

I. Family 1380

Chapter 1380: Nangong Yaoyao: A man is actually cultivating charm arts!

Meng Xiaochan led Lu Changsheng to a side hall at Immortal Spider Peak.

“Xiaochan, how have you been all these years?”

After sitting down, Lu Changsheng asked with concern.

Previously, he had inquired Nangong Mili about Meng Xiaochan and her daughter Nangong Yaoyao.

But the other party simply brushed it off, unwilling to say much.

Besides, even though he knew Meng Xiaochan was doing well, he still felt he should show concern now that they met.

“Master treats me very well...”

Meng Xiaochan gracefully poured tea for Lu Changsheng, explaining her general situation.

After returning that year, although her master knew about the Lockheart Gu matter, he didn't blame her and continued treating her like his own daughter.

The only notable change was that she now had an additional junior sister whom she had to care for daily.

When talking about this junior sister, Meng Xiaochan hesitated, wanting to tell Lu Changsheng that she was his daughter.

But her master didn't want her disclosing this matter to anyone.

Once Lu Changsheng knew about it, it might anger her master, even possibly leading him to have murderous intent towards Lu Changsheng.

Moreover, Nangong Yaoyao had hinted at some matters regarding her father in her early years.

If Lu Changsheng suddenly appeared, it could greatly impact Nangong Yaoyao's life.

"Junior sister."

Lu Changsheng realized she was referring to Nangong Yaoyao.

After a brief contemplation, he asked, "Yaoyao... how is she?"

“Hmm!?”

Meng Xiaochan was startled and said in surprise, “Lu Lang, you know... about Yaoyao?”

“Yes.”

Lu Changsheng nodded, frankly saying, “My visit to Jin Kingdom this time was partly to see you and also to meet Yaoyao.”

After hearing that Lu Changsheng came to see her, Meng Xiaochan felt a wave of joyful sweetness in her heart.

Just as she was about to continue speaking, a clear and pleasant voice sounded from outside.

“Sister Xiaochan!”

A graceful young woman with a veiled face in purple silk floated in.

She wore a finely crafted purple cloud brocade dress, her long black hair elegantly draped down like a waterfall, adding a fresh and unworldly charm to her beauty.

Her exquisite, stunning features were partly hidden by the purple veil, revealing only eyes like stars, yet her peerless grace was untouched.

The veil added an air of mysterious beauty, like the brightest stars in the night sky, making one want to uncover her true face.

“Buzz!”

Upon seeing this young woman, Lu Changsheng felt an uncanny blood connection surge within him.

He felt a closeness between them, knowing she was his daughter, Nangong Yaoyao!

Thinking of how he had never seen or cared for her since her birth, he was overwhelmed with guilt, remorse, and heartache.

He slightly restrained his Mana flow to conceal his aura, preventing Nangong Yaoyao from sensing their blood connection.

Having not seen each other for decades, he didn't know how his daughter felt about this father she never met.

Anticipation, rejection, or hatred...

Thus, he planned to slowly interact with her before revealing the truth.

“Eh, Sister Xiaochan, is this your friend?”

Looking at Lu Changsheng, Nangong Yaoyao inspected him briefly and spoke.

Her sudden arrival wasn't coincidental.

She had heard reports that her Sister Xiaochan embraced a man and affectionately called him Lu Lang, sparking her curiosity to see what was happening.

Yet, for some reason, upon seeing this elegant and handsome middle-aged man who smiled at her, she felt a strange sense of familiarity.

However, this vague familiarity didn't lead Nangong Yaoyao to instinctively approach him, instead making her wary of him.

“Why do I feel familiar with him? Is it some charm technique?”

The young woman was very aware of her nature.

Except for her mother and Sister Xiaochan, everyone else was an outsider.

She could not naturally feel familiarity with a stranger on their first meeting!

Through the Cultivation Technique and Flawless Heavenly Fragrance Body's spiritual sensing, she felt traces of charm emanating from Lu Changsheng.

"Hmph, a grown man practicing charm arts!"

Although Nangong Yaoyao didn't mind men cultivating charm arts,

the traces of charm in his words and actions showed he wasn't a good person!

It seemed her Sister Xiaochan might be influenced by this man's charm technique!

At this moment, Nangong Yaoyao labeled Lu Changsheng as a bad person.

Lu Changsheng was unaware that he had left a poor impression on his daughter upon first meeting.

The effects of the Immortal Beauty Technique, Peach Blossom Gu, and Flawless Heavenly Fragrance Body were seamlessly integrated into him.

Unless he used the Nine Treasures Ruyi Bone to completely seal himself and employed Magical Treasures for Disguise and Camouflage, he couldn't fully conceal his charm.

“Xiaochan...”

He transmitted a message to Meng Xiaochan, suggesting she chat with Nangong Yaoyao but not reveal his identity.

“Yes, this is my... friend, Yaoyao, you can call him Senior Lu.”

After a slight hesitation, Meng Xiaochan brought Nangong Yaoyao to sit beside her.

“Yaoyao greets Senior Lu.”

Despite having a poor initial impression, Nangong Yaoyao carried herself gracefully, with charming smiles that generated good feelings.

“Miss Yaoyao.”

Lu Changsheng nodded slightly, then found himself unsure of what to say.

After all, they had never met, and lived in entirely different environments, making it difficult to find a starting topic.

Luckily, Meng Xiaochan was there.

She spoke to briefly introduce Lu Changsheng, explaining he was her friend who had come to Immortal Spider Marketplace to see her.
