

Hot Meets Cold Chapter 10

So, all her years of tossing and turning have really been for nothing, right?

She wanted to die!

Luckily she found out in time this time, otherwise she would have been ugly for the rest of her life.

“What? Is there a problem?”

“No!” Ye ÒÒ replied with a stifled expression.

“Hehe” A man’s soft laugh came from his ears.

Ye ÒÒÒ looked towards the man with some horror at once.

The man’s face, which was more dazzling and eye-catching than usual, was not ghastly, not violent and gloomy, hollow and cold

Si Yanhan was actually laughing

She had just noticed that this man seemed to be in an extraordinarily good mood today?

Is it because you slept well last night?

In fact, Si Yanhan’s irritable and irritable nature had a lot to do with his insomnia, no one could endure such a long period of time without being able to sleep properly.

Thinking of this, Ye’s mind started to come alive.

Should she take advantage of the fact that Si Yanhan was in a good mood today and ask him to lift his ban?

Because she had almost let her escape, Si Yanhan had locked her up at home in a fit of rage and had not even allowed her to go to school.

Just before she went downstairs, she received a text message from her class president informing her to go to school, otherwise she might be disciplined or even expelled from school if she continued to miss classes like this.

Previously, she had already repeated two years because her grades were so dreadful that she was only in her senior year at the age of twenty.

She remembered that in her previous life there was only one thing she was obsessed with every day, and that was Gu Yueze.

Before she met Si Yanghan, she was obsessed with Gu Yueze, but after she met him, she fled to his side, not even bothering to study.

This time, she could not give up on herself like she did in her previous life, ruining herself hard and watching everything in the Ye family being taken over by Ye Yiyi and Gu Yueze.

This time, although she had angered Si Yanghan by running away, she had not gone with Gu Yueze afterwards, so her relationship with Si Yanghan was not yet irreparable, and she should be able to fight for it.

Almost the moment her words fell, the air pressure in the room instantly lowered, and the man's face resumed its usual cold and gloomy look.

Ye Qian's heart thumped, really or not?

But it was no wonder! How could Si Yanghan believe that she was doing it for study? I'm afraid he thought she was trying to escape!

Although she had expected that it wouldn't be that easy, she was still somewhat disappointed, her expression gradually darkened, and she lost her appetite for her favourite buns.

However, not only did Si Yanghan's face not improve, but it seemed even more gloomy.

Naturally, Ye did not want to anger him again after the relationship had been so easily eased, so she hurriedly said, "I'm just talking about it."

Si Yanghan did not say anything, just looked at the girl's suddenly dull eyes and the panicked compromise on her face, watched the girl's originally vivid expression become the same as before again, his mood steeped in a burst of uncontrollable irritation

Ye Qian, this man is really too difficult to please, she has said forget it, why still a look of desire to kill?
