Chapter 81: Plan to kill!

Zhu Family Manor-

A middle-aged man was sitting on the seat, his eyes looking at the young man opposite him who had a white bandage wrapped around his head.

"He even beat the gang members easily?" Zhu Kim who is the leader of the Zhu family asked and Zhu Xian nodded his head "Yes, Father..."

Zhu Wan, Uncle of Zhu Xian spoke "As I said from the beginning, that guy seemed like a cultivator... even when he banged Xiao Xian's head on the car, he had such strength, That's why even I was scared back then and feigned along with him when the policewoman came."

With a steely gaze, Zhu Xian's eyes narrowed as he seethed with anger "Cultivator or what, I want to kill him... Father. he injured me like this."

Zhu Kim frowned his eyebrows "A dispute with a cultivator. Since he is a young man, he should be at Mystic or Nascent Astral Stage... I will ask-"

tap *tap* "Boss!" At this time a bodyguard wearing a black suit burst in, interrupting them. Zhu Kim looked at the scared bodyguard and raised an eyebrow "What happened?"

"T-There are two people outside, who look so scary and said wanted to meet y-*baam*" A punch landed on the bodyguard's face, sending him sprawling to the floor and he raised up clutching his face "Urghhh!".

It was another bodyguard. After punching him, the bodyguard spoke in a calm voice "Sorry Boss, he is new to the job. Master Lee and Master Master Teng have come to see you."

"M-Master Lee and Master Teng?" Zhu Kim hurriedly stood up from his seat and hurried to the front to welcome them.

As he rushed to the front, he saw an old man and a middle-aged man beside him. Seeing Zhu Kim rushing towards them, Lee Jing spoke in a cold voice "You are arrogant enough to make us wait, Kim?"

Hearing his icy tone, Zhu Kim's body shuddered and panic filled his heart. He quickly bowed in front of him "F-Forgive me, Master Lee... I didn't expect your sudden visit."

"Haha!" The old man Teng Zen laughed "Why are you intimidating him, Jing... see he is scared."

Zhu Wan and Zhu Xian also quickly came beside Zhu Kim and bowed their heads, greeting them. "Please enter Masters..." Zhu Kim greeted them and both of them entered the mansion.

As they went inside, Zhu Kim guided them to the luxurious hall and made them sit. Zhu Wan then left the room, asking the butler to bring them tea.

Zhu Kim sat opposite them on the couch and asked politely "I am surprised, Master Teng and Master Lee came to visit me suddenly."

Lee Jing squinted his eyes "Are we not welcome here?"

Again hearing his cold voice, Zhu Kim hurriedly shook his head "N-No, Master Lee... it's not like that."

Teng Zen just laughed it off "We were in the human world, but we suddenly got a message from our Sect to return back stating that it is urgent."

"So we came to meet you on our way!"

Zhu Kim smiled "Yeah, we are grateful for your sect's cooperation with us."

tap At this time two more people came and bowed in front of Lee Jing and Teng Zen "Master!" "Sect Elder!"

A small smile appeared on the old man's face "Are you guys doing your work properly?"

The two young men nodded their heads, "We have been protecting the Zhu family as we were told, Sect Edler." They are the bodyguards assigned to protect the Zhu family by their sect.

Lee Jing frowned "Hm? Then why is this brat's head injured?" he asked keeping his cold tone.

The young man glanced at Zhu Xian and spoke "He went out when I was not with him and got beaten by some cultivator."

Zhu Kim spoke with a sigh "I was just about to ask your disciples to find him and bring him to us."

Teng Zen frowned and took a pill bottle from his robe, tossing a pill at Zhu Xian. Zhu Kim was surprised and bowed his head "Thank you, Master Teng!"

Teng Zen waved his hand "You are allied with our Sect, so we have to take care of you... and about the cultivator, we will take care of him."

H-Huh? "Master Teng, you will personally take care of him?" Zhu Kim asked in shock and Teng Zen chuckled "We were quite bored anyway... and it's been a while since I killed humans. Before going back to the Sect, we will kill him."

Lee Jing nodded his head "Indeed, it had been quite some time. Do you have any information about him?"

Zhu Xian hurriedly nodded his head "Yes, Master Lee, through his vehicle number we found information about him. His name is Zhao Tian, a university student living with his family."

...

"Elayne... hmm. Seems peculiar, but I like this name." Zhao Ying spoke looking at the golden plate. Xia Shenyi who was standing beside her frowned looking at the plate.

"Maverick?" She squinted her eyes thinking "I don't remember any Dynasty or Families in any of the High Stars having a strange name like Maverick as their family name."

"And this metal which is engraved is definitely not from here, so we can be sure that Tian is not from this star. Somewhere in High stars..."

Zhao Ying giggled "But it is kinda cool. Now we don't know who our father is, and the mother who ran away... haha."

Xia Shenyi let out a wry chuckle as she glimpsed at Zhao Tian who was sitting cross-legged in front of a cauldron trying to refine a pill.

A hint of amusement played on Xia Shenyi's eyes seeing him "Damn, he is a genius... within a short period, he learned to control the fire element like that. If he can focus on other elements too, he can give the enemy a surprise attack and will also increase his strength."

"Well, as his teacher... I feel proud seeing his talent in Alchemy!"

Zhao Ying spoke "Not only Alchemy... you know he fought a woman levels above him and won." Xia Shenyi nodded her head "Only his cultivation is lagging behind in 1st level of Sovereign stage, but his combat prowess is nearly 9th level Sovereign stage."

Zhao Ying giggled "Yeah, when Sister Miya was talking about the fight, I was so excited... it's a shame that I couldn't see his fight."

"Talking about Sister Miya, see this Sister Shenyi..." Zhao Ying said and took her mobile phone showing the picture of Zhao Tian and Chi Miya kissing under the fireworks.

Xia Shenyi raised an eyebrow curiously looking at the photo "This mobile thing also works as an Envisage shard?"

"Envis-what?" Zhao Ying asked and Xia Shenyi spoke clearing her doubt "It is like a small artifact made from Astral stones, where it captures a moment and stores inside the gem. I can show it to you later."

Zhao Ying shook her head "Keeping that aside, Sister Miya called me as the first thing in the morning and bragged about how she got a cool shot of her kissing with Tian'er and she also kept it as her wallpaper." she spoke, her lips twitching in anger.

-_- "Well, if you want... you can ask Tian and take a cool shot like that."

"Hmph!" Zhao Ying snorted "That's what I have planned to do. I will make it look better than this..."

Seeing Zhao Ying pouting her lips, Xia Shenyi couldn't help but chuckle.

...

A while later, *pop* the cauldron opened revealing two green pills floating above the cauldron. Zhao Tian looked at the pill and frowned "Not bad for the first try I guess..." he just wanted to try this Alchemy because he was quite curious about it.

Xia Shenyi walked toward him with a smile and raised her hand as the pill floated to her palm. Holding the pill in her fingers, she nodded in satisfaction "Good job, my disciple..."

As she took another look at the pill. E-Eh? Huh? HUH? Her jaw dropped "What the?" she screamed in shock. Zhao Tian stood up and stretched his muscles. "Haah, what happened?"

"T-This pill has a 100 percent purity rate with no impurities." She spoke her mind confused by what's happening.

Zhao Tian frowned "Is it that big of a deal?"

"Of course it is. I have heard that only Empyrean flames can create a pill with 100 percent purity. This is the first time... Awesome." she spoke in awe looking at the pill.

"Well, I don't know about that. But I do know that my fire is potent," he said and raised his arm as the fire burned in his palm.

Xia Shenyi narrowed her eyes as she observed the flickering flame before her. "It seems normal for me, but it can still make a pill of 100 percent purity, how?"

"Maybe because the fire was born from your physique?"

Zhao Tian just shrugged and Xia Shenyi spoke with a slight frown "If you refine the pills and give them to your women, it would be a lot helpful for them since there are no impurities."

"The Honoured One's physique is a cheat code!"

Zhao Tian raised an eyebrow upon hearing this. he just tried Alchemy for fun "Well, I'll refine pills for them to cultivate when I have time."

Reeling out of her shock, Xia Shenyi leaned on him a hint of curiosity in her voice "I wonder what secrets are still hidden in your body."

Zhao Tian just smiled, pulling her waist, and kissing her lips.

Retracting the kiss, a seductive smile appeared on Xia Shenyi's lips "Let's take a bath together."

Chapter 82: *With Shenyi* and a sudden confession?

thud Pushing Xia Shenyi on the ground near the hot springs, Zhao Tian kissed her lips. *smooch* Xia Shenyi too wrapped both of her arms and legs around him in a tight embrace as Zhao Tian continued to ravage her mouth with his tongue.

"Hnngh~!" A muffled moan escaped her lips as Zhao Tian groped her boobs fondling them, his lips still kissing hers. Breaking away from the kiss, he tenderly planted kisses on her cheek, then moved down to her neck, sending shivers of delight down her spine.

smooch Leaving small lingering kisses on her neck, his lips traveled down to that soft pink bud on top of that squishy mountain.

"Haangh~!" Xia Shenyi let out a low, guttural moan of pleasure as Zhao Tian tenderly kissed and sucked on her sensitive nipple. She fondly grabbed his hand, savoring the intense sensation of his tongue swirling around her pink bud, causing her to close her eyes and lose herself in the overwhelming ecstasy.

Zhao Tian pulled back his lips and a sweet smile appeared on Xia Shenyi's lips "Let me do that again, Tian!"

Sitting on the edge of the hot spring, a smile appeared on Zhao Tian's lips as he looked at Xia Shenyi who was kneeling in front of him, her delicate fingers playing with his hard dick.

Xia Shenyi's eyes fluttered as she held the hard cock in her soft palm. Zhao Tian gave a soft pat on her head "You gave me a blowjob once... why are you hesitating."

Xia Shenyi shook her head "Not hesitating.... marveling." she muttered, leaning in to give a kiss on the head of the dick with her cherry lips.

"Haa." She let out her tongue and licked the tip of his dick and she could feel it throbbing in her hand. With a smile, she licked along the length of his dick reaching his balls.

smooch She leaned in and planted a soft, lingering kiss on his balls before running her tongue up the length of his dick. Zhao Tian closed his eyes in delight feeling her wet tongue playing on his dick.

With a soft touch, she began to give him a handjob shaking his dick up and down and soon she could see the precum glistening from his cock.

She opened her lips and leaned down pushing his dick into her mouth. *slurp* *slurp* She started to suck his cock pushing and pulling her mouth into the dick.

As she laid her eyes upon his gratified expression, a subtle smirk danced across her thoughts. When she gave him blowjob last time, she noticed something.

slurp She began to use her tongue to gently lick and encircle the tip of his cock. "Urgh!" Zhao Tian grunted in pleasure and grabbed her head.

slurp *slurp* As she continued giving him a blowjob, she also got turned on her left hand instinctively reaching down to her pussy and she began to finger herself.

"Hngh~!" *slurp* Xia Shenyi let out a muffled moan, her two fingers sliding in and out of her pussy, stretching her pussy walls.

slurp Zhao Tian grabbed her head tightly and pushed his cock into her mouth and Xia Miya felt the dick trembling in her mouth.

splurt He came right into her mouth, brimming her throat with his warm cum. "Urgh!" Xia Shenyi grunted, slowly swallowing the thick cum with her tongue.

gulp She gulped down his cum and a small smile appeared on her face.

Looking at the flushed face of Xia Shenyi, he could no longer suppress his overwhelming desire. "Sheyi, turn around!" Xia Shenyi licked away the last lingering cum from her lips and turned around showing her back to him.

Zhao Tian admired the smoothness of her back, her dainty hips, and the curves of her ripe peach-like ass. He softly pushed her to the front, making her stand on all fours as he moved on to kneel behind her.

gasp Xia Shenyi was taken aback by her current position, causing her to gasp in surprise. Hastily, she turned around to face Zhao Tian "T-Tian, what are yo-" but she stopped speaking as she looked at the smirk on his face.

"Hngh~!" Zhao Tian firmly grabbed her ass cheeks and spread them wide looking at the folded pink lips and her tightly clenched butthole.

"You are so wet..." Zhao Tian murmured as he saw the love juices running down her thighs. Xia Shenyi blushed in embarrassment as he could even see her butthole "T-Tian, the promise...you are going to break it?"

Zhao Tian had a playful grin on his face as he delicately rubbed her pussy walls with the tip of his dick, gently teasing it. "Haangh~! Tian..." With each gentle stroke, Zhao Tian skillfully teased and caressed the delicate folds of Xia Shenyi's pink petals, eliciting a chorus of moans and gasps from her lips.

Xia Shenyi bit her lips in frustration and she was also excited in her heart that Zhao Tian is not considering the promises anymore.

Seeing Zhao Ying and Chi Miya getting fucked by Zhao Tian daily, she is jealous, as her deepest desire is for Zhao Tian to passionately ravish her in the same manner.

Xia Shenyi slowly moved her left hand closer to her pussy, delicately parting the soft pink folds with her fingers, revealing the enticing entrance to her womanhood "Tian, quick..." she whispered urgently, her breath becoming more irregular and her heart pounding in her chest, consumed by anticipation of what he would do next.

Zhao Tian chuckled "Not quite right..." he muttered and moved her fingers to the top reaching her buttocks. H-Huh? *gasp* Xia Shenyi's heart skipped a beat as she gasped, realizing what he was about to do "Don't tell me... Tian you."

With a mischievous grin, Zhao Tian gazed at the delicate pink buttocks before him and whispered "Let's try something new..." he uttered sliding his finger into her moist, inviting pussy.

"Haangh~!" Xia Shenyi let out a soft moan as she felt his finger gently exploring her most intimate areas, almost as if it were giving her a soothing massage.

He pulled back his finger and softly slid the wet finger into her buttocks. Huh? Xia Shenyi's body squirmed as she felt his finger slowly entering her asshole.

"W-Wha-..." Xia Shenyi yelled as Zhao Tian poked her ass with his finger. "Mmnggh~ Tian, your finger... feels weird," she muttered as he continued fingering her asshole.

A little later, he retracted his finger and a contented smile appeared on his face, *gik* Xia Shenyi's body tensed feeling his huge dick caressing her buttocks.

"T-Tian, don't, it will hurt..." Hearing her pleading, *spank* "Haaangh~!" He gave a spank on her and it bounced making it red, his fingers sank into the softness as he stretched her ass cheeks even more.

"It'll only hurt at first dear..."

He spoke rubbing his dick on her asshole even more "I won't take your virginity for now... but this ass is mine." He muttered gently pushing his cock in her asshole which he already quite loosened with his finger.

"Urgh!" Xia Shenyi's eyes widened in shock and pain as she felt her inner ass muscles forcibly stretched by Zhao Tian's hard cock.

"U-Urghh!" she groaned in pain and her body shook, small tears welling up in her eyes as she felt his dick filling in her ass.

Zhao Tian felt extraordinary pleasure from the tight muscles in her ass. "It's tight...Shenyi." he could feel her ass trying to squeeze out his dick.

He tenderly held onto her hips and began to slide his penis in and out of her asshole stretching it even more. "Uhmnn..." Xia Shenyi groaned a little as her ass got used to his dick size.

As Zhao Tian pushed his dick even more into her ass, Xia Shenyi's eyes quivered "T-This is..." she suddenly felt a surge of pleasure coursing through her body.

"I-I am enjoying from my ass?" "Tiann.... Haangh~ Tian~~" As her ass muscles slowly began to stretch, Xia Shenyi also felt the pleasure hitting her mind making her numb.

pakh *pakh* Xia Shenyi let out her tongue as she enjoyed his pounding on her ass and she could feel his balls hitting her pussy sending a wave of arousal through her body, heightening her pleasure and desire.

"Haangh~~ T-Tian... this is goodddd~ Hyaangh~!" Zhao Tian leaned down groping her boobs as he continued rampaging her ass.

pakh *pakh* Zhao Tian playfully teased her nipples with his fingers, gently pinching them as he nibbled on her sensitive flesh. "Haangh~!" As Zhao Tian nibbled her sensitive nipples, her body shook and Zhao Tian felt her ass walls tightening on his dick giving him even more pleasure.

"Urgh!" *splurt* He unloaded his white sperm directly into her butthole and Xia Shenyi's eyes rolled back in intense pleasure as she felt her ass filled with his cum, its warmth even reaching her stomach.

thud She fell down on the floor and her body squirmed as the cum leaked down from her ass staining the ground.

"I love you! Tian~~~!"

...

Lying on the bed naked, Zhao Tian softly fondled Xia Shenyi's ass who was on top of him "It still hurts?"

Xia Shenyi shook her head with a smile "No, it is quite tolerable..."

"We could have gone for a second round then."

"My ass would have been broken."

"Haha!"

ring At this time, the mobile rang and Zhao Tian raised his hand as the mobile floated to him from the side stand. Seeing who it was calling, he was quite amused *click* "What happened, Mei Xiu?"

"Um... Zhao Tian."

Zhao Tian heard her timid and nervous voice across the phone and he could clearly tell that she was hesitating about something.

"Mei Xiu?"

"U-Uh, Zhao Tian... the thing is... C-Can you be my boyfriend?"

Chapter 83: Lightning attack!

vroom As Zhao Tian pulled up in front of the University's main entrance with the Rolls Royce, the students exiting the campus couldn't help but stop and stare in awe at the luxurious car before them.

Mei Xiu who came out of the University glanced around looking for Zhao Tian and as her gaze fell on the sleek Roles Royce, a frown appeared on her face.

'Is that him?' She was quite confused.

Zhao Tian didn't exit the car because he knew if students saw Mei Xiu entering his car, it would create rumors so he made a call to her.

Mei Xiu felt her mobile vibrating and seeing it was Zhao Tian, she quickly answered the call "Zhao Tian?"

"Just enter the car." Zhao Tian spoke and Mei Xiu again glanced at Roles Royce, waving her hand. "Yeah, now enter." Zhao Tian spoke and canceled the call.

Mei Xiu was taken aback 'It was really him? When did he become this rich?' she mused in her mind and quickly approached the car.

thud She entered the car and Zhao Tian stepped on the accelerator *vroom*. Glancing over at Mei Xiu, Zhao Tian asked "So, what's with this boyfriend thing?"

A faint blush appeared on Mei Xiu's face and she averted her gaze "I-It means what it means... don't you know what it is."

Zhao Tian narrowed his eyes "I am sure, you didn't ask me out because you have feelings for me... so what's the catch?"

A sigh escaped Mei Xiu's lips. She just thought that she could tease him a little but he caught her. "The thing is... this." Mei Xiu showed her mobile screen to him.

"Ashes of Love couple event?" Zhao Tian raised an eyebrow reading the title.

The blush on Mei Xiu's face deepened and with a shy smile, she spoke "Um... I watch a couple show called 'Ashes of Love' and after a week, there is an event in our nearby city."

"In that event, the actors of the show are coming... and I want to go and meet them."

Zhao Tian nodded his head "And you need a boyfriend to go to the nearby city?" Mei Xiu shook her head "N-No, No... only couples could attend that show, so..."

Oh! Zhao Tian understood why she wanted a boyfriend and shook his head "No, go by yourself."

"W-Wha-" Mei Xiu was startled, she didn't expect to outright refuse without even considering. She hastily spoke "Zhao Tian, you don't have to be my real boyfriend... you just have to act like my boyfriend."

"No!"

Eh? "Whyyyyyyyyy? Please Zhao Tian.... I am a big fan of them... please please... Zhao Tian." she curled her lips down showing a sad face.

Zhao Tian chuckled in his mind seeing her acting like a child and spoke "No, ask someone else... I am not your worker or anything."

Mei Xiu quickly grabbed his arm pleading "Ehhhhhhh, but I only have you as my male friend... I don't have anyone to ask. So please, please Zhao Tiannnnnnn."

Zhao Tian glanced at her pleading face and her fake puppy eyes. "Please, Zhao Tian, for this teacher... please." she begged pulling his arms like a child begging his parent for a toy.

Zhao Tian showed a small smile "Well, I can go with you, but what benefit is there for me? I am not a fan of that couple show."

"Hehe." Mei Xiu showed a proud smirk hearing this and nodded her head "Of course there is a benefit for you. Since you like my cooking very much, how about I prepare meals for you for like a month."

-- Zhao Tian was dumbfounded hearing this. Food prepared by her? He couldn't help but chuckle seeing her proud smirk, even though she is a serious woman, she also has this aloof cute side to her.

Zhao Tian gave a nod "Ok, then!"

Mei Xiu's face lit up with a bright smile a hint of happiness washing through her heart "Thankyou, Zhao Tian... Teacher will make good food for you."

Zhao Tian just smiled "I won't be there every day..."

"Oh?" Mei Xiu rolled her eyes "Then, I'll prepare for you when you come to my apartment."

"And by the way, you are not coming to the University recently. Your sister too..."

"Not interested anymore."

"Huh? Them your degree?"

"Who cares."

"Hmph! Rich guys will never know that pain, even if you didn't study you guys can live with your father's money."

Seeing her serious and angry side again resurfacing... he smiled wryly in his mind.

...

Looking at the back of Mei Xiu entering her apartment, a sigh escaped Zhao Tian's lips "Why the fuck am I always getting followed by weird mobs and cultivators."

"Are they not scared of exposing themselves in public?"

fwoosh The old man Teng Zen was floating in the air and beside him Lee Jing was floating as a spark of purple lightning flashed across his back creating electrical wings crackling with lightning currents.

"The car has stopped." Lee Jing muttered and Teng Zen gave a nod "Hm... create a barrier to hide ourselves from the public."

"Don't worry, I have already done that." They heard a voice and both Lee Jing and Ten Zen raised their heads in surprise.

Huh? Lee Jing was bewildered seeing the young man effortlessly levitating in the sky. "You are in Heaven Astral Stage? H-How?" he stammered in utter shock.

"What trick did you use? And how did you find us?" Teng Zen asked as he narrowed his eyes.
flick A long steel rod appeared on his hand.

Zhao Tian just spoke nonchalantly "You guys are weaker than me so of course I can find your presence. So, the reason for following me?"

"Weaker?" Teng Zen raised an eyebrow "Do you want me to believe a young man like you has already reached the stage I am in which took me decades?"

Lee Jing clenched his teeth tightly, feeling frustrated "This is the stage, I couldn't reach no matter what." He is still in the Spirit Astral Stage and he is flying only because of those wings.

swish Teng Zen dashed through the air, his every step leaving a spark of purple lightning in the air. As he closed in on Zhao Tian *woosh* he extended his hand lunging the steel rod towards Zhao Tian's face intending to smack his face.

grip As the rod reached his face, Zhao Tian simply caught the rod. "What?" Teng Zen and even Lee Jing were stunned in disbelief as he knew the strength of a Heaven Stage Cultivator.

Reeling out of his shock, Teng Zen narrowed his eyes *thriiss* as a sudden burst of lightning spewed through his body and the steel conducted the lightning *friss* causing it to crack with lightning.

As Zhao Tian was gripping the rod, the lightning passed through him. *thriiss* H-Huh? But seeing no effect or screaming from Zhao Tian, Teng Zen was confused. "Are you really heave-"

thriiss Zhao Tian used his own lightning element, conducting it through the steel rod.
"Aarrghhhh!!" Teng Zen's agonized screams echoed through the air as the electric shocks coursed through his entire being. The purple lightning danced across his veins, leaving him writhing in pain.

Zhao Tian released his hold on the rod and Teng Zen quickly dashed back away from Zhao Tian reaching near Lee Jing his body trembling in fear. "*cough* H-He is the real deal...Urgh! My whole body hurts."

Lee Jing squinted his eyes again glimpsing at Zhao Tian who hadn't made a single move since he appeared "And our opponent has the same element as ours."

Teng Zen gave a solemn nod "Since we are already in this, let's finish him together."

fwish Lee Jing's whole body sparkled in purple electricity and he concentrated them in his palm as twin blades made of pure lightning appeared. His technique allows him to manifest anything out of lightning just like his wings, as low complicated as it is easier to manifest.

swish Both of them again dashed at Zhao Tian at the same time. Teng Zen feigned as he was about to strike him with the rod while secretly channeling lightning energy to his leg for a powerful kick.

thud As he swiftly swung his leg towards him, Zhao Tian just turned his gaze at the kick and *fwish* in the next instant, his whole leg got crystallized in ice.

thrash The leg of Teng Zen shattered into a thousand icy fragments, leaving him staring in shock at the gaping hole where his limb used to be. "Arghhhhhhhh!" A gut-wrenching scream of pain tore from his lips.

"Sect Elder!" Lee Jing yelled and hurled the twin blades near Zhao Tian's neck. *thrisssh* But a bolt of lightning appeared from Zhao Tian's body hitting him in the chest and he was blasted back into the air. *thud*

"Who knew you were a dual elemental freak! You pay for my leg, you bastard!" Teng Zen screamed in anger and punched his fist in the air. *swwooosh* a large fist crackling with purple lightning materialized, hurtling swiftly towards Zhao Tian,

flick With a ripple in space, Zhao Tian appeared in front of Teng Ze and grabbed his neck "You-" But before he could utter anything red lightning appeared from Zhao Tian's body.

"Aaaaarrrgghh!" Teng Zen yelled in terror as he felt his body being churned and fried by the red lightning swirling inside his flesh and bones. The high voltage of the lightning caused his body to sizzle and burn from the inside out, the searing heat consuming him and his scream continued.

"AARGHHH-" His body convulsed in Zhao Tian's palm and his body quickly burned into a charred thing. Zhao Tian let go of his grip, watching as the charred remnants were carried away by the gusts of wind.

Lee Jing who had just seen the death of Teng Zen by the weird red lightning and his body turning into chards left him horrified.

"Sect... Elder?"

Chapter 84: Got an info!

fwissh Zhao Tian glanced at the wisps of smoke emanating from his palm. It is really deadly to use fire with lightning!

Lee Jing's body shuddered in dread seeing Zhao Tian's stoic eyes and his lips trembled "D-Did he just use fire with lightning? Three elements? Is it even possible?"

He took a step back "No, I shouldn't be here..." *swish* With a flap of his lightning wings he dashed out of there trying to escape from the scene.

Zhao Tian turned his gaze toward the flying figure of Lee Jing and frowned his brows as he used his cultivation pressure to pin him in the air.

With each step in the air, Zhao Tian walked toward Lee Jing "You guys stalked me and attacked me, now trying to flee away as if nothing happened?"

Lee Jing stood frozen in the air and his eyes quivered in fear. "That damn Zhu Kim! Who could have thought that this is a monster blending within the human world."

Walking in front of Lee Jing, Zhao Tian asked "Who wanted to kill me?"

Lee Jing hid his fear in his heart and spoke coldly "Do you know who have you killed just now?"

Zhao Tian shook his head "No."

Lee Jing smirked "He is the Sect Elder of the Stormweaver Sect."

A look of surprise flashed across Zhao Tian's face "Stormweaver Sect, huh..."

Seeing the change in Zhao Tian's facial expression, Lee Jing got even more confident "What? Did you get scared hearing our Sect's name? If only our Sect master came to know about our Elder's death..."

"He will surely find you and rip your body to shreds."

Zhao Tian frowned "First time hearing your Sect's name. Is it one of the top sects?"

Wha- Lee Jing was dumbfounded. The young man is a strong cultivator but he doesn't know about the top sects of the Holy Land Zhenzhu. "Of course, it is one of the top sects in Zhenzhu. Don't you even know that? Are you living under a rock?"

Zhao Tian was quite displeased hearing his tone *swish* A dagger appeared in his hand and *slick* without a moment of hesitation, the sharp edge of the dagger slashed his hand and his arm was flown away in the air and in the next second it burnt to ashes,

"Argghhhhhh!" Lee Jing screamed in horror unable to bear the utter pain radiating across his body from the slash. "Harghhhh" He gritted his teeth in pain and he couldn't even move his body in pain because of the pressure.

"Look who you are talking to."

Seeing his icy stare peering into him, Lee Jing's eyes shook in horror and he glanced at his left arm which had been there a minute ago. He used the Astral energy to somewhat relieve that pain and stop the blood loss. Once more, he nervously turned his gaze back to Zhao Tian,

huff Gasping for air, he struggled to control his breathing, his face twisted with terror by what Zhao Tian was about to do "F-Forgive me..." he could only bow his head in front of this monster.

"So, who told you to kill me?" Zhao Tian asked and this time Lee Jing dared not to neglect "Z-Zhu family's brat!"

Again him? Zhao Tian raised an eyebrow. Seems like he has to teach him a lesson directly.

flap At this time, a paper slipped from the inside of Lee Jing's robe, and seeing this Zhao Tian raised his hand, as the paper flew itself to him.

Lee Jing was stunned seeing the paper. The letter from the Sect?

Huh? Zhao Tian saw the letter written in a code mechanism encrypted, so other people wouldn't read and decipher it. There is also a map of the place attached.

"What's this?" Zhao Tian asked showing the paper and Lee Jing's heart skipped a beat as he saw the paper, his voice trembling as she replied "T-That's....".

Seeing him hesitating, *slick* he slashed off the wrist of his right hand. "Arghhhhhh I am telling.... I am telling you... It is a letter from our sect."

Lee Jing again clotted the blood in his wrist, his whole body trembling but he couldn't even move properly because of the pressure.

"What does it say?" Zhao Tian asked and Lee Jing was still nervous as this is still a secret between the top sects.

"Do you want me to cripple your cultivation and limbs before throwing you in the streets?"

gik His cold tone alone sent shivers down his spine and Lee Jing hurriedly spoke "T-That is actually about an Ancient ruins recently found and we were summoned back to go to the site."

This intrigued Zhao Tian and he again glanced at the map "So this map shows where the ruin is?"

"Y-Yeah..."

Zhao Tian squinted his gaze upon hearing this, He will surely have to go to this as he needs more information about the other sects and he wants to see some powerful cultivators there.

He again glanced at the map and the site was not in Zhenzhu but near some mountains, it seemed.

As he glimpsed at Lee Jing who was writhing in pain, a sigh left his lips and Lee Jing spoke hastily withstanding the pain "I-I told you, everything... now let me go... Urgh!"

"I don't have that bad habit of letting my enemies go." *thirrsshhhh* "ARGHHHHHHHH!!!" Lee Jing screamed in pain his body being burned by the scorching flames.

...

tap *tap* A gentle sound of footsteps echoed through the air as the woman with long black hair and black eyes walked through the stairs reaching the small pavilion at the top of the mountain.

As she stepped into the pavilion, she saw a bewitching mature woman, her slender figure elegantly poised in a cross-legged position cultivating, her long pink hair combed into a beautiful bun.

Sensing the arrival of someone, the woman opened her eyelashes revealing her green eyes which were sparkling in the morning sun. A gentle smile appeared on the corner of her lips "Is there any news?"

The woman who just entered bowed her head "Sect Master!" The woman is Ling Xin, the Sect master of Lunar Blossom Pavillion.

As the woman raised her head she spoke "The other top Sects have also agreed to work together with everyone to explore the Ancient ruins."

"Oh!" Ling Xin raised an eyebrow amused "I am surprised that Oldman agreed to work along with everyone in this matter. I thought he would fight with others claiming ownership of the ruins."

The other woman couldn't help but giggle hearing her Sect master's words "And they have decided to enter after four days."

"After four days... hm.." Ling Xin muttered and spoke, "Ask the elders of the sect to prepare for the expedition, and also the core disciples."

"Yes, Sect master."

As the woman left, Ling Xin glimpsed at the morning sun and couldn't help but sigh. With a soft touch, she placed her hand on her chest "Why is my heart beating like this... as if something amazing is going to happen... I wonder what it is." she mused to herself, a sense of anticipation building within her.

Chapter 85: Meatholes?

Sitting on Zhao Tian's lap, Zhao Ying rolled her eyes, her hands wrapping around his neck "Ancient ruins? what is that? Is it great?" Xia Shenyi who was sitting beside Zhao Tian on the couch nodded her head "Yeah it is great..." she spoke leaning on his shoulder.

"Powerful cultivators will leave some of their inheritance creating ruins with trials for the other cultivators."

"The other cultivators enter and go through those trials set by the powerful cultivator and earn the inheritance the cultivator left."

Zhao Ying raised an eyebrow "So if I went in, we can earn some things...hmm. Are you going Tian'er?" she asked looking at him.

Zhao Tian nodded his head "Yeah, I am. I want to know about other sects in Zhenzhu and also quite curious about these ruins."

Xia Shenyi squinted her eyes "Tian, you can face anyone in Sovereign Astral Stage, but when it comes to Emperor or Monarch Astral Stage... you can't win."

"There may be people from Emperor or even Monarch Astral Stage in the expedition. And if a fight breaks out, it would be difficult for you."

Zhao Ying nodded her head "Then Tian needs to have sex with many women or eat pills to increase his cultivation rapidly and since he has Honoured One's physique, he won't have backlashes."

"But where would he go for virgin women?"

Zhao Tian again thought of the Monarch Astral Stage woman he met that day "Guess I'll just have to use my two meat holes."

"Meat holes?"

...

vroom Zhao Tian drove the Rolls Royce to the Fei's mansion. Zhi Luo, catching sight of the sleek car as it made its way onto the property, hurriedly made her way to Fei Lingxi's room.

knock Fei Lingxi was startled by a sudden knock on her door, causing her to quickly wipe away the tears streaming down her face. With a heavy heart, she rose from her bed.

creek She opened the door and looked at Zhi Luo "Why?" she asked in a low voice. "Ma'am, that guy is here again..."

A look of surprise flashed across Fei Lingxi's face "Go and call Ziyu."

"Yes, Ma'am."

Zhi Luo then walked to Fei Ziyu's room and opened the door without knocking "M-Ma'am..." she called faintly.

As she entered she saw the room almost destroyed, the table and chairs were haphazardly strewn about, the paintings on the walls were crooked, some had been torn down, and the decorative pieces lay shattered on the floor, with some food plates broken.

Zhi Luo then glanced at Fei Ziyu lying on the bed with a torn dress staring blankly at the ceiling "What...I don't want food. I am not hungry." a hoarse voice echoed through the room.

Zhi Luo spoke "He is here..."

gasp Fei Ziyu gasped in shock and jumped off the bed, rushing over to Zhi Luo and grabbing her shoulders "Is he here? Is he?" she asked shaking her shoulders desperately.

Zhi Luo who had already seen the madness of Fei Ziyu for over a week was not surprised seeing her desperate eyes "Yes, Ma'am, he is here..." she replied calmly.

"H-Hahha..." Fei Ziyu let out a chuckle as a smile slowly spread across her face. She hurriedly made her way to the bathroom "I gotta wash my face...my dress.. ah."

tap Zhao Tian walked upstairs and Fei Lingxi who had been waiting for him called him faintly "Master..." Zhao Tian walked past her and sat on the couch.

Fei Lingxi eyed both of her bodyguards to leave the hall and both of them went downstairs.

tap *tap* Fei Ziyu hastily ran to Zhao Tian with a smile on her face "Master!" Zhao Tian didn't mind her and looked at Fei Lingxi "What about the mansions?"

Fei Lingxi nodded her head "I have already prepared them, Master."

Huh? Fei Ziyu glared at Fei Lingxi, why is it always her? Feeling her daughter's piercing gaze, Fei Lingxi turned her gaze towards her and responded with a gentle smile.

But Fei Ziyu looked away coldly. Fei Lingxi felt a pang in her heart seeing her own daughter acting distant towards her and hating her.

As Fei Lingxi again glanced at Zhao Tian, she was startled as he was looking at him. Huh? Only then did she realize, and she immediately picked up her phone and said "Master, here are the pictures."

Zhao Tian took the mobile from her and looked at the mansion's pictures. The mansions are surely luxurious. Fei Lingxi spoke, "These mansions are newly built and before anyone could get that, I bought them."

"Hmm. Good job." Zhao Tian nodded his head and hearing this a somewhat small smile appeared on Fei Lingxi's lips seeing that he was pleased. Fei Ziyu's heart flared with jealousy seeing her Mom getting all the attention from Zhao Tian.

She took a deep breath, mustering her courage, and opened her lips "Master, I want to ask you a question."

Hm? Zhao Tian raised his gaze from the mobile phone and looked at Fei Ziyu. Gaining his attention, Fei Ziyu asked seriously "Master, what should I do for you to love me?"

Hearing the question, Zhao Tian again turned his gaze to the mobile screen not minding her. Fei Ziyu bit her lips in frustration and at this time "Ziyu..." Fei Lingxi called her faintly.

Fei Ziyu turned to look at Fei Lingxi "Tsk!" she clicked her tongue and walked away from the hall. A little later, she came back with a gun in her hand.

H-Huh? Fei Lingxi was startled to see the gun in her daughter's hands "Ziyu?"

Fei Ziyu looked at Zhao Tian "Master, if I kill her you would love me. That's what you said, right?"

Zhao Tian raised his head and stayed silent looking at her. Fei Ziyu gripped the gun tightly in her hand and aimed at Fei Lingxi.

"Z-Ziyu, stop!" Fei Lingxi yelled as she tried to approach her. "If you move, I'll shoot you... Last time I hesitated, this time I won't," she said squinting her eyes.

Fei Lingxi's body stiffened upon hearing this. Fei Ziyu took a quick glimpse at Zhao Tian and noticed he was looking at her.

This sparked a smile across her face "Sorry Mom..." she uttered closing her eyes. as her finger pressed the trigger. *bang(* *bang* The sound of gunshots made Fei Lingxi's heart race, causing her to take a step back in fear and close her eyes seeing the danger.

But not feeling any pain in her body, Fei Lingxi Fei Lingxi slowly blinked her eyes open and saw Zhao Tian standing in front of her. *clank* The bullets fell to the ground and seems like this time Fei Ziyu really didn't hesitate.

Hearing the bullet sound, Fei Ziyu opened her eyes in surprise and saw Zhao Tian standing in front of Fei Lingxi protecting her.

This fueled Fei Ziyu's anger even more. 'What did that bitch do for Master to protect her like this.'

Seeing Fei Ziyu again aiming the gun to shoot, Zhao Tian narrowed his eyes and *clank* the gun fell down from her hand.

"If it was before, I would have let you kill her. But I need her right now." Zhao Tian spoke and turned to Fei Lingxi *treekk* he tore down her dress revealing her undergarments.

Fei Lingxi was startled and Zhao Tian plucked the bra from her chest making her boobs bounce. Fei Lingxi's face quickly blushed but she stood there not hiding anything.

Zhao Tian then glimpsed at Fei Ziyu and asked "You want my love, right?"

Hearing the question, Fei Ziyu hurriedly nodded her head without hesitation "That's what I want."

"Let me give you love then!" *treekk*

6: *Banging the Fei's*

H-Huh? Fei Ziyu couldn't blink her eyes, her eyes were blindfolded by a cloth and she couldn't move her hands as they were tied to something.

Her mind only remembered Zhao Tian giving her a blindfold to tie and things happened quickly. She can feel that she is butt naked and her hands are tied by ropes as she stands there.

"M-Master?" She opened her lips to speak but there was no response. She moved her head, blinking her eyes and the blindfold slowly loosened falling into her neck.

And as she opened her eyes she saw her mother standing naked, her arms tied above, her ample boobs bare expose to see and Fei Ziyu saw her mom's pink pussy surrounded with some black hair on it.

"M-Mom?" She muttered and only then she noticed Zhao Tian standing behind her, groping her boob from behind while kissing Fei Lingxi's lips.

Hearing a mutter, Fei Lingxi opened her eyes and she turned her gaze. Ziyu? her eyes quivered seeing her daughter's intense gaze on her.

"Hnngh~!" But her thoughts ceased, and a muffled moan escaped Fei Lingxi's lips as Zhao Tian kissed her lips sucking on her tongue. Zhao Tian retracted his lips leaving a strand of saliva connecting their lips.

Fei Lingxi quickly turned to Fei Ziyu "Z-Ziyu.. don't look..." she uttered ashamed as her daughter watch her making out with Zhao Tian.

Zhao Tian smirked and his hand reached out, gently caressing Fei Lingxi's boobs, feeling the supple and velvety texture beneath his fingertips. "Haangh~!" A pleasurable gasp escaped her lips as she surrendered herself to his touches and closed her eyes in bliss.

"Mom..." Fei Ziyu saw Zhao Tian thoroughly enjoying the plump milf body of her mother, his hand, and fingers exploring and trailing every inch of her body eliciting sweet moans from Fei Lingxi's lips.

"Hooh~ Master..." As Zhao Tian pinched her inverted nipples which were already out, an erotic moan slipped past her lips. "Haangh~!" But in the next instant, her body shuddered as she felt his fingers trailing down her stomach and reaching her pussy.

"Anghhh~!" With a delicate touch, he pinched her sensitive clit, eliciting a moan of delight from her trembling lips, his finger gently sliding into her moist pussy. "Kyaangh~!" She moaned as Zhao Tian inserted another finger into her wet hole.

"Angh~! Angh~!" Fei Lingxi's moans of pleasure echoed through the room as his fingers explored her moist pussy, bringing her intense pleasure and filling her mind with ecstasy.

Fei Ziyu gritted her teeth seeing Fei Lingxi's flushed face and her moaning under his caress on her body. She also craved his attention and touches.

Zhao Tian's finger stretched her pussy as love juices trickled down her thigh. Seeing that her pussy is lubricated enough... he took out his dick.

gasp Fei Lingxi was startled as she felt a hot thing rubbing her pussy. She glanced down and saw Zhao Tian's huge dick caressing the pink folds of her pussy lubricating his cock with her love juices. "It's.. big."

Fei Ziyu was also bewildered by the size of Zhao Tian's dick and saw the tip of his dick slowly spread open the delicate pink petals of her mom's pussy.

Zhao Tian tightly groped her boobs and with a full thrust, *slick* he inserted his cock deep into her pussy almost hitting the womb.

"Urghh!" Fei Lingxi moaned in a little pain as Zhao Tian filled her tight pussy with his huge cock in one thrust. Feeling the tight pussy walls clenching his cock, Zhao Tian didn't stop and continued to move.

pakh *pakh* "Aangh~!" Fei Lingxi's eyes widened in sheer delight as she felt his cock stretching her tight walls giving her extraordinary pleasure 'T-This is sex?' a thought flashed across her mind but before she could think anything a wave of pleasure filled her mind.

"Yaangh~! Yessshh... this is good..Haangh~~~!!" Fei Lingxi moaned as she felt soaring through heaven because of this hot dick rampaging her pussy. The overwhelming pleasure she felt was indescribable, leaving her in a state of pure bliss.

Fei Ziyu watched in envy as she saw Zhao Tian's dick going in and out of her mother's pussy and her mother's pleasure face as she was also enjoying getting banged by Zhao Tian.

The sight filled Fei Ziyu with a mix of desire and envy, a swirl of emotions as she watched on, unable to tear her gaze away from the raw sex unfolding before her.

As she laid eyes on the large dick before her, she couldn't resist the urge to bite her lip in anticipation and love juices flowed down her pussy.

pakh *pakh* The rhythmic sound of flesh hitting echoed through the room as Zhao Tian continued fuck Fei Lingxi, his dick going in and out of her pussy.

"Angh~ Angh~!" Fei Lingxi couldn't help but release a breathy moan, her tongue peeking out of her mouth, as droplets of saliva trickled down her lips. She remained in a state of pleasure, surrendering to the intensity of his thrusts.

"Haaanghhh~!" Her moans grew louder and more desperate as she reached the peak of pleasure, her body shaking with the intensity of her climax. "Ziyu..." Fei Lingxi's cheeks flushed with embarrassment as she came right in front of her daughter and she saw that.

Even after she came, Zhao Tian didn't let her go and continued rampaging. "Haaanghhh~!" Fei Lingxi, still feeling the effects of her orgasm, squirmed in ecstasy as she was overwhelmed by the sensations coursing through her body.

"Urgh" A little later, *splurt* Zhao Tian released his seed inside her, filling her with his essence. Fei Lingxi's body quivered as she felt the warmth spreading through her, causing her to lose control of her legs.

The sensation of his hot cum overflowing within her sent shivers down her spine as her eyes fluttered back in ecstasy.

"Anghh~!" Zhao Tian pulled out his dick and Fei Lingxi stood there, her arms still tied up, white cum leaking from her pussy.

Zhao Tian's gaze then fell on Fei Ziyu whose pussy was already drenched with love juices, desire, and anticipation playing on her lips looking at him.

As Zhao Tian walked near her, she grabbed the rope to pull herself up and raised her legs wrapping them around Zhao Tian's chest as she rubbed her pussy on his dick.

"Master, fuck.... fuck me...." She pleaded while biting her lips, her mind consumed by lust and all she wanted now was to be ravished by the man in front of her.

Zhao Tian grabbed her ass and sensually rubbed his dick on her cute pink pussy. "Haaanghhh~!" Fei Ziyu closed her eyes in pure bliss just from the touch of his dick on her pussy,

As he continued to tease her by just rubbing her pussy, Fei Ziyu felt uncomfortable as if thousands of ants running over her, and opened her misty eyes "Master?"

"Beg for it!" Zhao Tian spoke

Fei Ziyu didn't hesitate and spoke with her trembling lips "M-Master, please put your big cock into this little bitch slave pussy. It wants it... please, Master."

A faint smirk appeared on Zhao Tian's lips and he slowly pushed his cock into her tight virgin pussy. "Uhhh!" Fei Ziyu's eyelashes quivered in pain.

Zhao Tian felt the hymen hitting his dick and he pushed it even more tearing her hymen. "Urghhhhhh!" Fei Ziyu cried in terrible pain as she felt her whole body ripping apart.

As Zhao Tian pulled back his hip to thrust it again, Fei Ziyu hurriedly grabbed his shoulders, tears streaming down her cheeks "I-I know... you hate me... but please... it hurts... it hurts so much, be gentle... I beg you... urgh!"

Seeing her grunting in pain and respecting her womanhood, Zhao Tian stopped for a while letting her adjust to his huge cock.

A little later, Fei Ziyu felt the pain slowly disappearing and nodded her head. "Master..." Zhao Tian again trusted in his dick and a bit of her blood dribbled out of her pussy.

Zhao Tian didn't rush and treated her tenderly as he slowly inserted his dick in and out of her pussy. Fei Ziyu's eyes softened seeing him being gentle and a teardrop left her eyes "Master, I love you~"

Zhao Tian gently lifted Fei Ziyu's waist, causing her chest to rise as he tenderly kissed and sucked on her nipples. "Hnngh~! Master..." Fei Ziyu mewled in pleasure and as she thought of hugging his head, she couldn't move her hands as they were still tied by ropes.

pakh *pakh* "Angh~! Angh~~~!!! Master... Master..." Fei Ziyu couldn't help but release a symphony of moans that echoed in the room feeling Zhao Tian's cock stirring her pussy.

Her body quivered uncontrollably as Zhao Tian's throbbing cock expertly explored the depths of her wet, pulsating pussy. The sensations overwhelmed her, causing her to gasp his name with every breath.

Fei Ziyu closed her eyes, letting out a blissful moan as she felt his dick gently spreading her delicate folds, causing waves of pleasure to wash over her.

"Ugh~" Zhao Tian also felt her tight pussy enveloping his hot cock completely and her vaginal wall clenching his cock as if massaging it,

"Agghnn~~~~ahhh~aghhh~~~Master~~~"

At first, Fei Ziyu felt excruciating pain, but after several times Zhao Tian poked into her honey cave, she felt her body and mind fly into the sky. This is a new sensation for her and she is loving it.

But her mind was too weak to think about it as his cock pushed even further till it touched her cervix, making her feel as if puddles of fire were pooling together in her lower abdomen.

Zhao Tian pulled his hips back and then, in one quick motion, rammed his cock into her ever-adapting pussy whose soft walls were trying their best to accommodate his thick rod,

Zhao Tian fastened his hip motions as his cock plunged into her wet pussy, again and again, her breasts hopped up and down as Zhao Tian continued to thrust his cock deep into her pussy,

"Aaahn!~ Aahng!~ Annng!~ M-Master....."

She could barely control her limbs or muscles and felt that her body was dancing to Zhao Tian's tune on its own, she felt as if her mind was completely going crazy under his relentless thrusts.

"Mmngh~!" Her mind began to turn white, she could only keep moaning, Zhao Tian realized that she was close to cumming, and began to thrust faster. Her body jerked and *squirt*

She orgasmed and, at the same time, she felt his thick rod throbbing and becoming bigger inside her before a flood of semen flooded inside her walls, making her widen her eyes at the sensation of a dam bursting into her pussy and her mind went blank.

Haah *Haah* Fei Ziyu gasped for air with misty eyes as she glanced at Zhao Tian.

pop Zhao Tian took out his cock from her twitching pussy, and his white milky semen was continuously dripping out of her honey hole.

Zhao Tian shifted his position and settled onto the edge of the bed, his gaze fixed upon the two women whose hands were tightly tied above by a rope. *thud* The rope disappeared and both Mother and daughter slowly moved their body kneeling on the floor.

Their body is still sensitive after the intense sex and Fei Lingxi looked at the red mark on her hand where she was tied by the robe till now.

Fei Ziyu raised her head to see Zhao Tian and seeing his dick still standing firm. She crawled on the floor moving closer to him.

"Master, let me..." She muttered and raised her hand to softly grab his wet dick in her palms. Without hesitation, she opened her lips taking his dick in her mouth.

slurp *slurp* As Fei Ziyu continued sticking his dick, Fei Lingxi gulped her saliva in anticipation and she also slowly crawled to him and lowered her head kissing his balls.

slurp Both of them used their tongues and mouth to their fullest to pleasure Zhao Tian as he continued to enjoy their blowjob.

A small frown appeared on his face as he noticed the energy he got. 5th stage of Sovereign Astral Stage.

The top Sects are here!

THUD *BOOM* Hearing an earth-shattering noise Xia Shenyi was startled and came running out of her house.

Huh? As she came out she was surprised to see a large mansion in the grass fields right in front of her. She raised her head and saw Zhao Tian floating in the air.

woosh Zhao Tian turned his gaze to look at Xia Shenyi who just appeared beside him. "Tian... this building?"

Zhao Tian nodded his head "If I get more women in the future, that small house can't hold all of them. So I brought this mansion here, so they can rest and cultivate within this artifact if they wanted."

Xia Shenyi squinted her eyes hearing this "Yeah, this would be good. Since the astral energy here is more than the outside, they can cultivate quickly."

"Ahhh!" At this time, a scream was heard across the mansion, and Fei Ziyu and Fei Lingxi came running out of the mansion. "E-Earthquake?"

"M-Master?"

But as they hurled outside, they were dumbfounded by the beautiful scenery around them. They just went with their Master to visit the new mansion and now they are here. Wth?

This left both of them so confused and they exchanged bewildered glances "M-Mom, where are we?"

"I don't know...huh?"

Xia Shenyi's curiosity was piqued as she raised an eyebrow looking at the women "Your slaves?" she was not so concerned as she was not a modern woman, and thus aware that even in the High stars, the existence of slaves was not uncommon.

Zhao Tian gave a nod "Yeah, my slaves... hope you will teach them about cultivation and stuff. I don't wanna waste my dual cultivation cauldrons."

Xia Shenyi chuckled upon hearing this "I thought you would dual cultivate only with your loved ones."

Zhao Tian shrugged "Situations changed my mind."

Xia Shenyi gave a nod "You need these slaves not only for dual cultivation but also to satisfy your insane sex drive, you can use them."

"And one thing, Tian... don't let too much pure Yang energy accumulate in your body. Because if it exceeds a limit, you might go on a rampage fucking women." she said with a light giggle.

Zhao Tian smiled wryly and Xia Shenyi leaned in pecking his lips "Then, I'll go and teach them."

Zhao Tian gave a nod "I have to refine some pills for my women and for me as well."

...

Four days already passed-

thrissh Xia Shenyi watched as the strong suction force from Zhao Ying's body which is quickly depleting the astral energy in the surroundings. *tremble* The whole array began to shake and the Divine Astral stone in the center of the array slowly began to disintegrate.

"Just like the time with Tian, the array is at its limit again..." she spoke in concern. *woosh* Xia Shenyi's brows furrowed as she observed the gradual rise in Zhao Ying's cultivation level.

Sensing the astral energy from Zhao Ying's body, a smile appeared on her face "Truly the Honoured One's physique. His pills are really 100 percent purified."

Xia Shenyi's eyes glanced at Fei Ziyu who was kneeling beside her with a look of awe on her face watching Zhao Ying "You are still kneeling?"

Fei Ziyu looked at Xia Shenyi and gave a nod "This punishment was given to me by Lady Ying, so I can't refute that." she knew if she wants Zhao Tian to love her, she needs to make a good impression in front of Zhao Ying.

Xia Shenyi smiled dryly in her heart, this girl Zhao Ying loves to bully Fei Ziyu and always gives her punishment and makes her do chores for her.

"I wonder if Tian has reached the location."

...

swish Zhao Tian flew through the air looking at the map in his hand. The hours passed by in a blur as he flew through the clouds, he quickly reached a rugged range of mountains and sensed some people at the base of the mountain.

Hiding his presence, he landed near some trees. *woosh* Taking a black robe from his ring he wore it. He lifted the hood and the black mask to hide his face.

As he walked closer to the foot of the mountain, he saw a large ancient structure made of stones and some places were slightly degraded by nature.

Approaching nearer, he saw a large number of people standing in front of the ancient ruins all of whom were cultivators. In order to avoid drawing too much attention to himself, Zhao Tian deliberately suppressed his own aura and cultivation level.

As he perceived the cultivation level of everyone around the ruins. his eyes moved to the three groups of people standing near the entrance of the ruins.

The others around here do not have high cultivation stages, but the ones in the front have cultivators of Heaven Astral Stage and Sovereign Astral Stage.

His eyes glanced to the front and he saw a group of ten people wearing regal red robes with an air of superiority around them.

Another group consisted of only women, they were all dressed in flowing greenish-white robes, with the exception of one woman who stood out in a pinkish-white robe and seemed to be the leader of the group. Their faces were concealed by veils and they were also wearing sedge hats.

Ling Xin who was keen on her surroundings or call it a woman's instinct, felt a piercing stare on her and her body instinctively shuddered. Huh? Confused, she quickly glanced around the area, trying to pinpoint the source of the intense stare.

Amidst the bustling crowd, she locked eyes with a pair of sparkling blue eyes that seemed to be glancing at her.

As she squinted her eyes to take a better look, the blue eyes vanished into thin air. "Huh?" she was startled, her gaze wandering around in search of those eyes that had captivated her attention just moments before.

"Sect Master?" The woman standing beside her called her and Ling Xin gently shook her head "Nothing!"

The woman gave a slight nod, her voice barely above a whisper "Sect Master, you are the only Sect Master here from the top five Sects. There are only some elders from other Sects."

Ling Xin smiled gently "Well, we are the weakest in the top five and we only have women cultivators, it is to be expected."

Zhao Tian mingled along with the crowd as his eyes fell on another group who were wielding long spears on their backs.

Zhao Tian again took a glimpse at the Ancient ruins, its entrance is shielded by a mystical blue barrier. 'Who are they waiting for? Why can't they just break the barrier and enter?'

He moved aside from the crowd and stood aside leaning on a tree confused as to why the hell all these people were waiting for.

"Uh.. the top sects are not here yet?" Zhao Tian heard a man's voice and turned his gaze back as she saw a middle-aged man who came and stood beside him wearing a sedge hat.

"Top sects?" Zhao Tian asked in a faint voice and the middle-aged man turned his eyes to Zhao Tian, a little intrigued "Are you new here? young man?"

Zhao Tian gave a nod "I am." Upon hearing this, the man let out a hearty chuckle, amused "Haha, no wonder... you are not aware of the Top Sects of the Zhenhzu... you must be an unrestrained cultivator. I am also clueless like you at the start."

"Let me enlighten you..." The man spoke and pointed at the group of people whom Zhao Tian saw first. The people wearing red robes "That is the Golden Flame Sect."

"The cultivators in the Sect are exceptionally good with fire and more than fighting, they are interested in alchemy. Most of the pills circulating around in the cultivation world are prepared by that Sect."

"They have direct connections with many rich families around the world and they are the richest sect among the four top sects."

Then the man pointed at the group of women "That is the Lunar Blossom Pavillion. That Sect is full of beautiful women and not many have seen their faces as they always wear veils."

"They are new to the top five sects as they came in top just fifteen years ago."

Then the man looked at the group of people who had long spears at their backs "They are the Silver Lance Sect whose cultivators specialize in spears and don't underestimate them they are powerful."

"Even I was once beaten by a disciple of that Sect easily haha..."

Zhao Tian glimpsed at the people from the top sects 'So they are waiting for the other two top sects?'

"Move away!" At this time, there was a small commotion among the crowd and another group of people walked towards the front.

Looking at the black robes and the electrifying aura around them, the middle-aged man spoke "Stornweaver Sect!"

Chapter 88: Entering the Ancient Ruins!

Zhao Tian glanced at the people in black robes with a frown on his face 'Stormweaver Sect.' The middle-aged man standing beside him visibly trembled in fear "In my opinion, they are the strongest Sect and you dare not offend them, ok?"

The man standing in front of the Golden Blaze Sect turned to look at the group of the Stormweaver Sect "You are late, Cheng Bao." he remarked with a hint of disappointment in his tone.

Cheng Bao, who is the First Elder of the Stormweaver Sect spoke in a cold voice "So what if we come late? It's none of your concern. Shun Lang!"

Shun Lang narrowed his eyes hearing the tone of the elder of the Stormweaver sect. "Why are you acting arrogant, Cheng Bao... we both are elders from the top sects."

Shun Lang scoffed, his tone dripping with superiority "I can act arrogant because we are the strongest sect in the Zhenzhu. Don't have to show respect to weak people... haha."

"Cheng Bao!" Shun Lang yelled as scorching flames appeared from his body. *thrrriiss* "Huh? What?" Cheng Bao spoke as a spark of purple lightning shot up from his body crackling in the air.

"Why are you always fighting?" At this time, a sweet voice echoed through the crowd and the crowd paved the way as a stunning woman with long blue hair and blue eyes walked to the front, and behind her, there were some other people in blue robes.

Her mere presence exuded an air of elegance and grace that commanded respect and admiration.

"Sect master, Xia Feng!" Cheng Bao and Shun Lang spoke at the same time. Xia Feng showed a soft smile "How about we start breaking the barrier instead of wasting our energy arguing?"

Shun Lang nodded his head "We were actually waiting for your arrival so that we can start breaking the barrier. But this Cheng Bao wanted to start a fight."

Chen Bao just glared at Shun Lang and stayed silent. Xia Feng let out a faint chuckle seeing their banter and glanced at Ling Xin "I hope Sect Master Ling Xin is also ready."

Ling Xin gave a slight nod and Xia Feng smiled "Well, then let's start to break the barrier."

The top five sects formed formations around the barrier so that they didn't hit each other. As they stood in their formations, they all began to use their power to destroy the barrier.

baam *boom* The resounding blasts and the forceful strikes against the protective barrier reverberate throughout the atmosphere, creating powerful shockwaves that ripple through the air.

Zhao Tian just stood there watching the childish drama between the Sects. The man near him let out a sigh of relief "Seeing the tension among them, I thought a fight would break out... Glad nothing happened."

His gaze shifted to the new woman "Well, here comes the Sect Master of Frozen Peak Sect, Xia Feng. She is such a seductive woman and the people in her sect are mostly users of Ice and Water elemental."

Zhao Tian gave a slight nod as he watched the people from the Top Sects trying their best to break the barrier.

The man spoke with a shake of his head, "Small cultivators like us can only watch like this and when the barrier is broken, the top sects and other sects quickly enter to get the treasures."

"We can only wait and enter slowly to take the leftover treasures left by top sects. If we get too greedy we might be killed after all."

"Here." Zhao Tian tossed a small pouch at the man and the middle-aged man somehow caught that in his hands. "What's this, young man."

"Thank you for the information." the man heard a faint whisper and as he opened the pouch he saw several middle-grade astral stones. Seeing this, the man's body trembled in shock and he quickly raised his head "Youngman!"

But Zhao Tian was long gone and he was left confused as he frantically looked around searching for him. Wtf just happened?...

...

baam Shun Lang took a step back looking at the steady barrier "Why is this barrier so strong?" Xia Feng furrowed her brows, deep in thought "No, it is just our attacks are weak..." she muttered glancing at Cheng Bao.

Xia Feng spoke "First Elder, you just argued that you are the strongest Sect in Zhenzhu but now analyzing, I feel like your group are the ones who attack with the least power."

Huh? Shun Lang raises his eyebrows upon hearing this "Chen Bao, are you trying to save your energy now and use your full energy inside the ruins."

"If you didn't use full power, we can't even enter the ancient ruins... so you better use your sect people's full powers."

"Tsk!" Chen Bao clicked his tongue and bluffed it out "We were actually inspecting the weak spots of the barrier with our weak attacks. Now we have found it!"

The Stormweaver sect moved their position a little and began to attack again and they didn't hold back and used their full power.

However, after an entire hour had passed, the barrier showed no signs of weakening and didn't seem to bulge. Haah! The people from the Top Sects sighed seeing this, they had already lost a lot of their astral energy and they still needed energy to explore inside.

Chen Bao clenched his jaw tightly, frustration rippling up inside him seeing that the barrier was still not breaking. Xia Feng spoke "We need to make a plan before trying to destroy it again... if not all our energies will be wasted."

woosh Huh? But at this time, everyone saw a figure in a black robe who just appeared in front of the barrier. The powerful cultivators from the Top Sects were startled as they couldn't glimpse the movement of the figure just now and he appeared out of nowhere.

Ling Xin recognized the figure as she remembered seeing the piercing gaze and the pair of blue eyes.

As they watched, the man raised his left hand, and his palm came in contact with the barrier. *crack* *crack* Cracks began to form on the barrier as they spread across quickly like a spider web.

Gawk! The people's jaws dropped as they saw the man effortlessly breaking the barrier with a single touch that they had been trying to do for hours. W-What the actual fuck?

CRACK* *SPLASHHH The barrier shattered into pieces and Zhao Tian slowly turned his head. As he did, the crowd caught a glimpse of his shining blue eyes hidden beneath the shadow of his hood.

The shards of the barrier scattered around him **woosh** and the figure disappeared again and they all knew that the figure had gone inside. "W-Who is that just now?"

"He broke that barrier with a touch of his palm."

"A cultivator in Monarch Astral Stage?"

Ling Xin quickly came out of her shock and spoke "Everyone take your recovery pills, we are entering..." The women nodded and quickly took the pill bottles to eat the recovery pill to restore their energy.

The other people in the top sect also began to take their pills and dashed into Ancient ruins. They were all furious because someone intervened and entered in first and they were afraid that he would take all the loots.

Zhao Tian quickly dashed into the Ancient ruins, he knew that the people in the top sects were of no use, so he took the matter into his own hands and broke the barrier.

But he came to a sudden halt as he saw a lot of different pathways inside. Haah! He pulled back the hood revealing his face and he sprinted through a pathway randomly.

As he stepped through the pathway, the traps in the walls got triggered and were shot towards Zhao Tian. But he didn't care about them and quickly went inside.

Zhao Tian wandered around for a while and entered some rooms, but he couldn't find anything as they were all empty.

creek As he opened the next door, he raised an eyebrow "Well, at least there's something here." he muttered.*grrr* Suddenly, a low growl echoed through the room, the Spectral wolves which had in asleep till now, slowly stood up seeing Zhao Tian.

swish A dagger appeared in Zhao Tian's hand looking at the dark-haired wolves and he dashed in with a smile on his lips.

flick He instantly appeared in front of one of the wolves and slashed his dagger right at its neck.
sleesh The sound of the blade cutting through flesh echoed through the room and *thud* the wolf's neck flew and fell on the ground.

"GRRR!" Witnessing this scene, the rest of the wolf pack emitted feral growls of fury and swiftly charged toward Zhao Tian.

Chapter 89: Ling Xin?!

sleesh The dagger pierced right through the skull of the Spectral wolf and Zhao Tian firmly grasped the hilt of the dagger and pulled the dagger from its head splitting the skull into two.

GRRR At this time, a Spectral wolf jumped from behind him. Zhao Tian turned his head and with his leg, smashed the head of the Spectral wolf on the ground. *boom* *splash*

flick *sleesh* With a swing of the dagger, the final Spectral wolf met its end as the sharp blade of the dagger effortlessly pierced through its flesh, *thud* Its lifeless body collapsed to the ground

He then looked at the corpses of all the Spectral beasts around him with a frown on his face "It's a hassle to take all the beast stones from their bodies..."

With a small sigh, he walked out of the room and wandered again searching for any treasures in the Ancient ruins.

He ventured around the complicated passages but suddenly he stopped in his tracks and looked back "Huh? Didn't I pass through this way just now?"

He glanced around the walls in confusion, 'Am I stuck in a maze or something?' He tried to use his Astral Sense to glance around the surrounding but he couldn't do it.

Hm? "Some energy here is blocking my sense." He muttered and looked at the walls. "Got no other choice..." He pulled back his fist and punched the wall.

boom *woosh* A defeating noise burst across the pathway but the wall stood still. Zhao Tian narrowed his eyes seeing this "The wall is quite sturdy..." he murmured as he felt a numbing sensation in his wrist.

"Who built these Ancient ruins?" A whisper left his lips as he saw the intricate passages and these strong walls.

woosh At this time a woman appeared beside Zhao Tian, "Shenyi don't waste time and destroy these walls."

Eh? Xia Shenyi who was already confused because she suddenly got teleported was even more confused hearing Zhao Tian's words.

"Um, okay." But she still complied as she knew she had only a little bit of time. *thrissh* Red flames covered her fist and punched the wall. *boom* *thrissh*

crack The impact reverberated through the air and small cracks appeared on the wall because of her punch. Xia Shenyi squinted her eyes feeling the sturdiness of the walls "Huh? These walls are definitely built by someone from the High Star."

"High Stars.. hmm." *woosh* The black tattoo on Xia Shenyi's wrist glowed and she also disappeared from there leaving Zhao Tian alone.

"Since this is made by people from the High Star, then there must be some good treasure."

...

Meanwhile in another place, "S-Sect Master what should we do now?" The woman in greenish-white robes muttered nervously seeing the three wyvern-like spirit beasts standing in front of them, their bodies adorned with shimmering blue icy scales.

"I-I never thought we would need to face three Frost Wyrms at the same time..." A woman muttered in horror, her hands trembled as she cradled another woman who was heavily injured lay on her hands.

"Sect Master, Min'er is not waking up...."

Ling Xin was breathing heavily as she brushed away the blood dripping from her lips, "You all retreat, I will distract those three Wyrms in the meantime."

This startled the other woman "Sect Master, what are you saying if we do that... you.."

"Don't worry abo-*feen* One of the Frost Wrym's suddenly opened its mouth and shot a freeze blast at them.

Ling Xin narrowed her eyes, "Noble Earth art!" a mutter left her lips as *thrisssshh* a great wall made of stone appeared in front of her blocking the attack.

boom The blast collided with the earth wall causing it to shudder and it didn't last long as it began to crumble *crash* As the wall crumbled, the icy blast surged forward, breaking through the wall, aiming at them.

As the blast neared them, Ling Xin and the rest of the group instinctively retreated back, their hearts pounding with fear, and *baaaam* the very spot they had been standing on was obliterated by a powerful surge of icy energy, leaving behind a chilling aftermath.

Ling Yin spoke looking at the destruction "As your Sect Master, I order you... quickly retreat."

"B-But!"

"Quick!" Ling Xin spoke in a stern voice and the women looked at each other. They knew if they stayed any longer, they would also die in vain.

With heavy hearts, they quickly ran from there and Ling Xin also began to run distracting the three Wyrms.

Tears streaming down their faces, the women cast one last sorrowful glance at their Sect Master who had given up her own life to protect them before hastily escaping from the scene.

"Huff! Huff!" Ling Yin, panting heavily and beads of sweat rolling down her forehead, dashed through the twisted pathways as the wyrms persistently pursued her. No matter how much she ran, the relentless creatures remained hot on her heels.

feen Ling Xin heard a sound and she knew what it was and quickly jumped sideways dodging the ice blast. As she jumped she rolled on the floor, hurting her limbs "Urgh!" Grunting in frustration, she couldn't help but curse under her breath "Those bastards from the Stormweacer sect!"

It was the Stormwevaer sect who first encountered the three Wyrms but while fleeing they turned the attention of the Wyrms to their group causing such devastation.

Ling Xin kept running hoping that she would meet up with the group of people from other top sects because these Wyrms are at the 10th level of Sovereign Stage and Ling Xin knew all too well that facing them alone would be impossible.

"Haah!" She let out a weary sigh leaning on a wall to rest as the astral energy in her body was almost depleted. *swoosh* A pill bottle appeared from the storage ring on her finger and she took a recovering pill to eat.

thoom She heard heavy footsteps and she turned back looking at the three Wyrms approaching her again "Damn it!"

Being frustrated she again began to run, heavily exhausted and her breathing became erratic. As she turned in a pathway *thud* she hit into something and fell back on her ass. "H-Huh?"

Ling Xin raised her head and was surprised to see the handsome young man in front of her with snow-white hair and shimmering blue eyes.

She was lost for a moment seeing his face, but she quickly regained herself "Y-You shouldn't be here... run!" Her voice trembled with fear as she hastily rose to her feet.

Hm? Only then did Zhao Tian feel the ground vibrating a little and saw three large Frost Wyrms hurling towards them, Because his Astral Sense was blocked, he couldn't sense them before.

Ling Xin blurted hurriedly "Run, we shouldn't stay here..." she prepared to run away. But Zhao Tian stood there a little intrigued, it was his first time seeing a Frost Wyrn.

Ling Xin looked back to take a glimpse at Zhao Tian to see if he was following but she saw him still standing there "Boy, what are yo-*gasp* But only then did she notice his attire. Black robes and blue eyes? I-Is he?

flick Zhao Tian disappeared from her sight and Ling Xin was surprised as she glanced at the Frost Wyrns.

woosh Leaping in the air, Zhao Tian gave a punch at Frost Wyrn's face which was at the front. *crack* The impact echoed through the room as a resounding crack filled the air, shattering the hardened shell of the Wyrn, and *boom* it was blasted away into the wall. The whole place shook for a second as its skull broke instantly killing it.

Wha- Ling Xin's eyes widened in shock seeing Zhao Tian's raw strength which smashed a Frost Wyrn back to the wall.

Zhao Tian turned his eyes to the next Wyrn and the Frost Wyrn hurled its claws outstretched towards him.

swish A sword appeared in Zhao Tian's hand and he dashed toward the Wyrn, *clank* The clash of metal against scales echoed through the air as Zhao Tian's blade sliced through the Wyrn's jaw, eliciting a fierce roar of pain. "GRRR!" and he pushed it even further as the sword sliced into its neck to the back and he split the Wyrn horizontally.

Ling Xin blinked her eyes bewildered as she saw Zhao Tian standing there with a sword with the blood of the Wyrn splashing around him.

feen The last Wyrn opened its jaw to shoot an ice blast at Zhao Tian, *thrasshh* But a sparkle of red lightning appeared from Zhao Tian's body.

BOOOM The clash between the frigid ice and the electrifying red sparks created a mesmerizing spectacle, the red lightning hit the Frost Wyrn and "GRRRRRRRRR!!!!" its scream of pain echoed through the space and Ling Xin closed her ears because of the sheer noise.

The intense heat caused by the lightning swiftly caused the ice shell covering the Frost Wyrn to rapidly melt away, leaving behind nothing but blackened, charred remnants of its once-flesh.

Ling Yin didn't move her gaze away from Zhao Tian as he just easily killed all of those Wyrn with a single attack of his.

'Wait a minute, did he just combine fire and lightning elements to create that red lightning?' she muttered in her mind and was shocked to know that Zhao Tian could wield two elements.

gik But as Zhao Tian turned his eyes to look at her she felt a shiver down her spine . U-Um?

Chapter 90: Fight the Stormweaver sect!

Ling Xin was extremely nervous because the person in front of her was clearly stronger than her and she didn't know how to speak up "U-Uh, thank you for saving me..."

Zhao Tian spoke "Quite bold of you to say thanks after luring those three beasts to me."

What? Ling Xin hurriedly shook her head "It was not intentional... it was just coincidence I bumped into you."

"I-I was with my sect's people but the Stormweaver's sect's people actually lured the three beasts to us and left hanging us like this." she hurriedly spoke clearing the misunderstanding.

'Actually, why is he complaining when he could just one tap all those beats like that?' she snorted in her mind. With a sigh in her heart, she moved and sat on the floor to catch her breath.

"Keeping that aside, did you find any treasures here?" Zhao Tian asked and Ling Xin took a deep breath and shook her head in disappointment "No, every room we searched was empty, nothing there."

Now she is deeply regretting why she even came here. She almost lost her life and they also couldn't find anything in these ruins. Waste of time and energy.

Zhao Tian squinted his eyes, so is it like a maze to guard a precious treasure that is actually in the core of the ruin?

swish Ling Xin took a pill bottle from her storage ring and took a recovery pill to replenish her energy.

Hm? Zhao Tian raised an eyebrow seeing the storage ring. He remembered Xia Shenyi saying that even in High Star only people with great power could afford storage rings as the process of creating storage rings is complicated and only a few people know that.

"I am surprised you have a storage ring." Zhao Tian muttered and Ling Xin raised her head to look at him, does he want the storage ring or something?

"Uh... I actually got it from Her Majesty. They said that there was a powerful cultivator in the past who knew how to create spirit rings, but he suddenly disappeared and these are some of the remaining he left,"

Hm! Zhao Tian was intrigued by hearing this and walked away from Ling Xin intending to leave that place.

As he moved, Ling Xin hurriedly spoke "W-Wait, can I come with you?" Zhao Tian turned his eyes at her and she continued "I am alone right now and if I got attacked by the beasts again I would surely die... so... I know it will be a hassle, I won't hold you back."

Upon hearing this, Zhao Tian gave a faint nod and Ling Xin hurriedly stood up following him "Thank you..um"

"Tian!"

"Thank you, Mr.Tian!"

For Ling Xin, Zhao Tian doesn't seem like the bad guy, if he actually was, he would have already tried to do something to her but seems like he is not very interested in her. So she confidently asked to follow him.

...

Zhao Tian continued walking through the passages and Ling Xin stuck along with him throughout the entire time.

"How are you so powerful, Mr.Tian... but you look so young."

"..."

"What is your actual age?"

"..."

"What is your current cultivation stage?"

"..."

"You really have two elements?"

"..."

Ling Xin continued bombarding him with questions to know more about this handsome young man and it would be also a good thing if she had a connection with a powerful cultivator like Zhao Tian.

However, Zhao Tian remained silent not responding to her questions.

"Cheng Bao, what are you doing?" As they continued walking, they heard a sudden yell and both of them quietly walked toward the adjacent passage.

"What is happening?" Ling Xin muttered in concern and as she peeked, she saw Shun Lang, the elder of the Golden Flame Sect, and three more people from that sect heavily injured.

The Stromweaver sect people are standing in front of them with no injuries on their bodies. Shun Lang glared at Chen Bao "W-Why did you lure those beasts to me... because of you, we lost a lot of people from our sect." he asked in a cold voice.

Hearing this, Chen Bao laughed "Of course I lured them to you so that I can weaken you with those beasts and later kill you by ourselves."

H-Huh? This startled both Shun Lang and Ling Xin. "So you were actually trying to kill us, bastards..." Shun Lang spoke narrowing his eyes as scorching flames enveloped his body.

"Haha!" Chen Bao let out a hearty laugh as purple lightning crackled and flickered around his body. Before Shun Lang could make a move to attack, *frisshh* Chen Luo was already in front of him.

Chen Bao raised his arm as purple lightning condensed in his arm *baam* and gave an uppercut to Shun Lang. *thrissh* As the surge of electrical energy coursed through Shun Lang's body, he rolled back on the ground, his already weak body feeling numb from the electricity.

cough *cough* Shun Lang struggled to catch his breath, coughing up blood as he weakly lifted his head to meet Chen Bao's gaze "Why *cough* are you even doing this?"

Chen Bao shrugged casually "Of course to eliminate other sects and become the strongest top sect. Losing their Sect Elders would greatly devastate the Sect's power and only Stormweaver Sect will remain as the top sect."

Ling Xin was astonished hearing their plan, that's why he lured the beasts to her and now she could only hope that nothing happened to her own Sect elders and they escaped.

She turned to Zhao Tian "Mr.Tian, you should help the Golden Flame Sect... from that atrocious Stormweaver Sect doings."

Zhao Tian narrowed his eyes "Huh? Why should I? I don't even know them."

Ling Xin was confused "You are a powerful cultivator and if you go, you can easily solve this... then why are you not going?"

"Like I said, I don't care about them."

Ling Xin shook her head helplessly and she knew she also couldn't help even if she went there. With a sigh, she moved to peek in better to see what was happening.

chirp A soft sound resonated in the air as she shifted her position, catching Chen Bao's attention in an instant. His head swiftly swiveled towards Ling Xin "Sect master of Lunar Blossom Pavilion?"

"Go and kill her too."

Eh? Ling Xin's heart raced with fear as she witnessed a horde of people charging towards her. In a panic, she moved and hid behind Zhao Tian. Now she is not in the stage to fight as the Astral energy in her body is not replenished fully.

"Mr.Tian, save me!"

-- Woman, why the hell are you hiding behind me? They found you because you made a noise getting their attention in the first place.

The men dressed in black robes fixed their gaze upon Ling Xin, who was cowering behind Zhao Tian. Seeing him they all dashed at him with lightning speed. "First let's kill him."

Zhao Tian's eyes flicked towards the spear hurtling towards him, crackling with electrical energy. *frisshh* In a split second, he deftly caught the spear and delivered a powerful kick to the man before throwing the spear back at him with lethal accuracy.

sleech The spear pierced through the man's heart brutally as his lifeless body fell on the floor.

Ling Xin stood frozen in a state of horror as he killed a person without even hesitating. Hm? Chen Bao frowned his eyebrows looking at Zhao Tian and seeing his dress, he also recognized him.

Shun Lang seized the opportunity of distraction to flee from that place as he knew if he stayed any longer could ultimately spell doom for him. *swish*

The other men in black robes abruptly stopped as one of their people was instantly killed. Zhao Tian is not really interested in these Sect fights but because of Ling Yin, he was pulled into this.

He took a quick glimpse at Ling Xin and she lowered her head apologizing "I am sorry!" she really didn't intend to do that. It was just that Chen Bao's ears were quite sharp.

Chen Bao spoke "Stop!" he walked in front of Zhao Tian, a bit of amusement in his eyes. "You look so young but you broke that barrier so easily which we couldn't even bulge."

"Are you really powerful or are you using some cheap tricks to fool everyone?"

Zhao Tian squinted his eyes "I will let you go thinking it is a misunderstanding if you back off now or else..."

Chen Bao raised his voice "Or else? Now that you know our plan, we can't let you go and her too."

"I see." a cold mutter left Zhao Tian's lips and *sleech* Chen Bao watched the head of one of his disciples flying in the air. "Guess I've got no other choice."

Huh?
