

I AM VARDY

Chapter 9 - Affectionate

In his previous life, he knew that Valdi had an electronic tracker installed by the police because he was in front of his deaf teammates, but now he finally knows that this is nothing but the deliberate beautification of him by the media.

It's right to help deaf teammates, but the location is not the training ground, but in the nightclub...

The question is clear at once!

Although under the age of 18, it is impossible to drink alcohol in England, but this group of half-sized children are not so honest and obedient. When they get drunk, it is easier to stimulate people's adrenal hormones than fighting girls.

So, when he was awake, Valdi noticed that there was such a thing on his ankle.

This is actually no different from jail time. Going out after 6 pm is prohibited. According to normal development, Valdi can't participate in the away game even farther away, because he will definitely not come back before 6 pm.

Well, it seems that this **** thing needs to be solved before going to Manchester.

Since Manchester United wants to be themselves, then they should have a way to solve this problem, so Valdi does not need to worry too much.

was thinking in his head, not far from his parents' house. Vardi could not help but slow down. It was inevitable that he would meet with the parents of this world for the first time.

inherited the authentic Valdy's memory, but that kind of emotion is difficult to inherit. The feeling is very mysterious, and your subconscious can't control it at all.

But the memory tells himself that his parents have a good relationship with him. Although the family background is ordinary, even below the average level, the lives of ordinary people are still full of joy.

Vardi knew that after Valdy became famous in his previous life, his relationship with his parents was not good. His father was a little old-fashioned and dissatisfied that Valdy found a girlfriend who was older than him, so the family relationship was very tense.

didn't expect the previous life of Valdy and the elder sister plot, which made him shudder.

Since I'm here, let the rude elder sister get out!

It's not that he maliciously depreciated Valdy's girlfriend in the past. The middle-aged woman is not a good man, just like the rural shrew.

After Valdy became famous, many fans in Leicester City ran to Valdy's house to ask for autographs and the like. This may have affected their private lives. Then she erupted like a fire and scolded on Twitter. : "Bitch. Raised, want to sign for the club, don't come to our house!"

He had to admit that this mature woman who had been divorced twice before dating Valdy was so hot!

I really don't know what attracted her to Valdy. If you encounter this shrew in this life, don't ask why, hurry up and go!

thinking is always divergent, thinking about cheap parents, but unconsciously thought of the girlfriend of the previous life Valdy, laughed at himself, and accelerated the pace at the same time.

walked through an intersection, but met with a team of young men and women unexpectedly, and opposed to the girl's eyes, Valdy was a little embarrassed, and the memory told himself that he had better turn around now.

Girls are hot and sexy, maybe they are a little chubby, and their faces are pretty, but they are very cheesy under heavy makeup.

It's unlucky, you can meet people and things that make you unhappy on foot, this is embarrassing!

This girl is the girl Vardi had pursued before, but as the bad friend David said, Vardi was rejected so simply that David thought that Vardi could not bear the blow and wanted to find short-sightedness.

This was caused by Valdi's predecessor, but now he has to face embarrassment himself.

Quickly divert your eyes and want to pass by as if you didn't see it. This is the best solution!

It's a pity that things weren't as good as expected. The girl had already spoken before Vardi walked over. The mocking tone made Vardi frown.

"I have already said that we are impossible, why do you want to follow me, do you have any inconspicuous thoughts about me, God, he is terrible, tell you, I will call the police!"

Looking at the ugly appearance of the woman, Valdy could not help but patting her face on the wall, and then slammed it a few more times.

But I want to be a big star man, will I commit a crime for you?

“You think too much, don’t be amorous, I just want to go home!” Valdy said with a disgusting disgust, and after that, he wanted to keep going.

But before David took his steps, the strong man beside the woman spoke.

“This is the country man who is entangled with you? The guy who was swept out by our team?”

“Yes, that is, he toad wants to eat swan meat, I have rejected him several times, but he still haunts me!”

The strong man turned his head and gave Valdy a domineering expression: “Don’t bother Alyssa anymore. She is my girlfriend. Small citizens like you are still going to be honest. Well, otherwise I will make you look good!”

Vardi’s eyes widened, and he felt very guilty. He didn’t go to see Huang Li when he went out.

“Tell you, UU reading www.uukanshu.com Jamie, you guy who was swept out of the Xie Wednesday club youth training camp has no future at all, how can I be with you! My boyfriend has just been promoted to Xie The first team on Wednesday is about to become a real big star. You and he are basically a heaven and an underground, don’t you think you are even as good as a dog?”

Seeing Vardy frown deeply, the woman thought that Valdy would continue to struggle with herself, and could not help but grudge him.

But she didn’t know that Valdy’s attention was not on her proud body, but on her boyfriend beside her.

This guy with full of tendons is actually a player of Xie Wednesday first team?

Because Valdi was not able to get out of the training camp long after Xie Wednesday's youth training camp, his predecessor didn't know too many Xie Wednesday's youth players, so he didn't know who was in front of him.

Looking up and down, Valdy is convinced that this product is by no means a future celebrity, not even a Premier League star.

Thanks Wednesday is now the English Premier League team, that is, the club of the third level league. Immediately after the British League is transformed into the British crown, the British League will become the British League.

Even if he is in the first team, it is only a player in the third level league club. What's so good about it? As for the appearance of a man in front of him!

Vardi could not help but sullen his belly, his expression involuntarily brought out a little disdain.

And this disdainful but strong man had a panoramic view and couldn't help but get angry.

"Your weak chicken can't even play in the professional league. You can only play in the eighth-level amateur league. If I were you, I would have thrown away my fantasy and found a hard work to make a living! At least this way I can have a bite to eat. , In the future, you will wait to worship my big star!"
