Chapter 1434: The injuries are severe and require healing through the Sun Moon Samsara Technique!_2

“Alright, thank you, Qing Yi.”

Lu Changsheng held the other’s delicate hand, feeling very touched.

Actually, Lu Quanzhen only needed to return to Bi Lake Mountain, and the problem wouldn’t be too significant.

The ‘Mysterious Heaven Spiritual Vine’ on Bi Yun Peak not only gathers fortune but also shields from heavenly secrets.

However, given the good intentions of the beauty, he naturally wouldn’t refuse.

“Qing Yi, what do you plan to do next?”

Lu Changsheng embraced the beauty and asked aloud.

“I came to the Jin Kingdom this time to investigate the matter of the Supreme Elder of the Yiming Ghost Sect attempting to reach the Nascent Soul stage.”

“Now that such a matter has arisen in the Yiming Ghost Sect, they must be fully alert, and even the entire Cultivation World of Jin Kingdom will be on edge, so I plan to return directly.”

Chu Qingyi fell silent for a moment, then sighed slightly.

Her main purpose on this journey, besides her mission, was to temper her Sword Heart.

But along the way to Jin Kingdom, she had done quite a bit of demon slaying, yet her mind was still not completely clear, and she ended up in Lu Changsheng’s arms again.

Especially recently, seeing Lu Changsheng’s unique side, her heart was stirred, and she felt restless and confused.

In such a situation, she felt there was no point in continuing to temper, and it was better to just go back.

“Lu Daoist, do you have anything else to do next?”

Chu Qingyi asked.

Although she was avoiding Lu Changsheng, she couldn’t rest easy with him alone under the current circumstances.

Thinking of staying by his side, she could look after him a bit.

“I still have some matters to attend to; if you’re not in a hurry, we can go back together later.”

Lu Changsheng planned to give some instructions to Nangong Mili and Meng Xiaochan before leaving Jin Kingdom.

“I’m not in a hurry, how is your condition right now, if you need my help with anything, just let me know.”

Chu Qingyi bit her red lip gently and said.

In her view, Lu Changsheng’s outburst just now would require at least a year or half of recovery.

“I’m not in any major trouble; a little rest will suffice.”

Lu Changsheng shook his head.

The Nine Treasures Ruyi Bone, compared to other blood-burning secret techniques, as long as it’s within the bearable range of the physical body, won’t cause much aftereffect, needing basically just ten days to half a month of rest.

The main thing is to go see Nangong Mili, otherwise, this aftereffect will require at least ten days to half a month of Dual Cultivation to heal.

But the thought of going to see Nangong Mili now gave Lu Changsheng a headache.

After all, Chu Qingyi is a disciple of the righteous Immortal Sects.

If she knew about his entanglement with the Heavenly Spider of the Five Poisons Cult, it might lead to a bad impression.

“Don’t push yourself.”

Chu Qingyi didn’t believe Lu Changsheng wasn’t in trouble.

“Alright, actually my condition is quite poor... if I rely on the Sun Moon Samsara Technique, it could alleviate it a bit...”

Lu Changsheng whispered in her ear, his voice deep, as he looked at the beauty with a cold exterior but a warm heart.

Hearing this, Chu Qingyi’s cheeks blushed instantly, burning hot and spreading to her ears.

How could he be so inappropriate...

“Qing Yi, can you help me?”

Lu Changsheng looked at her, his voice weak.

Chu Qingyi: “...”

Although she felt Lu Changsheng did it on purpose.

But she knew the Sun Moon Samsara Technique, recognized its profound and mysterious wisdom, not only enhancing cultivation level, breaking through bottlenecks, etc., but also for...

If she used this technique to assist Lu Changsheng, it would indeed help him.

But in this way, wouldn't she become even more tangled with him...

"It's nothing."

Lu Changsheng sighed with a hint of loneliness.

After a long silence, Chu Qingyi said in a barely audible voice, "Just healing..."

"What?"

Lu Changsheng was stunned, not expecting Chu Qingyi to agree.

He thought to himself that this Sword Immortal Child was indeed... a bit easy to trick.

Of course, this also indicated that Chu Qingyi genuinely had feelings for him.

Otherwise, why would she be willing to heal him like this?

"Sigh..."

Lu Changsheng sighed inwardly, thinking that if it weren't for Xiao Xiyue and Yun Wanshang, his emotional journey with Chu Qingyi might have been much smoother.

Thinking of this, he felt a bit troubled, unable to imagine how Chu Qingyi would react if she found out about his matters with Yun Wanshang.

After all, compared to Xiao Xiyue, Chu Qingyi was raised by Yun Wanshang since childhood, with deeper feelings.

"Just healing, don't overthink!"

Chu Qingyi pressed her red lips, adding.

"Yes, I know."

Lu Changsheng quickly responded.

However, in the current situation, it's impossible for him to perform an internal cultivation session with Chu Qingyi in the Ninth Heavenly Gang Wind Layer.

Indicating that leaving the Yiming Ghost Sect territory was the priority.

Chu Qingyi would head to the Tianyuan Lotus first, while he used a secret technique to make the Golden-Winged Heavenly Peng leave swiftly.

"Be careful, and notify me immediately if there are any issues."

Chu Qingyi said, eyes full of concern.

“Don’t worry.”

Lu Changsheng smiled slightly.

After Chu Qingyi entered the Tianyuan Lotus, he let out a long breath of turbid energy.

Then, holding two Superior Grade Spirit Stones, he sat cross-legged on the Golden-Winged Heavenly Peng, adjusting his breath, directing it to fly at full speed to the Immortal Spider Marketplace.

...

Jiang Country, Qingyun Region.

A Second Rank Spirit Boat with a golden sheen slowly descended outside Bi Lake Mountain.

On the Flying Boat, a man and a woman stood side by side.

The man looked about twenty years old, with sword-like eyebrows and star-like eyes, a tall figure, wearing a White Golden Robe, with an impressive and extraordinary presence.

The woman appeared eighteen or nineteen years old, with a lovely appearance, slender figure, wearing a stunning Rainbow Feather Garment, exuding a serene and elegant temperament.

“Finally, we’re back.”

Lu Qingshan looked at the Bi Lake Mountain before him and grinned.

He and his sister had returned this time, and even though they traveled entirely by Spiritual Vessel, it was quite a hassle, taking a year.

In truth, for him, the journey alone was reasonable, even allowing for leisurely sightseeing, but his sister was eager to return home.
