Kyle's dark brown eyes stared into Gabrielle's face as he climbed up onto the bed. He captured her lips and nibbled on her rims, lasting for seconds before he sat back up, getting the feel of his hardness with his palm.

His fingers touched her wetness, assessing its dampness.

He blew air from his lips, stirred from Gabrielle's welcoming pose. For a second, he marveled at the healthy glow of her bottom lips and the pinkish of her entrance.

"You are so beautiful, Gaby," he remarked, lusting at her core.

Kyle swore he never felt more excited all his life! He was finally going to make love with Gabrielle! 1

Putting his extra-large size in place, he heard Gabrielle gasped. He looked back up to her and saw how she was biting her lip, her eyes hooded in anticipation.

Kyle brought his attention back to her rose and started rubbing his manhood against her entrance.

"Aaahhh!" Gabrielle sighed in desire while Kyle pushed his stick up and down, getting saturated with her love juice. He has not yet even entered, yet he could feel his woman's arousal, drowning her by the second.

Her body was writhing. Her hands often kneaded her own bosoms. Like him, he was certain she was equally inflamed.

"Gaby, I'm going in," he announced before he pointed his mushroom tip at her core. 2

"Uhh!" Following his moan, he pushed a quarter of his size. He looked up and studied Gabrielle's expression. Seeing her holding on, he went halfway through.

"Hmmm." Kyle heard her softly groan that he lingered there for a second and played with her clit. 1

He climbed back on top of her, kissed both the mounds on her chest, circling his tongue against her nipples, and tasted her lips once more. He whispered, "Gaby, you make me crazy. I love you, beautiful... Please bear it because... I won't be able to hold back."

Gabrielle's eyes were closed when he spoke. She fluttered them open and caressed his handsome face. Bracing herself, she answered, "Go in... go all the way in, Kyle - Aaaaaahhh!"

Her brows furrowed as she announced, "You are so... so big!" 1

With him at the top, Kyle pushed his member all the way inside her cave. Not only Gabrielle but Kyle also wailed in desire, feeling tightness around his rod, "Fuck! It feels so good!"

After relishing at the feeling of having invaded her hole, Kyle's lips crashed into Gabrielle's. He hungrily tasted her mouth while grabbing her breast!

Soon, he unwittingly moved his hips back and forth, slowly and repeatedly.

Letting go, sighs of gratification became more and more audible coming

from Kyle.

Gabrielle too could not help moan endlessly. She felt both pain and desire engulfing her.

At first, his size overwhelmed her, but as he continued to thrust his manhood in and out of her, more love juice came out, and the lubrication added pleasure in their lovemaking.

Closing her eyes, Gabrielle concentrated on the feel of his girth touching her insides. It was absolutely thrilling, giving her goosebumps all over!

When she opened her eyes, she delighted at Kyle's godly frame; his firm chest, his abs, his entire torso moving in the rhythm of pumping into her rose.

"Ahhh." She could feel Kyle picking up the pace. The sound of their slapping flesh became more apparent as the second passed.

She found herself reaching for his back and grabbing onto his behind, feeling how his bottom cheeks would hallow at his every push.

"Gaby, I'm coming," Kyle told. He carried his weight and raised his torso, preparing himself for a harder pounding.

"Uhh! Uhhh!" Kyle moved faster, going to and fro into Gabrielle's peach.

At some point, he looked down, delighting at the sight of his member entering her bottom lips.

The glow on his rod was so provoking! 1

He could feel the electricity running through his body and not a moment too soon, he orgasmed, pushing and pushing his hips against Gabrielle's

that their bodies moved to the other edge of the bed!

"Aaah! Ugghhh! Fuck! Ahhh!" Kyle squirmed his hips into her groin area, savoring that very feeling of having climaxed.

Simultaneously, Gabrielle echoed Kyle's cries of desire, sensing the intensity of his actions. She also observed a different kind of high; her insides pulsating and her peach incredibly soaked! 2

Both their faces turned red at having concluded at the same time. 2

Eventually, Kyle lowered himself on top of her. He embraced her lovingly while kissing her again. 1

While he was still inside of her, they made out for seconds longer, gasping and simply numbing their lips with their relentless nibbling.

After some time, Kyle just studied Gabrielle's flushed face and faintly asked, "How was it for you, beautiful?"

Gabrielle's cheeks turned a shade darker before answering, "At first... it was painful... just a little." She pouted her lips before revealing, "You are... so big."

Chuckling, Kyle answered, "Sorry, Gaby. I was just... so excited over you."

"But, it felt better after a while," she said before stealing a peck on his lips. "I love you, Kyle."

"I love you too, Gaby... I'm glad that you enjoyed it as much as I did," he said before rolling to the other side of the bed and getting up.

Gabrielle watched as he disposed of his used condom, his manhood still hard, practically bouncing as he took his steps.

What he did next, however, completely shocked her.

Her eyes widened when Kyle reached for another pack of rubber and placed it down to his stick.

While her mouth remained open, stunned by the idea of him at it again, she heard him say, "Ready, Gaby? Turn around for me, beautiful."

"Aaaa-gain?" She asked, feeling her throat dry up.

Kyle looked down at his member with his hands on his waist. He glanced back up to Gabrielle and said, "We gotta take care of this, Gaby." 1

"Now, turn around for me and let me enter you from behind," he suggested while stroking his manhood.

Gabrielle's eyes tightened, but she lazily shifted her pose, flaunting her perfectly smooth behind in front of Kyle.

Just when she thought he would enter her immediately, she felt a warm and soft tongue tasting her from her core up to her clit. "Aaahhhh!"
