Chapter 41: The Auction!

Zhao Tian's room-

Sitting on Zhao Tian's lap Zhao Ying planted a soft kiss on his cheek as her hands gently enveloped his neck. "Tian'er..." In a soft, barely audible whisper, she uttered his name, showering his face with a cascade of affectionate kisses.

Zhao Tian let out a light laugh as he affectionately patted her head, all the while casually scrolling through the contents on his mobile held in his right hand.

Hm? Suddenly a frown appeared on his face seeing the message from Li Jie. Information about an auction?

Seeing that it was from Li Jie, he asked 'Oldman, what about this auction?'

He quickly received a reply 'Tian, even though it looks like a normal auction, they actually sell cultivation-related stuff in the name of antiques. You said you want to know more about other cultivators, right?'

'Then just take place in this auction, and you may get the chance to see people from sects or even from Zhenzhu.'

Zhao Tian's frown deepened 'And it is tomorrow.'

Meanwhile, Zhao Ying completely engrossed in him, ran her tongue along his neck, savoring the taste of his skin, and slowly pulled down his t-shirt to plant kisses on his collarbone. Her focus was solely on him, lost in the moment of intimacy and desire.

Zhao Ying slowly lifted her gaze and saw his lips. The urge to kiss and bite his lips overwhelmed her, she moved her face bringing it close to him, and kissed his lips catching him off guard.

Zhao Tian turned his attention to her and gently reciprocated the kiss. His hand which was patting her hand slid down gently holding her neck as he deepened the kiss.

Zhao Ying tightened her hold around his neck, her fingers seeking solace in the warmth of his embrace. Their tongues intertwined in a passionate dance, their connection

intensifying with each fervent movement, savoring the intoxicating and intimate taste of their saliva.

Shortly after, Zhao Ying broke the kiss, a trail of saliva still linking their mouths. "Haah!" She let out a breath and quickly removed her own top "Tian'er."

Zhao Tian set his phone down and gently reached out to touch the alluring boobs swaying enticingly in front of his eyes. "Horny?"

"Hnngh~!" Zhao Ying let out a soft moan of pleasure as she closed her eyes, savoring the sensation of his gentle touch on her boobs. His caresses were tender and filled with desire, sending shivers of pleasure down her spine.

As Zhao Tian lowered his hand, he gently lifted her ass, causing her to gracefully kneel atop him. The woman's boobs were tantalizingly close to his mouth, and Zhao Tian captivated by the seductive allure of her rosy nipple, opened his lips softly nibbling it.

"Haangh~!" Zhao Ying let out a moan of pleasure as she wrapped her arms around his head, pressing his face into her boobs. He eagerly continued to suck on her boobs, his tongue swirling around her erect nipple, sending waves of pleasure coursing through her body.

"Haangh~! Tian'er... d-dont use force... bite it gently... babe... Haangh~!"

...

Meanwhile, Chi Miya who was lying on the bed opened the chat with Zhao Tian, her fingers still hesitant to type "Should I call him?"

"How should I call him? Tian... there is actually an auction tomorrow, if you are interested can we go together, like a date... No, No that's not it."

"There is an auction tomorrow... do you wanna join? Urghhh!"

She took a deep breath and typed "Tian, Are you free tomorrow? There is an auction happening tomorrow and I am going there, and if you are also interested... maybe we can go together?"

After half an hour, Chi Miya saw that Zhao Tian still hadn't seen the text she sent. A concerned frown appeared on her face "M-Maybe he is busy having sex with his girlfriend?"

...

Next day-

Zhao Tian drove the Lamborghini into the auction area and was surprised to see the array of luxurious cars in the parking lot. "Seems like a lot of billionaires are here."

As he got out of the car, his gaze fell on a familiar car and a smile appeared on his lips "She is already here?."

After a few minutes, he entered the central auction space, where he was cordially greeted by both male and female receptionists. He walked inside and saw many people wearing fancy clothes sitting around the podium at tables while drinking wine.

After talking with Chi Miya yesterday, they got a VIP room which was on the second floor, from where he could see the auction clearly in a separate room.

As he walked upstairs, he saw the beautiful woman with blue hair and at this time the woman also turned her head "Tian!" a smile instantly appeared on her lips seeing him.

With a smile on his face, Zhao Tian walked to her, "Tian, this is our VIP room... we can enter now." Chi Miya walked into the lavish VIP room which is number 43 and Zhao Tian followed her.

Both of them walked in and saw the luxurious sofa and beverages on the side. Zhao Tian comfortably sat on the sofa and Chi Miya sat close to him feeling the warmth from the couch and his presence.

Through the large glass in front of them, they can see the auction that was about to start in a few minutes. Chi Miya glanced at Zhao Tian "Is this your first time in an auction?"

Zhao Tian gave a nod "What about you?" Chi Miya smiled "I have been here a couple of times and I have bought some things."

Chi Miya spoke looking at him in the corner of her eyes "Thank you for accompanying me because I called you Tian." Zhao Tian just showed a smile "Well, I also had reasons to come here."

"Reasons?" Chi Miya asked confused. Zhao Tian placed a noise barrier and spoke "In this auction, there will be also many cultivation stuff auctioned in disguise of normal stuff, so I came here."

"H-Huh?" Chi Miya was taken aback hearing this but then she realized something "Now that I remember it, I have seen people going crazy and spending millions of dollars over some books and even pill bottles. Is that?"

"Yeah!" Zhao Tian nodded his head. Chi Miya let out a sigh "I just thought they were too rich and were flexing their money in front of others... but seems like they are competing for valuable stuff."

With a chuckle, he leaned back softly on the sofa his eyes scanning around the area. Oh! He was surprised as he sensed a lot of cultivators not only in the VIP rooms but even at the tables in front of the podium.

But they were all not strong, but at this time, his eyes caught a strong presence from one of the VIP rooms and he frowned '1st level Heaven Astral stage... weaker than me but still someone in Heaven Astral Stage.'

He scanned through the room and saw a middle-aged man briskly sitting with a cold stare. Beside him, another man is sitting, who is a normal human but seems fucking rich.

'Seems like a big shot and someone from the sect that protects the big shot's family. Hmm...'

His thoughts were interrupted by Chi Miya "Tian, the auction is about to start." Zhao Tian turned his attention to the podium and saw a glamorous woman walking up to the stage.

The auctioneer spoke her voice calm and collected "Ladies and gentlemen, Thank you for your patience, the auction is about to start."

"Our first item in today's auction is this antique lamp." The woman gracefully presented an old lamp. "The starting price is a thousand dollars."

"Thousand two hundred!"

"Two thousand!"

Chapter 42: One billion?!

As the auction progressed, a vast array of items were showcased for bidding, yet none of them managed to capture the attention of Zhao Tian. He remained seated in silence, showing no signs of excitement or interest. Chi Miya also glanced at him being uninterested in anything.

After some time had passed, another object made its way to the front of the room, immediately capturing Zhao Tian's interest. He arched an eyebrow in curiosity and stood up from the sofa to get a closer look at the glass sphere containing a swirling white mist inside it. 'This is the Affinity orb Shenyi talked about?'

Chi Miya was surprised that Zhao Tian stood up, she also rose from her seat "Tian, is that thing important?" she asked looking at the orb.

The auctioneer spoke, "Next up our item is, a mysterious glass orb with white mist inside it giving it an aesthetic appeal." Zhao Tian looked at it dumbfounded, they are auctioning it as a decorative item?

The woman continued "The initial price is One million dollars." The crowd of onlookers reacted with disbelief and skepticism about the value of the orb. "One million for that glass orb?"

But the cultivators who understood the significance of the item started their bid "Two million!"

"Three million."

"Four million."

"Six million."

"Ten million!" A voice was heard from a VIP room and it was none other than Zhao Tian. Chi Miya was surprised to see Zhao Tian bidding for the item.

"T-Tian, are you interested in this item? You need this?" Chi Miya asked hastily and Zhao Tian gave a nod "I need it no matter what."

A smile appeared on Chi Miya's face "Tian, don't hesitate to bid higher if you desire. I can give you my money." Zhao Tian was interested in an item for the first time and Chi Miya wanted to buy it for him no matter what the cost.

She is well aware that Zhao Tian is not particularly wealthy, and she understands that he may not be able to bid on the item. "Tian, don't worry... I brought my cards." She would go to great lengths, even considering selling her own company, if it meant that Zhao Tian could get the item.

Zhao Tian smiled "Are you sure?" Chi Miya gave a firm nod "Damn sure."

"Twenty million!" Zhao Tian heard a voice from another VIP room.

A smirk appeared on Zhao Tian's lips "Fifty million!" Wha- Chi Miya was startled to hear this, he could have said twenty-five million why did he drag it to Fifty million?

"It's ok, right?" Zhao Tian asked with a playful smile. And seeing his smile, Chi Miya shook her head wryly "Yeah, You are wasting it as water when it is not your money, huh? Well, I don't mind."

"Seventy million!"

"Hundred million!"

"Hundred and fifty million!"

"Two hundred and fifty million!"

Wha-Hey?! Chi Miya's lips twitched seeing him casually throwing the money and it was not even his money. Zhao Tian winked at her playfully and Chi Miya face-palmed herself. This guy...

"Three hundred million!"

Zhao Tian cast a quick glance toward Chi Miya before uttering "Five hundred million!" Chi Miya blinked her eyes stupefied, with a platinum card in her hand. "Are you intended to suck dry my money?"

"Six hundred million!"

Zhao Tian shrugged "You said.. you would pay for me... so Seven hundred and fifty million!"

Gah! Chi Miya's jaw dropped "Why are you adding an extra Hundred and fifty million just add ten million!" Zhao Tian just chuckled "That would be boring. This is way more fun!"

Chi Miya sat back on the sofa with a sigh. "Eight hundred million!" Zhao Tian heard another voice from one of the VIP rooms.

Zhao Tian turned to look at Chi Miya "Miya, you are a billionaire, right?" Chi Miya was surprised hearing the question but still gave a nod "Yeah! Why you as-*gasp* don't tell me..."

"One billion!" Zhao Tian said with a playful smile on his lips.

WTF?! Chi Miya yelled in her heart in shock. He just bid one whole billion dollars for a white orb?

But then she sighed in her heart, He saved my life from those assassins and he also found out the embezzlements in the company, compared to all of this this amount of money is nothing.

The auctioneer spoke "1....2.....3! One billion sold to the Master on the VIP room 43."

After a minute, a knock was heard on the room's door. Zhao Tian spoke, "Come in." Two individuals clad in sleek black suits made their way into the room with a box in their hand. "Here is the item."

Chi Miya stood up "I'll pay." the man took the card machine and Chi Miya swiped her platinum card paying the one billion.

The men exited the room and Zhao Tian opened the box looking at the Affinity orb. A smile appeared on his lips 'With this, now I can also begin Ying'er' cultivation.'

Chi Miya glanced at Zhao Tian, who was looking at the orb with a smile. Seeing his smile, her heart fluttered with a sweet feeling and she couldn't contain her emotion as a smile appeared on her cheeks "Are you happy now?"

Zhao Tian placed the box aside and sat on the sofa "Sure, I am." Chi Miya let out a soft giggle and said "Then, I am happy too."

Seeing this, Zhao Tian's eyes softened "I'll pay back the money." Chi Miya shook her head "No, don't worry about it. This is the least I could do for the help you did for me."

At this time, the auctioneer spoke as the next item up for bidding was presented to the eager crowd. "This is a pair of exquisitely crafted swords made from the finest and rarest materials. The starting bid is a million dollars!"

Zhao Tian smiled looking at the swords that were shining "Middle tier Earth grade weapon." Hearing him speak, Chi Mia was a little curious "Tian, you want this too?"

Zhao Tian shook his head "Nah, on weapons... no. But let's see how much it will bid for."

In the VIP room, The middle-aged man stood up in surprise looking through the grade of the weapon. He looked at the man beside him "Han, you need to buy this no matter what!"

"Master Huang? Ok, as you say!"

A surge of intense heat rapidly encompassed the cultivators, overtaking their senses, as each and every one of them eagerly engaged in a frenzied bidding war for the highly coveted weapon. The atmosphere became electrified with anticipation "Ten million!"

"Two hundred and fifty million!"

"Five hundred million!"

"One billion!"

"Five billion!"

The price skyrocketed exponentially making Chi Miya dumbfounded. "T-That much money for these swords?" Zhao Tian spoke "Seems like Earth grade is priced high..."

After some minutes of bidding the price finally reached "Thirty Billion!" The man named Han spoke and after this, no one dared to raise their voice.

"1...2...3. Thirty billion, sold to the master in VIP room number 22."

Chi Miya was astonished looking at the final price "Whoever sold the swords, just became a billionaire."

"You mean, I just became a billionaire?" Zhao Tian asked with a smile playing on his lips.

Huh?

I hope you guys liked this chapter!

Chapter 43: Rich guy?!

Huh? Chi Miya was taken aback hearing Zhao Tian's words "What do you mean-." she squinted her eyes again recalling her own words and she quickly turned her gaze towards the pair of swords that was taken away.

"Were you the one who put the swords in the auction?" She asked blinking her eyes in surprise and Zhao Tian gave a nod "Yeah, I did."

Zhao Tian is not a normal human, he is a cultivator now. So he has to use the perks of being a cultivator.

In his artifact warehouse, there are countless earth-grade garbage items, along with an overload of heaven-grade weapons and artifacts of even higher grades.

To begin with, he tried to sell two earth-grade swords and it was a wonder as it priced this high. And he understood something, the Earth grade is great for a middle star like Earth as he remembered Xia Shenyi calling the Earth grade garbage in her star.

If he was ever short of money, he could just sell some earth-grade weapons in this auction and earn billions.

Only because of these earth-grade swords in the auction, he confidently stood up to bid for the Affinity orb with millions.

Chi Miya blinked her eyes looking at Zhao Tian "You are rich now." Zhao Tian chuckled "I told you that I would pay you back."

Chi Miya gave a wry smile upon hearing this, her lips curving into a slight smirk "But I don't want you to pay back, please... think of this as a little gift from me." Seeing her being persistent, Zhao Tian relented and gave a light nod.

And the auction continued, there was nothing more interesting for Zhao Tian to buy so he just chatted with Chi Miya enjoying the drinks.

At this time, Zhao Tian received a notification and glanced at the number of zeros and the number three in front of him. 'Oh? I didn't expect them to transfer all 30 billion in one day.'

As the auction was near to end, Zhao Tian stood up "Miya, let go!" Chi Miya gave a nod and stood up after him "En. Tian!"

...

Huang Ming spoke "Han, try to get information about who sold these high-graded weapons. Who would see these rare weapons for money?" Yu Han gave a nod "As you say, Master Huang!"

Yu Han turned to look at his bodyguard "Go and call the manager of this auction house."

"Yes, Boss!"

After a while, a man in his forties made his way into the VIP room with a smile "It's been some time, Mister Yu and Master Huang!"

Yu Han nodded and gestured for the manager to take a seat "Come and sit!" The manager sat on the opposite couch of Yu Han and Huang Ming.

"You called for me? What happened?" Hearing this, Yu Han said "We need to know who sold this item." pointing at the swords.

The manager quickly glanced at the pair of swords in front of him and firmly shook his head in response "No, Mister Han, you know we wouldn't disclose private information about who sold the item."

Yu Han persuaded "I can pay you money if you want, just tell me who sold these." But the manager still reluctant spoke, "That's against our policy."

Huang Ming frowned releasing a bit of his aura on him "Do you have any death wish?" The whole room trembled for a moment. The manager's eyes were quivering with anxiety, but his voice was firm "Are you threatening me, Master Huang?"

"Your sect has formed an alliance with the Government and is currently engaged in peaceful negotiations with the World government. Therefore, engaging in such actions is not advisable on your part."

Huang Ming narrowed his eyes "You think I care about that? I'll just kill you leaving no evidence." With each word, his voice grew colder, his aura raising pressing on the Manager.

The Manager's heart shook at the feeling of the aura, but then a sigh escaped his lips "I- I can't give out personal information, but all I can say is that the one who came to sell it is not a cultivator."

"Not a cultivator?" Huang Ming raised an eyebrow. The manager nodded his head "That man said that he found it in a forest while hiking and thinking it was an antique he came to sell it in the auction."

"Hm..." Huang Ming contemplated hearing the valid reason. "So, it's just a stroke of luck?" Yu Han inquired, gazing at Huang Ming with curiosity in his eyes.

"I wonder..."

...

While Zhao Tian was driving his Lamborghini on his way back home, his attention was caught by a woman coming out from a nearby store. and he drove the Lambo near to her.

Mei Xiu was taken aback when a sleek luxury car unexpectedly approached her. Her expression furrowed in confusion, but as the tinted windows rolled down, and seeing who it was "Zhao Tian!" she exclaimed in surprise. Sitting inside, Zhao Tian opened the door "Come in! I will drop you." Mei Xiu hesitated for a bit and seeing her hesitation Zhao Tian spoke with a teasing smile "Come on, you have already been in my car. I am not kidnapping you or anything."

"I know, Hmph!" she snorted and entered the car closing the door.

Looking at the interior, Mei Xiu asked "You bought a new car?" Zhao Tian shook his head "This is that old man's car."

"Oh, I see..." Mei Xiu mused.

vroom Zhao Tian started the engine and began to drive. "Why did you come a long way away from your apartment to buy groceries? Is there no grocery store nearby?"

Mei Xiu glanced over at the road a little embarrassed "Well, this store had a discount sale so I came here by bus to buy the groceries. Rich people like you won't understand this suffering."

Rich guy? Zhao Tian chuckled in his heart hearing this. If he wanted he could give Mei Xiu money, but he knew she would definitely refuse that.

Despite Li Jie's attempt to offer her financial support, she adamantly declined and told him that she would earn by herself and provide for her Grandma.

As Zhao Tian's gaze shifted towards her, a subtle yet heartfelt smile delicately graced his lips. Despite her angry bird nature and tendency to be easily provoked he likes this determined side of her.

Noticing him smiling at her, Mei Xiu frowned "What?" In response, Zhao Tian simply shook his head "Nothing?"

"A-Are you teasing me?"

"When did I tease you Idiot."

"I-I don't know, it just felt like your eyes are teasing me, and don't call me an idiot."

"Idiot!"

"I told you not to call me an idiot!"

Zhao Tian's smile widened as he gently reached out and playfully pinched Mei Xiu's waist. Startled, Mei Xiu jumped in her seat and exclaimed "Y-You! Why are you pinching me again?"

...

As Zhao Tian's car pulled up to the apartment building, Mei Xiu looked at him and cheekily remarked "Thank you for the ride, rascal." she taunted him and opened the door to leave.

As she stepped out of the car, a sound reached her ears "Xiu'er you came in a grand car?" Huh? She hurriedly turned her head and saw her grandmother Li Qianzhi standing outside the apartment door.

"Grandma, how many times I have told you not to come outside? Your body is still in recovery." Mei Xiu spoke hurriedly walking towards her. Li Qianzhi smiled "I just came to get some fresh air... By the way, the car."

Mei Xiu turned around looking at the car, a wry smile on her lips "It's Zhao Tian!" Zhao Tian parked the car aside and came out "Grandma!"

Li Qianzhi smiled "Boy Tian! Haha..." Zhao Tian walked to her "As Mei Xiu said it is dangerous to walk around outside, it's just been 2 days after your discharge."

Li Qianzhi shook her head "I still have energy in these old bones to walk around." Zhao Tian just smiled and Li Qianzhi spoke "Come inside, it's your first time here... Have Lunch together with us."

Mei Xiu was taken aback by the unexpected invitation from her grandma. "Wait, Grandma?" she stammered in surprise. Lunch with him? Li Qianzhi gave her a stern look "Why? What's wrong? You go in and quickly prepare for Lunch..." she ordered Mei Xiu.

Mei Xiu faintly glimpsed over at Zhao Tian and a sigh left her lips "Ok, I don't know if he likes my cooking or not... Hmph!" she sneered walking to her apartment.

Seeing her, Li Qianzhi shook her head "It is because of this temperament she doesn't have any friends. First, she needs to change this..." Zhao Tian smiled "You think so? I think it's cute."

"Haha! You are the only one who thinks that."

...

Mei Xiu swiftly made her way into the kitchen, ready to prepare the Lunch. Not long after, Zhao Tian also followed her into the kitchen "Need any help?"

Mei Xiu looked at him "The biggest help you can do is not disturbing me." Zhao Tian 'smiled' "You have a sharp tongue, don't you?" his fingers pinching her waist tightly. Mei Xiu winced, feeling a sudden jolt of pain shoot through her body. "ZHAO TIAN!!!" she screamed, her voice echoing through the room.

ring At this time, his mobile rang and he left the kitchen. Seeing him leaving the kitchen, Mei Xiu glared at him "I am gonna repay for all of this one day. hmph!"

Zhao Tian picked up the call and heard a familiar voice on the other end "Hello, Tian... have you reached home?"

"No, I am in my friend's home right now..."

"Hoh? Is your friend a w-woman?"

"Yeah..."

-- Why is he always surrounded by women? Seeing her being silent Zhao Tian spoke "Miya?"

"A-Ah! Tian... the thing I called you is that Shui'er is getting discharged from the hospital after a week. So I was wondering, is there any way to treat her legs like the way you treated my injuries."

Zhao Tian frowned hearing this "I am not so sure, but I guess high-grade pills could do that."

"R-Really?" Chi Miya yelled in shock "T-Tian, is there any way we can prepare this high-grade pill?"

Zhao Tian replied, "I'll look into it."

"Thank you, Tian. Thank you so much! You have done so much for me."

...

After 30 minutes, the food was served on the dining table. Zhao Tian took a seat beside Mei Xiu and Li Qianzhi spoke with a smile "Tian, I am sure you will enjoy Xiu'er cooking."

Mei Xiu didn't speak anything and discreetly glanced at him in the corner of her eyes. As Zhao Tian took his first bite of the food, Mei Xiu felt anxious and looked at him expecting to see his reaction.

'Did he like the food? Is it good?' Thoughts ran through her mind as she anticipated his response. Zhao Tian smiled gently and nodded his head "As Grandma said, Mei Xiu's cooking is really great."

A smile instantly bloomed on Mei Xiu's face and she lowered her head to trying to hide her smile as she began to eat.

Li Qianzhi's eyes softened seeing her granddaughter smiling like a fool. 'She acted all that but seems like she cares for him too and is conscious of him.'

'I never thought this brazen girl would act timidly like this...'

"Of course, it would taste good, I am the one who made it..." Mei Xiu said making Li Qianzhi dumbfounded (?_?) 'Yep, she is not getting a boyfriend with that attitude.'

Li Qianzhi glanced over at the clock and spoke "Xiu'er, it is time to watch your favorite couple show."

"Couple show?" Zhao Tian asked intrigued.

Mei Xiu was quickly flustered, her cheeks burning in embarrassment "G-Grandma, why are you saying it out loud?"

"What? You like that right?"

Mei Xiu quickly turned to look at Zhao Tian "T-There is nothing wrong with watching couple show, ok? Don't misunderstand..."

"I didn't even say anything..."

"But you surely will say it and tease me, so I know."

Wtf?

Chapter 44: Cheating?!

Zhao Tian's room-

Huh? Zhao Ying found herself perplexed as she blinked her eyes in confusion, gazing at Zhao Tian, who was comfortably seated beside her on the bed "Cultivation?" she asked tilting her head.

"Yeah." Zhao Tian gave a nod. Zhao Ying moved closer to him cupping his face in her palms "Tian'er what happened to you? suddenly you started blabbering things... are you okay?" she asked worriedly.

"That's why I told you to stop playing games, see it muddled your brain...my cute little brother!" she spoke affectionately planting a kiss on his forehead.

-_- Zhao Tian looked at his sister's genuine concern as a sigh left his lips. "E-Ehhhh?" Zhao Ying's eyes widened as suddenly her body began to levitate from the bed defying the gravity.

"T-Tian'er... help me." In a state of panic, she called for him as she started floating in the room. Zhao Tian looked at her with a smile "Now you believe me?"

Zhao Ying hurriedly nodded her head "Y-Yes, I believe...let me down." she spoke frantically shaking her hands. With a chuckle, Zhao Tian let her down as she softly landed on her bed.

"Haah!" What the fuck just happened? Zhao Ying let out a deep breath and she raised her head, her eyes full of stars "Tian'er, how did you do that? Magic? Are you Superman? how? how? That was awesome..." She was excited more than shocked.

Zhao Tian pinched her nose and said "I just told you, cultivation exists in the world." "O-Ohhhhh!" Zhao Ying mused aloud.

"T-Then like in novels, you sat cross-legged to let the energy into your meridians and something like that?" Zhao Ying asked curiously and Zhao Tian gave a light nod "Yeah."

"You can do that, Tian'er... you are a cultivator? Can I also become one? Are there many cultivators in the world?" Zhao Ying, overwhelmed with excitement, bombarded him with a stream of questions. completely excited about the idea of cultivators in this modern world as she wanted to know more about it.

Zhao Tian couldn't help but chuckle in amusement seeing her enthusiasm "Calm down, big sis."

"How can I calm down, Tian'er... this is a big thing. Everyone wanted to have powers and... I am also like that. Think about flying in the sky and saying 'Puny mortals who doesn't know the wrath of Heaven and Earth.' " She even said it in a unique voice.

Zhao Tian just chuckled and said, "Before all of that, I want to introduce you to someone." Zhao Ying raised an eyebrow "Who is that, Tian'er."

Zhao Tian got down from the bed and Zhao Ying followed him. "Close your eyes." hearing this, Zhao Ying closed her eyes without asking questions. For a moment, she felt the world turning dark...

"Now open!" As Zhao Ying's eyes fluttered open, she saw the breathtaking scenery. Stretching out as far as the eye could see, a vast expanse of lush green grass lay before her, peppered with majestic mountains and dense forests. In the distance, a glistening lake sparkled under the warm rays of the sun, adding to the picturesque beauty of the scene.

Her eyes dilated in shock seeing this, and her words stumbled "T-Tian'er, where are we?" she asked her eyes taking in the breathtaking view.

Zhao Tian smiled "You see the pendant in my neck?" Zhao Ting turned her head and looked at the green pendant on his neck "Yeah, what about it."

"Apparently this is a space artifact and now we are inside this artifact." Hearing his words, Zhao Ying raised her hand gently touching the green pendant "You mean... this big world is in this small pendant?"

Zhao Tian nodded his head "Yeah." A smile appeared on Zhao Ying's lips "Super, This is so interesting... Tian'er tell me more about this."

Zhao Tian let out a soft chuckle "But before that..." he spoke softly taking her hand and saw her wrist "A silver colored tattoo." he muttered.

Zhao Ying was startled to see the tattoo "W-What? Where did this come from? Mom will scold me if she saw this... what to do."

But in the next instant it disappeared, "Wha- Tian'er it is gone."

"Tian!" Zhao Ying's attention was suddenly drawn away from Zhao Tian as she heard a melodious voice calling out his name. Intrigued, she turned her head and was captivated by the sight of a breathtakingly beautiful woman, draped in elegant red robes, gracefully approaching them.

Even she was surprised by the level of beauty "W-Who is she?" she mumbled under her breath in wonder.

Shenyi approached Zhao Tian with a gentle smile on her face, and when he laid eyes on her, his eyes softened. He gently wrapped his arms around her waist, pulling her close in a loving embrace and Xia Shenyi leaned in to press a soft kiss to his lips.

gasp Zhao Ying's eyes widened in shock when she saw the new woman casually kissing Zhao Tian. Her eyes trembled with discomfort, her heartbeat in her chest increased, and she felt anxious. "T-Tian'er? What..."

All her excitement about the Cultivation stuff vanished and she clutched her palm looking at them kissing.

Retracting this kiss, Xia Shenyi smiled gently and looked at Zhao Ying "So this is your sister, Zhao Ying."

Zhao Ying looked at Zhao Tian feeling betrayed and seeing her eyes, Zhao Tian spoke "Ying'er-"

Zhao Ying quickly interjected with a shocked and hurt tone "T-Tian'er, this woman just kissed you. You are cheating on me with this woman behind my back... You really didn't tell me about this woman."

A sigh left Zhao Tian's lips and he wanted to explain the situation. But Xia Shenyi spoke with a frown on her face "What are you saying? Cheating? Zhao Tian loves both of us. What's wrong with that?" she asked a hint of confusion in her voice.

Zhao Ying fixed a piercing gaze on Xia Shenyi, her eyes filled with a mix of confusion, hurt, and frustration. "H-He loves me, so why should he kiss and love you too."

Huh? Xia Shenyi was taken aback by what she heard. What kind of nonsense is this? "What's wrong with having two lovers? Stronger men like Tian should have a harem of a hundred women in my opinion."

Zhao Ying was even more confused, her mind and thoughts falling into chaos, she never thought there would come a day when she would witness another woman kissing her brother.

"Why does he have to love you... when he has me? huh?" she yelled looking at Xia Shenyi.

Xia Shenyi was startled by Zhao Ying's sudden yelling but then a question struck her mind "Tian, in your star, can't men have more than one woman?"

Zhao Tian smiled wryly "Yeah!" he took a step holding Zhao Ying "Ying'er, hear me-"

"No!" Zhao Ying hit his chest frantically her eyes moistening with tears "You cheated on me, Tian'er... no no."

Well, it is kinda Zhao Tian's fault he should have explained to her first. In a tender gesture, Zhao Tian embraced her and gently lifted her chin "Ying'er!" he softly called her and kissed her lips.

Reluctantly, Zhao Ying returned the kiss, wrapping her arms tightly around his back as her heart swelled with a mix of conflicting emotions. Despite his betrayal, Zhao Tian was the one she deeply loved, and it is impossible to simply hate him just like that.

Meanwhile, Xia Shenyi had a frown on her face looking at them kissing, various thoughts in her mind.

'This is not good. His first woman is reluctant and tries to monopolize him. This might actually be a hindrance for Zhao Tian in the future. Seems like I need to take care of this...'

Zhao Ying, overcome with emotion, withdrew from their passionate kiss and buried her face in his chest "Tian'er..." In response, Zhao Tian gently caressed her head.

Xia Shenyi spoke interrupting "Zhao Ying, right? I need to talk with you... privately."

Hm? Zhao Ying lifted her gaze to meet Xia Shenyi's, confusion evident in her eyes. At the same time, Zhao Tian arched an eyebrow "Shenyi?"

Xia Shenyi smiled looking at him "Tian, this is important." Zhao Ying glanced at Zhao Tian and seeing his reassuring nod, she left from his hug.

Zhao Tian saw Zhao Ying and Xia Shenyi walking towards the home and a sigh left his lips "Haah! Having a harem is tough!" he muttered under his breath, his voice laden with a hint of wry resignation.

Chapter 45: Harem approved?!

Xia Shenyi and Zhao Ying entered her room. Xia Shenyi pointed at the bed "Sit, I have to talk some things with you.."

Zhao Ying sat on the edge of the bed and looked at Xia Shenyi. Xia Shenyi showed a smile "Zhao Ying, I can call you Ying, right??" she asked sitting on the couch.

Zhao Ying gave a slight nod "Yeah, and you?" "Xia Shenyi..." she responded.

Xia Shenyi leaned back on the sofa, turning to Zhao Ying with a curious expression. "Ying, what do you know about Tian?" Zhao Ying's brow furrowed in confusion. Is it a competition for who knows more about Tian'er?

"I have known Tian'er since childhood and he was someone very close to my heart, my little brother. I have loved him for years... than you."

Xia Shenyi couldn't help but chuckle as Zhao Ying pressed the words 'than you' "Hm... do you know how special he is?"

"How special he is?" Zhao Ying raised an eyebrow. Xia Shenyi gave a nod "Even I don't know how to describe him. He himself is a miracle, possessing a body that could even defy the mortal limitations of heavens is not a small thing."

"In talent, looks, and power... no one can match him. He is above anyone else, He alone is the Honoured One."

H-Honoured One? Zhao Ying was startled to hear the extravagant name "Is... Tian'er that amazing?" she asked intriguingly, her heart curious to know more about the unknown extraordinary side of her Tian'er.

Xia Shenyi gave a nod "En. Now he is in the 5th level of Heaven Astral stage... Even if you are a peerless genius it would take at least 50 years for you to reach that stage but Tian reached that in just a span of three weeks."

I-In just three weeks? Zhao Ying was taken aback hearing this. She doesn't know the stages of cultivation, but the idea of completing something that typically required 50 years of effort within such a short timeframe was simply...mind-boggling for her.

Xia Shenyi nodded her head "With the speed he is cultivating, in the future he will surely become a God."

"G-God? Did I just hear God?" She hastily asked in shock. Xia Shenyi giggled "Surprised, right? You need to know he is just that outstanding and his achievements in the future will be limitless."

Xia Shenyi squinted her eyes "In my opinion, you are the one who doesn't deserve him and here you are trying to monopolize him... haha."

Zhao Ying's heart trembled upon hearing Xia Shenyi's words. She never knew these amazing things about Zhao Tian, but she has always loved him. In her eyes, he is her cute little brother who always cared for her and showered his love on her since childhood.

She still remembers the little antics she did to get his attention and her little brother always spoils her, never showing any anger and always gazing at her with a gentle and affectionate look on his face.

Hearing all those things, her eyes crescented in concern, In that moment, an overwhelming sense of inferiority washed over her... she felt worthless in front of him. Xia Shenyi's words added a whole new layer to her perception of him.

I don't deserve to be with T-Tian'er?

Xia Shenyi was stunned by Zhao Ying's gloomy face. 'Did I go overboard?' She just thought of explaining things and convincing her but seems like she is going off limits.

"Well, even I don't deserve him. No woman deserves to monopolize him..." Xia Shenyi spoke trying to encourage Zhao Ying a bit.

Seeing that she still had a stern look on her face, Xia Shenyi got up from the sofa and sat down next to her with a sigh "Ying, don't think like humans who have mortal life. You are gonna be a cultivator and your life span is longer than hundreds of years."

"In my star, the kings had a lot of wives and concubines. It is normal for strong people like Tian to have many women. So throw away your Earth's rules..."

Zhao Ying slowly shifted her gaze towards Xia Shenyi, intrigued by her mention of a 'star' "Your star?" Xia Shenyi gently smiled and briefly explained how she was not from Earth, and how she struck in the artifact and Zhao Tian helped her.

Zhao Ying was amazed hearing the story "So, that's why you are inside the artifact." Xia Shenyi gave a wry nod "Yeah..."

A sigh escaped Zhao Ying's lips "But... still am I not enough for him?" Xia Shenyi smiled "Tian won't be always with you... in the future, he will see many beautiful and powerful women than you."

"If you attempt to exert control over him, there is a possibility that he may leave you and choose the other woman who surpasses you in power and beauty, as you seem unwilling to embrace the presence of another woman in his life alongside you."

Zhao Ying vigorously shook her head, denying the possibility "N-No, No... Tian'er won't leave me." However, her words seemed to amuse Xia Shenyi, who couldn't help but release a light-hearted giggle. "Sure, he won't..."

Xia Shenyi glanced over at Zhao Ying, noticing the heavy sigh that escaped her lips as her mind seemed to be consumed by a whirlwind of thoughts. Xia Shenyi spoke trying to divert her thoughts "I brought you here because I wanted to ask this..."

"You had sex with Tian, right?"

E-Ehhh? Zhao Ying's face quickly blushed hearing this "W-What are you asking?" A dry smile appeared on Xia Shenyi's lips "You don't have to be so embarrassed, we are the women of the same man after all."

Upon hearing those words, Zhao Ying was overcome with a mix of intense emotions that caused her eyes to tremble for a second. Women of the same man? Tian'er... left her feeling a complex blend of emotions.

She took a deep breath, the blush on her cheeks intensifying "Yeah, I had sex with Tian'er." Xia Shenyi narrowed her eyes as she asked "Can you satisfy him?"

gasp Zhao Ying gasped in disbelief, her eyes widening with shock. "H-How-Wha.. no, I-I mean..." she stammered before looking away, a blush of embarrassment creeping onto her cheeks. Xia Shenyi spoke seriously "Ying be honest."

W-Why is she asking stuff like this? A contemplative sigh escaped Zhao Ying's lips and she shook her head "He is strong in bed. A-And after three rounds, I can't take it anymore... but he is still hard." she admitted, her voice tinged with a mixture of bashfulness and astonishment.

"I told him to go for the next round, but concerned about my health... he didn't do it further. Yeah, I couldn't completely satisfy him."

Xia Shenyi nodded upon hearing this "It's just as I thought, he has insane sex drive."

"What?" Zhao Ying yelled in shock "W-What do you mean by that?"

Xia Shenyi spoke in a serious tone "After he had sex with you, his cultivation increased drastically."

"Huh?" Zhao Ying was totally confused. How could sex increase the cultivation? Seeing her confusion, Xia Shenyi smiled and explained to her about dual cultivation. Zhao Ying realized that there was much more to cultivation than she had initially thought.

"So because of my virgin Yin, his cultivation increased?" Zhao Ying asked understanding the concept.

Xia Shenyi nodded her head "En. I also noticed the Yang energy inside Tian has increased after his first intercourse with you... your Yin energy is not enough for him to satisfy his sexual urges."

"So, in my opinion, he needs many women not only to take care of his sex drive and satisfy him, but at the same time he can cultivate quickly with the Yin energy of many women."

Zhao Ying's gaze shifted downwards, her eyes filled with a mixture of disappointment and self-doubt. "So I am not enough for him after all?" a sad sigh left her lips.

Xia Shenyi spoke in a soft voice "Ying, not only you... I also love him with all my heart. And as his woman, I'll do my best to support him and I hope you will do the same."

Zhao Ying felt a tightening sensation in her heart, a wave of distress washing over her "I-I need time to wrap around with these things. This is all sudden to me and..."

Xia Shenyi gave a nod and stood up "I know, I'll be taking my leave then." she spoke leaving the room.

...

As Xia Shenyi came out of the room, she glanced at Zhao Tian who was sitting in the hall "Tian!" she called him softly, walking towards him.

Xia Shenyi walked to him settling herself comfortably on his lap. Zhao Tian too wrapped his hand around her waist, drawing her closer "What happened? Did you talk?"

With a sigh, Xia Shenyi leaned on his shoulder "I did... I am kind of nervous." Zhao Tian frowned "Why are you nervous?"

Xia Shenyi spoke "Even though you love me, I know you love Ying more than me because she has a strong bond with you, and if she asked you to leave me... you might leave me."

Zhao Tian pinched her lips "What are you saying? I won't leave you." he reassured her, leaning in to place a tender kiss on her lips. The warmth of his touch sent a surge of love and comfort through her body.

"Really?"

"Yeah, I promised you..."

creek After a while, Zhao Ying came out of the room. Seeing her, Xia Shenyi tried to get off Zhao Tian's lap but Zhao Tian clutched her waist tightly not letting her get up "Ying'er..."

Xia Shenyi was surprised, she thought being so intimate with him might be unease for Zhao Ying, but he didn't let her go indirectly speaking his love. With a soft sigh, Xia Shenyi buried her face on his right shoulder.

Zhao Ying also noticed his gesture and saw Xia Shenyi burying her face on his shoulder. She walked to him and sat on his left thigh "Tian'er."

Zhao Tian wrapped his left arm around her waist and smiled softly. Seeing his smile, Zhao Ying couldn't help but giggle a smile gracing her lips "You have never changed, idiot." she spoke kissing his cheek "I love you, Tian'er!"

At this stage, her feelings for Zhao Tian have reached a point where she is completely infatuated with him and she simply couldn't hate him for having many women. All she truly desires is his love and affection, and she is willing to accept other women, as long as she gets his love.

"I love him too..." Xia Shenyi spoke with a smile. Zhao Ying gave a light nod and Zhao Tian tightened his hug around them "And I love both of you!"

"Haha!"

(A/n: You might think this is all extra stuff. His sister could just accept the harem and all if she truly loves him. But I just wanna show the emotions and delve quite into the character... um. Well not every woman accepts the harem right?)
