

Illicit 1001

Chapter 1001 - He Is Prince Xiao

'I will snatch Jingxian from you today.'

Che Hou had made a good plan yesterday, so he was sure that Long Jingxian would fall into his arms later.

He was even sure that Long Jingxian and her family would see him as a hero later because that was what he had planned before.

'I really can't wait for it to happen.'

He almost laughed loudly when he imagined Long Jingxian falling into his arms.

Che Hou and his mother then walked towards Jing Liling and Long Diyi.

"Auntie, happy birthday. A wish for you on your birthday, whatever you ask, may you receive, whatever you seek, may you find, whatever you wish, may it be fulfilled on your birthday and always." After saying that, Che Hou showed a white necklace that was placed in a small black box. "This is the gift I have prepared for you, auntie. I hope you like it."

"Jing Liling, happy birthday. I wish you a long life." Dou Shuiro added. "Sorry, my husband can't come because he is sick right now."

"It's fine, Dou Shuiro." After saying that, Jing Liling looked at Che Hou. "This necklace is so beautiful. Thank you, Che Hou."

"Of course because this is an expensive necklace. My son spent 400,000 Yuan to get this necklace." Dou Shuiro then shifted her gaze from Jing Liling to Xiao Tian. "I didn't know Xiao Tian was here too. What gift did he give you?"

Dou Shuiro wanted to show Jing Liling that her son was richer and better than Xiao Tian. Because Xiao Tian did not look like a rich person, she was sure that his gift was not as expensive as her son's gift.

"I don't know because I haven't opened it." Jing Liling still did not know about it.

Dou Shuiro covered her mouth and spoke, "I'm sure his gift is not as expensive as my son's gift."

At this moment, Jing Liling and the others only smiled. They actually never cared about the gift because they only wanted to celebrate her birthday and deepen their relationship with their neighbors.

Dou Shuiro and Che Hou then walked towards Xiao Tian. Because Jing Liling and the others didn't want any commotion to happen, they followed Dou Shuiro and Che Hou.

When Dou Shuiro was standing next to Xiao Tian, she immediately spoke, "Xiao Tian, what gift did you give Jing Liling? For information, my son gave a necklace worth 400,000 Yuan."

Xiao Tian only stared at Dou Shuiro before returning his attention to Mu Ai. He did not want to make a fuss at Jing Liling's birthday party, so he decided to ignore her.

Dou Shuiro was unhappy when Xiao Tian ignored her.

'Hmf! A poor young man wants to be my son's rival. You are not worthy!'

Dou Shuiro looked at Xiao Tian mockingly because she was sure that Xiao Tian was a poor person.

"Mother, you should not ask this question because you will embarrass him later." Che Hou said mockingly, "Look at his clothes! He is from a poor family, so I'm sure his gift is not as expensive as mine."

A terrifying light flashed in Xiao Tian's eyes. A spark of anger suddenly appeared within him. He was unhappy because they kept humiliating him.

When Xiao Tian wanted to say something, a married old couple walked towards them.

The old woman smiled as she gave their gift to Jing Liling. "Jing Liling, this is a gift from us. I wish you abundant happiness and love."

"Thank you, Yuyi." Jing Liling took the gift as she smiled.

At the same time, Yuyi's daughter was shocked when she saw Xiao Tian. "Eh! Prince Xiao?"

"Prince Xiao?" Jing Liling and the others were shocked after hearing her words

Xiao Tian instantly looked at Yuyi's daughter. At this moment, he thought she was one of his predecessor's friends.

However, no matter how many times he tried to remember her, he still could not find anything about her in his predecessor's memories.

He then assumed that she was one of his predecessor's fans. His predecessor was one of the most popular people at Sky University, so it was normal if he had a lot of fans.

Yuyi then looked at her daughter and asked, "Susu, do you know him?"

"Yes." Susu replied as she nodded her head. "He is Xiao Tian and everyone at Sky University calls him prince Xiao because he is so attractive and smart."

Long Jingxian returned her attention to Xiao Tian.

'It seems like he is popular. They even call him prince Xiao.'

She knew that Xiao Tian was an attractive young man, so she did not doubt Susu's words.

At this moment, Jing Liling and the others were looking at Xiao Tian. Like Long Jingxian, they did not doubt it because Xiao Tian was indeed a good-looking young man.

They even thought of him as a model before because he was so attractive, more attractive than most celebrities.

"He only has good looks, nothing more than that." Che Hou said mockingly. "In this world, good looks are useless because good looks can't be used for living expenses."

Sure, he admitted that Xiao Tian was an attractive young man, but in his view, good looks were useless because money was everything.

"You are wrong there. Prince Xiao built Star Clothes company and Star Restaurant from scratch and managed to become a successful person in just one year. Not only that, I read in the magazine that he bought a company a few days ago." After saying that, Susu looked at Xiao Tian. "Is that true, prince Xiao?"

"Yes. I bought a new company a few days ago and I named it Star Film company." After saying that, Xiao Tian looked at Che Hou and Dou Shuiro mockingly for a second.

Even though it was only a second, Che Hou and Dou Shuiro noticed it.

'Damn it!'

Rage pulsed through their veins.

They did not expect that Xiao Tian was a rich person. And what angered them the most was that Xiao Tian was richer than them.

Long Diyi and Jing Liling finally knew one more thing about Xiao Tian. They just found out that Xiao Tian was a rich person earlier, but they did not expect him to be much richer than they thought.

At this moment, Jing Liling suddenly wanted to know about Xiao Tian's gifts. "Then, the gifts you gave me earlier, wha-"

However, before she had finished her words, Xiao Tian uttered, "Auntie, please don't look at the price of my gifts. I give you these gifts from the bottom of my heart."

At this moment, Xiao Tian's words were only half-true because he wanted to win their hearts with his gifts.

'I really want to mock Che Hou and his mother, but I can't do that now. I'll be humble now because I'm in front of Jingxian's parents.'

He also decided to be humble because he did not want to be put on the same level as Che Hou.

"Could you tell us what gifts you gave my mother earlier?" Long Jingxian asked curiously.

"It's a dress and a set of cosmetics." Xiao Tian gave an honest answer.

"What about the price?" Jing Liling inquired.

"Auntie, I gave these gifts from the bottom of my heart." Because Xiao Tian decided to be humble, he chose to repeat his words.

"Are these gifts expensive?" Jing Liling hoped they were not expensive gifts because the primary purpose of having a birthday party was to strengthen their relationship with their neighbors.

"How much is it?" Long Jingxian suddenly wanted to know the price of Xiao Tian's gifts.

Xiao Tian did not answer instantly.

'Should I tell the truth?'

He asked in his head.

When Xiao Tian saw their expressions, he decided to tell the truth. "1,325,000 Yuan."

"1,325,000 Yuan?!" Long Jingxian and the others said in surprise.

"Wow! Prince Xiao is as amazing as ever." Susu praised Xiao Tian. "Your gifts are even expensive."

They did not expect that Xiao Tian's gifts were so expensive. 1,325,000 Yuan could put any family into the category of mid-middle class family in China.

"Xiao Tian, your gifts are too expensive, I can't accept it." Jing Liling could not accept Xiao Tian's gifts because it was so expensive.

"She is right." Long Diyi added. "Your gifts are too expensive. We are holding this birthday party to deepen our relationship with our neighbors, not to get expensive gifts."

"Auntie, uncle, please don't refuse my gifts." Of course, Xiao Tian wanted them to accept his gifts because he wanted to win their hearts with his gifts.

"But your gifts are too expensive." Jing Liling responded.

"It's fine. It's only 1,325,000 Yuan." At this moment, Xiao Tian did not realize what he had just said.

'Only? Only 1,325,000 Yuan?!'

They were shocked again.

Because Xiao Tian dared to say something like this, they began to think that Xiao Tian was from an upper-class family.

At this moment, Che Hou and Dou Shuiro felt embarrassed and wanted to hide their faces. Previously, they kept saying that Xiao Tian was poor, but now they realized that he was much richer than them.

They then sat on the empty seats not far from Xiao Tian.

"Don't worry, mother. We can humiliate him later." Che Hou was sure that his plan would not fail later.

"Good! I really hate him." Dou Shuiro nodded her head.

At this moment, Xiao Tian only stared at Che Hou and Dou Shuiro. If he were not at Jing Liling's birthday party, he would have humiliated them earlier.

'You are lucky!'

Xiao Tian said in his head.

Jing Liling then took Yuyi and the others to their seats. At this moment, Long Jingxian was sitting next to Xiao Tian.

"You don't need to give expensive gifts to my mother." Long Jingxian thought Xiao Tian's gifts were too expensive.

Sure, she knew that Xiao Tian wanted to win her parents' hearts, but in her view, his gifts were too expensive.

"It's fine because she is your mother." Xiao Tian did not spend a single cent on these gifts, so he really did not mind it.

Long Jingxian spoke, "But it's t-"

However, before she had finished her words, Xiao Tian whispered in her right ear. "If you think my gifts are too expensive, how about you return it to me using your body tonight?"

Long Jingxian did not answer, but she nodded her head. She did have plans to come to his room again tonight.

"What are you whispering to my mother, big brother?" Mu Ai, who was sitting on Xiao Tian's lap, asked curiously.

"I said I have a gift for you too." Xiao Tian lied to her.

"Yay!" Mu Ai's face turned happy after hearing his words.

"Wait here. I want to welcome the guests again.." After seeing Xiao Tian nodded his head, Long Jingxian walked towards her parents.

Chapter 1002 - Che Hou's Plan

7-8 minutes

After all the guests arrived at the White Villa, the birthday party started.

Currently, they were enjoying their cakes while talking. Jing Liling and Long Diyi were pleased when they saw all the guests talking happily.

As usual, Che Hou tried to talk to Long Jingxian, but she only nodded her head or gave a short answer because he tried to humiliate Xiao Tian earlier.

Long Jingxian thought Che Hou had changed. He was not like Che Hou she had known in the past.

Because Che Hou was unhappy, he often clenched his fists. And what made him so angry was that Long Jingxian never ignored Xiao Tian's words.

She even looked so happy when Xiao Tian talked to her as if she was madly in love with Xiao Tian.

Che Hou could not accept it. For this reason, he wanted to carry out his plan quickly. "Jingxian, I want to go to the toilet first."

"Un." Long Jingxian nodded her head.

As soon as Che Hou entered the cubicle toilet, he immediately called the thugs and told them to come to the White Villa.

These thugs were different from the previous thugs. These delinquents were from the Rat gang, one of the most famous gangs in Wushang city.

Che Hou was sure that Xiao Tian would not be able to defeat them later. His plan was simple. He would become the white knight when they caused trouble at Jing Liling's birthday party later.

After calling these thugs, Che Hou returned to his seat. Even though he was still annoyed because Xiao Tian got closer to Long Jingxian, he suppressed his anger.

'Just you wait, she will fall into my arms later.'

Che Hou really wanted these thugs to come quickly.

*Bang...

The door was thrown open roughly.

Everyone instantly turned their heads towards the source of the sound.

When they saw ten thugs entering the White Villa, some of them had frightened faces while others' faces darkened.

Che Hou's lips curled into a smirk.

'It's show time!'

He was still sitting in his seat because it was still not the time for him to act.

Xiao Tian glanced at Che Hou. He suspected that these thugs were related to Che Hou because he knew that Che Hou was someone who would do anything to get what he wanted.

As the host, Long Diyi and Jing Liling had to ensure the safety of their guests. For this reason, they rose to their feet and walked towards the thugs.

"Why are you causing trouble in the White Villa?" Long Diyi could still control his anger.

"Shut up, old man!" The red-haired thug named Dan Dan replied in annoyance.

Because Long Jingxian was afraid that these thugs would do something bad to her parents, she walked towards them.

"Please leave this place now!" even though Long Jingxian had tried her best to hold back her anger, but it could still be seen on her beautiful face.

"Whoa, a pretty lady!" the shape of a pink heart suddenly appeared in the eyes of these thugs.

They had seen many women in Wushang city, but Long Jingxian was one of the most beautiful women they had ever seen.

Xiao Tian instantly walked towards them because he did not want anything bad to happen to Long Jingxian and her parents.

He had a special sword in his pocket, so he was not afraid of the delinquents. As long as it was not a martial artist at the grandmaster stage, he was confident he could trounce them later.

And from the way they behaved or their appearances, Xiao Tian was sure that none of them were martial artists on the grandmaster stage.

Since Long Jingxian had already interfered, Che Hou thought it was time to act.

'It's show time!'

Che Hou straightened his chest after standing up.

He then walked towards these thugs confidently. Of course, he was not afraid of these delinquents because he was the one who paid them.

"Do you know we are in the White Villa right now? Today is auntie's Jing birthday, so don't cause trouble here. Hurry up and leave!" Che Hou pretended to be a strong martial artist, and these delinquents were nothing in his eyes.

In his plan, these thugs would be terrified when they saw him. They would kneel, apologize and leave.

That was his plan. But something unexpected happened after Che Hou said these words.

Dan Dan hit him in the face hard!

"Huh! Who are you? How dare you behave arrogantly in front of me?" sure, Dan Dan knew that Che Hou was the one who paid them.

He also still remembered their plan, but he decided to change his mind. Yes. At first, he wanted to follow Che Hou's plan, but he changed his mind after seeing Long Jingxian.

"My Son!" Dou Shuiro dashed towards Che Hou when she saw him falling to the floor.

Due to how hard Dan Dan's punch was, blood splashed out of Che Hou's mouth.

'What the fuck are you doing? It's not like we planned yesterday!'

Che Hou was furious because these thugs did not follow his plan.

He rose to his feet and retorted. "Leav-"

However, before he had finished his words, Dan Dan hit his face again. Che Hou was enraged. He wanted to ask why they did not follow the plan.

But they were in front of Long Jingxian and her parents, so he could not ask that question. Otherwise, they would know everything later.

Dan Dan returned his attention to Long Jingxian before speaking. "Beauty, come here and let's have some fun in a quiet place."

When Dan Dan wanted to hold Long Jingxian's shoulders, Xiao Tian grabbed Dan Dan's right hand. "Leave!"

Dan Dan laughed loudly after hearing Xiao Tian's words. "Hahaha. Young man, do you want to try to be a hero too?"

Dan Dan was a martial artist at the mid-level master stage, but his speed was already in the category of the high-level master stage.

Even though he was not the strongest martial artist in Wushang city, he belonged to the strong martial expert category because Wushang city was not big, and there were not many martial artists either.

At this moment, Dan Dan thought that Xiao Tian was a weak young man who wanted to be a hero. But he suddenly realized something when he could not free his right hand from Xiao Tian's grip.

He tried to free his right hand from Xiao Tian's grips many times, but the results were the same.

"Young man, release my hand, or else you will regret your action later!" even though Dan Dan suspected that Xiao Tian was a strong martial artist, he did not show the slightest fear on his face.

He came to the White Villa with nine of his underlings, so he was sure that he could defeat Xiao Tian later.

Xiao Tian gripped Dan Dan's right hand tighter and spoke, "Are you going to leave this place or not?"

His words were filled with coldness, and his eyes suddenly turned sharp, to the point it looked like his eyes wanted to cut these thugs' bodies into pieces.

Dan Dan was unhappy with Xiao Tian's behavior. "I repeat my words. Let go of my hand or else, you will regret it later."

Like before, Xiao Tian repeated his question, "Are you going to leave this place or not?"

Chapter 1003 - Beating Dan Dan And Che Hou

7-8 minutes

Xiao Tian repeated his question, "Are you going to leave this place or not?"

At this moment, Che Hou's lips curled into a smirk. Even though everything was different from what he had planned, but he was fine with it because Dan Dan would beat Xiao Tian later.

'Fool! Dan Dan is one of the strongest martial artists in Wushang city. Do you think you can defeat him?'

At this moment, Che Hou believed that Dan Dan would beat Xiao Tian later.

"Xiao Tian, stop it!" Long Jingxian had a worried face because she did not want anything bad to happen to Xiao Tian.

Like Long Jingxian, Jing Liling and her husband also did not want anything bad to happen to Xiao Tian.

"What do you want from us?" Long Diyi would grant Dan Dan's wish if it still made sense because he did not want any commotion at Jing Liling's birthday party.

"I want this beauty." Dan Dan replied while looking at Long Jingxian. "Hehe. I want this beauty to serve me in bed now."

"You!" Long Diyi would not let Dan Dan take his daughter because she was his family.

Xiao Tian gripped Dan Dan's right hand harder. Fury roared through him when Dan Dan stated that he wanted Long Jingxian to serve Dan Dan in bed.

Dan Dan felt immense pain when Xiao Tian gripped his right hand harder than before. "Let go of my hand!"

Before he had finished his words, Xiao Tian punched him in the face very hard, causing Dan Dan to be thrown two meters back before falling to the floor.

*Bang...Bang...Bang...

Xiao Tian wasted no time and instantly attacked the other thugs.

The guests were startled when Xiao Tian suddenly attacked these delinquents.

At first, they were pleased because someone dared to fight these thugs, but their happy faces suddenly turned frightened when they saw Xiao Tian's expression.

Xiao Tian's expression was terrifying, to the point that some of the guests were trembling in fear.

'De...devil!'

Due to how scary Xiao Tian was, he looked like a devil in their eyes.

Not only the guests but Long Jingxian and her parents were also scared when they saw Xiao Tian's expression.

They did not expect that a kind and polite person like Xiao Tian could become so terrifying like that.

*Crack....

"Agghhh..." Dan Dan cried out in pain when Xiao Tian broke his right leg.

Xiao Tian could not suppress his anger when Dan Dan said he wanted Long Jingxian to serve him in bed.

Because they were only martial artists at the low-level master stage and mid-level master stage, they were not Xiao Tian's opponents.

At this moment, Xiao Tian's body was covered by a cold aura. Of course, no one could see it. This was the reason why Xiao Tian looked even more terrifying.

Xiao Tian's eyes widened when he realized something. At this moment, he was still grabbing Dan Dan by the neck.

'Fuck, I lost control!'

Xiao Tian turned his head to look at everyone's reactions.

When he saw some of the guests trembling in fear, he knew that he had made a huge mistake.

'I should have controlled myself earlier.'

Because Dan Dan wanted Long Jingxian to serve him in bed, Xiao Tian was unable to hold back the anger within him.

Xiao Tian then shifted his gaze to Long Jingxian and her parents because they were important to him. When he saw their expressions, he gritted his teeth before taking a deep breath.

'It seems like they will dislike me later. Sigh.'

Xiao Tian knew that he should not let them see his terrifying expression.

'Well, at least they are safe now, so it's fine.'

Even though he said that in his mind, his heart still hurt as if someone was squeezing his heart hard.

Xiao Tian returned his attention to Dan Dan and asked, "Who asked you to come here?"

His face turned terrifying again, and his words were filled with coldness. Since they had regarded him as a devil, Xiao Tian did not care anymore and wanted to solve the problem to the root.

Dan Dan did not answer and only stared at Xiao Tian.

"Agggghh..." a soul-piercing howl of pain echoed in the luxurious hall again.

'He is so cruel!'

Dan Dan did not expect Xiao Tian to break his other leg just because he did not answer Xiao Tian's question.

At this moment, he finally understood that Xiao Tian was a dangerous person. Xiao Tian did not think twice when he wanted to do something.

Like Dan Dan, the guests also thought that Xiao Tian was so cruel. Due to how scary and cruel Xiao Tian was, they forgot the reason why Xiao Tian fought these thugs.

"Who asked you to come here?" Xiao Tian repeated his question. "If you dare to lie, I will break your hands next."

Dan Dan knew that Xiao Tian was serious when he said that.

Dan Dan instantly pointed his right index finger at Che Hou and spoke, "Him! He is the one who paid us!"

Everyone instantly turned their heads towards Che Hou.

"Lies! I don't know him! How dare you slander me!" of course, Che Hou would not admit it because the consequences would be fatal later.

Dan Dan took out his smartphone and showed the message he received from Che Hou "I have proof. This is a message he sent me a few hours ago and there is a history of him calling me a few minutes ago."

Xiao Tian snatched Dan Dan's smartphone and looked at the message. The message stated that Che Hou was the one who paid them and told them when and where they should carry out their plan.

Xiao Tian rose to his feet and walked towards Che Hou after reading the message. All of this was because of Che Hou, so he wanted to teach Che Hou a lesson.

Terror overtook Che Hou's face when he saw Xiao Tian walking towards him. His body started to tremble uncontrollably because Xiao Tian looked so scary at that time.

Dou Shuiro stood in front of her son and spoke, "What do you want to do to my son? Don't you da-"

*Slap...

The sound of Xiao Tian slapping Dou Shuiro's face echoed in the hall.

Because of how hard the slap was, Dou Shuiro instantly fell to the floor. She did not expect that Xiao Tian still dared to slap her in front of everyone.

*Aukkk...

Blood splashed out of Che Hou's mouth when Xiao Tian hit his mid-torso.

*Fell...

Che Hou suddenly found it hard to breathe before finally falling to his knees.

"Agghhh..." Che Hou cried out in pain when Xiao Tian broke his right leg.

After breaking Che Hou's right leg, Xiao Tian grabbed Che Hou by the hair and dragged Che Hou to Long Jingxian's parents.

Long Jingxian and her parents took a step back reflexively when Xiao Tian was close to them.

"He is the mastermind." Xiao Tian felt as if someone was stabbing his heart when he saw their expressions.

He gritted his teeth before he turned around and left. The reason why he left was that he could not bear to see their frightened faces.

Xiao Tian's heart was filled with sadness, and every step he took felt so heavy.

When Xiao Tian disappeared off into the distance, Long Jingxian came to her senses. "Xiao Tian, wait! Don't leave!"

She immediately ran after him.

Chapter 1004 - We Are A Couple

7-8 minutes

Long Jingxian ran after Xiao Tian. At this moment, she realized that she had just done something cruel to Xiao Tian.

Sure, Xiao Tian looked terrifying and did something cruel earlier, but he did it because he wanted to protect everyone.

However, what he got after helping them was something so cruel. Not only did they not thank him, they even looked at him as if he was a devil.

If Xiao Tian was not there, she was sure everything would have been different because Xiao Tian was the only one who dared to fight these delinquents.

'Where are you, Xiao Tian?'

Long Jingxian tried her best to find Xiao Tian.

'I should not have made an expression like that!'

It was the second time Long Jingxian had seen Xiao Tian fight someone.

However, he was not so terrifying like that when Xiao Tian beat Bai Yuzen at her house a few days ago.

That was why she was shocked and frightened when she saw Xiao Tian's terrifying expression.

'Did he go home?'

Long Jingxian got into her car when she could not find Xiao Tian in the parking lot.

As Xiao Tian was on his way to Long Jingxian's house, his face was still filled with sadness. But he did not regret his actions because he managed to protect Long Jingxian and her family.

After arriving at Long Jingxian's house, Xiao Tian got out of the car and sat on the wooden bench under the mango tree.

He shut his eyes and tilted his head back.

'I wanted to win their hearts but the result was the opposite. Sigh! It seems like the goddess of luck is not by my side today.'

Xiao Tian could only sigh when he remembered what had just happened at White Villa.

A desire to torture Che Hou suddenly appeared within him because all of this was because of Che Hou.

"Xiao Tian...." Long Jingxian's voice rang out.

Xiao Tian instantly opened his eyes and turned his head towards the source of the sound.

"Jingxian?" Xiao Tian instantly rose to his feet.

Happiness blossomed within him like the burst of firework when Long Jingxian ran towards him.

Long Jingxian dashed towards Xiao Tian before hugging him tightly. "I'm sorry, Xiao Tian."

"It's fine." Xiao Tian hugged her tightly too.

'Thank god.'

The sadness that filled his heart earlier suddenly disappeared without a trace. He did not care if the others hated him. As long as Long Jingxian still wanted to be with him, he was fine with it.

"Xiao Tian..." Jing Liling, and Long Diyi stopped their footsteps when they saw Xiao Tian and Long Jingxian hugging each other.

'It seems like they have feelings for each other.'

These were the words that appeared on their minds.

"Big brother...." Mu Ai dashed towards Xiao Tian while spreading her arms widely.

Xiao Tian stopped the hug and immediately carried Mu Ai. When he noticed Long Jingxian's parents, he only stood still while looking at them.

Jing Liling and Long Diyi walked towards Xiao Tian before speaking. "Why did you suddenly leave earlier?"

"I thought you did not want to see me, so I decided to leave." Xiao Tian gave an honest answer.

Jing Liling and Long Diyi exchanged a glance with each other. They suddenly remembered what they had done before.

"We are sorry, Xiao Tian." they apologized to Xiao Tian in unison.

Xiao Tian's expression went back to normal before smiling. "It's fine. I could not control my anger earlier so it was not your fault too. I was furious because that thug wanted my lover to serve him in bed earlier."

He suddenly realized what he had just said.

*Silence...

Xiao Tian's words dropped the front yard into a dead silence.

Long Jingxian stared at Xiao Tian. Of course, she knew that Xiao Tian had just slipped his tongue. She then shifted her gaze from Xiao Tian to her parents because she wanted to know their reaction.

Like Long Jingxian, Xiao Tian also looked at Long Diyi and Jing Liling.

To their surprise, Long Diyi and Jing Liling only chuckled. "Hehehe."

Xiao Tian and Long Jingxian were at a loss for words. They looked at each other, confused.

When Jing Liling saw their expression, she immediately said, "Actually, we have guessed it. That's why we are not surprised."

"Yes. The way you two look at each other or how you two treat each other shows everything." Long Diyi added. "So when did you two become lovers?"

"We became lovers two days ago and I was the one who confessed first." Xiao Tian decided to reveal the truth.

Jing Liling covered her mouth and spoke, "Oh! I thought you two had become lovers before visiting us."

"No. We became lovers in this place." Xiao Tian and Long Jingxian replied in unison.

Long Diyi touched Xiao Tian's right shoulder and spoke, "I will leave my daughter and granddaughter in your care from now on. Do not disappoint me."

"Don't worry uncle. I will always make them happy and will never let anyone hurt them until I die." Xiao Tian was telling the truth because they were important to him.

"Judging by your actions earlier, I'm sure you will keep your word." Jing Liling believed Xiao Tian's words.

Xiao Tian did something cruel to Dan Dan because Dan Dan wanted to do something bad to her, so Jing Liling knew Xiao Tian was not lying.

"Oh right, what happened to Che Hou and these thugs?" because Xiao Tian left immediately, he did not know what happened to them.

"We called police and now they are in police station." Long Diyi called the police after Xiao Tian left.

And since they had given evidence to the police, he was sure that Che Hou and those thugs would be imprisoned later.

"I see." The reason why Xiao Tian asked that question was that he would take them to the Blue Ice Lotus gang headquarters if they were not imprisoned.

Yes. Xiao Tian wanted to torture them if they were not imprisoned. But because they were already in the police station, he decided not to do that.

With that evidence, they were sure that Che Hou and these thugs would be imprisoned later.

Jing Liling then carried Mu Ai before speaking, "Jingxian, you don't need to hold back tonight. We will pretend as if we don't hear anything later."

"That's right." Long Diyi added. "Just pretend as if we are not here later."

Jing Liling and Long Diyi knew that Long Jingxian always came to Xiao Tian's room every night.

Xiao Tian was at a loss for words while Long Jingxian suddenly felt embarrassed. They thought they could hide it from Long Diyi and Jing Liling, but they were wrong.

But what made them happiest was that Jing Liling and Long Diyi did not forbid them to have sex in their house.

Long Diyi and Jing Liling even told them that they could have sex as wild as they wanted.

Xiao Tian looked at Long Jingxian before holding her right hand. "How about we go to the waterfall now?"

Long Jingxian understood the reason why Xiao Tian suddenly wanted them to go to the waterfall.

He wanted to have sex with her!

Long Jingxian nodded her head. "All right."

They changed clothes before going to the waterfall.

Chapter 1005 - Ru Guo

7-8 minutes

Xiao Tian and Long Jingxian were currently sitting on a big flat stone with their feet in the water.

Previously, they had sex in the waterfall for an hour. Like yesterday, Long Jingxian acted wildly and moaned loudly.

Ever since her parents accepted her relationship with Xiao Tian, she behaved much wilder when she had sex with Xiao Tian.

She was even half-naked earlier. Yes. Long Jingxian took off her skirt in the middle of sex earlier. Luckily, no one was around them.

"I feel like I'm back in my twenties." Long Jingxian spoke abruptly.

Xiao Tian held her right hand and spoke, "Aren't you still in your twenties?"

Of course, Xiao Tian knew that Long Jingxian was already thirty-three years old, but in his eyes, she looked like she was still in her twenties.

Her stunning body and flawless skin were the proof of it. Xiao Tian was even sure all men would agree with him.

Happiness swelled within her, and a beautiful smile slowly blossomed on her pretty face.

"You also look like you are still in your twenties." Long Jingxian was joking around when she said this.

The corner of Xiao Tian's lips twitched after hearing her words. "It's because I'm still twenty years old. But I'll be twenty-one soon."

"Oh! What do you want as a gift later?" Long Jingxian asked curiously.

"I want you." after saying that, Xiao Tian gave a peck on her lips.

"Sure. I will wrap myself as a gift later." Long Jingxian said jokingly.

"Oh, that's actually a brilliant idea! I really like this idea." Xiao Tian suddenly wanted his women to wrap themselves and present them to him.

"Pervert!" Long Jingxian smiled as she pinched her cheeks.

After talking for about thirty minutes, they decided to go home. However, they saw something unexpected on their way home.

They saw a hit and run accident!

The white car ran away after hitting a young man about sixteen years old.

Luckily, Long Jingxian was a doctor, so she knew what to do. After giving first aid, they called an ambulance.

At that moment, Long Jingxian and Xiao Tian did not know that an old woman saw them helping that pitiful young man.

After that young man's family came to the hospital, Xiao Tian and Long Jingxian left. They were startled when the old woman suddenly stopped them after walking out of the hospital.

"What do you want elder?" Long Jingxian inquired.

"Young woman, I saw you helping that young man earlier. You have a good heart." The old woman, who was about sixty years old, uttered. "You may not believe it, but I'm skilled in both modern and traditional medicine. I want to take you as my student. Do you want to be my student?"

Long Jingxian and Xiao Tian exchanged a glance with each other.

'Is she a crazy person?'

That was the first question that appeared in their minds.

When the old woman saw their expressions, she immediately introduced herself. "Ah! My name is Ru Guo."

The expression of deep shock blossomed on Long Jingxian's face.

'Ru Guo?'

Long Jingxian suddenly remembered a very famous doctor who was skilled in both traditional and modern medicine.

Rumor had it that she also knew about poison and many other things. She even got the title of Goddess of Medicine because she could heal everything.

People said that as long as Ru Gou wanted to cure someone, grim reaper would not be able to do their job.

When Xiao Tian saw Long Jingxian's face, he was started. "Jingxian, what's wrong?"

Of course, Xiao Tian did not know anything about Ru Guo. That was why he wanted to understand why Long Jingxian was suddenly shocked like that.

"I agree." Long Jingxian spoke after coming to her senses. "I agree to be your student."

Xiao Tian was even more shocked after hearing Long Jingxian's words.

'Eh!'

Xiao Tian did not get her train of thought.

"Jingxian, why did you agree to be her student?" Xiao Tian asked curiously. "We don't know anything about her, so I think it's not a good idea to agree immediately."

Ru Guo suddenly appeared before them and said she was skilled in both traditional and modern medicine.

In his view, Ru Guo's behavior was suspicious. But what he could not believe the most was that Long Jingxian immediately agreed to become her student.

"She was a very famous doctor in the past." Long Jingxian gave an honest answer.

Xiao Tian shifted his gaze from Long Jingxian to Ru Guo.

'Very famous doctor?'

At this moment, he doubted that Ru Guo was a famous doctor.

"Good!" Ru Guo nodded her head. "Let's go to the nearest tea shop. This is not the right place to talk."

Ru Guo knew that Xiao Tian still doubted her, but she did not show the slightest care about it because her primary purpose was to take Long Jingxian as her student.

Then they went to the nearest tea shop. Coincidentally, there was a tea shop not far from the hospital.

"I will accept you as my student now but you can't tell anyone about this." Ru Guo spoke abruptly. "You have to act as if you never know me."

Currently, Long Jingxian, Xiao Tian and Ru Guo were sitting on the couch. Long Jingxian was sitting on his right side while Ru Guo was sitting on the opposite side of Long Jingxian.

"Why?" Long Jingxian asked curiously.

"Because it will endanger your life and those you care about." Ru Guo gave an honest answer. "How is it? Do you still want to be my student?"

At this moment, Long Jingxian was wavering. Of course, she wanted to be Ru Guo's student because it was an excellent opportunity to be a better doctor.

Long Jingxian was sure that she could be an amazing doctor if she became Ru Guo's student because Ru Guo was someone who got the title of Goddess of Medicine.

However, she didn't want to put her life and those she loved in danger.

'Which one should I choose? This is a good opportunity to be a better doctor, but I don't want to put people I love in danger.'

Long Jingxian could not make up her mind.

When Xiao Tian saw the expression on Long Jingxian's face, he immediately held her hands and spoke, "Jingxian, no matter what happens, I will protect you, so just do as you please."

Long Jingxian was one of his women, so he would protect her.

Ru Guo was amazed by Xiao Tian's words. "You have a good boyfriend."

Long Jingxian looked at Xiao Tian without saying a single word. She was touched by Xiao Tian's words and believed that he would protect her later.

However, she still did not want to put the people she cared about in danger.

Long Jingxian looked at Ru Guo and asked, "Can you give me a day to think about this?"

"All right." Ru Guo replied instantly. "But remember. You have to keep everything a secret."

"All right." Long Jingxian replied.

They then left.

After arriving home, Xiao Tian spent time with Long Jingxian's parents. Because Mu Ai was sleeping with Long Diyi and Jing Liling, Long Jingxian came to Xiao Tian's room faster than usual.

Long Jingxian entered Xiao Tian's room before locking the door and taking off her clothes.

Chapter 1006 - Revealing Everything

7-8 minutes

Inside the medium-sized bedroom, two people were naked on the bed.

The young man was lying on his back with a gorgeous lady on top of his body. His right hand was stroking the mature lady's hair gently while his other hand was on her back.

As for the mature lady, she was resting on top of the young man's body while drawing a circle on his chest with her right index finger.

These two people were none other than Xiao Tian and the hot MILF, Long Jingxian.

After Long Jingxian entered Xiao Tian's room, they instantly took off her clothes. They did not waste time and immediately had wild sex for two hours straight.

As usual, both of them were satisfied and had an orgasm a few times. They stopped having sex when they were already satisfied.

Because it was still raining, Xiao Tian and Long Jingxian decided to cuddle while still naked. Yes, they were still naked.

When Xiao Tian saw Long Jingxian's face, he immediately asked, "Are you thinking about Ru Guo's offer?"

"Yes. I'm thinking whether I should accept it or not." Long Jingxian was thinking about the advantages and disadvantages.

She really wanted to be a better doctor, but at the same time, she did not want to put the people she cared about in danger.

"Jingxian, if you want to be her student, just accept it. Don't worry. I will always protect you later." Xiao Tian said while still caressing her hair gently.

"I wonder why she said my loved ones would be in danger if other people found out that I studied medicine from her? Does she have many enemies?" Long Jingxian had asked this question before, but Ru Guo was unwilling to answer.

"You said she was skilled in medicine, poison, and many other things, so I'm sure a lot of people envied her abilities. Maybe one of them, who doesn't like her talent, wants to kill her." Even though it was dangerous, Xiao Tian still encouraged her to become Ru Guo's student.

If Long Jingxian could master all of Ru Guo's skills, she would be of great help to him.

All this time, Xiao Tian always met Zhao Sheng if he needed poison or other things, so he did not need to depend on Zhao Sheng anymore if Long Jingxian could master all of Ru Guo's skills.

Long Jingxian stared at Xiao Tian without saying a single word. Now that she had divorced Mu Cheng, Xiao Tian was the only person who could help her besides her parents.

"What if we break up later? Who will protect me and little Ai later?" sure, Xiao Tian would protect her and her daughter because they were lovers now.

However, she was afraid that no one would protect her and her daughter if she later broke up with Xiao Tian.

At that time, not only would she put herself in danger, but she would also put her daughter and parents in danger.

"Jingxian, I have said this before." Xiao Tian spoke and paused for a second before he continued, "I will never want us to break up because I want you to be my future wife."

Like Long Jingxian, Xiao Tian also fell in love with her deeper every day. His love for Long Jingxian was equal to his love for his other women.

"You said this because we just became lovers." Of course, Long Jingxian did not doubt his words, but they did not know the future of their relationship. "Mu Cheng and I also promised like this in the past, but look at us now. He is no longer my husband now."

"What if I said that I would never let you go." Xiao Tian replied instantly. "I'm a possessive person. I will never let you go after you become my lover."

Long Jingxian could not say anything. She also wanted to be together with Xiao Tian forever, but they were human beings. They did not know what would happen to them in the future.

"To prove that I really want to be with you forever, I will reveal everything about me now." after saying that, Xiao Tian revealed everything to Long Jingxian.

Sure, his decision was dangerous, and he could lose Long Jingxian later. However, he still revealed everything because he really wanted to be together with her forever.

Xiao Tian began to tell her that he had more than one girlfriend. He also revealed his relationship with his mother and aunt.

Long Jingxian was shocked, especially when she found out about his forbidden relationship with his mother and aunt.

"I see." Long Jingxian said after hearing everything.

"You won't leave me because of this, right?" Xiao Tian inquired.

"No." Long Jingxian replied. "Because they have accepted your polygamous relationship, I will do the same. But you have to keep loving me and little Ai."

Xiao Tian embraced her tightly. "Thank you."

"So you mean, Qing Feng is your other identity?" Long Jingxian asked.

"Yes." Xiao Tian gave an honest answer. "Eternal Beauty company is my company."

"You are amazing, Xiao Tian." Long Jingxian praised Xiao Tian. "You are still young but you already have three companies and one big restaurant."

"How can I provide my girlfriends if I am not rich?" Xiao Tian replied, "And my dream is to become the richest person in China."

"Then, I will be the wife of the richest man in the future." Long Jingxian believed that Xiao Tian could become the wealthiest person in the future.

"Yes. How about you live together with us later? My other women also want you to live together with them, you know?" since this was the perfect time to bring up this topic, Xiao Tian decided to ask her to live with him.

"All right. But I want to meet them first." Long Jingxian also did not want to live in her house anymore because she always remembered Mu Cheng.

"Good!" Xiao Tian smiled happily. "I will introduce you to them after we return later."

"Un." Long Jingxian nodded her head.

"I'm sure little Ai will be happy because she will have an older sister later." Xiao Tian believed that Mu Ai could get along with Feng Yu later.

"I hope so." Long Jingxian replied.

"So how is it? Do you agree to become Ru Guo's student?" Xiao Tian inquired.

"Yes. I have decided to be her student later." because Xiao Tian had promised to protect her forever, Long Jingxian agreed to be Ru Guo's student.

She also promised herself to master all of Ru Guo's skills as quickly as possible so that she could support Xiao Tian in the future.

Xiao Tian's dream was to become the wealthiest person in China, so she was sure he would have many hurdles later.

If she could master all of Ru Guo's skills, she would not just be a burden to Xiao Tian later.

That night, they talked until 11:00 pm before finally, they fell asleep. Unlike usual, where she returned to her room at 03:00 am, this time, Long Jingxian kept sleeping with him.

Mu Ai was sleeping with her parents, so she could spend more time with Xiao Tian.

Chapter 1007 - Secret Place

8-9 minutes

The following morning, Xiao Tian accompanied Long Jingxian to meet Ru Guo.

They met at the same place, but they immediately went to Ru Guo's house because it was not the right place to talk about something important.

Ru Guo's house was located in a remote area. It wasn't easy to find her house because her home was hidden between trees.

Yes. Her house was located in the southwest part of Wushang city. It was a place where most of the areas were forest and mountains.

'What?! This is her house?!'

Ru Guo was pretty famous in the past, so Long Jingxian was shocked when she saw Ru Guo's house.

Her house was small and made of wood. There was not a single luxurious thing to be found in her house. Like Lian Xun's house, there were no houses around her house.

Even though Xiao Tian was also startled, he did not show it on his face.

'Damn! Did we go back to the ancient times?'

Because Ru Guo's house was like these in ancient times, Xiao Tian suddenly thought they went back to the ancient times.

As Long Jingxian and Ru Guo were talking inside the house, Xiao Tian stood in front of the house and enjoyed the beautiful scenery.

To his surprise, Ru Guo and Long Jingxian suddenly came out of the house.

"Xiao Tian, follow us." Long Jingxian spoke abruptly.

They then went to the deep forest. After walking for about twenty minutes, they finally reached their destination.

'What are we going to do in the cave?'

Currently, Xiao Tian and the others were standing in front of the cave.

The cave was not big and also challenging to find because it was hidden between the trees.

"Come in." Ru Guo still did not tell them the reason why she brought them to the cave.

They then entered the cave. Even though Xiao Tian and Long Jingxian wanted to know as to why Ru Guo brought them to the cave, none of them said a word.

They only exchanged a glance with each other as if they were communicating through their eyes.

'Let's just follow her for now.'

To their surprise, there was a hidden door inside the cave. Xiao Tian and Long Jingxian did not expect this.

After entering the hidden door, Ru Guo started to light all the oil lamps which were hanging on the walls and the tables. "This is my secret place. All the knowledge I have in my entire life is in this place."

Xiao Tian saw giant bookshelves full of books on each side of the room.

'Damn! There are so many book in this place!'

Due to how many the books were, Xiao Tian believed it was more than four hundred books in that room.

Apart from a large bookcase full of books, there were only three wooden chairs and one table in that room.

Ru Guo then looked at Long Jingxian and spoke, "Jingxian, I want you to study all the books here."

"All right." Long Jingxian wanted to master all of Ru Guo's skills, so she accepted it immediately.

"Good! Remember, don't tell anyone about this place." After saying that, Ru Guo looked at Xiao Tian. "Young man, I hope you won't tell about this place to anyone too."

"All right." Xiao Tian nodded his head.

As Ru Guo was discussing medicine with Long Jingxian, Xiao Tian stood in front of the bookcase.

'This is....'

Xiao Tian was surprised when he found a book that could help martial artists strengthen their bodies.

When Ru Guo noticed Xiao Tian holding a book, she immediately spoke, "That book is indeed for martial artist. It can help any martial artist strengthen their bodies faster than normal."

"Are there any side effects later?" Xiao Tian inquired.

"No." Ru Guo replied instantly. "That medicine can only help martial artists strengthen their bodies faster than normal, but it would be useless if they only used the medicine without training their bodies. In other words, it all depends on whether you train your body or not."

"I see." Xiao Tian nodded his head.

"You are a martial artist, right? It's easy to use that medicine. You just need to put it in the bath and soak thirty minutes every day for a month." Ru Guo knew that Xiao Tian was a martial artist. "That medicine can increase your strength faster if you practice martial arts and soak every day."

Xiao Tian was pleased after hearing her words.

His speed and reflexes were already in the category of the high-level master stage, so he could become a high-level master stage martial artist faster if he used that medicine.

'This book can help me break through to the high level master stage faster! Lucky!'

His heart was filled with happiness.

He walked towards Ru Guo before speaking, "Can you make this medicine for me? I will accept any conditions from you later."

"I don't have the ingredients to make that medicine. And I think it's better if you ask your lover to make one for you." Ru Guo knew that Xiao Tian and Long Jingxian were lovers because she could tell everything from their behavior.

Xiao Tian shifted his gaze from Ru Guo to Long Jingxian. "Jingxian, can you make this medicine for me later?"

"All right. I will study it later." Xiao Tian was her lover, so Long Jingxian would do anything to help him become the richest or strongest person in China.

She did not want to be a useless lover who only used his money, so Long Jingxian would do anything to help him in the future.

"Good!" if Ru Guo were not with them, Xiao Tian would have kissed Long Jingxian earlier.

'It seems like I will depend on her in the future.'

He added in his mind.

Long Jingxian then shifted her gaze from Xiao Tian to Ru Guo. "Teacher, how did you create that medicine?"

This was the first time she knew of a medicine that could help martial artists.

Sadness flashed across her eyes for a second. "Don't ask this question."

'And I should not create this medicine in the past.'

She added in her mind.

As Long Jingxian and Ru Guo were talking about medicine, Xiao Tian went through the books again, hoping that he would find a book that could help him achieve his goals later.

'Sigh!'

Xiao Tian sighed because there was no book for martial artists.

All the books were about medicine, poison, and many other things. Sure, it would be useful for him, but he did not understand any of them.

'Well, Jingxian will study all of these books later, so I don't need to memorize them.'

Happiness glowed inside him when he remembered that Long Jingxian would study all of these books later.

Because Long Jingxian and Ru Guo were talking seriously, Xiao Tian walked out of the cave. He then sat on the cliff, looking at the forest in front of him.

To his surprise, Ru Guo suddenly appeared behind him not long after that. "What are you doing here?"

Xiao Tian turned his head towards her before answering. "I just want to enjoy the scenery. Why are you here? Where is Jingxian?"

After sitting next to him, Ru Guo replied, "She is studying inside the cave now."

"I see." Xiao Tian replied.

"You are lucky, Xiao Tian." Ru Guo stated. "Your lover is a smart woman, so I'm sure she can master everything later."

Ru Guo was pleasantly surprised when she found out that Long Jingxian was an intelligent woman. She only explained once, and Long Jingxian could already understand it.

"Of course, because she is my lover!" actually, Xiao Tian had no idea whether Long Jingxian was a clever woman or not.

All he knew was she was a doctor who loved her daughter dearly. Xiao Tian also never cared whether Long Jingxian was a smart lady or not because the most important thing was that they love each other.

"How long have you two been together?" Ru Guo asked curiously.

"Only a few days." Xiao Tian gave an honest answer.

"Ah!" Ru Guo thought Xiao Tian and Long Jingxian had been together for a long time. "I hope you two will be together forever."

"That's what I want too." Xiao Tian replied.

As Xiao Tian was looking at the beautiful scenery in front of him, Ru Guo suddenly did something unexpected to him.

Chapter 1008 - Ru Guo Comes To Long Jingxian's House

6-8 minutes

As Xiao Tian was looking at the beautiful scenery before him, Ru Guo suddenly did something unexpected to him.

She suddenly cupped his face and looked at him in the eyes!

Xiao Tian was startled.

He was at a loss for words.

He did not expect her to do something like that to him. But what surprised him most was that she looked at him lovingly.

No. It was not an expression like she was in love with him, but an expression like he was her missing family.

'Why is she cupping my face? Does my face resemble one of her family? And from her expression, it seems like that person is very important to her.'

Countless questions appeared in his mind.

Because Ru Guo was still cupping his face, Xiao Tian asked curiously, "Why are you cupping my face? Does my face resemble one of your family?"

Ru Guo instantly removed her hands from Xiao Tian's face. "Yes. You two have very similar faces, so I suddenly remember him when I see you."

"Who is that person?" Xiao Tian asked curiously. "And why don't you meet him if you miss him?"

"He is my friend's son, but I already think of him as my son." Ru Guo gave an honest answer. "And the reason why I didn't see him was that I did something bad to him in the past. Something I regret until now."

Sadness filled her heart when she remembered that person. They were very close to each other in the past, but everything changed after she did something terrible to him and his family.

At this moment, memories of what they had done in the past suddenly appeared in her head.

"Aunt Ru, what are you doing?" a cute kid asked curiously.

Another memory flashed through her mind.

"Aunt Ru, you should not work too hard like this. You have to rest too." the kid said with a worried face. "How about you play with me now?"

Another memory appeared in her mind.

"Aunt Ru, I just returned from Beijing." The kid then showed the gift that was in his tiny hands. "I bought a gift for you. How is it? Do you like it?"

Another memory flashed through her mind.

"Aunt Ru, happy birthday!" the kid said with a big smile on his face.

He was holding a birthday cake in his little hands, and a birthday present was hanging on his right arm.

Tears fell down her cheeks when these memories appeared in her mind. Ru Guo could not control her emotion.

When Xiao Tian saw her tears, he knew that she really loved that person.

'Maybe I can help her later.'

With that idea in mind, Xiao Tian spoke, "Can you tell me the name of that person? Maybe I can help you find him and make up with him later."

"No." Ru Guo wiped off her tears. "It's better if we don't see each other anymore."

"Why?" Xiao Tian did not understand her feelings. "You really want to meet that person, so why did you say something like this?"

Ru Guo rose to her feet and spoke, "Let's return to the cave now."

Xiao Tian stared at her before standing up.

'She doesn't want to tell me the reason.'

He decided not to ask more questions.

Not long after that, Xiao Tian and Long Jingxian went home. Ru Guo said they were not allowed to come to her house again no matter what.

It was not like she did not want to welcome them, but it was dangerous if her enemy saw them later.

Ru Guo said she would go to the cave every day, so they could meet there later. Xiao Tian and Long Jingxian agreed because they could understand everything.

After arriving at Long Jingxian's house, Xiao Tian called his mother and told her that he would not go home tomorrow.

Like usual, Long Jingxian came to his room again in the middle of the night. They had sex for about two hours before finally, they slept.

The following morning, Xiao Tian and Long Jingxian went to her parents' rice fields before traveling to the cave.

They did not take Mu Ai with them again because it was dangerous for her to be with them.

Like yesterday, Xiao Tian sat on the edge of the cliff again when Long Jingxian and Ru Guo were discussing medicine.

To his surprise, Ru Guo sat next to him again. This time, she was not alone. She came with Long Jingxian.

"Even though the age difference between you two is quite big, but in my eyes, you two are perfect for each other." Ru Guo stated. "I hope you two will be together forever."

"I hope so." Xiao Tian and Long Jingxian spoke in unison.

They really wanted to live together forever because they loved each other and already felt comfortable with each other.

Due to how enjoyable their conversation was, they did not realize that they had been talking for about an hour.

Because it was already 05:00 pm, Xiao Tian and Long Jingxian had to return home.

"Teacher, how about you come to my house? I want to introduce you to my parents." Long Jingxian spoke abruptly.

"....All right." It took Ru Guo three seconds before answering Long Jingxian's question.

They then went to Long Jingxian's house. Long Jingxian introduced Ru Guo to her family.

Her parents welcomed Ru Guo warmly because she was their daughter's teacher. At night, they decided to make a bonfire in the front yard.

Ru Guo looked at Long Jingxian's parents and spoke, "It seems like Jingxian and Xiao Tian love each other. Even though the age difference between them is quite big, I hope that you two will continue to support them in the future."

"Yes. We will keep supporting them." Long Diyi and Jing Liling replied in unison.

Xiao Tian was a kind, young, good-looking and successful person, so in their view, he was a perfect candidate to be Long Jingxian's future husband.

"Good!" Ru Guo was pleased after hearing their words.

"And thank you for accepting my daughter to be your student." Long Diyi knew how famous Ru Guo was.

Previously, he found it hard to believe that Ru Guo accepted her daughter to be her student. At this moment, he was sure that her daughter would become a famous doctor in the future.

"Yes. Thank you for accepting my daughter to be your student." Of course, Jing Liling also knew who Ru Guo was.

Even though they lived in a small city, they knew who Ru Guo was because Ru Guo was pretty famous in China.

"You don't need to thank me." Ru Guo replied, "She has a kind heart and is also smart. That's why I want her to be my student."

Long Jingxian could not help but be happy when a famous doctor like Ru Guo praised her.

'I will do my best to master her skills as quickly as possible.'

Determination flashed across Long Jingxian's eyes.

They talked for about two hours before finally Xiao Tian and Long Jingxian sent Ru Guo home. Like usual, Long Jingxian came to Xiao Tian's room in the middle of the night.

They had sex for about an hour and a half before finally stopping.

Chapter 1009 - Can I Hug You?

7-8 minutes

Like usual, Long Jingxian rested on top of Xiao Tian's body after having sex with him. "Thank you, Xiao Tian."

"Mm? Why are you thanking me?" Xiao Tian did not understand her words.

'Did I do something for her? But what is it?'

He wanted to know as to why Long Jingxian suddenly thanked him like that. Of course, it still made him happy, but he wanted to know the reason.

"I never thought that meeting would change my life completely." Long Jingxian was telling the truth. "My life has gotten much better since I met you."

Ever since she met Xiao Tian, her days had become more colorful, and she felt as if the goddess of luck was always by her side.

First, she could solve all her problems with her ex-husband and Bai Yuzen. Second, his daughter was never sad again. And third, Ru Guo accepted her as her student.

Ever since she met Xiao Tian, Long Jingxian's life changed completely as if Xiao Tian was a source of luck and she could get a lot of luck just by his side.

"I'm glad I can make your life so much better." Even though Xiao Tian still had no idea what he did to her, he did not mind it.

'It seems like she really loves me now. Hehe. I will make her can't live without me later.'

He added in his mind.

"Xiao Tian, does my presence make your day more beautiful?" Xiao Tian had made her life more colorful, so Long Jingxian wanted to know whether her presence made Xiao Tian's day more colorful or not.

Xiao Tian's face broke into a soft smile as he looked at Long Jingxian lovingly. "Yes. Your presence makes my life more colorful. I feel like the luckiest person to have such an amazing lover that you like."

'Especially when you visit my room in the middle of the night.'

Xiao Tian's pervert side chuckled in his head.

Happiness danced through her thoughts after hearing his words.

'I'm glad he feels the same way.'

Long Jingxian made a circle on Xiao Tian's chest again.

They talked for about twenty minutes before finally, they fell asleep. The following morning, Xiao Tian and Long Jingxian went to the cave after having breakfast.

Like usual, Long Jingxian studied medicine under Ru Guo's guidance. Ru Guo told Long Jingxian about all the important things when making medicines, poisons and so on.

But unlike yesterday, Ru Guo only taught Long Jingxian for about forty minutes before finally they stopped and headed to the cliff again.

"Oh right, how did you two end up being lovers?" Ru Guo suddenly wanted to know how Xiao Tian and Long Jingxian ended up being lovers.

Xiao Tian and Long Jingxian exchanged a glance at each other. They did not expect her to ask such a question.

Since there was nothing to hide about their relationship, Xiao Tian started to tell everything. "It's like this..."

Xiao Tian told Ru Guo how he met Long Jingxian. He also said he helped Long Jingxian from her ex-husband and thugs.

"I see." After saying that, Ru Guo shifted her gaze from Xiao Tian to Long Jingxian. "So doesn't that mean he is your white knight?"

"Yes." Long Jingxian replied as she nodded her head. "I did not know what would happen to me and my daughter if Xiao Tian were not there for us."

Every time Long Jingxian remembered it, she always felt grateful to Xiao Tian. This was also the reason why she was in love with him.

"Oh right, Xiao Tian. Do your parents know about your relationship with her?" Ru Guo asked curiously.

"Yes." Xiao Tian nodded his head. "My mother knows about my relationship with her."

"What about your father?" Ru Guo asked again.

"I haven't met him since I was little so it doesn't matter whether he agrees or not because no matter what happen, I won't leave Jingxian." His father never visited him, so Xiao Tian did not care about his opinion if they met later.

Ru Guo's face turned sad before speaking, "It seems that you also have a difficult life."

"It's fine. I'm used to it now." Xiao Tian did not care about it anymore.

They then talked about many things again. Like yesterday, Xiao Tian and Long Jingxian decided to go home at 04:40 pm.

But Ru Guo suddenly asked something unexpected before they went home.

She wanted to hug Xiao Tian!

Xiao Tian and Long Jingxian were startled.

"Sure." it was only a hug, so Xiao Tian did not mind it.

At this moment, Xiao Tian was sure it was because Ru Guo missed that person, someone who had a similar face to him. That was why she suddenly wanted to hug him.

Without waiting for another second, Ru Guo instantly embraced Xiao Tian. She hugged him tightly as if it were their last meeting.

As she was hugging Xiao Tian tightly, tears suddenly fell down her cheeks. Several memories also appeared in her head.

"Aunt Ru, don't be sad." A cute kid said after hugging her. "I would protect you after I grew up later. I will never let anyone hurt you again."

Xiao Tian hugged her back.

'It seems like she really misses that person.'

Xiao Tian decided that he would ask about this matter to Lan Ruoxi and Zhao Sheng after he returned later.

Ten seconds...twenty seconds...thirty seconds...

It had been thirty seconds, but Ru Guo showed no sign of stopping.

Her action made Long Jingxian curious.

'Why do I feel like the teacher misses someone?'

That was the question that appeared in her mind.

After stopping the hug, Ru Guo immediately wiped off her tears. "Sorry. I could not control my emotion."

"It's fine." Xiao Tian replied as he smiled. "Then we will go home now."

"Yes. Be careful on the road." Ru Guo uttered.

"Un." Xiao Tian nodded his head.

Ru Guo kept looking at them until Xiao Tian and Long Jingxian disappeared off into the distance.

On the way home, Long Jingxian asked about Ru Guo's behavior. Xiao Tian then told her everything. He said that Ru Guo missed someone who had a similar face to him.

"I see." Long Jingxian finally understood everything. "Can you help her meet that person later?"

Ru Guo was her teacher, so Long Jingxian wanted to help Ru Guo meet that person.

"Un." Xiao Tian also felt sorry for Ru Guo, so he decided to help her later.

After arriving home, Xiao Tian and Long Jingxian immediately took a shower. As usual, they made a small bonfire in the front yard at 07:30 WIB.

Wushang City, Ru Guo's House.

On the terrace of a small wooden house, an old woman was sitting in a rocking chair. Her old face was filled with sadness as she looked up at the night sky.

Even though the night sky was so beautiful, that old woman's heart was still filled with sadness.

That old woman was none other than Ru Guo!

As Ru Guo was looking at the sky, three people suddenly appeared in front of her. They were all wielding weapons, and killing intent emanated from their bodies.

"We finally found you, Ru Guo!" one of them spoke.

Chapter 1010 - Xiao Family's Dogs

7-8 minutes

"We finally found you, Ru Guo!" the silver-eyed young man uttered.

Ru Guo shifted her gaze from the night sky to these young men who were standing in front of her. She was not scared or panicked.

She even still behaved normally as if they were her friends.

'So, they have found me again, huh?'

Ru Guo knew who these young men were.

Xiao family's dogs!

Yes. These young men were the dogs of the famous Xiao family, and they came with only one purpose.

It was to kill her!

It was not the first time they tried to kill her. That was why Ru Guo still behaved normally.

"What a surprise! I thought you would run away again!" the red-eyed young man was startled when Ru Guo kept sitting on the rocking chair.

"I'm already old, so I can't keep running away from you." Ru Guo knew there was no place to hide anymore.

That was why she did not run away again. They had been playing hide and seek for three years, and she was also tired of it.

"Why did you betray the Xiao family?" the silver-eyed man asked coldly.

Ru Guo was one of the most important pawns of the Xiao family. She was in charge of one of the Xiao family's important projects.

"Betray the Xiao family? I did not betray them! if it were not for my younger brother, I would not want to work for them." like before, Ru Guo answered calmly. "Now that my younger brother has passed away, there is no reason for me to continue working for them."

"Do you know the consequences of your actions?" the silver-eyed young man asked coldly.

"I know and I don't care about it." Of course, Ru Guo knew the consequences.

'I'm tired of living like this too.'

She added in her mind.

"I see. Then you can die now!" the silver-eyed man unsheathed his sword before rushing towards Ru Guo.

*Stab...

The silver-eyed young man stabbed his sword into Ru Guo's chest.

*Drip...

Blood dripped down from the corners of Ru Guo's mouth.

'Young master Xiao, I will go forever now. I'm sorry for betraying you and your family in the past. I really did not want to do that, but I had no other option.'

There were only two people that she loved dearly. First, it was her younger brother and the second, it was Xiao Tian.

Ru Guo and her younger brother were orphans before Xiao Tian's father and mother took them to the Xiao family.

Since her younger brother suffered from a terminal disease since little, Ru Guo decided to be a doctor, hoping that she could cure her younger brother's terminal illness.

Even though she got the title of Goddess of Medicine, she still could not cure her younger brother's terminal disease.

When she tried her best to find a medicine to cure her younger brother, Xiao Tian was the only person who could make her smile and feel alive.

Sure, Xiao Tian's parents treated her well, but Xiao Tian was the only one who could touch the deepest part of her heart.

His adorable behavior, his cute face and his caring attitude made Xiao Tian become the only sun in the dark world.

Ru Guo's world always turned from hell to heaven every time Xiao Tian was with her. He always managed to make her smile with his cute behavior.

For this reason, Xiao Tian was the only one who she loved dearly beside her younger brother.

'I'm sorry, young master Xiao.'

Actually, Ru Guo did not want to betray Xiao Tian and his family.

The other members of the Xiao family took her younger brother as a hostage and ordered her to betray Xiao Tian and his family.

Ru Guo loved Xiao Tian and her younger brother dearly, but she had to choose one of them.

Since her younger brother was the only person of the same blood as her, Ru Guo chose her younger brother over Xiao Tian.

Yes. She was the reason why Xiao Tian did not remember most of his childhood life. She put a medicine that could make him forget all of his important memories.

Actually, Ru Guo did not want to do this because she loved Xiao Tian dearly. But because of how deep her love was for Xiao Tian, she decided to do this.

There were several reasons for this. First, she wanted him to forget her. Second, she wanted him to forget his childhood nightmare.

Xiao Tian had a lot of bad memories when he was little.

It was because the other members of the Xiao family started to hate him when his father was chosen to inherit the most important position in the Xiao family businesses.

And Xiao Tian was the reason why she chose Long Jingxian to be her student. Yes. She lied when she said she chose Long Jingxian because Long Jingxian was kind and smart.

She chose Long Jingxian because Long Jingxian was Xiao Tian's lover. With Long Jingxian mastering all of her skills, she hoped Long Jingxian could protect and help Xiao Tian forever.

She could not teach him all of her skills because of the promise between Xiao Tian's father and the Xiao family.

The Xiao Family had never touched Xiao Tian until now because of the promise between Xiao Tian's father and them. Otherwise, everything would be different now.

*Huak...

Blood splashed out of Ru Guo's mouth.

At this moment, several memories suddenly appeared in her mind.

"Aunt Ru, I just returned from Beijing." Little Xiao Tian showed her a gift. "I bought a present for you. How is it? Do you like it?"

Another memory flashed through her mind.

"Aunt Ru, are you sick? Wait here. I will call my dad and mom." After saying that, little Xiao Tian left to find his mother and father.

Another memory appeared in her mind.

"Aunt Ru, you should not work too hard like this. You have to rest too." little Xiao Tian said with a worried face.

Another memory flashed through her mind.

"Aunt Ru, let's play together." little Xiao Tian grabbed Ru Guo's right hand before dragging her to the amusement park.

'Young master Xiao...'

Tears rolled down her old cheeks.

'Ru Ming, I will see you soon. We can finally reunite after so long.'

With that last thought, Ru Guo's breathing stopped forever.

Long Diyi's house, Xiao Tian's room.

"Huft...Huft...Huft..." Xiao Tian, who was sleeping, suddenly opened his eyes and breathed heavily.

'What is this feeling? Why does my heart hurt like this?'

Xiao Tian then called all his women and asked whether they were fine or not. When he found out that all of them were fine, he immediately hung up the phone.

'What is this?'

He still did not know why his heart suddenly hurt so much. It was as if someone was squeezing his heart continuously.

Long Jingxian, who was sleeping on top of his body naked, suddenly woke up and inquired, "What's wrong, Xiao Tian?"

Xiao Tian embraced her and replied, "It's nothing. I just had a nightmare."

He could not tell her about it because he did not know the reason why his chest hurt like that.

Long Jingxian kissed Xiao Tian's lips before speaking, "It's only a bad dream. You don't need to think about it."

"Un." Xiao Tian stroked her hair gently.
