Chapter 101 - It Looks Tasty

"Wow. It looks tasty" Xiao Tian stated after looking at the food

Xiao Tian took the spoon to get a taste. "It's delicious!" Xiao Tian's eyes gleamed after tasting food.

'Why is my food have bad taste? Is it because I don't have talent in cooking? Or is it because mother and aunt cooking every day? Should I learn how to cook?'

Xiao Tian suddenly wanted to learn how to cook because he thought if he can cook, he will look more charismatic and handsome in women's eyes, and he was sure that women would be happy if their boyfriend can cook food for them.

I'm busy right now and don't have time to learn it, but I'm not going to give up, I will learn how to cook if I have time in the future. Xiao Tian thought to himself

"Thank you." Ye Qingyu said as she smiled.

"Tian, eat more so you will have energy to work today." Ye Xueyin added more rice and vegetable on her son's plate.

"Un. Thank you, mother. I will eat a lot." Xiao Tian immediately ate the vegetable which his mother had just added on his plate.

Ye Qingyu and Ye Xueyin were delighted when they saw Xiao Tian eating the food with a smile on his face.

At that time, they ate breakfast happily. Xiao Tian headed to his bedroom after eating breakfast because he wanted to go to his company immediately.

After bathing and giving his mother and aunt a kiss on their cheeks, Xiao Tian went to his company.

Xiao Tian immediately headed to his office after arriving at his company. Because he arrived at his company early, there were only him and the securities at that time.

Xiao Tian immediately took the document and began reading it. When he was reading the material, he suddenly heard someone knocking on the door.

"Come in," Xiao Tian said while still reading the document.

"Little brother, you're early today," Shi Fei thought she would be the first one to arrive at the company, but she was wrong because the security told her that the CEO had come and was in his office.

"Fei, why did you come this early?" Xiao Tian was surprised after hearing her voice. It was still 07.00 am. It was still not working time, and yet she had arrived at the company.

She is so diligent. I will give her a bonus on payment day. Xiao Tian thought to himself

"Little brother, do you want to drink a coffee or tea?" Shi Fei immediately offered a drink after seeing there was no drink on Xiao Tian's workbench.

Xiao Tian stopped reading the document and answered, "Get me a tea, please."

"Alright," Shi Fei immediately headed to the kitchen to make tea for Xiao Tian.

Xiao Tian then continued reading the documents. The documents contained about the development of the company.

Once again, someone knocked on the door when Xiao Tian was reading the documents.

When Xiao Tian saw the person who entered his office, his face broke into a soft smile. "Little Xue, you're early today? "

"Good morning, Tian," Lin Xing Xue said after she was in front of Xiao Tian. After placing some documents on Xiao Tian Workbench, she sat on the couch.

"Good morning, Little Xue," Xiao Tian answered.

Xiao Tian rose from his seat and walked toward Lin Xing Xue before seating next to her.

Not long after that, Shi Fei entered Xiao Tian's office with green tea.

"Xue, you're early today" Shi Fei was surprised when she saw Lin Xing Xue sitting on the couch.

"Un. I didn't know that both of you arrived at the company this early" the reason Lin Xing Xue arrived at the company early was that she has some extra work at the company.

"I have some extra work today. That's why I came to company early" Xiao Tian answered

"Me too," Shi Fei replied.

After they finished their work, they went to the building that Xiao Tian had rented for his shop later.

Shi Fei and Lin Xing Xue were pleasantly surprised when they knew that the building was in a strategic location. They didn't expect that Xiao Tian would get a strategic place for his first shop.

With the shop in a strategic location, coupled with how good the quality of the clothes was, Shi Fei and Lin Xing were sure that selling clothes in the shop will be in demand. They then entered the shop to prepare everything for recruitment tomorrow.

When they were done with preparations, they immediately left.

After bringing Lin Xing Xue to her house and, of course, getting a goodbye kiss from Lin Xing Xue, Xiao Tian wanted to take Shi Fei to her apartment.

After taking the bus for about fifteen minutes, they finally arrived at Shi Fei's apartment. Xiao Tian wanted to go home immediately, but Shi Fei suddenly grabbed his shirt.

Turning his head, Xiao Tian looked at Shi Fei and said, "What is it, Fei?"

"Little brother, Why do you want to go home immediately?" it had been a while for Xiao Tian to come to her apartment. The last time Xiao Tian in her apartment was when they made dresses for Yun Xin Er's live concert. After that, Xiao Tian never came to her apartment again.

That was why when Shi Fei saw that Xiao Tian wanted to go home, she immediately grabbed his shirt, hoping that he would come to her apartment before going home.

"Do you want me to get in your apartment?" Xiao Tian inquired

"Yes," Shi Fei answered as she nodded her head "I will make tea for you."

Seeing her reaction, Xiao Tian didn't have the heart to reject it. After turning around, Xiao Tian touched her cheeks and said, "Alright. Let's get inside your apartment."

Shi Fei was happy when Xiao Tian agreed to come to her apartment. With a smile on her face, Shi Fei grabbed Xiao Tian's right hand and headed to her apartment.

Xiao Tian's face broke into a soft smile after seeing her happy expression.

Chapter 102 - I Love It

7-8 minutes

As Shi Fei was holding Xiao Tian's hands, they headed to her apartment. After entering her residence, Xiao Tian immediately sat on the couch in the living room while Shi Fei headed to the kitchen to make tea for Xiao Tian.

Not long after that, Shi Fei came with a green tea on her hands. After placing the tea on the table and turning on the TV, Shi Fei sat on Xiao Tian's lap.

Xiao Tian immediately wrapped his hands around her waist and asked, "Is this the reason you invite me to come to your apartment?"

Shi Fei placed her hands around Xiao Tian's neck and answered, "This is one of the reasons."

"One of the reasons? What is the other reason?" Xiao Tian inquired

"I don't want to tell you. You have to guess it." Shi Fei answered while smiling and pinching Xiao Tian's nose gently with her right hand.

"Let me guess." Xiao Tian spoke and paused for a few seconds to think the reason why Shi Fei invited him to her apartment. "You want to spend more time with me, right?"

"That's right" Shi Fei smiled and kissed Xiao Tian's right cheek.

After tilting his head to the left side and touching the backside of her neck with his right hand, Xiao Tian brought his face closer to her face.

Shi Fei slowly closed her eyes when she saw his face coming closer to her face.

As he was kissing Shi Fei's pinkish lips, Xiao Tian slowly closed his eyes too, intending to feel the kiss.

After three seconds, Shi Fei broke the kiss and leaned her head on his shoulders. "Little brother, I love you."

Xiao Tian was stunned when Shi Fei suddenly confessed her love for him like that. Using his left hand, Xiao Tian touched Shi Fei's cheeks and said, "Fei, I'm sorry for treating you, unfairly."

"It's fine. As long as little brother doesn't forget about me, I'm fine." Shi Fei knew the moment she decided to become his mistress; she would not get treated like the other lovers. But she hoped that one day, he would love her as much as he loves Lin Xing Xue.

"Fei, I promise not to mistreat you from now on." Xiao Tian felt guilty for mistreating her until now. At that time, he made up his mind to pay more attention to her, and he will also try his best to give her the happiness she deserved.

"Really?" Shi Fei didn't expect that Xiao Tian promised to treat her fairly. She was delighted after hearing his words. That was why she gave a quick kiss on the right side of his neck before kissing him again and not separating her lips from his neck.

"Hahaha. Yes. Fei, stop it. You're tickling me" Xiao Tian said as he laughed "Stop it or I'll kiss your neck too."

Hearing his words, Shi Fei stopped kissing him and tilted her head back. "Here. Little brother, you can kiss my neck. I'm fine with it."

Seeing her beautiful and sexy neck, Xiao Tian then kissed Shi Fei's neck.

"Ah..." Shi Fei closed her eyes and bit her lower lips. She didn't feel ticklish when Xiao Tian was kissing her neck; instead, she felt aroused.

Xiao Tian stuck out his tongue and licked her neck before working his way up to her chin.

"Ah..." Shi Fei let out a soft moan and started to wring his hair.

"Eh! What is this? Are you aroused?" Xiao Tian said, teasing her

"Yes," Shi Fei didn't hide it and told him the truth.

Xiao Tian pinched her cheeks gently and said, "Oh, you naughty lady!"

"I'm indeed a naughty lady. You like naughty lady, right?" Shi Fei asked

Xiao Tian kissed her lips and said, "I love it."

Using her right hand, Shi Fei grabbed the tea and said, "Here, drink it."

"Un" Xiao Tian nodded his head.

After filling her mouth with tea and not swallowing it, Shi Fei put the tea back on the table. Shi Fei then brought her face closer to his face.

Xiao Tian had no idea that Shi Fei wanted to feed him from mouth to mouth. Knowing a sexy lady want to feed tea from mouth to mouth, Xiao Tian opened his mouth and raised his head slightly, ready to drink the tea from Shi Fei's mouth.

When she saw Xiao Tian rising and opening his mouth, Shi Fei opened her mouth and kissed him, allowing the tea on her mouth to enter his mouth.

GULP GULP GULP

The sound of Xiao Tian drinking a tea from Shi Fei's mouth could be heard on their ears.

After drinking tea from Shi Fei's mouth, they didn't stop there and continued with an intense, erotic kiss in which they exchanged saliva and lewdly intertwined their tongues.

After kissing intensely for several seconds, Shi Fei broke the kiss and asked, "Little brother, do you like it?"

"I love it" Xiao Tian answered honestly

Shi Fei continued feeding Xiao Tian from mouth to mouth until finally, they were unable to hold back anymore.

They then started to take off their clothes and did 8000 words sexual activity

After sex, Xiao Tian sat on the couch naked with Shi Fei resting her head on his lap, naked too.

"Little brother, I'm so happy right now," Shi Fei said abruptly.

"I'm also delighted" Xiao Tian smiled while pinching Shi Fei's nose gently.

Using her right hand, Shi Fei grabbed Xiao Tian's cock and kissed the tip of Xiao Tian's cock. "Mr Huge Cock, thank you for giving me a pleasure again."

The corner of Xiao Tian's lips twitched after hearing Shi Fei's words. "Fei, I'm the owner of this Mr Huge Cock, so you should thank me too."

"Thank you for appearing in my life, little brother. My life became colourful after meeting you, like a rainbow after raining," Shi Fei answered as she smiled.

"My pleasure, my sexy lady. I hope we will be together forever," Xiao Tian said with a beautiful smile on his face.

Upon hearing Xiao Tian's words, Shi Fei was pleased because she knew that Xiao Tian started to think of her as an important person in his life

After that, Xiao Tian and Shi Fei were talking about many things. There were talking for about one and a half hours before finally, Xiao Tian went home.

Click

Xiao Tian opened the door.

After closing the door and locking it, Xiao Tian immediately headed to his bedroom.

"I'm tired" Xiao Tian was lying down on the bed. But when he was about to close his eyes, he suddenly heard someone knocking on the door.

"Come in," Xiao Tian said

"Tian, mother, and Qingyu want to sleep with you," Ye Xueyin said after entering her son's bedroom.

Lately, my mother and aunt often sleep in my bedroom. Even though I'm happy with it, but their bedroom becomes useless if they continue to sleep in my bedroom. Forget it. Sleeping with mother and aunt is not bad too. Xiao Tian thought to himself.

"Come here," Xiao Tian said as he patted the bed, giving them a sign to lay down next to him.

Ye Qingyu and Ye Xueyin didn't bother closing the door and immediately laid down on both of his sides. After hugging Xiao Tian's hands, they kissed his cheeks.

"Good night, Tian," Ye Qingyu and Ye Xueyin said at the same time.

"Good night, mother, aunt," Xiao Tian replied with a soft loving voice.

That night, they did not engage in sexual activity; they just slept together.

Chapter 103 - I Am A Generous Boss, Right?

Tit...Tit....Tit....Tit....

The sound of alarm's ringing echoed on Xiao Tian's bedroom. He woke up and immediately headed to the bathroom to take a shower.

When Xiao Tian finished bathing and returned to his room, Xiao Tian noticed that his mother and aunt were not in his bed anymore.

After dressing up, Xiao Tian darted into the kitchen because he knew that his mother and aunt were in the kitchen.

"Good morning, mother, aunt" Xiao Tian gave his mother and aunt a quick kiss on their cheeks.

"Good morning, Tian," Ye Qingyu and Ye Xueyin replied at the same time.

"Mmm. It looks delicious," Xiao Tian stated after seeing the food.

"Just wait in the dining room. Breakfast is almost ready," Ye Qingyu said.

"Alright," Xiao Tian replied before heading to the dining room.

Five minutes later, the food was ready, and they ate breakfast together.

After eating breakfast with his mother and aunt, Xiao Tian went to his company.

It was still 06:20 am when Xiao Tian reached his company. The reason he came to his company so early was because he wanted to prepare for recruitment later.

Five minutes later, Shi Fei and Lin Xing Xue arrived at the company and immediately headed to Xiao Tian's office.

After preparing everything, they traveled to the Stars Clothes shop. Xiao Tian decided to name the store as 'Stars Clothes' because he was too lazy to find another name for his shop. That was why he chose to name his store with the same name as his company. Xiao Tian even planned to name his future clothes shop as Stars Clothes Two, Stars Clothes Three, and so on.

When they arrived at Stars Clothes shop, Xiao Tian saw fifteen people waiting in front of the shop.

Seeing that, Xiao Tian was pleased, and a dazzling smile spread across his face. It was still 07:00 am while the recruitment would begin at 08:00 am, but there were already fifteen people waiting in front of the store.

When Xiao Tian was opening the shop door, all the prospective female employees looked him intently, as if they were meeting their idol.

"Hey, look at that young man! He is so handsome!"

"Yes. You're right. He is young and good-looking."

"What is he doing here? Why is he opening the door?"

"Don't tell me, he is one of the interviewers?"

"I believe it if the interviewer are those women, but why is that good-looking young man with those women?"

"I don't know. We will know about it later,"

While at the same time, all the prospective male employees were also looking at Shi Fei and Lin Xing Xue attentively.

"Wow! Now I really want this job."

"Yes. The lady with shoulder-length hair is a beautiful mature lady, and the other one is a sexy lady."

"If I get accepted into this job, and one of those ladies is my boss, I will work very hard,"

"Yes. Me too,"

After hearing the prospective male employees' words, Xiao Tian turned his head toward them for a second before entering the shop.

After closing the door, Shi Fei immediately said, "Little brother, are you jealous?"

Xiao Tian shook his head and answered, "No."

"Really?" Shi Fei asked

Xiao Tian then grabbed Shi Fei's waist with his right hand and Lin Xing Xue's waist with his left hand, "Why should I be jealous? They should be the ones who are jealous of me because I have gorgeous ladies as my girlfriends. Isn't that right, Fei, little Xue?"

"But, we're not your girlfriends." Lin Xing Xue said as she giggled. She did nothing when Xiao Tian was grabbing her waist as if it was normal for him to grab her waist.

The corner of Xiao Tian's lips twitched after hearing Lin Xing Xue's words.

"Yes, you're right, little brother. The ones who should feel jealous are them, not you because you have Lin Xing Xue and me as girlfriends. And you're also more handsome than them." Shi Fei said

"You're damn right, Fei." Xiao Tian knew that Shi Fei would defend him. Ever since he met her, Shi Fei never say no to him and always defend him as if she was his obedient wife. "Fei, because I'm happy hearing your words, I will give you a bonus this month."

Shi Fei immediately grabbed Xiao Tian's right hand and replied, "Really? Thank you"

"What? You give her a bonus just because she said that you are more handsome than those prospective employees?" Lin Xing Xue said in disbelief

"What is it, little Xue? Do you want a bonus too?" Xiao Tian grabbed Lin Xing Xue's right hand and continued. "I'll also give you a bonus this month."

Well, I want to give you two bonus from the start. Xiao Tian thought to himself.

"How is it? I'm a generous boss, right?" Xiao Tian asked as he looked at them.

"Un. You're a generous boss," Shi Fei was thrilled when she knew that she would get a bonus this month. Even though she also didn't mind it if she doesn't get a bonus from him.

"I don't want a bonus from you" Lin Xing Xue was a proud woman, so she didn't want it if she gets a bonus just because she compliments her boss. She wanted to get a bonus because of her excellent work, not because she praises him.

"Really?" Xiao Tian had guessed that Lin Xing Xue would reject it, but he will still give her a bonus this month.

Little Xue, soon, I will help you take your daughter back. I already have enough money to help you. Xiao Tian thought to himself

"Yes," Lin Xing Xue nodded her head.

After preparing everything, Shi Fei looked at Xiao Tian and asked, "Little brother, do you want to be interviewers too? Or you just want to sit and see the prospective female employees?"

The corner of Xiao Tian's lips twitched after hearing Shi Fei's words. It seemed, Shi Fei thought that women were the only ones on his mind.

Even though Xiao Tian had never interviewed someone before, but in the past two days, Xiao Tian had learned how to give an interview to his prospective employees. He even tried his best to memorize all the things he needed when delivering the interview.

Even though he would hand over most of it to Shi Fei and Lin Xing Xue later, he wanted to participate in recruiting new employees.

"Yes. I want to participate in recruiting new employees." Xiao Tian answered

"Alright," Shi Fei thought Xiao Tian only wanted to sit and watch. That's why she was a little surprised after hearing his words.

"It's already 07:55 am. Let's start the interview" Shi Fei said

"Yes," Xiao Tian and Lin Xing Xue said at the same time.

Shi Fei then told the prospective employees that the interview would be start in five minutes.

Chapter 104 - Young Talented People Magazine

7-9 minutes

Shi Fei was happy after seeing that there were around 30-40 prospective employees.

After hearing Shi Fei's words, they started registering themselves. Several minutes later, all the prospective employees had finished registering themselves.

"Miss Su Ruyan," Lin Xing Xue said.

A lady around 20-22 years old rose from her seat and entered the interview room.

"Hello, Miss Su Ruyan. I'm Xiao Tian. Thanks so much for coming in" Xiao Tian, who was sitting between Shi Fei and Lin Xing Xue, extended his right hand, intending to do a handshake with Su Ruyan.

"It's my pleasure. Thanks so much for meeting me" Su Ruyan extended her right hand to do a handshake with Xiao Tian. She was startled when she saw Xiao Tian sitting between Shi Fei and Lin Xing Xue. She thought the interviewers were only Shi Fei and Lin Xing Xue. She didn't expect that Xiao Tian was one of the interviewers too. But she didn't show it on her face because it would be rude.

'Wait! His name is Xiao Tian, and he is still young. Don't tell me he is the owner of Stars Clothes company and this shop?!'

Su Ruyan immediately thought that the handsome young man in front of her was none other than the owner of Stars Clothes company, her future boss if she gets accepted later.

Su Ruyan remembered Yun Xin Er said that the owner of Stars Clothes company was a young man, and he was also a student at Sky University.

At first, Su Ruyan didn't believe it. But after she did some research on who was the owner of Stars Clothes company on the internet, she finally believed that the owner of Stars Clothes company was indeed a young man, even though there was no picture of him on the internet.

After doing a handshake with Xiao Tian, she also did handshakes with Shi Fei and Lin Xing Xue. After Shi Fei and Lin Xing Xie introduced themselves, they started the interview.

"Did you have trouble finding this place?" Xiao Tian decided to have a small talk so Su Ruyan would not feel nervous.

"Nope. The directions on the website were great" Su Ruyan answered

"Great. So, let's get started. Why don't you tell us a little bit about yourself?" Xiao Tian inquired

"Sure," Su Ruyan spoke and paused for a second before telling them about herself. "I graduated from Sky High School two years ago, but because I don't have money to continue my study, I decided to help my parents earn money. I've experienced in this field for about one and a half year. The reason I stopped working at my previous workplace was that my mother was sick, and I had to take care of my mother."

'Sky High School?'

Xiao Tian was surprised after knowing that Su Ruyan graduated from Sky High School. Sky High School was the top three High School out of hundred or so High School. Only smart people can be accepted at Sky High School.

Sky University, where Xiao Tian studied was initially from Sky High School. Because Sky High School students often make China proud by winning many competitions at the world level, the government decided to build Sky University where the student from Sky High School can be immediately accepted if they want to continue their studies at Sky University. But they still need to pay tuition fees, even though they don't need to spend as much as other students who enter from another high school

Su Ruyan explained her experience to Lin Xing Xue, Shi Fei, and Xiao Tian. After several minutes, the interview was finished.

When it was 01:00 pm, Yun Xin Er sent a message to Xiao Tian, saying that she would arrive soon.

Ten minutes later, Yun Xin Er reached Xiao Tian's shop. Even though she was wearing a facemask, scarf and red hat to hide her face, but prospective employees still knew her.

"Hey, isn't that Miss Yun Xin Er?"

"Where is she?"

"The person who is wearing a facemask, scarf and red hat."

"Ah! Now that I see it, she really looks like Miss Yun Xin Er."

"Yes. I'm sure she is Miss Yun Xin Er."

"What is she doing here?"

"Yes. What is she doing here? Does she have business here?"

"I don't know."

"Ah! Do you remember that the one who promoted Stars Clothes company online shop before was Miss Yun Xin Er? This shop belongs to the Stars Clothes company, so it's not surprising that she came here. Maybe she has some business here."

"Ah! Yes, I remember it now."

"So, she knows the owner of this shop."

"Now I wonder, who is the owner of this shop?"

"I don't know. I only know that his name is Xiao Tian."

"Yes. the owner of this shop is Xiao Tian."

"Forget about Xiao Tian for now. Let's get an autograph from her."

"Yes. It's not every day we can meet a famous singer like her"

Yun Xin Er, who saw all the prospective employees walking closer to her, began to have a complicated face.

She didn't know why the prospective employees still knew it was her.

After giving several people her autographs, she finally managed to escape from the prospective employees. It was break time so Yun Xin Er could immediately meet Xiao Tian and the others.

"Freedom," Yun Xin Er said after she was in front of Xiao Tian, Lin Xing Xue, and Shi Fei.

Lin Xing Xue, Shi Fei, and Xiao Tian knew why Yun Xin Er said that after she was in front of them.

"It's must be hard to be famous," Xiao Tian said while teasing Yun Xin Er

"Little brother, soon you will know how I feel" Yun Xin Er knew that Xiao Tian soon would be famous. She knew that because she got the news that many TV stations or magazines wanted to meet him.

"Oh! Is that so?" Xiao Tian also knew that he would be famous soon, but he never cares about that because, in past lives, he was very famous because his father was the wealthiest person in Beijing.

"Just you wait," Yun Xin Er answered.

They talked for about half an hour before continuing the interview. But this time, Xiao Tian, Shi Fei, and Lin Xing Xue interviewed prospective employees individually, not together because there were still many potential employees who had not been interviewed at the time.

On that day, they interviewed prospective employees until 7:00 pm before deciding to end the interview and continue the next day.

After having dinner together at Bamboo restaurant, Yun Xin Er, Xiao Tian, Shi Fei, and Lin Xing Xue went home.

The next day, they continued to interview prospective employees again. They interviewed potential employees for three days straight before finally deciding to employ ten people, eight women and two men.

After filling the shop, Xiao Tian officially opened his first offline shop.

Lin Xing Xue, Shi Fei, Ye Qingyu, Ye Xueyin and Yun Xin Er were delighted when Xiao Tian officially opened his first shop.

My predecessor, your dream has almost come true. Xiao Tian thought to himself.

After Xiao Tian officially opened his first offline shop, he suddenly saw two people walking toward him, a mature woman and a grown man.

"Hello, Mr Xiao Tian. My name is Jiang Yin, and this is my co-worker, Dan Hui. We're from 'Young Talented People' magazine. We want to interview you as a successful young man. Can we have your time?" Jiang Yin said after she and her co-worker were in front of Xiao Tian and others.

Chapter 105 - Our Boss Will Be Famous

8-9 minutes

'Young talented people' magazine was very famous in China. It was a weekly magazine specializing in a successful young people in China. Many people read Young Talented People magazine everyday because they wanted to know the young geniuses in their country.

Ye Qingyu, Ye Xueyin, Shi Fei, and Lin Xing Xue were surprised after hearing Jiang Yin's words. At the same time, Yun Xin Er acted normally, because she knew journalists from magazine companies or TV stations would come to interview him. However, she just didn't expect that it would happen so quickly.

Xiao Tian, on the other hand, only smiled and looked at Jian Yin and Dan Hui. He was used to being interviewed in his past life so that the arrival of Jian Yin and Dan Hui was not special in his eyes

Jian Yin and Dan Hui were shocked when they saw Xiao Tian's calm expression. It was the first time for them to see someone still having a calm mind after knowing that they would appear in the popular magazine.

Jian Yin had interviewed many people in the past three years. Even though they had tried their best to hide their excitement, Jian Yin could still know that they were thrilled when she was going to interview them.

But Jian Yin was unable to see the excitement on Xiao Tian's face. Xiao Tian was able to maintain his good image as if he was born to become a successful person.

'This young man is different from the other people I've interviewed so far. Not only young, successful, but he is also good-looking. How can such a perfect person exist in this world.'

Jian Yin's mind was running wild, and she was unable to turn her gaze from Xiao Tian's charming smile.

Jian Yin came to her senses after Dan Hui patted her shoulders.

"Sure," Xiao Tian answered.

After saying that, Xiao Tian, Dan Hui, and Jian Yin entered the shop.

'My son will be famous soon.'

Ye Xueyin covered her mouth, and tears suddenly appeared in her eyes. She was pleased because soon her son will be a well-known young man, and it would have a positive impact on his business.

'I didn't expect that popular magazine like 'Young Talented people' want to interview him. Look like other people have recognized him as a successful young man. I thought he was joking when he told me that he would become a successful person, but it turns out that he didn't lie. His company even snowballs in a short time. Tian, aunt hopes you will not change after you become a renowned businessman.'

Ye Qingyu's face broke into a soft smile when she saw Xiao Tian, Dan Hui and Jian Yin entered the shop.

"Xue, our boss will be famous soon," Shi Fei said to Lin Xing Xue abruptly. "It will be good for the company."

"Yes," Lin Xing Xue nodded her head.

Lin Xing Xue was delighted because soon Xiao Tian would become a renowned businessman, but at the same time, she was also worried. She was afraid that Xiao Tian would change after he becomes a well-known person, or he would forget her.

Usually, people who become famous suddenly change. That's why Lin Xing Xue was worried.

While Lin Xing Xue had a complicated feeling, Shi Fei, on the other hand, didn't have such a feeling like that.

As I thought, little brother is different from other men. Well done, Fei. Well done. You made the right decision to become his mistress. Now you only need to raise your status. Shi Fei thought to herself.

After Xiao Tian, Dan Hui, and Jian Yin prepared everything; they began interviewing Xiao Tian.

At first, the interview went smoothly until suddenly Jian Yin asked something that Xiao Tian's hate the most.

"Mr. Xiao Tian. Why do you have 'Xiao' as a surname? What is your relationship with the big Xiao family?" Jian Yin was startled when she knew that the person she was going to interview has 'Xiao' as his family name.

Her manager also ordered her to ask it to him. Her manager wanted to know whether Xiao Tian was a child that got thrown out from the Xiao family sixteen years ago or not. If Xiao Tian was that child, her manager commanded her to ask about the accident sixteen years ago or the reason why Xiao Tian was expelled from the Xiao family.

Xiao Tian clenched his fist after hearing Jian Yin's words. First, it was Li Wen, and now they also wanted to know about his family. Xiao Tian was annoyed by her question, but he has to keep his cool because if he has a problem with a famous magazine, it will be bad for his company.

Xiao Tian only desired to have a happy life with his mother and aunt, but there were always people who want to ruin his peaceful life.

Xiao Tian drew a deep breath and exhaled it as slowly as he could as if steeling himself for something dangerous. And after calming himself, he smiled and answered, "Miss Jian. What are you talking about? I don't have a relationship with that big Xiao family. We only have the same surname. There are many Xiao families in Shanghai, right?"

"There are indeed many Xiao family in China, but in Shanghai, there is only one Xiao family," Jian Yin replied.

'What? So, this is the reason for the audiences' uproar when I revealed my name at the piano competition. How could there be only one Xiao family? Is this the Xiao family's doing?'

Xiao Tian didn't expect that there was only one Xiao family in Shanghai. He thought there were many Xiao family in Shanghai.

"What? Mr. Xiao Tian doesn't know about it?" Jian Yin and Dan Hui asked at the same time. They were shocked after understanding that Xiao Tian didn't know that there was only one Xiao family in Shanghai.

They remembered that Xiao Tian was a student at Sky university, and he was also lived in Shanghai, so they thought it was weird not to know about it.

"Miss Jian, let's stop talking about the Xiao family or my past life. Isn't the main purpose of this interview about my business? Why do you want to know about my past life?" Xiao Tian didn't want to continue talking about the Xiao family or his past life.

Xiao Tian knew that it could lead to something that he detests the most. That was why he wanted to end the conversation about a past life or Xiao family.

"Mr. Xiao Tian, we also need this information for the magazine. We need to write about yourself, too, not only your business." Jian Yin still wished that she could gain some information regarding why Xiao Tian has Xiao as a family name.

"Miss Jian. Let's stop discussing Xiao family or my past life," Xiao Tian said with a smile on his face. But there was a scary aura around him even though he was smiling.

"Mr. Xiao Tian, one more question. Why did Mrs. Ye Xuey---" Jian Yin wanted to ask him one more question. If Xiao Tian answers the question, she would know a little about what had happened in the Xiao family sixteen years ago.

If it turns out that Xiao Tian is from the Xiao family, with her writing skills, she could make the magazine about Xiao Tian become a big hit. She was sure if that happened, she would get a promotion and some big bonus.

But it seemed her wish wouldn't come true because once again, she was interrupted by Xiao Tian.

"Miss Jian, let's focus on talking about my carrier or....." Xiao Tian stopped talking for two seconds before continuing, "you want to lose your current job."

Xiao Tian suddenly not interested in being interviewed after knowing their primary purpose was not his business but his past life or why he has Xiao as a surname.

"Ah! I'm sorry. I won't ask about it again," Jian Yin had no choice but to stopped questioning his past life.

She didn't want Xiao Tian to spread a bad rumor about her or the company where she works. Not only can she get fired, but if the company gets a bad reputation because of her, she didn't know what the company will do to her.

Jian Yin decided to interview Xiao Tian about his business. After several minutes, they finished interviewing Xiao Tian.

Chapter 106 - Don't Do Something Stupid Again

6-7 minutes

After finish interviewing Xiao Tian, Jian Yin and Dan Hui bid goodbye.

Lin Xing Xue, Shi Fei, Ye Qingyu, Ye Xueyin, and Yun Xin Er immediately walked toward Xiao Tian when they saw him coming out of the shop.

They asked him many things, but because Xiao Tian wasn't in the condition to answer their questions, Xiao Tian only smiled and told them to ask in another time.

Lin Xing Xue and Shi Fei stopped asking questions after seeing his expression. They had no idea why Xiao Tian wasn't happy after being interviewed by a well-known magazine. He should be pleased because when the magazine about him is released, he will become a famous person, and it's good for his company too. But Xiao Tian seemed upset as if he preferred not to be interviewed by the popular magazine.

Many young people dream of being interviewed by Young Talented Person magazine because if they are interviewed by Young Talented Person magazine, it's proof that other people recognize them as a young and successful people.

Yun Xin Er was more or less grasped the reason why Xiao Tian wasn't happy after being interviewed by the famous magazine because she was curious about it too. However, she could still hold herself back because she knew, the moment she asks about it to him, their relationship will go bad. That was why she only gazed at him and not say a single word.

Ye Qingyu and Ye Xueyin, who saw Xiao Tian's expression, were clenching their fists and gritting their teeth.

With a smile on their faces, Ye Qingyu and Ye Xueyin changed the topic, intending to make Xiao Tian's mood become better.

Somewhere inside the car.

"He won't spread a bad rumor, right?" Jian Yin had a worried face. She was afraid that Xiao Tian would spread a bad rumor about her or the company she worked for.

"Don't worry. I think Xiao Tian won't spread a bad rumor about you or the company" Dan Hui tried to help his co-worker calm herself. "Even though he was annoyed by your questions, but you stopped asking more questions after he asked you to stop."

"Well, it's because.....how should I put it into words. Ah! Terrifying. Yes, it's terrifying. Even though his smile was bright like the sun, but the moment I saw his smile, I felt as if I would regret it later if I ask him more questions about his past life or Xiao family," Jian Yin explained.

"Forget about it. There is still one more person that we need to interview before going home," Dan Hui said while checking the quality of the recordings and photos he took when they interviewed Xiao Tian.

"Oh! Do you mean Zhao Sheng?" Jian Yin inquired

"Yes. That's right" Dan Hui replied as he nodded his head

"Isn't Zhao family a martial art family? Why did Zhao Sheng become a businessman?" Jian Yin wanted to know why the heir of the Zhao family became a businessman.

Zhao family was well-known family in China because their martial art was one of the best martial art in the whole of China. Even the government requested the Zhao family to teach their martial art to China's military.

For this reason, many families in China have to think twice if they want to make trouble with the Zhao family. Even prominent families like Li and Xiao families need to give some face to them when they have some problems with the Zhao family.

It's not like Li and Xiao's families are afraid of the Zhao family. But if Li or Xiao's families go to war with the Zhao family, even though they might win the war, they will pay a massive price for it because not only is Zhao family martial art top-notch, but they have many connections in the government.

"I also don't know anything about it" Dan Hui was also curious about it.

The whole of China knew that Zhao Sheng is a genius in martial art. He is a genius that appears once every 500 hundred years.

Every time Zhao Sheng's father taught him martial arts, he could master it in no time. He even perfected some of their family's martial arts movements. Zhao's family was happy when they found out that Zhao Sheng was very gifted in martial arts. Zhao's family even made a party for Zhao Sheng, intending to tell everyone that the Zhao family has genius in martial arts.

For this reason, Zhao Sheng's father was furious when he told his father that he desired to become a businessman a year ago. His father even beat Zhao Sheng until he couldn't leave the bed for three weeks.

His father didn't want him to become a businessman because he thought a businessman is useless for their family.

They get money from teaching their family martial art, and the government also pays them handsomely for teaching their martial art to some of the military people.

"Jian, don't do something stupid again because the Zhao family is not an ordinary family." Dan Hui gave his co-worker a warning.

Even though he knew that the reason Jian Yin asked many questions to Xiao Tian regarding his past life was due to their manager's order, he thought it was better to disregard their manager's order rather than upsetting the Zhao family.

Dan Hui believed, for the Zhao family, their manager was a small person because even though the company they work for doesn't belong to the Zhao family, the Zhao family can still get their manager fired by only using their connections. Zhao's family could even make their manager unable to get another job forever

"I understand" Jian Yin also didn't intend to annoy Zhao Sheng when they meet later. Actually, she was afraid to meet Zhao Sheng because of his family.

Rumor said that the Zhao family's house was guarded by martial art masters in shadow, and they could kill you without you realizing it.

I hope I can get home in one piece. Jian Yin thought to herself.

Chapter 107 - How Do You Feel After Becoming A Famous Person?

7-8 minutes

After inaugurating the shop and partying with employees, Xiao Tian and the others went home. Xiao Tian, his mother, and aunt immediately took a shower after arriving at home. Because they were exhausted, they decided to sleep.

The next day, the magazine about Xiao Tian and other talented young men was published. Its title was five talented young people.

When Xiao Tian was on his way to his company, many people praised him as if he were their new idol. Even when he reached his company, he was immediately surrounded by his employees.

The employees didn't expect that their young boss would be famous quickly. Because the employees had no idea that a renowned magazine was interviewing their young boss, they were shocked when Shi Fei informed them that their boss was in the Young Talented People magazine.

Not only handsome, young, successful, but he has become a well-known person too. Without Xiao Tian realizing it, he has become the idol in his employees' hearts. For this reason, they immediately surrounded their boss after seeing their young boss in the company.

However, Xiao Tian, who was used to it, showed no excitement, and only smiled at his employees before heading to his office.

When he was in his office, Xiao Tian immediately sat on the couch. Not long after that, Shi Fei and Lin Xing Xue entered his office.

"Wow! Our famous young boss is relaxing on the couch!" Shi Fei said while holding a magazine in her left hand.

"Fei, little Xue." Xiao Tian's face broke into a soft smile after seeing them.

Shi Fei and Lin Xing Xue walked closer to him before sitting on both sides, Shi Fei on his right side while Lin Xing Xue on the left side.

"How do you feel after becoming a famous person?" Lin Xing Xue inquired.

"Same as usual," Xiao Tian answered.

"Little brother, you're the only one who said that after being famous," Shi Fei spoke as she smiled. She was pleased because Xiao Tian wasn't changed even though he was famous now.

"Oh! Is that so? Well, because being famous only means that people, male or female, will surround you. If being famous means that I will only be surrounded by female and not male, I would be delighted," Xiao Tian answered.

"Oh! So, this is the reason you're not happy even though you've become a well-known person," Shi Fei giggled after hearing Xiao Tian's words. It was the first time she had listened to such a reason, so she thought it was hilarious.

"Is your head only filled with women?" Lin Xing Xue asked while pinching his cheeks.

Hearing that, Xiao Tian grabbed Lin Xing Xue's waist with his left hand and Shi Fei's waist with the other hand. "Of course not. I was joking, you know. Why should I think about other ladies when there are two beautiful ladies in my embrace."

"Good answer, little brother" Shi Fei's replied

Using her thumb, Lin Xing Xue rubbed Xiao Tian's lips and said, "This mouth always knows how to please a lady, huh."

When Lin Xing Xue was rubbing Xiao Tian's lips with her left thumb, Xiao Tian bit her thumb gently before putting her thumb on his mouth and licking her thumb with his tongue skillfully.

As Xiao Tian was licking her thumb, Lin Xing Xue looked at him intently. She was stunned when Xiao Tian licked her thumb, making her forget to pull out her thumb of Xiao Tian's mouth.

Shi Fei, on the other hand, only looked at Xiao Tian sucking Lin Xing Xue's thumb for two seconds before ignoring it and leaning her head on Xiao Tian's right shoulder.

Shi Fei didn't care what Xiao Tian was doing to Lin Xing Xue. She only leaned her head on his shoulders and closed her eyes.

As Xiao Tian was licking Lin Xing Xue's thumb, he locked his eyes into her eyes as if he wanted to devour her wholly.

Lin Xing Xue's face turned red when she could feel Xiao Tian's tongue, licking and sucking her thumb skillfully. She could feel her thumb wet with his saliva, and some of his saliva even dripped into her palm.

Lin Xing Xue then came to her senses and pulled out her thumb out of Xiao Tian's mouth. "Bad boy! You look like a horny young man just now. You're a famous person now, so you have to maintain your good image."

"Well, it's because you are beauti—" before Xiao Tian had finished his words, he was interrupted by Lin Xing Xue

"Beautiful, right? That's why you want to tease me and can't maintain your good image. Am I right or wrong?" Lin Xing Xue knew what excuse Xiao Tian wanted to say. That was why she immediately said it before Xiao Tian could finish his words.

The corner of Xiao Tian's lips twitched after hearing Lin Xing Xue's words. He didn't expect that Lin Xing Xue knew the words that he wanted to say. "Little Xue, how do you know that?"

"Of course, I know," Lin Xing Xue replied.

"Don't tell me you can read my mind?" Xiao Tian said jokingly and pretended that Lin Xing Xue was able to read his mind. "Little Xue, because you can read my mind, you know how big my love for you, right?"

"I know. Your love is as big as lake and as high as a mountain, right?" Lin Xing Xue giggled while covering her mouth. She didn't expect that she could tease him using his words.

There was a black line on Xiao Tian's face after hearing Lin Xing Xue's words. He had no idea that Lin Xing Xue would say the words that he had told her in the past.

"So, you dare to tease me, huh. I will punish you for teasing me. Take this, take this" Xiao Tian laughed while tickling Lin Xing Xue with his left hand.

"Hahaha. Tian stops it. Haha," Lin Xing Xue tried to stop him from tickling her.

"I don't want to" Xiao Tian ignored her words and continued tickling her.

"Tian, stop it, or my stomach will hurt from laughing" Lin Xing Xue grabbed Xiao Tian's hands so that he could no longer tickle her waist.

"Fine. I won't tickle you anymore, but" Xiao Tian spoked and paused for two seconds before he continued, "You have to kiss my left cheek."

"Mmmuuacchhh," Lin Xing Xue touched his left cheek with her index and middle fingers and pretended as if her fingers were her lips.

"Little Xue, it's your fingers, not your lips," Xiao Tian complained when he didn't get what he wanted.

"But, you didn't tell me to kiss you with my lips, right? You only said to kiss your left cheek. Just think my fingers as my lips" Lin Xing Xue gave him an excuse

"Bad Lady!" Xiao Tian pinched her nose gently and smiled softly.

"I'm indeed a bad lady. Hehe" after saying that a beautiful smile appeared on her face. "But you like this bad lady, right?"

"Un. I love this bad lady so much. I thought I would go crazy if I could not hug or be near this bad lady." Xiao Tian replied.

"As I thought, this mouth is really dangerous for a lady," Lin Xing Xue said while touching his lips.

"Hehehe," Xiao Tian laughed.

Chapter 108 - Tian, I'm Sorry

6-7 minutes

"Little Xue, how about you resign from the cosmetic shop and work for me full time. I will pay you higher than your salary in the cosmetic shop" Xiao Tian thought it was the time to ask Lin Xing Xue to resign from the cosmetic shop.

Lin Xing Xue was shocked after hearing Xiao Tian's words. She didn't expect that Xiao Tian desired her to work fulltime in his company.

"Tian, I know that your company snowballs, but....." Lin Xing Xue didn't know how to answer his question. She knew that his company grew rapidly, but even though he offered her a high salary and she was happy with it, she still didn't dare to accept his offer because his company was still green.

It's not that she wants bad things to happen to his company, but she needs to think realistic because if she chooses the wrong choice, it will affect her life or her desire to take her daughter back.

Xiao Tian, who was seeing her complicated face, could only sigh. He knew that he made her in a difficult situation, and he also didn't want to force her to work fulltime for him. At that time, his only choice was to give up. "Alright, I understand."

"Tian, I'm sorry," Lin Xing Xue said with a sad voice.

Using his left hand, Xiao Tian touched her cheeks and said in a soft loving voice. "I know. Don't be sad. I don't want to see your sad face. I will ask again in the future"

"Thank you" Lin Xing Xue was very happy after learning that Xiao Tian understood her situation.

'It seems I have to wait again.'

Xiao Tian could only sigh when he knew Lin Xing Xue had refused his offer. Not only he needs to wait for her answer regarding her love for him, but he also needs to wait for her to work fulltime for him.

Seeing that, Lin Xing Xue touched his cheeks and kissed his forehead, "There, there. Don't be sad."

Lin Xing Xue's face broke into a soft smile after kissing him.

'Little Xue, I know that you are in love with me, but it seems like there are many things that make you unable to tell me your true feelings. It's like you can't make up your mind.'

Xiao Tian looked at her intently.

"Little brother, I also want you to raise my salary," Shi Fei said abruptly

"Sure. I will raise your salary" Xiao Tian didn't mind raising Shi Fei's salary. He knew that Shi Fei had contributed a lot to his company. The one who made the app on his company was her, and she also worked diligently.

Shi Fei had made the work easier for him; that was why he immediately agreed when she asked him to raise her salary.

"Really? Thank you, little brother. I'm thrilled to hear it" Shi Fei hugged his hands while smiling happily. She didn't expect that Xiao Tian would agree quickly.

After that, they talked for about ten minutes before working.

When Xiao Tian had finished his work, he went straight to his home.

Click

Xiao Tian opened the door.

When he was in the living room, Ye Xueyin, who saw her son, rose from her seat and ran toward him. After she was in front of her son, she immediately jumped on him.

Xiao Tian, who saw his mother jumping on him, immediately caught her.

"Tian, look. You're in the magazine," Ye Xueyin showed him the magazine.

"Un. I know." Xiao Tian answered as he smiled

"Tian, why don't you look excited at all?" Ye Xueyin didn't know why her son was not excited.

'well, I'm used to it.'

Xiao Tian said in his head. Of course, he didn't say it and decided to lie to his mother, "Un. I'm happy."

After putting his mother down, Xiao Tian walked toward his aunt and kissed her left cheek. "I'm home, aunt."

"Welcome home, famous young man" Ye Qingyu answered as she smiled

"Tian, you look so handsome in this magazine" Ye Xueyin praised the person who took her son picture because her son looked so handsome and elegant in the magazine

"Is that so? Well, it's because mother is beautiful, that's why I have a handsome face. If I didn't have a handsome face, I wouldn't look handsome and elegant in a magazine "Xiao Tian replied

"Mother is delighted to hear that" Ye Xueyin didn't expect that her son would still praise her in his answer.

"Tian, in a few days, your holiday will end. Can you study and work at the same time?" Ye Qingyu was worried that her nephew would be tired if he works and studies at the same time. She wanted to help her nephew, but she also has worked.

"Don't worry, aunt. Lin Xing Xue and Shi Fei can handle everything when I'm not at the company later." Xiao Tian believed everything would be fine even though he is not at the company later because, in his view, Lin Xing Xue and Shi Fei can handle everything. That was why he didn't really care about it.

"It's not that aunt think bad of Miss Lin Xing Xue or Miss Shi Fei, but isn't you believe in them too much?" even though Ye Qingyu had met Lin Xing Xue and Shi Fei, but she thought that her nephew was too naïve. Her nephew only knew Shi Fei for less than two months, and although Ye Qingyu knew Lin Xing Xue due to Lin Xing Xue was their neighbor, but she thought her nephew trusted them too much.

The human heart can change anytime, and a good person can become a bad person in a second. Her nephew was still green in the business field, and he hasn't experienced the cruelty of the world.

Ye Qingyu didn't want something bad to happen to her nephew like he gets betrayed or something like that.

'Should I resign from my work?'

Ye Qingyu suddenly wanted to resign from her job so she could help her nephew in his business.

"Aunt, I know you're worried about me, but I believe they won't betray me" Xiao Tian also knew that there is a possibility that Lin Xing Xue or Shi Fei will betray him, but he decided to believe in them.

If one of them betray him in the future, he will face it in the future, but he hoped such a thing would not happen to him.

Chapter 109 - Give Us A Discount

6-7 minutes

"Tian, do you need my help?" Ye Xueyin didn't want her son to abandon his study because of his work. She will ask her employees to handle her shop if her son needs her help.

"Mother, aunt, both of you don't need to help me. I don't want to make you two work harder because of me" Xiao Tian's primary purpose of becoming a businessman was to make his mother and aunt live a happy and comfortable life. For this reason, he rejected his mother and aunt offers.

At that time, he wanted to ask his mother and aunt to quit their jobs, but after remembering Lin Xing Xue had refused his offer, he believed his mother and aunt would do the same. In his view, he needs to make his company bigger before asking his mother and aunt to quit their jobs.

"But..." Ye Qingyu and Ye Xueyin said at the same time

"No, but!" Xiao Tian spoke and paused for a second before he continued, "Aunt, mother, you two remember your promise, right?"

Ye Qingyu and Ye Xueyin suddenly recollected what Xiao Tian had said to them in the past.

"Un. Aunt remembers it" Ye Qingyu replied

"Un. Mother also remembers it" Ye Xueyin answered

Hearing their words, Xiao Tian was delighted, so he kissed their cheeks and said, "Good."

Xiao Tian then rose from his seat and headed to his bathroom. After showering, Xiao Tian went to his bedroom and laid down on the bed. Not long after that, his mother and aunt entered his bedroom.

"Mother, aunt, do you two want to sleep with me again tonight?" Xiao Tian inquired

"Yes. We want to sleep with you again tonight" Ye Xueyin answered

"Come here" Xiao Tian uttered as he patted the bed, giving them a sign to lay down next to him.

Upon hearing his words, they walked closer to him before laying down on both of his sides.

They then did shake-shake-ah-ah-thing before falling asleep.

The next day, after he had breakfast with his mother and aunt, he went to his shop.

When he was entering the shop, Su Ruyan, who was seeing him, walked toward him. "Young bo—"

Before Su Ruyan had finished her words, Xiao Tian put his index finger on his lips, signaling her to keep quiet. The other employees also wanted to greet him, but Xiao Tian gave them a signal to continue serving the customers.

Xiao Tian's face broke into a smile when he saw fifteen female customers in his shop.

When Xiao Tian was checking the clothes, one of the customers recognized him and said, "Isn't that person the owner of this shop?"

The other customers immediately looked at Xiao Tian. They were surprised when they saw him because they did not expect to meet with the shop owner.

"Ah, Yes. He is the owner of this shop."

"Yes. You're right. I saw him at the magazine."

"Wow! He is more handsome than in the magazine."

The customers immediately walked toward Xiao Tian and surrounded him. The employees only smiled when they saw their boss surrounded by the customers.

"Big brother, you're so handsome" A girl around seventeen years old said

"Thank you" Xiao Tian replied

"Mr Xiao, not only you're young and good-looking, but your business is also growing smoothly," the lady around twenty-three years old said

"Thank you" Xiao Tian answered

At that time, he wanted to escape, but if he avoids them, they will be unhappy. It's not good to make the customers unhappy because it can affect his business.

"Mr Xiao, how about giving us a discount?" a lady around twenty-one years old said

She thought it was a good chance to get a discount. She believed Xiao Tian will give them a discount because he was still promoting his offline shop.

"Yes, Mr Xiao. Give us a discount" the other customer said

"Yes. She is right. Give us a discount, and we will recommend this shop to our friends, and of course, we will give this shop good words too" the other customer said

"Yes. that's right" the other customer added

"Alright. I will give all of you a discount later" even though Xiao Tian had promoted his shop in his online shop, he thought it wouldn't be a bad idea to get people to promote his shop, although he needs to give them a discount for it.

He thought it was worth it because nowadays, nothing is free in this world. Even though he will give them a discount, of course, he will still make a profit; it's just the profit he earns will not be as much as the regular price. He just hoped that they would keep their words after he gives them a discount later.

"Yeaaa," the customers were delighted after hearing Xiao Tian's words. They immediately searched for the clothes again.

After finished choosing and paying for the clothes, the customers left the shop with a smile on their faces.

"Sigh. I'm exhausted." Xiao Tian sat on the chair and tilted his head back. He was tired because the customers forced him to serve them.

"As expected of our young boss. You're so popular," Su Ruyan said while giving him mineral water.

"Thank you" Xiao Tian took the mineral water before drinking it

"Where is Tang Yaxin? I haven't seen her since I came to the shop" Xiao Tian inquired

"Eh! The manager went to the company. She said that there is something she needs to do in the company." Su Ruyan was surprised when he asked about the manager's shop. She thought Xiao Tian knew that Tang Yaxin was in the company and not in the shop.

"Ah! Is that so?" Xiao Tian said

"Yes," Su Ruyan answered as she nodded her head.

Suddenly the sound of someone opening the door could be heard in Xiao Tian's ears.

Xiao Tian and Su Ruyan turned their head toward the source of the sound

Xiao Tian then saw a female wearing a blue blouse, and black jeans walked closer to the employees.

"Excuse me. I'm Zi Yin from Rising Star TV show. I'm looking for Mr Xiao Tian. Is Mr Xiao Tian here?" Zi Yin said

Chapter 110 - Rising Star TV Show

"Excuse me. I'm Zi Yin from Rising Star TV show. I'm looking for Mr. Xiao Tian. Is Mr. Xiao Tian here?" before coming to the Stars Clothes shop, Zi Yin went to Stars Clothes company, but Shi Fei told her that Xiao Tian was not in the company and suggested her to look for him at Stars Clothes shop. That was why she went to the Stars Clothes shop, hoping she could meet him.

The employees were shocked after hearing Zi Yin's words. Rising Star TV show was a TV program that only invites successful people to their show.

Hearing Zi Yin's words, the employees knew that she wanted to invite their boss to their TV show. The employees didn't expect that their young boss would get invited by Rising Star this fast.

Yesterday their boss was in a popular magazine, and now, a person from a famous TV show wanted to invite their boss to their TV show.

Our boss is fantastic. The employees thought to themselves

"Let me bring you to our boss," one of the employees said

Zi Yin was happy when she knew that Xiao Tian was in the shop. She immediately followed the employee with a smile on her face.

"Boss, Miss Zi Yin from Rising Stars TV show is looking for you," the employee said after she was in front of Xiao Tian.

"Thank you," Xiao Tian said as he smiled

After that, Xiao Tian and Zi Yin headed to one of the empty rooms

After entering the room and sitting on the couch, Zi Yin extended her right hand to handshake with Xiao Tian.

"Hello, Mr. Xiao Tian. I'm Zi Yin from Rising Stars TV show" Zi Yin introduced herself

"Hello, Miss Zi Yin. What brought you here?" Xiao Tian inquired

Zi Yin took out a letter from her bag and gave it to Xiao Tian. "Mr. Xiao Tian. We would like to invite you to our TV show. This is the invitation letter."

After opening the letter and reading it, Xiao Tian put the letter on the table. Xiao Tian was wavering whether to accept it or not because he was afraid if he were to accept it, the host will ask him about his past life or why he has Xiao as a surname like the Young Talented Person magazine did to him. Xiao Tian is already famous, so he thought there was no point in accepting the invitation.

Zi Yin, who saw Xiao Tian's expression, knew that he was wavering.

"Mr. Xiao Tian. Don't worry. If you were to accept our invitation, we would only ask you about your business, no more than that" Zi Yin knew what was on Xiao Tian's mind. That was why she wanted to convince him that they will not ask him about his past life if he were to accept the invitation.

"Really?" Xiao Tian still didn't believe her words. Anyone who knows his surname will ask him why he has Xiao as a surname. That was why he wanted to make sure that they will keep their words if he were to accept the invitation.

"Yes. Mr Xiao Tian doesn't need to worry about it. I've got the question which will be asked by our host later." Zi Yin took another paper from her bag and gave it to Xiao Tian. "You can file a complaint if we make you uncomfortable or disadvantaged in our TV show later."

Xiao Tian took the paper and began to read it.

"How old are you?....."

Why did you want to become a businessman?....."

Since when you want to become a businessman?....."

After reading all the questions, Xiao Tian put the paper on the table.

"Are you sure the host will only ask about this?" although almost all well-known TV shows give the list of questions that will be asked by the host to the person they invite, sometimes the host asks something that is not on the list. That was why Xiao Tian wanted to make sure that something like that won't happen to him if he were to accept the invitation later.

"Yes. You can complain or sue us if you feel like we make you uncomfortable or disadvantaged" Zi Yin was happy because Xiao Tian was getting interested in the invitation. If Xiao Tian were to accept the invitation, she was sure that their TV show's rating would rise significantly because successful people under the age of twenty are rare.

"Mr. Xiao Tian. From the first time our TV show was launched until now, none of our guests have complained to us. That's because we always keep our promises." Zi Yin added

"Sure. I will accept this invitation" Xiao Tian decided to accept the invitation after hearing her words.

If I were to accept the invitation, it would be good for my company. Well, she said that I could sue them if they make me feel uncomfortable or disadvantaged, but I hope they will keep their words because I don't want to sue someone or this TV show. Xiao Tian thought to himself.

"Thank you," Zi Yin was pleased because she managed to invite a successful young businessman. Even though she had invited many successful people in the past, but Xiao Tian was different because Xiao Tian was still under twenty years old.

All those who have been invited in the past were over twenty years old, and Xiao Tian was the only one under twenty years old.

They then talked for an hour before Zi Yin left.

Not long after that, Xiao Tian also left because he still had work at his company.

After arriving at his company, Xiao Tian headed to his office.

When he was about to enter his office, Shi Fei, who was seeing him, walked closer to him and said, "Oh, little brother. A woman was looking for you this morning. Her name is Zi Yin. I told her to go to the Stars Clothes shop because you were not at the company this morning."

"Yes. I met her at the shop this morning. She wanted to invite me to Rising Stars TV show tomorrow." Xiao Tian replied

"Wow! You're awesome little brother." Shi Fei was delighted for Xiao Tian, and she thought that she didn't choose the wrong person.

"Is that so? Oh, where is little Xue?" Xiao Tian inquired

"She is working at the cosmetic shop today" Lin Xing Xue had informed Shi Fei that today Lin Xing Xue couldn't work at the company. Shi Fei was lonely today because Lin Xing Xue and Xiao Tian were not in the company since morning.

After arriving at the company, Shi Fei immediately searched for Xiao Tian but unable to find him. The employees told her that Xiao Tian had not yet come to the company. That was why she was delighted after seeing Xiao Tian.

"Oh! What a pity. Alright, Fei, I'm going to work" Xiao Tian kissed Shi Fei's forehead before entering his office.

Using her right hand, Shi Fei touched her forehead for about four seconds before a beautiful smile appeared on her face.

"Little brother, why did you only kiss my forehead before entering your office? Bully! You should kiss my lips too," even though her voice sounds unhappy, but the smile on her face didn't disappear. "Forget it! At least, he kissed my forehead. I can ask him to kiss my lips later."

She then headed to her office to continued working again.
