Chapter 91: Clearing the Stormweaver Sect people!

Chen Bao took a step back in surprise and ordered "Kill him!" *swish* the people from Stormweaver Sect lunged towards Zhao Tian using their cultivation techniques.

flick Zhao Tian disappeared from his place, *sleech* severing a man's head, His sharp gaze then shifted towards another guy dashing towards him, his every step sparkling with lightning energy.

As the man drew closer to Zhao Tian, a sudden *frissh* sound filled the air, his entire body instantly solidified into a block of ice and Zhao Tian gave a kick on that ice, shattering the icy prison into countless fragments as a mush of red blood splattered on the floor.

Ling Xin, who was already gripped with fear from watching his killing spree was taken aback seeing the ice attack. H-He has three elementals?

As she stood there surprised she didn't notice a man dashing towards her. She quickly sensed with Astral Sense but it was already late as the man lunged towards her at a breakneck speed.

treeek But at this time a large spike made of earth appeared from the ground piercing through the guy's chest from behind. *kichik* Ling Xin who was about to use her Noble Earth art was surprised to see another Earth attack.

D-Don't tell me... she slowly turned her eyes to Zhao Tian. Does he have fucking four elementals?

However, before she could fully process the situation, she saw another man coming towards her. "Noble Earth Art!" she whispered as she blasted that man away with a block of earth.

Getting annoyed by the prolonged fight, Zhao Tian narrowed his eyes, as his eyes glowed and *thriiishhh* with a sudden burst of Astral energy, ice came burst forth and before they could react it froze every one of them inside the ice.

thrassh With a sharp noise, the ice was shattered into countless pieces, sending shards flying through the air and leaving only a scattered mess of ice crumbles on the ground.

Chen Bao felt a sense of fear and unease wash over him seeing Zhao Tian, He has control over two elements and has high cultivation. W-Who is he?

Zhao Tian's gaze fell on Chen Bao and he took a step back "Don't you dare... try to do anything to me. If my Sect Master heard about this... you are doomed."

Zhao Tian raised an eyebrow "I remember another old man from your Stormweaver sect saying this same thing to me before I killed him. One had a steel rod and another one had lightning wings."

"Is your Sect master that powerful for every one of you to brag about him?"

Hearing this, Chen Bao's eyes widened in shock and he quickly recognized those people "Teng Zen and Lee Jing? You kill them?" he muttered.

Zhao Tian shrugged "Well, they came after me... so yeah, I killed them."

Chen Bao narrowed his eyes and spoke coldly "How dare you kill Teng Zen, my brother and Lee Jing.!"

swish A long sword appeared in Chen Bao's hand as he instinctively took a fighting stance.
triishh His eyes turned purple as the sword in his hand also gleamed in purple lightning.

fween The sword in his hand enlarged in size as the purple lightning energy concentrated on the tip of the sword. *craaam* A large amount of astral energy overwhelmed his body as it created a dent in the ground.

"YOU DIE! BRAT!" With a menacing growl, Chen Bao raised his massive sword high above his head, a fierce gleam in his eyes as he aimed to strike down Zhao Tian with a single deadly blow.

clank But Zhao Tian blocked the huge sword with a dagger in his hand and lightning energy erupted from the clash of their weapons, illuminating the scene with an eerie, crackling glow.

Chen Bao squinted his eyes and didn't give up "Arghhhh!!" Screaming, he pushed the sword harder determined to break the dagger and slash him.

But Zhao Tian didn't even budge and Chen Bao's hand trembled from the sheer weight of the sword. *swoosh* He retracted the sword back and swung it again towards Zhao Tian.

clank Zhao Tian again blocked the attack with the dagger and Chen Bao gritted his teeth in frustration as he rotated bringing velocity to the sword and swung it horizontally towards Zhao Tian.

Clank *creeech* Blocking it, Zhao Tian turned the dagger and cleaved the sword into two. *clank* as the half of the sword clattered on the ground.

Chen Bao undeterred, flowed his astral energy through the sword, and purple lightning manifested in the shape of a sword where it is cut off.

thrisssh An Uncontrollable amount of lightning sparkled from the sword arbitrarily cracking through the air. *gik* Ling Xin hid behind Zhao Tian as the lightning spread and began to attack randomly.

Zhao Tian waved his hand and the lightning stopped, *woosh* Chen Bao again dashed at Zhao Tian hurling his sword. *treik* Zhao Tian stopped the sword with his left hand and gave a kick right at his face.

boom Chen Bao was blasted off to the wall, his body convulsing as he coughed blood. Struggling to regain his breathing, he lifted his weary eyes and spoke "A-Actually who are you and why are you meddling with our Sect affairs? *cough*"

"You are the ones who first attacked me and for today, it's that woman's fault actually." Ling Xin stepped forward narrowing her eyes "You deserved this Chen Bao, for trying to kill us."

cough *cough* Chen Bao coughed out even more blood as he felt his whole body aching. *thrissh* Suddenly ice enveloped his whole body and Chen Bao glimpsed at Zhao Tian's face before finally losing his life.

A deep sigh left Ling Xin's lips as she saw the grotesque scene of lifeless bodies strewn across the ground. "Aren't you quite ruthless? You could have just destroyed their cultivation bases."@@novelbin@@

Zhao Tian glanced at her "They tried to kill me so I killed them. Nothing big!" he spoke and walked away "Let's move!"

Ling Xin took a quick glimpse at the back of Zhao Tian 'Is he really a young man? He is such stone-hearted and powerful. Or is he some oldman disguised like this...'

Meanwhile, Zhao Tian is having other thoughts as he glimpsed at the beautiful dagger tightly gripped in his palm. He has been actually killing a lot recently, but he doesn't feel an inch of regret or compassion for those people.

And he has taken a liking to that feeling when the dagger tightly gripped in his hand slices through the flesh of the enemies. That satisfaction!

But he is not the one at fault here because the problems are coming searching him and he doesn't want to let his enemies go as he knew it would cause problems in the future.

A soft sigh escaped his lips as he turned his eyes and saw Ling Xin walking towards him. "Mr.Tian... if I may," she said softly as she reached out and lightly took hold of his wrist.

Zhao Tian frowned seeing her actions and Ling Xin gasped in shock as she raised her head to look at Zhao Tian "Y-You are actually 21 years old?"

Zhao Tian gave a nod "How did you find that?" he asked a little curious. Ling Xin blinked her eyes in surprise "Your bone age. Even if you remained young because of high cultivation, you can't hide your bone age... and you are really 21 years old."

"Anything wrong with me being 21 years old?"

Ling Xin clutched her head reeling in intense shock "You are 21 years old, have control over four elements and you are so powerful... probably Emperor or Even Monarch Astral Stage... h-how?"

Zhao Tian shrugged retracting his wrist from her palm and continued walking. Ling Xin quickly followed him "T-Tell me how?"

"You just have to cultivate!"

"That's what I have been doing for hundred of years, but you achieved this much in just 21 years? How is that even possible?"

Zhao Tian didn't mind her and continued walking "You- Boy tell me, how." Ling Xin yelled and Zhao Tian stopped in his tracks "Boy?"

"I-I mean, you are still 21 years old... so."

"Shut up, you damn old woman!"

"W-Who are you calling old?huh?"

"Of course you, you just said you lived for decades..."

"This is different, in cultivation terms, I am still young! Hmph!"

...

clank The poison needle fell to the ground and Zhao Tian muttered "The traps in this path have become lethal." Ling Xin frowned "Do you think we are getting near to the treasure?"

She just wanted to find a way to leave this maze, but seems like they have been nearing the treasure room. She again took a glimpse at the handsome young man standing near her.

'With him, maybe we can confidently enter the treasure room.'

Chapter 92: Into the Treasure room?

As they continued walking through the pathway, Zhao Tian noticed the pathway getting narrow and he frowned his brows.

After some minutes of walking, Zhao Tian and Ling Xin glanced at a grand door at the end of the pathway adorned with gold and black.

Ling Xin's eyes sparkled with delight "Seems like we found the treasure room..." she exclaimed in excitement.

creek At this time Zhao Tian heard a faint sound and his lips twitched in frustration "Fuck!" he quickly scooped Ling Xin in his arms and hung her over his shoulder like a potato sack.

Ling Xin was startled by his sudden movement "W-What are you doing! Let me down..."

"Keep quiet, woman!" Zhao Tian muttered and dashed towards the grand door at his full speed. Ehhhhhhhhhhh! Ling Xin felt her world become a blur due to the incredible speed at which Zhao Tian was moving.

CREEKK As Zhao Tian hurled towards the door, the walls on both sides began to move towards him quickly. Till now the paths are not narrowing, it is the walls that have been moving closer to them.

CREEK Zhao Tian glimpsed at the grand door and a concerned frown appeared on his face as the walls inched even closer. He can escape by entering the artifact but when he comes out he will appear in the same place he disappeared, that's how the artifact works, so he would appear in between crushed walls.

swiish As he hurled closer to the door, Ling Xin also noticed the walls inching closer to them almost crushing then "Ahhhhh!!!" she screamed in horror.

As Zhao Tian stepped in front of the grand door, *fwish* it instantly opened and Zhao Tian jumped in, narrowly escaping it by an inch before getting smashed between the walls *BOOM*

thud With a loud thud, they both tumbled to the ground, and Zhao Tian caught her in his arms to guard her from any injuries, Ling Xin too hurriedly clutched his neck and closed her eyes tightly.

"Haah!" "Haah!" Ling Xin panted heavily her heart pounding in her heart in panic, her fingers gripped onto his neck in fear and desperation.

As she was hugging him tightly, Zhao Tian could feel her two big balloons hitting his chest, her arms trembling as they tightly clung to him.. With a sigh, he softly patted her head "It's okay!"

"H-Hn." She timidly nodded, her heart pounding in her chest. As she was the one hanging on his shoulder, she was looking back and she knew it was just a split second before the walls closed right in front of her face, centimeters close.

She slowly opened her eyes to look at his face and her heart was still racing "I am alive, right?" Zhao Tian gave a nod "Yes, you are... so get up."

Only then did Ling Xin realize that she was hugging him tightly "Ah!" she quickly let go and rose to her feet from the ground.

Zhao Tian stood up and Ling Xin calmed down her heart as she gave a sincere bow to him "Thank you for saving me twice... Because of me, you also almost died there, I was a hassle still the end."

Zhao Tian brushed off the dust from his body and spoke "Keep your thanks for later, first let's enter the treasure room."

"Uhm, okay!" Ling Xin responded as she looked at another door in front of them.

creek Pushing the door open, Ling Xin's eyes widened in utter shock looking at the lump of treasures in there. Cultivational techniques, some weapons, pill bottles.

And as if that wasn't enough, nestled amidst the collection was a cluster of High-grade Astral Stones, that seemed to beckon Ling Xin closer.

Ling Xin eagerly made her way towards the Astral stones with stars in her eyes. "Why do they seem more refined than the normal ones? Is this a Higher grade."

If this is really a Higher grade, then cultivating while absorbing this Astral stone would increase the rate of cultivation and this is what Ling Xin needed the most right now.

Zhao Tian also strolled around the treasure room searching for anything valuable but nothing caught his eye, all these things here, he has high grades of them in his artifact.

Ling Xin who was excitedly looking through the treasure suddenly realized something. Zhao Tian is the one who actually opened the barrier and even found this treasure. Then doesn't that mean it all belongs to him?

She looked at the treasures with a heavy heart and called him "Um, Mr.Tian, the treasure all here should belong to you... because you are the one who found these so..."

It was regretful, but it had to be done.

Zhao Tian shook his head and spoke "Take any treasures from here, if you want take all of them... They are all rubbish!"

Wha- Ling Xin's jaw dropped as she again glimpsed at the Earth-grade sword in her hand "T-These are all rubbish to him?"

"T-Then you don't mind me taking all of them?"

Zhao Tian casually nodded "Yeah..."

Ling Xin asked again just to confirm "T-Then you won't come again at me and beat me for these treasures?"

"As I said, take whatever you want... I won't beat you later. But I want this thing." he muttered as he raised his head looking at the ceiling.

Ling Xin also lifted her head and saw a black scroll perched on the ceiling. "What is that?"

"Who knows? Just have to check that out..." Zhao Tian muttered and with a surge of astral energy the black scroll fell down from the ceiling and Zhao Tian caught that.

Ling Xin also quickly moved beside him to see what was in that which even intrigued Zhao Tian who said all the treasures here were rubbish.

Ling Xin eagerly looked at the scroll "Do you think it is a powerful cultivation technique."

With a slight smile playing on his lips, he slowly opened the scroll. *woosh* Suddenly, a dazzling burst of golden light appeared from the scroll blinding their eyes.

And as the olden light diminished, Zhao Tian and Ling Xin hurriedly looked at the scroll to see what was written there. And what actually there is... Eh?

Blank? -_- ?

'There is fucking nothing here.' Zhao Tian cursed under his breath looking at the plain scroll. Huh? Ling Xin was dumbfounded seeing the plain scroll. Is this really a treasure?

She again asked, "Are you sure you don't want those treasures?"

Zhao Tian shook his head "Nah! You take them..."

"Then I will take all of them, hehe..." With a mischievous smile, she began to collect the treasures which is useful for both her and her Sect too.

Zhao Tian's eyes darted around the room, scanning for any additional treasures that may have been hidden from view. And as he tried to use his Astral Sense, he can use it now.

Hm... He scanned around the whole treasure room and a frown appeared on his face "Under?"

"There is actually a room under the floor," he muttered and scanned around if there was any way to go down but there were no ways or doors.

"You wait here for a while, I'll be back!" Zhao Tian said and Ling Xin was confused, "W-Wait, where are you doing?"

flick Zhao Tian directly teleported to the lower floor. His Space ripple steps have the power of instantaneous teleportation to short distances and he just now used it to bypass through the floor tearing the space.

thud He landed on the floor and looked around curiously. This place is not as luxurious as the treasure room, it looks rather simple and built with stones.

As he looked around the room, his gaze eventually settled upon a large rectangular box made of stone at the center of the room.

He walked closer to it and saw a large lid made of stone on top too. *creek* he pushed the lid open to see what was actually inside.

Huh? He was surprised to find out what was inside there.

Inside it, there was an armor suit enclosed in thick ice and he could tell that it was made for a woman just looking at the chest. He frowned looking at the armor "Is that hair?"@@novelbin@@

treik But at this time, Zhao Tian felt small movements from the armor and he was surprised. Is this shit alive or something?

Chapter 93: Who is this woman?

o is this woman?

treik Zhao Tian frowned seeing the armor suit moving a little "There is actually someone inside the ice coffin?" He muttered and at this time he heard a faint noises in the silent room. *tliip*

Hm? As he gazed down he saw little drops of water dripping from the coffin. The ice is melting? He hurriedly looked over at the lid he pushed and saw a blue seal engraved on it.

Did I just undo the seal?

THIRRRSHHH Suddenly a vibrant blue flame burst forth from the armor creating a powerful surge of Astral Energy that rippled through the air *thoom* throwing Zhao Tian away from the coffin as he was blasted on the floor.

"Urgh!" Zhao Tian groaned in a little pain as he saw the blue flames engulfing the armor suit. Fuck! Why am I hearing boss music?

frissh The blue flames quickly evaporated the ice and *thud* the armor suit tumbled down to the floor from the coffin. As it fell down, the helmet rolled off from its head.

Zhao Tian was taken aback when he laid eyes on the stunning woman before him., her white hair cascaded on the floor but her stunning face was filled with gruesome red scars.

cough *cough* The woman coughed as blue flames erupted from her mouth. Her delicate eyelashes fluttered and she opened her eyelids revealing her sharp red eyes.

As she raised her gaze, Zhao Tian felt a speck of dread wash over him seeing her cold eyes. *fwish* In the next instant she stood up, her eyes sharp as a sword gleaming with a hint of madness within them.

swish A long blade appeared on the woman's hand, her face emotionless and her eyes peering through Zhao Tian's body.

gasp Zhao Tian's eyes widened in shock as he felt his instincts screaming in fear of instant death. And he quickly crouched down as if dodging an attack and *sleek* *boom* a slash cut through the air.

Zhao Tian turned his head to look behind him and was met with the sight of a massive slash that had completely destroyed the wall, splitting it in two. What kind of abomination did I wake up?

Zhao Tian quickly stood up and looked at the woman standing there with a stoic face. He squinted his eyes to see through her cultivation but he couldn't.

But what he found out was the insane heat emanating from her body and the irregular flow of Astral Energy in her body.

The insane heat must be from that blue flame but why is her Astral Energy irregular? She can't even control her Astral energy?

flick As Zhao Tian blinked his eyes, she disappeared from her place and instinctively Zhao Tian moved to the left just in time *swoosh* as the woman appeared in front of him delivering a vertical slash.

The woman's eyes moved towards Zhao Tian and she quickly swung the sword towards him. *clank* Reacting purely on instinct, Zhao Tian blocked the sword slash with the dagger in his hand.

creeech The screeching sound pierced through the air and Zhao Tian's eyes dilated in utter shock as he saw her blade slicing through his dagger like butter and cleaving the dagger, as the blade slowly inched towards his wrist.

keecchh Zhao Tian tried to pull back but it was already late as the blade sliced through his wrist and his hand flew from his arm landing on the ground.

"Shit!" Zhao Tian cursed in pain and using his Space ripple steps, he retreated some steps back. His eyes glanced at the cut-off wrist and the blood speeling out from his hand.

shishsi A faint sizzling noise was heard as yellow energy covered Zhao Tian's wrist stopping the bleeding. It quickly began to heal as flesh and bones slowly began to grow from his wrist.

The reason people with light element are rare and sought is because they have incredible healing abilities and heal others with 50% of the efficiency of healing themselves.@@novelbin@@

"Haah!" Zhao Tian took a deep breath looking at the woman. This damn bitch is not in Monarch Astral Stage, she was surely a cultivator from the High Stars as he saw earlier how she cleaved the wall with just a single slash.

Huh? But as he thought of taking another sword he noticed the storage ring was not in his hand. He turned his eyes to his hand on the floor and saw the ring on its finger shining.

flick The ring disappeared and appeared on his left hand's finger. 'Let's see if she can parry this sword. Other than that sword, this is the sword that I can wield which is Divine Tier'

A long black sword with a purple hilt appeared in his hands and his gaze sharpened. The woman stood there motionlessly, her eyes lingering on Zhao Tian. *woosh*

'Here she comes!' Zhao Tian couldn't see her movements, he could only sense the irregular astral energy in her body and his instincts to fight her.

'A horizontal slash!' he muttered as he moved the sword into a defensive position *clank* The clash of metal echoed through the air as his sword met the woman's sword head-on and the black sword withstood her sword.

woosh But the force behind her attack swirled Zhao Tian in the air as he blasted towards the wall. *swish* But Zhao Tian deftly maneuvered his body mid-air, managing to avoid a direct impact with the wall. Instead, he landed on the vertical surface, using his legs to absorb the impact and maintain his balance.

In the next second, he pushed himself from the wall as a spark of purple lightning crackled beneath his feet. He raised the sword attacking the woman and the woman took a defense posture for the first time.

With a sharp *clank* of their swords meeting, she skillfully deflected his strike, causing Zhao Tian to spring back two steps in response. He again took a quick glimpse at his sword and saw there were no scratches. So my sword is in the same tier as her?

Once again, Zhao Tian took the initiative to attack *flick* as he instantly appeared in front of her swinging his sword. *clank* That woman again parried his slash and *frisssh* a burst of ice blasted on her pushing the woman two steps back her armor struck with ice.

Zhao Tian's eyes glowed and the ice quickly melted into water. he has control over both ice and water after all. "Taste this..." Zhao Tian muttered as a spark of red lightning appeared from his body.

frisssh A crackling sound filled the air as the red lightning struck her and as it fell on her armor drenched in water. *thriiisssshhhhh* The intense heat of the lightning coursed through her, causing searing pain as it burned her from the inside out.

The woman's eyes widened in pain but she didn't scream and *thud* kneeled on the floor. She raised her trembling hand placing it on her chest *cough* and coughed blue flames from her mouth.

Zhao Tian frowned seeing her reaction. He was sure that his attack was not lethal to a woman who has cultivation higher than Monarch Astral Stage then why was she on her knees?

He just wanted to do a surprise lightning attack and slash her with the sword. Something's wrong with her.

fwish As the lightning dissipated hot smoke emerged from the woman's body and she slowly rose to her feet her eyes locking on Zhao Tian.

swish Zhao Tian again dashed forward slashing his sword not giving her any time to attack first. *clank* *clank* *clank* He continued attacking her and keeping her in a defensive position not giving her time to counterattack.

As the woman raised her sword to parry his slash, *thrissh* a sudden burst of ice enveloped her legs immobilizing her. Using this opportunity, Zhao Tian crouched as he gave a kick to her chest.

thud The ice broke and she took a few steps back clutching her chest, her eyes quivering in pain. *cough* She again coughed blue flames and she glanced at the scattered shards of ice around her on the floor.

She took an ice piece and swallowed it. Eh? Zhao Tian was startled seeing her eating the raw ice. Don't tell me the flames are not in her control or something?

woosh Zhao Tian again hurled towards her pointing his sword at her and the woman quickly dodged his piercing attack and slashed at him.

Zhao Tian raised his left arm as bait and in a split second, her sword mercilessly sliced through his arm with a resounding *sleesh* that echoed through the air.

Bearing the intense pain, he gave a swift kick on her abdomen sending her backward. With his powerful kick reverberating through her body, she instinctively clung to the sword for stability, desperately trying to maintain her balance.

Zhao Tian took a few steps back and saw his hand on the floor. "There it goes again..." he muttered, using his light energy to heal.

"Well, with that I can finally discern this woman's little secret." He muttered as he saw the woman visibly shaking in pain, her eyes trembling.

"Her sword skills and offense power are top-notch. If I get one clear slash, I am gone... but her body and defense are very weak. Just my kick is damaging her"

"It's like stacking all your points on offense and the points in defense are zero."

A smirk appeared on his lips "Now let's dance! shall we?"

Chapter 94: Be my what?

clank *boom* Zhao Tian exchanged blows with the woman cautiously not letting her initiate the attack and the woman also quick on her foot blocked every attack.

Swiftly blocking the attack, her eyes narrowed as she deftly swirled her sword again slashing at him. *clank* Zhao Tian blocked her attack and was blown away to the wall. *boom*

Zhao Tian stood up wiping away the small stream of blood that had escaped from his lips 'The power behind her attack has been significantly reduced and her body is also not keeping up.'

wiish The woman took the initiative as she hurled towards Zhao Tian and he swiftly avoided the attack and counterattacked swinging his sword. *clank*

A small smile appeared on Zhao Tian's face as he retracted his left hand and a dagger appeared in his hand. *kichik* Without wasting a moment, he plunged the dagger into her arm piercing through her flesh.

The woman's eyelashes fluttered in pain and took a step back from Zhao Tian. "Not yet!" Not giving her any rest, he again barraged her with relentless slashes.

The woman kept her concentration on his every move deftly parrying all of them as she knew if that sword hit her weak body she would be doomed to fall.

clank As she took a step forward to slash him, Zhao Tian smirked *thrish* Her legs unexpectedly faltered on the floor as she saw a block of earth in the ground making her slip. The unexpected slip caused her balance to waver, leaving her momentarily vulnerable and granting Zhao Tian a chance.

"Ice after earth! Here have some ice cream!" Zhao Tian muttered and raised his hand to grab her face *thrisssh* a surge of ice erupted from his palm encasing her head in a block of ice.

Effectively blinding her, Zhao Tian quickly made his next move and gave a punch at her abdomen. *crack* *boom* @@novelbin@@

Because of his powerful punch, she was hurled back and fell to the floor. *thud* Zhao Tian squinted his eyes 'She is getting weaker and weaker. Now she is falling just from a punch.'

"Urghhh!" The woman let out a guttural groan of agony and writhed on the ground, her body contorting with pain. Zhao Tian quickly moved as he tried to slash at her but the woman rolled back standing up on the floor.

woosh She charged towards him and Zhao Tian didn't dodge her attack but blocked again.
clank His feet pressed on the ground because of the power behind her attack.

A small smirk spread across Zhao Tian's face 'She has got a lot weaker, now I can even withstand her slash without flying in the air.'

clank Blocking her attack, he instantly counterattacked slashing his sword *clank* but she also blocked his attack.

clank *clank* *clank* The resounding clanks of metal hitting metal reverberated throughout the room as both of them engaged in a fierce and relentless battle, exchanging blows with great intensity.

swish As Zhao Tian dodged her attack *sleesh* a huge slash fell on his chest and blood spilled out. Wha- Before he could even process what was happening, a relentless barrage of slashes rained down on him, creating a multitude of small wounds all over his body.

sleesh *sleesh* His arms, face, and body got severe slashes as his black robe was drenched in blood.

flick He took a step back his eyes widened in shock 'I am sure I dodged her attack and those tiny slashes suddenly barraged at me?'

His eyes glanced at the woman, her whole body emanating a white aura as sharp as a blade 'Sword Intent?'

shishi With a sizzling noise, the light energy in his body began to heal his body again. *treech* He tore down the black robe, his white shirt and black pants cleaved with slashes.

He glanced at his chest which was slowly healing 'It will take a toll on the body... if only the light energy had instant regeneration.'

He steadily gripped his sword in his right hand 'Shit just went downhill'. Seeing him, the woman took a fighting position, her gaze sharp glancing at Zhao Tian.

As Zhao Tian was about to move, *thud* the woman fell on her knees *clank* as the sword she had been clutching tightly slipped from her grasp falling on the ground.

"Arghhhh!" The woman grunted in utter pain as she felt her flesh being burned by an intense flame inside her body.

thriiss As the blue flame engulfed her entire body, an intense burning sensation spread throughout her being, causing her to let out a blood-curdling scream of excruciating pain.

"Aarghhhhhhhh!" The red scars on her face seemed to grow even more vivid. As the pain intensified, gradually, the cold, murderous glare that had previously consumed her eyes began to fade as a clearance appeared in her eyes.

Zhao Tian frowned his eyebrows hearing her scream echo across the whole room and slowly walked toward her.

tap *tap* The woman raised her head hearing footsteps and saw Zhao Tian's face through her blurred vision "...lp me..." she whispered, her voice barely audible.

"Urghhh!" She gritted her teeth in intense pain "H-Help me... it's burning" a low pained mutter left her lips.

Huh? Zhao Tian raised an eyebrow "Why would I help a bitch who almost killed me?"

The woman's red eyes quivered as a teardrop left her eyes, but it instantly evaporated by the blue flame "I-I was not sane... I just... acted purely on instinct... Urghhhh! p-please..." She pleaded, her voice filled with anguish.

thriss Her right hand quickly burned away and her eyes widened in sheer shock "T-The flame is b-burning everything... Arghhhhh!" her pitiful eyes glanced at Zhao Tian.

Zhao Tian narrowed his eyes as he extended his hand "Then be my slave!"

"Huh? Urgh! S-Slave?" The woman muttered and Zhao Tian spoke "If you don't become my slave... I will just watch you burn. I couldn't trust a woman dangerous like you."

The woman's heart sank and seeing the flame approaching her face, she bit her lips with intense emotions as she hesitantly nodded "I-I will be your slave!"

A smirk appeared on Zhao Tian's lips and he asked "So, how can I save you?"

"Your I-Ice, flow your ice energy through my body!" she spoke as she raised her left hand to touch his hand. Without hesitation, Zhao Tian reached out and firmly grasped her palm and flowed his ice energy through her body.

frissh The cool energy flowed through every flesh of her body instantly putting out the flame and she stumbled on the floor. *thud*

Zhao Tian knelt down and gently placed his hand on the woman's stomach. She looked up at him with tired eyes, feeling a strange tingling sensation on her skin. 'Slave seal? she muttered in her mind before closing her eyes.

After placing the seal, Zhao Tian stood up and his body was still full of slashes slowly healed with light energy. He let out a soft sigh "First let's bring her back..."

He took the unconscious woman with his right hand and hung her over his shoulder. *swish* and disappeared from that place.

...

swish He reappeared inside the artifact and Xia Shenyi turned her head to see Zhao Tian. H-Huh? The smile on her face froze and her eyes widened in horror "T-Tian!" She yelled in fright hurriedly running towards him.

Zhao Ying who was beating Fei Ziyu hurriedly looked up and saw Zhao Tian with a lot of wounds on his body, and half of his chest has been cleaved.

"TIAN'ER!!"

"M-Master?"

Chapter 95: Leaving the Ancient Ruins!

gik Tears streamed down Zhao Ying's cheeks as she used her light energy to heal Zhao Tian who was sitting on the couch "T-Tian'er, your chest..." she stammered her heart heavy with pain.

Zhao Tian gently lifted his hand to brush away the tears cascading down her cheeks "Don't worry... it's alright."

"No! It's not alright at all... see all the b-blood in your dress...." She muttered as she concentrated her light energy on healing him with tears streaming down her eyes.

tap *tap* "Master!" Fei Ziyu hurriedly came over with some water in her hand. Zhao Tian took the glass of water from her hand his eyes catching sight of her eyes moistened with tears.

After drinking the water, he gave the cup to her and saw his chest fully healed. He raised his left hand to pinch Zhao Ying's cheek showing off that there was no lingering pain or injury "See, it's gone!"

"Tian'er!" Zhao Ying plunged into his arms and Zhao Tian hugged her back with a soft smile on his face. Fei Ziyu also wiped away the tears seeing him all right.

tap Xia Shenyi came out of the room and Zhao Tian glanced at her "Shenyi!" With a sigh, Xia Shenyi walked to him and sat beside him leaning in for a kiss.

smooch After planting a sweet kiss on Zhao Tian's lips, Xia Shenyi pulled back, "How is she?" Zhao Tian asked and Xia Shenyi shook her head helplessly "That woman is good. I gave her a healing pill... I am shocked that you didn't die during the fight."

Zhao Ying raised her head wiping away the tears "That bitch! How dare she hurt my Tian'er!"

Xia Shenyi spoke looking at her "Ying, don't provoke her... She actually has a cultivation base higher than me."

"H-Huh?" Zhao Ying's eyes trembled in shock as she turned to Zhao Tian "T-Tian'er, how did you even defeat her?"

Zhao Tian spoke with a frown "She couldn't go all out and her body was quite weak. She didn't use any elemental attacks and her astral energy..."

Xia Shenyi continued "Her astral energy flow is uneven. It's because her cultivation base was almost broken. Someone has broken her cultivation..."

Zhao Tian raised an eyebrow "That's why she is weak?"

Xia Shenyi gave a nod "If she went all out, your whole Middle Star would be destroyed."

"Wha-" Both Zhao Ying and Fei Ziyu's eyes widened in sheer shock. Their whole earth would be shattered?

Zhao Tian asked with a frown, "What about that flame?" Xia Shenyi shook her head "I don't know about that, when I touched her body it was cool...not burning."@@novelbin@@

"I see..." Zhao Tian muttered and Zhao Ying spoke nervously "T-Then, Tian'er... why did you bring her here and heal her? You should have dropped her in a forest or desert...with no water and let her die. If she is here, she would destroy everything..."

Zhao Tian shook his head "No, she won't... she is my slave now."

Huh? The three of them were surprised to hear this "Your slave?"

With a nod, Zhao Tian leisurely leaned back on the couch "A blue flame was burning her whole body, so she pleaded for my help to cool down with my ice. So in exchange for her life, I turned her into a slave. Fair deal, don't you think?"

Xia Shenyi squinted her eyes "A blue flame... guess we will only know after she wakes up."

swish At this time a black scroll appeared on Zhao Tian's hand "Sheny see this scroll. I got this in the ruin but it is empty."

Xia Shenyi took the scroll and opened it to see. her eyes narrowed looking at the plain scroll "I will look into it, Tian!"

Zhao Tian gave a nod "Then, I am leaving!" Huh? Zhao Ying shook her head and hugged him tightly "No, you are not leaving... you might get hurt again." In her heart, she couldn't bear the thought of him enduring any more pain or suffering.

Zhao Tian gently cupped her face within his palms and planted a kiss on her lips "I told you not to worry anymore." Seeing his soft eyes a sigh escaped her lips "Please don't get hurt again Tian'er...."

"I won't" he chuckled softly and Zhao Ying got down from his arms. Zhao Tian stood up stretching his hands "I will go and change my clothes before leaving."

As he walked to his room in the mansion, Zhao Ying swiftly followed him to help him with the dressing.

smooch Zhao Ying gently hugged his neck, his lips still nibbling on his lips as Zhao Tian hugged her waist softly. "Tian'er..." She whispered his name softly as their lips continued to meet in a sweet embrace.

A little later, she pulled back the kiss, her eyes full of concern "Be careful Tian'er, what would I do if anything happened to you?"

Zhao Tian's eyes softened, his fingers caressing her cheek and with a soft sigh Zhao Ying fastened the last buttons on his shirt.

Zhao Tian planted a soft kiss on her forehead "I'll be going, Ying'er!"

...

Ling Xin looked around the treasure room which was almost empty. What was left remaining here were some cultivation techniques and some pill bottles.

A sigh escaped her lips "He disappeared a while ago. Why is he still not back yet?"

swish At this time, Zhao Tian appeared there and a look of surprise flashed across Ling Xin's face seeing his casual attire like normal humans.

"You look cool in that." She muttered softly and Zhao Tian just showed a small smile. Wha-Ling Xin was stunned seeing his smiling face, this was the first time he smiled over their entire time together.

"Maybe, you should smile like that more often... you look cute!"

Zhao Tian didn't mind her and looked around seeing the almost emptied treasure room. "Time to leave, I guess..."

Ling Xin gave a nod looking at him "Do you know the exit?" Zhao Tian nodded and walked to the side of the room and saw small stairs leading down.

After a while of walking, *creek* Opening the door, Zhao Tian came outside and it was already dark outside with the night sky.

Ling Xin took a deep breath of fresh air and a heavy sigh left her lips again recollecting the things that happened inside the Ancient Ruins which almost took her life twice.

Her eyes glanced at the handsome young man standing beside him, his white hair fluttering in the gentle breeze and her eyes grew tender "Mr.Tian."

Zhao Tian turned his head to her and Ling Xin walked near to him, removing the storage ring from her hand "You can take this."

"You saved me inside the Ancient Ruins, so you can have this since you were curious about this storage ring. I don't know how else should I thank you."

Zhao Tian shook his head "I don't need that. You can just keep them."

Eh? "R-Really? I mean this is a storage ring... which is really valuable, so..." As she spoke Zhao Tian raised his hand and a ring appeared in his hand "I already have one."

"O-Oh, I see..." Ling Xin muttered as a sigh escaped her lips. then is this the last time I see him?
"Uh, Mr.Tian, if you have time please drop by our Sect."

Zhao Tian raised an eyebrow "Your sect? The name is Blossom something right?"

Ling Xin smiled wryly "Lunar Blossom Sect, Mr.Tian."

Zhao Tian nodded his head "By the way, What is your name?"

Gah! Ling Xin's lips twitched upon hearing this "My name is Ling Xin."

"Oh! Ling Xin...I'll remember it!" He said and disappeared from there. *swoosh*

Ling Xin shook her head wryly "I should also go and meet my Sect people they should be worried too."

...

Outside the Ancient Ruins-

"W-We have to return to our Sect..." A woman muttered and another woman beside her let out a deep sigh "Our Sect Master."

swish At this time, Ling Xin landed beside them from the air "Girls!" Seeing her teh women's eyes widened in shock "S-Sect master?"

They quickly hugged her, their eyes moistening with tears "I am glad that you were alright, Sect Master"

Ling Xin giggled softly patting their backs "I am also glad, you came out without injuries... How did you come out?"

A woman shook her head "We don't know Sect Master...we heard a loud sound and suddenly everyone is outside the Ancient Ruins."

Ling Xin frowned hearing this, Loud sound? Is it the walls? It transported everyone after we entered the treasure room?

"What happened to the other Sect people?"

"Seems like the people from Frozen Peak Sect and Silver Lance Sect people were alright, But Golden Flame Sect lost some of its members and we can't see people from Stormweaver Sect here."

"I wonder what happened to them?"

"I see... Let's leave"

Chapter 96: A little teasing with Mom!

After spending several hours flying, Zhao Tian finally arrived back at his home and stepped into his room. "I have to go and check on Ying'er and that woman too..."

swish He appeared in the mansion and saw Xia Shenyi looking at the blank scroll he gave her. Sensing his arrival, Xia Shenyi raised her head with a smile "Tian!"

"Where is Ying'er?" Zhao Tian asked and Xia Shenyi spoke "She is sleeping and for that woman, she still hasn't woken up."

Zhao Tian gave a faint nod and walked to Zhao Ying's room. As he stepped inside, his eyes fell upon her body, peacefully resting on the bed. With a warm smile spreading across his face, he tenderly embraced her, enveloping her beautiful figure in his loving embrace.

Leaving the room, he turned to Xia Shenyi "See you tomorrow, Shenyi." and Xia Shenyi gave a nod "En."

As he disappeared, Xia Shenyi again glimpsed at the blank scroll "Is this really a waste?"

...

swoosh Appearing in his room, Zhao Tian softly placed Zhao Ying on the bed, and a deep sigh escaped his lips. He was quite exhausted by all the events that happened today... he almost lost his life many times today.

But it also means that he is weak and needs to cultivate even faster.

With the thought of refreshing his mind and body after the long exhausting day, he removed his clothes and entered his bathroom with a towel.

"Hnn hmmm..." But as he entered he heard faint humming noises and only then he noticed the presence of another woman in his bathroom.

He slowly walked to the shower and saw Zhao Suyin who was completely naked bathing in the shower singing a song "Mom?" he called her faintly. Startled, Zhao Suyin quickly turned her head, and seeing Zhao Tian, a gentle smile appeared on her lips "Tian'er..."

Zhao Tian stepped inside the shower and removed the towel from his waist. Zhao Suyin's eyes instantly fell on his dick and Zhao Tian hung the towel on the wall.

"Mom!" Calling her softly, he gently wrapped his arms around her waist from behind in the hot shower. Zhao Suyin, equally enjoying the warmth of his hug, leaned back against his chest "Tian'er!".

Zhao Tian tenderly traced circles on her waist while playfully teasing her belly button. "Haha... Tian'er... that tickles." Zhao Suyin giggled faintly.

Zhao Tian smiled as he gently trailed his hands up from her waist gently cupping her under boobs in his palms. "Hmmmhg~" Zhao Suyin let out a faint moan and she didn't stop his advances as this was not the first time he had done this.

He opened his palms softly fondling her massive jugs, feeling the softness sinking in between his fingers, "Hmngh~ Tian'er." a soft moan slipped past her lips and she closed her eyes falling into his arms surrendering to his enticing touches.

"Mom!" Zhao Tian whispered as he continued fondling her boobs, his fingers gently teasing her nipples. As Zhao Tian pinched her nipple "Haangh~!" Zhao Suyin opened her lips letting out a cute moan.

Zhao Suyin's gently opened her eyes and turned her head to place a soft kiss on his cheek "Tian'er..." as her hand traveled down softly grabbing his dick in her hand.

Her delicate fingers ran through his hot dick and she whispered in his ear "It's so hard and hot, son."

"Yeah, because you are so beautiful Mom..." he murmured planting a kiss on her neck. Zhao Suyin was pleased by his answer and her eyes softened as she began to move his dick up and down giving him a hand job.

smooch Fondling her boobs, Zhao Tian gently bit her neck causing her to close her eyes in ecstasy while her fingers continued to play with his dick.

"Hmm..." Zhao Tian slowly trailed his left hand down reaching near her abdomen and he trailed down even further nearing her crotch. *gasp* Zhao Suyin suddenly realized and quickly clutched her thighs.

With a red blush on her face, she turned to look at Zhao Tian "T-Tian'er..." a murmur escaped her lips. Zhao Tian smiled caressing her soft inner thighs "Come on spread it..."

Zhao Suyin's eyes quivered and her blush deepened "That's so embarrassing..." Zhao Tian chuckled softly "Can't you show it to your son?" his whisper caressed her ears and Zhao Suyin who was always weak to her son's words slowly parted her legs allowing his fingers to enter.

"What a good mom..." Zhao Tian muttered as he slid his fingers in between her thighs. Just as his fingers touched her outer walls "Hangh~!" a moan escaped Zhao Suyin's lips.

A smile appeared on Zhao Tian's lips as he softly caressed her outer pink lips "Kyaanaangh~!" and Zhao Suyin let out a kittenish moan from his touch.

Zhao Tian moved turning off the shower "Mom..." as he slowly pushed her on the floor. As Zhao Suyin fell on her ass, she was surprised "Tian'er?"

A playful smile danced on Zhao Tian's lips as he kneeled in front of her slowly spreading her thighs with his hands in an M shape.

Zhao Suyin was startled by his sudden move but she didn't resist and let him do what he wanted. As she glanced at his face she can feel her son's scorching gaze on her pink pussy making her feel embarrassed.

Zhao Tian looked at the pristine pink pussy right in front of his eyes "Beautiful..." he muttered. This is the first time Zhao Tian felt he wanted to taste a pussy and he pulled her silky thighs bringing her honey hole near to his face.

Zhao Tian brought his face close to her pussy and Zhao Suyin squirmed feeling his breath tickling her pussy walls. "T-Tian'er..." Zhao Tian saw the outer folds convulsing as if breathing and he leaned in pressing a soft kiss on her lower lips.

"Haangh~!" Zhao Suyin felt a shiver down her spine as she felt the touch of his lips on her pussy. Zhao Suyin's eyes trembled with intense emotions as she slowly raised her hand reaching near her pussy.

She slowly spread her pussy with her fingers showing her son her delicate inner pink walls "W-Wanna taste, dear?" she asked in a timid voice, feeling her cheeks grow even warmer with embarrassment.

"Why not?" Zhao Tian leaned in softly sucking on her pussy and Zhao Suyin closed her eyes in pleasure "Hmngh~ Tian'er! Yeahhh~"

She gently grabbed his head as Zhao Tian continued sucking on her honey cave and love juices began to drip from her pussy.

"Yaangh~!" Zhao Tian opened his lips and continued to eat her pussy and suck on her clit at the same time making Zhao Suyin lost in pleasure.

"Haangh~! Anghhh~ Hnnnghhh~!" Ceaseless moans slipped past her lips and her body jerked as she felt her pussy folds being played with by his tongue.

Zhao Tian continued to lick and suck on her pussy as he inserted his tongue inside her pussy walls. "Ohhh~! Hmnnngh Tian'er... son..." An erotic moan left Zhao Suyin's lips as she felt her son's tongue plundering her pussy's inner wall bringing her intense pleasure.@@novelbin@@

"Ahhng~...this is too much!"

With every passing moment, her cries grew louder, her breath quickened even more, and her chest rose and fell rapidly, all due to the overwhelming pleasure she experienced from Zhao Tian's relentless attacks on her pussy.

Zhao Tian opened his mouth and gently bit on her clit "Anghh~!" Zhao Suyin's eyes widened in pleasure and Zhao Tian sucked her clit licking on it.

"Hmnnghhhh~ Son..." Zhao Suyin started to fondle her own breasts, gently squeezing her nipples while she continued to squirm under his tongue on her pussy.

As she reached the climax, her pussy throbbed and Zhao Tian retracted his lips *squirt* Zhao Suyin came so hard her body began to tremble from the overwhelming pleasure.

Seeing the love juices sprayed from her pussy, Zhao Tian smiled contently. "Haah!" "Haah!" Zhao Suyin's chest heaved up and down, her breathing ragged from the intense orgasm.

Zhao Tian pulled her hand making her stand "Come

Chapter 97: A talk with the woman!

"How long are you gonna rub my breasts alone?" Zhao Suyin asked as Zhao Tian continued brushing her wet boobs with the white towel.

"We have to make it clean.." he muttered brushing her underboobs with the towel and moving the towel to her waist where he rubbed the wetness.

With a smile on his face, Zhao Tian moved the towel near her crotch and a pink blush painted Zhao Suyin's cheeks "Be gentle there..."

"Of course." With a tender touch, he softly brushed her pussy with the towel and whispered "Ok, you are good to go..."

"I feel like a child..." Zhao Suyin muttered softly and as she began to brush her long hair Zhao Tian brushed himself with his towel.

Both of them stepped out of the bath and Zhao Suyin saw Zhao Ying lying on the bed sleeping like a koala.

"You brought her home too..." she muttered wrapping the towel on her waist leaving her boobs exposed. Zhao Tian smiled looking at his mom exiting his room.

He also wore his shorts and followed her back into her room downstairs. Zhao Suyin who just entered her room, turned her head and saw Zhao Tian walking in.

She smiled softly "Tian'er..." Zhao Tian walked in and sat on the bed "Did you eat dinner?" Zhao Tian asked and Zhao Suyin shook her head removing the towel from her waist "Not yet, what about you?"

She opened the closet and took a pair of black underwear to wear. Zhao Tian also shook his head "No!"

"Then, wait a little... I'll prepare tasty dinner for you in thirty minutes..." she said and raised her legs to wear her panties and Zhao Tian's gaze lingered on her pussy.

After wearing the panty, Zhao Suyin turned to Zhao Tian "You looked that much in the shower and you are still gazing at it."

Zhao Tian chuckled and stood up from the bed as he pulled her hand "Then come and prepare dinner."

Eh? Zhao Suyin was dumbfounded "I need to dress first, dear." Zhao Tian smiled teasingly "To hide it from who? I have seen it already..." he said squeezing her boob.

"You shameless son..." She hit his hand and Zhao Tian just chuckled pulling her out of the room.

...

"Haha!" Zhao Suyin giggled loudly sitting on the dining chair beside him "No, it's not like that..." she shook her head still laughing.

"Yes it is." Zhao Tian spoke as he ate a spoonful of food prepared by his mother. "You bad boy.." Zhao Suyin pinched his cheek her eyes tender looking at him.

"Here, Tian'er..." Zhao Suyin took a spoonful of food bringing it near Zhao Tian's mouth and Zhao Tian too opened his lips to eat her spoonfed meal.

"By the way, why are you in my shower?" Zhao Tian asked and a sigh escaped Zhao Suyin's lips "Seems like the hot water in my shower is damaged, so I went to yours."

Zhao Tian frowned hearing this "Then we can go to our new mansion tomorrow." Zhao Suyin raised an eyebrow intrigued "You already bought the mansion?"@@novelbin@@

Zhao Tian nodded his head and Zhao Suyin rolled her eyes "If it is big, it is hard to maintain." Zhao Tian spoke "We can manage that somehow."

Zhao Suyin sighed "I don't like hiring workers to do household jobs, so I guess we can just stay here."

"Angh~!" A sudden moan left her lips as Zhao Tia pinched her nipple and she looked at him, her lips twitching in anger "Tian'er."

"If I say we are going, we are going." Zhao Tian muttered and Zhao Suyin leaned in biting his neck "Don't pinch my nipple like that...."

"Haha!"

...

Zhao Suyin, nestled comfortably on the bed, discreetly stole a quick glance at Zhao Tian who was lying beside her busy on his phone. "Tian'er!" she whispered softly, trying to get his attention.

"Hm?" Zhao Tian turned his head to look at her and Zhao Suyin spoke "Tian'er, I wanna feel more close to you..."

Upon hearing this, Zhao Tian let out a soft chuckle, his amusement evident in his eyes. He placed the phone down opening his arms "Come here, then..." With a gentle smile, Zhao Suyin eagerly rushed into his embrace, wrapping her arms around him tightly.

"How about now?"

"Even more!" Zhao Suyin replied and Zhao Tian hugged her even more tightly in his arms her bare breast hitting against his chest.

"This is not enough!" Zhao Suyin said and Zhao Tian smiled as he brought his hand near her waist. "Raise your legs..." Hearing this, Zhao Suyin obediently raised her legs and Zhao Tian removed her panty.

He also removed his shorts and underwear. Zhao Suyin's lips curled up in a tender smile as she wrapped her hands around his neck and pulled him closer, their bodies intertwining in a passionate embrace.

The skin of their bodies grazed each other giving a soft warmth in that embrace. "Now I can feel you, Tian'er... with every inch of my body."

...

Next day-

swish Zhao Tian appeared inside the hall in his mansion and Xia Shenyi walked out of her room. "Tian, she is already awake..." she spoke with a smile.

"Oh!" Zhao Tian walked near to her room and Xia Shenyi followed him "Did you try talking to her?" Xia Shenyi gave a nod "Yeah, but she didn't speak anything... just looked at me." she said with a sigh escaping her lips.

creek Zhao Tian pushed the door open and the woman in the bed turned her eyes at him. Seeing him, a wave of surprise washed over her face and she quickly got down kneeling on one knee.

"My Liege!"

Liege? Zhao Tian walked in with an amused smile "I didn't expect you would accept me as your master so easily."

The woman remained on her knees as she spoke "I have given you my words and I accepted to be your slave... so I have to carry on it."

"Hm..." Pondering a little, Zhao Tian sat on the bed and spoke "First sit!" as Xia Shenyi settled on a couch inside the room. The woman stood up and without hesitation sat beside him on the bed.

Zhao Tian asked curiously "Do you remember anything or...?"

The woman gave a faint nod and spoke in a soft voice "Yes, My Liege... I remember many things but my memories are a little fuzzy as I have been sleeping for more than 2000 years."

More than 2000 years? "Do you remember your name or where are you from?"

The woman nodded her head "My name is Shi Yixian and if my memory is correct I am from the Astral Realm, My Liege."

"A-Astral Realm?" Xia Shenyi muttered in shock and Zhao Tian turned to look at her "Shenyi?"

Xia Shenyi spoke seeing his confused face "Astral Realm is a cluster of stars above the High Stars, I have heard many things about it but have never been there..."

Shi Yixian tried to speak as she frowned her brows trying to remember something "I am from a star... but... but... can't remember the name. Urgh..." she grunted in frustration.

"Don't strain yourself..." Zhao Tian spoke and Shi Yixian nodded her head "As you say, My Liege..."

"Do you know what is that blue flame in your body?" Hearing this, Shi Yixian gave a somewhat nod "Yeah, um... someone placed a curse on me to burn my body...uh... I don't remember, My Liege."

Zhao Tian glimpsed at her red eyes "And the scars on your face...?" he inquired, his voice laced with a hint of concern. Shi Yixian suddenly realized and raised her hands covering her face "Forgive me, My Liege I made you see my gruesome and ugly face... I will wear an armor helmet from now on."

Zhao Tian shook his head "No need for that... and move your hands." and being obedient to him she lowered her hands but she couldn't look at him in the eyes and gazed down.

But Zhao Tian raised her chin making her look at him "Do you remember how you were sealed in that Ice coffin?" he asked and Shi Yixian shook her head "Sorry, My Liege... I couldn't remember." she spoke in a disappointed tone.

"Hm." Zhao Tian retracted his hand and glimpsed at Xia Shenyi "Give here a set of robes to wear and you, Yixian... take rest."

"As you order, My Liege!"

Chapter 98: A meal?

vroom Sitting inside the Rolls Royce, Zhao Suyin glanced outside through the window a sigh leaving her lips "It's been a while since I traveled out quite far..."

Zhao Ying who was sitting in the front seat beside Zhao Tian spoke "Then we can go out for a family trip when we have time."

Hearing this, Zhao Suyin glimpsed at Zhao Tian "What do you say, Tian'er." Zhao Tian gave a nod "I don't mind..."

Zhao Ying jumped in her seat "Ok! Then its settled... we can go to the beach when we have time."

Zhao Suyin's frowned her eyebrows "Don't decide things on your own Ying'er... ask if Tian'er is willing."

"Huh? Tian'er you don't like it."

Zhao Tian glanced back at his Mom "It's okay I think..."

...

The Roles Royce quickly pulled up to a mansion and the three of them stepped outside the car. Looking at the mansion, a smile appeared on Zhao Suyin's lips "It looks great, Tian'er."

Zhao Suyin and Zhao Ying entered the mansion first, their curious eyes glancing around the living room as they began to explore their new home.

ring At this time, Zhao Tian's mobile rang and he took his mobile from his pocket. He attended the call and spoke "Mei Xiu?"

Mei Xiu on the other end of the call spoke "Zhao Tian, you are coming today right?" she asked and Zhao Tian could hear the tinge of excitement in her voice.

A wry smile appeared on his lips "Uh, Mei Xiu... I couldn't accompany you for Lunch today, maybe another day."

"Huh? B-But you said that yesterday that you would come tomorrow." Mei Xiu hurriedly spoke and a sigh escaped Zhao Tian's eyes "Well, last night my plans changed and I can't come today."

"I-I see, don't worry... if you are busy. But don't forget to come to the event 2 days later, okay?" Mei Xiu spoke and Zhao Tian nodded his head "Ok!"

Mei Xiu retracted the mobile from her ear and glanced at the dinner table filled with delicious foods that she had prepared with her own hands for Zhao Tian. Her eyes trembled as a wave of sadness filled her heart and she bit her lips in frustration.

Li Qianzhi who was sitting on the couch turned her head to look at Mei Xiu "Xiu'er, when is Tian coming."

Mei Xiu walked to her room "He is not coming!" *thud* she slammed the door to her room before entering.

Li Qianzhi was startled by the sudden noise "W-What happened? Is she mad?"

...

As Zhao Tian canceled the call a sigh left his lips. He kind of felt bad for rejecting her as he promised her yesterday that he would come and eat with her and he clearly felt the excitement in her voice vanishing.

'Urgh! These women are making my life hard...'

He entered the mansion "Ying'er..."

...

thud "That guy!" Mei Xiu yelled in frustration as she punched her pillow. "That idiot! Ahhhhh...." She couldn't contain her anger as she continued to pummel the pillow venting her frustration on the pillow. *baam* *baam* *baam*

She grabbed the pillow in her hands stretching it "If you knew that you wouldn't come yesterday night. Why didn't you say that? Do you know how hard I worked to cook all that food? Do you know?"

"Am I an idiot? huh? Why you damn bastard..." she beat the pillow on the bed. "Ah!! you! you! you!" with each yell, she continued slamming the pillow.

After a while of venting her frustration, "Haah, Haah!" Me Xiu breathed heavily her chest rising up and down as she saw the pillow which was shredded to pieces.

"Urgh! I am losing my energy because of him..." With a heavy sigh, she made her way off the bed and headed towards the bathroom. Once there, she turned on the faucet and washed her face.
fwishh

After washing her face, she took the towel to brush her face and she saw herself in the mirror. Her lips twitched again thinking about Zhao Tian "Uhhhhhh!"

She walked out of the bathroom and jumped on top of her bed "Hmph.. I am gonna sleep, so I can keep him away from my thoughts!" she huffed.

As she closed her eyes to sleep "It's good..." a soft mutter reached her ears. Huh? She instantly opened her eyes and jolted up from her bed.

Who is that? She walked to the door and pressed her ear against it to listen more closely. "Now I am here, right?" she again heard a faint voice and she instantly recognized the voice. Zhao Tian?

Her heart palpated in happiness and a sweet smile instantly adorned her face. Did he come? Gently, she turned the doorknob, cautiously peeking from her room to catch a glimpse of the dashing young man, who was now seated at the dining table eating the food she made.@@novelbin@@

As he parted his lips to take a bite, a wave of pure joy inundated her heart and her eyes softened in affection. This guy...

Meanwhile, at the dining table, Li Qianzhi shook her head helplessly "Glad you came Tian, do you how hard she worked to prepare all of this food for you?"

"She rushed to the mart yesterday and brought the ingredients and began her cooking in the morning, she even took a leave from University so that she can cook for you..."

"Even though she looks like an angry bird, she is actually a sweet girl."

Zhao Tian nodded "Now, I am here right?"

Just as he was about to scoop up another mouthful of food, a hand emerged from his behind and Mei Xiu took a small bowl with a delectable side dish and placed it near his plate.

"Eat with this, it will taste better." Zhao Tian glanced at the beautiful brown-haired woman and nodded his head. He reached for the side dish, adding it to his meal, and lifted the fork to his lips.

Mei Xiu looked in anticipation and Zhao Tian munched down the food, He looked at her a gentle smile on his lips "Now it's really better."

Mei Xiu smiled hearing this, his smile melting the anger in her heart and sat near him at the dining table, "Well, let's eat then... Good thing you came, I was wondering how am I going to finish all the food alone."

Zhao Tian chuckled in his heart as if he didn't know that she threw a tantrum in her room "Yeah, yeah..."

"Here, have this too"...

Li Qianzhi was surprised in her heart to see her granddaughter serving the food to Zhao Tian with a smile on her lips which she is unaware of.

'I can see some growth!'

...

Zhao Ying looked at the big pool in the mansion 'That woman, Fei Lingxi's taste is not bad. This mansion is really good.'

She raised her head to look at the top of the mansion 'I acn't even see the barrier Tian'er, placed.'

"Ying'er, where did Tian'er go?"

"Mom, he went back he had a busy work."

...

Xia Shenyi came out of the mansion and saw Shi Yixian who was wearing black and golden robes standing near the courtyard looking at the sky. Xia Shenyi walked closer to her "Um, Yixian?"

Shi Yixian glanced at Xia Shenyi for a second and again looked at the skies. E-Eh? Xia Shenyi doesn't even know how to approach this woman "Yixian, why are you looking at the sky?"

Shi Yixian stayed silent, her red eyes staring at the clouds in the sky. Xia Shenyi chuckled wryly in her mind, she only talk with Zhao Tian? "Um, Yixian... I am Zhao Tian's woman, so you can talk with me."

This time Shi Yixian looked at Xia Shenyi a look of curiosity in her eyes "Is that My Liege's name?" Xia Shenyi gave a nod "Yeah..."

"Zhao Tian, Zhao Tian...." Shi Yixian muttered two times "So you are My Liege's woman?"

Xia Shenyi nodded her head "Yeah, so tell me... why are you looking at the sky?"

Shi Yixian's eyes glanced down "I was... trying to remember something" she said raising her hand to look at her palm "I can still feel the lingering touch of the sword in my grasp."

"It was so soothing... and it felt so good. I feel like I have been swinging a sword for years." A low whisper escaped her lips as she turned her eyes to the sky.

Her eyes quivered as she saw the blue sky red in her vision "It was red... red sky and red everything.. the sword in my grasp obliterated the enemies. It ... was a battlefield..."

"I remember... the screams of the enemies, the weak crumbling under the strong... war cries, people losing their lives in front of me as my sword slashed them."

Her body shivered and her lips quivered in intense emotions "A-At that time, he came... his presence alone sent shivers to me, his eyes glancing down at everyone as if they were worthless trash and his aura spreading over the battlefield commanding attention the arrogance in his eyes."

Tears began to trickle down her cheeks as her thoughts drifted back to the haunting memories of the past "F-Flames... Suddenly it was flames everywhere. It burned everyone... enemies... my people... arghhh!" she screamed, the memories flooding back.

Xia Shenyi panicked hearing her scream and grabbed her shoulders "Yixian?" Shi Yixian closed her eyes and frantically shook her head "No... The flames were burning my body... it was....arghhhhh!" Her words trailed off, replaced by a gut-wrenching scream.

"Yixian, calm down!" Xia Shenyi spoke and grabbed her chin making Shi Yixian look at her. "Yixian!! Yixian!"

"H-Huh?" Shi Yixian was jolted out of her thoughts, causing her entire body to tremble and her legs gave up as she stumbled on the floor on her ass "Haah!" she let out a heavy breath.

"Yixian, are you okay?" Xia Shenyi asked crouching beside her and Shi Yixian gave a somewhat nod "Just some of my memories... ah."

Xia Shenyi spoke "Get up, get some rest first..."

"En!"

Chapter 99: To the event!

Zhao Tian frowned as he heard Xia Shenyi's words who was sitting beside his arm draped over her shoulder "She was screaming... how the flame burned her body and killed everyone."

"Seems like she has a serious past and she couldn't remember that much..."

Zhao Tin gave a nod "Don't stress her too much and if she screams remembering her memories, try to calm her down. Seems like she is traumatized."

Xia Shenyi nodded her head "I will do that, Tian!" she spoke and Zhao Tian gently patted her head "How is her body state?"

Xia Shenyi squinted her eyes "Her body is extremely weak, I think it is maybe that flame is burning her from the insides... She is fragile but her sword skills are really great."

"Maybe you can learn something from her and even sword intent?"

Zhao Tian gave a slight nod as he was also searching for some sword skills and it would be a huge help for him "I will talk to her later, let her rest for a while."

2 days quickly passed-

Seeing the luxurious Lamborghini driving near her apartment, "Tian!" Mei Xiu exclaimed with a smile and hurriedly got down the apartment stairs her heart pounding with anticipation.

tap *tap* She hurriedly walked towards the Lambo and opened the door "Tian, good morning!" Zhao Tian who was sitting inside smiled "Good morning, enter..."

Mei Xiu nodded and entered the car "Let's go, quick!" Seeing her excitement, Zhao Tian couldn't help but chuckle and pressed his foot on the accelerator revving the engine. *vroom*

...

After an hour of traveling, Zhao Tian finally arrived at the designated location and his eyes glanced at Mei Xiu who was sleeping on the seat.

With a smile, he squeezed her cheek "Get up, we are already here..." Feeling his pinch, Mei Xiu's eyes blinked open and saw many cars around her in the parking lot through the glass.

"Oh!" she hurriedly exited the car and brushed her face. looking at the right-convex side view mirror on the Lamborghini.

"Ok, let's go."

As they made their way into the bustling mall, there were actually a lot of people in the mall. The majority of the crowd are couples strolling side by side, their arms intertwined in a loving embrace.

Zhao Tian was quite surprised looking at the number of people "Is this show that big?" Mei Xiu playfully giggled with a nod and pointed at a huge banner on the side showing a beautiful couple.

"They are the main actors in the show 'The Ashes of Love' The female lead actor Ai Daiyu is so beautiful and I love her so much as she acts greatly in the show. The way her chemistry works with the..."

-- Zhao Tian smiled wryly as Mei Xiu enthusiastically began to talk about the show and stuff.

Walking alongside Zhao Tian, Mei Xiu noticed some women's stares at Zhao Tian even though they had partners. Huh? Why are they looking at him?

She kinda felt weird and didn't like it seeing their eyes on Zhao Tian. "Tian!" She softly muttered holding his left arm with her both hands and Zhao Tian turned his eyes at her.

Mei Xiu meekly raised her head to speak "Everyone here is acting intimate and if we didn't they may find out that we are actually not a couple."

Hearing this, he chuckled in his mind and nodded "Hm"

Mei Xiu's eyes glanced around the area searching for something and as her gaze fell on a sign saying 'Autograph event' a smile appeared on her face.

"Tian! Tian! come.." Mei Xiu hurriedly pulled Zhao Tian over to the sign but before she could go there, she glanced at a couple and her smile froze as she turned around.

"No, No, come Tian!" Mei Xiu stopped and suddenly dragged him in the opposite direction. Eh? Zhao Tian was confused as he was getting dragged from place to place "What happened?"

Mei Xiu spoke in a low voice pointing at the couple "That girl is actually from a class I teach at the University and if she saw us walking around, it would surely cause weird rumors in the college."

"Since we are in a nearby city, I thought people in our University wouldn't be here... but seems like I am wrong."

Zhao Tian nodded his head understanding her concern. And as the couple moved away, a sigh left Mei Xiu's lips "Come on..."

Zhao Tian and Mei Xiu quickly arrived near the autograph event and Zhao Tian asked "Do you have anything to get the autograph?"

Mei Xiu quickly nodded and took a photo card of the actress Ai Daiyu from the show "I have this beautiful picture of her that I've been wanting to get autographed...it's just too adorable...hehe."

Seeing her cute face, Zhao Tian smiled and stood with her in the line to get the autograph. Mei Xiu jumped from behind the line as she glimpsed at Ai Daiyu sitting on her seat with a table placed in front of her, busily signing autographs.

Seeing Ai Daiyu, Mei Xiu's eyes brightened "There she is.. There she is...." she yelled in excitement.

Zhao Tian shook his head helplessly seeing her being all excited, sometimes he doesn't understand the craze of people over celebrities. Why are they so obsessed?

"Just two people before." Mei Xiu whispered nervously and her anticipation grew with every second as she was going to meet her favorite actress.

tap As she stood in front of the beautiful black-haired woman she placed the photo card on the table, her eyes brimming with excitement "I am Mei Xiu, I have been a huge fan of you and you are so beautiful... a-and.. uh I love you so much."

Ai Daiyu chuckled faintly "Hello, Mei Xiu, I am glad you are-Huh?" her eyes widened in shock looking at the handsome young man standing beside Mei Xiu.

Huh? Mei Xiu also noticed Ai Daiyu gasping in surprise. With a smile on his face, Zhao Tian spoke "It's been a while, Daiyu."

"TIAN?!" Ai Daiyu stood up from her seat and Mei Xiu was taken aback. S-She know Tian? A beautiful smile spread across Ai Daiyi's face as she jumped off from the other side of the table.

Eh? The people were surprised to see the leading actress Ai Daiyu leaping from the table. Wtf?

Overwhelmed with emotion, she couldn't resist the impulse to tightly embrace him, wrapping her arms around him in a warm and affectionate hug "It's been years since I last saw you, Tian" she whispered and Zhao Tian hugged her back with a smile.

Whaaaaa. Mei Xiu's jaw dropped seeing her favorite actress hugging Zhao Tian so intimately. Ai Daiyu know Zhao Tian? What the- and they were so close. The fact that Ai Daiyu even knew Zhao Tian was a shock to her, and the closeness between them was even more surprising. @@novelbin@@

click At this time, some people took photos of them hugging and Zhao Tian spoke "You idiot, they are taking photos."

Hm? Ai Daiyu softly retracted the hug and showed a cheeky grin "Well, I don't mind that... being photographed with this handsome guy."

At this time, a woman walked over to Ai Daiyu "Mam, it is still event time..." Ai Daiyu giggled "I am just too excited to see my friend after a long time."

The woman nodded "I know mam... but you should do your personal things later."

"Ah!" Ai Daiyu glanced at Zhao Tian "Tian, I will call you later and we can spend some time together after I finish this event. You didn't change your number right?"

Zhao Tian nodded his head "Yeah!" and Ai Daiyi again jumped to her place "Come on, hurry up! Let's finish this event quickly!"

(◕‿◕) Mei Xiu stood there like a statue. Tian and Ai Daiyu know each other! Zhao Tian pulled the statue out of the crowd and Mei Xiu came out of her shock "T-Tian, you know her?"

Seeing her yelling, Zhao Tian nodded with a smile "Yeah, I do."

"Then, why didn't you tell me." Mei Xiu grabbed his shoulders and shook him demanding answers

Zhao Tian smiled wryly seeing this "Honestly it was a surprise for me too as I saw her face just when we entered the mall in the banner."

Chapter 100: A lingering kiss!

gering kiss!

Sitting in a cafe inside the mall, Zhao Tian took a scoop of the dessert and brought it near his lips to eat. Mei Xiu also slowly ate her Croissant still reeling in the shock.

"Didn't know you two were high school friends, that really came as a surprise." Mei Xiu spoke as she took another bite of the croissant.

Zhao Tian just smiled as he continued to eat his dessert cake. *ring* At this time, his phone rang and he picked up the call "Daiyu?"

"Tian! Where are you?" He heard the excited voice of Ah Daiyu and Zhao Tian spoke "Third floor at the cafe."

"OK, I will be there in two minutes."

As he hung up, Mei Xiu hurriedly asked "What happened? Is Miss Daiyu coming here?"

Zhao Tian gave a nod "She will be here now..."

A little later, Mei Xiu's eyes lightened up seeing the woman walking toward their table. As she came closer, Mei Xiu stood up from her seat and stammered as she didn't know what to say "U-Uh..."

"Tiannnnn." Ah Daiyu came over and quickly hugged Zhao Tian who was sitting. Mei Xiu smiled awkwardly as she was completely ignored.

As she retracted the hug, Ah Daiyu tried to sit on Zhao Tian's lap but Zhao Tian caught her waist "Place your ass somewhere else."

Ah Daiyu pouted her lips "You are rude to a woman." she spoke as she stood up. "Have I ever been nice to you?" Zhao Tian asked taking another spoonful of the cake.

Ah Daiyu smiled wryly as she pulled the chair sitting close to Zhao Tian. "Xiu, sit." Mei Xiu gave a slight nod and sat on her seat.

Hearing Zhao Tian, Ah Daiyu glanced at Mei Xiu "Bei... Xiu, right?" Mei Xiu shook her head gently "It's Mei Xiu, Miss Daiyu."

"Haan, Mei Xiu." Ah Daiyu muttered and Zhao Tian spoke "I am surprised that you actually became an actress."

Ah Daiyu smiled proudly "I told you, I would surely become an actress one day. Well, one of my two dreams became true."

Mei Xiu got curious hearing this "What's your other dream, Miss Daiyu."

Ah Daiyu cast a glimpse at Zhao Tian as she spoke "Of course to become this guy's girlfriend. Well, not only me, many girls in that school wished to be his girlfriend."

Oh? Mei Xiu couldn't help but steal a quick glance at Zhao Tian as he gently took a scoop of cake to eat. Well, she wouldn't refuse that Zhao Tian is handsome and girls would fall in love with him.

"But this guy flatly rejected everyone, even me..." Ah Daiyu spoke sulking her lips. Zhao Tian asked, "Do you know what Ying'er would say if she were with us right now?"

-- A dry smile appeared on Ah Daiyu's lips "A bitch. She has never called me by my name." Zhao Tian chuckled softly hearing this.

Zhao Tian spoke "But I heard you got a boyfriend at the end of high school." Hearing this Ah Daiyu nodded her head "While I tried to pursue you, an underclassman was following me."

"Hearing his sincere confession, I gave him a chance and we easily got along with each other. He is really cute and was my type... and I am still in a relationship with him."

"Good for you!" Zhao Tian said and Ah Daiyu giggled hearing this. As she recollected on the past memories, her eyes grew tender remembering how she and other girls relentlessly followed Zhao Tian to get his attention.@@novelbin@@

A soft sigh escaped her lips as she leaned back on the chair "I still remember the day my boyfriend confessed to me... life has changed after that. After finishing high school, I entered the film industry and made my debut a year ago."

"Now I am the leading actress in this show and I still can't believe I did this... life sure is unpredictable." a low mutter escaped her lips.

"And what's more surprising is that I will reunite with you in a place like this and even your girlfriend is a huge fan of mine." She spoke looking at Mei Xiu.

E-Eh? Mei Xiu hurriedly shook her head, a faint blush on her face "It's true that I am your big fan, but I am not Tian's boyfriend. I am...his T- friend."

Ah Daiyu raised an eyebrow "I see... seems like you lied to enter the event."

Mei Xiu gave a wry nod "Yeah..." *tap* At this time, the waitress walked near their table "Mam? Your order?"

Ah Daiyu looked at her and spoke "An Espresso." The waitress nodded her head and left the table. Ah Daiyu's eyes then fell on the half-eaten cake in front of Zhao Tian and she couldn't help but giggle "Looks like your love for sweet things has not changed."

When Mei Xiu heard this, she was surprised "He loves sweet things?"

A chuckle left Ah Daiyu's lips "I became friends with him only after I bought him a dessert."

Ohhhhh! Mei Xiu mused hearing this, Then I will also make sweet things for him. Zhao Tian raised an eyebrow "How do you know I like desserts?"

Ah Daiyu shrugged "Well, I pursued you for like two years so of course I know what my crush likes to eat."

Her Espresso arrived and the hearty conversations continued as the time passed.

Hugging Zhao Tian, Ah Daiyu let out a sigh and pulled back from the hug. "Let's meet again sometime..." Zhao Tian met her gaze with a gentle nod "Yeah..."

Mei Xiu approached Ah Daiyu with hesitant steps, her voice quivering as she asked, "Um, Miss Daiyu... would you mind if we took a selfie together?" Ah Daiyu laughed and nodded her head "Okay, then!"

The two of them moved closer, their smiles widening as they posed for the camera. Looking at the selfie on the mobile screen, Mei Xiu was overjoyed.

Ah Daiyu looked over at Zhao Tian with a smile "Tian, let us take a selfie too." Zhao Tian shook his head "I am not interested."

Ah Daiyu's lips twitched "Come on, Tian... I don't know if I'll ever meet you again... so just a selfie." A sigh left his lips hearing this "Hm."

"Hehe!" Ah Daiyu smiled and moved beside him as she raised her mobile to take a selfie. *click* Admiring the result, Ah Daiyu couldn't help but mutter a satisfied "Perfect!" as she gazed at the selfie on her screen.

"I will send this picture to the group to make the girls in our school jealous." As she opened the group covo she was surprised that the conversation had already ignited and was in full swing.

Then she noticed the photo when she hugged Zhao Tian had already spread in the group. "Oh, they are quite fast huh..." she mused as she sent the selfie too.

"Hehe!" With a mischievous grin she turned to look at Zhao Tian "I am leaving, Tian!" Zhao Tian nodded his head "En. See you later"

Ah Daiyu waved to Mei Xiu and slowly walked away from the table. But as she took a few steps, she stopped and turned back to look at Zhao Tian her eyes lingering on his face. Tian...

tap *tap* She hurriedly ran towards him and Zhao Tian was quite confused "Daiyu?" Without wasting a moment, Ah Daiyu hugged him, planting a tender kiss on his cheek, leaving a lingering touch *chu*

Zhao Tian squinted his eyes "You have a boyfriend." Ah Daiyu pulled back the hug, a gentle smile on her lips "That's why I kissed your cheek."

"When I was in high school, I always wanted to kiss you on the lips...but now I'm content with just kissing you on the cheek. You are my first love after all.... Ok, I am leaving." *tap *tap*

As she walked away, she saw her phone ringing. With a smile, she attended the call "Babe. Did you see the pictures?"

"Yeah, I am surprised you met Senior Tian again..."

"Hehe, I even kissed his cheek." She knew her boyfriend was an admirer of Zhao Tian in the past and she knew he wouldn't mind it much and she doesn't like to hide things from him.

"Wha- Can't blame you... since I would have done the same..."

"What? Why are you gay?"

"*chuckle* Just kidding... is the event finished?"

"yeah..."

Zhao Tian turned back to Mei Xiu whose face was filled with shock "Since the event is finished, shall we leave?"

H-Huh? Mei Xiu came out of her shock "Uh, no there is still one event left."
