

Illicit 1061

Chapter 1061 - Yacht Party

"Ah..." After Ye Qingyu lay prone on top of Xiao Tian's body, he thrust his erect penis into her vagina.

That was why she suddenly moaned like that. Ye Qingyu only stared at Xiao Tian without saying a single word.

Her nephew often did something like this, so she was not surprised by his actions.

'So, he only wants to sleep naked with me while being connected, huh?'

Ye Qingyu slowly shut her eyes.

The corner of Xiao Tian's lips twitched when he saw his aunt's sleeping face.

'She has fallen asleep?!'

Previously, he wanted to talk with her before sleeping.

Because she had fallen asleep, he decided not to disturb her sleep. After wrapping his arms around her back, Xiao Tian decided to sleep too.

04:40 am.

"Ah...Ah...Ah..." Xiao Tian's vast and luxurious bedroom was filled with Ye Qingyu's cries.

Currently, Ye Qingyu was lying on her back with Xiao Tian on top of her body.

The reason why she kept letting out seductive wails was that Xiao Tian was sliding his penis in and out of her vagina continuously.

Yes. Both of them woke up at 03:00 am earlier. At first, they only talked after waking up. But one thing led to another, and they ended up having sex.

Sure, Lin Xing Xue and the others were sleeping next to them, but they did not show the slightest care about it because they were Xiao Tian's women too.

When Xiao Tian was bending over, Ye Qingyu immediately wrapped her arms around his back and locked her legs around his butt.

"I'm cumming... I'm cumming... I'm cumming..." even though she had an orgasm fifteen minutes ago, but Ye Qingyu reached her limit again because Xiao Tian gave her immense pleasure.

"Aunt, I'm cumming too." like Ye Qingyu, Xiao Tian had reached his limit too.

Because both of them were about to have an orgasm, Xiao Tian slid his huge penis in and out of Ye Qingyu's wet vagina faster and faster.

"I'm cumming..." Xiao Tian and Ye Qingyu had an orgasm at the same time.

Ye Qingyu unconsciously embraced Xiao Tian tightly when she was having an orgasm. Because they had sex since 03:00 am, they decided to stop.

"Huft...Huft...Huft..." both of them were breathing heavily.

Currently, Xiao Tian was still in Ye Qingyu's arms. Of course, his erect penis was still inside her wet pussy.

Ye Qingyu caressed Xiao Tian's hair gently, and a soft smile spread across her pretty face as she stared at her nephew.

'They finally finished having sex.'

These were the words that appeared in the minds of Liu Ning and the others.

Of course, they knew that Xiao Tian had sex with Ye Qingyu because they were next to them.

However, they decided not to disturb them and continued to pretend to be asleep. Yes. They wanted to let them have some fun time alone.

Because it was still 04:40 am, Xiao Tian and Ye Qingyu decided to sleep again.

At 06:00 am, Xiao Tian took a medicine bath. He practiced martial arts for thirty minutes before finally traveling to Eternal Beauty company to work.

He worked for about three hours before he went to the Star Film company. When he was working, Chao Yang Sheng suddenly invited him to a yacht party.

The party would be held at 03:00 pm. Xiao Tian agreed to come to the party later because it was an excellent time to relax his tired mind.

*Knock...

The sound of someone knocking on his door echoed in his office.

After hanging up the phone, Xiao Tian spoke, "Come in."

To his surprise, the one who entered his office was his former professor, Su Ruanyi. "Student Xiao, I mean, Sir, I want to report a few things to you."

Xiao Tian smiled before speaking, "Professor Su, you can call me student Xiao like usual when we are alone."

"All right." Su Ruanyi also felt a little awkward when she addressed him sir because she was used to calling him student Xiao.

Then Xiao Tian and Su Ruanyi discussed their jobs.

After they finished discussing, Xiao Tian inquired, "Professor Su, do you want to go to a party with me?"

"Party?" Su Ruanyi did not expect him to invite her to a party.

"Yes." Xiao Tian began to tell her that Chao Yang Sheng had invited him to a yacht party earlier.

He also said it was an informal party and there would only be a few people later, so it was a good time to relax.

After thinking for several seconds, Su Ruanyi agreed. "All right."

At 02:00 pm, Xiao Tian sent her home to change her clothes. Because it was only a yacht party, Su Ruanyi only wore casual and stylish clothes.

"You are so stunning, professor Su." Even though Su Ruanyi only wore casual clothes, she still looked so attractive.

"Thank you." happiness glowed inside her when Xiao Tian praised her.

Ever since she had sex with Xiao Tian, she became more sensitive to his words and actions.

Previously, she felt nothing when Xiao Tian praised her, but now she felt like her feet barely touched the ground every time he praised her.

'Is it because I had sex with him? Or is it because we are sex friend now?'

Su Ruanyi felt as if Xiao Tian's words or actions could change her world completely.

"I hope no one will try to seduce you later." due to how pretty she was, Xiao Tian suddenly felt uneasy.

"If that happens, I will depend on you to protect me." Su Ruanyi also hoped that no one would try to seduce her later because she only wanted to spend time with Xiao Tian.

"Don't worry, professor Su. I'm skilled in martial arts, so I'm sure I can protect you later." of course, Xiao Tian would not let anyone seduce her because she only belonged to him.

Sure, her status was still as Da Shan's wife, but he was sure that he could change it in the future.

"Then I will leave everything to you, my young knight." Su Ruanyi knew that Xiao Tian was a martial artist because Long Jingxian had told her everything.

Yes. She knew that Xiao Tian beat a few delinquents in order to protect Long Jingxian.

Currently, Chao Yang Sheng was standing on a luxurious yacht with a gorgeous young lady embracing his right arm.

Not long after that, Xiao Tian and Su Ruanyi arrived.

Chao Yang Sheng immediately smiled and spoke, "Mr. Xiao, I have been waiting for you."

Like Chao Yang Sheng, Xiao Tian also smiled, "Thank you for inviting me, Mr Chao."

"We are friends, so you don't need to mention it." After saying that, Chao Yang Sheng shifted his gaze from Xiao Tian to Su Ruanyi. "This lady is...."

He had never seen Su Ruanyi before, so he had no idea who Su Ruanyi was.

Xiao Tian immediately introduced Su Ruanyi. "She is my former professor, Su Ruanyi."

Chao Yang Sheng was startled.

'His former professor?'

Previously, he thought Xiao Tian would bring one of his women, but he was wrong.

"Hello. I'm Su Ruanyi." Su Ruanyi introduced herself as she smiled.

"Hello, lady Su." Chao Yang Sheng did not expect Xiao Tian to bring his former professor.

'Don't tell me....'

He suddenly thought that Xiao Tian had a special relationship with Su Ruanyi, or else it would be impossible for Xiao Tian to bring her.

'Mr. Xiao is sure amazing. Not only does he have a MILF as his girlfriend, he even has a special relationship with his former professor.'

Xiao Tian was an amazing person, so Chao Yang Sheng was not surprised after learning that Xiao Tian had many girlfriends.

Because everyone had arrived, they started the party. As the yacht sailed, they started talking.

No one seduced Su Ruanyi because Chao Yang Sheng had told other guests not to do that.

Because Su Ruanyi wanted to see the beauty of the sea, she headed to the stern cockpit. "I will relax here."

There were a small pool and a few pool lounge chairs in the stern cockpit.

Su Ruanyi only wanted to enjoy the sea and feel the sea breeze, so she immediately sat on the pool lounge chair.

'It has been a long time since the last time I enjoyed the sea on the yacht like this.'

Her face broke into a smile as she enjoyed the beauty of the sea.

"Do you like this party, professor Su?" after saying that, Xiao Tian sat on the pool lounge chair next to her.

"I like it." Su Ruanyi gave an honest answer. "It has been a long time since the last time I enjoyed the beauty of the sea on the yacht like this."

"If you really like it, I will often take you to the yacht in the future." Xiao Tian had the intention of buying a yacht in the future because with this, he could enjoy the sea with his women.

"I hope you won't forget your words later." Su Ruanyi loved to relax on the yacht, so she would accept it if Xiao Tian invited her to the yacht party again.

"Don't worry, I won't forget it." Xiao Tian replied, "In the future, I will buy a big and luxurious yacht, so you can enjoy the beauty of the sea on the yacht whenever you want."

"Your words suddenly make me feel happy deciding to have an affair with you." Su Ruanyi stated.

She did not doubt his words because she was sure that Xiao Tian could buy a big and luxurious yacht in the future.

He was still twenty years old and already had a few companies, so she believed that his future was bright.

"Come here, professor Su. Let's cuddle in this big yacht.." Xiao Tian uttered.

Chapter 1062 - What A Bad Professor!

9-11 minutes

"Come here, professor Su. Let's cuddle on this big yacht." They were on a big and luxurious yacht, so Xiao Tian desired to cuddle with Su Ruanyi.

Su Ruanyi wasted no time and immediately lay on his pool lounge chair. "Since we became sex friend, it seems like you always want to lovey-dovey with me."

When their status was only a former student and professor, Xiao Tian never behaved like that.

At most, he only teased her, but since they became a sex friend, Xiao Tian always said what he wanted without thinking twice.

"Who doesn't want to lovey-dovey with a gorgeous lady like you?" Xiao Tian did not deny it. "I'm sure any man wants to be lovey-dovey with you. Have you forgotten that many men are trying to seduce you?"

"But in the end you were the one who managed to seduce me." Su Ruanyi did not forget about it because a few men still tried to seduce her.

Actually, she also found it hard to believe that she would have a special relationship with Xiao Tian.

Previously, she thought that their relationship would always remain as a former student and professor.

"You are right. I was the only one who managed to seduce you." Xiao Tian repeated her words.

'Even though you seduced me too.'

He added in his mind.

"Do you know why you managed to seduce me?" Su Ruanyi inquired,

"Because I'm an amazing young man." Xiao Tian did not forget to praise himself in his answer.

"You are right. It's because you are amazing. Not only are you attractive, but you also managed to become a successful person in your early twenties." Su Ruanyi believed that there were only a few people like Xiao Tian in the world.

Sure, she sounded like a gold digger at this time, but she was not a gold digger. She was beautiful and a successful lady, so she only wanted someone equal to her.

She believed it was human nature. Someone who was rich or had a high status would always want someone who was equal to them.

For example, a poor young man would only want an ordinary woman, but it would be a different story if that young man became rich.

His standards for women would also increase when he became rich. Yes. He would no longer want an ordinary woman if he became a rich person because it was human nature.

"And I'm also amazing in bed." Xiao Tian added.

"Yes. You are also amazing in bed." Su Ruanyi admitted that Xiao Tian was amazing in bed because he managed to make her have massive orgasms continuously.

*Kiss...

Xiao Tian kissed Su Ruanyi's cheeks.

Su Ruanyi behaved normally when Xiao Tian kissed her. They had had sex twice, so kissing was nothing in her eyes.

"Kya..." Su Ruanyi was startled when Xiao Tian suddenly made her lay prone on top of his body. "Student Xiao, your action much surprised me. I almost had a heart attack just now."

Xiao Tian did not say anything. He only stared at her pretty face and caressed her bang.

When Su Ruanyi saw his face, she knew what he had in mind.

'He is going to kiss my lips again.'

She slowly closed her eyes, ready to welcome the kiss.

Xiao Tian wasted no time and immediately pressed his lips against hers. At first, they only did a normal kiss.

But it only lasted for five seconds before finally, the normal kiss turned into a lewd kiss, where they moved their tongues lewdly and explored each other's mouth.

As Xiao Tian and Su Ruanyi were having a deep kiss, Chao Yang Sheng and his young lover walked towards the pool lounge chair.

They were not surprised when they saw Xiao Tian and Su Ruanyi having a hot kiss because they knew Xiao Tian and Su Ruanyi had a special relationship.

'It seems like they were really enjoying themselves.'

Chao Yang Sheng and his young lover exchanged a glance with each other before nodding their heads.

Like what Xiao Tian and Su Runyi were doing, they immediately had a passionate kiss after laying on the pool lounge chair.

Even though Xiao Tian and Su Runyi were having a passionate kiss, they knew that Chao Yang Sheng and his young lover were next to them.

However, they did not show the slightest care about it and kept having a hot kiss. The reason was simple.

First, they believed that Chao Yang Sheng and his young lover knew about their special relationship.

Second, it was a good time to cuddle and enjoy themselves because they were on a big and luxurious yacht.

And last, Chao Yang Sheng had promised to never tell anyone about what would happen on the yacht.

He also said that he would make the other guests shut their mouths too. For this reason, Xiao Tian and Su Ruanyi did not stop the kiss.

After having a deep kiss for more than a minute, Su Ruanyi broke the kiss. "You are amazing, student Xiao!"

"Mr. Xiao is indeed amazing!" Chao Yang Sheng added. "He is still young but he already has many companies."

"Mr. Chao, you are also amazing because you have a big company and beautiful young lover." Xiao Tian decided to praise Chao Yang Shen too.

"Mr. Xiao, please don't snatch my beautiful lover, or else, I will be lonely, sad and cry later." Chao Yang Sheng threw a small joke.

"Haha." Xiao Tian and the others laughed after hearing Chao Yang Sheng's words.

Chao Yang Sheng also laughed. Then they talked about many things. They really enjoyed their time.

The scenery was amazing, and they were also on the luxurious yacht. Coupled with their interesting conversation, it made them really enjoy it.

Without realizing it, they had been talking for more than an hour. However, something unexpected happened when they were chatting happily.

It suddenly rained!

Xiao Tian and the others immediately returned to the living room.

They then chatted with the other guests. After chatting for about thirty minutes, Xiao Tian took Su Ruanyi to the bedroom.

After stepping into the bedroom, Xiao Tian immediately lay on the bed. Even though the bedroom was not big, but it was comfortable.

There was a cupboard on the left side of the bed and two armless chairs in front of the bed. What made it comfortable was that they could see the beauty of the sea from the bedroom.

Yes. There was a huge window on the left side of the bed, and they could see the sea through the huge window.

Because Su Ruanyi wanted to see the sea, she took one of the chairs and placed it next to the window.

"What a nice room!"

Xiao Tian, who was walking towards her while carrying a chair, uttered, "Yes. This room is good."

After placing the chair next to her, Xiao Tian sat on it. It was still raining, so Xiao Tian wanted to lovey-dovey with her.

When Xiao Tian suddenly held her right hand, Su Ruanyi stared at him for two seconds before finally leaning her head on his left shoulder.

'I really like a romantic moment like this.'

They were alone in the yacht bedroom while looking at the rain and sea through the huge window.

Like Su Ruanyi, Xiao Tian's heart was filled with happiness at that time. He really liked it when he could spend time with a gorgeous lady in a beautiful place.

Su Ruanyi then looked at Xiao Tian's handsome face.

'I'm so happy right now.'

Her heart throbbed with happiness.

Sure, they were only sitting in the yacht bedroom while looking at the rain and sea through the window.

Xiao Tian even only held her right hand without doing anything special to her, but it still gave her happiness.

The reason why a small thing could give her happiness was that her husband had never given her happiness since several months ago.

Yes. Her husband never gave her happiness since his company was about to go bankrupt.

This was the reason why a small thing could make her happy because she did not feel happiness for several months.

'Thank you, student Xiao.'

Su Ruanyi looked at Xiao Tian before finally kissing his left cheek.

Xiao Tian was startled and immediately turned his head towards her. Even though he had no idea as to why Su Ruanyi suddenly kissed him, he did not ask it.

He then touched his lips with his right index finger before speaking, "Professor Su, here too."

Because Su Ruanyi kissed his cheeks, Xiao Tian wanted her to kiss his lips too.

Instead of kissing his lips, Su Ruanyi giggled, "Hehe. I knew you would ask me to kiss your lips."

"Hehe." Xiao Tian only laughed.

Like what she did before, Su Ruanyi kissed his cheeks again.

Of course, she still remembered that Xiao Tian wanted her to kiss his lips, but she did not do that because she wanted to tease him.

Xiao Tian flicked Su Ruanyi's forehead before smiling softly.

'What a bad professor!'

Because she teased him, Xiao Tian called her bad professor.

"Professor Su, come here and sit between my legs. With this, we can cuddle even more." When Xiao Tian remembered that he was sitting on an armless chair, he suddenly desired to embrace her from behind.

"Why do you think I will sit between your legs?" Su Ruanyi asked as she threw a charming smile.

"Because I know that you want to lovey-dovey with me too." from her expression, Xiao Tian knew that Su Ruanyi also wanted to lovey-dovey with him.

Su Ruanyi kept showing her charming smile without saying a single word. Actually, what Xiao Tian said was right, but she did not want to say it.

As Xiao Tian was looking at her charming smile, Su Ruanyi suddenly did something unexpected.

1063 - They Are Busy

9-11 minutes

Xiao Tian smiled softly when Su Ruanyi suddenly stretched out her right hand towards him.

Even though she did not say anything and only showed her charming smile, Xiao Tian knew what she wanted.

She wanted him to kiss her right hand!

His beautiful professor wanted him to kiss her right hand, so Xiao Tian did not refuse her wish.

*Kiss...

Xiao Tian kissed Su Ruanyi's right hand like a gentleman.

Happiness trembled inside of her when Xiao Tian kissed her right hand.

'It seems like he often kisses women's hands.'

From how Xiao Tian kissed her right hand, Su Ruanyi was sure that he often kissed women's hands.

The way he kissed her right hand was like a gentleman, not like someone who did not know how to kiss women's hands.

As Su Ruanyi was buzzing with happiness, Xiao Tian inquired, "Are you satisfied with this, my beautiful professor?"

"Yes. I'm satisfied." Su Ruanyi gave an honest answer.

Xiao Tian was not surprised by her words and only smiled. He often did something like that, so he knew how to kiss women's hands.

"Kya..." Su Ruanyi was startled when Xiao Tian suddenly grabbed her waist and made her sit between his legs. "Student Xiao, you almost gave me a heart attack again."

"How about you kiss me as my punishment?" Xiao Tian still tried to take advantage of the situation.

Su Ruanyi smiled softly after hearing his words.

Of course, she knew that he wanted to take advantage of the situation. "I don't want to. Just embrace me immediately. This is your punishment."

"I will gladly accept my punishment." Hugging her was something that he wanted to do, so Xiao Tian accepted his punishment immediately.

No. In his view, it was not a punishment; instead, it was like a reward. Su Ruanyi was an attractive lady, so hugging her could be said as a reward.

Xiao Tian was even sure that countless men desired to embrace her like what he was doing because she was a pretty lady with a nice figure.

Ten minutes...Twenty minutes...Thirty minutes.

It had been thirty minutes since Su Ruanyi sat between Xiao Tian's legs, but none of them showed any sign of changing position.

Both of them had a good moment and talked happily. Not only were they on a luxurious yacht bedroom, but the atmosphere was also good to lovey-dovey because it was still raining.

As Xiao Tian was wrapping his arms around Su Raunyi's waist and leaning his head on her right shoulder, Su Ruanyi suddenly did something unexpected.

She removed his hands from her waist and sat on his lap, facing him!

Not only that, but she also suddenly cupped his face and lifted it.

"Student Xiao, I changed my mind." Su Ruanyi spoke abruptly. "You are a naughty young man, so I have to punish you now."

"Sure. You can punish me now." Xiao Tian was sure that Su Ruanyi would not hurt him, so he accepted it instantly.

"Good! I'm going to punish you now." after saying that, Su Ruanyi pressed her lips against his.

Actually, she only wanted to kiss him, but she did not want to say it. That was why she said she wanted to punish him.

Because Su Ruanyi was kissing him, Xiao Tian wanted to take advantage of the situation.

His beautiful professor was kissing him, so of course, Xiao Tian would not let the opportunity to do adult things with her slip away.

Sure, he still remembered that they were not alone in the yacht, but they were alone in the bedroom.

But he needed to do everything step by step. For this reason, he kissed her passionately again.

Like usual, Su Ruanyi instantly intertwined her soft tongue with his when Xiao Tian put his tongue into her little mouth.

When Su Ruanyi welcomed the kiss, Xiao Tian immediately wrapped his arms around her slender waist.

Su Ruanyi was focused on kissing him, so she did not care about what he did to her.

In her view, it had become even more romantic, wrapping his arms around her waist when they were having a deep kiss.

After breaking the kiss, Su Ruanyi uttered, "There. I have punished the bad student!"

"Please punish me again, my gorgeous professor." Because the punishment was a kiss, Xiao Tian wanted her to punish him again.

At first, Xiao Tian thought Su Ruanyi would refuse and make an excuse. To his surprise, she kissed him again.

When Xiao Tian found an excellent opportunity to carry out his plan, he immediately squeezed her breasts.

Su Ruanyi did nothing and only widened her eyes for a second because she had guessed that Xiao Tian would do something like that.

'We are doing lewd things again!'

Even though she said something like that in her mind, she had no intention of stopping.

One thing led to another, and they slowly took off their clothes. Currently, they were in the same position as when they had a deep kiss.

Yes. She was sitting on his lap while facing him!

But the difference was they were naked this time.

At this moment, Xiao Tian's penis was already erect, and Su Ruanyi's vagina was also wet.

"Huft...Huft...Huft..." as they were breathing heavily, Xiao Tian and Su Ruanyi looked at each other in the eyes.

At this moment, both Xiao Tian and Su Ruanyi already lost themselves in lust, and it could be seen on their faces.

Even though Xiao Tian did not say anything and only stared at her eyes, Su Ruanyi knew what he wanted.

Sex!

Yes. Su Raunyi was sure that Xiao Tian desired to have sex with her because it was written on his face.

Because she also wanted to do it with him, she immediately lifted her slender body before finally grabbing Xiao Tian's erect penis and placing it on her vagina entrance.

But instead of lowering her body immediately, Su Ruanyi kissed him again. It was as if she was addicted to kissing him.

As she was kissing him hungrily, Su Ruanyi finally lowered her slender body, causing Xiao Tian's cock to slide into her wet pussy.

"Ah..." Su Ruanyi broke the kiss when Xiao Tian's cock was entirely in her wet pussy. "Student Xiao..."

Like what he always did when he had sex on the chair or couch, Xiao Tian immediately sucked and licked her breasts.

At first, Su Ruanyi tried her best to suppress her cries, but it only lasted for a few seconds before finally, she moaned continuously.

The quiet room was filled with her wails now. However, Su Ruanyi did not show the slightest care about it.

At the same time, Chao Yang Sheng, who was about to knock on the door, smiled before shaking his head.

'It seems like they are busy right now.'

Of course, Chao Yang Sheng knew that Xiao Tian was currently having sex with Su Ruanyi because he could hear her cries.

It was a good moment to have sex, so he could understand their actions.

'I will talk to him later.'

With that idea in mind, Chao Yang Sheng headed to his room.

His intention was clear!

Sex!

Yes, he suddenly wanted to have sex with his young lover after knowing what Xiao Tian and Su Ruanyi did in the bedroom.

"Ah...Ah...Ah..." Su Ruanyi's little mouth opened, letting out multiple seductive cries.

Su Ruanyi and Xiao Tian were still having sex in a lap dance position. At this moment, both of them had forgotten that they were not alone in the yacht.

All they had in mind was only sex and sex. That was why they kept pleasuring themselves non-stop.

One minute...two minutes...three minutes...

It had been three minutes since they had sex in a lap dance position.

At this moment, Su Ruanyi suddenly stopped bouncing her body and slid from Xiao Tian's lap.

Xiao Tian was startled. However, he believed that she only wanted to change position. And what he had guessed was right when he saw her standing in front of the huge window.

After placing her hands on the window and spreading her legs, Su Ruanyi looked at Xiao Tian and stuck out her perfect ass at him, "Come here, student Xiao."

Xiao Tian approached her slowly before placing the tip of his penis at her vagina opening.

'It seems like she is very horny.'

Xiao Tian could see her nectar on Su Ruanyi's legs.

"Ah...Ah...Ah..." like before, Su Ruanyi immediately moaned when Xiao Tian slid his huge penis in and out of her wet vagina.

She really loved it! Not only could she see the beauty of the sea, but Xiao Tian also kept giving her immense pleasure by sliding his huge penis in and out of her wet vagina.

And what made it perfect was that they were having sex on the yacht when it was raining.

She had never had sex on the yacht before, so it was a new experience for her, an experience she would never forget for the rest of her life.

Xiao Tian and Su Ruanyi had sex for more than two hours. Like yesterday, both Xiao Tian and Su Ruanyi had many orgasms.

"You are indeed amazing, student Xiao." Su Ruanyi spoke abruptly.

Currently, Xiao Tian and Su Ruanyi were lying on the bed. She was lying on his right side with her head on his right arm.

Of course, they were still naked because they were too lazy to put on their clothes. Previously, they decided to stop when they had an orgasm at the same time.

That was why they were lying on the bed.

"You are also amazing, my beautiful professor." Xiao Tian praised her.

Not long after that, they returned home. Because Xiao Tian came with Su Ruanyi, he decided to send her home.

When they were in the living room, Su Ruanyi did something unexpected to him.

Chapter 1064 - Can You Not Go Home Today?

6-8 minutes

Currently, Xiao Tian and Su Ruanyi were in her house, or more precisely, they were in the living room alone.

After arriving at her house, they talked for about ten minutes in the living room. But Su Ruanyi did something unexpected to him when Xiao Tian said he wanted to go home.

She pushed him onto the sofa!

Yes. Su Ruanyi pushed Xiao Tian onto the sofa, causing him to fall onto the couch.

Of course, nothing bad happened to him because he fell in a sitting position on the sofa. Xiao Tian was startled by her action.

But what surprised him most was that she did something unexpected to him again.

She instantly sat on his lap, facing him!

Like before, Xiao Tian only stared at her pretty face without saying a single word.

"Student Xiao, can you not go home today?" Su Ruanyi inquired, "If you don't go home, I will do whatever you want later. We even can have sex again if you want."

Su Ruanyi still desired to spend time with Xiao Tian. That was why she wanted him to stay the night at her house.

Of course, she would not force him to stay the night at her house if he still wanted to go home.

'Student Xiao, please say yes.'

Su Ruanyi really hoped that Xiao Tian would agree to stay the night at her house.

Xiao Tian did not answer her question immediately and only looked at her pretty face.

'It seems like she is lonely.'

Since they became sex friends, Xiao Tian began to understand Su Ruanyi's personality better.

She was the type of person who would never say what she wanted. Xiao Tian was even sure that she would say no if he asked whether she was lonely or not.

"Sure. I will stay the night at your house." after saying that, Xiao Tian took his smartphone out of his pocket.

He immediately informed his mother that he would not return home.

Actually, he wanted to spend time with his women, but he changed his mind after seeing Su Ruanyi's lonely expression.

Sure, their relationship was only a sex friend, but he had promised to make her happy too. This was the reason why he decided to stay the night at her house.

Joy bubbled up inside of her after Xiao Tian called his family. "Because you have granted my wish, I will let you decide everything for today. Do you want to do it now or later?"

"Right now!" after saying that, Xiao Tian rose to his feet and headed to her room.

Of course, he was carrying her because previously, she sat on his lap.

"Are we going to have sex in my room again?" Su Ruanyi inquired.

"Yes." Xiao Tian gave an honest answer. "I want to do it in your room again."

"Can we do it in another room?" that was the room where she and her husband slept, so Su Ruanyi suddenly wanted them to have sex in another room.

"Didn't you say you would let me decide everything earlier?" Xiao Tian replied instantly. "Then, you can't refuse if I want to have sex with you in your room."

The reason why he decided to have sex with her in her room was that he wanted to leave his trace in her room.

With this, she would remember him every time she was in her room. But what he wanted most was to make her always remember how he satisfied her in bed.

Because he already got her body, his next goal was her heart, and this was his first step to win her heart.

His plan was perfect. Xiao Tian was sure that everything would be under his control again later.

After they stepped into her room, they immediately took off their clothes and had sex. They had sex for about two hours before finally, they stopped.

"Student Xiao, previously we had sex in the yacht for about two hours, and we also did it for two hours just now. How can you have so much stamina like that?" Su Ruanyi uttered, "I suddenly want to know if you can have sex for a whole day continuously or not."

"I also don't know about it." Xiao Tian replied instantly. "How about we try it now?"

"No." Su Ruanyi shook her head. "Did you know I almost fainted earlier?"

"I know." Xiao Tian knew about it. "That was why I gave you time to rest earlier."

"My vagina is also very sore now. I'm even sure I can't walk now." Su Ruanyi suspected that she could not walk because her vagina was sore.

This was the first time she had sex for four hours in a day, so her pussy could not bear it.

Of course, she did not regret it; instead, she loved it because Xiao Tian gave her immense pleasure and made her have a massive orgasm a few times earlier.

It was a new experience for her, and she was sure it would be the best sex of her life. After talking for about two hours, Xiao Tian and Su Ruanyi fell asleep.

The following morning, Su Ruanyi headed to the kitchen after waking up. She wanted to cook breakfast so that she could eat breakfast with Xiao Tian later.

When Su Ruanyi was cooking breakfast, Xiao Tian finally woke up.

'Where is she?'

Xiao Tian was a little surprised when he did not see Su Ruanyi in her room.

'She is in the kitchen.'

Because the distance between the bedroom and the kitchen was close, Xiao Tian could hear the sound of someone cooking in the kitchen.

Without waiting for another second, Xiao Tian got out of bed and headed to the kitchen. A soft smile spread across his face when he saw Su Ruanyi cooking breakfast.

'What a good sex friend!'

He said in his head.

After embracing her from behind, Xiao Tian inquired, "My beautiful professor, what are you cooking?"

"I'm cooking chicken fried rice." Su Ruanyi did not tell him to stop hugging her because she liked what he was doing. "Student Xiao, go to the dining room and wait there. Breakfast is almost ready."

"All right." After saying that, Xiao Tian kissed Su Ruanyi's left cheek before heading to the dining room.

Su Ruanyi's face broke into a smile after Xiao Tian kissed her.

'It has been a long time since I'm happy like this.'

She then brought the chicken fried rice to the dining room.

Like a good wife, Su Ruanyi immediately took the chicken fried rice and placed it on Xiao Tian's plate.

Happiness shimmered inside him when Xiao Tian saw what she was doing, "My wife, you are indeed the best wife in the world."

Su Ruanyi, who was sitting on his right side, smiled softly before pinching his cheeks. "I'm your sex friend, not your wife."

She was not shy when she said this because it was the truth. Sure, they were a former student and professor, but their current relationship was sex friends.

That was why she immediately corrected Xiao Tian's words. Of course, his words still made her happy.

"My beautiful professor, I suddenly want to make you my wife.. Do you agree to be my future wife?" Xiao Tian inquired.

Chapter 1065 - Da Shan Returns Home

6-8 minutes

"My beautiful professor, I suddenly want to make you my wife. Do you agree to be my future wife?" of course, Xiao Tian was not serious when he said this.

He was thrilled because she behaved like a good wife. That was why he wanted to tease her.

The expression of deep shock blossomed on Su Ruanyi's pretty face.

'His future wife?! He wants to make me his future wife?!'

She did not expect him to say something like that.

Even though she had no idea whether Xiao Tian was serious or not, she still answered his question. "Then you should try your best to win my heart. Maybe I will agree to be your wife in the future."

Actually, Su Ruanyi had no idea as to why she gave an answer like that. Of course, she still remembered that she was Da Shan's wife.

'Is it because he made me happy yesterday?'

Ever since she became his sex friend, Su Ruanyi was always happy whenever she was with him.

The way Xiao Tian treated her and the way he looked at her was different from how her husband treated her and looked at her.

Their relationship was only as a sex friend, but Xiao Tian treated her very well as if she was his lover, not his sex friend.

This was the reason why she was always happy whenever she was with him.

This time, it was Xiao Tian's turn to be surprised.

'Is this the green light?'

Previously, he thought Su Ruanyi would pinch his cheeks without answering his question.

Xiao Tian did not expect that Su Ruanyi would give a shocking answer like that. Of course, her answer made him happy.

"My beautiful professor, how about we go on a date today?" due to how happy he was, Xiao Tian suddenly wanted to go on a date with her.

His goal of asking Su Ruanyi to go on a date with him was just one thing.

He wanted to strengthen his relationship with her!

Of course, he would not ask her to be his lover immediately, because in his view, becoming a sex friend was already the best for now.

All he needed was only time. With the way Su Ruanyi treated him, Xiao Tian was sure that he could change their relationship later.

"I can't go on a date with you because my husband will come home today." Su Ruanyi knew about it because her husband informed her yesterday. "And we have to meet in secret from today onwards."

"Oh! Wouldn't that be exciting?" in his view, it would be exciting to have an affair behind her husband's back.

"It would not be exciting if my husband caught us later." actually, Su Ruanyi was afraid that her husband would know about her relationship with Xiao Tian.

Before he went on a business trip, she was a good wife, but she was a bad wife now because she had an affair with her former student.

"Professor Su, don't worry. I won't let anything bad happen to you." Xiao Tian had the intention to order one of his underlings to protect her in secret later because he was afraid that her husband would hurt her.

Even though their relationship was only sex friend, but she was his former professor and quite important to him. That was why he did not want anything bad to happen to her.

"Are you going to order one of your underlings protect me in secret later?" Su Ruanyi knew that Xiao Tian had many underlings.

Previously, she was shocked when she learned that he was a gang leader. But she immediately accepted it after hearing everything.

"As expected of my beautiful professor, you are indeed clever lady." Xiao Tian did not deny it because it was what he wanted to do.

"Thank you, student Xiao." Su Ruanyi did not refuse because it was good to have someone protect her in secret.

Then they started eating their food. Like what Xiao Tian always did to his women, he teased her as they were eating their food.

They had fun that morning. Both Xiao Tian and Su Ruanyi often laughed happily.

After eating breakfast, Xiao Tian went home. He immediately took a medicine bath and practiced martial arts after arriving home.

Of course, Xiao Tian did not forget to order one of his underlings to protect Su Ruanyi in secret.

Because Xiao Tian wanted to spend time together with his women, he told them to go to work in the afternoon.

Ye Xueyin instantly jumped into his arms after hearing his words, causing them to fall to the floor.

She was pleased because she really loved spending time with Xiao Tian.

Ye Qingyu sighed and shook her head when she saw what her big sister did to her nephew. As for Liu Ning, Shi Fei, Lin Xing Xue, and Long Jingxian, they giggled happily.

Xiao Tian immediately took them to romantic places. He wanted to make them happy.

Su Ruanyi's House, Living Room.

After Xiao Tian left, Su Ruanyi tidied things up so her husband would not know she had sex with Xiao Tian in their room last night.

She checked everything many times, making sure there was no trace of Xiao Tian in her house.

When she was sure there was no trace of Xiao Tian in her house, she immediately took a shower.

'I feel refreshed!'

After putting on her clothes, Su Ruanyi went to the Star Film company to work.

Not long after that, Da Shan arrived home.

'Where is she? Is she in the company?'

He immediately headed to the living room to rest.

'I will call her now.'

Because he wanted to know where her wife was, Da Shan called her.

He immediately hung up the phone when he found out that she was at Star Film company because he did not want to disturb her job.

The reason why he called her was to let her know that he had arrived home. Time went by quickly, and without realizing it, it was already 05:20 pm.

Da Shan, who was sitting in the living room, smiled happily because he would meet his wife soon.

*Click...

The sound of someone opening the door echoed in the house.

Da Shan instantly rose to his feet, and his face broke into a smile when he saw Su Ruanyi. "Wife, welcome home!"

"I'm home." After saying that, Su Ruanyi sat on the couch. "How was your business trip?"

"Like usual." Da Shan replied, "I only worked and worked."

They then talked for about thirty minutes before finally Su Ruanyi took a shower and prepared dinner for them.

Like what they did before, they talked again after dinner. They headed to their room at 09:30 pm.

However, something unexpected happened when Da Shan said he wanted to have sex with Su Ruanyi.

She refused to have sex with him!

Da Shan was unhappy with this.

"Wife, why did you refuse to do it with me?" he did not have sex with her for several days, so he really wanted to do it with her. "I really want to have sex with you now."

This was the reason why he was furious when she refused to have sex with him.. In his view, it was her job to satisfy him whenever and wherever he wanted.

Chapter 1066 - Going To Rainbow Garden Again

8-9 minutes

"I'm tired and want to sleep." Su Ruanyi replied without looking at her husband.

"But I really want to have sex with you right now." of course, Da Shan did not give up easily and tried to make her agree to have sex with him because a desire to have sex with her suddenly appeared within him when he saw her pretty face and perfect body.

"I'm sleepy right now." Like before, Su Ruanyi answered without looking at her husband.

The reason why Su Ruanyi refused to have sex with him was that she was tired and wanted to sleep.

She also believed that Da Shan would not be able to satisfy her, so in her view, there was no point in having sex with him.

Da Shan was getting angrier. And what displeased him the most was that Su Ruanyi did not look at him when she answered as if he was not her husband or an unimportant person.

"Do you know that one of the responsibilities of a wife is to satisfy her husband in bed? Do you know that a wife must always agree to have sex with her husband? Do you know all that?" Da Shan began to lose control.

He did not have sex with her for several days, and when he wanted to do it with her, she refused without caring about his feelings.

Da Shan could not accept it because, in his view, a wife always had to satisfy her husband whenever and wherever he wanted.

Something like this had never happened before. That was why he was unhappy when she refused to have sex with him.

"I said I'm tired!" Su Ruanyi raised her tone. "I know it's my duty to satisfy you in bed, but you should understand my feelings too! Do you know the reason why I refuse to have sex with you?"

Da Shan was shocked when his wife was suddenly angry at him too. Usually, she always ignored him whenever she was angry.

Before Da Shan could answer her question, Su Ruanyi said, "It's because you are selfish and never think about my feelings! All this time, you always slept after you had an orgasm once and you never cared whether I was satisfied or not. You only want me to satisfy you, but you never try to satisfy me!"

She then continued, "You only think about yourself! Do you know that it's also your duty to satisfy me in bed? Do you know how miserable I have been all this time? Every time we had sex, I had to masturbate after that because you always slept after you were satisfied. Having sex with you doesn't give me pleasure, it only gives me misery! Do you know about it?"

Da Shan was shocked after seeing his wife's behavior. This was the first time she acted like that to him.

Of course, he knew what she said was true. For this reason, he had no idea what to say to her.

"If you are horny, go watch porn and masturbate. I don't want to have sex with you because I know you won't be able to satisfy me later." after saying that, she grabbed the blanket and tucked her body.

Da Shan was stunned. He found it hard to believe what had just happened. Not only did his wife refuse to have sex with him, but she was also angry at him.

"Hmff!" because Su Ruanyi refused to have sex with him, Da Shan decided to sleep too.

Xiao Tian's House, His Bedroom.

Currently, Xiao Tian was having sex with all of his women on his bed. It was their first orgy, so it was a new experience for them.

"Ning'er, I'm cumming..." After having an orgasm, Xiao Tian lay on his back.

'Satisfying many women at the same time is challenging.'

He had sex with six women, so it was difficult for him to satisfy them at the same time.

Of course, Xiao Tian was able to make all of them have an orgasm. Some of them even had massive orgasms earlier.

Because Xiao Tian was lying on his back, Liu Ning immediately lay prone on top of his body. This was something that he often did after having sex, so she decided to do it.

Xiao Tian smiled softly when she suddenly lay prone on top of him. But something unexpected happened when he wanted to wrap his arms around Liu Ning's back.

Lin Xing Xue suddenly hugged his right arm!

Not only Lin Xing Xue, but Long Jingxian also did the same thing. If Lin Xing Xue hugged his right arm, Long Jingxian embraced his other hand.

At this moment, Ye Qingyu and Ye Xueyin were lying next to Long Jingxian while Shi Fei was next to Lin Xing Xue.

Xiao Tian's bed was huge, so it was enough for all of them to sleep together. Because they were tired, they immediately slept.

The following morning, Xiao Tian took a medicine bath before finally practicing martial arts for about thirty minutes.

Because it was Sunday, he did not go to work.

'I will bring Jingxian and little Ai somewhere today.'

With that idea in mind, Xiao Tian headed to Long Jingxian's room.

*Click...

As usual, Xiao Tian entered her room without knocking on the door, as if it was his room.

'Mmm? Where is she?'

Xiao Tian was startled when he did not see Long Jingxian in her room.

Coincidentally, Long Jingxian came out of the bathroom.

'Xiao Tian?'

She was a little shocked when she saw Xiao Tian in her room.

She thought he was still practicing martial arts in the backyard earlier. "Do you need anything?"

Instead of answering her question, Xiao Tian said something else, "As expected of my lover, your body is so alluring!"

Currently, Long Jingxian was wearing a short white towel, allowing him to see her flawless legs and the shape of her body.

"Mmm? Do you want to have sex with me again?" at this moment, Long Jingxian suddenly thought that Xiao Tian wanted to have sex with her again.

"I would love to do that, but let's do that later." Xiao Tian replied, "Today is Sunday so I want to go on a date with you."

Long Jingxian was startled by his words. "...All right. Let me put on my clothes first."

"Big brother...." After entering her mother's room, Mu Ai rushed towards Xiao Tian.

Xiao Tian immediately turned around and smiled. He then squatted down before spreading his arms widely. "Little Ai, come here."

Without thinking twice, Mu Ai jumped into his arms. "Big brother, why are you in my mother's room?"

"Because I want to bring you and your mother somewhere right now." Xiao Tian gave an honest answer. "We will spend the whole day together today."

"Really?" Mu Ai asked.

"Yes." Xiao Tian replied as he nodded his head.

"Yay!" Mu Ai was pleased when she learned that she would spend the whole day with Xiao Tian later.

Long Jingxian, who was putting on her clothes, smiled softly when she saw her daughter's happy face.

Even though Xiao Tian was next to her, she was not shy to put on her clothes next to him because he had seen her naked body many times.

Xiao Tian even had tasted every part of her body from head to toe, so putting on clothes next to him was nothing in her eyes.

After Long Jingxian was ready, they immediately went to Rainbow Garden. Xiao Tian brought them to Rainbow Garden because it was a good place to enjoy with the people he loved.

And what he had guessed was right because Long Jingxian and Mu Ai were happy.

"Little Ai, don't run!" Xiao Tian spoke abruptly.

Currently, Xiao Tian, Mu Ai, and Long Jingxian were around countless flowers.

Mu Ai did not listen to Xiao Tian's words and kept running. A big smile appeared on her cute face as she was running around the countless flowers.

She was thrilled because Rainbow Garden was one of the best places she had ever visited in her life.

Mu Ai suddenly stopped running and turned around. "Big brother, mother, come here."

Xiao Tian and Long Jingxian exchanged a glance with each other before smiling and walking towards Mu Ai.

They had a good moment at that time. After playing for several minutes, they decided to rest.

Xiao Tian, who was carrying Mu Ai, spoke, "Little Ai, let's rest now."

"Un." Mu Ai nodded her head cutely.

They then walked towards the rest building. Xiao Tian suddenly stopped his footsteps when he saw someone familiar.

'Aren't they...'

Chapter 1067 - Meeting Su Ruanyi And Da Shan

7-8 minutes

Xiao Tian did not expect to meet them at Rainbow Garden.

'Professor Su and her husband?!'

He then turned his head to look at Long Jingxian.

Like Xiao Tian, Long Jingxian was surprised when she saw Su Ruanyi and Da Shan at Rainbow Garden.

'Do they want to enjoy the beauty of flowers like us?'

Of course, Long Jingxian knew that Su Ruanyi liked flowers because they were neighbors before she lived with Xiao Tian.

When Da Shan and Su Ruanyi noticed Xiao Tian and the others, they smiled.

"Mr. Xiao, I did not expect to meet you in this place." After saying that, Da Shan looked at Long Jingxian.

"Hello, Mrs. Long."

"Hello, Mr. Da." Long Jingxian replied as she smiled.

"Mr. Da, are you on a date with your wife?" Xiao Tian decided to tease Da Shan.

Because his relationship with Su Ruanyi was only a sex friend, and Da Shan was still her husband, Xiao Tian could not do anything.

He also did not want to cause trouble because he was with Mu Ai and Long Jingxian.

"My wife loves flowers, so I decided to bring her here because there are so many beautiful flowers in this Rainbow Garden." Actually, the reason why he brought his wife to the Rainbow Garden was that he wanted to make up with his wife.

They quarreled last night, so he wanted to make up with her. That was why he brought her to Rainbow Garden because she loved flowers.

Da Shan hoped he could make up with his wife after leaving Rainbow Garden later.

When Xiao Tian glanced at her, Su Ruanyi instantly lowered her head.

'Why do I feel uncomfortable like this? He is only glancing at me, nothing more than that, but why do I feel uneasy like this?'

She had no idea as to why she suddenly had complicated feelings like that.

'Is it because I don't want student Xiao to see me with my husband? Is it because I have an affair with him? Or is it because I don't want to hurt student Xiao's feelings?'

Countless questions emerged in her head.

When Da Shan saw his wife, he immediately asked, "Wife, why are you lowering your head like that? Are you feeling unwell?"

At this moment, Xiao Tian only stared at Su Ruanyi without saying a single word.

'Professor Su, you should control yourself.'

Of course, Xiao Tian could understand her feelings because he was familiar with this kind of thing in his previous life.

"Nothing." Su Ruanyi lifted her head before shaking it.

Then they headed to the rest building.

After sitting on the mat, Su Ruanyi looked at Mu Ai and spoke, "Little Ai, come here and sit on my lap."

It had been a few days since she last met Mu Ai, so Su Ruanyi wanted to play with Mu Ai.

Unlike usual, Mu Ai did not sit on her lap immediately this time; instead, she looked at Xiao Tian.

She loved sitting on Xiao Tian's lap, so she did not want to accept Su Ruanyi's offer.

However, she did not want to make Su Ruanyi sad. This was the reason why she had no idea what to do.

"Haha." Da Shan laughed when Mu Ai kept sitting on Xiao Tian's lap. "Wife, it looks like little Ai doesn't want to move from her position."

Su Ruanyi was also startled. Usually, Mu Ai would immediately sit on her lap. This was the first time something like this had happened.

"It seems like little Ai really likes Mr. Xiao." Da Shan also did not expect something like that to happen.

He knew how close Mu Ai was to his wife. Previously, he also thought that Mu Ai would immediately sit on his wife's lap, but he was wrong.

'It seems like Mr. Xiao has won little Ai's heart.'

He said in his mind.

"Un. I really like big brother." After saying that, Mu Ai kissed Xiao Tian's cheeks.

Xiao Tian smiled happily before pinching Mu Ai's cute cheeks. "Big brother also likes little Ai."

"Hehe." Mu Ai and Xiao Tian laughed happily,

"Mr. Xiao, you are already close to little Ai, so I suddenly wonder when are you going to marry Mrs. Long?" Da Shan asked curiously.

"Not now, but I will marry her for sure in the future." Xiao Tian wanted to live with Long Jingxian forever so he would marry her in the future.

However, now was not the right time to marry her. He even still had not married any of his women.

Even though it was not the first time Xiao Tian said something like that, it still made Long Jingxian happy.

Da Shan laughed again when he saw Long Jingxian's expression. "It seems like Mrs. Long also wants to marry you. Look at her! She is smiling happy as if she just got the winning trophy."

Xiao Tian turned his head to look at Long Jingxian. When he saw her soft smile, he immediately kissed her forehead.

"I love you, Jingxian." Even though Da Shan and Su Ruanyi were next to him, Xiao Tian did not feel shy.

"I love you too." Long Jingxian's face blossomed into a smile.

Like Xiao Tian, she did not feel shy to express her feelings to Xiao Tian. They were lovers, so it was normal to express feelings to each other like that.

At this moment, Su Ruanyi looked at Xiao Tian and Long Jingxian intently.

'They look so happy.'

She had no idea as to why she was suddenly jealous of Long Jingxian.

'Ruanyi, stop it! Your husband is next to you and he is only your sex friend, so don't be sad.'

Even though Su Ruanyi tried her best to cheer herself up, but she was still jealous.

As they were talking happily, something unexpected happened.

It suddenly rained!

Of course, they kept chatting.

However, they only talked for several minutes before finally, they stopped.

Because the atmosphere was perfect for sleeping, Xiao Tian and Long Jingxian fell asleep. Like before, Mu Ai was still sitting on his lap.

As for Long Jingxian, she was leaning her head on Xiao Tian's right shoulder while hugging his right hand.

At that time, they looked like a happy family.

The feeling of deep jealousy appeared in Su Ruanyi's heart when she saw Xiao Tian and Long Jingxian.

'Mrs. Long seems like she is the happiest woman in the world.'

Su Ruanyi suddenly wished to swap place with Long Jingxian because it looked so comfortable to sleep on Xiao Tian's shoulders while hugging his arms.

She even did not realize that she kept looking at them. At that time, her head was filled with jealousy for Long Jingxian.

Da Shan, who was sitting on his wife's left side, noticed what she was doing.

'Hmm?'

He then turned his head in the direction that Su Ruanyi was looking at.

Coincidentally, Su Ruanyi was looking at Xiao Tian. And because she desired to lovey-dovey with him, she kept looking at him.

Da Shan was curious.

'Why is she looking at Mr. Xiao like that?'

At this moment, he was still not suspicious of her.

However, when Su Ruanyi did not stop looking at Xiao Tian, he could not hold back the curiosity in his heart.

"Wife, why are you looking at Mr.. Xiao like that?" Da Shan asked curiously.

Chapter 1068 - Hurt

7-8 minutes

"Wife, why are you looking at Mr. Xiao like that?" Da Shan asked curiously.

Su Ruanyi instantly came to her senses and looked at her husband.

'I forgot my husband was next to me.'

At this moment, Su Ruanyi's heart suddenly beat faster.

Because her husband asked that question, she was sure that he knew what she did earlier.

'Calm down Ruanyi, calm down. If you behave naturally, your husband will not be suspicious of you.'

Even though she had tried her best to calm herself down, but Su Ruanyi's heart was still beating fast.

When she found a great excuse, she immediately replied, "Mrs. Long and student Xiao look so happy right now. They look like a happy family."

Because her answer was good, the suspicion inside him instantly disappeared. "You are right. They look like a happy family."

At this moment, Xiao Tian was awake, but he was pretending to be asleep. Of course, he would protect Su Ruanyi if Da Shan did something bad to her.

'It seems like I don't have to pretend to be asleep anymore.'

In order to protect Su Ruanyi, he opened his eyes.

Xiao Tian immediately changed the topic, making Da Shan forget what Su Ruanyi did earlier.

When the rain stopped, Da Shan and Su Ruanyi went home. As for Xiao Tian, Long Jingxian, and Mu Ai, they went to another place.

Xiao Tian wanted to spend time with them for the whole day, so he brought them to another good place.

At 06:00 pm, they went home. After that, he spent time with all of his women in the backyard.

Su Ruanyi's House, Her Bedroom.

It was already 11:00 pm, so Su Ruanyi and Da Shan were already asleep. However, Da Shan suddenly woke up and headed to the dining room because he was thirsty.

'Huft. My wife is still angry at me.'

After returning to his room, Da Shan immediately lay on the bed.

As he was thinking of a way to make up with his wife, he suddenly heard something shocking.

Su Ruanyi was calling Xiao Tian's name in her sleep!

Da Shan instantly turned his head towards her wife.

'Wife, why are you calling Mr. Xiao's name in your sleep?'

He suddenly felt like someone was stabbing his heart with a knife continuously.

Su Ruanyi was his wife, but she was calling another man's name in her sleep. This was something harrowing for every husband in the world.

At this moment, he suddenly remembered the time when his wife looked at Xiao Tian intently.

'Don't tell me... don't tell me she is in love with Mr. Xiao?!'

He still did not suspect that Su Ruanyi had an affair with Xiao Tian.

He only thought that his wife had fallen in love with Xiao Tian because her behavior looked like a girl who was deeply in love with someone.

At that time, he wanted to wake her up and ask about it, but at the same time, he was afraid of the answer.

'Is it because I never give her happiness lately? Is it because I have been selfish lately? Or is it because I haven't been satisfying her in bed lately?'

Countless questions appeared in his mind.

Because Su Ruanyi always behaved like a good wife, it never crossed his mind that something like that would happen to him.

Of course, he knew that countless men always tried to seduce his wife, but he never cared about it because Su Ruanyi was a faithful wife in his eyes.

'Wife, are you really in love with my boss?'

That night, Da Shan could not sleep comfortably.

He woke up from his sleep many times because his heart hurt so much. This was the first time he had felt his heart hurt like that.

The following morning, Su Ruanyi immediately headed to the kitchen after waking up. Of course, she did not know that she called Xiao Tian's name in her sleep last night.

After cooking breakfast, Su Ruanyi called her husband to have breakfast with her.

"Why are your eyes like that?" Su Ruanyi inquired, "Didn't you sleep last night?"

Her husband's eyes were black like panda eyes. Those were the eyes of people who did not sleep all day.

"It's nothing." At first, he wanted to tell her everything, but he changed his mind.

"All right." Because he did not want to tell her about it, Su Ruanyi did not ask more questions.

After breakfast, they went to the Star Film company to work.

Xiao Tian's House, His Bedroom.

After soaking in the Duzu potion and practicing martial arts, Xiao Tian dragged Liu Ning to his room because he wanted to lovey-dovey with her.

"Ning'er, how about we go on a date today?" Xiao Tian inquired.

"But I have to go to work in twenty minutes." Of course, Liu Ning wanted to go on a date with him, but she had to go to work.

"Forget about work." Xiao Tian replied immediately. "Did you forget your handsome lover is your boss? I will inform my subordinate later. You don't have to worry about it."

Liu Ning smiled softly after hearing his words. "All right."

After Liu Ning changed her clothes, Xiao Tian took her to many romantic places.

It was already 05:00 pm, so Da Shan and Su Ruanyi went home.

However, Da Shan immediately went somewhere after taking a shower because his friend had something important to tell him.

Su Ruanyi, who was sitting on the couch in the living room, was annoyed with his husband again.

Ever since she became Xiao Tian's sex friend, she had no idea as to why she was often annoyed by his husband's behavior.

Of course, she tried her best to suppress her anger.

'Student Xiao, I'm lonely.'

At this moment, Su Ruanyi wavered whether she should call Xiao Tian or not.

*Sigh...

Su Ruanyi sighed as she looked at her smartphone in her right hand.

'I will take a bath now.'

She decided to take a bath when she could not make up her mind.

*Drip...

As she was standing under the flowing water, Su Ruanyi suddenly remembered Xiao Tian again.

One thing led to another, and she suddenly recalled the time when she had sex with Xiao Tian in her bedroom.

At first, she did nothing and only shut her eyes, but the longer she remembered when she had sex with Xiao Tian, the hotter her body had become.

For this reason, Su Ruanyi's right hand moved before finally landing on her pussy.

'Student Xiao...'

Su Ruanyi slowly rubbed her clitoris with her right middle finger.

At first, she only rubbed her clitoris, but it did not last long before finally, she slid her right middle finger into her vagina.

'Ah...Student Xiao.'

Like what she did a few days ago, Su Ruanyi thought of Xiao Tian when she was masturbating in the shower cabin.

Su Ruanyi's legs suddenly turned weak. For this reason, she decided to sit on the floor with her back leaning against the shower cabin.

"Ah...Ah...Student Xiao...Ah...Ah..." Su Ruanyi could not hold back herself anymore and began to moan.

Of course, she knew what she was doing, but she did not care about it because her mind was already filled with pleasure.

At this moment, Su Ruanyi did not realize that her husband was standing in front of the bathroom door.

Chapter 1069 - Meeting Xiao Tian At Li Restaurant

7-8 minutes

In front of the bathroom door, a middle-aged man around forty years old was standing while widening his eyes.

His heart was filled with immense pain, and his old face was full of shock. Previously, he returned home faster than usual because he wanted to lovey-dovey with his wife.

He wanted to take his wife to a romantic place so that they could make up later. However, something shocking happened after he arrived home.

He found his wife masturbating in the bathroom!

It was fine if she masturbated while thinking about him.

However, she did not think of him when she was masturbating. She thought of another man, and that person was none other than his boss, Xiao Tian.

He found it hard to believe what he was hearing. He kept telling himself that it was only an illusion, but the evidence kept echoing in his ears.

His wife kept calling Xiao Tian's name while pleasuring herself!

The middle-aged man fell to his knees.

The pain he felt was so great, to the point he felt as if someone kept stabbing his heart with a knife.

'Wife, why are you calling another man's name? Why didn't you call my name?'

The middle-aged man lowered his head.

Every time his wife called Xiao Tian's name, he felt another knife stabbed into his heart.

At that time, he felt as if his world slowly shattered into pieces. Last night, his wife called Xiao Tian's name in her sleep.

He felt immense pain last night, to the point he could not sleep comfortably. But what hurt him the most was that his wife was masturbating while thinking of another man.

The middle-aged man suddenly found himself hard to breathe, and he also felt dizzy. It never crossed his mind that something like this would happen to him.

That middle-aged man was none other than Da Shan, Su Ruanyi's husband.

At this moment, Da Shan wanted to enter the bathroom and ask his wife why she called another man's name when she was masturbating.

However, he did not have the courage to do that because he was afraid of the answer. He was afraid that he would hear something that he did not want to hear.

'Wife, are you in love with Mr. Xiao?'

He still thought that his wife was in love with Xiao Tian.

Da Shan slowly rose to his feet before heading to the terrace. After taking a deep breath, Da Shan entered his house again. "Wife, I'm home."

Su Ruanyi, who was masturbating in the bathroom, instantly stopped what she was doing.

'He has returned home!'

At this moment, she was annoyed because she still had not had an orgasm.

Yes. She had reached her limit, so she felt uncomfortable right now. However, she knew that she could not continue masturbating because her husband had arrived home.

While still wearing an annoyed face, Su Ruanyi grabbed a towel and dried her body. She immediately headed to her room to wear clothes.

When Da Shan saw his wife in the living room, he immediately said, "Oh, you have taken a shower?!"

Even though he felt immense pain, he still smiled softly as if he did not know what she did in the bathroom earlier.

"Yes." Su Ruanyi replied instantly. "My body was full of sweat earlier, so I took a shower after arriving home."

'Luckily, he did not know anything.'

She added in her mind.

At this moment, Su Ruanyi believed her husband did not know that she masturbated in the bathroom while imagining Xiao Tian earlier.

Otherwise, he would not behave like that to her. That was why Su Ruanyi was relieved after seeing his expression.

"Wife, how about we have dinner out now?" Da Shan inquired,

"Hmm?" Su Ruanyi was startled after hearing his words. "...All right."

She was not in the mood to cook dinner, so she agreed immediately. Like Da Shan, Su Ruanyi also hid her annoyance deep in her heart.

After Da Shan took a shower, they immediately went to Li Restaurant. Li Restaurant was located in Xufang city, near Shenro Fountain.

It was one of the most famous restaurants in Xufang city.

The reason why Da Shan suddenly invited his wife to have dinner with him was that he wanted to make his relationship with his wife harmonious again.

Su Ruanyi called Xiao Tian's name in her sleep and also thought of him when she was masturbating.

If he did not win his wife's heart again, he believed that he would regret it later.

That was why Da Shan would try his best to make that night one of the best nights in his wife's life.

With this, he hoped his wife would not think about Xiao Tian anymore later.

To his surprise, Da Shan saw Xiao Tian at Li Restaurant.

'Why is Mr. Xiao here?'

At first, Da Shan wanted to avoid Xiao Tian, but he changed his mind because Xiao Tian was his boss.

He was afraid that Xiao Tian would feel offended, and that would not be good for his future work.

'I will only greet him and immediately take my wife away from him later.'

Da Shan believed that his wife was in love with Xiao Tian, so it was not a good idea to be with Xiao Tian for a long time.

Like Da Shan, Su Ruanyi was startled when he saw Xiao Tian at Li Restaurant.

'Student Xiao?'

Actually, she wanted to approach Xiao Tian immediately, but she decided against it because she was with her husband.

She was afraid that her husband would be suspicious of her later.

Of course, she hoped her husband would greet Xiao Tian because, with this, she could talk with Xiao Tian later.

And as if she was loved by the goddess, Da Shan suddenly looked at her before speaking, "Wife, let's greet Mr. Xiao first."

"Un." Su Ruanyi did not realize that she nodded her head happily.

Da Shan only stared at his wife.

'Wife, can you at least hide your happiness? You are with your husband right now.'

Of course, Da Shan only said it in his head.

"Mr. Xiao..." Da Shan spoke as he walked towards Xiao Tian.

Xiao Tian, who was standing on Shi Fei's right side, instantly turned his head towards the source of the sound.

'Mr. Da and professor Su?'

He did not expect to meet them at Li Restaurant.

"Mr. Da, I did not expect to meet you here." Like Da Shan, Xiao Tian smiled as he spoke.

"I suddenly wanted to have dinner with my wife in this place." After saying that, Da Shan shifted his gaze from Xiao Tian to Shi Fei, "Who is this gorgeous lady?"

Xiao Tian grabbed Shi Fei by the waist before answering, "She is Shi Fei, my lover."

Da Shan almost coughed up blood.

'His lover? Does this mean he has more than one girlfriend?'

He knew that Long Jingxian was Xiao Tian's lover.

That was why Da Shan was shocked after hearing Xiao Tian's words. But what surprised him most was that Xiao Tian did not try to hide it.

'Does Mrs. Long know about this?'

He suddenly wanted to know if Long Jingxian knew about this or not.

"Hello, I'm Shi Fei." Shi Fei introduced herself. "I'm one of the six girlfriends of little brother."

Da Shan widened his eyes.

'One of the six girlfriends?!'

Chapter 1070 - Did You Forget Your Promise?

9-11 minutes

"I'm one of the six girlfriends of little brother." Shi Fei revealed the truth without thinking twice.

Xiao Tian instantly pinched Shi Fei's cheeks. "My sexy lover, why did you say something like that?"

"But it's the truth." Shi Fei smiled as if she did not do anything wrong.

After hearing how Xiao Tian called Shi Fei, Su Ruanyi checked Shi Fei's body.

'She really has an amazing body!'

Even though Su Ruanyi was confident with the shape of her body, but Shi Fei's body was better than hers.

Shi Fei's body was even better than all the female models she had ever seen. No. Shi Fei's body was the most amazing body she had ever seen in her life.

'Student Xiao is amazing!'

Su Ruanyi instantly praised Xiao Tian.

Due to how sexy Shi Fei was, Su Ruanyi was sure only an extraordinary man could make Shi Fei their girlfriend.

But when Su Ruanyi remembered how amazing Xiao Tian was, she thought it was normal for him to be able to win Shi Fei's heart.

Xiao Tian was attractive, young, handsome, clever, and successful. There were only a few people like him in this world.

'So she is Miss Shi, huh?'

Su Ruanyi was not surprised after hearing Shi Fei's words because Xiao Tian had told her everything.

At this moment, Su Ruanyi suddenly wanted to spend time with Xiao Tian, but she knew that she could not do that because she was with her husband.

For this reason, she only stared at Xiao Tian without saying a single word.

'Why am I feeling jealous now? Is it because I want to spend time with him?'

Su Ruanyi suddenly felt jealous when she saw Xiao Tian and Shi Fei smiling at each other.

When Da Shan noticed that his wife kept staring at Xiao Tian, he knew that he had to take his wife away from Xiao Tian.

"My wife and I will enter the restaurant first because we don't want to disturb your time with your lover." Da Shan lied to Xiao Tian.

Da Shan did this because he was afraid that his wife would fall in love with Xiao Tian deeper later.

"All right." Xiao Tian replied as he smiled.

As Su Ruanyi was stepping into the restaurant with her husband, she looked at Xiao Tian for the last time.

'I hope you will sit near me later, student Xiao.'

She could only say it in her head because her husband would be suspicious if she said it directly.

"Little brother, is she the one named professor Su?" Shi Fei asked curiously.

"Yes." Xiao Tian gave an honest answer.

"Why didn't you say something to her earlier?" Shi Fei knew that Xiao Tian had a special relationship with Su Ruanyi because he had told her everything.

"Stop asking question." Xiao Tian flicked Shi Fei's forehead. "Let's enter too. I'm hungry now."

"All right." Shi Fei instantly hugged Xiao Tian's right arm.

After ordering food and drinks, Xiao Tian and Shi Fei walked towards empty chairs. He did not sit close to Su Ruanyi and Da Shan because he wanted to lovey-dovey with Shi Fei.

Sure, Su Ruanyi was his sex friend, but Shi Fei was the most important girlfriend in his heart, so of course, he would take her as his priority.

As he was eating, Da Shan tried his best to make his wife happy. However, Su Ruanyi's response was not like what he wanted.

Of course, he did not give up and kept trying his best to make her happy.

'Is everything too late now?'

When he saw his wife's response and expressions, he knew that his efforts were in vain.

'God, please help me.'

Da Shan did not want to lose Su Ruanyi because she was a good wife.

Not only that, she was an attractive lady too. Her beauty was not inferior to these women in their twenties.

Unlike Da Shan, Xiao Tian enjoyed his time with Shi Fei. They even fed each other. Because they were in the VIP area, only a few people were around them.

"Fei, I have to go to the bathroom first." Xiao Tian uttered.

"Un." Shi Fei nodded her head.

Xiao Tian rose to his feet and immediately headed to the washroom.

Not long after that, Su Ruanyi spoke, "Husband, I need to go to the washroom."

Actually, it was only a coincidence that she wanted to go to the washroom after Xiao Tian headed to the toilet.

She did not know about it because Xiao Tian's seat was far from hers. She even did not see him earlier.

"All right." Da Shan nodded his head.

Su Ruanyi met Xiao Tian on her way to the toilet. "Student Xiao?"

The female toilet was located next to the male washroom, so it was normal if they met.

"Professor Su?" like Su Ruanyi, Xiao Tian was also a little surprised.

Of course, Xiao Tian did not show it on his face and only behaved normally.

"Why did you choose to sit far from me? Is it because you are with one of your women?" previously, Su Ruanyi hoped Xiao Tian would sit next to her or, at least, close to her.

She did not expect that Xiao Tian would sit far away from her. She even did not see him and had no idea where his seat was.

When Xiao Tian saw her expression, he decided to tease her. "What is this, professor Su? Do you want to spend time with me so badly?"

Instead of answering his question, Su Ruanyi inquired, "Did you forget your promise?"

"I have saved my promise in my head, so there is no way I will forget it." After saying that, Xiao Tian brought his head towards her right ear and whispered, "Professor Su, are you thinking of having some fun with your former student in the toilet?"

Su Ruanyi suddenly squirmed her legs. Of course, she knew the meaning of his words.

Sex!

Previously, she did not have an orgasm when she masturbated in the bathroom because her husband suddenly arrived home.

She even had reached her limit when her husband suddenly arrived home. This was the reason why her body was easily aroused after hearing Xiao Tian's words.

'This is risky, but I need him to satisfy my horny body.'

After thinking for several seconds, Su Ranyi grabbed Xiao Tian's right hand and dragged him to the female toilet. "Come with me, student Xiao!"

Her actions much surprised him. He only teased her a little, so he did not expect that she would drag him to the female washroom immediately.

'It seems like she wants me to satisfy her body now.'

Xiao Tian's surprised face instantly turned into a grin.

It was not the first time he had sex in the bathroom, so he was not afraid or nervous; instead, it excited him.

Da Shan was at Li Restaurant, and here, he would have some fun with his wife in the washroom.

Coincidentally, no one was in the female washroom, so Su Ruanyi immediately dragged Xiao Tian into one of the cubicle toilets.

After entering one of the cubicle toilets, Su Ruanyi cornered him against the cubicle toilet. Like what she did when she was drunk, Su Ruanyi instantly kissed Xiao Tian passionately.

She did not ask about his opinion because she was sure that Xiao Tian would not refuse her wish.

Xiao Tian was pleased when Su Ruanyi behaved wildly like that.

'It seems like she is already horny before meeting me in the washroom. Was it because her husband failed to satisfy her again?'

Because Su Ruanyi behaved wildly, Xiao Tian suspected something.

First, she had sex with her husband before coming to the Li Restaurant, but he was unable to satisfy her like usual.

Last, she suddenly felt aroused when she met him earlier.

Xiao Tian always managed to satisfy her every time they had sex, so it was normal if she desired to have sex with him again, especially when she just had sex with her husband, and her husband could not satisfy her.

After Su Ruanyi stopped the kiss, Xiao Tian spoke in a low voice, "What a wild professor!"

Su Ruanyi did not say anything because she wanted to enjoy his body immediately. For this reason, Su Ruanyi immediately squatted down in front of him before unbuckling his belt.

After Xiao Tian's trousers dropped to his feet, Su Ruanyi wasted no time and immediately sucked his penis.

At this moment, Xiao Tian still did nothing and only stared at her pretty face.

'Look at her! It seems like she is addicted to my penis now.'

He was amazed by her behavior.

Last time, she always tried to stop him when they were about to have sex. Not only that, she even had the thought of becoming a faithful wife again after having sex with him.

But here, she was sucking and licking his cock as if she was a slut who had not seen a penis for several months.

When Su Ruanyi noticed that Xiao Tian was looking at her, she suddenly stopped what she was doing.

However, it only lasted for two seconds before finally she sucked and licked Xiao Tian's cock again.

Su Ruanyi did not care even if Xiao Tian thought of her as a slut because she was really horny at that time.

Because of his old husband, she could not have an orgasm when she masturbated in the bathroom, so she wanted to vent her frustration by sucking and licking Xiao Tian's penis.

'Good! It's already erect.'

When Xiao Tian's penis was fully erect, Su Ruanyi rose to her feet and turned around.

After lifting her red dress to her waist and lowering her panties, Su Ruanyi placed her hands on the toilet tank.. "Student Xiao, you can put it in now."
