Chapter 6

Fortunately, he soon saw that Pei Ming was not right, but Xue tingji intentionally or unintentionally blocked his sight.

One trouble can't be thrown away. Another one comes. Pei Ming really has no strength to deal with it. He covers his heart like thunder and breathes hard. Rao is still unwilling to disturb others.

Although I don't know why, Xue tingji's reaction is very quick. He immediately takes her to Xu Lixue's boudoir and orders someone to secretly invite the doctor back.

Pei Ming held him, 'if your highness wants to see her again, please listen to her this time.'

According to her plan, she will end the Wang family by herself. So now Wang's poisoning must not be known by others, otherwise everything will be disrupted.

Xu Lixue was frightened. At least she was smart enough to let the servant cook medicine. She only said that she wanted to drink it herself.

Xue tingji sat by the bed and watched Pei Ming clench his teeth and eyebrows. He said nothing. He was very distressed. He hesitated, but he bent down and patted her back.

'If it hurts, cry.'

Pei Ming was stunned, then he lost his mind, laughed bitterly and cried?
Is it useful to cry

After tossing about for half an hour, Pei Ming's symptoms finally subsided, and Wang at the banquet became suspicious and couldn't find Xu Yi.

Xu Yi wanted to hide it, but then he thought of the sixth Prince's apparent desire for mingniang, and said that mingniang had gone to find Lixue. 'Madam, you can sit down again. Mingniang is rare. Let them talk more.'

Wang's which sits lives, under the guilty heart is the panic, 'I, I also go to see you three young ladies good.'

He turned around and was blocked by Xue tingji. His eyes were cold and full of doubts.

'You didn't care about such a big event in the afternoon. Why don't you visit now? Look who, Xu Lixue or Pei Ming?'

The narrow-minded woman is no match for the noble prince, and Wang dare to say anything more. At this time, Pei Ming comes back on his own initiative.

After drinking the medicine, he regained his composure and came to Wang's side without revealing anything.

'Lixue has just gone to bed. Today I have many twists and turns. I'm really tired. Can I go back earlier?'

Wang couldn't wait to leave early. Xu Yi saw them off on behalf of his grandfather. Before they got into the carriage, Pei Ming was stopped by him and said, 'I'll see you again in a few days.'

She nodded and said nothing. She lifted the car curtain and saw Xue tingji coming out. She tilted her head and said something to the attendant. Her expression was quite similar to that of the future when she was in charge of the world.

When she returned to the mansion to bathe, her maidservants were sent out and immersed in warm water. Her whole heart was relaxed. There was a flickering picture in front of her eyes. She couldn't forget everything about Xue tingji and was even more afraid of repeating the same mistake.

All of a sudden, she got up and came to the mirror stage wet. There was an eyebrow shaving knife in her dowry, which was extremely sharp.

Holding a knife, I look at my chest in the mirror.

When the silver plate came in to add hot water, he was so scared that he almost fell into the soup pot. 'What are you doing, miss?'

Pei Ming bit his lip and stood in front of the mirror. The blood on his chest was mixed with the water that had not been wiped and wound all over his body. She looked at the word 'Pei' on her heart with satisfaction, and her smile was filled with sadness.

'It's for me to never forget who I am.'

She stayed up late at night. The next day Pei Ming was too lazy to get up early. Some people refused to let her take a break. The silver plate reported that the sixth prince was coming.

With a heavy sigh, Pei Ming turned over and said, 'go tell him that I'm not fit to see anyone.'

If you want to attract people, you have to be careful.

I didn't expect that after two hours, the silver plate came over with a embarrassed face, 'Miss, his sixth highness Here he comes again. He says that if it's not convenient for the young lady to get up, he can come into the boudoir to see her. '

Choked by the tea, Pei Ming couldn't laugh or cry. 'He suspected that I was hiding from him. It's shameful.'

Silver plate doesn't think, 'I don't look like it. Your highness should be worried about your heat poison. Miss, I'd better see you.'

People are forced to come to the boudoir. Can Pei Ming disappear? He changed his clothes and made a special appearance. Now Xue tingji is interested in her, but he can't ruin his good impression.

Xue tingji in the flower hall waited for a long time. When he saw her at first glance, he didn't care about her dress. Instead, he frowned, 'you look bad. They didn't take care of you.'

Pei Ming suddenly lost his mind, this sentence, he also said before, and the flow of time, things are different, the result is that he has changed.

'With your Highness's concern, I'm fine.'

Xue tingji didn't believe her at all. He held back and left behind a bearded man dressed as a bodyguard. He whispered to her, 'this is Dr. Zhang. He's here to feel your pulse.'

He is so close that Pei Ming can even feel the vibration of his throat. This is Don't worry about her illness ?

Looking up to his eyes, he didn't miss his slightly embarrassed Dodge, but only for a moment, Xue Ting took this good opportunity to look at her eyebrows.

He liked her eyes. They were beautiful and deep. He could not figure out what he was feeling. Forgetting, he reached out to touch them.

Pei Ming quietly dodged, and then made him come back to himself, 'there must be ghosts hiding, but are you being held by your wife? Don't worry. With me, no one will come here. 'No matter whether she agrees or not, she sits down with her, and Dr. Zhang bows forward, just about to feel her pulse, but Pei Ming says no more.

'Thank you, your highness. But this is the general's residence, not the palace. Courtiers are not qualified to work as Taiyi.'

Her lack of cooperation made Xue tingji impatient. He put his hands on the arms on both sides of the chair and put her in his arms.

'Either feel your pulse, or I'll order someone to arrest your eldest lady and torture her to see what she has done.'

'You -'
