

I Regained 486

Chapter 486: My Boyfriend

Song Ling didn't buy Zhou Ci's explanation, his voice icy, "Then what are you laughing at?"

Zhou Ci replied with a smile, "I just realized that I had a misconception about you. It turns out you're not just low on EQ, but your IQ isn't that high either."

Song Ling clenched his fists and took a step towards Zhou Ci.

Zhou Ci quickly said, "You can't blame me for thinking this way. Anyone with a bit of common sense knows that under the influence of alcohol, it's difficult for a man to... perform. And to engage in sexual activity in that state, if you actually did, then you're really a marvel among men, worthy of study."

Song Ling paused, "But Sheng Xin said..."

Zhou Ci yawned, his tone lax, "If she says something, you believe it? If I say I'm your father, would you believe that?"

Song Ling glared at Zhou Ci, "I won't beat you this time. What did you want to talk about?"

Zhou Ci mentioned, "Do you know that Gu Dai is traveling abroad on a business trip?"

Song Ling frowned, "We often travel abroad for work. It's not unusual for her to go overseas."

Zhou Ci nodded, "Of course, it's not unusual. But it is unusual to go to a dangerous country."

Song Ling's expression changed, "Did she secure that project?"

He immediately called Zhao Xuan into the office, "Check Gu Dai's location and book a ticket for me. No, get the private jet ready. I'll head there soon!"

Zhao Xuan hurriedly complied, "Yes."

Watching this, Zhou Ci couldn't help but give a thumbs up, "Brother, you really act fast."

Song Ling, remembering Zhou Ci was still there, asked, "Why are you telling me about Gu Dai's location?"

Zhou Ci stood up, patting the wrinkles on his suit, "I originally planned to follow Gu Dai myself, but my older sister dragged me on a last-minute trip to another country, leaving me no chance to go. The opportunity to protect Gu Dai is all yours now."

When Gu Dai woke up, she was met with Su Ting's intense gaze, as if he was afraid she'd run away.

Su Ting said, "Daidai, I've prepared your clothes."

Gu Dai nodded in acknowledgment, "Okay."

She then realized Su Ting had also squeezed the toothpaste, poured water, and organized her luggage, among other things.

Curious, Gu Dai asked, "What time did you wake up? You've done so much, and

I didn't hear a thing."

Su Ting replied, "Just half an hour before you, if there's anything you need, just tell me. I can do it quickly and quietly, without disturbing your sleep!"

Gu Dai shook her head, "You can sleep in; there's no need to wake up early. I can do these things myself."

But Su Ting's gaze remained intense, "But I want to do them for you."

Gu Dai sighed, "I won't persuade you further. You'll naturally stop when you get tired of it."

Knowing that no one would believe him if he said he wouldn't get tired of it, Su Ting decided to prove it with his actions for the rest of his life.

After boarding the plane, Gu Dai began working.

Su Ting also started analyzing recent business developments, all the while not forgetting to take care of Gu Dai.

Upon landing, Gu Dai led Su Ting to the place of negotiation, but upon seeing a dozen men in the room, she narrowed her eyes.

Lin Hong greeted with a smile, "This must be Chairwoman Gu, please, have a seat."

Su Ting followed closely, protective of Gu Dai as they entered the room.

Lin Hong was surprised to see Su Ting, "I didn't expect Chairwoman Gu to bring a man along. I thought about hiring a few to accompany you, but no matter, the more the merrier. Though, this gentleman here is quite handsome, making those I hired look rather unattractive."

Gu Dai's expression turned icy, "Have them leave."

Lin Hong's face stiffened before he waved them off, "Didn't you hear Chairwoman Gu? Leave!"

Directly addressing the matter at hand, Gu Dai stated, "Let's discuss the collaboration."

Lin Hong shook his head, "Chairwoman Gu, let's not talk contracts yet. I suddenly realized your companion looks familiar, like the internationally known model Su Ting. No wonder you have such high standards, having secured a male model for yourself, uninterested in ordinary people. How much did you pay? Can you introduce him to me when your contract with him expires?"

Suppressing the urge to punch Lin Hong, reminding herself they were abroad, Gu Dai held Su Ting's hand and declared, "He's my boyfriend.."
