Guan Tianba couldn't figure out Ouyang Feiming's last sentence even when he thought of it. When he turned around to ask, he found that the other end of the phone had already hung up.

"Oh my god, what was I doing just now? I was distracted when I was talking to Mr Ouyang. I'm really too rude." Suddenly, Guan Tianba exclaimed.

In order to make up for his impoliteness, Guan Tianba picked up the phone and dialed Ouyang Feiming's number again. The phone rang a few times and found that someone was busy, so he put down the phone.

"Bang bang."

"Xiao Yu, it's dad. I'm coming in." Guan Tianba knocked on the door and waited at the

door for two minutes. He didn't get any response from Guan Yu, so he opened the door and walked in.

"Dad, why did you come in? "I am already a person in confinement, no one is allowed to see me. If you come in, isn't it equivalent to not being locked up?!" Guan Yu said in a huff as she sat on the bed, leaving her back to Guan Tianba.

Hearing Guan Yu's tone, Guan Tianba naturally knew that his daughter was complaining about his way of doing things. He smiled with guilt and fawned on her twice, "Xiao Yu, father was wrong to imprison you, I should have locked you up at home. Now you can leave, wherever you want to go, I won't imprison you at home."

"Really?" Guan Yu turned around quickly and looked at Guan Tianba in surprise.

"Really." Liu Tie nodded and asked hesitantly, "However, Xiao Yu, dad has to ask you something. You need to answer honestly with me, how do you know someone as important as Ouyang Feiming? "You know him, why don't you tell me so that I can prepare myself and invite Mr Ouyang for a meal or something when I get the chance."

The meaning behind Guan Tianba's words was clear from the bottom of his heart that Guan Yu knew Ouyang Feiming. After personally confirming it, he could look for an opportunity to move around the Ouyang Family.

"Ouyang Feiming? Who is he? Dad, what are you talking about? I don't understand. I don't know him either. " Guan Yu frowned and asked in puzzlement.

"What?" Don't you know him? "Guan Yu, think about it again." Guan Tianba was

getting a little anxious and felt it was strange.

Guan Yu shook her head. "Father, I really don't know that person."

"Alright, I understand. Release your confinement and you can go out at any time. Dad will be returning to the study room in advance." Seeing Guan Yu's blank and ignorant expression, Guan Tianba had to believe that what Guan Yu said was true. She indeed didn't know Ouyang Feiming.

However, the doubt in his heart increased.

What Mr Ouyang said was: Who did Guan Yu take care of for him?

Could it be one of Guan Yu's friends?

If that was the case, he would have to tell Guan Yu to take good care of that friend of

his in the future!

But under this premise, he needed to investigate which of the friends Guan Yu played with had a special relationship with Ouyang Feiming.

Immediately, Guan Tianba picked up his personal phone, and called the assistant, Zhang Wei: "Assistant Zhang, in two hours, find out who Miss's friends are, and then check if they are related to Beidu City's Ouyang Feiming."

After hanging up, Guan Tianba sat on a chair in the study room waiting for the results of the investigation. Normally, he wouldn't have thought these two hours would have been slow, but today, he felt that time had been particularly slow.

Ring, ring, ring.

The phone in Guan Tianba's study rang. He immediately picked up the phone and answered: "Did you find anything?" "Who's there?"

"Xiao Qiang, Zhang Guang, Li Dai, Zheng Lingling, Yang liang." Assistant Zhang read out an investigation list.

"I know all of these families, so they shouldn't have any connections with the Ouyang Family. Go and check who else has been by Miss Cha's side recently." Guan Tianba said without thinking.

"An unremarkable poor student studying at Beidu University. His name is Ji Tianxiang. He is Miss Guan's new friend." Then, Assistant Zhang mentioned someone.

Guan Tianba frowned and said, "Then let's go investigate this poor student."

Not even half an hour later, Assistant Zhang called again. His voice was filled with surprise: "Guan Dong, this poor student seems to have quite a close relationship with Shen Family, he has eaten with Shen Family's daughter Shen Xiaoxiao, Tianxin Garden's Shen Mingli, Shang Tang Bar, Shen Dong, chrysanthemum restaurant's Shen Xi, they are all very respectful towards this poor student, and after learning something, Shen Family's daughter Shen Xiaoxiao will personally take care of it."

"What is the surname of this poor student?" When Guan Tianba heard this, he was also surprised.

"His surname is a rarely used one. His surname is Ji and his name is Tianxiang." Assistant Zhang said.

"Ji Tianxiang, Ji Tianxiang ..."

Guan Tianba muttered to himself. It was true that this surname was rarely used by anyone, and other than the ancient Ji Clan in Beidu City, it was practically unheard-of for anyone to have the surname Ji to be associated with Shen Family.

Suddenly, a thought flashed in Guan Tianba's mind: that poor student called Ji Tianxiang might be the person who came from that ancient Ji Family.

Ji Family were the descendants of the Zhou Dynasty's royal family. Shen Family were the stewards of Ji Family.

A poor student could not let a girl from Shen Family solve his problems, and even the managers in the Ji Family industry could be respectful to him. This also proved that the poor student called Ji Tianxiang was one of the Ji family's people.

After Guan Tianba finished analyzing, he was quite shocked. After hanging up on Assistant, he called Guan Yu.

After Guan Tianba left her room, Guan Yu also left her room. She drove her car out of the Guan Family and called Ji Tianxiang halfway through.

"Bro, I, your sister, came out. Didn't I say we were going to eat together? "It's better to choose than to try. Let's do it today."

"Alright, Ms Guan. I'll go look for you right now. Where can we meet?" Ji Tianxiang said happily.

"It's at the business street in the center of Beidu City. I'll bring you to a pretty good restaurant to eat, then we'll meet at that place. Let's not talk anymore, I'm already driving on the road." Guan Yu said.

"OK, Ms Guan."

Ji Tianxiang hung up the phone and walked out of the dorm with his car keys. He was surprised, "I didn't expect the matter that I told Shen Xiaoxiao to do was solved so quickly. I have to admit that my housekeeper is efficient."

## C109

In the business center of Beidu City, Ji Tianxiang met up with Guan Yu in the car, and after parking the car properly, the two of them went to a Chinese restaurant.

"Tianxiang, the food in this restaurant is very delicious. Check if there's anything you like on the menu, I'll treat you today." Guan Yu said with a hearty laugh, giving off the impression of a big sister taking care of her little brother.

"Ms Guan, how can you do that? I'll treat you to a meal, so I'll treat you to a meal." Ji Tianxiang refused without thinking.

Guan Yu laughed indifferently, "It's just a matter of eating. It doesn't matter who's treating. You're my younger brother, and I'm your older sister. It's normal for elder sister to treat her younger brother to a meal!"

"This won't do, I must treat you, otherwise I won't be eating with you." Ji Tianxiang insisted.

The reason why he had asked Guan Yu out for a meal was because he wanted to return the favor.

"Alright, please let me treat you." Seeing how Ji Tianxiang insisted on treating her, Guan Yu was really afraid that she would insist on treating him. She really made him anxious, so she had no choice but to agree.

Only then did Ji Tianxiang's satisfied face reveal a smile. He picked up the menu, looked at the dishes, and ordered. After that, he told Guan Yu that he would go to the toilet and left.

At this moment, Guan Yu's phone rang. It was Guan Yu's father, Guan Tianba.

Guan Yu picked up the phone, but before she could say anything, the person on the other end of the line impatiently asked, "Xiao Yu, where are you now?"

"Dad, I'm having dinner with a friend. Can I help you?" Guan Yu asked doubtfully.

"With which friends? Or with the ones you usually play with?" Guan Tianba asked without showing any emotion.

"No, it's a new friend I made recently. His name is Ji Tianxiang." Guan Yu said without thinking.

It was him.

People from the Ji Family.

When Guan Tianba heard this name, he became excited for a moment. His voice was filled with nervousness and concern: "Xiao

Yu, do you have enough money to eat with your friend? Dad will give you a few million more. After you eat with your friend, you can even go out and play."

"Dad, there's no need. I have money, and we only have a meal." The doubt in Guan Yu's heart increased. When did her father become so interested in her? "Dad, what's wrong? Is there something you want to tell me? "

I want to make it up to you. In addition, you're in confinement today, so I feel a little sorry for myself and want to make it up to you, but now you don't need to worry about me. Eat well with your friends, and by the way, Xiao Yu, if you have nothing else to do, you can bring your friends over to our house to be a guest.

Guan Tianba noticed that Guan Yu became suspicious and immediately tried to

find an excuse.

After hanging up the phone with Guan Tianba, Guan Yu felt a little puzzled. When did her father treat her friend so well, even inviting her friend to be a guest at home, and her father personally entertaining her?!

"The two of you, your dishes have arrived. Please enjoy." The waiter said.

Forget it, let's not think about things that we can't figure out. The dishes are already here, let's just eat properly.

"Tianxiang, you came back just in time. The dishes have all been served and are still warm. How about you try some?" Lili put down her phone and looked up to see that Ji Tianxiang had come back. She greeted him warmly.

However, this greeting was

coincidentally heard by Qian Duoduo, who brought along a beautiful girl. He first saw Guan Yu, then saw Ji Tianxiang. The two of them sat in the restaurant, talking and laughing.

Qian Duoduo was stunned for a few seconds. Something was not right. Didn't his father tell him to call Guan Tianba to report Guan Yu's condition?

In order to give them an explanation for their Qian Family, Guan Tianba said that he had confined Guan Yu.

Then what did he see now?

Qian Duoduo suddenly felt that it was Guan Tianba who had dealt with their Qian Family and lied to them, so he didn't really imprison Guan Yu.

Thinking of this, Qian Duoduo's chest

was filled with anger. He rudely led his girlfriend to Ji Tianxiang's table to look for trouble.

"Oh, who is this? Miss Guan, what a coincidence! We meet again? It really is fate!" Qian Duoduo sneered at the two people on the table.

Ji Tianxiang and Guan Yu raised their heads upon hearing an extremely annoying voice and saw that it was Qian Duoduo.

"It's you, Qian Duoduo. It's fate that brought you here, yet you still have the nerve to appear in front of me. Even when you see me, I feel disgusted." Guan Yu's expression changed as she glared at Qian Duoduo. Her tone of voice was filled with anger.

If it wasn't for this guy complaining, would she have been confined by her father for half a day and not be able to go

anywhere?

"Oh, Miss Guan, what are you saying? Why would I be embarrassed to appear in front of you?" Oh, that's right. I heard Miss Guan was locked up by uncle. Did it taste good? "

Qian Duoduo then glanced at Ji Tianxiang, who was sitting opposite to Guan Yu, and said mockingly, "Why are you with this mud? If Uncle Guan knew, he would definitely be unhappy."

"Qian Duoduo, I realized that you are born to be a lowly dog, and you always like to bite people wherever you go. This is so annoying, what do you think you are? It's really funny, you really think too highly of yourself, peeing and peeing according to your character. Not only is my dad not confined, he even made me treat my friends to a meal, and then came to my house to be a

guest. Guan Yu sneered coldly.

Qian Duoduo was stunned for a moment. He never thought that Guan Yu's scolding would be so unpleasant to hear, and even more so, never thought that Guan Tianba would not only lie to them about their Qian Family, but also go against them.

Damn it!

Qian Duoduo pretended to be calm and couldn't hold it in anymore. He angrily pointed at Guan Yu and was about to scold her. However, when he saw the fierce look in her eyes, he became a little fearful.

Guan Yu was Guan Tianba's daughter. If he were to directly offend Guan Yu right now, it would be equivalent to putting the conflict between the two families on the surface. It would also be equivalent to offending the entire Guan Family.

Qian Family could not compare to Guan Family at all, so he could not offend Guan Yu right now.

"Ji Tianxiang, it must be you, this f\*cking trash. I will definitely teach you a lesson today." Qian Duoduo pointed at Ji Tianxiang and swore, then took a step forward, ready to fight.

"Qian Duoduo, if you dare to touch a single hair on my brother's head, I will cut off your hand on the spot. I, Guan Yu, will do it." Guan Yu said in a low voice. She held the knife tightly in her hand and stabbed it into the table.

## C110

"You ... Guan Yu, Ji Tianxiang ... "You guys did well. You dare to bully others like this. Don't think that I, Qian Duoduo, would be afraid of you. I will definitely show you what I can do." Wu Tie was so angry that his whole body was trembling. He really wanted to go up and slap Guan Yu and Ji Tianxiang.

But he couldn't, he couldn't afford to offend Guan Yu, and he couldn't act rashly since Ji Tianxiang was protected by Guan Yu.

Guan Yu chuckled, "Oh, you've bullied me. What can you do? Did you cry and go home and complain to your father? Go on, you coward. You're not afraid of me, but I'm afraid of you? "If you don't want to break your hands and feet, then hurry up and scram."

"You, just you wait." Qian Duoduo was

scared. With a red face and a thick neck, he said a threat and walked out of the restaurant with his tail between his legs.

Ji Tianxiang was moved after he saw Qian Duoduo had left. He looked at Guan Yu and said, "Ms Guan, thank you for protecting me just now."

Actually, if Qian Duoduo really wanted to beat him up, he might not necessarily agree with Qian Duoduo's intentions. However, he was very touched to see Guan Yu standing up for him.

"What are you talking about? You're my younger brother after all. Boy, you're too polite to say thank you." Guan Yu said in a mocking tone.

"Mr Qian, are you alright?" Only after leaving the restaurant did Qian Duoduo's girlfriend dare to speak.

Of course, this was a symbolic question. After all, it had nothing to do with her. She wouldn't offend Guan Yu just because she had a meal with Qian Duoduo.

She knew Guan Yu, and she had heard that the family's conditions were very hard, and that they were basically characters that walked unhindered in Beidu City.

Qian Duoduo couldn't even compare himself to Guan Yu.

"Why are you still here? Why are you still not getting out? Are you looking at me like I'm a joke? "Get out of my way, do you hear me?" When Qian Duoduo heard the female voice beside him, he didn't find it pleasant at all. On the contrary, he felt disgusted. He didn't even want to look at the face that he had always liked.

The woman forced a smile as she

revealed eight teeth and said formally, "Young Master Qian, I can scam, but you have to pay for today's work first. I've accompanied you for one day, so I can't stay with you for free."

"Isn't it just money? Here, hurry up and get lost." Qian Duoduo took out his wallet, took out a dozen red notes and threw them towards his girlfriend.

As a member of their line of work, they couldn't go against money, so they quickly bent down to pick up the money. They disdainfully looked at Qian Duoduo before walking away, but they secretly cursed in their hearts: "Miss Guan is right, Qian Duoduo is just a cheap dog, he deserves to be in trouble."

Qian Duoduo didn't feel relieved after venting his anger on the woman. He picked up his phone and called Qian Daqiang

unwillingly. At this time, only his father could avenge him.

### Guan Family.

Guan Tianba sat on the sofa. After knowing Ji Tianxiang's identity, he couldn't calm his heart down at the same time, and also started to get restless. If he could get into a big family like Ji Family, it would be a good opportunity for his career and development of Guan Family.

Guan Tianba wanted to meet Ji Tianxiang, so he was in a hurry to get to know him again. Time waited for no man, so he decided to do it quickly.

After that, he picked up the phone and called Guan Yu. As soon as the call connected, before Guan Yu could say anything, he bluntly said, "Xiao Yu, dad has decided to give you a friend welcome dinner

tonight. When that happens, you can invite your good friend to dinner.

"Dad, isn't this too sudden? I haven't even contacted my friends yet."

At that time, on the other end of the phone, Guan Yu was a little stunned. She blinked before she realized what was going on.

"Haha, how could it suddenly happen? Daddy is already in the midst of preparing. You can just notify your friends." Guan Tianba emphasized again, "Xiao Yu, you must invite your friends over for dinner tonight."

In order to prevent Guan Yu from becoming suspicious, Guan Tianba invited some of Guan Yu's friends that he used to play with to his house. After that, he emphasized inviting Wu Tie to his house for

dinner, because that was the main point.

"But dad, I ..."

"Xiaoyu, it's decided so happily. Daddy is going to go pick the ingredients himself. I'll be waiting for you at home for dinner."

Guan Yu was confused by Guan Tianba's actions. She wanted to ask why he had invited her friend to dinner tonight, but when the words came to her mouth, the phone had already hung up.

Guan Yu looked helplessly at the phone that hung up. What happened to her father today? It was all out of the question.

"What's wrong, Ms Guan?" Ji Tianxiang noticed something was wrong with Guan Yu's expression and asked with concern.

"My dad said he was going to give me a

friend dinner at home and invite my friends to dinner. I think he's doing this to make up for my confinement today." Guan Yu said dejectedly, "Actually, he doesn't even need to do that. I have already forgiven him for that. After all, he is my father."

"Then what Uncle Guan did was right. He also wanted to make you happy. Who asked you to be his daughter?" "Isn't that the way it is between family? Whoever provokes someone, one wants to silently tolerate them, the other wants to actively do something to make up for his mistakes. No matter what uncle does, he will always love you." Ji Tianxiang somewhat understood Guan Tianba's approach, unconsciously said a few good words for Guan Tianba.

"Haha, Tianxiang, you're right, why didn't I think of you? You're really something. You know more than I do, even though you're younger. You really are worthy

of being my little brother." I'll call my friend right now and come to my house to join in on the feast tonight. You must come at that time as well, you can't run away. "

Guan Yu looked at Ji Tianxiang in surprise and thought back to what Ji Tianxiang had said. She felt that what he said was right and the depression in her heart was instantly swept away.

Guan Yu's praise made Ji Tianxiang a little embarrassed and his face turned slightly red. He didn't understand much of the truth. He had only analyzed the situation of Guan Yu and Guan Tianba correctly.

However, he was also very happy to see Guan Yu's happy expression. His words could be considered to have helped a lot.

Guan Yuxiang stopped eating and picked up the phone excitedly. She called her friends

and told them to come to her house for dinner tonight.

Time passed very quickly and night had already come. Guan Yu and Ji Tianxiang returned to the Guan Family together.

Guan Yu's other friends had also arrived a long time ago. Ji Tianxiang knew these friends as well. As soon as they entered the door, they started chatting enthusiastically.

When he heard that Guan Yu and Ji Tianxiang had returned together, the Ji Family people had arrived. As the master of the Guan Family, he couldn't let people wait so long, so he quickly put down the documents in his hands and anxiously went downstairs.

## C111

"Xiao Yu, you've finally returned. Everyone is waiting for you, who is this?" Guan Tianba asked when he saw Ji Tianxiang. On the surface, he was calm and collected, but in reality, his heart was already in turmoil.

This is the person from Ji Family, Ji Tianxiang?!

He had finally met the real person.

"Dad, this is the godbrother I know. His name is Ji Tianxiang. Tianxiang, this is my dad." Guan Yu introduced.

"Mr Ji, hello, hello, it's really my pleasure to meet you again. As expected of Ji Family ... "As expected of the godbrother that Guan Yu has met. He looks like a real talent. Not bad, I really like him. Come to our house and don't be restrained. Just treat

him like you're your own family." ""Guan Tianba took the initiative to reach out his hand and take Ji Tianxiang's hand as he spoke with great enthusiasm.

Ji Tianxiang was a little surprised that Guan Yu's father had seen how enthusiastic he was. He politely shook hands with Guan Tianba and politely said, "Uncle Guan, please call me Tianxiang. Thank you for your praise."

"Haha, alright, I'll call you Tianxiang. Come, quickly cook here. Dinner is already prepared and waiting for you." After Guan Tianba and Ji Tianxiang exchanged words, they pulled each other familiarly to their seats. They even personally pulled out the chairs for Ji Tianxiang.

"This ... thank you uncle, I can do it myself." Ji Tianxiang was extremely terrified and quickly stopped him.

Guan Tianba saw Ji Tianxiang's expression and thought that he had been noticed. Cold sweat broke out on his forehead. When he heard that Ji Tianxiang was only like this because he pulled a chair for him, he could not help but relax a bit and say,

I've said it before, coming here is like coming to your own house, you don't have to be restrained and don't need to be courteous, you are Xiao Yu's sworn little brother, you can be considered a part of our family, and if you call me uncle, then you won't be an outsider.

"Tianxiang, sit down. Don't be polite with uncle, otherwise, uncle will get angry."

"This..." For a moment, Ji Tianxiang was in a difficult position. He looked at Guan Yu, who was standing behind Guan Tianba.

Guan Yu's father was too enthusiastic for him. He had even personally pulled over a chair for him to sit on. Whether it was for the sake of his seniors or Ms Guan's father, he couldn't afford to receive such a courtesy.

Guan Yu was curious as to why her father was so enthusiastic about Ji Tianxiang. Was it possible that her father had his eyes on Ji Tianxiang as well?!

"Tianxiang, just take a seat. My dad said that you're my foster brother, so there's no need to be restrained when you come to this family. Otherwise, we would be separated." Guan Yu agreed.

"Yes, yes." Seeing Guan Yu open her mouth to speak, Ji Tianxiang also agreed to sit, so he sat down.

Otherwise, it would be strange and awkward to just stand there.

Ji Tianxiang still hadn't finished sitting down. Guan Tianba personally poured some water for Ji Tianxiang and served him all the delicious dishes, fruits and wines.

During this time, Guan Tianba also asked Ji Tianxiang how it tasted like. If it didn't work out, he would ask the family chef to cook it again, or he could ask the chef to cook whatever dish Ji Tianxiang wanted to eat.

Or perhaps it was Guan Tianba who sat opposite Ji Tianxiang, watching the way Ji Tianxiang ate and drank. The look in his eyes caused Ji Tianxiang's hair to stand on end and goosebumps to appear on his skin.

Facing Guan Tianba's treatment, Ji Tianxiang could not bear it any longer. He tried to find an excuse to slip into the toilet a few times to loosen his breath. Who knew that Guan Tianba would even follow him to

the toilet.

Ji Tianxiang was really helpless. Why was Guan Yu's father so warm to him? It was simply outrageous.

"Ms Guan, I ..." Ji Tianxiang was also distressed, so he wanted to ask Guan Yu for help.

But before he could say anything, Guan Tianba interrupted him and pulled Ji Tianxiang away enthusiastically. "Tianxiang, come and take a look at this thing Uncle has in his collection. How about it?"

Ji Tianxiang took a deep breath and sighed. [Oh my god. If this continues, how long will it take until someone comes to save him?]

"Guan Yu, what's wrong with your father? Why are you so warm to this little

brother of yours? " Guan Yu's other friends observed her for a while and felt that something was wrong with her father. They all walked up to Guan Yu and couldn't help but ask.

Xiao Qiang, Zhang Guang, Li Dai, Ling Ling, Jian

"You ask me? I also want to ask you guys, what exactly happened to my dad? " Guan Yu rolled her eyes.

"When we came, your dad didn't treat us like this. He just nodded and said that we could do whatever we wanted, so he went upstairs." Xiao Qiang frowned and said.

"That's right, uncle's attitude towards us is extremely cold, not to mention cordial." Lai Lingling said.

"Does your dad want a son who thinks

Tianxiang is wrong?" Zhang Guang guessed.

Li Dai shook his head and said doubtfully, "I'm not sure. Maybe Uncle Guan has taken a fancy to Tianxiang and wants him to be Guan Yu's son-in-law."

"Go go, go. What are you saying? It's a mess. Tianxiang is several years younger than me. I just treat him as my younger brother. He's not like what you guys said." Guan Yu shook her head. How could she possibly like someone younger than her? Moreover, she was her sworn brother. It was simply bullsh \* t.

"Guan Yu, are you sure you have no interest in Tianxiang? I think that kid is pretty good in every way. "

Guan Yu, you have also been single for so long, you can actually consider finding a boyfriend. As the saying goes, the grass

beside the rabbit's nest is fat and tender, so it will only taste good when you eat it.

Zhang Guang and Li Dai looked at Guan Yu with malicious intentions and continued to tease her. It seemed that they did not intend to let Guan Yu go.

Guan Yu's mind couldn't help but imagine the scene of her and Ji Tianxiang really walking towards marriage. Instantly, her face turned as red as a fiery cloud, and she didn't know what to do with her hands and feet.

"Oh, Guan Yu is blushing. Did she think of something?" Xiao Qiang also wailed shamelessly.

Guan Yu angrily pushed Xiao Qiang away and threatened, "Besides, I'll just pour the chili concoction into your mouth."

"Aiyo, my aunt, I won't say anymore. Please don't do this to me. I was wrong." Xiao Qiang said with a smile.

When he saw that everyone was happily chatting and laughing, he walked over with large strides and patted Guan Yu on the shoulder. "Ms Guan, what are you guys talking about? Why are you so happy? Why don't you guys tell me about it?"

Guan Yu turned around and looked at Ji Tianxiang, who was just inches away from her. Her face, which had just turned red, turned red again in a second.

"Ms Guan, what's wrong with you?" Ji Tianxiang asked in confusion, "Why is her face so red? Is she having a fever?"

Guan Yu's heart tightened when she heard Ji Tianxiang's caring voice. She immediately lowered her head, not daring to

look him in the eye.

## C112

Ji Tianxiang saw that Guan Yu didn't say anything, so he looked at Zhang Guang and the others. They looked at each other, looking at him with a playful look, but they didn't say anything.

"Why are you guys looking at me like that?" Ji Tianxiang frowned, feeling a little confused.

"It's nothing. You, Ms Guan, don't have a fever. You just want to drink to your face. It'll

be fine. Come, let's drink a toast to celebrate our reunion." Seeing that the atmosphere wasn't right, Xiao Qiang came out to smooth things over, picked up the wine cup on the table and handed it over to Ji Tianxiang.

Li Dai and the others also raised their glasses and echoed Xiao Qiang's words, "Cheers! Celebrating our reunion!"

At that time, at Guan Family's gate, two uninvited guests came to the door, Qian Family father, son Qian Daqiang, and Qian Duoduo. They wanted to enter the Guan Family, but were stopped by the guards at the door.

Qian Daqiang and Qian Duoduo were not satisfied with the guards stopping them, and scolded loudly, "A dog dares to stop us from entering. Hurry and call your Director Guan, tell her that my Qian Family is here."

Seeing that the clothes worn by Qian Daqiang and Qian Duoduo were indeed extraordinary, and hearing the tone of Qian Daqiang's voice, the guard seemed to know Guan Tianba, so he thought for a while before making a call to the Guan Family Inner Palace.

"Master Guan, there's a person claiming to be from Qian Family who wants to see you." the guard asked.

"Let them in." Guan Tianba said indifferently.

Guan Tianba didn't need to guess to know that Qian Daqiang had come to find him for his son.

The guard hung up and immediately opened the door, allowing the Qian Family father and son to enter the Guan Family.

The Qian Family father and son duo aggressively headed towards the Guan Family Inner Palace. They had come this time to seek an explanation from Guan Tianba, and had Guan Tianba give them an explanation on the way to Qian Family.

However, before the two of them entered the mansion, they heard the commotion in the house. When they walked in to take a look, they were even more stunned.

"You guys came. Sit down first." Guan Tianba didn't get up. He glanced at Qian Daqiang and Qian Duoduo indifferently.

What was going on?

It was one thing for Ji Tianxiang to not be taught a lesson, but to be invited by Guan Tianba to the house to enjoy the good wine and good dishes?!

Guan Tianba's attitude towards them was neither cold nor hot?!

"Uncle Guan, what do you mean?" Qian Duoduo asked angrily.

"Nothing." Guan Tianba answered without even looking at Qian Duoduo.

At this moment, Qian Duoduo felt like he had never been humiliated before. How could he treat Ji Tianxiang like that? Ji Tianxiang was someone who would embarrass him along with his daughter. It was fine if you didn't punish your daughter, but you can't f \* cking give Ji Tianxiang that much face!

The key was that Ji Tianxiang was a poverty-stricken trash. Where did he put his face? How could he make him believe that there was no meaning?

Qian Duoduo wanted to curse at Guan Tianba, but he was too embarrassed to do so, so he turned around and started to make things difficult for Ji Tianxiang.

"Ji Tianxiang, you f \* cker, why are you here? Could it be that you have run out of money again? Won't your conscience hurt if you keep cheating? What? Picking up trash in school everyday isn't enough for you to survive! "

"Why aren't you talking? That's right, how can he still have the nerve to speak now that I've exposed him? "You poor bastard, you don't have any money, right? I'll give it to you." As Qian Duoduo spoke, he took out a few red notes from his pocket and threw it over. "You beggar, take the money that grandpa gave you and quickly scam. Don't let me see you again, you disgusting thing."

Guan Tianba was unwilling. His face

was so dark that it could not get any darker. A person with Ji Family, was someone that you, Qian Duoduo, could offend?

"Housekeeper Liu, go call the security guards over and kick this uneducated person out of here with his mouth full of dung." Guan Tianba said in a low voice, but it was very intimidating.

Guan Tianba immediately ordered his son to be driven away, causing Qian Daqiang to be unable to sit still: "Director Guan, what do you mean by this? Did you really put me, Qian Daqiang, in your eyes? "

Oh, then do you guys, Qian Daqiang, have any of our Guan Family in your eyes? Your son is raised like this, and is so rude to the guests my Guan Family has invited. " Guan Tianba squinted his eyes and looked at Qian Daqiang sharply.

"Guan Tianba, don't go too far. It was this brat who provoked your daughter to bully my son together." Qian Daqiang's face froze as he attempted to argue with Huang Xiaolong.

"If you say you want to bully me, then bully me. Then why do I feel that your son owes you so much, and is causing trouble?" Guan Tianba was not stupid, he had already investigated the truth of the matter, how could he believe Qian Daqiang and Qian Duoduo's bullsh \* t?

"Guan Tianba, do you still want to cooperate with our Qian Family?" Qian Daqiang angrily retorted, "If you don't give us an explanation today, then the cooperation between the two families will come to an end!"

From Qian Daqiang's point of view, it was impossible for Guan Tianba to abandon

the cooperation between the two families just because of a poor student who had a falling out with them.

Moreover, this collaboration could be considered a big deal to their Guan Family. Guan Tianba was a businessman with a lot of interests, and as long as he mentioned about the collaboration, he should be able to understand who was more important.

Qian Duoduo was a little surprised that his father did this for him. He glanced at Ji Tianxiang and Guan Yu complacently.

Ji Tianxiang and the others looked at each other and wanted to stand up to talk. Guan Tianba waved his hand and said, "Sit down, everyone. You should eat and drink. I will take care of them."

Threatening him, Guan Tianba?

Unfortunately, not only did he, Guan Tianba, not take advantage of you, but he also disdained your cooperation.

"Hehe, Housekeeper Liu, have the guards arrived yet? Let the family servant kick this father and son out first. If they don't leave, you don't need to be polite anymore. You can do whatever you want with them." Guan Tianba snorted coldly. He called for a servant and also called for a security guard to attack.

"Yes, Master Guan." Housekeeper Liu led his master's orders and waved his hand, ordering his servant and the security guards to drive out Qian Family father and son together.

"What?" Guan Tianba, are you sure you want to do this? " Qian Daqiang was stupefied. He had never thought about what was happening before him.

Qian Duoduo was also shocked. He also thought that Guan Tianba wouldn't break up with their Qian Family because of Ji Tianxiang.

Qian Daqiang and Qian Duoduo had no choice but to leave in a sorry state. Before leaving, they continued to threaten him: "Guan Tianba, don't regret it. When the time comes, even if you beg to cooperate with me, I won't agree."

"I, Guan Tianba, never do anything that I regret." Compared to Qian Family, he, Guan Tianba, cared more about Ji Family, so he was willing to do what happened at this very moment.

After Qian Daqiang and Qian Duoduo left, Ji Tianxiang felt a bit guilty.

Originally, the grudge between him and Qian Duoduo's family was resolved by him.

The more Ji Tianxiang thought about it, the more uncomfortable he became since Guan Family was involved and the other party had even lost their cooperation in vain.

Ji Tianxiang stood up from his seat and walked in front of Guan Tianba: "Uncle Guan, is the cooperation between you and Qian Daqiang really okay? "Actually, you really don't need to make enemies with them because of me. I can ..."
