

Illicit 1011

Chapter 1011 - Letter

Xiao Tian could not sleep. He was sure that something bad had happened to someone important to him, but he had no idea who that person was.

He had called all the people he cared about, but they said nothing bad happened to them.

'Who is this person?'

Ever since he reincarnated into a new world, he always felt uneasy if something bad had happened to someone important to him.

And it was the first time his chest hurt so much like that. He had never felt something so painful like this before.

But what annoyed him most was that he did not know the cause of it.

'Who is this person?'

Xiao Tian kept asking the same question in his mind.

Time went by quickly, and without realizing it, it was already 04:00 am.

At this moment, Long Jingxian woke up. "Xiao Tian, you are already awake?"

Long Jingxian was startled when she noticed that Xiao Tian was already awake. Usually, he was still sleeping whenever she would return to her room.

"Yes." Actually, Xiao Tian had not slept since he had a nightmare a few hours ago.

His heart was filled with sadness, and for this reason, he could not sleep.

When Long Jingxian noticed Xiao Tian's eyes, she immediately spoke, "Have you not slept until now?"

"Yes." Xiao Tian gave an honest answer. "I can't sleep."

"Is it because of the nightmare?" previously, Xiao Tian said he had a nightmare, so Long Jingxian suddenly thought it was because of the nightmare.

"I don't know." Xiao Tian shook his head.

Long Jingxian suddenly felt like a bad lover. She slept soundly in his arms when her boyfriend could not sleep at all.

She then turned around, causing her to lie on her back with Xiao Tian on top of her body. After placing his head on her chest, she embraced him tightly. "Let's sleep again."

Actually, Long Jingxian wanted to help her mother cook breakfast, but she changed her mind when she found out that Xiao Tian still had not slept since he had a nightmare.

Xiao Tian shut his eyes. Even though his heart still hurt, he felt much better when he was in her arms. Coupled with her stroking his hair gently made Xiao Tian finally fall asleep.

Like before, Long Jingxian was looking at Xiao Tian while caressing his hair gently.

'It seems like I can't help my mother cook breakfast today.'

Xiao Tian was not in a good state, so Long Jingxian wanted to keep accompanying him.

After breakfast, Xiao Tian and Long Jingxian went to the cave again because Ru Guo forbade them to go to her house.

'These are...'

Xiao Tian and Long Jingxian saw two letters on the wooden table.

Long Jingxian took one of the letters. "To my student? Is this letter for me?"

She immediately opened the letter.

[Jingxian, when you read this letter, it means I'm already dead.]

*Thump...

Long Jingxian's heart suddenly beat loudly for a second, and her hands trembled continuously.

When Xiao Tian saw her, he immediately said, "Jingxian, what's wrong?"

Long Jingxian looked at Xiao Tian before showing the letter so that he could read it too.

Xiao Tian's eyes widened in surprise. Sure, he only knew Ru Guo for a few days, but he had good memories with her in these few days.

'Is she the reason why my chest hurt so much last night?'

Xiao Tian suddenly remembered what had happened to him last night.

Long Jingxian and Xiao Tian exchanged a glance with each other before returning their attention to the letter.

Even though sadness filled their hearts, they decided to continue reading the letter.

[Jingxian, I'm delighted to have a student like you. It's a pity that I can't accompany and teach you anymore from today onwards. However, I believe you can become a better doctor than me because you are a kind and intelligent woman.]

Long Jingxian's eyes were flooded with tears. Even though she only knew Ru Guo for a few days, but Ru Guo had become one of the most important people to her.

[Even though we only spent a few days together, but it was one of the happiest days of my life. I did not expect to have such good memories before I died.]

Jingxian, you and Xiao Tian match each other. I know that he loves you very much and I also can tell that you love him very much.

Even though the age difference between the two of you is quite big, but this should not be a problem if you two continue to love each other.]

Tears fell down Long Jingxian's soft cheeks.

She could not hold back the sadness within her. At this moment, the memories of them spending time together suddenly appeared in her mind.

The memory when she met Ru Guo for the first time, when Ru Guo taught her medicine, and when they talked together on the cliff.

All of them suddenly appeared in her mind.

[Jingxian, Xiao Tian is an amazing young man who also has a big dream. I'm sure he can't stand alone in this world, so I hope you will keep supporting him and always be by his side.

Even though we can't spend time together again, but I will always watch you and Xiao Tian from heaven.

I wish you both happiness. Love, your teacher, Ru Guo.]

Tears kept falling from Long Jingxian's blue-violet eyes.

She was drowning in sadness. Long Jingxian never expected that the time she had spent with Ru Guo would be so short.

Xiao Tian immediately hugged Long Jingxian. He could understand her feelings because he felt the same way.

'I didn't expect our time together to be so short.'

He kept embracing Long Jingxian.

Long Jingxian instantly wrapped her long slender arms around Xiao Tian's waist before hugging him tightly.

Her heart was filled with sadness, so she needed his hug. They embraced each other for several seconds before finally, they stopped.

After that, their eyes fell on another letter written to Xiao Tian. Xiao Tian and Long Jingxian exchanged a glance with each other before returning their attention to the letter.

'I didn't expect that she would write a letter to me too.'

Xiao Tian took the letter and opened it.

Chapter 1012 - Letter For Xiao Tian

9-11 minutes

After taking the letter, Xiao Tian immediately opened it. He also showed the letter to Long Jingxian so that she could read it too.

[Young master Xiao]

*Thump...

Xiao Tian only read the first three words, but his heart suddenly beat hard for a second.

He was shocked when he read the words 'young master Xiao.' All this time, Ru Guo never called him like this.

'Who is she? Why did she call me young master Xiao? Was she the reason why my chest hurt last night?'

Countless questions emerged in his mind.

Usually, only Lan Ruoxi called him like that because she knew about his background. That was why he was shocked when Ru Guo suddenly called him young master Xiao.

Like Xiao Tian, Long Jingxian was also startled.

'Why does teacher call him young master Xiao?'

Xiao Tian still had not revealed everything to her, so she still had no idea that he was from the famous Xiao family.

After looking at Xiao Tian for several seconds, Long Jingxian returned her attention to the letter again.

[Young master Xiao, I'm so happy to be able to meet you before I die. I'm sure you are curious as to why I'm calling you young master Xiao.

Actually, I was one of your father's subordinates. Your father and mother took my younger brother and me to the Xiao family when they knew we were orphans and had a hard life.

In my eyes, your parents are like angels. They always treated us well and cared about us. We are lucky to be able to meet them in our lives.

But instead of repaying their kindness, I did something terrible to them and you. I betrayed you.]

Xiao Tian had complicated feelings at this moment. He did not expect that Ru Guo was one of his father's subordinates.

But a wave of anger suddenly appeared within him when he found out that Ru Guo betrayed his parents in the past.

However, Xiao Tian suppressed the anger within him because he wanted to know the reason why Ru Guo decided to betray his parents.

Long Jingxian shifted her gaze from the letter to Xiao Tian.

'Xiao Tian...'

Countless questions appeared in her mind.

Like Xiao Tian, she was shocked when she found out that her teacher was one of his father's subordinates.

All this time, Ru Guo always behaved normally when she was with Xiao Tian. She even acted as if they had never met before.

Even though there were many questions in her mind, Long Jingxian did not ask anything and returned her attention to the letter.

[Actually, I did not want to betray them because they were our saviors. But I had no choice because the other members of the Xiao family took my younger brother as a hostage.

My younger brother was my only family in this world, so I had to protect him. I knew that I had done an unforgivable thing to my saviors, but my little brother would die if I did not do that.]

Xiao Tian's anger instantly disappeared when he found out the reason why Ru Guo betrayed his parents in the past.

'It's Xiao family again!'

The hatred he had for the Xiao family increased drastically in a second.

[Now that my younger brother had passed away, I decided to run away from the Xiao family because I did not want to work under them.

Young master Xiao, I knew that I made a big mistake to you and your parents, but I hope you and your parents can forgive me.

I really did not want to betray your family. I really did not want to betray your family, but my younger brother was so important to me.]

When Ru Guo wrote this part, tears fell down her cheeks.

Xiao Tian's parents had helped her change her life, but she betrayed them instead of repaying their kindness.

This was the main reason why she never had a peaceful life because the guilt feelings kept haunting her.

That feeling of guilt kept popping up inside her every time she slept, ate, or did anything else.

But she had to stay strong because her younger brother was waiting for her to cure him.

[Even though I could not meet your parents, but I was already happy because I could meet you before I died.

Young master Xiao, I actually wanted to reveal everything when I met you. However, I could not do that because I did not want to put you in danger again.

I really wanted to atone my mistake to you and your family, but I was afraid that my action could break the promise between your father and the Xiao family.]

Actually, Ru Guo wanted to write that Long Jingxian was her last gift to him. Yes. The reason why Ru Guo took Long Jingxian as her student was because of Xiao Tian.

But she changed her mind and decided not to write it because she did not want to hurt Long Jingxian's feelings.

Ru Guo was sure that as long as Xiao Tian and Long Jingxian were still lovers, Long Jingxian would keep supporting him in the future.

Xiao Tian stopped reading the letter for several seconds.

'Promise? Is this the reason why the Xiao family never touch me and my family until now? But what kind of promise is this?'

His mother never said anything about the promise between his father and the Xiao family, so Xiao Tian knew nothing about this.

'Is this the reason why my father never visits me until now?'

Xiao Tian suddenly thought the reason why his father never visited him was related to his promise to the Xiao family.

'But this doesn't make senses!'

In his view, it did not make sense that his father's promise to the Xiao family could stop him from meeting his father.

Long Jingxian looked at Xiao Tian again.

'Xiao Tian, what is your family background? Why does your family have such complicated things like this?'

At this moment, Long Jingxian realized something.

'Teacher suddenly wanted me to be her student and she was one of his father's subordinates. His father never visits him until now, and there is also a promise between his father and the Xiao family.'

She felt that everything was no coincidence.

'Teacher did not reveal everything because she did not want to put him in danger. Teacher knows that Xiao Tian and I are lovers. She also keeps praising him and wants me to always support him.'

Long Jingxian's eyes widened when she realized something.

'The promise, subordinates, and family problem. Don't tell me....'

Long Jingxian was a clever lady, so she could understand everything instantly.

At this moment, she was sure the reason why Ru Guo suddenly wanted her to be Ru Guo's student was that she was Xiao Tian's lover.

Ru Guo could not teach her skills to Xiao Tian because her actions could break the promise between his father and the Xiao family.

Ru Guo did not want to put Xiao Tian in danger too.

'Then, her only option is me.'

Long Jingxian was sure it was because she and Xiao Tian was a couple.

'So this is the reason why teacher wants me to keep supporting him.'

Long Jingxian finally knew the truth.

[Young master Xiao, if there is next life, I hope we can become family. At that time, I promise not to repeat the same mistake again.

Young master Xiao, even though the distance between us now is far, but I will continue to watch over you from heaven.

I hope God will always protect you.

Love, Aunt Ru]

At this moment, several memories suddenly appeared in Xiao Tian's mind.

"Young master Xiao, do you like it?" Ru Guo said after giving Xiao Tian a remote control car.

Another memory appeared in his mind.

"Young master Xiao, don't run in this place. It's dangerous!" Ru Guo ran towards Xiao Tian with a worried face.

Another memory appeared in his mind.

"Young master Xiao, why are in my office? Do you want to play with me again?" Ru Guo asked as she smiled softly.

A drop of tear suddenly fell from Xiao Tian's right eye. At this moment, Xiao Tian finally remembered everything about Ru Guo or what they did together in the past.

"Aunt Ru..." Xiao Tian mused unconsciously.

Even though the person who had memories with Ru Guo in the past was his predecessor, but he felt as if it was him.

He felt as if he was the one who spent time with Ru Guo in the past.

Long Jingxian felt even sadder when she saw a single tear on Xiao Tian's right cheek. "Xiao Tian..."

At this moment, she knew that Xiao Tian had a close relationship with Ru Guo in the past. It would be impossible for him to cry if their relationship was not close.

'It seems like he finally remembers who master is.'

Because a single tear had fallen from Xiao Tian's right eye, Long Jingxian was sure that Xiao Tian remembered who Ru Guo was.

Terrifying light flashed across Xiao Tian's eyes.

'Xiao family. I will remember this. I will make you pay a hundred times in the future.'

Since he could not do anything to the Xiao family now, he decided to keep his anger and hatred within him and let it out in the future.

Xiao Tian then looked at Jingxian and spoke, "Let's find her corpse now."

"Un." Long Jingxian nodded her head.

Even though Ru Guo forbade them to go to her house, Xiao Tian did not care about it. Long Jingxian and Xiao Tian tried to find her corpse, but they could not find it.

For this reason, they returned to the cave before finally sitting on the cliff.

Chapter 1013 - Going Home

7-9 minutes

In the forest, two people were sitting on the edge of a cliff.

The young man had a handsome face while the mature lady had a pretty face.

Even though the scenery in front of them was breathtaking, a happy expression could not be seen on their faces; instead, it was the opposite.

These two people were none other than Xiao Tian and his new lover, Long Jingxian.

Previously, they tried to find Ru Guo's corpse, but their efforts were in vain. For this reason, they decided to go to the cliff.

"Xiao Tian, can you tell me about your family background now?" Long Jingxian wanted to know about his family background because it was related to her teacher.

"My family is..." Xiao Tian began revealing everything to Long Jingxian.

"I see." Long Jingxian finally understood everything. "I didn't expect you to have such a sad past."

As Xiao Tian and Long Jingxian were chatting, three people suddenly appeared not far from their left side.

'Isn't he Xiao Tian?!'

Even though they could not hear his conversation with Long Jingxian, but they could see his face.

Yes. These three young people were the ones who killed Ru Guo last night.

"What is he doing in a place like this?" the silver-eyed young man inquired.

"Leader, what should we do?" the red-eyed man did not expect to see Xiao Tian in that place.

"Should we ask if he met Ru Guo or not?" the blue-eyed man uttered.

The red-eyed man and the blue-eyed man looked at the silver-eyed man because he was their leader.

Before the silver-eyed man could say something to them, a woman who wore a silver fox mask appeared before them. "What are you doing here? Does the Xiao family want to break their promise?"

They instantly shifted their gaze from Xiao Tian to that woman.

'Silver Fox?'

Of course, they knew who she was because she was famous, especially in the Xiao family.

"We just want to know what he is doing in this place." the silver-eyed man replied, "If it's related to Ru Guo, we have to report this matter to our master later."

"It's not related to her. Leave!" she did not want these people to be near Xiao Tian, so she wanted them to leave quickly.

The silver-eyed man was unhappy with her behavior. "We only want to know-"

Before he had finished his words, she interrupted him. "Leave or I will kill you now!"

Anger stirred within the red-eyed man. "We just want to know if it is related to Ru Guo or not! Why did you-"

Before he had finished his words, he was stopped by the silver-eyed man. "Shut up!"

*Sring....

The woman unsheathed her sword.

"I will count to three. If you don't leave this place immediately, I will kill you all." like before, every single one of her words was filled with coldness.

"We will leave now." after saying that, the silver-eyed man looked at his subordinates. "Let's go."

As they were running towards the opposite side of Xiao Tian, the red-eyed man asked, "Leader, why are we running from her? Why don't we fight her?"

"That's right. We should have fought her earlier." The blue-eyed man added.

"Fools! Have you forgotten who she is? Even if there were ten of us, we would still get killed if we fought her." the silver-eyed man knew how terrifying she was.

"But we are much stronger now. We also have that thing so I'm sure we can beat her." the red-eyed man still believed that they could defeat Silver Fox lady.

"Go back and fight her if you want to die! I won't stop you." the silver-eyed man stated.

The red-eyed and blue-eyed young men did not say a single word anymore after that.

"I will order my underlings to take all the books later." Xiao Tian uttered, "I will also build a hidden room for you in my backyard later."

Long Jingxian had agreed to live with him, so Xiao Tian decided to build a secret room for her later.

"Thank you, Xiao Tian." Long Jingxian uttered.

Xiao Tian and Long Jingxian then went home. After taking a shower, Xiao Tian called Mu Huo and ordered him to come to Wushang city tomorrow.

He also said to bring twenty people with him so that they could move all the books faster. As usual, Long Jingxian came to his room again in the middle of the night.

After having sex for about two hours, they stopped and slept. The following morning, Mu Huo came to Wushang city with twenty people.

They immediately moved all the books and sent them to Xiao Tian's house.

"So, you want to go home tomorrow, huh?" Jing Liling wore a sad face.

Currently, Jing Liling and the others were sitting on the terrace.

"Yes." Xiao Tian replied. "I have been staying at auntie's house for more than five days, so I think it's time for me to go home."

"Sigh. This house will be quiet again later." Jing Liling sighed after saying that.

"Liling, he hasn't seen his family for more than five days so you have to understand it." Long Diyi uttered, "He also has a job so we can't stop him."

Jing Liling then turned her head towards her daughter and asked, "What about you, Jingxian? Are you going back tomorrow too?"

"Yes." Long Jingxian nodded her head.

Jing Liling sighed again. Long Diyi could only shake his head when he saw her sad face. They then talked for about three hours before finally, they went to their rooms.

That night, Long Jingxian did not come to Xiao Tian's room. It was because she was busy preparing everything.

The following morning, Xiao Tian and Long Jingxian rechecked their belongings after breakfast.

"Jingxian, don't forget to call me." Tears flooded Jing Liling's blue-violet eyes. "You have to visit your old mother if you have free time."

"Don't worry, mother. I promise to visit you more often in the future." Long Jingxian replied. "Whatever happens, I will always remember you, mother, father."

"Grandma, don't cry." Mu Ai spoke abruptly when she saw Jing Liling's eyes filled with tears. "We will visit you again in the future."

Jing Liling instantly carried Mu Ai and spoke, "My adorable granddaughter, you have to always remember me too."

"Un." Mu Ai nodded her head cutely. "I will always remember you, grandma."

Jing Liling kissed Mu Ai's cheeks.

Long Diyi then shifted his gaze from Mu Ai to Xiao Tian. "Xiao Tian, I hope you will always keep your promise."

"Don't worry, uncle. I won't break my promise until I die." Xiao Tian would protect Mu Ai and Long Jingxian forever because they were important to him.

"Good." Long Diyi was satisfied with Xiao Tian's answer. "Then I will leave them in your hands from now on."

Xiao Tian took his business card and spoke, "Uncle, this is my business card. Feel free to contact me if you have any problems or need anything."

"All right." Long Diyi took Xiao Tian's business card.

Then Xiao Tian and Long Jingxian left. After driving for about six hours, they finally arrived at Long Jingxian's house.

"Xiao Tian, do you want to go home immediately or do you want to rest at my house for a while?" Long Jingxian inquired.

"I want to go home now." Xiao Tian had not seen his women for more than five days, so he wanted to meet them soon.

"All right." Long Jingxian uttered.

After kissing Long Jingxian and Mu Ai, Xiao Tian went home.

Chapter 1014 - Crazy Question Again

6-7 minutes

"I'm home." Xiao Tian said after entering his house.

Ye Xueyin, who was in the dining room, dashed towards the living room after hearing his words.

'Tian has returned home!'

Xiao Tian stayed at Long Diyi's house for more than five days, so Ye Xueyin really missed him.

"Tian...." Ye Xueyin jumped into Xiao Tian's arms without thinking twice.

"I'm home, mother." Xiao Tian knew that his mother would do that, so he was not surprised by her action.

Currently, Ye Xueyin was locking her legs around Xiao Tian's waist, and he placed both of his hands on her butt.

Ye Xueyin cupped Xiao Tian's face before speaking, "Tian, mother really misses you."

There was not a single day that she did not think about him. She missed his sweet words, embraces, and kisses.

"I miss you too." Xiao Tian also missed his mother.

That was why he went straight home after sending Long Jingxian and Mu Ai home.

Sure, he had a wonderful experience with Long Jingxian, Mu Ai, and her parents, but he still missed Ye Xueyin and the others because they were a part of him.

When Xiao Tian wanted to put her down, Ye Xueyin refused, and as a result, he walked towards the family room while still carrying her.

'Where are they?'

Xiao Tian did not see anyone in the family room.

"Where is aunt and the others?" Xiao Tian inquired.

"They are in the backyard." Ye Xueyin replied instantly. "We're having a little party in the backyard right now."

Ye Xueyin and the others agreed to have a small party in the backyard after arriving home.

"I see." Without waiting for another second, Xiao Tian headed to the backyard.

"Little brother, you have returned?" Shi Fei's eyes shone brightly when he saw Xiao Tian walking towards them.

Liu Ning, Lin Xing Xue, Ye Qingyu, and Feng Yu turned their heads towards Xiao Tian. While Feng Yu was still sitting on the mat, Ye Qingyu and the others walked towards Xiao Tian.

"I'm home." Xiao Tian smiled softly.

Xiao Tian had a hard time when he wanted to hug and kiss Ye Qingyu and the others because his mother kept clinging to him like a postage stamp.

"Mother, can you down now?" Xiao Tian had not kissed Ye Qingyu and the others for more than five days, so he wanted to do that.

"All right." Ye Xueyin knew that she could not monopolize Xiao Tian.

Xiao Tian was pleased by her choice. He wasted no time and instantly kissed and hugged Ye Qingyu and the others.

Sure, Feng Yu was near them, but he did not show the slightest care about it because he was sure that she already knew everything.

To his surprise, Ye Xueyin jumped into Xiao Tian's arms again. This time, she did not want to be separated from Xiao Tian again, and as a result, she continued to cling to him.

Xiao Tian then told them about the experience he had at Long Diyi's house. He told them everything without hiding a single thing.

He also said Long Jingxian agreed to live together with them, but she needed to take care of something first.

Shi Fei and the others were happy after hearing that.

That night, Xiao Tian did not have sex with any of his women. He only spent time with them before finally, he dragged them to his room.

After chatting for about an hour in his room, they fell asleep.

The following morning, Xiao Tian called a builder to build a secret room for Long Jingxian to study. He decided to build a secret room in the backyard.

Because Ru Guo's books were important, Xiao Tian chose to build a secret underground room. He told the builder to build it as quickly as possible.

After that, Xiao Tian went to the Star Film company. He immediately gave the script to Da Shan and told Da Shan to prepare everything.

Yes. Xiao Tian wanted to make a movie as quickly as possible. That was why he ordered Da Shan to choose actresses and actors for their movie immediately.

After that, Xiao Tian called Yun Xin Er and invited her to have lunch with him. He could only spend time with her for about thirty minutes before her manager called her.

Because Xiao Tian was alone in the restaurant, he decided to go to the Red Flower bar to meet Lan Ruoxi.

Like Yun Xin Er, Lan Ruoxi was also busy. He could only spend time with her for fifteen minutes before finally, she went to Autumn Restaurant to meet someone.

At first, Xiao Tian wanted to meet Long Jingxian, but he changed his mind when he found out that she was still working.

'I will go to Crystal's apartment.'

With that idea in mind, Xiao Tian went to Crystal's apartment.

When Crystal opened the door, Xiao Tian was shocked. "Crystal, what happened to you?"

There was a bandage on Crystal's head, and her face was also covered in bruises.

"Let's talk inside." Crystal replied.

After they sat on the couch in the living room, Xiao Tian asked the same question. "What happened to you?"

"My target is stronger than I thought." Crystal gave an honest answer.

Three days ago, a middle-class family paid her to kill someone. They wanted to kill him because he had caused trouble to their business.

"Who is your target? I will help you kill that person." At this moment, Xiao Tian thought that Crystal still had not succeeded in killing her target.

"He is already dead." Even though her face was battered, Crystal managed to kill her target.

"Oh, Xiao Tian. You are here?!" Yu Shi was startled when she saw Xiao Tian in the living room. "You haven't seen us for more than five days. I thought you had forgotten us."

"I went to Wushang city to meet Jingxian's parents, so I could not see you." Xiao Tian gave an honest answer,

"Are you two lovers now?" Yu Shi asked curiously.

"Yes." Xiao Tian replied as he nodded his head. "She is my lover now."

"So, when will you and Crystal become lovers?" Yu Shi asked.

Chapter 1015 - I Know I'm Crazy

7-8 minutes

"So, when will you and Crystal become lovers?" Yu Shi always wanted Xiao Tian and Crystal to be lovers since a few months ago.

No, her main purpose was to make Crystal one of Xiao Tian's wives, but she knew that she could not ask Crystal to be Xiao Tian's wife for now.

Crystal said she wanted to do everything step by step. For this reason, Yu Shi wanted Crystal and Xiao Tian to be a couple first.

Of course, it was a real couple, not fake lovers like what they did in the past. Otherwise, everything would be meaningless later.

However, both Xiao Tian and Crystal never tried to change their relationship since they knew each other. Yes, they were still friends.

This made Yu Shi often sigh when she saw them together.

'I wonder what exactly is stopping them from being a couple? They have known each other for more than three months now. They even have experienced life and death situations together.'

Yu Shi knew that Xiao Tian and Crystal cared a lot for each other.

She even believed that their relationship was no less than that of lovers. In her view, their relationship was equivalent to that of a couple.

*Silence...

Yu Shi's words dropped the living room into a dead silence.

Xiao Tian and Crystal instantly exchanged a glance with each other.

Of course, they knew that Yu Shi wanted them to be together because it was not the first time she had tried to match them.

Ever since she knew how amazing Xiao Tian was, Yu Shi always wanted them to be a couple, or more precisely, a husband and wife.

"Xiao Tian, let me ask you one question." Yu Shi spoke and paused for a second before she continued, "Do you care about Crystal?"

"Yes. I really care about her." Xiao Tian was telling the truth. "Crystal is very important to me."

For Crystal, he was even willing to fight many strong martial artists at the same time. They had experienced life and death situations together before, so their relationship was so deep.

Yu Shi then shifted her gaze from Xiao Tian to Crystal. "What about you, Crystal? Do you care about him?"

"Yes." like Xiao Tian, Crystal also cared a lot about him.

If it were not for him, she would have died in the forest. There were only two people who she cared a lot in this world.

First, it was Yu Shi, her martial arts master. And second, it was Xiao Tian, her former target.

"Then, what are you waiting for? You two really care about each other and have known each other for quite a long time now. So, what's stopping you? Just become lovers now!" Yu Shi tried to make Xiao Tian and Crystal become a couple again.

Xiao Tian and Crystal exchanged a glance with each other again. What Yu Shi said was true. They cared about each other deeply and had known each other for quite a long time now.

They had even experienced life and death situations together. It could be said that their bond was unbreakable now.

Yu Shi sighed again. "How about this? I will stop asking you two to be a couple again later, but you have to give me a granddaughter or grandson quickly."

Xiao Tian and Crystal almost vomited blood after hearing her words. They were at a loss for words.

'She is getting crazier now.'

These were the words that appeared in their minds.

"Xiao Tian, do you think my disciple is pretty?" Yu Shi threw another question.

"Yes." Xiao Tian admitted that Crystal was indeed a gorgeous lady.

She was on par with his other women in the category of beauty. Not only was she pretty, but she was also skilled in martial arts.

Yu Shi then shifted her gaze from Xiao Tian to Crystal. "Crystal, do you think Xiao Tian is attractive?"

"Yes." Xiao Tian was one of the most attractive young men she had ever seen in her life, and she was sure everyone would agree with this.

"Than what are you waiting for? Just get naked and have sex here!" Yu Shi revealed her true intentions.

*Cough....

Xiao Tian and Crystal coughed at the same time.

"Yes, yes. I know I'm crazy, so you don't need to look at me like that." Yu Shi knew what they had in mind because she could tell everything from their faces.

To her surprise, Crystal suddenly said something shocking, "Master, I'm injured right now so I can't have sex with Xiao Tian today."

The expression of deep shock blossomed on Xiao Tian's face.

'Are we going to fool her again later?'

That was the first question that appeared in his mind.

Yu Shi's eyes shone brightly. "What did you just say?"

"I'm seriously injured so I can't do it with Xiao Tian today." Crystal repeated her words.

"Then, does that mean you will do it with him after you recover later?" Yu Shi wanted to make sure that she did not misunderstand Crystal's words.

"Yes. I will have sex with him after I recover." Crystal replied as she nodded her head.

At this moment, Xiao Tian still had not said a single word. All he did was stare at Crystal and Yu Shi.

He was confused. He did not know what was going on with Crystal's mind.

Crystal then shifted her gaze from Yu Shi to Xiao Tian. "Xiao Tian, let's have sex after I recover later."

Xiao Tian did not answer. He only stared at Crystal. At this moment, he was thinking whether Crystal was serious or not.

"Xiao Tian, you agree right? You agree right?" Yu Shi's heart throbbed with happiness because she felt that Crystal was serious with her words.

Xiao Tian took a deep breath before calming himself down. "Are you serious?"

He could not behave like usual because his relationship with Crystal was unique and strong.

"Yes. I'm serious this time." Crystal replied instantly. "Do you want to do it with me?"

Before Xiao Tian could answer Crystal's question, Yu Shi spoke, "You won't refuse right, Xiao Tian? You won't refuse, right?"

Yu Shi was happy when she found out that she was one step closer to her dreams. Yes, she had a few dreams. First, she wanted to have a granddaughter or grandson.

Second, she wanted Crystal to be Xiao Tian's wife. And last, she wanted Crystal to be a famous martial artist in China.

With Xiao Tian's help, Yu Shi was sure that Crystal could achieve many things in the future because Xiao Tian was an extraordinary person. In her view, all he needed was only time.

Yes. Yu Shi was sure that Xiao Tian would become an extraordinary person in the future.

The corner of Xiao Tian's lips twitched after seeing Yu Shi's happy face.

'This old woman is really something!'

He then returned his attention to Crystal.

Actually, Xiao Tian felt sorry for Crystal because her master kept trying to match her up with him. Sure, he did not hate it, but he did not want Crystal to feel uneasy.

He did not know what would happen to him if he were in her shoes. "Let me repeat my question. Are you serious with your words?"

"Yes. I'm serious.." Crystal was serious with her words. "So, do you agree to have sex with me later?"

Chapter 1016 - You Did The Right Thing

6-8 minutes

"Yes. I'm serious. So, do you agree to do it with me after I recover later?" even though Crystal said something like this, she was not shy at all.

Yes, she said it with a straight face as if it was normal for her to say something like that in front of her master.

At this moment, Yu Shi was looking at Xiao Tian intently. This was the moment she had been waiting for since a few months ago, so her heart was filled with happiness.

'You did the right thing, my dear disciple.'

Yu Shi was pleased with Crystal's decision.

"Xiao Tian, hurry up and answer her question!" Yu Shi corrected her words. "No, I mean, hurry up and say yes. Something like this won't happen every day, you know?"

"All right." It took Xiao Tian a few seconds before answering Crystal's question.

He could not refuse her offer in front of Yu Shi because it could hurt her feelings and destroy her dignity as a woman.

He would ask again when he was alone with Crystal. He wanted to know why her behavior was different today.

"Good! I will leave you two alone now." after saying that, Yu Shi rose to her feet. "If you want to do it now, I don't mind too. Bye. Have Fun!"

'It seems like I will have a grandson soon.'

A happy smile appeared on her face.

After Yu Shi left, Xiao Tian returned his attention to Crystal and inquired, "Are you sure?"

"Yes. Let's do it for real this time." Crystal nodded her head. "Even though my master's personality is getting weirder and weirder now, but I still love her and she also did this for me. You are also important to me so I don't mind giving you my virginity."

Xiao Tian's eyes widened in surprise.

'Virginity?!'

Sure, she had known Crystal for several months, but he had no idea that she was still a virgin.

"Crystal, think about this carefully again. I don't want you to regret it later because it's very important for women." It was not like Xiao Tian did not want to do it with her.

Due to how important Crystal was to him, Xiao Tian did not want her to do something she would later regret.

He knew that he was only an important friend in her eyes, so in his view, having sex with him was too much. She was even still a virgin.

Every woman would only lose their virginity once in their life, so Xiao Tian did not want her to regret her actions later.

"Xiao Tian, my master is already old, so I want to make her happy every day." Crystal really loved Yu Shi because she would have died if it were not for Yu Shi. "I hope you will help me make her happy every day from now on."

Xiao Tian was amazed by her love for her master.

'Crystal, you are one of the most amazing women I have known in my two lives.'

He was sure most women would not do something like that if they were in her shoes.

"Can you promise to help me make her happy?" Crystal inquired.

"Yes." Xiao Tian replied.

"Thank you!" Crystal was pleased by his words.

After that, they talked for several minutes before finally, Xiao Tian went to Star Clothes company.

When Long Jingxian said she was at home, Xiao Tian immediately traveled to her house.

He told her that he was currently building a secret room for her. He also said that his women wanted to meet her and her daughter.

Even though she did not show it on her face, Long Jingxian was pleased because his other women seemed like they welcomed her with open arms.

Coincidentally, tomorrow was Sunday, so Long Jingxian decided to meet his other women tomorrow.

After spending time with Long Jingxian and Mu Ai for an hour, Xiao Tian went home.

That night, Xiao Tian told his women that Long Jingxian and her daughter would come to their house tomorrow morning.

His women were pleased and wanted to meet them immediately because they had never met before.

Like yesterday, Xiao Tian did not have sex with any of his women. They only chatted in his room before finally, they fell asleep.

The following morning, Xiao Tian went to Long Jingxian's house after having breakfast with Shi Fei and the others.

It was Sunday, so he did not go to work.

'I'm really excited now.'

After arriving at Long Jingxian's house, Xiao Tian immediately knocked on the door.

"You have arrived?" even though Long Jingxian knew that Xiao Tian would come to her house, she did not expect it to be so early like that.

"I want to spend time with you first before taking you to my house." this was the reason why Xiao Tian went to Long Jingxian's house so early.

"Big brother..." Mu Ai dashed towards him.

As usual, Xiao Tian immediately carried Mu Ai. "Have you taken a bath?"

"Un. I have taken a bath." Mu Ai nodded her head cutely.

They then headed to the living room before sitting on the couch.

"Big brother, mother said we would go to your house later? Is that true?" Mu Ai was pleased when her mother said they would go to Xiao Tian's house because she had never been to his house before.

"Yes." Xiao Tian replied, "And you will meet your new family later."

"New family?" Mu Ai tilted her head to the left, confused.

"Yes. You will also have an older sister later." Xiao Tian suddenly wanted to introduce Mu Ai to Feng Yu immediately.

"I will have big sister?" like before, Mu Ai did not get Xiao Tian's words.

Of course, Long Jingxian knew the meaning of his words because Xiao Tian had told her everything.

"Yes. You will have a big sister later." Xiao Tian spoke and paused for a second before he continued, "A big sister that will always play with you and protect you in the future. How is it? Are you happy?"

"Un. I'm happy." Mu Ai nodded her head cutely. "I love having an older sister."

At this moment, Xiao Tian suddenly thought of something. "Little Ai, you said you love having an older sister. What if big brother also gives you a younger sister later? Would you like it too?"

"Yes. I like having a big sister or a younger sister." Mu Ai actually did not understand Xiao Tian's words, but she still said something like that.

She was still a kid, so Xiao Tian's words were quite hard to understand.

Xiao Tian instantly shifted his gaze from Mu Ai to Long Jingxian. "Jingxian, she said she also likes having a younger sister. How about we give her a younger sister later?"

Of course, Xiao Tian only wanted to tease Long Jingxian because it was not the right time to have children.

"Sure, but you have to marry me first." Long Jingxian knew that Xiao Tian only wanted to tease her.

"Don't worry. I will definitely marry you in the future." Xiao Tian stated.

"Then, we can only give her a younger sister in the future too." Long Jingxian spoke as she smiled.

Xiao Tian was at a loss for words.

'Because you dare to tease me, I will punish you later.'

He said in his head.

Chapter 1017 - Bringing Mu Ai And Long Jingxian To His House

8-10 minutes

After talking for about ten minutes, Long Jingxian headed to her room to prepare herself.

'I think this outfit is great.'

Currently, Long Jingxian was standing in front of the full-body mirror, checking her clothes.

'Yes. I will wear this attire.'

After choosing clothes for about five minutes, Long Jingxian decided to wear a white feminine blouse and a brown skirt.

Even though she would only meet Xiao Tian's other women, Long Jingxian paid attention to what she wore carefully.

It would be their first meeting, so she wanted to make a good impression.

After stepping into the living room, Long Jingxian uttered, "Xiao Tian, I'm ready. Let's go to your house now."

Xiao Tian was stunned. He was unable to take his eyes off her after seeing Long Jingxian. At that time, there were only two words that could describe her.

Drop-dead gorgeous!

Yes. Long Jingxian looked like a rich lady who was pretty and elegant.

'My new MILF lover is so stunning!'

Sure, Xiao Tian knew that Long Jingxian was an attractive mature lady, but her beauty was out of the chart at that time.

She was like an angel who descended from the highest heaven and pretended to be a human.

*Thump...

A desire to hug and kiss Long Jingxian suddenly arose within him.

For this reason, Xiao Tian looked at Mu Ai and inquired, "Little Ai, can you close your eyes and count to twenty now?"

Mu Ai tilted her head to the left before answering, "...All right."

Even though she had no idea as to why Xiao Tian suddenly wanted her to close her eyes and count to twenty, she still agreed without asking anything.

At this moment, Long Jingxian stared at Xiao Tian intently.

'Is he going to kiss me?'

Long Jingxian suddenly thought that Xiao Tian wanted to kiss her because he did the same thing when they were at her parents' house.

Yes. At that time, Xiao Tian asked Mu Ai to close her eyes and count to twenty before kissing her.

And what she had guessed was right because Xiao Tian instantly kissed her lips after Mu Ai shut her eyes.

'He is really kissing me.'

Long Jingxian unconsciously pulled Xiao Tian towards her before finally embracing him tightly.

Xiao Tian was shocked. Previously, he thought Long Jingxian would not do anything, but he was wrong.

Of course, this made him happy. Because she was hugging him, Xiao Tian decided to wrap his arms around her slender waist.

And not only that, but Xiao Tian also tried to put his tongue into her mouth.

To his surprise, Long Jingxian welcomed the kiss instantly. She opened her little mouth before finally intertwining her soft tongue with his.

Because Mu Ai was next to them, Xiao Tian did not kiss her passionately for too long. They had a deep kiss for about seven seconds before finally, Xiao Tian broke the kiss.

After kissing her tender lips, Xiao Tian whispered in her right ear, "You look so stunning!"

"Thank you." happiness shimmered inside Long Jingxian.

After that, they went to his house.

"Whoa, so big!" Mu Ai stated when she saw Xiao Tian's mansion. "Mother, there is a little angel above the water."

Mu Ai pointed her right index finger at the fountain located in the center of the front yard.

"Yes." actually, Long Jingxian was startled when she saw Xiao Tian's house.

Sure, she knew that Xiao Tian was a successful young man, but she did not expect his house to be so big and luxurious.

'He is amazing! He could have such a big and luxurious house like this in less than two years.'

Long Jingxian suddenly felt proud to have such a young but already successful lover.

Just like what they did when they welcomed Lin Xing Xue into their home, Ye Qingyu and the others were also standing on the terrace, waiting for Long Jingxian and her daughter.

Happiness blossomed within her when Long Jingxian saw Xiao Tian's other women.

'They are my new sisters.'

Because Shi Fei and the others were also Xiao Tian's girlfriends, that meant they would become her sisters later.

After getting out of the car, Long Jingxian, Xiao Tian, and Mu Ai walked towards them. At this moment, Long Jingxian was nervous, but she still managed to control it.

Like when Lin Xing Xue came to their house for the first time, Ye Xueyin and the others welcomed Long Jingxian with open arms.

Long Jingxian felt warm deep inside her.

Even though Xiao Tian had said that his girlfriends were kind and would welcome her with open arms, but their welcome was much better than she thought.

She even felt love from them. With the way they treated her and her daughter, Long Jingxian was sure that she could get along with them fast later.

Xiao Tian then looked at Mu Ai and spoke, "Little Ai, she is Feng Yu. She will become your big sister from now on. She will play with you and also protect you in the future."

Mu Ai shifted her gaze from Xiao Tian to Feng Yu. "Big sister, I'm Mu Ai."

Something unexpected happened when Feng Yu saw Mu Ai's cute face.

Her face blossomed into a smile!

Xiao Tian was shocked. It was very rare for her to smile like that.

'I don't know whatever I should be happy or not about this.'

Even though he knew that Feng Yu would like Mu Ai, but he did not expect Feng Yu to like Mu Ai more than he thought.

"I'm Feng Yu." Feng Yu introduced herself. "I will become your big sister from today onwards."

Mu Ai held Feng Yu's right hand and nodded her head cutely. "Un. Let's play together from now on."

Feng Yu smiled softly. She also thought that Mu Ai was adorable. Feng Yu then shifted her gaze from Mu Ai to Xiao Tian.

Even though she did not say anything to him, Xiao Tian knew that she was happy.

'Good! With this, she won't be lonely anymore.'

Xiao Tian hoped Mu Ai could help him win Feng Yu's heart later.

After that, they headed to the family room and chatted there. Shi Fei and the others asked when Long Jingxian would live with them.

Long Jingxian said she would live with them after she finished taking care of something.

Xiao Tian then brought Long Jingxian to the backyard. "This will be your secret room later."

Long Jingxian hugged Xiao Tian's right arm before speaking, "Thank you, Xiao Tian."

'He really is building a secret room for me.'

Previously, Xiao Tian said he would build a secret room for her. She just did not expect that he would really do that.

After that, they returned to the family room. Like before, Long Jingxian chatted with Shi Fei and the others again.

Xiao Tian smiled softly when he saw Long Jingxian and his other women talking happily. This was something that he really loved.

At 07:00 pm, Xiao Tian sent Long Jingxian home. He only spent time at her house for about fifteen minutes before finally, he went home.

Xiao Tian's Mansion, His Bedroom.

"So, is she the reason why you suddenly decided to build a secret room in the backyard?" Ye Qingyu was startled when Xiao Tian suddenly wanted to build a secret room two days ago.

"Yes." Xiao Tian began to tell them the reason why he decided to build a secret room for Long Jingxian.

"I see." They finally understood everything.

"So, doesn't this mean sister Jingxian will be an excellent doctor in the future?" Shi Fei spoke abruptly.

"Yes." Xiao Tian replied.

"Good job, little brother!" Shi Fei said, "Not only is sister Jingxian a gorgeous lady, but she can also help you in many things in the future. You chose the right new lover. Well done!"

"Tian, mother can't help you in many things, but mother can hug you every day." Ye Xueyin wore a sad face when she realized that she lacked the skills that could help Xiao Tian achieve his goals.

When Xiao Tian saw her sad face, he kissed her forehead and smiled softly. "Then, I will depend on mother to cheer me up and hug me every day."

Ye Xueyin's sad face instantly turned happy. "Un. Mother will hug you every day from today onwards. Mother will give you a lot of hug from now on."

Xiao Tian turned his head to look at Ling Xing Xue and Liu Ning. "What about you two? What will you do for me later?"

Liu Ning and Ling Xing Xue exchanged a glance with each other before answering in unison, "We will also hug you every day."

"Looks like my days will be filled with happiness from today onwards.." Xiao Tian spoke happily.

Chapter 1018 - Meeting Xi Ran Again

8-10 minutes

After talking for several minutes, they decided to sleep. The following morning, Xiao Tian went to Star Film company to know the progress of their filming plans.

"How is the progress of our filming plans?" Xiao Tian inquired.

Currently, he was sitting on a chair in his office.

Da Shan, who was standing in front of Xiao Tian, replied, "Sir, everything is ready except we still haven't found the right actress for the female lead role."

Da Shan and the others had been trying to find the right actress for the female lead role, but their efforts were in vain.

They could not just choose any actress because the female lead role was crucial for their movie.

"All right. You can leave now." Xiao Tian uttered,

After working for about three hours, Xiao Tian went to Crystal's apartment.

"Xiao Tian, Crystal's condition is much better now, so you better prepare yourself." Yu Shi spoke abruptly.

Currently, Xiao Tian, Crystal, and Yu Shi were sitting on the couch in the living room.

Xiao Tian and Crystal exchanged a glance with each other before sighing at the same time. They wanted to say something but decided against it.

"Oh right, Xiao Tian. We just tested Crystal's speed earlier, and the result was amazing." Yu Shi wore a happy face. "Now her speed is already in the category of the high-level master stage."

She then continued, "Soon, she will officially become a martial artist at the high-level master stage. If you don't practice martial arts diligently, she will be stronger than you later. Hehe."

Xiao Tian was pleasantly surprised. "Is that true, Crystal?"

"Yes." Crystal nodded her head. "I only need to increase my strength, and I will officially become a martial artist at the high-level master stage."

"Congratulation." Xiao Tian suddenly remembered something. "I think I can help you break through to the high-level master stage faster."

"Really?" Crystal and Yu Shi said in unison.

Xiao Tian began to tell them about the medicine that could help martial artists strengthen their bodies and increase their strength faster.

He also said Long Jingxian was currently studying this medicine.

Yes. Xiao Tian had ordered his underlings to buy the ingredients needed to make medicine, poison, and others two days ago.

He even spent millions of Yuan on buying these ingredients. However, he did not mind it because it was an investment in his eyes.

Yu Shi looked at her disciple and spoke, "How is it, Crystal? Xiao Tian is useful, right?"

"Yes." Crystal nodded her head again. "He is indeed useful."

Xiao Tian almost coughed blood after hearing Crystal's words.

'Crystal, don't go to the dark side!'

He shouted in his head.

After talking for about an hour, Xiao Tian traveled to Star Clothes company to work.

'I will work now.'

Xiao Tian was filled with ambition to work.

But everything was different from what he had planned because Shi Fei suddenly entered his office when he was about to work.

One thing led to another, and they ended up having sex in his office. They had sex for an hour and a half before finally stopping.

"You are as amazing as usual, little brother." Currently, Shi Fei was putting on her clothes.

Xiao Tian, who was lying down on the couch, turned his head towards her.

'This succubus has destroyed my plan!'

He could only blame himself for failing to resist her seduction.

After putting on her clothes, Shi Fei gave Xiao Tian a peck on the lips. "I will return to my office now. Hurry up and put on your clothes, or else other people will see your naked body later."

Shi Fei returned to her office with a smile on her face. She was pleased because she could have sex with him again after more than two weeks.

After putting on his clothes, Xiao Tian worked for about thirty minutes before finally going to the coffee shop.

Li Coffee Shop.

Inside a luxurious coffee shop, a gorgeous lady was standing in front of the cashier. That lady had long black hair and emerald eyes.

Yes. That lady was Xi Ran, a gorgeous actress.

"Miss, this is your coffee." The cashier gave iced coffee in a plastic cup.

Xi Ran immediately took the coffee and drank it.

'Where is my wallet?'

Xi Ran could not find her wallet in her bag.

'Did I forget to bring my wallet?'

She kept looking for her wallet in her bag, but she could not find it.

'It seems like I forgot to bring it.'

At this moment, she still had a calm face.

'I will pay with Li Pay.'

Xi Ran started checking her pockets to take out her smartphone.

[A/N=Li Pay is like paying using a smartphone. Scan code thing.]

Her calm face instantly turned worried when she could not find her smartphone. At this moment, she suddenly remembered that she had left her smartphone in her bedroom.

'What should I do?'

She had drunk the coffee, so she could not return it.

Because Xi Ran still had not paid for the coffee, the cashier uttered, "Miss, you can pay it now."

Xi Ran did not know what to do. She forgot to bring her wallet and smartphone, so she could not pay for her coffee.

'Is there someone I know in this place?'

She skimmed her surroundings, hoping she could find someone she knew.

'I don't know any of them.'

Xi Ran was panicked.

"Miss, can I get the money now?" the cashier asked again.

"Welcome to the Li Coffee." One of the employees welcomed Xiao Tian.

Xi Ran turned her head to look at the person who had just entered Li Coffee shop.

'Isn't he that man?'

She was relieved when she saw Xiao Tian.

Sure, they were not friends, but they had met twice before. Because Xiao Tian was the only person she knew, she decided to ask him to pay for her coffee.

'I will ask him to pay for my coffee.'

Because she wanted to avoid embarrassment, Xi Ran waved to Xiao Tian.

"Honey, I'm here." Xi Ran pretended as if she was his lover.

Xiao Tian was startled when he saw Xi Ran. However, he behaved normally because he thought she did not talk to him.

"Wait a second. My lover will pay for my coffee later." after saying that, Xi Ran dashed towards Xiao Tian and hugged his right arm.

Her actions much surprised him.

'What is she doing?'

He had no idea why Xi Ran suddenly hugged his right arm.

They only met twice, and they weren't even friends, so he wanted to know why Xi Ran suddenly did something like that.

"Honey, can you pay for my coffee first? I forgot to bring my wallet and smartphone." Like before, Xi Ran behaved as if they were lovers.

Of course, she knew what she was doing, but she did not care about it because it could ruin her image if the public found out she could not pay for her coffee.

Xiao Tian finally understood everything.

'Ah, I see.'

Because he wanted Xi Ran not to tell anyone about what she saw at the waterfall, Xiao Tian decided to help her.

"All right." Xiao Tian replied.

After paying for her coffee, Xiao Tian also bought one for himself.

"Thank you." Xi Ran spoke after walking out of the Li Coffee shop.

"You are welcome." Xiao Tian replied as he smiled. "In exchange for me helping you, I hope you won't tell anyone about what had happened at the waterfall a few days ago."

"All right." Xi Ran had no intention of telling anyone about it, so she immediately agreed. "Give me your number. I will transfer the money later."

"It's fine. You don't need to return it." It was only 20 Yuan, so Xiao Tian did not care about it.

20 Yuan was a small amount if he could keep her mouth shut about what she saw at the waterfall a few days ago.

"No. I don't like being indebted to someone." Xi Ran uttered, "Give me your phone now."

Since Xi Ran insisted on returning the money, Xiao Tian took his smartphone out of his pocket. "Here."

Xi Ran instantly took his smartphone and sent a message to her phone. "Here."

Not long after they left, Xi Ran returned the money. Xiao Tian could only shake his head and smile.

'Huft. I'm tired.'

Xiao Tian, who was sitting on a chair in his office, stretched out his hand.

'It's already 05:00 am. It's time to go home.'

With that idea in mind, Xiao Tian rose to his feet and went home.

To his surprise, he saw something unexpected after arriving home.

Chapter 1019 - Xi Ran Is In Trouble

7-9 minutes

The expression of deep shock blossomed on his face after entering his house, but his shocked face instantly turned into a soft smile.

'They are here!'

Xiao Tian was pleasantly surprised when he saw Long Jingxian and Mu Ai in the living room.

But what made him happiest was that Long Jingxian talked with his other women happily as if they had known each other for a long time.

'I'm glad they are getting along well.'

Happiness glowed inside him.

When Mu Ai saw Xiao Tian, she dashed towards him and shouted, "Big brother...."

Ye Qingyu and the others instantly turned their heads towards Xiao Tian. Because they really enjoyed their conversation, they did not realize that Xiao Tian was near them.

Xiao Tian instantly carried Mu Ai and kissed her cheeks. "Little Ai, I'm home."

"Welcome home, big brother." Mu Ai replied with a big smile on her face.

That night, Xiao Tian was delighted because he could spend time with all of his women. But what made him happier was that Long Jingxian and Mu Ai stayed the night at his house.

The following morning, Xiao Tian sent them home after breakfast. He did not spend time with her because she had to go to work.

At first, Xiao Tian wanted to spend time with Yun Xin Er, but she did not pick up her phone when he called her.

Because he thought she was busy, Xiao Tian went to the Star Film company to work.

'Ah! My mind is tired.'

After working for about three hours, Xiao Tian decided to rest.

'I will watch YouTube to relax my mind.'

There were many videos that could relax his mind, so he decided to open Youtube from his laptop.

'Mmm? Isn't she that woman?'

Xiao Tian did not expect to see Xi Ran on YouTube.

'I see. So, she is an actress, huh?'

Xiao Tian finally knew that Xi Ran was an actress.

He finally knew the reason why Xi Ran wore a snow-white robe when they met for the first time at Jindan lake.

Because he was curious about her, he looked for her information on the internet. He was startled when he saw the list of her movies and dramas.

'It seems like she is quite famous. She even became the female lead in several movies and dramas.'

However, he realized that her roles were only a side character in recent dramas and movies.

'I'm hungry.'

At first, Xiao Tian invited Liu Ning, Shi Fei, and Lin Xing Xue to eat with him, but they refused because they were busy with their work. For this reason, he went out alone.

'I will eat at that restaurant.'

Xiao Tian immediately parked his car after seeing Seafood Restaurant.

At the same time, two thugs were harassing a gorgeous lady near the parking lot. That lady had a pretty face and emerald eyes.

Yes. That lady was none other than Xi Ran, the woman who Xiao Tian met recently.

"Do you know who I am? Are you not afraid I will call the police now?" Xi Ran was enraged when two delinquents suddenly harassed her.

Even though she was furious, she still wore an expressionless face like usual. She was not afraid of these thugs as if she was a martial arts expert.

"Afraid? Haha." The silver-haired and black-haired thugs laughed.

It was not the first time they harassed women, so there was not the slightest fear in their eyes.

"Beauty, don't try to fight back. Just follow us quietly. I'm sure you will like it later." after saying that, the black-haired thug looked at the silver-haired delinquent. "Isn't that right, brother Jin?"

"You are damn right, brother Zue," Jin replied instantly. "Beauty, we are skilled in bed, so just follow us quietly. We also have big dicks, you know? I'm sure no one is more skilled than us in bed."

"Hahaha." Jin and Zue laughed again.

Xi Ran looked at them with disdain because they were trash in her eyes. She wanted to slap them, but she knew that she would not be able to defeat them.

She was a woman and not a martial artist either, so there was no way she could beat them in a fight. And the person who was harassing her was also two people, not one.

At this moment, she was thinking of a way to run away from these thugs.

'Hmmm?'

Coincidentally, Xi Ran saw Xiao Tian walking not far from her.

Even though she had no idea whether Xiao Tian was a martial artist or not, she still dashed towards him.

In her view, two people were better than one person. With Xiao Tian's help, she was sure that she could escape from these delinquents later.

Jin and Zue instantly chased Xi Ran.

"Beauty, where are you going?" Jin still had a lustful face.

Like what she did at the Li Coffee shop yesterday, Xi Ran instantly hugged Xiao Tian's right arm before pointing her right index finger at Jin and Zue.

"Honey, these thugs are harassing me!" Xi Ran pretended to be Xiao Tian's lovers again.

Xiao Tian was startled.

'Xi Ran?'

When Xiao Tian saw Jin and Zue, he finally knew that Xi Ran was using him again.

He did not expect to see the same scenario again. But what surprised him most was that Xi Ran pretended to be his lover again.

"Help me." Xi Ran whispered in Xiao Tian's right ear. "I will reward you later."

"Boy, leave now! Don't interfere if you don't want to get beaten up by us later." Jin did not know that Xiao Tian was a martial arts expert.

"That's right," Zue added. "Just leave your girlfriend here. Don't worry. We will take good care of her later."

"Hahaha." Jin and Zue laughed again.

"Then I'm looking forward to my reward." Xiao Tian whispered in Xi Ran's left ear.

'She is a quite famous actress. Maybe I can ask her to be the female lead in my movie later.'

He was sure that Jin and Zue were weaker than him, so they were nothing in his eyes.

He even believed he could beat them blindfolded. That was why Xiao Tian dared to say something like that.

Xi Ran glanced at Xiao Tian.

'Mmm? Is he a martial arts expert?'

Because Xiao Tian still had a calm face and dared to say something like that, Xi Ran suddenly thought that he was a martial arts expert.

"What is the percentage of you winning against them?" Xi Ran whispered again.

"100 percent." Xiao Tian replied confidently.

Xi Ran was startled. Of course, she did not show it on her face.

'100 percent?'

Because Xiao Tian dared to say something like that, Xi Ran changed her mind.

She then returned her attention to these thugs and spoke, "You should leave now. My boyfriend is the number one martial artist in Shanghai. You two won't be able to defeat him."

"Number one in Shanghai?" Jin and Zue exchanged a glance with each other before laughing again.

"Hahaha."

"If he is number one in Shanghai, then I'm number one martial artist in China," Jin stated.

"I'm number one in the world then," Zue added.

Of course, they did not believe Xi Ran's words. Xiao Tian was still young, so they were sure that he was not the number one martial artist in Shanghai.

Xiao Tian looked at Xi Ran. Sure, he stated that he could defeat these thugs easily, but he did not expect her to say something like that.

"Boy, leave now!" Jin repeated his words.

Like before, Xiao Tian still had a calm face as if he did not hear anything.

Jin was furious. He was unhappy because Xiao Tian ignored his words again.

"Brother, let's just beat him." Zue was also enraged with Xiao Tian's behavior.

He really wanted to beat Xiao Tian. He wanted to make Xiao Tian kneel before them because Xiao Tian dared to underestimate them.

"I will ask this again." Xi Ran whispered. "Are you sure you can defeat them?"

"Yes." Xiao Tian replied as he nodded his head.

"Boy, because you want to die so badly, then I will grant your wish." After saying that, Jin took a small steel pipe that was hidden behind his back.

He had no intention of killing Xiao Tian, but he wanted to beat Xiao Tian so badly. Yes, he wanted to make Xiao Tian spend a few days in the hospital.

"Stupid boy, die!" Jin raised his right arm, intending to hit Xiao Tian with the steel pipe.

Chapter 1020 - Xi Ran Teaches Thugs A Lesson

7-8 minutes

"Stupid boy, die!" Jin raised his steel pipe, intending to hit the left side of Xiao Tian's head.

Like before, Xiao Tian still had a calm face. Jin was only a martial artist at the high-level apprentice stage, so his attack speed was extremely slow in his eyes.

Like a grandmaster in a martial arts movie, Xiao Tian caught the steel pipe with his right hand easily. Because Jin attacked him first, Xiao Tian decided to counter-attack.

*Uakk....

Jin was sent two meters back after being kicked by Xiao Tian in his mid-torso.

Blood splashed out of his mouth, and he suddenly had difficulty breathing.

Even though Xiao Tian's strength was still in the category of the mid-level master stage, but his kick was really painful for a martial artist at the high-level apprentice stage like Jin.

The difference between their strength was two stages, so Jin felt as if he was hit by a car when Xiao Tian kicked him.

At this moment, the steel pipe was no longer in Jin's hand. Jin could not keep holding the steel pipe when Xiao Tian attacked him.

Xiao Tian gave the steel pipe to Xi Ran and spoke, "Let me help you beat the other thug."

Xi Ran was startled, but she still grabbed the steel pipe. Even though many questions appeared in her mind, she decided to say nothing.

"Brother Jin!" Zue was furious before raising his right fist. "Die!"

"Move to the left." Xiao Tian moved Xi Ran's body to the left to avoid Zue's attack. "Hit his head with the steel pipe."

At this moment, Xiao Tian was holding Xi Ran's right arm. He was guiding her to attack Zue with the steel pipe in her right hand.

*Bang...

Xi Ran managed to hit Zue's head with the steel pipe.

"Now kick his head." Xiao Tian spun Xi Ran's body.

Even though Xi Ran did nothing, but she still managed to kick Zue's head. It was as if everything was under Xiao Tian's control.

Because the tip of Xi Ran's high-heel was pointy, blood instantly came out of Zue's head. Not only did he feel dizzy, but he also felt immense pain.

When Xiao Tian was spinning her body, Xi Ran looked at him in the eyes. She had experienced something like this before, but it was in a movie scene.

Everything had been arranged with the help of filming equipment, so the sensation was different when she experienced it for real.

For three seconds, Xi Ran felt that time had suddenly become much slower than normal, and Xiao Tian had also become more handsome than before.

Sure, she admitted that Xiao Tian was a good-looking young man, but he looked more attractive than usual at that time.

Xiao Tian smiled softly before speaking, "How is it? Isn't it satisfying to beat them?"

Xi Ran did not answer, but she nodded her head, giving him a sign that she agreed with his words.

At this moment, Jin dashed towards them again. His eyes were filled with fury. At that moment, there was only one thing on his mind.

He had to beat Xiao Tian!

"Die!" Jin threw a high kick.

Xiao Tian instantly grabbed Xi Ran by the waist before taking one step back to avoid Jin's attack.

When Xiao Tian was grabbing her waist, Xi Ran raised her head to look at him. She suddenly forgot that her enemy was right in front of her.

*Aukkk....

Jin flew into mid-air after being kicked by Xiao Tian in the chin.

"Now, kick him." Like before, Xiao Tian wanted Xi Ran to attack Jin too.

Xi Ran returned her attention to Jin. When Jin was falling to the ground, Xi Ran kicked him.

At this moment, Xi Ran did something that Xiao Tian had never thought of before.

She kicked Jin's dick with her high heel!

Jin instantly grabbed his cock after falling to the ground. He did not expect that Xi Ran would kick his penis.

"My family future!" tears flooded Jin's eyes.

Zue grabbed his dick in reflex when he saw Xi Ran kicking Jin's penis. It was one of the weak areas of the men, so Zue was sure that Jin felt immense pain.

Xiao Tian suddenly felt sorry for Jin. He also did not expect Xi Ran to do such a cruel thing like that.

"He harassed me earlier, so I have to teach him a lesson." There was no pity in her eyes because Jin was a bad person.

"Woman, you...you...." Jin could not finish his words because his whole body was filled with immense pain.

At first, Zue still wanted to fight Xiao Tian, but he changed his mind after seeing what just had happened to his brother.

Xi Ran then looked at Jin and spoke, "This is a punishment for you so that you don't harass a woman again in the future."

Zue dashed towards Jin. "Brother Jin..."

"Help me up." Jin no longer wanted to fight Xiao Tian. "Let's leave."

Zue immediately helped Jin up. He agreed that they should not fight Xiao Tian anymore. Xiao Tian was too strong for them, so there was no way they could defeat him.

Jin kept touching his cock as he walked weirdly. At that time, every step he took was like torture to him.

After they left, Xi Ran looked at Xiao Tian and spoke, "Let's go to that Seafood Restaurant and talk there."

"Un." Because Xiao Tian also wanted to go to that restaurant, he agreed instantly.

After eating, Xi Ran spoke, "Thank you for helping me again."

She wore an expressionless face again. It was as if nothing could excite her in this world.

"Don't mind it." Xiao Tian replied as he smiled.

'She is wearing that expression again.'

It was not the first time he saw her expressionless face, so Xiao Tian was not surprised by it.

"So, what do you want as a reward?" Xi Ran inquired, "I will accept it as long as it's within my reach."

"I am looking for an actress to play in my movie. How about you play in my movie?" Xi Ran played the female lead in several dramas and movies, so Xiao Tian wanted to recruit her.

"Movie?" Xi Ran was startled by his words.

'Ah! I forgot that he bought the film company last month.'

Xi Ran knew that Xiao Tian was the owner of Star Film company because she had read about it in a magazine before.

"Yes." Xiao Tian replied. "Don't worry. I won't ask you to play in my movie for free. I will still pay you later."

"What is my role?" Xi Ran had just finished her film, so she was interested in his offer.

"Female lead." Xiao Tian gave an honest answer.

"Female lead? Are you sure you want to give me the female lead role?" previously, Xi Ran thought he would give her an unimportant role.

'Does he still not know about me?'

She asked in her mind.

"Yes. I'm one hundred percent sure." Xiao Tian replied. "How is it?"

"Can you let me read the script first?" Sure, the female lead caught her attention a lot, but she wanted to read the script first because it was important to her.

"I will send the script to you later." Xiao Tian replied.

Xi Ran nodded her head before speaking, "Give me one to two days.. I will give my answer later."
