Chapter 1071 - Going To Li Restaurant

Inside the female washroom, two people were doing lewd things in one of the toilet cubicles.

The mature lady was placing her hands on the toilet tank while spreading her flawless legs widely.

Her red dress was lifted to her waist, and her blue panties were on her right leg.

Even though she was half-naked, she did not show the slightest care about it as if she wanted to show off her perfect ass and legs to the world.

Behind her, an attractive young man about twenty years old was grabbing the mature lady's waist. Like the mature lady, the young man was also half-naked.

However, the difference between them was that the mature lady did not do anything while the young man was moving his waist back and forth continuously.

Sex!

Yes, there two people were currently having sex in the female toilet.

The young man slid his huge penis in and out of the mature lady's wet vagina while the mature lady was trying her best to hold back her cries.

Even though they were having sex in the toilet cubicle, they did not show a worried face as if the women's bathroom was their home's washroom.

These two people were none other than Xiao Tian and his sex friend, Su Ruanyi.

After Su Ruanyi dragged Xiao Tian into the female toilet and sucked his penis, she immediately told him to thrust his erect cock into her wet vagina.

As a good sex friend and former student, Xiao Tian did not refuse her wish and immediately slid his penis into her pussy.

It had been fifteen minutes since they started having sex in the toilet, but none of them showed the sign of stopping.

"Why hasn't she returned yet?" Da Shan wanted to know why his wife still had not returned from the washroom.

Like Da Shan, Shi Fei also wanted to know why Xiao Tian still had not returned from the toilet.

'Don't tell me....'

Because she met Su Ruanyi a few minutes ago, Shi Fei suddenly thought of something.

She suddenly thought that Xiao Tian was currently having sex with Su Ruanyi in the toilet!

'What a bad little brother! It seems like I have to punish him later.'

Of course, Xiao Tian's punishment was to have sex with her later.

She would ask him to have sex with her and make her fall unconscious from having sex later because he ignored her and had sex with another woman.

"It has been more than twenty minutes since she went to the bathroom." Da Shan uttered as he looked at his watch. "Is she alright? Should I check her now?"

Da Shan suddenly wanted to know whether her wife was fine or not. However, he decided to wait for her wife after thinking for several seconds.

"Mmm...Mmmm...Mmmm..." like before, Su Ruanyi tried her best to hold back her cries.

Even though she did not hear anyone's voice in the bathroom, she still suppressed her wails because she did not want anyone to know what she was doing in the female toilet with her former student.

Unlike before, Xiao Tian and Su Ruanyi were currently having sex in a lap dance position. He was sitting on the toilet while Su Ruanyi was continuously bouncing her body on his cock.

Because Su Ruanyi told him to make her have an orgasm as quickly as possible, he thrust his penis as deeply as he could, causing his penis to hit her womb continuously.

For this reason, Su Ruanyi already had an orgasm earlier. There were two reasons why she had an orgasm faster than usual.

First, she masturbated before going to the Li Restaurant. She even had reached her limit when she was masturbating.

However, she did not have an orgasm because her husband suddenly arrived home. That was why her body was hot and sensitive before going to the Li Restaurant.

Secondly, it was because Xiao Tian kept giving her immense pleasure. The tip of his penis hit her womb every time he thrust his huge penis.

Coupled with her sensitive and hot body, it did not take long for her to reach her limit. For this reason, she had an orgasm faster than usual.

And the reason why she was still having sex with Xiao Tian was that he still had not had an orgasm. As his sex friend, it was her duty to satisfy him too.

She did not want to be a bad sex friend where she immediately stopped after she had an orgasm because she knew how uncomfortable it was.

Her husband always slept after having an orgasm without caring about her feelings, so she did not want Xiao Tian to feel those feelings.

That was why she decided to continue having sex with him until he had an orgasm.

Not long after that, Xiao Tian finally reached his limit. "Professor Su, I'm cumming... I'm cumming...."

Su Ruanyi bounced her body faster because she wanted to quickly make Xiao Tian have an orgasm.

"Cum in me, student Xiao. Cum in me."

At first, Xiao Tian wanted to cum outside because she was with her husband, but he changed his mind after hearing her words.

After Xiao Tian could not hold back himself anymore, he let out his white sperm deep inside Su Ruanyi's wet vagina. "I'm cumming...."

*Spurt....

Xiao Tian shot his white sperm deep in Su Ruanyi's vagina.

Su Ruanyi tilted her head back when Xiao Tian was letting out his sperm inside her pussy.

'Ahh...Student Xiao is shooting his sperm in my vagina.'

After Xiao Tian let out all his sperm deep in her pussy, she pulled his head towards her breasts.

As usual, Xiao Tian instantly wrapped his arms around her slender waist.

They remained in the same position for about a minute before finally Su Ruanyi kissed his hair and spoke, "Let's go back now or else my husband will be suspicious of me later."

"All right." Xiao Tian knew that they could not stay in the bathroom longer.

After sliding from Xiao Tian's lap, Su Ruanyi cleaned his white sperm in her vagina. She did not want her husband to know what she did in the bathroom, so she had to clean her pussy.

After tidying up their clothes, Xiao Tian and Su Ruanyi were ready to leave the toilet. However, Xiao Tian suddenly did something unexpected to her.

He wrapped his right arm around her waist and pulled her towards him!

Yes. Xiao Tian wanted to kiss her passionately before leaving the bathroom. Sure, they had a deep kiss many times earlier, but it was still not enough.

Su Ruanyi only looked at Xiao Tian's eyes without saying a single word.

Of course, she knew what he had in mind because she also wanted to have a deep kiss before leaving the toilet.

As Xiao Tian was bringing his lips closer towards hers, Su Ruanyi slowly shut her eyes. She immediately opened her mouth when Xiao Tian tried to put his tongue into her mouth.

They had a passionate kiss for several seconds before finally, she broke the kiss, "We have to return now."

After helping Xiao Tian out of the female washroom, Su Ruanyi immediately headed to her table.

When Da Shan saw his wife, he immediately asked, "Wife, what took you so long?"

Chapter 1072 - Shadow Moon Records

7-8 minutes

"Sorry, my stomach hurts a lot earlier." Su Ruanyi had prepared an excuse, so she could answer his husband's question easily.

"I see." Because her answer made sense, Da Shan believed her words.

At the same time, Shi Fei asked the same question to Xiao Tian. "What took you so long, little brother?"

Unlike Su Ruanyi, Xiao Tian gave an honest answer, "I had some fun with professor Su in the bathroom earlier."

Shi Fei was not surprised by his answer because she had guessed it before. "I see. Then I want you to have sex with me after arriving home later."

Xiao Tian pinched her nose before smiling, "What a pervert lady!"

"You are also a pervert because you had sex with another woman when you were on a date with me." Of course, Shi Fei was not angry at Xiao Tian.

After Xiao Tian sat next to her, he immediately spoke, "All right, let's forget about it. Here, eat this."

When Xiao Tian fed her, Shi Fei smiled happily before eating it. "Hehe."

Like before, Xiao Tian and Shi Fei were lovey-dovey again. They looked so happy as if they had just become a couple.

After consuming her food, Su Ruanyi spoke, "Husband, let's go home now. I'm tired and want to sleep."

"All right." Even though Da Shan still wanted to spend time with her at Li Restaurant, he decided to grant her wish.

As Da Shan and Su Ruanyi were walking, they suddenly saw Xiao Tian lovey-dovey with his sexy lover, Shi Fei.

At that time, Shi Fei and Xiao Tian looked so happy. They were talking, joking, and laughing together.

Da Shan, who saw them, suddenly felt envy.

The reason why he took his wife to the Li Restaurant was to make up with her and lovey-dovey with her, but everything was not like what he wanted.

First, Su Ruanyi did not give a good response when he tried to lovey-dovey with her. She even often gave a short answer too.

Second, she took a long time when she went to the washroom. And lastly, she immediately wanted to go home after eating her food.

This was the reason why Da Shan suddenly felt envy when he saw Xiao Tian lovey-dovey with his lover.

'If only I can lovey-dovey like that with my wife.'

Da Shan could only sigh.

When Da Shan and his wife were close to him, Xiao Tian immediately spoke, "Mr. Da, professor Su, do you two want to go home?"

"Yes." Da Shan answered instantly. "My wife is tired so she wants to go home immediately."

"I see." After saying that, Xiao Tian shifted his gaze from Da Shan to Su Ruanyi. "It seems like professor Su is very busy lately."

When he said that, he meant she was busy having an affair with him.

Su Ruanyi unconsciously squirmed her legs when Xiao Tian looked at her legs.

'Why is my body so sensitive to his words and actions?'

Xiao Tian did not do anything and only looked at her legs, but her body suddenly turned hot.

'Was it because I had sex with him earlier? Or is it because he always manages to satisfy me?'

Countless questions appeared in her mind.

"It seems like Mr. Xiao is having a good time with your lover." Even though Da Shan had tried his best to hide his jealousy, it could still be seen on his face.

"It's because I'm with the person I love the most." Xiao Tian gave an honest answer.

Shi Fei smiled happily after hearing Xiao Tian's words. For this reason, she immediately hugged Xiao Tian's right arm.

Like Da Shan, Su Ruanyi was also jealous of them. Sure, she had sex with Xiao Tian a few minutes ago, but she also wanted to lovey-dovey with him.

Of course, she knew that she could not do that because she was with her husband and Xiao Tian was with one of his girlfriends.

Because Da Shan did not want to disturb Xiao Tian and Shi Fei, he immediately took his wife home.

Like what they had previously agreed, Xiao Tian and Shi Fei immediately had sex after arriving home.

However, Xiao Tian did not only have sex with Shi Fei. He had sex with Liu Ning and Lin Xing Xue too.

The following morning, Xiao Tian went to the Star Film company after taking a medicine bath and practicing martial arts.

As he was working, Xiao Tian suddenly remembered something important.

'If I want to make undefeatable underling, I have to make some fighting rules for my underlings. With this, it will increase the chances of victory in every fight.'

Xiao Tian started to write fighting rules for his underlings. He wrote down all the important things that could increase the chances of victory in every fight.

Because he had two lives of fighting experience, he knew many ways to increase the chances of victory in every fight.

After writing down the fighting rules, Xiao Tian stopped.

'For now, this is the fighting rules for my underlings. I will add it again in the future.'

Xiao Tian had written thirty fighting rules that could increase the chance of winning in a fight.

'Now I need to name it.'

After thinking for several minutes, Xiao Tian found a good name.

'I will name it Shadow Moon Records.'

He named it Shadow Moon Records because he loved that name.

After printing it, Xiao Tian went to the Blue Ice Lotus gang headquarters to give it to his underlings.

"Everyone, stop practicing martial arts now." Xiao Tian uttered, "I have something important to tell you."

Xiao Tian's underlings, who were practicing martial arts in the front yard, immediately walked towards him.

All of them were curious as to why he suddenly stopped them from training martial arts. Their curiosity grew bigger when they saw papers in both of Xiao Tian's hands.

Like Xiao Tian's underlings, Mu Huo and Ren Aoxu were also curious about what Xiao Tian wanted to say to them.

At this moment, Chun Hua only stood on Xiao Tian's left side without saying a single word. Of course, she was also curious about it.

After all of his underlings were in front of him, Xiao Tian gave the papers to Mu Huo and Chun Hua. "Chun Hua, Mu Huo, give these papers to them. And take one for yourself too."

Chun Hua and Mu Huo took the papers before giving them to Xiao Tian's underlings.

'Shadow Moon Records?'

Chun Hua and the others were surprised when they read the title.

"I decided to create fighting rules for all of you today." Xiao Tian spoke and paused for a second before he continued, "The reason why I made these fighting rules is that I want to increase our chances of victory in every fight."

After reading some fighting rules and hearing Xiao Tian's words, Mu Huo and the others finally understood what Xiao Tian wanted.

Xiao Tian then continued, "Today, you don't need to practice martial arts anymore, but in exchange, I want you all to remember these fighting rules today. I don't want excuses. Whatever happens, all of you must remember it today!"

It was only thirty rules, so in his view, it should not be a problem for them to remember it.

"Anyone who fails to remember it today...." Xiao Tian's lips curled into a smirk. "I will punish them later."

One of his underlings suddenly asked, "Leader, is there a reward for those who manage to remember these rules today?"

Chapter 1073 - Bad News

10-12 minutes

"Leader, we will be punished if we fail to remember the Shadow Moon Records, but is there a reward for someone who manages to remember it?" one of his underlings asked.

"I will take the first twenty people, who manages to remember the Shadow Moon Records, to my restaurant to eat with me." Actually, Xiao Tian never planned this before.

However, it was not a bad idea to give them a reward because with this, they would do their best to remember the Shadow Moon Records.

The Shadow Moon Records were useful in a fight because it could help them win every fight. It would benefit him if his underlings never lost a battle.

That was why he did not mind rewarding them. As long as it would benefit him, Xiao Tian would do anything.

"Whoa! It's a good reward!"

"You are right."

"Hehehe. I'm fired up now!"

"Then, I will be the first to remember the Shadow Moon Records."

"Me too."

"I will be the one who will eat with leader later."

"I have good memory, so there is no way I will lose in this competition."

"You are not the only one who have good memory because I have good memory too!"

"Good! Keep quarreling until I finish remembering the Shadow Moon Records."

"Damn it! You dare to take advantage of the situation."

"I don't want to continue quarreling with you. It's wasting my time."

One by one, Xiao Tian's underlings sat on the ground before finally trying to remember the Shadow Moon Records.

Xiao Tian, who saw them, smiled.

'They are a simple people!'

Xiao Tian then looked at Mu Huo and Chun Hua.

"You two remember it too!" Xiao Tian wanted them to remember the Shadow Moon too.

"Understood." Mu Huo and Chun Hua replied in unison.

"Senior brother, what about me?" Ren Aoxu inquired, "Should I remember it too?"

"Up to you. You can try to remember it if you want, but you can also ignore it if you don't want to remember it." Ren Aoxu was not from his gang, so Xiao Tian did not force him to remember the Shadow Moon Records.

In his view, his gang and his martial arts school were two different things.

"Up to me? Then I will remember it." Ren Auxo believed the Shadow Moon Records would be useful to him in the future.

Time went by quickly, and without realizing it, it had been an hour since he ordered his underlings to remember the Shadow Moon Records.

To his surprise, one of his underlings suddenly raised her right hand.

"Leader, I have remembered everything." One of the Blue Ice Lotus gang members uttered.

Xiao Tian was startled. "Prove it!"

She immediately rose to her feet and spoke, "Shadow Moon Records, first article= If you can't defeat your opponent alone, use numbers to beat her/him."

Xiao Tian was surprised and happy when one of his underlings could remember all the articles of the Shadow Moon Records.

But what surprised him most was that fifteen more people also managed to remember the Shadow Moon Records within the next hour.

'I did not know some of my underlings had good memories!'

Because he had promised to treat them before, he brought the first twenty people who managed to remember the Shadow Moon Records to his restaurant to eat with him.

After that, Xiao Tian went to the Red Flower Bar to meet Lan Ruoxi. However, she was not in her bar, she was in Guangzhou.

'I will just work.'

With that idea in mind, Xiao Tian went to Star Clothes company.

Star Film Company, Da Shan's Office.

Currently, Da Shan was sitting on his office chair. Even though he tried his best to focus on his work, his mind was still filled with his wife.

'What should I do now? Is it already too late?'

Da Shan instantly shook his head.

'No, she is still my wife. I still have time to make our relationship the way it used to be.'

He began to think of a way to make his wife fall in love with him again.

Sky University, Su Ruanyi's Office.

Su Ruanyi, who was sitting on her office chair, looked at her smartphone.

'Should I call student Xiao now?'

She suddenly wanted to spend time with Xiao Tian, but she wavered whether she should meet him or not.

'I will call him.'

When Su Ruanyi wanted to call Xiao Tian, one of the university staff knocked on her door.

The staff said there was an urgent meeting, and she was asked to attend the meeting immediately.

For this reason, Su Ruanyi sighed before heading to the meeting room.

Xiao Tian's Mansion, Living Room.

Because Xiao Tian was not in the mood to work, he decided to go home.

"Little Ai, how was school today?" Xiao Tian inquired.

Mu Ai, who was sitting on his right side, replied, "It was good. I talked and ate with my friends today."

"It seems like you have a lot of friends." After saying that, Xiao Tian looked at Feng Yu, "What about you, Feng Yu? Was it good too?"

Feng Yu, who was sitting on his left side, answered with her flat tone and a poker face, "It was boring as usual."

Xiao Tian could only sigh after hearing Feng Yu's answer.

Mu Ai, who saw Xiao Tian's face, immediately looked at Feng Yu and spoke, "Big sister Yu, you should not act like that to big brother. Look! He is sad after hearing your words."

Xiao Tian instantly smiled and pinched Mu Ai's cheeks. "As I thought, only little Ai can understand me."

Mu Ai smiled happily after seeing Xiao Tian's happy face. "Hehe."

Xiao Tian shifted his gaze from Mu Ai to Feng Yu. "Did you hear that, Feng Yu? Little Ai wants you to treat me nicely."

As usual, Feng Yu only stared at Xiao Tian without saying a single word.

"How about we play a game now?" Xiao Tian inquired.

"Un." Mu Ai nodded her head cutely. "I like playing game."

Then they played a game in the living room. At first, Feng Yu only watched them playing a game, but she finally joined them when Mu Ai kept asking her to play a game with them.

Not long after that, Long Jingxian and the others arrived home. They smiled softly when they saw Xiao Tian playing a game with Mu Ai and Feng Yu.

That night, Xiao Tian had an orgy with his women. All of them had a satisfaction smile after having sex because they had an orgasm.

The following morning, Xiao Tian went to the Eternal Beauty company after taking a medicine bath and practicing martial arts.

He worked for about two hours before finally, he traveled to Star Film company.

'Mu Huo?'

Xiao Tian was startled when he saw Mu Huo in the reception area.

"Mu Huo, why are you here?" Xiao Tian asked as he walked towards Mu Huo.

Mu Huo instantly turned around before walking towards Xiao Tian, "Boss, I have bad news."

"Follow me." Xiao Tian did not immediately ask about the bad news because it was not the right place to ask that.

Mu Huo immediately followed Xiao Tian to his office.

After sitting on the couch, Xiao Tian spoke, "Tell me what is it."

"It like this...." Mu Huo began to tell Xiao Tian about the bad news.

An hour ago, Lu Fuzi, one of Mu Ai's school friends, suddenly bullied her, saying her former father was a bad person and also being held in jail.

At first, she ignored him, but she immediately defended herself when Lu Fuzi said bad things about her mother.

He was unhappy when she dared to talk back, so Lu Fuzi pushed her until she fell to the ground.

Feng Yu, who saw it, immediately pushed Lu Fuzi, causing him to fall to the ground. He was even angrier when Feng Yu dared to push him.

For this reason, Lu Fuzi tried to beat Feng Yu. However, everything was not like what he wanted because he was the one who got beaten by Feng Yu.

Blood even dripped down from the corners of his mouth because Feng Yu showed no mercy and kept hitting his face.

Because Lu Fuzi wanted to take revenge, he called his parents to beat Feng Yu. His parents immediately agreed to beat Feng Yu because she dared to injure their son.

But two of Xiao Tian's underlings immediately protected Feng Yu and Mu Ai when Lu Fuzi's parents wanted to beat Feng Yu and Mu Ai.

At first, Xiao Tian's underlings managed to protect Feng Yu and Mu Ai. They even beat Lu Fuzi's parents.

However, everything changed when the bodyguard of Lu Fuzi's father arrived and helped them.

Xiao Tian's underlings were martial artists at the mid-level master stage, while that bodyguard was already at the high-level master stage, so they could not beat him.

Even though Xiao Tian's underlings managed to protect Feng Yu and Mu Ai, they were heavily injured.

For this reason, they immediately fainted after bringing Mu Ai and Feng Yu to the Blue Ice Lotus gang headquarters.

Xiao Tian's eyes gleamed with terrifying light. "Are little Ai and Feng Yu okay?"

"Nothing happened to them, boss." Mu Huo could understand Xiao Tian's feelings. "But your underlings are heavily injured right now. I have taken them to the Life hospital earlier."

"Do you know who they are?" Xiao Tian asked again.

"Because your underlings are still unconscious right now, we still don't know anything about them. Little leaders only know the name of that kid." When Mu Huo said little leaders, he was referring to Mu Ai and Feng Yu. "But I have ordered a few people to investigate it."

"Order more people to investigate it!" Xiao Tian uttered, "I want to know their identities as quickly as possible."

Because they dared to injure his underlings and cause trouble to Mu Ai and Feng Yu, Xiao Tian wanted to beat them.

Before Mu Huo could say something, Su Ruanyi entered his office and spoke, "Student Xiao, I can help you find out who they are."

Because Xiao Tian wanted to know about the bad news immediately, he forgot to close the door earlier.

Su Ruanyi, who heard their conversation, was angry because someone dared to bully Mu Ai.

Xiao Tian and Mu Huo turned their heads towards Su Ruanyi.

After sitting on the sofa, she immediately took her laptop out of her bag. "Where did it happen?"

"Near Huji shop, Xunhui city." Mu Huo knew about this because Xiao Tian's underlings told him before they fainted.

"Let me check it now." Su Ruanyi began to use her laptop.

At this moment, Xiao Tian remembered that Su Ruanyi was skilled in computers.

'I forgot that professor Su won many awards in the past.'

Xiao Tian was pleased because, with this, he believed that Su Ruanyi could find the mastermind later.

Su Ruanyi used the CCTV cameras around the Huji shop to see what happened to Feng Yu and Mu Ai.. "I have found the mastermind."

Chapter 1074 - Kissing Su Ruanyi In His Office

7-8 minutes

Su Ruanyi used the CCTV cameras around the Huji shop to see what had happened to Feng Yu and Mu Ai. "I have found the mastermind."

Xiao Tian and Mu Huo immediately sat on both sides of Su Ruanyi because they wanted to see the mastermind too.

Everything was recorded clearly on the CCTV camera. CCTV camera showed how Lu Fuzi badmouthed Mu Ai or how he pushed her until she fell to the ground.

Xiao Tian's anger grew bigger when he saw what was happening on the CCTV camera.

And the person who beat Xiao Tian's underlings immediately stood behind Lu Fuzi's father after Xiao Tian's underlings left.

"Let me identify them." Su Ruanyi used her skills again. "These are their identities."

The name of Lu Fuzi's father was Lu Yuzen, and his mother's name was Shan Shan. Both of them was thirty-four years old and had black hair.

They were from a high-middle class family and worked at a famous company. Everything about Lu Yuzen and Sha Shan was revealed in full on Su Ruanyi's laptop, including their home address.

Lu Yuzen's house was in Xufang city. It was about one kilometer from Shenro Fountain.

Xiao Tian immediately looked at the identity of Lu Yuzen's bodyguard.

'He is only a martial artist at the high-level master stage.'

He believed that everything would be under his control later.

Xiao Tian immediately looked at Mu Huo and spoke, "Mu Huo, bring ten people to his house and wait for me. But don't make a move until I arrive there."

"Understood." After saying that, Mu Huo walked out of Xiao Tian's office.

*Click...

The sound of Mu Huo closing the door echoed in Xiao Tian's office.

Xiao Tian returned his attention to Su Ruanyi again. "Professor Su, thank you."

If it were not for Su Ruanyi, they would not know the identities of Lu Fuzi's parents so quickly like that.

At this moment, Xiao Tian suddenly wanted to snatch Su Ruanyi from her husband even more because she could help him reach the top of the hierarchy in China.

"What are you going to do to them?" Su Ruanyi asked curiously.

"I want to take revenge for my underlings and my women's daughters." Xiao Tian gave an honest answer. "They were the ones who caused the trouble first, so I won't forgive them easily."

"Why don't you report them to the police?" Su Ruanyi replied.

"No." Xiao Tian refused instantly.

When Su Ruanyi saw Xiao Tian's face, she knew that she would not be able to change his mind. "All right. Be careful."

"Don't worry. Nothing bad will happen to me." After saying that, Xiao Tian cupped Su Ruanyi's face and pressed his lips against hers.

He dared to kiss her because Mu Huo closed the door before leaving, so no one would know what they did in his office.

To his surprise, Su Ruanyi immediately wrapped her long slender arms around his back. But what surprised him most was that she suddenly put her tongue into his mouth.

At first, Xiao Tian only wanted to give her a peck on the lips before going to the Life Hospital to see Mu Ai and the others, but he changed his mind.

Even though he had no idea as to why Su Ruanyi suddenly wanted to have a deep kiss, Xiao Tian did not ask anything and only enjoyed the kiss.

As usual, they moved their tongues lewdly and explored every inch of each other's mouth. Not only that, but they also tilted their heads to the left and right as they were kissing passionately.

One second...Five seconds...Ten seconds...

It had been ten seconds since they started having a deep kiss, but none of them showed the sign of stopping.

Both Xiao Tian and Su Ruanyi enjoyed the kiss so much, to the point they did not want to stop.

At this moment, Xiao Tian suddenly wanted to have sex with Su Ruanyi in his office, but he changed his mind when he remembered Mu Ai and Feng Yu.

They were sex friends, so he could have sex with her whenever he wanted, and of course, he believed that she would not refuse because she loved having sex with him.

Su Ruanyi only stopped the kiss when she was out of breath. "Thank you for the reward, student Xiao."

"What a bad professor!" Xiao Tian smiled softly.

Su Ruanyi did nothing and only smiled when Xiao Tian said she was a bad professor because she was sure that he loved kissing her too.

"I have to go now." even though Xiao Tian still wanted to spend time with Su Ruanyi, he decided to leave.

"Alright." Su Ruanyi nodded her head. "Don't get yourself hurt there."

"All right." After nodding his head, Xiao Tian kissed Su Ruanyi's forehead.

Su Ruanyi immediately headed to her desk after Xiao Tian left.

Life Hospital, Patient Room.

*Click...

Xiao Tian entered the patient room.

"Big brother..." Mu Ai was pleased when she saw Xiao Tian.

Currently, Mu Ai and Feng Yu were lying on the patient beds. Their beds were next to each other.

There were Mu Ai, Feng Yu, Long Jingxian and Lin Xing Xue in the patient room.

At first, Shi Fei and the others wanted to visit Mu Ai and Feng Yu, but Lin Xing Xue forbade them because they had a lot of work to do.

Mu Ai was unharmed, and Feng Yu only suffered a minor injury in her left arm, so Lin Xing Xue thought Shi Fei and the others did not need to visit them.

"How are they?" Xiao Tian inquired.

"They are fine." Long Jingxian replied, "Little Ai is unharmed but little Yu has a minor injury on her left arm."

Xiao Tian shifted his gaze from Long Jingxian to Feng Yu. "Are you fine?"

"I'm fine. It's only a minor injury." Feng Yu showed her left arm to Xiao Tian.

Xiao Tian was relieved when he saw it was only a minor injury.

"But your underlings have quite serious injuries." Long Jingxian uttered, "And they are also still unconscious now."

Xiao Tian returned his attention to Long Jingxian. "Can you take me to their room now?"

"All right." Long Jingxian nodded her head.

Long Jingxian then brought Xiao Tian to his underlings' room. Anger welled up in his chest when he saw his unconscious underlings.

"It will take four to seven days to recover." Long Jingxian uttered, "But don't worry. I will try my best to get them to recover as quickly as possible."

They were Xiao Tian's underlings, so she would try her best to get them to recover as quickly as possible.

"What are you going to do?" Long Jingxian inquired.

"They dare to cause trouble for me, so I will make them pay for it later." Xiao Tian gave an honest answer because he was talking to Long Jingxian.

Actually, Long Jingxian had guessed it. She was also furious because they dared to bully her daughter.

"Just don't get yourself hurt there later." Long Jingxian did not try to stop him.

"Don't worry. Nothing bad will happen to me." After saying that, Xiao Tian kissed Long Jingxian's forehead, "I will leave now."

"All right." Long Jingxian uttered.

Then Xiao Tian went to Lu Yuzen's house.

Chapter 1075 - Going To Lu Yuzen's House

6-7 minutes

Xufang City, Lu Yuzen's house.

Currently, Mu Huo and ten of Xiao Tian's underlings were hiding in front of Lu Yuzen's home.

Five of Xiao Tian's underlings were from the Blue Ice Lotus gang, and the others were from the Shadow gang.

He did not bring Chun Hua and Ren Aoxu because they were on a mission.

Since Xiao Tian ordered them not to make their move until he arrived, they were only spying on Lu Yuzen's house.

Lu Yuzen's house was big and also had a vast front yard. A two-meter-high iron fence surrounded his house, and the distance between his house and other houses was about fifteen meters.

Not long after that, Xiao Tian arrived.

"Are they at home?" Xiao Tian inquired.

"Yes." Mu Huo answered instantly. "They arrived home about ten minutes ago."

"Leader, shall we attack now?" one of the Shadow gang members inquired.

"Let's attack now." Xiao Tian wanted to beat them quickly, so he did not want to waste time.

*Bang!

The iron fence was thrown open roughly.

Lu Yuzen and the others instantly walked out of their home.

"Who are you?" Lu Yuzen asked angrily.

From their behavior, he knew that Xiao Tian had bad intentions, or else he would not kick the iron fence.

Xiao Tian wanted to cause trouble in his place, so he did not need to behave nicely.

Instead of answering his question, Xiao Tian spoke, "Beat them!"

Xiao Tian's underlings wasted no time and dashed towards Lu Yuzen.

Lu Yuzen's bodyguard, Ming Zu, immediately stood in front of Lu Yuzen and tried his best to stop Xiao Tian's underlings.

Sure, his opponent was ten people, but he did not show the slightest fear in his eyes. It was not the first time he fought many people at once, so he fought bravely.

However, because Xiao Tian's underlings were marital artists at the high-level master stage, Ming Zu got beaten up by them in no time.

At this moment, Xiao Tian and Mu Huo remained in their positions. They did not intervene because they believed that Xiao Tian's underlings were more than enough to handle Ming Zu.

The faces of Lu Yuzen and Shan Shan turned worried when they saw Ming Zu getting beaten by Xiao Tian's underlings.

Previously, they behaved normally because Ming Zu had never lost a fight all this time.

He fought many people at once several times in the past, but he always managed to defeat his opponents.

They did not expect that Xiao Tian's underlings were strong.

"Husband, what...what should we do now? It seems like Ming Zu won't be able to defeat them." Shan Shan, Lu Yuzen's wife, said worriedly.

Because Xiao Tian had bad intentions, she feared that he would also beat them to death later.

Like his mother, Lu Fuzi was also scared. He was grabbing his mother's clothes with his trembling body.

Due to how scared he was, his eyes were flooded with tears. Even though he was still a kid, but he already knew what would happen to them if Ming Zu could not defeat them.

"Don't even think about running away because it will be useless." Of course, Xiao Tian would not let them run away because they dared to cause trouble to him.

Lu Yuzen shifted his gaze from Ming Zu to Xiao Tian. "Why are you attacking us? We don't know each other so why are you causing trouble in my place?"

Xiao Tian did not answer Lu Yuzen's questions because, in his view, there was no point in doing that.

Lu Yuzen gritted his teeth, and rage pulsed through his veins. He was unhappy because Xiao Tian suddenly caused trouble in his place.

But what displeased him most was that Ming Zu could not defeat Xiao Tian's underlings.

'There is no other choice. I have to use that. Even though it's still not complete yet, but this is my only choice or else, something bad will happen to us later.'

Lu Yuzen took a blue serum out of his pocket.

"Ming Zu, use this." after saying that, Lu Yuzen threw the serum to Ming Zu.

Ming Zu immediately caught the serum. Of course, he knew what kind of serum it was. Without waiting for another second, he injected the serum into his right arm.

"Aggh..." his body was suddenly filled with power.

His speed, strength and reflexes suddenly increased drastically. Now he was almost like a martial artist at the grandmaster stage.

"What is it?" Xiao Tian inquired, "Have you ever seen that serum?"

"No. This is my first time seeing that." Mu Huo had never seen something like that before.

After Ming Zu injected the serum into his body, he managed to turn the table. Now, it was Xiao Tian's underlings who got beaten by him.

"His speed, reflexes and strength suddenly increased drastically." Xiao Tian did not expect something like this to happen.

"He is like a martial artist at the grandmaster stage." Mu Huo was sure that Ming Zu was stronger than a martial artist at the high-level master stage.

Of course, he was not sure whether Ming Zu was as strong as a martial artist at the grandmaster stage or not.

"Haha." Lu Yuzen laughed happily. "You did not expect this, right?"

Lu Yuzen believed that Ming Zu could defeat Xiao Tian's underlings later because Ming Zu had taken the serum.

Shan Shan and her son were relieved when Ming Zu had the upper hand. Like Lu Yuzen, they were sure that Ming Zu would win the fight later.

Lu Yuzen's lips curled into a smirk.

'After he beats your underlings, you are next.'

The expression of deep shock blossomed on his face when he saw Xiao Tian still behaving normally.

'What?! Why is he still behaving like that? Is he not afraid?'

Previously, he thought Xiao Tian would be terrified, but he was wrong.

He was utterly wrong because Xiao Tian still acted normally as if everything was under his control.

Xiao Tian, who saw his underlings getting beaten by Ming Zu, shook his head.

'Have they forgotten what I taught them yesterday?'

He was a little disappointed at his underlings.

Because he did not want his underling to keep getting beaten by Ming Zu, he immediately spoke, "Shadow Moon Records, tenth article."

Chapter 1076 - What A Fool!

9-11 minutes

Because Xiao Tian did not want his underling to keep getting beaten up by Ming Zu, he immediately spoke, "Shadow Moon Records, tenth article."

Xiao Tian made Shadow Moon Records yesterday. He did this to help his underlings in defeating their opponents easier.

Sure, his underlings were stronger now, but they still needed tactics to defeat their opponents faster and easier.

Xiao Tian's underlings, who heard Xiao Tian's words, instantly took one step back.

[Shadow Moon Records, tenth article = If you can't defeat your enemy in a fair fight, use dirty methods.]

Each of Xiao Tian's underlings took a small bamboo before placing it in their mouths and blowing on it.

*Shui...Shui...

Ten needles flew towards Ming Zu.

Two of the needles landed on Ming Zu's right arm. Five of them hit his chest, and three of them landed on his neck.

"Do you think this kind of attack can change everything?" After saying that, Ming Zu removed all the needles from his body.

Xiao Tian's underlings' lips curled up into a grin.

'What a fool! Does he think these are ordinary needles?'

Xiao Tian was the one who gave these needles to them, and these needles had poison in them.

Someone who got hit by that needle would feel dizzy, and their blood circulation would be messed up. Not only that, but their bodies would become weak instantly too.

Even though the poison was not deadly, it was enough to help them win a fight.

Actually, the reason why the poison was not deadly was that Xiao Tian did not want his opponent to die immediately.

He would not be able to torture his enemy if they died instantly. That was why he did not use a deadly poison.

Of course, Long Jingxian was the one who made that poison. Because she could create a few poisons, Xiao Tian asked her to make some for him.

He wanted to create undefeatable underlings, so he needed poison as his weapon too. He was not a good person.

As long as he could achieve his goals, he would do anything, including using poison.

"Haha. What kind of attack is it?" Lu Yuzen mocked Xiao Tian's underlings. "Do you think it's enough to defeat Ming Zu?"

Because he did not know that these needles had poison, Lu Yuzen found it funny.

"What a fool!" Xiao Tian stated.

"Yes. They are idiot!" Mu Huo added. "He immediately assume something before fully knowing what is going on."

"What...what is this? Why is my body like this?" as Ming Zu was mocking Xiao Tian's underlings, the poison started to take effect.

He suddenly felt dizzy, and his body also turned weak. He even could not see Xiao Tian's underlings clearly.

Each of Xiao Tian's underlings suddenly became three in his eyes. There were now thirty opponents in his eyes, not ten enemies.

'What is this? Why is my body suddenly like this? Is it because of these needles?'

Countless questions appeared in his mind.

'Don't tell me....'

He suddenly suspected that these needles contained poison or else it would be impossible for him to feel dizzy like that.

"Ming Zu, what's wrong?" Lu Yuzen asked after hearing Ming Zu's words.

"These needles...There is poison in these needles." Ming Zu finally understood the reason why his body suddenly became weak like that.

"Oh! You finally found out about it!" one of Xiao Tian's underlings spoke, "But it's already too late because you have been hit by these needles. Haha."

Because Ming Zu had been hit by these needles and the poison had started taking effect, his fate was already set on the stone.

There was only one outcome for him now.

He would lose the fight!

Shan Shan and Lu Fuzi trembled in fear again. Previously, they were relieved and happy because Ming Zu had the upper hand in the fight.

But now, the table had turned again because Ming Zu got poisoned.

"Shameless bastard! You used dirty method!" Lu Yuzen was furious because Xiao Tian's underlings used poison.

If they did not use poison, he was sure that Ming Zu would be able to defeat them in no time because he had taken the serum earlier.

Xiao Tian immediately replied, "Shameless bastard?! Didn't you also use the dirty method before? How can you still dare to say something like that? Tch, tch, tch."

Previously, Ming Zu used serum to increase his speed, strength and reflexes, so Xiao Tian found Lu Yuzen's words funny.

Lu Yuzen could only clench his fists. What Xiao Tian said was right, so he did not know what to say to Xiao Tian.

*Bang...Bang...Bang...

Because Ming Zu felt dizzy and his body was weak, he could not defend himself or fight back when Xiao Tian's underlings attacked him.

*Bang...Bang...Bang...

Head, legs, arms, chest. Xiao Tian's underlings attacked every part of Ming Zu's body.

They were cruel people, so they did not care about Ming Zu's condition and kept attacking him.

Ming Zu's body was covered in blood and bruises. Of course, he tried his best to defend himself or fight back, but his efforts were in vain because he got poisoned earlier.

He could not see his opponents clearly, and his body had no strength. Because Xiao Tian's underlings kept attacking him, he finally fainted.

"Tch! He fainted!" one of Xiao Tian's underlings said in annoyance because she still wanted to beat Ming Zu.

*Fall...

Lu Yuzen fell to his knees when Ming Zu was unconscious.

Now there was no one who could protect him and his family because none of them was martial artists.

"Husband...what...what should we do now?" what she was most afraid of finally happened, so Shan Shan's body trembled non-stop.

Because Xiao Tian immediately caused trouble after arriving at their house, she believed that he would not forgive them.

At this moment, Xiao Tian remained in his position. He wanted to know what Lu Yuzen would do next.

Was he going to beg for their lives like a loser, or would he still try to fight him again?

Ming Zu was unconscious, so no one could help them anymore. Xiao Tian's lips curled up into a sinister grin.

'What are you going to do now?'

Xiao Tian still did not order his underlings to catch Lu Yuzen and the others because he liked seeing Lu Yuzen's frightened expression.

Every loser would beg for their life if they were in danger, including Lu Yuzen. He immediately begged for his life when he realized that no one could help them.

"Young master, please forgive us." Lu Yuzen knelt to Xiao Tian. "We were wrong. Please forgive us."

Even though he had no idea why Xiao Tian was angry at them, he still said they were the wrong ones.

Sure, kneeling to Xiao Tian would make them lose their pride, but he did not care about it because the most important thing was their life.

Because her husband begged Xiao Tian for forgiveness, Shan Shan did the same thing, "Young master, please forgive us."

"Why are you asking for forgiveness now? Where did your mighty behavior go?" Xiao Tian mocked them. "Didn't you say you wanted to beat me up earlier?"

Lu Yuzen did not say a single word. What Xiao Tian said was true. He really wanted to beat Xiao Tian earlier because he dared to cause trouble at his place.

But he knew that he could not do that because Ming Zu had already been defeated by Xiao Tian's underlings. He was even still unconscious now.

"What's happening here?" a voice suddenly rang out.

Xiao Tian and the others instantly turned their heads towards the source of the sound. The person who had just spoken was an old man around fifty-eight years old.

When Lu Yuzen saw that old man, he immediately ran towards that old man. "Big brother..."

Yes. That old man was none other than Lu Peng, Lu Yuzen's older brother. Like Lu Yuzen, Shan Shan and her son immediately ran towards Lu Peng too.

"Hmf! My big brother is here. He will beat you all later." Lu Yuzen's behavior changed again.

Previously, he begged for forgiveness, but now, he behaved differently. He dared to do this because Lu Peng was next to him.

"That's right. Brother in-law is a strong martial artist. He is ranked tenth in Xufang city." Like Lu Yuzen, Shan Shan's behavior also changed drastically.

Shan Shan and her husband were sure that Lu Peng could defeat Xiao Tian and the others later.

Sure, Xiao Tian came with eleven people, but it was only a number in front of a strong person like Lu Peng.

"Boy, why are you causing trouble in my brother's place?" there was not the slightest fear in Lu Peng's eyes as if Xiao Tian and the others were ants in his eyes.

Like what he did when Lu Yuzen's ask the same question, Xiao Tian did not answer and ordered his underlings to beat Lu Peng.

"You made the wrong decision!" Lu Peng walked forwards calmly.

He was a martial artist at the low-level grandmaster stage, so Xiao Tian's underlings were nothing in his eyes.

Every time Xiao Tian's underlings attacked Lu Peng, he always managed to block or avoid it. Not only that, but he also never failed to counter-attack.

Even though it was a one-on-ten battle, but Lu Peng still had the upper hand.

He was a martial artist at the low-level grandmaster stage, so it was not difficult for him to beat ten martial artists at the high-level master stage.

When Xiao Tian saw his underlings getting beaten up by Lu Peng, he immediately spoke, "Shadow Moon Records, fourth article."

Chapter 1077 - Fighting Lu Peng

6-7 minutes

When Xiao Tian saw his underlings getting beaten up by Lu Peng, he immediately spoke, "Shadow Moon Records, fourth article."

[Shadow Moon Records, fourth article= If you fight against an opponent who is much stronger than yourself, don't fight them head-on continuously. Find your opponent's weakness first.]

First, you could use dirty methods to gain the upper hand in the fight, like throwing smoke bombs or something like that.

Second, you should use the surrounding area to your advantage. If you fought in the forest, you could hide behind a tree before throwing a knife towards your opponent.

Third, if you could not find your opponent's weakness, you had to create it.

And after finding the opponent's weakness, you could start attacking your opponent, but you had to use strategy too.

*Bust...

Smoke covered the area around Lu Peng.

Lu Peng, who was standing in the middle of the smoke, stood calmly. "Do you think this kind of trick can defeat me?"

"Brother-in-law, be careful!" Shan Shan said worriedly.

Lu Yuzen, who was standing on her right side, spoke abruptly, "Wife, you don't need to worry. My brother is a strong martial artist. This kind of trick is nothing for him."

He believed that Lu Peng would be fine later. In his view, all kinds of tricks were useless in front of absolute power.

His brother was different from his bodyguard. Lu Peng was the real martial artist at the grandmaster stage, unlike Ming Zu.

*Shui...Shui...Shui...

Countless needles flew towards Lu Peng.

"Big brother, be careful! These needles have poison in it." Lu Yuzen gave Lu Peng a warning

Lu Peng was startled.

'Poison?'

Because he was surrounded by smoke and countless needles flew towards him, Lu Peng was unable to block or avoid all of them.

Some of the needles were landed on his arms and stomach.

'The poison has entered my body, but I can still hold back for five minutes.'

Lu Peng ran through the veil of smoke and attacked one of Xiao Tian's underlings.

Time was of the essence to him because he got poisoned, so he had to defeat his opponent as quickly as possible.

"I will show you that numbers are nothing in front of me." After saying that, Lu Peng attacked one of the Shadow gang members.

Lu Peng was a martial artist at the grandmaster stage while the Shadow gang member was still at the high-level master stage, so the difference between their strength was huge.

For this reason, the Shadow gang member could not match Lu Peng's strength.

"Huak..."

Even though he managed to block Lu Peng's attack, he was still thrown two meters back.

After wiping off the blood on the corners of his mouth, he immediately rose to his feet, ready to fight Lu Peng again.

When Mu Huo saw Xiao Tian's underlings getting beaten up by Lu Peng, he immediately spoke, "Boss, should I help them now?"

"No." Xiao Tian replied instantly. "Just wait here and look at them!"

Because Lu Peng got poisoned, Xiao Tian still had a calm face. Sure, Lu Peng was a martial artist at the grandmaster stage, he was not an invincible person.

"Hahaha." Lu Yuzen laughed happily when he saw his brother beating Xiao Tian's underlings. "It will be your turn after my brother defeats them."

Shan Shan also smiled happily.

'You have caused trouble in my place, so I will make you pay ten-fold later.'

Her eyes were burning with rage, and she looked as if she wanted to swallow Xiao Tian whole.

At this moment, Lu Peng still tried his best to defeat Xiao Tian's underlings as quickly as possible, but something unexpected happened to him.

The poison spread faster in his body!

Xiao Tian had expected something like this to happen. His future opponents were martial artists, so he knew that some of them could still move normally after they got poisoned.

That was why he asked Long Jingxian to make the poison a little special. The poison would spread throughout the body faster if the person, who got poisoned, used their power continuously.

Lu Peng finally realized this.

'I have to defeat them faster now.'

Because he did not have much time, he used his trump card.

Battle instinct!

Lu Peng gained insight into battle instinct when he broke through to the low-level grandmaster stage.

Even though he still had not mastered it fully and could only maintain it for eight seconds, but in his view, it was more than enough to defeat Xiao Tian and the others.

'I will attack him first.'

Because he was poisoned, Lu Peng changed his target.

Previously, he wanted to beat Xiao Tian's underlings first before defeating Xiao Tian, but he could not do that anymore now.

Every second was precious to him and could change everything. If he could defeat Xiao Tian, he was sure that everything would be under his control later.

Xiao Tian was startled when he saw Lu Peng. He had gained insight into battle instinct so he could feel the aura around Lu Peng's body.

'His aura suddenly changed.'

After paying attention to Lu Peng's body carefully, he finally knew the reason why Lu Peng's aura suddenly changed drastically.

'Battle instinct!'

He did not expect that Lu Peng had gained insight into battle instinct.

"Everyone, focus on dodging for the next twenty seconds!" Xiao Tian shouted immediately.

Facing someone, who was in the battle instinct mode, was not a good decision because they were weaker than Lu Peng.

Xiao Tian shifted his gaze from his underlings to Mu Huo. "Mu Huo, get ready."

"All right." Even though Mu Huo had no idea as to why Xiao Tian suddenly said something like that, he did what he was told.

Xiao Tian's underlings were startled after hearing Xiao Tian's words.

'Why?'

None of them had gained insight into battle instinct, so they did not know why Xiao Tian suddenly told them to focus on dodging.

Lu Peng was poisoned, so from their point of view, it was better to keep attacking Lu Peng.

Of course, Xiao Tian understood what they had in mind. "Don't ask anything and do as I say."

After Lu Peng was in the battle instinct mode, he dashed towards Xiao Tian.

Chapter 1078 - You Are Not Bad For An Old Man

7-8 minutes

After Lu Peng was in the battle instinct mode, he dashed towards Xiao Tian.

'No matter what happens, I have to defeat their leader first or else, everything will be troublesome later.'

If he could beat Xiao Tian, he could take Xiao Tian as a hostage later.

Xiao Tian was their leader, so he was sure they would not dare to do anything if Xiao Tian was in his hands.

Of course, he knew that Xiao Tian was their leader because everyone listened to Xiao Tian's order earlier, including Mu Huo, the person who was standing next to Xiao Tian.

Xiao Tian was not surprised when Lu Peng dashed towards him.

'So, I'm your target now, huh? You are not bad for an old man!'

He was the leader, so it was normal if he became the target because Lu Peng had already got poisoned, so Lu Peng wanted to defeat his opponents as quickly as possible.

He would do the same if he were him because it was the basis in a fight or war.

'Should I fight him in battle instinct mode too?'

Xiao Tian believed that Lu Peng could only maintain his battle instinct mode for twelve seconds at most.

Lu Peng was only a martial artist at the low-level grandmaster stage, so Xiao Tian believed that Lu Peng's understanding of battle instinct was not good.

'He is really taking a big risk!'

The battle instinct was a method of borrowing the energy of heaven and earth before finally storing it in the body to increase strength, speed, and reflexes for a few seconds or minutes.

For this reason, Lu Peng's body would become frail after he used battle instinct.

"Boss, he is targeting you!" Mu Huo instantly stood in front of Xiao Tian, intending to protect Xiao Tian.

Of course, Mu Huo knew that Lu Peng was in the battle instinct mode because his martial arts teacher had told him about it in the past.

Because Xiao Tian was sure that Mu Huo and his underlings would not be able to fight back, he decided to use battle instinct too.

None of his underlings knew about battle instinct, and he would also kill Lu Peng and the others later.

As for Mu Huo, he believed that Mu Huo would not tell anyone about it later because it could be said that he was his savior.

Mu Huo could live well because of him, and he was also the one who gave Mu Huo money when he needed it.

'You're not the only one gaining insight into battle instinct.'

Xiao Tian began to focus and absorb the energy of heaven and earth.

*Uak...

Mu Huo and the others were beaten up by Lu Peng in no time.

Lu Yuzen and his wife smiled happily when Lu Peng was beating Xiao Tian's underlings without mercy.

Mu Huo, who was trying his best to stop Lu Peng, was shocked when he saw Xiao Tian.

'That is...'

Even though he still had not gained insight about battle instinct, but Mu Huo knew that Xiao Tian was trying to get into his battle instincts.

His martial arts master had informed him of the signs that occurred when a martial artist attempted to get into battle instinct mode.

Everything was exactly what his martial arts master had said.

'Boss is still in the mid-level master stage, so how could he possibly use his battle instincts?'

At this moment, Mu Huo suddenly remembered something his master had said to him in the past.

'Don't tell me. He...He is the candidate to be the Ruler?!'

Mu Huo knew that Xiao Tian was a genius in martial arts because Xiao Tian managed to reach the mid-level master stage in less than two years.

Mu Huo was surprised when he found out about it. But that kind of shock was nothing compared to what he was feeling at that moment.

Mu Huo suddenly felt goosebumps. He did not expect that his boss was one of the candidates to be the Ruler.

Not only was Xiao Tian a genius in business, but he was also martial art prodigy. Xiao Tian even had an attractive appearance.

It was as if Xiao Tian was loved by gods and goddesses. Everything that everyone wanted was already in him.

"Protect boss no matter what!" Mu Huo knew that Xiao Tian had to concentrate and could not be disturbed.

Xiao Tian's underlings instantly stood in front of Xiao Tian, intending to protect him. He was their leader, so it was their job to protect him.

Of course, Xiao Tian's underlings had no idea that Xiao Tian was absorbing the energy of heaven and earth because Xiao Tian did not tell them that he had gained insight about battle instinct.

However, they still failed to block Lu Peng because he still managed to get through them all.

"Boss." Xiao Tian's underlings shouted in unison when Lu Peng threw his right fist at Xiao Tian's face.

*Boom...

Coincidentally, Xiao Tian was already in battle instinct mode when Lu Peng threw his first at his face.

Even though Xiao Tian managed to block Lu Peng's fist, he was still forced to move back five steps.

Xiao Tian's reflexes and speed were already in the category of the high-level master stage, and his strength was also almost at the high-level master stage, so he was as strong as an ordinary martial artist at the low-level grandmaster stage when he was in battle instinct mode.

However, Lu Peng's strength, speed, and reflexes were now almost at the mid-level grandmaster stage, so there was still a difference between their strength.

Xiao Tian did not mind if he could not defeat Lu Peng because the main goal was to survive until Lu Peng was no longer in battle instinct mode.

After that, everything would be under his control again.

*Shui...Shui...Shui...

Xiao Tian's underlings threw knives at Lu Peng.

"Hold him for a few more seconds." Mu Huo shouted.

Xiao Tian's underlings used ranged attacks. They tried their best to hold Lu Peng as long as they could.

Xiao Tian immediately took out his sword and extended it.

'I will let you smile now.'

Because his main goal was to defend himself, Xiao Tian did not try to attack Lu Peng.

"Oh, what an interesting sword! However, it's useless because I will beat you now." even though Xiao Tian used his sword, Lu Peng did not show the slightest fear in his eyes.

He had fought many opponents, and some of them used weapons, so he was not afraid of Xiao Tian.

"Die!" Lu Peng increased the speed of his attack because he wanted to beat Xiao Tian as quickly as possible.

*Bang...Bang...

Like before, Xiao Tian's underlings tried their best to protect Xiao Tian.

Their Leader had told them that their main focus was to hold off Lu Peng for as long as possible, so they tried their best to do that.

*Bang...

Xiao Tian blocked Lu Peng's attack and was forced to move back five steps.

"Die!" Lu Peng jumped at Xiao Tian and raised his right arm, intending to finish the fight.

However, something unexpected happened when he wanted to finish Xiao Tian.

He was no longer in battle instinct mode!

Xiao Tian's lips curled into a grin.

'Now it's time to fight back.'

Chapter 1079 - Body-Melting Powder

9-11 minutes

'Fuck!'

Lu Peng cursed venomously in his heart.

Previously, he believed that he could defeat Xiao Tian and his underlings, but now the tables had turned.

Because he used battle instinct earlier, his stamina dropped drastically. Now, he was sure that he would not be able to defeat Xiao Tian and his underlings.

He was not even sure whether he could escape from them or not later. Because he was already at a disadvantage, there was only one thing in his mind.

Run!

Sure, his younger brother would be caught by Xiao Tian later, but he did not care about it.

The most important thing was to run away from Xiao Tian. All of this was because of his younger brother, so Lu Yuzen had to take responsibility for his action.

And if he managed to run away, he could ask his friends to help him save his younger brother later.

Sure, Xiao Tian looked like a cruel person, but he was sure that Xiao Tian would not kill his younger brother.

'I have to run away from this place.'

He was poisoned and only had a little stamina left, so he turned around and tried his best to run away.

"Stop him! He has no stamina left!" Xiao Tian ordered Mu Huo and his underlings to stop Lu Peng from running away.

Because Lu Peng was no longer in battle instinct mode, Xiao Tian did the same. It would be meaningless to continue in battle instinct mode because the tables had turned now.

Mu Huo and the others instantly tried their best to stop Lu Peng from running away.

*Shui...Shui...Shui...

Three of Xiao Tian's underlings threw their knives at Lu Peng, trying to slow down his movements.

Because Lu Peng had been poisoned and only had a little stamina left, his speed was slower than usual.

Coupled with Xiao Tian's underlings throwing knives at him, it made his movements much slower because he had to dodge these knives too.

*Bruak...

Lu Yuzen fell to his knees.

He found it hard to believe what he was seeing.

Previously, his elder brother had the upper hand in the fight, but now the tables had turned.

Not only did his elder brother fail to defeat Xiao Tian and his underlings, he even tried to run away and ignored them as if they were not his family anymore.

"It's over... it's over..." this was not what he had previously thought.

The reality was harsh to him. He thought he could torture Xiao Tian later, but he did not expect that he would get slapped in the face by reality.

Shan Shan's body trembled again. Like her husband, she found it hard to believe what she was seeing.

Her brother-in-law was a strong martial artist, but she did not expect him to fail to defeat Xiao Tian and his underlings.

"What...what are you going to do?" terror overtook his face when Xiao Tian walked towards him while carrying his sword.

However, something unexpected happened when Xiao Tian walked past Ming Zu

He stopped his footsteps!

'I forgot about this person.'

Xiao Tian raised his special sword before thrusting it into Ming Zu's heart.

*Stab...

In order to make sure that Ming Zu had died, Xiao Tian sliced Ming Zu's neck with his sword.

Sure, Ming Zu was still unconscious, but he did not care about it because Ming Zu dared to get in his way earlier.

Without knowing who killed him, Ming Zu died!

Lu Yuzen's body trembled non-stop when Xiao Tian still killed Ming Zu even though Ming Zu was unconscious.

'He is devil! He is not human being! He is devil!'

Due to how cruel Xiao Tian was, Lu Yuzen called Xiao Tian devil.

Ming Zu was already unconscious, but Xiao Tian did not show mercy and still killed him. He had never seen something so cruel like this before.

Xiao Tian was the cruelest person he had ever seen in his life. No, Xiao Tian was the cruel devil he had ever seen in his life.

*Bruak...

When Xiao Tian killed the unconscious Ming Zu, Shan Shan fell to her knees.

Because Xiao Tian did not show mercy to the unconscious person, her body was shaking continuously, thinking about what he would do to them later.

"Ple...please forgive us." Like what he did before, Lu Yuzen immediately begged for forgiveness.

"Pleas...please forgive us." Shan Shan also asked for forgiveness.

When Xiao Tian was right in front of them, he stopped his footsteps.

"Previously, you asked the reason why I suddenly caused trouble in your place, right?" Xiao Tian spoke and paused for a second before he continued, "I will give you the answer now."

Shan Shan and Lu Yuzen paid attention to Xiao Tian's words carefully because they wanted to know the reason why Xiao Tian suddenly caused trouble to them.

They had never met Xiao Tian before, so they wanted to know the reason.

"It was because you beat my underlings and injured one of my daughters!" Xiao Tian gave an honest answer.

Xiao Tian was going to marry Lin Xing Xue and Long Jingxian in the future, so he already considered Mu Ai and Feng Yu as his daughters.

"What do you mean by beating your und-" Lu Yuzen stopped his words halfway when he remembered what he did a few hours ago. "Don't tell me...."

"Oh! It seems like you remember it now!" Xiao Tian uttered, "Since you have beaten my underlings and injured one of my daughters, I will let you feel how they feel."

Of course, Xiao Tian would torture them before killing them because they dared to injury Feng Yu and his underlings.

Lu Yuzen and the others were frightened after hearing Xiao Tian's words. Of course, they knew the meaning of his words.

'He wants to torture us!'

At this moment, they suddenly regretted what they did to Feng Yu and the others.

If they could turn back time, they would not do that because Xiao Tian was a cruel person like the devil in disguise.

"Boss, we are back." Mu Huo walked towards Xiao Tian while dragging the unconscious Lu Peng.

When Mu Huo and Xiao Tian's underlings saw Ming Zu, they only stopped their footsteps for a second before walking towards Xiao Tian again.

They knew that Xiao Tian was a cruel person, so they were not surprised by his actions. From their point of view, it would be weird if Xiao Tian did not kill Ming Zu.

When Mu Huo was standing close to Xiao Tian, he dropped Lu Peng to the ground.

"Leader, are they going to be our new toys?" one of the Blue Ice Lotus gang members inquired.

The person who would be tortured was a toy in their eyes. That was why she asked whether Xiao Tian would torture Lu Yuzen and the others or not.

"Yes. They will be your new toys later." Xiao Tian's lips curled into a grin as he said that.

Lu Yuzen and his wife hugged each other shakily.

'Toy! They don't even see us as humans.'

They were human beings, but Xiao Tian and his underlings only saw them as toys.

Xiao Tian then took something out of his pocket and spoke, "Mu Huo, pour this on that corpse!"

"What is this boss?" Mu Huo inquired.

"It's body-melting powder." Xiao Tian gave an honest answer.

"Body-melting powder?!" Mu Huo and his underlings were shocked after hearing Xiao Tian's words.

Even though Xiao Tian still had not explained it, they had guessed it by the name.

"Yes. If you pour this to the corpse, their bodies will melt into nothingness in less than a minutes." Xiao Tian explained it. "But this powder only work on dead body, it won't do anything to a living body."

Body-melting powder was a powder that Long Jingxian created after learning it from one of Ru Guo's books.

The powder would immediately turn into countless viruses and bacteria that would instantly eat up the body until nothing was left.

However, it only worked on a dead body because this virus and bacteria would immediately die against the immunity of a living body.

Long Jingxian created this powder to help Xiao Tian remove any trace of him after doing something cruel to his enemies.

Ru Guo asked her to help and protect Xiao Tian, so she tried her best to help him. And she was also his lover, so it was also her responsibility to protect him from all troubles.

"All right." After saying that, Mu Huo poured body melting powder into Ming Zu's body.

Within seconds, Ming Zu's body melted into nothingness; only his clothes remained. The melting process of his body could even be seen with the naked eye.

"Boss, this is an amazing powder!" Mu Huo praised the body-melting powder.

"Whoa! This powder is amazing!" Xiao Tian's underlings were also amazed by it. "His body instantly turned into nothingness in a few seconds."

One of the Blue Ice Lotus gang members suddenly inquired, "Boss, can I kill this old man and pour body-melting power into his corpse later?"

Xiao Tian knew that almost all Blue Ice Lotus gang members were strange and ruthless, so he was not surprised by her words. "Why do you want to kill him?"

Of course, Xiao Tian would also kill Lu Peng later, but he wanted to know why she wanted to kill Lu Peng.

"This bastard has injured us, so I want him dead!" after saying that, he kicked Lu Peng's body.

She did not hide her intentions because she was talking to her leader, the person who was cruel to the bone.

"Sure." after saying that, Xiao Tian threw body-melting powder at her.

"Thank you, leader." Her eyes shone happily when she saw body-melting powder in her hands.

'Bastard, I will send you to king Yama now.'

Her lips curled into a smirk.

Chapter 1080 - Su Ruanyi Is Worried About Xiao Tian

7-8 minutes

After removing their traces, they immediately brought Lu Yuzen and the others to the Blue Ice Lotus gang headquarters.

Xiao Tian tortured them for several minutes before finally going to Life Hospital.

"Xiao Tian, did you beat and torture them?" Feng Yu inquired.

Currently, Xiao Tian was in the patient room. There were Mu Ai, Feng Yu, Long Jingxian, and Lin Xing Xue in the patient room.

"I only beat them." Xiao Tian lied to her.

Feng Yu stared at Xiao Tian. Anyone could tell that she did not believe Xiao Tian's words from her expression. However, she did not say anything and only stared at him.

Xiao Tian then shifted his gaze from Feng Yu to Long Jingxian and Lin Xing Xue, "Little Xue, Jingxian, do you want to meet the people who hurt your daughter?"

Long Jingxian and Lin Xing Xue exchanged a glance with each other before shaking their heads.

"No," they answered in unison.

Because Xiao Tian had already taken revenge for them, they thought they did not need to see them or else they would lose control later.

"All right." Xiao Tian did not force them because this was what he wanted.

He did not want his women to turn into cruel people like him. He wanted them to keep pure forever.

After visiting Feng Yu and Mu Ai, Xiao Tian headed to his underlings' patient room to check their condition.

'Oh! They have regained consciousness.'

Xiao Tian was relieved when he knew that his underlings had regained consciousness.

"Leader..." they greeted Xiao Tian when they saw him.

"You don't need to sit up. Just keep lying on the bed." Xiao Tian spoke when his underlings tried to sit up.

"We are sorry, leader." they apologized to him.

"You don't need to apologize. You two managed to protect them, so you did a good job." If it were not for his underlings, Xiao Tian did not know what would happen to Feng Yu and Mu Ai, so he did not punish them.

"Don't worry, leader. We will beat that person after we recover later." they wanted to take revenge later.

"You don't need to do that." Xiao Tian replied, "I have captured them and imprisoned them. You can play with them after you recover later."

"Really?" they asked in unison.

"Yes." Xiao Tian nodded his head. "I imprisoned them before coming to this hospital."

"I suddenly want to recover quickly so that I can torture them immediately." One of them said.

"Hehe." Xiao Tian was not surprised by his underling's words. "All right. I will leave now."

Xiao Tian went to the Star Film company to work. However, he did not head to his office immediately; instead, he sat on the couch in the reception area.

'Damn it! That old man hit me hard earlier.'

There was a minor injury near his lips.

At this moment, Da Shan, who was walking in the reception area, suddenly stopped his footsteps and hid behind a building pole.

'Why am I hiding from him?'

He had no idea why he immediately hid when he saw Xiao Tian.

'Is it because my wife falls in love with him?'

Da Shan kept looking at Xiao Tian from behind the building pole.

Of course, Xiao Tian knew that Da Shan was hiding behind the building pole.

'What the hell is he doing?'

Because Da Shan kept hiding behind the building pole, Xiao Tian pretended as if he did not know about it.

Da Shan shifted his gaze when he saw his wife.

'Wife?!'

He was a little startled.

But what surprised him most was that his wife dashed towards Xiao Tian with a worried face.

'Hmm?'

He wanted to know why his wife rushed towards Xiao Tian with a worried face like that.

"Student Xiao, what happened to you?" Su Ruanyi's face turned worried when she saw the wound near Xiao Tian's lips.

Xiao Tian did not expect that Su Ruanyi would worry about him like that. "You don't need to make a face like that, professor Su. It's only a small injury."

When Da Shan saw his wife worrying about another man, he suddenly felt excruciating pain.

'Wife, why? Why?'

He knew that his wife really cared about Xiao Tian from her behavior.

Xiao Tian only had a minor injury, but she was really worried about him. It was as if Xiao Tian was her husband, not her former student or boss.

At that time, Da Shan wanted to ask his wife why she was worried like that. However, he could not move his body as if his body refused to listen to him.

For this reason, Da Shan could only look at them from far while feeling immense pain in his heart.

"Is it because of Lu Yuzen?" Su Ruanyi asked again.

"No." Xiao Tian began to tell everything.

"I see. Wait here." After saying that, she headed to the reception desk.

Xiao Tian had no idea what she had in mind and only stared at her without saying a single word.

'What is she doing?'

Xiao Tian was startled when he saw her carrying first aid.

'First aid? It seems like she is really worried about me.'

Of course, this made him happy.

After sitting next to him, Su Ruanyi grabbed Xiao Tian's face before treating his injury. "Student Xiao, you have to be more careful next time."

*Stab...

Da Shan felt as if someone stabbed his heart when he saw his wife treating Xiao Tian's injury.

'Wife, are you really in love with him?'

The longer he saw his wife with Xiao Tian, the bigger the pain in his heart.

Happiness filled Xiao Tian's heart when Su Ruanyi was treating his injury. "I will be more careful in the future."

Even though it was impossible to avoid injury, Xiao Tian still said something like that because he didn't want Su Ruanyi to keep worrying about him.

At this moment, Xiao Tian wanted to tease Su Ruanyi, but he changed his mind when he remembered that Da Shan was looking at them.

It was not like he was afraid of Da Shan, but he did not want Da Shan to do something bad to Su Ruanyi later.

After treating Xiao Tian's injury, Su Ruanyi spoke, "I have treated your injury. I need to return to my desk now because I still have work that needs to be done."

"Professor Su, come to my office in thirty minutes." Xiao Tian said in a low voice.

He did not ask her to come to his office immediately because Da Shan was around him. If he did that, Da Shan would be suspicious of their relationship later.

"All right." Of course, Su Ruanyi understood the meaning of his words.

When Da Shan saw Su Ruanyi leaving, he immediately followed her. However, he did not realize that Xiao Tian was following them.

"Wife, do you want to go to the tea shop now?" at first, Da Shan wanted to ask about her behavior to Xiao Tian, but he was afraid of the answer.

Xiao Tian was relieved after hearing Da Shan's words.

'It seems like he is a coward.'

He said in his head.

"All right. Let's drink tea together later because I have to finish my work now." Su Ruanyi replied.

'And I have to go to student Xiao's office in thirty minutes.'

She added in her head.
