Chapter 1081 - Come To My Office Later

Da Shan's face turned sad when his wife said she could not drink tea with him immediately.

He wanted to yell at her, but he did not do that because it would worsen his relationship with her later.

He had been trying to make their relationship harmonious again, so he could not do anything that would make her angry, or else his efforts would be in vain later.

For this reason, Da Shan decided to hide his disappointment deep in his heart.

"All right. Tell me when you finish your work." Because he did not want his wife to know about his feelings, his expression turned into normal again.

Of course, a spark of disappointment was still in his heart, but his face was filled with a smile as if he was pleased to be with her.

'At least she agreed to have a drink with me later.'

He added in his mind.

"All right." Su Ruanyi replied as she nodded her head.

'Why did he suddenly invite me to have tea with him?'

Even though Su Ruanyi wanted to know the answer, she did not ask it.

She wanted to go to her desk and finish her work immediately because she desired to spend time with Xiao Tian.

She wanted to spend time alone with Xiao Tian so badly!

Sure, she was with her husband, but her mind was filled with Xiao Tian. This was the reason why she behaved a little cold to her husband.

After following Da Shan and Su Ruanyi, Xiao Tian headed to his office.

'It's time to work now.'

With that idea in mind, Xiao Tian began to work.

Time went by quickly, and without realizing it, it had been thirty minutes since he started to work.

*Knock...Knock...Knock...

The sound of someone knocking on his door could be heard in his ears.

"Come in." Xiao Tian suspected the person who knocked on the door was Su Ruanyi because he told her to come to his office earlier.

And what he had guessed was right because the person who entered his office was none other than his beautiful former professor, Su Ruanyi.

However, Su Ruanyi suddenly did something unexpected after stepping into Xiao Tian's office.

She locked the door!

Su Ruanyi was sure the reason why Xiao Tian asked her to come to his office was to lovey-dovey with her or do adult things with her.

That was why she immediately locked the door after entering his office because she did not want anyone to find out about what they would do in his office later, including his husband.

And what she had guessed was right because Xiao Tian immediately sat on the couch and tapped his thighs, giving her a sign to sit between his legs.

Because Su Ruanyi knew that something like this would happen to her, she was not surprised and immediately did what he wanted.

They talked, laughed, joked and teased each other. Even though they only spent time in his office, they were happy as if they were in a romantic place.

Of course, they kissed each other too. This was the reason why they suddenly did adult things in his office.

Yes. They finally did adult things in his office!

At first, they only had normal kisses, but it only lasted for a few seconds before the normal kisses turned into lewd kisses.

One thing led to another, and they ended up naked in his office.

However, they did not have sex because it was dangerous to do it in his office because Da Shan was in the company.

Even though they did not have sex, but they did adult things.

Yes. Su Ruanyi gave Xiao Tian a handjob and blowjob until he had an orgasm!

Of course, Xiao Tian gave her pleasure too. After he had an orgasm, Xiao Tian licked Su Ruanyi's breasts while playing with her vagina too.

They stopped pleasuring each other after they had an orgasm. However, they did not immediately put on their clothes and sat naked on the sofa.

"Student Xiao, you can't give me a hickey, or else my husband will know everything later." Su Ruanyi spoke abruptly.

Currently, Su Ruanyi was sitting between Xiao Tian's legs with her back facing him.

Xiao Tian, who was wrapping his arms around Su Ruanyi's slender waist and pressing his lips against the right side of her neck, immediately spoke, "I know."

'Well, it can't be helped.'

Even though Xiao Tian really wanted to give her a hickey, he did not do that.

After enjoying the warmth of each other's bodies for another ten minutes, Su Ruanyi returned to her desk.

Xiao Tian immediately called Mu Huo after she left.

"Hello, boss?" Mu Huo spoke after picking up the phone.

"Have you found any information regarding that serum?" yesterday, Ming Zu used serum to fight them, so Xiao Tian ordered Mu Huo to investigate it.

"No, boss." Mu Huo gave an honest answer.

"All right. You don't need to look for information about that serum anymore because that serum doesn't interfere with our business." His enemies were only Lu Yuzen and the others, so there was no point in looking for information about that serum.

He ordered Mu Huo to look up information about the serum because he was quite interested in the serum's effects.

However, he could not order Mu Huo to continue looking for information about that serum because Mu Huo had to teach his underlings martial arts.

Making his underlings stronger was much more important than looking for information about that serum.

It would be a different story if that serum could affect their business. For now, that serum was not important in his eyes.

"All right." Mu Huo also agreed with Xiao Tian's idea.

At this moment, Xiao Tian suddenly remembered that he still had not composed the song for the film.

'I have written the lyric so it's better for me to make the song now.'

With that idea in mind, Xiao Tian called a few of his subordinates to make the song with him.

After arriving home, Da Shan immediately went to the discotheque to calm himself.

Previously, he took his wife to the teahouse and also had dinner with her, but their relationship was still the same.

She was not like she used to be. For this reason, Da Shan went to the discotheque to calm himself because he felt like he was almost crazy.

After entering the discotheque, he kept drinking non-stop.

"Fuck my life!" after saying that, Da Shan drank his beer again.

Currently, he was sitting on the couch in the VIP area. Of course, he was drinking alone because he did not invite his friends to drink with him.

Da Shan believed that his friends would laugh if they knew the truth.

His friends were envious of him because he could get a wife like Su Ruanyi, so he would not let them know why he went to the discotheque.

When a young woman around twenty-three years old saw him, her lips curled into a smirk.

'That old man looks like an easy target.'

With that idea in mind, the young woman, who had a sexy body, walked towards Da Shan.

Chapter 1082 - Su Ruanyi Sees Da Shan With Another Woman

6-7 minutes

The young woman did not ask for his permission and immediately sat next to Da Shan. "Mister, do you need a companion?"

Da Shan, who was already drunk, turned his head towards the young lady. The young woman was quite beautiful and had a sexy body, so Da Shan immediately attracted her.

He immediately filled his glass with beer and spoke, "Here, young girl. Drink with me."

The young woman instantly took the glass and drank the beer. "Mister, why are you drinking alone? Are you having a problem?"

"Yeah! I have a big problem! My wife is in love with my boss." Da Shan was drunk, so he told the truth.

"Your wife should not do that because she is already married. I can understand your feelings, mister." After saying that, the young girl filled Da Shan's glass with beer again. "Here, drink again, mister."

Da Shan immediately drank it. "Agh... I'm so annoyed now. How can she do that to me?"

Like what she did before, the young girl filled Da Shan's glass again. "Calm down, mister. It's not good for your body if you keep getting angry like this. Here, drink again."

After drinking the beer, Da Shan inquired, "By the way, what is your name?"

"I'm Hong Haoran." She lied to him.

Hong Haoran then comforted Da Shan again. Because she often did something like this, it was effortless for her to cheer him up.

Da Shan felt grateful and was not sad anymore. Because he was drunk, he could not control himself when he saw Hong Haoran's sexy body.

He was drunk, and Hong Haoran was the one who came to him first, so Da Shan let himself be consumed by the flames of lust.

He placed his right hand on Hong Haoran's thighs before speaking, "Thank you, Miss Hong. I'm feeling a lot better since you are with me."

He did not hide his intentions, and his eyes were locked on Hong Haoran's sexy thighs and full breasts.

"I also enjoy talking with you, mister." Hong Haoran did not remove Da Shan's right hand from her thighs because this was what she wanted.

'I got a big fish today!'

They were in an expensive discotheque, and he was in the VIP area, so she knew that Da Shan had a lot of money.

Da Shan also wore branded clothes, so that made her even more certain that he was a rich person.

Because Hong Haoran did not stop him, Da Shan became even braver. As he filled Hong Haoran's glass, he continued rubbing her flawless thighs.

Not only that, but he also touched and squeezed Long Haoran's full breasts.

"Mister, stop it. Hehe." Even though she said something like that, Hong Haoran did not try her best to remove Da Shan's hands from her breasts.

Actually, she knew that Da Shan would touch or squeeze her breasts because her breasts were the most amazing part of her body.

Any man who she seduced always did like what Da Shan was doing. She even believed that she could conquer any man with her breasts alone.

Da Shan, who knew that she was not serious with her words, kept squeezing her breasts. Not only that, but he began to kiss her lips too.

Like before, Hong Haoran pretended to stop him. However, she immediately welcomed the kiss when he kept trying to kiss her.

The normal kiss instantly turned into a hot kiss where they moved their tongues lewdly and tilted their heads to the left and right.

After breaking the kiss, Hong Haoran spoke, "Mister, this is not a good place to do this kind of things."

Her intention was clear. She wanted them to go somewhere quiet and enjoy themselves.

"Then let's go to love hotel now." after saying that, Da Shan dragged her to the love hotel.

They had sex for about an hour and a half at the love hotel. He vented out his anger by fucking Hong Haoran continuously. After having sex, they fell asleep.

The following morning, Da Shan woke up at 06:00 am. "My head hurts!"

The expression of deep shock blossomed on his face when he saw Hong Haoran sleeping naked on his right side.

At that moment, the memories of them having sex for about an hour and a half suddenly appeared in his mind.

'Sigh. I could not control myself last night and ended up having sex with a young woman.'

Da Shan was suddenly worried.

He had been trying to make up with his wife, and here, he cheated on her. If she had known about his affair with Hong Haoran, she would not have forgiven him.

Da Shan then looked at Hong Haoran again.

'Sigh. What should I do now?'

Actually, he could leave immediately, but he decided not to do that because he had sex with her last night.

As Da Shan was thinking of a way to solve the problem, Hong Haoran suddenly woke up.

"Good morning, mister." She smiled softly before hugging Da Shan's right arm.

"Young lady, let's talk now." Da Shan uttered.

Da Shan then told her that he was a married man and what they did last night was wrong. For this reason, he asked her not to tell anyone about what they did last night.

Because Da Shan knew that he couldn't keep her mouth shut with just words, he gave her three hundred Yuan.

Hong Haoran accepted the money happily.

She only had sex with him once, and he gave her three hundred Yuan, so she promised that she would not to tell anyone about what they did last night.

She also told him that he could meet her at the same bar if he needed a companion again. She said she would make him happy in body and soul like what she did last night.

When she said that, Da Shan looked at her naked body again. Even though she was not as pretty as his wife, but she had a sexy body.

Because the time was up, they immediately left the love hotel. However, something unexpected happened when they walked out of the love hotel.

Su Ruanyi saw them!

Da Shan instantly stopped his footsteps when he saw his wife.

'Wife?!'

Chapter 1083 - Su Ruanyi Is Sad

5-7 minutes

Su Ruanyi was unhappy because her husband did not return home last night. But what displeased her most was that he did not inform her anything.

He just disappeared on her like dust as if they were not husband and wife.

Sure, she had an affair with Xiao Tian, but their status was still husband and wife, so in her view, he should at least inform her if he would not go home.

At first, she thought he would return home in the morning, but she was wrong because there was no sign of her husband in her house.

Because she needed to buy vegetables, she used her motorbike to the supermarket. As she was driving her motorbike, she saw someone familiar.

'Isn't that person my husband?'

Su Ruanyi immediately stopped her motorbike when she saw someone who looked like her husband.

She was stunned when she found out that person was indeed her husband. But what displeased her was that a young girl was hugging his right arm.

Su Ruanyi instantly shifted her gaze from her husband to the building behind him.

'Love hotel?'

She then returned her attention to her husband again.

'So he did not go home because he had sex with that young woman, huh?'

Because they had just come out of the love hotel, Su Ruanyi was sure they had sex last night.

Da Shan did not return home, and he walked out of the love hotel with a young woman, so anyone who saw them would immediately know what they did last night.

However, Su Ruanyi did not yell at her husband or hit him. She only stared at him without saying a single word.

"Who is she? Why is she looking at us like that? Do you know her, mister?" Hong Haoran did not know who Su Ruanyi was.

Da Shan only told her that he was a married man, but he did not tell anything about her wife because, in his view, Hong Haoran did not need to know about it.

The expression of deep shock blossomed on Da Shan's face. He did not expect to meet his wife after walking out of the love hotel.

'Out of the billions of people in this world, why is has to be her?'

At this moment, Da Shan wanted to make an excuse, but he knew that she would not believe it.

Hong Haoran was still hugging his right arm, and they had just come out of the love hotel, so he believed that she knew what they did last night.

He had no idea what to say or do. He had been trying to make up with his wife, but here, she caught him cheating behind her back.

"Wife, let me explain this." Da Shan rushed towards Su Ruanyi.

Even though he had no idea what to say to her, he would not let her go without trying to explain everything.

Of course, he still remembered that Hong Haoran was with them, but he did not care about it because his wife was more important than Hong Haoran.

"Wife?" Hong Haoran was startled after hearing Da Shan's words.

It never crossed her mind that Su Ruanyi was Da Shan's wife.

'So this is the reason why she is looking at us like that, huh?'

She finally knew the reason why Su Ruanyi looked at them intently.

When Su Ruanyi saw her husband rushing towards her, she immediately left. She had no idea why she did not want to hear his excuses.

Da Shan wasted no time and immediately ran towards his car. At this moment, he completely forgot about Hong Haoran.

All he had in mind was his wife and his wife. He did not want to lose his wife, so he had to explain everything.

When Hong Haoran saw Da Shan leaving, she only sighed. "He left without saying a single thing to me. It seems like he really loves his wife."

Of course, she understood why Da Shan left without saying a single word to her.

"Well, at least I got three hundred Yuan today." Hong Haoran then left with a happy face.

Da Shan could not find his wife.

'Where is she?'

He decided to go home because he could not find his wife, hoping she was at home.

However, he still could not find her. Her motorbike was also nowhere to be found. At this moment, Da Shan knew that she did not go home.

'Wife, where are you right now?'

He got into his car again, intending to find his wife.

Xiao Tian, who was on his way to Star Clothes company, immediately picked up his phone when Su Ruanyi suddenly called him.

"Hello, professor Su?" Xiao Tian had no idea why Su Ruanyi called him so early in the morning.

"Student Xiao, where are you right now?" Su Ruanyi, who was filled with sadness, inquired.

"I'm on my way to Star Clothes company." Xiao Tian gave an honest answer. "What's wrong, professor Su?"

Because Su Ruanyi's voice was not like usual, Xiao Tian knew something had happened to her.

Instead of answering his question, Su Ruanyi inquired, "Can we meet now?"

"Sure. Where are you right now?" Su Ruanyi was sad, so he had to cheer her up because he wanted to win her heart.

It was an excellent opportunity to win her heart, so there was no way he would let the opportunity slip away.

"I will send my location now." after saying that, Su Ruanyi hung up the phone.

After Xiao Tian got her location, he wasted no time and immediately traveled to the place where Su Ruanyi was.

'Da Shan oh Da Shan. It seems like you really want to give your beautiful wife to me. why do you keep making your wife sad?'

Xiao Tian was sure Da Shan was the reason why Su Ruanyi was sad.

'But I'm grateful for your actions because with this, I can win her heart easier later.'

Xiao Tian was pleased and laughed happily in his car.

Chapter 1084 - Life Waterfall

9-11 minutes

Not long after that, Xiao Tian arrived at Su Ruanyi's location.

After sitting on the wooden bench, Xiao Tian uttered, "Professor Su, what's wrong?"

Xiao Tian and Su Ruanyi were currently sitting on a wooden bench under a big tree. Because Su Ruanyi was sad, she went to a park to calm herself down.

However, she was still sad. That was why she decided to call Xiao Tian, hoping that he could cheer her up later.

"It's like this...." Su Ruanyi told him what had just happened.

Xiao Tian was thrilled after hearing her words.

'It seems like heaven is helping me to win her heart.'

Xiao Tian immediately thanked the heavens for the opportunity to win Su Ruanyi's heart.

"Professor Su, follow me." Xiao Tian grabbed her right hand and dragged her to the parking lot without asking her opinion.

"Student Xiao, where are you taking me?" Su Ruanyi inquired.

"You will know later." Xiao Tian replied instantly.

After placing her motorbike at his apartment, they went to Life Waterfall. Life Waterfall was located in Fuzio City, one of the cities in Nanli district.

Life Waterfall was famous in Shanghai. Rumor had it that everyone would live a long life if they drank the water of the Life Waterfall.

After paying for the tickets, Xiao Tian parked his car. Because they could not reach the Life Waterfall by car, they had to walk.

However, he did not mind it because the road to the Life Waterfall had beautiful scenery and fresh air.

"Life Waterfall?" of course, Su Ruanyi knew about Life Waterfall because it was famous in Shanghai.

"Yes. Let's go." Xiao Tian held Su Ruanyi's right hand without asking for her opinion.

As usual, Su Ruanyi let him do whatever he wanted. She only looked at her right hand before finally staring at Xiao Tian's handsome face.

A soft smile spread across her pretty face.

'What a good sex friend!'

She was thrilled when Xiao Tian tried to cheer her up.

On the way to the Life Waterfall, Xiao Tian tried his best to cheer her up. He threw a joke or teased her.

In order to make her laugh and forget her sadness. Xiao Tian did everything. And his efforts were not in vain because he managed to make her laugh and forget her sorrow.

Of course, they were still walking hand in hand. When they were walking on the bridge, Su Ruanyi suddenly stopped her footsteps.

"What a beautiful scenery!" she stopped holding hands with Xiao Tian and held the bridge railing.

"Yes. But this view is not as beautiful as you." of course, Xiao Tian used his sweet words.

He knew it was cringe, but he did not care about it and still said it.

Su Ruanyi giggled happily before pinching Xian Tian's cheeks. "What a glib tongue! Do you often visit this place?"

"No. This is my first time coming to this place." At this moment, Xiao Tian gave an honest answer.

"Really?" Su Ruanyi inquired.

"Yes." Xiao Tian replied as he nodded his head. "I found out about this place from the internet yesterday, so I decided to bring you here because the reviews were great."

The place he often visited was Rainbow Garden. He even forgot how many times he went to Rainbow Garden.

Su Ruanyi was pleased after hearing his words. "What places do you often visit?"

"Rainbow Garden." Xiao Tian gave an honest answer. "I will take you there later."

"Good!" Su Ruanyi responded.

They remained on the bridge for a few minutes before finally walking towards the Life Waterfall again.

Of course, Xiao Tian and Su Ruanyi walked hand in hand again because they wanted to lovey-dovey all the time. Not long after that, they finally reached the Life Waterfall.

"It's crowded!" actually, Su Ruanyi had guessed it would be crowded because Life Waterfall was famous.

"Professor Su, how about we buy some drinks and snacks first?" There were two stalls and one small restaurant near Life Waterfall, so Xiao Tian suggested buying some drinks and snacks first.

It was crowded, so it was better not to go to the waterfall immediately.

"All right." Su Ruanyi agreed with his idea.

After buying some drinks and snacks, they immediately sat on the stone chairs. Yes. The chairs and table were made from stones.

It was stones that had been crafted into chairs and tables. There were several tables and chairs near the waterfall, and all of them were made from rocks.

Like before, they talked again. They talked about many things and of course, both of them were happy at that time.

They talked for about two hours before finally heading to the waterfall. It was no longer crowded, so Xiao Tian and Su Ruanyi decided to go to the waterfall.

They did not get into the water because one of the rules was the visitors were not allowed to get into the water.

However, they were allowed to take water and put it in a bottle or drink it directly. The reason why there were so many rules was to keep the water healthy.

Most of the visitors' feet were dirty or smelly. Some of them did not even care about cleanliness and often urinated while in the water.

All people who visited Life Waterfall always drank the water. This was the reason why no one was allowed to get into the water.

There were even more than ten staff around the waterfall because they wanted to make sure everyone followed the rules.

At this moment, Xiao Tian and Su Ruanyi were standing near the water. However, Su Ruanyi suddenly took the water using her hands and drank it.

"Student Xiao, drink it. The water is fresh and cold." Su Ruanyi spoke after drinking the water.

Of course, she did not believe in the myth of the Life Waterfall. However, she suddenly wanted to drink the water of Life Waterfall.

"No." Xiao Tian did not want to drink the water and also did not believe in the myth.

However, Su Ruanyi suddenly did something unexpected.

She took the water using her hands again and placed her hands in front of Xiao Tian's mouth.

"Here, drink it." She wanted Xiao Tian to drink the water.

Xiao Tian did not drink the water and only stared at her. He did not expect her to do something like that.

Because Xiao Tian only stared at her, Su Ruanyi immediately spoke, "Student Xiao, hurry up and drink the water."

The corner of his lips twitched when Su Ruanyi forced him to drink the water.

Because Xiao Tian still did not drink the water, Su Ruanyi poured the water into his mouth, forcing him to drink the water.

Xiao Tian could not help but drink the water.

'What a bad professor!'

Of course, Xiao Tian was not angry at her.

At this moment, Xiao Tian suddenly had an excellent idea to tease her.

'Because you are forcing me to drink the water, I will tease you.'

With that idea in mind, Xiao Tian put her right index finger into his mouth.

Su Ruanyi was startled. She did not expect him to do something like that.

However, she did not remove her right index finger from Xiao Tian's mouth and only stared at him as if she was hypnotized.

Xiao Tian, who was a little shocked, immediately used his skills. He sucked and licked Su Ruanyi's right index finger as if it was her right nipple.

When Su Ruanyi came to her senses and realized what Xiao Tian was doing, she immediately pulled her right index finger out of his mouth. "What a bad young man!"

Instead of defending himself, Xiao Tian chuckled. "Hehe."

After spending time at Life Waterfall, Xiao Tian brought her to Rainbow Garden.

Su Ruanyi was thrilled. Previously, she was the envy of Long Jingxian because Long Jingxian could lovey-dovey with Xiao Tian at Rainbow Garden.

Now that she could also lovey-dovey with him, a happy smile never left her pretty face. Due to how happy she was, she felt like her feet barely touched the ground.

At this moment, there was no longer sadness in Su Ruanyi's heart.

'Thank you, student Xiao.'

She was delighted because Xiao Tian could make her mood much better.

If she had not called Xiao Tian earlier, she would still be sad now. Currently, they were sitting on mats in the wooden rest building.

Like what Long Jingxian did when she was at Rainbow Garden with Xiao Tian, Su Ruanyi hugged Xiao Tian's right arm and rested her head on his right shoulder.

Time went by quickly, and without realizing it, it was already 05:00 pm. For this reason, Su Ruanyi decided to go home.

After arriving home, Su Ruanyi immediately took a shower and sat on the couch in the living room.

A happy smile could be seen on her pretty face as she watched TV. Actually, she was delighted because she had a good time with Xiao Tian earlier.

Even though she was sad this morning because she saw her husband in front of the love hotel with a young woman, but today was one of the happiest days of her life.

At this moment, Da Shan was still looking for his wife.

'Wife, where are you?'

He had been looking for her since morning but still could not find her.

He went to all places she often visited, but he still could not find her. For this reason, he decided to go home and wait for her.

To his surprise, he saw her wife sitting on the couch in the living room. "Wife?"

Chapter 1085 - Quarreling Again

6-8 minutes

"Wife?" Da Shan did not expect to see his wife in the living room.

Previously, he went to many places to look for her, but he could not find her. Of course, he was delighted because he could explain everything now.

Without waiting for another second, Da Shan tried to explain what he did last night at a love hotel.

"Wife, actually, I was dru-"

However, Su Ruanyi interrupted him before he could finish his words. "You don't need to explain it to me. You can also have sex with any woman if you want."

She already had Xiao Tian, so she did not care about Da Shan, and in her view, Xiao Tian was better than Da Shan.

Not only was Xiao Tian attractive and young, but he was also skilled in bed and could always make her happy.

He even managed to make her happy earlier, to the point she could forget her sadness after seeing Da Shan and Hong Haoran at a love hotel in the morning.

Even though Su Ruanyi said something like that, Da Shan still tried to explain everything. "Wife, listen to me. Last night, I went to the bar to re- "

Like before, Su Ruanyi interrupted him again before he could finish his words. "I said it's fine. You don't need to explain it to me."

Su Ruanyi did not want to listen to his excuse because it would not change anything.

Actually, she wanted to yell at him, but she changed her mind because she had also had sex with Xiao Tian.

Of course, she would not tell him about it because it was her little secret with Xiao Tian.

"Why don't you want to hear my explanation?" Da Shan raised his tone a little because he was unhappy with her behavior.

"I said I don't want to hear it!" because Da Shan raised his tone, she did the same thing because, in this matter, she was not the wrong one.

Of course, Da Shan still tried to explain everything to his wife, but her response was still the same.

But what annoyed him most was that Su Ruanyi ignored him. At this moment, he began to lose control again.

"Everything is your fault!" Da Shan blamed Su Ruanyi because anger had consumed his body again. "Everything would not be like this if you did not behave coldly to me."

Like usual, Da Shan lost control again. He always lost control since a few months ago. He even forgot his main purpose now.

"When did I behave coldly to you?" of course, Su Ruanyi realized that she had changed a little, but she never behaved coldly to him.

She even still did her duty as his wife, like cooking for him. This was the reason why she was also angry at him.

"When?! You ask me when?! When I wanted to have sex with you, you refused without caring about my feelings. When I tried to make up with you, you often ignored me. When I talked to you, you only always gave a short answer. Are you pretending you to forget it?" Da Shan told her the reason why he said she behaved coldly to him.

Da Shan then continued, "Why? Is it because you are in love with Xiao Tian?"

"Why are you bringing student Xiao into this conversation?!" of course, she realized what Da Shan said was true, but Su Ruanyi did not know why he brought Xiao Tian into their conversation. "And why are you saying I'm in love with student Xiao?"

"What?! Are you going to deny it now? Did you think I did not know you thought of him when you masturbated in the bathroom a few days ago? You even called his name in your sleep." Because he could not control his anger, Da Shan said everything he hid deep inside him.

Su Ruanyi was shocked. She did not expect him to know about it.

Because she could not deny it, Su Ruanyi admitted it. "Yes. I'm in love with him! I love him more than you."

Da Shan pointed his right index finger at her. "Have you forgotten that you are already married? Did you forget you have a husband? Did you forget he was your former student? Did you forget all of that?"

"I know about it and I don't care!" Su Ruanyi replied angrily. "And all of this is because of you!"

"Why did you blame me for this? You should blame yourself! Don't shift the blame to me!" Of course, Da Shan did not want to get blamed.

At this moment, he still did not realize what he had done to his wife all this time. He thought all of this was her fault.

"You still think this is my fault?!" she found it hard to believe what she was hearing. "Have you forgotten that you never did your duty as my husband?! Not only have you never satisfied me in bed, but you have never given me happiness too."

Su Ruanyi let out everything that she had been hiding all this time. She told him that he never cared about her feelings anymore.

Da Shan always slept after he had an orgasm every time they had sex. He even never gave her happiness and paid attention to her anymore.

She told him the reason why she changed and why she fell in love with Xiao Tian. Unlike usual, she did not hide anything this time.

"You are the one who changed first." Like before, Su Ruanyi blamed her husband. "None of this would have happened if you had not changed and given me happiness."

Da Shan could not say anything after hearing Su Ruanyi's words. He admitted what she said was true.

"You can't say anything anymore, right?" Su Ruanyi replied, "Have you finally realized what you have been doing to me all this time? Do you finally realize how miserable my life has been? Did you finally realize all that?"

In her view, her husband should be grateful because she was still with him. They would have divorced him a few months ago if it were other women.

However, she did not do that. She even managed to stay faithful for several years, so he should not blame her if she fell in love with Xiao Tian because Xiao Tian gave her happiness.

Xiao Tian was much better than him. Xiao Tian was young, attractive, successful, and always made her happy.

Xiao Tian was the complete opposite of her husband, and she knew that Xiao Tian was the ideal man for all women in the world.

When Xiao Tian went to Sky University, many women even offered their bodies to him because Xiao Tian was a perfect man for women.

He had everything that women wanted except that he was a playboy. But from her point of view, it was normal for him to be a playboy because he was a perfect man.

"I know I'm wrong, but you should not ignore me or fall in love with another man because you are still my wife!" Da Shan admitted he was wrong, but in his view, his wife was also wrong.

"I don't want to talk to you anymore!" after saying that, Su Ruanyi walked out of her house.

"Hey! We still haven't finished talking.. Where are you going?" Da Shan shouted angrily.

Chapter 1086 - Kiss

7-9 minutes

Xiao Tian's Mansion, Living Room.

As Xiao Tian was playing a video game with Mu Ai and Feng Yu, his smartphone suddenly rang.

'Hmm?'

He picked up the phone when he knew the person who was calling him.

Xiao Tian wasted no time and immediately headed to his car after he found out about what had happened to Su Ruanyi.

He also told his women that he would not go home later because he wanted to cheer Su Ruanyi up.

Su Ruanyi sighed before saying to herself, "I knew something like this would happen one day but it still hurt me."

Currently, she was sitting on the swing. Even though it was already 07:00 pm, many people were still in the park.

The park was open until 10:00 pm, and there were also many lights in the park. Because it was a good place to relax, many people came to that place.

Xiao Tian immediately got out of his car after he parked his vehicle.

'There she is!'

Even though he wanted to talk to her immediately, he only walked towards her as if he knew nothing.

Su Ruanyi, who saw Xiao Tian, was shocked.

'Student Xiao? How did he know I was in this place?'

At this moment, she forgot that his underlings were following her.

Instead of standing in front of her, Xiao Tian sat on the swing next to her. "Tonight is a beautiful night, so you should not make a face like that because you will make the stars and moon sad later."

"How did you know I was in this place, student Xiao?" Su Ruanyi inquired.

Xiao Tian turned his head to look at her pretty face before answering, "Because our feelings are connected, so of course, I will definitely know where you are or what you are feeling."

Of course, Xiao Tian was talking nonsense because he would know nothing if his underlings did not tell him everything.

"Hehe." Su Ruanyi giggled after hearing his words. "Really? Then tell me what am I feeling right now?"

"You are thrilled because the most amazing young man is sitting next to you." like usual, Xiao Tian did not forget to praise himself in his answer.

Of course, he would not say she was sad because the main purpose of coming to meet her was to make her happy and forget her sadness.

She would definitely remember what had just happened to her a few minutes ago if he said she was sad.

"Wrong!" Su Ruanyi denied shamelessly. "I'm happy because tonight is a beautiful night, not because of you."

Actually, Xiao Tian was the reason why a spark of happiness suddenly appeared within her, but she did not want to say it.

"Are you sure it's not because of me?" Xiao Tian was delighted when he saw her giggling.

"No!" like before, Su Ruanyi denied shamelessly. "What makes you so sure it's because of you?"

"Because a handsome, cool, kind, and amazing young man like me is accompanying you." Xiao Tian did not feel shy when he praised himself.

"You are overconfident!" Su Ruanyi stated.

"Hehe." Xiao Tian chuckled.

"Hehe." Like before, Su Ruanyi giggled again. "Student Xiao, you were not like this in the past. I didn't expect you to change so much like this. Don't tell me, this is your real personality that you've been hiding? Is that true?"

"What do you think?" Xiao Tian did not answer because the person she met was his predecessor, not him.

"This is your real personality because I know you are a playboy." Because Xiao Tian had more than one girlfriend, he was a playboy in her eyes.

Then they talked again. Like what happened in the morning, Xiao Tian could make her happy again. He managed to make her forget her sadness and anger again.

Because he wanted to make her happier, Xiao Tian brought her to many spots, like Shanghai River and other romantic places.

And what he did was right because Su Ruanyi often smiled happily when they were spending time in these places.

They spent time together until 10:00 pm before finally, they left. Because Su Ruanyi said she did not want to go home, he brought her to his apartment.

"Are you going home later?" Su Ruanyi inquired.

Xiao Tian and Su Ruanyi were currently in the living room. Xiao Tian was sitting on the couch with Su Ruanyi's head on his lap.

Previously, Su Ruanyi sat next to him, but she suddenly lay on her back before finally placing her head on Xiao Tian's lap.

Sure, she was already thirty-three years old, but she still wanted to be spoiled by Xiao Tian.

Xiao Tian, who was caressing her hair gently, responded, "No. I will sleep with you tonight. I want to accompany my beautiful professor tonight."

He had told his women that he would not go home tonight because Su Ruanyi needed him.

Su Ruanyi was pleased after hearing his words. "What a good student! Ops! I mean, what a good sex friend!"

"Because I'm a good sex friend, how about you give me a reward now?" Xiao Tian was only joking around when he said this.

"What do you want?" Su Ruanyi thought Xiao Tian was serious because he often took advantage of the situation.

Because Su Ruanyi seemed to agree with his words, he immediately said, "How about a kiss on the lips?"

To his surprise, Su Ruanyi suddenly grabbed Xiao Tian's head before pulling it down towards hers.

*Kiss...

Their lips met.

However, they only did it for two seconds because they were not in a comfortable position to kiss.

Even though it only lasted two seconds, it was enough to give Xiao Tian and Su Ruanyi happiness.

Like before, they talked again. As they were watching TV, they talked, joked, teased each other, and laughed together.

Even though they only spent time in his apartment, but they really enjoyed it.

At 11:40 pm, they headed to his room to sleep. They did not have sex that night, but she slept in his arms.

The following morning, Su Ruanyi immediately headed to the kitchen after waking up because she wanted to cook breakfast for Xiao Tian.

After eating breakfast, Xiao Tian carried Su Ruanyi in a princess style without giving her a warning.

"Kya!" Su Ruanyi was startled. "Student Xiao, where do you want to take me?"

"I want to take you to the bathroom." Xiao Tian gave an honest answer. "I want to take a shower you with now."

"Why do you want to take a bath with me?" Su Ruanyi inquired.

"To save water." Of course, it was only an excuse because Xiao Tian also had no idea why he suddenly wanted to shower with her.

"Don't lie to me. I'm sure you want to do lewd things to me later." Su Ruanyi believed Xiao Tian wanted to have sex with her in the bathroom.

"Hehe." Xiao Tian did not deny her words and only laughed.

At first, they only took a shower together, but one thing led to another, and they ended up having sex in the bathroom for an hour and a half.

"Professor Su, how about we go on a date again now?" Xiao Tian spoke abruptly.

Currently, Xiao Tian and Su Ruanyi were in the rectangular tub. She was sitting on his lap, facing him.

Because they had just finished having sex, Xiao Tian's penis was still in her wet vagina. He did not pull his penis out of her pussy and immediately wrapped his arms around her slender waist.

He had a lot of birth control pills in his apartment, so he let out his sperm deep inside her vagina.

Su Ruanyi, who was leaning her head on Xiao Tian's right shoulder, replied, "But I only have one clothes."

"Have you forgotten who I am? I will order Mu Huo to bring clothes for you later." Xiao Tian had a clothes company, so it was only a minor problem for him.

"All right." Su Ruanyi agreed instantly.

After Mu Huo sent the clothes, they went to many places. As usual, they had a good time. They were thrilled as if they were the happiest people in the world.

At 05:00 pm, Su Ruanyi went to the park to meet Da Shan because she wanted to discuss something with him.

"Wife, why do you want to meet here?" Da Shan, who had just arrived, asked.

Chapter 1087 - Su Ruanyi Meets Da Shan

7-8 minutes

In one of the most famous parks in Shanghai, two people were sitting on a wooden bench under a big tree.

The mature lady had a nice body and a pretty face. Even though she was already thirty-three years old, her beauty was not inferior to women in their twenties.

On her right side, a middle-aged man was sitting on the wooden bench while looking at the mature lady. His mouth gaped open, and his eyebrows raised.

From his expression, anyone could tell immediately that the middle-aged man had just heard something shocking.

These people were none other than Su Ruanyi and her husband, Da Shan.

"What?! You want us to stop meeting each other?!" Da Shan found it hard to believe what he was hearing.

"Yes." Su Ruanyi replied instantly, "We need to calm ourselves down first. It will make our relationship worse if we keep meeting when we can't control our anger. That's why I want us to stop seeing each other until we can calm down."

Su Ruanyi thought about her relationship with her husband carefully before meeting him.

And after thinking for several minutes, she believed it was better for them not to see each other until they could calm down.

"Why? Can't we start over now?" of course, Da Shan refused because, with this, the chances of him losing her would be high later.

Sure, what she said was right. They needed to calm down, but he did not want them to stop seeing each other because he could lose her later.

Su Ruanyi rose to her feet before speaking, "I can't do that. Let's talk again after we calm down."

When Da Shan saw Su Ruanyi walking away, he immediately ran after her. "Wife, can you change your mind? I'm sorry for what I have done to you. I promise I will change and do my duty as your husband well. Can't we start over now?"

However, Su Ruanyi ignored him and kept walking. In her eyes, everything was already too late.

When Da Shan wanted to stop her, one of Xiao Tian's underlings suddenly appeared behind him and hit the back side of his neck, causing him to faint immediately.

Star Clothes Company, Xiao Tian's office.

Inside a big and luxurious office, an attractive young man was sitting on the couch, half-naked.

Between his legs, a young woman, who was much sexier than most female models, was moving her head back and forth continuously.

If anyone saw her, one word would instantly appear in their minds.

Blowjob!

Yes. The young woman was currently sucking the young man's cock continuously, or in other words, she was giving a blowjob in his office.

Even though the young woman was sucking and licking his penis, the young man's eyes were focused on the documents in his hands.

These two young people were none other than Xiao Tian and his sexy lover, Shi Fei.

Previously, Shi Fei only wanted to give a report about their new project, but one thing led to another, and she ended up sucking and licking Xiao Tian's penis.

As Xiao Tian was reading the documents in his hands, his smartphone suddenly rang.

'Professor Su?'

Xiao Tian wanted to know the reason why Su Ruanyi suddenly called him.

When Xiao Tian's smartphone was ringing, Shi Fei stopped giving a blowjob and inquired, "Who is it, little brother?"

"It's professor Su." Xiao Tian gave an honest answer.

After she knew the person who was calling him, Shi Fei began licking and sucking Xiao Tian's cock again. She did not ask anything because she wanted to enjoy Xiao Tian's penis.

"Hello, professor Su?" even though Shi Fei was sucking his cock, Xiao Tian was still able to behave normally as if she did not give him a blowjob.

"Student Xiao, can we meet now?" Su Ruanyi inquired.

"I can't meet you now because I'm doing something important." Xiao Tian lied to her. "But it will be over in ten minutes. We can meet after that. How was that?"

Xiao Tian still had not had an orgasm, so he did not want to meet her immediately because it would make him feel uncomfortable later.

"All right. I will wait at Bamboo Restaurant." Su Ruanyi did not force him to meet her immediately because she knew he was busy.

She was already happy because Xiao Tian made time for her. That was why she agreed instantly.

After Su Ruanyi hung up the phone, Xiao Tian looked at Shi Fei and spoke, "We only have ten minutes now."

After hearing Xiao Tian's words, Shi Fei did her best to get him to orgasm as quickly as possible.

However, there was no sign of him reaching his limit. For this reason, Shi Fei stopped sucking his penis and spoke, "Little brother, fuck my mouth now. With this, you will have an orgasm faster."

Because Xiao Tian had the same idea, he immediately lifted her slender body and made her sit on the edge of the table.

'It has been a while since the last time I fucked her mouth.'

Without waiting for another second, Xiao Tian thrust his huge penis into Shi Fei's mouth.

Because their time was limited and it was also not the first time they did something like that, Xiao Tian immediately grabbed Shi Fei's head and moved his waist back and forth faster.

*Aghh....

Even though her eyes were flooded with tears, Shi Fei did not stop him and only tried her best not to gag.

*Slick...Slick...Slick...

Xiao Tian's huge cock was sliding in and out of Shi Fei's mouth.

Not long after that, Xiao Tian finally reached his limit. "Fei, I'm cumming...."

*Spurt...

He let out his white sperm deep in her throat.

At this moment, Shi Fei's eyes had turned white, and her eyes were flooded with tears. Even though her mind was still working, she could not move her body.

Because Xiao Tian knew that her body was weak, he immediately put her on the couch.

*Kiss...

Xiao Tian kiss Shi Fei's forehead.

Even though Shi Fei did not smile, she was pleased when Xiao Tian kissed her. She just could not express it because her body was frail.

After Xiao Tian put on his trousers, he looked at Shi Fei before speaking, "Just rest here."

Xiao Tian wasted no time and went straight to Bamboo Restaurant to meet his beautiful former professor, Su Ruanyi.

'There she is.'

After stepping into the VIP area, Xiao Tian walked towards Su Ruanyi.

When Su Ruanyi saw Xiao Tian, she smiled softly.

'He has arrived!'

The smile on her pretty face grew bigger when Xiao Tian was close to her.

Xiao Tian did not sit on the chair immediately; instead, he kissed Su Ruanyi's forehead before finally sitting on the opposite side of her.

"Sorry for making you wait, professor Su." Xiao Tian apologized for making her wait.

"It's fine." Su Ruanyi replied as she smiled.

"So, what do you want to tell me?" Xiao Tian asked curiously.

Actually, he kept thinking about it when he was on his way to the Bamboo Restaurant. That was why he asked that question immediately.

"I met my husband earlier." Su Ruanyi gave an honest answer.. "And I told him that we should not meet each other until we calm down."

Chapter 1088 - Da Shan's Feelings

6-8 minutes

Xiao Tian was startled.

Of course, he knew that her relationship with her husband was already on the verge of collapse.

But what surprised him most was that Su Ruanyi was the one who wanted them not to meet each other until they could calm themselves down.

Sure, their relationship was still husband and wife, but this was a big sign of the destruction of their relationship.

Of course, Xiao Tian was happy with this, but he did not show it on his face because he did not want Su Ruanyi to know about it.

He was afraid it would ruin his plan of snatching her from her husband.

'I need to hide my happiness.'

He repeatedly said that in his head as if he was chanting a magic spell.

"Professor Su, are you sure you won't regret your decision later?" at this moment, Xiao Tian hoped she would say she would not regret her decision later.

And as if Gods and Goddesses loved him, Su Ruanyi immediately said what he wanted to hear.

"No. I won't regret my decision." Su Ruanyi replied as she shook her head. "I have thought about this carefully and this is the best for us."

Lately, she often quarreled with her husband, so in her view, it was better for them not to meet each other for now.

At this moment, Xiao Tian wanted to lift and swing Su Ruanyi, but he decided not to do that.

'You made the right decision, young lady!'

Even though he was pleased, Xiao Tian still behaved normally as if he was not happy.

"Student Xiao, can you let me stay in your apartment from today onwards?" Su Ruanyi did not want to go home, so she wanted to stay in his apartment.

"You already know the door PIN so you don't have to ask." Of course, Xiao Tian would let her stay in his apartment because with this, it would be easier for him to spend time with her. "You can also treat my apartment as yours if you want."

"Then can I sell your apartment later? Your apartment is big, luxurious and located next to Yonhan beach, so I'm sure the price will be high." Of course, Su Ruanyi was only joking when she said this.

The corner of Xiao Tian's lips twitched after hearing her words.

"Hehe." Su Ruanyi could not help but giggle.

After they talked for about fifteen minutes, Xiao Tian brought Su Ruanyi to many romantic places.

They even went to Couple Café that day. Xiao Tian and Su Ruanyi returned to his apartment at 03:00 pm.

Coffee Shop, Outdoor Area.

In the outdoor area of a coffee shop, a middle-aged man around forty years old was sitting on a wooden chair.

His heart was filled with sadness, and his eyes lost all the natural shine.

Even though he was in a nice relaxing place, his mind was in a mess, as if he had just lost the most important thing in his life.

There were many people around him, but he felt alone at that time.

Regret, depression, sadness. All kinds of feelings were consuming his old body, to the point he felt as if he was drowned in a sea of misery.

The hot coffee was now already cold, but there was no sign of him drinking the coffee. It was as if he was a statue, not a human being.

That old man was none other than Da Shan, Su Ruanyi's husband.

'Wife...'

Da Shan could not stop thinking about his wife, Su Ruanyi.

If he could turn back time, he would have done it a few days ago. At this moment, he finally realized how important Su Ruanyi was to him.

He often ignored her and never cared about her feelings when she was always by his side. He even did not give her happiness for several months.

He did not cherish her when she was always by his side and loved him.

Now that she said she did not want them to meet each other again, Da Shan felt as if his world had broken into pieces.

Of course, he did not give up and kept thinking of a way to make their relationship harmonious again, but his brain did not work because his heart was filled with sadness.

'What should I do?'

He really did not know what to do.

At this moment, some good memories suddenly appeared in his mind.

'Wife...'

When he remembered Su Ruanyi's happy face and smile, he did not want to lose her even more.

'I will talk to him later.'

After thinking for several minutes, Da Shan decided that he would talk to Xiao Tian about his problem with his wife later.

Xiao Tian was the one who Su Ruanyi fell in love with, so he wanted to ask Xiao Tian to stay away from her so that he could get back with his wife later.

Xiao Tian's Apartment, His Bedroom.

"Ah...Ah...Ah...Ah..." a big and luxurious bedroom was filled with the cries of a mature lady.

She kept wailing as she bounced her body continuously as if she was riding a horse at the racetrack.

Sex!

Yes, she was currently having sex with her former student in his apartment.

After going on a date with her sex friend for a few hours, the mature lady dragged the young man into his room and kissed him passionately.

One thing led to another, and they ended up having sex in his room. These people were none other than Xiao Tian and his former professor, Su Ruanyi.

"Ah...Ah...Ah..." like before, Su Ruanyi did not care and moaned as loudly as she wanted.

Currently, they were having sex in a cowgirl position. Xiao Tian was lying on his back while Su Ruanyi was bouncing her slender body on his cock.

It had been thirty minutes since they started having sex in his room. But unlike usual, they still had not had an orgasm this time.

As Xiao Tian was enjoying the view of her breasts bouncing uncontrollably, Su Ruanyi suddenly stopped what she was doing.

At first, Xiao Tian thought she wanted to bend over and kiss him like usual, but he was wrong because Su Ruanyi suddenly stretched out her arms, asking him to hold her hands.

Like what she did earlier, Su Ruanyi instantly bounced her slender body after Xiao Tian grasped her hands.

"Ah...Ah...Ah..." As countless seductive moans escaped from her little mouth, her hair danced beautifully.

When Su Ruanyi noticed that Xiao Tian was looking at her fascinating face, her body suddenly got hotter and hotter.

His burning gaze made the flames of lust within her grow bigger, to the point she felt as if countless eyes were staring at her naked body.

The longer Xiao Tian stared at her, the bigger the flames of lust within her. Su Ruanyi even felt as if she was drowned in a sea of lust.

Her body suddenly turned frail, causing her to drop her body onto Xiao Tian. Because her body was in a weak state, she decided to kiss Xiao Tian passionately.

As they were having a deep kiss, something unexpected happened.

Xiao Tian's smartphone rang!

They instantly stopped the kiss and stared at each other.

Xiao Tian took his smartphone and checked the person who was calling him.

'Da Shan?'

Chapter 1089 - It's Enjoyable

7-8 minutes

Xiao Tian was startled.

He did not expect that Da Shan would call him when he was having sex with Da Shan's wife in his apartment.

Like Xiao Tian, Su Ruanyi was also shocked, but she did not say anything and only stared at Xiao Tian.

Her slender body still desired pleasure, and her mind was filled with the flames of lust, so she did not want to stop having sex with him.

For this reason, Su Ruanyi did not tell him to reject the call and let Xiao Tian decide it.

Even though Da Shan was still her husband, but he never did his duty as her husband, so she did not care about him.

That was why Su Ruanyi still lay prone on top of Xiao Tian's body while looking at his handsome face.

Xiao Tian returned his attention to Su Ruanyi.

'Her vagina suddenly become much tighter.'

Of course, Xiao Tian knew the reason why Su Ruanyi's pussy suddenly became much tighter like that.

Sure, her relationship with her husband was already on the verge of collapse, but he was still her husband because they were still not divorced.

'This is exciting!'

Because Su Ruanyi only stared at him without saying a single word, Xiao Tian knew that she had let him decide it.

Su Ruanyi's heart beat hard for a second when Xiao Tian picked up the phone.

'He is picking up the phone.'

Even though she said that in her mind, Su Ruanyi remained silent. She even did not pull his cock out of her pussy.

"Hello, Mr. Da?" Xiao Tian gazed at Su Ruanyi as he picked up the phone.

'Her pussy is tightening again!'

He added in his head.

In order to make it more exciting, Xiao Tian put it on speaker mode so that Su Ruanyi could hear their conversation too.

"Mr. Xiao, do you have free time now?" Da Shan inquired.

"Sorry, Mr. Da, I'm busy right now." Xiao Tian replied instantly.

'I'm busy having sex with your wife.'

He added in his mind.

As Xiao Tian was talking to Da Shan over the phone, Su Ruanyi suddenly did something unexpected.

She straightened up and sat on Xiao Tian's body again!

Yes, she went back to her previous position.

Even though Xiao Tian was startled, he did not show it on his face and only stared at Su Ruanyi. "What's wrong, Mr. Da? Do you have something important to say to me?"

At this moment, Xiao Tian wanted to know what Su Ruanyi would do to him. To his surprise, she bounced her body again, sliding his penis in and out of her wet vagina.

Xiao Tian was shocked!

He did not expect her to do something like that.

Of course, this made him happy because this was what he wanted.

He was currently talking with her husband over the phone, so this really excited him, to the point he wanted to fuck her wildly.

'What a bad professor!'

Because Su Ruanyi looked like a good wife, he thought she would stop having sex with him until he finished talking with her husband over the phone, but he was wrong.

He was utterly wrong because she did the opposite.

She bounced her body continuously and wildly as if she wanted her husband to know what she was doing with Xiao Tian in his apartment.

"Mmm...." Su Ruanyi squeezed her eyes shut and tilted her head back.

Even though Xiao Tian was talking with her husband over the phone, Su Ruanyi kept moving her slender body, as if she was addicted to having sex with Xiao Tian and did not want to stop no matter what.

"Yes. I have something important to tell you." the reason Da Shan wanted to meet Xiao Tian was that he wanted to talk about his wife with Xiao Tian.

He wanted to ask Xiao Tian to disappear from Su Ruanyi's life so that he could get back with his wife again later.

"Why don't you say it right now?" Xiao Tian was suddenly curious about what Da Shan wanted to say to him. That was why he wanted to know immediately.

"This is very important thing, so I can't tell you over the phone." Da Shan thought it was better to talk to Xiao Tian in person.

Like before, Su Ruanyi was still bouncing her body continuously. Actually, Xiao Tian wanted to fuck her wildly, but he changed his mind when he saw her breasts.

'Her breasts are so beautiful!'

Xiao Tian raised his right arm before finally landing it on Su Ruanyi's right breast.

"Mmm!" Su Ruanyi opened her blue eyes and almost moaned loudly when Xiao Tian suddenly squeezed her right breast.

Her body was sensitive, and she was trying her best to hold back her cries, so Xiao Tian's action surprised her greatly.

However, Su Ruanyi did not stop bouncing her body. She even did not stop him from squeezing her right breast.

'What a bad sex friend!'

Su Ruanyi looked at Xiao Tian for a second before she shut her eyes again.

Because she had sex with Xiao Tian when he was talking to her husband over the phone, Su Ruanyi's body turned hotter, and the flames of lust consumed her body faster than before.

The thought of Da Shan catching her having sex with Xiao Tian made her body more sensitive and excited at the same time.

Sure, having sex with Xiao Tian was always amazing, but at that time, it was much better than usual because Xiao Tian was talking with her husband over the phone.

'It seems like I have become a bad woman!'

Actually, she also found it hard to believe what she was doing and what she was feeling.

She did not expect that having sex with her former student with the chance of being caught by her husband would be so enjoyable and pleasurable.

"All right. I will inform you if I have free time later." Xiao Tian tried his best not to end the call because it was so exciting. "Where do you want to meet later?"

"Let's meet at Fu stall near the company." at this moment, Da Shan still did not realize that her beautiful wife was having sex with Xiao Tian in his apartment.

Because Su Ruanyi's body was sensitive and Xiao Tian's penis reached the deepest part of her vagina, she could not hold back anymore.

'I'm cumming...I'm cumming...I'm cumming....'

Su Ruanyi covered her mouth with both of her hands because she did not want her husband to know that she was having an orgasm with her former student's cock.

Xiao Tian was still talking with her husband, so Su Ruanyi had no choice but to continue trying her best to hold back her wailing.

*Spurt....

Su Ruanyi had a massive orgasm.

Maybe it was because her body was so sensitive, or perhaps it was because she was having sex with Xiao Tian with the chance of getting caught by her husband, but at that time, she had a massive orgasm and really enjoyed it.

Xiao Tian was startled.

He immediately stopped squeezing Su Ruanyi's right breast and looked at her pretty face.

'She had a massive orgasm!'

Xiao Tian shifted his gaze from Su Ruanyi's pretty face to his body which was wet from her nectar.

After having an orgasm, Su Ruanyi dropped her body onto Xiao Tian.

"Ahh..." Su Ruanyi unconsciously let out a seductive moan after dropping her body.

Chapter 1090 - Because I Said I Was In Love With You

6-8 minutes

Su Ruanyi instantly covered her mouth.

'Ops!'

She did not panic when she suddenly let out a seductive moan.

Because Su Ruanyi was lying prone on top of Xiao Tian's body, Da Shan could hear her wail.

'A woman's sound? Is he with his lover? Is this the reason why he doesn't want to meet me immediately?'

Because it was fast and Su Ruanyi also instantly covered her mouth, Da Shan did not realize it was his wife's moan.

Xiao Tian only smiled before finally pinching Su Ruanyi's soft cheek. He then moved his mouth, saying she was a bad professor.

However, no sound came out of his mouth, as if he was a mute who was speaking.

Su Ruanyi then brought her face closer towards Xiao Tian's left ear before whispering, "It was because it felt great!"

Even though no sound came out of Xiao Tian's mouth, Su Ruanyi could still understand it because she saw the movement of his mouth earlier.

Currently, Xiao Tian's cock was still inside her wet pussy. Because he still had not had an orgasm, his penis was still erect.

"Hello?" because Xiao Tian did not say anything, Da Shan wanted to know whether Xiao Tian was still listening to him or not.

"Alright." Xiao Tian replied, "I will inform you when I have free time."

"All right." After saying that, Da Shan hung up the phone.

Like what he did earlier, Xiao Tian pinched Su Ruanyi's cheeks before smiling softly. "It seems like my beautiful professor has become a bad lady!"

Of course, Xiao Tian did not mind if she became a bad lady because he also loved a bad lady, especially a bad lady like her, a mature woman who had a pretty face and a nice body.

"Hehe." Su Ruanyi only giggled and did not deny it because she also thought she had turned into a bad lady.

However, she did not regret it because, in her view, becoming a bad lady was a good thing too.

She was a good wife for several years, and it did not give her happiness and excitement, so becoming a bad lady was good because she was able to get pleasure and excitement like what she had just enjoyed.

"All right, my bad professor. It's my turn now." Xiao Tian spoke and paused for a second before he continued, "I want you on all fours now because I want to fuck you from behind."

Xiao Tian said what he wanted without thinking twice because he was with his sex friend who loved sex like him.

"All right." After saying that, Su Ruanyi did what she was told.

Xiao Tian still had not had an orgasm, so she knew they would continue having sex. That was why she immediately got on all fours.

After getting on all fours, Su Ruanyi turned her head to look at Xiao Tian and spread her wet vagina with her right fingers. "Student Xiao, come here."

Xiao Tian wasted no time and immediately placed the tip of his penis at her vagina entrance.

"Ahhhh...." Unlike before, where she always suppressed her cries, Su Ruanyi moaned loudly this time.

Of course, Xiao Tian let her do whatever he wanted because her wails were like a beautiful song to his ears.

And like this, Xiao Tian's bedroom was filled with Su Ruanyi's cries again.

"Huft...Huft...Huft...Huft..." after having sex for more than an hour, Xiao Tian and Su Ruanyi decided to stop.

"Professor Su, do you know why your husband suddenly wants to see me?" Xiao Tian asked curiously.

Currently, Xiao Tian and Su Ruanyi were lying on the bed, naked. She was lying on his right side with her head on his right arm.

"It seems like he wants you to disappear from my life." Su Ruanyi suspected that her husband wanted Xiao Tian to disappear from her life because her husband wanted to get back with her.

"Why do you think so?" Xiao Tian asked curiously.

"Because I said I was in love with you." Su Ruanyi gave an honest answer.

"In love with me?!" Xiao Tian was startled after hearing her words.

"It's like this...." Su Ruanyi began to explain the reason why she said something like that.

She told him everything, from how she refused to have sex with her husband to how she saw her husband walk out of a love hotel with a young woman.

She did not hide anything because everything was related to Xiao Tian.

Xiao Tian was even more shocked. But what surprised him most was that she told her husband that she was in love with him, and she refused to have sex with her husband.

Xiao Tian was pleased because this was something that he had wanted to hear since they became sex friends.

Su Ruanyi was beautiful, intelligent, had a nice body, and had the skills that could help him reach the top of the hierarchy in China, so she was the perfect candidate to enter his harem.

Long Jingxian could help him with her skills in poisons and medicine while Su Ruanyi could help him with her computer skills, just like what she did a few days ago when Lu Yuzen did something to Feng Yu and his underlings.

Xiao Tian was sure that Su Ruanyi would be of great help later. That was why he wanted to snatch her from her husband.

Because Xiao Tian wanted to know whether Su Ruanyi was really in love with him or not, he decided to ask, "Professor Su, are you really in love with me?"

But instead of answering his question, Su Ruanyi asked, "What do you think?"

Ever since they became sex friends and Xiao Tian always gave her happiness, sparks of love continued to appear within her.

These feelings kept growing whenever they were together. However, Su Ruanyi did not want to admit it quickly. That was why she did not answer his question.

"I'm sure, you have fallen in love with me because I'm an amazing young man." Like usual, Xiao Tian did not forget to praise himself in his answer.

He was good-looking, tall, rich, and young. Everything a woman wanted was already in him.

That was why Xiao Tian did not feel shy when he praised himself because he believed that all women thought that way too.

"You are overconfident!" Su Ruanyi was not surprised by his answer because it was not the first time she heard that. "Are you going to meet my husband later?"

"Yes." Xiao Tian nodded. "Why? Do you want me not to meet your husband?"

"If you want to meet him, I won't stop you, but you have to be careful later." Su Ruanyi did not want something bad to happen to Xiao Tian because he was her sex friend.

Xiao Tian caressed her bangs before smiling gently, "Don't worry. Nothing bad will happen to me."

Da Shan was not a martial artist, so Xiao Tian believed nothing bad would happen to him.

At this moment, Su Ruanyi suddenly remembered that Xiao Tian was a martial arts expert because he could defeat many thugs in the past.

"Student Xiao, can you do me a favor before meeting my husband?" Su Ruanyi inquired.

"What is it?" Xiao Tian asked curiously.
