Director Wang also said enthusiastically: "Sir, please show your ID card. I will handle your promotion now."

Director Wang didn't pay much attention and started filling in the information.

The female staff member stood aside, seemingly reluctant to leave.

Director Wang's work efficiency is very high. After a few minutes, he successfully completed the process.

"Sir, this is your first-class citizen ID card. There is also this bank card with 10,000 coins in it, which is your promotion allowance. From now on, on the 1st of every month, the government will automatically transfer a subsidy of 10,000 to this bank card."
