### **Chapter 1041 - He Is Not A Good Husband**

"So, how is it? Do you agree with my opinion?" Su Ruanyi inquired.

Even though Su Ruanyi wanted to work at Xiao Tian's company, but she would not do that if her husband refused her idea.

She wanted to be a good wife, so she would do what he wanted. Of course, she hoped he would agree with her idea.

"Isn't that will disturb your work at the University?" Da Shan was afraid it would disturb her job at Sky University later.

Sky University was the top three universities in China, and Su Ruanyi had become one of the most important professors in that University, so it would be a pity if she lost her job later.

Su Ruanyi told him that she had a lot of free time in the next two to three weeks, so it would not disturb her job at the University.

And she would only work for two to three weeks so it would not disturb her job later.

"All right." After discussing for about thirty minutes, Da Shan allowed her to work at Star Film company.

----

After having sex with Shi Fei, Xiao Tian took a bath before traveling to Yun Xin Er's house. He had promised to have dinner with her, so he had to keep his words.

When Yun Xin Er saw Xiao Tian at her house, she was happy and disappointed at the same time.

She was pleased because Xiao Tian kept his words, but she was disappointed because, with this, she could not punish him later.

Because he had given her many hickeys to her body, she really wanted to punish him.

For this reason, Yun Xin Er said she would punish him if he did not spoil her or could not make her happy.

The corner of Xiao Tian's lips twitched after hearing her words. Of course, he knew what she had in mind.

That was why he tried his best to make Yun Xin Er happy. He then took her to many romantic places.

Xiao Tian spoiled her so much when they were on a date. He let Yun Xin Er sit on his lap, and he also fed her. He treated her as if she was a princess.

His actions made Yun Xin Er keep smiling happily. Due to how happy she was, she even forgot that she wanted to punish him.

At 10:00 pm, Xiao Tian sent her home. Like what they did last time, Xiao Tian and Yun Xin Er did lewd things in his car again.

They hugged and had passionate kisses for several minutes. She even let him suck and lick her breasts again.

In the past, kissing passionately was their limit, but now, she allowed him to suck and lick her breasts as long as he could make her happy.

Xiao Tian was pleased with this progress. Actually, Xiao Tian had the opportunity to have sex with her many times, but he did not do it because she was still not ready.

After arriving home, Xiao Tian had sex with one of his women again. If previously he had sex with Shi Fei, this time, he did it with Long Jingxian.

Like what he did last night, Xiao Tian gave her another hickey to her body.

Of course, Long Jingxian did nothing because she had promised to let him do whatever he wanted earlier. Yes. She promised to let him give a hickey to her body this morning.

After having sex for about an hour, they slept.

-----

Su Ruanyi's House, Her Room.

Several hours ago, Su Ruanyi chatted with her husband for two hours before finally they headed to their room and had sex.

However, she was not satisfied like usual because her husband had an orgasm so fast. Not only did he cum so fast, but he also slept after having an orgasm.

Yes. He did not care about her feelings. Da Shan did not care whether Su Ruanyi was satisfied or not.

He already had an orgasm, so he decided to sleep. It was as if Su Ruanyi was his Onahole, not her wife.

Su Ruanyi asked him to keep having sex with her because she was not satisfied and still had not had an orgasm, but her husband refused without thinking twice.

Of course, she did not give up easily, but her husband did not change his mind. He said he was already old and unable to continue having sex with her.

He even told her to masturbate if she was still not satisfied.

At that moment, Su Ruanyi was disappointed and furious at the same time. It had been five years since her husband had never satisfied her in bed anymore.

This was the reason why she kept blaming him when she sniffed Xiao Tian's underwear or when she kept looking at Xiao Tian's penis earlier.

Five years. It had been five years since she used her fingers to satisfy herself. There were many times where she suddenly thought of having an affair.

Yes. She desired to have an orgasm!

She wanted someone to satisfy her body so badly. She even forgot the pleasure of making love because her husband had never satisfied her since five years ago.

Every time she was about to have sex with her husband, she always hoped that he could satisfy her later, but she kept getting slapped by reality.

Yes. Her husband had always slept after having an orgasm since five years ago. Sometimes, she even questioned herself why she decided to marry him in the past.

Su Ruanyi stared at her husband's sleeping face as she gritted herself.

'Bastard! Sooner or later, you will make me cheat on you if you keep acting like this.'

She had suppressed her anger and disappointment for several years, and now she almost could not hold back herself anymore.

Her anger and disappointment were like lava, ready to explode. It was only a matter of time before she could not hold back her anger and disappointment anymore.

At that time, there were two high possibilities. First, she would have an affair, and second, she would divorce him.

Su Ruanyi was still as attractive as a woman in her twenties, so it was not difficult for her to find a new lover.

She even lost count of how many men tried to make her theirs. But she always refused them because she was already married and tried to be a good wife.

Su Ruanyi clenched her fists. She really wanted to hit her husband's face and order him to satisfy her.

'Huft. Forget it!'

Su Ruanyi took a deep breath before getting out of bed.

Because she knew that her husband would not satisfy her, she walked towards the bedroom, naked.

She wanted to soak in the tub so that she could suppress her anger and disappointment.

'I really want someone to satisfy me.'

Currently, Su Ruanyi was standing under flowing water in the shower cabin.

She lifted her face and closed her eyes, feeling countless waters fall onto her beautiful face. At that moment, a memory suddenly appeared in her mind.

She suddenly remembered Xiao Tian's huge penis!

Su Ruanyi opened her eyes.

She had no idea as to why she suddenly remembered Xiao Tian's cock at that time.

'Is it because my husband can't satisfy me, or is it because I want to have sex with student Xiao?'

At that moment, Su Ruanyi suddenly did something unexpected.

## Chapter 1042 - Good Moment In The Shower Cabin

6-7 minutes

---

Inside a shower cabin, a gorgeous mature lady who had a perfect figure was standing under the flowing water.

She was lifting her pretty face and closing her blue eyes.

That mature lady looked like she was enjoying her time in the shower cabin, but anyone would widen their eyes if they saw what she was doing.

Masturbate!

Yes. That attractive mature lady was currently masturbating in the shower cabin.

Her beautiful long fingers were caressing her clitoris, and her flawless legs were squirming continuously.

However, the most shocking thing was that she did not imagine her husband when she was masturbating in the shower cabin.

She was imagining her former student's huge and long penis!

That mature lady was none other than Su Ruanyi, Xiao Tian's former professor.

Su Ruanyi knew what she did was wrong, but she could not stop thinking about Xiao Tian's huge and long cock.

"Ahh...." A soft moan escaped from her little mouth as her fingers caressed her clitoris.

Su Ruanyi slowly spread her flawless legs before sliding her right middle finger into her wet vagina.

"Student Xiao..." Su Ruanyi instantly opened her eyes and stopped masturbating when she unconsciously called the name of her former student.

She found it hard to believe what she was doing. She did not know what was wrong with her mind.

But what she could not believe most was that she called the name of her former student when she was masturbating in the shower cabin, someone who recently became her husband's boss.

Her feelings suddenly became complicated. Something like this had never happened before.

Usually, she would only think about cock when she was pleasuring herself. But just now, she was thinking about her former student when she was masturbating.

Her complicated feelings slowly faded as she recalled her husband's previous actions.

'Husband, if you don't save me quickly, I will really have an affair later.'

Su Ruanyi blamed her husband again because she believed she would not think of another man if her husband could satisfy her in bed.

However, the reality was cruel for her. Not only did her husband never satisfy her in bed, he even did not care about her feelings.

At this moment, Xiao Tian's huge penis suddenly appeared in her mind again.

At first, she tried to think about her husband's dick, but Xiao Tian's cock was the one that kept appearing in her mind.

She knew it was wrong, but she decided to masturbate while thinking about Xiao Tian's cock when she could not get his penis out of her mind.

To her surprise, Su Ruanyi immediately had an orgasm when she imagined Xiao Tian fucking her vagina with his huge cock.

Not only did she have an orgasm, she even had a massive orgasm. Something like this had never happened before.

Usually, she would only have a normal orgasm when she masturbated in the shower cabin.

But what surprised her most was that she had another massive orgasm shortly after she played with her pussy and imagined Xiao Tian's cock again.

Two massive orgasms in a row!

She had two massive orgasms just by thinking about Xiao Tian's huge penis screwing her vagina.

"Ah...Ah...Student Xiao...Ah...Student Xiao...Ah..." because thinking about Xiao Tian fucking her could give her pleasure, Su Ruanyi decided to keep doing that.

She had forgotten that what she did was wrong. At that time, what she had in mind was only pleasure and Xiao Tian's penis.

"Student Xiao...Student Xiao..." currently, Su Ruanyi was sitting on the floor with her back leaning against the glass shower cabin.

She kept calling her former student's name while playing with her vagina. Of course, she said it in a very small voice because she did not want her husband to hear it.

\*Slick...Slick...Slick...

Su Ruanyi slid her right middle and index fingers in and out of her vagina continuously.

After playing with her vagina for several minutes, she finally reached her limit again. "I'm cumming...."

After having an orgasm, she did not masturbate again. She only sat on the floor while breathing heavily.

At this moment, a wild idea suddenly appeared in her mind.

'Should I seduce student Xiao and have sex with him tomorrow?'

Su Ruanyi instantly shook her head when she remembered that she was a married woman.

'But I really want to know the feeling of having sex with him.'

At that moment, she could not control her lustful side anymore.

"Student Xiao." Su Ruanyi mused.

She then dried her body before heading to her room. When she saw her husband's sleeping face, she stopped her footsteps.

'I blame you for what I just did in the bathroom.'

She immediately lay on the bed before blanketing herself.

She did not put on her clothes because she was too lazy to do that. Su Ruanyi then shifted her gaze from her stupid husband to the ceiling.

She was thinking about what she had just done in the bathroom.

'Can I stay calm when I see him tomorrow?'

Her husband would bring her to Star Film company tomorrow because they agreed to let her work at Xiao Tian's company.

'Sigh!'

Su Ruanyi sighed.

After what she did in the bathroom a few minutes ago, she did not know if she could still act normally when she saw Xiao Tian or not.

Xiao Tian was her former student, and he already had a lover, so she knew what she did a few minutes ago was wrong.

Yes. She knew that Long Jingxian was his lover and lived with him now. This was one of the reasons why she was always sad whenever she saw Long Jingxian's house.

Usually, she could play with Mu Ai or talk with Long Jingxian every day, but now it was hard to do that.

\*Pak...Pak...Pak...

Su Ruanyi tapped her cheeks.

'Student Xiao didn't know that I thought of him when I masturbated in the bathroom earlier, so everything will be fine.'

Su Ruanyi would not tell anyone about what she did in the bathroom earlier because they would think of her as slut if they knew about it.

Of course, she would hide it from her husband too. Su Ruanyi then decided to sleep.. However, something happened with she was sleeping.

## **Chapter 1043 - Rain**

8-11 minutes

---

As Su Ruanyi was sleeping, something unexpected happened.

Someone suddenly knocked on the door!

Su Ruanyi immediately woke up.

At first, she asked her husband to see who knocked on their door, but instead of checking it immediately, he ignored her and kept sleeping.

Su Ruanyi was unhappy.

'Bastard!'

Because that person kept knocking on the door, she had no choice but to check it.

She got out of bed and walked out of her room. But she immediately returned to her room because she was still naked.

'Luckily I realized I was naked earlier.'

After putting on her clothes, Su Ruanyi walked out of her room again.

When she was in the living room, she did not open the door immediately. It was almost midnight, so she was afraid that person had bad intentions.

That was why she peeked through the window first.

'Student Xiao?'

The expression of deep shock blossomed on her pretty face when she found out that the person who knocked on the door was Xiao Tian.

Without waiting for another second, Su Ruanyi opened the door. "Student Xiao?"

She was curious as to why Xiao Tian came to her house at that time. It was almost midnight, so it was not the right time to visit her home.

"Professor Su, may I take shelter in your house until the rain stops?" Xiao Tian replied as he wrapped his arms around his body. "I will leave immediately after the rain stops."

\*Uhebrubrebhr.

Xiao Tian's body was shaking non-stop.

Sure, he was a martial artist, but he was still a human being, so he could not continuously resist the cold air.

It was almost midnight, and his body was drenched, so his body kept shaking.

Su Ruanyi suddenly felt sorry after seeing his condition. Sure, it was not the right time to visit someone's house, but she could not kick him out of her house.

The reason was simple. First, she felt sorry for him. Second, he was her former student and her husband's boss.

And the last, it was still pouring right now. That was why Su Ruanyi did not kick him out of her house. "Come in."

"Thank you, professor Su." Xiao Tian wasted no time and immediately entered her house.

At first, he wanted to sit on the couch immediately, but he realized that his clothes were wet, so he would wet her sofa if he sat on the couch.

When Su Ruanyi saw Xiao Tian still standing, she knew what he had in mind. "It's fine. Just sit on the couch."

Because Su Ruanyi said so, Xiao Tian sat on the couch. "Sorry for disturbing you at this hour, professor Su."

"It's fine. Wait here, I will make hot tea first." Xiao Tian's body was drenched, so Su Ruanyi wanted to make hot tea to help him warm up his body.

Like before, Xiao Tian's body was still shaking. He was trapped in heavy rain for more than fifteen minutes, so his body was so cold.

After making tea, Su Ruanyi returned to the living room. "Here, drink it while still hot. It will help warm your body."

"Thank you." after saying that, Xiao Tian drank the hot tea.

"Student Xiao, how did you get caught in the rain like this? Where is your car?" Su Ruanyi did not see Xiao Tian's car, so she wanted to know where his car was.

"My car is at home. I rarely used my motorbike, so I went somewhere with my motorcycle." Xiao Tian gave an honest answer.

Every time he went somewhere, Xiao Tian always used his car. That was why he suddenly wanted to use his motorbike.

He just didn't expect it to rain like that. But what annoyed him most was that he was trapped in heavy rain.

\*Achoo...

Even though he was wearing a jacket, but his jacket was also wet, so he sneezed.

"Where is your husband, professor Su?" Xiao Tian asked curiously.

"He is sleeping right now." Su Ruanyi gave an honest answer. "Do you want me to wake him up?"

"No." Xiao Tian shook his head. "Let him sleep. It's almost midnight, so I don't want to disturb his sleep."

"You are a good boss." Su Ruanyi also believed that her husband would not wake up because he was someone who slept like a dead person.

"I just hope he won't be mad after he finds out I came to his house in the middle of the night." Xiao Tian knew it was not the right time to come to someone's house.

"I'm sure he won't know if I don't tell him anything because he sleeps like a dead person. Hehe." Su Ruanyi believed that her husband would not wake up later.

"Hehe." Xiao Tian chuckled after hearing her words.

When Su Ruanyi noticed Xiao Tian's body was still shaking, she immediately said, "How about you take a warm bath now? I'm sure it will help warm your body faster. I will dry your clothes later."

"All right." Xiao Tian agreed with her idea. "I did not expect that I would take a bath at your house again, professor Su."

This afternoon, Xiao Tian took a warm bath at her house after sending her home. Not only did he take a shower at her home, he even did it twice a day.

"It's fine." Of course, Su Ruanyi remembered it.

After taking off his clothes, Xiao Tian took a warm shower. As for Su Ruanyi, she put his clothes in the washer-dryer.

'Where is my towel?'

At this moment, he realized that Su Ruanyi did not give him a towel earlier.

At first, he waited for her in the bathroom, hoping she would give him a towel later. However, she did not come to the bathroom even after waiting for her for more than ten minutes.

For this reason, Xiao Tian decided to walk out of the bathroom. Yes. Even though he was still naked, he still walked out of the bathroom.

To his surprise, he saw Su Ruanyi standing right in front of the bathroom door, holding a white towel in her right hand.

\*Silence...

Xiao Tian and Su Ruanyi looked at each other without saying a single word.

Both of them were startled, especially Su Ruanyi. She did not expect to see Xiao Tian naked for the second time in a day.

One second...three seconds...five seconds...

Both Xiao Tian and Su Ruanyi still had not said a single word and kept looking at each other as if they were statues.

Even though he was standing naked in front of Su Ruanyi, Xiao Tian still behaved normally. There were three reasons for this.

First, Xiao Tian was not a shy person. Second, it was not the first time Su Ruanyi saw his naked body.

Yes. She had seen his naked body once when he came to her house this afternoon. And the last, he was confident with the shape of his body.

Su Ruanyi even praised his body this afternoon, saying he had a body like a model.

At first, Su Ruanyi looked at Xiao Tian's face, but her gaze suddenly fell to his huge and long penis.

'I did not expect to see his penis again.'

Su Ruanyi suddenly remembered what she did in the bathroom a few hours ago.

Yes. She masturbated while thinking about Xiao Tian's penis a few hours ago. She even masturbated in the bathroom that Xiao Tian just used.

\*Gulp...

Su Ruanyi could not help but gulp her saliva.

Her legs squirmed, and her body suddenly turned hot when she remembered what she did in the bathroom a few hours ago.

She knew that she had to give the towel to Xiao Tian and left immediately, but her body did not listen to her mind.

'Ruanyi, you can't do this. Remember, your husband is sleeping in his room right now. You can't do this.'

Even though her mind kept telling her to leave immediately, but she did not move an inch from her position.

Not only did she not leave immediately, but she also could not take her eyes off Xiao Tian's huge penis.

\*Gulp....

Su Ruanyi gulped her saliva again.

When she was pleasuring herself in the bathroom a few hours ago, she imagined Xiao Tian's huge cock.

She imagined his huge cock fucking her vagina wildly. Now that Xiao Tian's penis was right in front of her, the flames of lust suddenly appeared within her.

At this moment, Su Ruanyi forgot everything. She forgot to give the towel to Xiao Tian, and she forgot that her husband was in his room.

When she had sex with her husband a few hours ago, he had an orgasm so fast. Not only that, but he also immediately slept after having an orgasm.

That was why she masturbated in the bathroom earlier. Su Ruanyi suddenly opened her little mouth slightly.

A desire to suck and lick Xiao Tian's cock suddenly arose within her because it was the penis that made her have three massive orgasms in a row earlier.

Xiao Tian was startled. Previous, he thought Su Ruanyi would give him the towel and immediately leave, but he was wrong.

Not only did she not move from her position, she even kept looking at his penis. Xiao Tian's lips curled into a smirk.

A wild idea suddenly appeared in his mind. When she saw his cock this afternoon, Xiao Tian could not tease her because she suddenly came to her senses.

This was an excellent opportunity to do that, so he suddenly wanted to tease her.

'Look at her! She looks like she has never seen a penis before.. Looks like I will have fun with my beautiful professor later.'

### **Chapter 1044 - It's Hot**

9-11 minutes

---

In front of the bathroom, two people were looking at each other without saying a single word.

The young man had a handsome face while the mature lady had a beautiful appearance.

The mature lady was holding a white towel in her right hand. Her gaze kept shifting from the young man's handsome face to the place between his legs.

His penis!

Yes. The mature lady kept shifting her gaze from the young man's handsome face to her huge penis.

Sure, she knew what she did was wrong, but she did not stop what she was doing.

She kept shifting her gaze from the young man's face to his cock continuously as if what she was doing was normal for women.

The young man knew what the mature lady was doing. But instead of covering his naked body, he stood still as if he wanted to show off his amazing body to the mature lady.

These two people were none other than Xiao Tian and his former professor, Su Ruanyi.

Like before, Xiao Tian and Su Ruanyi did not say a single word and only stared at each other. It was as if the words were stuck in their throats.

Because Su Ruanyi kept looking at his cock, Xiao Tian decided to tease her. Yes. He wanted to tease her with his penis.

\*Sring...

One by one, Su Ruanyi's clothes disappeared in Xiao Tian's eyes.

Because he wanted to tease her with his penis, he had to make his penis erect. And the best way to do it was to imagine Su Ruanyi naked in front of him.

That was why Xiao Tian imagined Su Ruanyi standing naked in front of him. And what he did was right because it did not take long before his penis was completely erect.

Su Ruanyi's widened her eyes in surprise when Xiao Tian's cock was completely erect. She did not expect to see Xiao Tian's erect penis.

Of course, she still did not realize that Xiao Tian was teasing her. At that moment, she suddenly desired to grab, lick and suck Xiao Tian's cock.

However, she did not say it and only looked at his amazing penis.

She was a married woman, and he was also her husband's boss, so she tried her best to suppress the flames of lust within her.

At first, she still managed to control her lust, but the flames of lust suddenly spread throughout her body when Xiao Tian suddenly grabbed her left hand and placed it on his erect cock.

\*Fall...

Due to how shocked she was, the white towel in her right hand suddenly fell to the floor.

She wanted to remove her left hand from Xiao Tian's erect penis, but she could not do that as if her left hand had a mind of its own.

Xiao Tian brought his face closer towards her right ear and whispered, "Professor Su, I know you want to play with my penis, so you don't need to hold back your desire. Don't worry. This will be our little secret later."

"No. Student Xiao, we can't do this because I'm a married woman. You are my former student and my husband's boss, so we can't do this. We have to stop this." even though she said something like this, but Su Ruanyi kept holding Xiao Tian's erect cock.

It was as if there was the glue between Xiao Tian's penis and her left hand.

'It's hot and hard!'

At this moment, Su Ruanyi subconsciously compared her husband's dick to Xiao Tian's cock.

'His penis is huge and hard. It's much different from my husband's cock.'

In her view, the difference between Xiao Tian's penis and her husband's cock was like heaven and earth.

"You said we should stop this, so why are you still holding my penis?" Xiao Tian whispered again. "Just be honest with yourself, professor Su. Wouldn't it be nice to taste different penis?"

"But...But..." Su Ruanyi's heart began to waver.

She wanted to stop what they were doing, but at the same time, she also desired to taste Xiao Tian's cock.

Previously, she could only imagine his penis, but now, she had the chance to taste his penis for real.

She kept thinking about whether she should agree with his words or not. She was sure that once she cheated on her husband, she would not be able to stop it anymore.

The reason was simple. It was because her husband could not satisfy her in bed anymore.

Of course, Xiao Tian knew what she had in mind. In order to make sure she would not refuse his idea, he cupped her face before kissing her pretty pink lips.

To his surprise, Su Ruanyi did not try to avoid or push him; instead, she shut her eyes when their lips met.

Xiao Tian's laughed in his head. With this, he knew that he would have a good time with her beautiful professor later.

Of course, Xiao Tian was not satisfied with just a normal kiss. For this reason, he tried to put his tongue into her little mouth.

This was something that she imagined when she was masturbating in the bathroom a few hours ago.

For this reason, Su Ruanyi opened her little mouth and intertwined her soft tongue with his.

Xiao Tian had guessed that she would welcome the kiss.

'I knew it!'

From her expression, Xiao Tian knew that the flames of lust had started consuming her body.

He knew that she would not be able to refuse him because Su Ruanyi's eyes were burning with the flames of lust when she stared at his penis earlier.

It was as if she wanted to suck and lick his cock so badly.

One second...five seconds...seven seconds...

Su Ruanyi suddenly came to her senses and instantly broke the kiss. "Student Xiao, we have to stop this. We can't do this anymore. It's wrong. It's wrong."

Like before, what she said to what she did was completely different.

Her mouth kept saying they should stop what they were doing, but her left hand kept holding his erect cock as if she did not want to separate her left hand from his penis.

"Sure, we can stop this but you have to remove your left hand from my penis now." Xiao Tian was sure that Su Ruanyi would keep grabbing his cock.

And what he had guessed was right because Su Ruanyi did not remove her left hand from his penis and only looked at his black eyes.

This was something that she imagined when she was masturbating in the bathroom, so she still wanted to keep grabbing his huge erect cock.

Xiao Tian suddenly had an excellent idea to make her hornier. With this idea in mind, he grabbed her left hand and moved it back and forth.

Su Ruanyi did not fight back and only looked at Xiao Tian's black eyes. She immediately started breathing faster, and her lustful side started to take over her body.

Like what he did before, Xiao Tian kissed her passionately again. This was an excellent chance to make her hornier, so he decided to kiss her hungrily.

Unlike before, where Su Ruanyi immediately stopped the kiss, this time, she kept moving her soft tongue lewdly and intertwining her tongue with his.

Not only that, she even started to stroke Xiao Tian's penis on her own.

Xiao Tian was pleased by her actions. With this, the possibility of him having sex with her was high.

This made him very excited. He really liked having sex with a woman while her husband was sleeping in his room.

Su Ruanyi, who was closing her eyes, suddenly opened them.

'He is so skilled in a deep kiss.'

Su Ruanyi got hornier after Xiao Tian kissed her passionately.

Coupled with her stroking Xiao Tian's huge penis, made the flames of lust within her roared happily.

"Huft...Huft...Huft..." Su Ruanyi breathed heavily after breaking the kiss.

She also stroked Xiao Tian's huge cock faster and faster as if she wanted to make Xiao Tian orgasm quickly.

'I will stop this after I make him orgasm.'

As usual, Su Ruanyi made an excuse again.

'Husband, I blame you for my actions.'

Su Ruanyi did not forget to blame her husband for everything.

In her view, she would not do something like this if her husband could satisfy her in bed.

One minute...minutes...five minutes...

It had been five minutes since Su Ruanyi gave Xiao Tian a handjob, but there was no sign of him reaching his limit.

'Amazing!'

Su Ruanyi lowered her head to look at Xiao Tian's penis.

When she saw the pre-cum on the tip of Xiao Tian's penis, she unconsciously opened her little mouth.

His pre-cum looked so delicious in her eyes, and it looked like his pre-cum was inviting her to lick and suck it.

At first, Xiao Tian wanted to kiss her passionately again, but he changed his mind when he saw her beautiful neck.

Without saying a single word, Xiao Tian brought his face closer toward Su Ruanyi's neck before kissing it.

Su Ruanyi instantly half-closed her blue eyes. Of course, she was still stroking Xiao Tian's huge penis.

When she felt Xiao Tian's gentle kisses on her neck, she slowly tilted her head back so that it would be easier for him to kiss her neck.

It had been a long time since someone kissed her neck again because her husband stopped doing it a few years ago.

Yes. Before she had sex with her husband, she only gave him a handjob or blowjob before he put his penis into her pussy.

Su Ruanyi even always felt that having sex with her husband was very dull and not fun anymore.

As Su Ruanyi was playing with Xiao Tian's huge penis, Xiao Tian suddenly did something unexpected.

### **Chapter 1045 - Eating With Professor Su**

7-8 minutes

---

Su Ruanyi was startled when Xiao Tian suddenly dragged her into the washroom and locked the door.

'He can't hold back his lust anymore. He...He desires to have sex with me, his former professor and the wife of his subordinate.'

She had guessed that something like this would happen to them.

They did lewd things in front of the washroom earlier, so it was normal if Xiao Tian wanted to have sex with her.

Actually, she was also horny, but she still tried her best to suppress the flames of lust within her.

The bathroom was quite big. There was a shower cubicle in front of the door while the tub was placed on the left side of the shower cubicle.

A big mirror was hanging on the wall to the right side of the bathtub. Currently, Xiao Tian and Su Ruanyi were standing next to the tub.

Of course, she knew what he had in mind. She agreed with his idea because doing lewd things in the washroom was safer.

With this, the chances of being caught by her husband were much lower.

"Professor Su, can you give me a blowjob now?" she gave him a handjob earlier, so Xiao Tian wanted her to suck and lick his erect penis.

This was one of the reasons why Xiao Tian suddenly dragged her into the washroom.

Su Ruanyi did not answer and only stared at his black eyes. Actually, she knew that he would ask her to give him a blowjob because she stroked his huge penis earlier.

But she still found it hard to believe what she was hearing. It never crossed her mind that her former student would ask her to give him a blowjob.

Because Su Ruanyi only looked at him without saying a single word, Xiao Tian thought she would refuse his idea.

'It seems like I have to make her hornier before asking her to suck and lick my penis.'

Of course, Xiao Tian did not give up because he wanted to feel her little mouth using his erect cock.

That was why he wanted to make her hornier because, with this, he believed that she would not refuse what he wanted later.

When Xiao Tian wanted to make her hornier, Su Ruanyi did something unexpected.

She suddenly squatted down right in front of him and grabbed Xiao Tian's erect penis with her right hand!

At this moment, she still had not licked or sucked his penis. She only held his cock and placed it on her pretty face.

Su Ruanyi felt as if she had drunk aphrodisiac when the smell of Xiao Tian's penis entered her nose.

'This smell is so addicting.'

Even though she had smelled Xiao Tian's cock this afternoon, but it still managed to make her hornier.

Su Ruanyi suddenly remembered the time when she masturbated in the bathroom a few hours ago.

In her imagination, she licked and sucked Xiao Tian's huge penis hungrily.

She devoured his cock as if it was the most delicious sausage in the world. At this moment, Su Ruanyi still had not licked or sucked Xiao Tian's penis.

She then lifted her head to look at Xiao Tian's handsome face.

'Student Xiao...'

Su Ruanyi slowly opened her mouth before sticking out her pink tongue.

After returning her attention to his cock, she touched the tip of his penis with her tongue. Sure, she wanted to immediately put his cock into her mouth, but she did not do that.

Her body quivered for a second when she drank Xiao Tian's pre-cum. For this reason, she immediately put the tip of his penis into her little mouth.

'Delicious! His pre-cum is so tasty!'

Su Ruanyi finally knew the taste of Xiao Tian's penis.

The size, thickness, and taste. She could feel and taste all of them. Su Ruanyi grabbed Xiao Tian's waist before moving her head forwards and backward continuously.

'This is not a dream! I'm really sucking and licking student Xiao's erect penis. It feels a lot different from when I masturbated before.'

When she imagined sucking and licking Xiao Tian's penis in the bathroom earlier, she could not taste or feel his cock.

Now that she was sucking and licking his cock for real, she could not express what she was feeling.

Xiao Tian smiled happily when he saw Su Ruanyi giving him a blowjob. Previously, she kept saying they should stop, and here, she was sucking and licking his penis hungrily like a slut.

'Look at her! She is sucking my penis hungrily like a slut!'

Xiao Tian only stared at Su Ruanyi without doing anything.

Seeing the most beautiful and popular professor at Sky University suck his penis made him happy and proud.

He was sure that if anyone saw what they were doing in the bathroom, they would envy him to death because she was the most desirable woman to be a girlfriend at Sky University.

And here, she was sucking and licking his penis hungrily as if she was his slut.

Xiao Tian's lips curled into a grin when he saw his huge penis sliding in and out of Su Ruanyi's little mouth.

'Beautiful! I really love this view.'

He loved the sight of his dick sliding in and out of Su Ruanyi's mouth. In his eyes, it was one of the most beautiful sights in his life.

\*Slurp...Slurp...Slurp...

The sound of her sucking Xiao Tian's penis echoed in their ears.

Even though Su Ruanyi had used her skills, there was no sign of him reaching his limit.

'I have been sucking and licking his penis for several minutes, but he still has not reached his limit. I'm even playing with his testicles too. As expected, he is amazing. Well, he is still young after all, unlike my old husband.'

Like before, Su Ruanyi subconsciously compared Xiao Tian to her old husband again.

\*Drip...

Even though she did not play with her pussy, her nectar started coming out of her vagina.

The reason was simple. First, her husband had never satisfied her since a few years ago, so she could no longer control her lustful side.

Second, Xiao Tian's penis was amazing. Third, she was licking and sucking a new penis. Since marrying her husband, Su Ruanyi had always been a good wife.

Even though many men had tried to seduce her, but she managed to be faithful to her husband.

Some of them even only wanted one-night-stand and would also give her a lot of money, but she still refused them.

For this reason, Su Ruanyi only tasted the same penis over and over for almost ten years. That was why her lustful side roared happily when she finally tasted a new penis.

Not only was she licking and sucking a new penis, but that penis was even much more amazing than the dick that she had been playing for almost ten years.

This was the main reason why she kept sucking and licking Xiao Tian's penis continuously because she finally could taste a new cock after so long.

As Su Ruanyi was sucking and licking Xiao Tian's penis, he did something unexpected.

He grabbed her head and pulled his penis out of her mouth!

Su Ruanyi was startled, but she did not say anything and only stared at Xiao Tian.

After pulling Su Ruanyi up, Xiao Tian spoke, "Professor Su, let's get to the main dish now."

#### **Chapter 1046 - He Is So Skilled**

6-7 minutes

---

After pulling Su Ruanyi up, Xiao Tian spoke, "Professor Su, let's get to the main dish now."

Like Su Ruanyi, Xiao Tian also could not hold back his lust anymore. That was why he wanted to have sex with her immediately.

At first, he wanted to suck and lick her vagina, but he changed his mind. She gave him a blowjob for more than five minutes, so he was sure that her vagina was already wet.

Because Su Ruanyi was wearing a T-shirt and trousers, he decided to take off her T-shirt first.

When Xiao Tian took off her T-shirt and trousers, Su Ruanyi did not try to stop him. She even cooperated with him in removing her clothes.

\*Click...

After he unhooked her bra, Xiao Tian dropped it to the floor.

'Beautiful! Her breasts are so beautiful!'

Like Long Jingxian's breasts, Su Ruanyi's breasts were also beautiful and not saggy. Her nipples were not even dark, as if her husband had never sucked and licked her nipples before.

At this moment, Xiao Tian began to waver. He wanted to thrust his penis into her vagina so badly, but the sight of her beautiful breasts made Xiao Tian rethink his decision.

"Mmmmm..." Su Ruanyi half-closed her eyes when Xiao Tian suddenly licked and sucked her right breast.

It was not the first time someone licked and sucked her breasts, but she had already felt immense pleasure.

Su Ruanyi suddenly knew the reason. It was because her husband was not as skilled as Xiao Tian.

After sucking and licking her right breasts, he did the same thing to her other breast. Not only that, he even bit her left nipple a little hard, causing Su Ruanyi to moan seductively.

Xiao Tian did not play with her breasts for a long time because he wanted to fuck her pussy immediately.

He wanted to feel the vagina of the most beautiful and famous professor at Sky University.

But something unexpected happened when Xiao Tian tried to take off Su Ruanyi's underwear.

She came to her senses!

Su Ruanyi suddenly stopped Xiao Tian and looked at his face, "Student Xiao, we should not do this. We should stop this now."

Of course, her lustful side wanted the opposite. However, Su Ruanyi tried her best to suppress her lustful side.

Xiao Tian lifted her head and looked at her. It was not the first time she tried to stop him, so he was not surprised by her actions.

Xiao Tian rose to his feet. Of course, he did not give up. At that time, he knew that he should make her hornier before taking off her underwear.

After standing up, Xiao Tian cupped Su Ruanyi's face before kissing her passionately.

Like before, Su Ruanyi welcomed the kiss instantly. Because they had kissed passionately before, she thought doing it one more time was fine.

As he was kissing her passionately, Xiao Tian grabbed her hands, trying to remove her hands from her underwear.

At first, she still grabbed her underwear tightly, but it only lasted for several seconds before finally, she began loosening up her grasp.

After Xiao Tian managed to remove her hands from her underwear, he stopped the kiss. "Professor Su, don't you want to taste new cock?"

"New cock?" Su Ruanyi did not expect him to say something like that.

"Yes. New penis." Xiao Tian uttered, "All this time, you only had sex with your husband, right? Don't you find it boring? I'm sure some part of you want to taste a new penis. Otherwise, we would not have gone this far."

What Xiao Tian said was true. Su Ruanyi also wanted to taste a new penis. This was the reason why she gave him a blowjob and handjob earlier.

Xiao Tian brought his face closer towards her right ear before speaking, "Don't worry. This will be our little secret."

Like before, Su Ruanyi did not say anything and only stared at him. Of course, she also wanted to have sex with Xiao Tian, but at the same time, she was afraid to do it.

Xiao Tian decided to kiss her passionately again. But unlike before, this time, it only lasted for about six seconds before he broke the kiss.

Lips, neck, breasts, stomach. Xiao Tian kissed her passionately before making his way down to her flat stomach.

His main goal was her vagina. But he could not rush it because previously, Su Ruanyi stopped him when he wanted to take off her underwear.

For this reason, Xiao Tian kissed her stomach gently before pulling down her underwear slowly.

As he was pulling down her underwear slowly, Xiao Tian's kisses also went down. This was one of his tricks to make women more aroused.

And what Xiao Tian did was right. Su Ruanyi felt hornier when he did that.

Sure, she realized that Xiao Tian was slowly taking off her underwear, but she did not stop him like what she did before.

This time, she only stared at him. The feeling when Xiao Tian kissed her body gently was so amazing.

'He is so skilled in this.'

Due to how skilled Xiao Tian was, Su Ruanyi forgot to stop him.

In just seconds, Su Ruanyi's underwear was already on her feet. Like what she did before, she only stared at Xiao Tian without saying a single word.

After taking off her underwear, Xiao Tian rose to his feet again. Because he wanted to keep her aroused, he kissed her passionately again.

At this moment, Da Shan was still sleeping soundly. He had no idea what was happening in his house when he was asleep.

He had no idea that his beautiful wife was with another man in the bathroom, naked.

He was sleeping like a dead person when his wife was doing adult things with another man in the washroom.

At this moment, Xiao Tian and Su Ruanyi were still kissing passionately. Sure, they had many passionate kisses since he arrived at her house, but neither of them felt bored.

Not only did they move their tongues lewdly, but they also tilted their heads to the left and right continuously.

As they were enjoying themselves, Su Ruanyi suddenly did something unexpected.

### **Chapter 1047 - You Are Amazing, Student Xiao**

10-12 minutes

---

As Xiao Tian and Su Ruanyi were having a deep kiss, she suddenly did something unexpected, something that had never crossed his mind before.

She grabbed his big, erect penis with her left hand and clasped it between her thighs!

Yes, Su Ruanyi clasped Xiao Tian's erect cock with her flawless thighs.

At this moment, Xiao Tian could feel the softness of her thighs. And because his penis was touching her wet vagina, some of her nectar fell onto his cock.

At first, Xiao Tian thought Su Ruanyi only wanted to feel his penis with her thighs. To his surprise, she suddenly wrapped her long slender arms around his back.

But what surprised him most was that she started moving her hips back and forth, causing the lips of her pussy to rub against his cock continuously.

"Mmmm...Mmmm....Mmmm...." even though she was moving her hips back and forth, Su Ruanyi did not stop kissing him intensely.

'Ah... It's so hot! His huge penis is rubbing against my pussy.'

Her nectar came out of her vagina even faster than before.

The longer she moved her waist, the bigger the flames of lust within her had become. For this reason, Su Ruanyi was unable to kiss Xiao Tian anymore.

However, she did not stop moving her hips. She kept moving her waist forward and backward continuously.

"Ah...Ah...Ah..." soft cries escaped from her little mouth after breaking the kiss.

When Xiao Tian saw her fascinating face and heard her seductive moans, he wanted to fuck her pussy immediately.

Of course, he knew that she was ready to take his huge penis in her vagina because he could tell from her expression.

For this reason, Xiao Tian pushed her until she stood with her back against the wall. He wasted no time and immediately lifted her left leg.

When Su Ruanyi felt the tip of Xiao Tian's penis on her vagina entrance, she shifted her gaze from his cock to his face. "Student Xiao, we...we...."

Like before, Su Ruanyi's heart was wavering again. Sure, she wanted Xiao Tian to thrust his huge penis into her wet vagina so badly, but some part of her wanted them to stop.

Xiao Tian was not surprised by her actions because she did it many times since they started doing lewd things.

Like what he did before, Xiao Tian kissed her passionately again. When she lost herself in lust, Xiao Tian slowly thrust his huge penis into her wet vagina.

Su Ruanyi widened her eyes for a second. "Mmmmm...."

When the tip of his penis slid into her vagina, Su Ruanyi felt electricity spread throughout her body.

She broke the kiss when Xiao Tian thrust his huge cock deeper into her wet vagina.

"Mmmmm...." Like before, Su Ruanyi tried her best to hold back her moan.

She was doing something forbidden with her former student in the bathroom, so she did not want her husband to know about it.

'He is thrusting his huge penis into my pussy. My former student is sliding his cock into my vagina. Ah! My husband's boss is fucking me in the bathroom when he is sleeping in his room.'

She still found it hard to believe what was happening.

After Xiao Tian thrust his penis, he immediately said, "It's in, professor Su."

"Un." Su Ruanyi nodded her head. "I can feel it.'

'He has not fully thrust his penis into my vagina, and it has reached so close to my womb. I'm sure his penis will reach my womb if he keeps pushing it deeper.'

She added in her mind.

Because Xiao Tian had thrust his penis into her wet vagina, Su Ruanyi did not try to stop him anymore.

In her view, it was too late to stop him because his penis was already deep inside her wet vagina.

And some part of her was also happy because this was what she wanted.

"I'm going to move now." Xiao Tian stated.

Su Ruanyi did not answer, but she nodded her head, giving him a sign that he could move his waist.

Xiao Tian did not fuck her fast immediately because he wanted her to get used to the size of his penis first.

Su Ruanyi liked the decision he made. Sure, she wanted him to fuck her fast and wild, but she wanted it slow first.

"Mmmmm...Mmmmm...Mmmmm..." As she was holding back her cries, Su Ruanyi shifted her gaze from Xiao Tian's face to his penis.

'He is fucking me. I'm having sex with my former student and we are even doing it in my house when my husband is sleeping.'

Her husband was sleeping in his room, and here, she was having sex with her former student in the bathroom.

However, Su Ruanyi did not regret it; instead, she loved it. Xiao Tian's penis was huge, long, and hard.

His penis was the exact opposite of her husband's dick. Su Ruanyi loved Xiao Tian's penis so much.

"Ah...Ah...Ah...Ah..." when Xiao Tian increased the speed of his movements, Su Ruanyi moaned faster and faster.

'It feels good. It feels good. It feels good. This is what I want. This is what I always wanted for a long time. I love this feeling. I love this pleasure.'

Su Ruanyi had forgotten the pleasure of having sex because her husband had never satisfied her in bed since a few years ago.

At this moment, she suddenly wished they were alone in her house because she wanted to moan as loudly as she wanted.

She wanted to enjoy the pleasure to the fullest!

But Su Ruanyi could not do that because her husband was sleeping in his room, so she had to hold back her cries.

It would be a problem if her husband found out she was having sex with Xiao Tian in the bathroom.

"Ah...Ah...Ah..." soft moans kept coming out of her little mouth.

When Xiao Tian lifted her other leg, his cock reached even deeper than before. Sometimes, it even hit her womb.

"Hii..." Su Ruanyi gritted her teeth, and her eyes suddenly flooded with tears

'It reaches my womb! My student's penis is hitting my womb. Ah...Ah... My mind is going crazy. My mind is going crazy!'

Actually, Su Ruanyi had guessed that Xiao Tian's penis could reach her womb.

'Husband, your boss is amazing. Your boss' penis is amazing! It's much better than yours.'

Su Ruanyi's body was filled with pleasure.

She then wrapped her long slender arms around his neck before kissing him passionately.

She knew that she would moan loudly if she did not kiss him because the pleasure Xiao Tian gave her was so incredible.

However, it was hard for her to keep kissing him. That was why she often broke the kiss before kissing him again.

Su Ruanyi repeated the same process. She immediately kissed him after breaking the kiss. She did this for more than a minute before finally, she stopped.

"You are amazing, student Xiao...Ah...Ah...You are amazing...Ah...Ah...Ah...." While still letting out seductive cries, Su Ruanyi praised Xiao Tian.

At this moment, she did not look like a professor anymore; instead, she looked like a slut who had not had sex in a long time.

Xiao Tian was pleased when he saw her fascinating expression. Actually, he believed that he would be able to satisfy her.

The reason was simple. First, he had a lot of experience with women, so he knew how to satisfy them.

And lastly, he knew that her husband had never satisfied her in bed in recent years, so it would be easier for him to satisfy her.

He knew about this from the way she looked at his penis or when he thrust his cock into her wet vagina earlier.

Satisfying a woman like her was easier for him. He was even sure that he could make her orgasm several times later.

And what he had guessed was right because Su Ruanyi finally reached her limit not long after that.

"I'm cumming... I'm cumming... I'm cumming...." to her surprise, she had a massive orgasm.

'Hiii...'

Even though she was having an affair behind her husband's back, she did not care about it because she finally could have an orgasm.

All this time, she had never had an orgasm when she had sex with her husband. All she did was masturbate after having sex with him.

This was one of the reasons why she had a massive orgasm because she had finally managed to get the pleasure she had been dreaming of all this time.

After her body stopped quivering, Su Ruanyi spoke, "You are amazing, student Xiao. It has been a very long time since I had an orgasm like this. You are amazing!"

Not only did she have an orgasm, she even had a massive orgasm. She had never had this immense pleasure when she had sex with her husband because he never satisfied her in bed.

"You are also amazing, professor Su. Your vagina feels great!" After saying that, Xiao Tian kissed her passionately.

Of course, he was still carrying her, and his penis also remained deep in her wet pussy.

He did not pull his cock out of her vagina because he wanted to keep having sex with his beautiful professor.

After stopping the kiss, Su Ruanyi uttered, "You can move again now."

Because Xiao Tian still had not had an orgasm, she knew he wanted to continue having sex with her.

Actually, she also wanted to keep having sex with him because having sex with him felt amazing.

Because Su Ruanyi said so, Xiao Tian began to move his waist again. Like before, the bathroom was filled with Su Ruanyi's suppressed cries.

They had sex in various styles, from doggy style to missionary style. Yes. They had sex on every side of the bathroom.

After having sex for about two hours, they finally stopped because Su Ruanyi could not move her body anymore.

In those two hours, Su Ruanyi had seven orgasms while Xiao Tian three times.

Su Ruanyi continued to have orgasms because it had been a very long time since she last had sex with a fantastic person like Xiao Tian.

"Huft...Huft...Huft..." Su Ruanyi was breathing heavily.

Currently, Su Ruanyi and Xiao Tian were soaking in the tub. She was sitting between his legs with her back facing him.

"I could not believe I had seven orgasms in two hours." Su Ruanyi also found it hard to believe what had just happened.

"I'm glad I can satisfy you, professor Su." Like what Xiao Tian always did to his women, he wrapped his arms around Su Ruanyi's waist before placing his head on her right shoulder.

"You really have unlimited stamina, student Xiao." Su Ruanyi was shocked and happy when she knew Xiao Tian had a lot of stamina.

When Xiao Tian squeezed her breasts with his left hand and played with her vagina using his other hand, Su Ruanyi could only smile.

'It seems like he is still not satisfied. What a pervert student!'

She said in her head.

At this moment, something unexpected happened.

### **Chapter 1048 - I Will Take His Place From Today Onwards**

7-8 minutes

---

Inside a mid-sized bathroom, two people were soaking in the tub, naked.

The mature lady was sitting between the young man's legs with her back facing him. Her blue eyes looked at the young man's hands, and her little mouth opened slightly.

She looked like someone who was not soaking in the tub; instead, she looked like a lady who was pleasuring herself in the tub because seductive moans kept coming out of her mouth.

Actually, the mature lady did not masturbate in the tub. The young man was the reason why she kept letting out seductive cries.

Yes. It was because the young man was playing with her beautiful breasts and vagina.

The young man played with her breasts using his left hand while also playing with her vagina using his other hand.

Even though they had just had sex for two hours, but the young man still played with her body as if he was still not satisfied.

"Mmm...Mmmm..." the mature lady kept staring at the young man's hands while trying her best to suppress her cries.

The mature lady's wails like a beautiful song in the young man's ears. For this reason, he thrust his right index and middle fingers into the mature lady's wet vagina.

"Ah...Ah..." even though the mature lady had tried her best to hold back her cries, but she still failed to do that because the young man was skilled in pleasuring her.

However, the mature lady still did nothing to the young man, as if it was what she wanted. As for the young man, he kept enjoying the mature lady's body.

These two people were none other than Xiao Tian and his former professor, Su Ruanyi.

"Student Xiao, are you still not satisfied?" Su Ruanyi was startled when Xiao Tian suddenly played with her breasts and vagina, but she did not stop him and only tried her best to suppress her cries.

"Professor Su, you can't blame me for doing this. It's because you have such a perfect figure, so my hands suddenly move on its own." Like before, Xiao Tian was still playing with her breasts and vagina.

'It will be a waste if I don't enjoy your perfect body to the fullest, professor Su.'

He added in his mind.

Being praised by an attractive young man like Xiao Tian made Su Ruanyi happy. For this reason, she spread her legs wider so that Xiao Tian could play with her pussy much easier.

When Xiao Tian saw what she was doing, he immediately whispered in her right ear. "What is this, professor Su? Why are you spreading your legs widely like this? Do you want to have sex with me again?"

Of course, Su Ruanyi knew that Xiao Tian was only teasing her. "Any woman will feel horny if someone plays with their pussies and breasts like what you are doing to me right now, so you can't blame me for this."

"What a pervert lady!" actually, Xiao Tian had guessed that she would say something like that.

Su Ruanyi suddenly removed Xiao Tian's hands from her pussy and breasts. After turning around, she grabbed Xiao Tian's erect penis and spoke, "It seems like I'm not the only pervert here."

Because she was facing him, it was easy for her to stroke Xiao Tian's erect penis. That was why she kept giving him a handjob.

Xiao Tian did nothing when Su Ruanyi suddenly gave him a handjob. "But I'm not as pervert as you. Your husband is sleeping in his room, and here, you are having an affair with your former student. Don't you feel sorry for him?"

"Forget about that old man! He only cares about himself and never satisfies me in bed, so it's not my fault." Su Ruanyi defended herself.

Xiao Tian chuckled. "Then let me take his place from today onwards."

"I will let you take his role from now on. From today onwards, I will come to you whenever I'm horny and desire to have sex, so you better prepare yourself." after saying that, Su Ruanyi placed her wet vagina above Xiao Tian's penis before dropping her body slowly.

When Xiao Tian's penis was entirely in her vagina, something unexpected happened.

"Wife, wake up. It's already 06:00 am." Da Shan, who was sitting next to Su Ruanyi, tapped her shoulders.

Because Da Shan kept tapping her shoulders, Su Ruanyi finally woke up.

"You finally woke up!" after saying that, Da Shan rose to his feet. "Can you make breakfast now?"

Su Ruanyi did not answer his question.

'What? It's...a dream?!'

She found it hard to believe what was happening.

Because everything felt so real, she thought it was not a dream.

'Then all of it is....'

Su Ruanyi could not believe that she dreamed about Xiao Tian.

Not only that, she even had sex with him in her dream. At this moment, Su Ruanyi suddenly had complicated feelings.

'I had sex with student Xiao in my dream and...I enjoyed it.'

She was happy and sad at the same time. She was delighted because that meant she did not cheat on her husband.

But she was also sad because all the pleasure she got was fake.

When someone finally could satisfy her and make her have a massive orgasm many times, it turned out only a dream.

It was as if the world hated her so much and did not want to see her happy.

Because Su Ruanyi still lay on the bed, Da Shan repeated his words, "Wife, can you make breakfast immediately? I'm starving right now."

Su Ruanyi turned her head to look at her husband, "All right."

Because her mind was still filled with confusion about her dream, she forgot to put on her clothes.

Da Shan immediately stopped her and spoke, "Wife, you are still naked. Put on your clothes first before heading to the kitchen."

Su Ruanyi instantly stopped her footsteps and looked at her body.

"What's wrong with you?" Da Shan inquired, "Did you have a bad dream last night?"

"Nothing." There was no way Su Ruanyi could tell him about her dream.

Da Shan kept staring at his wife.

'What's wrong with her?'

She was not like usual, so Da Shan did not understand her behavior.

After putting on her clothes, Su Ruanyi headed to the kitchen to cook breakfast.

'Everything felt so real. I did not think it was just a dream.'

As she was cooking breakfast, Su Ruanyi kept thinking about her dream.

'Was it because I masturbated while thinking about him last night? Was it because I saw his cock yesterday? Or is it because my husband never satisfies me in bed?'

Countless questions appeared in her mind.

At this moment, Su Ruanyi suddenly remembered what had happened in her dream.

She remembered the time when she had sex with Xiao Tian and when she had massive orgasms continuously.

Her legs suddenly squirmed, and her body turned hot. In her dream, she was delighted because Xiao Tian could satisfy her and make her have massive orgasm many times.

She suddenly wanted to have sex, but she did not want to do it with her husband because she knew that he would not be able to satisfy her.

Su Ruanyi suddenly thrust her right middle finger into her vagina.

'Student Xiao.'

## **Chapter 1049 - Buying Lamborghini Aventador**

7-8 minutes

---

As Su Ruanyi was pleasuring herself in the kitchen, her husband was waiting in the living room, watching TV.

At that moment, a wild idea suddenly appeared in her mind.

'Should I seduce student Xiao later?'

She then stopped playing with her pussy and shook her head.

'No. I can't do that. He is my former student and my husband's boss. Everything will be a mess if I have an affair with him.'

Even though she said that in her mind, some part of her desired to have sex with Xiao Tian because he could satisfy her in her dream.

At that moment, Su Ruanyi suddenly wanted to know if Xiao Tian could satisfy her if they had sex in real life or not.

-----

Xiao Tian's Mansion, His Bathroom.

Currently, Xiao Tian was soaking in the Duzu potion. Like yesterday, he still felt immense pain, but he tried his best to endure the pain.

Of course, he had no idea that Su Ruanyi dreamed about him last night. Otherwise, he would call her and tease her immediately.

'Done!'

After soaking in the Duzu potion, Xiao Tian headed to the backyard to practice martial arts.

Like yesterday, Xiao Tian practiced the fourth secret technique before finally kicking and punching wooden pole.

He practiced martial arts for about thirty minutes before finally taking a shower and traveling to the Star Film company.

To his surprise, he saw Su Ruanyi in his company. "Professor Su?"

Su Ruanyi turned her head towards the source of the sound. "Student Xiao?"

She suddenly remembered her dream.

'My legs suddenly became weak.'

Because she had sex with Xiao Tian in her dream last night, Su Ruanyi's heart beat faster when she saw Xiao Tian.

'No. My husband is standing next to me, so I should not make suspicious act.'

Even though her heart beat faster and her body was hot, Su Ruanyi tried her best to behave normally.

Da Shan, who was standing next to his wife, spoke, "Good morning, Sir Xiao."

"Good morning, Mr Da." Xiao Tian replied as he smiled.

'What's wrong with professor Su?'

Even though Su Ruanyi had tried her best to behave normally, Xiao Tian could still notice it.

Su Ruanyi and Da Shan began explaining the reason why she was at Star Film company. They said she agreed with Xiao Tian's offer.

Xiao Tian was pleased when he found out that Su Ruanyi accepted his offer. He knew that she was skilled in computers, so he was sure that she would be of great help later.

Then Xiao Tian ordered Da Shan to take her around the company and meet the other editor crew members.

After that, Xiao Tian headed to his office. But when he was about to work, Shi Fei suddenly called him.

She said she had found the person he needed. Xiao Tian then told her that he did not need it anymore because he had hired Su Ruanyi.

After Shi Fei hung up the phone, Xiao Tian began to work.

'My mind is tired. Let me take a rest first.'

Xiao Tian then opened YouTube to relax his tired mind.

'Mmm?'

Xiao Tian accidentally clicked a car channel.

In the video, the owner of the channel was describing Lamborghini Aventador.

Xiao Tian suddenly became interested in the Lamborghini Aventador because he still did not have a luxury car like a Lamborghini.

'What a good car! Let me check the price of this car.'

When Xiao Tian knew the price of the car, he immediately rose to his feet.

'I will buy this car now.'

With that idea in mind, Xiao Tian traveled to the Lamborghini showroom.

He decided to buy a blue Lamborghini Aventador because he liked the color. In his view, it was the most beautiful color for Lamborghini.

Before driving his Lamborghini, Xiao Tian ordered Mu Huo to take his BMW car and place it at his house.

'I'm sure she would love to go on a date in my new car.'

Xiao Tian wasted no time and immediately called Shi Fei.

Shi Fei, who was working in her office, turned her head towards her smartphone when she saw her phone ringing.

'Who is calling me?'

She then grabbed her smartphone, which she put on her desk.

'Little brother?'

Shi Fei's heart throbbed with happiness.

When Shi Fei knew the person who called her was Xiao Tian, she immediately picked up the phone.

"Hello, little brother?" Shi Fei was curious as to why Xiao Tian suddenly called her.

"Fei, let's go on a date right now?" Xiao Tian went straight to the point.

"Date?" Shi Fei's eyes shone brightly when Xiao Tian invited her to a date.

"Yes." from her voice, Xiao Tian knew that she was pleased. "I'm on my way to Star Clothes company now."

"All right. I will be waiting." Shi Fei's heart was filled with happiness.

After he arrived at Star Clothes company, Xiao Tian called Shi Fei again.

She wasted no time and immediately walked out of her office.

'Where is little brother?'

She did not see his BMW car, so Shi Fei kept turning her head to the left and right.

\*Beep...

When Xiao Tian saw Shi Fei, he immediately pressed the car honk.

Shi Fei instantly turned her head towards the source of the sound. She was startled when she saw a blue Lamborghini Aventador not far from her.

When she saw Xiao Tian, she immediately spoke, "Little brother, did you buy a new car?"

"Yes." Xiao Tian gave an honest answer.

Shi Fei wasted no time and immediately got into the car.

Even though Xiao Tian did not know where they were going, he still drove his Lamborghini away.

"Why did you suddenly buy a new car, little brother?" Shi Fei asked curiously.

"I suddenly saw a review of this car on YourTube earlier." Xiao Tian replied instantly, "Since I was interested in this car, I immediately went to the Lamborghini showroom and bought one for myself."

"You bought a Lamborghini just because of that reason?!" Shi Fei found it hard to believe what she was hearing.

Lamborghini was an expensive car. She did not expect that he would buy it just because he saw a review about Lamborghini on YourTube.

"Yes." Xiao Tian nodded his head. "Don't worry. You can use this car later."

"You are amazing, little brother." Shi Fei praised Xiao Tian.

When she first met Xiao Tian, he had nothing, but now everything had changed. Now he had a lot of money and could buy anything he wanted.

He even bought an expensive car without thinking twice as if Lamborghini was a very cheap car.

"Of course, I'm amazing because I'm your future husband." Xiao Tian stated.

"This car is indeed very extraordinary, but this car has one drawback." Shi Fei uttered.

"Hmm? What is it?" Xiao Tian had no idea as to why Shi Fei said something like that because, in his view, there was no shortage of his Lamborghini car.

"It's hard to have sex in this Lamborghini car." Shi Fei knew that Lamborghini was a good car to show off, but it was not the best car to do lewd things.

The corner of Xiao Tian's lips twitched after hearing her words.

'It seems like my sexy lover always thinks about sex.'

He said in his mind.

## **Chapter 1050 - Alone With Su Ruanyi**

6-7 minutes

---

Xiao Tian and Shi Fei went to many romantic places.

They even did lewd things in his new car, but they did not have sex because it was difficult to do it in his Lamborghini Aventador.

At 04:30 pm, Xiao Tian and Shi Fei arrived home.

'Hmm?'

When Xiao Tian saw her still sitting on the passenger seat, he smiled softly before pinching her cheeks.

'What a spoiled lady!'

Of course, Xiao Tian knew what she wanted.

Shi Fei only smiled when Xiao Tian was pinching her cheeks. Even though she said nothing, she was sure that Xiao Tian knew what she wanted.

After Xiao Tian got out of the car, he immediately carried Shi Fei.

"Hehe." Shi Fei giggled happily when Xiao Tian carried her. Because she was facing him, she immediately pressed her pink lips against his. "Mmmucchhh.."

Xiao Tian was not surprised by her action because she always kissed him every time he carried her.

As Xiao Tian was carrying her and walking towards the living room, Shi Fei spoke, "Little brother, let's head to your room and have wild sex there."

The reason why she wanted to have sex with Xiao Tian was that she could not do it in his car earlier.

She was still horny because she could only lick and suck Xiao Tian's penis earlier. She was not satisfied with it.

She wanted Xiao Tian to thrust his huge cock into her lewd pussy and paint her vagina with his white sperm.

"If you kiss my forehead, nose, cheeks, and lips, I will grant your wish." Of course, Xiao Tian would still have sex with her even if she did not kiss him.

Shi Fei wasted no time and immediately kissed his forehead, nose, cheeks, and lips. "There. I have kissed you."

"Good! Let's have sex now." Xiao Tian then walked towards his room.

"Little brother, I want you to make me unable to move my body anymore later. I want you to make me have a massive orgasm continuously later." Shi Fei wanted him to fuck her wildly.

"I love that idea." Xiao Tian stated.

After stepping into his room, Xiao Tian put her on the edge of the bed. He wasted to time and immediately had sex with her.

Su Ruanyi's House, Living Room.

"Wife, I have a business trip tomorrow afternoon." Da Shan went straight to the point.

"Business trip?" Su Ruanyi was startled after hearing his words. "Where are you going?"

"Hong Kong." Da Shan gave an honest answer.

"How long will you be in Hong Kong?" She asked curiously.

"Three to seven days." Da Shan had no idea how long he would be in Hong Kong later.

"All right." Su Ruanyi nodded her head.

-----

The following morning, Xiao Tian had quick sex with Shi Fei again. Xiao Tian traveled to the Eternal Beauty company after soaking in the Duzu potion and practicing martial arts.

At 04:00 pm, he went to the Star Film company to sign some documents. The corner of his lips twitched when he saw mountains of paperwork on his desk.

\*Sigh...

Xiao Tian sighed before sitting on his office chair.

'It seems like I will be working overtime today.'

Xiao Tian wasted no time and began to work.

Time went by quickly, and without realizing it, it was already 07:00 pm.

'I finally finished my work.'

He stretched out his arms.

Xiao Tian was pleased because he could finish his work.

When Xiao Tian walked past his subordinate's desk, he saw Su Ruanyi working alone at her desk.

'Professor Su?'

Xiao Tian was startled.

Working hours were over two hours ago, so he thought there was no one else but him in the company. He just did not expect to see Su Ruanyi still working at her desk.

Without waiting for another second, he walked towards her. "Professor Su, why are you still working?"

Like Xiao Tian, Su Ruanyi was also startled when she found out that there was still someone other than the security guards in the company. "You still haven't gone home?!"

After Xiao Tian was next to her, he immediately replied, "Why are you still working? Working hours are over, you know?"

"I know, but I'm also almost done with my work." of course, Su Ruanyi knew that working hours were over.

Xiao Tian then grabbed a chair before placing it next to her and sitting on it.

Su Ruanyi was startled. When she realized that they were alone in the company, she suddenly remembered something.

She remembered the time when they had sex in her dream!

When she met him yesterday morning, Su Ruanyi suddenly remembered her dream too.

Xiao Tian and her husband even thought she was sick yesterday because she often squirmed her legs.

Luckily, she managed to control herself yesterday. Now that they were alone in the company and he was sitting next to her, her body suddenly turned hot again.

'Student Xiao, please don't sit close to me.'

Even though Su Ruanyi wanted him to sit far away from her, she did not say anything because she feared her words would offend Xiao Tian later.

"So this is how to edit the movie, huh?" Xiao Tian subconsciously brought his face closer to hers.

Currently, his face was next to hers, and the distance between their faces was so close.

Su Ruanyi's mind went crazy, and she suddenly could not focus on her work.

'Student Xiao, please don't sit so close to me.'

When she smelled his body fragrance, Su Ruanyi unconsciously squirmed her legs.

Xiao Tian did not know about this because he was focused on the computer screen. "You are amazing, professor Su!"

The memory of what happened in her dream suddenly appeared in her mind after hearing his words.

"You are amazing, professor Su." Xiao Tian stated.

Xiao Tian said these words after they had wild sex in the bathroom, or more precisely when they were soaking in the tub.

At that moment, she was sitting between his legs with her back facing him.

"You are also amazing, student Xiao.." Su Ruanyi said unconsciously.
