

HTC 3216

## Chapter 3216

“Seven princess?” Hearing the voice of her own princess, Yumian Shura stopped her hand and looked back strangely.

At this time, the bead curtain opens. The seventh princess walked down directly from the carriage.

Although the face is covered with a veil, the exposed eyes are surprisingly good-looking. With her beautiful face and jade-like skin, she has a somewhat mysterious beauty and can roughly see the whole from her first appearance. Should be more than beauty.

The entourage next to see the seventh princess come down. Suddenly it was also shocked.

After all, the Seventh Princess was born rich and honorable. This red earth is a filthy land, how can it be worthy of her to set foot here?

What’s more, the monsters of Devil Cloud Ghost City are all gathered here. The ladies are not so vulgar to see, let alone the princess Pei’s seventh princess?

“Princess Seven, you...” The man was a little embarrassed while supporting him.

The seventh princess ignored him and walked off the carriage calmly, looking at George Han quietly with her eyes.

“Princess Seven, don’t have to talk nonsense with him. Although I am immortalized by him, it does not mean that he has a chance to win. I want to kill him, as long as I can.”

“Please wait at ease. Wait for me to take his first level. Give it to the head of the Pei family as a big gift for our wedding.” Seeing the seventh princess, the ghost of the undead god who had been destroyed, suddenly regained his previous spirit. Han Sanqiandao is famous in the cold.

Although I didn’t say too much, look at the appearance of the team and then refer to these. George Han has already participated in one or two of them.

“Why? My husband was beaten, and my wife came to vent my anger?” George Han was not in a hurry, lightly collected his energy, and looked back at the seventh princess.

“Asshole thing. Talk to our seventh princess, clean your mouth.” Yumian Shura sipped coldly.

George Han smiled contemptuously, didn’t care about Shura at all, and didn’t put the seventh princesses in his eyes.

He has only two princesses. That is Amelia Su and Han Nian.

Others, even the heavenly king Lao Tzu is here. So what can it be? !

“I didn’t have any etiquette and worship with Guizun, what a couple.” The seventh princess was also not angry. With the support of a group of men, he slowly walked towards the center of the battlefield.

The red soil was moist, and within just a few steps, the seventh princesses' white shoes were already full of black and red dirt.

However, she didn't mind at all, surrounded by a group of people and greeted by Gui Zun and others. She slowly came to the edge of the battlefield.

Looking at George Han, she smiled softly: "The reason why I want you to wait is because this princess wants to discuss something with you."

"Say." George Han said calmly.

I don't know what kind of medicine is sold in the seven princess gourd.

"How about a bet with you?" The Seventh Princess said calmly.

Upon hearing this. Ghost Venerable immediately stopped: "Seven princesses, you are precious to you. Talking with this inferior human race is self-defeating, so why bother to make a bet with such a person?"

Yumian Shura also nodded: "Yes, Seventh Princess, Brother Guizun's words make sense. You still have to go back to the car first, and wait for me to clean up with him."

The person next to her also whispered: "Seventh Princess, let's go back. "

How? Are you willing?" The Seventh Princess looked at George Han and asked.

George Han glanced at the others. Originally, he wasn't interested in betting with any shit princess. However, seeing the jade face Shura and Gui Zun looked extremely resistant. He suddenly became interested: "You can talk first, maybe I will agree when I am happy."

Sure enough, when George Han's voice just fell, Yumian Shura and Gui Zun were suddenly furious.

"Fuck, brat, where's your damn self-confidence, my Seventh Lord bet you are the blessing you have cultivated in this life, you dare to fucking say that?"

Gui Zun also roared furiously, pointing at George Han and cursing: "You bastard, you will wait for me, I have to break your neck and put your dog's head in front of my seventh princess and apologize. "

Looking at these two guys being so irritable and angry, George Han not only didn't feel scared at all, but felt funny. He shook his head helplessly, looked at the seventh princess, and said: "I said, I may agree to it when I am in a good mood. , But now these two open their mouths and curse, I'm very upset, so you don't have to say more, I won't do it."

"Unless..." George Han said this with a smirk on his face

## **Chapter 3217**

Upon hearing the word " unless", and looking at the smirk on George Han's face, Yumian Shura and Gui Zun knew that George Han was not at all kind.

"Seventh Princess, don't pay attention to him. But a low-ranking tribe, the ruffian, he likes to gamble or not." Yumian Shura said anxiously.

Gui Zun also nodded repeatedly and said, "Yeah, what's a good bet with him, he's just a dying person. Let him die and make a good bet with Hades."

"Unless what?" Seven The princess still ignored their persuasion, even her eyes never moved away from George Han.

"Seven princesses. This..."

Yumian Shura and Gui Zun were very helpless, but they didn't look at them at all, knowing that she was determined, so they could only look back at George Han and glared at George Han.

"The surname Han, don't blame me for not warning you. My seventh princess is just playful. It's like she used to see others fighting dogs when she was at home, and she became a little interested. You are just the dog. , So. You'd better put away your non-discriminatory thoughts, otherwise don't blame me for being polite." Jade Face Shura shouted coldly.

"If she is interested in me like dog fighting. Then I am a dog fighting, what are you?" George Han laughed coldly.

In a word, Jade Face Shura's arrogance was directly blocked, and he did not suffocate half a fart after holding back for a long time.

"You bitch. You really have sharp teeth." Jade-faced Shura was stunned, how could Ghost Venerable miss this opportunity to perform in front of the Seventh Princess?

Especially just now, he was directly pierced by someone in front of the Seventh Princess. It's a shame.

This is his own pie, but also his own thigh, so he wants to find his place more than anyone at this time. The mood has long since lost the previous calmness, and I want to turn back extremely irritable.

George Han did not speak, but looked at the seventh princess.

Obviously, Princess Seven quickly understood what George Han said unless: "Do you want them to apologize to you?"

George Han nodded: "Talking about a deal. Shouldn't it be calm? It shouldn't be quiet. Is it fair and just?"

"Damn. The surname Han, I warn you. Don't put your nose on your nose and ask us to apologize to you. What are you?"

"I and the other two, in the Mozu, both have a good face. Just rely on you, want us to apologize? You are idiotic about dreams."

Hearing George Han's request. Jade-faced Shura and Ghost Venerable are both extremely annoyed and deprived, and there is a sense of anger that we don't trouble you, but you turn to us.

George Han could even be sure, if it weren't for the Seventh Princess here. Both of these goods could not wait to rush over and bite and tear them frantically.

However, this is pretty good, isn't this the effect George Han wants?

“That’s right.” George Han smiled and nodded: “In that case, the seventh princess will retreat.”

Seeing that George Han is still acquainted, the two of them are less angry, and they want to call back when they look back. When the Seventh Princess left here first. However, the seventh princess had already looked back at the two of them.

The two suddenly had an extremely bad premonition.

Sure enough, the next second, the seventh princess slowly opened his mouth: “What are you waiting for?”

“Seventh princess, what are you talking about? You want me both. Apologize to him? Let’s not say that he is just in our cage now. Zhiniaio, he is in charge of his life and death at any time. As far as the seniority is concerned, the two of us are also considered seniors of the Demon Race. He is really the inferior among the inferior people of the Central Plains human race. What qualifications do we have to ask us to apologize to him.” Facing Shura puzzled and depressed.

Gui Zun also nodded: “Yes, Seventh Princess, even people of the Demon Race have always had nothing but humility when they meet me, let alone this fellow?”

” Can’t you hear me when I speak? Still don’t want to listen? “The Seventh Princess said coldly.

Seeing that the seventh princess was unhappy, what the two wanted to say was stuck in their throats. They had no choice but to look at each other, then turned around together, facing George Han behind them, and said depressed: “Just now, yes. I was a little bit reckless

.

“Now, should you be satisfied?” Gui Zun said depressed and coldly.

“Wait a minute.” At this moment, George Han opened his mouth again. When the two looked back at him, seeing the smirk on his face, the time became even more depressed...
