

## **I QUIT MR 326**

### Chapter 326 You've Been A Bit Rebellious Lately

"Go home." Alice stood up unsteadily, leaving behind a cup of cold tea without giving Isabella a clear answer.

Isabella felt uneasy, worried that she had spoken too harshly, and also concerned about upsetting Alice. With both her interests and emotions weighing heavily on her, she hesitated to leave Alice's courtyard.

She walked back to her own small courtyard with a heavy heart. Upon seeing the light in her bedroom, she paused at the door, focusing her gaze and clearly seeing Seth standing inside, shirtless. Isabella quickly turned around, taking a few flustered steps back. Just as she was considering returning later, a thought suddenly crossed her mind.

With the dim light on in the bedroom, she could clearly see the inside from outside.

Then, when she was taking a shower with her flashlight on a few days ago... She gasped in shock on the spot, her anger rising

No wonder, no wonder she couldn't see inside when Seth was taking a shower. This guy must have discovered it long ago, so he deliberately didn't turn on the light when she was showering! She was so angry that she felt like her lungs were about to explode, pacing on the spot.

Just then, Seth came out after taking a shower, drying his hair as he walked out.

Isabella glared at him.

Seth asked, "Why are you puffing up like a pufferfish?"

Isabella took a deep breath. "Seth!"

The man was taken aback for a moment, then he frowned. "Are you rebelling?"

Isabella asked, "Where were you standing when I was taking a shower a few days ago?"

Seth said nothing. His eyes flickered, and his face showed a hint of unease, "Outside, of course."

Isabella put her hands on her hips and walked to the spot in front of the bedroom window. "You mean here?"

Seth avoided her gaze and cleared his throat, "I can't remember."

“You did it on purpose!” Isabella’s face turned red with anger as she accused loudly,

“You knew that you could see inside from here.”

Seth dried his hair and tried to walk away, “I don’t know what you’re talking about.”

Isabella closed her eyes in frustration.

Seth glanced at her and clicked his tongue. “So what if I saw? I was just looking; it’s not

like I could eat your flesh.” As he spoke, his gaze quickly slid over Isabella’s chest.

Isabella was shocked; she hadn’t expected him to be so shameless. What does he

mean by just looking? Don’t men and women have boundaries? Doesn’t he have any

sense of decency?!

Seth sat down on a chair, casually throwing off his towel, “If it really bothers you, you

can look at me too.”

Isabella was speechless with anger.

Seth shook his head again, “No, you must have seen me just now since you know.”

Isabella forced a smile, “Your logic is really clear.”

Seth shrugged, "It's definitely clearer than yours."

Isabella didn't want to argue with him anymore. The more she said, the worse it got.

She walked into the room in a huff and sat down in the corner with her laptop.

gem in a few days.

Isabella retorted, "I also dreamed that you knelt down to me."

Seth chuckled, unable to resist raising his eyebrows at Isabella. "You've been quite

rebellious lately."
