Chapter 61: Tell me bitch!

An old man who was floating in the air, his sharp eyes narrowed in thought as he looked at the large blazing fire which has obliterated a building and the vicinity in the Silver Mist forest.

"Which faction did this?" a mutter left his lips. *swoosh* At this time, another man appeared beside him in the air and bowed "Lord Ombudsman!"

The old man is none other than the 'Ombudsman' of this nation who oversees the activities of cultivators within the country. Inside the nation, he is the strongest cultivator under the government.

If any of the powerful cultivators went rampage destroying public properties and causing havoc, he was the one who should capture them under the name of the government.

The Ombudsman turned his eyes at the man bowing "Any leads, Sheng?" Dan Sheng raised his head and gave a nod "Yes, Lord Ombudsman... The cultivator who did this has actually done a good job for the government."

"Hoh?" The Ombudsman raised an eyebrow. Dan Sheng spoke, "Since we came before everything could burn completely, we could find some things."

"We found hundreds of corpses without their heads and their bodies are almost charred in the fire. The cultivator has gone rampage killing all of them mercilessly."

"And the ones who died were not normal cultivators, they are all assassins."

"Hmm... So this is the hideout of an organization?" The Ombudsman asked and Dan Sheng nodded his head "Blood Blade Organization! who kill people for money from rich people which was actually illegal under the government."

The Ombudsman glanced at the destroyed trees on the side "I can sense a battle has happened between two Heaven Stage cultivators." His frown deepened feeling the lingering astral energy from the battle.

"A lightning elemental and the other one is fire it seems." Dan Sheng was surprised as the old man even said the elemental energy just feeling the spark of the astral energy 'Monarch Astral Stage is no joke!'

The Ombudsman glimpsed at the water and ice cultivators trying to put off the fire in the woods. "Why is it taking so long?"

Dai Sheng also glimpsed at it and spoke with a wry smile "Well, they are trying their best... but the fire seems so intense and it is not dying away easily."

"Oh..." The Ombudsman mused and slightly waved his hand *WOOOSSSH* suddenly a strong wave of air swept through the forest instantly putting off the fire.

Dai Sheng's eyes trembled to see this. This is not an elemental attack, The Ombudsman doesn't have wind affinity...he just waved his hand and controlled the energy perfectly so as not to harm the other cultivators on the ground.

'The Strongest cultivator in the country!'

...

Fei Ziyu's eyes fluttered in disbelief as she saw the white-haired young man in front of her. "T-Tian?" Fei Lingxi was also taken aback and narrowed her eyes "You were a cultivator?" *tap*

She quickly moved and went behind the couch to retrieve the gun she had hidden underneath. As she crouched down, Zhao Tian appeared behind her startling her. He bent and grabbed her hair pulling her up from her crouched position.

"Ahhhh!" Fei Lingxi screamed in pain as she felt her hair getting pulled and she instinctively raised her arms to grab her hair.

Hearing her Mom's scream, Fei Ziyu came out of her shock and hurried to Zhao Tian her voice trembling with fear and desperation "T-Tian, what are you doing? Let mom go!" she yelled as she grabbed his left arm and shook it.

Zhao Tian didn't heed her and pulled Fei Lingxi's hair making her stand upright "So, what's the deal with you trying to kill my sister?" his cold voice rang in the room.

gasp Fei Ziyu's eyes widened in shock hearing this 'H-He found it?' Her body trembled and she withdrew her hands from his arm.

Fei Lingxi gritted her teeth in pain "Let me go bastard." she yelled and hit him in the chest with her hand. Feeling the feeble punches, Zhao Tian pulled her hair even more as her legs inched up from the floor.

"Argghhhh!" Fei Lingxi let out a piercing scream, filled with intense pain, as Zhao Tian forcefully pulled her up from the ground, his fingers tightly entwined in her hair. "Tell me, bitch, why did you try to kill my sister?"

Fei Ziyu's heart pounded in nervousness and her body flinched seeing her Mom being tortured by Zhao Tian. 'W-What should I do...' Her breathing quickened in a state of panic.

thud Zhao Tian let go of Fei Lingxi's hair and she collapsed on the floor on her knees. Huff! Huff! Gasping for air, she struggled to catch her breath and lifted her trembling arms to touch her throbbing head. "M-My head..." she muttered, her voice filled with pain

threikk Zhao Tian raised his foot and placed it on her head, stomping her face on the ground. "Urghhh!" The sound of her muffled cry echoed through the room as she felt her face being crushed on the floor.

"Are you telling me or not?" Zhao Tian asked twisting his foot on her delicate cheeks and Fei Lingxi felt so humiliated being stomped by a man.

But Fei Lingxi kept silent because she knew if she told the truth, Zhao Tian would next aim for her daughter.

She glared at him and spoke, "*cough* I-I didn't like her face so I... ordered to kill her."

Hearing the shit, Zhao Tian gave a kick on her face "Argghhhh!" Holding her face, Fei Lingxi rolled on the ground her face bruised in red because of the kick *cough* *cough*.

"I really didn't want to ask this way... but you forced me." Zhao Tian said as a blade appeared in his hand. He placed his foot on her crotch and bent down bringing the blade near her stomach.

Fei Lingxi's eyes trembled to see this "W-What are you..." *sleesh* Zhao Tian did a slight horizontal slash *thriek* and her dress was ripped apart, revealing her toned stomach and the black bra holding her voluptuous boobs.

Fei Ziyu was shocked to see this "M-Mom..." a faint voice escaped her lips. "You fucker!" Fei Lingxi's anger boiled over as she tried to get up but Zhao Tian pinned her down on the floor with his cultivation pressure. *thud*

"So, are you willing to tell me now?" Zhao Tian asked as he teased her belly button with the tip of the blade. "Hnn..." Fei Lingxi's eyes were full of anger as she saw Zhao Tian casually playing with her body the blade delicately dancing every inch of her stomach.

"YOU ASSHOLE!" She yelled looking at him but she couldn't move her body as her hands were pressed down on the ground.

"Still reluctant, huh?" Zhao Tian spoke as he saw her giant boobs jiggling as she struggled to move from the coercion.

"You got something nice stacked up here..." He uttered and slowly trailed the tip upward from her belly button moving it towards her bra.

Fei Lingxi's heart raced with fear as she watched in horror, her lips trembling as she stammered "D-Don't tell me... you." Zhao Tian slowly glided the blade towards her bra strap.

"N-No..." Fei Lingxi vehemently shook her head as the blade inched closer and closer to her bra. With each passing second, her fear intensified, her breath hitching in her throat as the blade hovered just millimeters away from tearing through the fabric.

Fei Lingxi closed her eyes bracing herself for the inevitable..

"I... I am the one who wanted to kill her." Fei Ziyu finally spoke overcome with dread and Zhao Tian stopped his hand turning his eyes at her. Feeling his sharp gaze, Fei Ziyu's body shrieked in fear.

Chapter 62: A drama with the Fei's!

Zhao Tian retracted the blade from Fei Lingxi's body and stood up glancing at Fei Ziyu. Fei Lingxi was startled to hear her daughter speak "Z-Ziyu?"

Feeling Zhao Tian's icy glare, Fei Ziyu lowered her head in fear. Zhao Tian took a step forward and raised her chin with the blade making her look at him. "So?"

Seeing the blue eyes, Fei Ziyu gulped but she decided to tell the truth "I-I wanted to kill her... so that you would love me."

Huh? Tf is this bitch yapping about? How would he love her if she killed his sister? Seeing him narrowing his eyes, Fei Ziyu stammered "I m-mean, I thought... if I killed your sister you would fall into depression and at that time I would provide you with emotional support and y-you will love me."

Wtf? This twisted logic left him speechless. Zhao Tian squinted his eyes "Are you retarded?" he asked retracting the blade from her neck. "But still..." Zhao Tian grabbed her neck with his left hand and pulled her.

"You have done something you shouldn't...." He spoke as he slowly tightened his grip on her neck.

gasp Fei Lingxi's eyes widened in shock and she quickly stood up and grabbed him shaking his body "You... let her go! Shit!" she cursed in frustration.

slap Zhao Tian gave a slap on her cheek "Ahhh!" Because of the force of his slap, she was sent backward tumbling over the sofa, and fell backward along with the sofa. *thud*

She again stood up on her knees and felt the burning sensation on her cheek "Tchhhh!" she let out a shrill cry as her cheek had reddened and swollen a little.

Fei Ziyu's eyes trembled as she felt his grip almost crushing her neck "H-Hear me Tian.. urghh I love you so much. S-So that's why I wanted you to love me no matter w-what...*cough* I love you Tian!! I love you!"

"Hm? Really" Zhao Tian asked and Fei Ziyu hurriedly nodded her head "Y-Yes, Tian..." Zhao Tian spoke, "So, you love me how you loved your previous boyfriends during school?"

H-Huh? Fei Ziyu was startled hearing this and her heart palpated "T-Tian... you?"

When Li Jie talked about the cultivators in the University, the old man spoke about some wealthy families in the city that he shouldn't provoke, and he especially mentioned the Fei family as Fei Ziyu is always trailing his back in the University.

Fei Ziyu previously had three boyfriends during school time and every one of them was handsome men who were popular. But after they started dating Fei Ziyu, their life's been tragic and they all went missing.

He doesn't know if it is his sixth sense or what, but from the start, he also kept his distance from her because he felt something was wrong with her and her gaze. That is why he acted distant whenever she tried to talk to him in the University!

Fei Lingxi was also surprised that Zhao Tian knew about that. Did he do any investigations?

"Those guys went missing right?" Zhao Tian asked and Fei Ziyu panicked "T-Tian, No Tian...This is different. They are just play things... I truly love you Tian... believe me..." she hastily pushed out her words.

"Is that so?" Zhao Tian asked gripping his fingers and despite the pain, Fei Ziyu nodded with a smile "Y-Yes, Tian... I would do anything for you."

"Ok, then..." Zhao Tian let go of her neck and Fei Ziyu gasped for air. Her neck is deep red with clear finger marks of someone gripping her neck.

Zhao Tian walked towards Fei Lingxi. Seeing him coming towards her, Fei Lingxi took a step back and covered her boobs with her hands "W-What?"

thud Zhao Tian just flipped the couch and broke it taking the hidden gun from underneath. "Here!" he tossed the gun to Fei Ziyu catching her off guard but she somehow managed to catch it in her arms. She looked up in confusion, unsure of what was happening. "H-Huh?"

"Haa!" Zhao Tian walked to another couch and sat on it "Shoot that bitch and I'll love you." he said comfortably leaning back on the couch.

"W-What?" Fei Lingxi shouted in shock upon hearing this. "Do You think she will kill me for a bastard like you? huh?" she spoke and glanced at her daughter.

Fei Ziyu's body was shaking uncontrollably as she slowly gripped the gun in her hands, her mind racing with thoughts to take the decision. Seeing this, Fei Lingxi was horrified "Z-Ziyu....?" her eyes quivered in disbelief.

"ZIYU? WHAT ON EARTH ARE YOU DOING? Y-YOU REALLY WILL KILL ME FOR HIM?"

Fei Ziyu's heart raced in panic and sweat appeared on her face "I-I already told you, Mom. This is different.... First time in my life Mom, my love. I-I love him so much, Mom."

H-Huh? Due to the immense shock. Fei Lingxi's legs gave up as she stumbled on the floor and raised her head to look at her daughter "I-is this really different? You really love him?"

Seeing her Mom's distressed face Fei Ziyu's heart ached, tears welled up in her eyes "I-I will do anything... I want him Mom. I can't live without him..."

Zhao Tian just enjoyed the drama unfolding before him as he felt like getting VIP front seat for a dramatic movie.

Fei Ziyu's fingers shook as she tightly held onto the gun and discreetly glanced at Zhao Tian who was sitting on the couch "Tian, you will love me right? really? REALLY?" she asked out desperately.

Zhao Tian nodded his head "Yeah, I won't go back on my words."

Fei Lingxi looked at her daughter's desperate eyes "A-Are you really going to...?" Fei Ziyu's mind is also chaotic as she has to decide between two things now.

Fei Ziyu took a deep breath and pointed the gun at Fei Lingxi her hands still trembling. Fei Lingxi's breathing quickened, her heart pounding in her chest as she watched in horror, Fei Ziyu slowly squeeze the trigger.

clank a sharp sound echoed through the room.

Fu Ziyu's grip on the gun weakened and it slipped through her fingers, landing with a dull thud on the ground. Even though she loves Zhao Tian, she couldn't just kill her mother like that. She also loves her mother.

"M-Mom, I couldn't!" Her Mom has raised her as a princess from birth always treating her and taking good care of her.

Fei Lingxi's eyes softened upon seeing this and a sigh of relief escaped her lips "Ziyu..."

Zhao Tian stood up from the couch "Well, that was expected... now I'll just kill you so you won't cause future problems."

H-HUH?! Fei Lingxi's eyes dilated in shock and as Zhao Tian moved towards Fei Ziyu, In a panic, Fei Lingxi scrambled on the floor, desperately reaching out and grabbing Zhao Tian's leg to stop him.

"NO! ZIYU! DON'T KILL HER!"

Zhao Tian stopped in his tracks and glanced at Fei Lingxi "Let me go!"

"No, please... don't kill her. I beg you!"

"She was like this because of me!"

Chapter 63: Fei Ziyu's true love?

Sitting on the sofa, Fei Lingxi's eyes softened as she affectionately patted the young Fei Ziyu who was sitting on her lap "Ziyu, you remember my words right? Always be careful with the boys."

"The men are the worst things in the world."

The young Fei Ziyu turned her eyes at her Mom curiously "Really?" Fei Lingxi nodded her head "En, so don't get close to them... ok?"

"Okay!"

Fei Lingxi loathes and hates men to the core. She has seen her Father abusing her mom and forcibly having sex with her mother right in front of her eyes. These traumatic experiences have fueled Fei Lingxi's growing animosity toward the men.

"Those bastards are always lustful and do anything to get under women's skirts."

With this ideology ingrained in her mind, she brought up her daughter to share the same ideas, resulting in Fei Ziyu developing a strong hate towards men as well.

While Fei Ziyu was in high school, she couldn't stand the sight of the popular guys strutting around with such arrogance and superiority. It filled her with a burning rage that she just couldn't shake. Unable to contain her frustration any longer, she turned to her mother.

"Ziyu, you are beautiful... attract those boys and make them fall in love with you. In the end, break up with them... nothing breaks a man's heart more than a breakup."

Fei Ziyu also acted this way and lured the boys to fall in love with her beauty, however, she crossed a line by taking her actions to an extreme level.

She began to capture the boys with the help of bodyguards and began to torture them gaining pleasure from seeing the men screaming for their life.

Fei Lingxi who loves her daughter so much didn't mind it and played along with her torturing those boys and finally killing them.

They are so rich that they also stuffed the boy's family members with money and blackmailed they would also be killed if they said anything about it.

Fei Ziyu who entered the University thought of doing the same again. It was during this time that she crossed paths with Zhao Tian.

At first glance, she was really surprised because Zhao Tian was really so handsome and she even wondered if he is a model or something.

He instantly became popular in the whole University on the first day and many women in the college fled over him.

But Zhao Tian rejected all of them casually and said that he was not interested in dating right now. This surprised Fei Ziyu because the boys she knew were always fawning over women and would do anything for the attention.

This made her perception of Zhao Tian change and made her even more curious about him. And after that, she constantly looked over at him in the University and saw him many times with his sister chuckling and smiling with her.

He was different from the boys she had met till now.

Every day just looking at him caused her heart to flutter with emotions and she felt an inexplicable feeling for the first time in her life looking at a man. She wondered if this is what they call love?

Because of these weird feelings, she tried to approach him but at first he kept distant from her which really shocked her.

When the boys see her beauty and her family background they would say anything to sugarcoat her but Zhao Tian is not like that which makes him even more interesting in her eyes.

Constantly thinking about him and desperate for his attention and affection. Without even realizing it, she fell deeply in love with him. The mere thought of him brought her immense happiness, filling her heart with pure joy.

Knowing that she will never come across another man like Zhao Tian, she made a resolute decision to do whatever it takes to charm his heart and make him fall deeply in love with her too.

She doesn't want to lose these feelings called 'Love' which make her heart race faster for the first time whenever she looks at him.

She clung to these feelings of hers, doing any fucking thing to make him fall for her.

...

"Please let her go!" Fei Lingxi pleaded grabbing Zhao Tian's leg but Zhao Tian just shook his leg as she rolled away. *thud*

Fei Ziyu overcome with fear stood there motionlessly as tears streamed down her cheeks. *tap* She took a step forward and kneeled in front of him "Tian, forgive me... please."

"I-It's just that I love you so much, I want you no matter what that i went to such lengths. I really love you Tian, I-I really really love you please... forgive me."

Fei Lingxi stood up, her breathing ragged and desperate "I-I know you men only lust after women's bodies... you can do anything with my body fuck me, anything...but Ziyu please let her go." she pleaded.

Zhao Tian turned to her and frowned "Do I look like I care? I don't want your body... she tried to kill my sister, that's more than enough reason for her to die."

Fei Lingxi was startled H-He is not interested in my body? She vehemently yelled in frustration "Now, your sister is okay, right? You saved her, right? T-Then why do you still gotta kill Ziyu?"

Zhao Tian spoke coldly "The mere thought of her trying to harm my sister is enough to kill her, bitch! What if she again tries to kill her in the future."

Fei Ziyu who was kneeling shook her head "N-No, Tian I would never try to kill Ying again. I-I told you the only reason I wanted to kill is for your love. Please understand, It's just how much I love you."

Zhao Tian spoke in a cold tone "How can I be so sure you don't try to hurt her again?"

Fei Ziyu's voice trembled "I-I promise, I won't interfere with Ying again."

'Promise? Does this bitch think just a verbal promise is enough?' But at this time, Zhao Tian remembered something 'A way to keep these bitches under control'

A smirk appeared on his face and seeing the sudden smirk in Zhao Tian's nonchalant face till now, Fei Ziyu was stunned... W-What happened?

Zhao Tian turned to Fei Lingxi and seeing his gaze Fei Lingxi squirmed her eyes in panic. "You said that you will offer your body, right?"

H-Huh? he is interested now? Fei Lingxi discreetly glanced at Fei Ziyu and a sigh left her lips "I-I am..."

"Good!" Zhao Tian walked towards her and Fei Lingxi stood there not backaway. reaching in front of her Zhao Tian reached out his hand softly touching her belly button with his finger.

"Hnn." Feeling his touch on her belly button tickled Fei Lingxi. H-Huh? fei Lingxi was surprised as she saw the tip of his finger glowing in blue and he was drawing something on her stomach.

Zhao Tian retracted his hand 'It is a good thing that i learned this while learning about seals.' he muttered in his heart.

"Ziyu, come here!" Zhao Tian turned at Fei Ziyu and she jolted up from her knees and stood up "T-Tian!"she slowly walked towards him.

As she came closer, he grabbed the neckline of her dress and *threeeikk* tore it down revealing his pink bra cupping her boobs and exposing the enticing curve of her cleavage.

gasp Fei Ziyu's eyes widened in shock "What?" Fei Lingxi's anger rose up seeing this "What are you doing? Basard?" she yelled at him and moved forward.

"Stay there!" Hearing Zhao Tian's words Fei Lingxi felt a shiver run down her spine as she stood there unable to move her body. 'W-What, my body is not moving...'

Zhao Tian looked at Fei Ziyu, her face beet red with embarrassment as she stood there not trying to hide her cleavage. Zhao Tian did the same as he drew a seal on her stomach.

Zhao Tian glanced back at Fei Lingxi and only then did Fei Lingxi could move. Filled with a mix of fear and confusion "W-What did you do to the both of us?" she yelled.

Zhao Tian smiled "Just a seal, a slave seal!"

Chapter 64: Master and Slaves!

"S-Slave seal?" Fei Lingxi and Fei Ziyu gasped in shock upon hearing this. "W-Why did you do something like that?" Fei Lingxi stammered in disbelief seeing his atrocious act.

Zhao Tian narrowed his eyes "Do you think it is better to kill both of you? You should be grateful that I let you off the hook just with this."

Fei Lingxi and Fei Ziyu shut their mouths not daring to speak anymore. "Haah!" Zhao Tian stretched his arms feeling the problem was solved right now.

The reason he took this decision is because it is a waste to simply kill them and now he can use their bodies as cultivation tools. He can cultivate by having sex and he will also get two rich slaves.

Fei Lingxi and Fei Ziyu exchanged bewildered glances 'N-Now we are slaves to him?'

"Is there a barrier placed here to not let the cultivators sense you?" Zhao Tian asked with a frown and Fei Lingxi hesitantly nodded "Um, yeah... Those girls placed the seal."

Seeing him acting so casually astonished Fei Lingxi and Fei Ziyu, he was almost gonna kill them minutes ago and now he is so chill with them.

"What? stunned that I am talking so casually?" *gik* Fei Lingxi and Fei Ziyu panicked that he caught on to their thoughts.

"The reason I let you go is, nothing happened to my Ying'er... if only she was harmed I would have given both of you the gruesome death possible."

(A/n: I am a redo of healer fan)

Hearing his cold voice, both Fei Lingxi and Fei Ziyu shivered and glanced down. "Don't forget you both are my slaves now and I have complete control over your bodies."

Fei Ziyu took a deep breath hearing this and accepting the harsh reality, honestly, she didn't mind this. She is the slave of the man she deeply loves... it is better than dying.

But it is completely opposite for Fei Lingxi, she would rather die than be a slave to a man. She was completely horrified as she thought of the torment she was gonna get from Zhao Tian.

"Open the door first!" Zhao Tian spoke and Fei Ziyu hurriedly walked over to the steel door like an obedient slave and pressed the passcode. [ERROR]

E-Eh? She was startled to see that the password was wrong and glanced over at her Mom. "Mom?" With a sigh, Fei Lingxi walked near Fei Ziyu "I changed the password once."

As she raised her hand to type on the password *gik* her eyes widened as a rosy blush spread across her cheeks. Glancing down, she saw Zhao Tian groping her boob over her bra from behind.

"U-Um... Hnngh~" A muffled moan escaped her lips as Zhao Tian fondled her boob and Fei Ziyu was surprised by Zhao Tian's sudden move "T-Tian?"

"I noticed, yours is quite big. H cup?" Fei Lingxi heard his soft whisper and she gritted her teeth ashamed of the situation "Y-Yes...almost I" she pushed the words out of her mouth.

"Hmm... I see." Zhao Tian mused and with his finger, he pulled up the bra making her boobs jiggle out of her bra. "M-Mom?" Fei Ziyu looked at her Mom's voluptuous boobs in surprise and feeling her daughter's gaze Fei Lingxi looked away embarrassed because...

A smile appeared on Zhao Tian's lips "Now that's a pleasant surprise... Inverted nipples huh." he spoke his fingers softly teasing her pink areola, her nipples are hidden inside.

Fei Lingxi's eyes trembled as she tried to control her moan, she hates a man's touch but his touches are just.... "Haangh~!" a cute moan escaped her lips and Fei Ziyu's eyes shook seeing her Mom enjoying Zhao Tian's touch.

Her mind was in chaos seeing this, the man she loves is not interested in her but is playing with her Mom's body. 'I lost to my own mother?' a feeling of inferiority washed over her.

'He needs to love me!' Out of desperation for his attention *click* she removed her bra by herself showing her well-defined E-cup boobs with red nipples on top of them.

Fei Ziyu reached out and took his left hand placing it over her boob "T-Tian, if you want you can feel this too..." she said with a smile.

Huh? Zhao Tian trailed his hand from her boob to her neck grabbing it. Fei Ziyu was startled as Zhao Tian suddenly gripped her neck "T-Tian?"

"Ziyu!" Seeing this, Fei Lingxi yelled but Zhao Tian gave a tight grope on her boob, and Fei Lingxi's body flinched a soft moan slipping past her lips. "Angh~!"

As he continued fondling her boob with his right hand, his grip on Fei Ziyu's neck got tighter "What do you call me?" he asked squinting his eyes.

"T-Tian? urgh"

"You are my slave, so you know how to call me..."

Hearing this, Fei Ziyu hastily nodded "I-I know, Master..."

Zhao Tian retracted his hand from her neck and glanced at Fei Lingxi "You heard that, right?" he asked still fondling her boob. "Y-Yes, Master. Hnngh~" Fei Lingxi stammered out.

Zhao Tian pulled back his hand from her boob and Fei Lingxi let out a gasp of breath. *pakh* Zhao Tian gave a slight slap on her ass and Fei Lingxi's body stiffened.

"Even your ass is nice." He spoke as he squeezed her ass gently caressing it. The blush on Fei Lingxi's face intensified. "Open the door!"

She didn't look back and raised her arm pressing the password on the door.

As the door swung open, the three of them entered the elevator and Fei Lingxi quickly adjusted her bar hiding her boobs but Fei Ziyu stood there exposing her boobs wondering if Zhao Tian would ever glance at her.

Within seconds, they again reached the mansion space and stepped out of the elevator. Fei Lingxi took two steps to walk towards her room, but she quickly stopped and turned "M-Master, I'll go to my room and get changed." she thought she would get punished if she moved without permission.

Zhao Tian gave a nod and Fei Lingxi quickly walked over to her room to get dressed. As she strolled, she saw the destruction that had happened to her mansion because of the fight. "Where are they? Did he kill them or were they downstairs?"

Zhao Tian caught a glimpse of Fei Ziyu standing next to him, showing her boobs with a deep red face, stealing glances at him.

Not minding her, Zhao Tian walked to a couch and sat on it comfortably leaning back. As he took the mobile from his pocket "Tia- Master!" Fei Ziyu came and stood in front of him.

Hm? Zhao Tian raised his head and noticed the tears glistening in her eyes "D-Do you hate me now?" she asked in a low voice.

Zhao Tian nodded his head "Yeah, I hate you more than Lingxi." Hearing this, Fei Ziyu's voice trembled with a mix of regret and desperation as she pleaded "Ti- Master... I did that only because I was hopeless for you to love me... please forgive me."

Zhao Tian glanced at her eyes and asked "What did you do to the previous boyfriends?"

Hearing this Fei Ziyu's heart shook but she took a deep breath and spoke "I tortured and k-killed them."

"Hm... so you thought of doing the same thing to me?"

"N-No, Tian... No...I really love you." Fei Ziyu hurriedly shook her head.

Despite her pleas, Zhao Tian ignored her and unlocked his phone and he saw four missed calls from Chi Miya. It was at that moment that he realized he had completely forgotten about his promise to accompany Chi Shui during her discharge from the hospital.

He again looked at the time and it was already evening. A sigh left his lips and he called back to Chi Miya. Chi Miya quickly answered the call "Tian, what happened... you didn't pick up my calls."

"Well, I was caught up with some problems so I couldn't come for Shui's discharge."

"Don't worry about that. You are okay, right?" Chi Miya asked her voice filled with worry.

Zhao Tian's eyes softened hearing her concern and he spoke with a smile "I am okay, dear..."

Chi Miya smiled "That's good to hear..urgh..." Hearing her growl in pain, Zhao Tian frowned "What happened, Miya?"

"I-I don't know Tian... my body's been aching since noon. I have no idea what's going on."

Zhao Tian's frown deepened "Miya, I will come there now... let's check it up first."

"E-Eh? Now? Are you really free? You don't have to push yourself... it's just a body pain."

Zhao Tian chuckled softly "No worries, I am free right now... I am coming there."

Fei Ziyu looked at Zhao Tian in total surprise as he joyfully talked with a woman over the phone. Who is he talking to?

At this time, Fei Lingxi also came there wearing a new dress "U-Um, Master..." she called him awkwardly.

Zhao Tian stood up "Give me your car keys."

"Eh? um... yeah." Fei Lingxi hurriedly rushed to her room and came back with a car key in her hand "Master,I hope you would like this..."

Zhao Tian took the keys from her hand and smiled seeing the double R on it. Rolls Royce!

Chapter 65: Chi Miya's state!

Looking at the Rolls Royce driving out of her mansion, Fei Lingxi narrowed her eyes. Zhi Luo and Yan Xu were also standing beside her and Zhi Luo asked "Ma'am, who is he? I am sure he is in Heaven Astral Stage..."

Fei Lingxi spoke, "You don't have to think about that and fire these men from here..." she said glancing at the bodyguards who were still unconscious on the ground.

'Zhao Tian!' She muttered under her breath 'I will even use all my money if I need to kill you... molesting me and my daughter.' a cold glint passed her eyes.

"Argghhhh!" But suddenly she felt a sharp pain all over her body. "Argghhh!" she screamed in pain as she stumbled onto her knees.

"Ma'am, what happened?" The bodyguards quickly crouched down near her and grabbed her shoulder. Fei Lingxi's eyes widened 'W-What just happened?'

'My whole body is paining... urgh...' As the pain radiated through every inch of her body she growled in pain she suddenly saw a blue light illuminating beneath her clothes near her stomach. 'The seal?'

"Xu, quickly go and bring Ziyu..."

"Y-Yes, Ma'am..."

Fei Ziyu quickly ran near her Mom who was kneeling on the floor growling in pain "Mom, what happened?"

Fei Lingxi turned her head to Fei Ziyu "Z-Ziyu... call him immediately and ask about this pain."

Fei Ziyu nodded and hurriedly called Zhao Tian. Zhao Tian who was driving the Rolls Royce saw his phone ringing and saw it was from Fei Ziyu.

As he attended the call "M-Master, Mom she is in pain...." Hearing Fei Ziyu's panicked voice Zhao Tian chuckled "Pass the mobile to her."

Fei Ziyu brought the phone to Dei Lingxi's ear "W-What did you do? Urghh!" she gasped, her voice strained with pain and Zhao Tian frowned "Where is the respect."

Fei Lingxi gritted her teeth and spoke helplessly "M-Master, what did you do to me?"

Zhao Tian spoke, "Nothing big, if you ever thought of betraying or harming me you will feel pain all over your body that you can't even move..."

"And then if you did something to harm me, you will just die." he spoke and canceled the call.

'What the fuck?' Fei Lingxi was startled hearing this and closed her eyes 'I am faithful to him. Zhao Tian is my Master...' As she muttered in her mind she felt the pain decreasing.

Seeing the pain fading she let out a sigh and continued muttering 'I am his slave, Zhao Tian is my master.'

After a while, the pain fully dissipated and Fei Lingxi stood up. Fei Ziyu asked in worry "Mom, are you okay?"

"Yeah, I am..." Fei Lingxi nodded and cursed in her mind 'That bastard' "Urghhhhhh!"

'Fuck! He is my master, I am Zhao Tian's slave'

...

Zhao Tian drove the Rolls Royce into Chi Miya's mansion and he noticed some workers unloading things from the vehicle.

Chi Shui who is in her wheelchair yelled in anger "You idiots! Bring that down carefully."

"Uh, yeah..." Being scolded by Chi Shui, the workers cautiously moved the things. Chi Miya just shook her head wryly seeing this.

But the luxurious Rolls Royce caught both their attention and Chi Miya frowned her eyebrows "Who is that?"

Zhao Tian pulled his car over to the side of the pavement and stepped out of the car. Seeing Zhao Tian, Chi Miya, and Chi Shui were surprised and a smile appeared on Chi Shui's face seeing him "Senior Zhao!"

Chi Miya hurriedly walked over to him "Tian." Zhao Tian smiled softly and opened his arms. Chi Miya embraced him tightly, feeling a sense of comfort in his presence and Zhao Tian gently patted her head, a soft chuckle escaping his lips.

Retracting the hug, Chi Miya gently kissed his lips "Tian!" she called him tenderly. Zhao Tian softly tucked the hair behind her ear "So, does it still hurt."

Chi Miya gave a faint nod "Yeah..."

"Sister!" At this time, they heard a yell and both of them turned toward Chi Shui her jaw dropped in utter shock "Y-You two are.."

Zhao Tian chuckled and playfully wrapped his arm around Chi Miya's shoulder "Your sister is my girlfriend now." Chi Miya's cheeks turned a shade of pink, slightly embarrassed yet secretly pleased by him confidentially declaring him as his girlfriend.

"O-Oh, I see... congrats." Chi Shui shuddered to hear this and spoke with a smile. Zhao Tian glanced at Chi Miya blushing in his arms and squinted his eyes 'Astral Energy?'

"Miya, we are leaving..." Zhao Tian said pulling Chi Miya toward the car. "Eh? Ah!" Chi Miya was surprised and turned to Chi Shui "Shui'er, I am leaving right now."

"Um, okay..." Chi Shui waved her hand and a sigh left her lips.

She couldn't help but feel a pang of disappointment "I also had a crush on Senior Zhao, but seems like Sister got him ahead of me... haah." Her words were barely audible as they escaped her lips, a mix of envy and resignation in her mutter.

As she turned her head, she saw the object slipping from the worker's hand "You, dimwits... that's precious."

"A-Ah, sorry Madam."

...

As Zhao Tian drove the car from the mansion, Chi Miya asked "Tian, are we going to the hospital?" Zhao Tian shook his head with a smile "No somewhere else.."

He glanced at her and asked, "Miya, can you feel the Astral Energy?" Chi Miya tilted her head "Astral Energy what?"

Zhao Tian facepalmed himself and explained to her about Astral energy and how cultivators use it to cultivate.

Chi Miya's eyes brightened up hearing this "So I can also cultivate?"

"Seems so..."

"Yay!"

...

Zhao Tian parked the car in his home and both of them entered the house. As they stepped inside, Zhao Suyin who was sitting on the sofa smiled "Tian'er. Miya!"

Chi Miya looked at her and smiled "Hey, Aunty!" Zhao Suyin giggled "You go upstairs, I'll bring coffee. Do you prefer coffee or tea, Miya?"

Zhao Tian shook his head with a smile "No, Mom... we have some important things to do... so.."

A blush appeared on Zhao Suyin's cheeks "Ah, ok... I won't disturb you this time..."

Understanding what she meant, Chi Miya got flustered. Zhao Tian just chuckled and pulled Chi Miya upstairs.

...

woosh Chi Miya fluttered her eyes open and as she gazed upon the breathtaking scenery that lay before her, she was awe-struck. The sheer beauty that unfolded before her eyes left her speechless "Is this the place Ying talked about?"

Zhao Tian was surprised hearing this "She talked about that with you...?"

Chi Miya nodded her head and softly hugged him "Yeah, she talked about how cool you are and more about you..."

Just what did she say? Zhao Tian smiled wryly "We can look at these sceneries later, let's just go and see her."

As they walked towards the house, Chi Miya couldn't contain her curiosity as she eagerly took in the vast surroundings with a sense of wonder. "This world is so biggg."

Zhao Tian and Chi Miya entered the house. Seeing them Xia Shenyi and Zhao Ying stood up from the sofa with smiles "Sister Miya! Welcome!" Zhao Ying walked and hugged Chi Miya.

Xia Shenyi had sensed their presence the moment they stepped foot into the artifact, already aware of their arrival.

Chi Miya hugged her back and retracting the hug Zhao Ying introduced Xia Shenyi "This is Sister Shenyi!"

Chi Miya was taken aback by the breathtaking beauty of the woman "So you are Sister Shenyi... Ying talked about. You really look so beautiful."

Zhao Tian sat on the couch seeing them introducing themselves to each other. Xia Shenyi's eyes softened "You are Chi Miya, Ying talked about you too..."

Chi Miya nodded her head, giggling "Yeah, Tian's third girlfriend I guess..."

Xia Shenyi was pleasantly surprised that Chi Miya was not bothered by Zhao Tian having many women. Meanwhile, Zhao Ying who brainwashed her with words smiled proudly...

Zhao Tian spoke "Shenyi, check her... I felt Astral Energy from her but I didn't feel that today morning."

Xia Shenyi furrowed his brow in concern and reached out to grasp Chi Miya's wrist with a gentle touch while Zhao Ying moved and sat on Zhao Tian's lap, wrapping her hands around his shoulder "Tian'er, what happened to those assassins?"

Zhao Tian smiled "I'll tell you about that in the next chapter" "Hn.." Zhao Ying nodded and leaned in pressing her lips against his.

Zhao Tian too kissed her back, his fingers tracing her waist, and he gave a soft squeeze on her ass. Pulling back the kiss, Zhao Ying smiled and Zhao Tian leaned in kissing her neckline.

"Hnngh!" Zhao Ying gently hugged his head as Zhao Tian raised his arms sliding his hand into her hoodie and gently grabbing her boob.

Zhao Ying was not concerned and patted his head as Zhao Tian pulled the bra inside and fondled her bare boobs the softness of the boobs sinking in his fingers.

As Zhao Tian gently teased her nipple, a subtle moan escaped Zhao Ying's lips "Tian'er..." He trailed kisses along her neck, heightening her arousal with each tender touch.

"Huh?" A surprised voice left Xia Shenyi's lips and she turned to look at Zhao Tian "She was not supposed to be a cultivator."

Chapter 66: Power to turn her into a cultivator?!

The three of them were startled hearing this, not supposed to be a cultivator? "Shenyi, what do you mean by that?" Zhao Tian asked retracting his hand from Zhao Ying's boobs as she leaned on his shoulder.

Xia Shenyi walked and sat next to Zhao Tian "Tian, not everyone is born with strong meridians in their body capable of cultivation, and in a Middle star like this where Astral Energy is low... most people should be normal people."

Zhao Tian nodded his head "Yeah, most people on our planet are normal people.. and Chi Miya is one of those? But I just felt Astral Energy from her."

Xia Shenyi squinted her eyes "That's why I am confused..." She turned to Chi Miya and asked "Did you eat anything or did anything weird?"

Eh? Chi Miya shook her head "N-No, I didn't!" Zhao Tian raised an eyebrow, "I had sex with her."

E-Eh? Chi Miya blushed seeing him talking about this openly. Hearing this, Xia Shenyi frowned "You shot inside her?"

"I did."

The blush on Chi Miya's face deepened. C-Can you not please talk about it so casually?

"Hmm..." Xia Shenyi's frown deepened as she again glanced at Chi Miya and beckoned her "Come here..." Chi Miya obediently sat beside her extending her arm.

Xia Shenyi again gripped her wrist and concentrated her Astral energy flowing it into her body "Hmm..." *gasp* she gasped in surprise.

"This... Her meridians have been nourished and strengthened to withstand the flow of Astral Energy... but now it has weakened again. I only checked the weakened meridian first."

Chi Miya was confused hearing this "Nourished and now weakened?"

Xia Shenyi spoke clearing her doubt "Normally, cultivators have strong and good meridians to withstand the flow of Astral Energy but Normal people have weakened meridians that cannot conduct astral Energy."

"Your Meridians should be normal but now it has been nourished and refined... to a state where you can cultivate. But the meridians are breaking down again."

Chi Miya tilted her head "So, that's why my body is in pain till now."

Xia Shenyi narrowed her eyes "My wild guess is that Zhao Tian's sperm has nourished your meridians... Tian, you dual cultivated right?"

Zhao Tian gave a nod "Because of her virgin Yin, I crossed three levels." Xia Shenyi nodded "His body is unique and the Astral Energy in his body is also pure and the Yang energy is insane."

Xia Shenyi turned at Chi Miya "Y-You only had normal sex or... his semen entered your body in another way?" Even she was hesitant and embarrassed to ask this.

Chi Miya's face flushed crimson with embarrassment as she stuttered, unable to meet anyone's gaze. "U-Uh, that's..." she looked away being so ashamed "I-I gave him a b-blowjob and drank his c-cum."

"I-I see..." Xia Shenyi spoke awkwardly but Zhao Ying was intrigued "I never gave Tian'er a head... how does it taste?"

Chi Miya lowered her head in shame "L-Like Apples and honey?"

"Heh, really? When did you give him a head? In the bathroom?"

Chi Miya was even more embarrassed. Just stop please..." Y-yeah!"

But Zhao Tian squinted his eyes thinking about something and stood up placing Zhao Ying on his lap "Don't worry the problem is solved."

He walked to Chi Miya "Come on dear..." he spoke taking her body and hanging her on his shoulder like a potato sack. E-Eh?

Xia Shenyi was dumbfounded "How is problem solved?"

Zhao Tian rolled his eyes "I'll just have to fuck her again to nourish her meridians right? And the weakening... I guess it's because she didn't stabilize the energy after dual cultivating with me."

As Zhao Tian walked to the room, Xia Shenyi placed her finger on her chin contemplating "Yeah, maybe the nourished meridians began to break down because she didn't take good care to stabilize the energy she got from dual cultivating."

Zhao Ying fell back on the couch "As you said, Sister Shenyi... Tian'er is really special. Even his cum can make a normal woman into a cultivator."

Xia Shenyi smiled wryly "They said that the Physique could do miracles, now I know why."

...

As Zhao Tian and Chi Miya snuggled on the bed, Zhao Tian gently kissed Chi Miya's nape causing her to giggle as he softly fondled her boobs from behind her naked back seamlessly melded against his chest.

"Tian!" Chi Miya softly called him and turned her head kissing his lips.

"Now your pain has gone right?" He asked nuzzling his nose on her face and Chi Miya moved, a little bit of Zhao Tian's cum leaking from her pussy "Yeah..."

smooch Placing a soft kiss on her delicate cheek, Zhao Tian whispered "I have placed a seal, so the astral energy won't flow on your meridian and be suppressed. After washing yourself... ask Shenyi to remove the seal and she will guide you to stabilize the energy from our dual cultivation."

Chi Miya's eyes softened and she nodded "En..." Her gaze fell on the green pendant in his neck and she spoke "We are inside this, right?" she asked touching the beautiful pendant.

Zhao Tian couldn't help but chuckle "Yeah..."

"Ohh..."

creek Walking out of the room wearing his clothes, he saw Xia Shenyi waiting outside. Seeing him she stood up "Tian..." and hugged him.

Zhao Tian smiled and hugged her back "Help Miya when she wakes up." Xia Shenyi gave a nod "Sure..."

"Is Ying'er cultivating?"

"Yeah..."

...

It was almost night and Zhao Tian walked downstairs in his home. Hearing some noises in the kitchen, Zhao Tian walked to the kitchen and there he saw his Mom diligently cooking wearing an apron, the delicious smell of the food being prepared wafted through the air.

Zhao Suyin also noticed him and smiled "Wait a little dear, Dinner will be ready..."

Zhao Tian walked into the kitchen and sat on the shelf looking at her body restlessly moving around cooking.

Zhao Suyin stole a glance at him and couldn't help but giggle, her eyes grew tender, vivid memories of the past surfacing in her mind "I suddenly remembered when you were young, you used to do the same watching me cooking..."

Zhao Tian chuckled softly hearing this "Yeah, I also remember this..." Zhao Suyin smiled and moved to him softly pinching his cheek.

As she moved closer, he reached out his hand and gently pulled her closer, wrapping his arm around her waist. In response, she willingly leaned onto him, not resisting his touch. and softly patted his head her heart swelling with affection.

Zhao Tian glanced at the cooking "Mom, we have a lot of money now, why don't we buy a large mansion and hire some maids to cook and clean? You don't have to do everything..."

Zhao Suyin shook her head "If you want, buy a big mansion Tian'er... but I'll be the one who always cooks for my children."

Zhao Tian shook his head helplessly and Zhao Suyin chuckled placing a soft kiss on his cheek *fwiiish* At this time, they heard a sizzling sound and Zhao Suyin hurriedly looked at the saucepan in the stove.

"Ahhh!" She yelled and hastily left his arms to lower the flame. Zhao Tian chuckled seeing her cute panicked face.

Seeing him chuckling, Zhao Suyin pouted her lips and pushed him out of the kitchen "You go out, you are distracting me from cooking..."

Zhao Tian just smiled and left the kitchen.

...

At the dinner table, echoes of laughter and lightheartedness of the moment filled the room as they talked to each other with smiles on their faces.

"Tian'er, Sister Miya... we can watch a movie later, what do you say?" Zhao Ying asked and Zhao Tian gave a nod as well as Chi Miya "Ok for me..."

Zhao Tian glanced at Zhao Suyin "Mom?" Zhao Suyin shook her head "No, dear... I'll take some rest."

"Then it's decided the three of us... we are not dozing off this time."

...

blink Zhao Ying's eyelashes fluttered open and she sat upright looking around the dimly lit hall where the flickering TV screen still illuminated the room. "Fuck, I slept again?"

She muttered and turned her gaze and she saw Zhao Tian sleeping on the couch and Chi Miya sleeping atop him tightly hugging his neck while burying her face in his chest.

"Seems like they also slept...let them sleep." A chuckle left her lips and she stood up, leaning beside the couch. Seeing her brother's cute sleeping face, her eyes softened "Tian'er..." she uttered kissing his lips. *smooch*

H-Huh? Zhao Suyin who just opened the door of her room to get some water was shocked, her eyes widening in disbelief seeing the scene in the hall "Y-Ying'er?"

Chapter 67: Giving the pill!

In a dimly lit luxurious room, a woman with flawless beauty was sitting leisurely on the couch, her beautiful blonde hair cascading over her shoulder, her body draped with pristine white robes. She opened her cherry lips taking a bit of the apple in her hand.

"Your Majesty!" She heard a faint voice filled with respect causing her to turn her gaze towards the door "Enter!"

creek A woman opened the grand door and entered inside. She walked closer to the beautiful woman and bowed "Your Majesty... a letter from the Sect Master of the Lunar Blossom Pavillion."

The woman raised an eyebrow "From Xin'er?" she muttered and raised her arm. The servant moved and placed the letter on her palm.

The woman opened the letter and saw through the contents of the letter "An ancient heritage..." she muttered and glanced at the servant "Write a letter to her and say that I am not interested in the meeting and let the Top Sects take the decision."

"As you say, Your Majesty!" The servant bowed and turned to leave the room.

"Wait!" suddenly the woman raised her voice and the servant turned her head "Your Majesty?"

"Any words from Hua'er?"

The servant shook her head "No, there is no information from Lady Hua till this moment."

Hearing the beautiful woman frown her brows, "You can leave..." The servant bowed and left the room.

"What is she doing in the mortal world? It is kind of boring without her." a sigh escaped her lips.

...

Zhao Tian who was sitting on the couch glanced at his Mom as he took the coffee cup from her hands "Mom, did you get enough sleep?" he asked in concern seeing the dark circles under her eyes.

Zhao Suyin forced a smile "I-I am alright Tian'er, yeah... just couldn't get enough sleep."

Zhao Tian frowned "Mom, is everything alright?"

Zhao Suyin shook her head and showed a smile "Don't worry Tian'er, I am alright."

"You sure?"

"yeah, I am.. haha."

"Well, if you say so..."

Zhao Suyin asked with a slight frown "Tian'er, will Ying'er be at home today?"

"No, we are going out today, Mom." he spoke and a sigh left Zhao Suyin's lips "Ok..."

...

As Zhao Tian drove the Rolls Royce, Zhao Ying who was beside him on the seat was startled "That Fei Ziyu? I know that bitch had something going on with her..."

Chi Miya was also surprised "I can't believe that the prestigious Fei family has a dark truth hidden behind them."

Zhao Ying asked curiously "Then this Rolls Royce?"

Zhao Tian nodded his head "It is Fei Lingxi's...well technically mine now since they are my slaves."

H-Huh? Both Zhao Ying and Chi Miya were taken aback hearing this "Y-Your Slaves?"

A chuckle left Zhao Tian's lips "I needed something to keep that bitches under control, so I made them into my slaves with a slave seal..."

"O-Oh?" Chi Miya wasn't sure if it was a good idea? To have slaves? Meanwhile, Zhao Ying chuckled "That's what that bitch deserves. You did great, Tian'er. So this Rolls Royce is now ours huh..."

Zhao Tian smiled seeing her chuckling and Zhao Ying turned to Chi Miya who was sitting in the back seat "Sister Miya, what did Sister Shenyi say? I can see you are already in the 2nd level of Nascent Astral Stage."

Chi Miya smiled "En. Sister Shenyi said that she will find my attribute later and also find a suitable technique."

Hearing this, Zhao Tian frowned his brows. He also needs a technique... he can use fist to defeat enemies, but it is easier to kill if he has sword skills and if he could use a sword efficiently.

Zhao Ying spoke "Tian'er, I am going to cultivate.. to become stronger." Hearing this, Zhao Tian smiled "We can cultivate a lot during night... Ying'er."

Zhao Ying knew what he meant and pinched his cheek, smiling cheekily "I know... but if I also did normal cultivation, I can get double stronger, right?"

Zhao Tian gave a nod and Zhao Ying disappeared from there. *woosh* he then turned to Chi Miya "Let's go and meet Shui to give her the pill."

"En."

...

Zhao Tian parked the car in Chi Miya's mansion and both of them entered inside.

As they walked in, a maid came and greeted them "Welcome back Young lady, and..." she greeted, her voice filled with genuine warmth, before her gaze shifted to the strikingly handsome young man standing next to Chi Miya, causing a subtle spark of intrigue to dance in her eyes.

"My boyfriend!" Chi Miya said proudly raising her chest. "Ah... forgive me Young Lord." the maid bowed and Zhao Tian shook his head with a smile "It's ok!"

"Is Shui'er upstairs?" The maid nodded her head "She is indeed upstairs."

"Let's go Tian..."

Watching the back of Zhao Tian and Chi Miya, the maid's eyes softened "She has grown into a mature woman and now she has a partner who is handsome and seems like a good person."

"The Master would have surely been happy to see her daughter like this..." she muttered remembering the dead father of Chi Miya.

"Shui'er!" Chi Miya gave a knock on the door. "Sister? Come in." Zhao Tian and Chi Miya entered the room and as Chi Shui's gaze fell on Zhao Tian, a surprise flashed across her face "Senior Zhao!"

Zhao Tian smiled at Chi Shui who was sitting on her bed, her lower body covered with a blanket. Chi Shui placed aside the book she was reading and looked at Chi Miya "What? Going to introduce your boyfriend to me?" she asked in a teasing voice.

Chi Miya smiled wryly "Well, you can also say that... Tian is my boyfriend now." Chi Shui's lips twitched "So you really came to show off, huh?"

Seeing their banter, Zhao Tian let out a faint chuckle and sat on the bed near Chi Shui. "Shui, I actually came here to give you a medicine."

"Medicine?" Chi Miya tilted her head and Chi Miya nodded "Yeah, Tian especially ordered this medicine from overseas to cure your leg and it will cure your leg in a week."

E-Eh? Chi Shui was dumbfounded hearing this. Within a week? She couldn't help but giggle "Haha, treating this in a week?"

-- Chi Miya was stupefied but it was a valid reaction because anyone would be stunned if they heard that a medicine could heal a fatal injury such as this in a week.

Chi Shui turned to Zhao Tian and her eyes grew tender, bowing slightly "Senior Zhao, I know you are kind and really care for me trying to heal me..."

A smile appeared on her lips "But... even many high-level doctors couldn't heal this injury. Let me be, this injury can't be healed... I am fine this way living like this."

Seeing the bright smile on Chi Shui's lips Zhao Tian shook his head helplessly "Even then, it is not gonna harm to try this medicine right?"

Chi Miya nodded "Yes, Shui'er try this medicine, please for your Sister." Seeing her sister's face Chi Shui gave a nod "Ok!"

Zhao Tian retrieved a pill bottle out of his pocket and took a green pill from it. Chi Miya frowned seeing this "Chinese medicine? Are you sure? Even Western medicine-"

Zhao Tian gently grasped her chin with his left hand "Open..." A subtle blush appeared on Chi Shui's face and with a timid nod she parted her pink lips and Zhao Tian tossed the pill into her mouth closing her chin.

gulp Chi shui swallowed the pill and a sigh left her lips "A-Are you guys satisfied?" Chi Miya smiled "Yeah, very much..."

After a little bit of chatting, both Zhao Tian and Chi Miya left the room. "Are you happy now?" Zhao Tian asked wrapping his hand around her shoulder and she rested her head on his shoulder with a smile "En. Thank you Tian..."

smooch

...

After Zhao Tian and Chi Miya left the room, a sigh escaped Chi Shui's lips as her gaze wandered to the courtyard of their mansion through the open window as the curtains swayed in the gentle breeze.

"I am fine this way, living like this?" Haha.. what a lie from my mouth..." Her eyes trembled moistening with tears... "I-I also wanted a normal life..." a single drop of tear slipping past her eyes.

Chapter 68: Actually she is a what?

"H-Huh?" Chi Miya was surprised to see the affinity orb not changing colors even after she flowed her astral energy into it.

Zhao Ying raised an eyebrow "I got yellow color... but Sister Miya has no colors?"

A sigh left Xia Shenyi's lips "She doesn't have any affinity... I guess she should use other techniques. Let's go to the warehouse."

Upon stepping foot into the warehouse, Chi Miya was immediately struck by the vast collection of books and scrolls that surrounded her "This place is huge..."

Xia Shenyi chuckled faintly as she pointed toward a section "Here are the cultivation techniques that don't need affinity. Like sword, spear... and many more."

Hearing this, Zhao Ying looked at Xia Shenyi "Sister Shenyi, I need a movement technique.. the last assassin I fought was damn fast."

Xia Shenyi nodded and pointed in another direction "You can go there and search for the technique you need."

"Okie!"

Chi Miya started to select a few books from the shelf, eager to read the cultivation technique and its powers. 'Moonshadow Dance' 'Silent Willow whispers'

Xia Shenyi glanced at her "Miya, you like to use swords or spears like that?" Swords? Chi Miya smiled wryly "Um, that looks so deadly..can I get something soft?"

E-Eh? Xia Shenyi was dumbfounded hearing this. Soft? What the hell? "Um, Miya, as a cultivator... you will surely engage in battles and need to kill people."

Chi Miya's heart palpated hearing this and she gave a faint nod "I-I know, I have seen Tian killing people."

Xia Shenyi smiled "When you become a cultivator, you should throw away the societal norms that bound mortal humans and the constraints imposed by the laws of your star. When it comes to saving people close to you, you should kill."

As she muttered her eyes fell on a blue book among the stack of books and she took it to read it. Seeing the title of the book,Xia Shenyi giggled "Well, seems like you gotta soft technique."

Hm? Chi Miya glanced at the cover "Mystic Flower Art?"

...

Zhao Tian arrived at Fei's Mansion in 'his' luxurious Rolls Royce and as he came outside, he saw some workers repairing the cracks on the front court which he created.

As he walked in he saw many other workers repairing the destruction he caused during his fight with the two women bodyguards.

He strolled upstairs and there he saw the two bodyguards standing behind a couch while Fei Ziyu was seated in it. Seeing Zhao Tian, Zhi Luo and Yan Xu were startled 'I-I couldn't sense his presence at all.'

Fei Ziyu hurriedly stood up "T-Master?" with a smile spreading across her face, she made her way over to him, eager to assist in any way she could "You came unexpectedly. what do you need, Master?... Xu, go and bring something for him to drink."

"Yes, Ma'am."

Zhao Tian frowned 'Is she trying to please me or something?' "No need, I'll go and see that bitch first."

Hearing his nonchalant voice, Fei Ziyu's face stiffened but she still kept the smile and spoke fondly "M-Mom is upstairs.. in the room. I will guide you."

Zhao Tian gave her a cold look and she shrunk back in fear, the smile on her face disappearing. "Don't think that I forgave you or something. I only let you two live for my own desires."

Seeing him going upstairs, Fei Ziyu glanced down, her heart sinking as she clenched her fist, feeling the familiar sting of rejection "H-He still hates me..."

Reaching her room, Zhao Tian tried to open the door but seeing that it was locked, he used a little force and broke the door.

At the same time, he stepped into the room, Fei Lingxi also came out of the bathroom butt naked brushing her wet hair with the towel.

Fei Lingxi gasped in shock and quickly moved the towel to cover her boobs and pussy. "H-How did you?"

Hm? Zhao Tian narrowed his eyes and seeing his gaze, Fei Lingxi flinched. She knows what he is trying to say and her cheeks flushed in shame.

She slowly moved the towel from her body and clutched her thighs showing him her ample boobs. "So you do remember you gave your body for your life..." he uttered.

Zhao Tian walked closer to her, his hand reaching out to grab her waist as it slowly glided down reaching her ass. Squeezing her bare ass in his palm, he gently leaned in kissing her neck.

"Haangh~!" An erotic moan left Fei Lingxi's lips feeling his tantalizing touches. Consumed by the pleasure, she instinctively clutched onto his strong shoulders, her mind craving more of his intoxicating affection. *thud* He took her body in his arms and tossed her on the bed.

Fei Lingxi's eyes trembled to see him approaching her on the bed. The blush on her face deepened and she clutched her thighs tightly. Seeing his desirable gaze, her heart quivered causing her to unknowingly let out a soft sigh as she nervously bit her lower lip..

Zhao Tian leaned down kissing the nipple on her boob and Fei Lingxi closed her eyes luxuriating in the exquisite feeling as Zhao Tian's tongue delicately explored her breasts and draw her into a state of blissful euphoria as Zhao Tian began to gently lick and suck on her boobs.

She involuntarily reached out to touch his head as Zhao Tian sucked on her nipples. "Haangh~!!" Fei Lingxi let out a moan as she felt his wet tongue tracing circles around her areola, igniting a fiery desire within her.and Zhao Tian raised his right fondling her other boob.

The years of pent-up desire she had been holding back slowly began to unravel under his soft caress. "T-This is so goood.... Hyaangh~' another moan slipped past her lips.

Zhao Tian felt the nipple slowly getting out and he gently gave a bite on it. "Haaangh~~ Master..." Fei Lingxi let out a loud moan feeling the inexplicable pleasure from his bite.

Hearing her loud moan, Zhao Tian raised his head and looked at her quivering eyes filled with embarrassment. Fei Lingxi was ashamed and averted her gaze bashfully as she was moaning so loudly.

"Even though your mind doesn't like it, seems like your body is enjoying it." Zhao Tian spoke and again munched on her boob licking and biting her sensitive nipple.

"Aaangh~~ Master... Hmmngh g-gentle."

Zhao Tian sank his teeth into her nipple, tugging and pulling it stretching her boob.

"Haangggghhh~!" Fei Lingxi's eyes widened as she let out ceaseless moans her mind muddling from the intoxicating pleasure.

He cast a quick look at the second breast his hand was caressing, a mischievous smile playing on his lips, he placed two boobs together pressing her nipples, and opened his mouth sucking on them savoring their taste and texture..

"ANGHH~~~!!" Fei Lingxi let out a guttural moan of ecstasy as his tongue caressed her sensitive nipples and areola, sending waves of pleasure coursing through her body. She desperately tried to stifle her moans by biting her lip, but the overwhelming sensation was too intense to contain.

"Mmnnggh~ Haangh~!" Under his caress and soft touches, Fei Lingxi soon reached her climax and came harder her pussy twitching and spraying out love juices.

"Haah! Haah!" Fei Lingxi's body was still quivering with pleasure as she gasped for air, her breaths coming in deep and heavy.

The waves of pleasure that had washed over her were still reverberating through her, causing her to tremble with every breath she took.

Zhao Tian was surprised that she came really quickly and the amount of love juices... Huh? but a frown appeared on his face sensing her Yin energy.

"You are a... virgin?"

gasp Fei Lingxi's eyes widened in utter shock hearing this "H-How?"

A woman naturally emits Yin energy and now Zhao Tian can absorb the Yin energy of a woman, not only through her vagina but making her body reach climax will also increase the Yin energy in the woman's body.

And as he tried to absorb her Yin energy he noticed the virgin Yin from her.

"Then what about Ziyu?"

Chapter 69: Stirring a drama!

Zhao Tian sat on the edge of the bed, looking at Fei Lingxi who was lying naked on the bed. With a sigh, Fei Lingxi sat on the bed and tried to cover her boobs, but seeing his gaze she didn't mind it and let it expose.

"I am technically not a virgin, Master. Ziyu is my own child..." Fei Lingxi spoke and Zhao Tian frowned "Artificial Insemination?"

Fei Lingxi gave a nod as she squinted her eyes "I despise men and I have never let any man touch me. We are already rich but I was forced into a political marriage by my father to marry his friend's son."

"They forced me to have a child and refusing to let any man touch my body I did Artificial Insemination."

Zhao Tian spoke "So, after getting a stable footing, you killed your Husband and your Father too."

Fei Lingxi nodded her head not refusing the accusation "Yeah, I did it, Master. That fucker always abused my mother, he deserved it, and that Husband of mine also tried to force himself on me."

Zhao Tian was sure this is not Androphobia. Because he knew a woman who has Androphobia, that woman doesn't hate men she just fears men and feel uncomfortable around them.

So he knew that this bitch is just crazy.

Zhao Tian frowned "So you taught Ziyu to kill men too?"

"T-That..." Fei Lingxi's body shook "I just wanted her to know men's true nature, but I didn't expect she would take it that far."

"She also hates men and if she says she loves you, she actually loves you, there is no ill intention behind it."

"I don't care about that." Zhao Tian spoke and stood up from the bed "Even if you hate men or even me... I will enjoy your body and use you. You are my slave..."

"You felt good after killing those innocent schoolboys right? Now suffer under a man you hate..."

Fei Lingxi bit her lips in regret 'Maybe it is the karma that is hitting me for killing them.'

As Zhao Tian was about to open the door with the broken doorknob, he turned around "Lingxi, find two mansions for me... very luxurious."

T-Two mansions? Fei Lingxi nodded her head "Okay, Master."

Zhao Tian opened the door and casually walked past Fei Ziyu who was standing near the door. He sensed her presence from the start.

Seeing Fei Ziyu standing there, Fei Lingxi's eyes widened in horror "Z-Ziyu?" Did she hear all of that? Seeing Fei Ziyu's mad eyes Fei Lingxi could clearly tell that she is angry right now.

"Z-Ziyu, let Mom explain..."

Fei Ziyu walked inside and saw her Mom sitting naked on the bed. Her body quivered in intense anger looking at her Mom "What did you do?" Fei Ziyu asked narrowing her eyes.

Fei Lingxi was filled with panic as she tried to console Ziyu, knowing that she would be furious upon hearing about the Artificial Insemination and the death of her father "Z-Ziyu, calm down listen to me... Your father..." Fei Lingxi said trying to calm her down.

But Fei Ziyu shook vehemently her head "What did you do to make Tian fall for you?"

H-Huh? Fei Lingxi was taken aback in confusion "W-What?" She is not angry about her birth or her father! For now, all she wants is Zhao Tian.

Fei Ziyu's hands clenched tightly "H-He rejected me and he didn't even want to touch me... but he touched you and played with your body, why he is not interested in me, but you?"

"Because of this?" Fei Ziyu yelled pointing at her Mom's boobs. Fei Lingxi was shocked to hear this "W-What do you mean by I...I just..." she stammered not knowing what to even reply.

Fei Ziyu's eyes moistened "Because of your parenting, I g-grew up hating men... At last... finally, I met Tian and fell madly in love with him... I did anything to get him... b-but you even took him from me."

Fei Lingxi stood up "N-No, Ziyu.. I didn-" she spoke trying to touch her daughter.

Fei Ziyu took a step back her voice filled with anguish and resentment "No, don't touch me... I hate you... I fucking hate you, Mom. Never speak to me again." *thud* She walked away forcefully closing the door.

Fei Lingxi clutched her head in despair and fell back on the bed, her eyes trembling in intense emotion clenching her heart in pain "My daughter... whom I loved the most... hates me now?"

Meanwhile, Zhao Tian who stirred all the drama casually walked down the stairs.

A mother who loves her daughter too much and will go to any lengths for her happiness, now her own daughter hates her to the core, will fall into despair and sadness.

A girl who is madly in love with him, but he doesn't reciprocate the feelings making her heart break over and over again engulfing her in a deep state of sorrow and melancholy.

Suffer bitches!

Zhao Tian entered the Rolls Royce with a sigh 'I could have fucked her, but this power of mine... which turns normal women into cultivators is not in my control. For now, let's not fuck her. And she is a virgin, no wonder... she came so quickly and so sensitive. Her pent-up lust has broken off today.'

...

Next day~

As Zhao Tian drove the car, he couldn't help but chuckle as he glanced over at Chi Miya, who sat beside him "Why do you want to hide your cultivation technique from me?"

Chi Miya smiled "Let's just keep it a secret. You wanna go fo- *baam* Ahhh!" a sudden impact from behind caused the car to jolt violently and Chi Miya panicked.

Hm? Zhao Tian looked at who it was and saw a red Ferrari at his back. *thud* A young man and a middle-aged man walked out of the Ferrari.

Seeing them coming out, Zhao Tian parked to the side and stepped out of his car. The young man walked to him lashing out "Where do you keep your eyes while driving? Huh?"

Zhao Tian frowned his eyebrows "It is your fault, you dumbass."

The middle-aged man beside him seethed with anger hearing this "Y-You... do you who you are talking to?" Zhao Tian frowned, Don't tell me it is that young master cliché.

"He is the son of the Zhu family and I am his Uncle..."

The young man named Zhu Zian nodded his head "You should pay for the expenses for repairing..." he spoke pointing at the front of his Ferrari which was thrashed a little.

"Do you know how much this Ferrari costs? Even if you sell your car you can't pay for that..." Zhu Xian mocked seeing Zhao Tian's average car. Well, he didn't come in Rolls Royce today.

Ah, it's really the Young Master cliché after all.

At this time, Chi Miya also came out of the car and raised an eyebrow looking at Zhu Xian "Isn't he..."

Zhu Xian's eyes locked onto the stunning woman in front of him, and he gestured towards his uncle with a sly smile playing on his lips. "How are you going to pay for the car? If you don't have the money... let her stay," he spoke looking at Chi Miya with a sinister grin.

Chi Miya let out a playful giggle upon hearing this "I hope you won't die... Young Master of Zhu family." she spoke entering the car. H-Huh? Zhu Xian was confused hearing this.

"Your name is Zhu Xian, right?" Zhao Tian asked walking close to him and Zhu Xian nodded his head "Yeah, what are you going to do? Pay the money or that woman?"

"I am paying back right now..." *grip* Zhao Tian grabbed his head, forcefully dragging him towards the Ferrari. Huh? Zhu Xian was startled by the sudden movement and before he could react *baam* Zhao Tian violently smacked his head on the front of the Ferrari.

"Arghhh!" Zhu Xian yelled in pain and his Uncle was panicked "W-What are you doing, do you know who he is..."

baam *baam* *baam* Zhao Tian continuously smacked his head on the Ferrari. "Arghhh! It hurtsss.. You leave meee...Urgh" *baam* Zhu Xian cried in excruciating pain pulsating through his skull.

Zhao Tian shifted his gaze towards the middle-aged man who was panicking and asked "What really happened..." *baam*

The middle aged man watched in horror as blood started to trickle from Zhi Xian's injuries on his face "D-Do you know what are you doing?" *baam*

But Zhao Tian didn't stop and asked "Answer my question first!" The middle-aged man hurriedly nodded in dread "Xiao Xian, actually saw that woman and you in the Mall earlier. Seeing that woman, he liked her... so we did all of this to..."

"I see..." *BAAAM* Zhao Tian gave a hard smack his head on the Ferrari and the front of the Ferrari made a huge dent as blood slowly dripped from Zhu Xian's head.

"Arghhh!" Zhu Xian fell unconscious and Zhao Tian let go of his head as he stumbled on the pavement. *thud*

tap At this time they heard hurried footsteps and Zhao Tian turned back to see a policewoman. Seeing the policewoman, he smiled "Miss Cai."

The woman was startled to see Zhao Tian "Zhao Tian? What is happening here?" Zhao Tian shrugged "Seems like this young man down here is crossing the road, but this Uncle here who drove the Ferrari hit him and see what happened here."

That woman looked at the thrashed Ferrari and Zhu Xian on the road unconscious. The woman was startled "What are you doing? Hurry up and bring him to a hospital."

The middle-aged man was totally confused about what he heard from Zhao Tian. When did I hit him? Zhao Tian spoke with a 'smile' "Uncle, pick him up and get him in the police car."

Seeing his 'smile', the middle-aged man's face froze in dread and he nodded "Y-Yeah, let's help him first..."

After packing Zhu Xian into the police car, the policewoman turned to look at Zhao Tian who was walking towards his own car 'I saw him smacking his head repeatedly on the Ferrari. What a liar...' she muttered entering the police car.

Zhao Tian glanced at the policewoman, a frown appearing on his face "That woman is really mysterious. Who is she?"

Chapter 70: Again planning to attack Chi Company?

Almost a week has passed-

woosh Zhao Tian dashed through the air, leaving behind a trail of rippling energy with each step he took beneath his feet. It was as if the very fabric of space bent to his will.

Looking at the thirty-meter golem in front of him, a frown appeared on his face *swish* With a swift and seamless movement, he suddenly teleported, leaving behind a subtle ripple in the air as he appeared in front of the massive golem's head.

He pulled back his hand, as a blue aura covered his fist and *boom* his punch directly landed on the golem's face blasting it away to the nearby wall. *boom*

Because of the sheer force of the impact, the golem's head and two of its limbs were obliterated to pieces but in the next second, the shattered fragments swiftly reassembled and reattached themselves to the golem, restoring it to its former state.

Zhao Tian squinted his eyes and his eyes glowed in sparkling blue "I see..." *swoosh* A sword appeared in his hand and he again dashed toward the Golem.

Before the Golem could stand from the impact, *sleesh* Zhao Tian swiftly swung his sword, delivering a precise and powerful slash that cut the Golem cleanly in half.. *thud*

As the Golem split into two, Zhao Tian saw a black core nestled at the heart of the golem. *woosh* The black core glowed and the crumbled golem pieces again began to reattach themselves around the core.

sleeesh *sleesh* But Zhao Tian acted faster and sliced the core into pieces and *baam* the core shattered and without the core, the stone golem pieces also began to crumble. *rumble*

feen At this time, a golden light flew and floated in front of Zhao Tian. Zhao Tian raised his arm and the golden light disappeared as a pill bottle landed on his palm.

Sensing the pill inside it, Zhao Tian frowned "A pill to break through Sovereign Astral Stage?"

A smile appeared on Zhao Tian's lips seeing this. he knows that he is still not very strong, he is just in the 8th level of Heaven Astral Stage... there are still three realms he needs to cross.

swoosh Xia Shenyi smiled seeing Zhao Tian stepping out of the black Pagoda "Any rewards?" With a nod, Zhao Tian tossed the pill bottle to Xia Shenyi.

Sensing the pill, Xia Shenyi was surprised "A pill you needed the most right now. And how is that movement technique, Space ripple steps."

Smiling Zhao Tian spoke "Yeah, my movements have become quicker and it has instantaneous teleportation to small distances that would be very useful in close combat."

He spoke as he glanced at Chi Miya who was cultivating under the array, of golden petals of flowers floating around her.

Xia Shenyi spoke "Her pace is also great. After dual cultivating with you for a week, she has crossed the True Astral Stage..."

"She already has good talent and with you, her cultivation is going quick."

A sigh left Zhao Tian's lips "I am glad then... Thank you for helping her."

Huh? Xia Shenyi narrowed her eyes and pulled his collar bringing him close to her "When did you begin to thank me? Did I become so distant to you that you even need to say thank you?"

With a faint chuckle, Zhao Tian wrapped his arm around her waist drawing her closer to him. Xia Shenyi also obeyed his touch and entangled her arms around his neck, taking his lips in a sweet kiss.

Zhao Tian immediately pushed his tongue into her mouth savoring each other's taste. As they pulled away from each other, a thin strand of saliva lingered between their mouths, causing Xia Shenyi to lick her lips in satisfaction.

"I will use this pill first!"

"En."

...

Zhao Ying in her room rolled her eyes looking at the book in her hand "Since we are cultivators, do I really need to go to University anymore? Hmmm..."

"Nah!" She threw the book on the bed "Fuck that! I am not studying anymore. Phew!" With a sigh, she got up from her study chair and stretched her hand out in front of her mirror.

"Hm?" Standing in front of the mirror, she removed her top and raised her bra "My breasts have gotten a little bigger, I need to buy a new size..." she muttered looking at her boobs and running her fingers over her breasts.

"Maybe because of Tian'er's constant fondling, it got bigger?" she adjusted her attire and went downstairs.

Zhao Suyin's eyes flickered over to Zhao Ying as she descended the stairs and settled onto the sofa. Zhao Suyin still struggled to talk about that kiss, she was afraid that it might break the current good relationship she has with her daughter.

But thinking about Zhao Tian, a sigh left her lips. With a heavy heart... she walked to the sofa and sat beside her.

Seeing her Zhao Ying smiled "Mom..."

Zhao Suyin smiled back and spoke "Yiong'er, I have something important to talk with you."

...

At the top of a company building, in an office room where they can see the whole city through the glass wall of the room-

A middle-aged man had a frown looking at the old man sitting opposite to him "Master Ye, you already failed to capture the company with Chi Jin, can you really succeed this time?"

The Old man named Ye Hun clicked his tongue "Last time I left my disciple with that Chi Jin to help him take over the company but someone intervened..."

"After talking with the shareholders, I found out that it was that woman's boyfriend who helped her."

"So that's why I am saying, I will help your company take over the Chi company... what do you say? Sen Hao?"

Their Evil Sect is still in need of money and they are resorting to their familiar tactics once again in an attempt to gain control of Chi Miya's company and acquire its valuable shares.

Sen Hao raised an eyebrow "You are powerful cultivators, why don't you just directly act and take over the company."

Ye Hun shook his head "We can't do that, there is a secret organization behind the world Government which is always keeping an eye on the human world. Their primary objective is to ensure that no cultivators interfere with the delicate balance of power and influence within society. ..."

"If they find out, our Sect will be destroyed."

Sen Hao was obviously tempted because he knew Chi Miya's company was a billionaire company. But recently, its share value has declined after the loss of many shareholders.

So if it's now he can take over the company easily... and if he wants he can even take that company by force by secretly using the cultivators.

Ye Hun narrowed his eyes 'I also have to find that boyfriend of hers and take my revenge for killing my disciple.'

Sen Hao nodded his head looking at the old man "Let's do this...Master Ye."

Ye Hun smiled hearing this "Haha, good decision." With this, now his Sect will have funds for a while and he will also get his revenge.

swish At this time with a flick of ripple in space, Zhao Tian appeared in the room with a faint smile on his face "Now, that's a good plan."
