Chapter 21: Speed driving?!

Next day morning~

Seated comfortably on the lap of her beloved Zhao Tian inside the car, Zhao Ying leaned in closer, her lips gently meeting his, as her delicate hands gracefully wrapped around his strong neck. "Hnngh~ Tian'er..." she mewled as their kiss intensified.

After pulling away from the kiss, Zhao Ying smiled ruffling his hair. Zhao Tian gently slipped his hand inside her hoodie groping her boob.

Zhao Ying just giggled letting his hand be naughty on her body. Taking a nice squeeze of her boob, Zhao Tian withdrew his hand. "My brother is a pervert." Zhao Ying said with a teasing smile.

"I have a gorgeous sister, how can I not be a pervert?" He asked causing Zhao Ying to chuckle. As she affectionately leaned on his shoulder "Tian'er my hand is already healed so tonight maybe..."

"Bet!"

...

After leaving Zhao Ying at the university, Zhao Tian drove fastly across the smooth roads and stopped midway to get some drinks.

As he was leaving the store, he saw a male and female police officer looking around his car. "Huh?" He walked to them and asked, "Is something wrong?"

gasp The female police officer was startled by this handsome man and stood there with her mouth wide open in shock. Seeing his colleague's reaction, the policeman smiled bitterly and shook his head: "Mister, are you the owner of this car?"

Zhao Tian, with a slight nod and a sip of his drink spoke "Yeah.". The policeman nodded back "Good, Miss Yin arrest him and seize his car."

Zhao Tian frowned "Why are you arresting me?" The policeman spoke, "You violated traffic rules by driving past the speed limit and you drove away when we chased you trying to escape from the police."

-_- The fuck? Well, it is true that he drove fast but escaped from the police? He saw a police car behind but he didn't it was actually chasing him.

The policewoman came out of her daydream and spoke "M-Mister, we need to arrest you for overspeeding... but since you are handsome I'll let you go if you give me a kiss, hehe."

The policeman's lips twitched in frustration and he yelled "What the hell are you saying? Do your job properly." The policewoman pouted "You are boring..."

A sigh left Zhao Tian's lips, it is not hard to get away from here with cultivation powers but it'll catch some eyes and increase his problems. 'Urgh, what a pain...'

The policeman spoke "Mister, your key... we will drive you to the station." Zhao Tian unlocked the car and tossed the key to the policewoman as he entered his car.

The policewoman smiled looking at the policeman "I'll hand over the things with him in the station."

"Don't let him go for a kiss, you idiot.."

"That I was just kidding..."

...

vroom As the policewoman drove the car through the bustling streets, she discreetly glanced at Zhao Tian trying to strike up a conversation but he was engrossed in his phone.

'Pick up the fucking call, old man.' Zhao Tian kept calling Li Jie because he knew with his influence this kind of case was nothing.

The policewoman spoke with a light cough "A-Ahem, Mister are you in the modeling industry?" Zhao Tian shook his head responding nonchalantly "No."

The policewoman was amazed "O-Oh, I see.... since you are handsome I thought you might be hehe..."

She continued "You look young, are you a university student?" The policewoman asked and Zhao Tian gave a nod "Yeah..."

"I see, I see..."

The policewoman continued striking up conversation along the way through to the police station.

As they reached the police station, both of them stepped out. The policewoman spoke with a smile looking at him "Mister, I can still let you go if you give me a kiss, how about it?"

"Not interested!" Zhao Tian declined the offer.

The policewoman sulked "Well, let's enter and complete the procedure."

Zhao Tian cast a brief glance at a particular name in his phone's contact list and sighed 'Well, let's try to call her.' *ring* *ring* On the other end, Chi Miya, taken aback by the unexpected call from Zhao Tian, hastily answered with a trembling voice, "Um, Mr. Tian?" Her surprise was evident, as it was rare for Zhao Tian to personally reach out to her.

Zhao Tian spoke "Chi Miya, I am in a slight trouble..." Chi Miya replied, "Tell me what Mr.Tian, I will help with my full force."

...

In the police station, the female police officer sat opposite Zhao Tian "Name?" "Zhao Tian."

"Age?" "21"

"Gender?" "Are you serious right now?"

"It's 2024, we can't be so sure... so answer the questions, Mister, hehe." "Male."

"Are you attracted to a woman who is older than you and works as a police officer?" "No."

"T-That was rude, you know?" "I just answered the question."

thud At this time, the door opened and a policeman came in "Miss, a woman named Chi Miya has come to see Zhao Tian."

"Oh, let her in."

Chi Miya entered the room and smiled at Zhao Tian. The policeman was surprised looking at the beautiful Chi Miya "Mister, is this your girlfriend? No wonder you rejected me..."

E-Eh? Girlfriend? Chi Miya was startled hearing this but she spoke with a light cough "Officer, I have already talked with the authority and also paid the penalty. So you can free Zhao Tian."

A sigh left the woman's lips "Then you and your boyfriend can leave." Chi Miya was confused seeing the woman constantly mentioning Zhao Tian as her boyfriend.

Zhao Tian stood up and before leaving the room he looked at the policewoman. The Policewoman blinked in confusion "Don't tell me you are gonna kiss me?" she questioned, her voice laced with a mixture of surprise and amusement.

"My car keys." Zhao Tian asked and she couldn't help but wear a slight pout on her lips as she extended her hand. "See you later, handsome." ...

Coming out of the police station Zhao Tian spoke with a smile "Thanks for coming to help." Chi Miya shook her head "No, No Mr.Tian... I am glad I could help you."

"But I never really expected Mr.Tian would get caught by the police for speed driving." Chi Miya spoke with a giggle.

Zhao Tian smiled wryly and spoke "You don't have to call me Mister, just call me Tian. I'll also call you Miya."

Though taken aback, Chi Miya gave a nod "En." she replied and asked in a low voice "T-Tian, Do you know how to drive cars super fast?"

With a chuckle, Zhao Tian nodded "I am quite good at it."

An excited smile appeared on Chi Miya's face "Then, Tian can you take me for a ride? I know this is sudden, but I love to drive cars fast... but at the same time I am scared so if you could..."

Zhao Tian laughed light-heartedly hearing her reason and gave a nod "Sure..."

...

swoooosh "WOOOOO!!" The sound of the wind rushing past her was like a symphony to Chi Miya and she screamed in excitement feeling the cool breeze against her face. Riding in Zhao Tian's car, which happened to have a sunroof, only added to her delight, as it provided an unobstructed view of the sky and allowed her to fully immerse herself in the exhilarating experience.

"AHHHHH!" But as the car sped up even more, she screamed in both fear and excitement. Zhao Tian chuckled in amusement seeing her screaming like a baby.

ring At this time, Zhao Tian's phone rang and he picked up the call "Fuck you, Oldman." *click* On the other end, -_- Tf? Li Jie was dumbfounded. *ahem*

After a few minutes of speed driving, a deep sigh left of satisfaction Chi Miya's lips as she sat in the front seat "That was very good." Zhao Tian smiled "Your hair is a mess."

"Ah!" Chi Miya was embarrassed and hurriedly fixed her disheveled hair. As her gaze landed on Zhao Tian, her eyes softened "Thanks for the ride, Tian."

Zhao Tian gave a small nod as he kept driving. Chi Miya giggled "It was really fun, but I don't have enough time... I have to return to the company."

But sudden ideas appeared in her mind "Tian, how about we go for a long drive at super speed when you are free."

Zhao Tian smiled in his mind seeing her getting excited like a child "Alright then!"

*Chapter 22: *Zhao Ying**

In the dinner table-

Eh? Zhao Suyin blinked her eyes in confusion "Ying'er the food is not going anywhere... you can eat it slowly." She spoke seeing Zhao Ying stuffing the food inside her mouth.

"Nw mowm...I gwtta dow theewgs" Zhao Ying spoke munching her food. -_- Zhao Suyin looked at her daughter dumbfounded as she started speaking a new language.

Zhao Tian who is sitting beside her gently patted Zhao Ying's head, his fingers running through her soft pink hair "Why are you so hasty, Big sis... Eat slowly."

Seeing his playful smile, a blush crept over her cheeks. Feeling a mix of shyness and excitement, she responded with a timid nod "E-En..." *num* *num*

As Zhao Tian continued eating his food, he suddenly felt a gentle and delicate sensation on his feet, causing him to divert his gaze downwards. There he saw Zhao Ying playfully tickling his leg with the dainty movements of her toes.

Zhao Tian chuckled in his heart seeing her secret teasing and played along with her teasing her back. Zhao Ying couldn't help but giggle a small smile growing on her lips.

Zhao Suyin frowned "Ying'er why are you suddenly grinning like an idiot?"

"N-No...mom...I just remebered a old joke my friend said years ago. Haha..."

Huh?

...

As Zhao Tian lay on his bed, he sensed a presence drawing closer to his room, causing a smile to spread across his face as he carefully set his mobile phone down on the nightstand.

The door to his room slowly and quietly creaked open, revealing the figure of Zhao Ying, clad in a tank top and shorts that reached halfway down her thighs..

With light steps, she hurriedly walked to the bed and jumped on him "Tian'errrrr" she yelled in a low voice.

Zhao Tian gently wrapped his arms around her, pulling her close as she nestled against him. The strands of Zhao Ying's wet hair cascaded over his head, their foreheads delicately meeting and allowing their gazes to intertwine, her captivating pink eyes locked with his mesmerizing blue eyes.

Their lips were so close, almost touching. Zhao Tian smiled "Seems like you took a bath for this." Zhao Ying gave a little nod "I brought my body fresh for my brother to eat..." she spoke in a teasing tone.

Zhao Tian gently raised his hand pulling her neck and bringing her lips closer. Zhao Ying closed her eyes surrendering to the moment as she felt his warm lips over her wet chilly lips.

Zhao Tian delicately sucked her upper lips while she nibbled on his lower lips savouring their tender kiss.

thud Not breaking the kiss, Zhao Tian gently turned and pushed her on to the bed. Zhao Ying in return wrapped her hands around his neck while entangling her legs around his waist.

slurp Zhao Tian pushed his tongue in her mouth tasting her sweet saliva and Zhao Ying reciprocated intertwining her own tongue with his in a sensual dance of desire..

Retracting the kiss, Zhao Ying smiled and Zhao Tian leaned in placing kisses over her neck relishing the soft touch of her skin.

Zhao Ying hugged him as he continued enjoying her body. His hands slowly went down, his fingers slipping inside her tank top pulling it up revealing her plump boobs with pink nipples like a cherry in top of a cake.

Zhao Ying obediently raised her arms making it easier for him to remove her dress. Zhao Tian smiled his hand cupping her boob in his palm, gently squeezing it. "What a cute pair of boobs..." he muttered causing Zhao Ying's cheeks to flush with embarrassment.

Zhao Ying bit his lip sinking her teeth in it and feeling the delicate texture of his lips. "Haannhh!" A low, throaty moan escaped her lips, intensifying the desire coursing through her veins, as Zhao Tian tenderly pinched her delicate pink nipples, sending electric shocks of pleasure surging throughout her body.

Their tongues engaged in a fervent duel, eagerly savoring the mix of their own saliva. His tongue explored every inch of her mouth tasting her nectar saliva.

Kissing him, she gently traced her hand along his body, slowly and seductively trying to remove his tshirt. Zhao Tian played along with her as he took off his tshirt and Zhao Ying mellowed feeling the warmth of his skin against her fingertips.

As her fingertips gently glided over his taut muscles, she savored the subtle outlines and hollows that adorned his perfectly sculpted abs.

"You have such supple boobs, Ying'er." Zhao Ying's breath was erratic feeling Zhao Tian's fingers sinking in her boob and molding it as he desired.

"Hyaangh~~~ ...Hmnggh~!" He continued kneading it making Zhao Ying contort under him

His hand glided over the enticing curves of her cleavage and eventually came to rest on her abdomen. With a mischievous twinkle in his eye, his finger playfully danced around her belly button, causing a delightful sensation that sent shivers down her spine and made her body convulse with ticklish pleasure.

"Hyangh..Tian'er, it t-tickles..." she whined as her sensitive belly button couldn't withstand the teasing touch of his finger.

Haah "T-Tian'er..." Zhao Ying took deep breaths as she continued kissing him. Zhao Tian broke away from the kiss, his lips leaving a trail of gentle kisses down her chest, following the curves of her cleavage.

Her boobs came in front of his face and without hesitation he began to suck on her boob. *slurp* The sensation of his moist tongue delicately caressing her nipple brought her immense delight, leaving her yearning for more

"Hyaangh...umm.." Zhao Ying's heart swelled with pleasure as his lips sucked on her erect nipple. Zhao Tian kept licking her nipple relishing the sweet cherry flavor of her pink nipple.

Zhao Ying bit her lips in ecstasy as Zhao Tian eagerly and passionately sucked on her nipples *num* *num* As he sucked, his hand began to go even downward.

Feeling the fabric of her shorts gradually sliding down her waist, she instinctively lifted her legs in response as Zhao Tian removed the last piece of clothing on her body.

Zhao Tian took a second to admire the seductive body of his sister lay bare in front of him to watch. His gaze fell on her crotch and feeling his stare, Zhao Ying instinctively clasped her thighs.

Zhao Tian leaned up whispering "Come on, show it to me..." he kissed her ear his fingers tenderly caressing her thighs.

Overwhelmed with a mix of embarrassment and arousal, her face flushed an even deeper shade of crimson as she hesitantly spread her legs showing him her pink pussy.

"Now thats my girl!" He spoke softly slipping his fingers near her pussy. Zhao Ying felt a course of pleasure through her body feeling his fingers rubbing the outer folds of her pussy.

"Aangh!" Zhao Ying moaned as Zhao Tian's fingers caressed her sensitive outer lips and the clitoris.

slick Zhao Ying's body twisted in his embrace as he slid his middle finger into her pussy. "W-Wait..."

"Yaanghh!" a soft moan escaped her lips as his finger gently probed the depths of her inner vaginal muscles, causing her to whimper with delight

Zhao Tian kissing her neck, moved his finger in and out of her pussy while caressing the clitoris with his thumb.

"Angh~!..Angh~!..Angh~!" Zhao Tian's poked and stretched her inner vagina walls with his fingers. With each deliberate movement, an intoxicating mix of pleasure and desire washed over Zhao Ying, leaving her incapable of holding back her passionate moans.

After experiencing his tender touches for a while, her body reached its limit and could no longer contain the overwhelming pleasure "Anghhhh~!" with a loud moan *squrt* she came painting his fingers with her love juices

Her eyes turned moist and her chest heaved up and down *huff* *Huff* as she struggled to catch her breath after the intense orgasm she experienced.

After a few seconds, her breathing calmed down as she regained clarity, her eyes inadvertently fell on Zhao Tian's crotch and seeing his dick she yelled in shock "Why is it so big?"

Zhao Tian has already removed his clothes and is ready to fuck his beautiful sister.

Zhao Ying gulped her saliva in a little fear seeing her brother's big cock. She again glimpsed at her pussy which was drenching with love juices "W-Will it even fit?"

"Lets find out..." Zhao Tian leaned his body closer to hers. He softly pulled her waist bringing her crotch near to his cock.

A sigh left Zhao Ying's lips "I kept this virginity for years for you, Tian'er... lets find out if sex is really good."

Zhao Tian chuckled taking her lips in a tender kiss and Zhao Ying's eyebrows twitched as she felt Zhao Tian stroking his dick against the outer folds of her pussy smearing his cock with her wet juices.

Gently retracting the kiss, Zhao Tian slowly slid his dick inside her vagina and Zhao Ying could feel her brother's big dick slowly spreading the slippery inner folds of her vagina stretching it.

Zhao Tian experienced an overwhelming sensation as he felt her inner folds tightly embracing his dick, sending waves of pleasure that consumed his thoughts completely.

"Hhngghh!" She grunted in a little pain as Zhao Tian kept pushing forward reaching near her hymen. Feeling this she took a deep breath and gave a nod "Tian'er..."

Zhao Tian seeing her nod inched his dick in piercing through her hymen taking her virginity.

"Urghhhhh!!!" Zhao Ying screamed in piercing pain as blood dripped from her pussy staining the sheets. "T-Tian'er..it hurts..." Clinging onto Zhao Tian desperately, she found solace in his embrace, but the pain continued to sear through her body, causing her to unconsciously dig her nails into his skin, leaving visible scratches.

Zhao Tian also grunted in pleasure as Zhao Ying's tight pussy clenched his dick tightly and he wanted to ram her pussy but he held himself back from pounding on her.

Zhao Ying's eyes mistened with tears as they cascaded down her eyes. Zhao Tian kissed her lips at the same time pinching her nipples to alleviate her from the pain.

A little later, Zhao Ying calmed down as the pain also began to slowly settle down. Seeing this, Zhao Tian spoke "I'll move slowly..."

Zhao Ying nodded "En... Tian'er slowly..." she spoke. It seems like only men can really enjoy sex as she could still feel the tingling pain in her pussy.

Her misty gaze fell on Zhao Tian's face and she could tell that he was really holding back from ravishing her. Her eyes softened seeing this and she spoke "Tian'er I am okay now.. so go faster... as you desire."

Huh? "Are you sure?" Zhao Ying gave a nod "En." She gritted her teeth in getting ready to feel the excruciating pain 'As long as Tian'er can enjoy my body...'

But what came next shocked her, instead of pain she felt a pleasure coursing through her body. H-Huh..

Eh? But she was startled as the pain reduced but she experienced a captivating surge of pleasure flowing throughout her entire being. T-This...

As his dick again poked her womb, Zhao Ying's eyes widened "Anghh~!" a soft moan came out of her mouth.

"T-Tian'er...!"

Zhao Tian slowly increased his pace seeing her adjusting to his dick and felt her vagina tightly enveloping his cock massaging it. He pushed his hips back and forth enjoying the blissful feeling.

"Aangh...Hyaangh...Uunghh~!...Tian'er...its good!"

At first, Zhao Ying felt extreme pain, but after Zhao Tian's cock constantly poked her pussy her mind and body were consumed in pleasure.

A series of moans left her lips with each movement of his cock inside her pussy. This new sensation is so amazing and addicting for her.

"Hhng~!" she felt as if electricity passing through her whole being enlightening her senses as they both lost themselves in lust and lovemaking.

huff "Yaangh`!" With heavy breaths and expressive moans, the room was filled with an intoxicating blend of their sweat and the scent of their lovemaking, enveloping their senses.

pakh Zhao Tian kept plugging his cock in her vagina and Zhao Ying who is moving along with his thrusts spoke "Tian'er. I-I love you...Mmnhgh~ Haah~!!!"

smooch Their lips pressed against each other, their kiss filled with intensity. In that moment, their tongues danced together, savoring the delicious flavor, as they both responded with equal passion.

Retracting the kiss, he moved his mouth to her boobs and began to suck on them as he kept thrusting his dick making her mind muddled with overwhelming pleasure.

The pleasure caused her body to tense up and Zhao Tian felt her pussy tightening over his dick "Urgh!" grunt of satisfaction escaped his lips, fueling his desire to relentlessly pleasure her with every thrust

Her mind began to turn white and only sweet moans escaped her lips constantly. Zhao Tian felt that she was about to come and quickened his pace.

PAKH "Ahnng~!...T-Tian'er!!!" she moaned heavily and her body twisted and she came and at the same time *splurt* Zhao Tian unloaded his deep white magma deep in her hole.

Zhao Ying's body quivered as she felt his thick hot cum coursing through her womb making it hot.

pop Zhao Tian took out his dick and saw his cum overflowing from her pussy. Zhao Ying, catching her breath and radiating a contented smile, gazed affectionately at Zhao Tian.

"Tian'er!" she called gently and Zhao Tian lay beside her. They embraced each other tightly on the comfortable bed, finding solace and warmth in each other's arms. Resting her head gently against his chest, they remained in a loving and affectionate embrace.

Soon her breathing became constant and closed her eyes to sleep after the tiresome work. Zhao Tian couldn't help but smile tenderly as he gently stroked her soft, pink hair before closing his own eyes.

Chapter 23: What the hell Mom?

In the morning~

"Urgh it hurts a little" Zhao Ying let out a faint groan, feeling a dull ache as she tried to move in the bed. She glimpsed below at her vagina and saw it was slightly red.

Zhao Tian who was sitting near on her bed let out a heartfelt sigh as he gently grazed her pussy with his fingers. "Hnng Tian'er" she softly whimpered, experiencing a mixture of both discomfort and pleasure.

"Ying'er" Calling her softly, he kissed her lips and Zhao Ying reciprocated the tender kiss a smile appearing on her lips "I am leaving, Tian'er... it would be trouble if Mom saw us together naked like this."

Zhao Tian gave a nod and Zhao Ying slowly got off the bed. Then she took her tanktop and shorts wearing it "Tian'er I'll clean the bedsheets... don't worry."

As Zhao Tian rose from the bed, she spoke and proceeded to fold the bedsheets. Taking the bedsheets in her hands, she gently tap kissed him "See you later babe..."

After she left, Zhao Tian entered the bathroom to freshen up.

...

As Zhao Tian came downstairs after refreshing he quickly entered the kitchen. Seeing his Mom working in the kitchen a warm smile crept across his face. He approached her from behind, affectionately enveloping her in a gentle embrace "Good morning, did you wake up late today?" he whispered softly.

Feeling a pair of strong hands on her waist, Zhao Suyin smiled and raised her hand caressing his cheek "Yeah dear... thats why I couldn't bring the coffee..."

"Well then, take your time. I'll go and check on Ying'er." He said retracting the gentle hug and Zhao Suyin gave a nod.

Watching him leaving the kitchen, Zhao Suyin frowned her eyebrows concern evident in her face and a small sigh left her lips.

thud Pushing the door, Zhao Tian entered Zhao Ying's room but seeing that she is not there he walked to the bathroom "Ying'er."

"Babe? Enter in... the door is open." Hearing her voice, Zhao Tian entered the bathroom and saw Zhao Ying captivating figure as she stood there butt naked brushing her body with with a soft towel.

Zhao Ying's face illuminated with a gentle smile "Tian'er..." Zhao Tian walked toward her taking her bare waist in his left arm, his right hand's fingers delicately trailing down her abdomen reaching her pussy as he tenderly caressed it.

"How do you feel now?" Seeing the concern in his eyes, Zhao Ying smiled and leaned against his chest. "After a refreshing bath... the pain has decreased."

"Is that so?" He spoke, spreading the outer folds of her pussy with his fingers. Zhao Ying hugged his neck and her body trembled at his touch, "Are you getting horny again...?"

Zhao Tian chuckled bringing his hand to her ass feeling the suppleness in his palm by squeezing it "Seeing you naked is of course turning me on..."

He murmured softly as he nuzzling his face against hers, causing Zhao Ying to burst into a fit of giggles, "But now is the wrong tome ro het horny and mom is also here... later tonight." *smooch* she spoke sealing her words with a sweet kiss.

"En..."

Sitting on the bed, Zhao Tian looked at his sister who was wearing her clothes standing in front of him. Zhao Ying just smiled seeing her brother's intense gaze on her body "Idiot..."

...

While eating the breakfast, Zhao Suyin discreetly glanced at Zhao Tian from the corner of her eyes, appearing deep in thought contemplating about something.

Zhao Tian also noticed her secret glances and frowned 'What happened? Why is she looking at me like that?'

'Well keeping that aside, I have to quickly go and meet Shenyi and need to talk about the thing that happened today morning.'

...

After dropping off Zhao Ying at the university, Zhao Tian parked his car at his home garage and made his way into his house.

As he entered the stairs, Zhao Suyin came out of her room and when she saw him, she called him "Tian'er!"

Zhao Tian stopped and turned his head "Mom?" With a gentle smile gracing her face, Zhao Suyin beckoned him closer, "Tian'er come here for a minute..."

Zhao Tian walked near her "What happened mom?" A heavy sigh escaped from Zhao Suyin's lips as she reached out and lovingly took hold of her son's hand, leading him into her room "Come with me..."

thud She closed the door and looked at her don. "Come and sit" She pulled him making him sit on the bed.

Zhao Tian was totally confused seeing his Mom's activities. Zhao Suyin also sat close to him on the bed.

"Umm..." Zhao Suyin found herself at a loss for words, her thoughts swirling in her mind and hesitated as she doesn't know how to start the topic. Zhao Tian frowned seeing her hesitation. 'Is she gonna talk about dad?'

Zhao Suyin cleared her throat with a light cough *ahem* "W-Well was yesterday night your f-first time?"

Huh? First time? Zhao Tian was even more confused. But at this time he realized, Don't tell me she knows about Ying'er and me.

Zhao Suyin gently took his hand in hers and she was still hesitant "Tian'er... I know you are a young man who was at that stage right now."

"I should have talked about these things with you when you were quite younger but you are a mature kid so I thought you would understand.... b-but I didn't expect you would do something like this."

HUH? WHAT THE HELL? Zhao Tian felt even more confused by her words. Does she know or not?

"Was yesterday your first time m-m-masturbating?" Zhao Tian blinked his eyes in shock hearing her words. What the actual fuck?!

A blush ran across Zhao Suyin's face "I-I mean... I heard some moaning noises and you g-grunting in pleasure..."

"You could have used your headphones... but you even put porn on speakers and started m-masturbating?"

Zhao Tian was utterly perplexed, unable to find a suitable response to these baffling questions and stayed silent. How can he say, Mom I was not watching porn and was actually banging my sister?

Seeing him staying silent, Zhao Suyin's eyes creased in worry "Why are you silent, Tian'er? Was it painful yesterday?"

"Or was there any problems with your body?" She asked softly caressing his cheek.

A sigh escaped her lips "This is partly my fault... I should have taught you while you were younger and you don't have a girlfriend till now..."

"So I was quite worried about your health. Did everything went good last night?"

Zhao Tian's lips twitched "Don't worry mom... everything's good." He spoke with a wry smile.

A contemplative sigh left Zhao Suyin's lips and the blush on her face deepened "D-Do you need help from me son?" she asked placing her hand on his crotch.

"Mom?" Zhao Tian was taken aback by the unexpected action of his mother. Zhao Suyin's eyes quivered in intense emotions "Don't react like that, I am your mother... We are family and you don't have a girlfriend and if you really want help from a woman...t-then..."

"Are you serious right now?" Zhao Tian blurted out in shock. Zhao Suyin pouted her lips "What? You are my son no matter what is your age... I bathe you when you were a baby... do you think I haven't seen your thing? Huh?"

Her anger grew as her son adamantly refused to have an open conversation about the matter. "I am your mother, Tian'er... I have carried you in my belly for 10 months and I have all the rights to check the health and body of my son."

As his mother, she felt a deep sense of responsibility and a natural instinct to protect him, making it even more frustrating that he was unwilling to share his thoughts and feelings with her.

She spoke, hurriedly pulling down the zipper of his pants. But Zhao Tian caught her hand, "Mom, stop..."

"Don't interrupt me, Tian. Its perfectly alright. We are mother and son and it is my duty to check on you when you don't have a girlfriend." She shouted as she tried to pull down his pant.

But seeing that he still refused to let go of her hand. Zhao Suyin squinted her eyes and looked at him: "Tian'er let go of my hand..."

"No, I don't want to..." He never thought his mother would force him into such an embarrassing situation.

"Tian'er... I would really get angry if you didn't let me go." Zhao Suyin spoke in frustration and seeing her getting angry Zhao Tian facepalmed himself and let go of her hand.

"Hmph... no matter what, you are my son dear. So don't be embarassed... let your mom help." She epoke and gently pulled down his pants and also slid down his innerwear.

"H-Huh?" Zhao Suyin was startled by the size of his dick. She slowly reached out taking his dick in her hand "It is still soft yet so big.. son you have grown really well."

A sigh left Zhao Tian as he doesn't care anymore. As he saw his mom's surprised eyes on his dick he couldn't help but feel turned on.

"O-Oh?" Zhao Suyin felt the dick in her hand slowly become erect. "This is..." she glanced at her son and saw him smiling wryly "Its a natural reaction, you know?"

"I know..." she spoke bringing her face close to his dick and sniffed it. She raised his dick, her delicate fingers softly playing with his balls.

Out of curiosity she let out her tongue and licked the downpart of his dick and licked her lips. She examined it even more her soft finger tips gently gliding along its shape and size.

She felt the dick become even more harder and she clasped his dick with both hands "It got even bigger..."

Zhao Tian spoke "So are you happy now? As you can see I am perfectly alright and nothing is wrong with me. Your son is doing well..."

Zhao Suyin gave a nod "Of course, but I think this size would break a woman. Well leaving that aside, let me see you ejaculate... so I can be 100 percent sure."

"No way..." He slapped away her hands and again put on his pants. Zhao Suyin sighed "Seems like you are still shy after all."

Zhao Tian stood up from the bed and Zhao Suyin gently kissed his cheek "If anything come to Mom or get a girlfriend."

I have two girlfriends. Zhao Tian spoke in his mind and exited the room.

After he left, Zhao Suyin face turned deep red like a tomato and closed her face with her hands "T-That was so embarrassing... but I have to put a tough front so he won't shy away."

"*sigh* Well anyway seems like he is healthy... so its good and my son's dick is so big. I am so proud... my son's girlfriend is really lucky."

Chapter 24: A new way of cultivating?

swoosh Zhao Tian appeared in the artifact space and a sigh left his lips. That came out of nowhere from his mom and her licking and sniffing his cock really caught him completely off guard.

"I'll go and talk to Shenyi first..."

As he walked toward the house he saw her standing in front of the blue array. Zhao Tian walked to her, softly enveloping her waist from behind "You set up the array again?"

Xia Shenyi gave a nod leaning back on his chest "Yeah... you need to cultivate and get stronger very quickly after all."

As she turned her body towards him, she gently embraced him by encircling her arms around his neck "So that you can completely make me your woman." She spoke in a soft tone kissing his lips.

Zhao Tian kissed back her plump lips savouring the cherry flavor sinking his teeth on her velvety lips. Xia Shenyi reciprocated his ardent desire, passionately kissing his lips with equal intensity and fervor.

After a short while, they slowly separated their lips, leaving a thin strand of saliva that connected their lips. Xia Shenyi let out her tongue seductively licking his lips savoring the lingering taste of their shared saliva.

With a smile, Zhao Tian gently pushed Xia Shenyi *swoosh* *thud* Xia Shenyi blinked her eyes in surprise as she felt the soft mattress behind her back.

As Zhao Tian buried his face in her boobs a soft sigh escaped her lips "I forgot that you can teleport anywhere inside the artifact..."

"Shenyi... see through my cultivation." He spoke cuddling on top of her on the soft bed.

Xia Shenyi frowned but in the next instant her eyes widened in extreme shock "W-What? How? You were in the 7th level of Spirit Astral Stage yesterday."

"B-B-But today you are in the 1st level of Heaven Astral Stage... how is this possible? " she hastily blurted out completely bewildered.

Zhao Tian let out a sigh "I was sleeping yesterday night... but suddenly felt a powerful surge of astral energy in my body and as I tried to stabilize it... I break through with that energy."

Xia Shenyi came out of her shock and narrowed her eyes hearing this "A sudden burst of energy in your body? Brat... what did you do before going to sleep."

Zhao Tian spoke nuzzling his face on her neck "I was having sex with my sister."

Eh? "Did you just say sister?" Xia Shenyi asked perplexed. Zhao Tian gave a nod "Yeah... she is my lover."

"You mean.. your own sister is your I-lover? What the hell?" Xia Shenyi exclaimed in shock hearing about this immoral relationship.

Zhao Tian casually nodded his head "Yeah... she is." Gah! Xia Shenyi was dumbfounded seeing him being so cool about dating his sister.

'Maybe in his star it is okay to date his sister? I shouldn't judge his relationship as it may upset him.' "So after having i-intercourse with your sister you made a break through..." Xia Shenyi muttered under her breath. "But how..."

At this time Zhao Tian remembered something "I used this technique though." He spoke a red book appearing in his hand.

Xia Shenyi raised an eyebrow taking the book from his hand "Isn't this the sex technique book you took from the warehouse. Maybe because of this?"

Zhao Tian spoke "No... i just used that so she won't be impregnated even if I cum inside her. Thats why I said its useful..."

Xia Shenyi's face flushed with embarrassment as she immediately reached out pinching his cheek "Brat don't use such vulgar words."

Zhao Tian just chuckled "How else am I supposed to say that?" Xia Shenyi retorted "I don't know... say it in a nice way..."

Zhao Tian couldn't help but smile, his eyes gently closing as he savored the comfort of resting on her plush body.. Meanwhile, Xia Shenyi went through the contents of the book and after a minute she closed the book with a deep blush on her face.

"I-It really has techniques to please a woman... but how come he can cultivate after sex? I have to investigate about this later..." she mumbled and as her gaze lingered upon his sleeping face, a tender expression crossed her eyes and she affectionately caressed his head, her heart filled with fondness.

At this time, Zhao Tian keeping his eyes closed shared his thought "By the way, I am also thinking of making my sister as a cultivator too."

Xia Shenyi nodded "It would be good if you got the affinity orb... so it could be easier to find a cultivation technique for her."

Zhao Tian contemplated, An affinity orb... huh. "Shenyi... I also want to learn a barrier spell very quick."

"What kind of..."

"A noise barrier, the sound insulation in my room is not good."

...

pakh *pakh* Zhao Ying kneeling on the bed grabbed the pillow tightly as Zhao Tian continued pounding her pussy from the back, his strong hands grabbing her waist.

pakh *pakh* The rhythmic sound of their bodies colliding echoed throughout the room, intertwining with their gasps and moans, creating a symphony of pure ecstasy.

"Haangh~! Haaangh! Tian'er..." Zhao Ying's voice echoed with a mix of ecstasy and longing, by her breathless moans of pleasure. Every forceful thrust from him ignited a surge of bliss that surged through her entire being, leaving her gasping for air and craving more.

"Urgh..." *splurt* Zhao Tian shot his hot semen into her pussy painting it white and Zhao Ying fell on the bed her body twitching with pleasure as cum leaked from her pussy.

haah Her body went up and down as she gasped for air after the constant poundings on her pussy.

"Ying'er..." Zhao Tian turned her body and kissed her lips as he again slid his dick deep into her pussy in one full push.

gasp Zhao Ying's eyes widened in shock feeling his dick again filling her pussy. T-Third time?

Overwhelmed by the intense pleasure coursing through her body, she felt as if her mind was being consumed by darkness. Despite her weariness, she had no choice but to surrender to him, allowing him to continue thrusting into her.

...

In the morning~

Zhao Ying in her bathroom cleaned the cum still overflowing from her vagina "Is it really okay to shot inside and not using condoms? But he said its okay..."

A sigh left her lips "And Tian'er he is so strong in bed... I couldn't even keep up with him. Haah..."

Meanwhile, Zhao Suyin slowly entered Zhao Tian's room in the morning with a cup of coffee in her hand.

Seeing him doing pushups she asked "I couldn't hear anything yesterday... did you use headphones?"

Zhao Tian stopped and stood up "I already told you... I am alright." he spoke taking the coffee cup.

Zhao Suyin just sulked her lips and moved forward kissing his forehead "I know... but if you ever need help don't hesitant to ask your Mom. I am here..".

After she left a frown appeared on Zhao Tian's face "Yesterday night... I didn't get much energy, as Shenyi predicted maybe Ying'er has a special physique or something?" He completely ignored what his mom said.

...

Chi Miya giggled shaking her head "No its not like that, Tian.. stop teasing." she spoke with a pout.

"But what I said is true..." Zhao Tian chuckled faintly.

-_- Sitting on her wheel chair Chi Shui looked at them both of them with a weird look "You guys suddenly become close..."

Chi Miya tilted her head "You think so?"

knock Zhao Tian turned his head towards the door, a frown appearing on his face. Chi Miya spoke "Come in.."

Chi Miya's PA came inside "Maam, Mr.Jin has came to see you." Chi Miya nodded her head "Uncle? Let him in..."

A little later, a middle aged man entered the hospital room with a smile on his face "Shui.. how are you feeling?"

Chi Shui smiled back with a nod "I am doing good, Uncle." Then the middle aged man's gaze fell on Zhao Tian "Who is this young man?"

"My friend! Tian"

"My friend, Senior Zhao."

The middle aged man smiled wryly seeing both of them replying at the same time "Good to see you youngman."

"Me too." Zhao Tian gave a nod and after a little bit of talking the middle aged man took his leave "I'll be leaving then... there is actually a friend waiting for me. I just came to check on Shui... she is good so."

"Ok Uncle..." *thud*

Zhao Tian stood up walking to the balcony "Is he related to you?" He asked looking down from the building.

Chi Miya gave a nod "Yeah... he is the brother of my late father and has been a huge help to the company."

"I see..." Zhao Tian spoke as he saw a old man talking with the middle aged man just now. A cultivator, hmm...

Chapter 25: The Party!

As Zhao Tian stood atop the building, his hair being gently tousled by the cool breeze, he directed his gaze toward the building opposite him. A deep frown settled upon his face, "Seems like Chi Miya's uncle needs some help from this old man who is a cultivator..."

He muttered looking through the window of their room and saw Chi Miya's Uncle respectfully bowing to the old man. "Quite cocky for a Soul Astral Stage. Even though he is quite low-level, he is well respected." he mused.

ring At this time his mobile rang and he answered the call "Oldman?" Li Jie spoke from the other side: "The Chi family never had any connection with Cultivators till now and I am sure the sisters are unaware of these cultivators."

"I see.." Zhao Tian spoke and a sigh left Li Jie's lips "Don't play around with these families, Tian. I already warned you."

Zhao Tian let out a soft chuckle "I am just curious, nothing else." Li Jie could only shake his head in response "By the way, are you attending the party by the Fei family?"

Zhao Tian gave a nod "Yeah, I am..." Li Jie frowned "Be careful there too. There should be many families coming to the party and there should also be many cultivators. Don't offend anyone."

'That's more of a reason for me to attend..' Zhao Tian thought in his mind "I'll be careful Oldman." he spoke canceling the call.

"Northern Pole, Zhenzhu..." Zhao Tian muttered under his lips as he remembered his talk with Li Jie at the University. "The Motherland for Cultivators."

'I want to go and see this motherland of theirs and need to get some connection with other cultivators, Hmm...'

His eyes again glanced at the old man 'As Shenyi said talent and environment are important. This Oldman is over 100 years old but still in the Soul Astral Stage and I reached the Heaven Astral Stage in two weeks.'

"Haah..." he raised his arms above his head to stretch his tired muscles "Reaching Heaven Astral Stage is great after all." swoosh With a swift motion, he effortlessly leaped into the air dashing through the sky.

...

During night~

vroom Zhao Tian drove the car into the mansion and as he drove inside, he saw Chi Miya standing at the doorstep wearing a gorgeous blue dress matching her hair.

Zhao Tian got out of the car and Chi Miya quickly walked over to him "Tian..." A slight smile appeared on Zhao Tian's lips seeing the dress perfectly covering her body not showing off "You look good. Modest and Classy. I like it."

Chi Miya's eyes softened upon hearing his compliment and she couldn't help but smile "Thank you, Tian." she spoke, and looking at him she giggled "You also look dashing. I wonder how many boyfriends are gonna lose their girlfriends tonight." Zhao Tian chuckled hearing her teasing "Come on, let's go." With a nod, Chi Miya also entered the car with him.

...

vroom As Zhao Tian drove the vehicle towards the luxurious hotel, his eyes were captivated by the grandeur of the surroundings, the area filled with many high-class people exiting the car. He also noticed some cultivators hiding within the crowd for protection.

tap As Zhao Tian and Chi Miya came outside, a woman quickly approached them. "Maam." Chi Miya nodded her head seeing her PA. The woman gave a little bow "I'll park the car, Maam."

Zhao Tian tossed the car keys to her and both Zhao Tian and Chi Miya entered the hotel.

As Chi Miya stepped inside, a wry smile played on her lips as she took in the opulent decorations and extravagant embellishments that adorned every inch of the space. "They sure are rich..."

Zhao Tian turned his eyes at her "Don't talk as if you are poor." Chi Miya giggled softly "I prefer to be simple."

gasp Zhao Tian could hear audible gasps from each side as they walked inside. A handsome young man and a beautiful woman walking in as a couple.

"Miya, seems like everyone is mesmerized by your beauty." hearing his remark, Chi Miya's eyebrows twitched "Don't joke around, Of course, they are shocked seeing you. You are just too handsome to be honest."

"Everyone's eyes are on us because of you." Zhao Tian just smiled upon hearing this.

"SENIOR ZHAO!!!!" "ZHAO TIAN!" He heard some yells from the crowd and he gave a nod seeing the university students who were also invited to the party for Fei Ziyu's birthday.

"As I heard from Shui'er, you are really popular!"

A little bit later, both of them settled in a place from where they could observe the party. The area was bustling with waitresses gracefully moving around, attending to the guests by serving them a variety of beverages.

Zhao Tian leaned back sitting comfortably "It's really boring. Everyone is so concerned with their 'status' amongst the other guests and it really becomes a bunch of douchebags being phony to each other."

Chi Miya let out a sigh "I also hate parties, but an invitation from Fei Corporation. So I couldn't just ignore it. Sorry, I also dragged you with me."

Zhao Tian shook his head "No, don't feel bad about that."

Suddenly he felt a piercing gaze on him making him frown and as he sensed who it was... it was a middle-aged man. 'Curious about me or something?'

clap At this time, the main show arrived. The spotlight gracefully shifted its gaze towards the captivating figure on the party stage, none other than the stunning Fei Lingxi, grabbing the attention towards her.

Zhao Tian chatted with Chi Miya for a while as the party carried on with Fei Ziyu cutting the cake and Fei Lingxi yapping a bit.

Chi Miya was taken aback looking at the people who had just arrived on stage, each of them holding different musical instruments "They even hired this popular band for entertainment."

At this time, Zhao Tian heard a sweet whisper caressing his ears "Are you enjoying the party, Tian?" Zhao Tian gently turned his head "Ziyu!"
