Chapter 51 A date with Miya!

Zhao Ying blinked her eyes in surprise as she looked at her mother and brother engaged in lively conversation, exchanging smiles and enjoying their meal together at the dinner table.

'Huh? Did something happen? Every day she sits opposite him at the table but today she is sitting beside him closely. I feel like they suddenly became a lot closer.' Lost in her thoughts, she absentmindedly scraped the spoon on the plate.

As she was in her thoughts she suddenly heard her Mom's voice "Ying'er!" Zhao Ying raised her head to look at Zhao Suyin. "Mom?"

"What are you doing playing with the spoon? Eat the food." Zhao Suyin said, "Yes Mom." Zhao Ying obediently nodded and started to dig into her meal.

...

Inside the artifact-

Lying on the bed, Zhao Tian found himself lost in the delicate touch of Zhao Ying's naked body pressed against his, her luscious pink hair cascading over his arm. With a gentle caress, he admired the curves of her figure, feeling her supple boobs gently brushing against his chest.

Zhao Ying looked at his tender blue eyes "You seem a lot closer to Mom today... Did something happen?"

Zhao Tian smiled "Well, we watched a movie together..." He tucked her hair behind her ears and said softly. "Oh?" Zhao Ying mused.

At this time a pair of soft hands hugged him from behind, as Xia Shenyi's voluptuous bosom pressed against his back while her fingers playfully traced the contours of his well-defined abs "Tian!" With a hushed voice, she breathed his name into his ear, sensually licking his ear.

Zhao Tian gently turned his head to face Xia Shenyi and his eyes softened "Shenyi..." As he turned his face, Xia Shenyi leaned in closer, pressing her lips against his in a tender kiss.

Retracting the kiss, she snuggled her body on him feeling the warmth of his body lingering on her skin. Zhao Ying also moved in closer intertwining her legs with his, enveloping herself in his embrace and burying her face against his neck, seeking solace and comfort in their closeness. Sandwiched between two naked beauties, Zhao Tian smiled contently and he remembered something "By the way, Ying'er I have a date tomorrow..."

Stilly burying her face in his neck, Zhao Ying frowned "With whom?" "Chi Miya..."

"Oh, her huh..." Zhao Ying muttered seemingly unbothered. She opened her lips biting his neck "You idiot already began searching for the next woman."

Zhao Tian just chuckled and turned his head "And Shenyi, also prepare the pill I asked for tomorrow."

"Hm... ok, Tian."

A sigh left Zhao Ying's lips "This artifact is good, I can sleep extra hours and enjoy more time with my Tian'er."

...

vroom Zhao Tian cruised down the road in his sleek white Lambo, finally arriving at Chi Miya's company. As he pulled up, he caught sight of Chi Miya standing outside, looking effortlessly chic in her usual office attire - a crisp white shirt paired with a stylish blue coat, matching pants, and elegant heels.

Seeing the white Lambo, Chi Miya hastened her steps towards the car, "Tian!" she called him, her face adorned with a joyful smile. Sitting inside, Zhao Tian opened the door and Chi Miya entered the car.

Zhao Tian drove the car out of the company's premises. Glancing at her he asked, "This is our date and you are in an office outfit. Is it okay for you?"

A wry smile appeared on Chi Miya's lips "Sorry Tian... I had a meeting today, so if I were to change my fit it would take time, so I just came like this."

Zhao Tian just smiled and focused on the road. Chi Miya glanced at him, "So, where are we going, Tian?" she asked excited for the date.

Zhao Tian shrugged "You are asking me? Since you called for the date... I thought you would have a plan or something." E-Eh? Chi Miya was dumbfounded hearing this, but it kinda makes sense because she was the one who called him.

And since she was so excited about the date, even she didn't have any plans.

A chuckle left Zhao Tian's lips seeing her struggling face "Since it's noon. Let's have a lunch first." Chi Miya hurriedly nodded "Okay, Okay let's go."

knock A little later a knock was heard on the door "Enter!" Chi Miya spoke and a waitress entered the room. As the waitress entered her eyes were instantly captivated by the handsome young man sitting on the seat.

Zhao Tian drove to a luxurious restaurant and asked for a private VIP tab. Both Chi Miya and Zhao Tian entered their private room and Zhao Tian took his seat as Chi Miya sat beside him.

knock A little later a knock was heard on the door "Enter!" Chi Miya spoke and a waitress entered the room. As the waitress entered her eyes were instantly captivated by the handsome young man sitting on the seat.

Chi Miya also noticed the waitress unabashedly staring at Zhao Tian *ahem* With a light cough she caught her attention "M-Maam, your order."

With a subtle nod, Chi Miya proceeded to order their meal while perusing the menu. As the waitress left the room, she couldn't help but steal one last glance at Zhao Tian. Chi Miya discreetly observed Zhao Tian, who seemed completely absorbed in his mobile.

Zhao Tian smiled looking at the mobile phone "Tickets booked!"

After a short wait, the food they had ordered was finally brought to the table. The waitress, with a smile on her face, placed the plates of delicious dishes in front of them. As she carefully arranged each item, she looked up at Zhao Tian "If you need anything, you can just call me..." she said with a bow and left the room.

As Zhao Tian brought the spoonful of food to his mouth, he saw another spoon approaching him. When he turned his head, he saw Chi Miya holding out a spoonful of food for him, her cheeks tinted with a pink blush and her eyes filled with nervousness "C-Come on, it's a date."

Zhao Tian smiled and ate the spoonful of meal and seeing this brought a smile to Chi Miya's lips. "Is it good?" she asked and Zhao Tin gave a nod "Yeah..."

"T-Then..." Chi Miya's blush deepened as she leaned in closer to him. "Ahhh!" With a soft exhale, she opened her cherry lips and brushed her vibrant blue hair behind her ear, her heart racing with anticipation.

Zhao Tian chuckled when he saw her cute antics and fed her with his spoon. As she chewed the food, a smile crossed Chi Miya's lips. "It is good..."

The room was filled with the delightful sound of their laughter as they engaged in light-hearted banter. "Haha!"

"Try this with this one."

"This is super good."

"Right..."

...

After eating lunch, they both left the restaurant and got into the car. Chi Miya took a deep breath as she sat in the car, "Um, where should we go next?" she asked in confusion.

Zhao Tian smiled playfully "You like to go at high speeds in the car, right?" Chi Miya nodded with a smile "Yeah, are we again going for a drive?" she asked her heart filled with excitement.

"No, even better than that."

"Huh?"

...

After half an hour, they arrived at a place, and looking at the place sitting inside the car, Chi Miya stammered "D-Don't tell me..."

"Hehe."

"NOOOOOOOOOOOOOOOOOOO!!! I DIDN'T SIGN UP FOR THIS SHIT!!!
AAAAAAHHHHHHHHH!!!" Chi Miya screamed at the top of her lungs as she felt the rush of the air hitting her face and suddenly the world turned upside down.

"AHHHH!!!" She screamed as the roller coaster went upside down on the track. They just went to an amusement park and took on the roller coaster ride.

Zhao Tian couldn't help but chuckle seated beside her on the roller coaster as he saw Chi Miya's hair cascading on the air and her hilarious scared face.

The roller coaster gradually slowed down as it climbed higher and higher along the track. Finally, as the coaster crested the top, Chi Miya's heart raced with fear and her breath quickened as she saw the height she was in and after that, it was totally downhill.

"T-Tian, I am scaredddd! Ahhh!" She struggled in her seat, but couldn't move much due to the seatbelt for safety reasons. She stretched out her arms and clasped Zhao Tian's neck. "T-Tiannnnnnn!" She cried as the roller coaster slowly went down from the top.

Zhao Tian had a mischievous smile on his face completely enjoying her funny reactions and her panicked face. *woooooohhh* The roller coaster began to descend from the heights and Chi Miya screamed again, her heart pounding in fear "NOOOOOOOOOOOOOOOOOO!!!!!"

"Haha!"

...

Stepping out of the roller coaster, "Haa... Haa..." Chi Miya breathed heavily her chest rising and falling as she clutched onto Zhao Tian for support "I-I thought I was almost dead there..." she panted, trying to catch her breath her steps still clumsy.

Zhao Tian gently wrapped his arm around Chi Miya's waist, leading her with care toward a conveniently placed bench nearby. As they settled down, Chi Miya remained tightly gripped to Zhao Tian's neck and he felt her body trembling in his arms. "I-I almost threw up the food we ate in the last hour... Haa..."

Zhao Tian let out a deep sigh, as he gently stroked her hair giving her comfort "Do you need something to drink?" he asked.

A small blush crept over her cheeks as she shook her head "N-No, let me stay like this for a while..."

Zhao Tian couldn't help but chuckle "Since you like to drive fast, I thought you liked the adrenaline that gave you, so I brought you here... but who knows you were this scared for a roller coaster."

Chi Miya didn't say anything and stayed silent feeling the touch of his skin. "Ahhhh!" Suddenly, a piercing scream echoed from the nearby ride, causing them to glance over and see the people on the ride going up and down at high speed.

"Maybe we should have gone there..." Hearing him speak, Chi Miya raised her head and looked at the ride. Fuck! She would have died if she went on that, seeing that alone scares her.

Zhao Tian took his mobile from his pocket and noticed the time "After spending a little time here, we can go to a movie." Chi Miya gave a nod "En."

Zhao Tian and Chi Miya spent some time around the Amusement park and later went to the movies.

Chapter 52 Chi Miya made her move!

Zhao Tian and Chi Miya made their way back to the company in the car after their date. As they arrived, Zhao Tian turned to Chi Miya and asked, "Are you sure you want me to drop you off here?" before unlocking the car door

"Yes..." Chi Miya spoke in a low voice as she looked at the time on her mobile phone. A sigh escaped her lips and she hesitated for a moment "Tian, It is almost 7... w-why don't we wait for a little in the office and later we can have dinner together?"

Zhao Tian pondered for a second and nodded his head "Ok, then..." A smile instantly appeared on Chi Miya's face and she exclaimed in her heart 'Yes...'

Zhao Tian parked the car and stepped out "Let's go!" Chi Miya nodded her head "En."

Both of them entered the lift and went upstairs to her personal workspace. As they walked near her office, Chi Miya's PA walked in "Maam..."

Zhao Tian stretched his arms with a sigh and entered her office first. Seeing him entering, Chi Miya glanced at her PA "Don't let anyone near my office today, ok?"

"Ok, Maam." her PA nodded discreetly glancing at Zhao Tian.

Chi Miya rushed into her office, her heart pounding with excitement. As she entered she saw him comfortably sitting on the couch with his mobile in his hand.

Without a second thought, she swiftly made her way toward him, her body sinking into the plush cushions of the couch as she sat down beside him, a satisfied sigh escaped her lips "Today was an exhausting day and I had a lot of fun...Haah" she said removing the heels from her legs.

"What about you, Tian?" She asked and Zhao Tian nodded with a smile on his face "Yeah, the date was fun indeed."

Chi Miya leaned back on the plush couch, a smile gracing her face. "Huh... Don't you think... it's kind of hot in here?" she inquired, waving her hand in a gentle motion to create a makeshift breeze.

Hm? Zhao Tian glanced at the Air conditioner in the office and was confused but Chi Miya's next action cleared his doubts.

flick Chi Miya slowly unfastened the buttons on her coat and delicately removed it, revealing her white shirt underneath as she placed the coat beside her. A sigh of relief escaped her lips, as she luxuriously stretched her arms "Haah... now it feels better."

Seeing this, Zhao Tian understood her motives and chuckled in his heart in amusement 'Is she trying to seduce me or something?' Curious to see where this would lead, he decided to play along and see how far she would go.

Chi Miya glanced at Zhao Tian in the corner of her eyes and seeing him being disinterested made her anxious. He is not even looking at me?! W-What should I do next?

To get his attention... she pondered in her mind and her gaze fell on his thighs. Her cheeks blushed a little and she asked in a hushed tone "Tian.. I am quite exhausted, can I take a little nap?"

Looking at her, Zhao Tian gave a nod "Go ahead." Seeing this, Chi Miya's face lit up with a smile and she slowly lowered herself onto the couch, resting her head on his lap in a gentle manner. As she leaned her head against his thighs, a surge of anxiety coursed through her veins, causing her heart to beat rapidly and a wave of emotions washed over her. She nervously glanced up at him to see his reaction. But she saw his eyes didn't even flinch and he was completely engrossed in his mobile.

Gah! Chi Miya was dumbfounded seeing his nonchalant face. Urghh! What should I do? What should I do? she yelled in her mind as she craved his attention.

But at this time, an idea struck her mind. Boobs!

"Haah..." She let out a long sigh, delicately raising her arms and bringing them near her collar as she shook it "It's still hot here." she said in an unpleasant voice.

flick *flick* *flick* As she flicked open the first three buttons of her shirt, a rush of embarrassment flooded her cheeks, turning them a deep shade of crimson. Her black bra and cleavage are exposed for Zhao Tian to see.

Zhao Tian couldn't help but steal a glance at her cleavage, and Chi Miya caught his eyes lingering on her boobs. In response, she casually adjusted her shirt, causing her breasts to bounce and reveal even more. She tried to play it off as though it was unintentional, but both of them knew the truth.

Zhao Tian briefly glanced at it before returning his focus to his phone. Seeing this, Chi Miya's eyes filled with a mix of intense emotions, causing her to bite her lip desperate for his attention, and the blush on her cheeks to deepen. T-This is my last attempt.

She lifted her hand towards her black bra, which had the strap fastened at the front. *flick* With a quick flick of her fingers, the bra strap was effortlessly undone.

In an instant, her breasts swelled in size, causing her shirt to strain against the fabric and exposing a generous amount of her cleavage. Almost half of her breasts are exposed and If it stretched even a little more Zhao Tian could even see her nipples.

badump *badump* Chi Miya could feel her heart palpating in nervousness as she caught him stealing glances at her chest. In an attempt to catch his attention, she subtly adjusted her posture, pushing her arms against her boobs to accentuate her curves and draw his gaze even more. *ring* But at this time, Zhao Tian's mobile rang and he accepted the call 'Tian'er, will you be here for dinner?' he heard Zhao Ying's voice.

Zhao Tian spoke, "No, I am actually having dinner with Miya." Chi Miya was surprised to hear her name. Is he talking to his girlfriend?

'Oh, I see... I'll tell mom then.'

"Ok!" *click*

As he canceled the call, Chi Miya couldn't help but ask curiously "I-Is that your girlfriend?" Zhao Tian nodded his head "Yeah, she is..."

Chi Miya's heart clenched in pain hearing this 'Why won't you look at me, Tian? I am here exposed in front of you...' she lamented in her heart. Despite her efforts to remain composed, the pain of being ignored by the one she loves deeply weighed heavily on her heart.

"C-Can I see this girlfriend of yours, I am just curious."

"Sure!" Zhao Tian shrugged and showed her a picture of him and Zhao Ying. H-Huh? Chi Miya was taken aback seeing Zhao Ying and asked in shock "I-Isn't she your sister."

"Yeah, she is and she is my girlfriend." Wha- Chi Miya blinked her eyes completely bewildered "You are dating... your sister?"

Zhao Tian smiled softly "Before she is my sister, she is a woman. She loves me and I love her dearly. Just a blood connection won't affect our relationship."

Chi Miya was quite astonished seeing him being so casual about dating his sister. She couldn't believe that he was so willing to commit to their relationship and not consider the societal taboos that would come with being siblings in a romantic relationship.

"You won't leave her... no matter what? You are siblings, so it would be hard for you to marry."

"I don't care about that..."

Seeing him being indifferent about the matter, a deep sigh escaped her lips and she took a quick decision in her heart.

"Tian!" she called him and stood up from the sofa quickly kneeling on his lap facing him.
"Miya...?"

Chi Miya blushed deeply as she gingerly undid the remaining buttons of her shirt, finally removing it. With a delicate motion, she also took off her bra, revealing her well-developed breasts. with red nipples.

"Tian!" she softly whispered his name wrapping her arms around his neck "Let me be honest, I love you... Tian. I love you so much!" Her eyes softened and in a desperate attempt, she leaned in to kiss his lips.

But Zhao Tian caught her shoulders "Miya!" The unexpected rejection of her kiss left her in a state of shock, her eyes welling up with tears as she struggled to find her words amidst the overwhelming emotions "W-Well, I expected this... you already have a girlfriend."

Zhao Tian sighed wryly "Miya, first hear me out!"

Chi Miya shook her head "No, Tian... answer me honestly, I want to hear this. Do you like me?" her eyes trembled with both nervousness and hope.

With a smile on his face and a nod of his head, "You are a beautiful woman, Miya. Of course, I like you."

gasp Chi Miya's eyes widened in astonishment, a gasp escaping her lips as a rush of happiness overwhelmed her heart. "You...you love me?" she stammered, her words tinged with disbelief. "Tian!" Chi Miya threw herself into Zhao Tian's embrace, wrapping her arms tightly around his neck. With a smile, Zhao Tian gently patted her head "Miy-" But Chi Miya placed her finger on his lips and shook her head.

"I can understand you, Tian... You have a girlfriend, who is younger and beautiful than me. And you can't cheat on her by loving me..."

She cupped his face in her palms and looked at him softly That's why, Tian... please take my first time. I seduced you even though I knew you had a girlfriend." she said her eyes tender with affection.

"I-I want you to take my precious first, my first love. Even though I can't satisfy you with my heart, I h-hoped I could satisfy you with my body and offer myself to you in that way.."

She took his hand and placed it on her boob squeezing it "Please Tian, make love to me. Only once is enough for me to remember life long." she spoke with a smile on her face, her voice tinged with longing for him.

Zhao Tian was taken aback by her declaration of love, realizing for the first time the depth of her feelings for him. He gently wrapped his arms around her waist, drawing her nearer to him. "How could I ever let go of someone as devoted and caring as you, Miya?" Chi Miya's eyes crescented in worry "B-But you already have a girlfriend. If you love me... then..."

Zhao Tian smiled "How about this? You both become my girlfriends?"

Huh?

Chapter 53 *Tasting Chi Miya*

"H-Huh? You mean, you want to date both of us at the same... time? Two-timing?" Chi Miya asked in confusion and Zhao Tian simply nodded in response, his hands gently squeezing her boobs.

Chi Miya blushed deeply, her cheeks turning a delicate shade of pink as she caught sight of him gently caressing her boobs, his fingers sinking into her soft skin. Her eyes fluttered, "Hnngh~" a soft moan slipping past her lips. "So, what do you say?" Zhao Tian asked as he gently circled his finger on her sensitive nipple, and he playfully teased it, his eyes locked with hers. "Hmnngh~ B- But isn't that cheating?"

Zhao Tian smiled "It is cheating if I hid it from Ying'er, but she will also know... so it's okay."

"T-That's" Chi Miya contemplated the idea. 'A-As long as I can become his girlfriend...' Her resistance crumbled under the weight of her yearning, the allure of this tempting offer becoming too difficult to resist.

A sigh left her lips, her blue eyes glancing into his and a smile stretched across her lips "If I can be your girlfriend... then. I-Its okay. But your sister?" she asked in concern.

"Don't worry. I will talk to her..." He spoke and pulled her waist even closer making her properly sit on his lap and she obediently wrapped her arms around his neck.

As her boobs came closer to his face. Zhao Tian opened his lips and licked her nipple sucking on it. "Haaangh~!" Chi Miya felt an electrifying sensation over her body as she felt his moist tongue licking and sucking on her boobs.

"Mmnngh~ T-Tian~~" She let out a soft moan as Zhao Tian sucked on her breast, his hand moving lower to gently fondle her ass.

The sensation sent shivers of delight through her body, igniting a fire of desire within her. She arched her back, pressing herself closer to him, reveling in ecstasy.

Zhao Tian pulled back his lips, leaving a glistening trail of saliva on Chi Miya's nipples. Her eyes softened into crescent shapes as she looked at him, seeing the affectionate smile on his lips.

As she glimpsed at his lips, she slowly lifted her arm, her fingers gently caressing his soft lips. "May I kiss you?" she whispered, her eyes filled with anticipation. Zhao Tian couldn't help but laugh softly before nodding in agreement.

Chi Miya's face lit up with a smile and she leaned in towards Zhao Tian, closing her eyes as she planted a gentle kiss on his lips. In response, Zhao Tian reciprocated the kiss, tenderly sucking on her lower lip.

As Chi Miya felt the tender touch of his lips against hers, a wave of overwhelming joy washed over her, igniting an insatiable desire for even more of his affectionate touches. Reluctant to part from their passionate kiss, she fervently maintained their intimate kiss, craving for more.

Retracting the lips, Zhao Tian teased "That was quite clumsy..." Chi Miya's blush deepened "My first time kissing, so..."

"Let me teach you even more." Zhao Tian pulled her by the neck and captured her lips in a sweet and passionate kiss. *smooch* After a while, they pulled back the kiss and Chi Miya's face was full of smiles.

Sitting on his lap, Chi Miya looked around "Tian, we need to change places... doing it in the office...." she spoke softly, taking the shirt and wearing it.

"Well...!" Zhao Tian stood up from the couch, taking her in his arms and Chi Miya instinctively entwined her arms around his shoulders.

He walked to the balcony "Let's go to my home!" *swoosh*

...

thud Throwing Chi Miya on the bed, Zhao Tian crawled on top of her. Chi Miya's eyes trembled in anticipation and nervousness as she saw his predator's eyes. "Tian..."

Zhao Tian grinned and tugged at the hem of her shirt, causing her breasts to bounce slightly. "Hnngh!" A low moan escaped her lips as she watched the shirt fall away, revealing her upper body.

His eyes then trailed down to her pants, and with a swift movement, he effortlessly peeled them down from her waist, letting them drop to the floor. The air between them crackled with anticipation as he took in the sight before him, his desire growing with each passing moment. Looking at the last

piece of underwear on her body "Obstacle..." he uttered and pulled it too and Chi Miya complied without protest, lifting her legs, making it easier for him to remove her dress.

Zhao Tian softly grabbed her thighs and spread them in a wide M shape exposing her pristine pink pussy at its full glory with no single hair on it. She could feel his eyes burning into her vagina, causing her cheeks to flush with embarrassment as she looked away, unable to meet his intense gaze.

"Seems like my dinner is ready tonight..." He uttered as he spread the outer pink folds of her pussy with his fingers. "Haaangh~!" Chi Miya mewled and looked down at him stretching her pussy.

Zhao Tian moved atop her and leaned in for a kiss. "Tian..." Chi Miya's soft voice called out his name, pulling his head closer, and started kissing him more fervently while hugging his neck firmly as if she didn't want to let him go.

Zhao Tian reciprocated her kiss with the same passion and pushed his tongue into her lips. Chi Miya opened her lips letting him do whatever he wanted, their tongues intertwined in a passionate dance as Chi Miya imitated his tongue movements.

Time seemed to stand still as they continued to kiss, their bodies pressed close in a moment of pure desire and longing. Zhao Tian's hand was not idle as his fingers gently caressed the outer folds of her pussy and she squirmed her legs in pleasure as love juice slowly dripped down her pussy.

Pulling back from the kiss, Zhao Tian placed a gentle peck on her lips before trailing a series of kisses along her neck. "Tian~" Chi Miya let out a soft gasp of pleasure, tangling her fingers in his hair as he continued to lavish affection on her neck. Chi Miya savored the sensation of Zhao Tian's tongue tracing along her collarbone, reveling in the pleasure it brought her as she closed her eyes in bliss. The soft touch of his lips on her delicate skin sent shivers down her spine, causing her to lose herself in the moment. *smooch*

He trailed his lips along her cleavage reaching her boobs and glancing at the huge breasts jiggling with the cherry on top he couldn't hold back the urge and sucked on her nipple stretching it upward.

"Haangh~! Tiaannnnn B-Both of themmm..." As waves of ecstasy washed over her, she couldn't help but release a melodious moan, a mixture of satisfaction and desire escaping her lips. And hearing her request, Zhao Tian cupped both of her boobs. As he pressed them together, Chi Miya could feel the delicate sensation of her nipples brushing against each other. *num* *num* Chi Miya's back arched in pleasure and pressed his head on her boobs "Mmnhg~ Yes.. Suck them harder...." Overwhelmed with intense pleasure, she bit her lip, unable to contain her ecstasy.

He tightly squeezed her slippery and juicy boobs on his palms and sucked on both nipples at the same time. He opened his lips and gently bit them as extraordinary pleasure muddled Chi Miya's mind and even more love juices began to trickle down from her pussy..

"Aaangh~!! Hmmnghhh~::~"

Zhao Tian pulled back his lips and saw her reddened nipples and her boobs raising up and down because of her rapid breathing.

Zhao Tian lowered his hand, gently reaching near her pussy. "You are already this wet..." he spoke as she rubbed the outer pink folds with his fingers.

Chi Miya's eyes quivered in embarrassment and her eyes widened in surprise as Zhao Tian slid his finger into her pink pussy. "Haangh~!" She let out a heavy moan as she felt his finger exploring her narrow cave.

Chi Miya, already feeling a rush of pleasure from the teasing of her breasts, was driven to even greater heights of ecstasy as his skilled fingers expertly explored and stretched her sensitive folds she couldn't hold it anymore.

"Aaaanghhh~!" Letting out a deep, intense moan filled with pure ecstasy, her entire body squirmed as waves of pleasure consumed her and she came hard squirting love juices from her trembling pussy.

Zhao Tian was surprised, That was quite fast. He got down from the bed and removed his own clothes to taste the delicious dinner while it was hot.

Chapter 54 *Zhao Tian and Chi Miya*

"Haa... Haa...." Chi Miya gasped for air, her breathing ragged, her chest rising up and down after the intense orgasm just now. "Mmnggh~!" she suddenly felt a sudden sensation on her pussy and her misty eyes quivered as she looked down at her pussy

"Tian..." She softly mumbled and she saw Zhao Tian rubbing his dick on her pussy moistening his dick with her own love juices. Wha- Chi Miya gasped in shock looking at the size of his dick.

I-Is this normal? Is this supposed to be this big? "Hngghh~!" A soft moan escaped her lips as Zhao Tian stroked his dick on her pussy.

Chi Miya panicked a little seeing the size. Zhao Tian, sensing her anxiety, leaned in and gently patted her head "Don't worry... it will only hurt at first..." he reassured with a smile.

Chi Miya gave a timid nod and a soft moan escaped her lips as she felt the head of his dick slowly opening her outer folds. Zhao Tian grinned as he stroked his cock against her quivering pussy.

He could feel the trembling of her pink folds and how even more wet liquid was dripping from them, coating his thick cock,

A little later, Zhao Tian gently slid his cock inside the tight pussy.

Chi Miya's eyebrows whimpered as she felt Zhao Tian's big cock slowly spreading her pussy open and she bit her lips.

At this time, Zhao Tian felt a thin membrane blocking his way, Chi Miya closed her eyes tightly bracing herself for what was to come and Zhao Tian pushed deeper breaking the hymen and taking the virginity.

"Nnnngh!" Chi Miya let out a guttural cry of pain as she felt a sharp sensation tear through her body as she felt his dick piercing through her hymen making the blood flow out of her pussy marking her first time.

Pushing its way inside Chi Miya's pussy, the head of his dick slowly spread the tight pussy and pulsating sensation intensified as her inner muscles were squeezing way too tightly around Zhao Tian's dick.

Zhao Tian who felt way too good due to how tight Chi Miya's pussy was, tried his best not to lose control of himself and start moving too quickly.

At the same time, he even began playing with her boobs to make her feel more pleasure and reduce the pain while kissing her.

Squeezing her soft milky breasts his finger began to play with her pink nipple buds. Chi Miya's clutch on his neck got tighter and she unconsciously bit Zhao Tian's lip in pain.

She gnawed on his lips sucking his lips and Zhao Tian also reciprocated with the same madness as he slowly started moving his hips.

"Hnngh~~!...Anghhh~~!" Chi Miya wrapped her legs around his waist as he continued increasing the pace. She can feel his dick slowly stretching her pussy and making its way deeper into her hole.

He grabbed her thighs and pounded his dick even more. Slowly love juices began to flow from Chi Miya's pussy and lubricated her pussy walls, increasing the pleasure they were feeling and making his movements easier

Gradually, the expression of pain disappeared from her face, and her eyes turned more lewd, at that moment, Chi Miya let out a loud moan

"Anhhh!? Tiannnn~!!" He increased the speed of his thrust, and the pleasure began to overcome the pain that Chi Miya was feeling and before long, she also began to move.

"Urgh~ Miya your pussy is so damn good!" Zhao Tian mumbled as he enjoyed how her pussy walls are sucking on his dick as if massaging it. Chi Miya's entire body was dyed crimson hearing his dirty compliment words.

But her mind was feeble to think about it as his cock pushed even further reaching her cervix making her feel as if puddles of fire were pooling on her lower abdomen. It made her body even more hotter and she could not suppress the wave of pleasure that was surging through her whole body making her mind muddle.

pakh *pakh* "Angh~!...Angh~! Tian~ Tian~!" Because of his aggressive movements, the bed also began to move along with him, and Chi Miya being under him could only receive his thrusts.

"Angh~! Yeshhh... Haangh~!!!! Tian~~~" Zhao Tian fastened his hip motions as his dick rammed into her wet pussy making her moan again and again. Her boobs hopped up and down and seeing this Zhao Tian chomped her boob and began to suck it wildly.

"Hnngh~!!...Yanghh~~ T-Tian!!... Yaanghh... Suck them to your heart's content dear...." Chi Miya was letting out ceaseless moans and her entire body was already feverish and her body was becoming numb with pleasure.

She could barely feel her limbs that were wrapping around Zhao Tian and felt her body dancing to Zhao Tian's rhythm and his relentless thrusts. The sensations were overwhelming, consuming her completely in a whirlwind of passion and desire.

This was the same for Zhao Tian who is also overloaded with the pleasure Chi Miya was giving him as he continued plunging his cock deep into her honey hole poking her womb.

"Haah!" Zhao Tian grunted in pleasure and thrust fiercely, making Chi Miya moan again. She extended her legs and twitched comfortably Her mind began to turn white and she could only keep moaning. He realized that she was close to cumming again and began to thrust faster.

pakh "Ahhhnnggg~~~!?" He firmly grasped her shoulders and forcefully pressed her down, causing her body to jerk. "HaangH~~!" With a loud erotic moan, she orgasmed as her body trembled in pleasure.

At the same time, her vagina tightened over Zhao Tian's dick increasing the pleasure and with the moistening of her cum *splurt* he also released his loads into her painting her inner pussy in white.

Chi Miya's back arched feeling the hot white magma filling up her insides and her eyes widened in sheer pleasure. *thud* Her back fell on the bed and her breathing ragged. *huff* *huff* Zhao Tian saw her boobs swaying up and down, because of her heavy breathing.

"Miya..." With a gentle whisper, he lay beside her on the bed. Chi Miya affectionately drew herself nearer, entangling her arms around his body and the cum leaked from her pussy.

Zhao Tian pulled her closer, enveloping her in a comforting hug, his arms wrapped tightly around her as his hands wandered her back and Chi Miya too ran her fingers over his rigged muscles feeling them.

Each touch, each kiss, each caress filled her with a sense of euphoria, a blissful haze that enveloped her in a world of passion and longing. At that moment, there was nothing but them, lost in a dance of desire and pleasure that seemed to stretch on endlessly.

"Tian, I love you~~~"

...

In the morning-

Zhao Tian felt something on his nose and his eyelids fluttered open. The first thing he saw was a pink nipple teasing his nose "Oh, you woke up?"

As he heard the soft murmur, he shifted his gaze toward the stunning woman lying next to him, her naked body illuminated by the soft morning light filtering through the curtains. "Good morning, Miya..." he greeted, stretching his arms as he settled into a sitting position on the bed, the pristine white blanket draped over their lower bodies.

Chi Miya moved closer hugging his muscular chest "My first morning together with you, Tian." she spoke placing a gentle kiss on his cheek. With a chuckle, Zhao Tian hugged her body back "Does it still hurt?"

Chi Miya smiled and shook her head "Not much as I thought it is tolerable.." Zhao Tian nodded his head, tenderly brushing her luscious blue hair, relishing in the softness of her hair, and playfully pinched her cute little nose.

Chi Miya giggled seeing his cute teasing and pinched his waist back. But a wry smile appeared on Zhao Tian's face and he turned towards the door. 'Well, fuck!'

creek Opening the door, Zhao Suyin entered the room with a coffee cup in her hand "Tian'er!"

Chapter 55 Having an affair?!!

creek Zhao Suyin entered the room with a smile to greet her son with a coffee the first thing in the morning "Tian'er..." she called him affectionately.

But as she stepped in, she was met with the sight of Zhao Tian seated on the bed, embraced by a stunning woman who appeared completely naked, sitting next to him.

"Wha-" Zhao Suyin was taken aback and left speechless, her jaw dropping in astonishment. Her eyes dilated in shock and her eyes darted back and forth between Zhao Tian and Chi Miya unable to believe what she was witnessing.

Chi Miya was startled by the sudden entry of the stunning woman and pulled the bedsheet covering her breasts "U-Un...".

Zhao Tian smiled softly "Good Morning, Mom." M-Mom? Chi Miya was stunned and looked at the woman standing there with a shocked Pikachu face.

Zhao Suyin came out of her shock and her body trembled seeing him hugging Chi Miya. Feeling flustered she hurriedly exited the room "S-Sorry, for interrupting..."

As she left, Chi Miya closed her face with her palms "T-This is not how I wanted to meet your Mom." She was so embarrassed about how to face her Mother-in-law after this.

Zhao Tian chuckled light-heartedly "Don't worry, Mom won't take it seriously. She is an easygoing person..."

"R-Really?"

"Yeah!"

...

"Hmm..." Zhao Ying hummed a tune under her breath as walked upstairs to wake her little brother. "Did he come back after the date yesterday night?" she muttered to herself.

As she lifted her gaze, she saw her Mom coming downstairs with the steaming coffee cup in her hand, a slight blush adorned her cheeks as her gaze seemed lost in deep thoughts, staring into nothing. Eh? Zhao Ying was dumbfounded seeing her walking down with a blank stare. Why does she look like she just saw a ghost? "Mom... Is Tian'er in his room?" Zhao Ying asked but Zhao Suyin walked past her downstairs just simply staring into nothing.

Wth? Zhao Ying was confused to see her Mom's weird behavior. What did she just see? Did she see him while he was flying or something?

"Tian'er, what happened?" Curious, Zhao Ying asked pushing the door. "Ah!" But the sight took her by surprise when she saw Chi Miya standing naked near the bed and raising her hands to braid her hair while Zhao Tian was sitting on the bed. Zhao Tian's smile widened as he leaned back against the soft pillows on the bed, "Ying'er!"

gasp Seeing the pink-haired woman, Chi Miya gasped in shock. I-Isn't she? Instantly, a surge of panic washed over her, causing her heart to palpitate rapidly within her chest, with the fear of being caught by his girlfriend.

Zhao Ying narrowed her eyes and she could clearly see the panic in Chi Miya's face. "Tian'er... are you cheating on me?" she asked taking two steps inside the room.

Feeling the glare of Zhao Ying, Chi Miya's body trembled with shame as she averted her eyes. 'Shit, it's over...' She felt a sense of dread wash over her, realizing that she had been caught red-handed in an affair and found out by the real wife.

"Chi Miya, I heard you are on a date with him... but I thought it was a friendly date... but to think you even had sex." Zhao Ying said, a heavy silence hanging in the air, and Chi Miya's eyes quivered, her eyes moistening with tears.

She hurriedly bowed her head "S-Sorry... Zhao Ying, I-I am the one who seduced him to have sex with me. So don't blame him... it's all my fault."

Her heart surged with intense emotions and she felt guilty. If Zhao Ying asked her to break her relationship with Zhao Tian, she didn't know what to do. S-Should I leave him? B-But... I don't want that.

As she stood in anticipation for a reply from Zhao Ying, "Hnngh~ Tian'er..." she suddenly heard the soft moan of Zhao Ying. Huh? Feeling confused, she slowly lifted her head from the bow and saw what was happening.

She saw Zhao Ying hugging his neck and Zhao Tian pressing his lips against hers, while his hands caressed her boobs. This made Chi Miya even more confused...

"Why are you teasing her? See she is scared..." Zhao Tian said glancing at Chi Miya. Zhao Ying couldn't help but giggle "It was fun seeing the panic in her eyes when I entered the room."

"Um..." What the fuck is happening? Zhao Ying is not mad about her relationship with Zhao Tian?

Zhao Ying smiled cheekily looking at Chi Miya "Don't worry, Chi Miya... I was just having fun with you."

Hearing this, a glimmer of hope appeared in Chi Miya's heart "Then... is it okay for me to date, Tian? I-I mean... are you okay with that?"

Zhao Tian glimpsed at Zhao Tian and nodded "Yeah..." Chi Miya was pleasantly surprised and a huge relief washed over her heart her heart "T-Thank you, Zhao Ying..." She was scared there for a second.

Chi Miya walked forward and hugged Zhao Ying with a big smile on her face. Zhao Ying smiled wryly and didn't hug her back "Um, Chi Miya... you are naked so..."

gik Chi Miya quickly realized and retracted from the hug hiding her boobs and pussy with her hands, her cheeks flushed in embarrassment "I-I am sorry..."

Zhao Tian let out a light chuckle "Ying'er bring a set of clothes for Miya to wear..." Zhao Ying nodded and quickly left the room "I'll bring it!"

A sigh left Chi Miya's lips and Zhao Tian scooped her over in a princess carry. "Are you happy now..." Leaning on his shoulder, a beautiful smile spread across her lips "Very happy!"

"Then, let's go and bathe together."

...

"*thriss* Mmnggh~!" In the steamy shower, Zhao Tian passionately pressed his lips against Chi Miya's, eagerly nibbling on them. Chi Miya reciprocated the kiss, her hands exploring his dick with gentle caresses. The sound of her moans filled the air as they lost themselves in the heat of the moment.

Retracting the kiss, she looked down at his hard dick "I can't believe something like this.. entered inside me." she said stroking his dick 'He is turned on, but it still hurts... ' she looked down at her reddened pussy.

"Tian!" She called him and turned off the shower. She pulled her hair back and kneeled in front of him. Understanding her action, Zhao Tian smiled, bringing his dick near her face.

smooch Chi Miya pressed a gentle kiss on the tip of the dick and began to lick it. Holding his dick, she continued stroking it with care as she licked his big dick like a lollipop.

Then she opened her mouth and took his dick in her mouth. Zhao Tian smiled in satisfaction and patted her head as she slowly sucked on his dick with her lips "Yeah,like that..."

Upon hearing this, Chi Miya felt a surge of happiness in her heart. She leaned in and gently licked the tip of his dick, all the while aiming to bring him pleasure. *slurp* *slurp*

...

Zhao Tian and Chi Miya came out of the bathroom wearing towels around them. As they made their way back to the bedroom, Zhao Ying who was lying on the bed turned her head "Chi Miya, here is your set of clothes you can wear."

With a smile, Chi Miya gave a nod "Hm..." Zhao Tian walked over to the bed and gently kissed Zhao Ying's lips. After a small kiss, he reached for his T-shirt and shorts.

"I'll go and talk with Mom." Zhao Tian said and Zhao Ying smiled wryly "Yeah, go and talk to her... She was so shocked seeing both of you."

As Zhao Tian left the room, Chi Miya who was only wearing the underwear quickly sat beside Zhao Ying on the bed. Zhao Ying was puzzled "What happened, Chi Miya? You did not like the dress?"

Chi Miya giggled and shook her head "No, um... I can call you Ying, right?" Zhao Ying gave a nod "I will also call you sister Miya, since you are older than me."

Chi Miya's eyes softened and she nodded her head "En. The thing is... I want to know more about Tian."

Zhao Ying raised an eyebrow "More about him?"

Chi Miya hurriedly nodded "Yeah, like his hobbies, what he likes... something like that?"

Zhao Ying rolled her eyes thinking about this "Hm... Tian'er doesn't have a particular hobby as he can do anything if he tries it once or twice, He is a prodigy after all."

"Ah, wait... he likes to play games." Zhao Ying said pointing at the PC setup. Oh... Chi Miya mused in amusement as this was the first time she heard him like to play games.

"And he also likes sweets. He likes desserts even more..."

"O-Oh..."

"And mostly he watches TV with me and Mom. He spoils me so much... haha."

Chi Miya chuckled hearing this and Zhao Ying asked curiously "You know about Cultivation?" Chi Miya gave a nod "Yeah, he actually saved me once from assassins."

Zhao Ying was surprised "Tell me the full story., Sister Miya."

"Haha, OK!"

Chapter 56 I can help you Mom!

As Zhao Tian descended the staircase, he made his way towards the kitchen where he saw his Mom cooking in the kitchen.

"Mom." Zhao Tian called her softly and Zhao Suyin turned around with a warm smile on her face "Tian'er."

Zhao Tian gently wrapped his left hand around her shoulder "So, how is my girlfriend?" he asked teasingly and Zhao Suyin couldn't help but giggle "Yeah, she is beautiful..."

"I am really surprised to see a naked girl with you on the bed. But I am also glad that you finally decided to get a girlfriend." She spoke and a mischievous smile appeared on her lips.

"Seems like Mom doesn't need to take on your sexual urges anymore, you have a girlfriend now..."

"Haha!" Zhao Tian let out a lighthearted chuckle hearing this "Yeah, sure... but." With a playful smile dancing on his lips, he brought his right hand near her neck smoothly sliding his hand into her dress without any hesitation.

"T-Tian'er?" Zhao Tian gasped in surprise seeing this but Zhao Tian just continued with a smile as he firmly grasped her breast through the fabric of her bra eliciting a soft moan out of her lips. "Hnngh~!"

Zhao Suyin couldn't help but feel her heart skip a beat as she saw the playful smile on his face "Tian'er you have a girlfriend now... you still need Mom's help?"

Zhao Tian didn't say anything, keeping his smile he tried to remove the dress a bit but Zhao Suyin caught his hand "Tian'er, what are you doing?" she asked looking into his teasing blue eyes.

Gently, he leaned in close to her, his voice barely above a whisper "Just cooperate with me..." As he delicately tugged at her, she stumbled and fell on his shoulder, feeling the warmth of his touch.

Despite her initial resistance, she couldn't help but surrender to his request and slowly retracted her hand.

Zhao Tian's smile widened as he slowly peeled her upper dress unveiling her seductive curves enhanced by a lustrous white bra that was holding her voluptuous breasts. "Bra strap on the front, how convenient.." he uttered and unfastened the bra strap.

With a flick, the bra opened revealing her big bouncy boobs with her pink nipples. Zhao Suyin's heart trembled in intense emotions as Zhao Tian's skilled fingers gently sank into her supple breasts, a sensation of pure bliss enveloped her being. "Soft as that day, Mom..."

"Hnngh~ Tian'er..." Zhao Suyin mewled and placed the spoon down as she raised her arm wrapping it around his head as he leaned in to place a tender kiss on her seductive neck.

As Zhao Suyin felt the gentle touch of Zhao Tian's lips against her neck, a wave of pleasure washed over her body, causing her to shudder and her eyes to turn misty. Zhao Tian's fingers danced around her nipples teasing them, sending waves of pleasure through her body and Zhao Suyin opened her lips letting out a soft moan "Haangh~!"

"T-Tian'er, we are in the kitchen right now... if you really want... Mom can use her mouth later..." Hearing this, Zhao Tian chuckled, his fingers still fondling her boobs and massaging them.

"It is actually you, who needs help Mom." Hm? Zhao Suyin was quite confused hearing his words "Huh?"

Zhao Tian smiled and planted a kiss on her nape "I heard... some middle-aged woman have an insane sex drive. Is that true?"

Zhao Suyin's body stuttered upon hearing this and the blush on her face deepened. Zhao Tian grinned "You don't need to hold back, I am here, your son."

"If you ever need help, don't be ashamed to ask me... This son of yours will completely take on your desires if you want. We are family, after all." he said in a teasing voice.

Zhao Suyin's face turned a deep shade of red, overwhelmed with embarrassment as Zhao Tian repeated the same kind of words she told him. Zhao Tian smiled and slowly retracted his hands from her boobs.

Zhao Suyin blushed deeply as she once again fastened her bra and adjusted her attire. A soft chuckle escaped his lips as Zhao Tian affectionately planted a tender kiss on her cheek.

Zhao Suyin let out a weary sigh as she adjusted the flame on the stove, her voice tinged with a hint of exasperation. "You are really getting naughty these days..." she shook her head wryly.

Still having his arm around her shoulder, Zhao Tian asked "Is there something wrong in what I just said?"

Zhao Suyin pinched his cheek with her delicate fingers "You have a girlfriend now, so think about her... Go and call her down for breakfast. And your coffee is also here drink it before it gets cold."

Zhao Tian took the coffee cup and smiled "Ok, then..."

Looking at Zhao Tian who was exiting the kitchen, Zhao Suyin's eyes trembled with various thoughts swirling inside her mind but she shook her head "No, No what am I thinking..."

...

Zhao Tian opened the door of his room sipping his tea and saw Zhao Ying and Chi Miya chuckling and smiling at each other engaging in lively conversations.

His eyes softened seeing them getting closer and he spoke "You got to know each other." Chi Miya looked at Zhao Tian her eyes full of admiration and respect.

Hm? Zhao Tian frowned seeing her gaze, why is she looking at me like that? Her eyes are always filled with affection, but now she is looking at him like a god or something.

Zhao Tian discreetly glanced at his sister 'What did she say?' Chi Miya stood up with a smile "Tian, I didn't know you were such a great person... I heard a lot of things from Ying."

Zhao Ying giggled and stood up "There are still many things, Sister Miya!" Chi Miya spoke her eyes sparkling with excitement "Really? I wanna hear all of them."

"You can hear them later? Now come down, let's have breakfast." Zhao Tian spoke and Chi Miya asked with a wry smile "Will your Mom be there?"

"Yes, of course!"

"Then I am not coming, it's embarrassing!"

"Haha!"

...

Zhao Tian, Chi Miya, and Zhao Ying walked downstairs, and noticing them Zhao Suyin approached them. Seeing Zhao Suyin, Chi Miya hurriedly came and politely bowed in front of her "H-Hello, Auntie!" Zhao Suyin giggled in amusement "She is polite, huh... What is your name?" Chi Miya smiled "It's Chi Miya, Auntie..." she spoke and a slight blush appeared on her face "Um, about today morning..."

Zhao Suyin shook her head "It is ok, Miya. It is normal between couples. I should have knocked before entering..."

"Uhm, Yeah..." Chi Miya replied in a low voice. "Come on, let's eat." ...

On the dining table-

"Heh, you are the CEO of that Chi company?" Zhao Suyin asked in wonder. Chi Miya gave a nod embarrassed. "But you look so young..."

Hearing this, Chi Miya spoke, "My parents passed away while I was at university, so I took over the company at that time."

"Ah, sorry..." Zhao Suyin apologized for making her remember her dead parents. Chi Miya shook her head "No, Auntie... don't mind it." she replied politely.

Zhao Tian glanced at his mom and raised his eyebrow asking 'How is she?' Zhao Suyin giggled silently with a nod of her approval 'She's good.'

Zhao Suyin got curious and asked, "So how did you meet my son and fall in love with him?"

Chi Miya stopped eating taking a quick glance at Zhao Tian "Actually I first met him in the hospital, when he saved my sister and admitted her to the hospital."

"Then we exchanged contacts and we went to a party together. During my time with him, I am constantly attracted to him..."

A smile appeared on her face as she remembered the past incidents "I mean he is just so handsome and always treats me with care and genuine affection. How could I not fall for him?"

Zhao Suyin looked at Chi Miya blankly as she started unconsciously blabbering about the things she loved about Zhao Tian. Chi Miya seemed completely lost in her own thoughts, absentmindedly scraping her spoon against her plate as she spoke enthusiastically about Zhao Tian.

"He even killed the assassins and-" WHAT? KILLING ASSASSINS?" Zhao Suyin interrupted with a yell and Chi Miya came out of her daze panicking "I-I am sorry Aunty, I w-was... watching an assassin movie yesterday so I got it mixed up.. Haha..." she said with a wry smile.

"A-Actually he helped me find the embezzlement that was happening in the company and found the culprits among the shareholders."

"O-Oh I see..." Zhao Suyin muttered and Chi Miya facepalmed herself. 'Fuck! I almost blurted it all.' Seeing all of the banter, Zhao Ying couldn't contain her chuckle.

Chi Miya looked at Zhao Tian apologetically 'I am sorry...'

Zhao Tian just smiled and patted her head.

...

As they sat together in the car, Chi Miya leaned in to softly press her lips against Zhao Tian's "Then, I am leaving... Tian." she murmured tenderly, her voice tinged with longing.. Zhao Tian gave a nod "I'll come later to the hospital to visit Shui."

Chi Miya gave a nod and stepped out of the car walking towards her Villa. As she left, Zhao Ying quickly jumped from the backseat, crawling to the front seat near Zhao Tian. "Tian'er!"

...

As Zhao Tian drove the car, he stole a quick glance at Zhao Ying, who was completely immersed in the music playing on the radio. Her body swayed and moved with the rhythm, clearly enjoying the upbeat vibes that filled the car. But a sudden frown appeared on his face sensing a presence "Who are these guys?"

Chapter 57 Need to kill her?

"Hmm..." Zhao Tian muttered his hands gripping the steering wheel driving the car through the windy roads Zhao Ying also glanced around the area Zhao Tian was driving in. "What are we doing near the forest? trekking?"

Zhao Tian let out a chuckle "Yeah!" he parked the car to the side and opened the door coming outside. Following suit, Zhao Ying also came outside with a weary sigh as she stretched her arms and closed her eyes relaxing her muscles.

"Haah!" She exhaled and opened her pink eyes *gasp* but her eyes dilated in shock as she saw a sharp knife crackling with green energy hurling towards her at high speed, aiming right at her face woosh

swoosh Reacting swiftly, yellow energy radiated from Zhao Ying's body as she raised her arm, a shining yellow sword materializing in her palm *sleesh* she quickly slashed the knife in a horizontal slash. *clank* The knife got cut into two pieces and fell to the ground.

A small smile appeared on Zhao Tian's lips as he glanced at the Light sword in her hand "Nice reaction! Seems like Shenyi's training is fruitful!"

Zhao Ying squinted her eyes and used her astral sense "We are surrounded by three people. 1st level of True Astral Stage" Zhao Tian shook his head "No, four!"

trreekkkk The earth beneath their feet unexpectedly started to shake violently. Filled with a mix of fear and anticipation, Zhao Ying instinctively took a step back, only to be startled by a sudden whooshing sound that echoed through the air.

woosshhh At this time, a man fully clad in black appeared right in front of Zhao Ying with a dagger in his hand, the tip of it piercing toward Zhao Ying.

Zhao Ying deftly swirled the sword in her hand blocking the dagger and the man, taken aback by her speed and precision, took a couple of steps back and furrowed his brow in puzzlement.

'I can't sense astral energy from her... but she is using a technique and it seems like the affinity is Light. They wanted to kill her... because of the rare affinity?.'

swish The man again dashed at her slashing his dagger at her once more and Zhao Ying again intercepted the attack with the sword *clank* creating a loud clash as the two weapons collided.

Zhao Ying blinked her eyes and the man in front of her disappeared. *woosh* She felt a green energy in the corner of her eyes and she narrowed her gaze.

'He is using a movement technique along with the wind element giving him such speed. He is four levels lower than me, yet I can't defeat him...'

'Urghhh! My lack of battle experience is obvious.'

As Zhao Tian leaned against the sturdy trunk of the tree, his eyes casually observed the intense battle unfolding before him between Zhao Ying and the assassin. The ground was littered with the lifeless bodies of two men who were also wearing the same black clothes.

"Her first battle, I shouldn't interfere too much, don't you think?" Zhao Tian asked, turning his eyes to the bulky man who was walking towards him with cold eyes. The bulky man's eyes glimpsed at the lifeless bodies of the other two comrades and his steps got heavier, a surge of brown energy emanated from within him, coursing through his veins. As he moved forward, the earth beneath him quivered slightly in response to his immense weight and presence. "I can't sense any astral energy from you... How did you kill my disciples?" Hearing the rough voice, Zhao Tian shrugged his shoulders "They were too weak after all."

thud *thud* The bulky man charged towards Zhao Tian, his every step causing tremors shaking the land. As he drew closer to Zhao Tian, his hand reached up and gripped the gigantic hammer strapped to his back.

With a mighty swing, he brought the hammer hurtling towards Zhao Tian, creating a whooshing sound as it cleaved through the air. *fwish*

clankk Zhao Tian blocked the gigantic hammer with his left forearm, a smile playing on his lips. *crisk* Suddenly large spikes made of earth appeared from the ground trying to pierce Zhao Tian.

thrsih But as they neared Zhao Tian they all broke into pieces and fell down. *swiiishhhh* Following that, a massive dome composed of Earth quickly began to form around Zhao Tian

But Zhao Tian used his cultivation pressure to coerce the sand on the ground and not let it rise to the air to cover him.

Huh? The bulky man was taken aback seeing this and narrowed his gaze "W-What Stage are you?"

cricck Zhao Tian clenched his fist and directly punched the gut of the man. "ARGHHHH!" An agonizing cry escaped the man's lips, his stomach convulsing from the sheer impact of Zhao Tian's powerful blow.

"Urghhhh!" The man let out a guttural groan of agony as his entire body convulsed in excruciating pain, caused by the sheer force of a single punch. With sheer determination, he attempted to gather his strength and rise to his feet *swish* But Zhao Tian appeared beside him and exerted his cultivation pressure, pinning him onto the ground.

With a deafening sound of *woossh* followed by a powerful *boommm*, the man was violently thrust through the air, crashing into the trees with such force that they splintered and shattered upon his impact. In his wake, a path of destruction was left behind, marking the sheer devastation.

"Urghhhh!" The man let out a guttural groan of agony as his entire body convulsed in excruciating pain, caused by the sheer force of a single punch. With sheer determination, he attempted to gather his strength and rise to his feet *swish* But Zhao Tian appeared beside him and exerted his cultivation pressure, pinning him onto the ground.

With a firm grip on his resolve, the man clenched his fist tightly, desperately attempting to rise to his feet resisting the force and he felt like his skin tearing up but all of it was useless as he couldn't even move an inch.

Zhao Ying's sharp eyes scanned her surroundings, keeping a watchful eye on the assassin's every move. 'From left!' Anticipating an attack from the left, she deftly swung her sword in that direction blocking the incoming attack. *clank*

"Tsk!" The man clicked his tongue in displeasure and he swiftly vanished from her sight once more. 'His strength is his speed, well he is an assassin after all. And what I have to do is... *huff*' She took a deep breath.

'Now in the front!' The man again darted at her and aimed the sharp edge of the dagger right at her neck. But as he inched closer, he saw her crouching down and was not trying to attack or defend this time.

Hm? Regardless, without hesitation he slashed near her neck. But suddenly, a protective yellow barrier materialized, covering her body from the dagger *clank*. At the same time, Zhao Ying, who had just been crouching, swiftly swung her sword and sliced through the assassin's legs. Her blade effortlessly sliced through the flesh, leaving a trail of crimson stains on her weapon.

"ARGHHHH!" The assassin let out a guttural cry of frustration as his body collapsed onto the ground, writhing in excruciating pain. 'Light shield...' She muttered under her breath. She only used Light's sword from the beginning making the assassin think that she has no other tricks.

She lured him in by showing a feint and protected her with the Light shield while slashing with the Light sword. Seeing the bloody body of the assassin squirming on the ground Zhao Ying was horrified.

She looked away in disgust but she shook her head 'No, No, I am a cultivator...' she again glanced at his severed legs and steeled her resolve. She took a deep breath calming her nerves and the sword in her hand disappeared.

"Good job, Ying'er!" Zhao Tian walked towards her and a smile bloomed on Zhao Ying's face seeing him. "Tian'er..."

Hugging her body, Zhao Tian spoke "Ying'er, you go back inside the artifact and rest... I will clear things here."

Zhao Ying gave a nod and she disappeared. Zhao Tian then turned toward the assassin who was squirming on the ground "Don't worry, I'll kill you now." He took his own dagger and sliced at his neck killing him.

He then walked towards the bulky man who was still coerced on the floor under pressure. "So, who ordered you to kill me?"

The bulky man didn't say anything and glared at Zhao Tian. "Well, I know you assassins won't tell anything easily." Zhao Tian spoke and tried to search for anything in the assassin's clothes.

He just found some hidden weapons and blades... but in the midst, he found the photo. On the back, it was written 'Target' "Hm?" He turned the photo and saw Zhao Ying's picture on it.

Someone has sneaked a picture of Zhao Tian while she was in the University Classroom. "Huh?" Zhao Tian narrowed his eyes and glanced at the bulky man "Now I want to know who the fuck dared to kill my sister?" a cold voice left his lips.

The man was taken aback by the intensity of Zhao Tian's anger, as he could sense it through the tone of his voice 'Ah Shit!'

Chapter 58 Went on a rampage!

swish A gleaming sword appeared in Zhao Tian's hand as he glanced at the man who was pinned to the ground by his pressure. "So, who told you guys to kill her?" He asked in a nonchalant tone as he sat on the man's back.

kichik Zhao Tian stabbed the sword at the man's hand and the man's eyes widened in horror "Arghhhhh!!!" a cry of pain left his lips. Despite the man's desperate cries, Zhao Tian showed no sign of empathy or remorse as he plunged the sword in deeper.

"Tell me!" Zhao Tian demanded, his grip on the sword tightening as he twisted it mercilessly "AAARGHHHHHH!!!" The man's agonized screams filled the air as the blade tore through his muscles, causing excruciating pain, and ripping it from the inside.

splash He retracted the sword and the blood puddled out from his hand "Arghh Arghhh!!!" The man screamed in excruciating pain. "Tell" *kichik* Zhao Tian again stabbed the sword on his arm before pulling it back out.

"Me." *kichik* "ARGHHH!!!" He continued stabbing the sword twisting it and contorting the muscle as the man vehemently cried in a piercing scream at the top of his lungs, his eyes, filled with a mixture of pain and anger, turned a fiery shade of red as he struggled to catch his breath amidst the chaos.

Seeing the assassin just screaming around *slissh* He deftly cut off his arms and asked again "So are you telling me?" "AARGHHHHHHHH!!!" The man squirmed on the ground in utter pain as he gazed down at his hand, the deep gash causing a steady stream of crimson blood to flow freely, staining the surrounding ground.

As Zhao Tian thought of cutting his other arm "I-I am telling.. Aarrgh!" The man gritted his teeth in pain and said his red eyes glancing at Zhao Tian. Zhao Tian gave a nod "I am hearing!"

"W-We are assassins, we Aaarghhh!! were never told who the c-clients are Urghhhh *cough*
cough we just get the information about the target and we k-kill them. Argggghhh" The man's eyes trembled in horrific pain but he withstood all of that and spoke because if he didn't speak Zhao Tian would continue torturing him.

"And your organization name?" H-Huh? The man's eyes trembled to hear this and he again felt the excruciating pain in his body muddling his sense he was trying hard to even keep his consciousness because of the bloodless in his body.

"Your. Organization. name?" *kichik* With each word he stabbed his shoulders. "ARGHHHH!!
cough" The man's screams got louder and Zhao Tian thrust his sword even deeper, hitting his shoulder bone. *gasp* The man's eyes widened in sheer terror as Zhao Tian began to twist the sword, causing it to scratch against his bones, sending intense waves of excruciating pain throughout his body.

With every twist, his agonized screams echoed through the air, resonating with the sheer brutality of the torture he was enduring. "ARGHHH!!! IT HURTSTS!!! ARGHHH!!! I'LL TELL... I'LL TELLL..." he repeatedly pleaded with Zhao Tian, his voice filled with a horrifying mixture of fear and desperation.

Zhao Tian nodded his head and retracted his hand, the sword still stabbed on the man's shoulder. "W-We are from the Blood Blade Organization... and the three people you killed are the rookies trained under me..."

"Arghhhh *cough* T-This is their first mission, so I accompanied them. It was just a task to kill a human girl but... Urghhhh!"

Hearing the lame-ass name of the organization, Zhao Tian frowned "And where is the headquarters of the organization?"

"T-That's..." The man hesitated, unsure of whether to disclose the whereabouts of their headquarters. Zhao Tian, sensing his hesitation, tightened his grip on the sword and began to twist it slowly. "ARGHH! O-Ok! OKAY! FUCK FUCKKKK STOP!" Zhao Tian didn't stop and dug the sword deeper into his flesh "Then tell me..." Despite the excruciating pain, the man managed to gasp out the information "RAAARGHH!!!! It's like 430 miles to the north from here... in the S-Silver Mist Forest u-underground...Argh!! IT HURTS FUCKING DAMN IT!! URGHH!" The man hastily spoke can't able to withstand the pain.

His breathing ragged in utter pain and he felt his eyelids getting heavy feeling unconscious from the severe blood loss and the pain numbing his brain. Receiving the information, Zhao Tian didn't think much and sliced his head ending his life.

He stood up and a ball of flame appeared on his palm "It is a good thing to learn the fire technique first." He spoke and flicked his finger.

thrisssh The lifeless bodies of the assassins began to burn brightly leaving burnt charred remains. "Silver Mist Forest...." Zhao Tian muttered and *wooooosh* He dashed through the air.

...

swish Zhao Tian's gaze swept across the expansive landscape, as he flew above the Silver Mist forest, and as the name says, the forest is always shrouded in mist so many people won't come near this forest.

At this time, he felt a spark of astral energy from one side of the forest and he quickly flew towards it. And as he reached his destination, his eyebrows frowned "A barrier has been placed to not let any intruders in."

He spoke looking at the small building made of bricks and looks so old. He dashed towards the building and *feen* as the barrier appeared, he just gave a punch shattering the barrier.

RANG *RANG* The sound of the barrier being shattered reverberated through the underground, instantly triggering a deafening warning signal that echoed throughout the entire organization. This intense alert jolted the assassins who were concealed within the depths of the base, instantly putting them on high alert. "The barrier has been breached!"

"The barrier has been breached."

Inside a dark room, a man who was clad fully in black was sitting at the desk looking at the set of papers in front of him. His sharp eyes glanced at the man who was standing beside him "Go and check it!" he uttered, his voice carrying an undertone of authority.

"Yes, Boss."

BOOM Zhao Tian dashed through the building breaking it into shreds in the impact and he directly landed on the underground base.

swish A sword appeared in his hand, his eyes narrowed in a cold gaze as he looked at the swarm of assassins hurling toward him at a breakneck speed.

"He is the intruder!" "Eliminate him!"

Zhao Tian took a step forward *flick* he vanished from their sight and the assassins were bewildered. *sleesh* Hearing a sharp sound, they all watched the head of the assassin in the front flying away in the air.

gasp The assassins were taken aback seeing this and stopped in their tracks, their gazes slowly fell on the pair of glowing blue eyes in the dimly lit room.

'FUCK!'

thud The assassins heads rolled on the ground and their headless bodies tumbled on the floor afterward in a gruesome sight. "RUN!! CALL THE BOSS!" the remaining assassins began to flee away from the horrifying scene.

Zhao Tian didn't waste his time and rushed forward, the sound of his blade slicing through the air*sleesh* *sleesh* Without mercy he slashed down every assassin's head, his blade cutting through their necks smoothly like butter.

thud The assassins heads rolled on the ground and their headless bodies tumbled on the floor afterward in a gruesome sight. "RUN!! CALL THE BOSS!" the remaining assassins began to flee away from the horrifying scene.

"THIS IS A MONSTER!"

Even though they are assassins who were trained to kill their enemy cold-heartedly, seeing such a powerful enemy they could only back in such a situation.

The assassins tried to flee away seeing Zhao Tian ruthlessly killing everyone but Zhao Tian didn't let them escape, his sword piercing, slashing, and cutting through their flesh. *splashh* *slesssh*

shriekkk The sounds of impact and agony echoed through the air as the assassins desperately tried to evade their inevitable fate.

"Don't worry!" At this time, a cold voice was heard and a man appeared in the space his murderous intent sweeping through the area. Zhao Tian frowned seeing the murderous intent from him "This is what you gain after ruthlessly killing people?"

A relief washed over the assassins' hearts as they saw the long katana perched on the man's back and they yelled recognizing him "Master Liu!" The man in front of them is one of the four people inside this base trained personally by their boss.

The man named Liu took the long katana from his back, his emotionless eyes glimpsing at the number of heads on the ground. "That was quite a commot-"

swish *sling* Zhao Tian's sword cleaved through both the katana and the man's face leaving it split into two. *gik* The assassins looked on in horror as they witnessed their leader, collapsing to the ground with half of his head missing, blood spraying everywhere. *thud*

They all raised their trembling eyes to look at Zhao Tian standing there, his sword dipped in blood, his piercing gaze sending shivers down their spine "Bring me your boss!"

Zhao Tian continued his rampage, killing every assassin in his sight. Assassins with the Cultivation level of True, Soul, and Spirit Astral stage fled at him but he mercilessly slaughtered them without a single hint of hesitation.

swish With a swift movement, a sharp blade was thrown towards him, which he caught effortlessly in his left hand, breaking it. *crack* breaking it in his palm.

As he looked up, he was met with the sight of a woman with vibrant green hair standing before him completely naked, not a stitch of clothing to be seen on her body.

"M-Madam Laure!" The assassins stood in awe as they laid eyes on her, their hearts racing at the sight of her naked body. This is the Madonna of their Assassin headquarters.

As Zhao Tian turned his face, Laure's eyes widened in surprise seeing his handsomeness. "What a hottie!" she spoke in a seductive voice as she licked the dagger's tip with her tongue.

She then gently placed the tip on her nipple teasing the pink nipple playfully arousing herself as love juices trickled down her thigh "Just looking at you makes me turned on!" she closed her eyes in ecstasy.

Zhao Tian squinted his eyes looking at the woman '2nd level Heaven Astral Stage...' *clank* Suddenly, a sharp sound echoed in the air as Zhao Tian swiftly intercepted a surprise attack, his gaze shifting towards the man standing before him with a frown '4th level Heaven Astral Stage.'

The man took a step back glaring at Laure "What are you doing, bitch! We need to eliminate this threat!"

Laure's eyes fluttered open, a mischievous glint dancing within them "Sure, I'll help!" she spoke as she looked at the other assassins their eyes fixated on her. With a playful smirk, she slowly turned around, elegantly bending down to show her pussy and butthole to the assassins.

She spread the pink folds of her pussy with her fingers "Whoever kills him, I'll let them hit this pussy..." she spoke trying to encourage them.

gulp The assassins hardly gulped their saliva and the fire ignited in their hearts "YEAAAHHHH!! LET'S DO THIS!"

"SINCE MASTER CHEN IS ALSO HERE!!!"

"WE ARE KILLING HIM!"

Chapter 59 Against the Boss!

Zhao Tian calmly observed the group of assassins swiftly rushing towards him. Well, the woman just made the thing easier for him. Now he doesn't have to chase them... they will come towards him.

As Laure observed the scene unfolding before her, a subtle smirk appeared on her face. Her eyes were irresistibly drawn to Zhao Tian, and a fleeting thought escaped her lips "Damn, he is so handsome..." she muttered licking her lips.

Zhao Tian frowned his brows "Just Heaven astral Stage, not a big problem..." he spoke as he did a horizontal slash. *swish* The man in front of him narrowly evaded the slash just in the nick of time as he instinctively took two steps back.

The man squinted his eyes in frustration "What stage is he? I can't see through his cultivation!" *woosh* he leaped up from the ground and swiftly darted out of the area, soaring through the air.

Zhao Tian played along and left the underground hurling toward the air. "So you are also in Heaven Astral Stage." The man spoke as his entire body became engulfed in a radiant blaze of red flames. *woossh* With a swift whooshing sound, the man's sword ignited with a brilliant flame, casting a fiery glow as he lifted his hand "Swirling flames!" *swoosh* Enormous slashes formed of scorching fire surged toward Zhao Tian, threatening to engulf him in a blaze of destruction. Zhao Tian casually flicked his hand, releasing a powerful wave of Astral energy that collided with the oncoming slashes, obliterating them in an epic display of force. *boom*

The man was startled seeing this and he prepared for his next move. To finish things quickly, Zhao Tian dashed toward him and again slashed his sword with precision not missing the attack this time.

sleesh A cleave landed on the man's chest splitting his body into two "ARGHHHH!!" A gut-wrenching scream escaped from his lips, echoing through the air as his eyes widened in disbelief. In his final moments, he glanced at the floating figure of Zhao Tian and he closed his eyes, his body collapsing to the ground in a gruesome heap among the trees. *thud* *crash*

Laure standing in the underground was bewildered seeing the man getting defeated. She couldn't believe her eyes and stammered, "This can't be real...he was even more powerful than me." But sensing a presence, a smile appeared on her lips "The boss is here..."

"The Boss is here!" The others also exclaimed in delight.

Zhao Tian turned his head and saw the man hovering in the air looking at him with a cold gaze, devoid of emotions.

"You killed my years of hard work. just like that?" Ye Lan spoke narrowing his eyes "I won't let you go so easily."

A glint of purple energy passed through Ye Lan's eyes as he quickly appeared near Zhao Tian leaving a trail of purple energy behind. *swoosh*

Zhao Tian raised an eyebrow looking at the incredible speed *woosh* He blinked his eyes and saw a punch crackling with vibrant purple electricity inching closer to his face.

thud Zhao Tian reacted swiftly by raising his left hand and blocking the incoming fist with his forearm. *boom* The impact created a mesmerizing *swoosh* sound, causing visible ripples to form in the air around them. Ye Lan was stunned seeing Zhao Tian casually blocking his punch concentrated with Astral energy. "I am at the 9th level of Heaven Astral Stage and you blocked me. What is your stage?"

"6th level of Heaven Astral Stage..." Zhao Tian said and punched right at Ye Lan's face, his fist sinking into his face as he was sent blasting on the floor *Booom* Trees were crushed as he crashed to the ground, leaving behind a trail of destruction in his wake. The force of the impact was so great that it created large cracks in the ground.

Zhao Tian was originally at the 3rd level, but after his dual cultivation with Chi Miya, he soared three levels reaching the 6th level of the Heaven Astral Stage.

Zhao Tian retracted the sword from his ring as he thought of throwing hands with Ye Lan. Ye Lan got up from the impact and brushed off the debris, preparing to retaliate. He bent his knees, ready to make his move. *woosh*

He again hurled towards Zhao Tian at lightning speed "That's Impressive." Ye Lan uttered as he threw a series of punches at Zhao Tian.

Zhao Tian narrowed his eyes and he blocked every single punch aimed at him. As Ye Lan pushed his right fist for a punch, Zhao Tian deftly caught his wrist twisting it with his left hand, and raised his own right fist punching right at Ye Lan's chest. *booom*

"Urgh!" *cough* Ye Lan spat out a mouthful of blood and was thrown far into the air, his body swirling. Ye Lan regained his composure, cleaning away the blood flowing from his lips while still floating.

He took a deep breath and a surge of purple lightning crackled through his entire being, causing his eyes to emit a vibrant purple glow. Haa! Ye Lan again stormed towards Zhao Tian unleashing a relentless barrage of punches upon him.

Zhao Tian also blocked his punches while giving him a punch on his own. Laure standing at the underground frowned her eyebrows.

She couldn't clearly see what was happening as she could only see flashes of blue and purple lighting clashing in the sky but she was sure that they were exchanging blows in the air.

Ye Lan gripped his palm tightly, causing bolts of lightning to form into sharp claws on his hand. With a fierce determination, he launched a series of lightning-infused punches at Zhao Tian.

Zhao Tian blocked the punches and gave an uppercut right at his chin thrashing him away in the air
woosh

swish Zhao Tian appeared beside Ye Lan and delivered a forceful kick directly towards his skull, sending him plummeting to the ground *boom* The impact not only incapacitated Ye Lan but also inflicted significant damage upon the surrounding forest because of their intense fight.

cough *cough* Ye Lan once again rose from the ground, coughing and wheezing. As he regained his footing, *crack* a dazzling display of purple lightning enveloped his body, forming a majestic phantom of a dragon. The crackling energy surged through his veins, fueling his determination.

ROOAARR With a deafening roar that echoed through the air, Ye Lan propelled himself forward Zhao Tian "Dragon of Lightning!"

Looking at the huge head of the Lightning dragon hurling towards him, Zhao Tian pulled back his fist and directly punched the phantom of the dragon.

With a shattering *boom* *crash,* the force of his clenched fist collided with the mighty dragon's head causing a cataclysmic explosion that reverberated through the air. *Boom*

The phantom of the dragon's head shattered into countless fragments, unveiling Ye Lan floating amidst the wreckage, his body marred by bloodstains and his once-black attire now soaked in a crimson hue.

gasp Laure watched in horror as Ye Lan was in danger and immediately sprang into action, flying into the air to assist. "BOSS!" she screamed and Zhao Tian glanced at her "Whore!" he muttered and the sword again appeared on his palm.

sling With a horizontal slash, the body of the woman from head to pussy was split in half and she doesn't even have time to react as her marred body fell on the ground.

"*cough* W-Why all of this?" Ye Lan asked writhing in pain and Zhao Tian spoke "Someone has hired assassins from your Organization to kill someone dear to me."

Ye Lan squinted his eyes "I see, I thought you were from the Government or something. *cough* The information is in the main room... if you want to know who is the client."

"Well, thank you!" *slick*

...

Zhao Tian landed on the Underground and seeing him the assassins tried to flee away again. *wooosh* But Zhao Tian didn't let them escape and continued killing the last one of them.

tap Walking through the dimly lit hallways, Zhao Tian scanned the main room with his Astral Sense. After a brief moment of exploration, he located the designated room and burst through the door with a forceful kick entering in.

Approaching the desk, Zhao Tian carefully examined the files that were neatly stacked on top. As he flipped through the documents, he noticed a large number of targets listed under Pending and Completed.

As his fingers turned the pages, his eyes caught the photo of Zhao Ying. He read through the details and saw the University address, even his home address there.

Then his eyes fell on the Client and his gaze narrowed "Fei Lingxi!" he muttered coldly.

In this world, the ones he mostly loves are his Mom and his Sister and he would go to any lengths for them, and now someone has tried to harm his loved ones, he won't let this slip away easily.

"Fei family!"

Chapter 60 Fei family Mansion!

thrisssh Floating in the sky Zhao Tian clasped his palm as burning flames scorched dancing on his hand. *swish* Bringing his hands together in a fluid motion he pulled his right hand like pulling a string in a bow.

swish A fire arrow materialized in his hands and pulling the arrow, his eyes gazed at the destroyed building and the assassin underground. "Can't leave evidence."

swish With a flick of his finger, the fire arrow was hurled at the building. *BOOOM* an earth-shattering explosion erupted, obliterating the structure into countless fragments and igniting a fierce blaze that consumed the surrounding forest, leaving behind a trail of devastation.

Looking at the scorching fire on the ground, Zhao Tian narrowed his eyes and took his mobile from his pocket to call someone.

ring The call connected "Tian?"

"Oldman, I need the address of the Fei family mansion."

...

baam Zhao Tian landed on the Front Court of the large mansion near the fountain. "Huh? The bodyguards, who had been leisurely strolling around the perimeter, were immediately startled as a man suddenly landed on the court.

"W-What? Did he just come flying here?" One yelled and the others prepared their guns in case the man made any movements.

Zhao Tian didn't say anything and walked forward as he unleashed his cultivation pressure. "ARggghhh!" The sheer intensity of his power caused the men to be instantly crushed, rendering them unable to move as they were pressed down by the immense weight of his aura.

"Urghh!" They convulsed and contorted their body as the overwhelming force caused excruciating pain overall their body. They are just normal humans and the intensity of his coercion was so extreme that their minds became muddled by the torment and fell unconscious. *thud*

Walking to the large door *boom* *crack* He kicked the door open sending the doors dashing through the hallway. "Kyaaaah!" The maids inside the mansion were startled by the sudden sound.

They rushed out of the hall into the kitchens. *tap* They slowly peeked out from the kitchen and they were all taken aback looking at the handsome man walking in.

However, as they caught a glimpse of the cold gaze, a chilling sensation raced down their spines, and didn't dare to raise any noises, and closed their mouths in fright.

Zhao Tian walked on the large staircase that led to the upper floor. Seeing Zhao Tian's back the maids looked at each other bewildered "What is happening here? Where are the guards."

On the upper floor, Fei Lingxi relaxed comfortably on the plush sofa as she casually spoke into her cell phone "Yeah, sign it off..."

Two women were silently standing behind the couch for the protection of Fei Lingxi. At this time, Fei Ziyu walked into the hall with a frown on her face "Mom, what happened with the assassination?"

Fei Lingxi hung up the call and looked at her daughter with a smile "I have already done the transactions and I think today they will eliminate her."

A smile spread across Fei Ziyu's cheeks upon hearing this "Good! Soon... Tian will be with me." Seeing the crazy smile on her face, Fei Lingxi was quite confused "Seems like you are more interested in him than your previous 'boyfriends.'"

Fei Ziyu shook her head with a giggle "They are just toys Mom. But this guy is different... Hehe... I- *baam* They suddenly heard a loud noise from the Front Court.

Startled, both Fei Lingxi and Fei Ziyu stood up from the couch "What happened?" Fei Lingxi turned her eyes at the woman. One of them spoke "Seems like someone is here..."

"Luo, Xu you both go and look at that... it might be a cultivator." The other two women nodded their heads "Yes, Maam..." They quickly left the room.

Fei Lingxi grabbed Fei Ziyu's arm "Come on, we should go to the underground sector before the cultivator arrives here." Fei Ziyu quickly nodded *boom* *crash* At this time, they again heard the door breaking sound from downstairs.

"Is that a robbery?" Fei Ziyu screamed and Fei Lingxi's heart raced with panic as the situation grew tense. She pulled her daughter to a nearby cupboard and pressed a secret button and a door slid open near it.

"Come on, Ziyu!" Fei Lingxi and Fei Ziyu quickly entered the door and the door closed. The elevator then began to move down bringing them to the underground. *swing*

As they both came to the underground room, they hurriedly stepped out of the elevator. Fei Lingxi turned and pushed the large door made of steel and pressed the passcode locking it.

Fei Ziyu asked, "The barrier is intact, right?" A sigh left Fei Lingxi's lips and she nodded her head "It should be... Cultivator below Spirit Astral Stage can't detect us with their astral Sense."

This is the emergency mechanism Fei Lingxi has set up in her home in case any cultivators invade their home. They knew it was troublesome to live in this modern society filled with cultivators.

With a deep sigh, Fei Ziyu lounged on the couch inside the underground room "This is frustrating!" Fei Lingxi moved and sat beside her daughter "We can't do anything against those monsters."

...

As Zhao Tian walked upstairs, a sudden frown appeared on his face "Those bitches went down?" he spoke *swoosh* and saw two women dashing out of the room.

Looking at Zhao Tian, a surprise flashed in the two women's faces and they narrowed their gazes 'No Astral energy from his body, and can't see through his cultivation.'

'Is he a normal human?'

Zhao Tian spoke glancing at the two women "Bodyguards of only Spirit Astral Stage? That bitch doesn't have money to afford powerful bodyguards?"

Hearing his mutter, the women exchanged bewildered glances 'H-How did he see through our cultivation?'

Zhi Luo and Yan Xu looked at each other and gave a faint nod. *woosh* Suddenly, a vibrant surge of green energy emanated from both of their bodies as Zhi Luo dashed forward to Zhao Tian while Yan Xu backed away and took a pair of blades off her back. *sling*

Zhi Luo instantly appeared in front of Zhao Tian her fingers stretched as the green energy condensed on her hand forming wind claws. *swoosh* She slashed at Zhao Tian but Zhao Tian caught her wrist.

In the meantime, Yan Xu slashed both of those swords toward Zhao Tian "Hurricane Slash." She muttered as two big green slashes materialized in the hall creating an 'X' shape and wreaking havoc on the surrounding walls as they hurtled toward Zhao Tian.

Zhao Tian catching the wrist of Zhi Luo threw her at the wall *clank* *thrassh* as she was hurled away. *feen* Looking at the incoming slashes, Zhao Tian raised his hand and as the slashes came in contact with his palm, it got destroyed.

swoosh Zhao Tian appeared near Yan Xu and grabbed her face slamming her head onto the ground *boom* and because of the impact the floor shattered as she got plunged to the lower floor.

At this time, Zhi Luo also came scratching away the debris and Zhao Tian glanced at her "If you take another step, I'll kill you." Hearing his cold voice, Zhi Luo's body shuddered in fear, and stood there like a statue.

These two women are just bodyguards hired for money and he doesn't want to kill them unnecessarily. Zhao Tian turned his eyes toward the lower floor and frowned.

...

baam The noises echoing through the house caused Fei Ziyu and Fei Lingxi to jump in surprise, their hearts racing as they exchanged nervous glances."Seems like they are fighting." Fei Lingxi muttered under her breath.

BOOM But suddenly the whole room shook because of the impact. H-Huh? Both Fei's panicked seeing this and stood up from their couch.

"W-What's happening?"

Both of them raised their heads and saw the ceiling made of powerful steel trembling. *Boom*
crash In the next moment, the ceiling was blasted leaving a huge hole.

Fei Ziyu's eyes widened in shock looking at the young man who just entered the room "T-Tian?"
