yell and slowly turned her head, a dry smile dancing on her lips "Um, Yueli."

Ning Yueli sat cross-legged on the bed and pondered "Hmm, I see... I see... Sister Miya is Brother Tian's girlfriend, so she must have suggested you when Brother Tian needed three virgins."

"And you shameless woman must have quickly accepted that."

Zhao Tian smiled upon hearing this "My Yueli is so smart."

"Hehe." Ning Yueli raised her chest proudly and nodded her head "Praise me more, Brother Tian."

Chi Shui's lips twitched "Shameless woman? Yueli, I am sure, you accepted when Aunt Zuiye just said Brother Tian's name."

Ning Yueli showed a smug smile "Of course, how can I miss an opportunity where I can be with Brother Tian."

Ning Yueli stood up on the bed and opened her arms "Brother Tian, catch me..."

Before he could prepare, Ning Yueli hopped from the bed falling towards his arms.

"Haah...." Zhao Tian deftly caught her, her boobs crushing onto his chest as he gently her waist
"Haha, Yueli..."

Looking at his hearty laugh, Chi Shui smiled happily and her gaze fell on his hair.

Chi Shui looked at her short hair and asked "Brother Tian, what shampoo did you use? Can you give me that too? Your hair is long and soft."

Eh? Zhao Tian smiled dryly and muttered "I didn't use any? They are natural."

Chi Shui was amazed "Even though it was short... a month ago."

Zhao Tian couldn't help but chuckle and said "For now... let's go and bath."

...

Ling Xin entered the kitchen and saw there were already three women working in the kitchen.

Chi Miya who was working along with Fei Ziyu and Fei Lingxi turned her head to look at Ling Xin and smiled "Sister Xin. Thank you for helping Tian yesterday."

Fei Ziyu bowed her head "Thank you, Lady Xin."

Ling Xin hurriedly shook her head "No, No... you don't have to thank me. He has saved me many times and this is the least I could do for him."

"And your names..."

Chi Miya smiled and replied "You can call me Miya. This is Ziyu and this is Miss Fengxi."

Fei Lingxi gently shook her head "Lady Miya, I have already told you many times... please just call me by my name."

"But you are older than me..."

Fei Ziyu looked at Ling Xin curiously "Are you here to prepare breakfast for Master Tian?"@@novelbin@@

"Master? Um, yeah..."

Chi Miya nodded her head "You are welcome."

"Let me help too." At this time, Ling Meiyong arrived there and offered to help.

"You need to cook for all the women, so it is surely hard... let me help."

"Meiyong..." Ling Xin smiled warmly looking at Ling Meiyong.

Ling Meiyong walked closer to Ling Xin and asked in a playful tone "So, was it good yesterday night?"

A blush spread across Ling Xin's lips "Don't tease me like Huang'er..."

"Haha, this is the first time I have seen you blush like this, Sect Master."

"Stop teasing me..."

Looking at their banter, Fei Ziyu let out a soft sigh as she gripped the spoon in her hand 'It must be nice being loved by Master...'

'I am just so unfortunate to experience his love... but recently, he is not as harsh as before. I hope I can get his love someday...'

'Someday....'

...

"Your Majesty!!" A soldier was running through the corridors screaming at the top of his lungs.

"It's an emergency!!!"

He quickly reached the royal hall and entered, but there was no one inside there; not even ministers
"Huh? Where is Her Majesty?"

At this time, a woman walked across the path, wearing royal robes as a veil covering her face.

Ning Zhilian narrowed her eyes "You there.."

The soldier turned his head to Ning Zhilian and quickly knelt in front of her "Your majesty! This is an emergency."

"News came from the soldiers who were stationed on the borders. The barrier has been destroyed!"

Chapter 367: An Emergency Situation!

"Your majesty! This is an emergency."

"News came from the soldiers who were stationed on the borders. The barrier has been destroyed!"

Huh? Ning Zhilian frowned in confusion upon hearing the soldier's words "The barrier... The inner barrier or the outer barrier?"

There are actually two barriers in Zehnzhū; one is around the Zhenzhu border to protect cultivators from the astral beasts.

The other one is around the astral beast forest to prevent the astral beasts from venturing out of the astral forest.

Basically, the barriers are mainly to keep the astral beasts within the Astral forest.

The soldier's body trembled "B-Both barriers, Your Majesty!"

Huh? Ning Zhilian's eyes dilated in utter shock "Both barriers?"

Reeling out of the shock, she hastily asked "How long has it been since the barriers are destroyed?"

The soldier shook his head "We do not know about that, Your Majesty."

Ning Zhilian took a deep breath and gave the orders "Prepare for an emergency meeting with all the Ministers and the General. All the Sect Leaders around the Zhenzhu should gather here as soon as possible!"

"Ask the Sect Leaders to send their strongest unit to the borders to protect Zhenzhu from the beast tide."

"Share this information with all the neighboring countries' leaders and warn their people about the barrier breakdown or evacuate them."

"Y-Yes! Your Majesty!" The soldier hurriedly stood up and went to do what he was ordered.

Ning Zhilian's eyebrows furrowed in concern "This is bad... There are so many powerful beasts within the Astral forest, and there might be even beasts at the Monarch Astral Stage."

She mumbled to herself "There is not much distance from Zhenzhu to the neighboring countries. If the astral beasts reached there... it would cause so much destruction."

"The casualties will increase and the most important thing is... the secret which has been held for years would be revealed to the normal people."

"The existence of cultivators in this world."

Her mind raced with thoughts as she panicked "If people really came to know about this cultivation, there would be a lot of chaos..."

"And there are many other factions around the whole world which have cultivators and using this chaos, even they might wreak havoc..."

"Urggh... this is really bad. Little Xue and others are not here during this critical time. Where have they gone?"

"Tian... if Tian is here, he could kill the beasts and stop the beast tide."

"Where is he?"

...

"Hahaha! Brother Tian... throw me up even higher."

Zhao Tian, Ning Yueli, and Chi Shui were bathing in the lake refreshing their bodies after yesterday's intense sex.

Zhao Tian and Ning Yueli were swimming in the middle of the serene lake, chuckling and bantering with each other.@@novelbin@@

"Brother Tian..." Hugging Zhao Tian in the cold lake, Ning Yueli kissed him, her soft wet pink lips caressing his lips.

She gently sucked on his lips tasting the waterdrops on his lips and chuckled "The kiss tastes like this lake's water..."

"Of course, we are drenched in it..."

As they floated on the calm lake, Zhao Tian grabbed her waist tightly and threw her up in the air.

"Hahaha!" Ning Yueli was thrown up in the air and as the gravitation pulled her, she dropped towards the lake.

"See my backflip, Brother Tian."

In mid-air, she rotated her body doing a back flip, and crashed onto the lake *splash*

Swimming back to the surface, she raised her chest proudly "So, Brother Tian... how was my backflip?"

With a chuckle, Zhao Tian pinched her cheek "Very good, Yueli..."

Pouting her lips, Ning Yueli wrapped her hands around his neck while encircling her legs around his waist "Call me, Li'er.. or..dear, or wife... I am your wife now."

"Li'er."

"Good.." Ning Yueli kissed him and opened her lips, biting on his lower lip.

"Shh..." Zhao Tian winced in mild pain and Ning Yueli laughed teasingly "Hehe..."

She quickly took a handful of water and splashed it on his face "Haha... Brother Tian."

"You." Zhao Tian gently grasped her neck and bit her plum cheek.

"Ahhh.. haha... Brother Tian. It hurts... Hooh... ahahaha..."

-_- Meanwhile, Chi Shui is sitting on the edge of the lake with a white towel covering her body.

She let out a soft sigh looking at Zhao Tian and Ning Yueli happily playing around in the center of the lake.

"If only I knew how to swim..."

Because her legs were fractured when she was young, she didn't go for swimming practices and now she doesn't know how to swim.

Zhao Tian glanced at Chi Shui who was sitting there silently and swam near to her. Looking at him Ning Yueli also followed him "Brother Tian..."

Floating on the lake, Zhao Tian said extending his hand "Shui'er... come here. You can hold onto me."

Chi Shui hurriedly shook her head "No, Brother Tian. I am scared."

Ning Yueli jumped and hugged Zhao Tian from behind "If you are scared. You can never learn to swim. So come down... Shui'er."

"You can also bath naked with Brother Tian like this..." She said kissing Zhao Tian's cheek.

Chi Shui still hesitated and asked, "Is the water too deep?"

"Well, yeah... since you are with me, you don't have to worry, Shui'er."

Looking at Zhao Tian's reassuring smile, Chi Shui nodded and removed the cloth from her body as she slowly entered the lake.

"Brother Tian..."

Zhao Tian gently held her waist as her lower body submerged into the lake "Shhh.. so cold."

Chi Shui hurriedly entwined her arms around Zhao Tian's neck for protection and Zhao Tian hugged her back "Do you want to try swimming?"

"No, No... I don't want to. It's so scary..."

Zhao Tian let out a chuckle seeing her scarred face and muttered "Then next time, we can bath in the waterfalls or at the Hot springs."

Ning Yueli was surprised and asked "Brother Tian, there are even waterfalls and hot springs in this artifact?"

"Yeah... I can even change this..." As he said, the sun disappeared and the world got darker as the moon appeared in the sky with twinkling stars.

"Waaaahhh, Cool!"

Chapter 368: Peaceful life in artifact!

Zhao Tian, Zhao Suyin, Zhao Ying, Xia Shenyi, Chi Miya, Mei Xiu, Chi Shui, Ning Yueli, Ning Xue, Ning Zuiye, Zahra Ashante, Yu Hua, Hun Xiang, Ling Huang, Ling Chen, Ling Meiying, Ling Xin and Shi Yixian were all seated around the large dining table for breakfast.

Fei Ziyu and Fei Lingxi were the ones serving them meals.

Looking at all of the women gathered there, Zhao Tian smiled fondly because every one of his women was there; right in front of him.

A sense of pride and satisfaction washed over him looking at the women eating their foods.

They are all his women; they are all his!

He turned his gaze to Fei Ziyu and Fei Lingxi who were standing behind him to serve him if he wanted anything.

"Ziyu, Lingxi... take your seats too and eat."

E-Eh? Fei Ziyu was startled but they didn't refuse his order and obediently sat on their seats to eat their breakfasts.

'Now everyone is here.' Zhao Tian sighed in satisfaction.

Zhao Ying who was beside Zhao Tian leaned in and whispered in Zhao Tian's ear "Tian'er, it was Sister Xin... she tried her best to prepare breakfast for you."

"I see..."

Zhao Tian glanced at all the women and spoke "Who made breakfast today? It is really great."

Huh? Ling Xin who was eating her food raised her head and looked at Zhao Tian.

Fei Ziyu glanced at Ling Xin and muttered "It was Lady Xin."

"I see." As Zhao Tian turned his gaze to Ling Xin, she was flustered and a wide happy smile appeared on her face.

Zahra Ashante smiled dryly "I can see the shining light behind her. She is so happy..."

"Hahaha..."

Xia Shenyi chuckled faintly and glanced at Zhao Tian "By the way, Tian, do you still have that Pure yang spear?"

Munching a spoonful of bite, Zhao Tian nodded his head "Yeah, I do."

Xia Shenyi frowned slightly upon hearing this "Can you get that out?"

Zhao Tian shook his head "No, Shenyi.. I am not sure what will happen if I again touched that spear and I am not giving that spear to you too."

"It might interfere with your pure Yin energy..."

Upon hearing this, the frown on Xia Shenyi deepened "Well, I am just curious about that artifact."

Zhao Tian smiled softly "I know you love artifacts, but not this one."

"En." Xia Shenyi nodded her head and continued eating her breakfast.

Zhao Tian then turned his gaze to Shi Yixian "By the way, Yixian... I want you to train me in the sword."

"As you say, My Liege." Shi Yixian replied instantly and Zhao Tian nodded his head.

That was fast! Yu Hua's jaw dropped looking at Shi Yixian and Zahra Ashante who was sitting beside her couldn't control her laugh "Pfft... hahahaha."@@novelbin@@

Looking at her mocking laugh, Yu Hua's lips twitched in exasperation and she stomped Zahra Ashante's leg under the table.

"Arghh! You cunt!"

Cursing at her, Zahra Ashante too stomped on her foot on Yu Hua's leg but she deftly dodged it.

"You-"

However, Zahra Ashante didn't let her go and continued trying to stomp her.

-. What the hell is happening?

Everyone stopped eating and looked at Zahra Ashante and Yu Hua playing with their legs under the table.

Zhao Tian shook his head helplessly and Zhao Suyin who was sitting beside Zhao Tian leaned in and asked "Tian'er... what qualities of her made you fall for her?"

Hearing the question, Zhao Tian smiled dryly "She was the one who attached herself to me... and I couldn't just ignore her."

"Isn't she cute though?"

Zhao Suyin turned to Yu Hua and Zahra Ashante bickering as a soft smile spread across her lips "Yeah, she is..."

Zahra Ashante kicked Yu Hua's leg "Damn you, bitch! See... how I have more sex with Tian and get stronger than you and beat you."

Yu Hua smirked hearing this "I will be waiting with my sword."

Mei Xiu was dumbfounded as she could see sparks of lightning clashing between them 'Is it really ok to let them fight like this?'

...

clank *clank* Zhao Tian is back in his artifact refining room creating rings for his wives.

Now he needs to create even more rings as he has three more wives and another ring for Hun Xiang too.

Looking at the astral stone getting molded by the hammer in his hand, he smiled in satisfaction, and at this time, the door opened.

Fei Ziyu and Fei Lingxi entered the room and Fei Ziyu spoke "Master... you called for me?"

"Yeah, come here..."

As Fei Ziyu walked closer to him, Zhao Tian reached out and gently grasped her hand as he slid in a gorgeous ring on her finger.

"Here, this is for you..."

H-Huh? Fei Ziyu's eyes trembled in shock and her breath hitched in her throat.

"M-M-M-Master... this... this ring is for me? Created by you?"

Zhao Tian gave a nod "Yeah, you don't like it?"

Fei Ziyu hurriedly shook her head "No Master.. No No... I am very grateful. Thank you very much."

Happiness washed over her heart as she gripped her fingers tightly, her mind overflowing with emotions and tears moistened her eyes.

She quickly rubbed the tears and Zhao Tian again began to concentrate on his work to create even more space rings for his women.

Fei Lingxi smiled in her heart, happy for her daughter.

clank "Ziyu, go and bring... Xiang."

"Yes, Master."

Nodding her head, Fei Ziyu hurriedly ran out of the room to go and find Hun Xiang to bring her here.

Zhao Tian then turned his eyes to Fei Lingxi who was standing silently and mumbled "Don't worry... I will create one for you too, when I have time."

Fei Lingxi humbly bowed her head "Thank you, Master."

Zhao Tian nodded his head and asked "Are you enjoying your life here? Or do you prefer your Office work as a trillionaire?"

Hearing the question, Fei Lingxi was surprised "I... really liked being a rich woman. But now, all I want is for my daughter to be happy."

"I couldn't spend much time with my daughter when she was young because of my business. That's why she grew so spoiled using all our money."

"But now, I have the opportunity to spend time with her and I am not regretting anything."

A faint blush took over her face as she looked at the handsome face of Zhao Tian "And Master is taking good care of me, so it's all good."

"I see..."

Chapter 369: Peaceful life in artifact 2!

Hun Xiang and Fei Ziyu entered the artifact refining room and Zhao Tian who was working on the ring turned his head to the door.

With a smile on his lips, he called her "Xiang, come here."

"Master..." Hun Xiang took quick steps and hurriedly walked to him.

Master? Fei Ziyu and Fei Lingzi were surprised to hear this So she is also a slave just like us?

Zhao Tian tenderly hugged Hun Xiang in his arms "So now you are not scared of Hua?" he asked with a chuckle.

Hun Xiang wrapped her arms around his neck and giggled "Lady Hua came to me and asked me to give you my body to subdue your pure Yang energy..."

"But Master since you have already taken my virginity, I told her the truth."

"I see..."

Leaning forward, Hun Xiang took his lips in a soft kiss and Zhao Tian too, didn't refute her; reciprocating the kiss.

Wha- Fei Ziyu was dumbfounded to see this. Isn't she also a slave? Why is she initiating the kiss?

Pulling back from the kiss, she rested her head on his shoulder and asked "By the way, what are you doing here, Master?"

Gently hugging her waist with one hand, Zhao Tian took the half-done crude ring and said "I am creating storage rings. All of my women have them."

"Oh, this is what Lady Hua used yesterday to bring me in"

"Yeah..."

Fei Ziyu clenched her fist in anger 'Is she actually his slave or not? And why is she talking with him so casually?'

'I also want to talk with him like that...'

...

Meanwhile at the same time, inside the warehouse; Xia Shenyi glanced at the two women standing in front of her.

"Yueli, Shui... after checking your affinities, you can choose a cultivation technique on that elemental and can cultivate."

Chi Shui vehemently nodded "En, En... I have read a lot of online novels about cultivation. I am excited."

Xia Shenyi was a bit confused, Online novels? but still nodded her head "Uh, okay..."

Taking the affinity orb, Xia Shenyi extended it to Ning Yueli and she placed her palm on it.@@novelbin@@

swish A swirl of fire and water appeared inside the affinity orb and Xia Shenyi was pleasantly surprised "None of his women had dual affinities... you are talented."

"R-Really?" Ning Yueli was bewildered to hear this.

"I am talented, hehe!"

Chi Shui was quite nervous in her heart 'What elemental will I get?'

"Shui, your turn."

"En." Nodding her head, Chi Shui raised her hand and placed it on the affinity orb as she closed her eyes.

'What is it? What is it?'

Looking at the affinity orb, Xia Shenyi frowned slightly "This is..."

Chi Shui opened her eyes and looked at the affinity and there was... nothing.

Chi Shui panicked "U-Uh, Sister Shenyi... why is it white?"

Xia Shenyi giggled "Don't worry... you don't have any elemental affinity just like your sister."

"Just like my sister?"

Xia Shenyi gave a nod "Yeah, you can choose the cultivation techniques which are not elemental techniques."

Upon hearing this, Chi Shui blinked her eyes and asked "Then the golden petals that my sister has.. can I use that too?"

"Oh, you want the same cultivation technique as her?"

"Yeah..."

...

Zao Tian walked out of the artifact refining room and on his way to the mansion, he looked at Ning Yueli and Chi Shui sitting under the blue array, cultivating.

Seeing them a smile appeared on his lips and entered the mansion.

As he stepped in, he saw some of his women standing around a single couch giggling and laughing.

"So cuteeeeeee"

"Awwwwwww!"

"I wanna squish those chubby cheeks..."

"I want to hug him..."

He walked toward them and asked in a faint voice "Hm? What is happening here?"

Zhao Suyin who was sitting on the couch smiled tenderly "I am showing them your childhood pictures."

-_- My childhood pictures?

Ning Xue took the mobile from Zhao Suyin's hand and showed it to Zhao Tian "See this picture Tian, this is when you were two years old."

"You are just so cute."

Zhao Tian let out a soft chuckle and Zhao Ying snatched the mobile from her hand and showed a pic of them hugging each other and sleeping on the bed.

"See Tian'er... I loved you since we were five."

Zhao Suyin giggled "Yeah, up until the age of 15 both of them slept together but later, I made them sleep separately because Zhao Ying became a woman."

Zhao Ying showed a smirk, "Hehe, but still some days I sneaked into Tian'er' room."

As she swiped the pictures, a selfie appeared and she frowned slightly "Mom..."

Zhao Suyin looked at the photo and let out a sigh "That is Zhao Ning, my sister... Tian'er's real mother."

Huh? His real Mom?

Hearing this all the women were intrigued and grouped around Zhao Ying "Let me see..."

"Me too.."

Looking at the blonde-haired woman, they all smiled "She looks gorgeous."

"Yeah.."

As Zhao Ying swiped another picture, she was startled "M-Mom you hid this picture from me all along?"

The women blushed faintly looking at this picture of Zhao Tian taking a bath when he was 2 years old.

Zahra Ashante giggled "Send me that picture later... hehe."

Ning Zuiye glanced at Zhao Tian's face and nodded her head "Yeah, send me too..."

Zhao Tian also peeked to see what picture it was and smiled dryly "Mom?"

Zhao Suyin stood up from the couch and hastily took the mobile phone Zhao Ying's hand "That is the secret collection of my Tian'er."

"I won't give it to anyone else, hmph."

Ling Huang asked "Is there more like this, Aunt Suyin?"

Zhao Suyin nodded her head "I have like 10000 pictures of Tian'er and Ying'er in my mobile... I took many pictures of them as they grew up."

"Even when they were sleeping and many other things... hehe, both of them are so cute."

Zhao Ying's eyes narrowed upon hearing this and she glanced at Zhao Tian "Tian'er, I am going out for a while."

"Ying'er? Where are you going?"

"To buy 1TB USB... I want all of those pictures."

"Me too..."

"Send me his bathroom picture I want to keep it as my wallpaper."

"NO! IT'S MINE! I won't give it to you..."

...

Meanwhile, *swish* an enormous golden ark appeared in space and as the door opened, a woman with long silver hair and golden eyes came out.

Her eyes glanced at the blue-green planet and a smile stretched across her lips.

A deep blush painted her cheeks as she bit on her lips making it bleed "I can't hold back anymore. so I came to see you, my dear..."

"My Honoured One..."

Chapter 370: Real Mom?!

Zhao Tian shook his head helplessly looking at the women running around the house, trying to snatch the mobile from Zhao Suyin's hand.

"Tian..."

Ning Xue delicately hugged him from behind and kissed his ear.

A soft smile spread across Zhao Tian's lips "Xue'er."

Ning Xue glanced at Zahra Ashante trying to grab the mobile from Zhao Suyin's hand and muttered "Tian, I want to ask something... but don't get angry."

Zhao Tian raised an eyebrow "I won't get angry... dear. Just ask."

With a nod, Ning Xue asked "Do you think that blonde-haired woman, Zhao Ning is your real mother?"

Zhao Tian squinted his eyes and Ning Xue continued "I am sure you know, hair colors are hereditary... you have white hair and Ying has pink hair."

"That doesn't make any sense... does it?"

Zhao Tian gave a nod "I am also suspicious about that and... my guess is that I am not her child."

"I am someone's child who is from the Astral Realm and that someone is from this Maverick family in the Astral Realm."

"Zhao Ning must have brought me and Ying'er from the Astral Realm to keep us safe here in the middle star with her younger sister."

"My real parents must be the friends of Zhao Ning or somehow related to her."

Ning Xue frowned upon hearing this and nodded her head "That makes sense. So, hide you from their enemies who are in the Astral Realm."

Zhao Tian nodded his head "Yeah..."

With a giggle, she kissed his cheek "I hope one day you will find your real parents..."

"Thank you, dear..."

...

"Haah.. these girls." Zhao Suyin who was sitting on the couch sighed heavily because all of them managed to snatch the mobile from her hands.

Zhao Tian came and sat beside her on the couch as he leaned down resting his head on her thighs.

Smiling gently, Zhao Suyin patted his head "You came to your Mother?"

"Yeah, Mom's lap is the best."

As he closed his eyes for a little rest, he felt the softness under his head changing and he hurriedly opened his eyes.

Huh? Confusion washed over him as he looked around and all he could see was pure white.

Suddenly, a mesmerizing voice gently whispered in his ear, sending shivers down his spine.

"Dear..."

He blinked his eyes in confusion. Am I in that woman's lap again?

As he turned his gaze, he saw a pair of smooth boobs with pink cherries adorning their tips.

Captivated by the bewitching breast, he reached out and tenderly grabbed the boob, feeling its softness and warmth.

"So soft..." He softly whispered as he gently squeezed her breast, his fingers delicately exploring the smoothness of her skin

"You like it? Naughty..."

Again hearing the voice, his eyebrows squinted but he couldn't see the woman's face as if blinded by a white light.

Wait, I can move my body!

Realizing this, he quickly pushed the woman onto the floor and got on top of her. *thud*

gasp Zhao Tian's eyes widened in shock and his breath caught in his throat looking at the ravishing woman below him.

Her hair, as white as freshly fallen snow, cascades down onto the pristine white floor. Her cheeks are rosy with a deep crimson hue and her eyes are covered by a black blindfold with golden runes on them.

'Such a beauty...'

Every fiber of his being was drawn to her, and he found himself lost in the depths of her mesmerizing face.

His gaze went downward and looked at the bountiful breasts that were captivating his senses, urging him to grope them and squeeze them to his wish.

He gulped down his saliva and he felt his throat getting dry.

She is the most beautiful woman he has ever seen in his entire life and he couldn't tear his gaze away from her, captivated by every inch of her body.

badump He took deep breaths trying to control his rapidly beating heart and he could hear his own heartbeat loudly.

Looking at her dazzling face; the desire to admire her full beauty gnawed his mind.

He reached out to remove her blindfold; but, the woman grabbed his hand and shook her head, "Dear... no."

Gently grasping her hand, he pinned it above her head and extended his hand to remove the blindfold.

He grabbed her blindfold and tore it down revealing her long white eyelashes that looked just like him.

The woman's eyelids fluttered open revealing her blue eyes and she looked into Zhao Tian's blue eyes.

Zhao Tian's heart trembled looking at the beauty pinned below him 'I want to talk to her... I want to ask her so many things... yet.. yet....'

"So beautiful..."

These are the words that escaped his lips, his eyes locked in with her eyes.

'Who are you... Why are you inside my head... Are you my mother?'

He has so many questions in his mind yet he can't convey them In his words and is left speechless by the woman's peerless beauty.

Feeling his scorching gaze, the woman turned her gaze away in embarrassment, and seeing her being shy, caused Zhao Tian's blood to boil.

An intense lust swirled within his eyes and he gulped hard 'She is... haah... I want to ravish this woman to her bone and make her mine.'

Looking at the delicious pair of red lips that were screaming for a bite, Zhao Tian couldn't hold it anymore and leaned down to kiss her.

However, the woman raised her right hand and closed her lips, blocking his lips.

"No..." she shook her head.

But, Zhao Tian didn't heed her words and grabbed her right hand too, pinning it above her head.

He again took a good look at the beautiful mature face of the woman with a black mole below her lips.

Closing his eyes, he leaned down to kiss her and the woman panicked "Vester, wai-"

smooch However, Zhao Tian sealed her lips with a kiss and instantly he felt her lips melting in her heat.

'So soft... why is it so soft, I can suck on her lips forever.'

He gently parted his lips and sucked on her lower lip feeling the delicate texture of her juicy skin.

The woman's eyes trembled in shock, however, she accepted his advances and closed her eyes reciprocating his kiss.

'Vester... you are so naughty. Kissing your Mother like this, so bold....'

'However, I still love you... my dear.'
