*Chapter 11: Technique and Teasing?!*

\*swoosh\* In the night, with a crack in space Zhao Tian appeared inside the space and saw Xia Shenyi doing something on the ground outside of her house.

Sensing Zhao Tian's presence, Xia Shenyi turned around and smiled "You are finally here brat." Zhao Tian walked near her and asked curiously "What are you doing Shenyi?"

Xia Shenyi said, "I checked some artifacts in the warehouse and found some things, so I thought I could use them to speed up your cultivation."

"This is an array that I have placed here. It can absorb the astral energy surrounding the space and concentrate them into one place."

"Oh, that's amazing..." Zhao Tian mused listening to her. Xia Shenyi giggled "I know, right? And Tian give me one divine astral stone."

Zhao Tian raised his hand and a divine astral stone appeared in his palm. Xia Shenyi took the astral stone in her hand and it floated itself reaching the core of the array.

"And now with this, your cultivation speed would be even faster."

A faint smile played on Zhao Tian's lips as he gazed at Xia Shenyi "Thank you, Shenyi." Xia Shenyi smiled back "Now then, accept me as your master."

"Huh? Master?" Zhao Tian raised an eyebrow. Xia Shenyi grinned with a nod "Of course, because I am helping and teaching you cultivation. You should call me Master, my disciple. Hehe..."

Zhao Tian gently extended his hand and the golden tattoo appeared on his wrist "See this? This means I am the master of this artifact and you are living in my artifact... Did I ask you for any rent?"

H-Huh? Xia Shenyi was dumbfounded hearing this. Zhao Tian continued "Technically speaking you should call me Master because you have a black tattoo which means you are under me."

"Oi, that's racism you know?" Zhao Tian just nonchalantly shrugged his shoulders hearing her remark.

A sigh left her lips "I was just teasing you, you don't need to call me Master or anything." Zhao Tian chuckled seeing her exasperated sigh and asked "What about my cultivation technique, Shenyi?"

Xia Shenyi frowned her eyebrows in thought "Mostly cultivators choose cultivation techniques based on their elemental affinity but I don't know what is your elemental affinity."

"Isn't there a way to find it?" Zhao Tian asked and Xia Shenyi nodded "Normally they use Affinity Orb and I searched for that in the pile of artifacts but it is not there."

"So I chose a body cultivation technique for you."

"Body cultivation?" Zhao Tian asked and Xia Shenyi replied with a nod "En. You said you have great physical strength, so I thought of enhancing it even more. With that even if the opponent used other cultivation techniques, your body alone is enough to withstand that."

Zhao Tian narrowed his eyes. A body cultivation technique? True it suits the current him and he knows some martial arts.. so in close combat he could win. This technique could serve as a foundation for his future endeavors, as he could potentially learn and master various other cultivation techniques in the future.

"Well, it's okay I guess." Seeing him nod "Wait a minute." Xia Shenyi spoke and entered her home and she came back with some scrolls and books in her hands.

"These are some good low-level body techniques I found in the warehouse." Xia Shenyi spoke and Zhao Tian looked at her blankly "Why low-level techniques? Give me a better one."

"Huh? Don't overestimate yourself brat. To learn a high-level cultivation technique you need to have a deep and profound understanding of the astral energy and its flow."

"It would take years for you to learn that. Even if you are an Honoured One... it is impossible. So first cultivate through the Transient realms with this cultivation technique."

Zhao Tian didn't heed her words and directly walked to the warehouse. Xia Shenyi clutched her forehead with a sigh "This brat is... reluctant. You will know when you try to learn a high-level technique. Hmph..." with a snort, she also followed him.

As Zhao Tian entered the vast warehouse, his gaze swiftly scanned the countless scrolls and books that lined the shelves. Xia Shenyi stood beside him "You are wasting your time."

Zhao Tian looking at the books asked "Do you know how the first person reached Godhood?" Xia Shenyi shook her head "No, the history was erased long ago."

Zhao Tian nodded his head "And we know nothing about the second person. A Transcendent physique that could even defy the mortal restrictions of the heavens, that's what you said right?"

"Yeah, I did..."

Zhao Tian smiled his eyes searching through the scrolls "Hmm... you also said that this physique could break limits and its potential is unknown. So I am kinda sure I can learn a high-level technique and it's not gonna hurt to try it once."

Xia Shenyi frowned hearing his explanation, True... the physique is really mysterious, so it's okay to try it once.

Zhao Tian observed the shelves, noticing an assortment of scrolls and books, each section dedicated to a distinct category. "Everything is a cultivation technique?"

Xia Shenyi shook her head "Cultivation techniques are not the only things here, there are Alchemy scrolls, Barrier creation, Artifact and weapon blacksmithing... like that."

Hearing this Zhao Tian raised his eyebrow "Shenyi, are there any high-level barrier techniques here?"

Xia Shenyi nodded and walked to a section "Do you want to learn barrier creation or need an imprinted barrier technique?"

"An imprinted barrier technique for now." Zhao Tian spoke and looked at the shelf in front of him and a red book among them caught his eyes.

Curiously he took the book and read the cover 'Different ways to please your women in bed and sex techniques.' What the fuck?

"Here..." Xia Shenyi walked near him with a white scroll in her hand but seeing him engrossed in the book in his hands, she discreetly peeked to see what cultivation technique it was.

H-Huh? Xia Shenyi was startled seeing the contents and her face went deep red. "Y-You, brat... what are you seeing?"

"Oh, Shenyi... I just thought these could be useful for me. So I am checking it..." Seeing his nonchalant behavior, Xia Shenyi's face flushed even more and she couldn't help but ask meekly "A-Are you interested in this kind of stuff."

"Of course, I am a man after all." Zhao Tian replied casually. Xia Shenyi was embarrassed to talk about this topic, even though she has been living for thousands of years no man has ever laid a finger on her.

"Heh, this is really useful..." Zhao Tian mused reading through the contents of the book and stored it in his space ring. As he turned his head, he saw Xia Shenyi standing near him with a bright crimson-red face almost as if steam would come out of her head.

Seeing this, Zhao Tian was quite surprised because this was the first time he had seen her blushing this hard. A smile appeared on his lips "Shenyi?" "Huh? Tian?" Xia Shenyi snapped out of her daze.

Zhao Tian took a step forward and Xia Shenyi blinked her eyes in confusion seeing him getting closer. "Tian?" But seeing the playful glint in his eyes, she shrunk back "D-Don't tell me Tian you want to do the stuff in that book?"

"Guess?" As she took a step back, Zhao Tian reached out, his hand gently enveloping her waist, and pulled her bringing her closer to him.

"T-Tian?" Xia Shenyi's eyes widened in surprise because of Zhao Tian's sudden move on her and she stumbled on him, her hands instinctively grabbing his shoulders.

As his hand wrapped more firmly around her waist, his fingers delicately trailed along the curve of her waistline. Xia Shenyi's eyes quivered with a mix of anticipation and hesitation "D-Don't Tian.. wait..." she spoke looking into his blue eyes, her fingers gripping onto his shoulders.

Zhao Tian smiled "What? You are the one who said it's okay for you to marry me..." His voice was gentle and filled with affection as he lovingly tucked a strand of her luscious black hair behind her ear.

Xia Shenyi couldn't help but shudder as she felt his fingers tenderly caressing her waist and she spoke in a meek voice averting her gaze. "I-I just said that on a whim... so" she stammered, feeling her face burn even brighter, her embarrassment intensifying.

Zhao Tian was thoroughly enjoying her reaction, 'It is always fun to tease back bold women like her...'

"On a whim? I thought you were pretty serious about that?" his fingers softly caressing her delicate cheek. "You are really so beautiful, Shenyi..." he spoke, and hearing his compliment Xia Shenyi looked away embarrassed.

"Brat, let me go..." Xia Shenyi uttered in a low voice. "Hm... I thought you were more powerful than me, so if you want you can push me..." he said bringing his face even closer to her, their chest colliding with each other.

Xia Shenyi's hold on his shoulder grew firmer, her fingers tightly grasping onto his t-shirt. Zhao Tian gently clasped her chin and tilted his head planting a sweet kiss on her neck. \*chu\*

\*gik\* Xia Shenyi's body stiffened feeling the soft touch of his lips on her neck "T-Tian.. you are..." Zhao Tian retracted his lips and whispered in her ear "What? Do you not like it, if it was me?"

Xia Shenyi's heart trembled in nervousness and she shook her head "It's not like that, Tian..." Zhao Tian's eyes softened and he tenderly kissed her cheek. "Then like what?"

Xia Shenyi closed her eyes, relishing the gentle touch of his lips against her cheek and her hands loosened from his shoulder coming down, hugging him back in a warm embrace.

'Does he really intend to make me his woman?' she wondered silently within the depths of her heart. With a gentle touch, she affectionately ran her fingers through his soft, snowy hair "Brat, why are you hasty..."

Zhao Tian couldn't help but let out a hearty chuckle, "I am not hasty... and I know feelings are to be nurtured. I just wanted to tease you... haha."

Huh? Xia Shenyi lightly retracted the hug and hit his shoulder "Brat, you were just teasing me? You kissed me for a tease?"

Zhao Tian chuckled even more and Xia Shenyi got angered seeing this. She thought for a second he seriously wanted her to be his woman. "You are the worst." she retorted.

Zhao Tian stopped laughing and spoke with a soft smile "I am not that kind of scum. I am really attracted to you and I don't mind you being my wife. We can take things slow..."

Xia Shenyi's cheeks turned a rosy shade as she heard his words, causing her heart to flutter and skip a beat while being held in his embrace but she snorted hiding her true feelings, and looked away "I don't like you."

Zhao Tian withdrew his hand from her waist "Oh? You don't like me? Sorry, I touched you..." he said and turned back looking at the books on the shelf.

Wha- Xia Shenyi was dumbfounded seeing his act... Aren't you supposed to persuade me at this moment? "You..." she yelled and hugged him from behind. She opened her

pink lips revealing her teeth as she sunk them deep into his neck, leaving a mark on his skin, an act of desperation and perhaps even a cry for attention.

Zhao Tian was startled by the sudden ache "What are you doing?" Xia Shenyi retracted her mouth and licked her lips "Hehe, your skin is tasty... Isn't this what they call a love bite? fufu"

-- Zhao Tian wiped away the traces of saliva lingering on his neck and there was clearly a mark left on his neck. 'How am I supposed to explain this love bite to my crazy obsessed sister tomorrow?'

Xia Shenyi grinned "Come on, let's find a technique for you."

*Chapter 12: Cultivating and Sleeping?!*

"A high-tier Heaven-grade technique right off the bat?" Xia Shenyi spoke looking at the golden book in her hands which is named 'Supernal Body Cultivation,'

"Isn't this an overkill for you to first cross the Transient realm?" Xia Shenyi asked narrowing her eyes. Zhao Tian got curious "What's this Transient realm?"

Xia Shenyi spoke clearing his doubts "You have to begin cultivation from scratch. The Transient realm is the first nine stages of cultivation you have to cross before reaching the Empyrean realm."

"Since your star is a middle star, there is not much astral energy to support the ascension of the Transient realm so I guess the Transient realm is the pinnacle of cultivation in this star."

Zhao Tian frowned "Is that different in your high star?"

This caused Xia Shenyi to chuckle "Yeah, since there is enough astral and life energy in the star...cultivators can easily ascend the Transient realms."

"You know what? Even the first stage of the Empyrean realm can kill the peak stage of the Transient realm with the flick of a finger."

Zhao Tian was dumbfounded "No wonder you are bound to this artifact and can only come out for a few seconds, a monster like you shouldn't be unleashed in this star."

Xia Shenyi couldn't help but giggle hearing this and showed a mischievous grin. She walked forward, softly wrapping her arms around his neck "I am a lot stronger than you... hehe."

Zhao Tian's eyebrows twitched hearing this, as a man how can he tolerate being belittled by a woman "Let me make a promise Shenyi, I will make you my woman completely, only after getting stronger than you."

Xia Shenyi was stunned to hear this "W-What are you saying, Tian? It would take years for you to even cross the Transient realm and to cross the Empyrean realm... it would take hundreds of years."

Zhao Tian shrugged "Then you have to wait hundreds of years to become my woman."

Xia Shenyi stood there in complete disbelief "Tian, are you serious about this?" she questioned, her voice filled with a mix of shock and confusion. Zhao Tian gave a nod "I am damn serious, I am a man... so it is obvious I should be stronger than my woman."

Xia Shenyi's eyes quivered in uncertainty hearing this but seeing his firm eyes a sigh left her lips, she brought her face closer and whispered seductively "When that day comes, I'll let you do all the things mentioned in that book."

With a faint chuckle escaping his lips, Zhao Tian's hands slowly went down gently groping her ass "This could be a good motivation for me to cultivate harder, so I can enjoy this seductive body of yours..."

His fingers sank into her plump ass and gave a nice squeeze relishing the softness. Xia Shenyi's face turned red as he kept molding her ass "Brat, you... are really naughty. Didn't you say that you wouldn't do those things until you become stronger than me?"

As Zhao Tian leaned closer, he tenderly pressed his lips against her cheek "I wouldn't cross the last line until then, but I will relish this beautiful body of my soon-to-be woman."

Eh? Xia Shenyi couldn't help but giggle "You are mischievous.. haha." she spoke pinching his cheek. "I hope you will get stronger soon."

...

Under the brilliant blue light of arrays, Zhao Tian sat crosslegged and the astral energy is that place concentrated around him. As the astral energy enveloped him, a luminous white aura gradually materialized, encircling his entire being.

Xia Shenyi's eyebrows narrowed, her brilliant black eyes scanning the astral energy around him. A look of surprise flashed through her eyes sensing the abnormalities around Zhao Tian.

"His body is relentlessly sucking in all the astral energy around him like a sponge absorbing water... no, this is even stronger like a black hole with the astral energy being effortlessly channeled through his meridians, flowing as smoothly as water. So this is the Honoured One's physique." she mused aloud.

"And he is also quick enough to catch up to things, he just experienced this astral energy for the first time and already has good control over it passing it through his meridians and strengthening his body with the cultivation technique."

"Zhao Tian, a born genius!" she spoke with a smile gracing her lips, her eyes fixed on the handsome young man cultivating under the array.

Her eyes gazed at the sky above and frowned "As I thought, this artifact produces limitless astral energy. It could persist even after I cultivated here for years."

"One in a masterpiece like this, who could have created this artifact?" Xia Shenyi pondered as her gaze swept over the pendant on Zhao Tian's neck "And who the hell is his father?"

...

A few hours passed and Zhao Tian blinked his eyes open revealing his blue eyes as a blue spark of energy passed through his eyes. "How does it feel after experiencing the taste of cultivation?"

Zhao Tian raised his head looking at Xia Shenyi and spoke "It's kind of boring to sit in a place and cultivate for hours honestly."

-\_- What the? Seeing her stupified face, Zhao Tian laughed and stood up stretching his arms "Haah, by the way, I feel like I could cross the first stage of the Transient realm within two days."

Xia Shenyi spoke with a nod "I also noticed it, the speed your body absorbs the astral energy is just horrifying. But as it goes further, you will need a lot of time and astral energy to do breakthroughs."

Zhao Tian nodded his head "Well, that's obvious." he spoke and his mobile phone appeared in his hand from the space ring.

Looking at the time, a sigh left his lips "It's already 2 am there... I gotta leave."

"You are about to leave?" Xia Shenyi asked hurriedly and Zhao Tian gave a nod "Yeah, I want to take some rest..."

At this time, an idea appeared in Xia Shenyi's mind and a small blush crept over her cheeks "Why don't you sleep here with me and leave in the... morning?"

Zhao Tian was surprised, sleeping here with her? "Sleeping means?" \*gasp\* "N-No, I didn't mean it like that. We can just sleep together. Nothing else." she spoke hurriedly clearing the misunderstanding.

Zhao Tian smiled faintly and nodded "Okay then..."

...

\*creek\* Opening the door, Zhao Tian and Xia Shenyi entered the room. Zhao Tian looked around the room and it was quite simple with a large bed, a small table, and two chairs in the corner.

Xia Shenyi settled herself comfortably on the bed, her gaze lingering on the vacant space beside her. With a gentle tap, she beckoned Zhao Tian murmuring. "Come here." Smiling, Zhao Tian lay down on the bed.

Xia Shenyi giggled and slept beside him on the bed. Zhao Tian turned his head and asked "Is this what you meant by sleeping together?"

Xia Shenyi smiled and did a playful roll, effortlessly closing the distance between herself and Zhao Tian. "Now, this is what I am talking about..." she spoke, her arms encircling him with a firm grip, drawing him into a warm and affectionate embrace. Zhao Tian reciprocated her embrace, holding her just as tightly.

Zhao Tian raised his hand, gently caressing her hair, while Xia Shenyi lay there smiling, her eyes fixed on his face. "I am glad you came into my life, Tian."

Hearing her start speaking, Zhao Tian raised an eyebrow "Really?" Xia Shenyi giggled her fingers caressing his face "You don't know Tian, I am stuck in this artifact for a long time... I even lost the count of years."

"Seeing the same thing day after day for hundreds of years, just cultivating without seeing any humans. Being alone for years and years with no one to talk to... Sometimes I even thought of crippling my own cultivation and committing suicide."

As she reflected on the past, a surge of intense emotions caused her eyes to tremble uncontrollably. The memories flooded her mind, reminding her of the dark days she thought of even taking her own life to end this nightmare "I-I was on the verge of losing my sanity, Tian.. I would have lost my mind and I-I..."

He silenced her with a gentle hand on her cheek "Okay, okay... now I am here, right?" Zhao Tian softly whispered reassurances against the storm brewing within her.

Xia Shenyi's eyes moistened with tears and she vehemently nodded her head "Yeah, yeah... you are here. You don't know how happy I was when I accidentally left this place and saw you."

Her voice choked with emotion "I-I got a little hope that I am actually not alone.. and...\*weep\*" She could barely speak, words choked by sobs.

"Yeah, I know, Shenyi. I am also so happy to meet you, Shenyi. Without you, I would not know about myself, this special physique, and all about cultivation. I am so glad you came into my life."

Xia Shenyi's eyes widened in astonishment, her breath catching in her throat "R-Really?" Zhao Tian nodded with a smile "Yeah..." he said, sealing his words with a tender kiss on her forehead.

Xia Shenyi's eyes softened "Then I'm happy too," she whispered, a fragile smile curving her lips.

Zhao Tian smiled and continued comforting her. He didn't expect the always smiling and teasing Xai Shenyi would have a sad side to her. But again thinking about it, living in a damn place without human interaction and nothing for hundreds of years is really hell. (A/n: Heaven for introverts. lol)

*Chapter 13: Secretly dating?*

Xia Shenyi's eyes softened marveling at his handsome face her delicate fingers gently caressing his soft white hair as he continued sleeping in her embrace burying his face in her chest.

\*ring\* \*ring\* But suddenly a ringing noise swept through the room jolting up Xia Shenyi. She raised her hand and the phone which is kept on the night stand levitated itself reaching her grasp. "Huh? Why is this thing making noise?"

Zhao Tian opened his eyes hearing the alarm sound and took the mobile from her hand. "Hm.. Ita already 7?" Xia Shenyi raised her eyebrow "You placed it to make noise during that time?"

Zhao Tian nodded cuddling in her arms "Yeah, I did... it's already time. So I gotta leave." Xia Shenyi gave a nod and Zhao Tian smiled "See you later...." \*woosh\*

Xia Shenyi released a deep sigh, her lips parting slightly, as she felt the pleasant remnant of warmth in her arms, a sensation that lingered even after Zhao Tian had left the place. "Guess I'll look through the warehouse and that Pagoda too."

...

Zhao Tian appeared in his room and a sigh left his lips. \*swish\* The barrier scroll that he got from Xia Shenyi appeared in his hand.

"For now, this is good. When I learn barrier creation... I will place my own barrier." He muttered and channeled his astral energy through the barrier scroll.

\*feen\* It suddenly shone in brilliant yellow light and Zhao Tian closed his eyes controlling the size of the barrier with his energy.

\*fwoosh\* He has now placed a transparent barrier around his house. In his life, his first priority is his Mom and Sister, and seems like now Xia Shenyi is also on that list.

When he came to know that cultivators exist in this world, he thought of this. A powerful barrier to repel the cultivators from entering his home. So even though he is not here, he can be assured that something dangerous won't happen to his mom and sister.

"With this now, everything is set." He spoke and opened the curtains to let the sunlight in. But the sight before him caught him off guard "What the hell? Where did the sun go? Why is it dark?"

Eh? Zhao Tian was confused seeing this "Did I type wrong time for the alarm?" He took the mobile and saw the time on the screen where it showed '7 am.' This confused him even more because it was already morning but it was still dark outside.

His gaze fell on the digital clock on the nightstand and saw the time it showed '3 am.' "The time is 3 am?" Totally getting confused, he searched in the browser and the time is indeed 3 am.

As he frowned contemplating this strange happening, a wild guess appeared in his mind "Time dilation?" he uttered in shock.

"I entered the artifact around 11 pm and the time now is 3 am... but inside the artifact, the time was 7 am. So time flows differently inside the artifact? and by my estimate... it flows two times slower than the real world. I spent 8 hours there and only four have crossed here."

A smile appeared on his lips "Heh, now that's interesting... with this, I can cultivate even more time."

...

\*woosh\* Xia Shenyi was stunned seeing Zhao Tian again in her room "Tian, what happened?" Zhao Tian smiled "Shenyi, I found another interesting thing in this artifact."

Hearing the details, Xia Shenyi's eyes widened in shock "What? Time dilation?" Zhao Tian nodded his head "Yeah..."

"Tian, this is amazing... now you can cultivate even more time in this space." Xia Shenyi spoke in amusement and Zhao Tian chuckled "Well, that's why I came now..."

...

In the morning, Zhao Ying entered the room and saw Zhao Tian doing pushups. She smiled "You are pretty quick today."

Zhao Tian nodded and stood up "My exercise is also finished." As he turned, Zhao Ying's sharp gaze fell on a red mark on his neck.

"Huh? What is that mark on your neck." She asked faintly, walking close to him. Only then did Zhao Tian remember the mark left by Xia Shenyi and facepalmed himself "Oh that, I think some insect bit me."

"Let me see..." Zhao Ying wrapped her arm around his neck and inspected the red mark. But because of Zhao Tian's quick regeneration, which he gained because of his physique the teeth marks have already disappeared and there is just a red mark which is hard to tell it is a love bi- well, fuck she found it out anyway.

Zhao Ying narrowed her eyes 'It looks like someone bit him... huh? b-but...' she shook her head in dismissal 'No, who is there to leave an intimate love bite on my brother? haha'

Zhao Ying tilted her head in confusion "It seems strange, Tian'er do you want to apply some medicine?"

Zhao Tian shook his head "It's alright. You know about my body, right?" Zhao Ying giggled and nodded "yeah..."

...

As Zhao Tian walked through the campus hallway, he felt some strange stares from people walking past him. Some look sad, some look happy... What the fuck is going on here?

At this time, Huyan Li one of his friends spotted him and ran to him "Tian!" Zhao Tian smiled back and nodded. Huyan Li playfully hit his stomach "You are the lucky man for getting our University beauty...haha." he teased.

Huh? "What?" Zhao Tian asked completely dumbfounded. Huyan Li grinned "Now, now... don't try to hide it anymore. Everyone knows that you and Fei Ziyu are secretly dating."

Zhao Tian frowned "Who told you that?" Huyan Li laughed hearing this "Don't act tough, brother. Everyone is talking about that... The hot guy is not single anymore haha."

What the actual fuck?

...

Zhao Ying entered the classroom and sat in her place. "Ying!" Zhao Ying's friend hurriedly came and sat beside her "Congratulations!" she yelled with a happy smile on her face.

Zhao Ying giggled "Congratulations for what?" she asked puzzled. Her friend smiled "Of course because you got a sister in law."

"First I thought those were just rumors, but I didn't expect them to be real, that Zhao Tian and Fei Ziyu are actually dating."

Zhao Ying was taken aback hearing this, Did I hear it wrong "What did you say, my brother and her dating? When? It is not true... who is spreading fake news." she lashed out in anger.

Her friend was startled seeing her reaction "O-Oh, cool down, cool down..didn't you see the pic?" "Huh? What picture?"

The girl took the mobile from her bag and showed a picture to Zhao Ying "See?". Zhao Ying quickly took the mobile and saw a picture where Zhao Tian and Fei Ziyu were walking along the road holding their hands.

What? This shit ain't real... Zhao Ying cursed in her mind.

"I will go and see Tian'er." She dashed out of the classroom in search of Zhao Tian.

...

Walking through the hallways she heard loud whispers of students talking to each other. "Yeah, they are a perfect couple..."

"I always wanted them to be together..."

"Yeah, they look so cute together."

"I am envious..."

"I am happy for Ziyu tho..."

"I wish I also get a handsome man like Senior Zhao..."

"As if it would, in your dreams.."

"Shut up woman."

"Ziyu hit a jackpot..."

"Haha..."

The relentless chatter and teasing only fueled Zhao Ying's frustration. The mere thought of Fei Ziyu with her beloved brother intensified her agitation.

'Fuck! Where are they? Tian'er?'

...

\*Haah\* \*haah\* "Fei Ziyu this, Fei Ziyu that... fucking idiots." Zhao Ying vented her frustration, yelling at her own reflection in the female restroom mirror. Her breathing became rapid, and she couldn't shake off the irritation.

She's been running around the campus for minutes and still couldn't find Zhao Tian or Fei Ziyu. Where are they?

\*weep\* \*weep\* Suddenly she heard faint crying noises. Hm? Without making a noise, she cautiously exited the restroom and reached the backside.

\*gasp\* Zhao Yiong was taken aback, gasping in shock as her eyes widened in sheer disbelief. "T-Tian'er?" she managed to stammer out, utterly stunned by the unexpected scene playing out right before her eyes.

There she saw Fei Ziyu hugging Zhao Tian tightly, with tears streaming down her face as she sought solace by burying her reddened cheeks into his comforting chest.

Zhao Ying's heart ached as she witnessed the sight of them embracing, causing her eyes to tremble in pain "T-Tian'er!" a fragile whisper barely left her lips.

'A-Are they actually? Did he hide it from me?' she couldn't believe that her brother would hide an important thing from her and date a woman behind her back.

Her eyes trembled in intense emotions as she felt a sharp pain sweep through her heart. She didn't expect, that the brother she cherished all these years whom she was so close with would betray her and...

Zhao Ying's eyes welled up with tears and she clutched her chest in pain "N-No, No, No... Tian'er you..." \*tap\* \*tap\* she hastily entered the bathroom.

"No,No, No..." She vehemently shook her head in denial \*thrissh\* she opened the tape and washed her face. "No, T-Tian'er would never do that... I must be imagining things hahahah..."

\*weep\* \*gik\* But she couldn't stop the overflowing tears from her eyes and she bit trembling lips in overwhelming emotions "How long? How long have you been doing this? Lying and dating behind my back?"

"Why?" \*thud\* She couldn't control her emotions and hit the mirror on the wall. "Why?" \*thud\* "Why?" \* thud\* "Why" \*thud\* \*WHY?!!" \*thud\* \*WHYYY???!!!" \*THUD\* "Why would you do that?" With each strike, she cried out in anguish. The intensity of her emotions escalated as she continued to hit the mirror, desperately seeking an answer.

\*thud\* \*thud\* \*THUD\* In a desperate and bewildered tone, she cried out "WHYY???!!!" \*THRISSSSHHH\* With a loud thud, the mirror shattered into countless shards, causing her right hand to be severely cut, resulting in a gush of blood flowing from her palm.

But she couldn't feel an ounce of that pain because her heart in is overwhelming distress right now which she couldn't even say.

Tears streamed down her face "T-Tian'er..."

(A/n: sorry for the unnecessary drama. Won't happen again.)

*Chapter 14: Confession?!*

A few minutes ago-

Zhao Tian picked up his mobile phone and dialed Fei Ziyu's number. Fei Ziyu also immediately responded to the call, "Tian?"

Zhao Tian asked, "Where are you now?" "Now I am near the restroom... I" She replied.

"Just stay there... I'll be there in a minute," Zhao Tian said, canceling the call. A sigh left Fei Ziyu's lips and she went behind the restroom.

A little later, Zhao Tian reached there and asked looking at Fei Ziyu "What is this, Ziyu? Spreading fake photos?"

Fei Ziyu hastily shook her head clearing any accusation "I am not the one who created that fake photo... I don't even know what happened. Someone has edited our photos and spread it."

Zhao Tian frowned his brows. He was kinda sure that Fei Ziyu was the one who did this "Well anyway, we have to first clear the misunderstanding about us dating. I'll tell them first and you should also inform them to clear the rumors. I will talk with the President about this."

"No, Tian..." Fei Ziyu hastily stopped him. "Hm?" Zhao Tian raised an eyebrow. A faint blush adorned Fei Ziyu's cheeks and her eyes were gentle "Why don't we just...make the rumor true? I-I mean... I don't mind dating you, no what I want to say is that I... I love you and like to date you."

"So we can date for real and go out."

Zhao Tian frowned when he heard this and said in an indifferent tone "Sorry, but I have to decline." H-Huh? Fei Ziyu was stunned "Why? Tian? I am everything a man could wish for...I am beautiful, I am rich, and have a good body. You don't even have to work. I'll pamper you and..."

Zhao Tian nodded his head "I know, Ziyu but sorry..." Fei Ziyu's eyes moistened in tears as she took a step forward clutching his hands "You know very well, Tian... I have been pursuing you since the first year. I have been following you like a dog for years so that you could see me and fall in love with me somehow."

"B-But after these years, you still couldn't find me attractive? Why? Tian? What am I lacking, why can't you date me? What part of me is ugly?"

Zhao Tian got irritated seeing her being persistent and this shitty drama. \*puff\* She hugged him tightly "No, Tian.. I won't let you go... I want you to love me back..."

Getting constantly frustrated by her actions, he pulled her arms retracting her from his body "Ziyu, try to understand... I am not really into you, sorry." He spoke and let her go. Tears welled up in Fei Ziyu's eyes and she ran away from there "I hate you..."

"Ah finally..."

Zhao Tian shook his head 'I wonder if Ying'er heard the rumors..' A heavy sigh slipped from his lips, as he made his way from the restroom. As he passed through, his gaze unconsciously swept through the door of the restroom.

Huh? Ying'er? She saw her coming out of the restroom, her right hand drenched in blood. "Ying'er?" He quickly rushed to her side and gently grasped her hand, asking "What happened?" blood was constantly dripping from her hand staining the floor.

Zhao Ying averted her gaze and spoke, "Nothing, I just slipped and fell in the bathroom and got injured." Zhao Tian narrowed his eyes seeing her being indifferent. 'Seems like she heard the rumors.'

"First, let's go to the Infirmary and treat before you lose even more blood," he spoke and thought of wrapping her hand with a cloth to prevent the blood loss. But he noticed tiny glass particles sticking to her skin, if he tied her hands now... it would cause infection so he hurriedly pulled her to the infirmary.

...

"Ouch!" Laying on the bed Zhao Ying winced in pain as the nurse meticulously cleaned the glass particles from her injured skin. After clearing them, she applied first aid wrapping her hand with bandages. "I have done what I can with first aid for now, but it would be advisable for you to seek further medical attention at the hospital."

Zhao Tian gave a nod "Thank you." With a nod, the nurse walked away. A sigh left his lips as he sat on the chair beside the bed "So, what really happened?" he asked frowning.

Zhao Ying gazed deeply into his eyes "I told you already, I slipped and fell in the bathroom and my hand got hit in the mirror and it broke tearing my skin. That's all." Zhao Tian smiled wryly in his mind 'That's not very convincing.'

Zhao Ying turned her gaze away and discreetly looked at him in the corner of her eyes "So what about your secret girlfriend? Now that everyone knows, you don't have to hide it... I am okay now, go and spend time with her."

Zhao Tian could only chuckle seeing her nonchalant attitude towards him as he felt it weird coming from his obsessed sister. Zhao Ying squinted her eyes "Why are you laughing, huh?"

Zhao Tian showed a small smile "Tell me Ying'er, do you think me, your brother would secretly date a woman without telling you? You don't trust me?"

H-Huh? Zhao Ying's heart wavered hearing this question and confusion filled her mind "I... B-But I saw you hugging that Fei Ziyu while she was crying in your arms. What are you gonna say about that? Huh?" she questioned back.

"Haha, so that's how you got that injury. You got frustrated seeing that and hit the mirror to vent your frustration? Given your temper, I can see that happening..."

-- Zhao Ying was dumbfounded seeing that he actually found out. "But that doesn't answer my question. You and Fei Ziyu have been dating and you didn't tell me a word."

Zhao Tian shook his head leaning back on the chair "I am heartbroken Ying'er, to think that you would believe a photo and that woman hugging me to think that we are actually dating. So you really don't trust me... hm?"

U-Um... Zhao Ying's heart trembled and she clutched her head thinking about the situation. In the fit of the moment because of her unstable emotions, she came to the nonsense conclusion... but now thinking about it 'Why would he hide it from me? And he also clearly said that he doesn't like Fei Ziyu...'

'Urgh, he is my brother.. why I didn't believe him? I should have known about him more than anyone... I am a total idiot.'

She looked at Zhao Tian and saw the gentle curve of his lips forming a teasing smile looking at her "S-Sorry, Tian'er.. I just jumped to the conclusion. I am just overwhelmed that you hid a high thing like this from me and..."

Zhao Tian stood up and sat near her on the bed. "Ying'er." With a gentle touch, he lovingly ran his fingers through her hair, speaking softly. Zhao Ying's eyes softened in affection as she saw him pampering her.

She opened her arms to hug him tightly "Ouchhhh!" but as she moved her right arm, she felt a stinging pain from the injury. "Urghh! I did all of this for nothing." she bitterly lamented and regretted her act of hitting the mirror.

"You really overreacted..." Zhao Tian spoke, softly taking her bandaged palm in his hand. "How am I gonna explain this to Mom?" a wry smile appeared on Zhao Ying's face.

But then she remembered something "Tian'er, why was she crying in your arms then?" Zhao Tian spoke "Oh? She just confessed her love to me and I rejected her. So she was crying nothing big."

"O-Oh..." Zhao Ying blinked her eyes perplexed as he casually said rejecting THE Fei Ziyu whom everyone admires and fawns over in this University

A great sense of relief flooded her heart, as if a weight had been lifted off her chest, for a moment she thought her brother would get stolen away from her. She leaned on his shoulder closing her eyes, surrendering to the warmth and comfort in his presence.

Meanwhile, Zhao Tian had other thoughts 'Shenyi said there is also Alchemy. So are there healing pills or something like that to heal injuries faster?'

...

Zhao Tian is sitting on the couch sipping his coffee, as he continues scrolling through his mobile phone. He turned his attention and saw his Mom lecturing Zhao Ying for being so clumsy and injuring her hand.

He laughed in his mind seeing Zhao Ying looking at her Mom with puppy eyes while being scolded.

*Chapter 15: The real Confession!*

In the night~

Zhao Ying, comfortably seated on her bed in her room looked at the edited picture of Zhao Tian and Fei Ziyu with proof attached to it in her group.

"As Tian'er said, the President has taken action to dismiss the rumors...hmm..." she mused aloud. Engrossed in her thoughts, absentmindedly her fingers zoomed at the photo of them holding hands.

A frown appeared on her face, casting a brief look at her hand, which was wrapped in bandages "The injury is not that big but it is still paining a little bit. urgh!" she grumbled in frustration.

At that time, she was not just angry, she was also scared. Scared that her Tian'er would abandon her and select someone else as his partner.

Her eyes became determined "I can't delay anymore and should confirm my feelings with him before any bitch could get him."

... Zhao Tian sitting on his PC chair looked at the pendant on his neck "It's already time, I should go and see Shenyi..." as he thought \*knock\* "Tian'er"

Hearing his sister's voice, Zhao Tian spoke "Come in, Ying'er" Opening the door, Zhao Ying entered his room with a smile "Tian'er..."

"What happened? Big sis?" Zhao Tian asked curiously as she came to meet him late at night. Casually walking to the bed, she comfortably sat on it "Nothing, I just couldn't sleep, so I came to see you."

Zhao Tian glanced down at his sister's right hand, concern etched across his face "Is it still hurting?" he asked standing up from his seat. Zhao Ying gave a small nod "Yeah, a stinging pain..." she spoke seeing him sitting beside her.

"By the way, Tian'er, I saw the edited photos and their proof in the group chats." Zhao Tian nodded "Yeah, this will clear the rumors about me and her. Are you happy now?" he asked with a chuckle.

Zhao Ying smiled dryly looking at her hand "Yeah, Very happy..." she spoke and saw him smiling at her.

She let out a long, weary sigh, the weight of her words heavy on her heart, "Tian'er, I need to talk about something." Seeing her serious tone, Zhao Tian nodded his head "Ok, let's talk..."

"Tian'er, what do you think about me?" Zhao Ying asked the important question. Zhao Tian understood what she wanted to talk but he acted oblivious "Hm? About you? You are a great sister... taking good care of me."

"We are very close and you always spoil me. I think I am lucky to have an amazing sister like you."

Zhao Ying shook her head "No, No, Tian'er... not like that. Like in a... in a.. rom- ahem womanly way."

"Womanly way?" Zhao Tian asked raising his eyebrow still acting confused. Zhao Ying nodded quickly "Yeah, yeah... as a man how you see me as a woman."

"As a woman huh..." Zhao Tian spoke his eyes scanning her whole body. As she was wearing a tank top and half pants he can see her alluring curves and her thighs "You are really gorgeous, has a sexy body and soft boobs, a nice ass."

Rather than becoming angry, Zhao Ying's lips curved upward into a happy smile "Yeah, like this... something like this... now you are on the right track. You are attracted to me sexually, right?"

Zhao Tian laughed in his mind enjoying her reactions and spoke with a frown "Attracted sexually? I mean... you are my sister and you are really beautiful and have nice assets so I said that... what do you mean by sexually attracted."

Huh? Zhao Ying's lips twitched in anger but she took a deep breath controlling herself "Why are you bringing the sister part? Keep it away."

"Why? You are my sister, right?"

"Nooooo...."

"What? You are not my sister?"

"N-No, I mean like... urgh."

"See? You said it yourself... you are my sister."

Zhao Ying facepalmed herself constantly getting frustrated by Zhao Tian's irritating behaviour. Meanwhile, acting clueless about her advances, Zhao Tian is relishing this chaotic banter.

But unconsciously a teasing smile slipped his lips and Zhao Ying noticed this. She quickly understood that he was fooling her "You idiot..." she yelled and hit his chest with her left hand.

"You! You! You are playing with me, right? right? You damn idiot." Receiving her feeble punches, Zhao Tianm chuckled "Hey, stop it..."

Zhao Ying stopped, squinted her eyes, and looked at him angrily. Zhao Tian smiled softly and pinched her cheek "You are cute when you are angry."

\*thud\* Zhao Ying pushed him onto the bed with her left hand, got on top of him and sat on his gut, pinning him down. "Don't play around anymore, Tian'er..."

"Be serious. We both know that we are not normal siblings. We have been very close since childhood and you definitely know about my feelings... I wanna know about yours."

"So tell me, Tian'er... what am I to you?" she asked, her eyes trembling in anticipation and anxiety.

Zhao Tian just smiled, his eyes softening with affection, and extended his hand toward her face. Zhao Ying felt her heart race as he reached out, his fingers gently brushing a strand of her hair away from her face.

Their eyes locked, and in that moment, the world outside ceased to exist. The anticipation hung thick in the air, "Hasn't that always been beyond obvious idiot?" he spoke with an affectionate tone, almost teasingly, and slowly closed the distance, their noses brushing lightly before their lips met in a sweet, lingering kiss.

Zhao Ying gasped in surprise, a shiver ran down her spine feeling the warmth of his lips over hers. Her eyes trembled in uncontrollable happiness and without hesitation, she eagerly responded to his affectionate kiss, closing her eyes to fully immerse herself in the moment. 'Tian'errr!'

\*chu\* The kiss deepened, a slow dance of passion and affection. His hand found its way to her back, drawing her closer as their bodies melted into each other. Time seemed to stand still as they explored the warmth and softness of each other's lips.

Zhao Ying's hand found its way to his shoulders, fingers gently tracing the contours of his neck. Every touch sent a ripple of desire through them, a silent promise of the love that had blossomed between them. The room seemed to pulse with the beating of their hearts, synchronized in a rhythm that echoed the unspoken language of their connection.

As their lips parted, they rested their foreheads together, savoring the closeness. The room seemed to hold its breath, witnessing a moment so pure and intimate. Zhao Ying's fingers traced the outline of his face, capturing the details that made him uniquely him.

\*sigh\* A deep relieved sigh left her lips as she fell on his shoulder "Tian'er, I love you and I... always know that you loved me too. Because we are that close after all... But I

don't want to misunderstand things and... after seeing Fei Ziyu today, I thought I shouldn't keep these feelings to myself."

"I just wanted to confirm and wanted to hear from your lips that you love me. This is all I wanted..."

Zhao Tian smiled patting her head "Are you happy now?" Zhao Ying nodded still lying in his embrace "Super happy, Babe..."

"Babe?" Zhao Tian let out a chuckle. Zhao Ying pouted her lips cutely "You don't know, Tian'er... seeing all those couples reels on Instagram... hmph. So I am also gonna try them and will call you Babe from now on."

"Do as you wish..." They both lay there silently without speaking any words only relishing in the warmth and softness emanating from each other's bodies.

A little later, Zhao Tian opened his lips "Don't you wanna return to your room, Ying'er?" Zhao Ying still closing her eyes spoke "No, I know Mom will scold me if she found out I slept with you... but I wanna sleep with my boyfriend."

In order to find a comfortable sleeping position and snuggle with him, she adjusted herself on the bed but because of her injury she couldn't hug him "This fucking hand..." she exclaimed in frustration.

Zhao Tian chuckled faintly "Why don't you face the other way? I can hug you from behind, making it more convenient for you." Zhao Ying agreed and obediently turned to her right, stretching out her arm. Gently, Zhao Tian wrapped his arms around her from behind, creating a comforting embrace.

As the warmth gently caressed her back, Zhao Ying couldn't help but feel a sense of satisfaction wash over her. But her smile stiffened "Oh, well, well... Tian'er, it seems like your naughty hands are up to no good." she said in a teasing tone.

Zhao Tian has already slipped his hand through her tank top softly groping her boob, "Hm... as I expected, they are so soft, Ying'er. I can grab on them forever."

"Haangh~!" A faint moan escaped Zhao Ying's lips as she felt his warm hand playing with her boob. Zhao Tian smirked and whispered in her ear "What a cute moan... and how bold of you to not wear a bra."

He gently pinched her nipple with his fingers eliciting soft moans escaping her lips "Hhnnngh~! T-Tian'er... you are a predator." Zhao Tian laughed "Blame your body, always walking around me wearing such revealing clothes. I am a young man you know?"

He placed soft kisses on her neck as his hand explored her delicate boobs molding them at his will. "Ying'er the top is in the way..." he said and pulled the top up.

Zhao Ying could only comply as she raised her arms and Zhao Tian removed her top revealing her boobs with a pink nipple adorning its peak.

Zhao Ying's face turned red as she saw her brother looking at her boobs with a fiery gaze "Tian'er, it's embarrassing..."

"Don't be embarrassed, Ying'er. You are so beautiful..." he spoke kissing her cheek. As his finger delicately traced the contours of her face, he eventually arrived at her luscious lips, showering them with passionate kisses.

Zhao Ying also closed her eyes, reciprocating the kiss. Although she was inexperienced and unsure of herself, she tried her best to imitate his movements and embrace the true essence of a proper kiss.

As the kiss deepened, Zhao Tian, gently pinched her delicate pink nipple. This unexpected feeling sent waves of pleasure coursing through her body, causing Zhao Ying to instinctively open her mouth in a soft moan of ecstasy. "Hmng~!"

Zhao Tian seized this opportunity sliding his tongue, catching Zhao Ying off guard 'Tongue?'. As their lips locked, the innocent kiss quickly transformed into a fiery and intense exchange, their tongues intertwining and exploring each other's mouths, savoring the unique taste of their combined saliva

\*huff\* A little later, Zhao Ying retracted her lips from a string of saliva connecting their lips. Zhao Ying's face is red as a tomato and she shyly buried her face in his arms.

"Your hand is injured, so if we continue it would be uncomfortable for you... so let's sleep."

Zhao Ying nodded "But before that..." she murmured softly, her voice laced with a hint of seduction "There is something else we must attend to." With a mischievous smile playing on her lips, she gently reached out to grasp the hem of his t-shirt "Remove yours too."

Zhao Tian removed his t-shirt showing his chiseled upper body. She couldn't help but lean in closer, her body pressing against his, savoring the electrifying sensation of his warm, bare skin under her touch.

"I love you, Tian'er!"
