"I'm sure. Ru Hai told me that he knows a big shot at the higher levels. That's why he took care of this matter. If it wasn't him, who else could it be? But don't tell me it's you, it's too funny, and you don't even know what you are." Chang Yue said with mockery in her eyes.

Ji Ji Tianxiang was stunned. He didn't expect Chang Yue to say that to him.

Just a moment ago, she was so gentle to him, but now, she revealed her true colors?

Moreover, his eyes and mouth were full of praise for Xue Ruhai. It seemed that Chang Yue had a good impression of Xue Ruhai, not herself.

Chang Yue realized that she said the wrong thing and immediately explained,

"Tianxiang, I said the wrong thing just now. Please don't misunderstand, that's not what I meant."

"Tianxiang, you're so good at dancing, why didn't you tell me before? Seeing you dancing with other women, I also want to dance with you." He suddenly changed the topic.

Ji Tianxiang looked at Chang Yue as well as Qin Shui, who was talking to someone else nearby.

Today, Chang Yue's attitude was fickle.

A few days ago, she hated herself so much, but how did she become so enthusiastic all of a sudden? When Xue Ruhai was mentioned, her attitude changed to that of dislike. Within seconds, she became passionate again, as if she hated herself.

He had been sighing at Chang Yue's warm attitude and expressing her good impression of him, wondering when he had become so charming.

So it was all an illusion.

However, what was questionable was Chang Yue's intention in doing so.

"Tianxiang, why are you here?" "You made me so easy to find, hmph." Zhang Mangmang walked over and gave Chang Yue a hostile look.

He cursed in his heart: "F * ck, where did this little bitch come from? Do you want to seduce Ji Tianxiang?"

"You're Zhang Mangmang?" Ji Tianxiang asked uncertainly.

At this moment, Zhang Mangmang

walked with a limp. Her hair was slightly messy and she looked to be in a sorry state. Under normal circumstances, whenever she saw Zhang Mangmang, she would look well-dressed and had a perfect pursuit for delicacy.

Every time he saw Zhang Mangmang, she gave off a fresh and refreshing feeling. However, the Zhang Mangmang of today was very different.

Therefore, he was a bit unsure when he saw Zhang Mangmang.

However, the sound of his voice was quite distinct.

"Hmph, if I'm not Zhang Mangmang, who would I be?" Zhang Mangmang said unhappily, "I've been waiting for you for a long time already today at the ball, but I couldn't find you. Shouldn't you make it up

to me?"

"Why are you looking for me?" Ji Tianxiang was confused.

"Of course I'm looking for you to dance. I saw the match between you and Qian Duoduo. You danced very well. Now that you have nothing else to do, let me dance with you as compensation." Zhang Mangmang took the initiative to pull Ji Tianxiang's arm and said coquettishly.

Chang Yue was stunned for a moment, "Lady, I'm sorry, I made an appointment with Tianxiang first."

"Tianxiang, who is this?" Zhang Mangmang directly ignored Chang Yue's words and asked.

"Ordinary friend." Ji Tianxiang said after thinking for a while.

Zhang Mangmang then looked at Chang Yue and purposely said, "Ordinary friend, this lady here, I'm Tianxiang's girlfriend and I'm very happy to meet you. I pulled my boyfriend to dance, it doesn't matter, so what? Plus, he shouldn't have danced with you, so I advise you to give up on this idea."

"How is this possible? Isn't Ji Tianxiang single? Since when did he have a girlfriend?" Chang Yue frowned.

"It's none of your business whether Tianxiang has a girlfriend, what can you do about it?" Zhang Mangmang mocked.

Then without a word, he pulled Ji Tianxiang to the dance floor. "Tianxiang, come, come with me to dance."

Ji Tianxiang had no choice but to follow.

Chang Yue looked at the two of them

leaving and felt so angry that she could die. She bit her lips and hid her feet again.

Ye Zichen looked at Xue Ruhai, who was not far away, and walked over.

On the dance floor, Ji Tianxiang lowered his head to look at Zhang Mangmang's leg, "Your leg is injured. Are you sure you want to dance? Are you going to the clinic to bandage your wound?"

"Me." Zhang Mangmang was about to say, I'm sure.

Let me tell you this first, after you finish the dance, the wound on your leg will become even more serious. There will be a lot of bacteria that will enter the leg, and it will be easy to get deep into the skin. Ji Tianxiang said seriously.

It was because the wound on Zhang

Mangmang's leg looked quite severe. Otherwise, he wouldn't have said such words to her.

"But I want to dance with you. I've been waiting for you all night." Zhang Mangmang said unwillingly.

"Alright, how about this, I'll send you to bandage your wounds and then come back. If you can make it in time, then dance. If you can't make it in time, then I'll treat you to a meal tomorrow to make up for it." Ji Tianxiang said.

"Sure." This time, Zhang Mangmang was happy.

Ji Tianxiang helped Zhang Mangmang out of the dance floor slowly. At this moment, Wu Tie and the others walked over.

"Tianxiang, where are you going?" Xue

Ruhai looked at Ji Tianxiang with a hint of dissatisfaction in his voice.

"Tianxiang, are you leaving? It's not enough to just tell us about it without making any noise. " Wang Fugui was also unhappy.

Immediately, the atmosphere became stiff.

Ji Tianxiang raised his eyebrows. He had to leave. When will he leave? Do I need to report to them?

"Zhang Mangmang is injured. I'll take her to the infirmary to bandage her wounds. She'll be back soon." Ji Tianxiang said.

Suddenly, Xue Ruhai laughed out loud, "So it's like this. Zhang Mangmang is injured, just ask Fugui to send her over. You can't leave. Chang Yue and Qin Shui are here to play with you, you can't be slow."

Xue Ruhai signaled Wang Fugui with his eyes. Wang Fugui quickly walked in front of Ji Tianxiang, wanting to help Zhang Mangmang up.

In the end, Zhang Mangmang unceremoniously shook him off. "I don't want him to send me off."

"Then I'll send you off." A hint of displeasure flashed across Xue Ruhai's eyes as he said with a fake smile.

"Thank you, I'm going to get Tianxiang to send me to the infirmary." Zhang Mangmang sneered.

"No, Ji Tianxiang will stay and talk to our friends." Xue Ruhai rejected loudly.

Today was a good time to lure Ji Tianxiang into taking the bait. No one should even think of destroying him.

"I'm also a friend of Tianxiang. I'm injured, so why don't you let him give it to me? Who do you think you are, Xue Ruhai? You're just a lackey of Qian Duoduo. Do you think I'll be afraid of you?" Zhang Mangmang looked at Xue Ruhai mockingly and said in disdain.

"Zhang Mangmang, repeat your last words again if you dare." Xue Ruhai's pupils suddenly dilated as he glared viciously at Zhang Mangmang.

Zhang Mangmang hid herself in Ji Tianxiang's embrace and said in a pitiful voice, "Tianxiang, look at how he's staring at me. I'm so scared. My legs are hurting too."

C87

"Ru Hai, it's better if I send Zhang Mangmang to the infirmary." Ji Tianxiang said.

"Are you sure you want to go, Tianxiang? "Chang Yue came to the ball today especially for you. It's too unreasonable for you to abandon her like this." Xue Ruhai looked at Ji Tianxiang gloomily and said.

"Ru Hai, you are all rich, didn't you say that you are my good brothers? Also, Chang Yue, Qin Shui is not only my friend, you guys know her as well. Zhang Mangmang's leg is seriously injured, so I'll take her to the infirmary first. I'll be back in a while. "

Ji Tianxiang said with a smile as he came to Xue Ruhai and Wang Fugui's side, patting them on the shoulder.

Xue Ruhai and Wang Fugui's expression froze for a second. Ji Tianxiang supported Zhang Mangmang as they walked away slowly.

Leaving behind Xue Ruhai, Wang Fugui, Chang Yue, and Qin Shui.

"F * ck, he actually let this brat escape." Wang Fugui scolded.

Qin Shui frowned, and looked at the three of them with a gloomy expression: "Tianxiang's classmate is injured, what's wrong with him sending you off? Why do you all want to stop him? "

"If he leaves, how can we carry out our plan?" Wang Fugui spat out.

"Wang Fugui, shut up. If you don't say anything, no one will treat you as a mute." Wu Tie shouted loudly.

Wang Fugui immediately covered his mouth with his hands.

"What are your plans? What does it have to do with Ji Tianxiang? "

Qin Shui looked at both Xue Ruhai and Wang Fugui suspiciously as the curiosity in her heart increased.

"Aha, actually, it's Tianxiang's birthday tonight. We wanted to surprise him with a birthday surprise on this misunderstanding, but when he leaves, our planned birthday surprise will be ruined. But it doesn't matter now, it's the same if we go back to our dorm and surprise him." Xue Ruhai suddenly laughed out loud. Out of the corner of his eye, he stared at Wang Fugui and said, "Fugui, what you said was right."

"Yes, yes. Today is Tianxiang's birthday, we prepared a surprise for him. " Wang Fugui

quickly agreed.

"Today is his birthday? I didn't hear anything from him. You guys too, if it's Tianxiang's birthday, we should be preparing a present for him." Qin Shui dispelled her doubts and complained.

Xue Ruhai and Wang Fugui both smiled awkwardly and no longer said anything.

In fact, they were all cursing, "Preparing for a birthday surprise? Preparing my ass! With just Ji Tianxiang, that sand sculpture, I'm already worthy."

Meanwhile, Xue Ruhai gave Chang Yue a meaningful glance. Chang Yue immediately understood and stepped forward, pulling Qin Shui's arm. "Shui'er, I'm so hungry. Let's go eat something delicious."

"Oh, okay." Qin Shui followed Chang

Yue without a doubt.

Before leaving, Chang Yue and Xue Ruhai looked at each other.

Chang Yue and Qin Shui had just arrived at the snack bar when they found an excuse and said, "Shui'er, I suddenly feel a pain in my stomach. I need to go to the toilet. You eat first."

"Chang Yue, let me accompany you to the toilet." Qin Shui said.

"No need. Shui'er, just wait here for me."

After Chang Yue finished her sentence, she hurriedly left. Qin Shui thought it was strange, but she did not think much of it.

There was a hidden space at the corner of the toilet. It was a place where lovers loved to meet each other the most. People

rarely noticed it.

Xue Ruhai had come here early and was waiting for Chang Yue's arrival.

Very quickly, Chang Yue found them based on the location sharing that Xue Ruhai sent her.

"Darling, why did you only just arrive? I really miss you so much." Xue Ruhai said excitedly when he saw Chang Yue.

He couldn't control his arms and pulled Chang Yue into his embrace.

"Ru Hai, I've made you wait so long. You came late because of Qin Shui, that bitch, delaying you. Come, let me kiss you, as compensation for waiting so long." Chang Yue took the initiative to kiss him.

"Darling, isn't it too perfunctory to just

use a kiss? Don't you want to make it more exciting?" Xue Ruhai said.

Chang Yue trembled when she heard that. She looked around before pouting, "Ru Hai, you're so hateful. How can you be so bad? What kind of place is this? Are you treating me like this?"

"Just tell me if you want it or not." Xue Ruhai asked anxiously.

"I, Ru Hai, actually don't want to be here." Chang Yue said awkwardly.

"Alright, then I'll just kiss him." Xue Ruhai said in disappointment.

Chang Yue looked up at Xue Ruhai in surprise and nodded.

Since she knew it was Xue Ruhai who helped her solve her family's problem, Chang

Yue had a whole new level of respect for Xue Ruhai. Furthermore, Xue Ruhai had accompanied her through that difficult period of time, caring for her.

Chang Yue agreed to have a date with Xue Ruhai. One night, they all played together in a bar and drank some wine. Xue Ruhai sent himself back home, so the two of them found a hotel, got a room and went to bed.

Plus, she wasn't a virgin for a long time, so it didn't matter if she gave it to Xue Ruhai.

Once they had meat and meat, they would have their first time. Chang Yue had made love with Xue Ruhai in many places in just a few days.

In the hotel, in the car, on the top floor of her school, in the woods in the park.

These places were all suggested by Xue Ruhai. At the beginning, it was very embarrassing, but he knew that men all liked to find excitement. In order to make Xue Ruhai happy, he had to cooperate.

Actually, she was willing to give herself to Xue Ruhai not because she had a good impression of Xue Ruhai, but because she took a fancy to the power behind Xue Ruhai.

Her father had sent someone to investigate Xue Ruhai, but found out that nothing could be found. Her father just said that he couldn't find Xue Ruhai's identity, which meant that Xue Ruhai was even stronger.

Chang Yue thought that Xue Ruhai's family background was very deep. For the sake of Xue Ruhai's name on the list, she decided to follow his lead.

Today, Xue Ruhai once again proposed that thing in the school corridor. Chang Yue saw the place was too small and dirty, so she refused. She thought Xue Ruhai would disagree, but she didn't expect him to actually agree.

Chang Yue felt that Xue Ruhai really loved her, so she liked Xue Ruhai even more.

Since their relationship was getting deeper and deeper, Xue Ruhai asked her to help him with something. Together, they fixed Ji Tianxiang and played around with him. Chang Yue didn't doubt him and agreed.

Anyway, she really hated that trash Ji Tianxiang.

Pop pop.

Soon, the two of them were engaged in a fierce kiss.

Pop pop.

Xue Ruhai and Chang Yue were so intimate that they didn't even know how to make a sound.

Ji Tianxiang didn't send Zhang Mangmang to the infirmary, but directly to the girls' dormitory while he himself went back to the ball.

As soon as he entered the ball, he felt a pain in his stomach and quickly ran to the bathroom to take care of it.

However, just as he walked into the corridor, he heard a strange sound.

There was the sound of men panting, the sound of women moaning under pressure, and the sound of kissing.

Hearing this voice, Ji Tianxiang was

← C87

stunned on the spot.

What the heck!

My mother, I'm still a simple child.

Please don't pollute such a pure me, okay?

What era was this? Was there a young couple going to the toilet to do some unspeakable things?

Going to a hotel to get a room? What's wrong? How much can I spend on it?

The man who did this to a woman must have wanted to save money to bring her to this kind of place. It was too shameless.

Sigh.

Sigh.

Young people these days are really outrageous.

Ji Tianxiang sighed as he shook his head. He wanted to go to the bathroom, so he quickly went back and pretended that he

didn't know anything.

Suddenly, he heard the voices of the young couple, and successfully stopped Ji Tianxiang's footsteps.

"Ru Hai, I've already told my father about you. My father said that he wants to see you. What do you think about coming over to my house?" After Chang Yue had been kissed, her face was still blushing from the heat of the moment, and her charming words had not faded in the slightest.

"Let's wait a little longer." Xue Ruhai blinked his eyes and said.

"Wait, when are we going to wait? I've already mentioned this to you several times. What do you mean by 'wait a little longer'?" Are you looking down on my family, or is my dad a jackal, a tiger, a leopard, that is so terrifying that you don't dare to see it? "

Chang Yue was unhappy and pushed Xue Ruhai away.

"It's not like that. Chang Yue, listen to me. I mean wait a bit longer. I want to get rid of that matter and then go see your father. "You also know that I really don't like that brat Ji Tianxiang. I want to wait for us to finish playing with him before I have the mood to do other things." Xue Ruhai explained.

Hearing that, Ji Tianxiang finally understood something.

Playing with him?

Was Ji Tianxiang that easy to be played with?

Ji Tianxiang pursed his lips with a sullen look in his eyes.

Since you, Xue Ruhai, and Chang Yue are heartless, then blame me for being unjust.

You want to kill me, but you don't even have the door.

He then took out his mobile phone from his pocket and tiptoed over to the wall that was hidden by the wall.

Ji Tianxiang took out his phone and secretly took pictures of the restricted level movements of Xue Ruhai and Chang Yue. At the same time, he also recorded the conversation between the two.

"Ok, that's what you said. As long as you finish playing Ji Tianxiang, that idiot, then come back with me to see my dad."

"Darling, don't worry. I'll definitely go back."

"Mhmm, I hate you. You're so bad. Aren't you not here anymore?"

"My dear, who asked you to be so alluring? I am truly unable to take it anymore."

He never would have thought that Xue Ruhai and Chang Yue would actually be together.

He really didn't expect the two of them to be together. Their first goal was to play with him, Ji Tianxiang.

No wonder Xue Ruhai had mentioned Chang Yue's incident to him time and time again, insisting that he take a look. Even the ball had called Chang Yue over.

If he didn't guess wrong, what Xue Ruhai and Chang Yue had planned was this: Xue Ruhai wanted Chang Yue to seduce him,

he would be fooled, and then they would use his feelings for Chang Yue to tease him.

Thinking about this, Ji Tianxiang understood Chang Yue's change in attitude towards him, as well as Xue Ruhai and Wang Fugui stopping him from leaving.

It was a pity that Xue Ruhai and his group had miscalculated.

The heavens were merciful to him, Ji Tianxiang, so he had discovered Xue Ruhai's scheme.

Ji Tianxiang saw that he had taken enough, so he kept his phone and was about to leave. He stepped on the rock on the ground with a creak.

"Who's there?" Xue Ruhai suddenly looked back vigilantly and shouted loudly.

"Ru Hai, could it be that someone is secretly watching us? I already said this place isn't safe, and you still have to stay here ..."

Chang Yue hid nervously in Xue Ruhai's arms as she complained.

Xue Ruhai lowered his head and looked at Chang Yue in disgust. He thought to himself, "What a shameless bitch. How can you say that to me? Didn't you also say that you couldn't take it anymore?"

After I mess with Ji Tianxiang, I won't dump you. Anyway, I'm not a virgin, so I'll just treat it as looking for a higher class prostitute to play with.

Ji Tianxiang looked at the rock on the ground and rolled his eyes speechlessly.

My god, I can't be that unlucky, can I? It wasn't easy to collect the video of Xue Ruhai

and Chang Yue colluding together, waiting to go back home and make a comeback.

Stone, are you playing with me like this?

"Who's there?" "Come out, if you don't come out, I'll catch you later and see if I don't beat you to death." Xue Ruhai let go of Chang Yue with a frown and walked over.

It's over, it's all over, we're going to be discovered.

Suddenly, Ji Tianxiang saw a black wildcat staring at him from the window.

At this moment of crisis, Ji Tianxiang suddenly had a flash of inspiration and thought of an ingenious move.

"Meow."

Yes, that's right, learn to meow like a cat.

Ji Tianxiang pinched his nose and started to cry out like a cat, one sound after another. Don't say, it was pretty similar.

"Wow, there's a black wildcat standing there. Ru Hai, look! It looks so scary!" Chang Yue turned her head and saw a cat standing at a window not far away. Her green eyes gave her a fright.

"Chang Yue, don't be afraid. I'll chase it away." Xue Ruhai walked back, picked up a stone from the ground and threw it at the cat.

The wild cat let out a sorrowful cry and quickly escaped.

Ji Tianxiang also took advantage of the chaos to escape.

"Huhu, it's a good thing that it's a wild cat, not a human. However, this wild cat has frightening eyes. It's good that you're by my

side, Ru Hai." Chang Yue said sweetly while hiding in Xue Ruhai's arms.

Xue Ruhai nodded and frowned. He felt that something was not right. The cat meowing at the beginning sounded different from the one just now.

Forget it, maybe I was overthinking it.

Ji Tianxiang sneaked out of the toilet and touched his phone in his pocket. Seeing Wang Fugui eating happily in the living room, he sneered.

You want to play with me?

Just wait, eat the fruit, let you steal the chicken and eat the rice.

In the remaining time, I will play along with you and obediently cooperate with you. In the end, I will give you guys a killing

move and catch you off guard.

However, today's ball is fine. I'll let you guys be in a hurry, but I'll rest properly.

The next day, Ji Tianxiang sat down in the public classroom and started flipping through his books.

"Hey, Tianxiang, long time no see. Can you get up and let me in for that seat?" A sweet voice came from the top of Ji Tianxiang's head.

Ji Tianxiang raised his head and looked at the person who came. A sweet voice, delicate facial features, and a soft "hmm" that was neither cold nor light.

"Yes."

Then, she stood up from her seat. Her sweet smile froze for a moment. A trace of

disgust flashed in her eyes, but she still walked in and sat beside Ji Tianxiang.

"Tianxiang, are you not happy to see me at all? Do you know how I found you in this classroom?" Chang Yue flashed an eight-tooth smile and looked at Ji Tianxiang.

"How did you find them?" Did Wang Fugui tell you, or did Xue Ruhai tell you?" Ji Tianxiang looked at Chang Yue and gave her a naughty smile.

@vamp20w01

C89

Chang Yue looked at Ji Tianxiang's naughty smile and felt a little uncomfortable. It seemed that Ji Tianxiang's smile seemed to know something.

"How could it be them? Of course I found them. If you don't believe me, you can look at their legs. They fell when trying to find you when you were going up the stairs." Chang Yue said with a stiff smile.

Ji Tianxiang lowered his head to take a look. There was some surprise in his eyes, but he soon calmed down.

There were quite a few scars on Chang Yue's legs, but in his eyes, every one of them had been injured while walking up the stairs. It seemed like they had been injured in a certain posture during some sort of exercise.

Although he, Ji Tianxiang, had never had a woman before, he still understood common sense.

This Chang Yue wanted him to take the blame, but she didn't even have the door open.

"Is that so? It really wasn't easy for you to find me. " Ji Tianxiang looked at Chang Yue with a faint smile.

Chang Yue thought that Ji Tianxiang believed her, so she intentionally stretched out her leg and started rubbing it against Ji Tianxiang's leg.

"Tianxiang, he fell down just to find you. You have to be responsible for him."

"Oh? Responsible? Student Chang Yue, how do you want me to take responsibility? " Ji Tianxiang said without batting an eyelid.

"Tianxiang, who is this? He looks pretty good." Two men walked over as they joked around.

"She is ..."

"Hello, I'm Tianxiang's admirer. I'm courting him right now." Before Ji Tianxiang could say anything, Chang Yue spat out.

Out of the corner of his eye, one of the male classmates noticed the movements under the table and patted the other male classmate. The two of them looked at each other and laughed, winking at Ji Tianxiang and said, "Tianxiang, you're not bad. Boy, your luck with women is pretty good."

Ji Tianxiang sensed the meaning behind the two men's words and immediately moved his legs away, no longer allowing Chang Yue to get close to him.

His luck with women was not shallow?
It's all bullshit.

The beauty beside him was a snake and scorpion woman. She was playing around with him.

He, Ji Tianxiang, had no luck with a woman like Chang Yue.

"It's not a problem. Don't speak nonsense. Teacher, hurry up and start lessons." Ji Tianxiang said.

When the man heard Ji Tianxiang's words and saw that the teacher had really come, he returned to his seat honestly.

It was fine to explain too much, but no one would believe that Chang Yue was that kind of person. After all, Chang Yue's face was still deceptive.

"Tianxiang, my leg hurts. Let me massage it for you. It really hurts."

Chang Yue said weakly as she took the initiative to pull Ji Tianxiang's arm.

"Don't, men and women shouldn't touch each other. Your legs are in pain, I can't do anything about it. If the pain is really that great, then endure it. After class, I'll send you to the infirmary to take a look." Ji Tianxiang pulled Chang Yue's hand and said.

Chang Yue did not say a word. Since it was useless against Ji Tianxiang, she could only use her ultimate move.

She put her leg on Ji Tianxiang's leg and said, "Tianxiang, I want you to rub it for me. Just rub it. Look at his legs, they are white and tender. Don't you want to touch them?"

Chang Yue was wearing a long skirt

today, so she lifted the skirt with her hand, exposing half of her thighs.

Ji Tianxiang looked at her and quickly pushed Chang Yue away.

Chang Yue lost her balance and fell to the ground, crying out in pain, "Ouch! It hurts so much!"

"Who?" You're not allowed to play around during class. If there's a next time, get out of here." The teacher in charge of the class said angrily.

Ji Tianxiang lowered his head in embarrassment. When the teacher retracted his gaze and looked at Chang Yue on the ground, he was too lazy to deal with her.

"Tianxiang, hurry up and help me up. Otherwise, I'll act like your teacher is suing you. If you don't properly attend class, then

publicly tease your female classmates."
Chang Yue said.

Since being soft didn't work, then she might as well be tough. She, Chang Yue, didn't believe that she wouldn't be able to take down a small male diaosi.

"How can you accuse me so falsely?" Ji Tianxiang was speechless.

He had thought that Chang Yue would come to find him, but he didn't expect her class would be so quick. He did not want to lose the class because of a bad woman.

"Okay, okay, get up." Seeing Chang Yue's pleased expression, Ji Tianxiang could only extend his hand to help her up and sit in her seat.

Chang Yue thought she could calm down now, so she put her leg on Ji Tianxiang's leg

again. She leaned close to Ji Tianxiang and whispered, "Ji Tianxiang, massage my leg for me. If you don't, I'll tell your teacher about you."

Ji Tianxiang looked deeply at Chang Yue. In order to tease him, this woman was willing to do anything.

Rather than going head to head with her, he might as well just follow her and fight back when Chang Yue thinks he's fooled.

After all, he did not want to lose anything in this game of playing and being played.

"Alright, I'll massage for you." Ji Tianxiang said with a smile.

When Ji Tianxiang placed his hand on Chang Yue's leg, Chang Yue could not laugh anymore, and her expression changed.

"What is it? "Uncomfortable?!" Ji Tianxiang said, "You asked me to massage this for you. If you don't feel well, I won't massage it."

"Hehe, no, just rub it." Chang Yue said with a fake smile.

Humph.

If it wasn't to seduce a little kid like you, I, Chang Yue, wouldn't have put in so much effort and eaten so much, risking my life to let you take advantage of me.

You dare to touch my leg, right? I will remember this grudge. Let's settle it together when we get back, and you, Ji Tianxiang, can just wait for death.

Ji Tianxiang had already seen the look of disgust in Chang Yue's eyes. She was just pretending not to know that he was going to

disgust her.

Since you want me to massage your legs and you despise me so much, then there's no other way but for you, Chang Yue, to stir up trouble on your own.

Ji Tianxiang sneered in his heart and looked at what Chang Yue wanted to do next.

For the whole lesson, Ji Tianxiang massaged Chang Yue's legs while he listened to the lesson.

Chang Yue, on the other hand, endured the pain and did not avoid Ji Tianxiang's hand. She secretly complained to Xue Ruhai about Ji Tianxiang's condition.

After class was over, Ji Tianxiang withdrew his hand. He didn't want to attract any gossip, so he packed up the books on the table and prepared to leave.

However, he was stopped by Chang Yue.

"Tianxiang, where are you going? Let's go have a meal after class." Chang Yue had a sweet smile.

Ji Tianxiang wanted to reject her offer, but he suddenly remembered Chang Yue's shamelessness. He blinked and said, "Sure, what do you want to eat?"

"I can make the decision, Tianxiang." Chang Yue said naturally.

"Anything is fine? Are you sure? The food I usually eat is very simple and casual. As the young miss of a rich family, you don't get used to it. " Ji Tianxiang looked at Chang Yue with a faint smile.

"It doesn't matter. Just treat it as a new experiment. As long as I'm eating with Tianxiang, I'm willing to eat anything." After

saying that, Chang Yue intentionally looked at Ji Tianxiang bashfully.

"Fine."

Ji Tianxiang raised his eyebrows.

These words were actually quite nice to hear. As long as she ate with him, Ji Tianxiang would be willing to eat anything. Then, would you, Chang Yue, be willing to eat sh * t?

Ji Tianxiang thought about it and decided to take Chang Yue to eat at the most inexpensive restaurant in the south entrance of Beidu School.

In a small restaurant.

Ji Tianxiang led Chang Yue and walked in. Chang Yue already clearly showed her disdain towards him, but he just shrugged his

shoulders and pretended not to see it.

"Chang Yue, you sit here for a while. I'll go get some food." Ji Tianxiang said.

"Yes." Chang Yue nodded.

Seeing Ji Tianxiang leave, Chang Yue couldn't help but mutter under her breath, "Oh my god, is this bench made by a human?" So dirty, this table is enough for me to eat. If I continue to stay here, I will go crazy. "

"What happened to Ji Tianxiang?" I, Chang Yue, have already condescended to look for him for a meal. Can't I go to an upscale restaurant? Indeed, a poor competition was a poor competition, so it could not be considered a good show. "Forget it, forget it. Just bear with it for now. When things are settled, there will be plenty of opportunities to laugh at Ji Tianxiang.

Ji Tianxiang returned with the meal and sat opposite Chang Yue. "Wait a moment, the meal will be ready soon."

"Oh, okay. No rush. I'm not very hungry either." Chang Yue forced a smile.

Ring, ring. It was a message from his phone. This ringtone was not Ji Tianxiang's, but Chang Yue's.

Chang Yue opened the text message and saw that it was from Xue Ruhai.

The text message read: How is things going? Did that Sabi take the bait? Right, don't forget how much money you got from that Sabi?

The winning money.

C90

Aiyo, how could she have nearly forgotten about this matter?

Chang Yue put away her cell phone, looked up at Ji Tianxiang, and asked with a smile, "Tianxiang, I heard that you've recently won a big prize in the lottery, how did you get so lucky? It's really enviable. Right, how much money do you still have left to win the lottery?"

"Why do you ask?" Ji Tianxiang looked at Chang Yue vigilantly.

"Oh, it's nothing. I'm just a little curious. Since I came to find you today, you should be able to see what I mean. I like you, so I want to get to know you a bit more. If you want, can we get to know each other?"

Chang Yue said coquettishly, "Tianxiang, just tell me, I'm really just curious."

"Come over here for a moment, I'll tell you in secret." Ji Tianxiang raised a finger and beckoned Chang Yue to come closer.

Chang Yue frowned slightly. Seeing that Ji Tianxiang was acting so mysterious, she went over.

"Yue'er, I won't tell anyone else about this, but I like you. I'm willing to tell you that I still have several hundred thousand yuan left. It's the money my old house was demolished and given to me." Ji Tianxiang said.

Chang Yue was slightly surprised. She raised her head and looked at Ji Tianxiang seriously. Ji Tianxiang still had a few hundred thousand but she didn't expect him to be so poor at all.

Soon after, Chang Yue became a little proud. She said that her charm was lethal to

any man. How could she miss out on Ji Tianxiang, a bumpkin.

Just now, Ji Tianxiang was completely captivated by her, so she easily managed to get Ji Tianxiang to say what he wanted to say with just a few words.

"Tianxiang, I suddenly want to go to the bathroom. Wait a moment, I'll be back soon." Lili said with a smile, but she left with her bag in a hurry without waiting for Ji Tianxiang to nod.

Ji Tianxiang looked at Chang Yue's back and sneered. He had just said that he had hundreds of thousands of yuan and Chang Yue wanted to go to the bathroom. If he had to go to the bathroom, that would be a lie.

When he heard Chang Yue's question about how much money he still had, he had already become vigilant. Although he did not

know how much money Chang Yue suddenly asked him about, in order to see what Chang Yue was going to do next, he let it go. He purposely followed Chang Yue's instructions and told her that he still had several hundred thousand yuan and found a reason to pay for the demolition fee.

As soon as she said that, it was obvious that Chang Yue's reaction was abnormal.

Women's restroom.

"Ru Hai, Sharpei's words have already been found out. Ji Tianxiang still has several hundred thousand in his possession. It's the demolition money for the old house." Before Chang Yue even reached the ladies' bathroom, she had already opened her bag and impatiently called Xue Ruhai.

The phone rang a few times before it connected. The moment the call connected,

Chang Yue told the good news to Xue Ruhai. After that, she even asked Xue Ruhai for meritorious service.

"Ru Hai, look at how efficient I am. Are you satisfied with my performance?"

"Un, Darling is very efficient. I'm very satisfied with it." Xue Ruhai agreed absent-mindedly. Actually, he was already feeling some waves in his heart.

He never heard Ji Tianxiang mention it before and thought that the money Ji Tianxiang had was always won from the prize. Ji Tianxiang had been spending a lot recently, so he thought that since he didn't have much money, it would only be a small sum of one hundred thousand yuan to cheat all the money he had left over. He didn't expect Chang Yue to ask so many questions, but there were still several hundred thousand dollars left, now that he was rich, he must

think of a way to get all the several hundred thousand dollars Ji Tianxiang said he had.

The more Xue Ruhai thought about it, the happier he became. He even ordered Chang Yue excitedly, "Chang Yue, go back now and find a way to get the money that Ji Tianxiang has."

"How do you plan on taking it!?" I don't know and I can't think of anything. " Chang Yue was slightly unhappy. Xue Ruhai seemed to care more about the money than her.

Xue Ruhai heard Chang Yue's resentment and immediately suppressed his excitement. He first coaxed Chang Yue patiently, making her extremely happy before he told her the method to get the money from Ji Tianxiang.

After Chang Yue hung up the phone, she returned to the dining table with a sweet

expression. However, when she saw Ji Tianxiang's face, she couldn't smile anymore.

"Tianxiang, since you have so much money, buy your own car." However, for the sake of their plan, Chang Yue smiled a little. She looked at Ji Tianxiang and said with incomparable gentleness.

"Yes, yes, but it won't do me any good." Ji Tianxiang raised his eyebrows and purposely said so.

"Well, Tianxiang, if you want to buy a car, I, Chang Yue, will agree to go out with you. You will be responsible for sending me off to school, and we can spend more time together in private." Chang Yue pretended to ponder for a moment and shyly looked at Ji Tianxiang.

Ji Tianxiang smirked. He suddenly put his hand on Chang Yue's hand and said,

"Yue'er, I don't want to send you to school. I want to be intimate with you. You should understand what I mean."

"What do you mean?" Chang Yue was frightened and immediately pulled her hand away. A look of disgust flashed across her eyes as she cursed in her heart, "Ji Tianxiang, you stupid idiot, I am someone you can touch. Why don't you take a mirror and look at what you are. You are so poor and tasteless, and you even feel disgusted talking to me, let alone getting touched by me."

"Heh heh, Yue'er, what I mean is that as long as you open the room with me tonight, I'll go buy a car early tomorrow morning." Ji Tianxiang pretended to be lustful as he laughed lewdly.

"No, I don't agree." Chang Yue's heart tightened. She retorted without even thinking.

Just to trick Ji Tianxiang into buying a car and getting himself into it, it really wasn't worth it. For a bear like Ji Tianxiang, not to mention getting into bed, he wasn't even fit to carry shoes with her.

Ji Tianxiang twitched his mouth in disappointment: "Alright then, let's talk about buying a car later."

"Tianxiang, my stomach hurts all of a sudden. I need to go to the bathroom."
Hearing Ji Tianxiang's words, Chang Yue felt angry inside, but there was nothing she could do about her anger. She pursed her lips and said.

Ji Tianxiang nodded with a smile as he watched Chang Yue leave.

In the women's restroom, Chang Yue called Xue Ruhai and said angrily, "Ruhai, that Sabi Ji Tianxiang asked me to get a room

← C90

with him before he was willing to buy a car.
What should I do now? I don't want to have a
room with an idiot.

@vamp20w0111

"Chang Yue, don't be anxious. You have to agree to Ji Tianxiang's request." Afraid that Chang Yue would go back on her word, Wu Tie tried to comfort her, "Don't worry, I won't let anything happen to you. Chang Yue, you are my woman, I, Xue Ruhai, will definitely protect you. If Ji Tianxiang really dares to touch you, I will definitely let him have a hard time. "

"How about this, when you separate from Ji Tianxiang later, come find me. I'll tell you the specific matter of dealing with Ji Tianxiang."

"Mm. Ru Hai, I trust you." Hearing Xue Ruhai's promise, Chang Yue felt more at ease.

As long as Xue Ruhai was around, he would definitely not let anything happen to

him. Indeed, Ruhai loved him.

Most women who fall in love would not be able to see the true face of a man because their brains would be in trouble if they encountered such feelings.

After going back, Chang Yue sat in her seat and thought for a while: "Tianxiang, I seriously thought about what you said. I'm willing to have a room with you, and I believe that you really like me, that's why you made this request and also believe that you will be responsible for me."

All of my thoughts about you have been seen through by you. You're right, I really like you, just like how you like me. As long as you treat me well, I will treat you better than ever. Of course, as long as it's successful tonight, I'll take you to buy a car tomorrow. " Ji Tianxiang opened his eyes wide and looked at Chang Yue in surprise. He was

extremely excited.

To act, right?

Who doesn't? Since you, Chang Yue, can act, then I will act along with you.

Needless to say, Ji Tianxiang's expression, actions, and tone when he showed them to Chang Yue were as though he was really captivated by Chang Yue.

Every time Chang Yue went to the toilet, he knew what Chang Yue was doing. He would definitely report the situation to Xue Ruhai and discuss how to deal with him.

"Hur hur." Chang Yue looked at Ji Tianxiang with a fake smile and didn't say anything.

After a moment of silence, Ji Tianxiang stared at Chang Yue with a malicious smile

and said, "Chang Yue, I can see that you've already gone to the toilet twice in such a short time. It can't be that you have kidney problems, can it? Let's go get a room tonight."

"Damn, I just drank too much water." Chang Yue's body stiffened. She immediately reacted and said shyly.

"Oh, oh, that's great. I'll definitely let you have a taste of my power tonight. I'm sure you'll be satisfied."

Ji Tianxiang rubbed his hands excitedly with an impatient look on his face. Chang Yue felt a chill down her spine and couldn't help but worry that Ji Tianxiang would suddenly ask her to get a room with him after dinner.

This won't do, she hasn't seen Xue Ruhai. She hasn't even discussed with Xue

Ruhai how to get a room tonight to deal with Ji Tianxiang.

Therefore, she couldn't stay here anymore.

In order to be safe, he had to find an opportunity to leave.

"Tianxiang, I suddenly feel unwell and want to go back to rest first. When I see you tonight, I might look better. Also, I want to dress up for you, so I'll give you a surprise." Chang Yue said.

"Alright, then let's go. I'll send you back." Ji Tianxiang nodded.

"Aiyo, there's no need. Your food hasn't been eaten. It's a waste if you don't eat it, so you just stay and eat. I'll just go back by myself. There's no need to send me back." Chang Yue had a considerate expression on

her face.

"Alright, be careful on your way." Ji Tianxiang said.

With that, Chang Yue grabbed her bag and left without looking back.

Ji Tianxiang was sitting at the dining table, looking at Chang Yue's back as if he was deep in thought. Chang Yue was leaving in a hurry, not because she wanted to go back and rest, but because she wanted to see Xue Ruhai.

As for what they were going to say when they met, he couldn't guess.

Ji Tianxiang looked at the food on his table. It was still warm. He thought it would be better to ignore it and let them go. At that time, he would just deal with whatever came his way.

After Chang Yue left, she took a taxi at the intersection, gave the driver an address, and left.

The taxi stopped at a dream like hotel. Chang Yue paid the taxi and rushed to the hotel.

In room 228, Xue Ruhai was waiting for Chang Yue's arrival. He was fiddling with a small bottle of medicine in his hand.

Bang bang.

Xue Ruhai knew it was Chang Yue. He sat up on the bed and went to open the door. He pulled Chang Yue into the room. They kissed at the door for a while before stopping, panting.

At this time, Xue Ruhai took out the water and put it in Chang Yue's hand, proudly saying, "Do you see this thing called the

water of passion? Go get a room with that Sharpei tonight, and take advantage of the time when he is taking a bath. If you try to trick him into drinking the water, he will think that you are related to him already. At this time, you can make the request, even if Ji Tianxiang doesn't want to agree to it, he can't. "

"Alright." Chang Yue looked at the water in her hand and put it into her bag.

"Let's go, darling. There are still a few hours left. Let me serve you properly first." Xue Ruhai had already put his hand on Chang Yue's sensitive spot and lit up a fire.

How could Chang Yue not understand Xue Ruhai's meaning? She smiled coquettishly and threw the bag in her hands onto the ground. With a jump, her legs were caught by Xue Ruhai's waist. The two of them kissed as they got onto the bed.

At 8 PM, Chang Yue met up with Ji Tianxiang as scheduled. However, they had an appointment at the Dreamlike Hotel, which was where Chang Yue and Wu Tie often went.

Xue Ruhai was waiting beside the hotel in the dark.

Chang Yue met Ji Tianxiang and walked into the hotel without saying much. They got a room and went up immediately.

As soon as she entered the room, Chang Yue started to get nervous.

"Tianxiang, go take a shower first, I'll be waiting for you outside." Chang Yue suggested.

However, Ji Tianxiang did not play his cards the usual way. He walked to Chang Yue's side and put his hand on Chang Yue's

shoulder, stroking her as he said, "Yue'er, what shower? It's coming, let's quickly start. The Spring Festival Gala is worth a thousand gold coins, it's a waste of time to take a shower."

"Yue'er, in order to make things more interesting, let's have some fun first. You should take off your shoes and go to bed now."

Chang Yue frowned, but still did as Ji Tianxiang said.

"Yes, that's the way it is. Kneel on the bed and open your clothes a little, or else I'll find it boring." Seeing Chang Yue's stiff body not cooperating, Ji Tianxiang twitched his mouth in displeasure and said.

At this moment, Chang Yue's posture was like that of a licking a dog. It was similar to the pose those AV women liked on the

← C91

internet, and Ji Tianxiang even wanted Chang Yue to show her body.

"Hur hur, is that alright?" Ji Tianxiang didn't understand at first when he asked her to do this pose. After hearing Ji Tianxiang's words, his expression almost dropped.

Ji Tianxiang stood where he was and carefully observed Chang Yue, who was licking her dog. He was laughing out loud, but he maintained a calm demeanor on the surface. He pretended to be unsatisfied and sighed.

"Who's little Zenith?" Chang Yue asked doubtfully.

"Oh, that's the Japanese AV actress who has become very popular online recently. Your looks are similar to her, right? Her figure is a bit better than little Zenith." Ji Tianxiang took out his phone with a serious expression. He searched the female AV star

of Japan and made a comparison with Chang Yue.

"Ji Tianxiang, you actually dare ..."

Chang Yue was so angry that she could not help but curse. When she saw Ji Tianxiang staring at her with a cold expression, she instantly regained her rationality and controlled her temper.

He had intentionally provoked Chang Yue just now, and had been waiting for her to erupt. However, now that he saw that Chang Yue had held back, he felt that it was a bit interesting.

"Chang Yue, what were you trying to say just now?" Ji Tianxiang pretended not to notice anything and asked in confusion.

"Hehe, it's nothing. I just wanted to say how do you know this kind of person!"
Chang Yue restrained her anger and said with

a smile.

In fact, Chang Yue's words just now were to say: Ji Tianxiang, you dare to compare a Japanese woman on a 10000 man rider with a rich beauty like her, why don't you go and die?

Ji Tianxiang smiled and was a little impressed by Chang Yue's carefree expression. She was so angry just now, but now, she was laughing so hard.

"I didn't know whether it was Little Zenith or our roommate, Xue Ruhai, who introduced him. He really likes this type of woman." Ji Tianxiang, along the way, choreographed Xue Ruhai to break Xue Ruhai's fantasy in Chang Yue's heart.

"Impossible, Xue Ruhai wouldn't like this kind of bitch." Chang Yue scolded without thinking.

"Chang Yue, how did you know?" Could it be that you asked him in private? " Ji Tianxiang suddenly looked at Chang Yue with a sharp gaze.

"Haha, I was just joking. Tianxiang, let's not talk about this anymore. Didn't you just say that the Spring Festival Gala is worth a thousand gold? We need to hurry up. It's so fun now. Hurry up and take a bath. We can do it ..." Chang Yue quickly changed the topic, urging Ji Tianxiang to take a bath. In order to prevent Ji Tianxiang from being suspicious again, she intentionally threw a flirty glance at Ji Tianxiang.

"No, no, Yue'er, you're wrong, our interest is only real after opening a door. Come, darling, go lie down on the bed, let's play the game of binding. How about you be my maid? I'll be your master." Ji Tianxiang rubbed his hands and licked his lips, purposely showing a very lecherous look.

Chang Yue was so frightened that her brain froze. Bundle game, little servant girl, master.

"Come on, baby, let's have a love feast." Ji Tianxiang pushed Chang Yue's body onto the bed. Chang Yue felt Ji Tianxiang's hand struggle: "No, I don't like it."

"Seeing that you're so unwilling, I even have doubts that you really want to get a room with me." Ji Tianxiang suddenly let go and snorted coldly.

You don't need to say anything. Of course she doesn't want to, but she's still extremely unwilling. She's a white and rich beauty, and Ji Tianxiang's is a pile of smelly and disgusting dog poop. How could she play with such a lowly and unsightly person?

However, if he doesn't agree, the plan won't work. Xue Ruhai is still downstairs

waiting for his message.

Forget it, let's just submit to Ji Tianxiang first. Just treat it as being bitten by a dog. When the matter is done, she will definitely let Xue Ruhai break Ji Tianxiang's arms and legs and break his dog mouth.

Chang Yue gritted her teeth and said with a smile that didn't reach her eyes, "I hate it, Tianxiang. I'm not unwilling, just that you suddenly told me this and I'm feeling embarrassed. Come on, you can do whatever you want to me."

Chang Yue lay on the bed after she finished speaking, showing a very welcoming expression.

"Haha, I'll just say that Yue Er is the most reasonable." Ji Tianxiang said happily. He took out the rope that he prepared beforehand and tied Chang Yue's hands first

and then her feet.

Immediately afterwards, Ji Tianxiang jumped onto Chang Yue's body and started to touch Chang Yue's waist, thighs, calves, mouth from time to time approaching Chang Yue's sensitive areas, ear lobes, neck, and the large exposed beautiful muscles below the neck.

Chang Yue frowned and closed her eyes, her lips pursed tightly. She was obviously very disgusted and very resistant to the idea, but she still held it in without making a sound.

If this doesn't prove how much Chang Yue hates Ji Tianxiang, then her body is as stiff as a piece of wood.

How could he get a room with a person he liked? It would be like this. Chang Yue's act was too fake, it was too fake. Ji Tianxiang

no longer had any interest in teasing her, even though he didn't want to take advantage of her anymore.

Ji Tianxiang shook his head and stopped his actions. He got off the bed and said, "I'm not playing with you anymore. It's boring."

After that, Ji Tianxiang untied the ropes tied to Chang Yue one by one.

"What do you mean?" Chang Yue was slightly confused.

"Stop pretending. I know you don't like me at all. You seduced me only because you and Xue Ruhai are on the same team. You've already decided to plot against me, play with me, and watch me make a fool of myself." Ji Tianxiang sat on the sofa not far from the bed. He crossed his legs and leisurely exposed Chang Yue's conspiracy.

"What are you talking about? Why can't I understand it? " Chang Yue's heart tightened as she looked away, not daring to look at Ji Tianxiang.

Ji Tianxiang didn't waste any time with Chang Yue and released the photos he got that day at the masked ball:

"Ok, that's what you said. As long as you finish playing Ji Tianxiang, that idiot, then come back with me to see my dad."

"Darling, don't worry. I'll definitely go back."

"Mhmm, I hate you. You're so bad. Aren't you not here anymore?"

Without looking at the video and just listening to the voice, he could tell that the man and woman talking in the video were Chang Yue and Xue Ruhai.

When Chang Yue heard the sound of the conversation, her body suddenly froze. She looked at Ji Tianxiang with wide eyes in disbelief. How could he have such a thing?

Chang Yue was extremely shocked and her heart was in a mess. For a moment, she couldn't think of any reason to refute.

"Oh, that's right. I'll tell you one more thing out of good intentions. Actually, the matter of you offending Lee Meng was not settled by Xue Ruhai. There is someone else." Ji Tianxiang said with a calm voice.

C93

"Ji Tianxiang, don't go too far. You want to stir up Ruhai's relationship with me? No way, I won't believe you." She would not believe Ji Tianxiang's bullshit. What kind of status did Ji Tianxiang have, what kind of status did Xue Ruhai have, one had background and strength, and the other was a poor beggar. If it wasn't because of good luck, the prize won, and he had a little money in his hands, he wouldn't even be considered a fart right now.

"Hehe, what I've said, do you believe it or not? Anyway, this matter wasn't settled by Xue Ruhai." Ji Tianxiang looked at Chang Yue with a faint smile and said sarcastically, "Do you know why? "Because Xue Ruhai doesn't have that ability at all."

Chang Yue still did not believe Ji Tianxiang's words and snorted coldly, "If it wasn't settled by Ru Hai, could it still be

you?"

Ji Tianxiang blinked and didn't say anything. He thought to himself, "Then it really is Young Master Ji who settled Lee Meng's family for you." However, he did not want to tell Chang Yue about this. He did not want to expose himself.

"Won't you find out everything by checking it out yourself? This humble one shall take my leave first." Ji Tianxiang put down his legs and stood up.

Not long after Ji Tianxiang left, Chang Yue became especially silent. She carefully recalled Ji Tianxiang's words and remembered the assured way Ji Tianxiang said it, she couldn't help but have doubts in her heart. If what Ji Tianxiang said was true, then if her matter wasn't settled by Xue Ruhai, then who could it be?

No, what was she thinking? How could she be influenced by Ji Tianxiang, that dog, with just a few words? When she met Wu Tie later, wouldn't it be fine if she asked him in person?

Ji Tianxiang walked out of the hotel, humming a small tune with a contented look on his face. This made Xue Ruhai, who was hiding downstairs and waiting for news, doubt whether they had really had a relationship.

F * ck, if there really was a relationship, then wouldn't that dog Ji Tianxiang be comparing me to a green hat?

Although he planned on playing with Chang Yue, he didn't want to let her be touched by other men while she was still his woman. If this ever got out, he wouldn't want his face anymore.

Forget it, just give Chang Yue a call and ask her about the situation. If he could get the money, then he would think of a way to get rid of Chang Yue in advance.

If it was another woman playing, it wouldn't be a bad idea. After all, he had the money, so how could he not have the need to seduce her? He might be able to play around with them a little later. How could he pick up a second-hand item?

Xue Ruhai comforted himself for a while and felt a lot better. He looked at Ji Tianxiang until he left and then took out his phone to call Chang Yue.

"Hey, how is it going with Chang Yue? Did you get the money?" Xue Ruhai asked anxiously.

"Let's talk about this matter tomorrow. I still have things to do, so let's do it this way.

" Chang Yue had just opened her mouth and was about to tell Xue Ruhai that they had been fooled by Ji Tianxiang. However, when she heard that Xue Ruhai only asked for money and didn't care about her safety, her mood immediately sunk. She didn't even have the interest to talk to Xue Ruhai anymore.

At this time, Chang Yue had to re-examine whether Xue Ruhai truly loved her. If he loved her, why would he only care about whether she had done something right or not? Girls all wanted to meet a man who was good to her and still cared about her.

On the contrary, it was she, Chang Yue, who put Xue Ruhai in her heart and did some things for him that she had once disdained.

The gap between Chang Yue and Xue Ruhai opened up from the night.

"Chang Yue, what's wrong with you? "What are you angry about?" Xue Ruhai frowned and was confused. He didn't understand why Chang Yue would give him such an attitude.

Crack.

Xue Ruhai didn't hear Chang Yue's reply, but he received a voice that hung up the phone. He was in a bad mood.

Wasn't she just a bitch, trying to be cool with him? Hmph, after he gets the money, he will definitely kick this woman who doesn't know what's good for herself.

As a result, Xue Ruhai became even more suspicious of Chang Yue's involvement with Ji Tianxiang and raised his head to look around the hotel. He wanted to go up and find Chang Yue, but then he thought that if he went up now, Chang Yue, who had a temper

as a lady, would not stop tormenting him. He didn't want to serve her any longer, so he decided to leave her for the night and wait for her to come find him.

In Xue Ruhai's mind, it was certain that he could hold Chang Yue's feelings tightly. Chang Yue would definitely come to find him.

For women, they couldn't be too lenient, or else it would be very easy for them to kick their noses in the face.

Xue Ruhai sneered and turned around to leave.

In the male dormitory of the Beidu University, there were two people, one was Ji Tianxiang and the other was Lin Fei. Wang Fugui's family had something to do at home, so Liu Tie went to work part-time.

Ji Tianxiang laid down leisurely on the bed and played with his cellphone. When he heard the sound of someone walking outside, he immediately hummed a small song, pretending to be happy. When he saw someone open the door, he immediately greeted them with a smile, "Ru Hai, you're back, I really need to thank you for today. If it wasn't for your help, I wouldn't have had the chance to enjoy this normal world."

"Ru Hai, what did you do for Ji Tianxiang?" Lin Fei, who was watching the anime, turned his head and asked in a gossipy tone.

Xue Ruhai suddenly froze and looked at Ji Tianxiang without moving at all.

"Ji Tianxiang, what are you talking about? It's delicious, what good stuff did you eat, why didn't you bring some back to us, it's not good enough. After all, we've been

roommates for so many years, and we've shared good food together, so we're the happiest." Seeing that Xue Ruhai didn't care about his answer, Lin Fei pursed his lips in dissatisfaction and turned to ask Ji Tianxiang.

"Hehe, it's indeed a delicious dish. If there's a chance, I'll bring you along to eat." Ji Tianxiang glanced at Xue Ruhai, whose face was completely black, and said happily to Li Fei with a big smile on his face.

Lin Fei nodded happily. He glanced at Xue Ruhai and said sarcastically, "In our dorm, Tianxiang is the best."

Lin Fei thought Xue Ruhai was showing off, and cursed quietly: "What are you pretending for? It's just a dog next to Wu Tie."

Putting on his earphones, he turned his head around and focused on watching his

own Lunar Mark.

Xue Ruhai had a weird expression on his face. He wanted to cry but couldn't. He couldn't laugh even if he wanted to.

However, Ji Tianxiang was feeling really good. He said those words on purpose. He wanted to disgust Xue Ruhai. He didn't even have the chance to join hands with Chang Yue and the others to mess with him.

He said, why did that bitch Chang Yue treat him with such a dead attitude today, it turned out that she was really going to compete with that dog Ji Tianxiang.

C94

Although he had expected Chang Yue and Ji Tianxiang to play it for real, his mood changed after hearing it for himself.

Looking at Ji Tianxiang's complacent look, he wanted to beat the hell out of him so that he could f*cking beat the woman that dared to touch Xue Ruhai. Even if he didn't want it, Ji Tianxiang didn't have the right to do so.

However, he couldn't do it now. He suppressed his anger and said with a smile that didn't reach his eyes, "Tianxiang, as long as you're happy. We're all friends. When the time comes, don't forget to treat me to a meal with Fugui."

"Of course. Ru Hai, don't worry. In the future, you will be brothers with Fu Gui. No matter what benefits I get, I will definitely

think of you guys." Ji Tianxiang grinned. He was so happy that he couldn't close his mouth.

"Yes." Xue Ruhai nodded and went back to his seat. He sent a few messages to Chang Yue on his cell phone. After a long time, he still didn't get a reply from Chang Yue.

Chang Yue tidied herself up and walked out of the hotel. She immediately took a taxi back home.

As soon as Chang Yue got home, she started to call her contacts to find out who had solved the problem of her offending Lee Meng.

After that, she saw the text message Xue Ruhai sent her. Chang Yue looked at it lazily but didn't reply and just threw her phone on the bed.

In less than half an hour, the results of the investigation were out. The matter of Chang Yue offending Lee Meng was not settled by a person called Xue Ruhai, but rather, it was settled by the SU Bureau.

After Chang Yue finished listening, her heart sank. After a while, she sent Xue Ruhai a short message: See you at the chrysanthemum restaurant.

As soon as Xue Ruhai received Chang Yue's message, he immediately set off and left the dormitory with big strides.

Ji Tianxiang looked at the leaving Xue Ruhai and sneered. You want to mess with me? Just wait and reap the consequences.

At this time, Chang Yue must have found something and contacted Xue Ruhai to confront him.

When Xue Ruhai left school, he called Chang Yue to change the meeting place and change the chrysanthemum restaurant to the Dreamlike Hotel.

If you don't have enough to eat, you might as well go to the Dreamlike Hotel. The Dreamlike Hotel won't even have one or two hundred dollars in one night, and after discussing some things with Chang Yue, you might as well get some money from Chang Yue and leave with a pat on the butt.

However, Chang Yue insisted on going to the chrysanthemum restaurant, and she could probably guess Xue Ruhai's thoughts. It would be better to go to the Dreamlike Hotel, since the privacy of the chrysanthemum restaurant was not high, so it would be easy to expose their conversation. It would be bad if someone caught on, but no one would know what they were talking about in the hotel.

In the past, she didn't even think about Xue Ruhai's words. Now that she thought about it, Xue Ruhai disliked the chrysanthemum restaurant because it didn't protect his privacy; he simply disliked the consumption of the chrysanthemum restaurant. Compared to hotels, hotels were much cheaper, and he could even take advantage of her.

There were even a few times when Xue Ruhai would take her to some hidden places to do unscrupulous things. At the beginning, she was extremely reluctant, but she couldn't resist Xue Ruhai's request, so she agreed without thinking.

Of course, she could ignore these matters as long as Xue Ruhai helped her settle Lee Meng's matters.

Xue Ruhai couldn't reason with Chang Yue. He hung up the phone and scolded

angrily, "That's enough, that bitch."

He was very unwilling. In order to get that money, he could only bear with it for the time being.

Xue Ruhai took a taxi to the chrysanthemum restaurant. He opened the door and walked in. Chang Yue was already sitting inside waiting for him.

"Chang Yue, what's wrong with you? Why do you have to come to the chrysanthemum restaurant so late at night? I've said it so many times already, it's better for us to go to a hotel. That way ..."

Xue Ruhai started to blame Chang Yue. He couldn't tell what was wrong with Chang Yue.

"Xue Ruhai, let me ask you something. Who helped settle the matter of me offending

Lee Meng?" Chang Yue looked straight at Xue Ruhai and asked.

"Darling, let's not talk about this first. Did you get the money Ji Tianxiang had? Ji Tianxiang didn't do anything to you in the hotel." Xue Ruhai was stunned for a moment. He quickly changed the topic, but didn't dare to look at Chang Yue.

Chang Yue's face changed when she saw Xue Ruhai's abnormal answer. Ji Tianxiang's words were true. The matter of helping her settle Li Meng was not Xue Ruhai, but someone else.

"Xue Ruhai, you bastard, scram."

Chang Yue's voice sounded sad, but it was mostly filled with anger and an indescribable sense of hysteria.

"Chang Yue, how can you talk like that?"

How did I provoke you? I was happily talking to you, yet you're talking to me like a shrew. You don't think it's shameful, I don't think it's shameful." Suddenly, he felt that the man's face had been completely thrown away by Chang Yue. Anger flashed in his eyes, and he looked at Chang Yue with extreme displeasure. How could a whore who brought him a green hat have the face to lose her temper with him?

Chang Yue was so angry that she was about to go crazy. She didn't expect Xue Ruhai to be not only the person who helped her, but also the scumbag who toyed with her. She looked at Xue Ruhai with an ugly expression and was so angry that her hands were trembling.

"Chang Yue, you're crazy." Xue Ruhai roared.

Looking at Chang Yue's sudden change,

Xue Ruhai was also puzzled. What happened to turn Chang Yue into such a state.

Did he say something wrong?

"I'm crazy. Xue Ruhai, I was driven mad by you. What the hell are you pretending for? As a man, how can you be so shameless?" Chang Yue's hysterical voice shook the entire chrysanthemum restaurant. This woman was truly terrifying. "You didn't help our family. I've already checked."

At this moment, Chang Yue couldn't wait to stab Xue Ruhai.

If killing someone was not against the law, she would definitely kill Xue Ruhai.

She had always thought that Xue Ruhai was the one who helped her take care of Li Meng's family. Although she wasn't really in love with Xue Ruhai, she felt that Xue

Ruhai's power must not be simple and that she owed him a favor. Xue Ruhai usually cared about her and took care of her.

Therefore, in this period of time, Xue Ruhai made some excessive demands. Chang Yue also agreed to fulfill his request.

@vamp20w0111

C95

However, Xue Ruhai wasn't the kind of person to help her. She had been sent here foolishly, and had been fooled by Xue Ruhai for nothing. How could this not make her angry? Annoyed and mad.

Xue Ruhai's brain froze on the spot. He was completely dumbfounded by Chang Yue's words.

At this moment, Chang Yue's mind was in a mess. When she saw Xue Ruhai's expression, she became even more confident and directly walked away.

"Chang Yue, listen to my explanation."

Xue Ruhai subconsciously grabbed Chang Yue's arm.

Chang Yuexin was dead. She had no

feelings for Xue Ruhai, only extreme disgust.

She hated the man who lied to her the most, especially on this matter. She couldn't look at Xue Ruhai anymore.

Thus, when Xue Ruhai grabbed her arm, Chang Yue felt as if she was stuck on her skin with a pile of feces.

"Scram!" Don't touch me with your dirty hands. "

Chang Yue swung her arm with all her might and flung Xue Ruhai's hand away as if she wanted it to be done. His body retreated a few steps back, bumped into the corner of the table and he screamed out in pain while holding his waist.

Chang Yue did not care about Xue Ruhai's life and death right now. She snorted coldly: "Serves you right." He took his bag

and walked out.

Xue Ruhai's face was extremely ugly at the moment. He still wanted to give up and chase after Chang Yue. When he noticed the mocking gazes from the crowd, his pride was thwarted for a moment. He didn't want to lose that person and gave up on chasing after Chang Yue.

Xue Ruhai sat back down on his seat and rubbed the wound on his waist. His impulsive mood gradually decreased and he slowly regained his rationality. He started to seriously think about something.

How did Chang Yue think of investigating this matter?

He definitely wouldn't investigate it for no reason. If he had, he would have already done so. Why wait until today, someone must have mentioned this to Chang Yue.

Who could it be?

Chang Yue's change was like a call to Chang Yue after he had booked a room with Ji Tianxiang. Chang Yue was already a bit off by then, but he didn't think too much about it, thinking that Chang Yue would do something for him, so he started to act like a lady. He wanted to cure Chang Yue, so he didn't care about Chang Yue.

Until now, when Chang Yue had called her and told her, in short, that they would meet at the Chrysanthemum Flower Hall. When they met, Chang Yue had asked him about the matter immediately.

He seemed to have forgotten something as a proud face flashed in his mind. Xue Ruhai growled, "It's him, Ji Tianxiang. This dog must have sowed discord in front of Chang Yue."

Other than Ji Tianxiang, there was no one else, because the only man who stayed with Chang Yue tonight was Ji Tianxiang. Ji Tianxiang must have said something in front of Chang Yue, otherwise, Chang Yue would not suddenly investigate this matter and would not run to him to denounce him.

"Bam."

"Whap."

Xue Ruhai angrily smashed the glass bottles on the table. He grinded his teeth and muttered to himself, "Ji Tianxiang, you bastard. You dare to play dirty with me. I will kill you."

As he spoke, he stood up to leave, but he was stopped by the manager and the waiter of the Ju Hua Hall.

"Sir, since you destroyed our store's

item, please give us a certain amount of compensation."

"How much is it?" Xue Ruhai looked at the item on the ground. It was indeed smashed by him just now, so he said embarrassedly.

"Yes, a Jingdezhen ceramic cup, 350 yuan, and a simulation pot from the Song Dynasty, 500 yuan. The tulips in this pot came from France by air, that's 300 yuan, a total of 1,150 yuan. Sir, do you want to pay for the WeChat account or cash card?" The manager showed eight teeth as he said this politely.

"What?" You think that these trashy things are worth that much money? " Xue Ruhai exclaimed.

In his eyes, these things were very common and ordinary, just like what he had

seen before.

The smile on the manager's face quickly disappeared as he shouted harshly, "Hehe, this mister doesn't want to pay, right? Then we'll just follow the rules of our store and send him to the police station for a few days of tea."

"What are you guys doing? It's not like I'm not giving them to you. It's just over a thousand yuan. It's like no one has any money at all. Just give it to me right now, pay me back."

Xue Ruhai was scared out of his wits by the manager's shout. He took out his phone in a panic, glanced at the payment code on the table and transferred the money over.

After the transfer, Xue Ruhai saw that he only had a few dozen yuan left in his PayPal balance. He felt heartache and almost

regretted losing control of his temper.

All of this was because of Ji Tianxiang, and it was all Ji Tianxiang's fault.

Ji Tianxiang, just you wait, not only will I kill you when I get back, I'll skin you alive and drink your blood.

"Men, send this mister off." When Xue Ruhai paid the bill, the manager didn't even look at Xue Ruhai and just asked someone to invite Xue Ruhai out.

He said it was a request, but it would be better to just say it was an invitation.

Xue Ruhai was stunned for a moment. He didn't expect to be kicked out of the chrysanthemum hall right after he paid the bill. He stood awkwardly in front of the entrance.

There were other customers sitting in the chrysanthemum restaurant. They looked at Xue Ruhai with disdain.

Xue Ruhai couldn't stand being pointed at by others and hurriedly left the chrysanthemum hall in a sorry state.

Today, Xue Ruhai finally lost a lot of face. He wanted to blame this on Ji Tianxiang. When he got back, he would teach Ji Tianxiang a lesson.

He hit Ji Tianxiang until he didn't recognize his dad or his mom. Xue Ruhai's eyes were full of ruthlessness as he clenched his hands into fists.

"Ji Tianxiang, where the f*ck are you? Get the hell out here! Your elder will skin you alive today."

When he returned to the male dorm, Xue

Ruhai kicked the door open and roared like an angry tiger.

The people from the first dorm were all playing cards on the three tables.

Ji Tianxiang looked at the furious Xue Ruhai with a faint smile. He wanted to pick on him, but the moment Xue Ruhai left, Ji Tianxiang had already arranged to meet with his sleeper, Zhu Yilong, to play cards in their dorm.

He played cards with Zhu Yilong for almost an hour. In order to stall Zhu Yilong, he lost quite a bit of money to Zhu Yilong, which made Zhu Yilong grin in delight. The purpose of this was to wait for Xue Ruhai to come back.

With Zhu Yilong around, Xue Ruhai could forget about getting into any trouble.

Not long later, Xue Ruhai looked at the people in the room blankly and frowned.

Why is Sleeper Zhu Yilong here?

They even played cards with Ji Tianxiang, since when did they play so well?

"Oh, isn't that Little Xue? Why does she have such a big temper when she came back? Who were you yelling at just now? Who are you telling to get out?" Zhu Yilong chuckled as he looked at Xue Ruhai. His questions were cold.

C96

"Mr Loong, I was just joking with Tianxiang. Don't take it seriously, I'm on good terms with him. He's like a brother, he likes to joke when he's free." Ji Tianxiang's smile was stiff as if nothing had happened. He walked into the room and glanced at Ji Tianxiang, "Why didn't you tell me when Mr Loong was coming? I can play a few cards with him."

"He's been here for more than an hour." Ji Tianxiang said.

Xue Ruhai pretended to be surprised as he opened his mouth wide, "Tianxiang, what's wrong with you? Liu Tie came for so long and didn't inform me earlier. You're too bad I treated you as a friend, but you treat me like this. You don't know how to be a person."

"I..." Ji Tianxiang was about to say

something.

Don't think about me, it's fine if you can't think of me, but why don't you even think about Mr Loong. You won the prize last time, and you still have several hundred thousand yuan in demolition money, so you should think about Mr Loong. You didn't even take the initiative to take out money to show respect to Mr Loong.

Xue Ruhai suddenly shouted loudly, interrupting Ji Tianxiang as he said in a mocking tone.

"I..." Ji Tianxiang wanted to explain.

Xue Ruhai slapped Ji Tianxiang on the back and interrupted him again, "Tianxiang, you can't go on like this. You'll have to think about us Mr Loong no matter what."

"What do you think, Mr Loong?" Xue

Ruhai turned around and showed Zhu Yilong a fawning smile.

Zhu Yilong nodded in agreement.

A few hundred thousand for the demolition fee?

Ji Tianxiang is very rich!

Who didn't like money, everyone liked money, especially him, Zhu Yilong, who liked money, or else he wouldn't have set up a bed guard to accept a bunch of subordinates and put away the protection fee in the boys' dormitory at school.

Although it was called a protection fee, it was actually a forced demand for money.

Ji Tianxiang used to be poor, so he didn't have the money to pay the protection fee. Now, he had several hundred thousand yuan

on him. No matter what, he wasn't lacking in money.

Zhu Yilong looked at Ji Tianxiang meaningfully, then looked at the money on the table and said, "Tianxiang, are you sure you don't care? With this much money, you don't even know how to show respect to Mr Loong."

Mr Loong, the thing is, last time, I won two hundred thousand, and invited my classmates to the Tianxin Garden for a meal. Originally, I wanted to eat something simple, and spent a few thousand dollars on it.

Recently, I fell for a rich beauty. In order to seduce a girl, I said that I had a house that was demolished by several hundreds of thousands of dollars, but I only bragged about it in front of a rich beauty. Who would have known that it would be found out so quickly by Xue Ruhai. Ji Tianxiang calmly

looked Zhu Yilong in the eye and calmly explained, "Also, today I called Sun Tie to play cards to honor you. Today, even if you win or lose, just leave me some money to eat."

"Sure, kid. Something will happen to you. Mr Loong appreciates you very much." A friendly smile appeared on Zhu Yilong's face as he stood up and patted Ji Tianxiang's shoulder.

At first, Zhu Yilong had some doubts in his heart, but after carefully looking at Ji Tianxiang's clothes and seeing Ji Tianxiang's sincere eyes, he probably didn't think Ji Tianxiang was lying. Then he thought about it, which man doesn't like to boast, not to mention in front of beauties, so he believed Ji Tianxiang's words.

After Ji Tianxiang dealt with Zhu Yilong, all that was left was Xue Ruhai. Wanting to

fan the flames in front of Zhu Yilong was simply asking for trouble.

Weren't you pretending to be brothers with him just now?

Fine, I'll pretend to be brotherly with you, disgusting you, Xue Ruhai.

Then, Ji Tianxiang sneered: "Ru Hai, my good brother, I was waiting for you to come back, so sit down quickly and let's play cards together. Previously, didn't you always say you wanted to treat Mr Loong well? What you wanted to do can be done today."

"I..." Xue Ruhai's expression changed. According to Zhu Yilong's character, he must be playing around with something.

He only had a few dozen yuan left, so he didn't want to play with it. However, he didn't want to play with it, and it was hard to

get off while riding a tiger. Zhu Yilong definitely wouldn't let him off.

"Brother Ru Hai, don't hesitate anymore. Playing cards with Mr Loong is already our greatest honor. Others might not even have the chance to play with Mr Loong. Look at how much money I have and why I'm willing to sacrifice my life to accompany Mr Loong." Ji Tianxiang took the opportunity to retaliate.

"What is it? "Xue Ruhai, are you not willing?" Zhu Yilong asked in a displeased manner when he saw Xue Ruhai hesitating.

"Mr Loong, of course I'm willing to play cards with you. It's just that I haven't played cards for a long time, and I'm afraid that my hands are too weak." Xue Ruhai explained in panic.

"So what? Playing a few more cards will

bring the feeling back." Zhu Yilong was getting impatient, but he still had a smile on his face: "Stop wasting time, hurry up and sit down and play cards together, I'm going to shuffle the cards."

At this moment, one of Zhu Yilong's lackeys stood up and gave his seat to Xue Ruhai.

The moment Xue Ruhai sat down, he took advantage of the time when Zhu Yilong was shuffling to shuffle the cards. He glared fiercely at Ji Tianxiang with a threatening look in his eyes.

Ji Tianxiang, you just f*cking waited. Playing with other girls, provoking his relationship with Chang Yue, and even shaming him in front of Zhu Yilong.

A hint of ridicule flashed across Ji Tianxiang's eyes. Xue Ruhai wanted to fight

with him, let alone the door, he didn't even have a window.

And the good part was yet to come. It was just the beginning.

The number of players at the table changed from four to three. They were Ji Tianxiang, Xue Ruhai, and Zhu Yilong. The three of them were playing Landlord.

In the first round, Xue Ruhai became a landlord and won all the cards. When he saw Ji Tianxiang and Zhu Yilong throw their money onto his table, his gloomy heart was instantly swept away. His confidence in playing cards was also restored.

"Xue Ruhai, you're not bad. You're pretty lucky. You won quite a bit of money from me in your first game. Shouldn't you take some of your good luck?" Zhu Yilong said pointedly.

As Zhu Yilong said this, anyone with a little bit of brain would be able to understand his meaning. To put it bluntly, he wanted Xue Ruhai to take back half of the money he won.

How could Xue Ruhai not understand Zhu Yilong's meaning. He quickly took out half of the money he won and put it on Zhu Yilong's table.

@vamp20w0111

C97

"What Mr Loong said is true. I have good luck, of course I'll let you have a taste of it." Xue Ruhai said with a smile.

In fact, while dripping blood in his heart, he was also cursing Zhu Yilong as a greedy person. Sooner or later, he would die because of his greed.

In the second round, Landlord Ji Tianxiang lost. He did not say anything but pretended to be depressed as he sighed and gave the money to Xue Ruhai and Zhu Yilong.

"Hey, Tianxiang, what's wrong with you today? You've been losing money, so it's a bit unlucky."

Xue Ruhai beamed as he took the money. He counted the money in his hand

and didn't forget to mock Ji Tianxiang.

He thought that since he did not have the money to play cards, if his luck was bad, he would lose miserably. Unexpectedly, after just a short while of playing, he had already won a few words, and now that he had the money, according to the current situation, he would definitely be able to earn a lot tonight. Seeing Ji Tianxiang's disappointed look, he could not help but take a blow.

"Ru Hai, what you said isn't right. It's normal for there to be losses before someone loses. Who knows, maybe Tianxiang will win the next match."

Zhu Yilong frowned. He couldn't bear to see Xue Ruhai's face any longer. He had only just won two rounds, and his tail was already sticking out of the sky.

Xue Ruhai smiled awkwardly. He

wanted to say something to explain himself, but Zhu Yilong turned his head away and did not give Xue Ruhai an explanation.

Xue Ruhai was also a bit angry in his heart. He restrained himself and didn't say anything in the end.

Ji Tianxiang gave Zhu Yilong a grateful look.

Zhu Yilong nodded slightly.

Next, the fourth, fifth, sixth... Xue Ruhai started to lose from winning money to losing frequently.

Xue Ruhai's joy of winning slowly turned into a bit of a panic, but he still held onto his hope. He will win, he will definitely win. While playing cards, the stakes were getting bigger and bigger without him realizing it, so he didn't care.

He wanted to make a run for it and find that he had run out of money. He hurriedly contacted Wang Fugui and Zhang Hao and borrowed a few thousand yuan, then put it all on the bet. He felt that this money was still not enough, fortunately, he had put a lot of money on the line.

Ji Tianxiang felt that Xue Ruhai wanted to win money and went crazy, so he didn't remind him. No matter what the result was, Xue Ruhai was the one who brought the blame to himself.

Zhu Yilong was even more happy to see Xue Ruhai do this. In any case, the winning money would all be in his hands in the end.

In the end, he played cards until daybreak. He won the money happily, while Xue Ruhai was on the verge of crying from the loss.

Even if he wanted to cry, Xue Ruhai still wanted to come back. He was like a gambler who had lost his heart. He always wanted to win, but he always lost.

"How could this be?" Xue Ruhai looked at the cards on the table in shock. His face was extremely pale and his mouth was completely white. How could he keep losing as if he had seen a ghost. He didn't want to believe it, but the truth was right in front of him.

"I'm not going to play anymore. After playing for an entire night, I'm a bit tired. Let's calculate the money and go back to rest." Zhu Yilong said.

Ji Tianxiang nodded, indicating that he had no objections.

After calculating the money, not only did Xue Ruhai owe Zhu Yilong fifty thousand, he

also owed Ji Tianxiang twenty thousand. When Xue Ruhai found out about this number, his face turned as pale as a ghost, and he fainted on the spot.

When did he owe so much money? Not only did he owe Zhu Yilong, he also owed Ji Tianxiang.

He clearly wanted to win the money.

Zhu Yilong stared at Xue Ruhai with a sharp gaze and said with a smile that was not a smile, "How do I calculate the money? Xue Ruhai, are you Alipay WeChat or are you swiping your card in cash? You need to pay back all the money you owe, don't try to be shameless. "

"Mr Loong, I don't have any money on me. Why don't you just let it go this time? Let's make a small bet. You've already won a lot of money from me previously ..." Xue

Ruhai said awkwardly.

It wasn't that he didn't want to pay it back, it was that he really didn't have any money left, not even the tens of dollars on the treasure deposit.

"Oh? Then do you mean to say that you want to go back on your word?" Zhu Yilong frowned and waved his hand. The lackeys standing behind him stepped forward. Each of them were tall and sturdy, looking as if they wouldn't spit out a bone if they ate a human.

Zhu Yilong's lackey hummed a few times in front of Xue Ruhai and stretched out his two fists.

"Kid, long time no see, was that beating comfortable last time?"

How could he not remember? His belt

and bones ached at the sight of their fists.

Xue Ruhai had always been afraid of pain ever since he was young.

Xue Ruhai's face turned green from fright and his body trembled violently. He looked at Zhu Yilong and stuttered as he begged for mercy, "I-I will definitely pay you back."

"That's good. Since you don't have any money right now, just sign a promissory note with me, Tianxiang, alone."

Zhu Yilong's frown disappeared and he smiled amiably.

Xue Ruhai immediately ran to his desk, took out a pen and book, and wrote promissory notes for Zhu Yilong and Ji Tianxiang.

Zhu Yilong took the promissory note and looked at the numbers on it to confirm that it was correct. He stood up and left with satisfaction.

Before leaving, Zhu Yilong came in front of Ji Tianxiang with a sincere smile, "Tianxiang, I had a lot of fun tonight. Before leaving, Zhu Yilong came in front of Ji Tianxiang with a sincere smile," Tianxiang, I had a lot of fun tonight, thank you.

Although Ji Tianxiang was a little surprised that the bedroom bully Zhu Yilong told him these words, he didn't know if it was true or not, but after carefully thinking about it, with Zhu Yilong's personality, not to mention that he did give Zhu Yilong quite a lot of money tonight, it shouldn't be false. In addition, in the men's bedroom, under the protection of Zhu Yilong, it would just be a setback to Xue Ruhai's spirit.

Not long after Zhu Yilong left, Xue Ruhai went to settle the score with Ji Tianxiang aggressively.

"Ji Tianxiang, you dog, I owe you so much money. It must be because of you. Today, I will definitely kill you."

Xue Ruhai stretched out his hand and was about to pinch Ji Tianxiang's neck.

Ji Tianxiang looked at Xue Ruhai coldly and asked, "Did you forget what Mr Loong said just now? "I think you want to be taught a lesson by Mr Loong. There's a saying that's pretty similar to how you look right now, called 'No way, no way'."

His eyes were full of hatred and unwillingness as he said bitterly: "Ji Tianxiang, you f*cking have guts. This time, I admit defeat, don't think that I can't do anything to you from now on, just you wait."

After saying that, Xue Ruhai slammed the door and left.

Ji Tianxiang didn't care about Xue Ruhai's threats at all. It was like the popular saying on the internet: What are you trying to do, Whocare?

Just wait and see. Do you think I'm afraid of you?

@vamp20w0111

C98

To be able to slap Xue Ruhai's face today, even if it was a countless number of the day after tomorrow, it would still be a severe slap to your face.

Ji Tianxiang washed up happily, climbed onto the bed and quickly fell asleep.

Xue Ruhai walked out of the male dorm angrily and immediately called Chang Yue. Thinking that Chang Yue was a rich girl with a lot of money, it would be enough for him to repay her debt.

The phone beeped a few times, but no one answered.

Xue Ruhai was unwilling to give up, so he called two. On the third call, Chang Yue answered the phone and swore: "Xue Ruhai, calling early in the morning to disturb

Qingmeng, I'm afraid you're not an idiot."

"Xue Ruhai, you still f*cking have the face to call me?" You must be sick. "

"Chang Yue, shut up, you bitch. Who gave you the guts to scold me like that, but you're still looking at yourself. You really think you're a treasure, stop dreaming! With this kind of trash, other than me, Xue Ruhai, who else would want to pick up a second-hand item like you?"

Xue Ruhai was not in a good mood. He wanted to find a barrel to grunt at her, but Chang Yue jumped on his gun and scolded him bluntly.

Chang Yue was stunned.

Chang Yue was so angry that her hands were shaking. If Xue Ruhai was standing in front of her right now, she could guarantee

that not only would he be hit a few times, but his mouth would also be torn apart.

After Xue Ruhai finished cursing, he begged without any shame, like a gangster, "Chang Yue, hurry up and borrow some money for emergency use. It's not much, it's only 80,000 yuan, I believe with your family's wealth, borrowing this little money is nothing."

Why hadn't Chang Yue thought that Xue Ruhai called her early in the morning just to borrow money instead of begging for forgiveness like she did? Even Xue Ruhai's scolding of her ugly face and shameless way of borrowing money made her feel disgusted.

"Xue Ruhai, why don't you go die? Lend you money and be your dream. No matter how rich my family is, I won't lend you this kind of shameless person." Chang Yue angrily hung up the phone.

After Chang Yue hung up the phone, Xue Ruhai was also annoyed. He frantically called Chang Yue.

Chang Yue didn't answer his phone. He was crazily cursing Chang Yue for being a bitch, a slut, a tramp who was being ridden by others. He also texted Chang Yue, as well as her nude photos and videos.

Short letter content: Chang Yue, you slut, how dare you hang up on me, you want to die right? Let me tell you, if you offend me, you won't end up well, if you don't lend me money, I'll just post your nude photos and videos online so that the netizens can take a good look at your pure and innocent face. In fact, you're just a slut in bed. I can help you, but I don't know what your fans around your neck will think. If your parents, teachers, classmates knew, guess what they would think of you, or if I sold these things to a sex net station, wouldn't I make more money

than you could lend me?

When Chang Yue received these things, she was thoroughly enraged by Xue Ruhai.

"Xue Ruhai, what exactly do you want? You want money? "Alright, I'll give it to you. Now, meet me at the back street of your school."

Although Chang Yue couldn't wait to tear Xue Ruhai apart, she pretended to be threatened and made an appointment with Xue Ruhai to give him a sum of money.

After that, Chang Yue called a head of the underworld and said she had been extorted and needed help to teach a kid a lesson.

This society leader was a little interested in Chang Yue and agreed without any hesitation.

Xue Ruhai hung up the phone and revealed a satisfied smile. He thought to himself, "Finally, I have the money. After I get the money, I might as well mess up Chang Yue."

In the back street outside the Beidu University, there was a relatively hidden alley, which was also where Xue Ruhai and Chang Yue fought in the wilderness.

Xue Ruhai had arrived early. He found a rock and sat down, waiting for Chang Yue's arrival.

"Xue Ruhai." Xue Ruhai was the first to hear the sound since he had not seen anyone before he heard Chang Yue's voice. He immediately stood up and prepared to leave.

He saw that Chang Yue had already arrived with a bunch of people behind her. From the looks of it, they were not good

people. They were even holding onto iron rods.

"Chang Yue, what do you mean by this?" Xue Ruhai panicked.

"What do I mean? You'll know soon enough." Chang Yue sniggered and waved her hand. "Brothers, go up and teach this shameless person a lesson. Let him know that I, Chang Yue, am not someone that a trash like him can bully."

Without saying anything, the gangster behind Chang Yue raised his iron rod and swung it towards Xue Ruhai.

Xue Ruhai subconsciously wanted to run, but the place was already surrounded, how could he run?

During this period of time, Xue Ruhai wanted to scream for help, but the more he

shouted for help, the harder those gangsters would hit. Xue Ruhai thought he had become smarter and started to beg for mercy.

Very quickly, Xue Ruhai was beaten black and blue. He laid on the ground in a daze, unable to move.

"Stop." Seeing that she had finished her lesson, Chang Yue instructed.

Chang Yue arrogantly walked in front of Xue Ruhai, squatted down and rummaged through Xue Ruhai's clothes. After finding her phone, she coldly looked at Xue Ruhai who was about to die. She then patted Xue Ruhai's swollen face: "Xue Ruhai, do you think that this is over after hitting you a few times? "You're thinking too much. Someone, take off his clothes for me and take a nude photo of him."

Xue Ruhai had been beaten senseless by

Chang Yue's words, but he was immediately woken up by her. How could she take off his clothes and take a nude picture of him as a video?

"Chang Yue, there's no need for you to be so ruthless, no? At least I have some feelings for you." Xue Ruhai complained in a hoarse voice.

With ridicule in her eyes, Chang Yue spat at Xue Ruhai, "Are you even worthy? How dare you lie to me and threaten me? I'll let you taste the taste of being taught a lesson. Don't just stand there, quickly strip off this bastard's clothes."

"Yes, Miss Chang." The gangsters obediently stepped forward and took off Xue Ruhai's clothes. Everyone took out their phones to take photos and videos.

When Chang Yue saw Xue Ruhai's nude

photos and videos, she finally felt relieved of her hatred. She ordered someone to knock Xue Ruhai out and put him in a van. When no one was looking, she threw Xue Ruhai at the entrance of Beidu University.

"Who do you guys think this is?" Why is he lying on the ground without any clothes on? "

"I wonder who it is. From the looks of the colors on his body, he must have offended someone and taught them a lesson?"

After an hour, Xue Ruhai woke up with a splitting headache. He noticed that the people around him were pointing at him. He looked down and saw that he was not wearing any clothes. He immediately got up from the ground and ran away clutching his body in annoyance.

Qian Duoduo drove his car into the school. From a distance, he saw a naked man running on the school road. He looked behind him and his hair looked a bit like Xue Ruhai.

"Xue Ruhai, it really is you. Why did you get into such a mess? Hurry up and get in the car." Qian Duoduo said in surprise as he drove to Xue Ruhai's side.

"Mr Qian." Xue Ruhai shouted with a bitter face. He covered his body and quickly got in the car.

"What's going on? Who did this to you?" Qian Duoduo frowned and asked.

Xue Ruhai pursed his lips and said with difficulty, "Mr Qian, I didn't succeed in the task you gave me. Chang Yue knew I wasn't the one who helped her family deal with Lee Meng, so she broke up with me and I went back to my dorm. In the end, Ji Tianxiang and Zhu Yilong teamed up and forced me to play cards together.

"Don't be too sad, losing money doesn't matter, as long as the person is still here."

Qian Duoduo comforted him as it was none of his business.

Qian Duoduo also knew Zhu Yilong's methods. He felt that Xue Ruhai's safety in exchange for his life was worth it.

"Mr Qian, the problem isn't with me losing money. It's about you and the two of them saying something excessive." Xue Ruhai saw that Qian Duoduo was indifferent, so he added fuel to the fire.

"What did you say?" Qian Duoduo immediately felt a bit uncomfortable.

"Ji Tianxiang and Zhu Yilong didn't put you in their eyes at all. They say you're just the silly son of a landowner, you're amazing for being rich. If you can, just move your mouth and they can order you around like a dog." Just as Liu Tie finished his words.

Liu Tie was so angry that his mouth was trembling. He angrily shouted, "You've gone too far, they actually dare to talk to me like that. I'll go and teach Ji Tianxiang and Zhu Yilong a lesson right now, and see who's the boss!"

"Mr Qian, you must not act rashly right now." Xue Ruhai hurriedly stopped them, "Zhu Yilong is not easy to mess with. I heard that there's someone with some background behind you, and if the two of you really start a fight, then both of you will suffer. Besides, you will have to mess around in the school later on, it's not good to offend Zhu Yilong, and there's no need to find trouble with Ji Tianxiang."

Qian Duoduo thought for a moment. Xue Ruhai's words seemed to be like that. He also analyzed the pros and cons of offending Zhu Yilong and decisively chose to give up.

"Ru Hai, what you said makes sense. Then I'll call that shitty Ji Tianxiang and ask him out." Qian Duoduo immediately picked up his phone and called Ji Tianxiang.

Ji Tianxiang slept soundly today. He got down from the bed full of energy and suddenly remembered that he hadn't done anything yet. The house he bought for Qiu Yi last time had not been given out yet.

Ji Tianxiang put on his clothes and called Qiu Yi to ask her to go out with him.

"Qiu Yi, where are you now?" Are you free today? " Ji Tianxiang answered the call. He asked very urgently and directly.

"I'm free. Tianxiang, what are you going to do?" Qiu Yi was stunned for a moment.

Ji Tianxiang chuckled. "I'm going to take you somewhere. I'll give you a surprise. See

you at the west gate."

"Alright, you have to bring me ..." Qiu Yi was a bit confused and wanted to ask something, but Ji Tianxiang hung up the phone in a hurry before she could ask.

Qiu Yi shook her head helplessly, tidied herself up a bit, and then left the dormitory in a hurry.

At the west gate of the school, Ji Tianxiang was sitting in a car waiting for Qiu Yi. He quickly opened the car door and said, "Qiu Yi, get in the car."

"Tianxiang, where are you taking me?" Tianxiang, where are you taking me? Qiu Yi looked at Ji Tianxiang strangely, her heart filled with curiosity.

Ji Tianxiang started the car and said mysteriously, "You'll know when we get

there."

Seeing that Ji Tianxiang was unwilling to say more, Qiu Yi could only give up.

In the Blue Sky Corporation's high-end residential area, there were rows upon rows of foreign houses. The facilities were complete, and there were five to six security guards standing by the door.

Ji Tianxiang drove the car in, but no one stopped him. Qiu Yi asked, "Tianxiang, where did you take me?"

"Qiu Yi, close your eyes and follow me." Ji Tianxiang said as he parked the car.

When Qiu Yi got off the car, Ji Tianxiang covered Qiu Yi's eyes with one hand and came to a house: "Dang Dang, look, surprise is this house, how about it? Do you like it? In the future, the owner of this house will be

you. I saw the location on the ground, and not only is it close to the place where your dad is hospitalized, it's also near where you work part-time at school. "

"Tianxiang, you..." Qiu Yi was shocked and surprised at the same time. She opened her mouth and rejected the offer without any hesitation. "I can't take this house."

"Aiya, Qiu Yi, what are you thinking about? I bought this house to let you help me take care of it. Have you forgotten that I am already the manager of my life? Don't you want to repay your gratitude? " Ji Tianxiang knew Qiu Yi's personality. The words she just said were a bit abrupt, so he quickly changed his words.

Qiu Yi blushed when she heard that. She nodded in a flustered manner and said, "I will repay the favor. I will take care of this house."

Ji Tianxiang looked at the embarrassed Qiu Yi and felt happy. He wanted to take Qiu Yi around this house to understand its layout, then the two of them would go to the supermarket together to buy some things for the family.

Ji Tianxiang was only happy for three seconds when he received a call from Qian Duoduo.

"Hello." Ji Tianxiang answered the phone and said hello.

Then, he heard Qian Duoduo's order: "Ji Tianxiang, come to the Beidu City's mountain road right now. If you dare not come, you are a bastard, cursing your entire family to be born without a son, or else I will find someone to beat you into a pulp."

"Alright, I'll go." Ji Tianxiang was silent for a while and then agreed.

The present was different from the past. Right now, he had money and status. He was not afraid of being threatened by anyone. So what if he went to meet up with Qian Duoduo?

"Hmph, consider yourself a coward."
Qian Duoduo snorted and hung up the phone.

Lili saw that after Ji Tianxiang picked up the call, his face turned abnormal.

"Tianxiang, are you alright?" she asked with concern.

"Qiu Yi, I suddenly have something to take care of. I'll be leaving first." Ji Tianxiang said.

"It's fine. You can take care of your business first. I'll take care of the house." Qiu Yi said in a considerate manner.

Ji Tianxiang nodded and walked out of the house. He drove the car out of the sector of the Blue Sky Corporation.

Before Ji Tianxiang left for his appointment, he gave his elder sister Guan Yu a call.

"Ms Guan, where are you now? I'm going to pick you up now. I suspect that someone is looking for trouble with me. I need your help. "

"I'm on the same street. Come on." When Guan Yu heard this, she hurriedly reported the location.

Soon, Ji Tianxiang arrived at the place. Not only did he receive Guan Yu, he also received a bunch of powerful men.

The mountain road of Beidu City, Qian Duoduo, Xue Ruhai, and a few other gangsters were waiting for Ji Tianxiang's arrival.

"Damn, why is this brat not here yet? Are you kidding me?" Qian Duoduo was getting impatient.

"Ji Tianxiang is such a shitty guy. I was afraid of you, so I didn't dare to come. But it doesn't matter, let's go to the school and invite him." Xue Ruhai also scolded.

Saying that, Ji Tianxiang had already arrived. He exchanged a glance with Guan Yu before getting off the car.

"Sorry, I'm late. Qian Duoduo, what do you want from me?" Ji Tianxiang asked.

After Ji Tianxiang got out of the car, Guan Yu and the others also got out.

"Do you dare to play racing with me?" Qian Duoduo saw the person had arrived, so he didn't say anything unnecessary and directly made his request.

Ji Tianxiang was a bit surprised:
"Racing? "Are you with me?"

"What is it? Don't dare to play? "If you're a man, then agree happily. Don't be so girly, you don't look like a man. If you lose, you have to kowtow and beg for forgiveness, and you even have to compensate me 500,000 yuan." Qian Duoduo purposely said so with a ruthless look in his eyes.

"Ha ha!" I dare to play with you because I'm afraid that you won't be able to afford it. Since you've made your request, I will also mention mine. If you lose, then give me that white BMW behind you. "

Qian Duoduo was a bit hesitant. With his

one million yuan BMW as the bet, wouldn't he be taking too much risk? He glanced at the broken car beside Ji Tianxiang and sneered. How could his broken car compare to his own car!

"Alright, I agree." Qian Duoduo said in disdain.

At this time, Xue Ruhai took out the tools to sign and pledge. Ji Tianxiang and Qian Duoduo signed together.

Following that, two cars had already been set up on the mountain road.

One was Ji Tianxiang's red QQ and the other was Qian Duoduo's white BMW.

As soon as the whistle sounded, the car would start. The people in the car looked at each other. No one was weaker than anyone else.

Whew.

The referee's whistle sounded and the two cars sped away with a hum. The first to take the lead was Qian Duoduo, followed by Ji Tianxiang.

Seeing that Ji Tianxiang's car was left behind at the beginning, Qian Duoduo couldn't help but feel that it was courting death to play racing with him.

He had participated in many racing competitions and had obtained quite a few good results. Also, with Ji Tianxiang's broken car, its performance was low and its configuration was still poor. It was simply incomparable to him, and there was no possibility of it winning at all.

Therefore, victory in this race was inevitable.

"How is this possible?" Qian Duoduo blinked his eyes again and gaped in shock. He looked at the scene in front of him in disbelief. Ji Tianxiang was already right next to him.

"If you want to pass the train, you won't even have the chance to do so." Qian Duoduo's expression changed. He gripped the steering wheel tightly and pulled the gear to accelerate to the maximum speed.

However, while Qian Duoduo lowered his head to accelerate, Ji Tianxiang's car had already passed Qian Duoduo's car.

"Qian Duoduo, it's white now. Your car is too slow, I'll be waiting for you at the front." Ji Tianxiang stuck his head out of the window and said with a smile, but his tone was full of mockery.

Before he left his family, Ji Tianxiang

was also a good racer. His racing skills were all from Professor Wang, an international racer invited by his family. Even though he hadn't played racetrack for a long time, his racing skills were still there.

Therefore, Qian Duoduo wouldn't reject this race car's request at all.

When he met Ji Tianxiang, Qian Duoduo was destined to lose miserably.

"Damn it." Qian Duoduo slapped the steering wheel a few times and cursed, "Little brat, what's there to be proud of? Your elder will surpass you now."

However, that was not the case. Ji Tianxiang's car was once again far away from Qian Duoduo's car. This time, the distance was too far for Qian Duoduo to see. He could no longer see Ji Tianxiang's car.

An hour had passed and the outcome of the battle had already been decided. Ji Tianxiang had easily defeated Qian Duoduo and returned to his original position, leading the way from a distance. It took Qian Duoduo half an hour to arrive.

Xue Ruhai and the rest did not expect the result to be like this. They looked at the gloomy face of Qian Duoduo as he got off the car and stood at the side, not daring to say anything.

Guan Yu, on the other hand, continued to watch the show with interest.

"Thank you, Mr Qian. Give me your car keys." Ji Tianxiang came in front of Qian Duoduo and said.

"What are you giving me? Get the hell away from me. My BMW is over a million, I'll just give it to you if I say it. Ji Tianxiang,

why don't you look at your own appearance, is it compatible?" Wu Tie used his hand to push Ji Tianxiang back and said with ridicule and mockery.

"Qian Duoduo, are you trying to be shameless?" Ji Tianxiang was not annoyed. He patted his clothes and said calmly.

"Yes, I was just being shameless. Little brat, what can you do to me?" Qian Duoduo said in a harsh tone.

Guan Yu came in from another Land Rover. Behind her, a group of tall men also came out, saying, "He can't do anything to you, but I can. "Men, surround these people. Don't let them get away."

"Mr Qian, what should we do now? We don't have as many people as them." Xue Ruhai said in fear.

Although Qian Duoduo was a little weak in his heart, he knew Guan Yu. He felt that he could say a few words: "Guan Yu, you have nothing to do here. You'd better not meddle in other people's business."

"Hey, hey, you're threatening me. Do you think that I, Guan Yu, am a little scared? Ji Tianxiang is my little brother, so why aren't you doing anything about me?" Guan Yu looked at Qian Duoduo teasingly and said coldly, "Qian Duoduo, if you know what's good for you, you'd better give the car keys to my brother. Otherwise, you won't be able to get out of here today."

"How about this, I can give you my car, but I'll need a few days to do so. It's not too late to give you the car keys when the time comes." Qian Duoduo looked at the person behind Guan Yu and was a little scared. He looked at Ji Tianxiang and started to talk about the conditions again.

"That won't do. We'll do it today. Who knows what will happen tomorrow? If you sell the car or hide it, who will I go to?" Ji Tianxiang knew Qian Duoduo was delaying tactics, so he revealed the truth.
