

I alone am the Honoured One!

Chapter 46: Checking the affinities!

Xia Shenyi narrowed her eyes as she focused her gaze on Zhao Ying, tilting her head slightly closer to hers. "Hmm.." Deep in thought, she contemplated the situation, her mesmerizing black eyes shining with a subtle glimmer.

Zhao Tian, ??who was sitting next to Zhao Ying, asked "So? Can you sense any seal?"

Xia Shenyi spoke not being certain "I am not so sure, I can kinda sense it but can't... someone stronger than me has placed the seal."

Zhao Ying's mind was filled with confusion as she turned to Zhao Tian "Who would place a seal on me and Tian'er..." Xia Shenyi shook her head "I don't know.. for now, let's go outside."

As they walked outside in the grass field, Xia Shenyi suddenly disappeared. Hm? Zhao Tian raised his head and saw Xia Shenyi floating in the air "What are you doing?"

Xia Shenyi shrugged "Trying to break the seal, you back away a little." she spoke as she raised her palm and watched as orange flames began to swirl and gather above it, eventually forming a large sphere. *woosh* The sound of the flames crackling filled the air as the sphere grew in intensity.

Zhao Ying was startled seeing the swirling flames and looked at Zhao Tian. Zhao Tian gave a reassuring nod and planted a kiss on her cheek "You can cultivate after breaking the seal, Ying'er."

As Zhao Tian distanced himself from Zhao Ying, Xia Shenyi lowered her hand and hurled the large flaming sphere towards Zhao Ying. *woooossh*

"EH?!!" Zhao Ying heart skipped a beat to see the burning giant fireball rushing towards her. Zhao Tian spoke "Ying'er, don't panic." Hearing his words, Zhao Ying gave a nod and closed her eyes clutching her hand.

Xia Shenyi narrowed her eyes as the destructive fireball inched near Zhao Ying. *flick* But before it could reach her a transparent barrier appeared acting as an impenetrable barrier between Zhao Ying and the incoming fireball. *boooommm* The impact between the two forces resulted in a thunderous explosion that echoed throughout the surroundings.

Zhao Ying stood there unscathed but the place around her was burnt with charred remnants and billowing tendrils of smoke rising from the scorched earth surrounding her. *fwiish*

Xia Shenyi frowned, that's not her powerful attack but still "It seems that I underestimated the strength of the seal that was placed by someone more powerful than me."

Zhao Ying looked around the burnt area and asked "So... what should we do?" Xia Shenyi gave a nod "Wait a little, I will come back."

Zhao Ying glimpsed at Zhao Tian who was walking towards her "Tian'er, you said that this has something to do with our Dad which our Mom never speaks about."

Zhao Tian nodded his head "Yeah, I think... maybe our Dad is actually from High Star and he placed the seals to protect us. I am not so sure."

Zhao Ying expressed her doubts by shaking her head "No, I am suspicious of Mom about this..." She discreetly stole a glance at him, unsure of how to approach the subject. With a hesitant tone, she cautiously brought up the topic. "D-Do you remember the 'talk' we had that day? Tian'er?"

The talk? Zhao Tian narrowed his eyes and spoke in a stern voice "Ying'er, I have told you not to bring that topic again." *gik* His cold tone sent shivers down her spine, causing panic to course through her body. In a desperate attempt to appease him, she quickly hugged him H-He is mad.

"I-I am sorry, Tian'er... it just lingers in my mind so... I am sorry." she apologized softly kissing his lips. Zhao Tian let out a sigh and patted her head "Never ask Mom about that... she would be heartbroken."

"En! I won't... so don't get mad." Zhao Ying spoke in a timid voice. She knows Zhao Tian cares a lot for his mother Zhao Suyin, even more than her and sometimes she even wonders if he has Mom-con.

At this time, Xia Shenyi walked towards them and Zhao Tian looked at the small glass bottle in her hand which contained a red liquid inside it "Is that an artifact?"

Xia Shenyi nodded her head with a smile "An artifact which is used to destroy seals.. this red liquid is a fire poison which corrodes seals and destroys them."

thrash She shattered the glass container within her palm and the red potion covered her hand and instantly evaporated forming a red fiery flame within her palm which burned brightly.

Xia Shenyi smiled and glanced at Zhao Ying, Zhao Ying moved a little closer to Xia Shenyi. Xia Shenyi clenched her fist and directly punched Zhao Ying. *whoosh* Eh? Zhao Ying was dumbfounded as Xia Shenyi suddenly tried to punch her.

The transparent seal again appeared and Xia Shenyi's powerful punch landed on the barrier. *boom* her punch sent shockwaves rippling across the air. As her fist came in contact with the barrier, the red flame that danced upon her palm quickly spread, engulfing the entire surface of the barrier.

The barrier began to burn and with that, Xia Shenyi thrust her fist with full force and the barrier began to bulge slightly. "Urgh! Who the hell put this seal..." she grunted and pushed her fist even further.

crack Small cracks appeared on the barrier and Zhao Tian smiled seeing this. *crack* *crack* The cracks multiplied rapidly, spreading across its surface until finally *THRASSH* the barrier broke into pieces.

woosh Zhao Ying stumbled a step back as the seal broke and fell on Zhao Tian's chest. Xia Shenyi's eyes glowed brightly looking at Zhao Ying and a look of surprise flashed across her face "Regnant Light physique." she muttered.

Zhao Tian frowned hearing this "Is that Ying'er physique?" Xia Shenyi shook her hand as the red fiery flames disappeared "Yeah, this physique is also quite rare because Ying has the power to manipulate Light attribute, which is rare."

Zhao Ying was surprised "I also have a rare physique? But how did you find that?" Xia Shenyi giggled "Because I also have a physique, Astral Constellation Physique which can detect what physique others have..."

"O-Oh..." Zhao Ying was amused. Zhao Tian spoke, "Then we don't need Affinity orb to check her elemental attribute?"

Xia Shenyi tilted her head "Well. she might have two affinities like me, so we should probably check it." *swwoosssh* Suddenly Zhao Ying's body shined bright in yellow light and astral energy burst out of her body.

A few seconds later, the light disappeared and Zhao Ying hastily checked her body "W-What happened just now? I-I suddenly felt a weird energy in my body." She was confused and somewhat frightened by the unexpected sensation.

Zhao Tian squinted his eyes "The energy that accumulated in you after your sex with me just burst out and you are in the 8th level of Nascent Astral Stage."

Xia Shenyi nodded her head "En. We can check your affinities later, now you gotta quickly stabilize your cultivation... Come, I will guide you."

...

A sigh left Xia Shenyi's lips seeing Zhao Ying cultivating under the array stabilizing her cultivation. Zhao Tian who was standing beside her spoke "First I need to check my affinity."

Xia Shenyi turned her eyes at him "Yeah, I am also curious." Zhao Tian raised his palm and the affinity orb appeared in his palm.

With a smile, Xia Shenyi took the affinity orb in her hand and passed a little bit of her astral energy into it. *woosh* the white mist swirling inside the orb transformed into a dazzling display of fiery sparks intertwined with flowing water.

Seeing the blend of red and blue, Xia Shenyi smiled "See? My attributes... Fire and water." Zhao Tian was amused seeing this.

"Now your turn." Xia Shenyi said placing the affinity orb on his palm. Zhao Tian passed his own astral energy through the affinity orb and he was also curious to know about this.

Xia Shenyi looked at the affinity orb intently and at this time, with a spark *woosh* a reddish flame appeared swirling inside the orb. "Oh? Same as me a fire attribute..."

thrissh But this time a thrashing wave of water appeared blending with the fire. Xia Shenyi blinked her eyes in surprise "A dual attribute just like me, Fire and water."

thrissh With a sudden electrifying sound, a bolt of purple lightning flashed across the affinity orb. *gasp* Xia Shenyi gasped in shock at seeing this "T-Three attributes?"

"This is the first time I have seen a person with three affinities-" But her shock didn't end there as she saw the small brown sand swirling along on the bottom of the affinity orb.

"E-Earth? T-Tian, you have four attributes? This is a record. Amazing... H-How?" Her heart palpated in shock seeing the four blends of colors inside the affinity orb.

She raised her head looking at Zhao Tian, her eyes full of excitement "I-I never thought there would be a person with four affinities." Zhao Tian chuckled and spoke, "You need to see a little more clearly."

Huh? She again glimpsed at the affinity orb and saw a flash of green and yellow light sweeping along with the other four colors. H-Huh?

Xia Shenyi's eyes dilated in absolute bewilderment and her body quivered, her brain couldn't process what she just saw "A-All six affinities?" she opened her mouth in shock.

She again looked at Zhao Tian in amazement. She has heard rumors about a person in the past having three affinities and he was labeled as the Peerless genius in the cultivation world.

But now here is a guy in front of her, who has affinities towards all six elements. What the actual fuck?

Hm? Zhao Tian narrowed his eyes as he saw a swirl of gray energy suddenly appearing inside the Affinity orb. *shrrrik* The orb itself trembled, seemingly overwhelmed by the overpowering presence of the gray energy.

thrieeek The gray energy swallowed all the other six colors causing them to dissipate into nothingness. Like a mesmerizing vortex, the gray energy spun ominously within the Affinity orb,

"W-What happened?" Xia Shenyi stammered in disbelief. "Why it turned g-gray?" The affinity orb began to tremble even more, Scared, Xia Shenyi quickly took the affinity orb from his hand.

"What is that gray energy?" Xia Shenyi asked looking at Zhao Tian. Zhao Tian squinted his eyebrows "I have no clue..."

Xia Shenyi clutched her head in confusion "I have never seen that color. What element does it represent? Metal or what? Is your physique interfering with something?" "Well, leaving that aside, now I have six affinities mean I can use all of them?" Zhao Tian asked and Xia Shenyi took a deep breath swallowing the information "I-I guess, you are the first one to have all six affinities. I never heard even the previous Honoured One physique holder having all elements."

"Hoh." Zhao Tian muttered under his breath and asked "Are there only elemental cultivation techniques?"

Xia Shenyi shook her head "Some people may don't have any affinities. So there are many other subsidiary cultivation techniques like... Palm techniques, Body refining techniques, sword techniques, spear techniques, Summoning or beast taming techniques, Mind control techniques, Soul techniques... Evil techniques... there are many."

"And if they are not interested in fighting techniques, there are still Alchemy, Sealing techniques, Runes and inscriptions, Weapon refining, Artifact creating, Potion refining and etc."

"Hm.. that's some info dump!"

Chapter 47: In the Hot springs!

Zhao Ying's eyes fluttered open and a deep breath left her lips. "So this is cultivation!" she mumbled and raised her head but seeing the scene in front of her she was dumbfounded, leaving her speechless.

"Tian~!" Xia Shenyi moaned softly kissing Zhao Tian's lips her hands tightly wrapping around his neck. Zhao Tian softly nibbled her lips as his hands went down her waist, sensually exploring the curves of her body and groping her ass cheeks, spreading them as he kept playing with her ass savoring the soft plushness.

As Zhao Tian gave a tight squeeze on her ass, Xia Shenyi let out a soft moan and deepened their kiss, their tongues dancing together in a passionate embrace.

Zhao Ying's eyes quivered seeing their intensity and she averted her gaze. But then she took a deep breath and walked toward them with a smile

Pulling back the kiss, Xia Shenyi smiled and her eyes glanced at Zhao Ying who was approaching them. "Oh, you finished?"

Zhao Ying gave a nod and spoke "Seeing both of you kiss, still kinda bugs me..." Xia Shenyi couldn't help but giggle "You should get used to this..."

Zhao Tian let go of Xia Shenyi and gently swept Zhao Ying in his arms like a princess. Zhao Ying instinctively wrapped her arms around his neck for support and smiled, tenderly caressing his face.

Zhao Tian spoke with a smile "Here is an awesome hot spring, lets go there and bathe..." Zhao Ying readily nodded "Let's go!!" and Zhao Tian glanced at Xia Shenyi "Shenyi?"

Xia Shenyi shook her head "You go first, I will search for some cultivation techniques suitable for her." Zhao Ying's eyes softened upon hearing this "Thank you, Sister Shenyi!" *swoosh* Both of them disappeared.

"S-Sister?" Xia Shenyi was surprised but then a gentle smile appeared on her face "Seems like she is trying to accept it..."

swoosh Appearing near the hot springs, Zhao Tian placed her down "Remove your clothes and hop in." Zhao Ying gave a nod and looked around that place mesmerized by its beauty.

As she began to undress, she muttered "This place is really beautiful, Tian'er." Zhao Tian just chuckled and after removing the clothes both of them entered the hot springs.

Leaning back on the wall of the hot springs, a sigh left Zhao Tian's lips feeling the warm water caressing his skin, submerging himself in the water.

His mind again recalled the gray energy he saw in the Affinity orb. 'Just what is that energy, it overpowered others completely devouring them...' his eyes glanced down at the green pendant on his neck. 'This artifact, this seal... everything seems so mysterious. Haaah!'

"Haha, this is fun!" He heard a cheerful giggle and his blue eyes glanced at Zhao Ying who was swimming around in the hot spring in that low-depth water.

Seeing her enjoying herself brought a smile to his lips. For now, he is enjoying his life, but he knows that if he stays idle... this happy life will not be forever.

This is a cultivation world and to protect his loved ones and have a happy life, he should be stronger and fear no one. The only way for that is to become the strongest and stand above everyone else. He already has the blueprint in his hand - His physique. Now he just has to utilize it to the fullest and become stro-

"Tian'er!" But his thoughts were suddenly interrupted when Zhao Ying jumped out of the water onto him. "Ying'er...".

Gently falling on top of him, she positioned her body sitting on his lap facing towards him as she softly intertwined her arms around his neck.

Zhao Tian smiled and gently wrapped his arms around her, drawing her in closer until their bodies were pressed against each other. Zhao Ying leaned in hitting her forehead with his, her eyes locking with his as she gazed at his mesmerizing blue eyes.

"Seems like you were spacing out just now?" Zhao Ying asked as drops of water from her wet hair fell onto Zhao Tian's skin. "I was just admiring your beauty!" He spoke softly caressing her wet face.

"Hm? Really?" She inched her face closer licking a droplet of water on his cheek. Zhao Tian smiled and held her chin with his fingers, pulling her lips closer to his.

Zhao Ying too closed her eyes and Zhao Tian kissed her wet lips. *smooch* Their lips melded together, savoring every soft and tender sensation that danced upon their lips and she could feel the warmth even though she was wet.

Zhao Tian trailed his hands above her waist gently grabbing her boobs. "Hangh~!" Zhao Ying moaned at his sudden move but still didn't break the kiss.

Zhao Ying slowly retracted her arm from his neck, gently gliding down her fingers through his chest, his abs, and finally reaching his dick.

She teasingly caressed his dick with her delicate fingertips, tenderly grasping it in her hand. Pulling away from the kiss, Zhao Ying smirked playfully "It is so hard and hot..." she said squeezing his dick in her palm.

Zhao Tian also fondled her boobs with a smile and Zhao Ying shook her hand up and above giving him a handjob. "Hnngh~! Tian'er..."

"Ah!" *splash*

...

Xia Shenyi carefully set aside a collection of books and scrolls and smiled "These are some of good cultivation techniques for Ying."

"I'll go and see what they are doing."

As Xia Shenyi strolled closer to the Hot springs, her ears perked up as she caught the distant sound of faint moaning. *pakh* "Haangh~~~ Tian'er Aaaangh~~~"

(???) Xia Shenyi was stunned hearing those noises, 'D-Don't tell me they are making out in the Hot springs?'

She slowly approached the hot springs and peeked hiding her presence from Zhao Tian. "Haaangh~~ Ungh~~~!" There she saw Zhao Ying on all fours, while Zhao Tin grabbed her waist from behind banging her.

Xia Shenyi instinctively gulped her saliva as she saw Zhao Tian's big dick sliding in and out of Zhao Ying's pussy. 'W-Will he ram it like that inside me too?' The anticipation of what was to come sent shivers down her spine, the pulsating desire building within her as she imagined the moment when she would finally feel him inside her.

Her cheeks blushed red as she saw Zhao Tian thoroughly enjoying the sex as he continued pounding Zhao Ying's pussy.

A little later, Zhao Ying felt his dick throbbing inside her and she knew what it was "Tian'er, insideeeee~" she moaned, and hearing her request, Zhao Tian plunged in deeper and *splurt* released his load deep inside her pussy. "Urgh!"

Zhao Ying stumbled on the floor in exhaustion and her breath was erratic as the cum overflowed from her twitching pussy, leaking on the ground. "T-That was intense...Haah." she managed to utter between gasps..

Zhao Tian smiled in satisfaction and glanced towards Xia Shenyi's side "Shenyi, even though you try to hide with your cultivation, you are inside my artifact so I can sense you."

gik Xia Shenyi's body stiffened hearing this and she came out of her hideout with a reddened face. "Come here..."

With slow steps, Xia Shenyi reached him and Zhao Tian smirked as he stood up. "Hehe!"

...

"Hhnngh~!" A little later, Zhao Ying opened her eyes hearing some moaning noises and she sat on the ground gazing at the hot springs. There she saw Zhao Tian fingering Xia Shenyi's pussy, placing her on his lap, their lips locked in a passionate kiss.

A small sigh left her lips "I couldn't completely satisfy him..." she moved again immersing herself in the hot springs and only then she noticed Xia Shenyi's boobs and was surprised 'A-Aren't they big? G? H cup?'

Then she glanced down at her own boobs 'E cup is also ok, Tian'er seems to like it.'

...

A few days passed~

Zhao Tian sitting on his bed spoke to the person on the other end of the call "She is discharging the day after tomorrow? right..."

Chi Miya agreed with a nod of her head "Yeah, and that's why I wanna ask about the... pill."

Only then did Zhao Tian remember about the pill, he totally forgot about it "The pill is ready..."

"Great!" Chi Miya exclaimed in surprise and then hesitant words came out of her mouth "T-Tian, are you free after noon tomorrow? Maybe we can go somewhere? Someplace to eat...a-and spend some time maybe."

Zhao Tian asked with a smile "A Date?" Chi Miya was startled, she didn't expect him to ask it so blantly "E-Eh? NO!!... I-I mean, yes, yes... a d-date. How about that?"

"Ok with me."

Hearing this, a smile instantly appeared on Chi Miya's lips and she replied "Good! Good! C-Can you come and pick me up from the office tomorrow."

"Yeah!"

"Awesome... B-But is your girlfriend ok with that?"

"It is just a date right? Don't worry..."

After some talks, he canceled the call. Meanwhile, Chi Miya stood up on top of her bed and jumped in excitement "YES! YES! I ASKED HIM OUT ON A DATE! HAHAHAHA!"

"HAhahaha..." The sound of her laughter gradually faded away, replaced by a quiet muttering "But he has a girlfriend already... No, I should make my moves and complete my 'objective'."

Zhao Tian glanced at his mobile screen. "Is 10 billion enough?" he muttered to himself.

Completing the transaction of 10 billion he stood up from the bed and stretched his arms. "Maybe I should take a bath real quick!"

As he removed his t-shirt he saw himself on the long mirror. He doesn't want to be narcissistic but he is really handsome. He also removed his shorts and underwear.

As he gazed at his reflection in the mirror and his well-chiseled body, he couldn't help but be impressed "Using that body cultivation technique has improved my physique and facial features too. Hmmm..." he mused thoughtfully, a hint of satisfaction lingering in his voice.

As he was admiring himself, he quickly turned towards the door. *creek* Opening the door, Zhao Suyin entered the room draped in nothing but a white towel that delicately concealed her most intimate parts, but her plump thighs and alluring cleavage were exposed captivating Zhao Tian's eyes.

"Tian'er!"

"Mom?"

By the way I just checked the fandom thing in mobile... why is Ning Zuiye in third? Dawg she just appeared in 2 chaps... Justice for Xia Shenyi

Chapter 48 In the bathroom!

A few minutes ago-

Zhao Suyin in her room, undressed, removing her dress and draping it over a nearby chair. She wrapped a towel around her as she prepared to step into the bathroom.

ring But at this time, she heard a notification sound from her mobile phone. She walked to the bed and took the mobile in her hand.

Gah! But seeing the notification, her jaw dropped, her eyes widening in shock. Her lips quivered as she muttered "One, two, three, four, five, six, seven, eight, nine, ten... T-Ten zeros? 10 billion? what the fuck?" she yelled.

"B-But who send it..." She hastily checked who sent it and seeing her son's name she was taken aback "T-Tian'er? Where did he get the money from?"

She tossed the phone onto the bed and quickly rushed up the stairs towards her son's room.

creek She hastily pushed the door open "Tian'er..." But she was startled and her body froze as she saw her son standing naked in front of the mirror. Wha-

Zhao Tian looked at his mom dumbfounded "Mom?"

As Zhao Suyin gazed at him, her eyes were involuntarily drawn to his dick and a slight blush crept over her cheeks.

Zhao Tian also didn't try to hide it or shy away because it's not like she hasn't seen it already and she even grabbed it once. He just showed a smile "You saw the money?"

ahem With a slight cough, Zhao Suyin walked in and Zhao Tian saw her curvy boobs swaying rhythmically to her walk "Tian'er, that money... is that real?" she inquired, struggling to maintain eye contact because she couldn't help but steal quick glances at his dick.

Zhao Tian also noticed her eyes wavering and smiled wryly "That money is real and don't worry, it's not illegal..."

Zhao Suyin squinted her eyes "Don't tell me, you robbed the bank or something? Like in Money Heist..."

-- "You watched that yesterday on Netflix, right?" Zhao Tian asked and seeing his face, Zhao Suyin giggled "All jokes aside, how did you really get that much money." she asked again lowering her gaze, and taking a quick glance at his dick.

Zhao Tian shook his head helplessly and asked straightforwardly "You have been staring at my dick for a while now..." Zhao Suyin giggled dryly "You noticed?"

"It was obvious!"

Zhao Suyin shrugged lightly "It seems to have grown in size since the last time I laid eyes on it, despite its softness."

With a sense of curiosity and anticipation, she inched her way towards him, her eyes fixed intently on his dick. She reached out, delicately caressing his dick with a gentle touch, her delicate fingers grasping his dick feeling it in her palm "Yeah, it certainly has increased in size..." she mused in wonder.

A sigh left Zhao Tian's lips "Keep your analogy for later, I am gonna take a bath now." he said taking a step back as his dick slid down from her grasp.

"Wait, you didn't say how you got the money..." Zhao Suyin asked as Zhao Tian walked towards the bathroom "I'll tell you after the bath."

But as he stepped in, he stopped and glanced back at his mom who stood there just wearing a towel "Wanna join?" he asked teasingly.

"Oh!" Zhao Suyin looked down at herself and gave a nod "Since I am also gonna take a bath, let's bath together." Zhao Tian was quite surprised as he didn't expect her to readily say ok.

Zhao Suyin walked closer to him, her movements deliberate as she raised her arms gathering her silver hair into a messy bun. As she raised her arms to braid her hair, Zhao Tian glimpsed at her tantalizing cleavage which was peeking out even more and he felt the sudden urge to squeeze them in his palms just like Xia Shenyi's.

"Come on, dear..." Zhao Suyin entered the bathroom first and Zhao Tian followed her. As both of them stepped in, Zhao Suyin walked to the empty bathtub and bent her body inside to push the drain stopper to close the valve.

As she leaned down, her white towel slowly slipped above her smooth thighs and Zhao Tian who was standing behind her couldn't help but feel turned on seeing her long legs and supple thighs.

The towel slowly inched above her thighs and Zhao Tian could almost see her pussy, but before he could take a glimpse of the heaven's gate, Zhao Suyin pushed the stopper and stood up. "Tian'er you are using the tub, right?" she asked turning back her head.

Bathtub? Zhao Tian glanced over at the bathtub and smiled "Nah, I am using the shower." "Hm... I thought that I could use the shower while you use the bathtub."

Zhao Tian spoke "No worries, we can enter the shower together. We can save water that way" Zhao Suyin giggled hearing this... Saving water? A smile appeared on her lips and she nodded "Yeah, let's bath together..." Some mother-son bonding time.

Zhao Tian gently slid the shower curtain aside and made his way into the shower, followed closely by Zhao Suyin who closed the curtain behind them.

As Zhao Suyin pulled the curtain and turned around, she saw her son intently staring at her exposed cleavage. "Ummm..." Feeling a mixture of surprise and embarrassment she mumbled a small blush on her face.

Zhao Tian smiled playfully "Mom, since you're already in the shower, why not take off your towel?... I'm quite curious to see what you've got."

Wha-Hey! Zhao Suyin was embarrassed hearing his audacious words and she couldn't help but pinch his waist in frustration "When did you became so shameless and naughty? huh? Asking your mom to remove her dress?" she asked in a scolding tone.

Zhao Tian just chuckled as her pinch didn't even hurt him. Seeing him chuckling playfully, brought a soft smile to her lips and her eyes softened in tenderness. Zhao Tian spoke "Why? A mom can see his son's... but a son can't see his Mom's?"

Zhao Suyin retracted her hand "That's because I am the MOM and I have full access to check on your health and your body."

Zhao Tian sighed "Regardless, remove it soon... we gotta bath." "Hmph!" Zhao Suyin scoffed and turned around showing her back to him.

With a graceful motion, she raised her arms towards her towel, carefully cradling it as she removed the towel from her body. She then placed the towel on a dainty hanger, ensuring it was properly hung.

A smile appeared on Zhao Tian's lips as he caught sight of his mom's smooth back, her seductive neckline, her alluring curves, and her plump ass cheeks. Zhao Suyin's discreetly turned her eyes at him and saw her son intensely staring at her ass and she couldn't help but shy in embarrassment.

A small sigh left her lips 'Of course, as a young man at his age he would be so curious about such things. As his mom, it is my duty to teach him even these things... since he doesn't have a girlfriend.'

Blushing faintly, she hesitantly turned her body, her hands instinctively covering her nipples and vagina from her son's gaze, as she felt deeply embarrassed about revealing them. "Mom..." Zhao Tian called softly and Zhao Suyin glanced at his eyes. "Ok..." With a gentle sigh, she slowly retracted her hands showcasing her body to her son at its full glory.

Chapter 49 Mom will help!

Zhao Tian gazed at his Mom's exposed body causing his heart to race with anticipation. He couldn't help but be captivated by her ample boobs, adorned by a rosy nipple resting

atop them, Her slender waist and curvaceous hips only added to his desire, and as his gaze drifted lower at her crotch, Zhao Suyin clutched her thighs in embarrassment.

Zhao Tian raised his head and saw her cheeks flushed a deep crimson, enhancing the already stunning beauty. The crimson hue added a touch of allure to her appearance, making her even more beautiful in his eyes.

Zhao Suyin gently lifted her hand and playfully nudged his chin, making him look away "Don't look at it too much, even I am embarrassed."

Zhao Tian couldn't help but chuckle "Are you really 41 years old?" Zhao Suyin pulled back her hand and spoke "Well, I took good care of my body and doing Yoga and stuff to maintain it."

"Hm.." Zhao Tian mused, his hand reaching out towards the shower handle. With a gentle flick, *thirsssh* the water began to flow, cascading from the rain shower above. The droplets, cool and refreshing, delicately caressed his face. With a smile on her lips, Zhao Suyin delicately lifted her hand to undo the messy tied bun, allowing her lustrous silver hair to cascade down upon her shoulders. "Haah!"

Then she took a step front inching closer to Zhao Tian, her boobs almost touching his chest. The gentle droplets of the sprinkling shower cascaded onto her, drenching her hair and leaving it wet.

As she stood under the stream of cold water, she took her time brushing her hair and closed her eyes enjoying the chilling sensation. Meanwhile, Zhao Tian couldn't tear away his gaze off her big boobs.

While Zhao Suyin was gently running her fingers through her hair brushing it, "Ah!" she felt a sudden pull on her waist, causing her to jump in surprise as she quickly opened her eyes

Zhao Tian wrapped his arms around her, pulling her in so closely that their bodies were pressed tightly together. The sensation of her boobs against his chest sent a shiver down his spine, and he could feel the hardened peaks of her nipples. "W-What are you doing?" Zhao Suyin hurriedly asked, seeing that they suddenly became very intimate.

"Stay closer to me, so the water hits you properly..." he said with a smile.

Zhao Suyin looked down at her boobs being pressed by his strong chest. Letting out a soft sigh, she reached out and placed her hand on his shoulders, running her fingers over his well-defined muscles. "Your body is really tough huh? Unlike mine..."

Zhao Tian just chuckled. Hearing him chuckle she looked at his face which was cascaded by his wet white hair.

With a warm and tender smile on her face, she raised her hand, gently moving away the wet strands of hair that clung to his face. She lovingly clasped his face in her palm, her eyes overflowing with motherly affection "My son has grown so much..." she whispered.

"I still remember your baby face, you were so cute back then and you and Ying'er running around the house playing around... Haha!" she couldn't contain her giggle remembering the old times.

"But now you have become such a big boy, time surely flies..." Hearing her mutter, Zhao Tian's eyes softened as he glimpsed at the tenderness in her silver eyes.

Zhao Suyin looked back at his eyes and her lips quivered a little in hesitation to ask "T-Tian'er, am I a good mother?"

"Hm?" Zhao Tian smiled and leaned his face closer to her planting a sweet kiss on her cheek "Yeah you are the best..."

Zhao Suyin was taken aback, her eyes filled with surprise because she was the one who always kissed his cheek but this was the first time her son had proactively kissed her. Thinking about this, she couldn't contain her joy and a beautiful smile graced her lips.

Resting her head softly against his chest, she enveloped him in a warm embrace as the cold water cascaded over her body. Despite the cold temperature, she could still sense the comforting heat emanating from her son's skin. "Tian'er!" she whispered lovingly.

"Huh?" Feeling a sudden sensation, she looked down and saw his hard dick poking at her. She raised her head in surprise and saw him smile wryly "Don't blame me. You are beautiful so it's natural..."

A slight blush appeared on her cheeks and her left hand trailed down from his shoulder reaching down and grasping his hard dick in her palm. She glanced into his eyes and asked timidly "I already asked this, but do you need m-my help? Tian'er?"

"Mom?"

Seeing him exclaiming, Zhao Suyin couldn't help but smile and caressed his face with her right hand "Tian'er, don't be ashamed to say..." she spoke her delicate fingers trailing along his hard cock, playfully teasing the sensitive tip with gentle strokes.

"You are my son, dear and as your mother and a woman, it is my duty to take on your sexual urges when you don't have a girlfriend. So ask your Mom anything..." she said slowly shaking his dick up and down giving a little hand job.

Zhao Tian felt a wave of pleasure wash over him as he experienced the sensation of his mother's gentle touch on his dick, "Haah!" Zhao Tian sighed in pleasure. Zhao Suyin felt

the dick in her hand getting even harder "Seems like it won't go down soo... you really need my help."

Zhao Suyin quickly crouched down taking the stool from the side. "Tian'er.. sit" She pulled him making him sit on the small stool as she stopped the shower.

Zhao Tian blinked his eyes in surprise "Mom?" as Zhao Suyin kneeled on his front, again softly grabbing his dick in her hand. Zhao Suyin smiled warmly "Don't worry son, I will help you..."

She gently stroked his dick up and down giving him a handjob, Zhao Tian closed his eyes enjoying her fingers stroking his cock. Even though it is not skillful, he can tell she is trying her best to pleasure him.

As she was giving him a handjob, Zhao Suyin noticed the pre-cum on the tip of his dick. Her eyes quivered in intense emotions and she gently raised her left hand, her fingers softly teasing the tip of his cock and she felt his dick slightly twitching in her palm.

She raised her head and saw Zhao Tian closing his eyes enjoying her hand job "Dear, is it g-good?" she asked in a timid voice and Zhao Tianm gave a small nod "Haa! Mom, yeah... it is... Haa..."

Zhao Suyin felt happy seeing his pleasuring face and continued stroking his dick while teasing his tip at the same time. She moved her hand faster and saw even more precum leaking from the tip making her fingers wet. The sight of his arousal only heightened her own excitement, fueling her desire to please him even further.

Zhao Suyin stroked his dick even faster, and seeing her son's dick twitching in her palm and the oozing precum turned her on. The blush on her face deepened as a forbidden desire crept into her thoughts, to lick her dear son's big and hard dick which is jerking in her palm.

She unconsciously opened her lips her eyes locked on his dick her mind slowly consumed by lust. "Haah!" A gasp escaped her lips as her breath grew shallower, her hand stroking his dick even faster.

"Mom... urgh!" Zhao Tian let out a low groan of satisfaction, feeling a surge of pleasure and as he slightly opened his eyes he saw his mom's parted lips and the desire in her eyes to devour his dick.

Zhao Tian gently lifted his hands, wrapping them around her head with a firm yet delicate touch, pushing towards his dick. Zhao Suyin was surprised by his sudden move and lifted her face, her eyes meeting his eyes and seeing the anticipation in her son's eyes Zhao Suyin's heart trembled in whirling emotions.

She kept looking at her son's intense eyes and her motherly desire to satisfy the urge of her dear son intensified "Dear, Mommy will use her mouth for you..." She leaned in bringing her pink lips closer to his dick, the smell of his pre-cum kicked in her lust and she let out her tongue licking the tip of his dick, tasting the precum.

Zhao Tian sighed in pleasure feeling her wet tongue in his tip as Zhao Suyin continued licking the pre-cum from the tip. 'T-This is so tasty...haah...'

After tasting the pre-cum, she gently opened her cherry mouth and pushed her son's huge dick into her mouth slowly.

As she sucked his dick "Urgh.. mom your teeth... use your tongue." Zhao Suyin panicked and retracted her teeth. Giving a blowjob is new to her after all.

She gently moved her tongue in circular motions around the head of his penis and glanced up to see Zhao Tian visibly enjoying the blowjob. *slurp* she maintained her focus on pleasuring him, using her tongue to caress every inch of his hard dick. Feeling her moist tongue rolling on his dick Zhao Tian's pleasure reached new heights. At that moment, as Zhao Suyin caught a glimpse of her son's blissful expression, her desire to give him even more pleasure intensified.

In a bold attempt to take things further, she bravely took his dick deep into her mouth, going as far as she could, almost reaching the depths of her throat. "Urghh!" A pleased groan escaped Zhao Tian's lips as he felt the tight muscles of his mother's throat gripping the head of his dick.

But the moment, his dick reached her throat she gagged and retracted her mouth coughing *cough* *cough* Gasping for breath, she struggled to regain her composure. "Mom? Don't push yourself too hard" Zhao Tian called out to her in concern.

Zhao Suyin light coughing shook her head "N-Nothing, dear..."

She spoke softly and then paused to take a deep breath, her boobs rising and falling in a calming rhythm. She again brought her face closer to his dick gently licking his balls and her tongue trailed upwards reaching the tip.

Once more, she took his dick into her mouth and proceeded to suck with fervor, *slurp* the sound of slurping his dick filling the room.

Under the continuous licks of her tongue and the sucking of her lips, Zhao Tian was pushed to the brink of pleasure. Zhao Suyin could feel the throbbing of his member in her mouth, indicating he was close to climax. *splurt*

Zhao Tian shot his load deep into her throat and Zhao Suyin retracted her mouth from his dick. *splurt*

As she pulled back her mouth, Zhao Tian continued cumming painting her face and her boobs with his white cum.

"Ah!" Zhao Suyin was surprised by the amount of cum sprayed at her and closed her mouth with his thick cum still inside her mouth.

gulp She took her time to savor and swallow every drop of the cum in her mouth, savoring the taste before finally swallowing it all. "Ahhhh!" Once she had finished, she opened her mouth wide to proudly display the evidence to her son.

Chapter 50 Mother and Son bond!

Zhao Tian smiled wryly seeing her showing her mouth "You swallowed all of that?" Zhao Suyin blushed and shyly raised her hand, scooping up a small amount of cum from her breast with her fingers. "It tastes good, Tian'er..."

She spoke while licking the semen off of her finger and savoring the taste on her lips as her face was covered with cum. 'Tastes good?' Zhao Tian was confused 'Maybe it really tastes good because of my physique?'

Zhao Suyin stood up as droplets of his cum fell on the floor from her body. In order to cleanse herself, she grasped the hand shower and turned it, allowing the water to cascade over her, cleaning away her son's cum from her body. *thrissh*

After washing away the cum, she reached out to take the soap from the small shelf. "Mom..." But at this time, a soft whisper caressed her ear and she felt a pair of strong hands hugging her waist from behind.

Her body melted in his embrace hearing his soft whisper and she leaned back falling on his chest, a smile on her lips "Are you satisfied, Tian'er...?" she inquired with a playful giggle, teasing him with her affectionate tone. Zhao Tian brushed his cheek with hers "Yeah, a lot... but I still want more of you." Hm? Zhao Suyin was confused hearing this but his next action cleared her confusion.

She felt his hands trailing up from her waist and gently cupping her under boobs within his soft palms. *gik* Zhao Suyin's body quivered at the gentle touch, causing her heart to flutter with a mix of emotions "T-Tian'er, what are you..." she stammered, feeling both nervous and maybe a little happy at the unexpected touch.

"Don't fret over it..." She again heard his soft whisper melting her heart and she raised her hand hitting his stomach with her elbow "You are getting perverted and your hands are getting naughty..." she scolded him.

Feeling her hit, Zhao Tian just chuckled and fondled her boobs gently, his fingers sinking in the softness. He fondled her boobs gently, earning a subtle yet pleasurable moan from his mom's lips "Haangh~"

As he enjoyed the softness of her big boobs, he asked curiously "Is yours G?" "Hnngh~? It's H-H cup..." she spoke a little bit embarrassed.

"H..hah" Zhao Tian mused and fondled her boobs, molding to his desire as Zhao Suyin tried her best to control her moans as her son sensitively caressed her boobs.

As he gazed upon her delicate shoulder near his lips, Zhao Tian couldn't resist the urge to playfully nibble on it, gently sinking his teeth in. "Haa... it tickles," she giggled in response to his teasing bites, her fingers tracing his face in a tender caress.

Zhao Tian smiled and with this thumb and forefinger, he gently pinched her pink nipple "Haangh~!" Zhao Suyin's eyes widened in shock and a moan escaped her lips. "T-Tian'er?"

"Cute moan!" Zhao Tian teased her and Zhao Suyin was quickly embarrassed as her son heard her moaning.

Zhao Tian couldn't resist the temptation as he continued to lovingly touch and explore Zhao Suyin's voluptuous breasts. With each gentle caress, her body shivered in response, clearly unable to contain the pleasure that coursed through her.

The room was filled with a mixture of their heavy breaths and occasional moans, as the intensity of their intimate encounter grew with every passing moment.

Zhao Tian's hands moved with expert precision, tracing every curve and contour of her glorious boobs, as though he was trying to etch her beauty into his memory forever. "Umng~!"

Zhao Suyin whined in his arms and she raised her hands placing them over his which is on her boobs "T-Tian'er we have to wash our bodies and leave the bath first..."

"Oh, right." Hearing this, Zhao Tian let go of her boobs. As soon as he let go, Zhao Suyin turned around hitting his chest "You really groped my breasts like that..."

Zhao Tian smiled playfully "You played with mine and I played with yours a bit. You are the one who said, we are mother and son... so I also have access to check on your body."

Hearing this, Zhao Suyin playfully pinched his cheek "What a taunting mouth... huh." She retracted her hand and took the soap in her hand "I'll wash your body. Sit down..."

She again placed him on the stool and first began to wash his back with soap and a little scrub her delicate hands moving in soothing circular motions. Seeing his broad back, Zhao Suyin exclaimed "Hm.. Great muscles." she spoke as she continued washing his hands and his chest.

Then she moved to his front and her gaze again fell on his dick and noticed it was still a little hard. "It is still erect..." she muttered under her breath and washed his legs too.

After washing him with the hand shower, she stood up "Hm... okay, you can leave now. Go and brush your body with the towel."

Zhao Tian smirked "Hm? I'll also wash you." As he lathered the soap between his hands, he slowly moved closer to her, wrapping his arms around her from behind and gently cupping her soft boobs.

"Haan..." Zhao Suyin's body jerked at his sudden grope "You just want to grab my boobs, you... you." she scolded him and turned her head.

She grasped the soap from his hand and spoke "You get out, I'll wash my body..." Zhao Tian shook his head helplessly and placed a kiss on her cheek. Zhao Suyin smiled and pinched his cheek lovingly... "Go and get dressed."

After stepping out of the shower, he used the towel to dry himself off. He then wore another set of T-shirt and shorts and sat on the bed taking the phone in his hand.

A little later, Zhao Suyin also came out of the shower wrapping the towel around her body. Seeing him engrossed in the phone, she just smiled and walked near him.

But as she came near him, she noticed a single droplet of water trickling down from his hair and a sigh escaped her lips. Zhao Suyin removed the towel she was wearing and brushed his hair as he was sitting on the bed "You don't even dry your hair properly..." she muttered.

As Zhao Suyin brushed his hair, a wry smile played on his lips as he glanced at his mother's boobs moving with each stroke. He saw the way her breasts jiggled slightly as she leaned forward and then back as she continued brushing him.

As his gaze traveled downwards, it briefly landed on her groin, where he noticed a few silver hairs and a small portion of her clitoris peeking out. Even inside the shower, he couldn't take a clear glimpse of her pussy.

Zhao Suyin retracted her hands and saw him gazing at her crotch. Feeling a slight flush creep onto her cheeks, she swiftly draped the towel around her waist, leaving her boobs exposed.

With a sigh, she ruffled his hair affectionately "Tian'er, seems like your hair has gotten a little longer." Zhao Tian nodded his head "Yeah, I am thinking of having long hair."

Zhao Suyin mused "Oh, I see." "Yeah, I am also seeing..." he said looking at her exposed boobs. Zhao Suyin's lips twitched hearing this and she walked out of the room "You have really become shameless..."

Zhao Tian let out a soft chuckle, a smile playing on his lips.

...

Humming a song, Zhao Tian walked downstairs with the mobile in his hand. Seeing his mom sitting on the sofa, he walked near her and sat beside her.

He casually wrapped his hand around her shoulder and Zhao Suyin also leaned on him with a smile. "Are you watching a movie?"

"Yeah, just about to..."

"Then, let's watch it together..." Hearing this, Zhao Suyin's gaze softened and she felt a sense of warmth. The bath they shared earlier seemed to have deepened the bond between mother and son, leaving her feeling more relaxed and connected than ever before.

"By the way, Tian'er.. don't you think it's time to call Ying'er back from her friend's house."

Zhao Tian nodded his head "I'll go by evening to pick her up..." he spoke but in actually Zhao Ying was within the artifact with Xia Shenyi cultivating.

"Ah, You didn't tell me how you got the money..." Hearing her question, Zhao Tian took his mobile and showed her the pic of the swords explaining it.

"You are really lucky to stumble upon such things... that costs this much." Zhao Suyin spoke and Zhao Tian was surprised that she easily believed it.

"Have you ever been in an auction, Mom?"

"Yeah, I have..."
