

## Identity 1051

### Chapter 1051

At this moment, Zhao Zhuo felt like the whole world was collapsing in front of him.

He couldn't believe that Jiang Ming was dead, but on the video, the picture of Jiang Ming falling into the river was so clear.

He knew that Jiang Ming is really dead, now the biggest problem is, which 620,000, who is he going to ask for?

If this money is not returned, then you will be finished, completely finished.

Because this 500,000 loan sharks, will keep on interest and eventually turn over to an astronomical figure, forcing himself into a desperate situation.

So he immediately called the police at 110, and after the police call was answered, he panicked and said, "Comrade police I have been cheated, someone cheated me of 620,000, but he is now dead, what should I do?"

The policeman said, "If the person in question has been confirmed dead, then this matter cannot be handled by us, we suggest that you file a lawsuit in court and apply to get your claim back from his estate, or apply for his guardian or his immediate family, especially his parents, to pay on his behalf."

After hearing this, Zhao Zhuo immediately cried out, "Comrade police, he's an orphan, he doesn't have any immediate family members or guardians, what should we do at this point?"

The policeman asked him: "And you, the debtor, what fixed assets does he have? Like a house, a car? If so, you can apply to the court to enforce and sell off his personal assets."

Hearing these words, Zhao Zhuo came back to his senses suddenly.

Jiang Ming was indeed dead, but Jiang Ming still left behind a Mercedes and a Phaeton!

That Mercedes might be worth a mere \$300,000 or \$400,000, but that Phaeton is worth a fortune!

If he could get his phaeton back, it would not only cover his debts, but the surplus would make him a small fortune!

Anyway, this Jiang Ming is now dead, and he doesn't have any relatives, so it's only right and proper to go get his property, and no one should care.

So Zhao Premier hurriedly hung up the phone, went out and took a taxi and went straight to Jiang Ming's house.

The company's main business is to provide a wide range of services and products to the public.

What Zhao Zhuo was thinking was that after he went to Jiang Ming's house, he should first think of a way to tow away Jiang Ming's Phaeton, he definitely can't drive this car, but after towing it away, he can slowly think of a way to sell it.

He felt that even if a top-mounted Phaeton was dismantled and sold for parts, the money would still be enough to sell it back, so he wouldn't lose anything.

But he didn't think that right now, Ma Zhongliang was also watching that video that had exploded on the internet!

Today was supposed to be a treat for Master Hong Fifth, inviting him and those core cadres under him to have a meal together at the Tianxiang Mansion, and Ma Zhongliang was among them.

But while eating, everyone suddenly started to pay attention to this, the transgressive video.

These were all people from the underground world of Jinling, they naturally had some knowledge of the Beggars, and had some knowledge of the Suhang Beggars.

Suddenly seeing someone exterminating the entire Beggar's Gang, one was stunned and immediately discussed it at the banquet.

They were all very concerned about who had done this, and at the same time, they also marveled at the person's ability to completely ignore the Wu Family, killing the Wu Family's territory, killing Wu Family heir Wu Donghai's brother-in-law, Xue Nanshan, and all of Xue Nanshan's younger brothers, this was simply not something that an ordinary person could do.

Everyone speculated that this person must be a big shot from some super big family, only Master Hong Fifth knew very well in his heart that this matter must be Master Ye Chen Ye behind everything!

Ma Zhongliang was just as curious and gossipy at first as everyone else.<sup>78</sup> Chinese Update  
Fastest Computer Terminal:<https://>

However, when he saw the scene where Jiang Ming was killed, his heart thudded.

Fuck! It's the kid who hit his car!

He hadn't even paid for the car and the man had already been killed!

That's ridiculous, right?

If he dies, who's going to pay for his car?

1052

The car itself cost over 2 million dollars, and it hasn't even been a month since I bought it!

What's even more fucked up is that he was so stupid that he just threw the crashed car at him!

I wanted to just make him pay for a new one, but I didn't think the kid was dead.

Now not only is the new car unsettled, but the phaeton he crashed is nowhere to be found!

Thinking of this, Ma Zhongliang gritted his teeth and said in his heart, "No matter what, we have to find our own crashed phaeton quickly, otherwise, we'll lose a lot!"<sup>78</sup> Chinese update on the computer:<https://>

It was a good thing that he had already sent his little brother to threaten that brat and knew where he lived.

So he didn't dare to delay and immediately said to Master Hong Fifth, "Master Fifth, I have some things to take care of first, I'll come back when I'm done."

Fifth Master Hong nodded and said, "Then go, hurry back when you're done, I'll take you to the Splendid Clubhouse in the evening."

The crowd cheered.

Ma Zhongliang, however, didn't have a mind to think about the Splendid Clubhouse, all he wanted to do now was to hurry up and find his phaeton!

He got up and went out of Tian Xiangfu, and his own little brother and driver, who was now watching himself get into an old Audi a6, was waiting at the entrance of Tian Xiangfu.

Ma Zhongliang got straight into the car and said to his own little brother, "Hurry up, go to that kid's house yesterday!"

That little brother was surprised and asked, "Brother Liangzi, why are you going to that little house at this time? Aren't you going to have dinner with Master V?"

Ma Zhongliang urgently urged, "Cut the crap and drive quickly, I'm afraid my Phaeton will be taken away by someone else if I'm late!"

Ma Zhongliang was considered someone who had been in the underground world for a long time, so he was considered knowledgeable about many things.

He knew that once a person died in an accident, he would immediately be surrounded by a large number of people who peeked at his property.

All of them felt that if people were dead and got his stuff, who could do anything about it?

So he was worried about getting rid of his Phaeton.

After all, that top-of-the-line Phaeton was worth a lot of money!

Thinking of this, he found another Phaeton key from the glove box of the Audi a6.

No matter what, he had to drive the car back first, even if he had to spend money to repair it, he couldn't lose a Phaeton for nothing.

Zhao Zhuo, one step ahead of him, arrived at Jiang Ming's house downstairs.

When he saw the Phaeton parked downstairs, he immediately breathed a sigh of relief.

As long as this Phaeton was still there, his debt would be fine.

But right after that he had another problem, not being able to drive and not having a car key, this Phaeton was impossible to get rid of!

If the car couldn't be gotten rid of, it naturally couldn't be sold for money.

Thinking of this, he called a friend who worked in a repair shop and asked the other person, "Can you come and tow a car for me in Fairview One?"<sup>78</sup> Chinese first <https://https://>

The other party knows what kind of virtue Zhao Zhuo is, this grandson loves to take advantage of the most, to visit a friend's house, hate to be able to force two bubbles of shit, in order to rub other people's toilet paper and water.

So the other party immediately said to him, "Towing can be done, but you have to pay first, there are more than ten kilometers from my place to the Fairview River, you have to pay 800 yuan first."

Zhao Zhuo was furious and cursed, "It's just a little bit of road, you're asking me for 800, why the fuck don't you go grab it?"

The other party said disdainfully, "That's the price, you like to procrastinate, you don't procrastinate!"

1053

Once he heard the other party directly say such desperate words, Zhao Zhuo didn't dare to pretend anymore.

He hurriedly said, "Good brother 800 on 800, hurry over, I'm in a hurry."<sup>78</sup> Chinese First <https://https://>

To the convenient way: "You first transfer the money to me from WeChat ah, otherwise, what if you shake point me? You're consistently unreliable at what you do, I've fucking learned that a long time ago!"

Zhao Zhuo said helplessly, "Okay, okay, big brother, you're the boss, I'll transfer money to you from WeChat, hurry over, don't dawdle!"

"Don't leave until the money arrives, or there's no door!"

Zhao Zhuo didn't dare to delay any longer, quickly pulled out his phone, immediately found the other party, and then transferred 800 yuan to the other party.

But click to confirm the payment, only to find that the balance in his own bank card is already insufficient!

He just thought that he had given almost all of his possessions to Jiang Ming to help him make money, thinking simply, the more you give, the more you earn, so he didn't think much of it, and only left 500 yuan for his living expenses, intending to hold out until Jiang Ming gave him the money.

As a result, he couldn't even pay 800 yuan now.

Zhao Zhuo could only pay him 500 and sent a voice begging, "Good brother, I only have 500 in my card now, so you keep the remaining 300 for now, and I'll definitely pay you back immediately when I get the money."

The other side directly returned his voice: "Less with me this set, I still do not know you? The last time I went to Hong Kong with my girlfriend, you asked me to buy a set of cosmetics for you to send

your girlfriend, the set of cosmetics I bought for 1320, you only gave me 1100, you said you do not have enough money, wait for my salary to give me, the results?And you still owe me 220!How can I ever trust you again?"

Zhao Zhuo hastily begged, "Good brother, it was really my fault last time, I really forgot about that!But don't worry, I won't forget this time!I'll pay you back a piece of this \$220 when the time comes, okay?"

"Why don't you take the five hundred and then drive over here and tow the car for me, and when I sell it, I'll pay you the remaining five hundred and twenty in one lump sum?In that case, I'll give you six hundred!"

The other party's tone was unrelenting: "No, you have to give me 800 today, otherwise I won't go, sorry."

After saying that the other party just clicked collect, and then returned 280 dollars to him, saying, "This 220 is what you owe me, take the rest of this 280, if you want me to tow the car, then you can bring another 800 over!"

"You ....."

Zhao Zhuo was almost going crazy, this kid just didn't come to help, but also deducted 220 yuan, and now he's just this 280 yuan, much less find any tow truck ah!

Here, he could only bite his teeth and say, "Okay, okay, I'll find someone else to borrow enough money to give you 800, and you can come over and help me tow the car which is always okay, right?"

The other party gracefully said, "Yes, I'm fine now anyway, I'll go when your money arrives."

Zhao Zhuo immediately group texted and sent a message to his colleague: "I'm Zhao Zhuo, I'm in a bit of an emergency and need a few hundred yuan to save the day, can you lend me 520 yuan?I'll give it to you on payday!"

He only had 280 dollars left in his hand and wanted the other guy to help him tow the car, missing 520.

As a result, this grandson's popularity is so bad that he has grouped 60 or 70 co-workers, and none of them lent him any money.

Even 80 people didn't take care of him, and those who did took care of him simply refused him.

The reason for refusal is naturally a variety of reasons, some say no money, some say the money are saved into the money management, and some say they lost gambling gambling.

In short, there is no money to lend to him Zhao Zhuo.

Zhao Zhuo, can't think of any way, so can only call his girlfriend, came up and asked: "Little Juan'er, can you lend me 520 yuan?"

His girlfriend gasped violently as she said, "Zhao Zhuo, you're a sick person, aren't you? People are boyfriends, and they send 520 to their girlfriends, and you ask me to send it to you, do you still want shame?"

Zhao Zhuo hastily explained, "Little Juan'er, I didn't mean that, I'm really in a bit of trouble right now, I need 520 yuan urgently to save my life, you can lend it to me first and I'll pay you back when I get paid."

The other party hmmm ah ah a few times, said: ".....Zhao Excellent .....You .....You .....You're too clueless .....520 yuan you all borrowed?What about your savings?Isn't there still a hundred grand left?Where did it all go?"

Zhao Zhuo said, "Oh my, this is a long story, just give me 520 yuan to use first, I'll pay you back then, can't I?"

1054

At this time, the phone that suddenly had a man's voice while breathing heavily, while deliberately lowering his voice said: "Oh my, the key moment you and his waste of words, quickly give him the money will not do?Don't let him get in the way!"

Zhao Zhuo was suddenly alert and asked, "Xiaojuan, why is there a man's voice on your side?Who are you with?"

The other side hurriedly said, "Oh it's my cousin, isn't he hurt his back?He's been practicing his waist in bed, and he's always bad at it, so I asked him to come over and help."

Zhao Premier gave an oh-so-sweet sound, thinking that the last time he called, his girlfriend was practicing her waist on the bed, so he didn't suspect anymore.

At this time, his girlfriend said on the other end of the phone, "Okay, okay, I'm not going to bullshit with you, I'll transfer the money to you WeChat later."

As soon as he heard this, Zhao Zhuo was immediately delighted and hurriedly said, "Xiao Juan, you're really great, thank you."

The other party hurriedly said, "Okay, I won't talk to you anymore, I'm hanging up!"

After the other party hung up the phone, it really sent to Zhao Zhuo, a 520 yuan red envelope.

I'm not sure if this is the case, but I'm not sure if it's the right thing to do.

Then he hurriedly urged, "Good brother, that 220 yuan was returned to you over, this 800 is also played to you, you quickly come over, I'm in a hurry!"

The other immediately took the money and spoke up, "I'm on my way, it'll be about 20 minutes or so, and I can get to you."

"Great!"Zhao Zhuo excitedly said, "Call me when you get there."

Zhao Excellent squatted in front of the Phaeton and waited anxiously for that friend of his to come over.

Ten minutes passed, and the other party called to tell him that he would be there in a few minutes, so that he should not be anxious.

But at this time, an old Audi a6, had pulled up in front of him.

Ma Zhongliang was finally relieved to see that his phaeton was here.

Damn, although no one was fixing his car, this was a partial recovery of his loss.

Otherwise, if the car couldn't be found and the kid died, he would have really lost out.

Thinking of this, he said to his little brother, "I'll drive that Phaeton back, you follow me."

The little brother immediately nodded, "Okay, Brother Liangzi."

Ma Zhongliang pushed the door to get off, his heart upset because the car broke down and no one gave a repair, and he lost a remote key.

Repairing the car is estimated to cost hundreds of thousands of dollars with a remote control key, and it's a big fucking loss.

Ma Zhongliang can't help but sigh in his heart, this is really an unmitigated disaster!!I'll have to burn incense at the temple some other time. Isn't this year a bit unlucky?

The company has been in the process of developing the new product for the past three years.

The company's main business is to provide a wide range of products and services to the public, and to ensure that the company's products and services are well received. Get out of here and squat!"

Although Zhao Zhuo has no money, no skills and is a stinky hangdog who loves to take advantage, his temper is like a stone in that latrine, stinky and hard.

To use a common phrase, he was poor and rampant.

Of course, when kneeling down to lick others, you can't see the poverty in his temper, but he looked at the middle-aged man in front of him, and then looked at the car he walked down, his heart immediately had some disdain. 78 Chinese First <https://https://>

Isn't it just an old used a6? This piece of shit car is far worse than this Phaeton, and it dares to pretend to be something it's not? What's he got to do with where he squats?

Thinking of this, Zhao Zhuo, who was squatting on the ground, looked up at Ma Zhongliang and said disdainfully, "I can squat wherever I fucking want, what the fuck do you care?"

1055

Ma Zhongliang was distraught when he didn't think that a cranky person squatting in front of his car would dare to pretend with him!

Without saying a word, he directly lifted his foot and kicked Zhao Premier to the ground, then immediately rushed up to punch and kick him before Zhao Premier could roll over and get up.

Zhao Premier was beaten, screaming, and said resentfully, "What right do you have to beat me? Why do you hit me? I messed with you, I messed with you here, you're a sick man, aren't you?"

Ma Zhongliang smashed his fist on the bridge of his nose, causing him to bleed all over his face, cursing coldly, "Why are you squatting in front of my car? You're squatting in front of my car and you're still acting like a pussy with me, and you're not allowed to beat you up?"

After saying that, he punched a few punches in succession.

The whole of Zhao Jie's eyes were starry and almost fainted.

At this time, Ma Zhongliang's younger brother saw the fight going on, so he hurriedly got out of the car, and without saying a word, rushed up and helped his boss to beat up Zhao Premier.

The other party suddenly added another helper, making him desperate.

At this time, he no longer had the same strength that he had just been poor and ruthless.

Seeing that the other party beat himself without any scruples at all, almost like beating himself to death, Zhao Zhuo could no longer stand it, he cried and said, "Big brother, I was wrong, big brother, big brother, big brother please don't fight, big brother will die if you fight again ah big brother ....."

Ma Zhongliang did not have the slightest intention of stopping, while beating while cursing: "I am fucking a belly with no place to vent, you just happened to come to the door, I don't kill you, I am simply sorry for you!"

Zhao Zhuo has been beaten to the point of fainting, bloodied, and completely unhuman.

At this time a tow truck suddenly drove up to the front, and the tow truck driver, in the car, yelled through the window: "Hey, what are you guys doing? If I don't stop, I'm going to call the police!"

The person who came was that friend of Zhao Zhuo.

This kid had a good character and quite a sense of justice, in fact, he didn't even recognize that the one who was beaten was Zhao Premier, but seeing these two people beaten so much, a poor man with a bloodied face, he decided to step forward.

The fire in Ma Zhongliang's heart had also subsided a lot by now, and all of this fire had been transformed into force and smashed on Zhao Premier's body.

The first thing you need to do is to take a look at the newest version of the book.

So he said coldly to Zhao Zhaoyue, "Kid, today is your lucky day, otherwise I will definitely kill you!"

After saying that, he stomped Zhao Zhuo Excellence a few meters away, took out his own car keys and opened the door of the Phaeton.<sup>78</sup> Chinese update fastest computer end: <https://>

The company has been in the process of developing the new product for the past two years.

"Why are you driving my car!" Zhao Premier roared and crawled on the ground as he rushed towards that Ma Zhongliang.

Ma Zhongliang hadn't even regained consciousness before his legs were held in Zhao Premier's death grip.

1056

The blood on Zhao Zhuo's face, rubbing all over his entire trouser leg, was disgusting!

Ma Zhongliang was so furious that he kicked him out again, cursing harshly, "You kid is giving face or not? It's time to die, isn't it? Shit, when did my car become yours?"

As soon as he heard this, Zhao Zhuo thought that this Ma Zhongliang was also Jiang Ming's creditor, thinking that he was also here to steal the car, so he recklessly rushed back up, holding Ma Zhongliang's leg in a death hug and shouting: "This Phaeton is mine! This Phaeton is mine! You can't drive away!"

Ma Zhongliang was furious, grabbed him by the collar and viciously kept smacking him in the face: "Are you this person's brain sick? Can't you see I have the keys to the car? When did my car become your car?"

Zhao Zhuo cried out loudly, "No! This is Jiang Ming's car, Jiang Ming owes me 620,000, I'm going to take this car to cover my debt, you can't take it away, you're killing me if you take it away!"

"I'm rolling your mother!" Ma Zhongliang punched him again and cursed, "You're really fucking brainy! Let me tell you, this car itself is Lao Zi's, it was that kid surnamed Jiang, who chased after Lao Zi's car, I threw this car at him to recover it for Lao Zi, now that he is dead, I will naturally drive the car back, if you fucking dare to meddle and talk too much, watch out I will take your life now!"

Zhao Zhuo cried, "How is this possible, it's impossible, this car is obviously Jiang Ming's, Jiang Ming has two cars, one is a Mercedes, one is a Phaeton, his Mercedes crashed, so he's driving the Phaeton now, now he's dead and owes me so much money, I have to take this car to cover the debt! If you don't give me this car, then you'll kill me and I won't live!"

Ma Zhongliang was also about to collapse.

He didn't think that this brat was simply a little strong that couldn't be beaten to death, he had beaten him to such a state and he still dared to hold his leg and not let go.

But in this broad daylight, he couldn't really kill him, or else even if he mixed well, he wouldn't be able to squash such a big thing at all .....

I'm not sure if I'm going to be able to do that, but I'm not sure if I'm going to be able to do that, and I'm not sure if I'm going to be able to do that. Why does it hurt? That's the same Jiang Ming who drove that Mercedes yesterday and chased down this phaeton of mine, now you should believe it, right?"

Zhao Zhuo was covered in blood and flesh, but was still shaking his head and said, "I don't believe it! I don't believe it! This car belongs to Jiang Ming! I'm going to pay my debt with it and you can't drive away!"

For the first time, Ma Zhongliang felt helpless.

What now? We can't really kill him, can we?

But it's not a good idea to beat him like this and he won't even let go, so he's just stuck and spent!

In desperation, he shouted to his little brother: "Little Five, you take out the driving license of this phaeton of mine from the armrest of the Audi a6! Hurry up!"

The youngster hurriedly took out an ID from the car and handed it over quickly.

Ma Zhongliang opened the document, handed it to him, pointed to the license plate number on the car's driving book, and said, "Look at it for me, is this license plate number, is it this Phaeton?"

A car's driving license was a car's ID card, it recorded all the information about the car, including his license plate number, frame number, engine number registration date, registration place and its owner.

Zhao Premier squinted his eyes and took just a glance at it, and suddenly felt his entire body, as desperate as an ice cellar!

The license plate number on this driving license was exactly the same as this Phaeton's.

Moreover, the owner's name written on this driving license is Ma Zhongliang, not Jiang Ming!

1057

Zhao Zhuo finally knew what kind of scam he had gone through.

It turned out that Jiang Ming wasn't at all as rich and successful as he said he was, and not only that, but he had instead caused a huge disaster.

He crashed Ma Zhongliang's Phaeton and desperately needed to buy a new one to compensate Ma Zhongliang, which is why he boasted to himself and tricked himself into getting more than 600,000 for him.

But now the most tragic thing is, the son of a bitch is dead.

In other words, you won't be able to get back any of the 620,000. Fastest Updated.

This time his heart was in excruciating pain, much more painful than his own injuries.

Ma Zhongliang, who had brutally beaten him up, was only slightly relieved at this time when he saw that his entire body was no longer as crazy as it was just now, and said to him, "You see clearly this time, it's okay for me to drive away my own car."

Although Ma Zhongliang despised Zhao Premier in his heart, Zhao Premier's crazy state just now still made him somewhat scrupulous.

He was also mixed up along the way, so he knew that this kind of person was actually very scary, and if you really provoked him, he would most likely fight you to the death regardless of everything.

So it was better not to provoke such a person, at least not to make him anxious.

When Zhao Zhuo heard his words, his heart was already gray.

He didn't even dare to think about what he should do a week later now.

Because, a week later, there are some platforms that will start repaying the money, and by that time, if you can't pay up, you still don't know how they will treat you.

Ma Zhongliang saw that he was losing his mind and dazed, as if he had lost his soul, he didn't bother to talk to him any more, he just started the car and drove away.

Zhao Zhuo was sitting on the ground alone, smelling the exhaust fumes left behind by the Phaeton, and had burst into tears.

His tears kept flowing, mixed with the blood and dust on his own face, leaving two distinct tear tracks on his face.

His buddy, who was driving the tow truck, then dared to jump out of the car, stepped forward to him, squatted down, patted him on the shoulder and asked, "Excellence, do you want me to call the police for you?"

Zhao Jue cried and said, "I'm finished, the person who harmed me is also dead, what's the use of calling the police ....."

The other party didn't know what he had been through, at this point sighed softly and said, "Excellence, then is your car still towed?"

Zhao Zhuo looked at him and cursed angrily, "You're fucking blind, didn't you see the car let someone drive away?I'm mopping chicken feathers, mopping!"

The other side couldn't help but frown, thinking, if I hadn't just yelled at you, you'd have had someone killed, and now that I've kindly come over to care for you, you're still pretending with me aren't you?

Okay, then, pretend yourself, I'm not playing with you!

Thinking of this, he stood up and said to Zhao Zhuo, "Then if you don't tow the car, I'll be leaving ah."

Zhao Zhuo came back to his senses and hurriedly said, "You can return that 800 yuan to me before you leave!"

The other side said in exasperation, "You and we are making a scene, I drove all the way over here for free?I'm driving a garage car here, and as long as I'm out, the garage will treat me as if I've started taking jobs, and whether your car is towed or not, I'm going back to report my income to the garage!"

Zhao Zhuo was furious and said, "I don't care about those reasons of yours, that has nothing to do with me, all I know is that I didn't ask you to tow the car, so you have to give me my money back!"

The other party was also anxious and angry, "I say, can't you people understand people's speech?The repair shop has a rule that they have to charge you whenever you get out of the car, so

what am I supposed to do if you ask me to give you your money back and the repair shop asks me for it later?"

Zhao Zhuo said in a cold voice, "I don't fucking care what you do, what does it have to do with me, so hurry up and give me my money back!"

The other party didn't expect this person to be reasonable at all, and said angrily, "People like you deserve to be cheated until you lose all your money!"

1058

After saying that he didn't pay any attention to him and turned around and walked away.

Zhao Zhuo limped after him and cursed, "You son of a bitch, hurry up and give me my money back, or I'll be done with you!"

"Psycho!"

The other party cursed, climbed into the trailer, drove away.

The company has been in the process of developing the new product for the past two years.

The first priority is how to deal with the 500,000 loan sharks. The mobile phone one second to remember to provide you with wonderful \ fiction reading.

At this moment in his life, he felt like he was on the verge of despair.

That's when he thought of his girlfriend, Zhang Juan.

Zhao Zhuo was also an orphan and had no parents or relatives since he was a child, so it was hard for him to talk to Zhang Juan as a boyfriend or girlfriend, so he felt in his heart that Zhang Juan was the only family he had.

Now that he has suffered such a major setback, he is desperate and doesn't know what to do. He only wants to see the woman he loves, hoping that she will give him some comfort. first post

So he wiped his face with the clothes on his body, limped to the front of the block, and stopped a taxi.

The taxi driver originally saw him in such a horrible state and didn't dare to pull him.

But he grabbed the other man's rearview mirror and wouldn't let go, screaming, "If you don't pull me today, I'll complain to the death about you!"

The company has been in the process of developing the new product for the past two years.

However, Zhao Zhuo is now penniless and can't afford to pay for the taxi.

He could only secretly plan in his heart, near his girlfriend's house, there is a very narrow alley, the alley, the car can't drive in, and it is very winding.

If he asked the driver to stop at the mouth of that alley and then get into the alley when he wasn't expecting him, he shouldn't be able to catch up to him.

This way, you don't have to pay the taxi fare.

Zhao Zhuo thought of it and did it.

When he was almost at his girlfriend's house, he asked the driver to stop at that alleyway, and the driver turned off the meter and spoke, "It's 45 yuan."

"I'm not sure how much I can afford to pay, but I'm not sure how much I can afford to pay," he said.

The driver directly said, "There is a WeChat QR code in the back row, so you can scan the code directly."

Zhao Zhuo pretended to scan the QR code, then pretended to drum for a while and opened his mouth and said to the driver, "Master the money has been transferred."

The driver said: "I didn't hear the prompt ah, I have a voice prompt here."

Zhao Zhuo said deliberately, "It might be a bad network, it will be received soon."

After saying that, Zhao Zhuo immediately pushed open the car door and took a crazy step, running into the alley.

He thought that he was familiar with the terrain of the alley and went in for a couple of rounds to get rid of the driver, but he didn't think that he had been beaten so badly that as soon as he got out of the car, he immediately ran out of breath, then felt a sharp pain in his abdomen and fell to the ground without standing still.

At this time, the driver also realized that he was going to run, and hurriedly pushed open the door to catch up with him, found that he had fallen to the ground, and said angrily, "You want to run before you pay?Hurry up and pay me!"

1059

Zhao Zhuo lay on the ground and looked at the ferocious taxi driver, his expression no longer had the arrogance he had when he had just stopped the car and threatened someone.

He looked at the driver and begged with a wailing face, "Master, I've just gone bankrupt, I have nothing left, and I'm still in debt, and I've been beaten up like this, I really don't have the money to pay the fare, please spare me!"

The driver said angrily, "You owe a bunch of debts, I still owe a bunch of debts, if I had money, I would still drive a taxi?You think it's easy to make 45 bucks?That's enough to feed me for two days!Hurry up and bring it to me!"

Zhao Zhuo cried out with a wow, "Master, I really don't have any money ah, and I don't have anything worth anything all over my body, I beg you, just take pity on me!"

The taxi driver shouted coldly, "Don't you dare follow me on this, then if you don't give me the money, I'll call the police!"

As soon as Zhao Premier heard this, he hurriedly struggled to get up, kneeled at his feet, kowtowed to him and said, "Master, I really don't have any money, I don't have any money even if you kill me, I'm begging you, I'm begging you, I'm kowtowing to you, isn't it enough? Just treat me as your son and kowtow to you to say hello on New Year's Eve, don't you have to give me a red envelope as well?"

The taxi driver had never seen such a shameless person and was shaking with anger: "You .....Why are you such a shameless person? Don't you have parents? How would your parents feel if they knew you were out there kowtowing to someone else's son for 45 bucks?"

The company has been in the process of developing the new product for the past two years, and has been working on the new product since its inception, which has been in the process of being launched. Desperation ..... "Fastest Updated.

The taxi driver was shocked to see that he didn't seem to be lying: "It's all going well, how can there be such unlucky people?"

Seeing this, he also really couldn't bear it and continued to press him for the fare.

So he sighed and said to Zhao Zhuo, "Seeing that you are from such a pitiful background and have been fatherless and motherless since you were a child, let's forget about it this time and count me out of luck for buying you a ride."

As soon as Zhao Zhuo heard this, he immediately kowtowed three more times in a row and said gratefully, "You're such a good man, you're my born-again parents!" first issue

After saying that, he looked up at the taxi driver and begged, "Look you've bought me a ride, can you give me another 50 bucks just to buy me a meal?"

The taxi driver was so annoyed that he stomped him away and cursed, "Surely the pitiful must have something to hate, you can say such shameless things, I'm really fucking impressed!"

After saying that the driver twisted back to the taxi and started the car to go.

Zhao Zhuo struggled to get up from the ground, patted the dirt on his body and surmised, "Although the process was a bit rocky, but in the end, I saved the 45 yuan."

Taking advantage of the taxi driver's 45 bucks, it made Zhao Zhuo's mood a little bit better.

He limped towards his girlfriend's house, thinking to himself that the first thing he would do when he saw his girlfriend would be to throw himself in her arms and cry.

The girlfriend's house lived in the shantytown of this city, it was the kind of house that was self-built and rather dilapidated.

But in Zhao Zhuo's eyes, this is a gold mine, because now everywhere is in the management of shantytowns, said demolition and relocation, a demolition will lose the house, a row of houses is two or three sets.

He also desperately wants to get married to his girlfriend early, so that he can marry into their family as a son-in-law, and then he can also share some of the benefits after the demolition in the future.

1060

When he arrived at his girlfriend's door, he knocked, but no one came out to open the door.

He didn't know that his girlfriend, Zhang Juan, was in her room, with one of her clients who bought fake cigarettes, focusing on the illicit activity.

He sent a call to his girlfriend on WeChat, but she didn't respond, so he thought she was asleep and found a key under a pickle jar in front of her house.

It was his secret to stumble upon his future mother-in-law under the pickle jar, probably because older people are more prone to forgetfulness, that's why his future mother-in-law hid such a key, just in case.

But this time it was convenient for Zhao Premier.

After Zhao Premier pulled out the key, he opened the door and entered the small courtyard of this self-built house.

After entering the courtyard, the door into the room was closed, but it wasn't locked.

So Zhao Premier pushed open the door and walked in, through the living room, he suddenly heard a very, very strange sound coming from the bedroom inside, like his girlfriend's soft chanting.

He limped to the door, and the more he listened, the more he felt something was wrong, because the sound coming from inside seemed to be a man in addition to his girlfriend, and it also had a very crazy rhythm to it.

He remembered something and kicked the door open in anger, and indeed saw the naked people on the bed hugging each other, and the one below was his girlfriend Zhang Juan.

Zhao Zhuo was extremely angry at this moment, he shouted hysterically, "Zhang Juan'er! Why did you betray me, you son of a bitch?!"

The two on the bed gave a frightened ouch, then they quickly turned over and hid under the covers, Zhang Juan wrapped her body very tightly and looked at Zhao Zhuo nervously, "You ..... What are you doing here? How did you get in here?"

Zhao Premier scolded angrily, "What do you care how I got in here? If I didn't come in to see it I wouldn't even know that you dared to betray me!" first issue

Saying that, he looked at the fat guy beside Zhang Juan and gritted his teeth and cursed, "You dog dares to sleep with my girlfriend, I'll fight you!"

After saying that, Zhao Zhuo rushed towards that fat man.

But before he got there, the fat man kicked him through the blanket and threw him out of the door, cursing, "So you're that wimp! How can I enjoy my life with you, Chuen? What kind of life can you

have?I've heard that you don't make much money either, do you still expect Juan to sell fake cigarettes to support you in the future?"Fastest Update

Zhang Juan on the side was surprised and asked, "Brother Liu .....You .....How do you know that the cigarettes I sell are fake ....."

The fat man favored and said, "Idiot, I have smoked cigarettes for so many years, can't I still smoke real China and fake China?"

Zhang Juan was even more surprised and asked, "Brother Liu, you know that the cigarettes I sell are fake, why do you still buy them?And buy that many at once?"

Fatty picked her chin and said with a smile, "I was just feeling sorry for you wanting you to make more money, it doesn't matter to me how much it costs to buy a few fake cigarettes, as long as you're happy I'm happy ah!"

Zhang Juan's face was filled with the shyness of a young girl, and once she jumped into his arms, she said shyly, "Brother Liu, you are really too good to me ....."
