Long-distance wins the newlyweds, besides, how can the recent experiences make Han Sanqian not understand, what is Su Yingxia’s heart at this time? !

He wanted to use this method as a remedy, but also as a measure to prove his will in front of thousands of people.

“Hehe, what the Ice God needs, it’s an honor for our Fang family, what compensation do I need?” Fang Biao hurriedly bowed and said, “If I can serve the Ice God, Fang can’t ask for it.”

Fang Biao nodded. With approval, Han Sanqian smiled slightly and looked at Su Yingxia.

Since Han Sanqian knew Su Yingxia’s intentions, how could Su Yingxia not know Han Sanqian’s intentions? ! If the husband is like this, what regrets do you have in this life? !

But obviously, what Han Sanqian didn’t know was that Su Yingxia’s backlog at this time wasn’t actually Han Sanqian’s love for him or not, more of it was actually a kind of inferiority.

A deep sense of self-blame that was a drag on Han Sanqian from the bottom of his heart.

It was because she knew very well that she loved Han Sanqian very much, so she had to think more about him.

Thinking of this, Su Yingxia reluctantly forced a smile and shook her head slightly at Han Sanqian.

Han Sanqian frowned immediately and said anxiously: “Yingxia?”

“Sanqian, don’t bother.” Su Yingxia smiled, and after speaking, she turned and walked quickly towards the backyard.

Looking at Su Yingxia’s departure, the sadness in Han Sanqian’s heart suddenly rose, and he was at a loss.

Thinking of Ying Xia's two unforgiving letters, even if he was as firm as Han Sanqian, at this time, he couldn't help but feel a little bit more sad, and a little bit more hesitant!

Could it be that Yingxia is really tired of it?

Following myself and Su Yingxia are always suffering and poor. As a man, this is where I am most sorry to Su Yingxia.

"I'm really mad at you." Su Yan dropped a word and hurriedly turned back and chased Su Yingxia. "Ice God, this..." Fang Biao was a little embarrassed. At this time, he couldn't get up, the atmosphere was deadly, and there were tens of thousands of people gathered below, and he couldn't help but whisper.

Han Sanqian did not speak, turned around, and walked towards the backyard.

Fang Biao hurriedly greeted Fang Jun to greet the scene, and he took a group of Fang's family, Lian Chai Rong and others also hurriedly followed.

The pangolin didn't have the thought of picking up girls at this time, and hurried after it.

In the backyard, Su Yingxia cried and ran all the way back to her room. Even if she refused Han Sanqian's request, how could she not be sad and sad? Especially when he rejected Han Sanqian, his desperate and hesitating eyes looked like a child who was suddenly at a loss. I'm afraid, he hadn't dreamed about it, he would reject him.

"I'm sorry, three thousand." Turning her back to shut the door, Su Yingxia could no longer conceal the sadness in her heart. She threw herself on the bed, and started crying bitterly.

At this time, Su Yan also followed her back and saw Su Yingxia closing the door, and Han Sanqian followed. She hurriedly stopped Han Sanqian, shook her head at him, and motioned for herself to talk to her.

Then, she clicked the door gently, and slowly opened the door: "Miss Su is me, can I...can I come in?"

Su Yingxia did not reply, but did not deny it. Su Yan entered the room. Chong Han Sanqian nodded, and then gently closed the door.

Han Sanqian was in a complex mood and depressed. He glanced at Su Yingxia's room, then turned and returned to his room. Behind him, Fang Biao and a group of people also rushed over in a hurry.

However, even if they knocked on the door outside, Han Sanqian did not respond at all.

"I'll go in." The pangolin glanced at everyone and stood out from the crowd.

"Mr. Huangsha Monster, please tell Bingshen that since Miss Su Yingxia is his wife, the Fang family has nothing to do with her. Even if he did not have a wedding with Miss Su, no one would dare to deny it afterwards." Fang Biao said respectfully.

The pangolin nodded: "I see." After speaking, he turned around and knocked on Han Sanqian's door.

At this time, Su Yingxia's house

"Since this is the case, then he proposes to you, you still..." Su Yan puzzled.

Su Yan hesitated for a moment. And embarrassed, but finally nodded.

"How much do you like?"

Faced with this question, Su Yan was even more embarrassed, and hurriedly explained: "Miss Su, are you jealous for me and Sanqian? Although I like him, I don't want to hide it from you. Su Yan was silent and shook her head: "No, I just want him to be happy, not just watching him..."

"That's right. Even Miss Su, you would say that you love someone because you want him to be happy. Then Ying Xia thinks she loves three thousand more than you, so how can I watch him in pain?"

"Su Girl, are you worried that you are infected with rootless poison?" Su Yan said anxiously.

Su Yingxia nodded and shook her head again: "This is one aspect. As you said, rootless poison has no antidote at all. At this time, not only can I not give 3,000 anything, but it will only drag him down. But more There are many, in fact, the various difficulties we faced along the way."

"For him, I am not afraid of death, but this does not mean that I can safely let him accompany me to suffer these tortures. Su. Miss, you are also a woman, what do you think of Han Sanqian?" "Although I don't know much about him, but after a few days of getting along, I have some understanding." After saying that, Su Yan glanced at Su Yingxia lightly, and saw that she was serious and very serious, and gritted her teeth. Speaking bluntly: "For me, he is the perfect person I have always dreamed of. He is low-key, humble and polite, and he is upright and straightforward. As for his looks and skills, he is unique among people in the world."

Su Yingxia said lightly. Head, maybe it is a good thing for others to praise their sweetheart, so even with tears in their eyes at this time, they still show a happy smile.

"Yes, Three Thousand is so good, and the most important thing is that he still has a quality." As

When the two women finished speaking, they couldn't help but smile when they saw the tacit understanding of each other, and the atmosphere instantly eased a lot.

"Miss Su, you said, will the daughter of the world let go of a good man like him?" Su Yingxia finished laughing, and said bitterly.

"I understand what Miss Su means. You think you will only bring him a drag, but if you are not there, the daughter of the world can choose arbitrarily with his ability."

"Not only you like him, there are actually many outstanding women who also love him, but anyway, whether it is you or Miss Lu Jia, the world's most famous beauty in all directions, what you give to three thousand will be huge.
