Chapter 1400: Nangong Mili: This Dog Man Only Has Eyes for His Daughter!_3

“Mhm mhm.”

Nangong Yaoyao didn't bring up her father's matter again and obediently replied.

...

“Daddy~”

Nangong Yaoyao saw Lu Changsheng outside the grand hall, wearing a mystic robe, tall and upright, she immediately ran forward and called out sweetly.

“Yaoyao.”

Lu Changsheng saw his precious daughter, immediately turned his head, smiled, and called out.

Then he looked into the grand hall, where Nangong Mili, dressed in a luxurious purple gown, with a tall figure, arms crossed, appeared haughty and arrogantly gorgeous.

He thought to himself that this woman hadn't told their daughter too much about the matters between the two of them.

Otherwise, if she really wanted the daughter to dislike him, it would have taken just a little embellishment, and there would always be a gap between father and daughter.

However, having been together for so long, he also knew that Nangong Mili was extremely proud and doted heavily on her daughter, unlikely to do such things.

Moreover, she had a tsundere personality that admired strength.

With his persistent effort in conquest, her icy heart had melted a bit, only that due to her character, she still put on airs.

"Daddy, did you do something to let mommy down? Why does she get angry whenever I mention you?"

Nangong Yaoyao said playfully, with a face full of smiles.

Having previously spent time with Lu Changsheng, she knew her father was amiable and talked naturally and with ease about her mother.

"Uh..."

Lu Changsheng glanced at Nangong Mili not far away, rubbed his daughter's small head with a smile, and said gently, "There are some small conflicts between your mom and me, but don't worry, daddy will take care of it."

He naturally didn't want their affairs to affect his daughter, causing any negative impact on her.

"Ah, daddy, you really did do something to let mommy down."

Nangong Yaoyao opened her pink lips slightly, looking somewhat surprised at her father.

Then she wrinkled her delicate fairy-like nose and pouted, saying, "Hmph, who told you to be daddy, tell me what's going on, and I'll persuade mommy later."

As she spoke, she leaned closer to Lu Changsheng, her voice lowering, looking incredibly cute.

"Adults' matters, children shouldn't fret over."

Lu Changsheng chuckled and lightly flicked her fair forehead, saying.

"Hmph, bad daddy, I was trying to help, yet you still hit me. I'm not talking to you anymore."

The girl puffed out her cheeks, as if a delicate budding flower, her voice carrying a hint of playful grievance.

“Alright, alright, daddy was wrong.”

Even though Lu Changsheng knew his daughter was just acting, seeing her so adorably aggrieved, his heart couldn’t help but soften.

As the saying goes, the crying child gets the milk.

And this nature of Nangong Yaoyao, naturally endearing to people.

“Yaoyao!”

At this moment, Nangong Mili saw her daughter chatting and joking with Lu Changsheng, even acting coy, and immediately called out unhappily.

Her daughter used to only act coquettishly with her, now she was doing it with this man, making her feel as if her cherished possession was being taken away.

“Daddy, I need to go back to the cult with mommy, and won’t be able to stay with you for a while.”

Nangong Yaoyao stuck out her tongue cutely and said.

“Is there something up?”

Lu Changsheng was a bit surprised.

He just returned with Nangong Yaoyao, and now she needed to go back to the Five Poisons Cult with Nangong Mili, it seemed quite coincidental.

“Mommy said an envoy from the Immortal Lotus Sect is coming and we need to go over.”

Nangong Yaoyao explained.

“Immortal Lotus Sect!?”

Upon hearing the name, Lu Changsheng’s expression slightly tensed.

He had heard this name from Ling Zixiao.

A thousand years ago, seven top-level demonic sects formed an alliance, waging war and sweeping across half of the Southern Wilderness Cultivation Realm.

Among these seven demonic forces was the Immortal Lotus Sect.

Logically, the Immortal Lotus Sect was quite far from the Jin Kingdom, spanning several cultivation nations, why would they come to the Five Poisons Cult?

“Let’s go, Yaoyao.”

Nangong Mili coldly called out, urging her daughter to follow.

“Goodbye, daddy.”

Nangong Yaoyao, seemingly afraid of angering her mother, secretly transmitted a message, then waved her hand.

“Mhm.”

Lu Changsheng responded with a smile, planning to later ask Meng Xiaochan if she knew what was up with the Immortal Lotus Sect.

A moment later, Meng Xiaochan returned and informed Lu Changsheng that she had already sent people to investigate Lu Quanzhen’s whereabouts.

Not only through the channels of the Five Poisons Cult, but also sending people to other marketplaces to purchase intelligence on Lu Quanzhen.

“Alright, thank you for your hard work, Xiaochan.”

Lu Changsheng nodded, then asked, “Xiaochan, do you know why the Immortal Lotus Sect is coming to the Five Poisons Cult?”

“The Immortal Lotus Sect is coming to the Five Poisons Cult!?”

Meng Xiaochan was taken aback, unaware of the matter.

Upon seeing this, Lu Changsheng did not pursue the matter further.

He planned to inquire later with Nangong Mili or his daughter Nangong Yaoyao.

...

Three days later.

Lu Changsheng felt a surge of dense mana appear out of thin air.

Through the system, he saw his son Lu Quanzhen broke through to the Eighth Layer of Foundation Establishment.

This speed was beyond astonishing, utterly shocking!

Looking at the system panel, seeing his son's lifespan reduced by another thirteen years, he realized there was definitely a problem, a big problem!

At this moment, Meng Xiaochan came with news for Lu Changsheng.

Three months ago, Lu Quanzhen appeared at a black market on Black Demon Mountain, then his identity was exposed, leading to an assassination attempt.

Moreover, there were rumors that the Ghost Demon True Master had emerged from seclusion, personally leading the chase against Lu Quanzhen.

“The Ghost Demon True Master personally took action?”

Upon hearing this, Lu Changsheng's eyes slightly narrowed, realizing his son was in grave danger now.

His reckless cultivation advancement was most likely linked to the Ghost Demon True Master.

“Is there any intelligence on the whereabouts of the Ghost Demon True Master?”

Lu Changsheng immediately inquired.

If Lu Quanzhen kept advancing recklessly, severe problems would surely arise.

“I have already dispatched people to investigate the movements of the Ghost Demon True Master, but it will take some time.”

Meng Xiaochan gently bit her lip, sensing Lu Changsheng’s worry.

“Where is the largest intelligence organization here in Jin Kingdom? I’ll go directly.”

Lu Changsheng took a deep breath and stated directly.

Given his son’s situation, he no longer had the patience to wait around for information.

“Lu Lang can head to the Ancient Secluded Immortal City and purchase related intelligence from the Shadow Tower there.”

Meng Xiaochan immediately suggested, introducing the situation of this Immortal City to Lu Changsheng.

The fact that Lu Quanzhen appeared near Black Demon Mountain indicated he might be in the vicinity of that area.

“Alright, I’ll head over. If you receive any information, immediately crush the jade talisman I gave you, and I’ll return at once!”

Lu Changsheng nodded, speaking in a deep tone.

He then quickly left the Immortal Spider Marketplace, released the Golden-Winged Heavenly Peng, and looked at the map, rushing towards the Ancient Secluded Immortal City at top speed.
