Chapter 1091 - Xiao Tian Meets Da Shan

Inside a big and luxurious bedroom, two people were lying on the bed; a handsome young man and a gorgeous mature lady.

The mature lady was lying on the right side of the young man with her head on the young man's right arm.

If anyone saw these two people, they would immediately widen their eyes because they were naked on the bed.

Yes, these two people were lying on the bed, naked. However, that was not the most surprising thing.

The most shocking thing was their status because the mature lady was a married woman while the young man was not her husband.

Forbidden relationship!

These were the right words to describe their relationship.

However, none of them showed the slightest care about it because they enjoyed their forbidden relationship so much.

They even really enjoyed their sex time.

Yes. They had sex a few minutes ago. They even had sex when her husband was calling the young man over the phone earlier.

They really enjoyed their sex time, to the point that some parts of the bedsheet were wet from their nectar.

These two people were none other than Xiao Tian and his former professor, Su Ruanyi.

"So you want me not to hurt your husband?" Xiao Tian was startled after hearing her request.

"Yes. Whatever happens, I hope you can control yourself later. I don't want you two to hurt each other later." even though her relationship with Da Shan was already on the verge of collapse, but he was still her husband, so she did not want Xiao Tian to hurt him later.

Of course, she also hoped Da Shan would not do something bad to Xiao Tian later because Xiao Tian was her important sex friend, someone who could give her happiness and satisfy her in bed.

"I will try my best to hold back myself later, but I will fight back if he dares to hit me." Even though Da Shan was her husband, Xiao Tian would fight back if Da Shan hit him later.

It would hurt his pride if he did nothing. He was famous and a gang leader, so he would fight back if someone bullied him.

"I would not blame you if he hit you first." Su Ruanyi also found Xiao Tian's words reasonable.

That was why she would not blame him if her husband were the first to cause trouble. Of course, she hoped nothing bad would happen to both of them later.

'Wait!'

Su Ruanyi suddenly thought of something.

'Yes. I will follow him in secret later.'

She decided to follow Xiao Tian in secret later.

Xiao Tian kissed her forehead before speaking, "Let's sleep now."

"Un." Su Ruanyi nodded her head.

Not long after that, they fell asleep.

Because Da Shan wanted to meet him, Xiao Tian woke up at 05:15 pm. He immediately took a bath before finally calling Da Shan, saying he had free time now.

After putting on his clothes, Xiao Tian looked at Su Ruanyi again.

'She is still sleeping.'

His face broke into a smile when he saw her sleeping face.

'Have a good sleep, my beautiful professor.'

Xiao Tian kissed Su Ruanyi's forehead.

*Click...

The sound of Xiao Tian closing the door echoed in his room.

After Xiao Tian left, Su Ruanyi immediately opened her eyes. "He has left."

Actually, she was already awake when Xiao Tian kissed her forehead. However, she pretended to be asleep because she wanted to follow him in secret.

Without waiting for another second, Su Ruanyi put on her clothes before finally going to the Fu stall.

Fu Stall, Near Star Film Company.

Currently, Da Shan was sitting on a chair in the outdoor area. There were a few tables and chairs in the outdoor areas, with a few people chatting happily.

Xiao Tian parked his BMW car near the Fu stall before walking towards Da Shan.

"Mr. Da, have you been waiting long?" like usual, Xiao Tian spoke as he smiled.

He behaved as if he did not have any special relationship with Su Ruanyi or something like that.

"No. I also just arrived!" unlike usual, Da Shan did not smile as he replied.

Xiao Tian did not say anything when Da Shan behaved a little cold and immediately sat on the opposite side of Da Shan.

To his surprise, the owner of the stall suddenly came with a few bottles of beer.

'Why did he order a few bottles of beer like this?'

Xiao Tian was a little startled.

Sure, it was a good place to drink beer because they were sitting in the outdoor area. At this moment, Xiao Tian suddenly remembered Su Ruanyi's words.

'It seems like professor Su is right.'

Because Da Shan wanted to talk about Su Ruanyi, Xiao Tian thought it was not weird if Da Shan ordered beer like that.

Of course, Xiao Tian thought it was not a good idea because talking while drunk would make their minds unable to think properly.

However, he could not do anything because Da Shan had ordered it. That was why Xiao Tian said nothing about this.

At this moment, Da Shan wanted to discuss his problem with his wife immediately, but he did not know where to start the conversation.

For this reason, he told Xiao Tian to drink beer with him. Actually, he ordered a beer on purpose because it was a complex topic for him.

Xiao Tian was his boss and had helped his family once, so everything was complicated for him.

After drinking the beer, Xiao Tian started the conversation, "What do you want to tell me, Mr. Da?"

"It's about my wife." Da Shan gave an honest answer.

"Your wife?" Xiao Tian was not surprised by Da Shan's words because Su Ruanyi had told him about it before.

At this moment, Su Ruanyi arrived at Fu stall. However, she did not join them; instead, she hid behind a tree.

Yes. There were two big trees near the Fu stall. This was the reason why the outdoor area of the Fu stall was better because the atmosphere was good.

The customers could enjoy delicious food and beer while feeling the gentle breeze.

'I hope they won't cause trouble later.'

Su Ruanyi paid attention to Xiao Tian and her husband carefully.

Not far from her, two of Xiao Tian's underlings were looking at her. They were the ones who were ordered to protect her in secret.

"It seems like that old man will cause trouble to our leader later." the Shadow gang member uttered.

"Hmf! I will skin him alive if he dares to do something bad to our leader!" The Blue Ice Lotus gang member commented.

Black lines formed on the forehead of the Shadow gang member.

'Her group is indeed full of violent people.'

Actually, he was not surprised by her words because he knew the personalities of the Blue Ice Lotus gang members.

Of course, Su Ruanyi did not know that two of Xiao Tia's underlings were hiding not far from her.

She was not a martial artist, and she was also focused on Xiao Tian and her husband, so it was normal if she did not know about it.

"Yes. My wife is in love with you.." Da Shan replied, "Mr. Xiao, can you disappear from my wife's life from today onwards?"

Chapter 1092 - Da Shan Is Angry At Xiao Tian

7-9 minutes

"Yes. My wife is in love with you." Da Shan replied, "Can you disappear from my wife's life from today onwards?"

Because Da Shan could not stop his wife from falling in love with Xiao Tian, he wanted Xiao Tian to disappear from Su Ruanyi's life.

Da Shan was sure Su Ruanyi's feelings for Xiao Tian would disappear if Xiao Tian never appeared in her life anymore.

Actually, Xiao Tian had guessed that Da Shan would ask him to disappear from Su Ruanyi's life because she told her husband she was in love with him yesterday.

Because Xiao Tian did not say anything, Da Shan said again, "You will help me, right? You are handsome, young and rich, so I'm sure many women desire to be your lover. And there are many better women than my wife out there. You won't snatch her from me, right?"

Xiao Tian wanted to laugh after hearing Da Shan's words.

'What a fool! Did he realize what he just said?'

At this moment, Xiao Tian finally knew why Da Shan's relationship with Su Ruanyi was on the verge of collapse.

It was because Da Shan did not know the value of his wife or how amazing she was!

Sure, Su Ruanyi was already thirty-three years old, but she was better than most women in China.

Not only was she prettier than most women, but she was also a clever lady and skilled in computers.

She was someone who could help him reach the top of the hierarchy in China, and here, Da Shan dared to say there were many better women than her.

In his view, Da Shan was a fool!

Someone who did not know the value of their wives was a fool in his eyes.

If Su Runyi were worse than many women, he would not have chosen her over some female college student who desired to be his lover.

Su Ruanyi, who was eavesdropping on their conversation, was not happy with her husband's words. It was as if she was a mature lady who had no value at all.

Of course, she did not say anything and remained in her position because her main purpose of coming to Fu stall was to see what would happen to Xiao Tian and her husband.

"Sorry, but I can't do that." of course, Xiao Tian refused instantly because he wanted to snatch Da Shan's wife.

Not only could Su Ruanyi help him reach the top of the hierarchy in China, but she was also a beautiful mature lady.

Xiao Tian loved mature ladies or MILF, so there was no way he would let go of Su Ruanyi. He even had sacrificed something to get closer to her.

Xiao Tian did not care about Da Shan's feelings because their relationship was only subordinate and boss.

"Why? You already have six girlfriends, right?" Da Shan knew about this because Shi Fei stated she was one of Xiao Tian's six girlfriends when they met at Li Restaurant. "With how rich you are, you can get a better woman immediately, so why are you doing this to me? Can't you just disappear from my wife's life?"

"Mr. Da, I never force you to do something for me until now, so you can't force me to disappear from professor Su's life." Xiao Tian replied, "If you have a problem with your wife, you should try to solve it, not ask me to disappear from her life like this."

"But you already have a lot of women, so why can't you just disappear from my wife's life?" of course, Da Shan still wanted Xiao Tian to disappear from Su Ruanyi's life.

"I can't help you in this matter." Xiao Tian did not change his mind.

"Why? Are you also in love with my wife?" Da Shan wanted to know why Xiao Tian did not want to disappear from Su Ruanyi's life.

At this moment, Da Shan began to lose control. He was stressed and depressed because his wife did not want to see him, and here, Xiao Tian did not want to help him either.

That was why he began to suspect that Xiao Tian was also in love with his wife. Su Ruanyi was an attractive lady, so it was not weird if Xiao Tian was in love with her.

Da Shan even knew some men who kept trying to seduce his wife, but they had always failed until now.

That was why he was not worried in the past. He just did not expect the day his wife fell in love with another man would finally come.

Not only that, but the person she loved was her former student.

Su Ruanyi, who was hiding behind a tree, paid attention to Xiao Tian carefully because she wanted to know his answer.

'Student Xiao, are you in love with me too?'

Of course, she would be happy if Xiao Tian also loved her because she was already in love with him.

"You don't need to know about it!" Xiao Tian did not want to tell Da Shan about his feelings for Su Ruanyi because, in his view, Da Shan did not need to know about it.

At this moment, Su Ruanyi was a little disappointed because she was very curious about Xiao Tian's feelings for her.

However, she could not do anything because it was not the right time and place to ask about his feeling for her.

Da Shan could not hold back himself even more after hearing Xiao Tian's words. "Have you forgotten that she is still my wife? Are you trying to snatch her from me? Do you want to snatch your subordinate's wife?"

Eight people, who were drinking and chatting not far from Da Shan and Xiao Tian, suddenly turned their heads towards Xiao Tian and Da Shan.

"What?! Snatching his wife?!"

"What's going on?"

"I don't know."

"Me too. I only heard about snatching the wife."

"Me too."

Xiao Tian was furious. Now they had become the center of attention because of the stupid old man in front of him.

"Mr. Da, watch your words!" Xiao Tian's eyes gleamed with terrifying sharpness as he stared at Da Shan. "Don't say something like this again, or else you will regret it later."

If he had not promised Su Ruanyi to control himself, Xiao Tian would have immediately hit Da Sha.

Xiao Tian was famous and had a few companies, so a little bad rumor could ruin his image or his companies.

Da Shan was already under the influence of alcohol. Coupled with the problems that kept popping up in his life, he could not control his anger anymore.

No. He was someone who easily lost control. This was one of the reasons why Su Ruanyi was displeased with his behavior.

Da Shan was older than Xiao Tian, so Xiao Tian should respect him and help him. Of course, this was only from his point of view. "Why? Are you threatening me now?"

Su Ruanyi, who was seeing them, was unhappy with her husband's behavior.

'He is always like this. He easily loses control when everything does not go the way he wants.'

Su Ruanyi knew Da Shan's personality well because she was his wife.

Da Shan was often angry and always complained when his company was about to go bankrupt in the past.

His behavior was exactly like that. He was often drunk and did whatever he wanted. He even often thought that the world was unfair to him.

He just did not realize that he was the source of trouble. It was because he never used his head when trouble came up.

'Should I show up now?'

Da Shan had embarrassed Xiao Tian, so Su Ruanyi suddenly wanted to show up.

At this moment, Xiao Tian's underlings gritted their teeth, and their eyes were filled with anger.

They were furious because Da Shan had embarrassed their leader, but they remained in their positions.

Xiao Tian was thinking about whether he should beat Da Shan or not.

'Professor Su will be disappointed if I start trouble. This situation is so annoying!'

Xiao Tian suppressed his anger again.

However, Da Shan kept saying unpleasant things to him. Xiao Tian's face was red from anger. Da Shan kept saying bad things about him, so he could not suppress his anger anymore.

But something unexpected happened when Xiao Tian wanted to hit Da Shan

Su Ruanyi walked towards them!

Chapter 1093 - Can You Disappear From My Wife's Life?

7-8 minutes

Su Ruanyi could not hold back herself anymore. She decided to come out of her hiding place and walk towards Xiao Tian and her husband.

Her goal was only one thing.

It was to stop Da Shan from humiliating Xiao Tian!

She knew the reason why Xiao Tian did nothing when Da Shan humiliated him.

It was because she asked him not to cause any trouble before Xiao Tian went to meet her husband earlier, but she regretted it now.

Because she did not want Xiao Tian and her husband to hurt each other, she made Xiao Tian promise not to cause trouble.

But she did not expect Xiao Tian to get humiliated because of her request. Of course, she blamed her husband for this because this was indeed her husband's fault.

Xiao Tian's lips curled into a smirk when he noticed Su Ruanyi.

'Looks like my plan went smoothly!'

Actually, Xiao Tian had guessed that Su Ruanyi would follow him in secret.

This was one of the reasons why Xiao Tian did nothing when Da Shan kept humiliating him because, with this, Su Ruanyi would defend him and blame her husband.

The expression of deep shock blossomed on Da Shan's face.

'Wife?'

Sure, he was a little drunk, and his head was filled with anger, but he still recognized his wife.

Da Shan instantly rose to his feet and walked towards Su Ruanyi with a happy wife, "Wife, do you finally want to get back with me again?"

However, what he got was different from what he expected.

Su Ruanyi immediately slapped Da Shan in the face hard!

Da Shan was dumbfounded!

Previously, he thought Su Ruanyi would hug him, but he was wrong.

Not only did she not embrace him, she even slapped his face hard. This was not like what he wanted.

"Wife, why did you slap me?" Da Shan wanted to know why his wife suddenly slapped his face.

"What?! You still dare to ask this question?!" Su Ruanyi found it hard to believe what she was hearing.

"It was because you kept humiliating student Xiao when he did nothing to you!"

Everyone instantly turned their heads towards Da Shan and the others.

"So, she is his wife, huh? What a beautiful lady!"

"No wonder these two men are fighting over her!"

"I suddenly want to know what's going on."

"Me too."

They kept looking at Da Shan and the others.

"That's because he doesn't want to disappear from your life." Da Shan told her the reason why he humiliated Xiao Tian earlier.

"Why do you want him to disappear from my life? You don't have the right to control my life!" Su Ruanyi uttered, "I don't want him to disappear from my life because I want to be with him!"

"Have you forgotten you are still my wife? How can you say something like that so easily?" Da Shan was unhappy when Su Ruanyi kept defending Xiao Tian.

He was her husband, so she should defend him, not Xiao Tian. Sure, their relationship was on the verge of collapse, but he was still her husband.

"You still have the guts to call yourself my husband? You never gave me happiness. You never cared about my feelings, and you never spent time with me. You still dare to call yourself my husband?!" Da Shan never did his duty as her husband, so Su Ruanyi was angry when he called himself her husband.

At this moment, everyone finally knew the reason why there was a love triangle between them.

"So, it's because he never did his duty as her husband, huh?"

"Then, it's his fault!"

"Yes. it's his fault!"

"I know about it. That is why I want to start over with you, but you always reject my ideas. Why? Why did you refuse to start over with me? Was it because of him?" Da Shan pointed his right index finger at Xiao Tian.

"Because it's already too late!" Su Ruanyi gave an honest answer.

"There is no such thing as 'too late' in this world. It's because of him, right?" like before, Da Shan blamed Xiao Tian again.

At this moment, Xiao Tian's underlings almost could not hold back anymore because Da Shan kept blaming their leader.

As for Xiao Tian, he still behaved normally because this was what he wanted.

He did not mind if Da Shan kept blaming him because, with this, Da Shan would become the bad one later.

'It seems like he still doesn't realize everything. Da Shan oh Da Shan. It seems like you really want to give your good wife to me.'

Xiao Tian then shifted his gaze from Da Shan to Su Ruanyi.

Su Ruanyi grabbed Xiao Tian's right hand before speaking, "Student Xiao, let's go. There is no point in talking with him."

"Where do you want to go?" Da Shan tried to stop Su Ruanyi from leaving.

However, Xiao Tian immediately caught Da Shan's right hand and gripped it hard. "I did nothing until now because I didn't want to cause trouble in this place. However, I won't remain silent if you continue to act like this!"

Xiao Tian's black eyes were like a scarlet abyss, and every single one of his words was filled with coldness.

Da Shan had no idea as to why a deep fear suddenly appeared within him when he saw Xiao Tian's expression.

'What is this?'

Xiao Tian did not use his murderous aura, but Da Shan had already felt fear within him.

When he wanted to remove his right hand from Xiao Tian's grasp, he could not do that. He did not know that Xiao Tian had great strength.

"Let go of my hand!" because he was feeling pain, he told Xiao Tian to let go of his right hand.

Of course, Xiao Tian did not listen to Da Shan's words and kept gripping his right hand. He could not beat Da Shan in front of Su Ruanyi, so at least he wanted to give Da Shan a little pain.

'This is your punishment for embarrassing me earlier!'

Xiao Tian gripped Da Shan's right hand harder.

Da Shan was already old and was not a martial artist, so he had no strength. When Xiao Tian gripped his right hand harder, he felt as if his right hand was about to break into pieces.

"Let me go!" Da Shan said while trying his best to endure the pain.

Like before, Xiao Tian did not listen to Da Shan's words because he wanted to continue punishing Da Shan.

When Su Ruanyi saw Da Shan's face, she looked at Xiao Tian and spoke, "Student Xiao, stop it."

Because Su Ruanyi said so, Xiao Tian let Da Shan's right hand go.

'You are lucky, old man!'

Xiao Tian was no longer polite to Da Shan because Da Shan had humiliated him earlier.

After that, Su Ruanyi dragged Xiao Tian away from that place. "Let's go."

Xiao Tian followed Su Ruanyi without saying a single word.

At this moment, the Blue Ice Lotus gang member looked at the Shadow gang member. "You follow our leader now. I want to teach that old man a lesson first before leaving."

"Remember not to overdo it, or it will be a problem for our leader later." the Shadow gang member replied.

"All right." She replied.

'I would only hit his head once, but I never said it would be a light hit.'

She added in her mind.

Chapter 1094 - Your Boss Is A Bad Person

6-8 minutes

"Aghhh." Da Shan returned to his seat before drinking his beer again. "Fuck!"

He was furious because Su Ruanyi chose Xiao Tian over him. Not only did she not defend him, she also blamed him for everything.

Everyone, who looked at Da Shan, returned their attention to their drinks and food.

"It seems like he will lose his wife later."

"I'm sure about it."

"Well, we can't blame his wife for this."

"You are right."

Because Su Ruanyi went with Xiao Tian, they believed that Da Shan would lose his wife later.

At this moment, Xiao Tian's underling wanted to hit Da Shan before leaving, but something unexpected happened.

A middle-aged man suddenly appeared and walked towards Da Shan!

For this reason, she remained in her position.

'Who is he? Is that old man his friend?'

She did not come out of her hiding place because she wanted to investigate it first.

"Brother Da?" the red-haired mature man was startled when he saw Da Shan drinking alone at the Fu stall.

Da Shan turned his head towards the source of the sound. "Brother Wen?"

He did not expect to meet Gu Wen at Fu stall.

Gu Wen then sat on the opposite side of Da Shan before speaking, "What are you doing here? Why are you drinking alone?"

Da Shan replied instantly. "I have a lot of problems right now, so I want to drink until I get drunk."

"Trouble? Why don't you tell me about it now? Maybe I can help you later." Da Shan was his friend, so Gu Wen wanted to help Da Shan.

Because Gu Wen was his only close friend, Da Shan immediately told Gu Wen everything. "It's like this...."

He told Gu Wen how his wife did not want to meet him anymore or how his wife defended another man over him.

He also said that his wife had fallen in love with his boss. Of course, he did not tell Gu Wen about what he did at a love hotel with Hong Haoran.

"I see." Gu Wen spoke after hearing everything. "Your boss is a bad person."

"You are damn right! He is a bad boss, a boss who tries to snatch his subordinate's wife." like before, Da Shan blamed Xiao Tian for everything.

"How about you show your wife your boss' bad personality?" Gu Wen gave advice. "Maybe your wife will open her eyes and realize that your boss is a bad person."

"You are right!" Da Shan thought Gu Wen's idea was good. "Maybe my wife doesn't know about his bad personality."

"Then you should focus on collecting his bad deeds or actions from tomorrow onwards. After that, you can meet your wife and show it to her. I'm sure she will change her mind later." Gu Wen thought Su Ruanyi still did not know anything about Xiao Tian.

That was why he dared to say something like that, or else, he would not say that.

"Good. I will do that tomorrow!" Da Shan would gather information about Xiao Tian's bad deeds later.

As they were talking, Gu Wen also gave another piece of advice. They talked for about thirty minutes before finally, they left.

When Da Shan was heading towards his car, Xiao Tian's underling appeared in front of him.

"Who are you?" Da Shan did not expect someone would suddenly appear and stop him.

However, Xiao Tian's underling did not answer his question and immediately dashed towards him.

*Bang!

Xiao Tian's underling hit Da Shan's face hard until he fell to the ground.

Da Shan's body was filled with immense pain, and blood also dripped down from the corners of his mouth.

Of course, he fought back because his opponent was a woman, but the result was the same. He was thrown to the ground again.

"You should be grateful I did not kill you now." after saying that, she left.

Da Shan immediately rose to his feet and cursed for his bad luck. "Fuck! Today is my unlucky day! First, my wife defended another man and left with him, and now, a woman suddenly appeared and hit my face. Fuck!"

After getting into his car, Da Shan immediately went to his house. Like before, he was still furious and kept cursing on his way to his house.

Xiao Tian's Apartment, Living Room.

"I'm sorry, student Xiao." Su Ruanyi suddenly apologized to Xiao Tian.

Currently, Xiao Tian and Su Ruanyi were sitting on the couch. After arriving at his apartment, they immediately headed to the living room before finally sitting on the sofa.

"You don't need to apologize to me." Xiao Tian said in a soft and loving voice.

"But you were humiliated because of me." Like before, Su Ruanyi still blamed herself for what had happened to Xiao Tian at Fu stall earlier.

"Then how about you kiss me now?" Xiao Tian spoke as he touched his lips with his right index finger. "I will forgive you if you do that."

Su Ruanyi wasted no time and immediately pressed her soft lips against his. Not only that, but she also pushed him, causing them to fall onto the couch.

"You are really a bad professor!" Xiao Tian said as he smiled.

Currently, he was lying on his back with Su Ruanyi on top of his body. Because he fell onto the sofa, he did not feel hurt at all.

"Then you are a bad young man because you dare to seduce a married woman like me." Of course, Su Ruanyi was joking around when she said this because meeting Xiao Tian again could be said to be a blessing.

"You are right." Xiao Tian did not deny it. "I'm indeed a bad young man for seducing a married woman but I don't regret it. Instead, I feel glad I decided to seduce this married woman because I'm happy every time I'm with her."

Su Ruanyi was thrilled after hearing Xiao Tian's words. "This married woman is also happy whenever she is with you."

"Professor Su, how about we watch a movie in my room now?" Xiao Tian inquired.

"Mmm? Are you sure you only want to watch a movie with me? Why do I feel like you want to do adult thing to me?" Su Ruanyi decided to tease Xiao Tian.

"Why do I feel like you are the one who want to do adult thing to me?" because Su Ruanyi teased him, Xiao Tian decided to do the same.

"No. It's you who want to have sex with me. Just admit it!" Su Ruanyi denied shamelessly.

"No, it's you!" like Su Ruanyi, Xiao Tian also did not want to admit it.

"What a bad young man!" Su Ruanyi pinched Xiao Tian nose and smiled softly. "You are really a bad young man!"

Xiao Tian then rose to his feet before carrying her in a princess style. "You always say I'm a bad young man, but you are also a bad mature lady."

"Then doesn't this mean we are meant to be together since you are a bad young man and I am a bad mature woman." Su Ruanyi was pleased when Xiao Tian carried her to his room because, in her eyes, his action was so romantic.

"You are right." After stepping into his room, Xiao Tian put her on the bed.

"Student Xiao, how about we watch a movie naked?" Su Ruanyi said something shocking to Xiao Tian.

Chapter 1095 - Please Don't Do That

7-8 minutes

After Xiao Tian put Su Ruanyi on the bed, she said something shocking, "Student Xiao, how about we watch a movie naked?"

Xiao Tian was startled. He did not expect her to say something like that.

'It seems like she has become a naughty lady!'

He had no idea as to why all of his women suddenly became lewd ladies after having sex with him several times.

At this moment, Xiao Tian still did not say anything and only stared at her. As they were looking at each other, something unexpected happened.

It suddenly rained!

Not only that, but it also rained heavily.

Xiao Tian immediately looked at the night sky through the window.

'It's pouring!'

He returned his attention to Su Ruanyi.

Currently, Su Ruanyi was lying on her back with Xiao Tian above her. Xiao Tian's hands were on both sides of Su Ruanyi's head, and the distance between their faces was close.

Because Xiao Tian did not say anything, Su Ruanyi wrapped her long slender arms around Xiao Tian's neck before pulling his head closer towards hers. "See! Isn't this a good time to cuddle naked?"

"Sure." of course, Xiao Tian would not refuse it because he was a pervert too.

Cuddling naked with a gorgeous mature lady like Su Ruanyi was one of the dreams of many men, so only stupid men would reject it.

After Xiao Tian closed the curtain, he took off his clothes before crawling onto the bed.

Like Xiao Tian, Su Ruanyi immediately removed her clothes too. Cuddling naked was her idea, so she was not shy when she took off her clothes.

After turning on the TV, Xiao Tian inquired, "Professor Su, why do I feel like you have become lewd lady now?"

Currently, Xiao Tian and Su Ruanyi were lying on the bed next to each other. Even though it was raining heavily, they did not use blankets.

"It's because of my stupid husband." Like usual, Su Ruanyi blamed her husband. "I never enjoyed sex and had to pleasure myself for several years because of him. That's why I want to do lewd things with you because I want to make up for these years."

Xiao Tian suddenly felt like *déjà vu*.

'Wasn't this what Jingxian said a few months ago?'

Xiao Tian was sure that Long Jingxian said the same thing when they went to her parent's house a few months ago.

"Oh! So you want me to keep satisfying you in bed, huh?" of course, Xiao Tian would love to pleasure her whenever she was horny because having sex with her felt great too.

"You are my sex friend so it's your job to satisfy me." Because they were sex friends, Su Ruanyi wanted him to satisfy her whenever she was horny.

"Then I will do my best to give you pleasure whenever you want from today onwards." After saying that, Xiao Tian returned his attention to the TV again.

Coincidentally, it was a kissing scene. For this reason, Xiao Tian looked at Su Ruanyi again.

'Because you want me to give you pleasure every day, I will do that now.'

With that idea in mind, Xiao Tian turned Su Ruanyi's face towards him before finally pressing his lips against hers.

Even though Su Ruanyi was startled by his actions, she did not stop him; instead, she welcomed the kiss happily.

Not only that, but she also opened her little mouth when Xiao Tian tried to put his tongue into her mouth.

One second...ten seconds...twenty seconds....

After having a passionate kiss for twenty seconds, they stopped the kiss.

Both Xiao Tian and Su Ruanyi chuckled before finally watching the movie again.

Like what they did earlier, they immediately had a deep kiss every time there was a kissing scene in the movie.

However, Su Ruanyi suddenly did something unexpected when they were watching a movie again.

She grabbed Xiao Tian's cock with her right hand!

Because she was lying on Xiao Tian's right side, she could do that effortlessly.

Xiao Tian was startled.

Even though he had guessed something like this would happen, he did not expect it to be so fast.

But what surprised him most was that Su Ruanyi immediately stroked his cock.

Xiao Tian immediately turned his head to look at her pretty face.

Instead of feeling shy, Su Ruanyi smiled when Xiao Tian was looking at her. She was not a teenager anymore, so she did not feel shy.

It was also not the first time she stroked his penis, so Su Ruanyi behaved normally as if it was normal for her to stroke his cock.

Because Su Ruanyi only smiled, Xiao Tian immediately pinched her nose. "What a lewd professor!"

Like before, Su Ruanyi only smiled. Of course, she was still stroking Xiao Tian's cock because she loved playing with his penis.

Xiao Tian returned his attention to the movie again. He let her do whatever she wanted because getting a handjob while watching a movie was not a bad idea.

Like Xiao Tian, Su Ruanyi also watched the movie again. Of course, she did not stop stroking Xiao Tian's cock.

However, when the kiss scene appeared again, Su Ruanyi did something unexpected.

Previously, she would look at Xiao Tian and welcome the kiss, or she would kiss him immediately, but this time was different.

She crawled towards Xiao Tian's legs before finally sitting between them and kissing his penis.

Xiao Tian immediately shifted his gaze from the TV to Su Ruanyi. He was sure they would have sex later because he believed she was already horny.

As Su Ruanyi was kissing the tip of Xiao Tian's cock, she grabbed the blanket and covered her body until her shoulders.

"Professor Su, didn't you say you wanted to watch a movie with me? So why are you licking my cock now?" Xiao Tian decided to tease her when he saw Su Ruanyi enjoying his penis.

Su Ruanyi stopped what she was doing and looked at Xiao Tian. "I'm not licking your cock. I'm eating right now."

Like before, Su Ruanyi immediately licked and sucked Xiao Tian's cock again. However, something unexpected happened when she gave a blowjob.

Lightning flashed in the sky, and the sound of thunderclap shook the entire area!

Su Ruanyi immediately put Xiao Tian's cock into her little mouth and hid under the blanket.

Xiao Tian chuckled when he saw it. "Hehe."

'Cute.'

She was already thirty-three years old, but she was still afraid of thunder.

Su Ruanyi, who heard Xiao Tia's giggles, immediately glanced at him.

'What a bad sex friend!'

She wanted to punish him.

When Xiao Tian saw Su Ruanyi opening her mouth and was about to bite the tip of his cock, he immediately spoke, "Professor Su, please don't do that. It's my future."

Su Ruanyi giggled happily when she saw Xiao Tian's worried face. Of course, she would not do anything bad to Xiao Tian's cock because it was one of the sources of her happiness.

If something bad happened to his cock, he would not be able to satisfy her in bed anymore later.

"Then I want you to give me happiness now." Su Ruanyi instantly removed the blanket and turned around.

After dropping her head on the bed, she raised her perfect ass and spread her wet pussy with both of her hands.

"Come here, my sex friend.." Su Ruanyi uttered.

Chapter 1096 - Doing Exercise With Su Ruanyi

7-8 minutes

When many people were sleeping soundly in their houses, two people did adult things in one of the most luxurious apartments.

The mature lady was placing her pretty face on the soft bed while raising her naked ass high.

Her full breasts were pressing against the bed, and her long, beautiful fingers were spreading her wet pussy wide.

Seductive yet lovely cries kept coming out of her little mouth as if she was singing a lovely song with her moans in a big and luxurious room.

Behind her, a young man was continuously moving his waist back and forth. The faster he moved his waist, the faster the wails of the mature lady.

Sex!

Yes. These two people were currently having sex in a big and luxurious bedroom.

The young man was attractive while the mature lady was gorgeous. These two people were none other than Xiao Tian and his sex friend, Su Ruanyi.

When Xiao Tian went to Fu stall to meet her husband, Su Ruanyi suddenly appeared and dragged him to his apartment.

But the most shocking thing was that she immediately suggested watching a movie in his room, naked.

Not only that, she even licked and sucked Xiao Tian's penis when there was a lewd scene in the movie as if she had planned to have sex with him since the beginning.

"Ah...Ah...Ah...." Because the tip of Xiao Tian's penis kept hitting her womb, Su Ruanyi could not keep spreading her vagina with her hands.

Her body turned frail, and as a result, her long and slender arms fell onto the soft bed. Of course, she did not stop letting out seductive moans.

When Su Ruanyi's delicate arms fell onto the soft bed, Xiao Tian moved his hands from her hips to her ass.

His intention was clear.

He wanted to spread Su Ruanyi's wet vagina widely like what she did earlier!

However, Xiao Tian's thumb accidentally touched Su Ruanyi's cute ass hole when he was spreading her wet vagina, causing her to moan louder for a second.

Xiao Tian's lips curled into a grin!

'What a lovely ass hole!'

Xiao Tian suddenly wanted to play with her ass hole.

All this time, he never played with her butt hole whenever they had sex. They only had normal sex before finally stopping.

This was the reason why he suddenly wanted to play with her ass hole because she moaned loudly earlier.

However, something unexpected happened when he was about to play with Su Ruanyi's lovely ass hole.

Shi Fei called him!

Xiao Tian and Su Ruanyi were startled. They did not expect someone to call him when they were having sex in his apartment.

Xiao Tian stopped moving his waist and looked at Su Ruanyi. As for Su Ruanyi, she stopped moaning and glanced at Xiao Tian.

None of them said a word and only stared at each other.

'Who is it?'

That was the question that appeared in their minds.

At first, Xiao Tian wanted to ignore it, but he changed his mind when he knew the person who was calling him.

The expression of deep shock blossomed on Su Ruanyi's face when she saw Xiao Tian picking up the phone.

'He picked up the phone!'

Of course, she had no idea the person who called Xiao Tian.

At this moment, she thought it was his friend or business partner.

Because Su Ruanyi did not want that person to know what they were doing, she instantly covered her mouth with her hands.

Sure, Xiao Tian did not move his waist, but his huge penis was still in her wet vagina.

"Hello?" after picking up the phone, Xiao Tian moved his waist again, sliding his cock in and out of Su Ruanyi's wet pussy.

Even though his action was dangerous, Su Ruanyi did not tell him to stop. All she did was try her best to hold back her moan.

When Xiao Tian saw what she was doing, he moved his waist faster and faster. He even thrust his huge penis all the way into her vagina, causing the tip of his cock to hit her womb.

The person who called him was Shi Fei, so Xiao Tian behaved normally. He was sure Shi Fei would not mind even if she knew what he was doing with Su Ruanyi in his apartment.

"Mmmm..." Su Ruanyi widened her eyes when Xiao Tian moved his waist faster and faster.

'Student Xiao, what are you doing? Why are you moving your waist so fast? Aren't you afraid of being caught by that person later? Please slow down your movements.'

She did not tell him to stop. She only wanted him to slow down his movements.

Of course, she did not say it and only stared at Xiao Tian. Sure, she fucked him when her husband was calling him, but it was a different story at that time.

First, she did not move fast like what he was doing right now. Second, she knew the person who called him.

Third, she did not care even if her husband caught them because, in her view, there was no future for them.

Fourth, she suddenly wanted to tease Xiao Tian. That was why she dared to behave wildly like that.

Of course, she also thought it was exciting to have sex when he was on the phone.

This was the reason why she only wanted him to slow down his movements because she believed that she would not be able to hold back her moan if he kept moving fast like that.

Not only was his penis the biggest cock she had ever had in her life, but the tip of his dick kept hitting her womb too.

"Little brother, where are you? And what are you doing now?" Shi Fei immediately called him when she could not find him in their house.

Previously, she wanted to lovey-dovey with him because it was a perfect time to do that, but she could not find him in their house.

When Liu Ning said he still had not returned home, Shi Fei decided to call him.

"I'm working out with professor Su at my apartment right now." even though Xiao Tian did not tell her directly what they were doing, he believed that Shi Fei understood the meaning of his words.

Like what he had guessed, Shi Fei knew the meaning of his words. "So envious! I want to exercise with you too. I'm sure, Mrs. Su is happy right now."

"Do you want to talk to her?" Xiao Tian inquired.

"Yes." Shi Fei answered instantly.

Because Xiao Tian knew that Su Ruanyi would not be able to hold his phone, he put on speaker mode and placed his smartphone close to her head.

"Professor Su, it's my lover, Shi Fei. She wants to talk to you." Xiao Tian gave an honest answer.

Su Ruanyi was startled.

She did not expect him to give the phone to her.

'He is fucking me hard and the tip of his cock keep hitting my womb, so he should know that I can't speak normally now. Why is he doing this?'

At this moment, Su Ruanyi's heart beat fast for a second.

'Shi Fei?'

She suddenly remembered a sexy lady who was with Xiao Tian at Li Restaurant.

Of course, she remembered Shi Fei because Shi Fei was the sexiest woman she had ever seen in her life.

When Su Ruanyi opened her little mouth and was about to say something to Shi Fei, Xiao Tian did something to her.

Chapter 1097 - Video Call

7-8 minutes

Su Ruanyi did not expect that the person who called Xiao Tian was none other than Shi Fei, one of his girlfriends.

But what surprised her most was that Xiao Tian dared to pick up the phone. He even behaved normally, as if he was not having sex with her.

The reason why Su Ruanyi's heart beat fast was that she still did not know that Xiao Tian had told his women about his special relationship with her.

She thought she was only his sex friend, and he hid their relationship from his women.

'I have to say something now, or else she will be suspicious of us later.'

With that idea in mind, Su Ruanyi opened her little mouth and was about to say something to Shi Fei.

However, Xiao Tian suddenly did something unexpected to her.

He rubbed his cute ass hole and thrust his left middle finger into her butt hole.

"Ahhh..." Su Ruanyi widened her eyes and moaned loudly.

She instantly covered her mouth with her hands and turned her head to look at Xiao Tian. She shook her head continuously, giving him a sign to stop playing with her ass hole.

Of course, Xiao Tian ignored her. He even thrust his penis deeper into her wet pussy, making sure that he hit her womb with his cock.

"Ah...Ah...Ah...Ah..." Su Ruanyi could not hold back herself anymore, and as a result, she cried out continuously.

The tip of Xiao Tian's cock hit her womb continuously, and he also played with her ass hole, so the pleasure she felt was incredible.

It was so great, to the point she could not hold back her moan anymore.

"Student Xiao...Ah...Ah...Ah... please slow down. Ah...Ah...Ah..." While still letting out seductive wails, Su Ruanyi asked Xiao Tian to slow down his movements.

"Mrs. Su, it seems like you are enjoying yourself so much. So envious!" Shi Fei spoke abruptly after hearing Su Ruanyi's cries.

Of course, she was not surprised because she knew what Su Ruanyi was doing with Xiao Tian in his apartment.

Su Ruanyi was startled. She believed that Shi Fei already knew what they were doing in his bedroom because she could not stop moaning.

But what surprised her most was that Shi Fei behaved normally as if it was normal for them to have sex.

Xiao Tian knew what Su Ruanyi had in mind when she saw her face. "Professor Su, you don't need to hold back your moan anymore because she already knows what we are doing right now."

Because Xiao Tian said so, Su Ruanyi did not try to hold back her wails anymore and moaned as loudly as she wanted.

When Su Ruanyi's mind was on cloud nine, Xiao Tian suddenly took his cock out of her wet pussy.

Su Ruanyi instantly looked at Xiao Tian and asked, "Why?"

She wanted to know why Xiao Tian suddenly stopped fucking her because she was sure that both of them were bathing in pleasure.

Su Ruanyi widened her eyes again when she felt the tip of Xiao Tian's cock in her ass hole.

"Student Xiao, what...what are you doing?" Su Ruanyi had never had anal sex before, so she was suddenly afraid when Xiao Tian wanted to thrust his huge cock into her ass hole.

"Mrs. Su, what is he doing?" Shi Fei asked curiously.

"He is placing his penis in my ass hole." After thinking for several seconds, Su Ruanyi decided to give an honest answer.

"I see." Shi Fei was not surprised by Xiao Tian's actions because she often had anal sex with him. "It's fine, Mrs. Su. Anal sex feels amazing too."

"She is right, professor Su." Xiao Tian added. "Anal sex feels amazing too. Anal sex is even better for some women."

He had a few sex friends who loved anal sex more than normal sex in his previous life. They even got addicted to it.

"But..." Su Ruanyi was still afraid because she had never done it before.

"Mrs. Su, don't tell me. You've never had anal sex before?" From Su Ruanyi's behavior, Shi Fei suddenly suspected that Su Ruanyi had never had anal sex before.

"...yes." Su Ruanyi gave an honest answer.

"Don't worry. Believe in little brother. I'm sure he will give you immense pleasure later." Shi Fei was sure that Xiao Tian could satisfy Su Ruanyi later because she had experienced it with him many times.

Xiao Tian was pleased after hearing Shi Fei's words.

'What a good lover! As I thought, my sexy girlfriend is the best lover.'

Shi Fei was the most loyal and supportive lover among all of his women. This was the reason why she was the one he loved the most.

Su Ruanyi did not say anything and only stared at Xiao Tian. She knew that Xiao Tian was skilled in bed because he always managed to satisfy her.

However, she was still afraid because she had never done it before.

'Should I allow him to do that?'

Su Ruanyi wavered at this moment.

She was afraid, but at the same time, she was also curious about it.

Of course, she had heard about anal sex because her husband tried to fuck her ass hole a few times in the past, but she always refused.

However, she had no idea as to why she did not want to refuse Xiao Tian's wish.

'It is because he always makes me happy? Or is it because I have fallen for him?'

Countless questions emerged in her mind.

When Su Ruanyi was thinking about whether she should accept it or not, Shi Fei suddenly ended the call.

Xiao Tian and Su Ruanyi were startled.

Previously, they thought Shi Fei would not hang up the phone until they finished having sex.

However, something unexpected happened when Xiao Tian was about to put his smartphone on the table.

Shi Fei called him again!

If previously she only called him, she was video calling him this time. Of course, Xiao Tian picked up the phone immediately.

"Why are you suddenly making a video call?" Xiao Tian asked curiously.

"Because I won't be able to see what you two are doing if I don't make a video call." Shi Fei gave an honest answer.

At this moment, Shi Fei did something expected.

She took off her clothes!

Xiao Tian and Su Ruanyi were shocked.

They finally knew the reason why Shi Fei suddenly made a video call to them.

Currently, Shi Fei was sitting on the bed, naked. She placed her smartphone right in front of her so that she could see what Xiao Tian and Su Ruanyi were doing.

'Everything is ready!'

She leaned her phone against the pillow so it would not fall off later.

"Little brother, Mrs. Su, I'm ready." Shi Fei's intentions were clear.

She wanted to masturbate while watching Xiao Tian and Su Ruanyi having sex!

She decided to do this because she could not join them.

The distance between her house and his apartment was quite far, and it was also raining, so she decided to masturbate while watching them.

Xiao Tian instantly returned his attention to Su Ruanyi before speaking, "Professor Su, my lover is ready. What about you?"

Su Ruanyi kept looking at Xiao Tian and Shi Fei.

'She is naked.'

She could see Shi Fei's body from Xiao Tian's smartphone.

"All right." Su Ruanyi decided to agree.. "I'm also ready."

Chapter 1098 - It Seems Like I'm Still His Number One Girlfriend

7-8 minutes

"Ah...Ah...Ah..." Xiao Tian's big and luxurious bedroom was filled with Su Ruanyi's cries.

Not only that but seductive wails also could be heard from his smartphone.

Yes. One of Xiao Tian's girlfriends watched him having anal sex with Su Ruanyi through his smartphone!

She even masturbated as she watched them as if she was a slut who was horny and decided to pleasure herself.

That pervert lady was none other than Shi Fei, a young lady who was sexier than most female models.

Because Xiao Tian was placing his smartphone on his right side, Shi Fei could clearly see Xiao Tian and Su Ruanyi.

She even could hear Su Ruanyi's cries because Su Ruanyi moaned loudly and continuously.

This made Shi Fei even hornier. "Little brother, show me your cock! I want to see your penis too."

Xiao Tian wasted no time and immediately grabbed his smartphone.

Because he was fucking Su Ruanyi's ass hole, Xiao Tian showed Shi Fei how his cock slid in and out of Su Ruanyi's butt hole.

Shi Fei instantly took out the dildo that was kept in the drawer of the desk next to her bed.

Unlike before, where she played with her wet pussy using her fingers, she immediately thrust the dildo into her ass hole this time.

"Ah..." Su Ruanyi and Shi Fei moaned in unison.

Even though it was her first anal sex, Su Ruanyi already felt immense pleasure. Sure, it was a little hurt earlier, but Xiao Tian knew what to do.

That was why she did not feel pain anymore; instead, she bathed in pleasure.

Now she finally understood the reason why Shi Fei suggested having anal sex with Xiao Tian because the pleasure was the same as normal sex.

"Ah...Ah...Ah..." Shi Fei slid the dildo in and out of her ass hole faster and faster when she saw Xiao Tian's cock sliding in and out of Su Ruanyi's butt hole.

'Ahh. Little brother is fucking Mrs. Su's ass hole.'

At this moment, Shi Fei was imagining that Su Ruanyi was her.

This was the reason why she got hornier when she saw Xiao Tian's penis sliding in and out of Su Ruanyi's ass hole.

"Ah...Ah...Ah... How is it, Mrs. Su?" while still wailing in delight, Shi Fei asked Su Ruanyi about what it was like to have anal sex with Xiao Tian.

"It's great. Ah...Ah... Student Xiao is amazing!" Like Shi Fei, Su Ruanyi could not stop moaning.

The pleasure she felt when Xiao Tian's huge cock was sliding in and out of her ass hole was so incredible, to the point she could not describe it in words.

'I could get addicted if he kept giving me pleasure like this.'

Due to how amazing it was, Su Ruanyi believed she could get addicted to anal sex if Xiao Tian kept giving her immense pleasure.

Because Xiao Tian could not focus on fucking Su Ruanyi's ass hole, he gave his smartphone to Su Ruanyi. "Professor Su, hold my phone."

Su Ruanyi immediately took his smartphone and held it in front of her pretty face.

When she saw Shi Fei pleasuring herself with a dildo over Xiao Tian's phone, she felt as if Shi Fei was masturbating right in front of her.

She was able to see Shi Fei's pussy clearly, and she could also see the dildo sliding in and out of Shi Fei's butt hole.

This made Su Ruanyi hornier. Her body turned hotter, and the flames of lust within her grew bigger drastically.

At that moment, a wild idea suddenly appeared in her mind.

She suddenly wanted to have a threesome with Shi Fei and Xiao Tian!

Su Ruanyi's wails grew louder when Xiao Tian also played with her wet pussy. Of course, she loved what he was doing because it gave her more pleasure.

Xiao Tian, who had a lot of experience with anal sex, knew that Su Ruanyi loved what he was doing.

The muscles of her ass hole squeezed his cock wildly, and her love juices did not stop coming out of her beautiful pussy.

At this moment, Su Ruanyi finally reached her limit because the pleasure Xiao Tian gave her was so great.

"I'm cumming... I'm cumming... I'm cumming...." Su Ruanyi said in a low voice.

Coincidentally, Shi Fei also reached her limit.

"Mrs. Su, I'm cumming too." Shi Fei slid the dildo in and out of her ass hole faster and faster.

'It feels great!'

She did not forget to rub her clitoris because it gave her more pleasure.

"I'm cumminggg...." Shi Fei and Su Ruanyi had an orgasm at the same time.

Because Su Ruanyi was having an orgasm, she could not hold Xiao Tian's smartphone properly, causing it to fall onto the bed.

As usual, Xiao Tian stopped moving his waist when Su Ruanyi had an orgasm. Of course, he would fuck her again because he still had not had an orgasm.

"Mrs. Su, it was great!" Shi Fei uttered, "I had a massive orgasm just now."

Even though Su Ruanyi's body was still weak, she grabbed Xiao Tian's smartphone and pointed it at her face. "Yes. it was great. I had a massive orgasm too."

Although Shi Fei could only see Su Ruanyi's face, she knew that Su Ruanyi did not lie because she could tell everything from Su Ruanyi's face.

Su Ruanyi had a fascinating expression, the expression of someone who had just had the immense pleasure.

"But it seems like you still have to have sex with him again because little brother still has not had an orgasm." Shi Fei said this because Xiao Tian still had not had an orgasm.

"I know." After saying that, Su Ruanyi turned her head to look at Xiao Tian. "Student Xiao, you can move again now."

"All right." Because Su Ruanyi said so, Xiao Tian moved his waist again.

Like before, his room was filled with Su Ruanyi's cries again. At first, Shi Fei only saw them through his smartphone, but she ended up masturbating again.

Not long after that, Xiao Tian finally reached his limit. "Professor Su, I'm cumming...."

As usual, Xiao Tian did not pull his cock out of her pussy when he had an orgasm.

He fucked Su Ruanyi's ass hole, so he did not need to do that because she would not get pregnant no matter how much he let out his sperm in her ass hole.

Xiao Tian and Su Ruanyi had sex for about an hour before finally, they stopped.

"You were great, student Xiao!" Su Ruanyi stated.

Currently, she was lying on her back next to Xiao Tian.

"You too." after saying that, Xiao Tian kissed Su Ruanyi's forehead.

"What about me?" Shi Fei inquired.

Yes. Shi Fei still had not ended the video call. She was still video calling them.

"Of course, because my sexy lover is the best." At this moment, Xiao Tian also wanted to kiss Shi Fei's forehead, but he could not do that because she was at home.

"Hehe." Shi Fei giggled happily after hearing Xiao Tian's words.

'It seems like I'm still his number one girlfriend.'

She added in her mind.

"It seems like you two really love each other." Su Ruanyi said after seeing their behavior.

"Of course." Shi Fei replied. "What about you, Mrs. Su? Do you love him too?"

Chapter 1100 - Are You Still Not Aware Of Your Behavior?

6-8 minutes

"What are you doing here?" Su Ruanyi was unhappy when she saw Da Shan because she had told him not to see her until they calmed down.

"I only want to show you this." Da Shan showed some photos of Xiao Tian. "He is not as good as he looks."

There were several photos of Xiao Tian with many women. There was even a picture of him with his underlings.

However, Su Ruanyi's response was not like what he wanted because she threw these pictures to the ground.

She knew that Xiao Tian had more than one girlfriend. She also knew that Xiao Tian was a gang leader because he once ordered his underlings to protect her.

Everything Da Shan had shown her was something she had known for a long time.

"Why? Why are you throwing these pictures?" Da Shan was stunned. "Xiao Tian is a bad person, so you should open your eyes now."

Da Shan no longer addressed Xiao Tian with sir like he used to because he was furious with Xiao Tian. In his eyes, Xiao Tian was one of the sources of the problem.

If it were not for Xiao Tian, his relationship with his wife would not have fallen apart.

Sure, he realized that he also had made a big mistake, but his relationship with his wife would not have fallen apart if Xiao Tian had not appeared in Su Ruanyi's life.

"You are right. I should have opened my eyes since a long time ago! I should have opened my eyes sooner and realized that you are not as good as I thought." Because Da Shan wanted to make Xiao Tian like a bad person and blame Xiao Tian, Su Ruanyi was disappointed in her husband.

This made her even more sure that there was no future with her husband because their personalities no longer matched each other.

In her view, he should change himself to be a better person, not blame Xiao Tian or try to make Xiao Tian look like a bad person.

"Why are you still defending him? He is not a good person. I'm sure he will hurt your feelings later." Da Shan was unhappy when Su Ruanyi still defended Xiao Tian.

"Are you still not aware of your behavior? One of the reasons why I'm disappointed in you is that you can't control your emotion and always blame someone for everything." What she said was true.

Da Shan always lost control and blamed someone for everything. He even could not control himself when he tried to make up with her.

Yes. Da Shan was always angry when Su Ruanyi refused or disagreed on something. In her view, he should think of a way to make up with her if he failed, not angry like that.

"Forget it! I don't want to talk to you anymore!" After saying that, Su Ruanyi left.

Bamboo Restaurant, VIP Area.

"What's wrong, professor Su?" Xiao Tian, who was sitting on the opposite side of her, inquired.

At this moment, Su Ruanyi wavered whether she should tell him about what had just happened to her or not.

'Should I tell him about it?'

Su Ruanyi kept staring at Xiao Tian.

Xiao Tian held her hands and spoke in a soft voice, "If you have a trouble, you can tell me about it. I promise to help solve it later."

After looking at Xiao Tian's expression, Su Ruanyi decided to tell him about it. "It's like this...."

She said Da Shan went to Sky University earlier, and they met in the parking lot. She told him everything without hiding a single thing.

Xiao Tian was furious, but he suppressed his anger. "Thank god he did not hurt you earlier."

"Are you not angry with his actions?" Su Ruanyi inquired.

"I'm furious but I'm glad he didn't do anything bad to you earlier." Xiao Tian replied instantly, "Oh right professor Su. I have something important to tell you."

"What is it?" Su Ruanyi asked curiously.

Xiao Tian told her that all the directors snitched to him about Da Shan's behavior at the company earlier.

They told him that Da Shan hadn't been doing his job lately. Da Shan never came to the company and also did not attend meetings.

All of them even wanted Da Shan to be fired or step down from his position because Da Shan was no longer fit to be a director.

All he did was mess up their work and cause trouble for them. They could not hold back their anger anymore, so they decided to snitch Da Shan to him.

"He is your husband, so I don't know if I should fire him or not." The reason why Da Shan still had not been fired was that he was Su Ruanyi's husband, or else Xiao Tian would have fired Da Shan this morning.

Su Ruanyi did not know why she was not surprised after hearing Xiao Tian's words.

She was sure the reason why Da Shan never went to work was that he was gathering bad information about Xiao Tian.

"You can fire him if he never does his job." Su Ruanyi uttered, "I don't care about it."

"Really?" Xiao Tian asked.

"Yes." Su Ruanyi replied as she nodded her head.

After eating, Xiao Tian went to Star Film company to order his subordinates to fire Da Shan.

Xuefang City, Shenro Fountain.

Currently, Da Shan was sitting on a wooden chair with his best friend, Gu Wen.

"My wife threw all the photos and defended Xiao Tian again." Da Shan told Gu Wen what his wife did a few hours ago.

"It seems like your wife has fallen in love with him deeply." Gu Wen was startled after hearing it because he remembered that Su Ruanyi was a good wife.

"Do you have any more suggestions?" the reason why Da Shan decided to meet Gu Wen was that he wanted to ask Gu Wen for advice.

"How about you pay a thug to beat him up?" Gu Wen still had no idea that Xiao Tian was a martial artist or a gang leader.

That was why he suggested something like this because, in his view, they should use violence if words did not work.

"But he is a martial artist and the leader of a gang. He even has many underlings." Da Shan knew about this because he followed Xiao Tian yesterday.

"Then this is a big trouble!" After hearing Da Shan's words, Gu Wen knew that using violence was a bad idea.

"How about you ask your parents help or her parents for help?" Gu Wen gave another piece of advice.

"That is a good idea!" Da Shan suddenly thought it was not a bad idea. "I will ask her parents to help me later."

Da Shan decided to ask her parents for help because of several reasons. First, he was close to her parents.

Second, it was better to ask her parents for help if he wanted to make up with Su Ruanyi because his parents would tell him to divorce her later.

"Good." Gu Wen tapped Da Shan's shoulders. "I hope everything will go smoothly later."

"Thank you, Wen." Da Shan expressed his gratitude to Gu Wen.

'I hope everything will go well later.'

He said in his head.
