

I! GOD LEVEL ELEMENTALIST

Chapter 10

"I also heard that his younger brother is Lin Xuyang. However, his brother doesn't seem to have any talent for cultivation."

"Brothers from the same mother, the difference is not small"

"hehe!! Even if Lin Xuyang doesn't have the talent for cultivation, with the power of the Lin family, he will still live a comfortable life in the future. You know, the Lin family is one of the three wealthy families in our Yunyang City."

The crowd was talking a lot.

At this time, a young and beautiful figure came over. It was Xiao Liu, the female staff member from last time.

"Lord Qin Feng, you are here!"

Xiao Liu recognized Qin Feng at a glance, and a look of joy flashed across his beautiful eyes.

"Well, I'm here to see Director Wang"

"Sir, come with me!", Xiao Liu enthusiastically led the way.

The two entered the VIP area, where Director Wang was drinking tea leisurely.

As soon as he saw Qin Feng arriving, he stood up quickly, with a smile on his face

"Lord Qin Feng, what kind of wind brings you here!"

"Xiao Liu, hurry up and make a cup of tea for the adults! Sir, please take a seat!"

Qin Feng nodded slightly and sat on the sofa.

Wang Zhengcai asked respectfully:"Sir, why are you here this time?"

"Director Wang, I want to ask you something"

"Sir, you can say whatever you want, as long as your subordinates know, they will tell you everything."

"Director Wang, as far as I know, elemental masters can designate three family members as Quanmin. Can citizens designate a family member as a citizen?"

Qin Feng wanted to give Chu Chu a promotion status.

Wang Zheng shook his head and smiled bitterly:"Sir, this won't work. Only elemental masters can have this kind of designated privilege, not Quanmin."

Qin Feng nodded slightly:"Director Wang, I want to ask you for a favor....."

Wang Zheng quickly said cheerfully:"My lord, if you have anything to do, just ask me. As long as I can do it, I will definitely handle it for you!"

Qin Feng smiled and said:"This is what happened. I have a younger brother named Qin Mu. He originally lived in another base city."

"Yesterday, he came to seek refuge and wanted to live in Yunyang City in the future, but he did not have a refugee ID card. I wanted to get one for him. Does he need to come and do this in person?"

"Ha ha!! It turned out to be this little thing. Sir, there is no need for him to come here in person, I can just do it for him now."

"Oh, how much does it cost?"

"Sir, what did you say? No money required, it's free!"

Wang Zheng said very readily and started to apply for it immediately.

According to the normal process, to apply for a refugee identity card, you need to pay a fee of 1,000 coins and be present in person. In order to please Qin Feng, Wang Zheng waived all these procedures..

The management of the refugee card was already lax, so it was not him who had the final say on such trivial matters.

Soon, Wang Zheng applied for a refugee card and handed it to Qin Feng

"My lord, your tea!"

At this time, Xiao Liu also brought the brewed tea over.

Qin Feng took a pleasant sip of the tea and said, "Director Wang, I'm sorry to trouble you this time. In addition, I would also like to trouble you to help me get promoted to the fourth level civil servant!"

As he spoke, Qin Feng's whole body emitted a dazzling blue light, like a blue sun, illuminating the entire office.

"Oh My God! The wind system strengthens the body and completes it!"

"Mr. Qin Feng, you....."

Wang Zheng and Xiao Liu were completely shocked.

The two couldn't believe their eyes.

Only one day has passed, and Qin Feng has been promoted to Dzogchen. This is too exaggerated!

Did Lord Qin Feng hide his strength yesterday?

"Director Wang, I would like to trouble you to handle this."

Qin Feng put away his spiritual light.

Only then did Wang Zheng come back to his senses from the shock.

"good! good! I...I'll do it right now!"

Wang Zheng was so excited that his hands were shaking.

Oh my god! The seventeen-year-old Dzogchen is stronger than the Yunyang City Lord back then.

The Yunyang City Lord is the only strong man with genius-level talents in Yunyang Base City.

I heard that The Lord of Yunyang City did not achieve the Great Perfection until he was nineteen years old.

Lord Qin Feng is definitely a genius, and his future achievements may be even higher than those of the Lord of Yunyang City.

Wang Zheng hit the keyboard with trembling hands, and quickly

But Xiao Liu was dumbfounded. Her eyes became extremely fiery.

But soon, they dimmed again.

How could a person with genius-level talents possibly become the lord of a city in the future? She.

For such a man, she could only watch from afar and fantasize in her heart.

A few minutes later, Wang Zheng completed the promotion process.

Qin Feng became a fourth-level civil servant.

There was also a bank text message reminder on his mobile phone.

"Your card number **5358, on August 9th, 40,000.00 Tong currency was received [Tonglian Bank]"

"Director Wang, I'll trouble you this time."

Qin Feng showed a satisfied smile on his face

"Ha ha! No trouble! No hassle at all!"

Wang Zheng had a flattering smile on his face.

His excitement has not yet completely calmed down.

"Director Wang, I prefer to keep a low profile. Please don't publicize my strength to the outside world."

Qin Feng just mentioned it casually. He was not worried about others knowing, but he just didn't want it to spread prematurely.

Because he had a vague feeling that Lin Xuyang and the Lin family had secrets.

When he was in the earth world, Lin Xuyang killed Chu Chu, as if Kill people and silence them.

When he was investigating the truth, someone suggested that he should not continue the investigation.

It seemed to involve the survival of the entire Lin family, which was very important.

Whoever investigates would die!

I'm afraid something will happen to this world. If he exposes his strength too early, , I'm afraid I won't have the chance to learn this secret

"Lord Qin Feng, don't worry, I will never say anything. By the way, Xiao Liu, don't talk about this everywhere."

"Director, I know."

Both of them showed a flattering smile.

"By the way, Master Qin Feng. Although we will not tell anyone externally, your information has been stored in our database. The city lord has the authority to view it. The city lord will eventually know one day."

Wang Zheng reminded seriously.

Qin Feng nodded slightly:"That doesn't matter! Thank you both for today, see you next time!"

"My lord, let me see you off!"

The two of them enthusiastically sent Qin Feng to the gate.

After Qin Feng left, the two of them returned to the office.

On the way, when the two passed by the Jin Office Hall, they heard many people praising Lin Tianyang.

Everyone is saying that Lin Tianyang is the number one genius of the younger generation in Yunyang City.

Some girls even looked nymphomaniacal.

In this world where strength is respected, the pursuit of the strong is comparable to the stars on earth.

Wang Zheng shook his head slightly, feeling that these people were a bit ridiculous.

Xiao Liu looked at the group of people with disdain and muttered in a low voice:"These people are really ignorant... The number one genius in Yunyang City should be Master Qin Feng, but Lin Tianyang is far behind!"

Wang Zheng happened to hear this.

His eyes widened:"Xiao Liu, have you forgotten what Mr. Qin Feng said?"

Xiao Liu pouted dissatisfied:"That's right, I'm not wrong."

She had turned into Qin Feng unknowingly. of fans.

Wang Zheng shook his head and smiled bitterly:"You girl... they will know sooner or later, why bother about it for a while?"
