

# Hot Meets Cold Chapter

## 44

Xu Yi waited in the car for more than six hours before his master finally emerged from the night.

More than six hours ah .....

What the hell did you do?

Xu Yi naturally did not dare to ask more questions and quickly got out of the car and pulled open the back seat door.

In the car, Xu Yi couldn't help but gaze at the man in the back seat from the rearview mirror.

The back of one hand was slightly tilted on his forehead, and his handsome face was tinged with a layer of frost, reflected on the black car window.

The master's complexion was much better than before, but his face was not so good.

He looked good, but his face was not good?

So what had the master been through in those six hours or so?

After the love letter incident, both of them seem to be quite calm .....

Thinking about the love letter incident, Xu Yi suddenly frowned slightly.

The actual fact is that you can't be sure that you're going to be able to keep the woman.

He had already checked the details of this woman, her father was the owner of a small company and had some business dealings with the Ye family.

Shen Mengqi, however, was also very competitive and not only won Ye's trust, but even managed

to get Ye Mufan.

Seeing that Si Yanghan did not say anything, Xu Yi hesitated for a moment and continued to speak, “This girl’s heart is too heavy, and she is afraid that her motives for staying by Miss Ye’s side are not pure, and she is obviously deliberately provoking the relationship between you and Miss Ye. Although it’s just a little girl, not enough to be feared at all, but her influence on Miss Ye is simply too great.”

Si Yanghan smiled and his gaze turned slightly cold, shooting forward like a sharp blade, “Do you think that my relationship with her is something that just anyone can provoke?”

Xu Yi’s spine stiffened at the cold gaze, and he wanted to cry out to the heavens – too much, right?

Where in the world did you get the confidence that your relationship with Miss Ye was so strong?

At this moment, Xu Yi’s mind was already clear.

This is the master who doesn’t think of this little shrimp Shen Mengqi at all!

However, don’t you know how easy it is to brainwash that stupid woman, Miss Ye?

She even gave her master’s personal phone number to another woman. Does she know how many women want this number?

Does she know how many women want to get their hands on this number? Does she know how many women want to get their hands on him?

Does she even know that her best friend is one of them?

Unfortunately, he didn’t have the guts to say those words in front of his master.

If the master really moved her, the woman would not know what she would do again!

In fact, he still can't figure out why his master is so obsessed with Ye 000, is it because he can't get it?

Now, one can only hope that Ye 00 has really figured it out. Maybe the master will find out after he gets it that this woman is just like that.

## Hot Meets Cold Chapter 45

The next morning.

When Ye 00 woke up, Si Ye Han was no longer there, and he didn't know when he left last night.

What a godsend.

Ye 00 stretched out and got up to wash and put on make-up.

The green hair and tattoos are back, the sequined T-shirt, the beggar trousers with a dozen holes, the boots full of sharp willow spikes like two moving nail plates, with the gothic makeup, the effect is outstanding.

The turnout was testament to the shock of her outfit.

Halfway to the canteen, she met Shen Mengqi.

"I was just going to look for you, let's go for breakfast together!" As soon as she saw her, Shen Mengqi immediately took her arm in an intimate manner.

Seeing this outfit of Ye 00, Shen Mengqi's eyes lit up, seemingly satisfied.

It seemed that last night, her own words had indeed been heeded by Ye 00!

When they reached the cafeteria, the students around them were secretly staring at the two of them and whispering.

"Look, look, look! Ye 00 is ugly again to new heights!"

“Mengqi is too kind, she hasn’t broken up with that ugly bastard by now! These two standing together are like beauty and the beast!”

“Don’t say that, this ugly bastard is very capable, not only did she come first in the class, but she also beat their class flower Cheng Xue and arts commissioner Han Xiaoru to get the chance to act in a stage play with Si Xia!”

“Crap! Really? This ugly bitch is going to such great lengths, she doesn’t have my boy god in mind, does she!”

.....

Hearing the chatter around her, Shen Mengqi’s eyes flickered slightly.

Could it be that Ye 000 suddenly has lost her heart for Gu Yueze because of Si Xia

.....

Shen Mengqi smiled and spoke up, “By the way, 000, I haven’t congratulated you yet! I heard that you came first in the class in this exam?”

Shen Mengqi knew that Ye had a good memory, but she was still surprised to learn that she had come first in the class, “Didn’t you say you hated studying the most? Why did you suddenly work so hard?”

Ye 000 bit into a bun, “It’s really quite annoying, I hate everything that’s not difficult.”

Shen Mengqi’s face suddenly looked a little ugly, choking on her words.

Her best grade was only the third in the class, and she had failed to keep it this time, falling to ninth.

Shen Mengqi suppressed the discomfort in her heart, so what if she got good grades? The Ye family had long since ceased to be the same Ye family that Ye Shaoting headed, and Ye 000 was no longer the bright and shiny young lady, the current Ye 0 was not even worthy to carry her shoes!

“Then what’s the matter with you and Si Xia? You don’t like Shi Xia, do you?” Shen Mengqi finally asked to get to the point.

After all, some time ago, Ye 000 was at the same table with Si Xia, could it be that at that time, Ye 0 had her heart set on Si Xia?

When Ye 000 heard what she said, her eyes narrowed slightly at once.

It seemed that the matter of Si Xia had to be resolved in a hurry, otherwise it would be used by Shen Mengqi again.

“Not interested.” Ye ÖÖÖ returned casually.
