

## Hot Meets Cold Chapter 14

The moment the girl's soft lips fell, Si Yanghan's pupils suddenly contracted.

The light of those eyes was darker than ever before, as if it could suck one's soul in.

Against the man's scorching sight, Ye 000 retreated to a safe distance in time and braced herself to continue speaking, "Its ..... actually ..... I just hope I can live and study and fall in love like an ordinary girl .....

I promise I'll never mess with you again, and you shouldn't force me to do things I don't want to do, don't always be so angry and scary, okay?

That Gu Yueze, before it was my brain that was caught in the door that made me pine for a scum, I have figured it out now.

I feel that with your status and face value, Master Jiu, as long as we get back to getting along normally, I will definitely grow into a melon in time!

Actually ..... melons are really delicious, I think you can try them, how do you know you don't like them if you haven't tried them, right?

Ahem, so really, can't you give me another chance? This time I promise I'll try to grow it properly and it will be rooted! Okay?"

Ye 00 said with a dry mouth, then nervously waited for the man's reply.

Si Yanghan's gaze landed on the girl's lips, on her eyes that were clearly frightened, but she was bracing herself to look straight at them for a long time.

It was as if that gaze could penetrate one's soul, sending shivers down one's spine.

Ye 000 didn't know exactly how long it had been, it was simply probably as long as a few centuries before she finally heard the man's low voice in her ears, "Good."

Ye 000 froze in place, simply unable to believe it.

Si Yanghan had agreed, he had actually agreed!

"You ..... you promised!" Ye 000's eyes abruptly blossomed with a dazzling brilliance as she carefully and tentatively asked, "So ..... then can I go back to school?"

Si Yanghan looked at the girl's glowing eyes, and his haughty, lonely face seemed to soften a bit: "Yes."

Ye 00 was so excited that she jumped up and gave Si Yanghan a kiss on the cheek, "Thank you!"

This was her first attempt to communicate with Si Yanghan, she had been prepared to fail countless times, after all her school was a residential dormitory, allowing her to go to school would simply mean releasing her directly from her cage.

Yet she had succeeded.

Why had she never thought of communicating properly with Si Ye Han in her previous life?

If she had tried to change then, would the outcome have been different again .....

"I'll go pack then! I'll come back to Jin Yuan to look after the vegetable garden when I have time!" Ye 00 excitedly stomped back into the house.

Behind him, Si Yanghan looked at the direction the girl had left and slowly reached out his hand, touching the place where he had been kissed .....

After returning to her room.

The girl's hand was slowly stretched out to touch the place where she had been kissed.

It really worked, it was like a dream!

At this time, a mobile phone rang, the caller ID, Shen Mengqi.

A mocking curve crossed the corner of Ye's mouth as she raised her hand and picked it up, "Hello?"

As soon as the phone was connected, Shen Mengqi's exasperated voice immediately came out, "000, why has there been no answer when I called you? What's wrong with you? Why didn't you go with Gu Shao? Do you know how much effort it took for me to persuade Gu Shao!"

Ye 00 said with an expressionless face, "I couldn't tell you clearly on the phone, let's talk about it when I go back to school tomorrow!"

Shen Mengqi's face changed slightly at her words, "Back to school? That .....

Mr. Si didn't give you a hard time? And even let you go back to school?"
