

## **Illicit 1031**

### **Chapter 1031 - What A Romantic Pose!**

When Xi Ran noticed Xiao Tian, she immediately spoke, "Sit here."

After sitting on the opposite side of her, Xiao Tian uttered, "Have you been waiting long?"

"No. I arrived two minutes ago." Actually, Xi Ran arrived at Bamboo Restaurant ten minutes ago, but she decided not to say it.

She then called the waitress. As they waited for their orders, Xiao Tian and Xi Ran talked about many things.

Not long after that, the waitress came with their orders. Like before, Xiao Tian and Xi Ran chatted again.

At that time, Xiao Tian knew more about Xi Ran. He knew that Xi Ran could change her personality in a second.

Usually, she wore an expressionless face as if nothing in this world could interest her. But her personality and expression could change in the next second.

She could change into a cheerful, seductive, or childish person in a second. It all depended on the situation she was in.

After talking for about an hour, they decided to leave.

"Thank you for inviting me to dinner." Xiao Tian spoke as he smiled.

Currently, Xiao Tian and Xi Ran were walking towards the parking lot.

"You don't need to thank me." Xi Ran replied, "I'm doing this to return the favor."

When they were in the parking lot, something unexpected happened.

Xi Ran slipped when she walked!

Previously, it was raining heavily. Since it was outdoor parking, the brick road was still wet. That was why Xi Ran slipped when she walked towards her car.

"Xi Ran!" luckily, Xiao Tian had good reflexes so he could catch Xi Ran before she fell to the ground.

'Luckily, I managed to catch her.'

Currently, his right hand was on Xi Ran's waist. Xiao Tian forgot to pull her up immediately and only stared at her.

Coincidentally, Xi Ran was also looking at him. Something like this had happened to them when two thugs tried to harass her two days ago.

This was also a scene that often appeared on TV.

Yes. If it was on TV, this was a scenario where the female lead and male lead met for the first time or where they fell in love with each other at first sight.

One second...three seconds...five seconds.

At this moment, they were still in the same position and were looking at each other. None of them said a word as if they were an actor and artist who was filming.

\*Tak...Tak...Tak...

The sound of high heels slamming the brick road echoed through the parking lot.

The person who wore these high-heels had a pretty face and an alluring body. Her waist was as lithe as a water snake, and she was also able to mesmerize people with a single glance.

That attractive person was none other than Leng Nichang, Xi Ran's friend.

As she was walking towards the Bamboo Restaurant, Leng Nichang suddenly stopped her footsteps.

Her red lips curled up into a seductive smile when she saw what was happening in front of her. "What a romantic pose!"

Yes. Leng Nichang was currently standing not far from Xiao Tian and Xi Ran.

Xiao Tian and Xi Ran instantly turned their heads towards the source of the sound.

'Leng Nichang?'

They did not expect to see Leng Nichang in the parking lot.

No. They did not expect to see Leng Nichang at Bamboo Restaurant.

Xi Ran shifted her gaze from Leng Nichang to Xiao Tian. "Xiao Tian, can you pull me up now?"

Xiao Tian instantly pulled Xi Ran up. At this moment, Xiao Tian still wore a calm face as if nothing had happened to them before.

"Are you two on a date now?" Leng Nichang inquired,

"We just had dinner together." Xi Ran gave an honest answer. "What are you doing here?"

"I'm going to meet my friend here." After saying that, Leng Nichang looked at Xiao Tian, "It seems like you are skilled in seducing women."

Every time she saw Xiao Tian, he was always with a different woman. That was why she said something like this.

When she remembered how attractive he was, she thought changing a woman every day was normal for him.

But what surprised her most was that Xiao Tian managed to go on a date with her friend Xi Ran.

'Isn't their relationship developing too fast? I'm suddenly curious about this young man's skills in seducing women!'

Leng Nichang knew that Xiao Tian and Xi Ran had only known each other a few days ago.

The corner of Xiao Tian's lips twitched after hearing her words.

He was not surprised by Leng Nichang's words because she said the same thing when he met her at the waterfall a few days ago.

"Alright, I don't want to disturb your lovey-dovey moment. I'm going to meet my friend now." After saying that, Leng Nichang waved goodbye and walked towards the restaurant.

Xiao Tian and Xi Ran exchanged a glance with each other again.

"Don't you want to spend time with her?" Xiao Tian inquired.

"No." Xi Ran replied, "I want to go home."

"I see." Xiao Tian uttered.

Then they went home.

After arriving home, Xiao Tian headed to his room to change his clothes.

'Sigh. No one is in my room.'

Previously, Xiao Tian thought his women would be in his room like usual, but he saw no one after stepping into his room.

'I will go to Jingxian's room.'

With that idea in mind, Xiao Tian headed to Long Jingxian's room.

As usual, Xiao Tian did not knock and instantly opened the door. "Jingxian..."

Long Jingxian, who was lying on the bed and reading a book, turned her head towards Xiao Tian. "Come here."

To her surprise, Xiao Tian suddenly locked the door and took off his clothes.

Yes. He wanted to have sex with Long Jingxian!

Previously, Xiao Tian did lewd things with Yun Xin Er. At that time, he really wanted to have sex with his women, but he could not do that because he promised to have dinner with Xi Ran.

When Long Jingxian saw Xiao Tian walking towards her naked, she instantly put the book on the table next to the bed.

Because she knew what he had in mind, Long Jingxian took off her clothes too.

## **Chapter 1032 - Drink Water**

7-9 minutes

---

Long Jingxian knew that Xiao Tian desired to have sex with her. That was why she immediately took off her clothes.

Actually, she also wanted to have sex with him because it had been three days since the last time they had sex.

When they just became lovers, they had sex every day. That was why there was a little empty feeling when she did not have sex with him for three days straight.

After taking off her clothes, Long Jingxian lay on her back again. She spread her legs wider so that Xiao Tian could lick and suck her pussy if he wanted to.

Xiao Tian smiled happily when he saw Long Jingxian lying on the bed naked. Since she became one of his women, Long Jingxian never refused every time he wanted to have sex with her.

No. Not only Long Jingxian, but his other women also never refused whenever he wanted to have sex with them, especially Shi Fei and his mother.

When Xiao Tian saw Long Jingxian spreading her legs, a desire to lick and suck her pussy suddenly arose within him.

But he changed his mind when he saw her pretty face. Yes. Xiao Tian wanted to kiss Long Jingxian passionately first before licking and sucking her pussy.

For this reason, he wasted no time and instantly lay on top of her body.

Long Jingxian was startled. Because she had spread her legs, she thought he would play with her pussy, but she was wrong.

Of course, she did not mind it because having a passionate kiss with him felt good too. That was why she welcomed the kiss instantly and intertwined her tongue with his.

As they were having a deep kiss, Long Jingxian wrapped her slender arms around his back. She intertwined and sucked Xiao Tian's tongue lewdly.

At this moment, Xiao Tian's cock was slowly erect. Sure, Long Jingxian only welcomed the kiss, but it was enough to turn him on.

Their hot kisses only lasted for ten seconds before Xiao Tian finally broke the kiss. He did not kiss her passionately again; instead, he looked at her in the eyes and moved her bangs to the other side gently.

One second...two seconds...three seconds...

At the fourth second, Xiao Tian pressed his lips against her forehead.

Long Jingxian slowly shut her eyes because she wanted to feel his kiss. At that moment, she could feel his love in his kiss.

Of course, Xiao Tian did not stop there. Forehead, eyes, nose, lips, chin, and neck. He kissed every part of Long Jingxian's body gently before making his way down to her beautiful breasts.

Long Jingxian's body quivered. Even though Xiao Tian only kissed her gently, but these kisses were enough to make her body quiver and ignite the flames of lust within her.

"Mmmm..." unlike before, Long Jingxian began to moan when Xiao Tian licked and sucked her breasts.

Sure, Xiao Tian had licked and sucked her breasts many times, but he always managed to excite her with his skills.

Because his main goal was her pussy, Xiao Tian only licked and sucked her breasts for several seconds.

Like what he did before, Xiao Tian made his way down slowly. He kissed her breasts, stomach before stopping at her thighs.

"Ahhh..." his actions made Long Jingxian hornier.

At that moment, she wanted him to lick and suck her pussy so badly. However, Long Jingxian did not say anything and only stared at him.

Xiao Tian was pleased. Sure, Long Jingxian only stared at him, but he could tell everything from her fascinating expression.

When Xiao Tian grabbed her thighs, Long Jingxian instantly spread her legs as wide as she could.

"Ahhh..." the moment the tip of his tongue met her vagina, Long Jingxian wailed louder.

'He is so skilled in this!'

It was not the first time Xiao Tian licked her pussy, but the pleasure she felt was more than usual as if it was the first time someone licked her vagina.

\*Drip...

Due to how horny she was, her nectar began to come out of her pussy.

As usual, Xiao Tian also drank her nectar as he licked her pussy.

'Delicious!'

Xiao Tian continued licking and sucking her pussy.

"Ah....Ah..." Long Jingxian's little mouth opened, letting out multiple seductive cries.

As Xiao Tian was giving her immense pleasure, Long Jingxian suddenly did something unexpected.

She grabbed Xiao Tian's head and pushed it towards her pussy!

At that time, Long Jingxian wanted Xiao Tian to lick and suck her pussy wilder. The flames of lust had consumed her body, so Long Jingxian slowly could not control her lust anymore.

"Xiao Tian, deeper! Thrust your tongue deeper into my vagina!" Long Jingxian kept pushing his head towards her pussy, hoping his tongue would go deeper into her vagina.

Xiao Tian was startled. He did not expect her to do something like that. Of course, he knew that she could no longer control her lust.

That was why Xiao Tian did not remove her hands from his head and kept licking or sucking her wet vagina.

One second...seven seconds...twelve seconds...

Xiao Tian stopped thrusting his tongue into Long Jingxian's vaginal hole because he wanted to play with her clitoris too.

He believed it would give her more pleasure later. And what he had guessed was right because her body quivered uncontrollably the moment he licked and sucked her clitoris.

"Ahhh...Ah...Ah..." at this moment, saliva fell from the corners of her mouth.

Xiao Tian did not stop there. He instantly thrust his right middle finger into Long Jingxian's wet vagina.

"Ohhhh..." Long Jingxian wailed in delight.

Xiao Tian was licking and biting her clitoris. Not only that, he even slid his right middle finger in and out of her wet vagina.

Long Jingxian's mind was already filled with pleasure. Xiao Tian kept playing with her sensitive areas, so it did not take a long time for her to reach her limit.

"I'm cumming... I'm cumming..." like what she did before, Long Jingxian suddenly grabbed Xiao Tian's head, or more precisely, she grabbed his hair.

Of course, she did this unconsciously because her mind was already filled with pleasure.

"I'm cumming..." Long Jingxian's lifted her waist slightly and pushed Xiao Tian's head towards her pussy when she was having an orgasm.

\*Spurt....

Long Jingxian had a massive orgasm.

"Huft...Huft...Huft..." Long Jingxian breathed heavily after having an orgasm.

She did not expect that she would have a massive orgasm before having sex with him. Long Jingxian removed her hands from Xiao Tian's head after having a massive orgasm.

At this moment, her body was in a weak state. "You are as amazing as usual, Xiao Tian."

Because she just had a massive orgasm, her face looked more seductive.

Xiao Tian wiped off the nectar from his face.

'It seems like she really enjoyed it.'

He was pleased that he could make her lover have a massive orgasm.

When Xiao Tian saw her fascinating face, he approached her slowly before devouring her pink lips.

Like before, Long Jingxian welcomed the kiss instantly. Sure, her body was still in a weak state, but that did not stop her from accepting the kiss.

'I can taste my nectar on his tongue.'

Xiao Tian licked and sucked her pussy before, so it was normal if she could taste her nectar on his tongue.

After breaking the kiss, Xiao Tian looked at her and spoke, "I'm going to put it in now."

"Un.." Long Jingxian nodded her head.

### **Chapter 1033 - Making Long Jingxian Smile**

7-9 minutes

---

"I'm going to put it in now." Xiao Tian's cock throbbed non-stop, and the wild beast within him roared continuously since he licked her pussy.

Yes. The smell and the taste of Long Jingxian's pussy were too strong for Xiao Tian's lustful side to handle.

Coupled with him drinking her nectar and seeing her fascinating face, made Xiao Tian want to fuck her immediately.

"Un." Even though she just had a massive orgasm a few seconds ago, Long Jingxian did not refuse because she also desired to have sex with him.

Xiao Tian grabbed her thighs and spread them before thrusting his penis into her vagina.

When the tip of his cock entered her vaginal opening, Xiao Tian felt immense pleasure running through his entire body.

'Is it because I haven't had sex with her for three days?'

Xiao Tian felt Long Jingxian's pussy was different than usual.

Not only did Long Jingxian's vagina muscles squeeze his cock wildly, but it also gave him immense pleasure.

It was not the first time he had sex with Long Jingxian, but her pussy was so amazing at that time.

The deeper he slid his penis into her wet vagina, the bigger the pleasure he felt. At that time, Xiao Tian felt as if he was bathing in pleasure.

"Mmmm...." Long Jingxian half-closed her eyes when Xiao Tian slowly thrust his cock into her wet vagina.

Because her pussy was still sensitive, Long Jingxian also felt what Xiao Tian felt.

'Ahhhhh... He only thrust his cock into my vagina but it already gives me immense pleasure.'

Long Jingxian found it hard to believe what she was feeling. Of course, she believed that Xiao Tian would be able to give her pleasure.

What she could not believe was that she was already feeling immense pleasure just by him thrusting his cock into her pussy.

'Is it because I haven't had sex with him for three days straight?'

After becoming his girlfriend, she always had sex with him every day.

Sometimes, they even had sex twice or thrice a day.

That was why Long Jingxian suddenly thought the reason why she suddenly felt immense pleasure was that she did not have sex with him for three days straight.

"Ahhh...." Long Jingxian moaned again when Xiao Tian's cock was completely in her vagina.

At first, Xiao Tian wanted to move his waist immediately, but he changed his mind when he saw Long Jingxian spreading her arms.

Yes. Long Jingxian wanted to embrace him before letting him fuck her wet vagina.

Xiao Tian smiled softly before bending over. Sure, the way her vagina muscles squeezing his penis made him want to fuck her immediately.

However, he decided to suppress the flames of lust within him and granted her wish.

Long Jingxian instantly embraced Xiao Tian. Not only did she wrap her legs around his butt, but she immediately kissed him passionately too.

Xiao Tian had suspected something like this would happen, so he was not surprised by her actions.

At this moment, Long Jingxian did not realize that her vagina was getting wilder every second.

Yes. The longer they kissed, the wilder her pussy became.

At first, Xiao Tian wanted to break the kiss and move his waist, but Long Jingxian suddenly wrapped her slender arms around his back, causing him to be unable to break the kiss.

Sure, Long Jingxian locked her legs around his butt and wrapped her arms around his back, but it did not stop him from wanting to fuck her.

As he was having a deep kiss with Long Jingxian, Xiao Tian slowly moved his waist, sliding his cock in and out of her wet vagina.

"Mmmm...Mmmm...Mmmm..." Because Xiao Tian started fucking her, Long Jingxian loosened her legs so that he could move easier.

During the first fifteen seconds, Long Jingxian was still able to kiss him passionately, but that was a different story in the next second.

She broke the kiss and started wailing continuously!

Her vagina was still sensitive because she had just had a massive orgasm, so she still felt immense pleasure even though Xiao Tian only moved his waist slowly.

"Ah...Ah...Ah..." at this moment, Long Jingxian still wrapped her arms around Xiao Tian's back.

She only stared at him and kept letting out multiple seductive moans.

Xiao Tian's movements were getting faster and faster when he saw her lustful face and heard her seductive wails.

Without realizing it, he had been fucking her for three minutes. Because he wanted to change position, Xiao Tian put his hands on Long Jingxian's back before pulling her up.

Currently, Xiao Tian was sitting on the bed with Long Jingxian on his lap, facing him.

Of course, his penis was still in her wet vagina because there was no way he would pull his cock out of her pussy before having an orgasm.

Like what she did before, Long Jingxian cupped his face and kissed him passionately again. But it only lasted for about five seconds because Xiao Tian suddenly moved her body up and down.

"Ah...Ah...Ah...Ah..." As Xiao Tian was moving her body up and down, Long Jingxian grabbed his shoulders and moaned seductively in front of him.

At first, Xiao Tian wanted to kiss her passionately, but he changed his mind when he saw her seductive neck.

While still fucking her wet pussy slowly, Xiao Tian brought his face closer to her neck before finally kissing her seductive neck.

As usual, Xiao Tian started by kissing her neck gently. But his gentle kisses turned wild when Xiao Tian could smell the fragrance of her neck.

Sure, it was not the first time he kissed her neck, and he was also familiar with her body fragrance, but the scent of her body could still make him hornier.

"Ah...Ah...Ah..." Long Jingxian tilted her back so that Xiao Tian could kiss her neck much easier.

At this moment, she only wrapped her arms around his back and let him do whatever he wanted to her body.

"Ahhh..." Long Jingxian cried out louder when Xiao Tian suddenly gave him a hickey on her neck.

Even though he gave a hickey in the place where everyone could see it, Long Jingxian did not say anything because her mind was already on cloud nine, and all she had in mind was only pleasure and pleasure.

Xiao Tian suddenly remembered the time when he gave Yun Xin Er many hickeys. For this reason, he wanted to do the same to Long Jingxian.

"Mmmm....Ah...." like before, Long Jingxian let him do whatever he wanted.

Of course, Long Jingxian realized what he was doing, but she did nothing and only half-closed her eyes.

Neck, shoulders, breasts. Xiao Tian gave fourteen hickeys on her body. Two hickeys were on her shoulders, and six hickeys were on her breasts and neck.

Xiao Tian smiled with satisfaction when he saw fourteen hickeys on Long Jingxian's body as if he had marked her as his belonging.

Because Xiao Tian wanted to change position, he dropped his body onto the bed.

Cowgirl sex position!

Yes. They were currently in a cowgirl sex position because he wanted to let her take control of the pace and rhythm.

Long Jingxian instantly placed her hands on Xiao Tian's stomach. She was pleased by his decision because she also wanted to take the lead.

'It's my turn to give you pleasure, Xiao Tian.'

With that idea in mind, Long Jingxian started to move her body up and down.

### **Chapter 1034 - Long Jingxian Is Happy**

7-8 minutes

---

Inside a big and luxurious bedroom, two people were having a hot moment on the bed, naked.

The young man was lying on his back while the mature lady was bouncing her body on his waist.

Her long black hair danced softly, and multiple seductive yet lovely cries escaped from her little mouth.

She kept moving her body up and down continuously as if she was riding a horse on the track-field.

Unlike the mature lady, the young man only lay on the bed without doing anything. However, his gaze never left the beautiful face of the mature lady.

Yes. His black eyes were locked on the mature lady's body, or more precisely, he kept looking at the mature lady's fascinating face.

But instead of feeling shy, the mature woman became more excited when she noticed the young man's burning gaze.

His burning gaze made the mature lady's body hotter and hotter, to the point she felt as if countless eyes were staring at her and numberless hands were playing with her body.

"Ahh...Ah...Ah...Ah..." the huge and luxurious bedroom was filled with the mature lady's cries.

However, she had no intention of stopping what she was doing or trying to hold back her seductive moans.

She kept bouncing her body and wailing as if they were alone in the house.

"Ah...Ah...Ah..." even though she had been bouncing her body for about a minute, she showed no sign of stopping.

If anyone saw what they were doing on the bed, one word would appear in their minds immediately.

Sex!

Yes. These two people were currently having sex in a vast and luxurious bedroom.

They were having a good moment on a cold and beautiful night. These two people were none other than Xiao Tian and his new lover, Long Jingxian.

"Ohhh..." Xiao Tian groaned loudly when Long Jingxian suddenly changed her movements.

If previously she only bounced her body continuously, this time, she moved her body forward, backward, left, right, or in a circle.

Her actions made Xiao Tian groan several times. The way her pussy squeezing his penis was so fantastic when she kept changing her movements.

He felt as if his body was being squeezed by octopus' tentacles.

'She is getting better and better in bed!'

Of course, this made Xiao Tian happy because this was something that benefited him too.

At this moment, Long Jingxian suddenly stopped moving her body. The reason why she stopped her movement was that she wanted to change position.

Long Jingxian wasted no time and immediately turned around without pulling Xiao Tian's penis out of her pussy.

Reverse Cowgirl!

Yes. They were currently in a reverse cowgirl sex position.

Like before, Long Jingxian moved her waist again after placing her hands on Xiao Tian's legs.

\*Slick...Slick...Slick....

Because her vagina was very wet, sex noises echoed in the room every time Xiao Tian's huge penis slid in and out of her pussy.

"Ah...Ah...Ah..." even though her body was already in a weak state, Long Jingxian kept moving her ass up and down because she wanted to give Xiao Tian more pleasure.

At first, Xiao Tian only saw Long Jingxian's beautiful ass, but his gaze suddenly landed on his huge penis.

'What a beautiful scenery!'

Xiao Tian smiled softly when he saw his penis sliding in and out of Long Jingxian's wet vagina.

Because they were having sex in reverse cowgirl, Xiao Tian was able to see Long Jingxian's butt, vagina, and ass hole.

"Ah..." Long Jingxian was startled and let out a cute cry when Xiao Tian suddenly grabbed her ass and helped her move her body.

Long Jingxian's moans were getting faster and faster after Xiao Tian helped her. Because she had been moving her body for more than five minutes, Long Jingxian stopped.

She turned her head to look at Xiao Tian before speaking, "Xiao Tian, it's your turn now."

"Move your hands on the bed now." Xiao Tian granted her wish.

After Long Jingxian's moved her hands on the bed, Xiao Tian sat up.

Yes. He wanted to change position again!

Because it was his turn to move, he wanted to fuck her from behind.

That was why he changed position from reverse cowgirl sex position to doggy style. Of course, Xiao Tian did not pull his penis out of Long Jingxian's wet vagina.

"Ah...Ah...Ah....Ah...." Long Jingxian's hands instantly turned weak when Xiao Tian moved his waist fast and hard.

Within ten seconds, her head fell onto the bed. Yes. Her hands were unable to support her body anymore when Xiao Tian thrust his penis hard and fast.

However, she did not ask him to stop and only moaned continuously because this was something that she wanted to.

They did not have sex for three days, so she wanted him to satisfy her wet pussy. "Ah...Ah..."

The immense pleasure was consuming her body, and her saliva was wetting the bedsheet under her head.

Because of the immense pleasure, Long Jingxian finally reached her limit. "I'm cumming... I'm cumming...."

Xiao Tian slid his huge penis in and out of her wet vagina faster when he knew that Long Jingxian was about to have another orgasm.

"I'm cumming...." Like before, Long Jingxian had a massive orgasm again.

Her body quivered continuously after having an orgasm. She was satisfied because she could have a massive orgasm twice in a row.

"Oh...Ah...Ah...Ah...." even though Long Jingxian was surprised because Xiao Tian did not let her take a rest like usual, she did not ask him to stop.

This was what she desired the most. She wanted him to make her think nothing but sex.

"I'm cumming... I'm cumming..." the reason why Xiao Tian did not let Long Jingxian take a rest was that he was close to having an orgasm.

Xiao Tian gritted his teeth and tried his best to hold back as long as he could. However, Long Jingxian's vagina was amazing, so he immediately had an orgasm.

"I'm cumming...." Like usual, Xiao Tian let out his sperm deep inside Long Jingxian's wet vagina.

The moment Long Jingxian felt Xiao Tian's sperm deep in her vagina, she suddenly had another orgasm.

"Hiii...." She gritted her teeth as she had another orgasm.

"Huft...Huft...Huft..." Xiao Tian dropped his body onto the bed after taking his penis out of Long Jingxian's wet vagina.

Like Xiao Tian, Long Jingxian's body also fell onto the bed. "Huft...Huft...Huft..."

Xiao Tian's lips curled up into a smile when he saw Long Jingxian's happy face. He was pleased because he managed to satisfy her again.

Because he wanted to feel the warmth of her body, Xiao Tian made Long Jingxian lie on her back before resting his head on her breasts.

'Cuddling after sex feels amazing!'

Xiao Tian smiled happily when he could feel the softness of Long Jingxian's breasts.

To his surprise, Long Jingxian suddenly wrapped her left hand around Xiao Tian's back while her other hand was caressing his hair gently.

A soft smile spread across her face as she looked at Xiao Tian. "You were as amazing as ever, my young boyfriend."

"You were also amazing, my MILF lover." Xiao Tian replied.

Long Jingxian giggled after hearing his words.

'MILF? It's not a bad nickname.'

She said in her head.

## **Chapter 1035 - MILF?**

7-8 minutes

---

'MILF? It's not a bad nickname.'

Long Jingxian smiled softly when Xiao Tian called her MILF.

Of course, she knew the meaning of that word because that word was pretty popular. Some of her co-workers even desired to have MILF as their lover.

Long Jingxian also thought of herself as a MILF. She was confident that her beauty was not inferior to that of artists or models, and she also had a daughter.

That was why she thought of herself as a MILF.

'At least, he still finds me attractive.'

Like before, Long Jingxian caressed Xiao Tian's hair gently again.

After talking for about ten minutes, she put on her clothes and took birth control pills. Because Xiao Tian wanted them to sleep naked, Long Jingxian took off her clothes again.

Unlike usual, where Long Jingxian always slept on top of his body, this time, Xiao Tian slept in her arms. Due to how comfortable it was to sleep in her arms, Xiao Tian fell asleep in less than ten minutes.

-----

\*06:00 am

Summer turned into autumn, and the hot temperatures started to get cold.

Dozens of birds began to migrate, and the green leaves started to change into gold and crimson.

When many people celebrated the change of season, a young man about twenty years old did the opposite.

He was soaking in the tub!

However, something unusual could be seen on that young man's handsome face.

Normally, everyone, who was soaking in the tub, would have a relaxed and happy face, but these expressions could not be found on that young man's face; instead, it was the opposite.

That young man squeezed his black eyes shut and gritted his teeth as if he was enduring immense pain.

That young man was none other than Xiao Tian.

'I didn't expect it to be so painful like this!'

Previously, Xiao Tian put Duzu potion into the tub before soaking because he wanted to strengthen his body and increase his strength quickly.

But he did not expect it to be so painful like that. At that moment, Xiao Tian felt as if countless needles were piecing every part of his body.

Legs, hands, stomach. Every part of his body hurt so much, to the point he could not feel his body anymore.

At this moment, Xiao Tian really wanted to jump out of the tub because he felt immense pain.

But he tried his best to endure the pain and remain in the tub.

'This can help me get stronger faster. This can help me get stronger faster. This can help me get stronger faster.'

Xiao Tian kept repeating the same words as if he was chanting a magic spell.

He knew that everything required sacrifice, so he tried his best to endure the pain because it could help him strengthen his body and increase his strength faster.

At this moment, a memory suddenly appeared in his mind.

"Xiao Tian, this Duzu potion will restructure your flesh and bone, so it will hurt a little later." Long Jingxian stated. "However, I'm sure you can endure it."

The corner of Xiao Tian's lips twitched after remembering her words.

'My Jingxian, you lied to me! How could you say it would only hurt a little? It hurts so much, you know?'

Xiao Tian then raised his head to look at the alarm clock in front of him.

'Fifteen minutes more. I can do this.'

He needed to soak for thirty minutes every day, so Xiao Tian still required another fifteen minutes.

One minute...seven minutes... fourteen minutes...

Like before, Xiao Tian still gritted his teeth.

'60 seconds more.'

Even though sixty seconds was not long, but Xiao Tian felt like an hour.

Yes. It was the longest sixty seconds in his life. Because his body was enduring immense pain, every second felt so long.

'Done!'

Xiao Tian instantly jumped out of the tub.

He immediately sat on the floor with his back leaning against the tub. He was pleased because he managed to endure the pain.

'I will take a rest for a little bit before practicing martial arts.'

Long Jingxian said he still needed to practice martial arts or else the potion would be useless later.

After Xiao Tian could move his body freely again, he instantly headed to the backyard to practice martial arts.

As usual, Xiao Tian warmed up for about fifteen minutes. Because he had mastered the third secret technique, Xiao Tian practiced the fourth secret technique.

The name of the fourth secret technique was Radian Sword Wind. This technique was much more complicated than the third secret technique.

First, Xiao Tian had to move in pentacle pattern before changing it into Yin-Yang pattern. Like the third secret technique, he had to swing his sword four times in each move.

In total, the fourth secret technique had 36 movements, and he could be said to have mastered this technique if he could finish it in less than 8 seconds without a single mistake.

After practicing the secret technique for about thirty minutes, Xiao Tian practiced with a wooden pole.

He kicked and punched the wooden pole for about thirty minutes before finally, he stopped.

'I think it's enough for today.'

With that idea in mind, Xiao Tian headed to the bathroom to take a shower.

After showering, Xiao Tian entered his room. The expression of deep shock blossomed on his face when he checked his smartphone.

'30 missed calls?'

Xiao Tian was startled when he noticed 30 missed calls from Yun Xin Er.

Because he thought she had something important to say, Xiao Tian decided to call her. To his surprise, Yun Xin Er said in annoyance after she picked up the phone.

"Little brother, what did you do to me last night? Why did you give me so many hickeys?" Yun Xin Er was shocked when she knew there were many hickeys on her body.

Because her mind was filled with pleasure last night, she did not realize what Xiao Tian had done to her.

"It's your punishment for teasing me many times. Don't mind it, don't mind it." Xiao Tian still behaved normally.

Like what he did to Long Jingxian last night, he also gave a lot of hickeys to Yun Xin Er's body when they had a good time in his car.

"How can I not mind it?" actually, Yun Xin Er only wanted to punish Xiao Tian because he had given a lot of hickeys on her body.

"Big sister Yun, don't be angry, or else you will lose your beauty later." Xiao Tian uttered, "Why don't you just cover these hickeys with make-up? I'm sure make-up can cover it."

"Hmf! This big sister is still angry at you!" Yun Xin Er grimaced. "Have you forgotten that this big sister is a famous singer? What if someone sees this hickey later?"

Xiao Tian gave a cough before answering, "Cough. Big sister Yun, how about I treat you to dinner as an apology?"

"Good!" Yun Xin Er accepted it. "If you forget your promise, this big sister will be angry at you forever later."

"Don't worry. I won't forget my promise." Xiao Tian uttered, "You can punish me if I lie later."

Yun Xin Er's lips curled into a smirk, "Hehe.. This big sister will remember your words."

### **Chapter 1036 - Can I Give You A Hickey Too?**

7-8 minutes

---

Yun Xin Er's lips curled into a smirk, "Hehe. This big sister will remember your words."

Because Xiao Tian gave many hickeys to her body, Yun Xin Er would do the same thing if he dared to lie to her.

Of course, she would also do another thing later. In her view, it was his punishment.

At this moment, Yun Xin Er suddenly hoped Xiao Tian would forget his promise so that she could do whatever she wanted later.

Xiao Tian suddenly felt shivers running down his spine.

'Don't tell me. She is planning something evil right now.'

He was sure Yun Xin Er was the source of that uneasy feeling.

At this moment, Xiao Tian wrote his promise on his smartphone because he was afraid that he would forget it later.

"All right. I will hang up now." after saying that, Yun Xin Er hung up the phone.

Xiao Tian sighed softly before throwing his phone on the bed. To his surprise, someone suddenly entered his room.

"Tian, mother wants a hickey too!" Ye Xueyin stated after stepping into his room.

Previously, she heard Xiao Tian conversation with Yun Xin Er. That was why she suddenly wanted him to give her a hickey too.

"Close the door first. I will give you a hickey after that." Xiao Tian knew that he could not refuse her wish or else she would be sad later.

Ye Xueyin's eyes shone happily because Xiao Tian granted her wish. Without waiting for another second, Ye Xueyin closed the door and locked it.

"Tian, mother is ready." Ye Xueyin said after sitting on Xiao Tian's lap.

Currently, Xiao Tian was sitting on the edge of the bed with his mother on his lap, facing him.

Because Ye Xueyin was about to go to work, she was wearing formal clothes. Of course, Xiao Tian did not mind it because he only needed to take off her clothes.

After Xiao Tian took off her blazer, he started unbuttoning her shirt.

"Hehe. Tian is about to give me a hickey." Like before, Ye Xueyin giggled happily.

She kept looking at Xiao Tian's hands which were unbuttoning her shirt. At that moment, she knew that Xiao Tian wanted to give a hickey to her breasts.

'I want him to give me a hickey immediately.'

It had been a long time since the last time Xiao Tian gave her a hickey, so she was very excited at that time.

After unbuttoning her shirt, Xiao Tian unhooked her bra. It was a front closure bra so he could unhook it effortlessly.

But instead of giving a hickey immediately, Xiao Tian lifted his head and spoke, "My love, give me a kiss first before I give you a hickey."

"All right. Mother will kiss you passionately now." Ye Xueyin instantly cupped Xiao Tian's face before kissing him passionately.

Xiao Tian was startled. Actually, he only wanted a normal kiss, not a deep kiss. Of course, Xiao Tian instantly welcomed the kiss because he loved kissing passionately with his women.

Ye Xueyin instantly moved her soft tongue lewdly. Not only did she explore every inch of Xiao Tian's mouth with her soft pink tongue, but she also sucked his tongue hungrily.

Their hot kiss lasted for about twenty seconds because Ye Xueyin wanted him to give her a hickey immediately. "There. Mother has kissed you passionately. Now it's your turn to fulfil your promise."

Xiao Tian then slowly approached Ye Xueyin's right breast before sucking it hard, giving her a hickey.

"Mmmmm...." Ye Xueyin tilted her head back and half-closed her eyes when Xiao Tian gave her a hickey.

Because Xiao Tian knows that Ye Xueyin would not be satisfied with just one hickey, he gave another hickey on her right breast.

In total, Xiao Tian gave four hickeys on her right breast. "Beautiful!"

"Tian, the other breast too." Ye Xueyin wanted a hickey on both of her breasts.

Like what he did before, Xiao Tian gave four hickeys on Ye Xueyin's left breast. At first, he wanted to take a picture of her breasts, but he changed his mind because it was dangerous.

Happiness glowed inside her as she saw four hickeys on each of her breasts.

To express her happiness, Ye Xueyin cupped Xiao Tian's face before kissing his lips. "Mmmmmucchh."

She then slid from Xiao Tian's lap before tidying up her clothes. Sure, she wanted to spend more time with Xiao Tian, but she had to go to work.

"Tian, mother go to work first." Ye Xueyin waved goodbye before going to Star Restaurant.

Xiao Tian smiled happily before rising to his feet. To his surprise, Xiao Tian saw Long Jingxian in her room.

'I thought she had gone to work.'

The expression of deep shock blossomed on his face when he saw Long Jingxian.

Previously, he thought Long Jingxian had gone to work, but he was wrong because she was doing something unexpected in her room.

She was standing in front of a full-body mirror naked!

Xiao Tian suddenly remembered what he had done with her in his room last night.

'What a naughty lady!'

Xiao Tian entered her room and closed the door slowly.

Because Long Jingxian was focused on checking her perfect body, she did not realize that Xiao Tian was walking closer towards her.

But when he wanted to surprise her, Long Jingxian finally noticed him.

"Why haven't you gone to work yet?" even though Long Jingxian was naked, she did not cover her body or behave shyly.

Xiao Tian had seen her naked body many times. He even had tasted every part of her body, so in her view, there was no point in covering her body.

Instead of answering her question, Xiao Tian asked, "My love, why are you naked? You are even checking your body in the mirror. It's as if you are a pervert now."

"I checked all the hickeys you gave me last night. It could be a bad rumor if anyone saw it later." last night, Long Jingxian didn't have time to check all the hickeys that Xiao Tian had given to her body. "You really gave me so many hickeys!"

Long Jingxian had counted all the hickeys on her body. In total, there were fourteen hickeys on her body.

Two hickeys were on her shoulders, and six hickeys were on her breasts and neck.

"But you look more beautiful with these hickeys on your body." Xiao Tian made an excuse.

Long Jingxian pinched Xiao Tian's cheeks before saying, "Of course, you would say something like that because you were the one who gave me these hickeys."

Xiao Tian only smiled. "How about I give you another hickey now?"

"Here I'm about to cover all the hickeys on my body, so how can you say something like that?" usually, Long Jingxian would not refuse his wish, but this time, it was different.

"All the hickeys?" Xiao Tian uttered, "Why do you want to cover all the hickeys? Just cover the hickeys that are on your neck and shoulders. There is no need to cover up those hickeys on your breasts because no one can see them."

"Why can't I cover all the hickeys?" Long Jingxian inquired, "Is this some kind of sign that I am yours?"

"Yes." Xiao Tian answered, "It's a sign that your body and heart belong to me."

"Then, can I give you a hickey too?" Long Jingxian inquired.

### **Chapter 1037 - Meeting Su Ruanyi In The Rain**

9-11 minutes

---

"Then, can I give you a hickey too?" because Xiao Tian said a hickey was a sign of possession, Long Jingxian wanted to give him a hickey too.

Her question much surprised Xiao Tian. He did not expect her to ask something like that.

Xiao Tian instantly took off his T-shirt and replied, "Sure. You can give me a hickey wherever you want."

To his surprise, Long Jingxian really gave him a hickey. In total, she gave him three hickeys, and all of them were on his chest.

"Hehe. You look more attractive with these hickeys on your body." Long Jingxian imitated Xiao Tian's words.

As Long Jingxian was giggling cutely, Xiao Tian suddenly lifted her body. "Now it's my turn to give you a hickey."

"Didn't you already give me a hickey? You even gave me fourteen hickeys." Actually, Long Jingxian had guessed something like this would happen to her because she knew his personality well.

After Xiao Tian sat on the edge of the bed, he placed Long Jingxian on his lap, facing him. "I won't give you another hickey if you kiss my forehead, nose, cheeks, lips and chin. So, how is it?"

Long Jingxian instantly kissed his forehead, nose, cheeks, lips and chin. "There. I have kissed you."

"Ops! I forgot one more thing. You have to kiss my eyes too." Xiao Tian stated.

Long Jingxian wasted no time and immediately kissed Xiao Tian's eyes. "There. I have kissed your eyes."

"Ops! I forgot again. You have to kiss me passionately too." the reason why Xiao Tian kept adding more conditions was that he loved being kissed by his lover.

Like before, Long Jingxian instantly did what he wanted. She immediately cupped Xiao Tian's face before kissing him passionately.

After she broke the kiss, he wanted to add another condition. "Ops! I forgo-"

Before Xiao Tian had finished his words, Long Jingxian pinched his cheeks and smiled, "You are really a bad young man! I'm sure you will keep adding conditions later. Fine. You can give me a hickey, but it should be in a place where everyone can't see it. Do you understand?"

Actually, Xiao Tian had forgotten about it because his heart was filled with happiness. "Sure."

But instead of giving her a hickey, Xiao Tian did something else.

He sucked and licked Long Jingxian's breasts!

Long Jingxian was sitting on his lap naked, so he suddenly wanted to do naughty things to her.

"Ahhh..." Long Jingxian instantly let out a seductive moan. "Xiao Tian, why are you licking and sucking my breasts? This is not what I said. I said you could give me a hickey, not lick and suck my breasts."

Even though Long Jingxian said something like that, she did not try to stop him. For this reason, Xiao Tian kept sucking and licking her breasts.

"Ahh...Ah...Ah..." multiple seductive wails escaped from Long Jingxian's little mouth. "Hiii."

Long Jingxian instantly gritted her teeth when Xiao Tian suddenly bit her right nipple a little hard.

Like before, she did not try to stop him. "Xiao Tian, we should stop now because I have to go to work. Otherwise, I will be late later. If you want to have sex with again, we can do it after returning home."

Xiao Tian instantly stopped what he was doing and lifted his head to look at Long Jingxian, "But I still haven't given you a hickey."

"You can do it after we get back from work later." Long Jingxian replied, "Now be a good boy and stop playing with my breasts."

Even though Xiao Tian still wanted to suck and lick her breasts, he decided to stop because she had to work.

Long Jingxian smiled softly when Xiao Tian listened to her words.

"Mmmuch!" after kissing Xiao Tian's lips, Long Jingxian slid from his lap.

She wasted no time and immediately covered all the hickeys on her neck and shoulders. After that, Long Jingxian kissed Xiao Tian again before going to work.

Because Xiao Tian was alone at home, he decided to go to his gang base.

"Leader..."

"Leader..."

"Leader..."

One by one, his underlings walked towards him when they saw him.

Xiao Tian stood in front of them and inquired, "How is the Duzu potion?"

"It hurt like hell, leader." One of the Blue Ice Lotus gang members replied, "It was as if countless needles pierced my whole body. I even could not feel my body anymore yesterday."

"That's right, leader." Another member of the Blue Ice Lotus gang added. "Even some part of my body still hurt until now."

Of course, Xiao Tian knew about it because he had experienced the same thing earlier. "That's normal because the potion restructures your flesh and bones."

"Leader, have you soaked in Duzu potion?" one of his Shadow gang members inquired.

"Yes. I soaked with Duzu potion this morning." Xiao Tian gave an honest answer. "I know this potion really hurt our bodies, but it can help us increase our strength faster. If you keep using this potion and practicing martial, your body will be stronger every day. With this, you will feel less pain when you soak in the Duzu potion later."

Xiao Tian knew about this because Long Jingxian had told him about it. She said the pain would lessen every time they were soaked with the potion.

"Is that true, leader?" one of Xiao Tian's underlings inquired.

"Yes." Xiao Tian replied as he nodded his head. "My lover was the one who told me about it."

After that, Xiao Tian ordered her underlings to practice martial arts. He wanted them to get stronger as quickly as possible.

Currently, only ten of his underlings were at the high-level master stage. Twenty of them were at the mid-level master stage, and fifty of them were at the low-level master stage.

There were still forty people who were still at the high-level apprentice stage.

Xiao Tian wanted all of his underlings to be at the master stage. Of course, he would love it if all of them could break through to the next level.

'I will work now.'

With that idea in mind, Xiao Tian traveled to the Star Film company.

But what greeted him was bad news after arriving at his company. Da Shan said one of the important editing crews had an accident.

It was a hit and run incident, so Da Shan had no idea who hit his subordinate. His subordinate was currently being treated at Life Hospital.

Da Shan said that his subordinates would need at least two to three weeks to recover as his subordinates' injuries were quite severe.

Xiao Tian then ordered Da Shan to find a replacement as soon as possible. Xiao Tian didn't want their filming to be interrupted just because of one person.

After working for about two hours, Xiao Tian went to the shooting location. Unlike yesterday, he was only on shooting location for twenty minutes before finally leaving.

On the way to his company, suddenly it rained.

'Sign. Why is it suddenly raining?'

Xiao Tian could only sigh when it suddenly rained.

Actually, he wanted to bring his women to a romantic place, but now he could not do that because that place was an outdoor place.

'Well, I can take them to that place another day.'

As he was driving his car, Xiao Tian suddenly saw someone familiar.

'Isn't she professor Su?'

There was a gorgeous lady pushing her motorbike in front of him.

Even though her body got drenched, she did not show the slightest care about it and kept pushing her motorcycle.

Xiao Tian slowed down the speed of his car, and when he was next to her, he immediately spoke, "Professor Su, why are you pushing your motorbike?"

Su Ruanyi stopped her footsteps and turned her head towards the source of the sound.

'Student Xiao?'

She did not expect to see Xiao Tian in that place.

"My motorbike is breaking down." Su Ruanyi explained the reason why she was pushing her motorcycle.

\*Crack....Tar...

Lightning flashed in the sky, and the sound of thunderclap shook the entire area.

"Kya." Su Ruanyi was shocked by the sound of a thunderclap and immediately covered her ears in reflex.

For this reason, something bad happened to her.

Her motorbike fell on her!

Previously, she did not side-stand her motorbike. That was why her motorbike immediately fell when she covered her ears.

\*Bruak...

Su Ruanyi fell to the ground with her motorbike on top of her legs.

When Xiao Tian saw her, he instantly got out of the car and dashed towards her. At this moment, he forgot it was pouring.

He immediately side-stand her motorbike before helping her up. "Are you alright, Professor Su?"

\*Drip...Drip...

Countless raindrops fell on Xiao Tian's body, and in just seconds, his body got drenched.

"I'm fine. Thank you for helping me." When Su Ruanyi noticed his body was drenched, she immediately apologized. "I'm sorry for getting you wets like this."

"It's fine." Xiao Tian did not mind it. "There is a motorbike repair shop there. Let's bring your motorcycle to that place."

"Un." Su Ruanyi nodded her head.

The motorbike mechanic informed them that it would take a long time to repair her motorcycle. He needed two to four hours to repair her motorbike.

"Professor Su, how about you leave your motorcycle here?" Xiao Tian spoke abruptly. "You can take it later. Just give your phone number to the motorcycle mechanic. He will call you after your motorbike is repaired."

"But..." Su Ruanyi did not expect Xiao Tian to say that.

"Professor Su, you will get sick if you continue to wear wet clothes like this." Xiao Tian told her the reason why he suggested leaving her motorcycle at the motorbike repair shop.

After thinking for several seconds, Su Ruanyi agreed with his idea.. "All right."

**Chapter 1038 - Going To Su Ruanyi's House**

9-11 minutes

---

After Su Ruanyi gave her number to the motorcycle mechanic, she got into Xiao Tian's car.

Because their bodies were drenched, Xiao Tian did not waste time and immediately traveled to her house.

On the way to her house, Xiao Tian inquired, "Professor Su, why didn't you call your husband earlier?"

"He said he had a meeting." Previously, Su Ruanyi had called her husband, but he said he had a meeting, so he could not pick her up.

"Your husband did the wrong thing." Xiao Tian replied, "In my view, he should ignore the meeting and pick you up."

"Have you forgotten you are my husband's boss? How can you say something like this? Are you really okay with one of the directors of your company ignoring the meeting?" actually, she also hoped that her husband would do like what Xiao Tian said.

However, she could not force her husband to pick her up because he said it was an important meeting.

Her husband was no longer the owner of the company, so he could not leave as he pleased.

"Ops! I forgot I was your husband's boss." Xiao Tian did forget that he was Da Shan's boss.

Actually, he still found it hard to believe that he was Da Shan's boss. Su Ruanyi was Da Shan's wife, and he was also her former student.

Their relationship was quite unique and complicated. It could be said that his words could change Su Ruanyi's life instantly because her husband was his subordinate.

If Xiao Tian suddenly decided to fire Da Shan, he was sure it would also affect Su Ruanyi's life because she was Da Shan's wife.

"Hehe." Su Ruanyi giggled. "It also never crossed my mind that you would be my husband's boss."

Su Ruanyi was pleased that her husband's boss was Xiao Tian, her former student. Not only did he buy her husband's company, he even hired her husband to work in his company too.

Not long after that, they arrived at her house. But when Xiao Tian was about to leave, Su Ruanyi said something unexpected.

"Student Xiao, let's go inside. Your body is drenched, so you have to take a warm bath immediately, or else you will catch a cold later." Xiao Tian was drenched because he helped her, so Su Ruanyi was afraid that he would catch a cold later. "I will dry your clothes later."

That was why she suggested taking a warm bath at her house.

Xiao Tian was startled. He did not expect her to say something like that. "It's fine. I will take a warm bath after arriving home."

Su Ruanyi grabbed his right hand before speaking, "Your house is still far from here, so I think it's better to take a warm bath at my house. Are you afraid that I will eat you later?"

Because she did not want to make the situation awkward, Su Ruanyi threw a little joke.

Xiao Tian was startled again, but he did not show it on his face.

'I did not expect her to say something like that.'

Of course, Xiao Tian knew that Su Ruanyi was only joking around.

"All right." At this moment, Xiao Tian suddenly hoped that Su Ruanyi would eat him later.

Su Ruanyi was a gorgeous mature lady, so he did not mind it if she wanted to eat him.

"Good." Su Ruanyi spoke.

After entering her house, they immediately headed to the laundry room.

"Here. You can use this towel. Don't worry. It's a clean towel." Su Ruanyi gave a white towel to Xiao Tian.

"You can put your clothes in the laundry basket. I will dry your clothes later."

"Thank you." Xiao Tian took the towel and smiled.

Because Xiao Tian would take off his clothes, Su Ruanyi wanted to leave the laundry room.

To her surprise, Xiao Tian did not wait until she had left the laundry room first and immediately took off his T-shirt.

Su Ruanyi was startled. She did not expect him to take off his clothes immediately. Due to how surprised she was, she forgot to leave the laundry room.

Not only did she not leave the laundry room, she even stared at Xiao Tian's body intently.

'What an amazing body!'

These were the words that appeared in her mind after seeing the shirtless Xiao Tian.

Sure, Su Ruanyi could tell that Xiao Tian had an amazing body because he still looked attractive in normal clothes, but she was still stunned when she saw his upper body.

In her eyes, Xiao Tian's muscles were perfect and very attractive, especially his abdominal muscle.

'His body is as amazing as these of male models' bodies. No, his body is even better than most of the male models' bodies.'

At this moment, Su Ruanyi felt as if she was hypnotized by Xiao Tian's body. For this reason, she suddenly did something unexpected.

She looked at Xiao Tian's trousers!

Sure, Xiao Tian had a fantastic body, but she suddenly wanted to know about his little brother too.

Yes. She was suddenly curious if his little brother was as amazing as his body or not. Of course, Su Ruanyi still did not realize what she was doing.

After dropping his T-shirt in the laundry basket, Xiao Tian looked at Su Ruanyi. "Professor Su, do you have something to say to me?"

'Did she just check my little brother?'

Because he took off his T-shirt earlier, Xiao Tian did not realize that Su Ruanyi was still next to him.

But what surprised him most was that Su Ruanyi looked at his body intently.

Not only that, but it seemed like she checked his little brother earlier. Of course, Xiao Tian said nothing about this.

Su Ruanyi came to her senses after hearing her words. "No. I will get out of the laundry room now."

'Ruanyi, what the hell did you do earlier? Have you turned into a pervert just because your husband can't satisfy you anymore?'

She was embarrassed when Xiao Tian caught her looking at his body.

After taking off his trousers, Xiao Tian wrapped the towel around his waist. At this moment, he wavered whether he should let Su Ruanyi dry his underwear or not.

'Should I take off my underwear too?'

Xiao Tian touched his chin.

'I will take off my underwear too.'

Because his underwear was also wet, it would be uncomfortable if he did not dry it.

\*Click...

The sound of him opening the door echoed in his ears.

To his surprise, he saw Su Ruanyi standing in front of the laundry room. As usual, Xiao Tian still behaved normally even though he was half-naked in front of his former professor.

Because she also wanted to take off her clothes, she walked towards the laundry room. But something unexpected happened when she was walking to the laundry room.

She slipped!

Previously, they walked to the laundry room while still wearing their wet clothes, so some part of the floor was wet because of it.

Su Ruanyi slipped when she unconsciously walked on the slippery floor. "Kya..."

Old or young was no different. They always said 'kya' when they slipped or fell. It was one of the rules for women.

She fell forward, or more precisely, she fell towards Xiao Tian.

\*Dug...

The sound of her knees hitting the floor echoed in their ears.

When she was falling to her knees, she unconsciously grabbed Xiao Tian's waist. She did it unconsciously because Xiao Tian was standing right in front of her.

\*Fall...

Because Su Ruanyi suddenly grabbed Xiao Tian's towel, it immediately slipped off his waist, revealing what was under his towel.

Su Ruanyi widened her eyes in surprise. At that moment, her pretty face was right in front of Xiao Tian's penis.

Not only that, but the distance between her face and Xiao Tian's penis was so close, to the point she could smell the scent of Xiao Tian's penis.

If anyone saw them at that time, they would definitely think that Su Ruanyi was giving Xiao Tian a blowjob because their position was like a woman who was sucking her lover's cock.

'What a strong smell! My body suddenly becomes hot!'

When she inhaled a unique smell, Su Ruanyi's body suddenly turned hot.

At this moment, she forgot to get up immediately because the smell of Xiao Tian's penis was disturbing her mind.

'I blame my husband for my action!'

Su Ruanyi opened her mouth slightly as if she wanted to suck Xiao Tian's cock,

'It's huge and long! What an amazing penis!'

Previously, Su Ruanyi was curious whether Xiao Tian's cock was as amazing as his body or not.

She did not expect that she would be able to see his penis immediately like that. She could even smell the unique scent of his cock.

Xiao Tian was startled when Su Ruanyi did not get up immediately. But what surprised him most was that she was looking at his penis intently.

His body almost quivered when he could feel her breath on his penis.

Because he was confident with the size of his penis, he behaved normally as if no one saw his naked body.

At this moment, he was looking at her. He wondered why she kept staring at his penis.

'Did her husband not satisfy her in bed?'

That was the question that suddenly appeared in his mind.

\*One second...four seconds...seven seconds...

It had been seven seconds, but none of them said a single word. Not only that, they even remained in the same position.

Su Ruanyi was staring at Xiao Tian's penis while he was looking at her face. It was as if they were looking at something so beautiful.

At this moment, a wild idea suddenly appeared in Xiao Tian's mind.

'She keeps looking at my penis. Should I tease her?'

### **Chapter 1039 - I Blame Your For This, Husband**

8-10 minutes

---

'She keeps looking at my penis. Should I tease her?'

A wild idea suddenly arose in Xiao Tian's mind when he noticed that Su Ruanyi kept looking at his penis.

Sure, Su Ruanyi was his former professor and the wife of his subordinate, but he still wanted to tease her because she kept looking at his cock.

She should get up immediately after falling to the floor, but she did not do that; instead, she remained in the same position and continued staring at his penis.

However, Su Ruanyi came to her senses before he could tease her.

"I'm sorry, student Xiao. I slipped earlier." After saying that, Su Ruanyi rose to her feet.

Actually, she was embarrassed. She believed Xiao Tian knew that she looked at his penis earlier because she did not get up immediately after falling to the floor.

However, she behaved normally because she did not want to make the atmosphere awkward for them.

And she also did not know what to say if Xiao Tian asked why she did not stand up immediately.

"It's fine." Xiao Tian was amazed by her behavior.

'What a pity! I actually wanted to know what her reaction would be if I teased her with my cock earlier.'

Because Su Ruanyi came to her senses before he could tease her, Xiao Tian suddenly felt disappointed.

Su Ruanyi looked at Xiao Tian's penis for the last time before giving the towel. "Take this towel."

Xiao Tian immediately took the towel and wrapped it around his waist. Because Su Ruanyi walked towards the laundry room, Xiao Tian headed to the bathroom.

As she walked towards the laundry room, Su Ruanyi remembered what had just happened to her.

But what she remembered the most was only one thing.

Xiao Tian's penis!

'His cock is huge!'

The memory of Xiao Tian's cock kept appearing in her mind.

'Husband, I blame you for my previous action! I blame you for that.'

Like before, Su Ruanyi blamed her husband for her dirty action and mind.

The expression of deep shock blossomed on her face when she saw Xiao Tian's underwear in the laundry basket.

'This is...'

She did not expect that Xiao Tian would take off his underwear too.

Su Ruanyi immediately squatted down right in front of the laundry basket. She kept looking at Xiao Tian's underwear as if his underwear was one of the most beautiful things in the world.

Like before, the memory of Xiao Tian's cock appeared in her mind again when she looked at his penis.

'This is the underwear he just wore.'

At this moment, a wild idea suddenly arose in her mind.

Yes. She suddenly had the thought of sniffing Xiao Tian's underwear!

She then turned her head to the left and right, skimming her surroundings.

Sure, she knew that she was alone in the laundry room, but she still checked her surroundings as if she was about to do something bad.

'Maybe I can sniff his underwear a little.'

Su Ruanyi slowly moved her right arm forward, but she stopped it when her right hand was above Xiao Tian's underwear.

'No! This is wrong. I can't do this. I can't do this. I blame you for my dirty mind, husband.'

Like before, Su Ruanyi blamed her husband for her dirty mind.

Even though her inner feeling rejected the idea, but she could not take her eyes off Xiao Tian's underwear.

'Yes. I just want to put his underwear into the washer dryer. I'm not trying to sniff it.'

With that idea in mind, Su Ruanyi grabbed Xiao Tian's underwear.

But her mind went crazy again when she held Xiao Tian's underwear.

'....Just a little. Yes. I will only sniff his underwear a little. I think one second is fine. I'm also curious about the smell of his underwear.'

She suddenly wanted to know whether his underwear smelled the same as his penis or not.

Like what she did before, she skimmed her surroundings again. When she was sure that no one was around her, she brought Xiao Tian's underwear closer to her nose before sniffing it.

'What a strong smell!'

Su Ruanyi instantly shook her head when she came to her senses.

'No. I have to stop this. This is wrong.'

Even though she kept saying that in her mind, she kept sniffing Xiao Tian's underwear. She skimmed her surroundings again.

Of course, Su Ruanyi was still sniffing Xiao Tian's underwear when she skimmed her surroundings.

'There is no one around me, so I think it's fine to sniff his underwear for a bit longer. Student Xiao is also taking a warm shower now, so it's okay to do this a little longer.'

Su Ruanyi kept sniffing Xiao Tian's underlings.

\*Inhale...

She shut her eyes when she was sniffing Xiao Tian's underwear as if she wanted to save the smell of his underwear in her mind forever.

Of course, Su Ruanyi realized that she was behaving like a pervert, but her lustful side won over her inner feelings.

'It has the same scent as his penis.'

She knew the smell of his cock because she smelled Xiao Tian's penis a few minutes ago.

Su Ruanyi's mind went crazy again, and the memory of Xiao Tian's cock suddenly reappeared in her mind.

'Student Xiao, you have a great smell.'

She knew what she did was wrong. Not only was Xiao Tian her former student, but she was also married.

She should not sniff Xiao Tian's underwear. However, she could not resist her lustful side.

Like before, she kept sniffing Xiao Tian's underwear. She even forgot to put Xiao Tian's clothes into the washer dryer. It was as if she was taking a drug at that time.

As she was sniffing Xiao Tian's underwear, something unexpected happened to her.

Her body suddenly quivered, and she felt hot too!

'Husband, I blame you for my actions! I blame you for all of this.'

Su Ruanyi kept making an excuse, saying she blamed her husband repeatedly.

One second...four seconds...ten seconds...

It had been ten seconds, but Su Ruanyi was still sniffing Xiao Tian's underwear.

She knew that she behaved like a pervert, but she did not show the slightest care about it because her mind had gone crazy.

'Student Xiao...'

Previously, she only wanted to sniff Xiao Tian's underwear for one second, but she forgot about it.

Su Ruanyi suddenly came to her senses.

'I should stop this now. This is dangerous.'

Xiao Tian would be suspicious if she did not dry his clothes because she said she would dry his clothes immediately earlier.

She immediately put Xiao Tian's clothes into the washer dryer. But when she was about to put Xiao Tian's underwear into the washer-dryer, she stared at his underwear for several seconds.

After staring at Xiao Tian's underwear for about five seconds, Su Ruanyi sniffed his underwear again.

She sniffed it for the last time before putting his underwear into the washer dryer.

'I should take off my clothes too.'

With that idea in mind, Su Ruanyi locked the door and began to take off her clothes.

However, she did something unexpected after removing her clothes.

She touched her vagina with her right middle and index fingers!

'My vagina is wet. Is it because I sniffed student Xiao's underwear earlier?'

Su Ruanyi found it hard to believe what she was doing in the laundry room.

'Husband, I blame you for my actions! I blame you for all of this.'

Su Ruanyi blamed her husband again as if she liked blaming her husband for everything she did.

'My nectar keeps coming out of my pussy!'

She looked at her right middle and index fingers that were covered with her nectar.

'Have I turned into a pervert now?'

Su Ruanyi never behaved like this before.

It was her first time sniffing someone's underwear. She even did not know why she suddenly did something lewd earlier.

Not only did she sniff her former student's underwear, she even touched her pussy in the laundry room.

"Mmmm..." Su Ruanyi shut her blue eyes when she thrust her right middle finger into her wet vagina.

She suddenly opened her eyes and pulled her middle finger out of her pussy.

Su Ruanyi tapped her cheeks before saying, "I should stop now."

She was afraid that she would do something dirty again if she stayed in the laundry room. That was why she wanted to take a warm shower immediately.

At the same time, Xiao Tian, who was soaking in the warm bath, touched his chin.

'Who should I have sex with tonight?'

## **Chapter 1040 - You Have A Good Body**

7-8 minutes

---

After Xiao Tian took a warm bath, he dried his body with a towel.

'Hmm? Professor Su didn't give me spare clothes?! Don't tell me. She wants me to walk around her house in towel.'

Xiao Tian wrapped the towel around his waist before walking out of the bathroom. He then headed to the laundry room to see if his clothes were already dry or not.

'My clothes are still in the washer dryer.'

Xiao Tian could only sigh when he found out that his clothes were still in the washer dryer.

When Xiao Tian was about to walk out of the laundry room, Su Ruanyi suddenly appeared before him.

'Damn! I almost had heart attack!'

If Xiao Tian did not have good reflexes, he would have bumped into Su Ruanyi.

"Professor Su." At this moment, Xiao Tian wanted to ask her why she did not give him spare clothes.

"Your clothes are almost dry. Just wait a little longer." Actually, Su Ruanyi did not know whether she should give him spare clothes or not.

She had no spare clothes for men because she was a female. If she gave her husband's clothes, she was afraid there would be trouble between her husband and her later.

"It's fine." Xiao Tian was not a shy person, so he did not care even if he had to keep wearing a towel.

Like what she did before, Su Ruanyi kept stealing glances at Xiao Tian's body. Even though she had seen his body before, she could not help but steal glances at his amazing body.

Although Su Ruanyi tried her best to hide the fact that she kept stealing glances at his body, Xiao Tian still noticed it.

"Professor Su, you don't need to steal glances if you want to see my body. I don't mind it even if you keep staring at my body." Xiao Tian was confident with the shape of his body, so he did not mind it even if Su Ruanyi kept staring at his body.

Su Ruanyi was a little panicked when Xiao Tian knew what she did, but she still behaved normally.

"You have a good body!" because Xiao Tian knew what she did, Su Ruanyi decided to praise his body.

"Your body is like model's body."

Xiao Tian knew that she would praise his body because every woman always did it after seeing his body.

"Like model?" Xiao Tian touched his chin. "Mm? Maybe I should try to be a model too. Because professor Su said my body was like model's body, I'm sure I will become a successful model later."

Of course, Xiao Tian was only joking around because he did not want to be a model. If he wanted to be a model, he would not choose to be a businessman in the first place.

And in his view, becoming a businessman was much better than a model.

"Un. You should try to be a model. I'm sure you can become a successful model because you have a handsome face too." of course, Su Ruanyi knew that Xiao Tian was only joking around because he was already a successful businessman.

Xiao Tian was still young, but he had already owned two companies and a few restaurants. He was even still twenty years old.

She was sure there were only a few people like him in China.

When Xiao Tian was about to say something, his smartphone suddenly rang.

He immediately picked up the phone when he knew the person who was calling him, "Hello?"

"Little brother, can you give me another set of cosmetics?" Shi Fei went straight to the point.

"All right." Xiao Tian suddenly remembered something important. "Fei, can you find someone who is good at editing. One of the important editor crew had an accident earlier, so I had to find someone who could replace him as soon as possible."

"All right." Shi Fei replied, "So do you want to hire that person permanently or just temporarily?"

"Temporary. That editor will recover in two to three weeks so I only need it temporarily." Xiao Tian only wanted a worker for a short period because Da Shan said that the editor would recover in two to three weeks.

"All right." After saying that, Shi Fei hung up the phone.

"Are you looking for an editor?" Su Ruanyi had no idea about it because her husband did not tell her.

"Yes. Professor Su, are you interested in becoming a film editor?" Su Ruanyi was good at computers, so Xiao Tian asked if she was interested or not. "It's only for two to three weeks so I can hire you if you are interested."

"I happen to have a lot of free time at university in the next two to three weeks. I will discuss this with my husband first." Even though Su Ruanyi was interested, she had to discuss it with her husband first.

If she accepted it immediately and her husband disagreed with her decision, it would cause trouble later.

"Alright." Xiao Tian could not force her because he understood her position.

Not long after that, Xiao Tian's clothes were already dry.

"Professor Su, I want to put on my clothes. Do you want to see me putting on my clothes?" Xiao Tian decided to tease her when he knew that Su Ruanyi was still in the laundry room.

"I will get out now." after looking at Xiao Tian's perfect body for the last time, Su Ruanyi walked out of the laundry room.

After putting on his clothes, Xiao Tian talked with Su Ruanyi for another ten minutes before going to Eternal Beauty company to take one set of cosmetics for Shi Fei.

Shi Fei hugged and kissed him after Xiao Tian gave her one set of cosmetics. Not only that, but she also dragged him to her room.

Yes. She wanted to reward him for giving her cosmetics. And the gift she wanted to give him was something he liked the most.

Sex!

After stepping into her room, Shi Fei took off her clothes and immediately sucked Xiao Tian's penis.

Xiao Tian was startled. He did not expect that the reward would be sex with her. Of course, Xiao Tian accepted it gladly.

After having sex for about two hours, they finally stopped.

"I will give you more cosmetics tomorrow." Xiao Tian spoke abruptly.

Currently, Xiao Tian and Shi Fei were on the bed, naked. Shi Fei was lying on her back with Xiao Tian on top of her.

Shi Fei giggled cutely after hearing his words. Of course, she knew the meaning of his words. "Little brother, you don't need to give me more cosmetics if you want to have sex with me again. Just come to me and I will satisfy you whenever and wherever you want."

"I love that idea." Xiao Tian spoke happily.

Su Ruanyi's House, Living Room.

Currently, Su Ruanyi and her husband were sitting on the couch in the family room. She asked his opinion about working at Xiao Tian's company temporarily.

Da Shan was startled. He then asked her how she knew about it.

Su Ruanyi told him the truth. Of course, she did not tell him about what had happened between Xiao Tian and her earlier.

She only told him that she met Xiao Tian when she was pushing her motorcycle in the middle of the rain.

"So how is it? Do you agree with my opinion?" Su Ruanyi inquired.
