

I! GOD LEVEL ELEMENTALIST

Chapter 9

When he thought of Lin Xuyang, Qin Feng's eyes were full of anger.

In the original earth world, Chu Chu died in a car accident.

The driver who caused the accident was Lin Xuyang.

Chu Chu's car accident was not a normal car accident.

At that time, more than a dozen witnesses saw that Lin Xuyang deliberately drove and killed Chu Chu.

The surveillance cameras on the street also captured all this clearly.

Afterwards, Qin Feng knew the truth and wanted to seek justice for Chu Chu.

But it was discovered that the camera image data had been deleted.

The relevant departments forcefully explained that the camera was broken and no images of the scene were captured.

Even the person who manages the camera said that the camera was good before and the image data must have been deleted intentionally.

But the relevant departments ignored it.

Even though the dozen witnesses came forward to testify that Lin Xuyang hit someone intentionally.

Relevant departments will not accept it.

As a result, Lin Xuyang was acquitted, and the incident was regarded as a normal car accident.

All this is because Lin Xuyang's family is rich and powerful, and has strong connections in business, underworld, and politics.

Qin Feng was unwilling to give up and went around collecting evidence, but was secretly persecuted by the Lin family and almost died several times.

In those years, he had tasted the ups and downs of the world, and hated the Lin family.

During the investigation, he accidentally found out that Lin Xuyang also had an older brother studying abroad, named Lin Tianyang.

It's just that he still hasn't figured out why Lin Xuyang killed Chu Chu in the street.

His behavior is very much like killing people and silencing them.

But Chu Chu was just a thirteen-year-old girl, and she had no interaction with Lin Xuyang before the accident.

The two haven't even met.

What secret is hidden here?

Qin Feng never understood it.

However, none of this matters anymore.

The important thing now is that if Lin Tianyang appears in this world, then Lin Xuyang will definitely appear.

No matter why Lin Xuyang hit Chu Chu with his car in the first place.

In this life, he must kill Lin Xuyang before he takes action.

He would not let Lin Xuyang hurt Chu Chu again.

He also wants to pay back all the Lin family's persecution against him!

In the original earth, he was just an orphan and had no way to deal with the rich and powerful Lin Xuyang.

But in this parallel world, everything has changed, and he is confident that he can take revenge.

"Two days later, it was Chu Chu's turn to go out for patrol in the city, which was also the date of Chu Chu's car accident. Could it be that Lin Xuyang will also appear on this day?"

"It seems that I need to break through to the elemental master as soon as possible!"

Qin Feng is eager to improve his strength to cope with the unpredictable future.

In the original world, Lin Xuyang's family was rich and powerful.

In this world, Lin Xuyang's family must also be very powerful, and even have many elemental masters.

No. Speaking of other things, Lin Xuyang's brother Lin Tianyang is now an elemental master.

Thinking of this, Qin Feng felt a sense of urgency and could no longer sleep.

He lowered his head and glanced at Chu Chu beside him.

The little girl was sleeping soundly, and the corners of her mouth still wearing a sweet smile, lovable.

Qin Feng sat up silently and began to meditate.

He wanted to condense the Wind God Seal as soon as possible and become an elemental master.

Only in this way can he better protect Chu Chu. He was speechless all night.

For Racing against time, Qin Feng practiced all night.

The next day, he opened his eyes from meditation, with a hint of joy in his eyes.

He gained a lot from this night's practice, and the outline of a Wind God Seal had been condensed in his body.

According to this At such a speed, he will definitely be able to break through within ten days.

This is the benefit of peerless talent. Ordinary talents cannot reach this level even after practicing for two or three years. After a night of training, Qin Feng was also a little sleepy and simply took a nap. After a while.

When he woke up, Chu Chu was playing with his mobile phone

"Brother, you wake up! Your phone is so fun!"

Qin Feng looked at the time. It was past 9 a.m., and there was breakfast prepared by Chu Chu on the table.

This little girl has always been very well-behaved.

"The day after tomorrow is the day when Chu Chu goes out on patrol."

Qin Feng felt a sense of urgency in his heart.

"Little girl, do you like this phone?", Qin Feng suddenly asked

"Of course I like it!"

"Then brother, I'll get you one! Chu Chu said in surprise:"

Brother, this mobile phone is so expensive. The market price outside is more than 200,000 yuan. How can we have so much money!"

Qin Feng smiled and said:"There is no money!" However, there is a way for me to get another cell phone."

Chu Chu blinked her eyes in disbelief.

Qin Feng smiled and said: "Little girl, I will bring you a mobile phone back in the afternoon."

After saying that, he didn't care whether Chu Chu believed it or not, and went to wash up.

"Brother, I'm going to resign. I still have one month's salary left in the factory! After you wash up, remember to have breakfast!"

The little girl put the phone back on the table and left happily.

Chu Chu worked in a war gear leather factory, specializing in scrubbing the furs of ferocious beasts. She had to soak them in high-temperature hot water and undergo nitrification treatment. It was very hard.

She Naturally, he was reluctant to give up that month's salary.

After breakfast, Qin Feng also took a taxi to the Municipal Square.

He wanted to buy a mobile phone for Chu Chu.

Mobile phones are luxury items in this era, with a daily price of more than 200,000.

Qin Feng held them in his hands He only had more than 20,000 coins and couldn't afford it at all, but he had other options.

Of course, he wanted to get a mobile phone for Chu Chu, not for the little girl to play with, but to facilitate contact so as not to get separated when he went out to patrol the city. An hour later

, Qin Feng arrived at the promotion office of the city hall.

This early in the morning, many people came inside, and everyone had more or less happy faces.

Most of the people who came here were to apply for identity. Promoted.

As soon as Qin Feng entered the door, he heard a lively discussion inside.

"Did you read yesterday's news? About Lin Tianyang!"

"Look! That Lin Tianyang is so awesome!"

"yes! Becoming an elemental master at the age of 24 is unimaginable!"

"hehe! What is genius? This is called genius!"

"The Lin family is a big family and has no shortage of cultivation resources.

Lin Tianyang is so talented, his future achievements are unimaginable!"

Everyone was full of praise for Lin Tianyang.

Qin Feng frowned slightly.

He didn't like the Lin family very much.

"By the way, I heard that Lin Tianyang has a younger brother, his name seems to be Lin Xuyang..."

Such words came from the crowd again.

There is indeed Lin Xuyang in this world.

Qin Feng quickly pricked up his ears and listened carefully.....
