Chapter 1051 - Going To Sky University

"You are also amazing, student Xiao." Su Ruanyi said unconsciously.

Xiao Tian instantly turned his head to look at her.

'Why did she suddenly say I'm amazing?'

He was sure that he had not done anything since he sat on the chair.

All he did was sit on a chair, look at her work, and praise her. He tried to find the reason why she suddenly praised him like that, but he could not find the answer.

When Su Ruanyi saw Xiao Tian's expression, she realized what she had just said.

'I slipped my tongue!'

Su Ruanyi was sure that Xiao Tian wanted to know the reason why she suddenly praised him like that.

Luckily, she found a great excuse. "I mean, you are amazing for writing such a good story like this."

Su Ruanyi knew that Xiao Tian was the scriptwriter because everyone already knew about it.

Xiao Tian did not say a word and only stared at her.

'She is lying to me!'

He was sure that Su Ruanyi was lying to him.

He then turned his chair. Even though his chair was still next to hers, he could now see her beautiful face because they faced each other.

"Professor Su, be honest with me. Why did you suddenly praise me?" Xiao Tian asked curiously.

"Didn't I already tell you the answer? I praised you because you wrote such an amazing story." Su Ruanyi gave the same answer.

Of course, Xiao Tian did not believe it. "Why do I feel like you are lying to me?"

Actually, Su Ruanyi had guessed that he would say something like that. Even though she was a little panicked, she tried her best to behave normally.

"I'm not lying to you. I'm telling the truth." Because she was afraid that he would ask more questions, she changed the topic. "Student Xiao, I have finished my work now. How about we have dinner together?"

"Sure." of course, he knew that she tried to change the topic.

'Well, at least I will have dinner with her now.'

He decided not to ask more questions.

After taking her bag, Su Ruanyi rose to her feet. "Let's go."

She was relieved when Xiao Tian did not ask more questions.

At first, Xiao Tian wanted to bring her to a famous restaurant like Bamboo Restaurant or Autumn Restaurant, but Su Ruanyi refused.

She said she was starving, so she wanted to eat immediately. For this reason, Su Ruanyi dragged him to a small restaurant near the company.

At the restaurant, Su Ruanyi also behaved a little weirdly, but she never said anything when Xiao Tian asked the reason why she acted like that.

At that time, they became a little closer than before. They talked, joked, and laughed together. When their status was still a student and a professor, they never chatted like that.

After talking for about forty minutes, they returned to the company, or more precisely, they headed to the parking lot to take their cars.

Su Ruanyi was startled when she saw Xiao Tian's new car. She knew that his car was BMW, but at that time, he brought his Lamborghini car.

She then asked many questions. She was surprised when she knew the reason why Xiao Tian suddenly bought a Lamborghini car.

"So you decided to buy a Lamborghini after seeing the reviews on Youtube?" Su Ruanyi inquired.

"Yes." Xiao Tian gave an honest answer.

"My former student is amazing!" Su Ruanyi replied, "As your former professor, I'm proud of you."

"I'm just lucky!" as usual, Xiao Tian said he was only lucky.

"You keep saying you are lucky. Don't tell me. You are the son of the goddess of luck?" Su Ruanyi said jokingly.

"Maybe." Xiao Tian chuckled after saying that.

Then they went home.

After arriving home, Xiao Tian had sex with Liu Ning, Lin Xing Xue, and Ye Qingyu. They had sex for about two hours before finally, they fell asleep.

The following morning, Xiao Tian took a medicine bath and practiced martial arts before going to Star Clothes company.

After working for about two hours, Xiao Tian called Su Ruanyi because he wanted to discuss something with her. He asked if she was at Star Film company or Sky University.

Su Ruanyi said she was at Sky University, but she would go to Star Film company soon.

When Xiao Tian knew that Su Ruanyi did not use her car or motorbike, he said he would pick her up.

Su Ruanyi refused because he was her boss. It was not good if the boss picked up his subordinates. That was why she refused immediately.

Xiao Tian then said he also missed Sky University, so he did not mind picking her up.

Because Xiao Tian insisted on picking her up, Su Ruanyi finally agreed. She was afraid that she would offend him if she kept refusing him.

Xiao Tian wasted no time and immediately traveled to Sky University.

Sky University, Parking Lot Area.

*Vroommm....

The sound of the Lamborghini car echoed in the parking lot area.

One by one, all students who were in the parking lot area turned their heads towards the source of the sound.

"Whoa! It's Lamborghini!"

"What a beautiful car!"

"Whose car is that?"

"I don't know."

"That car is so beautiful!"

"If I had a car like that, I would not be single right now."

"I have never seen that Lamborghini car before."

"Me too."

"I wonder who is the owner of that Lamborghini?"

"I hope I can buy Lamborghini in the future."

Every student who was in the parking lot area began to talk about Xiao Tian's Lamborghini.

Because they had never seen that Lamborghini before, they had no idea who was the owner of that luxurious car.

For this reason, they kept paying attention to that Lamborghini.

After Xiao Tian parked his Lamborghini, he immediately got out of his car.

'I really miss this university.'

He suddenly remembered the time when he was still a student at Sky University.

Everything was the same as when he was still a student at Sky University.

All the students, who were in the parking lot area, were startled when they saw the person who had just got out of the Lamborghini Aventador.

"Isn't he the Bookwork Prince?"

"Yes. It's Prince Xiao."

"Whoa! It's prince Xiao, my idol!"

"He has a Lamborghini?!"

"Let's go and talk to him."

"Yes. Let's talk to him. Maybe he will take us somewhere with his Lamborghini later."

All the female students immediately walked towards Xiao Tian.

At this moment, all the male students could only stare at them. When Xiao Tian was still a student at Sky University, he was one of the most popular students.

He even got the title of Prince Xiao. Now that he was no longer a student at Sky University, his popularity did not decrease in the slightest; instead, he became more popular than before.

Not only had Xiao Tian become more popular, but he had also even become much richer than before. It was as if he was loved by the Gods and Goddesses.

'How can someone have so much luck like him? Is he a god's son?'

These were the questions that appeared in the male students' minds.

Chapter 1053 - I'm So Handsome And Cool

7-8 minutes

Xiao Tian looked at the female student, who was hugging his right arm, before replying, "You should not say something like that. You are pretty and have a nice body, so you should value yourself more. Don't say something like this anymore in the future. Do you understand?"

Yes. The woman, who was hugging Xiao Tian's right arm, was pretty and had a nice body.

Even though she was not as beautiful as Su Ruanyi, he was sure that she was quite popular at Sky University.

Xiao Tian even believed that she could get a lover effortlessly. If Su Ruanyi's score was ten out of ten then, then the score of that female student was seven out of ten.

Actually, Xiao Tian wanted to take her as his sex friend, but her personality was not good. He was afraid that her character would ruin what he had built all this time later.

Humans were born greedy, including Xiao Tian. The richer they were, the higher their standards were.

He was a young, handsome and successful young man, so he did not take just anyone as his harem.

That female student felt a glimmer of happiness when Xiao Tian praised her beauty. "Un. I understand. I will only say it to you from now on."

Su Ruanyi only stared at Xiao Tian without saying a single word. At this moment, she finally knew the reason why Xiao Tian was very popular at Sky University.

'Not only is he attractive, he also knows what to say to a woman.'

Su Ruanyi suddenly wanted to know who taught him to be a playboy like that because he only had a few friends and never met his father.

Xiao Tian then shifted his gaze from the female student to Su Ruanyi. "Professor Su, let's go."

"Un." Su Ruanyi nodded her head.

After that, Xiao Tian and Su Ruanyi traveled to the Star Film company. Before they left, the female students threw many questions at him.

They asked him many things, including inviting him to their houses to have fun with them.

Because Xiao Tian could not refuse, he gave an empty promise. He said he would eat with them in the future.

On the way to the company, Su Ruanyi suddenly spoke, "Student Xiao, I thought you would take one of them as your secret lover or sex friend earlier. They even said they would let you do whatever you wanted with their bodies."

"I would have taken them as my secret lover or sex friend if they were as beautiful as you, professor Su." Because she said something like that, Xiao Tian decided to tease her.

Of course, Xiao Tian still remembered that she was Da Shan's wife, but he did not care about it and decided to tease her.

"Hehe." Su Ruanyi covered her mouth and giggled. "What is this? Are you hitting on me?"

"You can think of it that way." Xiao Tian replied instantly, "You are so beautiful, so I think it's normal for me to flirt with you. I'm just trying my luck here. Hehe."

"Student Xiao, did you forget that I am a married old woman?" Even though she did not show it on her pretty face, Su Ruanyi was a little happy.

'It feels good to be praised by a young, attractive and successful person.'

She added in her mind.

"But in my eyes, you still look like a woman in your early twenties, so I often forget that you are already married." Xiao Tian was sure any man would agree with his words because Su Ruanyi still looked young and beautiful.

This was the main reason why she was the most popular professor at Sky University. Not only was she clever, but she had a pretty face and a perfect body.

Su Ruanyi could not hide her happiness anymore, and for this reason, a beautiful smile appeared on her pretty face. "No wonder you are popular. It's because you also have honey-tongued."

"So how is it, professor Su? Do you agree to be my secret lover?" Xiao Tian was only joking around when he asked this question.

He dared to do this because they were not in a serious conversation.

"I will think about it." Su Ruanyi replied unconsciously.

Xiao Tian was surprised by her words. Of course, he did not show it on his face.

'I did not expect her to say something like that.'

He suddenly wanted to know whether she was serious or not.

At this moment, Su Ruanyi realized what she had just said.

'Doesn't this seem like I'm giving him the chance to be my secret lover?'

Actually, she did not think twice before replying to Xiao Tian's questions earlier.

On the way to the company, Xiao Tian continued teasing Su Ruanyi, and she kept changing the topic of conversation.

After arriving at his company, they discussed business for thirty minutes before finally Xiao Tian traveled to the Blue Ice Lotus gang headquarters.

"Leader.."

"Leader.."

"Leader.."

"Leader.."

One by one, Xiao Tian's underlings greeted him.

Currently, his underlings were taking a break before practicing martial arts again. His underlings immediately talked about their misery in the medicinal bath to him.

Xiao Tian chuckled when he heard their stories. He found it funny when his underlings described their misery while taking a medicine bath.

When it was time to practice martial arts again, Xiao Tian joined them. This made his underlings happy because he rarely practiced martial arts with them.

They practiced martial arts for about two hours before taking another break.

'My clothes are wet.'

Because Xiao Tian felt uncomfortable, he immediately took off his T-shirt, revealing his perfect upper body.

"Whoa! Leader has a perfect body!" One of the Blue Ice Lotus gang members uttered.

The other members instantly turned their heads towards Xiao Tian.

"Un, un. Leader really has an amazing body!" They nodded their heads at the same time.

"Whoa! Look at his abs! It's so perfect." After saying that, she rose to her feet and walked towards Xiao Tian.

Xiao Tian, who saw her, inquired, "Do you have something you want to say to me?"

He still had no idea why his underling suddenly walked towards him. At that time, he thought she had something she wanted to say to him.

"Leader, you really have an amazing body!" After she was right in front of Xiao Tian, she checked his body carefully. "These abs are so sexy!"

The corner of Xiao Tian's lips twitched after seeing what his underling was doing. He did not expect that she would check his body like that.

Some of the Blue Ice Lotus gang members also walked towards Xiao Tian because they also wanted to see it up close.

Mu Huo and Ren Aoxu chuckled when they saw what the Blue Ice Lotus gang members were doing to Xiao Tian.

This was the first time Xiao Tian was half-naked in front of his underlings. That was why his underling behaved like that.

'What's wrong with them? They behave as if they never see a man before.'

When Xiao Tian remembered how handsome and cool he was, he finally knew the reason.

'Well, it can't be helped because I'm so handsome and cool!'

He did not forget to praise himself as usual.

As Xiao Tian was praising himself, one of his underlings did something unexpected.

Chapter 1054 - Taking A Picture With Xiao Tian

7-8 minutes

In the front yard of the Blue Ice Lotus gang headquarters, a handsome young man who had an amazing body was surrounded by many women.

Even though he was half-naked, he did not feel shy; instead, he let all the women continue to stare at his body.

These people were none other than Xiao Tian and his underlings.

As usual, Xiao Tian praised himself when his underlings looked at his perfect body like they were looking at the coolest and most handsome man in the world.

But something unexpected happened when he was praising himself.

One of his female underlings suddenly took a picture of him!

Xiao Tian was startled.

Previously, he thought they would only look at his body, but he was wrong. "Did you just take a picture of me?"

"Leader, you are so handsome and cool, so I suddenly want to take a photo of you." his underling gave an honest answer. "Whoa! You also look so cool in this picture."

"Let me see."

"Let me see too."

The other members of the Blue Ice Lotus gang suddenly looked at Xiao Tian's photo.

"Leader, you really look so cool and handsome in this picture," his underlings agreed that Xiao Tian looked so handsome and cool in the photo.

"Delete the picture now." Xiao Tian gave an order to his underling, who had just taken a photo of him.

"Eh! Why?" of course, she did not want to delete it. "You look so cool and handsome in this picture, so it's a pity to delete it."

"What if the public sees it? It could ruin my good reputation, you know?" Xiao Tian told her the reason why he ordered her to delete the picture.

"You are wrong there, leader." She replied, "There were many famous people who posted their half-naked pictures on the internet and it made them more famous. And don't worry. I won't post this photo on the internet later."

What she said was right, so Xiao Tian had no idea what to say to her.

One of his underlings suddenly said something shocking again, "Leader, can you take a photo with me?"

Xiao Tian turned his head towards his underling, who suddenly asked to take a picture with him.

But before he could say something to her, she suddenly stood on his right side and was ready to take a picture.

*Crrikk....

The sound of the camera could be heard in his ears.

She wasted no time and immediately took a picture of them. "Hehe. Good. I have taken a picture with leader."

The other members immediately did the same things. They were scrambling to take a picture with Xiao Tian.

Like before, the corner of Xiao Tian's lips twitched.

'Damn! They did whatever they wanted. Have I been too good to them all this time?'

Of course, Xiao Tian was not angry at his underlings.

Mu Huo and Ren Aoxu chuckled again.

"Boss, it seems like you are their number one idol now." Mu Huo stated.

"Senior brother, you are amazing!" Ren Aoxu spoke as he gave a thumb up.

"Alright, alright. Stop now!" Xiao Tian stopped them. "Break time is over. Continue practicing martial arts again."

His underlings, who had taken a picture with Xiao Tian, had a happy smile on their faces while the others could only sigh.

"Well, we are his underlings, so we can take a picture with him in the future."

"Yes. You are right."

"I'm sure we can take a picture with him in the future."

His underlings, who failed to take a photo with Xiao Tian, were determined to take a picture with him in the future.

After taking a shower, Xiao Tian traveled to Crystal's apartment to check her condition. But she was not in her apartment.

For this reason, Xiao Tian invited Long Jingxian to have lunch with him. As they were eating at Bamboo Restaurant, she told him that she had made many medicines, potions, and poisons.

Xiao Tian was pleased and kissed her cheeks. After eating lunch, he sent her to her workplace.

Because Xiao Tian suddenly wanted to chat with Lan Ruoxi, he immediately traveled to the Red Flower bar.

To his surprise, he saw Zhao Sheng at the Red Flower bar. They then talked for about two hours before finally, Xiao Tian headed to Star Clothes company to work.

Like what she did last time, Shi Fei immediately entered his office and locked the door when she knew that Xiao Tian was in his office.

"It seems like my Star Clothes company is growing rapidly again." Xiao Tian spoke as he read the documents in his hands.

Currently, he was sitting on the couch, half-naked. Yes. He was half-naked because Shi Fei immediately took off his trousers after entering his office.

Shi Fei, who was between his legs and sucking his penis, looked at him.

'It seems like little brother is happy with the result of my work.'

She kept sucking and licking his penis like there was no tomorrow.

Xiao Tian then shifted his gaze from the documents to Shi Fei's face.

'I love this sight!'

In his previous life, he often did something like that.

He often made women lick and suck his penis when he was playing a game, watching TV, or helping his father.

When Shi Fei noticed that Xiao Tian was looking at her, she moved her head faster. Of course, she did not forget to play with his testicles too.

Xiao Tian then touched Shi Fei's left cheek and spoke, "Fei, I want a deep-throating."

Shi Fei wasted no time and immediately slid Xiao Tian's penis deeper into her throat. It was not the first time she did it, so Shi Fei knew what she had to do.

She did not gag when she could not thrust his penis anymore. She only looked at him before finally smiling.

Like before, Xiao Tian read the documents while enjoying Shi Fei's blowjob. Without realizing it, it had been ten minutes since Shi Fei licked and sucked his penis.

At this moment, Xiao Tian suddenly wanted to fuck her lewd pussy. "Fei, turn around and show me your vagina. I want to fuck your lewd vagina now."

Shi Fei's eyes shone happily. The reason why she suddenly entered his office and gave him a blowjob was that she desired to have sex with him.

Without waiting for another second, Shi Fei took off her clothes. She immediately put her hands onto the table and stuck out her ass at Xiao Tian.

When Xiao Tian saw her wet vagina, he immediately spoke, "What a lewd pussy!"

Xiao Tian knew that she desired to have sex with him immediately because he also felt the same.

Because of this, Xiao Tian rose to his feet and placed the tip of his cock at her vaginal opening.

When Shi Fei felt Xiao Tian's penis at her vaginal opening, she opened her mouth slightly.

'Ah... Little brother is about to thrust his huge penis into my lewd vagina again. I'm so happy right now.'

As usual, Shi Fei cried out in delight when Xiao Tian slid his penis into her lewd vagina.

They had sex for about one and a half hours before finally, they stopped. Since Shi Fei still had work to do, she immediately returned to her office.

At 04:00 pm, Xiao Tian headed to the Star Film company. Because he had a lot of work, he worked overtime again.

He decided to go home when it was already 08:00 pm.. To his surprise, he saw something on his way ho

Chapter 1055 - Saving Su Ruanyi Again

7-8 minutes

'It's already 08:00 pm.'

Xiao Tian rose to his feet and headed to the parking lot area.

However, he saw something unexpected on his way home.

He saw Su Ruanyi drunk!

But what annoyed him most was that his employees tried to take advantage of the situation.

'Damn it!'

All his fingers dug into his palm, and his eyes were burning with rage as he stared at his subordinates.

Currently, his employees were helping Su Ruanyi walk. However, Xiao Tian knew that they had bad intentions because it was written on their faces.

From their behavior and how they looked at Su Ruanyi, Xiao Tian was sure that they wanted to bring her to a love hotel and have fun with her body there.

Xiao Tian instantly stopped his Lamborghini car in front of them and got out of the vehicle. Su Ruanyi was his former professor, so he would not let anyone take advantage of her.

"Professor Su." Xiao Tian said as he walked towards Su Ruanyi.

Even though Su Ruanyi was drunk, she still recognized Xiao Tian's voice. "Mmm? Student Xiao?"

"Boss..." Xiao Tian's employees were startled when they saw Xiao Tian.

At this moment, they were unhappy, but they did not show it on their faces.

"Student Xiao, do you want to join us too? We are going to drink again now, but we will drink in a different place." Because Su Ruanyi was drunk, she did not know about her co-workers' plan.

Previously, her co-workers invited her to drink in a more comfortable and better place, but they did not tell her that place was a love hotel.

Of course, Su Ruanyi believed it. She was drunk, so she could not think straight. She thought they would bring her to a better place later.

Xiao Tian's eyes gleamed with terrifying sharpness as he stared at his subordinates. Xiao Tian was familiar with a trick like this, so he knew what they had in mind.

His two subordinates panicked when they saw Xiao Tian's expression.

"Boss, we don't have bad intentions." the yellow-haired man spoke, "We really want to bring her to a tavern, not love hotel."

"That's right, boss." the green-haired man added, "We really don't have bad intentions to her."

Xiao Tian immediately snatched Su Ruanyi from them. "You two are fired! You don't need to go to my company anymore from today onwards."

These two people were unimportant employees, so Xiao Tian decided to fire them. Su Ruanyi treated him well and was also his former professor, so he could not forgive them.

"Boss, please don't fire us. We won't do this again in the future." They immediately begged Xiao Tian not to fire them.

However, Xiao Tian ignored them and brought Su Ruanyi to his car. He did not want to waste his time on unimportant side characters like them.

*Vroommm...

Xiao Tian started the car engine and went to Su Ruanyi's house.

These two employees dropped to their knees. Not only did they fail to fuck Su Ruanyi, but they also lost their jobs.

'I'm fucked up!'

These were the words that appeared in their minds.

On the way to her house, Su Ruanyi inquired, "Student Xiao, where are we going? Why didn't these two employees come with us?"

"I'm driving you home." Xiao Tian gave an honest answer.

"Driving me home? Aren't we going to drink in another place?" Because Su Ruanyi was still drunk, she did not hear Xiao Tian's conversation with his subordinates.

At first, Xiao Tian wanted to tell her about her co-workers' plan, but he changed his mind, "Professor Su, you are already drunk. You should not drink anymore."

"But I still want to drink." Su Ruanyi believed that she could still drink.

Xiao Tian did not answer and only sighed. Not long after that, they arrived at her house. Xiao Tian knew that Da Shan was on a business trip, so they decided to bring her to her room.

"Professor Su, we have arrived at your ho-" Xiao Tian stopped his words halfway when he saw Su Ruanyi sleeping.

Without waiting for another second, he got out of the car and walked towards the passenger seat.

He immediately helped Su Ruanyi walk, and when they were in front of the door, Xiao Tian inquired, "Professor Su, where is your house key?"

However, Su Ruanyi did not answer. She was too drunk to answer his question.

*Sigh...

Xiao Tian sighed again.

He then checked her pockets, and he immediately opened the door after finding the key.

Xiao Tian then brought her to her room and put her on the bed. "Sigh. You are too reckless, professor Su."

If Xiao Tian had not seen her earlier, he was sure her two co-workers would have enjoyed her perfect body by now.

'I will leave now.'

With that idea in mind, Xiao Tian went home.

After arriving home, Xiao Tian played with Mu Ai and Feng Yu. He did not have sex with any of his women that night because he slept with Mu Ai in her room.

The following morning, Xiao Tian soaked in Duzu potion before heading to the backyard to practice martial arts.

Su Ruanyi's House, Her Bedroom.

At this moment, Su Ruanyi was already awake.

"My head hurts!" she got out of the bed and headed to the dining room to drink water.

'So it was student Xiao who drove me home last night, huh?'

She finally remembered what had happened to her last night.

'I will take a bath now.'

With that idea in mind, she headed to the bathroom.

However, Su Ruanyi did something unexpected when she was soaking in the tub.

She masturbated again!

And like what she did last time, she thought of Xiao Tian when she was masturbating.

She had no idea as to why Xiao Tian always appeared in her mind whenever she was masturbating.

Because it was not the first time she thought of Xiao Tian when she was pleasuring herself, Su Ruanyi continued masturbating.

After practicing martial arts and taking a shower, Xiao Tian traveled to Crystal's apartment, but she was not in her apartment.

'Where is she?'

He called her three times, but she did not pick up the phone.

'Well, forget it. I will go to work now.'

With that idea in mind, Xiao Tian went to Eternal Beauty company to work.

At 10:00 am, Xiao Tian traveled to Star Clothes company. But when he was about to work, he suddenly remembered that he still had not made the soundtrack for his film.

'I will make the lyric first.'

Even though he still remembered the lyric for that movie, Xiao Tian decided to make his own version.

It took Xiao Tian forty minutes to finish it.

'Good! This lyric is as amazing as the lyric of Illusion song!'

He nodded his head in satisfaction after he read the lyrics he had just composed.

*Click...

Shi Fei suddenly entered his office.

"Little brother, what are you doing?" Shi Fei inquired.

"I just finished making a lyric for my movie." Xiao Tian gave an honest answer.

"Lyric?" Shi Fei immediately read the lyric. "Amazing! As expected of my lover, you are so amazing!"

"This song will be famous later." Xiao Tian was sure that his song would be famous later.

"I think so too." Shi Fei uttered, "Little brother, how about we have sex now?"

Chapter 1056 - Xiao Tian And Su Ruanyi Are Drunk

8-9 minutes

"Little brother, how about we have sex now?" Shi Fei revealed her true intention of coming to Xiao Tian's office.

Xiao Tian pinched her nose before smiling, "What a pervert lady!"

Actually, Xiao Tian had guessed that Shi Fei would ask for sex because lately, she always did it every time she entered his office.

"That's right. I'm indeed a pervert lady!" Shi Fei admitted it as if being a pervert was something to be proud of. "But isn't my handsome lover a pervert too?"

"You are damn right." Like Shi Fei, Xiao Tian did not deny it because he was sure all of his women knew that he was a pervert, so there was no point in denying that.

"We are really destined to be lovers in this life because both of us are perverts. Hehe." After saying that, Shi Fei began to take off Xiao Tian's trousers before finally sucking and licking his penis.

Currently, Shi Fei was under the table. It was as if they were doing adult things in secret. After giving a blowjob for several minutes, they did sixty-nine positions on the couch.

They pleased each other for about five minutes before finally, they had sex. This time, they only had quick sex because they had a lot of work.

After having sex with Shi Fei, Xiao Tian traveled to the Star Film company to work. He worked for about three hours before finally going to the shooting location.

In the shooting location, he talked with Xi Ran for about ten minutes before finally leaving. Like yesterday, he saw Su Ruanyi on his way home.

When he learned that she did not bring her car or motorbike, Xiao Tian decided to send her home.

They talked about many things on the way to her house. She also thanked him for sending her home yesterday.

Not long after that, they arrived at her home. But Su Ruanyi suddenly said something shocking when he was about to go home.

She invited him to drink!

There was a new small tavern near her house. It opened yesterday, so she was eager to give it a try.

However, she did not want to go to the tavern alone because it would be embarrassing to drink in that place alone.

She could not go with her husband because he was currently on a business trip.

At first, Xiao Tian wanted to refuse, but he changed his mind. "All right."

"Let's just walk because that place is not far from my home." Su Ruanyi wanted them to walk because the distance between her home and that tavern was only two hundred meters.

After arriving at the tavern, Xiao Tian and Su Ruanyi ordered a few drinks.

"Student Xiao, why didn't you do anything to me yesterday? Why did you leave immediately after sending me home?" at this moment, Su Ruanyi was already drunk.

Unlike Su Ruanyi, who was completely wasted, Xiao Tian was only a little drunk, "Why are you asking these questions? Did you expect me to do something to you yesterday?"

"I just wanted to know the reason why you did not do anything to me." If it were another man, Su Ruanyi was sure they would have taken advantage of the situation.

That was why she wanted to know why Xiao Tian immediately left after sending her home. It was as if she was not attractive in his eyes.

"It seemed like you wanted me to do something to you yesterday." Xiao Tian replied, "Maybe I should take advantage of the situation later because you are also drunk now."

"Yes. Maybe you should do that later. Hehe." Su Ruanyi giggled after saying it as if she wanted Xiao Tian to take advantage of her later.

When Xiao Tian noticed that Su Ruanyi was completely wasted, Xiao Tian spoke, "Professor Su, you should stop drinking now. You are already drunk."

"But I still want to drink." After saying that, Su Ruanyi drank her beer again. "This place is not bad. I like it."

Because Xiao Tian thought that Su Ruanyi should not drink anymore, he stopped her. Of course, she still tried to drink again.

After great efforts, Xiao Tian finally managed to bring her home.

Even though the distance between the tavern and her house was only two hundred meters, it took them several minutes to reach her home because both of them were drunk.

After entering and closing the door, Xiao Tian took her to her room. But something unexpected happened after he put her on the bed.

Su Ruanyi suddenly pulled Xiao Tian towards her, causing him to fall onto her body!

Not only did she pull Xiao Tian towards her, but she also grabbed his shirt when he was about to stand up.

"Student Xiao, do you think I'm attractive?" Su Ruanyi inquired.

Xiao Tian was a playboy. Coupled with him being drunk made him even more naughty. "You are very attractive, to the point that I want to make you mine."

"Then you should try to make me yours." Su Ruanyi realized what she had just said, but she did not care about it because she was wasted.

Xiao Tian lifted his bang before speaking, "Then, don't blame me for what I will do to you later."

"I won't blame you." after saying that, Su Ruanyi wrapped her long slender arms around his back.

Su Ruanyi did nothing when Xiao Tian suddenly kissed her lips. Not only that, she even opened her mouth when Xiao Tian tried to put his tongue into her mouth.

Of course, both of them knew what they were doing was wrong, but none of them showed the slightest care about it.

They were drunk and desired pleasure, so they did not stop what they were doing.

They had a passionate kiss for several seconds before finally, Su Ruanyi broke the kiss. "Student Xiao, you are as skilled as you in my dream."

"In your dream? Have you ever dreamed about me before?" Xiao Tian was startled, but he did not show it on his face.

"Yes." Su Ruanyi gave an honest answer. "In my dream, we had sex in the bathroom and you managed to make me have massive orgasm thrice in row. You were so amazing in my dream."

Anyone who was drunk could not think straight, including Su Ruanyi. That was why she told him the truth without thinking twice or feeling shy.

Her words had taken him by surprise. "I did not expect that we had sex in your dream."

"I also did not expect that." Su Ruanyi even though it was not a dream before. "Maybe it was because I thought of you when I masturbated in the bathroom before."

If she were not drunk, she would not tell him about this, but she was drunk, so she kept telling the truth.

"I did not know you were a pervert lady, professor Su." Su Ruanyi was like a good lady, so he didn't expect her to masturbate in the bathroom.

But what surprised him most was that she did not imagine her husband when she was masturbating; instead, she thought of him, her former student.

"It's because of my stupid husband!" Su Ruanyi blamed her husband for her actions. "Not only does he have a small dick, he also has orgasm so quick. But what irritates me most is that he always sleeps after having an orgasm. He never cares about how I feel or whether I'm satisfied or not. It makes me angry every time I remember it."

Su Ruanyi then continued, "Because of that stupid husband of mine, I have to keep pleasuring myself for several years. Do you know how miserable my life is, student Xiao?"

Xiao Tian kissed her forehead before answering, "Don't worry, professor Su. From today onwards, I will satisfy your body. I will make you have a massive orgasm like I did in your dream."

"That's what I want." Su Ruanyi replied, "I really want you to make me have a massive orgasm."

Like what they did before, they immediately had a passionate kiss.

As they were having a deep kiss, Su Ruanyi locked her legs around Xiao Tian's butt.

'His cock is already erect!'

Because she wanted to feel his erect penis more, Su Ruanyi pressed his body against hers.

'This makes me hornier!'

When Su Ruanyi felt Xiao Tian's penis pressing against her vagina, she almost broke the kiss.

At this moment, Xiao Tian suddenly got an exciting idea.

'I will do that and make her hornier.'

Chapter 1057 - Eating Something Delicious

7-8 minutes

As Xiao Tian and Su Ruanyi were having a deep kiss, he suddenly did something unexpected.

He moved his waist back and forth continuously!

Because his penis was pressing against her vagina, Xiao Tian decided to do that.

Yes. He wanted to tease her with his erect penis!

Sure, they were still wearing clothes, but it still gave them pleasure.

Su Ruanyi widened her eyes for a second, but she did not try to stop him.

'Ah...Student Xiao is rubbing his erect penis against my vagina. It feels good!'

Her face turned red when the flames of lust slowly consumed her body.

Su Ruanyi loosened up her legs before finally spreading them into an 'M' shape. She did this because she wanted to make it easier for him to rub her pussy with his huge erect cock.

Because both of them were horny and still having a passionate kiss, it did not take long before their trousers were wet from their love juices.

After breaking the kiss, Su Ruanyi spoke, "Student Xiao, I want to suck and lick your cock. I only did it in my dream, so I want to know the real taste of your penis."

Because she was drunk, Su Ruanyi said what she wanted without feeling shy or thinking twice.

"All right." Xiao Tian agreed instantly because he wanted to know what it was like to get a blowjob from that most beautiful and famous professor at Sky University.

When Xiao Tian was taking off his clothes, Su Ruanyi also removed her outfit. She did this because she knew that they would have sex later.

After removing his clothes, Xiao Tian lay on his back. At first, he wanted to sit on the edge of the bed, but he decided against it.

After throwing her clothes to the floor, Su Ruanyi wasted no time and immediately sat between Xiao Tian's legs.

'It's beautiful!'

Xiao Tian's penis looked so beautiful in her eyes, especially the pink glans.

"Student Xiao, your cock is as amazing as in my dream!" after saying that, Su Ruanyi grabbed Xiao Tian's penis with her right hand before licking the tip of his cock.

Su Ruanyi kept commenting on what she was doing as if she wanted to keep comparing Xiao Tian's penis in her dream to real life.

Xiao Tian did not say anything and only stared at her. He really loved it when he could see a gorgeous lady sucking and licking his cock.

When Su Ruanyi noticed that Xiao Tian was looking at her, she pulled his cock out of her little mouth and smiled cutely. "Your cock is as delicious as in my dream. The size, thickness, and taste of your penis are exactly the same as in my dream."

Because she wanted to keep tasting Xiao Tian's cock, she sucked and licked his penis again.

*Slurp...Slurp...Slurp...

The sound of her sucking his cock echoed in the bedroom.

Because Xiao Tian wanted to taste her pussy, he immediately spoke, "Professor Su, let me lick your vagina."

Su Ruanyi instantly stopped what she was doing, "All right."

She was not surprised by his words and immediately placed her vagina above his face because she had guessed that he would ask to lick and suck her pussy.

Currently, they were in sixty-nine sex positions.

Xiao Tian, who was looking at Su Ruanyi's beautiful vagina, immediately spread her pussy with his thumbs. "So this is the pussy of the most gorgeous and popular professor at Sky University, huh?"

Su Ruanyi stopped sucking his penis and inquired, "How is it? Is the vagina of the most popular professor beautiful?"

"It's so beautiful!" Xiao Tian stated the truth.

Because both of them were drunk and horny, they behaved like perverts. After pleasuring each other for several minutes, they could no longer hold back their lust, especially Su Ruanyi.

For this reason, Su Ruanyi immediately lay on her back before spreading her legs into an 'M' shape. "Student Xiao, thrust your erect penis into my pussy now. I want to have sex with you immediately. I can't hold back myself anymore."

As a good young man, he should listen to his former professor's words. That was why Xiao Tian wasted no time and immediately sat between her legs.

Su Ruanyi's body quivered continuously when Xiao Tian rubbed his cock against her wet pussy.

'He is teasing me. My former student is teasing me. Ah... What a bad student!'

Previously, she thought Xiao Tian would immediately thrust his penis into her wet vagina, but she was wrong.

Because Xiao Tian kept teasing her, she immediately said, "Student Xiao, can you put it in now? I really want to taste your cock using my vagina. I really can't hold back myself anymore."

At first, Xiao Tian wanted to tease her a little longer, but he changed his mind when he saw her fascinating expression and wet vagina.

Xiao Tian immediately stopped teasing her. "I will put it in now, professor Su."

"Student Xiao, I want to embrace you." Su Ruanyi spoke as she stretched out her arms.

Xiao Tian granted her wish. He immediately bent over so that she could embrace him.

"Mmmm..." Su Ruanyi instantly wrapped her arms around his back when Xiao Tian's penis was slowly sliding into her wet pussy.

At first, her legs were still in an 'M' shape, but she immediately locked her legs around Xiao Tian's butt when his cock was completely in her pussy.

"Ah... This feeling is the same as in my dream." Su Ruanyi commented again, "Yes. It's exactly like in my dream. The size, thickness, and taste. This was what I felt when I had sex with you in my dream, student Xiao."

"Professor Su, you keep on commenting since earlier." Xiao Tian did not expect that she would continue to comment on everything.

"It's because I want to know the difference between your cock in my dream and real life." Su Ruanyi told him the reason why she kept commenting on everything.

"Then I will make you have massive orgasms continuously like in your dream." Xiao Tian was sure that he could make her have a massive orgasm later.

The reason was simple. First, her husband never satisfied her in bed for several years, so he believed that her body was so horny because of this.

Second, she said his penis was much more amazing than her husband's dick.

And last, he had a lot of experience with women, so he was sure that he could make her have a massive orgasm later.

"I would love for that to happen." it was one of the reasons why she decided to have sex with him.

In her dream, he could satisfy her easily, so she hoped Xiao Tian would be able to do that in real life too.

Because Su Ruanyi knew it would be difficult for him to move his waist with her legs locked around his butt, she immediately spread her legs into an 'M' shape again.

She wanted to let him fuck her vagina wildly like what he did in her dream. Yes. She wanted him to make her think of nothing but sex and pleasure.

Because Su Ruanyi was spreading her legs widely, Xiao Tian began to move his waist, sliding his penis in and out of her wet vagina.

Chapter 1058 - It's Really Delicious

7-9 minutes

"Ah...Ah...Ah..." the medium-sized bedroom was filled with the cries of a gorgeous mature lady.

Currently, the mature lady was lying on her back while spreading her legs in an 'M' shape.

The reason why she kept letting out seductive moans was that an attractive young man was sliding his huge penis in and out of the mature lady's wet vagina continuously.

Sex!

Yes. The mature lady and the young man were currently having sex in a missionary position!

Anyone would be surprised if they saw them because the age difference between them was thirteen years.

However, what would have shocked them most was not their age difference but their status because the mature lady was having sex with her former student, not her husband.

Forbidden sex!

These were the right words to tell what they were doing.

Not only was she already married, but he was also her former student and her husband's boss.

Even though they were doing illicit things in the bedroom, none of them cared about it as if it was normal for them to have sex.

They were even having sex in her bedroom, the room where she always slept with her husband.

These two people were none other than Xiao Tian and her beautiful former professor, Su Ruanyi.

"Ah...Ah...Ah..." Su Ruanyi cried out in delight.

Because they were alone in her house, she did not hold back her wails and moaned as loudly as she wanted.

Currently, Su Ruanyi was no longer embraced Xiao Tian. She stopped the hug when Xiao Tian moved his waist fast.

Xiao Tian, who was grabbing Su Ruanyi's thighs and fucking her wet vagina continuously, stared at her pretty face.

Previously, he immediately straightened his back when Su Ruanyi stopped hugging him. Sure, he could still fuck her when she was embracing him, but he could not move his waist fast.

That was why he immediately returned to his previous position after she stopped hugging him.

"Ah..." Su Ruanyi kept wailing. "Student Xiao, you are as amazing as in my dream. Ah...Ah...Ah..."

Xiao Tian was pleased because she kept saying he was as impressive as in her dream. Previously, Su Ruanyi told him how amazing he was in her dream. That was why he was thrilled.

Because Xiao Tian wanted to fuck her wet vagina from behind, he turned her body.

'What a great view!'

These were the first words that appeared in his mind after turning her slender body.

The sight of her cute ass hole and his penis sliding in and out of her vagina was so beautiful in his eyes.

'The pussy of the most popular and beautiful professor at Sky University is so great and tight! You are not disappointing me, professor Su.'

Xiao Tian was sure anyone would envy him to death if they saw what he was doing with Su Ruanyi in her bedroom because countless men wanted to bed her.

But in the end, he was the one who managed to taste her beautiful and tight vagina.

"Ah...Ah...Ah..." at first, Su Ruanyi wanted to lift her body, but her hands suddenly turned weak because Xiao Tian kept fucking her wet vagina fast and wild.

Because Su Ruanyi did not feel immense pleasure for several years, it didn't take long for her to reach her limit. "I'm cumming... I'm cumming... I'm cumming...."

*Spurt....

Like in her dream, Su Ruanyi had a massive orgasm.

Because she said she wanted him to make her think of nothing but sex, Xiao Tian did not let her rest and immediately fucked her wet vagina again.

Her body was still sensitive, and Xiao Tian's penis reached the deepest part of her vagina, so it did not take long before she had another massive orgasm.

"I'm cumming again... I'm cumming again." Su Ruanyi's body kept quivering.

Like what he did before, Xiao Tian did not give her time to rest and immediately fucked her vagina after she had a massive orgasm.

Her body yearned for pleasure for several years, so she had a massive orgasm again in a couple of minutes. "I'm cumming again... I'm cumming again.... My former student keeps making me have massive orgasm... I'm cumming...."

Even though she said something like that, Su Ruanyi was pleased because this was what she wanted since a few years ago.

Yes. She wanted someone to satisfy her horny body because this was what she could not get from her husband.

Not long after that, Xiao Tian finally reached his limit. "Professor Su, I'm cumming... I'm cumming...."

Xiao Tian did not pull his penis out of her vagina and let out his white sperm deep in her pussy.

Su Ruanyi's mind was filled with pleasure, so she said nothing when Xiao Tian let out his sperm deep in her pussy.

Because Xiao Tian still had a lot of stamina, he kept fucking Su Ruanyi's vagina. He really did not give her time to rest like what she said earlier.

They tried many sex positions. In total, they had sex in more than ten sex positions. Like before, Xiao Tian managed to make her have a massive orgasm again.

"I'm cumming... I'm cumming again." Su Ruanyi's pretty face had turned into a lewd expression.

She kept opening her little mouth, and her saliva continued dripping from the corners of her mouth.

However, she did not show the slightest care about it and kept moaning as loudly as she wanted.

At that time, she was glad that she chose to have sex with Xiao Tian. Otherwise, she would not feel immense pleasure like that.

Xiao Tian did not let out his sperm in her vagina continuously. He also shot it on her face, mouth, breasts, and stomach.

They were really bathed in lust at that time. They did many lewd things together and had orgasms many times as well.

Xiao Tian only stopped fucking Su Ruanyi's pussy when she fell unconscious. Yes. He fucked her until she fell unconscious.

"What a great day!" after saying that, Xiao Tian lay on his back. "I'm sure this will become the best sex in her life."

Because Xiao Tian managed to make her faint from having sex, he was sure it would be the best sex in her life.

There was even a possibility that she could not live without him anymore because she had experienced the greatest sex.

After cleaning his sperm from her body, Xiao Tian put Su Ruanyi on top of his body before finally wrapping his arms around her back.

Xiao Tian kissed her hair before speaking, "Good night, my beautiful professor."

That night, Xiao Tian decided to sleep at her house. Da Shan was on a business trip, so Xiao Tian did not need to worry about him.

Time went by quickly, and without realizing it, it was already 05:20 am. Su Ruanyi, who was sleeping on top of Xiao Tian's body, suddenly opened her eyes.

The expression of deep shock blossomed on her pretty face when she noticed that she was naked and in Xiao Tian's arms.

At that time, the memories of her having sex with Xiao Tian suddenly appeared in her mind.

'I...I had sex with student Xiao?!'

Su Ruanyi suddenly had complicated feelings.

Sure, she thought of Xiao Tian when she was masturbating in the bathroom, but she did not expect that she would really have sex with him.

'What should I do?'

Because she was no longer drunk, Su Ruanyi's behavior was different from last night.

At this moment, Xiao Tian suddenly woke up, "Good morning, my beautiful professor."

Chapter 1059 - Xiao Tian's Little Trick

7-8 minutes

Su Ruanyi was no longer drunk, so she immediately had complicated feelings when she found out that she had sex with her former student last night.

'What should I do?'

Not only did she cheat on her husband, but the person she had an affair with was none other than her former student, Xiao Tian.

Maybe her feelings would not be that complicated if the person she had an affair with was not Xiao Tian because he was also her husband's boss.

Sure, she once imagined having an affair with Xiao Tian but imagining it and doing it for real was completely different.

However, some part of her was pleased because Xiao Tian managed to make her have massive orgasms many times last night.

As Su Ruanyi was having complicated feelings, Xiao Tian suddenly woke up.

Xiao Tian, who did not know what she had in mind, immediately kissed her hair before smiling softly, "Good morning, professor Su."

Su Ruanyi immediately sat on the bed and spoke, "Student Xiao, I have something important to say to you."

Xiao Tian, who had guessed something like this would happen, sat up. "Do you want to talk about what we did last night?"

He still had a calm face because he believed that everything would be under his control later.

"Yes." Su Ruanyi gave an honest answer, "Student Xiao, what we did last night was wrong. We should not do that because I'm a married woman and you are my former student and also my husband's boss."

"Professor Su, you don't need to put a face like that. Don't worry. I won't tell anyone about this. This will be our little secret." Xiao Tian tried to calm her down first because everything would be out of his control if she did not calm down.

"That's not the problem. The problem is that we had sex last night." Even though Su Ruanyi had tried her best to calm her mind, but uneasy feelings kept consuming her body.

"Yes, we did have sex last night and we enjoyed it so much." Like before, Xiao Tian still behaved calmly.

"Yes. I really enjoyed it too. No, I mean, what should we do now? What if my husband knows about our affair later?" Su Ruanyi enjoyed having sex with Xiao Tian because he could satisfy her last night.

Because of how great it was to have sex with him, she even fell unconscious last night. Something like this had never happened in her life before.

Xiao Tian was the first person who could make her unconscious from having sex.

"Your husband is on a business trip right now, so I'm sure he won't know about our affair if we don't tell anyone about this." Xiao Tian replied, "Professor Su, isn't this what you want? Don't you always want to have an affair with me because your husband never satisfies you in bed anymore? Then, you should not think too much about this."

What Xiao Tian said was true. She had thoughts of having an affair with Xiao Tian several times since she saw him naked a few days ago.

She even thought of him when she was masturbating in the bathroom. For this reason, Su Ruanyi had no idea what to say to him. "But..."

"Professor Su, let me ask you some questions." Xiao Tian spoke and paused for a second before he continued, "Does your husband satisfy you in bed?"

"No." Su Ruanyi answered as she shook her head.

Sure, her husband could satisfy her in the past, but it was a long time ago. She even did not remember the last time he could satisfy her in bed.

"Does your husband care whether you are satisfied or not after having sex with you?" Xiao Tian threw another question.

"No." Su Ruanyi shook her head again.

All this time, her husband always slept after he had an orgasm. He even did not try to satisfy her or care about her feelings.

This was the main reason why she always masturbated after having sex with her husband.

"Does your husband care about your happiness lately?" Xiao Tian inquired,

"...No." it took her three seconds before she could answer Xiao Tian's question.

Since her husband's company had a big problem a few months ago, he never cared about her happiness because what he had in mind was always only his company and his company.

There were even many times where she wondered whether he still thought of her as his wife or not because he rarely paid attention to her.

He always complained about his company and life when they talked, saying God was unfair to him or something like that.

"Has he been spending a lot of time with you lately?" after hearing her answers, Xiao Tian was pleased, but he did not show it on his face because Su Ruanyi would hate him later.

"No." Su Ruanyi shook her head.

Xiao Tian's heart was filled with happiness when everything was going the way he wanted.

The reason why he asked her so many questions was that he wanted to make her not feel guilty for having an affair behind her husband's back.

His previous father was the one who taught him these tricks. His father called it trick questions.

The main purpose of this trick was to make everything under his control or, more precisely, to control other people's minds and feelings.

'Good! everything is exactly like what I want.'

He said in his mind.

"Professor Su, your husband never cares about your feelings and rarely spends time with you either." Xiao Tian uttered, "Not only does he never do his duty as your husband, he never even satisfies you in bed, so you don't have to feel guilty about having an affair behind his back because it's not your fault."

Xiao Tian then continued, "If he did his duty as your husband well, I'm sure you would not have had sex with me last night."

Su Ruanyi fell silent. What Xiao Tian said was right. If Da Shan did his duty as her husband well, she believed she would not have sex with Xiao Tian last night.

Everything was her husband's fault!

At this moment, her guilt feelings dropped drastically.

'Husband, everything is indeed your fault. I cheated on you because you did not do your duty as my husband well.'

Su Ruanyi blamed her husband.

Xiao Tian laughed in his head when he saw Su Ruanyi's expression.

'Haha. As expected of me, I'm indeed amazing!'

Xiao Tian praised himself when everything was under his control.

"Professor Su, you don't need to feel guilty anymore. In this world, every human being is looking for inner and outer happiness, so it's not your fault if you cheat on your husband because he can't do his duty as your husband." Xiao Tian spoke ill of her husband again.

"You are right, student Xiao." Su Ruanyi did not feel guilty anymore. "You are right."

'Of course, I'm right because I'm always right.'

Xiao Tian answered instantly in his head.

'I think this is the right time to use my next move.'

With that idea in mind, Xiao Tian held Su Ruanyi's hands and looked at her in the eyes.

"Professor Su, you are pretty and young, so you deserve to be happy every day.. Because your husband can't give you that happiness, how about you let me take his place?" Xiao Tian inquired.

Chapter 1060 - Su Ruanyi's Decision

7-8 minutes

Su Ruanyi fell silent again.

She did not expect him to say something like that. Having an affair with him and letting him take her husband's role was completely different.

"What do you mean? Do you mean you want to marry me?" Su Ruanyi wanted to know the meaning of his words.

"I won't ask you to divorce your husband because I will let you decide it." Xiao Tian replied, "What I mean is, I want to be your secret lover."

"Secret lover?" Su Ruanyi was startled again.

"Yes, secret lover. If you don't want to make me your secret lover, I'm fine if you just want to make me your sex friend." Xiao Tian decided to win her body and soul step by step, so he could not rush everything.

"Sex friend?" since earlier, Xiao Tian's words kept surprising her. "But student Xiao, don't you already have a lover too? Mrs. Jingxian is your lover, right? Won't this make her sad later?"

"Don't worry about it. I'm sure she won't mind it later." Xiao Tian was sure that Long Jingxian would not be angry at him later.

"How can you be so sure about this?" Su Ruanyi asked curiously.

Xiao Tian began to reveal his relationship. Of course, he did not tell her about his relationship with his mother and aunt.

He only told her that he had more than one girlfriend.

"As I thought, you are a playboy!" Su Ruanyi commented, "Well, you have unlimited stamina so I can understand it."

"You are right." Xiao Tian replied, "So how is it, professor Su? Do you agree to make me your secret lover?"

Su Ruanyi could not answer his question immediately because this was an important thing. If her husband found out about it later, it could ruin her family.

"Professor Su, if you don't want to make me your secret lover, how about we become sex friend? I will try my best to give you happiness in body and soul later. You know how capable I am, right?" because he managed to satisfy her last night, Xiao Tian believed that he could become her sex friend.

He said something like that because he was sure that he could improve their relationship in the future. All he needed was only one thing.

Time!

Yes. Xiao Tian believed that he would be able to win her heart in the future.

Of course, Su Ruanyi knew how capable Xiao Tian was. Not only could he satisfy her last night, he even managed to make her have a massive orgasm many times.

This was what made her waver.

She was sure that her husband would not be able to make her have a massive orgasm because he was already old and did not have much stamina now.

And she believed having sex with her husband would be more boring from today onwards because she had experienced immense pleasure when she had sex with Xiao Tian last night.

After thinking about the advantages and disadvantages, Su Ruanyi agreed, "Let's become sex friend."

Xiao Tian was happy with her decision. "From today onwards, you only need to call me if you want to have sex with me or spend time with me."

'Now I only get your body, but I will make you unable to live without me in the future.'

Xiao Tian added in his mind.

"Professor Su, because we have become sex friend, how about we do it again now?" Su Ruanyi was sitting naked before him, so Xiao Tian suddenly wanted to have sex with her again.

"You really have a lot of stamina!" Last night, they had sex for several hours, so Su Ruanyi did not expect him to ask for sex again.

Of course, she did not refuse because this was what she wanted. Her body had been craving pleasure for a few years, so she wanted to enjoy it to the fullest.

From her answer and expression, Xiao Tian knew that Su Ruanyi agreed to have sex with him.

He approached her slowly before kissing her passionately. Like what he did last night, Xiao Tian also played with her breasts when he was kissing her hungrily.

Ever since she had sex with him, her body was sensitive to his touch. For this reason, it did not take long before her pussy was wet.

Su Ruanyi immediately lay on her back before spreading her legs widely, "Come here, student Xiao."

Xiao Tian wasted no time and immediately slid his erect penis into her wet vagina. Soon, her bedroom was filled with her cries again.

After having sex with her, they cuddled for about an hour before finally, Xiao Tian went home.

Because he wanted to get stronger quickly, he took a medicine bath after arriving home. Of course, his women asked him why he did not return home last night.

After that, Xiao Tian traveled to Crystal's apartment, but she was not in her apartment. After calling her, he finally knew that she was in Hong Kong, doing her job.

That day, Xiao Tian spent time with Lan Ruoxi and Yun Xin Er for an hour before finally working for the whole day.

At 06:00 pm, Xiao Tian took all his women to a romantic place. They had a great time in that place.

At night, they had a party in the backyard. After Feng Yu and Mu Ai went to their room, Xiao Tian and his women drank beer.

Ye Xueyin, Long Jingxian, Lin Xing Xue, Shi Fei and Liu Ning were drunk and slept on the mat.

Ye Qingyu was the only one who still drank the beer. One thing led to another, and she ended up having sex with her nephew in the backyard.

Yes. They had sex on the mat, next to Ye Xueyin and the others!

Unlike usual, they only had quick sex this time.

Currently, Xiao Tian was lying on the mat with Ye Qingyu on top of his body. At this moment, both of them were still half-naked.

They were still wearing T-shirts, but their trousers were on the ground. At first, they wanted to have sex naked, but they changed their minds when they remembered where they were.

Ye Qingyu, who was lying prone on top of Xiao Tian's body, uttered, "Tian, it's cold."

"Hmm? Let me carry you to my bedroom now." After saying that, Xiao Tian carried Ye Qingyu to his room.

Because his mother and the others were still in the backyard, he returned to the backyard to carry them to his room.

They were drunk, so they could not walk to his room by themselves. After carrying Liu Ning and the others to his room, Xiao Tian took off his clothes.

Ye Qingyu was curious why Xiao Tian suddenly removed his clothes.

At first, she thought he wanted to change his clothes, but she was wrong because he suddenly made her sit on the edge of the bed.

"What are you going to do to your aunt now, Tian?" Ye Qingyu inquired.

"I'm going to take off your clothes." After saying that, Xiao Tian began taking off her clothes.

At this moment, Ye Qingyu thought Xiao Tian wanted to have sex with her again.

'It seems like he is still not satisfied.'

She cooperated without saying a single word when Xiao Tian took off her clothes.

To her surprise, Xiao Tian suddenly lay on his back. "Aunt, come here and lay in my arms."

Ye Qingyu finally understood what he wanted.. Because it was not the first time they slept naked, she did what she was told.
